

Ditsy Wife 1521

Chapter 1521: Are you talking about Sheng Yiting and Lu duo?

“I do!” Sheng Yiting admitted defeat in a second. He sniffed his body again and said helplessly, “I’ll go back now.”

Tong Siyao heaved a sigh of relief.

Sheng Yiting walked to the door and asked reluctantly, “You didn’t miss me, did you?”

Tong Siyao rolled her eyes. I don’t want you to appear again!

Sheng Yiting walked away, depressed.

Seeing this, Tong Siyao felt a little guilty. She picked up her phone and sent him a text message: “I mean today.”

Sheng Yiting, ‘I’ll come tomorrow!’

Tong Siyao smiled and said, “I want to eat pork dumplings with cabbage.”

Sheng Yiting, ‘I’ll make it for you!’

A warm current flowed through Tong Siyao’s heart. Alright

In the morning, Tong Siyao got up early to wait for the dumplings.

She asked the nurse to bring a copy of the newspaper. It was Beijing Daily, which was owned by Qing Yu media. In the middle of one of the pages, the bold and black words were printed: [the Sheng family of Beijing is suspected to be in-laws with the Lu family of beixiao. The violin Princess is to be married to a new political upstart.]

Tong Siyao was shocked. Was he talking about Sheng Yiting and Lu duo?

How was that possible?

She hurriedly read the detailed report, which said, " The day before yesterday, at the funeral of Lu Yang and his wife, Lu duo and Sheng Yiting were casting amorous glances at each other. That night, Lu Yang and Sheng nanxuan were discussing their marriage.

The report analyzed the possibility of the two's marriage from various angles-they were a match of equal status, childhood sweethearts, and a perfect couple.

Tong Siyao bit her lip and took out her phone to search for the news.

There were also reports on the internet, and all the sources of the reports could be seen.

She looked at it for a while before the door opened.

Sheng Yiting walked in with a big smile on his face and a lunchbox in his hand. "The dumplings are here."

Tong Siyao smiled. She put down the newspaper and phone and looked at him with a smile.

"What's wrong?" he was stunned. "What do you mean what's wrong?" "You smiled at me."

"Isn't it good to smile at you?"

"It's good, but happiness came too suddenly. I'm a little scared."

“Is that so?” Tong Siyao gave him a side glance, you’re feeling guilty, aren’t you? ”

“When have I ever been a thief? It’s you who

Sheng Yiting wanted to complain about how cold and heartless she was to him again, but when he thought of Gong Mo t s accusation, he didn’t dare to say anything.

Alright, it was all his fault. She was fine!

Tong Siyao folded the newspaper, put the report on top, and handed it to him.

He put down the lunchbox and took it in confusion. Then, he was stunned.”There’s no such thing!

“Why are you so anxious?” Tong Siyao held her chin and looked at him calmly.

“How can I not be anxious? Don’t you know how I feel about you? There must be some misunderstanding! Don’t you believe me!”

Sheng Yiting was completely flustered and broke out in a cold sweat. He was afraid that she would get angry, abandon him, and disown the child.

“I didn’t believe you.” Tong Siyao said.

“No?” Sheng Yiting was stunned.

alright, ” Tong Siyao said after a pause, ” I’m still a little suspicious, but I choose to believe you first.

Sheng Yiting heaved a sigh of relief and hugged her. He said, ” “Thank you! I will give you an explanation for this!”

“Dumplings.” Tong Siyao said.

Sheng Yiting let go of her in a hurry and took out the dumplings in a flurry.

Although he had no intention of getting together with Lu duo, he was still afraid that Tong Siyao would be angry after such an incident.

Was it easy for him to chase a wife? What was the Lu family up to? He wanted to fight!

Sheng Yiting suddenly thought of something. He glanced at the newspaper

and wanted to take a closer look to analyze the situation. However, he was afraid that Tong Siyao would misunderstand, so he didn't dare to do it..

Chapter 1522: Who asked you to scare me every day?

“Have you eaten?” asked Tong Siyao.

“Ah?” Sheng Yiting came back to his senses. no, Qianqian.

Tong Siyao picked up a dumpling, dipped it in the vinegar, and brought it to his mouth.

Sheng Yitings face was full of fear. He ate the food in fear and asked nervously, ” “Is this the last dinner?”

Tong Siyao furrowed her brows and asked unhappily, ” “Am I that bad? You think of me like this!”

“Yingluo didn’t. I thought you would be angry.”

“Why should I be angry? If you get angry, you’ll fall into the trap!” Tong Siyao gave him another pair of chopsticks. eat it yourself.

Sheng Yiting took the chopsticks and picked up the newspaper.

Tong Siyao said while eating, “I’ve seen all the reposts on the internet, but none of them are from the media under Huan mo group.” Although some of them have a good relationship with Huan mo, they also have a good relationship with the Yu and Lu families.”

Sheng Yiting raised his head and looked at her in surprise.

“That’s why I have reason to think that this is the Lu family’s one-sided wish.” She shrugged. Since it involved the Sheng family, the media would not report it on their own. It must have been the Lu family’s aunt or the Yu family’s idea. However, if you knew, you would definitely not allow it to happen, unless you don’t want to see the child anymore. So, the mastermind did it behind the Sheng family’s back! ”

yes, yes, yes, ran ran. Sheng Yiting nodded in a hurry. you’re so smart, my dear!

Tong Siyao said disdainfully, “such a simple scheme, isn’t it easy to analyze?” Look at how scared you are, how are you going to be the president?”

Sheng Yiting felt wronged.

She actually doubted my ability to do things(

He needed to clear his name!

He said gloomily, “isn’t this about you?” Who told you to scare me every day? I’m just afraid that you don’t understand this is a conspiracy and will run away after being provoked! ”

“Hehe, you’re the one who’s too stupid.”

“Yingluo, alright. I’m stupid.” Sheng Yiting heaved a sigh of relief when he saw that her mind was clear. At least he did not have to explain anything. Tong Siyao glanced at him and continued eating her dumplings.

“I’ll go make a call.” Sheng Yiting stood up suddenly.

The newspaper said that his father and Lu Yang had discussed the marriage. He wanted to see if it was true!

He gave Sheng nanxuan a call, and Sheng nanxuan said, “I rejected Yingluo.”

Sheng Yiting was stunned. so, you’ve really discussed it? ” he asked. But they didn’t come to the same conclusion?”

“Yes.” Sheng nanxuan was displeased. The Lu family actually dared to Act One way in front of him and another behind his back. Did they think he was dead?

“Why didn’t you tell me?” Sheng Yiting asked gloomily.

“I feel like I haven’t seen you in many years.” Sheng nanxuan sighed. a son who is married is like water that has been poured out. He meant,“I didn’t even see him, how am I supposed to tell you?”

“Yueyue,” Sheng Yiting replied,“daddy seems to be jealous.”

After the father and son ended the call, Sheng nanxuan received many consoling calls-everyone had seen the newspapers and naturally wanted to ask if the matter was true.

Sheng Yiting had also received many calls, most of which were from his classmates and friends, asking him when the wedding was going to be held.

Tong Siyao saw this development and frowned. Was the Lu family trying to force him to submit?

If everyone knew about it, the Sheng family would say that they didn't. The outsiders probably wouldn't believe it and would think that something unexpected had happened that caused Sheng Yiting to be irresponsible. Tong Siyao sneered, and Sheng Yiting quickly asked, "What's wrong?"

She expressed her thoughts and gritted her teeth in anger. "Lu duo's move is brilliant! Her parents were so great that the whole world was on her side! If you stand out and say that you don't have that intention, then turn around and marry me, we'll be the target of thousands of people.."

Chapter 1523: Let us get married

Sheng Yiting knew that her analysis made sense. Afraid that she would distance herself from him again, he quickly comforted her. "You're overthinking it. I will explain the truth."

Tong Siyao cried out helplessly, "the crowd doesn't care about the truth. They'll only think that you and Lu duo were a couple. You abandoned her because of me, the mistress! When that time comes, you'll be a scumbag, I'll be a slut, and Lu duo will be a White Lotus swaying in the storm!"

At that moment, Tong Siyao really wanted to rush to Lu duo and spit on her face!

She respected Lu Yang and Helen very much, but she was not on good terms with Lu duo!

Sheng Yiting was also furious. You want to break off our friendship!"

Was it easy for him to chase a wife? Their children were going to kindergarten!

He hurriedly stood up. I have to deal with this. Don't worry. It'll be fine.

Tong Siyao nodded and said, "actually, that's good. After what she's done, it's impossible for us to get married within a year or two. Otherwise, people will definitely think of this and get into trouble."

why do you care about what others think?" Sheng Yiting asked, feeling a headache coming on.

"I didn't want it to be so fast!" Tong Siyao said matter-of-factly, but when she saw his expression change, her voice became softer. I'm just finding an excuse, Hanhan.

"You're really good at rubbing salt into my wounds." Sheng Yiting smiled bitterly.

you have to think about it," Tong Siyao comforted. at least you have a son now.

"I want you more." He looked at her with a burning gaze.

Tong Siyao's face was slightly red. She paused and said, "Go and settle it quickly."

"Yes." Sheng Yiting agreed in a muffled voice, but he was still furious at the Lu family.

They probably didn't want to be related to the Sheng family anymore!

He looked at Tong Siyao and walked to the door reluctantly.

"Yiting," Tong Siyao suddenly called out to him.

Sheng Yiting's heart skipped a beat as he turned to look at her.

This was the first time she had called his name since their reunion. Before this, she had only called him Sheng Yiting.

Tong Siyao pretended to smile casually and asked, "You'll come back, right?"

"If Yingluo, I'm saying if. If you and Lu duo are getting married, you don't have to come back to see me, and you don't have to contact me or explain to me. Please leave the child to me.

Sheng Yiting strode back to her and held her tightly in his arms. "I won't, I promise. If that's the case, I won't have the face to see you and I won't bother you. However, if you're not, can you not be so distant? Do you know how afraid I am of losing you? Right now, I wish I could pin you to my waist, put you in my pocket, and carry you around with me!"

Tong Siyao reached out to hug him and whispered, "I'll wait for you to come back."

Sheng Yiting let go of her, cupped her face and kissed her.

The two of them kissed until they were out of breath.

Sheng Yiting pressed his forehead against hers. Siyao, darling. I love you. Tong Siyao's breathing stopped and she said in a low voice, "I love you too."

Sheng Yiting hugged her tightly in excitement and only let go after a while.

"Let's get married then, Yueyue?"

Tong Siyao thought for a moment and reached out her hand.

He was stunned.

"Where's the ring?" Tong Siyao asked.

I'm sorry. Sheng Yiting quickly touched his body and looked at her pitifully.

She retracted her hand. it's not that I don't want to agree. It's you.

"Can I make up for it later?"

Sheng Yiting looked depressed. you did it on purpose. You knew I didn't have it on me. That's why you did it!

"What if you have it? Didn't you just put it on me? How can you blame me? Your teacher didn't teach you that opportunities are reserved for those who are prepared!"

"I've forgotten what my teacher taught me, but I've remembered what you've taught me.."

Chapter 1524: Who are you trying to protect?

When Sheng Yiting entered the house, he heard Sheng nanxuan's voice from the living room. "Grandpa and Grandma are no longer around, so you don't take me seriously anymore, do you?"

"Don't make it sound so serious. We don't know what's going on either." Another voice came, it was Yu Qingliu.

Sheng Yiting walked in and found that Yu Qingliu, Yu xinzhuo, and Yu Ze were there.

"Hurry up and persuade your dad," Yu Qingliu hurriedly said when she saw him.

Sheng Yiting paused and asked, "Then who's going to persuade me? I'm not happy either. What do you think we should do about this? What did uncle-in-law say?"

Yu Qingliu choked and immediately felt powerless.

This family's temper was getting worse with each generation!

He looked at Gong mo for help. At this moment, Gong mo was the only one who could subdue the two T-Rex.

Gong mo didn't want to drag his family down. Sheng nanxuan could love her for decades, even more than before, because she had never hurt his heart.

At this moment, he was angry, so of course she had to share his hatred!

Hmph, she was also very angry in her heart. She hadn't even seen her grandson yet. What if she couldn't see him in the future with this news report?

"Why are you back?" she asked Sheng Yiting. Where's Siyao? Aren't you going to keep her company?"

"If I don't resolve this matter, I won't have the face to see her."

Gong mo nodded and looked at Yu Qingliu, "Uncle, it's not that we're being unreasonable, but you really should give us an explanation for this matter! Nanxuan has received countless phone calls early in the morning. Everyone outside thinks that we are going to have a marriage alliance with the Lu family! The Lu family did have this intention, and we clearly rejected them.

Now that this has happened, who wouldn't be angry?"

Yu Qingliu's head hurt, so he took out his phone and called Yu Xinran. VIT Yu Xinran had asked him to be a lobbyist for today's matter. Of course, the news was published by the Yu family's newspaper, so the Yu family was also responsible, so Yu xinzhuo and Yu Ze also came,

After the call was connected, Yu Qingliu's voice was heard, and Yu Xinran's tired voice came through, "Little uncle, how is it?"

"Aunt, I'm Yiting," Sheng Yiting said.

Yu Xinran was shocked. After a while, she said awkwardly, "Yiting, I'm sorry about this. I just found out about it.

"You don't know, and neither does granduncle. Do you think I'm a child?" he said. Sheng Yiting sneered.

Sheng nanxuan hurriedly waved his hand at him to stop him from speaking. Then, he said to Yu Xinran, "cousin, I remember clearly what Lu Yang said that day. The marriage is not going to happen, but the friendship is still there. But you're doing this right after you turn around. Do you think I don't have a temper? "

Yu Xinran said anxiously, "we really didn't do this!" You've already made yourself clear, so why would we be so stupid as to offend you? We're not possessed!"

"Then who do you think it is? Who are you trying to protect?" Sheng nanxuan asked angrily.

Even though they were relatives, he could not challenge his authority like this!

He was protective of his own family, but what was a group of relatives? You respect me a foot, I respect you ten feet, you sh * t on my head, and you expect me to laugh it off?

He was Sheng nanxuan, a man who did not even acknowledge his own father!

Yu Xinran didn't speak for a long time and began to cry.

Sheng Yiting took a deep breath and asked, 'where is Lu duo? Where's uncle? Why are you alone?"

Yu Xinran knew what she meant. He asked, " Whether or not Lu Yang and Lu duo had done it in private, they had asked her to come out and mediate..

Chapter 1525: She's not simple

I'm sorry, ran ran," Yu Xinran said. we didn't handle this properly. We'll explain it to the outside world.

alright, I'll talk to nanxuan. Yu Qingliu suddenly interjected.

Yu Xinran was shocked,"little uncle-" when are you coming over with Lu Yang? apologize to him personally!

Yu Qingliu hung up the phone and looked at Sheng nanxuan and Sheng Yiting.

"It's Lu duo. She asked someone to post it, but the people didn't know what was going on and thought it was Xinran's idea, so they did it.

"I knew it was her!" Sheng Yiting gritted his teeth.

Yu xinzhuo said, " it's because she likes you. She's a little willful. Now that her parents are gone, she's upset and wants to find someone to rely on. That's why she's a little impulsive.

"It would be great if she was really a willful and impulsive little girl." Sheng Yiting said.

Yu Qingliu felt that he hated Lu duo. In this way, even if the two of them really combined, they would still be a resentful couple.

It was a pity that the two of them were childhood sweethearts, but now they could not even be friends.

no matter what, he's still a child. Just let the Lu family discipline him. Yu xinzhuo said.

Sheng nanxuan could not help but laugh, 'are you afraid that I'll do something to her? She's not simple, just don't do anything to us!"

Yu Qingliu: "Yingluo," who can do anything to you?

After the three Yu family members left, Sheng shuangxue came out of the bedroom and asked, " "How is it?"

"It's fine. Have you done your homework?" Gong mo asked.

"I've done it today. I'm hanging out with my classmates this afternoon."

"Then you go

"A man or a woman?" Sheng nanxuan asked in surprise. "A woman!" Sheng shuangxue looked at him, speechless.

"Then you can go."

Gong mo looked at him helplessly and said, " "I guess Xinran and Lu Yang really don't know. They're not fools. On the other hand, Lu duo's teasing was very likely. I heard that a few years ago, Tong Siyao went to Qingyu media to apply for Qingqing."

She looked at Sheng Yiting and said, 'after she gave birth, she probably wanted to come here to work. When I was applying for the job, I bumped into Lu duo who was shooting a magazine. Lu duo told human resources and didn't want her anymore."

“Why are you so bad?” Sheng shuangxue mumbled, “if it wasn’t for this, wouldn’t we have known that you had a baby?”

“Probably,”

Sheng Yiting clenched his fists.

He could imagine how desperate Tong Siyao was when she decided to go to Emilya.

What if she met with an accident in Emilya? Didn’t he say that he would never see her again?

This time, she was lucky. She was only hit by a stray bullet and didn’t suffer any vital injuries. If she was unlucky and was attacked, would she have died long ago?

we’ll strengthen the protection of the Tong family together, ” Sheng nanxuan said. in case of any accidents.

“You sound so scary.” Sheng shuangxue said uneasily, ” can I still go and play with my classmates today?

“It’s best not to go.” What if she met a boy with ulterior motives?

Sheng shuangxue: ” Yingluo. daddy is really unreasonable!/(TOT

“If you’re not going to play with your classmates, we’ll go visit your sister-in-law together,” Gong mo said with a smile.

I’ve already made an appointment with my classmates. I’d better go. At most, I won’t do it next time.

alright. Gong mo nodded. I'll go to the hospital with you later.

my proposal failed! Sheng Yiting said with a long face. I just failed!

Gong mo was surprised, "you're asking for it at this time?" It would be strange if he didn't fail! Don't be discouraged. Girls are all reserved. You have to beg a few more times to highlight how precious she is, and then you will cherish her..

Chapter 1526: I've learned so many skills to pick up girls for nothing

Sheng Yiting looked at him pitifully. Siyao had agreed, but I don't have a ring on me.

Gong mo looked at him in disbelief. After a long time, he shouted, "Don't say you're my son! Your dad was so good at picking up girls back then, why are you so stupid! You can't do anything without the ring? If it was your dad, he would definitely pull a strand of hair from his head and wrap it around my finger, then say, Tie your hair as husband and wife."

Sheng nanxuan smiled and nodded. my wife knows me best.

Sheng shuangxue covered her eyes and thought, "Oh my God, the dog abuse mode is on again!" what?! Sheng Yiting was stunned. that works too!

"What else?" Gong mo glared at him. "

"But isn't the hair knot for two people?" Sheng Yiting said weakly.

"That's why I said you're stupid!" Gong mo roared, " if she asks, you can pull another one out of her head!

"I'm sorry." Sheng Yiting said painfully, " I'm too stupid. I'm not worthy of being your son.

His parents were both experts in love. Could it be that he was picked up from the streets since he was so stupid?

Sheng shuangxue cupped her face. She really wanted to find a girl to test Gong Mo t s trick. Then, she remembered. She was also a girl!

Aiyoyo

He had learned so many skills to pick up girls for nothing!

The next day, the Lu family published a statement in the newspaper clarifying that the Beijing Daily's report on the marriage between the Sheng and Lu families was not true. Sheng Yiting and Lu duo each had a lover and were purely friends. The two families had no intention of getting married.

He had shown the article to the Sheng family before it was published, and there were no problems.

Then, Lu Yang and Yu Xinran brought Lu duo to the capital to visit her and apologize.

When the Sheng family learned that Lu duo was coming, they were instantly in a bad mood!

The moment she stepped into the house, was she going to talk about the marriage between the two families?

Sheng nanxuan quickly said,"Lu duo doesn't need to come." She has suffered the pain of losing a family member, let her rest well."

Fortunately, Lu Yang and David also came. Lu Yang and Yu Xinran let the two stay at the hotel to accompany Lu duo.

The Sheng family accepted their apology, but both of them knew that after this incident, the relationship between the Sheng family and the Lu family was no longer what it used to be, and there was a Rift between them.

It was not just the Sheng family and the Lu family. The Sheng family and the Yu family, and the Yu family and the Lu family, had accumulated grudges of varying degrees.

The three families looked fine, but suddenly, the distance between them widened. He didn't know if they would gradually cut off all contact in the future.

This matter made Lu Yang furious. He had clearly said that he would treat Yu Xinran well, but this time, he had put her in a difficult position. However, Lu duo's parents were gone, so he couldn't teach her a lesson. Otherwise, what would Lu Yang and Helen think? They had just died, and he was already bullying their daughter?

Therefore, he could only chat with Lu duo and knock some sense into her. Lu duo expressed that she knew she was wrong and he could do nothing about it.

After Lu Yang and Yu Xinran went to the Sheng family's house, Lu duo was resting in the hotel.

"Do you want to go out for a walk?" Lu Yang found her.

Lu duo shook her head and lay on the table in a daze.

Lu Yang reached out to touch her smooth hair and said thoughtfully, "You're really different from when you were young, Yingluo."

Lu duo froze and looked up at her. "Why do you say that, aunt?"

"You wouldn't have done such a thing when you were young." Lu Yang retracted his hand and looked at her. did I not take good care of you in those years and that's why you changed?

Lu duo lowered her eyes and asked sadly, 'am I wrong to like Sheng Yiting? He is my brother Yiting! When we were young, I played games with him and was his bride.. Why can't I be his bride now?"

Chapter 1527: She's suspecting you

She didn't know if Lu duo and Sheng Yiting had ever played this kind of game, but it was how children played. It was no big deal. Moreover, Lu Yang was overseas at that time. How would he know these details?

you don't like him, "Lu Yang said after a moment of silence. it's just that you haven't found someone you really like, So You Think you should like him.

you think you can lecture me just because you've had a few failed marriages and relationships?! Lu duo screamed.

Lu Qian sucked in a breath and looked at her in disbelief. He said seriously, " "Duo Duo! Is this how you're taught?"

"What's wrong with my upbringing?" Lu duo shouted.

"Your aunt and I didn't teach you to disobey your elders. Where did you learn that from? If you have me as your aunt in your heart, if you have the basic upbringing, would you mention the few failed marriages and relationships I had?"

Lu Yang had been married twice. She studied music, and the two were a musician and a painter respectively. They were both artists, and romance came and went quickly. Marriage and divorce were common.

Of course, she had also loved him deeply before, but it ended in failure. That love still hurt when she thought about it.

On days when she wasn't deeply in love, she didn't lack men by her side, and there would always be intermittent relationships.

However, he didn't expect Lu duo to bring up this matter! How was this the upbringing of a rich young lady? Even if the heiress knew all this, even if she knew that such words could hurt people, she would not say it so easily and lose her demeanor!

Furthermore, she was her aunt!

I'm so disappointed, "Lu Yang said. I'm starting to doubt if you're the original Duoduo.

Lu duo had just heard her say that she was different from when she was young. She knew that she was suspicious of her, and now she was even more certain.

"I don't want to argue with you anymore." Lu duo sobbed sadly. dad and mom are no longer around, so you all come and bully me!

Lu Yang's body shook. how can you think of me like that? ' did you not bully me?! Lu duo screamed, turned around, and ran outside.

where are you going?! Lu Qian shouted. where are you going?!

She ran into David, who was looking for them.

David stopped Lu duo and asked anxiously, " what's wrong? what's wrong?

My little princess, who bullied you?"

"I want to go out and relax, my heart is stuffy!" Lu duo called out.

David looked at Lu Yang hesitantly. Lu Yang said, " then you should keep Duoduo company. She's in a bad mood.

"Alright," he said. David nodded.

Lu duo walked forward without looking back. Lu Yang suddenly called out to her, 't "Do you still remember what your name was when you were young?"

Lu duo stopped in her tracks and her pupils shrank. She turned back and asked with confidence, "What?"

"You told me that you have a special title for him that no one else knows."

"Of course I remember." Lu duo said, "I called him that in front of him. No one else knew.

Lu Qian saw that her expression was normal and lowered his eyes to nod. It seemed that he had been overthinking. How could she not be Lu duo?

She had just changed and was not as cute as before.

Lu duo and David quickly walked out of the hotel. David's face was full of fear. "What's going on? She's suspecting you?"

"Shut up!" Lu duo shouted in a low voice, "let's find a place with no one

David quickly shut up. The two of them went to the park and strolled along the deserted Boulevard, talking in low voices.

“Lu Yang can’t stay!” Lu duo said, “ kill her as soon as possible to prevent our identities from being exposed. The Sheng family is also investigating me..

How troublesome! “

Chapter 1528: Lu Yang dies

don’t worry, ” David consoled. he won’t be able to find out our background.

Lu duo nodded with confidence. After all, they had the support of one or even two countries. No matter how powerful the Sheng family was, they would not find out so easily. However, he had to be careful in the future, or he would fail at the last step.

“What do we do now?” She asked, “ we can’t use our feelings to make Sheng Yiting yield, and our marriage is blocked. Zhenzhen, should we kill Tong Siyao?

“No! The Sheng family is protecting her now, and they’ve even sent people to Xi Yuan. We can’t do anything to her, or we’ll lose more than we gain.”

Lu duo gritted her teeth. if I knew this would happen, I would have killed her. This wouldn’t have happened.

“It’s all your fault,” David said,“you insisted on solving it your way.” Now, not only did she come out to cause trouble, she even raised a son.”

Lu duo said irascibly, ‘now you’re blaming me? Forget it, let’s start the plan to take over the Lu family! It was a pity that there were too many people in the Yu family. Otherwise, they would all die and transfer their assets to the Lu family first. With the assets of these two families, he would have a firm foothold in the country. It’s just that the Lu family’s sister-in-law needs to find a good marriage partner.”

The Lu family returned to Beijing city together. A few days later, Lu Xin said goodbye and returned to Vienna.

It was summer vacation now. Lu Rou and Lu Song were both at home. They were preparing to go to country M when school started so that they could spend more time with Lu duo. Lu Yang suddenly wanted to leave, which was somewhat incomprehensible.

However, Lu Yang was hurt by Lu duo's words and didn't plan to stay.

Lu Yang and Yu Xinran couldn't make her stay, so they could only let her be.

On the day she left, only Yu Xinran and Lu Rou sent her off.

In less than half a month, the news of her death came.

She took sleeping pills in the apartment, then cut her wrist to commit suicide. She left a will and left all her assets to Lu duo.

Lu duo had been alone with her for a few years and their relationship was extraordinary. No one doubted the authenticity of the will.

But why did she commit suicide?

I heard that when she went back, she broke up with her boyfriend, probably because of their relationship.

She also heard that she had been fighting for the position of the head violin in the symphony orchestra, but two days before she committed suicide, the position was won by someone else. It might have been a blow to her.

She had suffered from mild depression before, but it could also be a relapse, Yingluo.

No matter what the reason was, her suicide had caused a great stir.

She was quite famous in the classical music industry. Both of her ex-husbands were talented and stood out in their respective fields. It was said that when her first ex-husband learned of her death, he vomited blood backstage at the concert. Her second husband was in the middle of an interview when he burst into tears.

Moreover, her brother had passed away not long ago. Some people were wondering if there was a problem with the Lu family's Feng Shui.

Lu Yang almost couldn't resist it. His brother and sister were dead. It was like God was deliberately going against the Lu family!

He didn't believe that Lu Qian would commit suicide, but it couldn't be murder, right?

Now that she had left all her assets to Lu duo, who was the biggest beneficiary, could it be that Lu duo wanted to kill her? How was that possible?

The local police had investigated and found no traces of murder.

When the news reached the Sheng family, Tong Siyao had just been discharged from the hospital. Sheng Yiting settled her in his house and was ready to pick her up in Xiyuan.

He was dumbfounded when he heard that. why would aunt Lu Yang commit suicide? " He said to Gong mo, " she doesn't look like someone who can't handle things!

"Can you tell from the outside whether he can withstand it or not? I heard that

she had depression before. People who suffer from this disease always want

to die..

Chapter 1529: I really owed you in my past life

Gong mo sighed. He recalled that when he first met Lu Yang, she was still a lively young girl. Who knew that now, it was actually gone.

let's wait for the Lu familys obituary. The funeral is estimated to be in a few days, maybe in Vienna. She asked Sheng Yiting, " are you still going to pick up the child now? "

Sheng Yiting nodded. I've already talked to Siyao's mother. We can't delay it because of this.

"I'm just afraid that they'll feel that it's inauspicious to encounter such a thing."

Sheng Yiting thought about it and agreed with her. The child was still so young. What if something happened to her?

"Then I'll ask Siyao. After all, we'll be attending the funeral, and she'll be the only one taking care of the child. Her injuries haven't healed yet, so I'm afraid it'll be a little strenuous."

Gong mo nodded in understanding.

After Sheng Yiting told Tong Siyao, she immediately said, " "Then we'll talk after we're done here."

you don't want me to see the child, do you? " Sheng Yiting looked at her with

resentment.

Tong Siyao widened her eyes and said angrily, " "I've already entered your

den, how can I stop you? My wounds haven't healed yet. If he pounced on me,

how could I take it? Of course, I'll take care of it for two more days if I can!"

Oh, Qianqian. Sheng Yiting apologized weakly. I've been too narrow-minded.

Please forgive me, Qianqian

Tong Siyao shook him off. What if I don't forgive you? " she asked.

"I'll continue to beg you!"

1... Tong Siyao choked. I really did owe you in my past life!

"Where? I clearly owed him a few years ago."

Tong Siyao didn't want to talk to him anymore.

A few years ago! A few years ago! She was forced to do so. Did he want to

remember her forever?

Sheng Yiting suddenly asked, 'ah, it shouldn't be a problem for you to go back

to Xiyuan in a few days, right? Why don't you bring me there? This way,

there's no need to delay and we can come back directly."

He had originally wanted to stay at her house for two days and get to know the

child. Otherwise, how would the child be willing to leave with him? Even if

they were to get to know each other for a few days, they might not agree to it. Tong Siyao frowned. I don't dare to joke around with my body. I'll see how it

goes.

Sheng Yiting quickly nodded. that's right. Let's not take the risk. I'll go by

myself!

He still had to go back to Nanjiang for work the next day, so he asked again,"

"Are you okay with being here alone? Why don't you come to my house?"

When she was discharged from the hospital, Gong mo had strongly invited

her to stay at his house.

She shook her head. it's too troublesome to go to your house. I'm afraid it'll be

uncomfortable. Don't we have servants now? Besides, ye Zi will come and

accompany me when she's free."

"Alright," Tong Siyao smiled.

Sheng Yiting couldn't help but hug her and kiss her.

When she was in the hospital, Gong mo and Sheng shuangue had visited her a few times. She was quite familiar with them, but she was still a little nervous to go to the Sheng family directly.

It had been a long time since the last time he went.

Moreover, she had not seen Sheng nanxuan for many years. She was afraid just thinking about it.

When Gong mo said that Sheng nanxuan was very satisfied with her as his daughter-in-law, she was even more afraid-she was afraid that if she did something wrong, Sheng nanxuan would be dissatisfied again.

Moreover, she wanted to get to know Sheng Yiting's uncle, Qianqian, officially.

Tong Siyao immediately made a list and asked Sheng Yiting to buy her a gift.

Sheng Xiting was speechless. it's not the first time. I don't think there's a need to.

"But I haven't been there for a long time."

“No need, no need!” what if you brought a gift but Xin Rong didn’t? ” Sheng Yiting said hurriedly..

Chapter 1530: Daddy will come to see you in a while

Tong Siyao thought about it and she go abroad a while ago?” He might even bring a gift.”

Sheng Yiting thought about it and agreed with her. He took the list and looked at it. isn’t this too expensive? Weren’t you overseas all these years? You didn’t bring any souvenirs back?”

other than transferring flights in Southeast Asia, going to Country M for business, or going to Emilia, do you want to bring back a few bullets? ‘

Sheng Yiting, “Yueyue. ”

my news is worth a lot of money. I can still afford this gift. Although it was a drop in the bucket compared to the Sheng family’s wealth, there was no need for stage fright.

Sheng Yiting glared at her. this is all because of your life. You’re not allowed to go there again!

“Don’t worry, I don’t have that plan in the short term.”

“You still have long-term plans!” Sheng Yiting screamed.

“Who would have such a long plan? If there’s any breaking news, I’ll have to adjust my plans. We’ll see when the time comes.”

Sheng Yiting furrowed his eyebrows and snorted in his heart. Next year’s selection must be a success! I don’t believe that you can still run around with a camera after becoming Madam President!

In the end, Lu Yang's funeral was set to be held in Beimang city.

The Sheng family returned home on the same day after attending the funeral. Sheng Yiting rushed to Xi Zha the next day.

After he got off the plane, he walked out of the airport and felt the hot air outside. He was a little nervous.

He didn't know if Nian Baobao would like him.

At this moment, the Tong family was in chaos.

Yao LAN knew that Sheng Yiting was coming and wanted to make Tong Annian look cuter. She brought him a new set of clothes and asked him to change.

Tong Annian ran around the house barefooted, trying to hide, but he refused to obey. He shouted, "Mom, mom! Grandma doesn't love the baby anymore!"

Tong Silu burst into laughter.

Yao LAN glared at you going to help me hold him down?!"

Tong Siyao immediately stopped the baby and pulled him into her arms.

Tong Annian shouted, 'Auntie doesn't love the baby anymore either!

Wuwuwuwu!" Be good, be good, be good," Yao LAN walked over and carried him back into the house. She placed him on the bed and helped him change his clothes.

Daddy will come to visit you later. You have to perform well so that he will like you.

Tong annian pouted and said in a Huff, "I don't want him to like me.'

"What?"

"He didn't come to see the baby before." Nian Baobao said angrily.

Yao LAN paused. daddy is here. You were sleeping so you didn't see him.

"You're lying," Nian Baobao did not believe her. Don't think that you can lie to him just because he's a child. He's very smart. If daddy didn't come, he didn't come!

"But we still need to change into new clothes." Yao LAN asked, "niannian doesn't like the clothes grandma bought for you?"

Tong annian puffed up his cheeks and tugged at the clothes in her hands with some disdain.

He didn't want this ugly look.

"Grandma bought this especially for you!" Yao LAN took off the t-shirt he was wearing and put this on him.

Tong annian sighed, his cheeks puffed up in dissatisfaction, but he didn't object.

It's so hard on grandma, I better not make her sad, Yingluo.

Tong silu received a call from Tong Siyao when she was outside. Tong Siyao said, "Niannian's father has already gotten off the plane. He should be here soon. "

“Alright. Mom is helping niannian change into new clothes. She specially bought a cute one, but niannian doesn’t seem to like it. ‘

“Isn’t it too fancy?” Tong Siyao laughed. he likes simple designs.

“Mom knows, but he’s just a child, so we all want to make him look cuter. You didn’t see how he pouted his face and looked so unwilling.. He was so cute!”
