

Ditsy Wife 1591

Chapter 1591: Ending: past (3)

“You forgot? He left today!” Zhuo ya pursed her lips, not knowing if Yao Lei’s words could be trusted.

A few days later, Zhuo ya discovered that Zhuo Yue’s beads were missing. She asked, “Where are your beads? This is from mom, let’s each have one.” Zhuo Yue touched her wrist guiltily, “maybe it’s broken somewhere, Yingluo.”

Two months later, mother Zhuo found out that Zhuo Yue was pregnant and Zhuo Yue finally confessed everything.

Zhuo ya and Yao Lei were in love with each other, and father Zhuo and mother Zhuo could see that. They immediately started cursing Zhuo Yue.

Zhuo Yue roared, “you only know how good sister is!” When did you ever think of me? A man had come, and the one he liked was her! I’d like her to see who won! I’ve slept with him, and I was the one who exchanged the token of love with him ...

“Who Do You Think You Are?” she looked at Zhuo ya.

Father Zhuo was so angry that he smashed the iron pot he had just bought.

Zhuo ya turned around and walked out of the tent, never speaking to her again.

Every day, Zhuo ya would look down from the top of the mountain, hoping that he would come, and also hoping that he would never come again.

On the day of Zhuo Yue’s delivery, she was having a difficult labor. She grabbed mother Zhuo and shouted, “ Mom, I was wrong! Ask sister to forgive me Yingluo!”

Mother Zhuo shouted, "you have to give birth to the child first!" Use more strength!

I was wrong, sister Yingluo. Zhuo Yue couldn't care less about giving birth and only knew how to cry.

"Yaya!" Mother Zhuo shouted. Yaya! Come and see her! She's your sister!"

Zhuo ya heard this from outside and slowly walked into the tent, entering Zhuo Yue's line of sight.

Zhuo Yue opened her mouth, wanting to say something, but she didn't. She closed her eyes and stopped breathing.

Stunned, Zhuo ya pounced over and shouted, "Yue erwaa ... the child's cry sounded.

Half a year later, there was a huge avalanche in Western Plains, and both father Zhuo and mother Zhuo were buried.

Zhuo ya carried her child to Xizha city. She had originally wanted to look for Yao Lei, but she gave up when she reached the Xizha train station.

She didn't know where he was, and he said he would come back, but he made her wait for so long without appearing. He must have forgotten about her.

So, she found the refugee settlement and met Tong Yuan.

Tong Yuan asked, "little sister, where are your family members?" Whose child is it?"

Zhuo ya lowered her head. there's no one else in my house. The child is mine. Tong Yuan was stunned.

She looked very young, no more than sixteen or seventeen years old. However, the legal age for marriage was 20 years old. After getting married and having children, they would be 21 or 22 years old, right?

As a result, she was 21 years old when they got her an ID card.

As for her name, she didn't want to be called Zhuo ya anymore. What if Yao Lei came to find her again?

She didn't want to meet that heartless man!

What should I call it?

She didn't know how many surnames there were in this world, or how many characters there were. She would just call her Qianqian Yao LAN.

Yao as in Yao Lei, blue as in blue.

That night, Yao LAN stayed in the hospital to accompany Yao Lei. Yao Lei was like a child now, holding her hand and not letting go. She really had no choice.

Tong Siyao and Sheng Yiting went back to their place. Sheng Yiting wasn't staying in a hotel. He was staying in a historical Palace in Xizha. The palace was a famous historical site that was usually open for sightseeing. If there were distinguished guests or important people, they would be given temporary accommodation.

Tong Siyao and Sheng Yiting walked into the room. Everything had been set up, and they could rest at any time,

Tong Siyao sighed, "I suddenly remembered what I said to your mom the other time, Hanhan. t

"What did he say?" Sheng Yiting was confused.

“It’s nothing. I just didn’t expect her to be right, and my net worth suddenly soared..

Chapter 1592: If she goes, I’ll go

pfft-” Sheng Yiting could guess what they were talking about.

He held her in his arms and asked, ” “Isn’t that good? If your mother and your father are together, they will have each other’s company. We’ve all suffered our entire lives, it’s time to lead a better life.’ you’re right. Tong Siyao nodded.

Previously, she had asked Yao LAN to go to the capital but Yao LAN was unwilling to go. Now that Yao Lei had appeared, she wouldn’t reject him if he asked her to go, right?

In the morning, Yao LAN was preparing to go to work while Yao Lei followed closely behind her.

“Can I come and visit you after work?” Yao LAN asked helplessly.

Yao Lei stopped and looked at her pitifully. He did not dare to follow her. “If you keep following me, I’m going to ignore you!” Yao LAN threatened.

Yao Lei pursed his lips and took a step back. Yao LAN then left.

When Tong Siyao and Sheng Yiting came over after dinner, they saw Yao Lei standing at the door of the ward like a rock.

“Yao Wanwan’s dad, what’s wrong with you?” Tong Siyao asked carefully.

Yao Lei looked ahead in a daze. The bodyguard beside him said, " Ms. Yao has gone to work. She promised Mr. Yao that she would come back after work. Mr. Yao has been waiting here.

Tong Siyao's heart ached. It was only ten O'clock. It was still too early to get off work.

dad," she said to Yao Lei, " you should go back to your room first. Mom will only be here in the afternoon.

Yao Lei glanced at her, then turned around and went back to his room.

Tong Siyao and Sheng Yiting looked at each other and followed her in.

"Uncle, I'm going back to the capital this afternoon," Sheng Yiting said. Are you going back now or staying here for a while? If you have any requests, you can tell me.

yes. Yao Lei nodded and asked Tong Siyao, " where's your foster father?

he passed away," Tong Siyao said dejectedly. he was in the coastal defense war.

"He's a soldier?" yes, he's very good to me. His name is Tong Yuan.

"Tong Yuan?" Yao Lei thought for a moment and nodded. I don't think I've seen him before.

"Yes.

"If I want to marry your mother, will you agree?" Yao Lei asked nervously.

"Of course I agree!" mom has been lonely for so many years, "Tong Siyao said. I've been suggesting to her to remarry, but she wouldn't agree. If it were you, she would definitely not object."

Yao Lei smiled and was a little happy.

He looked at Tong Siyao for a while and said, you are good. It looked like Zhuo ya's, not Zhuo Yue's.

Tong Siyao was a little confused, but she didn't ask.

"Then I won't go anywhere. I'll go with your mother," Yao Lei said.

"Ah?" Tong Siyao was stunned. you're not going to Beijing? " You can bring mom to Beijing!

"If she's going, I'll go," Yao Lei said childishly.

"Wanwan, what's wrong with you?!" If Yao LAN still had to go to work, would Yao Lei follow her?

In the afternoon, Sheng Yiting returned to the capital, and Tong Siyao stayed for the time being.

After Yao Lei was discharged from the hospital, he really wanted to leave with Yao LAN. Yao LAN had no other choice but to bring him home.

Sheng Yiting had arranged for people to protect them, and he had also assigned a house to Yao Lei in Xizha. What he meant was that Yao Lei had to move there. It was more convenient and safer to protect him there.

Yao Lei meant that he would only go if Yao LAN went.

Yao LAN didn't want to take advantage of her, so Tong Siyao persuaded her, ' "Since he's my father, a_re you really not going to be with him? Look at how much he likes you! Besides, you know his identity. He's like a national treasure. If something happens to him here, how can we afford to compensate him? You'd better go. Don't work anymore in the future, You should enjoy your life and make up for all the things you've missed.."

Chapter 1593: Ending: can solve the problem in front of you

I'm afraid that your father ... Yao LAN paused for a moment. I'm afraid that Lulu's father might not be able to find his way back.

Tong Siyao was stunned. he's still my father. How did he become a man of his own? '

"I was afraid you wouldn't be able to tell."

"Then let's keep this house."

Yao LAN thought for a moment before helplessly nodding her head. Tong Yuan's soul had probably reincarnated long ago, so how could he have returned? However, he could leave the house to si Lu. It could be considered a safeguard.

Yao LAN started to pack her luggage. She opened the box that she had used for many years. There were many things inside. Some of them were her parents 'belongings. while others were Tong Yuan's. The clothes that he had worn when he first met were gone, but his headscarf was still there with small bells hanging on the four sides.

The bell was made of gold and wasn't damaged. It just lost its luster, but it still rang.

&Nbsp; she gave the headscarf to Tong Siyao. look, it's like this.

no wonder you changed your clothes so well, " Tong Siyao said with a smile.

you're wearing them yourself.

"I don't really remember." Yao LAN said wistfully.

Yao Lei heard the bell and walked in. He called out timidly, "Zhuoya Wanwan."

"What now?" Zhuo ya asked in a bad mood.

"Nothing much." Yao Lei retreated pitifully and sat on the sofa obediently. He took out a notebook and wrote something on it.

He had a lot of things in his head, so he would scribble and hand them to Sheng Yiting. Sheng Yiting would then hand it over to the scientists in the country and let them have a headache!

Tong Siyao took a look and whispered to Yao LAN, "Don't be so fierce to dad, Yingluo!"

"I've always been this fierce to him!"

"Yingying" was cruelly shown.

Yao LAN tidied up the items one by one and threw away those that she did not need.

"Take a look at this!" She showed Tong Siyao a roll of cloth. your grandparents left this. If your grandfather didn't go home to snatch these things, he wouldn't have been buried in the snow, hehe."

Tong Siyao saw that the cloth was very old and carefully opened it.

This cloth was probably decades or even centuries old.

The things inside were even older. There were some tattered cloth with words written on them that were almost unintelligible.

“Grandpa didn’t say what this is?” Tong Siyao asked.

I don’t understand what he’s saying. The first time I learned how to write was taught by your father, ran.

Tong Siyao looked at it for a long time and could only recognize a few words. It was obvious that they were old. They might be antiques from many years ago.

She carefully rummaged through it. There seemed to be a map and a tattered book that no one dared to open.

She hurried to the living room with these and asked Yao Lei, “Dad, do you recognize the words on this?”

When it came to learning, was not as foolish as he was when he faced Yao LAN.

He adjusted his glasses to take a look and Yao Lei don’t really recognize him.”

Father Zhuo’s ancestors fought there, so he might have recorded these things. The corners of this map seem to be the location of a tomb.”

Tong Siyao’s eyes widened. a tomb?

Yao Lei glared at her and said, “what are you thinking?” Quickly give it to the president and let him have someone study it. It might be able to solve the problem at hand.”

“In front of my eyes?” Tong Siyao immediately recalled the border dispute with country A and quickly informed Sheng Yiting.

Sheng Yiting had arranged for experts to come over and send the items directly to the Xizha Museum. Then, a group of people went to study them, and indeed, they found something.

The records in the pile of items were not detailed. They roughly described the origin of the Zhuo family, how they had gone to war with the Army, and how they had settled down at the border..

Chapter 1594: The ending, or you'll commit suicide

After the victory of the war, the dynasty was replaced. The general knew that he would die if he went back, so he led his soldiers to disguise as herdsmen. While living, they wandered around the border and continued to resist the enemy. After the general passed away, he was buried at the border.

If the records were true, at least his tomb was in the territory of China. By finding this place, not only would he be able to make up for the historical facts, but he would also be able to solve the problem at hand.

Sheng Yiting immediately gave the order for the archeological team to set off.

Lu Rou had passed the critical stage, but she still didn't wake up. The doctor said that she might become a vegetable.

Yu Xinran stayed by her side every day. Lu Yang flew between beizhi and the capital every two or three days. On one hand, he came to visit the mother and daughter, and on the other hand, he went back to beizhi to work. He could not

rest.

Lu duo was afraid that he wouldn't be able to take it, so she accompanied him every time. Since he was in Beijing, she came to visit Lu Rou and comfort Yu Xinran. When he returned to beizhi, she would go back to take care of him and make sure that he rested and ate.

Lu Yang was quite touched. you're the only one left in this family. You can't let anything happen to you. I think you'd better not play the violin. Why don't you learn how to manage a company from me?"

Lu duo was stunned. She wanted to, but it was too late. She didn't have the time to slowly learn from him and take over the Liuguang group from him. She had to be fast!

"But I like the violin," she said dejectedly. Besides, Rou Rou will wake up, so don't worry, uncle."

Lu Yang sighed. go and rest. Think carefully about my words." okay. Lu Rou returned to her room and received an email-

there's no chance to assassinate Yao Lei. The guards around him are too strong.

Lu duo hurriedly replied,'then what should I do? If he was still alive, he would have discovered my identity soon. Otherwise, I wouldn't have hijacked the plane and hid him.

"Princess, this is your last shot, or you'll have to kill yourself."

Lu duo's pupils shrank. She deleted the email and threw her phone on the bed. She narrowed her eyes and thought, that's the only way! I'm sorry, my dear uncle.

In the morning, the unconscious Lu Rou suddenly coughed up blood. Her life was at stake.

Fortunately, Yu Qingliu had arrived in time and saved her with a group of doctors.

But this way, she fell into a deeper coma and was far from waking up.

Lu Yang had just returned to beixiao yesterday. He had planned to come back two days later, but when he heard the news, he rushed over with Lu duo.

Yu Xinran sat in the ward, her heart like dead ashes. Perhaps, Lu Rou will never wake up again, Yingying.

She lowered her head and sobbed softly.

There was no one else in the ward except for her and the unconscious Lu Rou. She stopped pretending to be strong and cried even louder.

Someone pressed on her shoulder. She was startled and raised her head to see Gong Bai.

“Don’t cry, she’ll be fine,” Gong Bai said as he lowered his head.

Yu Xinran threw herself into his arms and cried, “It’s all my fault, Yingluo. Why did I fall asleep? She almost died, Yingluo. She’s the only one I have left!”

“You still have Lu Yang.”

Yu Xinran was stunned. She raised her head and sobbed, “that’s not the same,

Yingluo. I only have Rourou left. Yingluo, Lu Yang is also very upset. Yingluo, I think it’s my fault. It seems that nothing good has happened to him since I married him.

Gong Bai fell silent.

Yu Xinran wiped her tears and leaned on the sofa.

Gong Bai went to the bathroom, wrung a towel, and handed it to her. She took it and said, “Thank you,” he said.

She buried her face in the towel and pressed it against her face for a long time.

Afraid that she couldn’t breathe, Gong Bai shook her and said, “Xinran?”

Chapter 1595: Ending: he doesn't like to see you

Yu Xinran raised her head and placed the towel on the coffee table, She reached out to hug his arm and leaned against him."Let me lean on it for a while, Yingluo."

"F * Ck you." He was most pleased that she could still give him support.

She was probably tired, as she fell asleep not long after leaning on him.

Gong Bai gently pushed her hand away and carried her to the bed.

She furrowed her brows and sighed. She grabbed his hand and said, "Lu Yang

Gong Bai was stunned, and his heart sank. In the end, it was not comparable to 30 years of being together every day. Her heart had long belonged to Lu Yang.

Suddenly, he heard footsteps outside the door. He looked up and the door opened ...

Lu Yang was about to enter the door when he saw him and stopped in his tracks. A sharp glint flashed in his eyes.

When love rivals met, their eyes would turn red. Even though he was old, he was no exception.

Gong Bai lowered his eyes and glanced at Yu Xinran. He admitted defeat completely and slowly withdrew his hand.

"Don't go!" Yu Xinran hurriedly grabbed him.

She cried as she got up and hugged his neck tightly. "Don't go, will you? I can't do it alone!"

Gong Bai was stunned and looked at Lu Suan abruptly.

Lu Yang staggered and turned to leave.

Lu duo anxiously said, "uncle-"

Her eyes flickered and she quickly chased after him.

"Xinran!" Gong Bai hurriedly shook Yu Xinran awake.

Yu Xinran opened her eyes and let go of him awkwardly. She hurriedly asked, '

"What's wrong? How long have I been sleeping? Rourou, she ..."

"No, I haven't. Lu Yang is here." Gong Bai looked at her gloomily.

She was stunned and turned her head to take a look. She was shocked."Where is he?"

"He might have misunderstood something. He's leaving."

Yu Xinran took a deep breath, hurriedly lifted the quilt, and rushed out.

Gong Bai took a look at Lu Rou who was in a deep sleep and stayed after a moment of hesitation.

Lu Yang walked out of the hospital and called the driver to drive over.

The chauffeur drove the car over. Seeing that he did not look well, he hurriedly got out of the car and wanted to open the door for him.

He pushed the driver away, sat in the driver's seat, started the car, and drove away.

Lu duo ran out and heaved a sigh of relief when she saw this.

She took out her phone and sent a text message, 'Lu Yang has left in his car. Seize this opportunity!'

Putting down her phone, Yu Xinran ran over and asked, "Where's your uncle?"

Lu duo's face was full of anxiety. She pointed to the road and said, "Uncle drove away."

Yu Xinran hurriedly called Lu Yang. After a few rings, Lu Yang hung up.

Yu Xinran lowered her hands in a daze and looked at the road full of sorrow as she cried and returned to the ward.

She felt that her life was a mess, and she didn't know where she had gone wrong.

He was clearly fine before, but he seemed to have had bad luck in the past two years!

Gong Bai hadn't left yet. When he saw her face full of tears, he handed her a tissue, but she didn't take it.

"Do you want me to explain it to him?" he asked.

"He doesn't like to see you," Yu Xinran shook her head.

"Yueyue, I understand." Gong Bai lowered his head with a sharp pain in his heart.

In the past, it was Lu Yang who didn't like to see him. In the future, Qjanqian would probably not like to see him either.

"I'll take my leave first," he sighed tiredly.

"Thank you for coming to see my Rourou," Yu Xinran said.

"Have a good rest," He glanced at her and left the ward.

Gong Bai walked out of the hospital, stopped a taxi, and sat in the passenger seat.

He closed his eyes to rest as soon as he got into the car. After more than ten minutes, she suddenly heard the driver shout.

He suddenly opened his eyes and saw a truck driving at high speed.

The driver was flustered, and Gong Bai reached out his hand to turn the steering wheel in time.

The taxi hit a street light at the turn, but fortunately, it avoided the big truck..

Chapter 1596: I won't marry anyone else

The driver had just recovered from the shock and was completely dumbfounded.

A few loud noises came from outside. It was hard to imagine how serious the car accident was.

After taking a look at the taximeter, Gong Bai took out some money and put it on the steering wheel. He patted the driver's shoulder and got out of the car.

It was a mess on the road. Some people were crying, some were covering their mouths in fear, some were on the phone, and some were taking pictures.

After blocking all the sounds around him, Gong Bai slowly walked toward the center of the accident.

A luxurious car was squeezed between two large trucks, and the ground was covered with glass shards.

That car was produced by the Liuguang group and seemed to be a limited edition. Presumably, not many people could afford to drive it.

What happened in the hospital flashed through his mind. He walked over and saw Lu Yang lying on the steering wheel with blood all over his head.

When Lu Yang woke up, he felt pain all over his body.

He opened his eyes and looked at the ceiling. He had a headache and breathing difficulties.

"Hubby?" A voice came from the side.

He looked over and saw Yu Xinran's worried eyes.

Yu Xinran gently held his hand. He wanted to pull it out, but he had no strength.

"You scared me to death, Yingluo. Do you know how scared I was?" Yu Xinran cried.

Lu Yang opened his mouth but couldn't say anything. He slowly closed his eyes and fainted.

When he woke up again, he felt much better.

Yu Xinran changed her clothes and combed her hair again. She seemed to be in a much better state. However, her eyes were red and bloodshot.

Lu Yang's heart ached for her and he said, "my heart is so sad."

"Do you know that you're about to die?" Yu Xinran looked at him.

Lu Suan couldn't help but laugh. It's good that Qianqian is dead. You can marry Gong Bai then.

"You dare!" Yu Xinran widened her eyes.

I'm serious, Hanhan. I know you can't forget him, Hanhan. Lu Yang took a break and said, "if I don't die, I don't want to let go, Hanhan, so Hanhan."

Yu Xinran shouted, "do you think you're doing this for my own good?!" I'm telling you, if you die, I won't marry anyone else! Can you bear to see me all alone? You better stay alive!"

Lu Yang looked at her and said, "don't have to whine like this."

Yu Xinran lowered her head and cried. It's fine if you don't stay with me to take care of the child. Yingluo, but you're leaving me alone. Yingluo! Where's your promise? Why are you doing this to me? Did I make the wrong choice?"

Lu Yang was stunned and said anxiously, "No... Cough, cough, cough, cough, cough."

"Lu Yang!" Yu Xinran exclaimed, "Lu Yang!"

Lu Yang fell heavily on the pillow and fainted.

“Don’t let anything happen to you! Lu Yang!” Yu Xinran burst into tears. if something happens to you, I won’t live anymore, Yingluo. I like you, I love you. Don’t you know? How could you leave me behind!”

Xizha city.

Tong Siyao was packing her luggage, preparing to go back to Beijing the next day.

“Are you coming back for the new year?” Yao LAN asked.

“Niannian and I can come back, but Yiting might not. If you can, you and dad should go to Beijing!

Yao LAN paused for a moment before turning around to head see when the time comes.” Hurry up and pack up, come down and eat!”

Yao LAN went downstairs and saw Yao Lei watching television. He hurriedly stood up and said with a fawning smile, ” “Zhuoya ...”

“Have you taken your medicine?” Yao LAN rolled her eyes.

Yao Lei had accumulated a lot of problems over the years and was slowly recuperating.

oh, oh, oh. Yao Lei looked at the TV guiltily.

“I’ll go get it for you,” Yao LAN said helplessly.

Yao Lei nodded and sat down with a smile. Hehe, Yaya was so good to him, hehe.

The television was playing an art program from a long time ago. It just so happened that Lu duo was the one who appeared. Yao Lei looked up and was stunned..

Chapter 1597: Ending: Lu duo exposed

She was stunned. Wasn't she Yiyi?

Yao LAN walked over with some water and medicine. Seeing that he was in a daze, she asked in confusion, "Old Yao, what's wrong?"

Yao Lei turned around and pointed at the TV. "Who is she?"

"Lu duo!" Yao LAN said, " you don't know him? She's a very famous violin player."

"Dad, mom!" Tong Siyao came down from upstairs.

"Your dad is always so flustered. Come and take a look at him," Yao LAN said.

"What's wrong?" Tong Siyao's face was full of doubt. She walked over and saw Lu duo on the TV. She frowned slightly.

"Is she a Chinese?" Yao Lei stood up.

"Yup, I know. I'll tell you simply, she's the daughter of the Liuguang group. The current chairman and President of the Liuguang group are her uncle ..."

"She's a spy!" Yao Lei shouted.

what? ” Tong Siyao was stunned. what did you say?

“Call the president, I’ll talk to him!”

Lu Yang was sent to the operating room and sat outside the operating room with worry.

“Auntie,” Lu duo said as she walked over.

Duoduo, how’s Rourou? ” she looked at her with a depressed expression.

“It’s still the same.” Lu duo smiled. don’t worry, Auntie. I will take good care of her.

Yu Xinran nodded absent-mindedly and looked nervously at the light in the operating room.

Lu duo said, ” aunty, uncle is so badly injured. I don’t know how long he will be in the hospital. What about the company?

Yu Xinran heard this and thought for a while before saying, ” “I don’t know. I’m not in the mood to care about that right now. You’re the only one left in the Lu family, can you do it?”

Lu duo smiled, ‘Auntie, what are you saying? I’m a music student, how would I know how to manage?’

Yu Xinran felt that her smile was very strange. Her heart was beating fast, and she had a strange feeling.

“But I have an idea. I wonder if you’ll agree to it?”

“Go ahead,”

“Auntie, why don’t you transfer all of the Lu family’s assets and the shares of the Liuguang group to me? I’ll go and get a professional manager to manage it.”

Yu Xinran’s eyes widened and she looked at her warily.”Duoduo, what do you mean (

Lu duo suddenly moved closer to her. She felt pain on her waist. She looked down and saw a black gun pointed at her waist.

She raised her head in shock and looked at Lu duo in disbelief.

Lu duo looked at her with poisonous eyes. “I don’t have time to waste with you, follow me!”

“You ...” Yu Xinran wanted to resist.

Lu duo lowered her voice. if you dare to move, I’ll kill Lu Rou and Lu Yang!

“They are your family! ha ... Lu duo laughed coldly.

Yu Xinran’s hands and feet turned cold. She felt that her smile had a deeper meaning.

Lu duo pulled her out of the hospital. Just as they were about to get into the car, they heard someone shout, ” “Xinran ...”

Both of them were surprised. They looked over and saw Gong Bai getting off the taxi.

Lu duo quietly hid the gun in her clothes and said to Yu Xinran, ” “Ask him to come over and get in the car together!” you ... Yu Xinran looked at her in horror.

Lu duo’s eyes were filled with viciousness.

“Where are you going?” Gong Bai walked over and asked with concern. Is Lu

Yang alright?”

“What are you doing here again?” Yu Xinran asked unhappily.

“I was worried about you, so I came over to take a look.” Gong Bai said.

Lu duo was extremely anxious. Every second counted, because her identity could be exposed in the next second.

“Auntie hasn’t rested for a long time,” she interrupted, “and hasn’t had a good meal. I’m here to take her back to the hotel to rest.” Uncle, you’re old friends with Auntie, right? Why don’t you come with me and persuade her?” no need . . . Yu Xinran said.

“Alright,” Gong Bai nodded..

Chapter 1598: Ending: I’m not afraid of dying together

“There’s really no need!” Yu Xinran said anxiously.

“I’ll accompany you.” Gong Bai said, “ I am very worried about you now. No matter what, we’re still friends. I can’t bear to see you like this. I’ll naturally leave when they’ve recovered.”

“Gong Bai-” Yu Xinran cried anxiously.

“Get in the car!” Lu duo dragged Yu Xinran into the car first.

Gong Bai sat in the front passenger seat.

The driver started the car. Yu Xinran still wanted to say something, but Lu duo pointed the gun at her waist.

She was stunned and didn't dare to make a sound.

If she died and Lu duo killed Lu Yang and Lu Rou, she would be able to inherit all of the Lu family's assets.

She couldn't let Lu duo succeed!

But what could he do now? He even dragged Gong Bai into this!

She looked at Gong Bai. Lu duo suddenly moved the gun away from her waist and secretly pointed it at Gong Bai in front of her.

Yu Xinran didn't dare to move.

The car was speeding on the road when her phone suddenly rang.

She was shocked and looked at Lu duo.

Gong Bai, who was in front, turned his head. Lu duo immediately retracted her hand that was holding the gun and placed it behind Yu Xinran. The gun was also pointed at Yu Xinran's back.

"Xinran, phone call." Gong Bai thought Yu Xinran didn't hear him.

Yu Xinran took out her phone and saw that it was Sheng Yiting.

Lu duo's eyes flashed. She raised her other hand to answer the call and put it on speaker.

"Aunt, where are you?" Sheng Yitings voice was heard. Is Lu duo by your side?"

Lu duo pressed the gun against Yu Xinran's body. Yu Xinran's body shook and she asked, "What's wrong? You're looking for her?"

Gong Bai glanced at her with concern.

"Aunt, where are you?" Sheng Yiting paused. Not in the hospital? Why do I feel like I'm driving?"

I'm in the car. Duoduo, take me to dinner.

Sheng Yiting fell silent.

Lu duo suddenly grabbed the phone and threw it out of the car window.

"What are you doing?" Gong Bai roared.

don't move! Lu duo raised her gun. don't move!

Gong Bai t s eyes widened in shock.

what are you doing?! Yu Xinran shouted at Lu duo.

The driver was still driving, unaffected. He was obviously in cahoots with Lu duo.

"I want everything in the Lu family!" Lu duo shouted, " or else you will all die!

why did you do that?! Yu Xinran shouted in accusation.

“To the airport, back to beimang!” Lu duo told the driver.

“The airport must be on lockdown.”

“Don’t worry, we have two hostages.”

The driver had no choice but to drive to the airport.

The airport was on full alert, and their car was stopped by the armed police before they reached the terminal.

Lu duo hugged Yu Xinran in her arms and stuck the gun out of the window. The people outside were shocked, “who’s in the car?” Put down your weapons!” “Drive.” Lu duo said as she kept the gun and closed the window.

The car continued to move forward. Countless guns were pointed at them, but they did not dare to shoot. The armed police on the road could only retreat because there were hostages in the car.

Lu duo asked the driver to drive the car to the tarmac and pulled Yu Xinran out of the car.

Countless police officers surrounded them with guns in their hands. Lu duo pulled Yu Xinran in front of her and pointed the gun at her forehead.

The driver also took out two guns. He pointed one at Gong Bai t s forehead and the other at the police officers in front of him.

“Lu duo! What are you doing!” Ding dang, who was wearing a police uniform, walked over with other policemen and stood behind the armed police with shields.

“Arrange a helicopter, I’m leaving!” Lu duo said loudly, otherwise, I’ll kill them immediately! I’m not afraid of dying together!”

Ding dang looked at Yu Xinran, and Yu Xinran said, “Auntie, promise her that I have something to ask her.”

Ding dang reported to Sheng Yiting in a low voice through her earpiece..

Chapter 1599: Ending-where is the real Lu duo?

“Agree to her first!” Sheng Yiting said.

Ding dang nodded and gave a look to the colleague beside her.

After the helicopter arrived, Lu duo and the driver took Yu Xinran and Gong Bai into the helicopter.

The driver went to fly the plane. After the plane took off, Lu duo took a rope and tied Yu Xinran and Gong Bai back to back together. Then, she made a phone call in a hurry.

After the call connected, her face was ashen. “I’m on the plane, what should I do? I can die, Yingluo!”

She knew that her identity had been exposed and she could no longer get the Lu family’s assets. Even if Yu Xinran was willing to sign the documents for the transfer of assets, China would not allow those documents to take effect.

Her years of planning had failed, and she was no longer a pawn.

In fact, from the beginning, she had thought that this plan was ridiculous.

M country and J country had conspired to destroy Hua country and even made her a spy. When she found out that Sheng Yiting was about to become the president, she even wanted her to go to his side. With such great ambitions, how could he succeed so easily? As expected, he was defeated again and again.

The person on the other end said, "you must escape. You can't let them catch you and use you as evidence!" Do you understand?"

"Understood!" Lu duo hung up the phone.

If she was captured alive by Hua, she would be living evidence for Hua to accuse M country and J country of their conspiracy.

The plane had already risen to a very high altitude, and there were military planes from China chasing after them.

Lu duo frowned and walked over to Yu Xinran and Gong Bai.

Yu Xinran's whole body was stiff while Gong Bai was secretly untying the rope, but he didn't know if he had succeeded.

Lu duo looked at them coldly, opened the cabin door, and wanted to push them down.

Yu Xinran shouted, 'Lu duo! What are you doing? You're crazy!'

"You actually want to kill your own aunt?" Gong Bai asked incredulously, "so, you're not the one who caused the others' mishaps, are you? "

Yu Xinran heard this and looked at Lu duo in horror.

Lu duo laughed coldly, " At this time, I won't hide anything. I didn't kill my parents, they were the ones who asked for it! I ordered people to kill Lu Suan, I ordered people to harm Lu Song, and I also had a part in Lu Rou because those terrorists were arranged by my people! As for Lu Xin, I was the one who arranged for him to get into the accident!"

"Why did you do that!" Yu Xinran roared.

you're so stupid "Lu duo laughed and said," of course it's because I'm not Lu duo.

Yu Xinran's eyes widened and she gasped,""N-not Lu duo? What about Lu duo? How can you not be Lu duo?"

Lu duo cupped her face in her hands and said with a smile, " "You're going to die soon anyway, so I won't hide it anymore. I'm actually the princess of J country, my real name is Miyi Ishida. However, I'm father's illegitimate daughter, and the royal family doesn't accept me. Father said that as long as I contribute to the country, I can become a real princess. So, I was sent to China by him to be a spy.

How could he be a spy? How could an extra person appear out of thin air? So, we collected a lot of information in China and found a person who looked similar to me. That person was Lu duo! I was forced to have plastic surgery at a young age, and I looked 90% like Lu duo at that time!

And what if it didn't look like it? It's okay, you won't be able to tell if I put on makeup. Also, I'm quite lucky. Lu duo went abroad to her aunt's place. She didn't see her aunt very often. After I replaced Lu duo and was often in school, Lu Yang never noticed!

Until two years ago, when Lu duo's parents passed away.. Lu Yang suspected me and I killed her!"

Chapter 1600: An instant of perfect cooperation

you ... Yu Xinran roared in anger, " you devil!

She reached out her hand and tried to push her and Gong Bai off the plane.

At this moment, Gong Bai rolled forward with Yu Xinran in his arms and knocked Miyi Ishida to the side.

what?" Miyi Ishida was shocked. She then realized that Gong Bai had untied the rope.

"Xinran, take the gun!" Gong Bai roared.

Miyi Ishida's gun was placed at the side, and she rushed over. Miyi Ishida also wanted to rush over, but she was stopped by Gong Baia

Yu Xinran grabbed the gun and pointed it at Miyi Ishida.

"Ignore her!" Gong Bai shouted. Tell the driver to land!"

Yu Xinran heard this and immediately rushed to the front.

At this moment, the driver's car stopped and he fell to the ground.

Miyi Ishida took the opportunity to rush toward Gong Bai. She knew Kung Fu, so why would she take Gong Bai, an old man, seriously?

Gong Bai raised his foot and kicked her on the knee. She cried out in pain and knelt on the ground.

She didn't even see how Gong Bai made his move, so she raised her head and looked at him in disbelief.

"When Lu Yang left the ward, your expression betrayed you," Gong Bai said. However, I didn't expect you to have such an extraordinary background." "Who are you?!" Miyi Ishida gasped.

He was definitely not an ordinary person. Otherwise, he would not have been able to discover it and have such good skills!

The plane shook again, and Miyi Ishida jumped up. Gong Bai kicked her away.

Behind her was the open cabin door, so she flew out directly.

ah! Miyi Ishida screamed.

Gong Bai pounced on her and picked up the rope on the ground that tied him and Yu Xinran up. He threw it out of the cabin door and tied her descending body.

Miyi Ishida felt something tighten around her waist. She raised her head and looked at him in horror. Who the hell is 'you Qianqian'!

Gong Bai turned around and picked up the gun again, but the driver was not threatened by her at all. If he killed him, the plane would crash. He believed that Yu Xinran wouldn't dare to shoot him, so what was there to be afraid of?

Gong Bai was very worried.

If it wasn't for the fact that the driver couldn't get a gun, he would have killed her long ago.

He lowered his head and looked at Miyi Ishida. She gritted her teeth and tried to untie the rope on her body.

Gong Bai had seen through her thoughts.

If she wanted to die, it would be better than being captured alive by China!

Just as Gong Bai was about to pull the rope up, he suddenly heard a gunshot, and the rope in his hand immediately slid down.

ah! Miyi Ishida screamed.

Gong Bai clenched the rope tightly, feeling a sharp pain in his heart.

Xinran, Xinran, Xinran, Xinran, Xinran.

He only wanted her to be well. How could he watch her die in front of him?

He turned around and saw her squeezing into the driver's seat. She pushed the driver away and started to fly the helicopter.

Blood gushed out from the back of the driver's head.

"What a good girl," he could not help but smile.

Yu Xinran turned around and looked at him, saying loudly, "Lu Yang taught me!"

"He's fine!" He nodded. you two are indeed a match made in heaven!

Yu Xinran paused and turned back to look for a place to land. He muttered, "I actually feel that it's good to have this moment of cooperation with you." She didn't ask for a lifetime, but only for this short moment.

Gong Bai pulled Miyi Ishida into the plane and tied her up with a rope.

The plane stopped on the road, and the military plane that had been following them also stopped around them, surrounding them.

Gong Bai kicked Miyi Ishida out of the plane and ran down the plane in a hurry.. He pressed her down and asked, "Where's Lu duo? Where's the real Lu duo?"
