

Ditsy Wife 1501

Chapter 1501: Why are you still lying to me now?

what? I ' Sheng Yiting was taken aback. say what?

He stared at her, wanting to knock her head open and ask her why she was doing this. And how did she survive all these years?

She didn't even tell him that she was pregnant. Was he that useless in her heart?

No wonder she said that he wouldn't treat her like that if he knew.

He even wanted to die! What right did he have to yell at her?

"About my injury." Her urgent voice pulled him back from his thoughts.

"No, I didn't tell her," he shook his head.

Tong Siyao heaved a sigh of relief. I can't let her know. She doesn't know where I've been all these years. I told her that I'm working in a newspaper here and was sent to Southeast Asia."

As she spoke, she unlocked her phone. Seeing that, Sheng Yiting suddenly reached out and took it.

She looked at him in confusion. He looked down at her phone and said, "There's a child, Yingluo."

Tong Siyao's breathing stopped. Her heart skipped a beat as she looked at him nervously.

“He’s calling for his mother.” He raised his head and looked at her aggressively.

you’re married? ‘

“Yingluo, yes.” Tong Siyao looked away guiltily.

“Tong Siyao!” Sheng Yiting roared and hugged her. why did you hide it from me?! Why are you still lying to me now?”

Tong Siyao was shocked and pushed him away. She stared at him for a moment before snatching her phone back from his hand. She saw that he had opened the photo album and clicked on the child’s photo.

Suddenly, she felt that she had lost all her power. She put her phone aside and covered her face as she cried.

Sheng Yiting took a deep breath and stopped his tears. He reached out to hold her hand, as if he was afraid that she would run away, but also as if he was using this to express his determination and apology.

Tong Siyao was shocked. She stopped crying and looked at him.”Since you already know, you can’t let anything happen to him, or I’ll hate you for the rest of my life!”

Sheng Yiting looked at her steadily.

Lu duo doesn’t know, ” she said anxiously. otherwise, she would have taken my life long ago!

“I’ve already sent people over last night. I’ll send more people later. Mother, sister, and children will all be fine!”

Tong Siyao heaved a sigh of relief and stopped talking.

“Do you want to eat something?” Sheng Yiting asked.

Tong Siyao looked at him, speechless. Do you think we should eat or not? She reached out her hand, wanting to press the bell to call for the nurse.

“Let me do it!” Sheng Yiting stopped her.

Tong Siyao said awkwardly, “no need!” I spent so much money on the hospital, this is what they should do!”

“It’s what I should do.” Sheng Yiting looked at her.

She was stunned and turned her head away without saying a word.

She could not get out of bed yet, so Sheng Yiting went to get a toothbrush and a towel for her to wash up.

what? Tong Siyao suddenly asked, “ if I didn’t have a child, would you take care of me like this?”

Sheng Yiting looked at her and could not help but smile. “You said I’m childish, but aren’t you the same?”

This person, Wanwan!

Tong Siyao ignored him in a fit of pique!

“Do you want to go to the toilet?” he asked after washing up.

Tong Siyao’s face turned red. no! she shouted. &Nbsp;

Sheng Yiting gave her a meaningful look. She was so angry that she suddenly

frowned and covered her stomach.

“You want it?” he asked.

“You shut up!” Tong Siyao roared and furrowed her eyebrows again. She said gloomily, “I’m so angry. My wound hurts.

“Alright, alright, alright, I won’t say anymore.” Sheng Yiting quickly surrendered. is it serious? Do you want to call the doctor?” it’s okay, ran ran, ” Tong Siyao exhaled and said in a low voice..

Chapter 1502: I’m the Father of your child

Sheng Yiting saw her furrowed brows and moved his fingers, trying to smooth them out. But he was afraid that she would refuse, so he paused, turned around, opened the lunch box, and took out the steaming hot breakfast.

Tong Siyao smelled the aroma of the food. She lifted her chin and looked over, secretly swallowing her saliva.

there’s carp congee, steamed egg custard, and cheese cake, ” he asked. what do you want to eat? ‘

Wu, Wu, Wu. they all wanted to eat it. Just from the name, they knew it was delicious.

In the past few years, she had only been able to eat normal food when she went home. At other times in Emilya, he would be thankful if he did not go hungry.

In other words, she hadn't had a normal meal for months, not to mention these exquisite and delicious things in front of her.

The congee could be simply boiled with white rice and water, but it was actually carp congee! It was so troublesome to cook the carp into a soup and then use the soup to make porridge.

Steamed egg custard was also troublesome. If the heat was not controlled well) it would lose the taste, not to mention that he had added various ingredients.

There's also a cheese cake.

In fact, these three dishes were not complicated and were very ordinary, but for her life these few years, they were the luxury food.

Sheng Yiting's heart softened when he saw her drooling eyes. His heart ached for her, and he said helplessly, "Have some porridge first." en! Tong Siyao hurriedly replied, feeling a little disappointed.

She didn't dare to eat too much now. It was a pity that there were so many good things to eat.

Sheng Yiting scooped up a spoonful of porridge and brought it to her mouth.

"I'll do it myself," she said awkwardly.

"It's fine." Sheng Yiting lowered his eyes. I'm leaving in the afternoon, so I can only feed you this one time.

where? Tong Siyao was stunned. to where? '

"Nanjiang. I work there."

"Yingluo."

I'll participate in the presidential election next year. I'll be transferred back whether I succeed or not.

Tong Siyao looked at him in surprise. She nodded, her fingers grabbing the blanket helplessly.

She and he were people from two different worlds.

He was going to be the president in the future. Even if he failed this year, it would be his turn sooner or later.

But what about her? She didn't think she was worthy of him in any way.

If she had known earlier, she wouldn't have wanted the child. What should she do now? He would definitely not give up on the child!

But should she give up?

That was impossible!

Did they have to be together for the sake of the child?

However, the two of them had been separated for so long. Could they return to the past? And wouldn't his family object?

If he really wanted to be the president, he should marry a wife who could help him and not her.

"I'll be back on the weekend." Sheng Yiting said.

"It's fine." I can do it myself," Tong Siyao said. Besides, Yingluo, you're nobody to me, so you don't have to take care of me.

Sheng Yiting paused, put down the porridge, picked up the steamed egg, and gave her a spoonful. I've already taken care of her. Wouldn't it be ungrateful to say such things?

Tong Siyao was stunned and said helplessly, "I didn't mean it that way, ran ran."

"I know, you want to draw a clear line between us." Sheng Yiting simply mixed the steamed egg into the porridge. but I'm the Father of your child. Who am I to you?

Tong Siyao paused and suddenly found it hard to eat.

When he brought the porridge over again, she turned her head slightly and looked at him. "About the child ..."

"There's no rush now." we'll discuss it later, " Sheng Yiting said.

okay ... Tong Siyao let out a sigh of relief.

He was afraid that it would affect her mood to eat, so he did not say anything else.

She finished the entire bowl of porridge mixed with steamed egg custard and ate a small portion of the cheese cake..

Chapter 1503: you are so ruthless

Sheng Yiting put the unfinished cake aside. "I'll put this here. You can eat it if you're hungry."

“Yes.” Tong Siyao watched as he packed his things. ran ran, is this your house’s?

“I did it.” Sheng Yiting glanced at her.

Tong Siyao took a deep breath and awkwardly turned her head away. She

didn’t know how to face his blatant affection. Of course, she was happy that he was good to her. However, she had so many concerns and did not dare to accept it easily.

Besides, sometimes, it was only because one was unwilling to give up. When one’s wish was fulfilled, one would feel that it was different from one’s expectations and would be disappointed. At that time, where would they go?

Sheng Yiting packed his things, sat down on the bed, and looked at her with a serious face “Let’s have a chat.”

Tong Siyao was shocked. She became nervous, thinking that he was going to talk about the child. He wants the custody? Still Yingluo

“Why didn’t you tell me you were pregnant?” He asked calmly. But how could his heart be so calm?

Tong Siyao knew that he was blaming her. Even if he felt guilty and blamed himself, he would still blame her.

She was the one who had hidden it from him, causing him to miss the joy of being a father for the first time and the growth process of his baby in the past few years.

She felt guilty, but when she thought of the situation at that time, she was very angry.

Why should he only blame her?

Lu duo should be the one to blame, shouldn't she?

"You can't blame me for this!" She said in a Huff.

Sheng Yiting paused, then nodded. He hated Lu duo to the core.

"Yingluo, are you going to tell me now?" He looked at her with a burning gaze.

or do you want me to investigate it myself? '

If she was still not willing to tell him what had happened, he could probably give up on her.

Tong Siyao looked at him and told him what happened that year and what happened after.

Sheng Yiting listened to her calmly and only asked after she was done, "When did you give birth to the child?"

She turned three on October 10th. she replied.

three-year-old Qianqian. Sheng Yiting took a deep breath and looked at her painfully. you're so cruel, Qianqian.

I'm sorry, Wanwan. Tong Siyao lowered her head, full of self-blame.

"If there are no accidents, are you planning to hide it from me for the rest of your life?" He asked.

She shook her head, "there's no Zhenzhen."

"What's his name?"

“Annian, a peaceful niannian. His nickname is ‘niannian’. Sometimes, he’s also called ‘baby.’”

“I want to see him.” He suddenly said.

“What?” Tong Siyao was shocked.

“See him.” He looked straight at her. do you think I shouldn’t see him?

No... Tong Siyao said anxiously, “ it’s just that he’s busy now.

Sheng Yiting narrowed his eyes and asked angrily, “ “You didn’t tell him about me?’

I didn’t do it on purpose, ” Tong Siyao said weakly.

Sheng Yiting suddenly smiled and said through gritted teeth, ” “Very good!

Tong Siyao, we’ll settle this slowly!’

Tong Siyao was stunned. She looked at him and lowered her head guiltily.

In the Huan mo building, Sheng nanxuan walked into the office of the Aimo news agency with documents in his hand. The employees in the cubicles were all shocked.

Everyone looked at him without moving. They didn’t dare to stand up and greet him during work hours- what if the big BOSS said that they weren’t serious at work?

The BOSS didn’t look too happy today. He hung his head and looked dejected, like a shareholder who had his shares tied up.

It was only when Sheng nanxuan entered Gong Mo's office that everyone came back to their senses and heaved a sigh of relief..

Chapter 1504: The child is still in her household register

Gong mo was watching the news.

It had been almost three years since Country M had entered Emilia, and Tong Siyao was no longer the only reporter there. On China's side, the national news Agency had also sent two reporters to be stationed there.

Gong mo had read all the news reports at home and abroad in the morning. So far, only Lu Yang and his wife had passed away, and no other Chinese were injured.

She contacted the people from the national news Agency and asked them to investigate.

It wasn't a secret that Tong Siyao was injured. Doctors Without Borders and the local hospitals all knew about it, so they found out very quickly.

The afternoon news would probably be reporting this news, but as for Tong Siyao's identity ... He still didn't know if she was an October. If she was, she would have to get her permission to expose it.

Just then, Sheng nanxuan came in.

Gong mo saw that he was dejected and asked, 'i "What are you doing? Are you going bankrupt?"

Sheng nanxuan threw the documents in his hand on her desk and said worriedly, I thought I was still young. I didn't expect to be a grandfather. My heart is bitter!

“Be a grandfather?” Gong mo asked in a daze. Are you crazy? You’re indeed very young. Look at me ... I’m about to become your sister!”

He was aging very slowly. It must be because of the experiments.

Sheng nanxuan smiled, pulled her into his arms, and kissed her. you’ll always be a little girl in my eyes

“You’re the little girl!” Gong mo glared at him.

She picked up the information and opened it. After reading it for a while, she exclaimed in surprise, “This is Yiting’s child?”

Sheng nanxuan nodded solemnly and muttered gloomily, “I’m a grandfather now, Yingluo, but I’m not happy. How am I a grandfather? I’m only 18!”

“You’re shameless!” Gong mo shouted, “ get lost! Don’t disturb me while I’m reading!”

There were many photos of Tong annian in Sheng nanxuan’s file.

Gong mo looked at him for a while and suddenly pulled his sleeve, “ nanxuan-” “Didn’t you tell me to get lost?” Sheng nanxuan asked resentfully.

Gong Mobai rolled his eyes at him and passed the information to him. “Look, doesn’t he look like Yiting when he was young? They’re exactly the same!”

I saw the power of the Pi Xiu gene. It’s simply amazing! He didn’t even need a DNA test to know that it was his son’s child!

“No, I have to tell mom!” she’s going to be a great-grandmother! Let her be happy! Gong mo exclaimed excitedly.

“What’s there to be happy about?” Sheng nanxuan asked, “ the child is still in their household register and has their last name. He doesn’t even know that he has a father, let alone his grandparents and great-grandmother.

Gong mo was stunned. He looked at the cute child in the photo and asked angrily, “ how could she do this?!

The ‘her’, of course, was Tong Siyao.

“If there’s anything, let’s talk it out. How can you run away with the child? You see, I didn’t run away back then!”

Sheng nanxuan’s eyes widened and he looked at him in disbelief. “You wanted to run away with the child?”

“No!” Gong mo waved his hand. what do we do now? Is Yiting not good enough? Will the child come back?”

Sheng nanxuan sighed. I can’t let someone take my son away. I really don’t want to admit that he’s my son!

In the afternoon, Sheng Yiting said goodbye to Tong Siyao at the hospital.

Before he left, he asked Tong Siyao, “are you still in contact with ye Zi?” Should he inform her? If she knows, she can at least take care of you or other friends.” let me think, “ Tong Siyao said after some thought. I don’t really want to cause trouble for ran ran..

Chapter 1505: I’m afraid you won’t be able to control yourself

Sheng Yiting looked at her deeply and said helplessly, " "Alright then. I'll be back in two days. If you need anything, just give me a call and I'll arrange it for you."

"Hello, Yueyue."

He looked at her for a while and asked awkwardly, " "Can we hug?"

Tong Siyao looked at him, deep in thought.

cough-" Sheng Yiting choked, his face turning dark red.

Tong Siyao suddenly felt bad for him. Even if they really couldn't be together in the future, making him happy for a second now was a way to repay his feelings.

"It's not that you can't kiss me, but I'm afraid you won't be able to control yourself!" She pursed her lips and smiled.

Sheng Yiting looked at her, lowered his head, and kissed her on the lips.

Tong Siyao's eyes widened and she held her breath.

Even after saying so much, it was not as real as this moment of contact. Everything that had happened in the past appeared clearly in his mind like an electric current.

"I've managed to hold myself back, haven't I?" he straightened his body and let out a breath.

Hearing this, Tong Siyao reached out her hand and beckoned him over. She said slyly, " "Again,"

Sheng Yiting held his breath and looked at her as if she was a monster. "Are you for real?" come on! Tong Siyao looked at him provocatively.

Taking a deep breath, Sheng Yiting pounced on her, held her face, and kissed her hard.

He wasn't afraid of her rejection, nor was he afraid of her teasing him. He was completely in a plundering position, ravaging her to his heart's content.

How long had it been since he had touched her?

Three years? Four years?

To him, it felt like half a lifetime.

He wanted to conquer her, and she responded to him with a wicked heart. She hugged his back with both hands and scratched it gently.

The fire in his body was quickly ignited. If she wasn't injured, he would ...

Sheng Yiting was shocked. He was afraid that he would press on her wound and let go of her in time.

He looked at her, panting. Tong Siyao panted and said, " "You don't seem to have much self-control!"

Sheng Yiting suddenly smiled and hugged her. "You've turned bad."

Tong Siyao opened her mouth, but her heart trembled and she forgot to speak.

Had they returned to the past?

Sheng Yiting held her face and looked at her seriously. "Since you've already kissed me, you have to take responsibility, understand?"

Tong Siyao paused, "we're all adults here, Yingluo."

hehe, hehe. Sheng Yiting squeezed her face hard. from now on, well get back together, and I'll forget about you giving birth to annian behind my back. Otherwise, we'll take our time to settle the score Allow me to remind you that no matter what you choose, the end result will be the same."

Tong Siyao looked at him, "did your family agree?" Did my family agree to it?"

wuwuwuwu " was this what she had been struggling with?! Wasn't this just having nothing better to do? Why didn't he just say it?

She saw that he was stunned and thought that he also felt that this was a problem. She reached out and pushed him away."I'll be honest with you, I don't want to lose annian, but I don't want to be picked on by anyone! Also, are you sure we can go back to how we were before?

Sheng Yiting shot her a glance. you'll choke to death if you eat. Are you not going to eat? '

Tong Siyao was stunned. She knew what she was doing was a little too much. She didn't need him to remind her!

She flew into a rage out of humiliation and said, "this is different!" People will die if they don't eat, but-

She paused and did not say anything.

but," Sheng Yiting sneered, she wouldn't have died without me, right? '

Tong Siyao was helpless and said with embarrassment and guilt, I ' "That's why I said it's different, Yingluo. Your metaphor is wrong.."

Chapter 1506: I don't want a man or a child

"Okay, my analogy was wrong! However, if you don't try, how would you know the result? You even dared to enter the battlefield, why are you afraid of this?"

Tong Siyao said irritably, "isn't it easy to go to the battlefield?" There were not so many twists and turns! In the face of life and death, who would care about your background and status? Only after eating too much would one think of such things! I don't like dealing with people from your circle!"

"What's wrong with my circle?" Sheng Yiting was also furious. did my parents say anything when you were with me? Did I give you any face?"

Tong Siyao was stunned and turned her head away in frustration.

There wasn't any back then. But perhaps, at that time, they didn't even think that they would be able to make it to the end. Since that was the case, why be a bad guy?

Sheng Yiting stood up and said, 'think about it! If you don't want a man, then don't even think about having a child!' you ... Tong Siyao widened her eyes and looked at him.

"Yes, I want a child," he said coldly. It was either a peaceful resolution to everyone's satisfaction, or see him in court! I'd like to see how capable you are to fight a lawsuit with me!"

"Sheng Yiting!" Tong Siyao grabbed the tissue box on the bedside table and threw it over.

"Not only have you turned bad, your temper has also turned bad." Sheng Yiting turned around and left the ward.

After leaving the hospital, Sheng Yiting went home and took the lunch box he brought out this morning.

Sheng shuangxue had already returned from her exams and was making desserts in the kitchen-Hmph! If her brother didn't cook for her, she would have to rely on herself.

Through this small matter, she understood a truth-it was better to rely on yourself than on the heavens and others! Even if he was her biological brother, he was also extremely unreliable when he valued his lover over his sister!

"What do you think if I let my ex-girlfriend be your sister-in-law?" Gong mo asked.

"What else can I do? Just endure it!" Sheng shuangxue pouted and said pitifully, " anyway, he doesn't love me anymore. I don't know what he'll become in the future. I don't expect him to change, Hanhan.

Sheng shuangxue suddenly asked, " Do you think I can instigate sister-in-law to betray me so that she can dote on me more? He would definitely be jealous, just like his father! When the time comes, in order to make sister-in-law's heart fall on him, he can only dote on me a little more!"

Gong mo facepalmed helplessly, thinking, "its all Sheng nanxuan's fault for teaching the child the wrong things!"

Sheng shuangxue sighed. it's a pity that I didn't have much contact with Tong Siyao before. I didn't have any feelings for her.

"So, you don't object to her being your sister-in-law?" Gong mo laughed.

Sheng shuangxue pouted and said angrily, " Do I have a right to object? But if you ask me, I'll tell you the truth! No matter who it is, I will definitely oppose it in my heart! Who in this world is worthy of my brother?" didn't you just say that he's heartless? "Gong mo was speechless.

"When did I curse? I'm clearly telling the truth!"

“Good, good, good!” Gong mo nodded. you’re telling the truth! But think about it, if you have a sister-in-law, you’ll have one more person to dote on “She has to be in pain first!” Sheng shuangxue said gloomily, “Tong Siyao won’t care about me at all.

She had been doted on by everyone since she was a child. She knew who was truly good to her.

Yu Xinya, Tian Yuan, Fang yuezhu, and the others treated her with sincerity. When Sheng Yiting was studying, a few female classmates treated her well, but they did it just to please her..

Chapter 1507: Women need to be coaxed

However, Tong Siyao was calm and didn’t seem to want to get to know her too well. It was as if she didn’t want to waste her expression on her since they wouldn’t have much interaction in the future!

Sheng shuangxue suddenly understood something. Tong Siyao didn’t plan to be with me at all!

Sheng Yiting entered the room.

The two of them were stunned. They looked at each other and pretended to be busy, as if they had not said anything just now!

Sheng Yiting walked over calmly and put the lunchbox on the counter.

Sheng shuangxue sneaked a glance at him and continued kneading the dough absent-mindedly.

“What were you talking about just now?” Sheng Yiting asked.

Sheng shuangxue was startled. She lowered her head and kneaded the dough with all her might!

Sheng Yiting couldn't help but smile. He looked down at her face and asked, '

"What's wrong? is the little princess angry with big brother?"

"Hehe." The little princess was stunned, "did he not hear what I just said?"

"Hmph!" She turned her head away, not willing to pay attention to him, but she secretly pricked up her ears to hear how he would coax her!

Sheng Yiting chuckled. A certain someone was still the same as when they were little.

"You guys knew about it?" he turned to Gong mo.

The little princess was shocked. She focused on making the desserts and did not dare to lose her temper.

Wuwuwuwu, a certain someone clearly heard it, why is she still acting like a big-tailed Wolf?

Gong mo coughed lightly and said, "I don't know what I should know." There's nothing I shouldn't know."

Sheng Yiting remained expressionless for a long time before he said, "I have

"What about Tong Siyao?" Gong mo asked.

"In the hospital."

"I know she's in the hospital! I'm asking Yingluo what your plans are next, when do you plan to do your marriage!"

Sheng Yiting said unhappily, 'don't think about it! She's afraid that you'll look down on her background and that the people in our circle will be unfriendly to her, so she doesn't want to get involved in this mess!"

Gong mo was stunned, "did you make her angry?" Women need to be coaxed."

"I haven't coaxed him? I'm tired of coaxing you!" The more Sheng Yiting thought about it, the angrier he got. whatever. I'm having the baby anyway! If she doesn't come over, I'll bring the child back!"

Sheng shuangxue, who was quietly learning about love at the side, was shocked when she heard this. She immediately raised her hand.

"Tell me!" Sheng Yiting snapped.

The two siblings were like primary school students in class!

"What child?" Sheng shuangxue asked angrily. How come I didn't know about

Sheng Yiting was taken aback. He glared at Gong mo. didn't you say that you know everything? "he asked.

Was she trying to trick him?

"Your dad and I know about it, but shuangxue doesn't," Gong mo said.

"Why did you hide it from me?" Sheng shuangxue was displeased. am I still a part of this family? You guys actually formed a small group! "I was just about to tell you, but your brother came back."

Oh ... Sheng shuangxue decided to forgive them.

"I'm leaving," Sheng Yiting said.

Sheng shuangxue hurriedly said, "brother!" Don't take what I just said to heart, I know what's going on. It's not that she doesn't want to be with you, but she's afraid that the process of being together will be difficult and that her habits will be different after being together!"

Sheng Yiting looked at her gloomily. you can't comfort me by saying that. he said.

Sheng shuangxue pouted and lowered her head to make desserts.

"Don't be afraid.. She only thinks this way because she doesn't understand us!" As long as you like her, will your father and I object? Your dad and I don't object anymore, so what right do others have to say that?"

Chapter 1508: I'm also a little unhappy

Sheng shuangxue nodded. That's right, that's right, our family is very powerful, who would dare to talk nonsense outside?

Gong mo patted Sheng Yiting's shoulder and said proudly, "Son! Don't worry and leave the rest to mom!"

Sheng Yiting: " Yueyue. what do you mean by " rest assured It sounded inauspicious!

"Mom, I knew it. You're the best!" He hugged her, extremely touched. "

Sheng shuangxue imitated Sheng nanxuan's words. "If you want to talk, then talk. Why are you hugging each other?"

Gong mosheng& and Yiting,"hehe."

After Sheng Yiting left, Sheng shuangxue turned to Gong mo and asked him about the child.

Gong mo took out Tong annian's photo. Sheng shuangxue was furious when she saw it. "You actually used brother's childhood photos to coax me! Do you think I've never seen his childhood photos? Next time, are you going to take out my photo and accuse me of having a baby outside?"

"You've seen photos of your brother when he was young. Is there anyone like him? And this ... Gong mo took out a photo of Tong annian and Yao LAN.

does our family have such a person?

Sheng shuangxue took a closer look. that's right. Yingluo's clothes aren't the same either. These styles are new. Oh my God! He actually looked so much like her brother! "

"So, he must be your brothers child! "

"Eh? You're so sure of it? Wasn't that too rash? Sheng shuangxue whispered into her ear, 'what if someone had done plastic surgery for him and deliberately changed him into a brother to lie to us? I think we should still do a DNA test!

Gong mo was speechless, "who would do plastic surgery for such a young child?" Besides, let your brother deal with his own people. Oh right, I'll go to the hospital to see Tong Siyao later and bring some of the desserts you made

"I also want to go! Sheng shuangxue called out.

"You have an exam tomorrow, so study hard tonight! "

“I want to see the baby.”

“Baobao is in the Great Western Plains and can’t be seen now. ”

“Then let me see a living person! Why did you bring the things I made but not take me there?”

“You have an exam tomorrow. Gong Mo’s face darkened.

Sheng shuangxue knew that she would not agree to go no matter what. She pouted gloomily and said after a long while, “Then you’re not allowed to bring the things I made. ”

“I’m going to send warmth, of course I have to bring it. We need to let her know that you also welcome her. ”

“Actually, I don’t really welcome you. Sheng shuangxue pouted.

Gong mo paused for a moment before sighing helplessly, “fine, I’m also a little unhappy. Who asked her to steal my son?””

Sheng shuangxue said, “Yingluo, do all mothers have the same mentality?” She thought that her mother was very open-minded.

Gong mo exhaled, “but when I think about how you will also snatch other people’s sons in the future, I feel better.””

“Eh? Sheng shuangxue was stunned. isn’t someone here to take your daughter away?”

Gong mo, "hehe."

Sadness!

If I had known, I wouldn't have had a baby!

The afterglow of the setting sun shone into the ward. Tong Siyao looked at the time. It was already past seven o'clock, and it was time for dinner.

She didn't have much of an appetite, but she had to eat, so she asked the nurse to buy dinner for her.

She leaned back on the bed and gave Yao LAN a call. Yao LAN asked, "You're with Yiting?"

"No, I didn't," Tong Siyao retorted subconsciously.

Yao LAN snorted, "don't hide it from me!" He used your phone to call me. Do you think I'm stupid?"

"What did you say to him?" asked Tong Siyao.

"I didn't say anything!"

Chapter 1509: Because Yiting likes you

then ... Tong Siyao said in-low voice, " if he goes to your house to look for you and wants to see the child, don't say yes! If he goes, or if someone goes in his name, you must tell me. '

"I know," Yao LAN said.

"Niannian, he ..."

Tong Siyao wanted to talk to her child, but she suddenly heard a knock on the door. She thought that the nurse had returned, but when she looked up, she saw Gong mo.

She was shocked and quickly said to Yao LAN, "I have something to do, I'll call you later!"

"Is Yiting beside you?" Yao LAN asked helplessly.

"No, I'm hanging up!" Tong Siyao hung up the phone and looked at Gong mo nervously. Hello, Auntie Yingluo.

She wanted to sit up, but Gong mo stopped her. "You're injured, don't move."

Tong Siyao could only continue to lean on Him and asked nervously, "Auntie, why are you here?"

Yiting isn't here. Of course I'm here. don't blame him, 'i Gong mo said. he's busy with work and can't stay long. Next time, when he's done with his work, he can accompany you for a few more days."

Tong Siyao didn't know whether to laugh or cry, "I didn't blame him, Yingluo." Their current problem was not "jealousy."

"That's good." Gong mo heaved a sigh of relief and picked up the soup and snacks he had brought. have you had dinner?

uh, Yingluo. Tong Siyao guessed that the nurse would be back soon and would be slapped in the face if she ate it, so she had to say, "not yet. I don't have much of an appetite, so I asked the nurse to buy some porridge."

“It must be because the food outside is not good. Try this soup, it’ll help with your wound recovery.”
Gong mo opened the thermal lunch box and poured a

DOWI 01 soup. next time, just tell me what you want to eat. YOU can call me directly or call home. My number is still the same ... Do you still have a number? ‘uh, hehe. Tong Siyao awkwardly lowered her head to drink the soup.

Gong mo smiled. I’ll get the servants to bring you food tomorrow. Just tell me what you want to eat. You’re welcome.

Tong Siyao didn’t know how to answer. The nurse came back, and she could finally catch her breath.

However, the nurse left quickly. Gong mo said, “Try this porridge and see if it’s good. If it’s not, I’ll get someone to bring it to you.”

Tong Siyao hurriedly shook her head and asked under great pressure, “Auntie, why are you so nice to me?”

“Yiting likes you!” I heard from him that you’re worried we won’t like you, right? I ‘Gong mo asked. Are you afraid that you won’t be able to find the right person? If that was the case, there would be no Yiting today! His father was the young master of a rich family. What did I have? I don’t even have a father, and I only have a bunch of broken relatives ...”

“I don’t have any, either.” Tong Siyao said in a low voice.

uh, hehe, “Gong mo said. you’re still better than me! I heard that your father was a martyr! My father is a deserter!”

“Ah?” Tong Siyao was stunned and looked at her in surprise.

“I’m just making an analogy. When my dad was diagnosed with cancer, he left a letter and ran away in order not to drag my mom and I down. In the end, my mom kept thinking about him. She didn’t see him alive or dead. She was afraid that he would survive. As a result, he wasted his prime years and refused

to accept anyone who pursued him! Gong mo sighed softly. she only agreed to help Simon's father in the end.

Gambino sneezed loudly in Italy!

Tong Siyao understood what had happened back then and said, "Mr.

Gambino is also your father, and your status is no less than uncle's. But Yiting

and I'

Chapter 1510: Are you misunderstanding something?

"Who knows, your value might suddenly skyrocket!" by the way, there's something I need to ask you. This has nothing to do with Yiting. It's about your career. Are you an octopus?" Gong mo asked.

Tong Siyao wasn't surprised that she knew.

She had just been watching the news on her mobile phone. There were already reports of October's injury in Emilia, both domestically and abroad. It was also said that October was Chinese.

Perhaps Gong mo was the one who had created this news report.

Tong Siyao nodded and admitted, "It's me."

then your net worth is higher than Yiting's now! there are many people in the world who know about you. However, how many people know about him? ' Gong mo asked.

“He’ll soon be known to the world, right?” Tong Siyao asked, “ but everyone knows about my ran ran. It’s October, not Tong Siyao.

“Is there a difference?” that’s right, everyone still doesn’t know that you’re October. Do you want to announce it to the public? ‘

“Of course!” Tong Siyao said without hesitation.

She had gone to Emilya to become famous.

If she was an ordinary person, her death might not even make it to the news. However, the death of a famous person would definitely attract a lot of attention. Moreover, her fame was no longer limited to the country. Even if there were people in the country who wanted her to die in vain, there were people abroad who were paying attention to this matter at the same time. The country had to give an explanation.

Under such circumstances, Lu duo would not dare to take her life easily.

She had pretended to be mysterious before because she wanted to hide it from Sheng Yiting, but more importantly, she didn’t want Lu duo to see through her intentions and kill her before she succeeded.

Now that the two of them knew, she would be courting death if she continued to play mysterious.

Moreover, her injury was a perfect opportunity to attract admiration and sympathy, so no one would say anything if she didn’t go to Emilya.

There were some people in the world who thought that if you were a hero for a day, you had to rush to the front line forever without caring about your life. It would be best if you died so that they would be deeply moved. then, they will continue to live their lives, while you will just die. If you suddenly stopped being a hero and went to live a peaceful life, abandoning others, they would be unhappy as if you had done something outrageous.

Although Tong Siyao had no choice but to go to Emilya, she really wanted to help the people there. Otherwise, she had many other ways to achieve her goal, which was safer and easier than going to Emilia.

She had given her all and didn't want to be criticized again.

She said to Gong mo, "the news agency that I worked with previously asked me about it and I agreed." I'm Chinese, so they'll definitely look for the media here to work with. I don't know who they've looked for."

"That's definitely Aimo!" do you mind? " Gong mo asked with a smile.

"I can't ask for more." Tong Siyao laughed.

Gong mo coughed. Seeing that she had finished the soup and the porridge, he took out the desserts Sheng shuangxue had made. "This was made by shuangxue. She knew I was coming to see you, so she asked me to bring it over. She was in the middle of her final exams and had to revise, so she couldn't come. I'll bring her to see you when she's on vacation."

Hearing this, Tong Siyao said with mixed feelings, "Please help me thank her. Was she in her first year of high school? You're about to start your second year?"

"Yup! You remember it so clearly!" Gong mo said happily.

Tong Siyao: Yingluo, did you misunderstand something? " It's not because I still have feelings for Sheng Yiting that I remember people and things related to him.. It's just because Sheng shuangxue and Tong silu are the same age!
