Chapter 1291: Who recorded this? what do you want?

“How long will it take to get a result?”

...

“That’s someone else’s military base. We can’t rush it. In order to ensure that nothing goes wrong, please let us take it slow.” Judy paused for a moment. at most half a year. Don’t worry, I won’t run away with the money.”

“I’ll transfer the deposit to your account later,” the president said, heaving a sigh of relief.

After they left, Silver Wolf said, the deposit is thirty percent. One person already has 1.5 billion. It’s better to just take the money and run away!

“You don’t want the remaining 3-5 billion?” Neo glanced at him and cursed, you’re so good!

“But this time, it feels very dangerous. Look at the Queen, raising flags every day, dying all day long.”

“Pei Pei Pei!” The chameleon shouted, her period is here and she’s not in her right mind. You’re also making a fuss with her?

Judy grabbed the fruit knife on the table and threw it at him. He did a somersault to avoid it, but the fruit knife was stuck in the wall.

It was December, and it was snowing heavily in the capital.

On Christmas Eve, Tong Siyao carefully chose a red coat after getting up.

As she walked out of the room, ye Zi looked at her suggestively and said, Oh, you're dressed like a bride. It looks like you won't be coming back tonight. Tong Siyao blushed and asked, "Do you want to have dinner together?"

"I'm busy!" Ye Zi hurriedly waved her hand. I don't know how many people will go to Christmas Eve and Christmas to rub shoulders with each other and create sparks of love. I'd better keep an eye on the popular figures in the entertainment industry. It's good for my career! By the way, why don't we cross the new year together?" uh, hehe. Tong Siyao looked at her apologetically.

She snorted and said, "I understand!" You want to spend New Year's Eve with your man, right?"

there will be fireworks on New Year's Eve, "Tong Siyao said with a sweet smile.

he said he'll take me to see the fireworks.

"What's there to see?"

Tong Siyao smiled, "the right place looks good

On her birthday, he had taken her to cloud restaurant, which was very suitable for watching fireworks. He could not imagine how beautiful the city would be.

"It's better to choose the right person, right?" ye Zi snorted.

Tong Siyao pursed her lips, nodded, and touched her face. "Xiao Yezi, you should also quickly find the right person

Ye Zi was in a hurry, so she left first. Tong Siyao went to the noodle shop downstairs for breakfast.

Just as she reached the entrance of the noodle restaurant, she heard her phone ring. She took out her phone and saw that it was a video call from an unknown number.

The format of the number was like a fake base station. Tong Siyao was afraid it was a virus and didn't dare to open it.

At this moment, the other party sent a second video. She didn't want to care, but she seemed to see Tong silu in the thumbnail.

Yes, it should be Tong silu. It seemed to be her school!

Tong Siyao immediately opened the video and saw Tong silu jumping rope with her classmates on the field. A few seconds later, the camera gradually zoomed out until it showed a panoramic view of the school.

In this way, Tong silu had become like a small ant and could not be seen at all.

Tong Siyao couldn't understand. Who recorded this? What do you want?

At this moment, the camera slowly moved back to the position of the camera, and a black tube appeared.

Tong Siyao didn't know what it was. She seemed to have seen it before, but she couldn't put her finger on it. The video ended there.

Tong Siyao clicked on the first video. It was a man's back, crouching in front of a glass window.

The camera slowly turned to the front of him. It didn't capture his face, but his hand.. He was holding a gun in his hand!

Chapter 1292: Break up with Sheng Yiting

Tong Siyao took a deep breath. She finally knew what the black tube in the video was. It was a gun barrel! Someone was pointing a gun at si Lu?

...

Tong Siyao's hands were shaking as she stared at the video. She could almost guess who would appear in the video.

The video trembled, and the scenery blurred. Then, a clear and familiar scene appeared.

That was her home, and there was Yao LAN, Wanwan, at home.

Who was it? Who was pointing a gun at them? What was his motive?

A text message notification sounded, and a line of text appeared at the bottom of the video: Don't be nervous, just do as I say and theyll be fine.

Tong Siyao was stunned. The person who sent the message seemed to be looking at her.

She suddenly turned around and looked around.

[you can't see me.] The text message came again.

Tong Siyao was still spinning in circles, looking around in horror.

Everyone was in a hurry during working hours, and no one was willing to look at her.

A customer's voice came from the noodle restaurant behind him. "Big beef noodles!"

The lady boss shouted loudly, "sit inside!" Come in and sit!"

Tong Siyao couldn't see anyone suspicious, so she lowered her head and sent a message, trembling.
Who are you?

[break up with Sheng Yiting. Don't let him know the reason.] [Who are you?!] Tong Siyao was furious.

[I'm not joking with you. If you don't listen to me, they'll all die!]

[do you think I wont call the police?]

[call the police? Since I dare to threaten you, I'm naturally well-prepared. Even the Sheng family can't trace it to me, let alone you. [Who Do You Think You Are?]

Tong Siyao's body trembled.

Suddenly, a video popped up on her phone screen. She wanted to turn it off because she didn't want to see how the other party threatened her family!

He must be lying! Were there no laws in this world? How could he let someone die just because he said so?

She was so flustered that she couldn't turn off the video. When she saw her home appear on the screen, she did not dare to turn it off. She was afraid that the person who had sent the text message would lose his mind and really hurt Yao LAN and Tong silu.

Yao LAN and Tong silu appeared. They had just woken up and were yawning as they washed up and made breakfast.

Tong Siyao looked at them. She saw them eating breakfast happily and getting ready to go out.

Tong Siyao suddenly understood. This was ran ran's live broadcast?

What was this person trying to do?

They watched as Yao LAN and Tong silu left the neighborhood and slowly walked towards the bus stop.

Tong Siyao stared at them intently. Suddenly, the bus swayed over and blocked the two of them.

Tong Siyao held her breath and stared at the bus.

Two seconds later, the bus left. Yao LAN was lying on the ground while Tong silu was crying her heart out as she squatted in front of her.

Tong Siyao's body shook, and the video call was cut off.

She hurriedly called Tong silu and mumbled, "No, Zhenzhen won't. Zhenzhen is definitely fake!"

Soon, Tong silu picked up the phone and started crying. "Sis-mom was hit by a car!"

Tong Siyao stumbled and almost fell. She hurriedly asked, "What, what's going on? What car did you hit?"

It wasn't the bus. It was just a cover so that she wouldn't be able to see the scene when Yao LAN got into the accident.

it's a motorcycle," Tong silu cried.

Yao LAN snatched the phone away and said to Tong Siyao, "I'm fine, it's just a small injury, Yingluo."

Tong Siyao heard her gasp. She was obviously in great pain. How could it be a small injury?

Siyao? ” the receptionist asked in surprise. why are you late? ” You don’t look well. Are you sick?”

Tong Siyao came back to her senses and nodded at her. “Yes, I’m here to ask for leave.”

“Then go quickly.” The receptionist said sympathetically.

Tong Siyao pulled herself together and quickly walked to the HR manager’s office.

As the end of the year approached, news from all over the world appeared. Furthermore, this year was an election year. Although the new president would be re-elected this year, there were still many things to report. In addition, some unexpected things would happen every day, so the whole company was extremely busy.

She was a newcomer who had only been a full-time employee for less than half a year. How could the HR manager be nice to her? Seeing that she was daydreaming and probably wouldn’t work hard even if she stayed, he allowed her two days off.

The weekend would come in two days, so she had four days of free time.

However, her mother and sister’s lives were in danger, so why would she care about this? If the matter couldn’t be resolved in four days, it didn’t matter if she couldn’t take leave. She could just not come!

Moreover, if she really broke up with Sheng Yiting, she would not have to work here anymore.

She left the company in a hurry and went straight to the airport.

On the way, she calmed down and thought about who could be the one threatening her.

Was that person’s purpose really to make her break up with Sheng Yiting?

What about their stance?

The person who had a crush on Sheng Yiting? He couldn't bear to see her and Sheng Yiting getting along?

Was it Lu duo?

Lu duo hadn't appeared for almost a year. It shouldn't be that bad. If she really didn't let it go, how could she not appear for so long? Moreover, she was performing overseas. She wouldn't be so perverted for a man, right?

Moreover, that person said that the Sheng family would not be able to trace it to 'him'. The Lu family's ran shouldn't be that powerful, right?

Could Qjanqian be a member of the Sheng family?

But apart from Sheng Yiting, there were only three people in the Sheng family. Could it be that Gong Mo's admiration for him was all fake?

Could it be that Sheng nanxuan didn't like her, so he did it behind Sheng Yiting and Gong Mo's back to separate her and Sheng Yiting?

Tong Siyao cried, feeling wronged.

Was there a need to?

If you don't like her, just say it. Why do you want to harm her family?

She had been worried that she and Sheng Yiting were incompatible in terms of social status. It was only because Gong mo and Sheng nanxuan didn't object that she had such a hope. If they didn't think highly of him, he would have given up long ago if they showed a little bit of it.

Why did it have to be like this? Was she that easy to bully?

Could it be that in their eyes, her and her family's lives were worthless?

Tong Siyao thought about it and started crying.

The driver looked at her in the mirror and didn't say anything.

When she was done crying, she looked up and called Sheng Yiting. Sheng Yiting picked it up quickly and called out with a smile, "Yaoyao

Tong Siyao bit her lip and shouted in a muffled voice, "Yiting hehe."

"What's wrong?" Sheng Yiting could tell that there was something wrong with her voice. are you sick?
"he asked worriedly..

Chapter 1294: The sign of a breakup

no, ran ran. Tong Siyao wiped her tears. my mother was in a car accident. I have to go home now.

...

"What? Is she alright?" Sheng Yiting asked nervously.

"I still dont know." Tong Siyao asked calmly, " I just wanted to ask you, do you want to go back with me?"

Oh my God. Sheng Yiting was taken aback. He asked apologetically, " can we have dinner tonight?"

Tong Siyao knew that the president was going to give his speech in about ten days. He was very busy. She should not have made such an unreasonable request and should have expressed her understanding when he took a step back.

However, how could he do that? Someone was forcing them to break up now. She understood him so well that there were no signs of a breakup.

“Then forget it, I can do it alone,” she said coldly.

Sheng Yiting was shocked and quickly said, ‘Yaoyao! You know, I’m very busy right now. Do you want to go back now? You can go back first, I’ll go over tonight.’”

“I really don’t need it.” Tong Siyao said in a low voice, “you’re so busy. You should go back to your work first. You’ll be in a high position in the future, so don’t be affected by such an insignificant matter.”

“Are you angry?” Sheng Yiting asked, puzzled. Your matters are never trivial.”

“I know,” you’re just making it sound nice,” Tong Siyao said.

Sheng Yiting, “Yueyue.”

“I’m hanging up,” She said coldly.

“Let’s hang up,” Sheng Yiting was a little helpless. I know you’re upset that

Auntie is injured

Tong Siyao hung up the phone.

Sheng Yiting held his forehead. He was a little annoyed, but he could understand. He wanted to ask for leave, but he couldn’t.

Everyone knew that he was Sheng nanxuan’s son. If he took leave at this time, people would gossip.

He was going to compete for the president's position in the future, so of course, he had to avoid these things as much as possible.

He picked up his phone and gave Yao LAN a call.

Yao LAN quickly picked it up and asked in confusion, "Yiting? What do you want?" Could it be that he also knew that she had been in a car accident?

Sheng Yiting heaved a sigh of relief when he heard her voice. If he could pick up the phone, it meant that his life was not in danger. His voice was normal, so he probably wasn't seriously injured.

He asked with concern, "I heard from Yaoyao that you were in a car accident?" Are you alright?

"What did she tell you? I'm fine! She had sprained her ankle after being strolled around by a motorcycle. Lulu made a fuss and made Yaoyao confused, making you worry."

"Have you found the culprit?"

"He ran really fast. He probably thought that he was afraid of being held responsible for his injuries and ran away. Anyway, it's not a big deal. If you can't find it, then forget it. '

"Yingluo is Yaoyao. She said she wanted to go back to see you. I'm a little worried."

"Come back?" Yao LAN was shocked. She hurriedly said, "there's no need to come back. I'm fine. You guys work hard!"

"Alright," he said. Sheng Yiting hung up and called Tong Siyao.

When Tong Siyao saw the caller ID, she hesitated for a long time before picking up.

“What took you so long?” Sheng Yiting asked softly. Are you really angry?’ “Do you need something?” Tong Siyao asked, displeased.

Sheng Yiting sighed. I just called Auntie. She said that she only sprained her ankle. Dont worry. You don’t have to go back.

“She’s not your mother, so of course you’re not worried!” Tong Siyao shouted.

Sheng Yiting frowned, finding her unbelievable.

She wasn’t like this before.

He said, “I know you’re worried, but can’t you calm down?” Yaoyao- ”

“Dont mind me!” Tong Siyao yelled and hung up.

The driver sighed and wanted to persuade her, but seeing that she had a bad temper, he gave up..

Chapter 1295: Let’s take it one step at a time

Tong Siyao covered her face and cried all the way to the entrance of the airport. The driver told her to get out of the car.

...

She paid the money and ran into the airport. She first went to buy a ticket, check in, and then sat in the departure hall, counting with her fingers.

Ten days later, that would be Yingluo.

She clenched her fists so hard that her nails dug into her palms. It hurt a little.

She should tell Sheng Yiting.

However, what if that person had been watching her? Would her mother and sister be killed as soon as she said it?

Otherwise, she would tell Sheng nanxuan. Sheng nanxuan was so powerful. He wouldn't be monitored if she talked to him, right? He could still buy some time.

He had no choice but to run! What if that person was Sheng nanxuan?

I won't, Zhenzhen.

The Sheng family wouldn't go that far, would they? Such a powerful person could crush her like an ant. If he was dissatisfied with her, he could have just said it directly. Was there a need to play such a trick?

Could the person in the dark really be more powerful than Sheng nanxuan?

Tong Siyao had a splitting headache and decided to go back to see Yao LAN and Tong silu first. As for the rest, he would just take it one step at a time.

It was already past five in the afternoon when they got off at Xizha airport. As Tong Siyao walked out of the airport, she called Tong silu. "Where is mom now?"

"I'm at home. What's up?"

"I'm fine. You're done with school?" yes, I just got home. I'm going to buy some groceries.

“Don’t go!” Tong Siyao said anxiously, afraid that she would be in trouble if she went out.

“Why?” Tong silu was puzzled.

Tong Siyao was stunned. She shook her head and remembered that she couldn’t see, so she said, “It’s fine, you can go.”

Yao LAN would have a gun pointed at her even at home. There was no point in hiding at home.

An hour later, Tong Siyao arrived home. As he walked into the living room, he heard Yao Lan’s voice coming from the kitchen, “Slow down! How come you don’t know anything? I’ll do it!”

“You’re injured, go and rest!” Tong silu shouted. I don’t know how to do it now, but I’ll be able to do it after I learn!’

“It’s my foot that’s injured, not my hand!’

“I don’t care. You have to rest well. Otherwise, if big sister finds out, she’ll definitely scold me. ‘

Tong Siyao smiled and walked in. who’s talking bad about me? ” she asked.

ah Tong silu was shocked. sister?

“Why did you come back?” Yao LAN asked in surprise.

Tong Siyao walked over and saw that she was standing on one foot. The foot she raised was wrapped in thick gauze, and she wasn’t even wearing a shoe.

“Didn’t you say it was just a sprain? Why is it like this?” Tong Siyao shouted.

“It almost dislocated, but it’s no big deal.” Yao LAN said as she looked at her with a reproachful expression. Didn’t I tell you not to come back?

“I know you’re injured. How could I not come back?” Tong Siyao looked out of the window and was scared. In the first video, there was a shot of the kitchen. “It’s just a small injury. Don’t you have to go to work?”

I didn’t know about your situation at first. I’ve already asked for leave and booked the plane tickets, so I decided to come back and take a look.

“You!” Yao LAN was helpless.

Tong Siyao smiled. alright, I’m back. You can’t drive me away, right? ” Lulu,

quickly help mom out to rest, I’ll cook!”

In the middle of the night, Tong Siyao heard the phone ring in her sleep.

She was jolted awake and saw that her surroundings were pitch black. She felt boundless fear spreading.

The ringing continued, and the phone screen flickered by the pillow.

She took a deep breath, picked up the phone, and saw that it was Sheng Yiting.

She was stunned and got up to answer the phone.

“I’m at your door. Open the door.” Sheng Yiting said..

Chapter 1296: I'll keep you warm, do you want it?

Tong Siyao was shocked and quickly turned on the light.

...

She put on her slippers and looked at her phone. It was just past midnight.

Why did he come at this time?

She walked out of the room and was suddenly shocked-wait! Could it be that person again?

Suddenly, she did not dare to open the door. What if it was not Sheng Yiting?

But it was Sheng Yiting's voice! There shouldn't be a mistake, right?

However, with such advanced technology, it's not difficult to make a fake voice.

She hesitated for a moment. She was afraid that it was really Sheng Yiting. She couldn't let him stand in the cold wind. Late at night at the end of December, it was -10 degrees Celsius!

She did not dare to turn on the lights in the living room. She walked carefully to the door and looked through the peephole. Sure enough, Sheng Yiting was standing outside.

He was wearing a coat, looking handsome and elegant. He raised his hands to his mouth and exhaled, obviously frozen.

Tong Siyao hurriedly opened the door and pulled him in. "What are you doing here? Why didn't you give us a call in advance?"

Sheng Yiting smiled and pulled her into his arms. "I'm afraid that you won't want me if I don't come."

Tong Siyao pushed him away helplessly. She grabbed his hand and said, "It's so cold, Yingluo."

"I'm fine. Isn't it warm now?"

There was heating in the room, so she didn't feel cold even in her pajamas. He felt even more comfortable when he came in from the ice cellar.

"Let's go in first." my mom and the others are asleep, " Tong Siyao said softly.

"Yes." Sheng Yiting retracted his hand. it's cold. You can hold it later.

When Tong Siyao heard that, she was touched. She pounced on him, wrapped her arms around his neck, and kissed him hard.

"Eh?" Sheng Yiting was shocked. what?

Tong Siyao raised her head and looked at him with tender eyes. "I'll keep you warm. Do you want me to do that?"

Sheng Yiting was stunned. He picked her up and strode into the bedroom. He pressed her against the door and kissed her like a storm.

After a while, the two of them were locked in a kiss, and their clothes were all over the floor.

"I don't have a condom." He suddenly raised his head.

no! Tong Siyao pulled him back. I'm in the safe period.

Sheng Yiting struggled. no! The safe period is not safe!

“Aiya!” Tong Siyao pounced on him and bit him. why are you so wishy-washy?”

Sheng Yiting, “Whoosh!”

Since she had already said so, what else could he do?

If she got pregnant, she would get married and give birth!

It was the middle of the night. Tong Siyao felt like she had just taken a nap when there was movement next to her.

She opened her eyes and saw Sheng Yiting putting on his clothes. She sat up in confusion. “You’re so silly!”

Sheng Yiting turned around and kissed her on the head. “Morning.”

Tong Siyao recalled what happened last night and was a little dumbfounded. Why did she suddenly roll on the bed? This wasn’t the rhythm of a breakup.

She didn’t want to leave him, but if that person continued to pester her, she would have to be prepared for that.

She had always used the greatest malice to figure out the bad guys, so she had to be careful.

He smiled and kissed her again, saying gently, “You continue to sleep, I’ll go wash my face. Do you have a toothbrush?”

“Uh, I bought a new one yesterday. It’s on the sink. You can use it first.” “Alright,” he said Sheng Yiting kissed her again, then got up and left.

Tong Siyao picked up her phone and glanced at it. It was only six O ‘clock.

Last night, they didn’t go to bed until at least two O ‘clock, right?

However, he usually started at this time, so he was probably used to it.

When he was in Beijing, he would exercise and make breakfast after he woke up.

Tong Siyao closed her eyes and wrapped herself tightly in the blanket, feeling his breath.

Her phone rang. She picked it up and immediately sat up..

Chapter 1297: Could she tell him?

It was that person again!

...

[he’s here? It didnt matter. [there’s always a process to breaking up. I believe you can do it.]

A demon!

Tong Siyao dropped her phone and quickly walked to the window. She pulled open the curtains.

It was pitch-black outside, and he didn't know who was spying on them.

She gritted her teeth and pointed to her heart. She said in a low voice, "Give me a bullet if you can, Qjngqing."

The night was quiet, and there were no cars passing by. She seemed to hear people laughing at her. He was mocking her naivety and naivety.

But she believed that that person could see her.

She heard footsteps behind her. Sheng Yiting had come in.

He walked behind her and put his arms around her. "What are you looking at?"

"Yueyue, I'm looking to see if it's daybreak." Tong Siyao closed her eyes and sighed tiredly. Turning around, she looked at him and asked, "do you want to sleep a little longer?"

"I'm not sleeping, I still have to go to the airport."

"The airport?"

"Yes, I only took half a day off." Sheng Yiting looked at her pleadingly. Don't be angry anymore, okay?

Tong Siyao looked at him. If it wasn't for the demon that followed her like a shadow, she would have jumped into his arms, hugged him, kissed him, and told him how touched she was.

But now, how could she dare to?

There was a process to breaking up, and it should start with dissatisfaction and coldness. Wouldn't it be weird if she threw herself into his arms and broke up with him a few days later?

She turned around and looked at the phone on the bed. Who was that devil?

Could she tell him?

But what if Qdanqian was someone Sheng Yiting couldn't solve? What if he said it, and he lost his mother and sister?

"What's wrong?" Sheng Yiting turned her around and asked seriously, "are you still angry?"

Tong Siyao quickly shook her head and looked at him with a conflicted expression, not knowing what to say.

"Could it be that I didn't perform well last night and didn't satisfy you?" he asked jokingly.

"What are you talking about?" Tong Siyao blushed and pinched his arm. "aren't you going to the airport?"
"Hurry up, or you might miss the plane!"

"Then we can't make it!" Sheng Yiting hugged her. "I don't feel like leaving all of a sudden. I'll take a few more days off. When are you going back?"

"I've been invited to Friday. Including the weekend, I'll probably only be back on

Sunday afternoon.

"Then 1-"

Tong Siyao reached out and pressed his lips, "Go back, mom's fine, you should focus on your career."

Sheng Yiting looked into her eyes and kissed her hand. "You're not angry?" No. Tong Siyao shook her head. I was too anxious.

"I understand. Mother is the closest person to you in this world, of course you're worried. You'll only be at ease when you see her. '

Tong Siyao paused. She felt that his words were sour. He was probably angry at her for losing her temper yesterday.

She wanted to explain and comfort him, but after thinking about it, she gave up.

She smiled and said, " "It's good that you understand,"

"I'll be leaving then." Sheng Yiting was a little disappointed.

He didn't dare to fight for the most important person in her heart, but couldn't Yingluo be the second most important? She didn't seem to care about this at all.

"Oh, that's right." He kissed her. Merry Christmas. I came in a hurry yesterday, so I didn't bring you an Apple."

Hearing that, Tong Siyao felt guilty, "ran ran, did you prepare another show yesterday?" Yingluo can't go back today."

She really didn't want to let him down, but now she was in a daze. "It's okay, we'll come again on New Year's Eve." He said with a smile..

Chapter 1298: I'll split it, alright?

Sheng Yiting left before dawn, so Yao LAN and Tong silu did not know that he was here.

...

Tong silu had to go to school while Yao LAN had to go to work. Tong Siyao was worried about them and didn't want them to go out. However, it was impossible for her to stop Tong silu from going to class for no reason. He could try to persuade Yao LAN, but she would not listen!

She sat at work, so her leg injury was not a big deal. She had taken half a day off yesterday morning and went to work in the afternoon.

Tong Siyao didn't know what to do with her, so she could only let her go.

In the end, only Tong Siyao was left at home.

Tong Siyao washed the dishes for breakfast and went to the market to buy vegetables. She was almost hit by a tricycle.

It was common to see such a scene in a crowded market. But she felt that it was that person's arrangement.

She quickly bought the ingredients and ran home in fear, almost getting hit by a flower pot on the way.

Seeing the flower pot in front of her, she looked up. The building next to her was only a few stories high, and there was no one on the balcony. If it had been accidentally knocked off, the other party would have been afraid of smashing someone and would have been so scared that they would not have dared to show their face.

She moved her feet and slowly walked home. The more anxious she was, the more likely she would be threatened. The other party might just want to see her scared.

When she reached home, she began to clean up. While she was mopping the floor in Yao Lan's room, she suddenly heard a loud bang and countless glass shards flew from behind her.

ah! Tong Siyao screamed. She hugged her head and squatted on the ground. She heard a thud and something fell to the ground.

She raised her head and saw that one of the embroideries on Yao Lan's painting had fallen off. There were glass shards all around her.

She didn't know what had happened. She looked at the window, trembling, and saw that the glass of the entire window had shattered

How did the glass shatter?

She looked around the room and looked at the embroidery. The embroidery was originally nailed to the wall, but now the nail was slanted, and there was an extra eye on the nail.

How did that come about?

Tong Siyao lowered her head and picked up the embroidery. She found a Black Bullet at the foot of the wall.

Her entire body trembled, and she felt a chill from the top of her head to the bottom of her feet.

She turned around and rushed to the window. There were houses in the neighborhood in front of her, but there were a few tall buildings further away, so she couldn't tell where the bullet came from.

"What are you doing?!" She shouted, breaking down. I'll split! Can't we split it?

Wuwuwu – "

She squatted on the ground and started crying.

Tong Siyao swept away the glass shards, called someone to install new glass on the window, and then nailed the embroidery back to the wall.

She was expressionless and numb.

After the worker who installed the glass left, she kept crying.

She mopped the floor and cried, washed the clothes and cried while cooking. When her phone rang, she almost climbed onto the coffee table to pick it up.

She thought it was the devil who reminded her again, but it turned out to be Sheng Yiting.

She smiled with a pale face and put the phone back, letting it ring.

He should be in Beijing by now, right?

I'm sorry, I'm too weak, I don't deserve to be with you. If you lose me, you can find another lover. If I lose my mother and sister, I'll have no family.

Tong Siyao cried as she got up. She walked into Tong silu's room and turned on her computer.

She logged into her email, selected the company's Human Resources Department as the recipient, and began to write her email.

'Resignation.'

Tong Siyao cried as she typed, making mistakes and correcting them.

After she finished writing, she sat in front of the computer in a daze. After a long time, Yao Lan's voice could be heard, "Yaoyao? Where are you?"

Tong Siyao was shocked and quickly came back to her senses. She touched her face, and her tears had dried up.

Her screensaver appeared on the computer screen. She clicked the mouse and saw the email page. The resignation letter had not been sent yet..

Chapter 1299: What exactly did mom go through in the

She moved her mouse to the " send " option and chose to save the draft after a pause.

...

Yao LAN pushed the door open and smiled, "I knew you would be here-"

She saw that Tong Siyao's eyes were red and swollen like walnuts. She was shocked."What's wrong with you?"

Tong Siyao turned her head and looked at the mirror on the closet. Seeing her sorry state, she explained, "I just watched a movie, Yingluo."

"What movie made you cry like that?" Yao LAN supported herself with her walking stick and walked towards her. She looked at the computer, but there was nothing on it. The mailbox had been closed, and only the desktop was left.

Tong Siyao stood up and said, "it's a romance film." Because the male and female protagonists were too different from each other, their family objected to them being together. In the end, both of them died.

Yingluo, I thought of Yiting and I. His family was so rich, but we were so poor. Although it's not to the extent of dying together, it might not end well. The more I think about it, the sadder I feel, Yingluo."

As she spoke, she started to cry again. The tears stung her eyes, making her cry even harder.

Yao LAN said anxiously, "forget it if it doesn't end well!" Is it worth you crying like this? Don't cry! Some things needed results. Wasn't it better to have a process? Otherwise, you shouldn't have been with him in the first place! Don't cry, you're making me worried to death!"

Tong Siyao took a deep breath and raised her head with a smile. "Alright, I Won't Cry Anymore."

She hugged Yao LAN and sobbed, "I'm sorry, Qjanqian, for making you worry." &Nbsp;

Yao LAN stroked her head and asked in a puzzled tone, "What's wrong? Did you guy's fight? What kind of problem did he encounter? His family is making things difficult for him?"

Tong Siyao didn't want her to worry, so she raised her head and said, " "It's fine. Don't stand there. Go and rest. It's time for si Lu to end her class. I'll go and cook."

At this point, she suddenly remembered that she had forgotten to eat lunch.

Now, the food was still on the stove. He could not let Yao LAN find out. Otherwise, she would be worried again.

She helped Yao LAN to the living room. As they walked, she asked, "Did you change your medicine today?"

"I've changed. You're just working in the hospital, and you can't find someone to change your medicine?"

Tong Siyao pursed her lips and made her sit on the sofa.

Yao LAN looked at her and said, “don’t be sad anymore. Men, after this one has gone, that one will come back.” You don’t have to be so desperate to be in love. If I were like you, you and Lulu wouldn’t be here.”

Tong Siyao was stunned and looked up at her. “Mom, have you also had unforgettable love?”

Yao Lan’s expression turned absent-minded for a moment, as if she was recalling something.

After a while, she came back to her senses and looked at Tong Siyao. She

reached out and pulled her into her arms.

“Mom?” Tong Siyao was confused.

Oh, you! Yao LAN let go of her and turned to look for the remote control on the sofa. He did not look at her face. I didn’t raise you to cry for a man. You must know that nothing is more important than death in this world. When you’re facing life and death, will you still care about love?”

Tong Siyao looked at her in a daze. She didn’t expect her to say something like that. What had her mother experienced in the past?

“Go and cook.” Yao LAN tilted her head and did not look at her.

Tong Siyao nodded and went to the kitchen.

Yao LAN turned around and looked at her back view. She sighed softly.

Slowly, she put down the remote control and went back to her room with her walking stick.

She opened the cabinet and took out a box from the depths. There was a wedding photo of her and Tong Yuan on the box. She touched the box and opened the lid. There were many things inside. There

was her and Tong Yuan's marriage certificate, a family photo of four, a solo photo, and a few pieces of expensive jewelry..

Chapter 1300: This can only be yours

She slowly flipped through the items and took out a small gray cloth bag at the bottom. She opened the bag and saw a bullet shell tied with a leather rope.

...

It was a simple necklace.

She picked up the necklace and placed the box back into the cabinet.

After closing the door, she suddenly realized that the room was a little different. Upon a closer look, the embroidery on the wall had been replaced with a nail, and a flower-shaped accessory had been nailed under the nail.

She reached out to fiddle with it and found that under the flowers was a wall with white dust peeled off. It was a little ugly.

He turned to look at the window. There was a glass window that was especially bright.

Yao LAN went to the kitchen with her walking stick and happened to see Tong silu coming back.

She said to Tong silu, " go and do your homework. Your sister is cooking. You can eat after you're done with your homework.

okay, " Tong silu agreed lazily. where are you going? " Can't you just sit down properly when you're injured?"

"I'm going to see what your sister is doing."

Tong silu immediately threw her bag down and helped her over.

Tong Siyao was staring at the soup in the pot. She turned around when she heard the voice."What's wrong?"

Tong silu saw her walnut-like eyes and jumped in shock."Sis, who bullied you?' Tong Siyao said guiltily, "stop it!" I just watched a tragic movie."

"I thought you had a fight with brother-in-law," Tong silu heaved a sigh of relief.

Tong Siyao's face froze.

"Hurry up and do your homework!" Yao LAN hurriedly said to Tong silu.

Oh! Tong silu pouted and left.

Tong Siyao secretly heaved a sigh of relief and stirred the bottom of the pot with a spoon.

"Have you changed the glass in my room?" Yao LAN asked.

"Ah?" Tong Siyao had already thought of an excuse. She said, " the embroidery suddenly fell off. I was sweeping the floor when I heard the sound and was so frightened that I accidentally broke the glass with the broom.

"What kind of guts do you have?" Yao LAN could not help but laugh.

Tong Siyao smiled embarrassedly. you gave birth to him. You must be a coward

Yao LAN was slightly taken aback before he laughed, "why should it be me?" Can't he be your dad?" my father is a martyr who protected the country. How can he be a coward? "Alright, alright, you're right! You even broke my wall, didn't you?" ahem! Tong Siyao coyly said, " please forgive me!

alright, alright, alright I forgive you! Yao LAN said helplessly.

Tong Siyao laughed. She was glad that her mother had never seen a bullet hole, or she wouldn't have been able to fool her.

Yao LAN suddenly extended her hand and passed the bullet shell necklace to her.

"Come ..."

Tong Siyao was shocked. She had just been scared out of her wits by the bullet in the morning. How could she not be scared now?

"What is this?!" She asked anxiously.

"The bullet shell." Yao LAN was speechless. you're afraid again? When you were young, you even went shooting with your dad. Why weren't you afraid then?"

"I reminisced about how the ignorant were fearless back then!" Tong Siyao put down her spoon, wiped her hands, and asked, " where did you get this?"

"Your dad left it behind." Yao LAN touched the bullet shell and hung the leather rope around her neck. I'll leave it to you.

Tong Siyao was stunned, "dad left it behind?" Just this one?"

“Yes.”

“Then I don’t want it!” Tong Siyao took it off. you and Lulu don’t have it.

“I’m not wearing this.”

“Then I’ll give it to Lulu!”

“Just wear it. This can only be yours.” Yao LAN sighed.

“Why?” Tong Siyao was confused.

“I’ll tell you in the future. Put it on properly for now.”

Tong Siyao watched her leave and lowered her head in confusion. She picked up the bullet shell and took a closer look. There were two numbers at the bottom of the Rhell
