### Chapter 1621: I feel unhappy

"I know," Tian Yuan said in a low voice, stunned.

Lin weiqin patted her shoulder. be good. Don't let the people who care about you worry.

"En!" Tian Yuan nodded and smiled at him. don't worry, I won't make a

mistake.

"That's good. Otherwise, uncle and aunty would be heartbroken."

Tian Yuan nodded again and retreated to the side with her suitcase. "Brother Wei Qin, you . . . 't

She wanted to say, "take care," but suddenly felt that something was wrong. It was too impolite, so she asked, "Do you want to go up and sit?"

"No. If you need anything, you can call me. No matter what, you've always called me brother since you were young, so I should protect you."

"Sure Tian Yuan couldn't help but smile.

When she got home, Tian Cheng wasn't around. She secretly heaved a sigh of relief. Otherwise, she wouldn't know how to explain it.

She returned to the bedroom and fell on the bed, staring at the ceiling in a daze. After a while, she took out her phone and saw that Chen jiahan had not contacted her again. She threw it aside in anger.

This man was indeed not good! This was the only time he could pester her!

She felt that she must have been blind back then. Why did she agree to him? And it was puppy love!

The past two years of youth had really been fed to the dogs!

Tian Yuan angrily picked up her phone and blocked all of his contact numbers!

At noon, she ordered some takeaway and went back to her room to sleep after eating. In a daze, she heard someone talking and opened her eyes. Her mind was a little muddled, and she didn't know what time it was.

"Where's Yuanyuan? He wasn't here yesterday, and he's not here today!" Zeng Shuai's voice was heard.

Tian Qi was shocked and sat up on the bed.

Tian Cheng's voice was also heard, "you must have gone to play with your classmates. You didn't come when she was here and you still blame her?"

"I think he's back." her slippers aren't here, " Zeng Shuai said.

"Ah?" Tian Cheng was surprised.

Tian Yuan hurriedly got out of bed and pushed the suitcase under the dressing table. Then, someone knocked on the door.

She went to open the door and saw Tian Cheng. She laughed dryly. "Mom ..."

Tian Cheng glared at her, and she scratched her head. Zeng Shuai walked over and scratched her head.

“Dad Tian Qi shouted, “what are you doing!”

“I haven’t seen you for a few days. I missed you!” Zeng Shuai glared at her with dissatisfaction. you don’t even know how to go out and play during the holidays. You only know how to hide at home.

“Enough, you!” Tian Cheng pushed him away. go and cut some fruits. Yuanyuan just fell asleep. Let her eat something.

“Alright,” he said. Zeng Shuai smiled at Tian Yuan. dad bought you a mango.

“Thank you, dad,” Tian Qi said lazily.

Zeng Shuai scratched her head again and turned to go to the kitchen.

Seeing that he had left, Tian Cheng hurriedly pushed Tian Yuan into the room, closed the door, and asked, “Why did you come back?”

Tian Yuan turned around and dragged her suitcase out from under the dressing table. She took out the clothes inside and said angrily, “I’ve broken up with him!”

Tian Yuan pursed her lips and didn’t say anything.

“Did he cheat?” Tian Cheng asked.

Tian Qi nodded.

“Then you must get points!” it’s easy to find a two-legged man, ” Tian Cheng said. if you’re feeling uncomfortable, tell me. Don’t try to kill yourself.

Tian Qi said with a bitter just feel bad in my heart, Yingluo.”

Alright, alright, ran ran. Tian Cheng hugged her. it’s all my fault. I shouldn’t have supported you being with him ...

“It’s not your fault.” Tian Yuan hurriedly said, ” I know I can’t change it, but I don’t feel good about it ending like this! I can’t vent my hatred!”

“Then should we get someone to beat him up?”

Tian Yuan,”Yingluo.”

“Where is he?” Zeng Shuai shouted from outside, ” what are you guys whispering about again? ‘

Chapter 1622: drowning his sorrows

Tian Cheng patted Tian Yuan’s shoulder. we’ll talk about it later. Come out and eat some fruit. After saying that, he went out.

Tian Qi combed her hair before she went out. Zeng Shuai looked at her and asked,”Why do you look so sick? Do you feel uncomfortable anywhere?” “No.” Tian Yuan lowered her head and took a slice of watermelon to eat.

Zeng Shuai looked at her thoughtfully and was about to ask something when

Tian Yuan’s phone rang in the room.

She hurried back to her room to check, but it was just a spam message.

She sighed, took her bag, and went out. She said to Zeng Shuai and Tian Yuan, ‘ ‘My classmate asked me to watch a movie with her. I’ll go out first.’ ’

‘ ‘Go on.’ ’ Tian Cheng said.

male or female students?! CEng Shuai hurriedly asked.

‘ ‘Female!’ ’ Tian Yuan answered helplessly and quickly went out.

‘ ‘I think she’s definitely in love!’ ’ Zeng Shuai said to Tian Cheng.

‘ ‘You’re almost 20 years old. It’s not strange to be in love.’ ’ Tian Cheng said indifferently.

but-’ ’ but he was not happy! ‘ ‘What if I’m cheated?’ ’ Zeng Shuai snorted.

‘ ‘I’ll see who dares!’ ’

Yingluo, ’ ’ he thought so too, but he still couldn’t help but worry.

Tian Yuan went to watch a movie alone. It was obviously a comedy, but she didn’t feel anything when the people around her laughed.

After the movie ended, she was the last one to walk out of the screening Hall, passing by the lively crowd.

They went to eat, but they had no appetite. In the end, they went to a bar.

This wasn't the first time she had been to a bar, but she had always been accompanied by someone, and it had always been the dark night bar.

That bar was Fang Yangs. Every time she went there, it was either Fang yuezhu, Sheng shuangxue, or other friends. The employees inside all knew each other, so there was no need to worry about any accidents.

But there was one bad thing. If he drank too much there, his family would know immediately. Therefore, when everyone really wanted to drink, they would not go there.

However, Tian Yuan didn't like to go to bars and had only been there before.

This time, he wanted to drown his sorrows in wine, so he naturally wouldn't go.

She asked for wine and drank glass after glass. She used to drink very little and didn't know how much she could drink. After a while, she got drunk and started crying on the table.

There were demons dancing around her, and someone had already noticed her. At this time, he seized the opportunity to lean over and hold her tender and smooth hand. "Little girl, why are you crying? Are you heartbroken?"

"Go away!" Tian Yuan roared.

don't cry, don't cry. I'll f \* Ck you-" not only did the other party not leave, but he leaned over and wanted to hold her in his arms.

Tian Yuan pushed him away with all her might, picked up a glass of wine, and poured it on his face. "Get lost!"

you ... the man looked at her in disbelief. He reached out to wipe his face and gritted his teeth. you refuse-toast only to drink-forfeit!

“What are you doing?” An unhappy voice came from behind.

The man turned around and saw a young and handsome man walking over with two scantily-dressed beauties in his arms.

This was the son of Wu Di and Tang Xinxin, one of the three young masters in Beijing!

The title of the three young masters of the capital wasn't given casually. It depended on one's background. They came from the three biggest families in the capital-the Sheng family, the Yu family, and the Wu family.

The Sheng family had Sheng Yiting, who became the president.

Yu Ze of the Yu family was young and promising, very capable.

Only Wu Yan of the Wu family indulged in debauchery every day and was known as the number one dandy in the capital! No one could afford to offend him!

The man's expression changed immediately, and he said fawningly, "So it was Wu shaoqian who was teasing me. I was just playing around with my girlfriend!"

He pointed at Tian Yuan. Tian Yuan's cheeks were red, and she stood in the crowd with a sorrowful expression, not reacting to the movements around her.

When Wu Yan saw her, he guessed that she was drunk. He pointed at her and asked the man, "she. Is. Your. Girlfriend.. Friend?!"

Chapter 1623: How many do you have?

“Yeah!” The man chuckled.

“You’re so shameless!” Wu Yan scolded him and walked over to Tian Yuan. Do you know me?”

Tian Yuan looked at him and cried after a while. “Brother Yan, you’re awesome.”

“Al!” Wu Yan agreed and turned to ask the man, “ who did you say she was to you just now? ‘

The man was dumbfounded. This girl was young master Wu’s woman!

He really had eyes but failed to recognize Mount Tai!

“Young master Wu!” He said with a bitter smile. Wu Shaojie was hoping that you would be magnanimous, I was just joking.”

“Then I’m just joking with you.” Wu Yan smiled slightly and gave the person beside him a look. beat him up!

The next second, the man was dragged out of the bar by a group of people.

When Wu Yan saw that she had left, he rushed to Tian Yuan’s side like a monkey and asked with concern, “ Hey, sister, what’s troubling you? Why are you drinking here? If great-uncle found out, he would be worried to death!

No, he’s going to tear down this bar!”

Wu Wu Wu Wu Wu “, Tian Yuan sat on the sofa and lowered her head to cry. She poured wine as she cried.

Wu Yan sat opposite her and asked in confusion, " "You're out of love?"

"You men are all bad things!" Tian Yuan shouted and splashed the wine in her hand on Wu Yan's face.

The surrounding people were shocked,"this woman is looking for death. She actually dared to splash young master Wu!"

Wu Yan paused, wiped his face, and nodded. "Yes, yes, yes, we're all bad guys.

Tian Qi gulped down the glass of wine and gasped for breath. She propped up half of her face and asked,"Brother Yan, how many women do you have?" Wu Yan's face turned red. why are you asking this? What's that Yingluo?"

Could it be that sister Tian Qi was interested in him? She knew that he spent his days drinking and indulging in pleasure, so she was drinking here to drown her sorrows?

Oh my! Happiness came too suddenly, and he couldn't believe it!

"You're all bad people." Tian Qi picked up her wine glass and continued to drink. go ahead. Don't worry about me!

"No, no, no, Yingluo, I'll accompany you." Wu Yan said, " there are many bad people here. Since I met you, I have to be responsible for you. Otherwise, if something happens to you, my conscience will be at ease."

Tian Yuan chuckled and patted his face. be good! I'll ask sister Wei Ran to give you candy!

"Don't mention that tomboy to me!" Wu Yan shouted and trembled. He felt

that Lin weiran was the most terrifying person!

Tian Yuan giggled at him for a while and continued to drink.

“Young master Wu, do you want some wine?” the waiter asked Wu Yan.

let’s go, let’s go ... Wu Yan waved his hand. After the person left, he called her back and asked, “ how long has my sister been here? ‘

“Uh, Yingluo, this is Yingluo.”

“You don’t need to know who it is, it’s someone that even I can’t afford to offend! ”

The waiter took a deep breath and immediately felt a deep respect for Tian Yuan. Fortunately, nothing happened. Otherwise, how could they afford to compensate for someone that even young master Wu couldn’t afford to offend?

I’ve been here for two hours, ” he replied respectfully. I’ve been drinking.

“It’s been so long?” Wu Yan was shocked and hurriedly snatched the wine from Tian Yuan’s hand. stop drinking! What if you ruin your stomach?”

“Give it to me!” Tian Yuan roared!

“Be good, big brother will send you home!” Wu Yan carried her and walked out of the bar.

Although it was late at night, the streets were hotter than the bars in the Midsummer weather. Tian Yuan squatted on the ground and vomited after being hit by the heat.

Wu Yan jumped away in fright, and Tian Yuan almost fell to the ground.

When he saw it, he rushed up to hold it, then covered his nose and asked,

“Are you done vomiting?”

Chapter 1624: You dare to touch Tian Yuan?

Tian Yuan vomited two more times and squatted on the ground, not moving.

Wu Yan helped her up. She closed her eyes and leaned on his shoulder, unconscious.

He said speechlessly, “you can’t do it?” If you can’t, don’t drink! It’s very easy to be sold, you know? Fortunately, you met me. Otherwise, Yingluo, you’re so heavy!

Wu Yan was almost crushed. He had never carried a woman before, and he did not expect her to be so heavy.

“How am I heavy?” Tian Yuan suddenly stood up and shouted.

Wu Yan was so scared that he didn’t dare to move.

Tian Yuan suddenly lay on his shoulder again and stopped moving.

Wu Yan: “ Oh my God, women really care about their weight. They can even jump up when drunk.

He walked to his car, put Tian Yuan in the front passenger seat, and then sat in the driver’s seat.

He reached out to fasten Tian Yuan’s seat belt, and when he saw Tian Yuan’s curvaceous figure, he couldn’t help but swallow.

This was a prey that had delivered itself to his door. Should he eat it or not?

To be honest, there were so many beautiful girls around him, and he had always wanted to pick one up. However, other than the cousins, there were only Lin weiran and Tian Yuan left.

Lin weiran was a tomboy, so she was super scary! In comparison, Tian Yuan was cuter.

Wu Yan swallowed his saliva and reached out to touch Tian Qi's Red face. He suddenly thought of CEng Shuai and shrank back in fear.

He started the car and thought to himself, 'rabbits don't eat the grass near their nests, I'm not afraid of uncle Zeng beating me up!'

Wu Yan opened the convertible and sped all the way to the Tian family while singing.

When they passed by Lin weiqin's house, Tian Yuan suddenly woke up and struggled to vomit.

Wu Yan was shocked and hurriedly stopped. "Great aunt! Wait a minute, don't spit on my car! This is my favorite car!"

He hurriedly helped Tian Qi out of the car and made her vomit on the side of

the road.

Lin weiqin drove back to his residence and happened to pass by. When he saw the familiar car, he knew it was Wu Yan. Of course, he knew what kind of person Wu Yan was. He didn't stop and drove straight past. He glanced at the rearview mirror and saw Wu Yan helping the person into the car. He immediately braked!

Tian Yuan was swaying left and right in her seat. Wu Yan supported her, but she was suddenly punched in the face, and her whole body flew out.

Wu Yan fell into the back seat and struggled to get up. who dares to hit this young master?!

He turned his head and saw Lin weiqin glaring at him angrily. He swallowed his saliva in fear, " "Brother Qin, hehe." you dare to touch Tian Yuan?! Lin weiqin shouted.

I didn't, Yingluo. Wu Yan looked wronged. I want to send her home, Yingluo.

"You better be careful!" Lin weiqin gritted his teeth and reached out to carry Tian Qi out of the car.

Wu Yan couldn't help but argue. I really didn't. Who would dare to have any ideas about her?!

Lin weiqin turned a deaf ear and carried Tian Yuan into the car.

The car behind them was already honking. Lin weiqin first moved the car to the side, then turned to observe Tian Yuan.

His heart ached when he saw her in such a sorry state. He reached out to stroke the hair on her face and helped her put on the seat belt. "Hmm," Tian Qi moved. She frowned and seemed to be in pain.

"Yuanyuan?" Lin weiqin quickly asked.

Tian Qi opened her eyes and looked at him in a daze for a while. "Who are you?"

ran ran. Lin weiqin felt stifled. She had just fed him in the morning, and she had forgotten about him so quickly!

"Are you going home?" he asked gently.

"Don't!" Tian Qi shouted and cried bitterly.. I don't want them to worry!

Chapter 1625: Are you taking revenge on me?

“Good, good, good!” Lin weiqin unbuckled her seat belt and held her in his arms. He patted her gently and comforted her, “no, come to my place. You can cry all you want.”

“WUwUwU,” Tian Yuan grabbed him and cried loudly.

Lin weiqin’s heart felt like it was being twisted by a knife.

Suddenly, he felt someone outside the window. He turned his head and saw Wu Yan.

Wu Yan was shocked. He turned around and wanted to run.

Lin weiqin pushed Tian Yuan away and rolled down the window to stop him.

Wu Yan stopped and turned around with a dry smile. Brother Qin, I, I, I, I didn’t see anything!

Hmph, so if Brother Qin wants to take advantage of sister Zhi, he has to complain to great uncle!

Lin weiqin glared at him and hooked his finger at him.

Wu Yan took a step back. ran ran, I’m going home!

When he was a child, he accidentally bit Lin weiran. As an older brother, Lin weiqin beat him up on the spot, and he was very afraid of Lin weiqin ever since.

Wuwuwuwu, he was also at a disadvantage, okay? That was his first kiss!

“You, come here!” Lin weiqin’s voice sank.

Wu Yan walked over as if he was dead.

“Don’t tell anyone about Yuanyuan being drunk.” Lin weiqin glared at him.

otherwise, I’ll tell great-uncle that you want to take advantage of Yuanyuan.

“I definitely won’t say it!” Wu Yan swore.

Lin weiqin nodded in satisfaction and drove the car away.

Wu Yan spat on the back of the car. “If you dare to take advantage of

Yuanyuan, I’ll tell on you!”

Lin weiqin returned home and carried the sleeping Tian Yuan into the guest room.

After she left in the morning, the blanket in the guest room had not been tidied up, and it was just the right time to sleep.

Lin weiqin gently placed her on the bed. She closed her eyes and sobbed softly. Lin weiqin called her a few times, but she didn’t wake up. She was obviously asleep.

Seeing her like this, he couldn’t help but feel heartache.

She reeked of alcohol, a mixture of red wine and beer. She probably drank other alcohol as well. No wonder she was unconscious.

Lin weiqin went to wring a towel and wiped her face. When her skin came into contact with the cold towel, she rubbed it comfortably.

“Little drunkard!” He could not help but say.

After wiping her face, he took off her shoes and saw that there were some blisters on her feet. She had probably walked for a long time.

The princess had been pampered since she was young, and no one picked her up wherever she went. He must be using this method to vent his sadness,

Lin weiqin gritted her teeth, and her eyes were hazy as she bore a grudge against the person who made her sad.

He sighed softly and turned to get a basin of hot water. He wrung the water out with a towel and wrapped it around her feet for a hot compress.

Tian Yuan’s foot moved, trying to pull away.

Lin weiqin hurriedly hugged her and gently massaged her calf.

She sighed in comfort, rubbed her face against the pillow, and fell asleep sweetly with the air conditioner in her arms.

Lin weiqin couldn’t help but smile and gave her a few more hot compress. Then, he held her feet and massaged her soles and calves. He only let go after half an hour.

The moment he let go, he was a little reluctant. He felt an inexplicable heat at his waist and ran out with the water as if he was escaping.

cough ... Tian Yuan suddenly lay sideways on the bed and vomited.

Lin weiqin heard the sound and ran back. She had just finished vomiting and was lying on the bed, sleeping soundly.

Lin weiqin was dumbfounded. are you, ran ran, taking revenge on me? ” she asked.

Although he said this, the pain in his eyes grew even more. He went to get a towel to wipe her.

Tian Qi opened her eyes and found herself in a strange place. She was so scared that she sat up immediately.

Wu Wu Wu. her head felt like it had been run over by a car, and it was in pain.

She held her head and looked around the room in pain.. It seemed to be the man’s room!

Chapter 1626: secret purpose?

Tian Yuan gasped and hurriedly lowered her head to check her clothes. She was finally relieved when she found that her clothes were intact and were all properly worn.

But where was this place?

She hurriedly got out of bed, but she didn’t see her shoes and stepped on the floor.

There was a cool feeling on the floor, and it was very comfortable. However, the bottom of her feet hurt a little, and her legs went soft. She accidentally knelt on the ground and exclaimed.

Yuanyuan?! A shout came from outside.

Tian Qi suddenly raised her head.

Lin weiqin pushed the door open and asked worriedly, "Are you alright?" Why is he "Wanwan"?

Lin weiqin hurriedly walked over and carried her to the bed. He reached out and grabbed her feet, "Did you twist it?"

"No, I didn't!" Tian Yuan quickly shrank back and took a step back. She asked warily, "where is this?!"

Lin weiqin paused and retracted his hand. He replied calmly, "My home."

"Your home?"

"Yes, you also slept here the day before yesterday."

Tian Yuan understood. It was not the Lin family's house, but his single suite.

She looked around, and he seemed to understand her question and continued to explain, "My room."

Tian Yuan's eyes widened, and she questioned, "don't you have a guest room?" Why did you put me in your room? Did he have some ulterior motive? "You vomited in the guest room, so I can only let you sleep here."

"Uh, sorry, Yueyue." Tian Yuan lowered her head in guilt.

"I'm fine." Lin weiqin stood up, " wait a moment, I'll go get you a pair of slippers.

Tian Qi nodded.

After a few seconds, Lin weiqin brought in a pair of slippers, " "Go and wash up. I made some porridge."

Tian Yuan silently put on her shoes and went into the bathroom.

Unfamiliar the first time, familiar the second time. She had felt a little uncomfortable washing up here yesterday, but now she was familiar with the way.

Just as he started brushing his teeth, Lin weiqin knocked on the door twice.

Tian Qi was shocked.

Lin weiqin asked through the door, "do you want to take a shower?" Your clothes are in the guest room." He left after he finished speaking.

Tian Yuan was puzzled, "clothes???"

She brushed her teeth and went to the guest room. She took a closer look and realized that the bedsheets and blankets had been changed. There was the smell of air fresheners in the air. Did she vomit on the bed yesterday?

Amitabha. She didn't do it on purpose.

She saw the bag on the bed and opened it. It was her own stuff!

A set of clothes, some close-fitting ones, and some face wash!

Lin weiqin went to her house?

“Brother weiqin ...” She hurriedly ran out.

Lin weiqin said, “your mother called last night. I was afraid she would be worried ...”

“You’ve accepted it?” Tian Yuan exclaimed. Although Lin weiqin was like his older brother, his mother couldn’t possibly be at ease leaving her in his care, right?

“Of course not.”

Tian Qi heaved a sigh of relief.

“I asked Wei Ran to come over and return the call. I told your mother that you were in a bad mood and had some alcohol. Then, Wei Ran went to your house to get something. Wei Ran told your mother to let you stay at her place for a few days and your mother agreed. So, if you can’t adjust your mood, you can stay here temporarily and go back when you’re better.”

Tian Yuan heaved a sigh of relief and grabbed him, touched. “Brother weiqin, thank you! You’re so thoughtful!”

Lin weiqin looked at her hand, and his heart wavered.

“Where’s sister Wei Ran?” Tian Yuan retracted her hand.

“I’m going to work.” Lin weiqin sighed in regret.

Oh, Yingluo. Anyway, thank you. I’ll go to Yingluo first. she wanted to say that she wanted to take a shower, but she felt a little embarrassed.

“Go ahead,” Lin weiqin smiled.

Tian Yuan hurried off.

She could smell the alcohol and sweat all over her body, which made her uncomfortable..

Chapter 1627: The same taste as his?

Oh, Lin weiqin actually let her sleep in his bed. He's really a good person! Hopefully, he didn't get affected by the smoke.

After a shower, she finally felt comfortable.

Tian Yuan changed into clean clothes and looked at the dirty clothes with worry.

She walked out of the bathroom awkwardly. Lin weiqin said in the direction of the living room, "Come over and have some food first, then give Auntie Tian a call.'

Oh, I'm sorry. Tian Yuan went to the guest room to get her phone. When she saw that it was noon, she quickly walked into the dining room. I'm sorry to disturb you again. Why am I here? I'm not Yingluo."

She couldn't remember what had happened after a long time.

She seemed to have seen Qianqian before. She probably knew her.

Lin weiqin glared at her and said,"if you want to drink, then drink. Why are you with Wu Yan?" Don't you know his habits? Don't you know how to stay further away?"

uh, hehe. Tian Yuan shrank her neck and didn't dare to say that she didn't go drinking with Wu Yan at all. It was most likely that Wu Yan had also appeared in that bar and met her.

"No matter what brother Yan does, he won't do anything to me." She explained in a low voice.

No matter how fickle Wu Yan was, they had grown up together, so it was impossible for him to be so bad to her. However, it would be dangerous if she were to get drunk alone.

Tian Yuan also felt a wave of fear when she thought about it, and she didn't dare to let Lin weiqin know.

Lin weiqin said, "that's not for sure!" You two aren't even related by blood." "I won't dare to do it again!" Tian Yuan shuddered and nodded.

Lin weiqin nodded with satisfaction and handed her the porridge, "Have some porridge. You drank so much wine, your stomach must be uncomfortable. It's all light, eat slowly."

"Thank you," he said. Tian Yuan was embarrassed. I always trouble you, ran ran.

"It doesn't matter. I'm free anyway."

Isn't ran ran at work?

Tian Yuan didn't dare to ask, so she lowered her head and began to eat the porridge.

The porridge was plain and bland, but he had made a few dishes and snacks. It was delicious to eat with them.

After eating, Tian Yuan wanted to wash the dishes again, but Lin weiqin said, "Don't forget to call Auntie Tian."

Oh, Yingying. Tian Yuan had to go to the guest room to make a phone call.

“Are you alright?” Tian Cheng was worried. Why did you go drinking?”

“Yingluo is fine now. She won’t drink anymore.”

“When are you coming back?”

“In, in two days.”

“Alright, then.” Tian Cheng sighed. I’ll help you deal with that guy!

“No need!” Tian Yuan hurriedly said, “ if I have to take revenge, I’ll do it myself!

Tian Cheng paused for a moment before she said, ‘alright then. Come back when it’s almost time, don’t cause any trouble for Wei Ran. She has to go to work and is very tired.”

“I know, Zhenzhen.’

Tian Yuan hung up the phone and went to find Lin weiqin. She asked with a red face, “ “I want to do the laundry, Yingluo.”

“Let’s just use the washing machine.” Lin weiqin said.

“Alright!” Tian Yuan turned around and directly threw the clothes into the washing machine.

At this time, Lin weiqin called her to eat some fruit. She walked into the living room and Lin weiqin took the car keys and was about to go out, “ “I’m going out for a while. You can play here as you like, and treat it as your own home.

Don’t run around, I’ll be back in a while.’

“Oh, ran ran,” Tian Qi answered in a daze. She felt that he was being too nosy.

However, the fruits he cut seemed to have a different flavor.

She ate some fruits and washed her clothes.

While hanging the clothes, Tian Yuan found Lin weiqin’s clothes next to her and suddenly remembered-

She used his laundry detergent, so didn’t that mean that the smell on her

clothes was the same as his?

F \* ck!

This was only secondary!

She had just used his shower gel and shampoo, so she was in a daze..

Chapter 1628: A good man at home

Tian Yuan hurriedly shook her head and thought, what are you thinking about? The plot in a romance novel was not suitable to be used on an ‘older brother’!

However, when she saw her undergarments hanging in the same row as his, she felt her face heat up.

Turning around, Tian Yuan forgot all these random thoughts again.

She sat on the sofa, holding her phone and watching TV.

When Lin weiqin returned, he asked, “why didn’t you turn on the TV?” The phone hurts my eyes! uh, hehe. Tian Yuan looked at him innocently.

He couldn’t help but laugh and turned on the TV with the remote control. “Why are you being so polite with me?” Then, he passed the remote control to her.

“This is from the website.” Tian Yuan pointed at the phone. “The television is connected to the internet.’

“Oh, Okay, okay.” Tian Yuan silently took the remote control.

Lin weiqin turned around and went to the laundry room. When she saw her clothes on the balcony, she suddenly felt hot all over.

He took his clothes back to the room and said to her as he passed by the living room, “The clothes will dry in a while. Remember to keep them early.” “Yingluo, yes.” Tian Yuan buried her head, and her face was steaming.

She felt that Lin weiqin was so insensible. No wonder she didn’t have a girlfriend at her age. She really didn’t understand girls ‘minds! Could he say such things? Can I say it? Can I say it? (Ask important things three times!)

Tian Yuan stayed at Lin weiqin’s house for three days. A man and a woman were alone, so even if she treated him as her brother, it was still a little awkward.

Fortunately, Lin weiqin’s living habits were good and she wouldn’t run around with her clothes disheveled. That kind of embarrassment wouldn’t be on the surface, it was all her imagination that was too big and her imagination ran wild.

He had clearly told Tian Cheng that she was at Lin weiran's place. However, Lin weiran didn't appear for the past three days. He hoped that his cover wouldn't be blown.

Over the past few days, she had discovered many of Lin weiqin's strengths-he slept and woke up early, had a regular work and rest schedule, exercised on time, cooked well, loved to be clean, loved to work, and was simply a good family man!

This kind of person didn't have a girlfriend, he must be gay!

Suddenly, the way she looked at Lin weiqin changed.

Lin weiqin gave her the ice cream he made, and when he saw her expression, he thought that his hard work had finally paid off, so he put in more effort and asked gently, "What do you want to eat tonight?"

Tian Yuan thought,"ran ran, why do I feel like there's a tail wagging behind him?"

She hadn't eaten her ice cream yet, so she said embarrassedly, "I'm just doing it casually."

Lin weiqin looked at her and wanted to reach out to Pat her head, but he didn't dare to.

At this moment, Tian Yuan's cell phone rang.

When Tian Yuan saw the caller ID, her expression changed, and she hurriedly stood up. "I'm going to take a call!" Then, she hurriedly returned to her room with her phone.

Lin weiqin guessed that it was Chen jiahan. He suddenly felt that it was boring and sat on the sofa with a depressed look.

It was yang danqi who called.

Chen jiahan decided to contact Tian Yuan after filming, but he realized that he could not get through to her phone.

He immediately felt relieved and said to yang danqi, " "It seems like she blocked me. Should we just forget about it?"

He had been dating Tian Yuan for two years and had even pursued her for so long before, so it was only natural that he truly liked her. If yang danqi had not come to seduce him again, he would not have done anything to let Tian

Yuan down.

Tian Qi was beautiful and had a good heart. She also had such a powerful mother. No matter how he looked at it, he had profited from it. Why would he have any other thoughts?

But yang danqi did not let him off.

In fact, he had never thought of pursuing Tian Yuan from the beginning.. He was the school hunk at that time, so how would he know who Tian Yuan was?

Chapter 1629: I'll return the things to you?

Although Tian Yuan was beautiful, she wasn't ostentatious. She wasn't even the school Belle, and they were not in the same grade, so he didn't know her at all.

It was yang danqi who had found him and told him Tian Yuan's identity. She had given him some benefits and told him to go after Tian Yuan. He felt that regardless of success or failure, at least yang danqi would be able to benefit first, so he agreed.

After he had wooed Tian Yuan, his heart was moved. Yang danqi appeared again and started to flirt with him. He couldn't help but tease her.

Now, he felt guilty and reluctant to part with Tian Yuan. After hearing yang danqi's plan, he didn't agree with it. However, yang danqi had always been domineering, so he didn't dare to show it. When he realized that his phone couldn't be reached, he secretly heaved a sigh of relief.

Yang danqi glared at him and said, "look at you!" I'll do it!"

She had Tian Yuan's phone number, but they had never kept in touch.

After the call went through, Tian Yuan's cold voice could be heard. "Do you need something?"

Tian Yuan thought that she was here to show off, so she gritted her teeth in her heart. jiahan wanted to look for you, but you blocked him. I can only help him. Yang danqi said.

Tian Yuan didn't say anything and gritted her teeth, thinking, "sure enough, he's here to show off!" Amazing, huh? Help me make the call and show how intimate you two are? Shameless! I really want to tell brother weiqin and let him teach you a lesson!

Yuan Yuan Yuan Yuan. Chen jiahan's teasing voice was heard.

"What else do you want?" Tian Yuan asked, suppressing her anger. "Are you really going to break up?" Chen jiahan asked reluctantly.

"You're not keeping any for the new year?"

"Yingluo, I'll return the things to you." Chen jiahan sighed.

Tian Yuan was silent for a while, and then she remembered that he had also given her a lot of things, so she agreed.

After hanging up the phone, she turned around to say goodbye to Lin weiqin.

Lin weiqin nodded. if you don't feel good, don't go drinking anymore. You can come to my place.

"Hello, Yueyue." Tian Yuan packed her things and said to him, " you don't have to send me. I'll take a taxi back.

Lin weiqin stopped in front of the door. then be careful on your way home. Let me know you're safe when you get home.

Tian Yuan nodded, turned around, and left his sight.

He sighed and closed the door tiredly. Looking at the empty living room, he felt that life had become boring again.

He closed his eyes. There was still her scent in the air. At least it proved that she had been here. However, he didn't get to see her at close range, so he didn't know if it was good or bad.

When Tian Yuan returned home, she found Chen jiahan's gift for her, put it in a cardboard box, and then went out with it.

The time and place were agreed on over the phone, but she was already late.

But she didn't care!

In the past, she was always the one waiting for him when they went on dates. He was always late for all kinds of jobs and film appointments! This time, he'll have to wait long enough! Hmph!

Tian Yuan walked into the dessert shop. The seats in this shop were separated by one unit, and there was a curtain hanging at the door. When the curtain was drawn, there was a private space inside.

She used to date Chen jiahan here, but the most intimate thing between them was kissing. They were always cuddling and leaning against each other.

It was said that some couples would do that here.

Tian Yuan passed by the aisle and heard a girl acting coquettishly, just like how she had treated Chen jiahan.

She took a deep breath and thought, "that's all in the past!"

She raised her head and greeted her ex-boyfriend in her best state.

She walked to a cubicle and lifted the curtain to take a look. Chen jiahan was sitting inside.

Chen jiahan was fiddling with his phone and was getting a little impatient. She suddenly lifted the curtain and gave him a shock..

Chapter 1630: I heard you're an illegitimate daughter?

He stood up in a hurry and was about to say something when Tian Yuan put the box on the table. "Where's mine?" "Have a seat." Chen jiahan said.

Tian Yuan stood there without moving.

"Sit over there." Chen jiahan pointed to the opposite side.

Not only were there couples dating, but there were also friends gatherings. There were one-way and two-way seats. The one-way seats were, of course, for couples or best friends, where the two of them leaned against each other affectionately. The double-faced one was only available when ordinary friends or when there were many people.

Tian Yuan never thought that one day, she would sit face to face with Chen jiahan, as if they were having a showdown and negotiating.

After she went in, Chen jiahan pulled the curtain and poured her a cup of green tea. "You must be tired. Have some water."

"Where are my things?"

Chen jiahan paused, put down the teapot, and came out from his seat with a small paper box. He said apologetically, "I can't find it, Yingluo."

"It's fine. I'm going to throw it away anyway."

I'm sorry ... Chen jiahan lowered his head and felt bad.

"When did you two hook up?" Tian Yuan glanced at him.

Chen jiahan turned his head away guiltily and asked after a while, "I heard you're an illegitimate daughter?"

Tian Yuan's pupils suddenly shrank, and her hands couldn't help but tremble. Tian Cheng and CEng Shuai were not married, so she was naturally not a daughter born out of marriage. She could only be considered an illegitimate daughter.

When she was young, CEng Shuai had tried to please her every day and asked her to persuade Tian Cheng. But now, CEng Shuai didn't even mention it, and she didn't want to interfere with her parents' Affairs.

Since she was young, no one had ever talked about her background, except for one person- yang danqi.

Yang danqi had once pointed at her nose and scolded, "You're just an illegitimate daughter. Who Do You Think You Are?"

She was so angry that she scolded back, 't "What's wffong with being an illegitimate daughter? At least he knew who his parents were! I'm not like you, an orphan, a bastard child from who knows where!"

The two poked each other's sore spot, and their hatred grew deeper and deeper. They were not even willing to say hello when they met on the road.

When she heard Chen jiahan's question, Tian Yuan was still angry. "Yang danqi told you, right? So what if I'm an illegitimate daughter? Is she better than me?"

Yang danqi had been adopted by Lin Jing and Yang Jian.

Lin Jing and Yang Jing got married early, but they never had children. It was only when Tang Xinxin and Wu Di got pregnant after they got married that Lin Jing couldn't take it anymore!

Lin Jings true love rival was Gong mo, but she couldn't afford to offend him.

So, she shifted all her hatred to Gong Mo's best friend, Tang Xinxin. Yang Jing had been thinking about Tang Xinxin all this time, which made her hate Tang

Xinxin even more!

She also wanted to compete with Tang Xinxin when it came to having children, but she found out that she was infertile!

Yang Jian was fine with it, but Lin Jing was not. She wanted to adopt a child. Yang Shu didn't quite agree. She said that it was a good way to create hype and Yang Shu agreed.

Hence, the two of them adopted yang danqi and used this insensible baby to create a high-profile hype. Yang Jings reputation and popularity greatly improved. When yang danqi was more than three years old, Yang Jing took her to participate in variety shows. From then on, yang danqi became a child star and entered the entertainment industry. Now, she was considered a senior figure in the industry.

“I know, she’s an orphan.” Chen jiahan looked at Tian Yuan disapprovingly.

it’s already very pitiful that her biological parents don’t want her. It’s not like she wanted to be an orphan herself, how can you say that about her?”

Although Tian Yuan didn’t like yang danqi, when she heard Chen jiahan’s question, she also felt that it was too despicable of her to attack yang danqi’s family background. She immediately looked down on herself.

Wasn’t he just a man? What’s the big deal? Was it worth it for her to become detestable because of him?
