Chapter 141

141 Take mother Hao to the mall

Gong mo and Gong Bai had agreed to meet on the weekend. Sheng nanxuan planned to go with them.

...

What a joke! How could he be at ease with his wife going to the appointment alone?

What if Gong Bai was using their past friendship to deceive them into going to the gong family?

He would only be at ease if he personally watched over her.

“Let’s Go to the Mall tomorrow and buy you two pieces of clothes,” Gong mo said to his mother.

“Why do you want to buy clothes?”

Zhen’s mother couldn’t bear to part with it. She could keep the money to buy something good for her grandson. Why should she waste it on herself?

“You’ve been wearing those clothes for years!” you haven’t bought any new clothes for the past two years, “Gong mo said. you can’t wear too shabby clothes when you go out for dinner, right?”

“You think I’m shabby?”

“Who’s complaining about you!” Gong mo shouted, “it’s because I feel bad for you! Don’t worry. You don’t have to spend your own money. Nanxuan and I will buy it for you!”

“Then I don’t want it!”

Sheng nanxuan sipped his tea in silence and watched the mother-daughter duo fight.

“Fine, I’ll buy it if you don’t want to!” Gong mo said angrily. My stomach is going to be big soon. I can’t wear my old clothes. I have to buy a few new ones! Oh right, it’s a new season now, so the mall is having a big discount and it’s cheaper than usual!”

Her mother was a little tempted. Gong Mo’s belly was big now, so he had to buy new clothes. If he didn’t buy them during the discount, when would he buy them?

“Alright, I’ll go with you.” She nodded.

“All you know is me. Why don’t you think about yourself first?” Gong mo sighed.

I’m just concerned about you, “Sheng nanxuan said with a smile.

“I’m also concerned about her!”

“Good, good, good. I know you’re filial,” mother Juan smiled. If it’s cheap, I’ll buy one too.”

that’s more like it ~”Gong mo laughed happily.

Sheng nanxuan suddenly felt that his Motherless Child was so pitiful.

.....

do you want me to go with you tomorrow?”Sheng nanxuan asked while they were sleeping.

“Mom will definitely feel uncomfortable with you around,” Gong mo shook his head.

Sheng nanxuan thought about it and agreed. Gong mo and his mother had been living together for 20 years. They must have talked about everything and were like sisters. If she went, she would definitely spoil mother Zhai's mood.

be careful," he said helplessly. call me if you need anything.

.....

After entering the shopping mall, Gong mo led mother Zhai straight to the counter.

"Didn't you say it's on discount?" mother Yan asked.

"Aiya, it doesn't cost money to look~"

"....."

After seeing it, Gong mo wanted his mother to try it on so that he could buy it.

Of course, Zhen's mother wouldn't do it! Those clothes were worth thousands even on discount. They really didn't want their lives.

"I'll just buy one piece, can't you be extravagant for once?" Gong mo said. It's only 2000 Yuan, what's there to be reluctant about?"

The clothes that Sheng nanxuan bought for her were all custom-made, and they probably cost more than 200000 Yuan. In the end, she didn't buy a 2000-Yuan dress for her mother. She felt guilty!

"How much wet pants and milk powder can I buy with 2000 Yuan? Think about the child, don't spend so much money!" Her mother refused to accept anything.

"How am I extravagant? You can wear a piece of clothing for a long time."

“I don’t need it. Anyway, I don’t want it. If you want to buy it, go buy one that costs 200 yuan!”

“Alright, let’s go to other places,” Gong mo put down his clothes.

After the two of them walked away, the salesperson packed up the clothes and mumbled, “If you can’t afford it, don’t look at it, Yingluo.”

A moment later, Gong mo brought mother Zi to a leather bag counter and asked her to pick one.

Chapter 142

142 The imposing manner of a King

“Didn’t you want to look at the clothes?” I’ll show it to you first.”

...

“I don’t want to watch anymore.” Gong mo walked forward gloomily.

“What?” Her mother followed her. what kind of temper is this? You’re not allowed to throw a tantrum!”

“Who’s throwing a tantrum? I’m hungry!” Gong mo pulled her into the elevator. there’s food on the upper floor. Let’s go and eat something.

After going upstairs, Gong mo looked around at the various restaurants around him before pulling mother Zhai into a noodle restaurant.

“I don’t want to wear anything, I don’t want to use anything, but food is fine, right?” She said, “this bowl of noodles is only twenty Yuan. Don’t be reluctant!”

“Alright, alright, alright, let’s eat!” Her mother said with a smile. Let alone twenty Yuan a bowl, I’ll even agree to two hundred Yuan a bowl.”

Hearing this, Gong mo turned her around immediately, "Then let's go to the one next door. The average spending there is two hundred per person!"

Hey, hey, hey, hey, hey, hey, "her mother hurriedly pulled her back. this one! It's oily and unhealthy there. It's good for the stomach."

Gong mo chuckled and held her arm as they walked to a corner.

When she sat down, she felt that someone was looking at her. She looked over and saw a group of foreigners sitting not far away.

There were a total of seven people in the group of foreigners, and they looked like Europeans or Americans.

They sat at two tables in total, and four of them looked especially young as they sat around a long table, eating with their heads buried.

The man who was looking at Gong mo was sitting alone in the other table. He looked to be in his forties or fifties.

Gong mo looked at him for a while and thought that he would be embarrassed to look away. In the end, he was still looking at them, the kind that couldn't take his eyes off them!

Gong mo was helpless. He was probably curious about the Chinese, so he kept on watching.

"Momo, what kind of noodles do you want to eat?" Her mother flipped through the menu and asked, "Oh, there are snacks too. Look, there's your favorite Daddi."

"Then I'll have one." Gong mo said.

At this moment, she felt the gaze on her back getting hotter. She turned her head quietly and saw that the man was still looking at them. His eyes were deeper and fiercer than before!

No, he was looking at her mother!

What was this for?

Gong mo was shocked and turned his head. Mother Gong asked, "I want beef noodles. What about you?"

"I also want beef noodles."

Her mother nodded and closed the menu. She raised her head and met the eyes of the foreigner. She could not help but jump in shock.

She lowered her head and whispered to Gong mo, "You have a group of foreigners behind you."

"I see it." there are foreigners everywhere in the capital. It's not like you haven't seen them before, "Gong mo said with a smile.

There were a few in their neighborhood, and they would bump into each other when they went in and out. Sometimes, they even took the same elevator.

"But this one keeps looking at us."

Gong mo was stunned. He turned around and saw that the man was still staring at them!

No, no, no, no.

He stared at mother Zhai and didn't even notice Gong mo sizing him up.

His hair was slightly curled, with a few strands of silver in his black hair. His eyes were a light blue, focused and deep. The body wrapped in the suit looked very strong, and his legs were curled up under the table. He was estimated to be at least 1.85 meters tall.

Although he was a middle-aged man, he exuded a deadly charm. Handsome was not enough to describe him! He sat there, exuding the aura of a King!

“It’s quite scary.” Her mother lowered her head and drank her tea.

foreigners are always curious about China,” Gong mo turned around and comforted her. I guess they’ll just take a few more glances at us when they see that we’re Chinese.

Chapter 143

hit on

“I feel uncomfortable.” Her mother said awkwardly, “ don’t these foreigners care about how others feel?”

...

Gong mo smiled, “they’ve always been generous. Maybe they don’t think it’s a big deal.” If you’re uncomfortable, we can change seats.”

forget it, forget it, Zhenzhen. her mother waved her hand. if you change it, you’ll attract attention.

Fortunately, the foreigner quickly retracted his gaze and did not look at them again.

Gong mo and his mother started eating their noodles with a peace of mind. After they were done eating, they called the waiter to pay the bill. The waiter pointed at the table of foreigners and said, “The gentleman over there has already paid the bill for you.”

The two of them were stunned and looked over.

The Group of Seven people were looking at them!

Gong mo found that although they were of different ages, they were all handsome men! He looked like a male model from a fashion magazine!

The most handsome and imposing person was the one who had seen them earlier. He was also the oldest in the group.

That person suddenly stood up and walked towards them.

The people behind him also stood up. He stretched out his hand and pressed it in the air. They sat back down obediently and didn't even look at Mother Gong and Gong mo.

Seeing this, Gong mo was a little frightened. This man was obviously the boss of the group, and he seemed to have a high status.

The man was getting closer and closer. Mother Zhai stood up and blocked Gong mo.

The man's eyes flashed and he looked at mother Zhai attentively. "Hello, Yingluo."

It was actually standard Chinese.

"I'm Gambino. May I know you?" He stretched out his hand and looked at her expectantly.

Gong mo was stunned and looked at his mother in disbelief. Mom, is Xuanji's heart finally blooming?

Her mother was also stunned-

What the hell? What was this?

She was already in her forties, yet someone was still hitting on her? And a foreigner at that!

This world was too crazy. She didn't dare to go out anymore.

Diana's mother took a step back and looked at Gambino warily.

Gambino awkwardly retracted his hand and continued, "Don't be afraid, I'm not a bad person. Yingluo, I really want to get to know you. You're like a friend of mine from the past."

ppft—"Gong mo couldn't help but laugh. What a cliché way to strike up a conversation.

Her mother pinched her, and she showed an innocent expression.

Suddenly, Gambino looked at Gong mo. miss, you're so beautiful. May I know your name? "

Gong mo,"hehe."

Mother Yan raised the bag in her hand and hit him on the head,"I'll beat you to death, you big pervert!"

He actually ate up both young and old, he really couldn't be any more lecherous!

"Eh?" Gambino retreated while holding his head.

Gong mo went to pull his mother back,"mom! Don't hit me! Stop, this is a public place!"

"What's wrong with a public place? He's already molested an innocent woman, so why can't I hit him?" Her mother fought even harder.

"Stop!" The group of foreigners behind Gambino rushed over.

They were obviously Gambino's underlings, and they might also be his bodyguards. After they rushed over, they stood in front of Gambino and pushed Gong mo and mother Gong out.

ah—" mother Zhai screamed and pulled Gong mo away. Mo Mo!

"Bastard!" Gambino roared and kicked away the person who pushed mother Diana. He rushed to her side like a whirlwind and hugged her waist. He also pulled Gong mo, who was about to fall, up.

Everything happened too suddenly. The foreigner who was kicked away flew a few meters away and knocked down a few tables. The clatter immediately attracted the attention of everyone around him.

Chapter 144

144 I'll spare your life this time

Gong mo felt a lingering fear when he found himself standing steadily.

...

She didn't dare to imagine what would happen if she fell down. Would it hurt the child in her stomach?

Gambino looked at her worriedly. Seeing that she was fine, he let go of her and grabbed mother Diana in his arms anxiously. "Are you alright?"

"Let me go!" Mother Yan roared and broke free from him. She raised her bag and hit him on the head and shoulders.

Gambino lowered his head and dodged twice, but his body did not move.

The group of men around him no longer dared to push mother Zhai away, so he stood there obediently and got beaten.

However, he was very tall, almost 1.9 meters. After hitting him twice, mother Yan was too tired. She took two steps back, opened her bag, and took out a hundred Yuan bill, throwing it directly at his face. "I'll return the noodles to you! There was no need to look! You hooligan!"

After she finished speaking, she pulled Gong mo and left. Gambino hurriedly chased after her. "My lady-

"I'm going to call the police if you keep doing this!" Diana's mother shouted.

Gambino stopped and looked at her with a complicated gaze.

Her mother turned around and the shop owner opposite her said, "Ask them to compensate you! It has nothing to do with me!"

However, the boss and the waiters of the noodle shop did not dare to look for Gambino.

The man who had been kicked away by Gambino got up and walked to Gambino while rubbing his chest. "BOSS....."

Gambino looked at him fiercely, his eyes filled with killing intent.

The man took a step back in fear and looked at him in fear. "BO.....BOSS....."

Gambino reached out and grabbed his shoulder. He exerted force with his five fingers, and with a crack, the man's arm drooped down powerlessly, swaying in the air like dried cured meat.

His face was pale, and large beads of sweat appeared on his face.

The other people's faces showed pity and sympathy, but no one helped him plead for mercy.

Ka-

Gambino exerted more force and said ruthlessly, "No one is allowed to hurt them. I'll spare your life this time, but you'll die without an intact corpse next time."

.....

When Gong mo and mother Zi returned home, mother Zi said angrily, "I'll never go out again! There are all kinds of people in this world!"

"That was just an accident." she came to hit on you because she admires you. Why are you so angry?"Gong mo comforted her.

"He's a big pervert!"

but you can't just give up on food because you're choking ~"Gong mo said," you're even willing to stop shopping for a foreigner who casually struck up a conversation with you. Is he that important?"

"I'm doing this for your own good!" Her mother choked and glared at her. You almost fell down just now! If an accident were to happen, how am I going to answer to nanxuan?"

"I know." Gong mo said guiltily. She had also been shocked just now. I will be careful in the future. But Speaking of which, that foreigner is quite concerned about you. He might really be interested in you ~"

"He's also interested in you! He asked for your name and said you're pretty. You're just a womanizer!"

"Uh, Yingluo, all foreigners praise people casually~he might have just said it casually to show his courtesy. Alright, alright, let's not talk about him. He's not an important person!"

"That's right," Her mother snorted. I just ate. Do you still want to have lunch? "

"I'm not hungry."

“I think I’d better make some. Your stomach is like a bottomless pit right now. You might be hungry in half an hour.”

Gong mo stuck out his tongue playfully. That was the truth. She was eating more and more every day.

In the afternoon, mother Zhai went to buy groceries. Gong mo wanted to accompany her but was rejected.

Not long after she left, Sheng nanxuan came back from ” work.

Chapter 145

the author of ‘corpse language’ is in China

“Mom’s not at home?” Sheng nanxuan asked.

...

“I went to buy some groceries.” she doesn’t want me to follow her, “Gong mo said.

“She’s afraid you’ll be tired, right?” Sheng nanxuan reached out and pinched the tip of her nose. I’m so envious of you, mom, seeing how concerned you are.

Gong mo lowered his head in embarrassment and said with a red face, ” “What’s there to be envious of?”

“I’m so envious of you for having such a good mother.”

Gong mo was stunned and looked up at him.

“I’m fine,” he said with a smile. By the way, the author of ‘corpse language’ has agreed to publish a translation.”

“Really?” Gong mo was overjoyed.

He nodded. he’s in China. He wants to meet me.

“He wants to use your translated version?” Gong mo was overjoyed. I’m really afraid that after he finds a publishing company, the publishing company will arrange for someone to translate for us. Then, wouldn’t we be benefiting others?”

Sheng nanxuan could not help but laugh. you can’t earn much from this.

“This isn’t a matter of money, it’s a matter of principle! Anyway, it’s best if we can use your translated version!”

“That will depend on gaden’s decision. He wanted to meet me, but I didn’t want to see him. You’ve read books, so you can go. You should be able to chat with him.”

“Ah?” but I don’t know how to speak Italy! Gong mo exclaimed.

this Yingluo ... Sheng nanxuan thought for a moment. let’s go together. You must want to see him too, right? ”

Gong mo smiled and nodded. Then let’s go together!”

Her mother had not returned yet, so the two of them went to the kitchen to prepare the ingredients.

Sheng nanxuan showed off the results of his recent learning and cut a few dishes.

Gong mo took a look and saw that his knife skills were not bad. He couldn’t help but say, ” “How long have you been learning? You cut it better than me!”

“It’s a matter of intelligence. There’s no way to compare.”

you ... Gong mo was furious that he was mocking his intelligence.

Sheng nanxuan smiled. He thought that she was very cute like this. He lowered his head and kissed her.

At this moment, the door opened. Gong mo hurriedly pushed him away and walked out with a red face.

Sheng nanxuan looked at her back and smiled-it was a good thing that she was shy.

Gong mo walked to the entrance and picked up the groceries that mother Zi had bought. Seeing that mother Zi was unhappy, he asked in confusion, “Who provoked you?”

“We’ve met that pervert again!” Mother Yan said angrily.

“Ah?”

“What bad luck!” Mother Yan walked into the dining room and saw Sheng nanxuan cutting vegetables. She was stunned for a moment before she smiled. nanxuan, you’re off work? ”

Sheng nanxuan nodded and greeted his mother. He then asked Gong mo, “What pervert?”

“I went shopping with mom this morning and met a foreigner who tried to hit on me.”

“What?” Sheng nanxuan’s expression changed. are you alright? ”

“What do I have to do?” Gong mo laughed. I’m not the one she likes. It’s mom!

“Yingluo?” No matter how powerful Sheng nanxuan was, he could not understand.

Gong mo looked at his expression and asked in dissatisfaction, "What's with the" ah "? My mom is still so young, it's normal for someone to like her!"

"That's true." Sheng nanxuan smiled.

"You two are unfilial!" Her mother was furious. He's a big pervert, alright?"

"He's obviously a handsome guy!" Gong mo retorted and asked doubtfully,"you met him again just now? What did he do to you?"

"I saw him, but he didn't see me!" Her mother sat down and took out the groceries from her shopping bag. he brought his men to the hotel opposite the supermarket. I guess they're staying there.

uh, hehe,"Gong mo couldn't help but say," what a coincidence ~"

Chapter 146

pure love

Her mother glared at her.

...

"I think he fell in love with you at first sight," she said with a smile. He's been staring at you since we entered the store. Actually, he's quite handsome. Why did you run? You didn't even leave your contact information, didn't you miss out on a good relationship?"

are you done?! Her mother said angrily.

Gong mo smiled and hugged her,"actually, I don't mind having a Western father.~

"You ..."

“Alright, alright!” Seeing that she was about to get angry, Gong mo became serious. I’m not asking you to accept him. I just hope that you can consider this kind of thing. You’re still young, why do you have to live like an old man?”

In fact, mother Zheng had taken good care of herself. Although she was in her early forties, she still looked like she was in her thirties. Not a single strand of her hair had turned white. If she stood next to Gong mo, people would even mistake her for a sister!

“I’m happy to, okay?” Mother Yan glared at her and said to Sheng nanxuan, “ why don’t you take care of your wife!

Sheng nanxuan was innocent. Why did the fire burn him?

“You really don’t mind that your mother married a foreigner?” he asked Gong mo before they went to bed.

Father Zhai left early, so mother Zhai had been single for 20 years. It could be said that she had dedicated the best years of her life to Gong mo. He could understand that Gong mo wanted her to find her happiness again. But if she were to marry a foreigner, she might have to go abroad. Could she bear to do that?

“As long as that person is sincere to mom, there’s nothing wrong with it.” Gong mo sighed. actually, I would be more at ease if it was a foreigner. When foreigners like a person, it was very pure. Like was like. They didn’t care if the other party was married or had children. Their family was also very independent. Marriage was a matter between the two of them. Neither their parents nor their children could interfere. If mom really gets married to a foreigner, she won’t encounter any complicated matters.”

Sheng nanxuan turned around and looked at her. foreigners like people who are pure? ” Is it not pure for a Chinese to like someone?”

Gong mo blinked his eyes and looked at him in confusion. Wasn’t his main point off?

He snorted.

Did she know that he liked her very purely?

.....

In the morning, Sheng nanxuan walked into the kitchen and saw that his mother was preparing breakfast. He immediately went to help. "Mom, I'll do it."

"It's fine, it's fine. I can do it."

"Let me do it. I don't have to work today, so I'll help you out." Sheng nanxuan snatched the spoon from her. have a seat. I'll make another sandwich for you to try.

"Alright." Mother Zhai sat down. Momo said that you know how to cook, but I haven't tried it yet.

"We should be filial to mom, but when she came, she cooked and cleaned for us every day."

"I should. It's not like I can't do it. If I can, of course I'll help share your burden." His mother felt awkward to be alone with him, so she stood up and said, " I'll go and wash today's clothes first. I have to see Gong Bai later, so I might not have time.

"Alright," he said. Sheng nanxuan made the sandwich seriously.

Gong mo walked into the kitchen and felt a little uncomfortable when he saw that he was alone.

She turned to leave. Sheng nanxuan noticed her and picked up a plate of sandwiches. "Help me carry it."

Gong mo had no choice but to walk over. When he took the plate from her, he didn't let go and lowered his head to kiss her face.

Gong mo raised his head and glared at him. He kissed her lips again.

Gong mo was so angry that he had no strength left. He'd already eaten everything up, so how could he hit him?

Chapter 147

147 More lethal than "I love you"

She let go of the plate and wanted to leave, but Sheng nanxuan couldn't bear to. He pulled her into his arms again and rubbed against her face.

...

Gong mo dodged uneasily and looked up at his affectionate eyes. He suddenly couldn't bear to see him like this.

His eyes were filled with gentleness as he said in a low voice, "I really want to hug you forever."

Gong Mo's heart started to beat wildly.

He hugged her like this and said such words. It was more destructive than directly saying "I love you.

How long had they known each other? If he said that he loved her, she would definitely not believe it.

However, this clingy action was a sign of intimacy.

Gong mo couldn't help but wonder if Wanwan liked him-little.

Gong mo felt a trace of warmth in his heart and slowly leaned into his arms.

in a while ... mother min's voice was heard, but it suddenly stopped.

Sheng nanxuan was stunned and let go of Gong mo.

Gong mo turned around and saw mother Zhai standing in front of him. He blushed.

Sheng nanxuan coughed awkwardly. let's eat.

"Oh, okay." Her mother walked over with a smile.

She was overjoyed to see them being intimate. This proved that the couple had a good relationship!

Gong mo secretly pinched Sheng nanxuan. Sheng nanxuan glanced at her and squeezed her hand in an attempt to please her.

She shook him off and sat down at the dining table.

Sheng nanxuan placed the food on the table one by one. Gong mo took a random piece and buried his head in it, not daring to look at mother Zhai's expression.

However, her mother didn't look at them. She just pursed her lips and showed a relieved smile.

Seeing that Gong Mo's hair was about to fall into the bowl, Sheng nanxuan reached out to help her tidy it up. She raised her hand to push him away and sneaked a look at mother Zhai. She was only relieved when she saw that mother Zhai was not paying attention to her.

She glared at Sheng nanxuan and warned him not to touch her.

Sheng nanxuan shrugged his shoulders and began to eat slowly.

Her mother finished her meal very quickly. In order not to disturb them, she found an excuse to leave the dining room.

At this moment, Gong mo didn't dare to ask her to stay, for fear that she would make fun of him.

When Sheng nanxuan saw that mother Zhai had left, he shifted to Gong Mo's side.

"What are you doing?" Gong mo stared at him.

Sheng nanxuan tore a piece of bread and fed it to her. She choked and glared at him angrily.

"Here, I'll feed you," he said as he picked up the bowl of porridge.

"Don't!" Gong mo wanted to snatch it back.

He dodged. if you don't let me feed you, I'll kiss you. It's your choice.

you! Gong mo looked outside and said, " mom will be here soon.

"If you're here, then you are here. She'll definitely be happy to see how well I treat you." Sheng nanxuan scooped a spoonful of porridge and brought it to her mouth. He smiled and said, " come, open your mouth.

Gong mo bit his lip, opened his mouth to eat the porridge, and then reached out to grab the bowl.

Sheng nanxuan lowered his head and kissed her on the lips."Disobedient? Did you think I said I was here for fun?"

"You're so annoying!" Gong mo shouted.

Sheng nanxuan put down his bowl and pulled her onto his lap.

“What are you doing?” Gong mo shouted.

“I’ll hug you!” Sheng nanxuan held her in his arms and picked up the porridge to feed her again.

“Enough!” Gong mo shouted. Let me go! I’m not a kid!”

“Do you want me to feed you?”

“My Yingluo.” Why did he have to feed her?

Sheng nanxuan didn’t give her any chance to explain. He scooped another spoonful of porridge and brought it to her mouth.

“I want to sit on a stool,” she said, turning her head.

“Isn’t it good to sit on my lap?”

“Not good!”

“Yingluo, alright.” He let go of her, let her sit on the stool, and continued to feed her.

Chapter 148

148 My wife will only be you

This time, Gong mo didn’t dare to refuse.

...

After dinner, Sheng nanxuan cleaned up the dishes and put them into the dishwasher. He turned around and saw Gong mo looking at him. He asked, " "Why are you looking at me?"

"Why are you so nice to me?" she asked awkwardly.

Sheng nanxuan smiled gently. I'm good to my wife. Isn't that what I should do? "

"As long as she's your wife, no matter who she is, you'll treat her so well?" Gong mo asked after some thought.

Sheng nanxuan's smile froze. He slowly walked to her and looked at her seriously."What do you want to say?"

"It's nothing!" Gong mo turned his head away. I'm going to change my clothes. We're going out later.

Sheng nanxuan looked at her back and sighed.

Silly girl, my wife will only be you.

He walked into the cloakroom slowly and saw Gong mo picking out clothes.

She was a little embarrassed to see him. She pointed her finger back and forth between the clothes hangers with a hesitant look.

"Do you have to dress like a flower to see your cousin?" Sheng nanxuan could not help but ask sourly.

Gong mo glared at him and picked a random piece of clothing.

Sheng nanxuan hurriedly said,'this one is too beautiful! You weren't even this pretty when you saw me!"

“He’s my cousin! What are you jealous of?” besides, don’t we see each other every day?” Gong mo exclaimed.

“I see you every day, but you don’t dress properly for me.”

Gong mo was stunned.

you dress so casually every day. Sheng nanxuan snorted.

Gong mo was stunned, “at home, comfort is the most important thing.” Besides, I didn’t pick these clothes myself. If you want to blame someone, blame your subordinates!”

what I mean is that you can dress up a little at home sometimes!

“Mom will think that I’m crazy if I don’t go out and still dress up.” Gong mo looked at him helplessly.

“Oh, my.” Sheng nanxuan looked helpless.

“That’s enough, I need to change my clothes,” Gong mo pushed him out of the room.

Sheng nanxuan said, ‘why did you push me out? I want to change too!’

“Then we’ll talk after I’m done changing!”

Before they set off, Gong mo chose a pair of flat shoes.

When she was putting on her shoes, Sheng nanxuan called out, “Be careful!”

After he finished speaking, he squatted down in front of her and helped her with her shoes.

Gong Mo's face turned red and he looked at mother Zhai.

Her mother was surprised. Although she had always known that they had a good relationship and that Sheng nanxuan was very good to Gong mo, she didn't expect them to be so good.

is this pair of shoes comfortable? " Sheng nanxuan asked after he had put them on.

"It's good," Gong mo nodded.

"Then we'll buy their food in winter."

"Yes."

"Does Gong Bai treat you well?" Sheng nanxuan asked after they got into the car.

"It's pretty good." Gong mo said.

"You're good at everything." Sheng nanxuan rolled his eyes at her. I'm pretty good to you too, right? "

"You're very good to me, okay?" Gong mo blushed.

"That's enough. You guys never forget to flirt at any time," mother Yan chuckled.

Sheng nanxuan smiled. then, is mom happy when we flirt? " he asked.

I'm happy! I'm so happy that you two have a good relationship!

"I haven't seen my cousin in a long time, I wonder how he is doing." Gong mo quickly changed the topic. In the past, he used to tell me my homework."

"It is! Half of the reason why your grades were so good back then was because of your cousin!" Said her mother.

"As the saying goes, 30% fate, 70% hard work! The other 30% of the credit goes to mom, who asked you to give birth to me~I only have 20% left, Yingluo."

"You're so talkative!" Her mother could not help but laugh.

Chapter 149

149 Meeting with Gong Bai

When Gong mo and the others arrived at the place where they had agreed to meet Gong Bai, he had already arrived.

...

"Second aunt!" Gong Bai immediately stood up from his seat.

Her mother nodded.

"Second aunt, please have a seat." He pulled out a chair for her.

Seeing that he was so respectful, her mother showed a sincere smile. "You too."

"Yes." Gong Bai agreed, but he did not sit down. Instead, he looked at Gong mo and Sheng nanxuan.

He sized up Gong mo for a while and touched his head. He said emotionally, "I haven't seen you for a few years. I didn't expect you to be married."

Gong mo opened his mouth, but he didn't know what to say.

Sheng nanxuan walked over, lifted Gong Bai's sleeve, and removed his hand from Gong Mo's head.

Gong mo and Gong Bai both looked at him in confusion.

"This is my wife. Don't touch her," he said while staring at Gong Bai coldly.

Gong mo choked and was speechless.

"I'm her brother!" Gong Bai said discontentedly. This kid didn't take him seriously the last time they met. How dare he be so arrogant in front of Gong mo?

"I'm her husband. Even if you're her brother, please pay attention to the distance between men and women."

you ... Gong Bai was stunned. He looked at Gong mo and asked, "is he always like this?"

"Uh, Yueyue, let's sit." Gong mo said hurriedly. Usually? Usually, she didn't dare to interfere no matter what happened!

She didn't expect her husband and her cousin to be so close. Did they have a fight when Gong Bai went to the school to look for Sheng nanxuan?

Gong Bai glared at Sheng nanxuan and pulled out a chair for Gong mo.

When Sheng nanxuan saw this, he pulled out another chair.

Gong mo,"hehe."

Mother Gong coughed, but Gong Bai and Sheng nanxuan remained unmoved. They were waiting for Gong Mo's reaction.

Gong mo decided to find his own seat and didn't need their help.

She walked to an empty seat. Sheng nanxuan reached out to hold her and pressed her down on his chair. you actually rejected my kindness. I'll be sad, you know? "

uh, hehe. Gong mo looked at Gong Bai in embarrassment and hit Sheng nanxuan in dissatisfaction.

Sheng nanxuan smiled and patted her head. He walked to Gong Bai and said, " "Thank you, cousin."

After saying that, he sat on the chair that Gong Bai pulled out.

Gong Bai,"hehe."

Gong Bai took a deep breath and decided to endure it.

He turned around and sat down. He picked up the teapot and poured two cups of tea, one for mother Zhai and the other for Gong mo.

The cup for Gong mo was stopped by Sheng nanxuan halfway. "Thank you, cousin."

"This is for Momo!" Gong Bai was displeased.

Momo is pregnant. He can't drink it.

Gong Bai was stunned and looked at Gong mo abruptly. You're pregnant? "

Gong mo nodded his head in embarrassment.

“Didn’t you just get married?”

“She’s not pregnant for long either.” Sheng nanxuan took a sip of tea.

Gong Bai opened his mouth, but he couldn’t find a reason to blame him.

He was the second young master of the Sheng family. Even if he was kicked out of the family, he was still a graduate of Capital University. Naturally, he was capable enough to support his wife and children.

For others, getting married after graduation and living under a lot of pressure were not a problem for him.

Gong Bai was silent for a while. She realized that she hadn’t been in contact with Gong mo and mother Gong for many years. In addition, her parents had gone too far. She didn’t seem to have the right to care about them anymore.

He raised his head and said to Gong mo, “ take care of yourself. Remember to inform me when the child is born. I am the child’s uncle.

“Definitely,” Gong mo said with a smile.

your parents don’t know about Momo’s pregnancy, ran ran. mother Zhai wanted to say something but stopped.

“I understand.” I won’t tell them, ” Gong Bai said.

Her mother smiled awkwardly.

Chapter 150

brother-in-law and brother-in-law at loggerheads

Gong Bai said, "it's good that second aunt came to Beijing. It's quiet." I'll take care of my parents. You just have to take care of Momo. You can look for me if you need anything. Although I don't have much ability, at least I'm Momo's maiden family."

...

At this point, he glanced at Sheng nanxuan. His meaning was obvious.

If Sheng nanxuan dared to mistreat Gong mo, he would definitely seek justice for Gong mo.

Sheng nanxuan sneered. In this world, he was the only one who would not hurt Gong mo. Even if it was Zhen's mother, he would not be completely at ease, because that was not him.

He said to Gong mo, "since you've said so, let's keep in touch with you in the future. We're family after all. Let's not be estranged from each other. If cousin doesn't treat you and mom as family, you don't have to suffer. If you have anything to say, just tell me. I'm your husband, I'll definitely help you vent your anger."

Gong Bai thought, "Lao Ai, after all this, I've already threatened you, and now you're threatening me?"

cough—" Gong mo coughed awkwardly. that's enough. You're acting weird the moment we meet, what's the matter?"

"I didn't start it." Sheng nanxuan said.

"I'm just afraid that he'll bully you because there's no one in your family," Gong Bai said awkwardly.

Sheng nanxuan sneered. are those people from your maternal family considered people? "

"Ai!" enough! Gong mo was dissatisfied. My mom is still here? Besides, isn't my cousin very good to me?"

“Our mother is family, so she’s not considered part of our maternal family.” Sheng nanxuan said fawningly. Then, he glanced at Gong Bai coldly. as for the others, you can’t judge a book by its cover. You’d better be careful.

“It’s done,” Her mother said, “ I know that you’re all good children and that you’re all thinking about Momo and me. Since that’s the case, let’s not quarrel. If there’s any misunderstanding, we’ll slowly clear it up in the future. Let’s just be harmonious today.”

“Alright,” he said. Sheng nanxuan was a little embarrassed. I’ve made you worry. I was just joking with my cousin. Otherwise, who would talk so much to him? If I really think he’s not a good person, I’ll definitely ignore him.”

Gong Bai gritted his teeth speechlessly and said to his mother,“Yeah, I think so too.”

Mother Yan laughed and said,“you guys have a tough mouth but a soft heart?” Alright, let’s order, or Momo will be hungry again.”

“Why is it me again?” Gong mo said unhappily.

“Because you eat a lot ~”

“Yingluo” was because of the child. Before she was pregnant, she was very gentle.

Sheng nanxuan observed for a moment. Gong Bai was indeed very concerned about mother Zhai and Gong mo. While they were eating, he kept putting food into their bowls. He knew what they liked to eat.

This was good too. They would be very happy that there was someone who really cared about them in the gong family.

After the meal, Gong Bai took out the gifts for Gong mo and his mother.

He gave her a set of skincare products and a brooch, while he gave Gong mo a necklace and a dress.

“That’s too costly,” Gong mo said.

“Accept it. I didn’t know how to earn money before, so I didn’t buy anything for you. Treat this as a wedding gift for you to show your filial piety.”

Gong mo hesitated for a moment before accepting it, ” “Thank you, cousin.”

“But Yingluo didn’t expect you to be pregnant, so I’m afraid you can’t wear this dress anymore.”

Gong Bai looked at the dress that he had specially chosen for her and felt a little regretful.

He had wanted to be a good brother and pamper his sister for a few years. In the end, she had been taken away before they even started, and it was no longer his turn to pamper her!

He glanced at Sheng nanxuan, feeling very uncomfortable.
