Chapter 161

161 So many handsome guys

Aimo books 'office was in an office building in the city center. Because it was a newly established company, they only rented one floor as their office, and half of the office space was empty.

...

The company had only recruited a few female employees-front desk, Secretary, Administrative Assistant, and so on.

The remaining male employees were Sheng nanxuan's original subordinates. They were temporarily handling some problems here.

As for important positions such as book editors, they were still in the midst of recruitment (poaching from other book companies).

When Sheng nanxuan passed by the front desk, the front desk Secretary straightened her back and shouted, " "Good day, President!"

Sheng nanxuan walked in without looking sideways.

The receptionist's face fell in disappointment.

There were many handsome men in the company, but none of them were willing to look at her.

Was she ugly?

However, the remaining few female colleagues did not seem to be favored by the handsome men either.

Sigh, forget it. I'll be satisfied as long as I have a handsome guy to look at every day ~

Before she came to work, she had no idea that a small book Company would have so many talented people and so many handsome men!

Not to mention the president and the chief editor (Fang Yang), the people who installed the computer, light bulbs, and moved the table were all young fresh meat. People would believe it if they said it was an entertainment company!

cough cough! There were indeed many people who were hired by CEng Shuai's entertainment company to help out.

Sheng nanxuan's office had two floors. The first floor was an ordinary office, and the second floor was accessed through password and retina verification. He could do some things that the "night God" did, such as playing the stock market.

Currently, there were not many things for him to deal with at Aimo books. He could not just sit in the office and be in a daze, so he had set up an office on the second floor.

He sat in the office on the first floor outside. As soon as he turned on his computer, his Secretary came in with a cup of coffee.

His Secretary was a male, transferred directly from Lin Lei's side.

He didn't need a female secretary because she was too troublesome! He didn't want the Secretary to have improper thoughts about him and do something out of line. What if Gong mo found out and misunderstood? Even if he explained it clearly, Gong mo would still feel uncomfortable.

Chapter 162

162 Hubby, you're not bisexual, right?

The Secretary put down the coffee. Sheng nanxuan asked, "Is Fang Yang here?"

...

“Not yet, but he should be here soon,” the Secretary replied.

Fang Yang would come to the company every day and was even personally in charge of recruitment.

“He was actually later than me?” Sheng nanxuan frowned.

The Secretary: “Wanwan, you’re too early, aren’t you?” Why did the CEO have to be on time for work? So that the employees below didn’t dare to be late!

alright, you can leave now. Tell Fang Yang to gather the people as soon as possible and publish the manuscript!

Since he had started a company, he couldn’t just let it go to waste. It’s such a loss to only release a few translated novels! He still wanted to slowly expand and replace Qingyu media.

Sheng nanxuan studied the development history of other media companies and book companies for a while. He looked at the stock market and suddenly missed Gong mo, so he sent her a text message-

Sheng nanxuan said, “I have many handsome guys in my company. It’s a pity you didn’t come.”

Gong mo, “can I look at handsome guys?”

Sheng nanxuan, you can look at me! [smile]

Gong mo, “it’s useless!”

Sheng nanxuan, “why is it useless?” I’ll be happy~

Gong mo, “I’m not happy~”

Sheng nanxuan,"you just have to look at other handsome guys."

Gong mo,"handsome guys are the common property of humans!" Why can't I see it?

Sheng nanxuan,"see." Anyway, I won't know if you've seen it secretly ~

Gong mo,"so I didn't know that you were secretly looking at a beautiful woman?"

Finally, it was time for the main topic!

Sheng nanxuan heaved a sigh of relief and immediately replied,"I'm very strange, I won't look at beautiful women. Even my Secretary is a man!

He thought that Gong mo would be touched, but Gong mo replied,"Your Secretary is a man?"

Sheng nanxuan,"what's the problem?"

Gong mo,"you're not bisexual, right?"

Sheng nanxuan:

He decided to get a new female secretary!

If even his own wife thought this way, he wondered what other people would think!

He asked Gong mo angrily,"what are you doing?"

Gong mo replied,"shopping with mom."

Sheng nanxuan,"be careful then. I'll stop chatting."

Gong mo really didn't reply.

"Shouldn't you reply?" Sheng nanxuan gritted his teeth.

Just as he was feeling depressed, his cell phone rang!

His first reaction was to think that it was Gong mo. He even got excited for a while.

Chapter 163

do it yourself

It was Wu Di.

...

Sheng nanxuan remembered that Wu Di had asked him to treat them to a meal and could not help but rub his eyebrows.

He had forgotten.

Picking up the phone, Wu Di's bored voice could be heard. "What is this bro doing? Do you want to come out for a drink?"

"No!" Sheng nanxuan said firmly.

you-" Wu Di exploded. date! He had to! Didn't you treat me to a meal? Didn't you say you would introduce me to sister-in-law?"

Sheng nanxuan smiled. then come and find me. I'll treat you today.

“Where are you?” he called Gong mo.

shopping~” Gong mo said, “autumn is coming. I’m going to buy some clothes for mom.

“Mom is willing to take it?”

“Don’t! But I asked her to try it on, and I’ve noted down the ones that fit and look good. I’ll ask he Yue to buy them when we get home.”

“Good idea. Think of a way to get mom’s size so that we can make a custom-made one for her. ”

“Let’s talk about the future in the future.” one step at a time, ” Gong mo said.

“Yes.”

“By the way, do you want it?” Gong mo asked in a low voice with a hint of shyness.

“What do you want?” Sheng nanxuan felt warm inside.

clothes ... Gong Mo’s voice became even softer, obviously embarrassed. mom said I’d buy you clothes, but I said no. She even scolded me for not caring about you. Hmph, ever since Yingluo had you, I’ve been picked up from the streets.”

“Then you should buy it for me!”

“What you’re wearing are all custom-made, these Kasaya”

“I’ll wear it if you buy it!” Sheng nanxuan interrupted her.

“Alright, I’ll buy you two.” She paused.

by the way, I’m bringing two friends back this afternoon. Fang Yang and one of my University classmates, please buy more groceries.

“Yes, sure.”

In the afternoon, Sheng nanxuan got off work early and reached home at five o’clock.

Gong mo and his mother were cooking in the kitchen. The vegetables had been cut and two of them were already in the pot.

Gong mo still had symptoms of morning sickness. He didn’t dare to stay in the kitchen, so he peeled fruits in the living room and prepared to make a fruit plate.

When the door opened, she put down the fruit knife, stood up, and wiped her hands with a tissue. Seeing a few figures outside the entrance, she picked up the fruit and went to the kitchen. When she came out again, Sheng nanxuan and the others had already entered the living room.

“Why so early?” Gong mo asked Sheng nanxuan as he looked at the unfamiliar Wu Di.

“She got off work early.” Sheng nanxuan pointed at Wu Di and introduced her. my University classmate, Wu Di.

“Good day, sister-in-law!” Wu Di hurriedly held Gong Mo’s hand.

Gong mo jumped in shock. Sheng nanxuan calmly pulled Wu Di’s hand away.

Wu Di looked down on him, and Gong mo smiled. You guys sit, I’ll go pour some tea.”

“You guys do as you please.” Sheng nanxuan glanced at Fang Yang.

Fang Yang understood. He would help BOSS entertain young master Wu!

Sheng nanxuan followed Gong mo and asked, "is mom cooking?"

"Yup,"

"I knew you guys would do this, so I got off work early. Who knew you guys would be faster than me!"

Sheng nanxuan took off his suit jacket and placed it on the dining chair. He unbuttoned his cufflinks and rolled up his sleeves. "Don't let mom cook, let me do it."

"How can we do that?"

"I can't let the guests I brought back suffer." Sheng nanxuan thought for a moment. forget it. Ask them to do it themselves!

"Ah?" Gong mo was shocked. How could he entertain guests like this?

In the end, Sheng nanxuan really turned around and left. He said to Fang Yang and Wu Di, "Come and cook! Do it yourself, and you'll have enough food and clothing!"

Fang Yang stood up without any pressure. He would be under a lot of pressure if the boss's entire family were to entertain him!

Wu Di was stunned. You're asking the guest to cook?"

Chapter 164

is there a walking level

"Do you want my wife and mother-in-law to cook for you?"

...

uh, sob, sob. Wu Di felt that it made sense. What right did he have to do that?

He stood up and rolled up his sleeves as he said, "But I don't know how to do it."

"You can be an assistant, right?"

Sheng nanxuan said as he went to the kitchen to invite mother Yan out.

Her mother was not willing to come out, so Wu Di and Fang Yang went in as well and coaxed her out with a few words.

She looked at Gong mo, who was also stunned.

"Uh, Xuxu's mom, you should rest." Gong mo was cutting fruits.

"I'll do it. You go and take a look. Don't let them mess it up." Zhen's mother cooked every day, and the kitchen had become her private territory. She was very protective of it.

Gong mo smiled, put down the knife and wiped his hands, "Alright," he said.

She opened the kitchen door and saw three handsome men standing in front of the counter.

Sheng nanxuan was directing Wu Di to stir-fry the vegetables. Wu Di was holding a spoon and crying out.

When Sheng nanxuan saw Gong mo, he hurriedly turned off the fire and asked, "What's wrong? It's oily and greasy here."

"I want to ask if you need my help."

“No need,”

Wu Di said, “I really can’t!” I’ve never been to the kitchen before. This is my first time cooking, so let me do something else! Cooking was like flying. How could one fly without learning how to walk? Do you have any walking-level jobs for me to do?”

Gong mo laughed.

“Then go peel the garlic!” Sheng nanxuan said helplessly.

Gong mo looked at him and wanted to say something, but he gave up. “Then I’ll go out first, you guys go ahead.”

Half an hour later, Sheng nanxuan and the others were done.

Fang Yang opened the door and brought out the dishes.

Gong mo went in to help. He saw Wu Di strangling Sheng nanxuan’s neck and bellowed, “F * ck, you actually know how to cook! What else do you have that I don’t know? Are we still friends? I don’t think I know you anymore!”

“Serve the dishes!” Sheng nanxuan pushed him away.

“Oh!” Young master Wu became an obedient little sheep in a second. He picked up the squirrel fish and went out.

Gong mo walked up to Sheng nanxuan and asked in a low voice, “He’s also your subordinate?”

“Do you dare to strangle me?”

eh? “Gong mo was stunned.

That’s right, when she saw him ordering people to cook, she subconsciously thought that Wu Di was also his subordinate. However, if he was her subordinate, he would definitely not be so casual.

During the meal, the three men opened beer bottles, while Gong mo and mother Zhai drank cool Apple.

Wu Di picked up a piece of boiled meat and asked, ” “Nanxuan, you sure are fast! How many months has she been?”

“Four months.”

“Four months?” Wu Di was stunned. then, didn’t you get pregnant with ran ran when you just returned to Nanjiang? ”

“Is there a problem?”

“No problem!” Wu Di shook his head. you’ve hidden it too well! You didn’t leak any information before, so I thought you were still single! After half a day of graduation, you can’t wait to go home and get married. Is this a long-distance relationship? How many years did you guys talk about it?”

“You talk too much!” Fang Yang said, ” you seemed to have wanted to introduce your sisters to Nan Xuan in the past? ”

“You’re too kind. I was just afraid that he would be lonely. Now that he’s happy, I’ll naturally give him my blessings!” Wu Di picked up a can of beer and clinked glasses with Gong mo. sister-in-law, I’ve never done anything. I’ve never tried to poach you. May the heavens be my witness!

Gong mo lowered his head in embarrassment.

Sheng nanxuan gave her the fish in his bowl. “I’m done picking out the flaws.”

Aiyo-- Wu Di shouted. it's so shameful to show off your love!

"If you keep barking, I won't treat you to a meal in the future."

Chapter 165

165 He's quite romantic

Oh my God! Wu Di immediately covered her mouth. After a moment, she released her hand and said, "I won't scream anymore. Let me try your cooking ~"

...

After Wu Di finished speaking, he began to eat.

He remembered which ones were done by Sheng nanxuan. He had just seen them all. However, there were still two dishes that were not made by Sheng nanxuan, and he picked them up to eat!

"Oh, this beef is delicious. Did Auntie make it?" He asked his mother.

"It's just home-cooked food. It's definitely not as good as the ones in the hotel," said her mother with a smile.

"I like the taste of home! The hotel's decorations look good, but the taste is just average!"

"Then you should eat more!" Her mother was grinning from ear to ear.

After the meal, Sheng nanxuan sent Fang Yang and Wu Di off.

Gong mo knew that this was a social event between men and did not ask about it. However, Sheng nanxuan took the initiative to explain to her, "I'll be back later."

I know ~"Gong mo couldn't help but laugh.

Sheng nanxuan kissed her.

Fang Yang and Wu Di were standing at the door. Wu Di cried out, "oh, oh, oh ~ it's so different to have a wife. We even have to kiss when we go out ~ i want to find a wife too!"

Fang Yang rolled his eyes helplessly. He could not believe that this was the BOSS 'friend. Boss was so cool, handsome, and domineering, why did he have such a funny friend?

Boss Sheng thought, 'actually, my subordinates are jokers too! (Fang Yang, Zeng Shuai: Yingluo definitely isn't talking about me!)

Gong mo and mother Zhai then went out for a walk. After one round, they played table tennis in the sports square of the community.

After playing table tennis for half an hour, Sheng nanxuan returned.

Because they exercised here every afternoon, Sheng nanxuan came to find them directly and saw them at a glance.

Mother Yan asked, 'nanxuan, do you want to fight? I'm going to dance."

"Why do you keep dancing?" Gong mo asked.

The dancers were all retired old ladies, and she was not that old yet.

"Why do you care?" Mother Yan put down the ping pong racket and left.

She was just bored. Otherwise, who would be willing to live the life of an old person in advance?

Sheng nanxuan picked up the racket and served a ball, but Gong mo didn't catch it.

Gong mo stuck out his tongue and didn't pick up the ping pong ball. He leaned against the table.

Sheng nanxuan picked up the ball and walked to her. "Are you tired?"

a little stubborn, "Gong mo said in a coquettish tone.

"Then let's go over there and sit down."

Sheng nanxuan put down the ping pong ball and the ping pong racket and left with her. He walked a few steps and arrived in front of a row of swings.

There were many children on the swing. One of them had stopped playing. Sheng nanxuan immediately took a seat and called Gong mo over.

Gong mo was embarrassed to see other children waiting to play with him. He walked to his side and whispered, "For the children to play with!"

I'm letting the child play, our child. Sheng nanxuan touched her stomach, stood up, and pressed her down on the swing.

When the parents of the child saw that she was pregnant, they didn't mind and took the child elsewhere.

Sheng nanxuan gently pushed the swing. Gong mo shouted, "Don't! I'm scared!"

"What are you afraid of?"

"I'm afraid it'll break!" What if the rope broke and two lives were lost?

you ... Sheng nanxuan simply sat next to her. The two of them swayed back and forth.

Gong mo sneaked a glance at him and lowered his head with a red face.

I didn't expect him to be so romantic, Yingluo.

Gong mo bit his lip and smiled sweetly.

"I want to sit with Xiaofang!" Suddenly, a tender child's voice came from the side.

Gong mo looked over and saw a four to five-year-old boy. The little boy stood in front of an empty swing, but he refused to go up. Instead, he looked at a little girl who was playing on the swing.

Chapter 166

166 She's not even Cinderella

The little girl giggled and flew higher and higher.

...

"No, you can only sit alone!" The little boy's grandparents said.

"But uncle and aunty are all sitting together." The little boy looked at Gong mo and Sheng nanxuan.

"It's brother and sister," Sheng nanxuan said.

The little boy's mind went blank, and he looked at him in a daze.

brother! Sheng nanxuan pointed at himself. brother! "Sister!" He pointed at Gong mo.

brother, sister, Yingluo, “the little boy said stupidly.

good girl. Sheng nanxuan nodded in satisfaction.

Gong mo turned his head and glared at him, then elbowed him in the stomach. How could he be like this, bullying a child?

Sheng nanxuan grabbed the two ends of the swing and let her lean in his arms. He swung it gently.

The little girl stopped and waved at the little boy. “Zhang Daming! Are you coming over?”

“They’re here!” The little boy immediately ran over and sat on the swing with her.

But in this way, Daren would not dare to swing.

Because their hands were too short, they could not hold both ends of the swing like Sheng nanxuan.

They could only grab it with one hand and hold it with the other.

However, they didn’t need to play on the swing anymore. They just needed to stay together happily.

A hint of envy flashed in Sheng nanxuan’s eyes. He lowered his head and said to Gong mo, “Two innocent little kids, that’s good.”

Gong mo raised his head and looked at him in confusion.

He stopped and gave her a kiss on the cheek.

Her face turned red and she pushed him away.

hehehe hehe hehe. the surrounding children all saw this and laughed secretly.

Zhang Daming's mind moved. He lowered his head and bit Xiaofang's face.

ah ah ah-" Xiaofang screamed, "Zhang Daming, you're so annoying!

Gong mo felt that Sheng nanxuan was so annoying. He jumped off the swing and left.

Sheng nanxuan immediately followed her, slowly following behind her.

The two of them strolled through the garden leisurely, and the sky soon turned dark.

"Let's go back," Gong mo said.

"Alright," he said.

Gong mo picked up his phone and called mother Zhai. "We'll go back first."

Mother Zhai still had to dance for a while. She knew more people in the community than Gong mo, so Gong mo didn't need to worry.

I'm going out tonight, " Sheng nanxuan said after he hung up. I'm going to attend a banquet with Wu Di and the others.

"Ah?" Gong mo looked at him and responded with an "Oh."

Was he reporting to her?

Sheng nanxuan said, " I wanted to bring you there, but it's a little late at night. You should rest at home. I'll bring you next time.

"I ... I didn't say I was going." With his head lowered, Gong mo said as he walked, " I don't like that kind of occasion. You'd better not call me out in the future!

"What are you saying?" Sheng nanxuan smiled and put his arm around her waist. I'll have a lot of time to attend banquets in the future. You're my wife. Of course, you have to accompany me.

uh, hehe. Gong mo was stunned. He suddenly remembered that he was so powerful that he would definitely attend many big events.

Then, she remembered the scene when she attended the banquet at the Sheng family. She was ignored, ridiculed, ridiculed, and looked down on Yingluo.

That was not her world at all!

She was just a Cinderella clown who accidentally entered the palace Banquet! Even if she was dressed in luxurious clothes, she still couldn't change the ordinary nature in her bones.

No! No! She wasn't even Cinderella! Cinderella was originally a noble, but she became Cinderella because of her stepmother's torture. When she was covered in dust, she was still a rich young lady.

And what about him?

He was nothing.

"Let's talk about future matters in the future, Zhenzhen," Gong mo said uneasily.

Chapter 167

167 Just thinking about it makes me feel warm

“Yes, I am. When mom is home, I’ll go out quietly, in case it’s hard to explain to her. ”

...

“Yes.” Gong mo replied dejectedly.

“Are you going to open the door for me when I come back tonight?” He lowered his head and asked in her ear.

Gong mo glared at him but quickly pushed him away when he realized that they were too close to each other.

Mommy, when did he hug her? She actually didn’t notice!

It really was a habit! It was too much!

“You brought your own key!” She walked forward angrily. who knows what time you’ll be back? You have the nerve to ask a pregnant woman to wait for you?”

when you’re not pregnant, then ...

He really wanted to see her wait for the door to open for him. After a busy day, he would return home exhausted. She would open the door with a smile and say caring words to him. Thinking about it made him feel warm.

.....

This was a banquet mainly attended by people in the medical field, organized by the Yu family.

Yu xinzhuo’s third uncle, the third master of the Yu family, Yu Qingliu, was a famous Doctor of Medicine. This man was unrestrained and amorous. He was forty years old this year, but he was still single.

In recent years, Yu Qing's popularity had been unstable. He would stay in one country for a few years and then another country for a few years. He would be a visiting professor at various universities and hold lectures and conferences. In any case, he would do academic research while having fun.

The two elders of the Yu family really hoped that he would settle down. When he returned to the country, they immediately held banquets and even specially sent invitations to the medical field.

Those people had long admired Yu Qingliu's name. The moment they saw him, they wanted to hug him and talk to him for three days and three nights. Naturally, they wouldn't let him go.

At the same time, he also arranged for a bunch of rich young ladies at the banquet, hoping that Yu Qingliu would end his single life with them.

Sheng Dongyi had also managed to get an invitation and came with su mo.

Su Mo's role was only to be a female companion. Of course, he would be very happy if she could perform better.

After Sheng Dongyi came to the capital, he had attended many banquets of all sizes, hoping to break into the upper class. However, everyone was not very friendly to him. Usually, small figures were a little more enthusiastic, but the higher their status and background, the less they would pay attention to him.

Especially the Yu and Wu families.

He especially wanted to make friends with the people from these two families, but they were the coldest to him.

He simply assumed that the other party was looking down on the Sheng family, and snorted coldly in his heart. Today you ignore me, tomorrow I'll let you be out of your league! When the Sheng family grows stronger, you'll regret it!

However, he did not know that Sheng nanxuan had a part to play in this.

There was no need to talk about the Yu family. Both Yu xinzhuo and Yu Xinran knew that Sheng nanxuan might be the night God, and the Sheng family had publicly cut off all ties with Sheng nanxuan. Why would they offend Sheng nanxuan for the sake of the small Sheng family?

On the Wu family's side, Wu Di treated Sheng nanxuan as a friend. Now that the Sheng family had broken off relations with Sheng nanxuan, he would naturally stand on his side.

As for the others ...

Sheng nanxuan had been in Beijing for four years. Even if he was ignored in the beginning, they had more or less developed some friendship after such a long time. Sheng Dongyi had only been here for four months. How could he not be as good as him?

Moreover, everyone knew that Sheng nanxuan had cut ties with the Sheng family. They did not need to give Sheng nanxuan face, and would ignore him even more.

Even those who didn't want to give Sheng nanxuan face didn't want to talk to Sheng Dongyi. That was because Sheng nanxuan was usually very close to Lin Lei, Zeng Shuai, Wu Di, and the others! The companies and forces behind these people were not ordinary. Offending Sheng nanxuan would mean offending them. And since Sheng nanxuan was on good terms with them, he was definitely not an ordinary person. Who knew what kind of abilities he had in private?

Therefore, Sheng Dongyi's social circle in the capital was not smooth.

Chapter 168

Yu qinghuan

Everyone was so cold to him, but he didn't react and kept moving forward!

...

Now, Sheng nanxuan was in no mood to care about him and did not publicly become his enemy. Otherwise, everyone would have hit him in the face!

Yu Qingliu stood upstairs and looked down at Sheng Dongyi, who was socializing with others. She asked coldly, "Is that the Sheng family?"

"Yeah, what's wrong?" Yu Xinran asked.

I hate the Sheng family. Yu Qingliu turned around.

Yu Xinran's expression changed as she suddenly recalled a legend.

The current head of the Yu family, old master Yu, and old Madam Yu were Yu Xinran's grandparents. Yu Xinran's previous generation only had her father, Yu Qingping, and Yu Qingliu.

Yu Qingping was the eldest, while Yu Qingliu was the third. What about the second in the middle?

This was why Yu Qingliu and the other elders hated the Sheng family.

The Yu family also had a daughter called Yu qinghuan, who was Yu Xinran's aunt.

Yu qinghuan studied journalism at a University. When she had just graduated, there was a problem with the quality of medicine in shengshi pharmaceuticals in Nanjiang city.

Yu qinghuan harbored the dream of being a reporter who would reveal the truth, punish evil, and promote good. She had gone to Nanjiang alone to interview in secret, but she had never returned.

It had been more than 20 years, and Yu qinghuan had disappeared without a trace.

The two elders of the Yu family had been sad for more than 20 years. They had even founded "talking joy" magazine because of this matter, just to fulfill Yu qinghuan's dream of being a reporter.

After that, 'talking to joy' slowly grew and developed into the world's number one Qing Yu media, sending Yu Zhengming to the position of the richest man in China.

However, there was still no news of Yu qinghuan.

Yu Zhengming felt even more guilty towards his daughter, and at the same time, he hated the Sheng family even more.

Although he was embarrassed

Yu qinghuan's disappearance might not have anything to do with the Sheng family, but it was because of the Sheng family! If not for the problem with glory World Medical company, Yu qinghuan would not have gone for the interview and would not have gone missing!

Unfortunately, Yu xinzhuo and Yu Xinran didn't know much about this. If it weren't for the fact that their parents were afraid that they would break the rules and bring up sad things in front of the old man, they wouldn't have known anything at all!

Yu Qingliu and Yu qinghuan had a good relationship, and he had even gone to Nanjiang to look for her a few times, which made him hate the Sheng family even more!

Yu Qingliu held a glass of red wine and slowly walked down the stairs.

Most of the guests today were from the medical field, but there were also some relatives and friends of the Yu family.

When Sheng nanxuan arrived, the banquet was almost over. He did not have an invitation, so Wu Di went out to pick him up.

Wu Di was a relative of the Yu family, so the waiter naturally wouldn't stop her.

The two of them walked into the hall, and Wu Di pointed in Sheng Dongyi's direction. "There, it's over there,"

Sheng nanxuan looked at Sheng Dongyi coldly and took a sip of his wine.

If he had not heard from Wu Di that Sheng Dongyi had been attending banquets a lot recently, he would not have come.

The banquet was supposed to start at eight o'clock. He could have brought Gong mo along. However, he definitely wouldn't bring her to see his ex-boyfriend, so he delayed the meeting.

Sheng Dongyi felt his gaze and was slightly startled. His expression changed, and he was naturally displeased.

However, he quickly recovered. He even smiled and walked over with su mo.

Nanxuan. Sheng Dongyi put on a brotherly look and put his hand on his shoulder. long time no see. How are you? "

"Thanks to you, not bad." Sheng nanxuan lowered his head, his expression indifferent.

"I've been looking for an opportunity to talk to you, but I couldn't get in touch with you. I didn't expect to meet you here!"

Chapter 169

169 I'll also pursue it

"Talk about what?" Sheng nanxuan looked at him with a faint smile.

...

Sheng Dongyi paused. He did have something to talk to Sheng nanxuan about, but not in such a crowded place.

He suddenly looked at Wu Di and revealed a surprised expression. "Young master Wu? I didn't expect to run into you here. You know nanxuan?"

“We were University classmates.” Wu Di said lightly.

Sheng Dongyi suddenly looked at Sheng nanxuan. It was only then that she suddenly realized something- Sheng nanxuan had been in the capital for four years!

Many things could be done in four years!

Sheng nanxuan had made use of these four years to develop many connections and get to know many people. If he had known, he would not have let him study in the capital. It was simply shooting himself in the foot!

These days, he had been attending banquets non-stop, but the people around him were cold to him. Could it be that Sheng nanxuan was up to no good?

Sheng Dongyi smiled and said to Sheng nanxuan in a friendly manner, “let’s treat your classmate to a meal when we have time?”

“I might not have the time.” Sheng nanxuan said coldly.

Wu Di glanced at them and said to Sheng nanxuan, “You guys chat first, I’ll go over there and take a look.”

After he left, Sheng Dongyi said to Sheng nanxuan, “I heard from mother that Gong mo is pregnant with your child. Are you two married?”

Sheng nanxuan looked at him coldly and did not speak. He wanted to hear what he had to say.

Sheng Dongyi felt uncomfortable under his gaze. He turned his head away and said, “I’m also in the wrong in this matter. You and Gong mo were high school classmates. I should have known that you two were a couple. However, Gong mo was alone at that time. When I was with him, you two were just ordinary classmates. Since you’re together now, I won’t pursue what happened that night. Mom and I

will help you talk to Dad. Dad made that decision in a fit of anger that day. But we're still a family, so what's there that can't be solved?"

what happened that night, ran ran. Sheng nanxuan swirled the red wine in his glass and said coldly, "even if you don't pursue it, I will.

He looked at Sheng Dongyi and then at su mo.

Su mo was shocked by his sharp gaze and quickly lowered her head.

And then,

They heard Sheng nanxuan say, "since Momo was eldest brother's girlfriend, how could she have gone to my room in the wrong place?" And Yingluo has been drugged."

Sheng Dongyi was stunned. He said with a stiff expression, " "It looks like someone is trying to drive a wedge between us brothers."

"Probably. But no matter what the truth is, I won't go home before I figure it out. Because now that I'm back, you still think it's my fault! You'll think that you're magnanimous and show me mercy!" Sheng nanxuan looked at him sternly. brother, I don't need your pity!

Sheng nanxuan turned around to leave.

Nanxuan! Sheng Dongyi shouted, " no matter what, we are family! Even if you don't want to go home now, you can't just ignore mom, right? She really cares about you, Gong mo, and your child!"

Sheng nanxuan stopped and tightened his grip on the cup.

Care about the child? Was he trying to harm his child? Hehe hehe

“Tell her that I’m fine and that she doesn’t need to worry about me.” Sheng nanxuan left without looking back.

Su mo walked to Sheng Dongyi’s side. Sheng Dongyi sighed helplessly and took a sip of his wine.

Su mo reached out to hold his wrist, and he lowered his head.

“Do you want to see Gong mo?” su mo asked with a bright smile.

170 The smell of smoke

“What nonsense are you spouting?” Sheng Dongyi retracted his hand and asked in a low voice, “ didn’t you say you wanted her to have a miscarriage? I’m just trying to create an opportunity.”

...

Su mo laughed coldly. are you sure you don’t only know how to cherish things after you lose them? ”

Sheng Dongyi frowned and pushed her away. you’re being unreasonable! he said.

He took two steps forward and saw Wu Di and Yu Xinran standing together.

Yu Xinran was wearing a royal blue strapless dress. Her hair was combed to one side of her shoulder, and she was smiling lightly, looking elegant and Noble.

She was one of the top rich young ladies in the whole of China. If she was with him, she would almost be on the same level as the Yu family. Even if they couldn’t get the Yu family’s assets, the resources and connections the Yu family had could be used to make use of Yingluo.

Sheng Dongyi lowered his eyes. He deeply regretted being with su mo!

Although su Mo's father was the chief editor of "happy talk," he was only the chief editor of the Nanjiang branch. He was quite a figure in Nanjiang, and the marriage with the Sheng family was mutually beneficial.

But it was nothing in Beijing! If he wanted to gain a foothold in the capital, su mo was useless!

.....

When Sheng nanxuan returned home, it was almost midnight.

Although he didn't quarrel with Sheng Dongyi in public at the banquet today, he had left with a cold face in front of everyone. It was enough to make Sheng Dongyi suffer.

Now, everyone could see clearly that he and Sheng Dongyi didn't get along. If someone ignored Sheng Dongyi because of him, they wouldn't do it again.

Sheng nanxuan walked into the room. There was only one night light in the room. Gong mo had fallen asleep. He heard her breathing.

He took off his bow tie and coat, hung them on the coat rack, and looked down at her.

Under the warm light, her face looked serene and peaceful. Her skin was soft and tender like a Pearl.

He lowered his head and gently kissed her face.

Gong mo frowned and gently turned his body.

Sheng nanxuan reached out and touched her hair, then kissed her on the lips.

"En, Yingluo."

Gong mo frowned as he opened his eyes and pushed him away.

"I'm back," he said with a smile. Are you hungry? I'll make you supper."

She ate for two people and often woke up in the middle of the night to eat.

Gong mo placed his hand on his chest and pushed him again. "You smell of smoke."

"Oh, I just had a cigarette."

"I thought you didn't know how to smoke."

"I will." He stood up and took two steps back so that the smell of smoke would not affect her. Then, as he took off his clothes, he asked, "you don't like me smoking?"

Gong mo sat up and said,"no, I didn't." But I'm not used to it, and smoking isn't good for the child. Yingying, just don't smoke at home."

"Alright," he said. Sheng nanxuan walked over and kissed her. I'll do as you say.

Gong mo frowned and turned his head.

"I thought all girls would like the smell of cigarettes. Isn't this manly?" he chuckled.

"Did your ex-girlfriend like it?" Gong mo asked. I don't like it!"

"Oh, I didn't have a girlfriend before."

Gong mo was stunned.

“You are the only one.” He looked at her. do you feel honored? ”

“Who would want this honor?” Gong mo pushed him away uneasily. In fact, he was secretly happy. go and take a shower.

“Eh?” Sheng nanxuan raised an eyebrow. this is the first time you’ve urged me to take a shower. Were you waiting for me? ”

you ... Gong Mo’s face turned red. I hate the smell of smoke and alcohol on you! Let’s go, let’s go, Yingluo, I’m going to find supper!”
