

Ditsy Wife 1321

Chapter 1321: You don 't have a third party

Sheng Yiting was taken aback, but he still wrapped the scarf around her neck and pressed the coat on her shoulder. Then, he left her behind and walked away.

...

Tong Siyao felt that his coat was extremely heavy. She hesitated for a moment and followed him. She threw the coat to him and ran to the fast food restaurant by the road while taking her scarf.

Sheng Yiting paused for a moment, then slowly followed her. He walked into the fast food restaurant and saw her sitting at a table with his scarf casually thrown on the table.

He walked over and sat beside her.

When she saw it, she immediately ran to the side.

Sheng Yiting hugged her, buried his face in her hair, and sniffed it. "You don't have a third party, why did you lie to me?"

Tong Siyao froze. He went to investigate?

She pushed him away agitatedly and roared, "so What if I don't?!" I don't love you anymore, and I don't want to be with you anymore! Do you really want me to say it? You want me to let you down, what's wrong with that? Why did you expose me?"

Sheng Yiting's eyes widened as he looked at her in a daze. "Just like this?"

He thought that he could get her back after traveling thousands of miles. However, he did not expect her to be even more heartless than before.

Previously, she had at least given him a reason to have a change of heart and cheat on her. And now?

What had he done wrong that she had to treat him like this?

“What else?” Tong Siyao said sarcastically, “ you have such great ambitions. I’ll be your burden sooner or later. I don’t want you to be so busy that you can’t stop when I need you one day.”

“You’re still blaming me?” Sheng Yiting said agitatedly, “ I’m worried about Auntie too. I even called her and asked about her condition. I only felt at ease after knowing that she’s fine. If there’s really something, I’ll definitely take a leave of absence and come back with you! Can’t you be more reasonable?”

Tong Siyao sneered, “who are you to me?” Why should I be reasonable with you?”

Sheng Yiting was stunned and speechless. He felt hurt all over.

She looked at him and asked faintly, “what do you mean by something?” What do you mean by fine? You’re just using your work to weigh the pros and cons. Her current job isn’t very important, so she only twisted her ankle. It’s not serious. What about the future? If you really become the president and you’re on a state visit ... At that time, I’m afraid my mom will die, and it’s not worth it for you to drop your work to see her.

Yaoyao, can you calm down? ” Sheng Yiting asked tiredly. Do you know what kind of life I’ve been living for the past half a month?”

Tong Siyao’s heart ached. She quickly lowered her head, afraid that he would see the reluctance and heartache in her eyes.

Yiting, Yingluo! she cried in a low voice, “ I’m not living well either, Yingluo!

Sheng Yiting looked at her excitedly and reached out to grab her hand. She hurriedly dodged. I've just adjusted myself. I've almost forgotten everything. I can start a new life now. A matchmaker was at my house just now, and she wanted to arrange a blind date for me. ' you ... Sheng Yiting gasped, his fingers trembling.

Tong Siyao looked at him and chided him in a low voice, " "What are you doing here? Can't you just let me go? Can you not disturb me? I'm just an ordinary, ordinary girl. I'm not worthy of a young master like you. Without me, you can choose any girl in the world! But I just want an ordinary life.. Can you let me go? I've given you my first love, my first time, isn't that enough? What else do I have that's worth your trouble?"

Chapter 1322: She would never forgive him

Sheng Yiting did not expect her to say such a thing, and his heart was hurt. "Am I such a person in your heart? The first time I lied to you? I really want to be with you! I want to marry you!"

...

"I'm not worthy!" Tong Siyao said, " I'm tired! Your world is too high and unattainable. If I were to stand by your side, I would have to learn a lot of things from scratch. I feel too tired! I'm not that great. I just wanted to date you for a while. In that case, I'll have something to boast about in the future, I've dated the son of the richest man, and he likes me a lot! Although I was moved later on and wanted to be with you forever, your position in the future was getting higher and higher, and I was a little scared. I don't want to wait until that time to be laughed at, despised by you, and driven away, so I'd rather leave now. At least the initiative is in my hands."

Sheng Yiting remained silent for a long time.

He suddenly didn't know what to say.

If it was an affair, he could hate her. But she did not.

If he thought that he had done something wrong, he would change;

If he made her sad, he would use his actions to move her.

However, it turned out to be such a reason. He seemed to have no choice but to let go.

Tong Siyao stood up. don't come here anymore. Give me some peace and quiet.

Sheng Yiting stopped her.

She twitched, but didn't move. She turned back to look at him.

He asked nervously, "what if Yueyue I go with you?" I don't want those, I don't want my future, I only want you. Without you. what's the point of life? You don't have to change yourself. I'll change myself. If two people wanted to be together, it was either you changing for me or I changing for you. Since that's the case, it doesn't matter who changes it. You're here, I'm here to save you."

"Don't be silly!" Tong Siyao shook him off. don't make the entire world my enemy. That's not something you can decide.

She ran out of the room and saw Sheng Yiting sitting there, motionless.

She was right, it was not something he could decide.

Not to mention his future plans, he could not even abandon the Sheng family. His parents would not let him do that.

The corner of Sheng Yiting's eyes widened, and he could feel some liquid flowing out.

He picked up the scarf on the table, rolled it up, and buried his face in it.

There was a bit of her aura on it.

When Tong Siyao got home, old lady Chen had already left.

She sat on the sofa tiredly. After a while, she heard voices coming from Tong silu's room and walked over in confusion.

He pushed the door open and saw Tong silu sitting on the bed with a red face. Yao LAN was sitting beside her and talking about something.

When she saw Tong Siyao, she blushed and shouted, ""Sister

"What's wrong? Are you feeling uncomfortable?" Tong Siyao asked with concern.

Yao LAN smiled,"she's an adult now!" You dropped your phone and didn't buy it. I didn't even know how to find you just now!"

"I'm not going out anyway, let's talk about it in the future." Tong Siyao said.

Before she came back, she threw away her phone and SIM card, in case the demon contacted her again. Although it was somewhat useless. If that person wanted to find her, he would definitely have a way.

"Where's Yiting?" Yao LAN looked behind her and asked.

"Brother-in-law is here?" Tong silu asked anxiously.

"They've already left. I already said we've broken up and I won't come back." Tong Siyao frowned irritatedly. She hated Sheng Yiting.

She had just had a few peaceful days, and he was here again!

What if the demon found out and harmed his mother and sister in a fit of anger? She would never forgive him!

Chapter 1323: What if I'm pregnant?

"He's here to make you stay?" Tong silu asked in a low voice.

...

Tong Siyao knocked on her head. "Children shouldn't meddle in adults 'Affairs!'

Tong silu cried and pounced on Yao LAN."Mother! I'm going to die!'

"Don't talk nonsense!" Yao LAN called out.

Tong Siyao suddenly thought of what she had just said She grabbed Tong silu and asked, " "You're here for that?"

Tong silu lowered her head, blushing, and nodded slightly.

Tong Siyao smiled and flicked her forehead. "What are you being shy for? I've been here since I was in fifth grade, but you never came. I thought you were malnourished."

Yao LAN said to Tong Siyao,"you're too mature for your age!" Alright, you teach her, I'll go cook."

Tong Siyao nodded, closed the door, and taught Tong silu in a low voice.

Not to mention basic physical health, they even taught him about the gender. He taught her to take care of herself when she had a boyfriend, that she must not be intimate with him when she did it, and that she could tell if she was pregnant based on the date. Of course, he had to take proper measures and not tolerate it!

Tong silu was full of curiosity. She was not shy at all. She kept staring at her, hoping that she would say more.

of course, you don't have to worry about that now. I'll make you some red bean soup later.

Tong silu smiled and asked in a low voice, " then, you and my brother-in-law have broken up. I won't talk about it.

Tong silu lowered her head in frustration.

Tong Siyao smiled helplessly. She suddenly remembered something and covered her mouth.

"What's wrong?" Tong silu was shocked.

"I suddenly feel uncomfortable." Tong Siyao got up and ran outside.

Yao LAN was cooking. When she opened the door, the smell of cooking oil and smoke filled the air.

Tong Siyao hadn't been feeling well recently, so she didn't think much about it. Now that she thought about it, her situation seemed to be similar to the early stages of pregnancy.

She rushed back to her room and rummaged through her things in a hurry, trying to find the calendar that she usually used to record her period.

After searching for a long time, she finally remembered that it was already a New Year before she came back. The book was from last year, so she threw it away.

She fell back onto the bed and could only rejoice that she had been lazy recently. Although she was feeling uncomfortable, she did not go to find medicine. If she was really pregnant, the child should not be affected much.

“What’s wrong?” Tong silu walked in.

I’m fine, Zhenzhen. Tong Siyao sighed.

What if I’m pregnant? Can you tell Yao LAN? Would that demon kill him directly?

It was two O’clock in the evening when Sheng Yiting returned to the capital.

He didn’t go home, but went to his own house.

This was the first time he had come here after breaking up with Tong Siyao. When he entered, he saw that the floor was covered with rose petals. The table was also filled with roses, and there was even champagne and cake.

It was his birthday that day, and he was going to propose to her, hoping that she would soften her heart and agree on the account of his birthday.

The bed in the bedroom was also heart-shaped with rose petals. The red heart the White “love” in the middle.

But now, they had all withered.

Sheng Yiting walked to the table, picked up the expensive champagne, the rotten cake, and the withered roses, and threw them all into the trash can. There were traces of her in every corner of the house.

She would spend the night here occasionally, and although she didn’t leave many things here, it was complete.

Sheng Yiting was so angry that he wanted to throw them all away, but he was too tired to move.

He turned around and threw himself onto the sofa. He closed his eyes and fell into a deep sleep.

When the phone rang, he opened his eyes and sat up immediately. He realized that it was already morning..

Chapter 1324: Attending the New Year's Eve state banquet

He picked up the phone and heard Gong Mo's voice, "Where did you go?"

...

Grandpa and Grandma are back, so hurry home!

Sheng Yiting also felt that it was enough. Since she didn't want him, why should he be so desperate?

When he returned home, he saw Shan Rong and Gambino sitting on the sofa, talking and laughing. It was obvious that they had gotten over their jet lag, so they had most likely not just returned

'Yiting, you're back?' Shan Rong waved at him.

He hurried over and smiled. Grandpa! Grandma! You're getting younger and younger.

"You're so sweet-tongued!" Shan Rong reached out and pulled him in front of her. are you going to Italy for the new year? We're going to Italy for the new year this year." this Qianqian. Sheng Yiting guessed that they knew about his breakup and wanted to ask him to go over there to relax.

He felt that he was fine.

Last night in that room, when she saw that everything she decorated had withered without anyone noticing, she suddenly felt that it was not worth it and did not want to be sad anymore.

"I remember the presidential palace sent us an invitation to attend the New Year's Eve state banquet. Dad never goes, but he'll go this year when the president is newly appointed." Sheng Yiting said.

Since Sheng nanxuan was not around, Shan Rong looked at Gong mo. "This time, it's a re-election. It's fine if you don't want to go," Gong mo said.

"Let's go." Sheng Yiting said, "shuangxue was still young when she went there last time. Let her see the world this time.

"You're the insensible one!" Sheng shuangxue glared at him.

Sheng Yiting smiled and pinched her face.

Everyone saw that he actually laughed and exchanged looks in surprise. They were both relieved and worried.

"If you don't go, your uncle will be alone in Italy. He's going to cause trouble again." Gong mo said.

Simon returned to Italy after a few days of fun. He was waiting for the reunion during the new year.

"Just call him over. A few days won't affect anything."

"Alright then!" Shan Rong said, "we'll be spending the new year here this year!"

On New Year's Eve, the entire Sheng family got dressed and set off for the presidential palace. Gambino, Shan Rong, and Simon were also invited as foreign guests.

Every year, the president would invite all the representatives of society to the state banquet on New Year's Eve. At the banquet, the president would give a New Year's speech, and there would be an artistic performance, which would attract a lot of attention.

The Sheng family sat at the front. There were ten people at a table. They and the Gambino family took seven seats. Of the remaining three seats, two were taken by Lu duo's parents, and the other empty seat was obviously Lu duo's.

Lu duo's parents were members of the Doctors Without Borders and were respected by people regardless of where they were. It wasn't strange for him to be invited to the state banquet this time around.

They were all acquaintances and had a good time chatting, but Sheng Yiting was not.

"Where's Duoduo?" Gong mo asked Lu duo's mother. "She's going to perform later, so she went to prepare."

"She's so capable Gong mo chuckled.

Mother Lu nodded and said, "it's been hard on her." It's all thanks to sister-in-law and big brother's good teaching. Lu Yang and I have a good relationship."

"It's not easy for you guys either." Gong mo said hurriedly.

Mother Lu smiled, feeling guilty towards Lu duo. It was just that when they were outside, they didn't have enough manpower and it was difficult to leave.

Furthermore, there were a bunch of people waiting for him to save them, so he couldn't bear to leave.

Now that she was back, she wouldn't miss those tragedies even if she didn't see them. After all, she and Lu Yang were only two people and they couldn't save the world. He couldn't avoid what was in front of him, but he didn't want to think about it if it wasn't in front of him.

She and Lu Yang just wanted to take good care of Lu duo and spend more time with her to make up for the lost affection..

Chapter 1325: My heart aches

Lu duo's performance was at the very beginning, and the president only spoke after she finished. So, when the president went on stage, she was already seated below.

...

When she saw Sheng Yiting, she shouted happily, " "Brother Yiting, long time no see."

Sheng Yiting nodded slightly and looked at the podium.

Lu duo sat next to him shyly and sized him up from time to time.

Lu Yang was a little anxious when he saw it. This was his daughter, and he had yet to properly cultivate his feelings with her. How could she have reached The Age of Love?

He had to be reluctant!

She had to treat Sheng Yiting as an enemy!

However ,

He thought about how he hadn't done anything for Lu duo all these years and didn't dare to make things difficult for her. If Lu duo liked it, he didn't mind helping her.

With Lu duo's family background and achievements, she was more than qualified to be with Sheng Yiting. If it was a marriage between the two, Sheng nanxuan would not object.

He smiled at Sheng nanxuan. I heard that Duoduo used to play with Yiting when she was young. Thank you for taking care of her.

Sheng nanxuan glanced at Sheng Yiting and saw Lu duo's eyes. He nodded gently. "Duoduo is very obedient. At that time, shuangxue didn't exist yet.

Among a group of girls, I liked her the most, and I hoped to have a daughter like her. '

Sheng shuangxue grabbed his arm when she heard that.

"Of course, you're the cutest now," he lowered his head and smiled.

Sheng shuangxue laughed immediately.

Sheng Yiting heard their conversation and frowned. He took out his phone and called Tong Siyao's number.

He suddenly remembered that he couldn't get through. He couldn't get through long ago.

However, he still held the phone to his ear and listened for the signal.

As if he would be bored if he didn't do this, he called again and again, and the people around him couldn't bear to see it.

Lu duo bit her lip and reached out to grab his arm. She said softly, " brother Yiting, don't be like this, Zhenzhen. I My heart hurts.

Sheng Yiting pulled his hand back, picked up the wine, and downed it.

Lu duo's hand froze and slowly fell down. She lowered her head in desolation.

Lu Yang and his wife were heartbroken. Mother Lu reached out to hold her hand. She raised her head and moved her lips sadly."Mother!

Mother Lu's heart ached. She patted her hand to comfort her and said softly, '

"Don't be afraid, mommy's here."

Sheng Yiting had drunk a lot by the end of the banquet.

Gong mo walked up to him and asked worriedly, " "Are you alright? Why are you drinking again?"

"I'm fine." Sheng Yiting lowered his head. He did not look drunk at all. it's the new year. I should relax. Where's Simon? Shall we find a place to continue our business?"

"What time is it?" Gong mo hit him anxiously. Continue? Come home with me!

Lu duo rolled her eyes and said softly and weakly, " "Brother Yiting doesn't seem to be happy, let him go. I, I cant sleep either. Uncle Simon and I will accompany him."

"How can we do that?" Lu Yang said anxiously. How could he not worry about his beautiful daughter being with two drunkards?

"I'm going to uncle Fang's Bar." Don't worry, I'll be fine, " Sheng Yiting said to Gong mo. I can't sleep at home now, and I have nothing to do. It's annoying!

“That’s fine,” Sheng nanxuan said, “ let the chauffeur send you there. Don’t drink too much and come back early.”

“Yes.” Sheng Yiting turned around, put his arm around Simon’s neck, and walked away.

Lu duo panicked and wanted to follow him, but she was stopped by Lu Yang.

She looked at Lu Yang and lowered her head helplessly.

The dark night bar on New Year’s Eve was not lacking in liveliness.

When Sheng Yiting and Simon entered the bar, it was the midnight countdown..

They heard a group of people shouting, “ “Ten, nine, eight, seven Luan Luan”

Chapter 1326: You’re drunk

When the ‘zero’ rang out, excited screams erupted from all around. A heavy bell rang out from somewhere, and the people around them began to hug each other.

...

A long-haired beauty pounced on Simon and raised her face to kiss him.

Simon took a look-huh? Not bad! He simply hugged her and kissed her deeply.

There was already a beautiful woman throwing herself into his arms when it was just early in the morning. It seemed that this year's peach blossom luck was not bad

Sheng Yiting stood in the crowd, feeling lonely. He squeezed through the crowd and walked towards the bar counter. A woman in a scantily dressed outfit rushed up to him, trying to imitate the girl in Simon's arms, but he pushed her away with a palm.

ah the woman fell on the others and was hugged by the people behind her.

The woman stood up, glared at Sheng Yiting, and left with the others.

After the first hug and kiss of the new year, everyone dispersed one after another. Some drank, some danced, and some left affectionately.

Sheng Yiting walked to the bar and asked for a glass of wine. Seeing Simon chatting happily with a beautiful lady, he suddenly felt bored.

He wanted to leave, but he thought that it would be lonely to go home, so he simply drank alone.

After two sips, he stared at the glass in a daze.

After some time, Simon came over. Seeing that he didn't drink much, he heaved a sigh of relief. "Are you alright? If there's nothing else, I'll be leaving."

Sheng Yiting turned around and saw the girl who had just kissed him waiting for him. He said helplessly, "Take it easy,"

tsk! You didn't indulge when you should, so of course I'm going to let you have your share!

don't worry. Simon patted his shoulder. take your time. I'm leaving.

“Be careful, don’t get ambushed!”

“You jinx!” Simon froze and cursed He would not be plotted against!

Seeing that he had left, Sheng Yiting swirled the liquid in his glass and drank it without restraint.

Since he didn’t have to go to work tomorrow, if he didn’t get drunk now, when would he?

Lu duo and her parents were staying at Yu Qingliu’s house.

Yu Qingliu’s house wasn’t a villa, but a high-end duplex house. Lu duo stayed in the guest room upstairs. When everyone was asleep, she would quietly go out.

Sheng Yiting was drunk when they arrived at the dark night bar.

He lay on the bar counter, motionless.

Lu duo walked to his side and gently pushed him. “Brother Yiting?”

Sheng Yiting moved to the side, grabbed a glass on the table, and poured the wine into his mouth. When he realized that there was no more, he put down the cup and continued to lie on the table.

Lu duo asked carefully, “brother Yiting, are you okay?” It’s late, let’s go home?”

She reached out to help him up, but Sheng Yiting pushed her away and shouted, ‘ ‘Get lost!’ ah-” Lu duo almost fell to the ground.

He stood up and walked out shakily.

Lu duo hurriedly chased after him, “brother Yiting, you’re drunk ...”

Sheng Yiting swayed and fell onto the sofa next to him, and so did Lu duo.

Lu duo fell on him and let out a cry of surprise. She supported herself up from the sofa and his chest.

He lay there, looking at her, and suddenly grabbed her.

“Yiting?” Lu duo was stunned.

Yaoyao! Sheng Yiting caressed her face and kissed her.

Lu duo held her breath and became nervous.

Don't think that she was good at other things, but she was a blank piece of paper when it came to love.

Sheng Yiting's hand moved behind her neck and pulled her toward him.

Lu duo held her breath and slowly closed her eyes.

She could feel his breath on her face. It reeked of alcohol.

Suddenly, she felt a weight on her shoulder, and she opened her eyes in shock-Sheng Yiting was drunk in front of her.

She was so angry that her eyebrows twitched, “are you playing with me?”

Chapter 1327: Creating a misunderstanding?

Sheng Yiting opened his eyes and found himself in his own house.

...

He hadn't spent the night here for a long time, so he was a little dazed.

He remembered that he had asked someone to clean this place a few days ago, and the furniture had been covered. He had planned not to come here again, so why was he here again?

Indeed, drunk people were muddled!

He wanted to sit up, but he suddenly felt that something was wrong!

It was warm under the blanket, and his skin seemed to be stuck to something. It was just like the days when he was in love with Tong Siyao. The two of them were intimate, sleeping and waking up together. This was the feeling when they opened their eyes!

Another person's temperature, another person's touch!

He sat up in horror and took a look-

Lu duo lay quietly by his side, her long black hair messily draped over the pillow, looking gentle and lazy.

From his angle, he could see the Pearl-like skin on her neck under the blanket.

Sheng Yiting was so shocked that he rolled on the ground. He looked around and saw his clothes scattered all over the place. He was only wearing a pair of underpants!

Lu duo was awoken by his movements. She hugged the blanket and slowly sat up. When she saw him, her face turned red. She lowered her head and shyly called out, "Brother Yiting, Yingluo!"

Sheng Yiting shuddered and looked at her as if she was a monster. He picked up the clothes on the ground and put them on.

Lu duo looked at him gently and smiled shyly. She bent down with difficulty to pick up the clothes on the ground.

She wanted to pick up the bra, but she could not catch it no matter how hard she tried. She could not help but ask Sheng Yiting for help. "Brother Yiting ..."

Sheng Yiting buttoned up his shirt expressionlessly, picked up his pants, and put them on in front of her.

He kept staring at her face while she was wearing it.

Lu duo felt a little guilty and shy. She didn't dare to look at him at all and wrapped the blanket in front of her even tighter.

Sheng Yiting buttoned his pants and suddenly rushed over to pull the blanket off her.

ah Lu duo was shocked. She quickly covered her chest and curled up into a ball. She was so anxious that tears fell and she looked at him pitifully, "Brother Yiting, Yingluo!"

Sheng Yiting scanned her from head to toe. Like him, she was only wearing a pair of underpants.

He laughed coldly and threw the blanket on her head. "Get down!"

Lu duo didn't understand what he meant. She rolled to the ground with the blanket wrapped around her and hurriedly picked up the clothes on the ground

Sheng Yiting glanced at the bedsheet and saw a pool of blood in the middle.

“Nothing happened between us,” he said with a cold smile.

Lu duo’s body stiffened. She raised her head and looked at him in disbelief.

you! her lips trembled as she shouted angrily, “ how can you do this?! Last night, last night, you were embarrassed!’

“What happened to me last night?” Sheng Yiting asked aggressively.

“You know what you’ve done!” Lu duo cried, “ although you keep calling sister Siyao’s name, but ...But do you want to be irresponsible for what you did to me? ” This is my first time!’

She was crying so hard that the blanket around her slipped a little, revealing her beautiful collarbones and shoulders.

If Sheng Yiting liked her, he would not be able to resist the temptation of this beautiful scenery.

But he didn’t like her!

Did she think she was Tong Siyao? Who was he putting on this act for?

He picked up the remaining clothes and said coldly, “ “You probably don’t know that no matter how drunk you are, you’ll still have an impression of what happened. I’m so drunk that I don’t remember, but I can’t do anything.]’

Chapter 1328: get lost!

Lu duo was slightly stunned. She looked at him and a trace of panic and guilt flashed in her eyes. "But you clearly did it!"

...

"Do you think I'm an inexperienced little brat?" Sheng Yiting looked at her coldly. even if you did, you won't be able to put on your pants after that. You won't have the energy to do it for me!

Lu duo's eyes widened, and she was dumbfounded!

This is a reason?

This hooligan! Was she to blame for her lack of experience?

not to mention Yingluo. he glanced at the bed sheet.

And just a red ball of light could prove that something had happened?

If there really was something, the sheets were not like that.

He had been with Tong Siyao for so long. Every time after they spent the night on this bed, he was in charge of washing the sheets. How could he not know what the battlefield would become?

Was he trying to lie to him? There was too little preparation! At the very least, he had to find someone to roll around on top of it so that he wouldn't be exposed.

Lu duo bit her lip and looked at him with hatred.

He turned around and walked out. put on your clothes and get lost!

He was simply unable to restrain his anger!

This woman dared to taint his bed with Tong Siyao?

If it wasn't for the fact that the two families were family friends, he wouldn't have let them off so easily!

Sheng Yiting walked into the open kitchen, found the coffee machine, and made himself some coffee. Bits and pieces of his past uncontrollably entered his mind.

On the mornings of the weekends, Tong Siyao would make coffee for him. She would wear his shirt barefooted, and her hair would fall lazily over her shoulders. She looked lazy and charming.

Now that there was a woman in the room, he could make use of her.

However, Lu duo had a dangerous aura around her. He had a feeling that he wouldn't be able to get rid of her once he touched her, so he didn't want her.

It would be great if it was a strange 419 partner. He could indulge, vent, sink into it, and forget the sadness and sadness Tong Siyao had brought him.

Bang! Bang!

He turned around when he heard her. Lu duo had put on her clothes and was walking out.

She rushed over angrily, and from the way she walked, she knew that nothing had happened between them last night.

She rushed in front of him, raised her hand, and slapped him. She roared, "Bastard!"

Sheng Yiting's face turned to the side and saw that the coffee was ready.

Lu duo was so angry that she was shaking all over. I just like you. I didnt expect you to be so overboard!

She wiped her tears, turned around, and ran out of the house, closing his door with a loud bang.

Sheng Yiting knew' that he was indeed a bastard.

How much self-esteem did the girl have to put down to do this? It was all because she liked him. He didn't leave any face at all.

Some men would definitely not bear to expose such a sincere heart. Anyway, they were in a period of heartbreak and hurt, so wouldn't it be the best of both worlds if they went with the flow and got together?

Lu duo probably had the same idea.

However, he was not that kind of man. Since he didnt like her, why did he have to put up with her?

What if something happened?

What if Tong Siyao thought things through in the future? Wouldn't that be cutting off all paths of retreat?

Chapter 1329: It's all Yiting's fault

Sheng Yiting took a deep breath, poured out his coffee, and took a sip. Then, he received a call from Gong mo.

...

He didn't return home for the night on Chinese New Year's Eve and disappeared the moment he woke up on the first day of the new year. Gong mo was about to go crazy.

Sheng Yiting sighed, put down his coffee, and went home.

When he entered the house, he saw Sheng shuangxue, who was dressed in bright red, blocking his way. She reached out her hand to him. "Congratulations!"

Sheng Yiting touched his clothes and realized that he had not prepared anything. "Wait a moment."

He walked into the living room. Gong mo and Shan Rong had given him a red packet each. He gave one to Sheng shuangxue.

"You're so insincere," Sheng shuangxue snorted. However, he still accepted the red packet.

mom and grandma wrapped it big, "Sheng Yiting said. mine is small.

"You still have the nerve to say that

"Have you eaten?" Gong mo asked, "where's your uncle? Aren't you two together?"

"He's probably still sleeping. I'll give him a call." Sheng Yiting picked up his phone and returned to his room. I haven't eaten yet.

Gong mo glared at him. The servants were on leave during the new year, so she had to cook by herself.

Seeing dan Rong frowning, she consoled her, "Simon should be back soon."

Shan Rong held her forehead in exhaustion. She knew her son. He must have gone to have fun again. It was the first day of the new year!

“It’s all Yiting’s fault!” Gong mo said, embarrassed.

No matter how much trouble Simon was in, Sheng Yiting would not have gone out on New Year’s if not for him. However, he was very obedient when he was obedient and very crazy when he was crazy. Wouldn’t he become a wild horse that had lost its reins when he went out?

Not long after Sheng Yiting made the call, Simon came back with a look of overindulgence and was inevitably scolded by Shan Rong.

Simon also realized his mistake.

Last night, he reeked of alcohol and was brainwashed by sperm. He just wanted to have fun and felt that the new year was just a date. Now that he had calmed down, he felt extremely guilty and felt that his actions were indeed wrong!

Putting aside the fact that his parents came all the way back for the new year, this was his sister’s house, and he even left the state banquet last night. How many people were looking at Wanwan? how could he be so unreliable?!

Luckily, he didn’t have a sweetheart now. Otherwise, who would like him?

Therefore, in the next few days, the uncle and nephew were very honest. Sheng Yiting was not very interested in eating, drinking, and having fun. Even if Simon lost interest in him, he would not be dragged out. So, the two of them stayed at home and did not mess around anymore.

When he had nothing to do, he would play video games at home, and when he went out, he would usually go to pay New Year’s greetings.

When she went to the Yu family, Yu Xinran was also there.

Seeing that there were only Lu Rou and her, Gong mo asked, " Lu Song didn't come back this year?"

he said that he had set up a research group with his classmates. It's not New Year's, so he's embarrassed to leave. Yu Xinran said helplessly, 'i I don't know if it's true or not. I'm just afraid that no one will care about him outside and he'll learn bad things. Lu Yang went over early in the morning to see him."

Gong mo nodded his head. No wonder Lu Yang, who had always stuck to her, didn't come.

"Mom and dad didn't tell my brother. They're going for a spot check," Lu Rou said with a smile.

"How is this an examination? It's obviously to give your brother a surprise." Min Ling said with a smile.

Gong mo thought that Lu Song had the temperament of a pampered young master back in China, but he didn't have any problems with his character. It was indeed easy to be corrupted when no one cared about her when she went abroad, but she might also have self-control. However, it was the new year. It was good for Lu Yang to go and take a look. At least, he could bring some warmth over.

I don't know what happened this year, " Yu Xinran sighed. Rourou and I are the only ones left in the country..

Chapter 1330: Let's go to country Y to relax

"Where are Duoduo and the others?" Gong mo was stunned.

...

"On the first day of Chinese New Year, she went back to beizhi with her parents. Of course, she left a note at night and went abroad to relax. I don't know what happened." Yu Xinran's eyes subconsciously swept over Sheng Yiting. her parents are worried sick and have gone out to look for her. They haven't been able to contact her yet.

Everyone could not help but look at Sheng Yiting.

Sheng Yiting remained silent. He peeled an orange and gave half of it to Sheng shuangxue.

While eating, Sheng shuangxue said with a smile, "Sister Duoduo must have gone to play. Isn't there a Fashion Week soon? She must have gone to watch the show!"

When it came to the show, Simon was interested and said to Sheng Yiting, "Let's go too! Country Y's fashion Week will be starting in a few days, and there will be many beautiful women."

He said the last three words in an especially soft voice. After all, there were old people and young girls present, and he was afraid that he would be beaten up if he spoke too loudly.

A few days ago, Sheng Yiting had wanted to find a woman to indulge himself with, but these days, he had been busy paying New Year's greetings, so he temporarily suppressed the impulse in his heart.

A few days had passed, and the impulse had died down. He didn't want to mess around now.

"No!" He said directly.

Seeing his serious face, Simon knew that the wound in his heart had not yet healed. He reached out and put his arms around his neck. "You're just too boring, you make people feel depressed! Women are born to like this kind of occasion. You should at least go and take a look, so that you can take your girlfriend to enjoy it in the future!" she ... Sheng Yiting wanted to say that she was not that kind of person.

But it was all over. Who knew what kind of people would be in the future? he couldn't help but remain silent.

The women around them were already discussing fervently. Most of them wanted to go. It was a compulsory course for noble ladies to attend the fashion week.

"Brother, come with us." Sheng shuangxue suddenly grabbed Sheng Yiting's hand. "I'm going shopping with mom, you can carry your bag behind us"

Sheng Yiting replied, “Yueyue.” He didn’t even carry his bag when he went shopping with Tong Siyao!

Speaking of which, Tong Siyao really made him feel helpless many times.

For example, when they went shopping, other people’s boyfriends would have to carry their girlfriends’ bags. He had been mentally prepared for this at first. To be honest, he was a little repulsed before the operation. He always felt that it was strange for a man to carry a bag. But that was Tong Siyao’s bag, so he was willing to carry it!

The result!

Tong Siyao didn’t want him to carry her!

She felt that it was very strange for a man to carry a bag. Women who told their boyfriends to carry bags were too delicate and deliberately tormented their boyfriends! It’s not like I don’t have hands, and a small bag isn’t heavy, so why would I need someone to carry it?

Hence, she had to carry it herself!

However, she did not force herself to carry heavy things and handed them to Sheng Yiting.

Sheng Yiting wanted to slap himself at this thought. Why did he think of her again?

Then, he would go to country Y to relax and be a good son and brother at her beck and call.

Queen’s team had come up with a plan to rescue Yao Lei.

The bewildering Fog Island where Yao Lei was imprisoned was in the North of the Pacific Ocean. Because the island belonged to M country and was a military area, there was no information about the island in the outside world.

The weather was cold now, and the meteorologists analyzed that the sea near the shore might be frozen. In this way, it would not be conducive to Queen's operation.

In the past few months, Queen and the others had made full preparations and had also quietly snuck around bewildering Fog Island to explore.

If the coast was frozen, it would be inconvenient for them and the enemy. There were both pros and cons. Hence, they decided to save him now.

The Lantern Festival hadn't arrived yet, so it was good to let Yao Lei come back for the festival. Perhaps China would be happy and give them a big red packet.

Although Sheng nanxuan had not been in contact with Queen, he had always been very concerned about the progress of things. Hence, everyone went to country Y to watch the show, but he stayed..
