

Ditsy Wife 1301

Chapter 1301: argument

She didn't understand what it meant, so she took out her mobile phone and checked the internet. She found that one represented the manufacturer, and the other represented the year of production.

...

She was born almost fifty years ago, even earlier than Tong Yuan. &Nbsp;

Could it be that Tong Yuan had used these 'ancient' bullets when he joined the Army?

Tong Siyao raised her head and looked out the window. She didn't care if there was anyone watching her. She hung the necklace around her neck and put the bullet shell in her clothes.

The moment the bullet shell touched his skin, he felt a chill.

She let out a breath and thought, "father's spirit in heaven will definitely protect me."

Tong Siyao's phone rang after she finished cooking.

She would have a mental breakdown whenever she heard her phone ring!

However, that demon wouldn't call.

It was Sheng Yiting's ringtone.

Sheng Yiting's phone call had also caused her mental breakdown!

She picked it up helplessly and saw Tong silu running in. She said to her, ‘ ‘Carry the dishes, I’ll go back to my room to take a call.’

Tong silu smiled secretly and said, ‘hurry up! Hurry up!

Tong Siyao glared at her helplessly and quickly went back to her room.

‘‘You haven’t eaten yet?’’ Sheng Yiting asked.

‘‘Yes, I just finished. And you?’

‘‘I just got off work,’’

‘‘Now?’’ Tong Siyao was confused. you’re working overtime again?

‘‘Well, I’ll be on holiday as usual on New Year’s Day, so I’ll be busy these few days. When are you coming back?’’

I’m going back, ’’ Tong Siyao said softly after a pause. I’m planning to go back a few days later.

‘‘A few days later?’’ Sheng Yiting asked.

‘‘Probably around New Year’s Day.’’ Tong Siyao didn’t have much confidence.

Sheng Yiting paused for a moment and sounded a little disappointed. ‘‘You’re not coming back for the new year?’’

‘‘I’m sorry, Yueyue.’’ Tong Siyao said in a low voice.

are you still angry? ” Sheng Yiting asked after a moment of silence.

“No, I didn’t,” She quickly denied.

“Then why?”

“I’m worried about mom. Although her injuries aren’t serious, it’s inconvenient for her to do anything.”

He was silent for a while before he said patiently, ” “Alright, Yingluo, I can’t stop you from being filial.”

“When will you be back? Give me an accurate number.”

“Don’t worry, I’ll go back when it’s time.”

“Alright, I’ll wait for you. I hope you don’t forget, Yingluo.” Don’t forget his important day.

She had missed Christmas Eve, Christmas, and New Year’s Eve. She couldn’t possibly not return to his birthday, right?

“You go eat.” He said.

“Have you seen Lu duo recently?” Tong Siyao suddenly asked.

“No, I haven’t. What’s wrong?”

“Nothing, I’m just asking.”

‘Yaoyao, are you suspecting that there’s something going on between us?’ “No, I didn’t.”

“The last time I saw her was the night we came back from the crystal island. She was downstairs. I rejected her offer and never saw or contacted her again. Are you satisfied now?”

“I’m satisfied?” Tong Siyao raised her voice. Sheng Yiting, what do you mean?

“I’d like to ask you what you mean! What’s wrong with you recently? Why did Lu duo get involved?”

“What, is your heart aching?” Tong Siyao sneered.

“Forget it, I’m not going to talk to you anymore. You’re not calm at all right now.”

“You’re the one who’s not calm!”

“Right! It’s me! Who told you to be so hard to please? I don’t know what you’re trying to do!”

Tong Siyao paused, her lips trembling. What was she doing? She wanted to break up! She did not know who was forcing her behind her back.

A toot sound came from the phone as Sheng Yiting hung up.

She smiled bitterly. It was the first time Sheng Yiting had hung up on her..

Chapter 1302: My dear nephew, do you miss me that much?

In the next few days, Sheng Yiting held back from contacting Tong Siyao, and Tong Siyao did not contact him either.

...

On the night of New Year's Eve, he had been staring at his phone from eight o'clock to twelve o'clock, but she didn't even come to ask about him.

He couldn't take it anymore, so he sent her a text message: Happy New Year.

Tong Siyao didn't respond. He waited until two o'clock in the evening, but he didn't receive any reply. He smashed his phone in anger.

The moment his phone fell to the ground, it suddenly rang. He was overjoyed and quickly picked it up. "Hey--"

wow! a surprised voice came from the other end. my dear nephew, did you miss me so much? it only rang for a while and you picked up.

Sheng Yiting, "Yueyue."

"Hello?" are you still listening?" Simon asked anxiously.

what are you doing in the middle of the night?" Sheng Yiting asked in a bad mood.

"You know it's late at night too?" Simon asked, "then come and pick me up. I don't want to be exposed to the cold wind at the airport! "The airport?" Sheng Yiting was shocked. you're at the airport?

"Yeah!"

"Which airport?"

"Which airport did you say?" Simon was furious.

"You're in China?"

“Nonsense!”

“What are you doing here?” Sheng Yiting was in a bad mood. What if Tong Siyao called him at this time? What was this uncle doing here?

“I’m back to celebrate your birthday!” Simon said through gritted teeth.

Sheng Yiting, “Yueyue.”

“Hello?”

“I’m coming.”

He couldn’t ignore his uncle’s thoughtfulness, so he went to pick him up in person to express his gratitude.

He couldn’t sleep anyway, so he went out for a walk!

Simon hung up the phone with satisfaction and said to his men, “Buy me a cup of coffee!”

The subordinate was stunned and carefully advised, “young master, you should be sleeping in a while. Have some coffee now.

“What else do you want to drink if not coffee?” Simon’s face darkened.

“Uh, hehe.”

“Forget it, get lost!” Simon was indeed sleepy, so he waved his hand impatiently.

The subordinate had no choice but to go and buy him a cup of hot chocolate.

Simon thought it was coffee, so he felt depressed after taking a sip. Just as he was about to flare up, a petite young girl in a white wool coat and a red scarf walked in.

Half of the girl's face was covered by the scarf, but it could not hide her beauty, especially her eyes.

From her eyebrows, she had some characteristics of a mixed-blood child and was very spiritual.

Most of the seats in the cafe were taken up by Simon and his men. The girl realized that no matter where she sat, there would be people around.

A man came in from behind her and sat down next to Simon.

She had no choice but to sit opposite him and untie her scarf to catch her breath.

When the man saw this, he quickly scanned his surroundings and shouted, "Cover it!"

The girl frowned and mumbled, "I'm not that famous."

The man thought about it and agreed. She wasn't even popular in China, not to mention the group of foreigners around her.

"What do you want to drink?" he asked, embarrassed.

"Hot chocolate." The girl said softly.

The man got up and walked to the counter. The girl took out her phone and swiped her finger on the screen a few times.

Simon took a sip of the hot chocolate, crossed his legs, and looked at her impudently.

Very soon, the girl noticed. She turned her head to look at him, frowned, and turned her back.

“Let’s go,” she said in a low voice when her companion came back.

“We’re here to pick you up, where to?” The man asked in a Huff.

The girl looked at Simon, and the man frowned.. “What are you afraid of? Don’t you see the police outside? Instead of worrying about this, why don’t you think about when you’ll become famous!”

Chapter 1303: You look like Chini

The girl pursed her lips and whispered, “I don’t want to sell myself, Zhenzhen.”

...

“Who told you to sell your body?” The man asked, “ the movie King is seriously pursuing you. Can your brain

“But I don’t like him.” The girl said boldly.

“What’s wrong with him? If you follow him, you’ll have the resources, and you’ll be his girlfriend. You’re not afraid of people talking about you. I)o you still want to treat your mother’s illness?”

The girl bit her lip and lowered her head, seemingly compromising.

The man sighed. Don’t worry. I’ll be with you today. Nothing will happen to you.

However, you have to show some kindness occasionally. Otherwise, if the movie King is unhappy, you won't be able to get any jobs. How are you going to survive in this industry?'

I know, Yingluo," the girl said in a low voice.

Simon closed his eyes, feeling bored.

He didn't like this kind of girl who was submissive, even if she was forced to do so. He would sympathize with her, but he would not like her.

All these years, there had been too many women like this around him, and it was boring!

After a while, someone walked into the cafe.

He opened his eyes and was a little disappointed to see that it was not Sheng Yiting.

The person who came was tall and handsome. He looked to be in his thirties or forties. He walked directly to the girl at the next table and shouted, "Xin Rong

Xin Rong stood up with a nervous expression.

The man held her hand and said with a smile, "I thought you wouldn't come to pick me up."

"Brother Zhang asked me to come." Xin Rong said coldly. The man looked at her and his eyes flashed. "You didn't want to come?"

Xin Rong pursed his lips and lowered his head in silence.

Brother Zhang stomped his feet in anxiety behind him.

The man gave her an understanding smile and walked out of the cafe with his arm around her shoulder.

Simon's ears were sharp, and he heard him ask, "Did I tell you that you look like Chini?"

"Who is it?"

"A short-lived singer from more than 20 years ago."

"I'll go back and find out."

"Does Your Mother Know how to sing? i

"No, her Yingluo's voice isn't nice." is that so, Yingluo? I thought she gave birth to you after she retired. Xin Rong couldn't help but laugh. Simon couldn't hear what he said anymore.

At this moment, Sheng Yiting finally arrived.

"I'm so tired," Simon stretched and stood up.

"Who asked you not to call in advance? Is it comfortable to wait at the airport?" Sheng Yiting asked in a bad mood.

Simon laughed. it's so comfortable. I just saw a beautiful woman.

Hearing that, Sheng Yiting turned to Xin Rong and the others and said, "That's the Best Actor from great uncle's company."

“Oh, that girl seems to be a newcomer.”

“Oh, really? I don’t understand” He had an impression of the Best Actor, but how would a newcomer know?

Simon didn’t care about this and urged, “Let’s go, let’s go. Take me back to sleep!”

‘You’re so annoying!’ Sheng Yiting said.

Simon was puzzled, “what’s wrong with you today?” It was like he had eaten explosives! “Ah!” I see he smiled ambiguously. I’m having fun with your girlfriend, hehehe. Am I disturbing you?

Sheng Yiting’s face darkened and he left.

Simon shouted and chased after him. alright, alright, alright. I’ll stop talking. Why are you angry?

He snorted and said in his heart, when I see your girlfriend, I’ll laugh at her! He had rushed over specially to meet his nephew’s girlfriend. As an uncle, he was naturally very concerned about his nephew’s marriage.

Last year, that girl had returned to her hometown. He was afraid that it would be the same this year, so he had specially chosen to celebrate Sheng Yiting’s birthday.

Sheng Yiting’s girlfriend would not be absent for his birthday, would she?

Chapter 1304: Don’t expose his scars

When they got home, Sheng Yiting made Simon a bowl of noodles.

...

Simon was about to start eating when he heard footsteps from the living room. He turned around and saw Sheng nanxuan.

Sheng nanxuan raised his eyebrows and yawned. "I was wondering who it was, it's you? Why didnt you tell me in advance?"

hehe hehe, " Simon laughed. brother-in-law, Happy New Year. I wanted to celebrate Yiting's birthday tomorrow."

"He's not a kid anymore, what's there to celebrate? Go to bed early after you're done eating. I'm going to sleep first." Sheng nanxuan turned around and went back to his room.

take care, brother-in-law æ "Simon said with a smile.

I'm going to bed too," Sheng Yiting said. you can wash the dishes after you're done eating.

"I'm a guest!" Simon protested.

"Then just leave it there."

Sheng Yiting returned to his room and looked at his phone. Tong Siyao still ignored him.

He couldn't fall asleep and tossed and turned until 5 pm. Suddenly, he realized that it was already 12 pm when he sent the text to Tong Siyao. Maybe she was already asleep and didn't hear it at all!

Then what was he upset about?

She would definitely reply to him when she woke up and saw it.

His heart relaxed and he immediately felt sleepy. He fell asleep in a moment.

When she woke up, it was already 12 am. She walked out of her room and heard Gong Mo's voice, "Quickly go wash your face and eat lunch! Where's Yiting? He still hasn't picked one? Shuangxue, go and wake your brother up!"

"I'm up." Sheng Yiting hurried over.

"Why are you only up now?" Sheng shuangxue asked. You're getting rid of jet lag

Sheng Yiting frowned, held her face, and rubbed it.

Sheng shuangxue shrieked and shouted at Sheng nanxuan, "Dad! Just look at him!"

Don't you know that men and women should keep their distance?" Sheng nanxuan asked Sheng Yiting unhappily.

Sheng Yiting let go of Sheng shuangxue and sat at the dining table with resentment. He said angrily, "You're all bullying me!"

Sheng shuangxue ran over and asked with a smile, "Did sister-in-law bully you

Sheng Yiting, "Yueyue."

"Alright, don't expose his scars." Sheng nanxuan said, "hurry and eat."

Sheng Yiting picked up his chopsticks with one hand and his phone with the other.

There was a text message from Tong Siyao in the morning: Happy New Year.

Couldn't she have said something else?

Feeling that someone was peeking at him from behind, he put away his phone and used his other hand to knock on the door with a pair of chopsticks. Simon covered his forehead and shouted, "sis!" He offended his superior!

"Alright, stop fooling around." Gong mo said helplessly, " I'll throw it away if you don't eat it!

Sheng shuangxue and Simon immediately started eating. Sheng Yiting, on the other hand, ate slowly and absent-mindedly.

"What's the plan for tomorrow?" Gong mo asked.

"As you wish."

Gong mo became depressed and said angrily, " "Then I don't care anymore!" "Yes."

"Hubby, look at him!" Gong mo complained to Sheng nanxuan angrily.

"Then just ignore him," Sheng nanxuan said helplessly.

"All of you are so hard to please!" Gong mo was stunned and pushed him away.

Sheng Yiting ate a few mouthfuls of rice without saying a word. Gong Mo's heart ached at the sight."I'll hold a birthday party for you. How about this afternoon?" Sheng Yiting was stunned for a moment before he picked up his phone. "I'll ask."

"Ask?" Gong mo watched him walk out of the dining room and muttered, " do you still have to ask?

“Who should I ask?” Sheng shuangxue asked

of course it’s your sister-in law, ” Simon chuckled your brother is henpecked husband now.

“Hmph!” Sheng shuangxue was displeased. who is she to control my brother?

Simon touched her head and said affectionately, ” hurry up and eat. You’ll have to take care of someone else’s brother in the future. We’ll be even then..

Chapter 1305: You’re not happy about your birthday?

Sheng Yiting dialed Tong Siyao’s number. This time, she picked up quickly, which more or less comforted his recently tormented heart.

...

“Have you had lunch?” He asked.

“I’m working on it.” Tong Siyao said, ” we have a late lunch here.

“Yes, I know.” what did you do? ” Sheng Yiting asked.

Tong Siyao stared at the ingredients and listed them one by one. After she finished, she asked, ” “Have you eaten?”

“Yes.” Sheng Yiting replied carelessly. He was more concerned about another question. when are you coming back?

tomorrow. I've already bought the plane tickets. We'll leave in the morning.

Sheng Yiting was relieved and asked, "What time are you getting off? I'll pick you up."

"No need. You should be very busy tomorrow, right? I'll go find you after I get off the plane."

Sheng Yiting paused for a moment. He felt uneasy. He wanted to insist on his opinion, but he was afraid that they would quarrel again after their argument a few days ago.

"Alright," he said. My mom said that she's holding a birthday party for me tomorrow afternoon. A few relatives and friends will probably come. You've met them before, so don't worry."

"Yes." yes, " Tong Siyao replied softly.

Sheng Yiting paused as if he could not find anything to say. He said helplessly, "Then you can continue cooking. Remember to call me when you're free."

"Alright," he said Tong Siyao agreed readily.

In the end, she didn't call him even when he woke up the next day.

Seeing that it was still early, Sheng Yiting was afraid that she was still asleep, but he did not dare to call her, so he could only hold back.

During breakfast, Sheng shuangxue and Simon gave him a birthday gift. Gong mo and Sheng nanxuan had planned to give it to him later, but they had to take it out first.

Sheng Yiting suddenly felt that family was still the closest.

After the meal, Gong mo and Sheng shuangxue started to decorate the living room.

Sheng Yiting was speechless when he saw them holding the colored ribbons and lights. "I'm not a child, can't you guys be a little more plain?"

"You don't need to care about me!" Gong mo said.

Yingluo. he really didnt dare to interfere since she had said it like that.

He helplessly returned to his room. Out of sight, out of mind, he let them decorate it however they wanted.

Seeing that it was almost time, he called Tong Siyao.

Tong Siyao didn't take it.

He called her two more times, but she still didn't pick up.

He was a little irascible. He threw his phone down and went to the gym.

After half an hour, Simon walked in. "Are you crazy? You're not happy about your birthday?"

Sheng Yiting was lifting the barbell when he let out a sigh. "Don't mind me!"

"I don't want to care about you. It's just that your phone keeps ringing, and it's annoying."

Sheng Yiting was stunned. He threw the barbell down and ran out.

Simon roared, "f * ck!" You almost hit me!"

Sheng Yiting rushed back to the bedroom. His phone was still ringing. He pounced on the bed and grabbed it. When he saw Tong Siyao's name on the screen, he picked it up immediately.

hey he almost couldn't breathe.

I'm sorry, ran ran, "Tong Siyao said. I didn't hear you in the car.

it's okay, ran ran, "he said, panting.

"What's wrong?" Tong Siyao was confused.

No, Qjanqian. he turned over and lay on the bed, smiling as he said, "I was exercising just now.

"Then, Yueyue, slow down."

"Yes." Sheng Yiting put his hand on his chest. His heart was beating fast, but he felt much more at ease. where are you now? "I'm at the airport. I'm going to check-in."

"Then give me a call when you board the plane."

Tong Siyao hesitated and asked, "There's no need, right?" "Yingluo, do as you wish." He sighed tiredly and panted heavily..

Chapter 1306: Prsurise!

Tong Siyao nodded and said in a low voice, "Then you should rest."

...

After she hung up, Sheng Yiting heard the busy tone and became annoyed again.

He estimated that it would take her at most an hour to get on the plane to the airport at this time. She would definitely arrive before five in the afternoon.

He checked the flight schedule online and locked onto a few flights. He decided to wait at the airport.

After lunch, the guests started to arrive. Because it was Sheng Yiting's birthday, there were only a few elders present. Only Yu Xinya, Tian Cheng, commander Zeng, and Wu Di were present, and the rest were all of the same generation.

Sheng Yiting was concerned about Tong Siyao, so he left the house after playing with them for a while.

Fortunately, everyone was very familiar with each other and didn't mind. After he left, they even joked about him, discussing how to mess with him, and how to say bad things about him when they saw his girlfriend.

Sheng shuangxue heard everyone's heated discussion and asked angrily, " why are you all so bad?!"

Everyone said, "you're just a child. You don't understand. We're doing this for his own good."

She snorted and said, "I don't care!" I'm the only one who can bully my brother and sister-in-law."

"You bully 365 days a year, so what's wrong with giving us one day?" Simon asked.

Sheng shuangxue opened her mouth, but suddenly stopped talking. She had never been a selfish person. It didn't seem like it was a big deal for her to be separated for just one day, but deep down, she was still a little unwilling.

Yu Xinya smiled. I brought an anatomy book. Shall we go and read it together?

she asked.

Sheng shuangxue's eyes brightened. She immediately brought her to her room. "Sis!" Simon shouted. Don't you care? Yu Xinya has led shuangxue astray!

Sheng Yiting rushed to the airport and waited at the exit for two hours, but Tong Siyao was still nowhere to be seen.

At around 5 am, Gong mo called him and urged him to go home.

He went to the airport staff and asked them to check Tong Siyao's flight.

After checking, the staff member said apologetically, " young master Sheng, no one called Tong Siyao on a flight today.

"How is this possible? Did you miss something?' The staff member did not dare to argue and could only say, " "I'll check again." "Be more careful!" Sheng Yiting said unhappily.

The staff member simply expanded the time to within the last month and finally found it!

young master Sheng, look. Miss Tong took the flight to Xiyuan on the 24th. Then, ran ran came back yesterday.

Sheng Yiting stared at the flight records in a daze, his head buzzing.

Yesterday?

She had returned!

Then why did she lie to him?

Sheng Yiting walked out of the airport tiredly and got into his car. Then, he heard his phone ring. He picked it up and saw that it was Gong mo.

He threw it aside and didn't care.

What had happened? What was going on with Siyao? Was it because he didn't go home with her in time that day?

When he returned home, he was completely dejected. He had a feeling that his one-year relationship with Tong Siyao was coming to an end. It was so sudden and without any warning.

No, there were signs too. It was after her mother's car accident that she suddenly changed.

But everything was fine before, and she wasn't such a petty person. What exactly happened?

Sheng Yiting walked to the door and pushed it open. With a bang, countless fireworks fell on his head, and the people in the house screamed, "(Surprise!"

He lowered his head, out of his mind, and did not move.

The people in the room were stunned and didn't dare to say anything.

In the silence, Gong mo quickly walked to his side and pulled his sleeve.

He raised his head and saw Tong Siyao standing in the middle of the crowd. She was wearing a red cashmere coat, which made her skin look smooth and delicate..

Chapter 1307: Let's break up

She looked at him, a little nervous.

...

Sheng Yiting's eyes widened.

"Why didn't you pick up my call just now?" Gong mo asked in a low voice. He hurried to Tong Siyao, grabbed her, and held her tightly in his arms, as if he had found a treasure that he had lost for many years.

Everyone laughed. it's alright. It's alright. So ran ran is thinking of a girlfriend.

Sheng Yiting let go of Tong Siyao and stared at her. "Why didn't you tell me you were here? I'll even pick you up at the airport!"

"Al!" Gong mo felt that something was wrong. Why did this brat sound so reproachful? Do you know how to make a girl happy? She quickly said, "of course Siyao wanted to give you a surprise!"

"Really?" Sheng Yiting looked at Tong Siyao.

But how could she create a surprise? She would still be angry if he gave her a surprise, because it would disrupt her original schedule.

She was the most insensitive person, so how could she suddenly have an epiphany?

Tong Siyao moved her lips awkwardly and didn't agree with Gong Mo's words. This made the surrounding people feel awkward.

Sheng Yiting smiled helplessly.

See, as expected, it wasn't for any surprise.

"I have something to tell you." Tong Siyao lowered her head and said in a low voice.

"Let's go to my room," Sheng Yiting pulled her inside, leaving everyone else in the living room behind.

Everyone looked at each other. Gong mo said helplessly, "Let's play on our own first and ignore them."

"But what if they forget about us?" Simon asked.

don't be so dirty! Gong mo threw an orange at his head. there are children here!

Sheng Yiting closed the door gently. Tong Siyao turned to look at him. There was an emotion in her eyes that he couldn't understand. She seemed to love him, but she was also sad and desperate.

Would loving him make her sad and desperate?

He let go of her, turned around, and walked to the window. With his back facing her, he asked, "You came back yesterday. Why did you lie to me?"

Tong Siyao's hands moved. She wanted to hug him.

At this moment, the phone in his pocket buzzed. She hurriedly took it out. It was a death warrant from the demon

[it won't just be your mother and sister who will die

Tong Siyao's eyes widened in anger, and her hands kept shaking. She wanted to grab the demon, drink its blood, and eat its flesh!

Abnormal!

Abnormal!

This demon was a pervert!

what? "Sheng Yiting turned around abruptly. why aren't you talking?"

Tong Siyao raised her head, her eyes filled with tears.

"What's wrong?" Sheng Yiting walked over and reached out to her, trying to take her phone.

[if he finds out, I'll be terrified.]

Tong Siyao hurriedly put away her phone. "I'm fine!"

Sheng Yiting's hand froze in mid-air, and he slowly retracted it. He asked tiredly, "Yaoyao, what's wrong with you recently? Did I do something wrong?" Tong Siyao subconsciously shook her head.

He grabbed her shoulder and said, "it was my fault last time. I'll put you first in the future, okay?" Do you know how sad I feel for you to treat me like this?"

I'm sorry, Wanwan. Tong Siyao lowered her head and pushed him away painfully. let's break up.

Sheng Yiting was stunned and his eyes widened in disbelief. "What did you say?"

"Break up!" Tong Siyao raised her head and looked at him with determination.

Sheng Yiting's limbs trembled as he was furious! "Why?" He asked, suppressing his manic anger..

Chapter 1308: I have someone else

"I hate it when you go down the political path!" Tong Siyao shouted, "did you forget? When I first learned that you were a representative, I was very unhappy!

...

My father died on the battlefield because of people like you!"

"You're taking your anger out on me!" Sheng Yiting said angrily.

I know, Wanwan. Tong Siyao lowered her head. but there's no turning back.

When I was hesitating, someone else appeared and urged me to have someone

Sheng Yiting's body shook as he looked at her in disbelief.

But at this moment, he actually couldn't get angry, because his entire heart was in pain, so much so that all the strength in his body was drawn out!

He stared at her and felt his limbs go numb. There was a piercing pain coming from his fingertips and toes.

He opened his mouth, but his throat was blocked. He said with difficulty, " "It's my birthday today, "

"I know," Tong Siyao's head drooped down, and she was also very numb.

"You know?" Sheng Yiting laughed bitterly and complained. is this the birthday present you're giving me?!

Tong Siyao's lips moved and she said in a hoarse voice, ' "I'm sorry, Yingluo."

"You're lying to me, right?" Sheng Yiting looked up at the ceiling, trying to force back the tears in his eyes. how could you have someone else? You're not that kind of person."

Tong Siyao clenched her fists and felt her phone vibrate again. She didn't know what kind of threatening words the devil had sent.

N-no, I won't, Yingluo.

She raised her head and said to Sheng Yiting determinedly, " "I didn't originally! But when I came home this time, I was confused and had sex with him, I ..."

Sheng Yiting looked at her, his head buzzing. "Say that again!

Tong Siyao lowered her head and cried, "I'm sorry, ran ran!"

She didn't want to hurt him like this.

hehe. Sheng Yiting laughed bitterly. is that why you've been acting so strange lately?

"I'm sorry, Yingluo."

"Why are you still crying?" Sheng Yiting roared, " get lost!

Tong Siyao turned around and ran out. Sheng Yiting suddenly went crazy and hugged her by the waist.

“What are you doing?” Tong Siyao asked in shock, “let me go!

Sheng Yiting reached into her pocket and took out her phone. “He texted you, right? Who is he?”

“What are you doing?” Tong Siyao crawled over in horror. give it back!

She grabbed the phone and retreated to the corner of the wall, looking at him in despair.

In that split second, he saw a short message. It wasn't real, but it seemed to say, “Had they broken up?

That person had asked her to break up with him?

“Will he be better than me?” he asked.

Tong Siyao picked up her phone and glanced at it. The message asked, “Had they broken up? I can't wait any longer.

She felt a chill all over her body. She gritted her teeth and cursed, “A demon! A demon!

But on second thought, Sheng Yiting probably wouldn't be able to tell.

She hurriedly stood up, turned around, and walked out of the door, leaving a sentence, “Whether I'm good or not, I know it in my heart.”

When they opened the door, they found that everyone was crowded outside, looking at them worriedly.

Her arms trembled, and she let go of the door handle, squeezing through the crowd and leaving.

“Stop!” Gong mo shouted.

Tong Siyao was shocked and stopped.

“What’s wrong with you guys?” Gong mo asked angrily. He was speaking for Sheng Yiting and Tong Siyao.

She liked Tong Siyao, but that didn’t mean she agreed to let her hurt her son!

let her go! Sheng Yiting shouted from inside the room. let her go! Tong Siyao smiled, her face pale. She left without looking back..

Chapter 1309: What if she can’t bear to?

Everyone only came back to their senses when they heard the door close.

...

Sheng shuangxue squeezed to the door of Sheng Yiting’s room and said anxiously, ” “Big brother, what’s wrong?’

“We’ve split!” Sheng Yiting turned his back to the crowd and looked out of the window.

Everyone looked at each other, worried.

Sheng nanxuan walked over and closed the door. He said to the crowd, ‘ “Let him have some peace.”

Tong Siyao tottered into the taxi, picked up her phone, and sent a text message with trembling hands: "I've broken up with him. Don't hurt them."

There was no response.

Tong Siyao panicked and sent messages like crazy. I'm done! They really broke up! You keep your word, okay?

A moment later, she watched as the messages on her phone were deleted one by one.

She frantically typed on the phone, but the phone did not listen to her at all.

This demon!

Tong Siyao angrily threw her phone to the side.

If he could even control her phone, what else couldn't he do?

The taxi stopped at her apartment building. She paid for it, picked up her phone, and got out of the car.

Standing on the road, she shivered when the cold wind blew. She suddenly remembered that she should call Tong silu and the others directly.

She called Tong silu first. The call was picked up very quickly, and she heaved a sigh of relief.

"Have you finished school?" She asked. "Yeah, we're all home." Tong silu said.

"Is mommy at home?"

"He's here."

Tong Siyao heaved a sigh of relief. mom's foot hasn't recovered yet. Don't be lazy. Help with the housework.

"I know." why do you sound so weird? " Tong silu asked, puzzled. Did you catch a cold?" yeah, Yingluo. Tong Siyao coughed. it's been a little cold these two days.

"Then be careful." Tong silu lowered her voice. I won't tell on you. I don't want mom to worry.

Tong Siyao's mouth twitched, but she couldn't smile. "You're more sensible now, Yingluo."

"Lulu, who were you talking to on the phone?" Yao Lan's voice was heard. Tong Siyao's heart was completely at ease. It seemed that the demon had let him

"Don't tell mom." I don't want her to know that I'm sick, "Tong Siyao said.

When Tong silu heard this, she said to Yao LAN, " it's my classmate. He asked me a question, and ran ran answered it this way. I'm hanging up. I'm going to help my mother cook.

Hearing the phone hang up, Tong Siyao dropped her hands, squatted on the side of the road, and cried.

What if she couldn't bear to? Can I go back?

What if he went back and lost his mother and sister?

She hugged her arms tightly and cried even louder, helpless and desperate.

Sheng Yiting was lying in bed. The neon lights were already flashing outside the window.

Someone knocked on the door, but he ignored it. After a while, the door opened on its own and the lights were switched on.

Simon walked to the bed and pushed him. Hello No matter what happens, uncle will accompany you.

He opened his eyes. His face was filled with sorrow and his eyes were red.

“Tell me, how do you want me to vent?” Simon sighed.

Sheng Yiting sat up and felt a thousand pounds of weight on his back, making it hard for him to breathe.

“Where are they?” He asked

‘You mean the guests? They all left. Sister, brother-in-law, and shuangxue are outside. They’re very worried about you.’

“Accompany me for a walk.” Sheng Yiting stood up, picked up his car keys, and threw them at him. I’m going to wash my face first.

Simon nodded and left the room first. He thought gloomily, “What was going on? Could it be that he was unlucky?

He had come to see his niece-in-law, but he had witnessed their breakup! It was too depressing!

He walked into the living room and said to Gong mo and the rest, “Yiting wants to go out and relax. You guys should go back to your rooms first. Otherwise, it will be awkward when you see each other later..

Chapter 1310: I hate women the most now

Gong mo said worriedly, "look after him, don't let him risk his life." Don't let him drive, and don't let him drink!

...

"I can't avoid drinking, but he gave me the car keys, so I didn't let him touch them."

Gong mo paused and nodded, "alright, tell him to drink less." If it doesn't work, find him a few women to divert his attention."

Sheng shuangxue coughed, blushing. She turned her head and looked elsewhere.

Simon broke out in a cold sweat.

Gong mo had always been very strict with Sheng Yiting, but now he was asking him to find a woman. It was obvious how worried he was.

"Don't worry, I know what I'm doing," he hurriedly said. "Call me if there's anything," Sheng nanxuan said.

"It's all that woman's fault!" Sheng shuangxue said angrily.

"Alright, let's go back to our room." Don't speak ill of her. Who knows, they might get back together tomorrow? "Gong mo warned.

Sheng nanxuan: "Yingluo is still trying to get back together? Tong Siyao has already slept with someone else. What chance is there to get back together?"

After they went back to their room, Sheng Yiting came out. He did not ask about them when he did not see them, but left with Simon.

When he arrived at the bar, he ordered a dozen beers. Simon asked, "Do you want to call a few girls?"

"Don't!" Sheng Yiting frowned. I hate women the most now!

"Then I'll drink with you."

Gong mo walked into his office and said to his Secretary, "Get Tong Siyao here!"

Sheng Yiting had not returned home since he left. If it were not for the fact that she had heard about him from Simon, she would have gone crazy.

He heard from Simon that he drank a lot of wine and when he was drunk, he would talk about how good Tong Siyao was and how bad he was. He had been reflecting on himself. He was the one who let Tong Siyao down and hurt her, which was why she broke up with him.

Gong mo was furious!

What did this have to do with him?

Was he not good enough?

Sheng nanxuan was such a good man. Even if he was two levels lower than him, he was still one of the best among good men. How could he not be good?

She had to ask what Tong Siyao meant!

The Secretary had never seen her so fierce before. She nodded in fear and hurried to find Tong Siyao.

After a while, the Secretary ran in in a panic. "Chief editor! T-Tong Siyao didn't come. The HR department received her resignation letter."

Gong mo was stunned and thought that she was too embarrassed to come to work. He waved his hand helplessly. "You can go to work first."

She sat on the chair and took out her phone after a while. She found Tong Siyao's number and called her.

Tong Siyao was packing her luggage. Ye Zi had worked overtime for a few days during the holiday. Since she was on break today, he naturally had to ask her.

"I'm going home," she said. "I won't be able to rent the house with you in the future. I'm sorry."

The rent here was expensive. It was okay for two people to share the burden, but it was difficult for one person to bear it.

Ye Zi was stunned, "go home? Why are you going home? You're not working anymore? You don't want Sheng Yiting anymore?"

"She resigned and broke up with him." Tong Siyao said calmly.

"Why?" "What did he do to you?" ye Zi asked in shock. "Why did you break up? Did he do something to let you down? Then why did you resign? Men were everywhere, and it was hard to find a job! You're going to give up your career for him?"

Tong Siyao sighed deeply, "I wanted to split it." "How could she continue to work in his family's company after breaking up? I don't have the face to see his mother either. It's so uncomfortable to see her every day."

Ye Zi paused and asked, "Then why did you break up? Wasn't it fine before?"
