Chapter 1551: I don't want to go with you

Sheng Yiting believed that everything would happen naturally if they spent more time together.

"Do you want to go to my mother's place with me?" he asked Tong annian many times.

Tong annian agreed to it every time.

Hence, Sheng Yiting booked a plane ticket and packed his clothes and toys with Yao LAN. On the day he left, he even brought along the parrot and rabbit.

After placing the luggage in the taxi, Sheng Yiting took Tong annian from Yao Lan's arms. "The weather is hot. Auntie, you don't have to send me off. I'll call you when I arrive."

alright, Wanwan. Yao LAN looked at Tong annian reluctantly and caressed his face. I have to listen to my parents and grandparents, okay?"

"I know!" Nian Baobao nodded seriously and eagerly lowered her head to look at the rabbit and the parrot in the car.

we'll be leaving then,"Sheng Yiting said to Yao LAN. you guys should hurry up.

He carried the child into the car, and Tong annian immediately hugged the rabbit cage. He said in a soft voice," little white rabbit, let's go find mommy

After the car started moving, Tong annian was shocked. He threw away the cage and leaned against the window, dumbfounded."Grandma, aunty, aunty, aunty, aunty, aunty!"

“Where’s grandma and aunty?” he turned to look at Sheng Yiting. “Grandma and aunty are at home. Let’s go find mom.”

“Aren’t they going together?” The little guy looked at him in surprise.

“Okay, grandma and aunty won’t be going.”

“I don’t want to!” Tong annian shouted, his small palm hitting the car window a few times. I don’t want to go with you! I want grandma and aunty!

“Every year I’m happy.”

“Waah-bad guy! Where are you taking me? You even kidnapped little white and little flower Yingluo.”

“Yingluo, did you watch too many TV shows?”

Yao LAN and Tong silu stood at the entrance of the neighborhood and watched as the car drove out of the alley.

Yao LAN sighed softly. Her heart was filled with reluctance, “I don’t know when I’ll be able to see him again.”

“It won’t be too long.” Tong silu comforted her. you’ll always come back during the holidays. When you retire in the future, you can move to my place.

“It’s too troublesome, Yueyue.” Yao LAN sighed softly and turned around to

walk into the district.

She had not taken two steps when she suddenly heard Tong annian’s cries.

She thought she had heard wrong and hurriedly ran back. The taxi had driven back, and Tong annian was waving his little hands in the car, crying loudly.

Yao LAN had never seen him cry so sorrowfully before. She hurriedly ran over.

Tong annian kicked Sheng Yiting in the car, crying and shouting, ‘I want to go back! Sob sob sob sob sob I want grandma! Scoundrel! Let me go!’

Sheng Yiting opened the car door and carried him out. “Grandma is here.”

When Tong annian saw that it was really his grandmother, he immediately pounced on Yao LAN and hugged her neck tightly. “Wuwu, grandma Xuxu! I’ll be good, don’t, don’t let me Yingying

“Grandma didn’t abandon you.” didn’t baby want to go to mommy’s place? ‘ Yao LAN asked.

I don’t want it anymore, Wanwan. Tong annian shook his head. I want grandma. Mommy will come back.

Yao LAN looked at Sheng Yiting awkwardly.

why don’t I come and pick him up next time? ” Sheng Yiting sighed helplessly.

“Alright!” Yao LAN hurriedly agreed and hugged Tong annian tightly. She naturally couldn’t bear to part with the child she had raised.

Sheng Yiting lowered his head and took Tong annian’s luggage out of the car.

Tong silu carried the rabbit and the parrot. Yao LAN comforted Tong annian.”Baby, don’t cry.”

“Baby, don’t cry!” The parrot immediately imitated.

Sheng Yiting reached out and patted Tong annian’s head. Tong annian shook his head and continued hugging Yao LAN without turning back..

Chapter 1552: You treat rabbits better than me

“Daddy is leaving.” do you want to say goodbye to daddy?” Sheng Yiting whispered in his ear.

Tong annian turned his head, his face full of tears.

“Daddy is going to mommy’s place. Are you really not going?”

Tong annian stared at him, not wavering at all.

Sheng Yiting was disappointed and sad, but he had no choice but to get into the car.

Tong annian stared at the car as it drove away. He did not cry or make a fuss.

It was only when the car was out of sight that he turned around and leaned on Yao Lan’s body. He muttered coquettishly, “Grandmother Yueyue”

grandma didn’t raise you for nothing, ” Tong silu said with a smile. at least you have a conscience!

Countless people in the capital were anxiously waiting to see Nian Baobao.

After Sheng Yiting got off the plane, he went straight to his house to look for Tong Siyao.

Seeing that he was alone, Tong Siyao's eyes widened in surprise. "Isn't niannian coming?"

"I cried after I got in the car." Sheng Yiting sat on the sofa tiredly. she refused to leave with me and said that I'm a bad person, so she had to return me.

uh, hehe. Tong Siyao was both sympathetic and embarrassed. She reached out to press on his shoulder and comforted him. he's probably not used to it yet. The next time I go back, I'll be able to bring him over."

Sheng Yiting looked at her and pulled her into his arms gloomily. "He only called me 'dad' twice,"

"I'll call a lot in the future.'

"You treat the rabbit better than me, Yingluo."

He even wanted to compete with a rabbit. Tong Siyao really didn't know how to comfort him. She patted his back. what do you want to eat for dinner? Sheng Yiting quickly let go of her and said, " "What do you want to eat? I'll do it!"

"You just got off the plane--"

"Let me do it," He smiled and said, " I'm going back to Nanjiang tomorrow. I wanted to make it for you.

Tong Siyao was stunned. you're going back to Nanjiang tomorrow. Don't you need to go home today? '

"Will you come with me then?" Sheng Yiting raised his eyebrows.

sure! Tong Siyao agreed readily.

Sheng Yiting gave her a tight hug and was overjoyed.

When they arrived at the Sheng residence, they found that Simon and Xin Rong were also there. Gong mo, Sheng nanxuan, and Sheng shuangxue were all looking forward to it.

Everyone knew that Sheng Yiting was coming back today and thought that they would be able to see Nian Baobao. In the end, Nian Baobao was nowhere to be seen, and they were all disappointed.

Gong mo was depressed, but he couldn't say anything in front of Tong Siyao.

Sheng nanxuan could not bear to see his wife unhappy. He immediately glared at Sheng Yiting, his eyes full of questions. what's the use of raising you?

it's all my fault," Tong Siyao said apologetically. if I had known, I would have gone with Yiting. If that had happened, niannian would have definitely come.

we're going to meet sooner or later anyway," Gong mo said hurriedly. it doesn't matter if it's later. You should focus on recuperating for now.

Tong Siyao smiled and nodded. why don't I give niannian a call?" she asked.

let aunty take a look at him? '

"Alright!" the child is already so big. Don't call her Auntie," Gong mo said with a smile.

Tong Siyao glanced at Sheng Yiting, lowered her head, and took out her phone to make a call.

Gong mo also glanced at Sheng Yiting with sympathy.

Sheng Yiting, “Yueyue.”

After the call went through, Tong Siyao said a few words to Yao LAN before it was Tong annian’s turn to answer the phone.

Tong annian felt a little guilty and didn’t dare to raise his head from the other side of the screen. He called out in a small voice, “Mom.’

“Daddy’s here too.” Tong Siyao reached out and pulled Sheng Yiting to her side.

Sheng Yiting sat up immediately. baby, I’m here with mommy.

Nian Baobao took a look and snorted.

“What are you snorting at?” Tong Siyao asked, “ you’re the one who didn’t want to come.

“I can’t bear to leave grandma,” Nian Baobao said, feeling aggrieved.

“Yes, I know that I’m a good boy..”

Chapter 1553: Grandpa is more handsome than dad

Nian Baobao grinned and lifted the rabbit. “Mom. look ...

Tong Siyao said weakly, “don’t hug butu all day. It’s not good for butu,” she

said.

“Why? I’m just being good to bunny.”

“But butu doesn’t like it. Would you feel comfortable if I kept pinching you every day?”

Tong annian thought about it. It was indeed uncomfortable, so he could only reluctantly let the rabbit go.

The rabbit turned around and ran away. It did look like it had escaped from the sea of suffering, and baby Nian was instantly unhappy.

“Okay, baby, do you want to see your grandparents?” Tong Siyao asked. Nian Baobao widened her eyes and asked timidly, “Will Grandpa and

Grandma like me?”

“Of course I will.’

“Then I want to see him!” Nian Baobao said happily.

Tong Siyao was speechless. Are you going to ignore someone who doesn’t like you? He was really a brat with principles!

Tong Siyao passed the phone to Gong mo, who was sitting side by side with

Sheng nanxuan. When Nian Baobao saw the phone, she exclaimed, “Are you Grandpa and Grandma?”

“Yup!” Gong mo said with a smile.

Sheng nanxuan also smiled.

grandma, you're so beautiful!

Aiyo! Baby, you've smeared honey on your mouth! Gong mo said happily.

"Grandpa is more handsome than dad!"

Sheng Yiting, "Yueyue, I'm your father!"

Sheng nanxuan laughed love honest babies." When will niannian come over to grandpa's place? Grandpa will give you something good."

Tong annian thought about it and said hesitantly, "'I'll come when I'm a little older.'

"Alright

"Can I take a look?" Simon hurriedly leaned over.

"I want it too!" Sheng shuangxue jumped up.

"One by one." Gong mo said.

Sheng shuangxue went over first. When it was Simon's turn, he grabbed Xin Rong.

Nian Baobao immediately recognized Xin Rong and exclaimed, "ah!" The pretty Auntie on TV!"

"This isn't Auntie, she's my grandaunt." Simon said.

Xin Rong's eyes widened. It's such a waste to follow you. You've suddenly become a grandmother.

"Didn't I take a lot of advantage?"

Yao LAN still did not know Sheng Yiting's exact identity. She only knew that he came from a good family background. Now that a big star had appeared in his house, he felt that something was wrong.

The next morning, she called Tong Siyao and asked what was going on.

Tong Siyao had forgotten about this. She suddenly remembered that when Sheng Yiting participated in the general election next year, Yao LAN would definitely know about it. She might as well say it herself, so she told her everything.

Yao LAN immediately felt bad. How dare you ... To someone from such a family. What do you want me to say about you? "Do they think we're good enough?"

"I think they're quite interested," Tong Siyao said innocently.

Yao LAN, "Yingluo."

"Don't worry, I'll handle it myself."

"Then when are you guys getting married?" "Will you get married?" Yao LAN asked anxiously.

"I think so, ran ran," Tong Siyao said with uncertainty.

"I've been separated from Yiting for a few years, so I need to think about it. You can't rush to get married just because you have a child. I haven't had enough relationships."

"So you're the one who's not willing!" Yao LAN called out.

“Yeah,”

forget it, Wanwan,” Yao LAN said helplessly. I don’t care about you anymore. You can do whatever you want. If you don’t get married, we can’t give them the child!

don’t worry” Tong Siyao promised.

Yao LAN was in an even worse state. She did not know where her confidence came from. No matter how good a man was, there would be times when he would screw up.. What would he do then?

Chapter 1554: Will daddy come?

While Tong Siyao was recuperating, many media outlets from home and abroad wanted to hire her, but she rejected them all.

She was more willing to be an independent reporter, so that she wouldn’t be restricted.

After she recovered, it was Tong annian’s birthday. She and Sheng Yiting went back to Xiyuan and brought many gifts with them.

Last time, it was a meeting gift, and everyone who knew of Tong annian’s existence had prepared it. It was their birthday this time, so they naturally prepared a portion for each of them.

When she got off the plane at Xizha, Tong Siyao immediately called Yao LAN.

Yao LAN had already prepared a few dishes. After receiving the call, she went to clean up Tong annian.”Mommy will be back soon. You have to change into something cute, okay?”

Tong annian nodded.

Although he didn't like it, his mother liked it. He wanted to make his mother happy.

After changing his clothes, he asked awkwardly, "Will daddy come?"

"Baby, you miss daddy?" Yao LAN asked with a smile.

"I didn't!" The baby proudly denied, "I'm just asking.

After his father left, that annoying fellow, Dawei, called him a fatherless child again. He was really too annoying! He hoped that his father would come back and help him!

baby, be good. Sit on the sofa and don't move. Don't play with the rabbit anymore. Grandma will go and cook.

"Alright," he said. Nian Baobao sat on the sofa obediently.

After a while, he heard the sound of the door opening. He immediately jumped down and ran over. In the end, it was Tong silu who entered.

He sighed and walked back, shaking his head. "Aiyingluo is aunty."

"Is it aunty's fault?" Tong silu shouted. She rushed to the living room and put down her book. She cupped his face and squeezed it. little brat, you're not as cute as you used to be!

"Aunty is so annoying!" Tong annian dodged and pouted. the baby is the cutest. You said that yesterday.

"You're not as cute as you were yesterday." my clothes ... Tong annian puffed out his chest.

She's wearing a Panda suit today, and she's so cute!

you said that I'm the most beautiful, so I said that you were cute," Tong silu said with a smile.

The little guy stretched out his hand and used two fingers to point at his little chest. "Mommy is the most beautiful, just a little more beautiful than aunty."

Tong silu,"Yingluo, you're ruthless!"

She put the book back in the room and went to the kitchen to help.

After a while, the doorbell rang.

Nian Baobao hurriedly shouted,'grandma! Aunty! Is mom back?"

He ran off the sofa and ran barefooted to the door. He stood on his tiptoes to reach for the door handle.

Tong silu ran out in a hurry and shouted, " "Silly child, how could you open the door? What if there are bad people?"

"Mommy is back!" The little guy said with certainty.

"What if he isn't?"

The little guy pouted and pointed at the door. "Hurry up and open it."

Tong silu stood by the door unhurriedly. She looked through the peephole and said, " let's do it this way. We'll see who's outside first. Only those from the family can open it.

After saying that, she lifted him up and made him look outside.

“It’s mom!” He shouted. And dad! Hurry up and drive!”

Tong Siyao and Sheng Yiting, who were outside the door, said, “ Yueyue, hurry up and open the door. I can’t even carry the things.

Tong silu put Nian Baobao down and opened the door.

When Nian Baobao saw his parents, he pursed his lips in grievance.

mommy! Tong Siyao squatted down. do you miss mommy? ‘

Nian Baobao lowered her head awkwardly and rubbed her hands against her clothes. She then leaned her head on her shoulder and said softly, “ I miss mommy, Yingluo” good boy. Tong Siyao picked him up and walked inside. He leaned on her shoulder and looked at Sheng Yiting..

Chapter 1555: It’s really good to have a father

Sheng Yiting smiled at him, and he turned away in embarrassment.

Tong Siyao first carried him to the kitchen to greet Yao LAN. Then, she returned to the living room and put him down.”Did you call me daddy?”

Nian Baobao glanced at Sheng Yiting, turned around shyly, and ran toward the rabbit cage.

Sheng Yiting noticed that he was not wearing shoes and asked worriedly, “ “Why don’t you wear shoes? What if you catch a cold?”

“It’s more comfortable if you don’t wear it.” Tong Siyao said as she picked up the little shoe on the ground.

Nian Baobao walked over with the rabbit and handed it to Sheng Yiting. "Little white has grown up."

"Yes, it's all thanks to the baby." Sheng Yiting took it and stroked the rabbit's smooth fur.

"Little flower knows how to say welcome." Nian Baobao was stunned for a moment. She turned around and shouted at the parrot, "Xiaohua!"

"Welcome!" Xiao Hua cried out and flapped twice in the air. baby is the best!

haha! Tong Siyao laughed, "this bird is interesting."

Sheng Yiting put the rabbit aside and carried Tong annian to the sofa. He said to Tong Siyao, "I'll do it."

Tong Siyao passed the shoes to him, and he carefully helped Tong annian put them on.

Tong annian's two feet touched each other as he raised his head to look at them.

"Did you thank dad?" asked Tong Siyao.

Tong annian looked at Sheng Yiting innocently and whispered, "Thank you,

Yingluo's father."

The last two words were even softer than the first.

However, Sheng Yiting and Tong Siyao both heard it.

Tong Siyao couldn't help but laugh. Sheng Yiting hugged her excitedly and kissed her hard. "No need to thank me! This is what a father should do!" Tong annian laughed as well. He grabbed the rabbit and handed it to Tong

“As you wish!” Nian Baobao said happily.

As long as his parents were around, any story would do, One, two, three is fine too, just count them one by one!

Tong Siyao started to tell him the story of The Little Prince. Sheng Yiting followed behind her, and they talked one after another.

After a short while, baby Nian fell asleep with a sweet smile. Tong Siyao stopped and called his name twice, but he didn't respond.

he's asleep, ” she said to Sheng Yiting. let's go to sleep too,

“Yes.” Sheng Yiting suddenly leaned in and kissed her on the lips. good night.

In the morning, Sheng Yiting opened his eyes groggily and found Tong annian shaking him.

It turned out that he was shaken awake by Tong annian.

He sat up and yawned. He picked up his watch and saw that it was six O 'clock.

“The baby is going to drink milk, isn't it?” He asked in a low voice..

Chapter 1556: You're bullying mommy

Tong annian nodded and looked at Tong Siyao.

shush! Sheng Yiting shushed her. don't disturb mommy. I'll go and wash it for you.

"I still need to pee." The little guy said innocently.

"Alright," he said. Sheng Yiting got out of bed and carried him to the bathroom.

When Tong Siyao woke up, she found her child sleeping soundly beside her with half-finished milk in his arms.

Who asked him to be so excited last night? Have you gone back to sleep now?

Tong Siyao smiled and pinched his little nose. He turned around and licked his lips.

Tong Siyao picked up the milk bottle and put it aside. Sheng Yiting pushed the door open and entered."You're awake? I've just finished making breakfast."

"You went to make breakfast?"

"Of course, I have to show off."

Tong Siyao couldn't help but smile. She wanted to get out of bed, but he suddenly walked over and stopped her. He lowered his head and kissed her.

Wu, Wu, Wu. Tong Siyao leaned back. She couldn't support herself and fell on the bed.

Sheng Yiting did not give up and continued to kiss her.

As they kissed, a small hand pushed him.

He hurriedly raised his head and realized that Tong annian had sat up and was looking at him angrily.

“You’re bullying mommy.” Tong annian said unhappily.

Tong Siyao covered her face in embarrassment and didn’t dare to speak.

Sheng Yiting tapped the little one’s nose and snorted. “If I didn’t bully your mother, where would you have come from?”

Tong Siyao kicked him. you’re not allowed to teach the child bad things.

He immediately said to the morn’s bullying me back.” We’re even now, right?”

Tong annian saw that Tong Siyao didn’t look like she was injured and reluctantly let her go. “Then don’t bully mommy in the future.”

“YingIno. vps.” Sheng Yiting looked at Tong Sivan with a conflicted exnregision.

Tong Siyao sat up with a smile, held Tong annian in her arms, and said to

Sheng Yiting,“”You promised, ha

Sheng Yiting chuckled-in your dreams! He would still bully those who should be bullied!

Tong Siyao lowered her head and kissed the child’s face. ‘Good Morning, baby.’”

Good Morning mommy The baby kissed her too,

“Cough cough!” Sheng Yiting said.

Nian Baobao looked over, and he smiled, looking forward to her action.

The Nian Bao did not move!

Sheng Yiting was hurt. Thinking about the situation just now, he lowered his head and kissed Nian Baobao on the cheek. "Good Morning, baby."

Nian Baobao hesitated for a moment, then kissed him on the cheek and said softly, "Good Morning, dad."

Sheng Yiting finally heaved a sigh of relief. alright, let's go wash up and have breakfast.

"You have to say good morning to Xiaohua and Xiaobai, and you have to feed them," Nian Baobao said.

In your heart, I'm definitely ranked after fifth!

Nian Baobao was very nice to Sheng Yiting this time, probably because Tong Siyao was around. It was awkward for two days at first, but it wasn't so difficult to call him 'dad' anymore, just less.

Sheng Yiting was already very satisfied.

This was a huge improvement. She believed that in the near future, her position in his heart would surpass Xiaohua and Xiaobai, then her aunty and grandmother, and only her mother.

He wouldn't fight with Tong Siyao and let her be the first! Who told her to be the person he loved the most

After Tong Siyao and Sheng Yiting celebrated Tong annian's birthday, they returned to the capital. This time, they finally brought Nian Baozi with them.

Nian Baobao couldn't bear to part with Auntie and grandma. When they parted, she was reluctant to part, but she didn't shed tears.

When he was waiting for his flight at Xizha airport, Sheng Yiting received a call from Gong mo.

"Did you know that Lu Song is dead?" Gong mo said anxiously..

Chapter 1557: It seems like he's blaming us

Sheng Yiting was shocked. He quickly stood up and walked to the side. Tong Siyao looked at him in confusion.

Baby Nian was drinking water from his milk bottle. He hugged the bottle and asked, "What's wrong with daddy?"

"Dad's very busy, he's talking about work." Tong Siyao said gently.

Nian Baobao thought, 'daddys back view is so handsome.'

Sheng Yiting stood in front of the floor-to-ceiling window and could see the plane outside. He asked Gong mo, "what happened?" Are you talking about Lu Song? Lu Song?"

"Lu Song should be in country M now, right? what's wrong with their house? ' Sheng Yiting was shocked. is there really a problem with the Feng Shui? '

In less than half a year, four of them had died!

it was in country M. I think he went to a party and gathered to take drugs. He overdosed, Yingluo.

“Lu Song is taking drugs?” Sheng Yiting was surprised. I couldn’t tell at all,

Yueyue.

how would I know?” Gong mo replied. I’m just telling you that I have to go to beizhi city now. Your aunt is so sad. I’ll go see her. Can you explain to Siyao and help her and the child settle down? I don’t know when I’ll be back.”

“Okay, I understand. She will understand.”

Gong mo and the Yu family went to beimang together. After getting off the plane, they went straight to the Lu family.

At this moment, only Yu Xinran and Lu duo were at the Lu family’s house. Lu Yang had gone to Country M.

Yu Xinran had fainted when she heard the news of Lu songs death. She was not in a good state now and was resting on the bed.

When she saw Min Ling, she cried and said, “ah song is not that kind of person!” How could he possibly take drugs? He must have been harmed by someone!”

“Don’t worry, Lu Yang will find out.” Yu Qingliu said.

“What sin has our family committed!” Yu Xinran roared. Gong mo comforted her, “Xinran, get over it!”

Yu Xinran suddenly pushed her away. what are you doing here?!

Gong mo was stunned. The others also looked at Yu Xinran in surprise.

Yu Xinran looked at Gong mo and burst into tears. Suddenly, he pulled her and leaned on her.

Gong mo patted her head and didn't say anything.

Gong mo returned to the capital that night.

When she got home, Sheng nanxuan was the only one in the living room.

Gong mo saw a few small toys on the coffee table and asked, "Siyao and the others are here?"

"Yes, the child is taking a bath. Have you had dinner?"

"Not yet," Gong mo sighed.

"I'll make you some." Sheng nanxuan said.

Gong mo followed him to the kitchen. He made a plate of Italy and it was ready very quickly.

"My husband is the best!" Gong mo said with a smile.

She had just taken two bites when she heard the sound of running behind her. Gong mo turned around and saw Tong annian running over.

When Tong annian saw her, he stopped in his tracks for a moment, then continued to run in front of her.
"Grandma!"

you're such a good boy •Gong mo picked him up and sat him down on a chair beside him. baby, do you want to eat noodles?"

"I'm full," the baby shook his head.

Sheng Yiting and Tong Siyao walked over and greeted Gong mo. "How's the Lu family?" Sheng Yiting asked.

the Yu family's people are already there. It'll be fine. Gong mo sighed. but from your aunt's reaction, she seems to be blaming us. Does she think we're the ones who caused this?"

Lu Yang and Lu Song died after the incident with Lu duo, " said Sheng nanxuan. it's not strange that they think we're taking revenge.

"Who has the time to take revenge on them?" Sheng Yiting frowned in displeasure.

"Your aunt also feels that it's wrong to doubt us like this, but even so, it can't stop them from thinking in their hearts. I don't know what Yingluo's family will become in the future..

Chapter 1558: It's time for baby Nian to attend kindergarten

"Who can you blame for your own death?" Sheng nanxuan snorted coldly. Lu Song has always been a dandy. It's not surprising that he would take drugs!

"He's not here anymore, stop talking," Gong mo said helplessly.

Sheng nanxuan's heart felt stifled. didn't 1 help you?!

"I think you should help me check." Sheng Yiting said, " at least we're friends with the Lu family. It'll help us clear our name. Otherwise, what if they really set their eyes on us? This is an irreconcilable enmity."

Sheng nanxuan nodded. After a moment, he said, " "If they think it's US, they won't believe what we find.'

"Then don't investigate, unless they open their mouth!" Gong mo said.

A few days later, the family went to beiming city to attend Lu songs funeral.

Lu Rou was also studying in country M, but she was called back. Lu duo was just about to go for a performance, but she couldn't leave now.

Yu Xinran was worried that the two of them would get into an accident when they went out, so she kept them at home and didn't let them go anywhere.

Sheng nanxuan had sent someone to investigate Lu songs death, but they did not find anything unusual. The results of the investigation were not given to the Lu family.

The Lu family felt comforted that Lu songs death was a trap. Was he really going to tell them that 'your son is disobedient and taking drugs outside'?

Although Lu duo was locked up at home and was not allowed to go out, her manager David was active everywhere and often went abroad.

Sheng Yiting found an opportunity to create an accident and kill her.

Lu duo gritted her teeth in hatred. Without David, it would be very inconvenient for her to do things. She believed that Dave's death was not an accident. She did not know who did it, or if they suspected her.

Now that David was dead, Yu Xinran was even more afraid to let Lu duo and Lu Rou out. Lu duo didn't dare to act rashly either, so she could only stay at home obediently.

Tong Sivao and her child stayed at the Sheng family's house for two days

before they moved to Sheng Yiting's apartment.

She had wanted to find a new house, but since Sheng Yiting was unhappy, she had no choice but to let it go.

Nian Baobao is three years old and should be attending kindergarten.

She had discussed the matter with the Sheng family. The kindergarten was chosen by the Sheng family, and both Sheng Yiting and Sheng Shuangxue were attending it.

On the day of registration, Tong Siyao helped baby Nian change into new clothes and asked, "Let's go play with other friends, okay?"

Nian Baobao agreed happily and asked, "Can I bring Xiaohua and Xiaobai?"

"You can't."

"I'm not going then," Nian Baobao pouted in disappointment.

"That won't do. Baby Nian is already three years old, he's a big kid now. He needs to get to know other little friends."

"Are the other little friends cute?" cute. You're as cute as baby Nian.

Nian Baobao thought for a moment. Whether or not she was cute did not seem to have anything to do with her. The most important thing was still Xiaohua and Xiaobai. Unfortunately, he couldn't bring Xiaohua and Xiaobai with him. He could only hang his little shoulders and go out with her.

Downstairs, Gong Mo and Sheng Nanxuan were already waiting. The three of them sent the little guy to the kindergarten together.

the child has never left the adults, ” Gong mo said to Tong Siyao. I’m afraid she’ll cry.

“Can I accompany you in school?” Tong Siyao asked.

“The first two days are fine.”

“That’s good. If there’s no one he knows on the first day, he’ll definitely cry.”

Nian Baobao could tell that they were discussing her and immediately not going to cry!

He’s a man

Tong Siyao smiled and said, “then I won’t be with you later

Nian Baobao’s eyes widened instantly, ‘mommy, where are you going? You don’t want me anymore?’”

Chapter 1559: That man is not Sheng Yiting

you’re playing with your friends in kindergarten. Mom and dad have to go to work. Theyll come to pick you up after work.

“Yingluo.” The little guy lowered his head gloomily.

However, on the first day, Tong Siyao stayed with him in school, just like how Sheng Yiting had been in kindergarten.

The next day, Tong Siyao stayed with him for a while before leaving. After a while, he cried, so Tong Siyao had to come back.

After almost a week, Tong annian finally got used to life in kindergarten and no longer needed company.

Tong Siyao heaved a sigh of relief. She finally had time to work.

Sheng Yiting would only come back on the weekends. If she had to go to another city for the interview, Gong mo and Sheng nanxuan would take care of the child. After a period of time, everyone got used to this kind of life.

However, she was not married to Sheng Yiting yet, which made her feel uneasy.

It was not realistic to hold a wedding at this time.

Several people from the Lu family had died in a row, and Lu Suan had stopped his business with the Sheng family on the grounds that he was in grief and had no interest in business. If something else happened, they would fall out. If the Sheng family were to beat drums and gongs to hold a wedding, it would be like sprinkling salt on their wounds.

Moreover, the election was about to begin. If they made a big scene now, it would damage Sheng Yiting's image.

Of course, the most important thing was that the wedding was not prepared at all, and they could not hold it even if they wanted to.

If Sheng Yiting succeeded in the election and moved into the President's House, it would be a great thing to hold the wedding then. So, Sheng Yiting was not in a hurry.

After the new year of the following year, the presidential election would begin. The candidates would be elected from the two parties.

Sheng Yiting joined the Liberal Party. In early July, the results of the candidates were announced, and he successfully became the candidate of his party.

As soon as the candidate was announced, the war for votes began.

While Aimo media was in charge of Sheng Yiting's publicity, the People's Party went to Qingyu media.

Qing Yu media had a longer history than Aimo media, so they had an advantage in this aspect.

Originally, it was impossible for Qingyu media to support others, but the current outcome was obviously influenced by the Lu family.

But the Sheng family did not mind. Because this was business, and it was impossible for Qingyu media to not do business. The relationship between the two families was not affected.

Sheng Yiting had a special advantage in this election—all the people—especially women, had expressed that they were willing to vote for Sheng Yiting just by looking at his face!

Sheng Yiting's personal information stated that he was single.

On the other side, the People's Party's candidate was a fifty-year-old fat old man who was a little balding. Everyone expressed their dislike for him. It was Midsummer, and there was a sudden flood in the South. Tong Siyao went for an interview and only returned after almost a week.

At the moment, Sheng Yiting was still giving a speech in another city to campaign for votes. On the day she returned, she went to the Sheng family for dinner and then went back to her house with her child.

When she walked out of the elevator, she was surprised to see a man and a baby car parked in front of Sheng Yiting's house. And that man was not Sheng Yiting, and he was opening his door with the key!

"Thief!" Tong Annian shouted.

The man looked up.

Tong annian immediately hid behind Tong Siyao.

“Who are you?” Tong Siyao asked warily. Why did you open my door?”

The man was stunned. He looked at the other side of the corridor and asked in confusion, ” “This is your house?”

Tong Siyao nodded. I’ve been living here for a year. This is A, and that is B. “I’m sorry!” The man took the key back and said embarrassedly, ” I was wondering why it couldn’t be opened. I thought the landlord had the wrong key. I’m really sorry, ran ran..

Chapter 1560: Do you need help?

“It’s fine.” Tong Siyao saw that he was wearing a Black Veil on his sleeve. It was obvious that his family had just held a funeral, so she couldn’t blame him.

When people were in grief, it was hard to avoid being absent-minded.

The man picked up the shopping bags on the ground and pushed the baby stroller across the street.

Tong Siyao glanced at the baby carriage. There was a very small baby in it. He looked even younger than Tong annian when he was just born.

This kind of child was either just born or had a congenital deficiency. It was quite pitiful to think about it.

The next morning, Tong Siyao was making breakfast in the kitchen. Tong annian walked over barefooted and drowsy. He hugged her leg and asked, ‘ “When will daddy be back?”

“Mom doesn’t know either. Have you washed your face and brushed your teeth?”

“Not yet,” The child replied cutely.

Tong Siyao smiled and pinched his nose. “Still not going?”

The child immediately ran to the bathroom, set up a stool, squeezed some toothpaste out of a small toothbrush, and then brushed his teeth seriously. After he was done, he stuck out his tongue and said, “it tastes so weird.”

He put down his toothbrush and blanket, wrung the towel dry, and wiped his face.

After he was done, he ran back to his room to change his clothes. After he put on the t-shirt, he couldn’t pull it off, so he went to find Tong Siyao. “Mommy,

Yingluo.”

mommy’s here m “Tong Siyao helped him put on his clothes and checked his face. I’m so good today, I washed myself so well!

“I’ll do it myself in the future. I don’t need anyone’s help!” Nian Baobao patted her chest.

Tong Siyao chuckled and thought, I was the one who helped you put on your clothes.

When she went out, she happened to see the man next door coming out with the child.

The child was crying loudly. The man ran to the elevator anxiously and pressed the button a few times.

what's wrong?" Tong Siyao walked over and asked, " what's wrong with the child? "

"You have a fever." The man touched the child's head and looked at the elevator number nervously.

After entering the elevator, he chose the first floor, and Tong Siyao chose the basement.

After she drove out of the neighborhood, she happened to see him hailing a taxi by the side of the road.

This was a high-end residential area, so cars rarely came here. Moreover, it was working hours now, and there were private cars on the road. Even if there were cars, it would be difficult for him to stop them.

Tong Siyao was just about to walk past him, so she stopped and asked, " "Do you need any help?"

The man was stunned. He could only carry the child into the car and said gratefully, " "I'm sorry to trouble you,"

"You're welcome,"

"I'm surnamed Bai," The man took out a business card and handed it to her. She took a look and saw that he was working in an Orthopedic Clinic.

"You're a doctor?" she asked, puzzled.

"Unfortunately, it's not child's play." the child is still young, " Bai Chun said. I didn't dare to treat her myself, so I had to send her to the hospital. Tong Siyao nodded and started the car. "Which hospital are we going to?" I remember the nearest one is the city Hospital. Is it convenient to go there?

"It's on the way."

Tong annian looked at the child in Bai Chun's arms. The child had stopped crying, and his face was red.

"Is he a little sister or a little brother?" he asked Bai Chun softly.

"It's my little brother." Bai Chun said.

"Hello, little brother." Tong annian immediately waved at the child.

niannian, " Tong Siyao said, " don't make a fuss. Little brother is asleep.

After sending Bai Chun to chasu City Hospital, Tong Siyao continued to send Tong annian to kindergarten.

"Mommy, do you know that uncle?" Tong annian asked.

we didn't know each other before, but we know each other today, " Tong Siyao said with a smile. he's our neighbor. We can greet each other when we see each other, and we can call him uncle Bai from now on. If uncle Bai is in trouble, we can help him!"

Tong annian nodded, not fully understanding..
