Chapter 1421: it's that idiot, Shan Yan

7 Can I say that Yingluo is very beautiful?

8 Hehe, Yingluo's good looks are justice?

9 Yan fans expressed, "yes!" Beauty is justice! [doge]

10 Seeing that she looks 50% similar to Chini, I'll forgive her for whatever she does! Doge " Chini's old fans were so unprincipled.

11 Chini's face and voice were both disfigured, so can you stop talking?

12 I can't tolerate relying on Chini to create hype! Boycott Xin Rong!

13 What if Xin Rong is Xin Ni's daughter? The name sounded so much like Yingluo.

14 Are you an idiot? Who didn't have a stage name when they entered the entertainment industry? Xin Rong must've deliberately given her this name because she resembled Xin Ni!

15 Don't change the subject, okay? Who was Chini? I just want to stop Xin Rong from destroying my goddess!

16 I have to forcefully tell the commenter above about the glorious deeds of my Great Goddess, Chini!

Above the cream! They were all comments from netizens with mild tones, and the rest were a little unsightly.

Xin Rong had recently gotten into a habit of scrolling through Weibo, so he quickly saw this post.

She opened the comments and read them with great interest. She was very pleased that so many people were thinking about Chini. After all, she was her mother now, and she felt honored!

As he was reading, a call from Lacy came.

After the call connected, Tracy immediately ordered, "Don't respond to the things on the internet! I'll handle it, so just focus on your acting!"

If she didn't respond, Xin Rong wouldn't have remembered. He immediately asked, "Why aren't you responding?"

Lei Xi was instantly speechless. Why? I'm afraid you'll say something wrong and escalate the conflict!

Seeing that she didn't answer, Xin Rong didn't force her. He considerately said, "I think they all like the red Pond, so I'm going to play this game."

"Yingluo, do as you wish." Tracy said helplessly.

It was eight in the evening. Xin Rong turned on his computer and logged out of the game.

The internet speed was very fast, so she studied the game's basic information as she downloaded it. She then entered the game forum and loitered around for a while before she was done downloading the game.

At this moment, Lacy called again and asked, "You found a water Army?"

"Ah? I didn't!" Xin Rong picked up his phone and looked at the Weibo post. There were many people speaking up for her.

For example ... Xin Rong didn't have many new shows, so he must have gone to study. He could definitely take on these two roles!

Also, even if you don't believe in Xin Rong, you should believe in the director! The director of "hundred spirits" had always produced quality works, not to mention "Mystery city's case collection. Tian Cheng's original work and scriptwriter, and it was star's annual drama, which one of them had ever been bad?

Many people said-yes, yes, yes! I don't trust anyone else, but I definitely trust Tian Cheng! From the looks of it, Xin Rong would definitely be able to play rose well. In that case, there would be no problem with Hong tan.

There was another comment that was pushed to the top of the list-what do you guys know! Xin Rong was the Queen!

Xin Rong saw that the other party's name was Simon and guessed that it was dan Yan.

Just then, the doorbell rang.

She opened the door and saw through the peephole that it was erhuo. She couldn't help but smile.

She opened the door and erhuo coughed. It held a bag of rice noodles and asked, "Do you want to have supper?"

Xin Rong crossed his arms. I make a living with my looks and figure. Do you want me to die from being fat?"

"Ahem, ahem, I'll eat then."

I won't send you off ... Xin Rong pretended to close the door.

wait, wait, wait! Simon hurriedly stopped him. I'm already here. Aren't you going to invite me in? "

"Then, will you still be leaving tonight?"

"Hehe, hehe, hehe." Someone laughed despite knowing the answer.

Xin Rong helplessly turned around and let him in..

Chapter 1422: The goddess's heart was extremely restless

He looked at her computer and saw that it was on. There was a game interface on it.

"You play games?" He asked.

"Yup, I know. I want to play the TV series to get to know the characters and background."

Simon thought she was sad because of what happened online, so he comforted her, " Those people are talking nonsense."

"What?" Xin Rong pretended to be confused.

"I'm fine, I'm fine," he hurriedly said. It was fine if he didn't know.

Xin Rong chuckled and picked up his phone."I'll follow you if you change your Weibo name to second fire!"

Simon, "hehe."

The next second, he quickly took out his phone and changed his name. Then, he realized something. "You knew?"

Speaking of which, he was really embarrassed.

Xin Rong supported his head and looked at him. As he followed him, he asked, "How did you know? I don't usually see you on Weibo."

"Ahem, someone else told me." Then, he immediately opened his moldy Weibo and went on stage personally!

"Oh Xin Rong didn't ask who it was. They could be his subordinates or his family.

Simon sneaked a glance at him, as if he was waiting for praise.

"Thank you," Xin Rongxi replied before going back to playing games.

Simon picked up the bowl of rice noodles and sat beside her. "Do you want me to help you find the mastermind behind this?"

no need I'm just bored. It'll be better if there are more storms. Otherwise, it'll be boring.

Yingluo felt that her goddess was extremely restless!

The next day, the crew of 'legend of a hundred spirits' reacted.

The crew had done some basic publicity before, but they had not started to hype it up yet, because they had unfortunately bumped into "Mystery city's suspected cases.

Mystery city's suspicious case collection "was so awesome. All these years, Hengxing had put in all his effort to produce a" annual tribute "almost every year, and Tian Cheng had participated in every one of them without exception.

Everyone in the circle knew that she was the Apple of the big BOSS's eye. When it came to her dramas and movies, everyone would just obediently admit defeat.

They didn't need to buy headlines to have endless news! Moreover, the quality was indeed good. Even if they had the resources, they couldn't be envious or jealous because Tian Cheng's drama was different from others.

Other people would more or less be tied down by fame and fortune, but she truly loved him.

Besides, even if other people truly loved him, they couldn't possibly love him like she did. She had a strong backing, so she could be willful and not be controlled by anyone. However, the others were held back in too many ways. If they could perform 60% of what they were thinking, it would be a high-quality product, but she could perform 100%. So, what could he use to fight with her? If they couldn't even compete in quality, then there was no need to talk about other things.

For example, in the publicity, the female lead of " Mystery City, " Yu Lin, was recently photographed having lunch with Su Yi Sheng. The news was getting hotter and hotter, so what did it have to do with other people?

hundred spirits " decided to be quiet for a while. When " Mystery City " was quiet, they would then go on!

At this time, the matter with Xin Rong was like a pie falling from the sky!

Since that Weibo post had dragged " Mystery City " into it, the crew of " bailing ' had nothing to be afraid of!

No one was worried about the quality of Mystery City because of Tian Cheng's cheat. In that case, Xin Rong's acting skills must have been acknowledged.

Furthermore, Xin Rong's performance in the " hundred spirits " crew was good. Every time she was in front of the camera, it made the director's blood boil-in the whole show, she was the only one who seemed to be really living in the chaotic world of demons!

She was pretty, had good acting skills, didn't need a body double, and her movements were strong and firm.. Anyway, it was good and cheap, and everything was good!

Chapter 1423: The Queen is right

The director had long wanted to use her as publicity to slap the faces of those netizens!

Hmph, it's your fault for saying that I have no taste and slandering me for sleeping with female celebrities. I'll let you see how good my taste is!

However, he had been suppressed by " Mystery City " all this time, so he felt aggrieved!

So today, he struck while the iron was hot and released the promotional posters and makeup photos!

On the poster, all the main characters were present.

Hong tan, played by Xin Rong, stood to the right of the male lead. She raised her eyebrows and looked at the sky, as if she didn't care about what was happening.

She had red hair and wore a black robe. The hem of her dress was also a bright red color, as if she was stepping on a burning flame.

This was her real body.

After she left the dead water Kingdom, she saw that everyone else had black hair, so she also changed her hair to black hair and changed into a red robe. There were too many people in the publicity photos, and she only took up less than one-tenth of the space, so everyone could not appreciate her beauty very well.

In the photos, after everyone saw them, they cheered and shouted, "Collect! Lick, lick, lick!"

There were two photos of her. One of them was her real body, just like in the promotional photo. She was standing at the bottom of the water with her eyes closed and her lips hanging down stiffly. Her red hair and robe were scattered around her, making her look a little scary.

However, to the players, it was very friendly.

Red pool was a BOSS that was in a deep sleep in the game. If you wanted to attack her, you had to attack her first. Otherwise, she would just keep sleeping.

Therefore, when the players arrived at her lair, they would first take a photo with her. As long as they were careful, they wouldn't wake her up. Sleeping with this dead water red Pond Princess in all kinds of positions was the hobby of every game player!

In the second picture, she was sitting on the blue seabed with empty eyes and a cold expression. Under her was a huge shell throne. In her left hand was a scepter, and in her right hand was a gorgeous box on the gem table.

Oh—"the netizens were excited. I'll lick this face! Act well! Don't let us down!"

Xin Rong also reposted on Weibo. She didn't say anything when she reposted the promotional photo, but when she reposted her own photo, she asked, "I thought there was nothing when I took the photo? It looks like our special effects are worth five Yuan!"

Second fire reposted, "the Queen is right!"

Xin Rong smiled and liked his comment.

Oh! Simon, who was Xin Rong's assistant on set, was excited.

Xin Rong looked over with an amused expression.

Simon was depressed, thinking, "I'm usually not so inexperienced!" That's because I like you! I like you, stupid woman!

The Queen said, "I knew it, you idiot!"

Filming for " hundred spirits " took a month. As they had to change locations, Xin Rong took a week off and auditioned for the second female lead.

This second female lead's personality was not domineering. She was the especially rational type, the cold-faced King of retorts. She was the kind of person who looked calm on the surface but was full of comments on the inside.

Tracy didn't want her to act like a domineering type all the time, so she had specially picked this one for her.

When Xin Rong saw this, he suddenly wanted to play the role of a White Lotus.

It must be very cool. A green tea b * tch is fine too. It must feel good to be a bad

W0111d11.

help me get more roles with different personalities in the future, " she said to Tracy. I don't care if it's good or bad.

She had successfully gotten the second female lead role and immediately went to the set of "Mystery City."

She wasn't the main character in "Mystery City" so her scenes weren't gathered together. She would shoot a few scenes this time and a few more in two weeks. They might need to run four or five times before they could finish shooting..

Chapter 1424: What do you think of her?

When Xin Rong went to the set of "Mystery City," Simon was also by her side. He was now fulfilling his duty as her assistant.

As soon as he entered the set, Xin Rong greeted the director.

A woman sitting next to the director turned around when she heard the sound.

Xin Rong glanced at Simon.

This person seemed to be Yu Qingliu's daughter, Yu Xinya? She seemed to be childhood sweethearts with a certain someone. Why was she here?

Simon didn't see her expression and asked Yu Xinya in surprise, "What are you doing here?"

Yu Xinya stood up with a smile, sized Xin Rong up, and said, "I'm a forensic consultant here."

Xi Meng saw that she didn't care about Xin Rong and knew that she thought Xin Rong was that kind of woman.

He wasn't willing to let Xin Rong suffer this kind of grievance. He immediately put his arm around her shoulder and said, "This is my Wanwan, my goddess,

Xin Rong."

Yu Xinya looked at him in shock. Then, she reached out her hand to Xin

Rong. "Hello, I'm Yu Xinya."

Xin Rong shook her hand and smiled. "Hello," he said.

Yu Xinya smiled again and retracted her hand.

"It's good that you know each other. Xin Rong, go get your makeup done," the director said.

Xin Rong nodded, and Simon reluctantly let go of her.

She walked to the entrance of the studio and couldn't help but laugh when she saw Yu Xinya glancing at her.

Yu Xinya pursed her lips, feeling embarrassed that she had been seen through.

have a seat over there," she said to Simon. I've brought coffee. She walked to the rest area and a young girl stood up. "Miss Yu."

"Get me three cups of coffee." Yu Xinya said.

This young lady was an assistant on the set, specially assigned to her by the production team. When she was busy, the little girl would show her things.

She had made a pot of coffee before she left in the morning and kept it in a thermos. The little girl poured a cup and handed it to Simon. She had one for herself and gave the other to Simon. "I'll give you your goddess." don't make fun of me, " Simon laughed. she's my girlfriend.

"I didn't expect you to like this type," Yu Xinya said with a smile. "What kind?" Simon asked, puzzled. "What do you think of Yingluo?" "Why are you asking others about the person you like? As long as you think it's good, that's fine." cut! the director's voice was heard.

The two of them looked over. It was Yu Lin who had made a mistake.

Yu Lin apologized to everyone and continued acting.

She was a little distracted because she saw Simon and Yu Xinya together.

She had originally been certain that Simon and Xin Rong were siblings, so the two of them had used fake identities to deceive Su Yi Sheng and avoid trouble. Unexpectedly, Simon and Yu Xinya were chatting happily!

Of course, she knew what Yu Xinya's status was!

Yu Xinya was a forensic consultant, and she happened to play the role of a forensic doctor. At first, Yu Xinya taught her almost step by step. At that time, she wanted to please Yu Xinya, but Yu Xinya's reaction was cold, so she didn't dare to continue.

Even a movie King like su Yisheng had to carefully curry favor with Yu Xinya. She was careful even in front of su Yisheng, let alone in front of Yu Xinya.

There was a kind of person who was more powerful than you, and you would try to curry favor with them because the two of them were still in the same circle.

However, there was another kind of person who was more powerful than you, and you didn't even dare to curry favor with him. This was because their circle was already several levels higher than yours.

Halfway through Yu Lin's act, Xin Rong came out with her makeup done.

Yu Lin watched as Xin Rong leisurely walked past the director and headed straight for Simon. He took the cup of coffee from Simon's hands and was once again in a daze.

cut! the director shouted. let's take a break..

Chapter 1425: The person I like likes someone else

Xin Rong took a look and asked Yu Xinya, " "Has this person's acting always been like this?"

"He was fine before, but he's probably not in his best condition today," Yu Xinya said fairly.

"Perhaps you're giving her too much pressure?" she asked, smiling at Xin Rong.

You were fine before you came." tsk, " Xin Rong said without a hint of modesty. I'm just too amazing.

Yu Xinya couldn't help but laugh. She didn't expect her to be such a forthright person. No wonder Simon liked her.

Simon had gotten everything he wanted since he was a child, and probably only a strong woman could win him over.

Yu Xinya sighed and took a sip of her coffee.

"Xin Rong, get ready!" The director said.

Xin Rong hurriedly handed the coffee to Simon. here you go. he then ran over to the director.

Yu Xinya almost choked. She raised her eyebrows and looked at Simon."Reward you? Are you a masochist?"

Simon gritted his teeth and glared at her fiercely. "That's because I'm spoiling her!"

Oh ... Yu Xinya nodded and asked, "but why do I feel like she's the one pampering you?"

Hearing this, Simon was not ashamed, but proud. He said proudly,""Of course she dotes on me we doted on each other."

Yu Xinya immediately felt uncomfortable and glared at him. "Stop showing off your love in front of me!"

"I'm sorry, I forgot that you're single!" you ... Yu Xinya was enraged and immediately splashed the coffee in her hand over.

Simon was stunned.

The two of them had known each other since they were young and had always disliked each other. However, they had never really become enemies. At most, they had bickered.

This was the first time he made a move. Was his one sentence really that serious? Had he stepped on her sore spot?

Yu Xinya saw the coffee stains on his body and held her forehead in pain.

There wasn't much coffee left, only a mouthful, but the nature of the coffee was embarrassing.

I'm sorry, Wanwan, " she said awkwardly, her head aching. I was too impulsive.

The people around them looked over. The director personally ran over to show his concern. "Miss Yu, what's wrong with Wanwan?"

"It's nothing, I was just joking with a friend." Yu Xinya took a deep breath, waved her hand, and said, "you guys go ahead. I'll sit by the side. Call me if you need anything."

oh, oh, oh. the director glanced at Simon and went back to filming.

Xin Rong was also looking at Simon and Yu Xinya. Seeing that Simon was about to turn his head, he turned around.

Seeing her back, Simon suddenly felt a little depressed.

Didn't she care about what happened to her?

He lowered his head and wiped the coffee off his body. Yu Xinya looked at him and apologized again. Then, she pointed to the chair beside her. "Have a seat." what happened? " Simon sat down and asked with concern. what's troubling you? "

Yu Xinya pursed her lips and couldn't help but cry on her knees.

Simon, "hehe."

Why are you crying? Those who didn't know would think that he had bullied her.

He looked around helplessly and heaved a sigh of relief when he saw that no one was paying attention.

He took out a tissue and handed it to her. Yingluo, we can be considered friends. If anyone bullies you, I can help you beat them up.

Yu Xinya couldn't help but laugh. Help her hit him? Was he going to hit her?

She took the tissue and wiped her tears, saying, "It's fine. Yingluo is the person I like. I like someone else."

Yu Xinya looked at him and asked aggressively, "Do you think I want to be single? The heavens are too cruel to me!"

"OK! OK! Simon hurriedly apologized, " my bad! I shouldn't have brought this up. I won't talk about it again, okay? Don't you have a strong heart? He's not even afraid of being disemboweled, and he's crying just like that.. How much does ran ran like that person?"

Chapter 1426: She's your ex?

"I won't like it in the future, so don't mention it, okay?" She whispered.

alright, alright, alright. Simon nodded. shall we have lunch together after Xin Rong is done with work? '

"I have an appointment, so I won't disturb you guys."

Simon choked and suddenly didn't know what to say. He stopped talking and turned to watch Xin Rong film.

The studio was very large and was divided into several scenes. Xin Rong's current scene was just opposite Yu Lin's.

Yu Lin was also acting opposite her.

Yu Lin had originally planned to crush Xin Rong with her acting skills and teach him a lesson.

Now that she saw that she had a good relationship with Yu Xinya, she naturally didn't dare to make things difficult for her, nor did she dare to suppress her acting skills.

She intentionally gave in to Xin Rong, but Xin Rong didn't.

Xin Rong's Rose was a strong character. Xin Rong expressed his strong character very well, and Yu Lin was instantly suppressed to the point where she could not fight back.

Yu Lin was shocked. She didn't expect Xin Rong to have such good acting skills.

Her fighting spirit was ignited!

She had thought that her acting skills were the best among the younger generation of actresses in the film and television industry!

But in front of her, Xin Rong gave her a great sense of danger!

Just as she was about to use her real ability to fight back, the director shouted cut and asked angrily, "Yu Lin, what's wrong with you today? Why are you always out of it?"

"I'm sorry," she said. Yu Lin was considered a small-time celebrity in the industry. Being criticized by the crowd was like being slapped in the face. Her face was burning. She glanced at Xin Rong. I'm afraid that Xin Rong can't grasp this role, so I'm giving her some space. Who knew that I underestimated

Yingluo."

Xin Rong looked at her with a raised brow.

"Let's continue," she said with a smile.

“Please give me your guidance.” Xin Rong said.

Following that, Yu Lin used her true abilities, and Xin Rong countered every move with ease.

Sparks flew from the scene, and the director was finally satisfied. “Not bad, not bad, Yingluo, keep it up!”

He looked at his watch. okay, let’s rest. We’ll continue after dinner!

Yu Xinya stood up from her chair. I’ll go eat first then. I’ll come back in the afternoon.

“Do you want me to send you out?” Simon nodded and asked.

“No need,” Yu Xinya smiled. I’ve been here for a month. I’m more familiar with this place than you are.

She took her coat and bag and walked to the door. Simon looked at her back and was suddenly shocked. F * ck! The person she liked couldn’t be him, right? This guess was scary, but it was a little reasonable. Simon was really shocked.

How could this be? Didn’t the two of them not get along?

Just as he was feeling conflicted, someone patted him on the back. He turned around and saw Xin Rong resting her chin on his shoulder. She looked at Yu Xinya, who was walking away. she’s your ex-girlfriend?
”

Simon had just guessed that Yu Xinya liked him, and now that she asked, his heart started to beat guiltily. He exclaimed excitedly, ” “I didn’t!”

Xin Rong stood up straight and scoffed, ”so what if you don’t?” Why are you so nervous?”

Simon wiped his sweat and said, "we're just friends."

"I believe you," Xin Rong nodded.

If there was really something, she probably wouldn't be involved.

Sigh, what a silly woman. She liked him but didn't confess, which made it easy for her.

However, Yu Xinya's status was noble and she was proud. Even if he snatched her sweetheart away, she would definitely not bother to deal with him.

Xin Rong sighed, suddenly feeling pity for Yu Xinya.. If he liked a woman, he would definitely pamper her well!

Chapter 1427: It's my sister's birthday in two days

Simon went to pick up the lunchbox from the crew, but she didn't take it when he handed it to her. He nudged her. "Why are you in a daze? It's time to eat."

Xin Rong looked at him. "I'm thinking about how many women you've slept with in the past. Do you want to make a list for me?"

Simon was both guilty and shocked. He asked in a daze, "What do you want this for?"

Without waiting for her answer, he immediately swore, "I'm just putting on a show with them, and I've cut off all ties with them, so don't take it to heart. In the future, I will definitely only have you!"

Xin Rong looked disappointed as he opened the lunchbox. "Wouldn't it be better to keep them in the backyard? I can look at them when I'm free, it's a pleasure to look at!"

Yingluo, what's the nature of my girlfriend? All in the backyard? Didn't she know that the backyard would catch on fire?

Recently, Simon and Xin Rong had been stuck together like glue. Just as he felt that their relationship was getting better, he suddenly couldn't understand her.

It was really worrying!

In June, Xin Rong's scenes in "Mystery City" and "hundred spirits" all ended.

The second half of hundred spirits was to be filmed in another city, and Simon followed along.

"You don't have any work for the next few days, right?" Simon asked on the plane back.

"Yes, I am. I'll rest for a few days, I don't want to be tired." then, it's my sister's birthday in two days. Let's go to her house to play? "

Xin Rong looked up at him in surprise. Was he taking her to meet his parents?

"Oh, my parents are probably coming too." Simon touched his nose guiltily.

Shan Rong and Gambino knew that he was chasing after Xin Rong every day, so how could he miss such a good opportunity?

He had wanted to act first and report later, but with Xin Rong's temper, he'd better be direct. If she wanted to go, she would definitely agree. If she didn't want to go, she would leave even if they tricked her. At that time, it would make everyone unhappy.

Xin Rong lowered his head and thought for a while before saying, "Then let's go,"

Simon was instantly overjoyed, and he hugged her and kissed her hard.

Xin Rong froze and helplessly smiled.

Gong MOAH!

If I go to her house, I'll see a few old acquaintances, right?

She didn't hate Gong mo or Yu Qingliu. However, there was a knot in her heart that she didn't want to face, so she didn't want to see them.

However, it had been so many years. He should have let it go, right? Her master would not blame her.

Gong Mo t s birthday was celebrated in joy garden. When Simon drove Xin Rong over, Xin Rong was depressed the entire way. It would be great if he had 'equipment', so he could memorize the map of joy garden.

Although she might not need it, she could give it to neo and the others!

With her previous identity, she had almost no chance to enter such a place. Now that it was so convenient, it would be a waste if she couldn't do anything. Simon glanced at her and asked uneasily, "What's wrong? Don't you want to

"No, I haven't. "The sun is so bright that I feel dizzy," Xin Rong said as he put on his sunglasses.

Simon paused and stopped talking, thinking that she had forced herself to come.

When they got off at Happy Garden, someone brought an umbrella over.

Simon took the umbrella and placed it over Xin Rong's head. "It's not hot in the room."

Xin Rong raised his head and smiled. such good service.

Seeing her smile, Simon finally heaved a sigh of relief and kissed her face happily. "Let's go!"

"Wait, my gift," Xin Rong called out.

She turned around and took out a beautifully wrapped box from the car. Simon quickly asked, "What is it? I already said we'll send it together."

"How can I accept that?" Xin rongyu glanced at him. it's my first time here. Of course, I have to show some sincerity..

Chapter 1428: a little

There were already quite a few people in the living room. When Simon and Xin Rong entered, they immediately attracted everyone's attention.

Xin Rong looked around and saw many familiar faces. Even if they had not met in person, they had seen each other on television.

"Uncle!" Sheng shuangxue ran over and stared at Xin Rong with wide eyes. I know you.

"She's a TV child," Simon hurriedly explained to Xin Rong.

“I’m in middle school now.” Sheng shuangxue glared at him, disgruntled.

Xin Rong smiled and passed the present to her. “It was originally a gift for your mother, but I think you’ll like it more. Please help me keep it.”

“What is it?” Sheng shuangxue was curious. She took it and felt it heavy. it’s so heavy!

“I made it myself.” Xin Rong had a mysterious expression.

Simon pulled her to Gong Mo’s side. Gambino and Shan Rong were also there.

Simon introduced Xin Rong to everyone. Everyone admired Xin Rong’s decorum and dignity.

Gong Mo pulled her to sit between him and Shan Rong. I’ve always heard Simon mention you, but I can only watch you on TV. I finally get to see you in person today.

“I’ve also heard Simon talk about you all,” Xin Rong said with a smile.

What Simon talked about the most was how loving his parents, sister, and brother-in-law were, and how they had left an indelible wound in his heart when he was young. However, he would learn from his father and brother-in-law. In the future, he would definitely be a good man like his father and brother-in-law.

Hehe, don’t be too obvious about egging on a certain someone to boast! If he really learned from her, he wouldn’t have been so flirtatious in the past.

“Have you been busy recently?” Shan Rong asked her.

“I’ve just finished filming two movies. I’ll be taking a break,” Xin Rong replied.

As they were talking, Yu Xinran came with Lu duo and Lu Rou.

Yu Xinran greeted everyone. Lu duo felt wronged and asked Gong mo,

“Brother Yiting isn’t back yet?”

“He’s too busy, so he only took a day off. I originally booked a morning flight, but it’s a little late. I’m guessing it’ll only arrive in the afternoon.”

Lu duo smiled, ‘it’s good that you’re back. Brother Yiting is so filial. If he can’t even come back for auntie’s birthday, he will definitely be sad.”

Gong mo laughed, “you’re so good at talking.” Let me introduce you, this is Simon’s girlfriend, Xin Rong.” He then turned to Xin Rong and said, “ you can call her Duoduo. She’s our relative.

Lu duo’s smile froze when she heard that. It was obvious that they were not close. She had known the Sheng family for more than twenty years, and they were dismissed by a relative. Could it be that she was not as good as a newcomer?

She greeted Xin Rong with a smile and asked innocently, “ “Sister Xin Rong, you’re Uncle Simon’s girlfriend, so you shouldn’t be calling me sister.”

“I’ll just call you by your name.” Xin Rong said, “ if you call me Auntie, I won’t allow it! I should be younger than you.”

ahem ... Lu duo choked. She felt like she was being pointed at and called old.

alright then. Uncle Simon, you don’t mind, right? ‘

a little, ” Simon said after a pause. I mind.

Shan Rong reached out and poked his head.

Xin Rong glanced at him and was in a good mood.

Xin Rong, you're so pretty, "Lu duo asked. are you mixed-blood?" yes, my mother is an Emilia.

Gong mo and Sheng shuangxue suddenly remembered how Lu duo had humiliated Tong Siyao in the past. Their hearts skipped a beat. She wouldn't look down on Xin Rong's background in front of so many people, would she? sister Xin Rong, "Sheng shuangxue said hurriedly," uh ... she paused and glared at Simon before continuing, "aunt Xin Rong is a celebrity.. Sister Duoduo, you don't know about this, do you?"

Chapter 1429: Blushing for the first time

"Oh?" Lu duo's face was full of surprise. She really didn't know.

"What kind of celebrity am I?" Xin Rong laughed. Duoduo was the real big star. She's so busy, it's normal that she doesn't recognize me.

She didn't know who Lu duo was at first because she rarely paid attention to the entertainment industry. However, the original Xin Rong understood this. She could look into Xin Rong's memories, so she could naturally understand these common questions.

Her words made Lu duo speechless.

Lu duo gritted her teeth in her heart. Fortunately, she was not Sheng Yiting's girlfriend, or it would be a tricky problem!

Hmph she's just an actress, what's there to be arrogant about?

Gong mo suddenly asked Xin Rong, "your mother is from Amelia?" What's your name?"

Afraid that her question would be too abrupt, she explained, "We used to know someone from Emily, and we've met a few times. Speaking of which, you and she look a little similar."

She knew the inside story, but she had to pretend not to know. It was so uncomfortable. She decided to reveal everything now!

"You're Chini, right?" Xin Rong smiled. ever since I started cultivating, I've heard people mention her.

When the fans mentioned it, su Yisheng also treated her courteously because of this and dragged it out for a year before using force.

She thought that the original Xin Rong didn't know about her background. If Xin di didn't tell her, she might be kept in the dark for the rest of her life.

Why don't I find a reason to ask Cindy?

I do take my mother's last name, " she said with a smile. but her name is Cindy, not Chini.

Those who knew of Xin NI's real name all gasped. Gong mo grabbed Xin Rong's hand and said agitatedly, "It's her! Chini was her stage name. Her real name was Cindy! I didn't expect Yingluo."

"This is really fate." Tian Cheng said, " my cousin really liked your mother's songs. Unfortunately, hehe '

"Don't you like it too? Don't be stubborn!" Gong mo said.

"Where's your mother now?" Shan Rong asked Xin Rong.

Xin Rong glanced at everyone. let's talk about this when we're free. Let's not disturb big sister's birthday now.

Knowing Cindy's situation, Gong mo nodded in agreement. "Alright then. You can stay here tonight and we can talk."

"I'll get someone to clean up the guest room," Sheng shuangxue said hurriedly.

no need," Simon said. she's sleeping with me!

Everyone was stunned. Dan Rong hit him in a bad mood, and everyone burst out laughing.

Xin Rong's skin was thicker than a city wall. At this moment, he suddenly couldn't take it anymore. His face turned red and he lowered his head.

Simon's eyes widened and he stared at her.

This, this, this, this was the first time Yingluo had blushed!

Awoo it's so nice! I really want to take a bite!

"Do you want to sleep?" after lunch, Simon asked Xin Rong.

Hearing this, Xin Rong looked at him seductively. "Sleep? Sleeping, or sleeping with you?"

"Huahua, cough cough!" Simon choked. He did want to sleep with her. But the first thing she said was to sleep with him, which made him so depressed! He was the one who slept with her, alright?

Alright, the Yingluo were mutual.

But now, he didn't want to be slept with by her, unless she admitted that she thought he was the one sleeping with her!

“Should we go horse riding?” he asked.

“Riding a horse?” Xin Rong’s eyes lit up. there are horses here? ”

“Of course. My sister’s place is rich because she has a lot of horses!”

hehe, he he! Xin Rong looked around. every detail is rich! Whoo, whoo, whoo, I want to have such a good Manor in the future!”

In fact, she could afford it now, but those assets were all under Judy’s name!

Chapter 1430: riding expert

Hearing this, Simon raised his eyebrows and said calmly, ” “Our Gambino family has several manors in Italy, and even the worst one is better than this!” Xin Rong glanced at him and ordered fiercely, ” “Take me to ride a horse!”

When they arrived at the horse track, Simon first brought Xin Rong to pick a horse.

He thought Xin Rong didn’t know how to ride it, so he explained seriously,

“You can just ride a gentle little mare now. This one is called Mary, she is

Yingluo.”

The sound of horse hooves came from behind.

“Xin Rong!” Simon turned around and was shocked.

Why did she ride away the fiercest horse?

“Stop!” Simon roared.

Xin Rong whipped his horse and turned around. “If you have the ability, then compete with me!”

Simon was stunned. She knows how to ride?

He immediately got a horse to chase after her. Seeing her high heels in the stirrups, he was furious.

“You didn’t even change your clothes!” He roared.

Xin Rong stopped and turned his horse around. “I haven’t ridden a horse for a long time. I was too excited and forgot.”

“How do you know how to ride it?” He asked, puzzled.

Xin Rong touched the horse’s mane. “I’ve learned it since I was young. I’m an expert!”

“Go and change your clothes. We’ll slowly compete.”

OK—Xin Rong nodded and followed him to the changing room to change into his riding suit.

When she came out, the horse she had just chosen was gone.

that’s my brother-in-law’s horse,” Simon said. you picked it at first sight. You have good taste!

Xin Rong smiled, "you flatter me

Simon choked and was furious. "You're also very bold! Since you know how to ride a horse, can't you see how strong it is?"

"It didn't do anything to me?" She had always ridden the fiercest horse. If it wasn't, she wouldn't want it.

Simon was stunned. That's right, why did that horse become a little sheep today? He had known it for so many years, and it would spurt out air just by touching it, but Xin Rong was actually riding it!

Roar! Lecherous horse! He lost his principles when he saw a beauty!

He said fiercely to Xin Rong, "you're lucky!" That horse has caught a cold today!"

Xin Rong smiled and took the horse in his hand. He mounted it and whipped the horse to gallop forward.

"You forgot about me again!" Simon roared.

Seeing that she had run far away, he helplessly turned around to lead the other horses.

The afternoon sun was very strong, and Xin Rong was covered in sweat after running for a while.

Simon caught up and asked, "is it hot?" Don't get a heat stroke. Why don't we rest for a while and come back when the sun sets?"

"No need, I'm just feeling comfortable." Xin Rong said, " let's go. We'll see who reaches the finish line first!"

Simon sighed helplessly. all right. I'll risk my life to accompany you. My dear.

He wanted to say that he was willing to risk his life to accompany his wife, afraid that it would be awkward.

"Now that you've satisfied me, I'll satisfy you tonight." Xin Rong laughed.

ahem ... Simon choked and said resentfully, " now that you've said that, I'm getting restless.

Xin Rong patted the horse beneath him. it's even more restless than you. Go!

With a whip, the two horses rushed out at the same time.

Halfway through, two more horses came from the front.

Simon had already surpassed Xin Rong and slowly stopped.

Xin Rong had no choice but to stop as well.

Sheng nanxuan and CEng Shuai came from the front. Sheng nanxuan raised his eyebrows in surprise."It's you guys."

hehe, hehe, " Simon laughed dryly. He looked at the horse under him and hoped that he didn't know that Xin Rong had just ridden it.

Sheng nanxuan looked at Xin Rong. your horsemanship is not bad. Where did you learn it? '

"When I was young," Xin Rong replied.

The host had indeed ridden a horse and a camel when she was young. However, he naturally didn't have any skills. After leaving the border town, he had not touched it again..
