Chapter 1491: Hit in the waist by a stray bullet

After Simon and Lu Yang arrived in Emilya, they donated some money to the current government office. The government office arranged for the police to escort them to avoid any trouble on the way.

Lu Suan brought two ice coffins and dragged them to the hospital. He took out Lu Yang and Helen's bodies and went to the refugee camp to pack up their belongings.

Simon took this opportunity to find Xin Rong. Xin Rong was currently accompanying the children in class. When he saw Simon, he hurriedly put down his pen and ran out. "When did you arrive?"

"Just now. Lu duo is packing her parents' things over there. They'll be going back to the hotel later." "When can you go back?" Simon asked.

"We'll go to Africa tomorrow. We'll stay there for a week."

"Then you might not be able to make it for the funeral," Simon said.

"I should have gone," Xin Rong sighed. "However, if we can't make it in time, then there's nothing we can do."

"Lu duo and the others are leaving tomorrow. I'll send them to the airport and then stay with you."

"Don't! I'll be fine. It's safe in Africa, so you don't have to follow me. If you're still worried, you can leave after I board the plane tomorrow. I might not be able to make it for the funeral, but you can't miss it."

Simon was also in a difficult position.

Although he and Lu Yang had only met a few times, he and Lu duo had known each other since they were young (although they were still strangers now). It would not be right if he did not go to Lu Yang's funeral.

"You go take care of them first." Xin Rong said, "don't worry about me. Even if you're worried about me, don't make a mistake."

"Alright," Simon said helplessly.

He thought about it all night and decided to finish what he started. He would send Lu Yang and Lu duo back to China first.

The next morning, just as he was about to go for lunch, a borderless doctor he met at the refugee camp yesterday came to him.

Lu Suan thought it had something to do with Lu Yang, so he hurriedly invited him into the room.

Simon was afraid of wasting time, so he asked someone to bring breakfast to the room.

Lu duo looked at the doctor and sat on the corner of the sofa, wiping her tears.

The doctor was a little embarrassed, "I really shouldn't have disturbed Yingluo at this time."

Lu Suan knew it had nothing to do with Lu Yang.

I would like to ask Mr. Lu for a favor, the other party stammered. if Mr. Lu feels that it's difficult, just pretend I didn't say anything.

"Please speak." Lu Yang said.

The other party heaved a sigh of relief and told him the whole story, I ‘ “We received a wounded man last night. He was hit in the waist by a stray bullet and his condition is a little serious. She was a girl who used to be on good terms with Lu Yang and Helen. She happened to see Lu Yang and Helen die. Although he had seen many deaths in this place, he still couldn’t bear the loss of those close to him. She doesn’t have a strong will to live now, and I don’t think the environment here is suitable for her to recuperate, so I’d like to ask Mr. Lu for help to take her back to China. She’s Chinese.”

“Who is it?” Simon asked, puzzled. Did we meet yesterday?”

The other party shook his head. she’s a reporter. She went to the front line to interview people yesterday.

Simon heard this and looked at Lu Yang.

“Since he’s Lu Yang’s friend, we should help,” Lu Suan said. Where is she now?

I’ve been transferred to a nearby hospital. It’s a ten-minute drive from here. “Then I’ll go pick her up.” brother Lu Yang, you guys eat first, i ‘ Simon said.

“You didn’t eat either.” Lu Yang said.

“It’s fine, I’ll eat while walking.” Simon stood up. I’ll go and settle them down first.

Lu Yang nodded. He was a little tired and didn’t have the energy to care about these things, so he had to leave it to Simon..

Chapter 1492: Isn ‘t she Sheng Yiting’s ex-girlfriend?

Simon followed the doctor to the nearby hospital. He walked into the ward and saw Tong Siyao lying on the bed.

She looked familiar at first glance, but when he took a closer look, he realized that she was Sheng Yiting's ex-girlfriend! Although he had only seen her once, it was impossible for him to be mistaken!

This man had the audacity to dump Sheng Yiting, and Sheng Yiting still couldn't forget him. He was a real man!

Simon took a deep breath and called someone to check on Tong Siyao.

It it was someone he didn't know, he naturally didn't need to care about her sadness. However, this was his nephew's woman, so he had to be more thoughtful.

Tong Siyao was still unconscious and he didn't know when she would wake up.

Simon hoped that she would stay unconscious for a longer time. If he didn't wake up when he was in China, he should at least wake up when he was on the plane, right? Otherwise, what if she refused to go up when she saw him?

While Tong Siyao was doing her check-up, Simon called Sheng Yiting. The moment he picked up, he said, " I'm in Emilya. You'll never guess who I saw! he said.

Sheng Yiting had just received a call from Gong mo. He was told that Lu Yang had passed away and he was asked to be prepared for the funeral.

He knew that Simon had accompanied Lu duo to Emilya. He rubbed his forehead and said uninterestedly, " "If there's nothing else, I'll hang up first."

"Yingluo, I just said something," Simon said.

"That's why I said, if there's nothing else, I'm hanging up."

“Hang up. If you do, I won’t say anything else. I’ll make you regret it for the rest of your life!”

Sheng Yiting’s heart jumped. To make him regret it for the rest of his life? In this life, only things related to that person would have such an effect, Yingluo.

“Who did you see?” he asked.

“Tong. Si. Yao!” Simon said.

is she over there?” Sheng Yiting closed his eyes and asked.

“Yes, it’s said to be a reporter. She was shot by a stray bullet last night and her condition is a little serious. The local doctor asked brother Lu to help bring her back to China.” when are you guys coming?  
” Sheng Yiting held his breath.

“Now you’re anxious?” Simon sneered.

when are you coming?! Sheng Yiting bellowed.

Simon, “Yingluo, can’t you just talk it out? why are you so fierce?” Not cute at

“Where’s the injured girl?” Lu Yang asked Simon after he got on the plane.

“I made her lie in the room.” Simon said.

This was the Lu family’s private jet, and it happened to have a bedroom.

“I’ll have to trouble brother Lu Yang to lie on the sofa,” Simon said, embarrassed.

"I'm fine. I'm not tired, so I don't need to sleep." Lu Yang said, " I'll go and see her.

The two of them walked towards the bedroom, and Lu duo followed behind. She stood at the door and took a look, then rushed over and said, " "Isn't this brother Yiting's girlfriend?"

Lu Yang heard this and looked at her and Simon in surprise.

Simon was also surprised, "really?" I've only seen it once, no wonder it looks familiar! What is she doing here?"

"Have you informed her family?" Lu Yang asked.

No. Simon shook his head. someone helped her contact a hospital in China and paid for her medical expenses. She can just be sent there directly.

"Should we tell Yiting?" Lu Yang asked after some thought.

well, " Simon nodded. I think we should just tell him. He's been wanting to do it for years.

He estimated that Sheng Yiting would be waiting for them at the airport when they got off the plane.

When Lu duo heard this, she gritted her teeth and then said weakly, "I'll stay here and take care of her." well ... Simon said hurriedly, "let me do it. You're not in a good mood now.

Lu duo shook her head and said sadly, " I heard that she's friends with mom and dad. If I watch her from the side, mom and dad will feel comforted, right?

"alright," Lu Yang sighed. call us if you need anything..

Chapter 1493: I won't get back together with him

After the plane took off, Lu duo looked at Tong Siyao and smiled.

She stretched out her hand and gently stroked Tong Siyao's cheek. She said viciously, "There's a way to heaven, but you don't take it. There's no Door to Hell, so why do you have to do this? Do you still want to fight with me for brother Yiting? How do you think I should send you to your death?"

Tong Siyao suddenly opened her eyes and looked at her indifferently.

She was shocked and quickly retracted her hand, looking at her in shock. Tong Siyao opened her mouth and said with some pain, "So that person is you, Yingluo."

Lu duo was stunned and sneered, so what if it was me? Brother Yiting can only be mine! Don't forget what I did back then! If you still dare to be entangled with him, I'll make your mother and sister die!"

"Sure," Tong Siyao smiled.

It seemed that she had indeed stopped monitoring him after that and did not know about an Nian's existence.

This was good. Tong Siyao suddenly felt that life was so beautiful and full of hope.

She thought she was dead for sure, but she didn't expect to survive.

In the future, she would not go to dangerous places. She would find a job and settle down, accompanying her mother and an Nian.

what are you laughing at? 'i Lu duo shouted, " did you hear what I said? If you dare to get back together with Yiting

"Don't worry, I won't get back together with him." Tong Siyao said lightly.

Lu duo glared at her. She didn't like her calm reaction. It was as if Sheng Yiting, whom she had fought so hard for, was nothing in her eyes!

Hehe hehe

What was she? In her eyes, there was only love, and Sheng Yiting was just a lover.

But he was different! In her eyes, it was for the sake of the nation and the feud between her country. Sheng Yiting was an important chess piece to her!

Simon touched the micro-earphones in his ears. It seemed like someone was behind Tong Siyao's decision to dump her nephew!

He hid a bug on Tong Siyao's bed, thinking that it would be inconvenient for him to stay with her all the time. If she was in pain, he would be able to hear it if she screamed. He did not expect to hear such a good thing.

As soon as the plane landed at the airport in the capital of China, he sent Sheng Yiting a text message. "Don't appear yet. Listen to my orders. Believe in uncle and you'll get a wife!"

Sheng Yiting, "Yueyue."

Simon believed that his eldest nephew would be very obedient in critical moments.

He put down his phone and went to pick up Tong Siyao.

Tong Siyao had just taken a nap. She was awake now, but she was a little tired. She was slightly surprised to see him.

“Don’t worry, I didn’t tell Yiting,” he said, lowering his head.

Tong Siyao heaved a sigh of relief. She looked behind him and asked, “Lu duo left?”

“Of course.” To Lu duo, no matter how important her love rival was, she still had to consider her parents ‘corpses at this time.

Tong Siyao looked at him and said, “I hope you never tell Yiting Yingluo.”

Simon was a little unhappy.

Was she so sure that she would say it? Even if she did, she wanted Sheng Yiting to care! Did she really think she had Sheng Yiting?

“What’s wrong?” he asked in a bad mood. Do you think Yiting can’t forget you?

Stop dreaming! He has long forgotten about you!

Tong Siyao paused and lowered her eyes. “That’s good.”

He could hear that she was really relieved.

Simon almost died of anger!

Did this woman really despise her eldest nephew that much?

He was going to tell Sheng Yiting not to care about her! Look at her attitude, isn't it stupid to keep thinking about her?

Simon took her to the hospital, and the doctor he had made an appointment with came to treat her immediately.

When he walked out of the ward, he was shocked to see Sheng Yiting standing outside..

Chapter 1494: You still like me?

"Isn't it now?" Sheng Yiting rolled his eyes, as if to say, " Wasn't that obvious?"

"You two Simon was furious.

Sheng Yiting's face stiffened, but then he felt that it was a good way to address her.

Simon paused for a moment, feeling that his words were rubbing salt into her wound. However, these two people were so annoying. He would not apologize!

"She doesn't want to see you at all," he laughed coldly.

"I know," He had already seen her heartlessness.

Simon choked for a moment and said unhappily, "I "Alright! You're going to hit a wall!"

He told Sheng Yiting what he had overheard on the plane and left.

Sheng Yiting clenched his fists and gritted his teeth in hatred.

He felt that he was an idiot!

Why didn't he check when Tong Siyao insisted on breaking up? If he did, he wouldn't have lost her, right?

He didn't know if he could still salvage the situation now.

When the doctor came out, he went to ask about Tong Siyao's injury.

he can't get out of bed in the short term," the doctor said. but as long as he cooperates with the treatment, there won't be any sequelae.

"Thank you!" Sheng Yiting said gratefully, " give her the best medicine. Give her the best medicine for everything!

"This is already the best." who arranged this for her?" Sheng Yiting was taken aback. ' this," the doctor said awkwardly, " this is the patient's privacy.

Sheng Yiting looked at him indifferently. Knowing Sheng Yiting's identity, he

couldn't bear the gaze. He wiped the sweat on his forehead and said, " it's a call from Country M. The fee was directly transferred. We're not sure about other things.

M Nation?

Sheng Yiting nodded and entered the ward.

Tong Siyao was asleep on an IV drip.

He gently walked to the side of the bed and lowered his head to look at her.

She seemed to have changed a lot. She did not put on any makeup, and her hair and skin were visibly dry. She looked like she had suffered a lot.

What had she experienced in the past few years? Why go to that dangerous place, Emilyya?

Sheng Yiting's heart clenched in pain.

He reached out and slowly touched her forehead.

She was in a deep sleep and had no reaction.

He was probably very tired.

Sheng Yiting paused and retracted his hand so as not to disturb her.

It was already dark, and he sat by the bed and stared at her, as if he wanted to see enough of what he had missed in the past few years.

When Tong Siyao woke up, he was shocked and asked, "What do you think?"

Tong Siyao froze. She slowly raised her eyes to look at him, and her eyes widened in surprise.

Her eyes flashed with fear and anger. Sheng Yiting had no idea where her fear came from, but he knew that she did not want to see him.

His heart was stabbed.

He had waited for so long, and she actually had such a reaction when she saw him. Did she really not have any feelings for him?

Sheng Yiting clenched his jaw and asked coldly, "I heard you don't want to see me?"

Tong Siyao was so angry that she laughed. it's good that you know. Get lost! Sheng Yiting's pupils shrank. He suppressed his hurt feelings and asked, '

"You still like me?" Tong Siyao asked.

His expression froze, then he sneered, "you're too full of yourself!" Do you think I'd be unable to forget a woman who doesn't even put me in her eyes?" "Then what are you doing here?" Tong Siyao lifted her upper body and roared,

' go away! Why did he come here? Can't you just let me go?"

Chapter 1495: He was already begging her

After she finished speaking, she collapsed back onto the bed and started crying.

Sheng Yiting pounced on her and kissed her hard on the cheek. He asked in a low voice, "I can't forget you, okay? Do you still want to chase me away?"

go away, Hanhan. Tong Siyao closed her eyes. Her tears fell on the pillow. if you still like me even a little bit, then go far away, Hanhan.

"Why?" He glared at her, his heart filled with anger.

He was already begging her, why was she so heartless?

Tong Siyao looked at him. you'll get me killed. Do you believe that? '

Sheng Yiting could not help but laugh. Why do you think so? Is it because of Lu duo's threat?"

Tong Siyao's eyes widened, and she suddenly propped up her upper body, but fell back down a moment later.

Sheng Yiting quickly held her down and roared, " "Don't move! The doctor said you can't move now!"

Tong Siyao grabbed his arm and asked anxiously, " "You knew? How much do you know?"

Sheng Yiting paused. what do you think?

"You don't know," Tong Siyao laughed bitterly. if you knew, you wouldn't treat me like this.

If he had known about an Nian's existence, he would not have yelled at her.

Sheng Yiting was a little confused. There was a lot of information in her words. She had to investigate it carefully and see what he had missed!

She thought for a moment and asked, "is he your uncle?" Did he hear what I said to Lu duo on the plane?

"Yingluo, yes." Sheng Yiting's heart was in a mess, and he was eager to know the whole story. However, he knew that she would not tell him.

Do you think you can protect me from Lu duo? She asked.

“I’m your man!” Sheng Yiting roared, “ don’t you think you’re too much? What is it that you can’t tell me and you have to break up with me?”

“She threatened me with my mother and sister’s lives!” Tong Siyao screamed. “Why didn’t you tell me? I can’t protect you, your mother, and your sister?”

“There’s only a thief who can be a thief for a thousand days, there’s no one who can guard against thieves for a thousand days!” Tong Siyao cried, “ if I tell you, I might die soon. Even if you want to avenge me, so what? I can’t live again! I want to live in this world, not for you to reminisce about me with a lifetime of regret, do you understand?”

As Tong Siyao spoke, she reached out and pressed on her abdomen.

When she spoke, her movements were too violent and affected the wound on her waist.

Sheng Yiting buried his head in his palm painfully. After a long time, he raised his head.”Let me ask you a childish question. How much did you love me back then? You won’t die for me, will you?”

Otherwise, why would she choose to live on in such an ignoble manner? she wouldn’t even tell him!

She didn’t even have the courage and thoughts to face him. Did she love him too little, or did she trust him too little?

you know how childish you are?! Tong Siyao looked at him angrily. yes, I won’t die for you. If you want me to love you so much that I don’t care about my life, then our world views don’t match. There’s no need for us to continue talking in this life.”

Of course, he didn’t have that hope.

He would not die for her. Only by living could there be more hope. Even if she died, he would live on in his place, avenge her, and help her complete her unfinished last wish.

She probably thought the same way.

However-

When he heard her answer so calmly and heartlessly, he still felt very sad. He had a feeling of being abandoned and not being valued..

Chapter 1496: I love you, the kind of love that I love with a hobby

He knew that he was being unreasonable.

He was a man, but he was not as straightforward as her.

He looked at her deeply, as if he was afraid that he would never see her again.

Then he stood up and said, "I'll get you something to eat."

Tong Siyao didn't say anything. When he reached the door, she suddenly shouted, "Sheng Yiting-"

Sheng Yiting immediately turned around, his heart beating rapidly because of those three cold words.

He could feel its excitement and nervousness, and suddenly understood a fact: He loved her more than she knew. However, she was startled.

Tong Siyao looked at him, and tears suddenly flowed out.

She pursed her lips and took two deep breaths to stop herself from crying. She said in a hoarse voice, ‘ “IVs fine, Yingluo. Yingluo, you’d better not come back.”

Sheng Yiting took a deep breath in anger and turned to leave.

He slammed the door hard, which was so sudden that it was frightening in the night.

Tong Siyao raised her hand to wipe her tears, and she cried even harder.

After a while, he came back.

She raised her head in surprise and looked at him with teary eyes.

He walked up to her with the food and said coldly, “ I might be being cheap. Do you want to humiliate me?

Tong Siyao extended her hand and stopped in mid-air, as if she wanted him to hold her hand, but he didn’t move.

She grabbed his sleeve and pulled him toward her.

She didn’t have much strength and couldn’t pull him up, but he could feel her intention.

He could ignore her and give her a taste of her own medicine. However, he could not be as heartless as her.

He didn’t know what she was going to do. Was she going to give him a sweet date or another blow?

He sat down expectantly and lowered his head to get closer to her.

She looked at him with a dazed look and calmly said, "If I die, you must remember, Yueyue, I love you."

Sheng Yiting stared at her in disbelief!

She had treated him like that just now, so why would she say such nice words now?

It's the kind of love," Tong Siyao said in a low voice.

His heart melted in an instant, as if they had returned to the sweetest time.

When she was acting coquettishly, she liked to say, "I like this, I like it very much."

He asked her how much she liked it, and she said, "I just like it that

Yaoyao—" Sheng Yiting held her hand in excitement.

"I haven't finished," she interrupted.

She had wanted to tell him this when he left. However, before she could speak, her tears could not stop.

If he didn't come back, she didn't need to tell him.

Since he was back, she didn't want to die one day and make him feel that she didn't like him.

"Speak!" He said eagerly, with a kind of joy of being able to see the moon through the clouds.

Tong Siyao paused and turned her head, "But if anything happens to my family, I'll hate you for the rest of my life, Wanwan."

Sheng Yiting was confused again.

How could she be like this? It always made his heart uneasy!

“I won’t let anything happen to them!” He swore as he held her hand tightly.

Tong Siyao shook her head and looked at him pleadingly. “Don’t bother about them, I beg you, Yingluo.”  
what do you mean by that?! Sheng Yiting’s voice sank.

Was it fun for her to love him and hate him?

“You don’t understand?” She looked at him. if you don’t care about me and don’t make Lu duo your enemy, she will let me and my family live. However, if you insist on being with me, or even become her enemy, she will be angry and make you regret it for the rest of your life when you’re not paying attention..”

Chapter 1497: can you believe me?

“I won’t.” she’s not that good, ” Sheng Yiting said firmly. Can you trust me this once?

“I want to believe you too, but I can’t afford to pay the price ...”

“You have to believe me!” Sheng Yiting interrupted her. I can protect you, your mother, and your sister!  
Can you believe me? Just this once! I’m begging you!’ Tong Siyao looked at him in a daze. Believe him?  
Can I?

She had chosen the safest way because she didn’t want to take any risks, and staying away from him was the safest way. This was because the past few years had proven that it was very useful.

If Lu duo still wouldn't let her go after they broke up, she would have told him a long time ago.

But Lu duo kept her word and didn't even care about her anymore. Isn't this safe? Annian had safely grown up to three years old.

Sheng Yiting looked at her and asked sadly, "Can't you just give me a chance? Do you know what kind of life I've been through all these years?"

"I'm Yingying!"

you even dared to go to Emilia, why don't you dare to trust me? Tong Siyao suddenly came to her senses and slapped him.

He was stunned and looked at her in disbelief.

"At least I've been safe for the past few years," she said coldly. But when I'm with you, I've almost died a few times."

Sheng Yiting stared at her for a moment, and then he left without looking back.

Tong Siyao covered her face and cried.

The food he had bought was emitting an alluring fragrance.

When Sheng Yiting got home, Gong mo and the others had already fallen asleep.

Sheng nanxuan came out when he heard the voice. He asked in surprise, "When did you come back? Not now, right?" "In the afternoon." Sheng Yiting replied.

Sheng nanxuan paused. why? ‘

Sheng Yiting was silent for a few seconds before he said in self-loathing, ” “I’m crazy!”

Sheng nanxuan glanced at him indifferently and turned to return to his room.

Her son’s condition had appeared a few years ago, and it was related to Tong Siyao. Tong Siyao was probably the only one who could do that.

Sheng Yiting returned to his room, took a shower, and calmed himself down.

Then, he made a phone call. First, he sent someone to Xiyuan to protect Yao LAN and Tong silu in secret. Then, he asked someone to investigate what happened to Tong Siyao before he broke up with her, and what happened to her in the past few years.

After he put down the phone, he sneered in his heart. You must believe me! He had no choice! It doesn’t matter even if your family is killed because of this. As long as I can keep you by my side, I won’t regret it!

He even had a crazy idea: If she were to break up with him for the sake of Yao LAN and Tong silu, he might as well send them to their deaths!

Sheng Yiting took a deep breath. This kind of thought was too crazy. He could only think about it and would never do it.

There was a Devil’s seed in everyone’s heart. It was his, and he would not let it take root and sprout.

The next morning, Sheng shuangxue was surprised to find Sheng Yiting preparing breakfast in the kitchen when she got up.

She ran over to him. brother! she asked. did you know that I had my final exams today? did you come back to make breakfast for me? ‘

Sheng Yiting froze and looked at her, speechless. "Who Do You Think You Are? You're not allowed to touch my things!"

Sheng shuangxue had just reached out her hand to take the steamed egg custard, but when she heard her words, she angrily retracted her hand and asked, "are you secretly keeping a little demon outside?!"

shuangxue ... Gong mo called out to her. it's done. Come over and eat. Sheng shuangxue walked over. mom, look at him. What's with his attitude? '

"Don't bother about him." Gong mo consoled..

Chapter 1498: The child's voice

Sheng Yiting packed his breakfast and said to Gong mo and Sheng nanxuan, "Mom, dad) I'll be leaving first." "You're not working?" Gong mo asked.

"I'll go over at night."

Gong mo was stunned for a moment, "then what about the Lu family?"

Sheng Yiting walked to the entrance and paused for a moment. "Tell me the time, I'll be there." alright, Zhenzhen, " Gong mo replied.

After he left, Sheng shuangxue asked, "what happened to him?" Where are you going with the good food? He hasn't cooked me good food for a long time. The last time was ..."

Sheng shuangxue was stunned. She remembered that the last time was when he was dating Tong Siyao. He made some for Tong Siyao and ate a little.

“Tong Siyao is back.” Sheng nanxuan said.

Gong mo and Sheng shuangxue immediately looked at him.

He was speechless. I heard that he was a reporter in Emilia. He came back this time because he was hit by a stray bullet on the battlefield. I’m still investigating other things.

Emilia ... Gong mo muttered. He remembered a very famous reporter in Emilia these two years-

Could it be Tong Siyao?

Then she was really awesome!

“Hasn’t she hurt brother enough?” Sheng shuangxue was dissatisfied. What’s wrong with me, why do I still miss her?”

“Outsiders can’t interfere in relationships,” Gong mo said helplessly.

“Do you really have the heart to see me like this?”

“He’s not even as miserable as your dad was back then,” Gong mo snorted.

Sheng nanxuan, “Yingluo, did I offend you?” Getting shot even while lying down!

Sheng shuangxue turned her head and looked at Sheng nanxuan in confusion.

Sheng nanxuan covered his face with the newspaper.

Sheng shuangxue touched her chin and made up a story about her parents' love when they were young in her mind.

When Sheng Yiting arrived at the hospital, Tong Siyao was fast asleep. He heard that after he left last night, she had been awake the entire time and only fell asleep after midnight.

Of course, he would not be so narcissistic as to think that she did it for him. She must have been jet-lagged.

Emilia was a few hours later than China, so it was only after midnight on this side that it was time to go to sleep on the other side.

He placed the lunchbox on the bedside table and realized that the meat porridge he had bought last night was gone.

Did she eat it?

Sheng Yiting's heart was filled with hope again.

After sitting there for about an hour, the nurse came to check on him. Did the nurse throw it away?

He asked, "I bought a bowl of porridge last night and put it here to eat."

"Ah?" The nurse was stunned. That ran ran, Miss Tong only took two bites and didn't eat the rest. It got cold, so I gave it to ran ran.

"I'm fine," Sheng Yiting nodded.

He clenched his fists, feeling a little excited. At least he had two mouthfuls of cream.

miss Tong can't eat too much right now;" the nurse said softly; we'll give her a nutrition shot.

Sheng Yiting paused and nodded again.

The nurse gently retreated.

He took a deep breath and looked up at Tong Siyao. All of a sudden, her phone on the bedside table started to buzz.

Sheng Yiting was startled. Afraid that the ringing would wake her up, he quickly picked it up.

The caller ID displayed on the screen was 'mother'. Clearly, it was Yao LAN on the other end.

When the phone rang, Sheng Yiting picked it up and nervously put the phone to his ear.

How nervous was he? It was just like the first time he went to her house! How could a son-in-law not be nervous when meeting his mother-in-law?

mommy ... a soft and sweet voice came from the other end of the phone.

How soft was it?

When Sheng Yiting heard the voice, he felt like he was looking at a baby who was learning to speak.

The little boy was wearing open-crotch pants and had his finger in his mouth.

He stood on the ground and blinked his big eyes, looking at him timidly and curiously..

## Chapter 1499: Who's your father?

He had never seen such a little boy before, so he could only imagine it.

However, when he was in Nanjiang, he went to the zoo for an inspection one day and saw a giant panda that was a few months old.

The little panda was smooth and shiny. It could walk, but it could not walk smoothly. It had a fat body, short legs, and walked slowly. It twisted and turned, and if it was not careful, it would fall and roll on the ground. Holding it in his arms, his whole body was soft.

Its soft fur was a little warm, and its clumsy movements were very cute.

And this voice was silly, warm, and cute, just like the Panda baby's.

Sheng Yiting was dumbfounded.

Wasn't this a call from Yao LAN? How could she have a child?

I'm the baby 3 'the child on the other end said. His voice was so soft that it made people tremble.

Sheng Yiting held his breath and did not dare to move, for fear of accidentally disturbing him.

Who was he?

What was his relationship with Tong Siyao?

Oh right, he called her "mom. could he be Tong Siyao's child?

No, how could she get married? Didn't she say she loved him? How could he do this!

The child asked softly, 'mommy, do you miss me? I miss you so much, Yingluo.'

Sheng Yiting took a deep breath and asked while suppressing his turbulent thoughts, "Who are you?

"Ya!" The child was shocked and hung up the phone with a thud.

She was so angry that Tong annian accidentally dropped his phone on the ground.

Sob, he had called the wrong number! How could he have called the wrong number? He had clearly seen how his grandmother had called his mother.

"Baby, did you do something bad?" Yao LAN entered the room when she heard the commotion.

"No, no!" The baby immediately shook his head and stuck out his bare butt, burying his head in the blanket like an ostrich. I didn't do anything bad. I'm so obedient!

"Then why did grandma drop her phone on the ground?"

"I was sleeping and I accidentally touched it." Tong annian blinked his eyes and looked at her with a pure and flawless expression.

Yao LAN picked up her phone and saw that he had just called Tong Siyao. She asked in distress, "Baby, do you miss your mother?"

Tong annian was silent for a few seconds, then slowly leaned on her and asked carefully, "When will mom come back?"

“Mother, she ...”

The phone rang. When Yao LAN saw the caller ID, she placed her index finger on her lips and said, shush-mommy’s calling. Let’s listen to what mommy has to say.

Tong annian nodded his head eagerly and looked at his phone in anticipation.

Yao LAN put her phone down and put it on speaker.

Tong annian shouted, “mother-

Sheng Yiting paused for a moment and almost dropped his phone.

He glanced at Tong Siyao, who was fast asleep, then turned around and walked out of the ward. He said coldly, I ‘I i m not.”

“Ah!” Tong annian was shocked. Why was it that voice again? This was the voice of an ‘uncle’. There was an uncle beside mommy!

“Who’s your father?” Sheng Yiting asked.

“Eh?” Tong annian looked at Yao LAN helplessly. He also wanted to know the answer to this question.

Yao LAN picked up her phone in a panic. She turned off the speaker mode and placed it beside her ear.”You are ...”

“I’m Yiting.” Sheng Yiting said. After a pause, he greeted, ” Hello, Auntie.

Yao Lan’s eyes widened.

Siyao's married? Sheng Yiting asked.

"You're with Siyao?" Yao LAN took a deep breath.

"Yingluo, yes."

"Then you should ask her yourself!" Yao LAN hung up the phone.

She turned around and saw Tong annian looking at her timidly. She smiled and reached out to hug him. you called the wrong number. Let's ignore him.. Mom should be very busy right now, let's call her later, okay?"

Chapter 1500: Exactly the same as when he was young

Tong annian pouted unhappily, but he still nodded. "Good Yingluo."

Yao LAN sighed and patted his head.

He suddenly raised his head and asked timidly, "Grandma urged me to ask you."

"Okay, baby, what do you want to ask? Go ahead and ask." that ran ran. the baby looked at his fingers pitifully and asked in a small voice,

"do I have a father? "

Yao LAN,"Yingluo."

What kind of sin had she committed! Why did he have to face such difficult questions every day?

Seeing the child's expectant eyes, she nodded. "There are! Father will be back soon."

The baby pouted and was a little unhappy."Hmph! You lied to me! Bad!"

Yao LAN,"Yingluo."

When did she lie to him?

Even if he had lied to her before, he definitely wouldn't lie to her this time!

Since Sheng Yiting had called, how far could he go?

Of course, Tong Siyao never said that the child was Sheng Yiting's. But the child looked more and more like Sheng Yiting. Could it be someone else's?

When Sheng Yiting returned to his room, Tong Siyao was still asleep.

He held her phone tightly and then released it. He gently placed it on the bed and picked up his own phone to make a call-to the people who were sent to the Western Plains to protect Yao LAN last night.

"Have you arrived?" He asked.

"We're here, young master." The other party replied respectfully.

"You have a child, don't you?" Sheng Yiting's voice sounded distant. He could not accept the possibility of her 'betraying' him.

How could she start a new life when he was still waiting?

“Uh, Zhenzhen, yes. I was just about to report to young master.” The other party's voice sounded a little hesitant.

But Sheng Yiting didn't hear it. He said stiffly, “Give me all the information you have on him,”

“I only have a photo of this Yingluo. I took it when I was following her.”

“Send it to me.” Sheng Yiting hung up the phone.

Very quickly, the photos were sent over.

Sheng Yiting held his breath when he saw his face. He quickly opened his photo album and almost dropped his phone on the floor several times.

He took out a photo of himself when he was young and compared it with the new photo he received ...

It was almost exactly the same.

He quickly sent a message to ask, ‘is this the child? Tong Siyao's child?’

After typing, he hesitated for a moment before deleting the message and not sending it.

He looked at the photo again. It was a little boy of two or three years old. He was wearing a flaxen vest and shorts. The vest was embroidered with a few Black “Fu” characters. He looked quiet and elegant.

The child held onto Yao Lan's hand. Yao LAN was carrying a basket of vegetables while he was carrying a small bag with a few green onions inside.

Just as Sheng Yiting had imagined, he looked stupid-but he was not! He was charmingly naive and adorable. Look at how soft, obedient, and well-behaved he was.

Sheng Yiting looked at him in a daze until he heard some movement next to him.

He raised his head and found that Tong Siyao had woken up.

When Tong Siyao saw him, she rubbed her forehead and sighed.

She knew that she couldn't drive him away and felt helpless.

Sheng Yiting lowered his head and looked at the photo on his phone. His hands trembled slightly.

This was his child. She had given it to him.

Why didn't she tell him?

Sheng Yiting's heart ached as if it was being torn apart!

Tong Siyao raised her hand and wanted to press the call for help behind her head, but he reached out and grabbed her.

She looked at him in confusion. He held her tightly and handed her phone over."Your mother called just now and I picked up Yingluo." you told her?! Tong Siyao was shocked..
