

Ditsy Wife 1511

Chapter 1511: You are the most suitable person for Yiting

Tong Siyao looked at the bowl of soup and hugged the snacks, feeling very distressed.

Was Sheng Yiting launching a family attack?

we already know about the child. When are you going to bring him to us?

Gong mo looked at her.

this Yingluo. Tong Siyao was in a difficult position. She didn't know how to answer. Sheng Yiting was such a hooligan! How could he ask for help from his family and friends?

we won't interfere with your relationship with Yiting," Gong mo said with a smile. you can take your time to deal with it. But, can you let us take a look at your child? '

Tong Siyao looked at her nervously. Just looking? Won't snatch it away?

"But I also want to help Yiting. Although I'm helping her, I'm also thinking about the child. The child is still so young. You can't keep him without a father, right? He's not even three years old yet, and he won't remember what happened in the past few years for the rest of his life. Besides, he doesn't go to school, so no one will point to him and say that he's a child without a father."

Tong Siyao's heart skipped a beat. She knew what she meant.

Gong mo continued, "but if we continue, have you thought about the consequences?" I've never had a father since I was young, and your father passed away early. We should know the impact of not having a father on children and how hard it would be for a mother. You've suffered so much for the past few years, how sad must he be?"

I'm Hanhan," Tong Siyao said awkwardly. of course I want to give my child a home, but do you think I'm good enough for Yiting?

"How can you be so unconfident?" you're not that kind of person! Gong mo exclaimed in surprise.

"I'm confident in other things, but I don't want Yingluo to have too much trouble. I don't like to hear this, but I only have a few decades in my life. I have too many things to do, and I don't want to waste them on some unnecessary things."

"Why would I not like it? I love hearing it! That's what I'm thinking too. You don't know this, but Yiting's father said that you are the most suitable person for him."

"How could that be?" Tong Siyao was stunned.

"From the moment Yiting started his political career, we knew that he would be the president in the future. If he wanted to inherit the family business, of course he would choose someone with a similar family background. Even if the other party didn't know anything, the women in this circle must have at least been trained in social skills since young, right? And in that case, we won't want a strong woman in business. It's enough for her to know how to deal with Foreign Affairs.

However, this was not his current life plan!

What kind of wife did the president need? He couldn't possibly marry a rich young lady back to be a decoration, right? What's the use of socializing with the rich? She might not have any dealings with the First Lady of another country. Moreover, at this position, all the rich ladies look up to you. You don't need to pretend to be polite with them. You are the authority and master! Your world is bigger, your sky is wider, what do you need at this time? No matter how high their family background is, they can't compare to the things in your head, they can't compare to your knowledge."

Tong Siyao was stunned. She had never considered this aspect before.

This was indeed the case.

Had she been confused in the past?

“From a utilitarian point of view, if everyone finds out that you’re Yiting’s wife when he’s canvassing for votes, they’ll be more inclined to him. Think about it, isn’t this the case?”

Tong Siyao couldn’t help but smile bitterly. Auntie, if you put it that way, I’m starting to suspect that you’re taking turns to vote..

Chapter 1512: I want Yiting to pick up the baby

Gong mo laughed, “of course the votes are important.” In any case, I’ve said so much, but I only have one thing to say. We welcome you very much.” aunty ... Tong Siyao looked at her, touched.

Gong mo patted her shoulder. you don’t have to feel pressured because of what I said. I just hope that you won’t waste your time and energy on unnecessary things. You said it yourself, a lifetime is only so many years, it’s shameful to waste.”

Sheng Yiting’s mother was too cunning!

Gong mo stood up. it’s getting late. Have a good rest. I’ll come to see you tomorrow.

The next afternoon, Gong mo brought Sheng shuangxue to the hospital to visit Tong Siyao.

Tong Siyao was flattered. She asked Sheng shuangxue, “I heard from Auntie that you’re having your final exams? Are you done with the exam?” “There’s another foreign language tomorrow. I’ll read at night.”

Tong Siyao nodded.

I heard that your sister is in the same grade as shuangxue. Did she take the exam? "Gong mo asked.

"She'll be here in a few days."

"Then you can ask her to come to Beijing after the exam! She's the same age as shuangxue, so they'll definitely be able to play together."

Sheng shuangxue thought, I don't want to make new friends! This is so troublesome! What if they didn't get along?

Tong Siyao said awkwardly, " my sister and the others have extra classes. They might not have time. But she wants to go to a school in the capital, so she can do it in the future."

"How's the child?" Gong mo nodded.

"Uh, it's pretty good."

"When can I see the baby?" Sheng shuangxue asked, " it's my first time being an aunt. I'm looking forward to it.

uh, Hanhan. Tong Siyao looked at their expectant eyes and said helplessly, " I called my mom this morning and told her that I want to bring the child to live with me for a while. I'll Hanhan then.

"You're going back to pick him up?" Gong mo looked at her body. She didn't dare to move at all. How long would she have to wait?

"I want Yiting to go. I'll discuss it with him later." Tong Siyao said softly, " but the baby is more sensible now. I want to wait for a while until I'm better. Otherwise, he'll be worried and it'll be worse if my mom finds out.

“Alright then!” Gong mo nodded in satisfaction.

“Is the summer vacation going to be okay?” Sheng shuangxue asked.

“It’s not a problem,” Tong Siyao was helpless.

Gong Mo’s words yesterday had enlightened her. Since Gong mo had made his stand clear, she naturally wouldn’t hold back. It would hurt their relationship.

Moreover, an Nian was a child of the Sheng family. In Sheng Yiting’s words, they were now resolving this peacefully. If she didn’t agree, they would definitely take the child away.

Anyway, they were set on having the child and would definitely treat the child well.

Since that was the case, she would be sensible for once and let the child get in touch with them in advance to cultivate their relationship. It would be a happy ending for everyone.

Two days later, Sheng Yiting returned to the capital from Nanjiang. He went to the hospital to see Tong Siyao as soon as he got off the plane.

At this time, he had already found out what Lu duo had done to Tong Siyao back then. What was surprising was that he couldn’t find out who had done it.

In other words, Lu duo had cleverly avoided the Sheng family’s network of connections when she got people to do things.

The Sheng family could do anything they wanted in the country now. Gambino ruled half of The Dark World overseas, and they had to give him face for the remaining half. Now, they could touch the entire mercenary world and half of the assassin circle through Xin Rong ...

Under such circumstances, there was still information that they couldn’t find. It was clear that Lu duo had some skills.

But where did Lu duo get this ability? She could only rely on the Lu family. The Lu family's connections in the Yu and Sheng families could not be more powerful than the Sheng family's.

Could it be David, her agent?

Chapter 1513: You're digging a pit for your son

David's resume was clean, and there was nothing unusual about it. If this was an illusion, she didn't dare to think about his purpose!

Sheng Yiting narrowed his eyes. Like Sheng nanxuan, he dealt with suspicious matters in a simple and crude way.

Since Dave was suspicious and they could not find out, they might as well just kill him. When a person was dead, any plans they had could not be executed.

He wouldn't let him follow the vine to find the melon. If he didn't find the melon, the vine would turn into a snake and bite back, it would be a big loss!

At this thought) Sheng Yiting's heart was set. He strode to the door of the ward and knocked.

"Please come in," Tong Siyao's clear voice said.

Sheng Yiting paused for a moment, then pushed the door open with his chin pursed.

Tong Siyao's forehead twitched when she saw his expression.

It looked like someone was here to quarrel.

Sheng Yiting pulled his tie and sighed. It was too hot outside, so the air-conditioned room was much more comfortable.

He saw Tong Siyao in the wheelchair and asked with concern, ' "Can I get out of bed now?

well, I just don't dare to walk. In two days, I'll be able to do a little more exercise.

okay. Sheng Yiting recalled the last time he saw her. She was still lying on the bed and did not dare to move. He suddenly felt uncomfortable. Just now, she was filled with resentment, but now, all that was left was heartache.

"Don't take any more risks in the future," he said in a low voice.

"I already have a plan for the future." Tong Siyao said calmly.

Sheng Yiting looked at her and said, 'i "Do you include me in your plans?

uh, " Tong Siyao said awkwardly. sorry, I'm talking about career plans.

ha ... Sheng Yiting sneered. it seems like you're going to file a lawsuit.

Tong Siyao frowned, "are you crazy?" I said it's a career plan!" what about the other plans? " Sheng Yiting was furious.

you ... Tong Siyao paused and laughed. didn't your mom tell you?

"What did he say?

“Ha!” Tong Siyao also sneered. if I were your mother, I would hit you!

Sheng Yiting was furious, but he gritted his teeth and did not argue with her.

He furrowed his brows and thought, could it be that mom has made some progress? Why didn't she tell him? It didn't look like it from Tong Siyao's face!

“It looks like you don't welcome me. I'll come back another day!” He said angrily.

Hmph! Tong Siyao snorted. take care!

Sheng Yiting choked, closed the door, and went home with a heart full of resentment.

At home, Gong mo and Sheng shuangxue were happily discussing his baby clothes. Sheng nanxuan was nodding with a smile.

Seeing this, Sheng Yiting asked in a daze, ” “Why did you guys dig this out?”

“I'm giving it to your baby. I'm keeping it for you.” Gong mo asked, i ' why do you look so pale? Who provoked you?”

what? I ' Sheng Yiting choked. we haven't even gotten the baby yet, and you've already found the clothes? '

The three of them widened their eyes and looked at him as if he was an idiot.

“You still haven't visited Siyao?” Gong mo asked.

Would Yueyue get a beating if she said it?

He felt that something he didn't know had happened! It seemed to be a very serious matter!

you've visited her? Sheng Yiting swallowed. have you seen her?

"Nonsense!" Gong mo rolled his eyes at him. Didn't I tell you to leave it to me?

Wasn't that how a woman's heart was? I've been through this, what can't I do? Siyao said that after she's better, she'll let you pick up the kids."

Sheng Yiting was dumbfounded, 'why didn't you tell me? You're setting your son up!"

Chapter 1514: I probably don't need to worry about the relationship between mother and daughter-in-law

"How did I trick you?" Gong mo asked.

Sheng Yiting choked. He did not dare to say anything for fear that she would slap him.

"He probably made a mistake," Sheng nanxuan sneered.

Sheng shuangxue slammed the table and said, "I'll be lenient if you confess!" Resistance will be met with strict punishment!"

"I just had an argument with her, Hanhan," Sheng Yiting said weakly.

you ... Gong Mo's eyes widened in anger. He picked up his childhood clothes and tried to slap him.

Sheng Yiting was on the verge of a mental breakdown!

Tong Siyao was right. She wanted to f * cking slap him!

Moreover, all three of his family members were on Tong Siyao's side, so he felt happy and sad at the same time.

Unconvinced, he shouted at Gong mo, "you still want to slap me?" It was clearly you! Why didn't you tell me?

"You want me to tell you? You wish!" that's the fruit of my labor, " Gong mo spat. why should you enjoy it? i ' I didn't tell you on purpose. I wanted to see if it was her problem or your problem! Now the result is out. It has always been your fault! You actually have the cheek to criticize others? Siyao's so nice and reasonable. She even told you to pick up the kids, but you made her angry the moment you came back!"

Sheng Yiting thought, 'what about Yueyue's promise of the predecessors planting trees for the descendants to enjoy the shade?' Mom, you're tricking your son with your strength!

The only consolation was that she probably didn't need to worry about her relationship with her mother-in-law.

Since he was in the wrong, he naturally went to apologize without any hesitation.

The last time she had treated him like that, he had shamelessly sent her a love-filled meal. This time, it was her fault, so what was there to hesitate about?

"I'll go make dinner," he said as he rolled up his sleeves.

"Wait for you? My daughter-in-law is starving! Auntie should be done by now, you can just carry it over."

Sheng Yiting was taken aback. He understood that she had asked someone to prepare food for Tong Siyao these few days. He was touched."Mom! You're the best!"

He hugged Gong mo and ran into the kitchen before Sheng nanxuan's expression changed.

Sheng shuangxue held her face and sighed. Oh, the sour smell of love! I'm the only one in our family who hasn't been in love. I really want to.

"What?" Gong mo and Sheng nanxuan looked at her in disbelief.

She said matter-of-factly, "what's the matter?" I'm a young girl, okay?"

"I'm so worried that no one would want a young lady like you!" Gong mo facepalmed.

Sheng nanxuan gritted his teeth. whoever dares to have any ideas about you. Make sure he learns martial arts and come to me!

Sheng shuangxue, "Yingluo."

She lay on the table gloomily,"you all don't love me, Yingluo."

One despised her, while the other wanted to kill her future happiness.

Just then, Sheng Yiting came out with a lunchbox and was about to leave.

"You're only bringing one person's share?" Gong mo shouted. Do you think it's more romantic to eat with her, or do you think it's more stupid to watch her eat?"

Sheng Yiting: 'i sob, sob, sob. was he her biological son? Was it?

He turned around and went back to pack more food and a pair of chopsticks.

“I really don’t want to admit that you’re my son.” Gong mo said in disdain.

Sheng shuangxue asked, “do mothers dislike their children?” He must be her biological son!

Sheng Yiting walked into the ward with a lunchbox in his hand. Tong Siyao was sitting on the bed, typing on her laptop.

When she saw him, she closed her laptop. did your mother hit you?

Sheng Yiting, “Yueyue.”

Someone had really turned bad!

Did she come to an agreement with her mother? They actually joined forces to bully him!

His heart immediately ached) feeling both happy and worried.

He walked over and put down the lunchbox, saying sincerely, “I was too impulsive just now. My mom didn’t tell me, so I thought you were sorry..”

Chapter 1515: Funeral, Lu duo’s fake act

Tong Siyao glanced at him. I’m not an unreasonable person. I forgive you.

He went crazy because of her anyway, so Tong Siyao felt embarrassed.

Besides, she didn't expect Gong mo to trick her son like this. She felt a little sympathetic for him. He might have been living in deep water and fire since he was young-his mother wanted to set his son up, his father was completely helping his mother, and his sister was also a debt collector. Yingluo suddenly felt that he was so pitiful!

The way Tong Siyao looked at him suddenly became " affectionate.

Of course, this was all Sheng Yitings illusion!

It was clearly 'this unlucky child really makes one's heart ache'.

Sheng Yiting was so excited that he hugged her. "I knew it, I would definitely wait for you!"

Tong Siyao pushed him away helplessly. don't be happy too soon. I only said that I'll bring the child over. I didn't say that I'll follow you.

Sheng Yitings eyes widened as he asked in a panic, " "What else do you want?"

right now, I'm just letting you and the child develop your relationship," Tong Siyao said seriously. in the future, the child's business and our business will be separate. We'll talk separately!

"What do you mean?"

"According to the law, he's my child. I won't stop you from seeing him, and it will be the same in the future. If we're not together and you guys take away his custody, you can't stop him from seeing me.

"How can we not be together?" Sheng Yiting was going crazy. This was not going to let him have an easy time!

He was going to go crazy if she kept hanging onto him like this!

we've been separated for so long. I don't want to be too rash because of the child.

Sheng Yiting looked at her and tried his best not to get angry. Marrying her was a rash decision?

"Besides, can't you let me test you? Even back then, we didn't have to get married so quickly, did we? You want to win me over just because we have a child? in your dreams!"

Huahua! it turned out that his wife and mother did not want him to have a

good life!

Weren't they the women who loved him the most in the world? Why did she treat him like this?

At least, he finally understood what Tong Siyao meant.

It's an Inspection

He had been a straight-A student since he was a child and had never failed any exams. Why would he be afraid of her?

Yingluo, alright, he was a little afraid of her.

However, as long as he was full of righteousness, he could resist the cold in the South!

He had a true heart, so how could he not win her over?

The next day, the entire Sheng family rushed to Beiming city to attend Lu

Yang and his wife's funeral. Tong Siyao asked Sheng Yiting to send them the gifts.

In the mourning hall, Lu duo wore a black suit, a pair of small trousers, and a white flower on her head. She kept thanking and saluting the people who came to pay their respects.

The other members of the Lu family stood beside her. Lu Yang, Lu Song, and Lu Rou, who were overseas, had also returned.

Lu duo looked extremely Haggard. She repeated her salutations almost mechanically, looking very mournful.

However, Sheng Yiting didn't feel any sympathy for her. When he thought of Tong Siyao and the child, he was even angry.

He clenched his fists and took a deep breath. Then, he followed Gong mo and Sheng Yiting to the center of the mourning hall to pay his respects.

He admired Lu Yang and his wife, so he would not cause a scene in the mourning hall.

When Lu duo returned the greeting, she raised her head and looked at him with her watery eyes.

He turned his head away in disgust. Lu duo immediately took a deep breath and fell to the ground, feeling a huge blow.

"Al!" Yu Xinran, who was beside her, gasped and hurriedly supported her.

Everyone had long been afraid that she would be devastated and unable to take it, so they all stared at her carefully. At this time, Lu Yang and Lu Rou also reached out their hands..

Chapter 1516: deliberately forcing people to submit

Lu duo didn't fall. She leaned on Yu Xinran and looked at Sheng Yiting resentfully.

All the guests in the mourning hall followed her gaze, and Sheng Yiting almost laughed out of anger.

He clenched his fists and walked to the lounge next door with a straight face, this is a funeral, " Sheng nanxuan said softly. bear with it!

He knew what Lu duo had done all those years ago, but he didn't expect this little girl to be so vicious.

However, this was not a good time to launch an attack-the dead were respected.

However, Lu duo's glance was a little troublesome.

Everyone knew that the Sheng family and the Lu family had a good relationship. Lu duo and Sheng Yiting could be said to be childhood sweethearts. Now, she had obviously shown interest in Sheng Yiting, and the two families were quite close.

Many people would probably think that Lu duo was going to marry Sheng Yiting.

Sheng nanxuan narrowed his eyes. This Lu duo was indeed not a good person. She was deliberately forcing people to submit!

After the ashes were buried, the Lu family held a banquet in the hotel to thank the guests.

It was getting dark, and Sheng Yiting probably wouldn't be able to make it back in time after eating, so he texted Tong Siyao, " Have you eaten?

Tong Siyao: " yes, I did. Your family sent it over.

Sheng Yiting replied, 'I'll probably be back tomorrow morning.' Tong Siyao:

Sheng Yiting put down his phone, feeling a little distracted.

After the meal, Lu duo went to rest. Lu Yang and Yu Xinran sent the guests off, and some guests were arranged to stay the night at the hotel.

The entire Sheng family was supposed to stay the night, but Sheng Yiting was still concerned about Tong Siyao. He booked a plane ticket online with his phone and went to say goodbye to Lu Yang.

Lu Yang looked at him in surprise and then at Sheng nanxuan. "You all want to go back now?"

"It's just me," I'm busy," Sheng Yiting said.

I see, Qianqian. Lu Yang heaved a sigh of relief. He still had something to discuss with Sheng nanxuan. Although it was about Sheng Yiting, it was better for him to be away.

After Sheng Yiting left, Lu Yang said to Sheng nanxuan, " I want to discuss something with you. I wonder when you'll be free? '

Sheng nanxuan pondered for a moment. He could almost guess what he was going to say, so he nodded.

After Lu Yang sent the guests off, the two of them went to the tea room downstairs. Yu Xinran also came over with Gong mo and Lu Yang.

Gong mo and Sheng nanxuan looked at each other. Sheng nanxuan was as calm as usual and did not say anything.

"I remember that Yiting isn't young anymore, is he?" Lu Yang asked, a little embarrassed. I wonder what you guys think about his marriage?"

Sheng nanxuan smiled. it seems like you have an idea.

Yu Xinran said awkwardly, "Duoduo grew up with him. You saw it today.

Duoduo has feelings for him. I think they're quite suitable for each other. Although Duoduo is alone now, we treat her like our own. She doesn't lack anything. Besides, she's very famous, and her parents' death has earned everyone's respect and admiration. She'll be a great help to Yiting."

Gong mo bit his lip. In this aspect, Tong Siyao and Lu duo were evenly matched. However, Sheng Yiting only liked Tong Siyao, which was really worrying.

Eh? Wait a minute!

She was Sheng Yiting's mother. She had to say something, or people would think that she had agreed!

"Yiting has a bad temper. We can't make the decision for him," she said hurriedly.

Lu Yang and Yu Xinran were both stunned. Wasn't this reason for rejection a little too lame? He didn't even use an official tone..

Chapter 1517: Could it be that someone was secretly replacing Lu duo with another person?

"Is it our Lu duo's fault?" Lu Yang humbly asked.

“No!” Gong mo was resolute and decisive. both nanxuan and I will let Yiting make his own decisions. As long as the woman’s side doesn’t have any major flaws, we will naturally not object. Yiting is still thinking about his first girlfriend, that October, and they’ve met recently.”

Lu Yang frowned.

October ah Jian Jia reported that she was from Western Plains and was born in an ordinary family. Her father died in the sea defense war.

In terms of family background, she couldn’t be compared to Lu duo at all. However, Sheng Yiting was not an ordinary man, and his wife did not care about her family background!

Tong Siyao had a father who was a revolutionary martyr, so she was very fearless. The news reports could highlight her calm, rational, and just mind. It could be seen that she was sensitive to politics. As the First Lady, she should be able to do some practical things and not be reduced to an empty display. Lu duo was an art student, so she might not have any political talent.

It seemed like Lu duo had lost.

However, Lu Yang and his wife were both dead, leaving Lu duo all alone. As her uncle, Lu Yang naturally had to take care of her future and choose a good marriage for her.

Since she liked Sheng Yiting, he would try his best.

did they get back together? “he asked Sheng nanxuan.

He’s going back to see Siyao. Gong mo said.

I see, Qianqian, ” Lu Yang said regretfully. the marriage is not going to happen, but the friendship between our two families still exists. It’s a pity that they’ve been friends since they were young. I thought they would be together.”

Gong mo directly called Tong Siyao's name. It was obvious that he was satisfied with her.

Lu Yang didn't say anything. He turned the cup in his hand when he heard this.

She used to think that Lu duo and Sheng Yiting would be together. They were so close when they were young. When Lu duo first arrived at her place, she would even blush at the mention of Sheng Yiting.

However, one day, Lu duo suddenly stopped talking about Sheng Yiting.

At that time, Lu Yang was quite busy and Lu duo was in a dormitory. The two of them only saw each other once every ten days or half a month, so they didn't feel that there was anything wrong.

But now, she kept feeling that Lu duo seemed to have suddenly changed into another person at that time. She was the only one who had experienced the changes in Lu duo before and after, so she felt that it was abnormal.

However, was that not Lu duo? It was impossible. Just based on appearance, it couldn't be anyone else, right? They weren't twins, so how could there be two identical people?

However, in those years, Lu duo was still growing. There were some changes before and after, but wasn't that normal?

Besides, could it be that someone had secretly changed Lu duo? What's the purpose? It simply didn't make sense!

It was already two o'clock in the middle of the night when Sheng Yiting got off the plane.

When he arrived at the hospital, Tong Siyao had already fallen asleep. Seeing her sleeping peacefully, he heaved a sigh of relief and his heart finally settled down.

He panicked when he couldn't see her. One moment, she was afraid that she would hide, and the next moment, she was afraid that someone would point a gun at her.

He sat on the edge of the bed and gently held her hand. He lowered his head and kissed it, then lay down beside her and slept peacefully.

He was still sleeping when Tong Siyao woke up.

In the beginning, she didn't know that he was there. She moved her hand and realized that someone was holding it. That was when she realized that he was there.

When did he arrive?

Tong Siyao instantly sobered up.

Sheng Yiting woke up when she moved.

Sheng Yiting yawned and said, "morning."

Tong Siyao had been sleeping and waking up early recently. It was only dawn, so it was indeed early.

She saw that he was very sleepy and quickly asked, "When did you arrive?"

"Oh, I forgot.."

Chapter 1518: This woman has a tough mouth but a soft heart

Tong Siyao saw the boarding pass on the bedside table. She took it and looked at it-it was already two O'clock when she got off the plane, so she would need to wait at least three (Y clock to get here.

In other words, he had only slept for three hours?

“Why don’t you go home? Is it comfortable to sit here?” She asked in exasperation.

“Of course I feel comfortable with you by my side,” Sheng Yiting smiled. I haven’t returned home. It’s too quiet at home, so I might as well stay with you.”

Tong Siyao glared at him, “Sleep on the sofa over there!”

“I’m not going.”

“You . . .”

“You’re not there.’

Tong Siyao gritted her teeth. then you lie down! She wanted to get out of bed after she finished speaking.

you’re up?” Sheng Yiting ran over to her and hugged her. you’re up already?

“Don’t mind me!”

Sheng Yiting’s heart skipped a beat. Then, he heard her say, “Go to sleep!’

Sheng Yiting hugged her and cried out, “Wifey Yingluo”

It turned out that she was fierce to him and despised him because she cared about him.

“Who’s your wife?” Tong Siyao screamed.

“Sooner or later,” Sheng Yiting hugged her tightly and smiled. I’m confident in myself.

Tong Siyao took a deep breath and said, let go of me.

Sheng Yiting didn’t let her go. He kissed her on the cheek.”Do you want to wash up?”

“Are you going to let go or not?”

“You’re injured, I’ll carry you there.” Sheng Yiting let go of her and picked her up in his arms.

put me in the wheelchair, “Tong Siyao said. my wound hurts when I stand for too long.

“Alright,” he said. Sheng Yiting did as he was told.

After she finished washing up, she wanted to go out and get some fresh air.

Sheng Yiting wanted to follow her, but Tong Siyao pulled a long face. “You should rest first.’ of course I have to take care of you here. Otherwise, I’ll feel bad.

Tong Sivao was helpless. then let’s go have breakfast. After that. you can come

back and sleep. Why don’t you go home and sleep? the bed at home is more comfortable.

“I’m only comfortable with you around.”

Tong Siyao choked. She didn’t know what to say for a long time, and her face turned red.

Sheng Yiting's heart warmed. He lowered his head and kissed her on the cheek.

Tong Siyao pushed him away and glared at him. "You better behave yourself!"

Sheng Yiting smiled without saying a word. This woman, ah, she's so soft-hearted!

He pushed her to have breakfast and was about to walk around the garden when Tong Siyao said, "The sun is so bright, let's not go. Let's go back to our room."

"Actually, you're afraid that I'll be too tired, so you want me to go back and rest quickly, right?" Sheng Yiting asked.

Sheng Yiting, "Tong Siyao glanced at him, "you seem to be in a good mood today.

Sheng Yiting knew that she was upset. He coughed and said, "I'm naturally in a good mood after seeing you."

Tong Siyao smiled. I've never seen you say so many sweet words before. Who did you learn it from?" she asked.

Sheng Yiting frowned and thought for a while, then asked, "You really didn't? Looks like you've almost forgotten about our past."

Tong Siyao was speechless. She thought about it carefully and realized that he used to be quite eloquent. However, those memories were really a little fuzzy.

Tong Siyao pursed her lips. She suddenly felt guilty and guilty.

Back in the ward, Sheng Yiting carried her to the bed and went to sleep on the sofa.

Tong Siyao took out an eye mask from under her pillow and gave it to him. She snickered, "Wear this to sleep. It blocks the light."

Sheng Yiting took a look and saw that the blindfold was pink in color and had a cute cartoon shape that seemed to be a rabbit.

He put it on his head and mumbled, "I didn't expect you to still have the heart of a young girl."

"Niannian chose it for me," Tong Siyao said..

Chapter 1519: Could it be for him?

Sheng Yiting's body stiffened, and he immediately took off his blindfold to look at her.

She turned on her computer, glanced at him, and ordered in a low voice, "Quickly sleep."

Sheng Yiting looked at her steadily, and she looked back at him. A moment later, he put on the eye mask and lay on the sofa, feeling pain in the depths of his heart.

He wanted her and a child. It would be best if he could bring them home immediately. Obviously, this dream was a little extravagant.

Tong Siyao glanced at him and quietly read the news on the internet. She didn't use her mouse or keyboard to avoid disturbing him.

Sheng Yiting was in a deep sleep. When he woke up, he heard Tong Siyao talking to someone.

He took off his blindfold and saw that it was the servant at home.

There was a lunchbox beside Tong Siyao. It was obvious that the servant had come to deliver the food.

“Young master.” The servant greeted.

He sat up with a dazed expression.

The maid thought he was still dreaming, so she nodded at Tong Siyao and left.

When he heard the door close, he looked at Tong Siyao. “How long have I been asleep?”

“Four hours.” it’s time for lunch, ” Tong Siyao said. eat before you sleep. I just asked the nurse to get you a new toothbrush and towel. You can go and wash up first.”

Sheng Yiting nodded and regained his spirit.

Tong Siyao sat on the bed and placed the bowls and chopsticks. She had already eaten so much food from the Sheng family, it seemed like she had to repay him with her body.

A moment later, Sheng Yiting came out of the bathroom in high spirits. “Why are the curtains closed?”

He didn’t poop when he was sleeping. Could it be because of him?

“I’m afraid it’ll be too bright and affect your rest.” Tong Siyao said.

Sheng Yiting’s heart skipped a beat. He grinned and happily walked over to pull it open. “I’m wearing an eye mask, you don’t have to worry about me. If you want to look at the computer, it’ll hurt your eyes.”

“It’s fine.” Tong Siyao narrowed her eyes. She was not used to the sudden light.

Sheng Yiting was not used to it either, so he quickly pulled it up halfway.

“Is your house very hot too?” he asked as the sun was blazing.

Tong Siyao nodded.

“I remember that Auntie has to go to work. Who took care of niannian when you weren’t around?”

“Mom is working in the hospital, so she always brings it. There’s a nursery there, just spend some money. When si Lu isn’t in class, she’ll leave niannian at home.’

Hearing that, Sheng Yiting ate his food in silence.

Tong Siyao knew that he was upset, so she also felt upset.

She was wrong, alright?

She took out her phone and dialed Yao Lan’s number. After Yao LAN answered the call, she placed her phone on the table and put it on speaker. Sheng Yiting paused and looked at his phone screen nervously.

“Yaoyao?” Yao Lan’s voice was heard.

mom,” Tong Siyao smiled, “ have you eaten?”

“I’m eating.” mommy ... Tong annian’s voice could be heard. mommy, baby misses you

Sheng Yiting held his breath and forgot to eat. He stared at the phone screen as if he could pull the baby out of it.

baby Nian ... Tong Siyao laughed. mommy missed you too ... Have you been well-behaved recently?"

"Be good!" Tong annian hurriedly said, his muffled voice extremely cute. I'm so obedient! Listen to Grandma, listen to Yunyi."

MMM I knew that niannian is the most obedient niannian is so obedient. Mama will reward you with a father, okay?" ahem! Ahem! Yao LAN and Sheng Yiting choked at the same time.

Her way of doing things was really too willful!

Yao LAN was shocked to hear Sheng Yiting's voice.. "Siyao? Beside you-"

Chapter 1520: Father-son conversation

"Yes." Tong Siyao answered.

"Dad?" Tong annian asked, puzzled.

Sheng Yiting thought that he was calling him, so he replied excitedly, "AI!" After she agreed, she heard Tong annian ask, "Do I have a father?"

There was a moment of silence before Yao LAN continued, "Of course you have a father."

Sheng Yiting held his forehead in embarrassment-so she wasn't calling me ...

"Aunty, Qianqian." He greeted Yao LAN weakly.

“Mama!” Tong annian cried out in surprise, “ there’s an uncle? ‘

“It’s not uncle,” Tong Siyao said.

“It’s a bad guy!” Tong annian made a simple deduction and shouted in fear, ‘ mommy ... Baby will help you!

Tong Siyao also facepalmed. he’s not a bad guy, baby. He’s your dad.

Sheng Yiting held his breath and waited nervously for his reaction.

Wu Wu Wu. Tong annian stopped talking.

Sheng Yiting started to panic. Niannian? Baby? You- ”

I want a Mama, “Tong annian said in a sobbing voice.

mommy’s very busy right now, “Tong Siyao said. can I ask Daddy to pick you up in a few days?”

Wu Wu Wu. Tong annian awkwardly remained silent.

Tong Siyao smiled,“the baby is shy, isn’t he?” Don’t worry, I’ll love you.”

Nian Baobao snorted and started to act coquettishly. grandma, I want to eat this. You should eat more meat, Yingying.

Tong Siyao couldn’t help but laugh. you know daddy’s here, so you’re just pretending to be good?”

Nian Baobao didn't know what she meant by pretending to be good, but he could tell that his mother was laughing at him. He couldn't help but act coquettishly."Mom alright! Baby will be able to see mommy in a few days. Are you happy?"

"I'm happy have a good meal with grandma. I'll call you another day."

After hanging up, she looked at Sheng Yiting.

Sheng Yiting wrapped an arm around her neck and kissed her. She was

slightly stunned and pursed her lips.

Sheng Yiting couldn't find a way in, so he let her go.

Tong Siyao lowered her head uncomfortably. when are you free?"

"Is tomorrow okay?"

Tong Siyao looked at him unhappily. I'm not out of the hospital yet.

"Whatever you say." Sheng Yiting felt wronged. By the way, where are you staying after you're discharged?"

Sheng Yiting suddenly wanted to slap himself! Ask what? Couldn't he have just brought it home?

He hurriedly said, "there's no place, right?" It's quite troublesome to rent an apartment, so you can stay at my place. You've been there a lot in the past anyway, so you're familiar with it. "I want to stay at ye Zi t s place."

"Ye Zi?" Sheng Yiting was stunned.

She nodded, "ye Zi already knows about me and is blaming me." She said that her place is quite spacious and I can stay there."

"But didn't you say that Zhenzhen was afraid of causing trouble for ye Zi?"

Oh? " Tong Siyao was stunned. let me think.

Sheng Yiting heaved a sigh of relief.

Sheng Yiting accompanied Tong Siyao in the hospital for the whole day and refused to leave even at night.

Tong Siyao covered her nose and said in disgust, " "How many days have you been wearing your clothes? It reeks of sweat, are you trying to kill me?"

Sheng Yitings body stiffened.

He was actually a clean freak, and he felt that something was wrong when he heard this.

He raised his hand and sniffed his body. It seemed that Yingying had a smell.

She had worn this set of clothes when she went to beiming city yesterday, and she had inevitably sweated a little while rushing back.

"This is manliness," he said with a straight face. Didn't you like it before?"

you- I' Tong Siyao's face turned red.. Sheng Yiting! Do you think I won't fall out with you?"
