

Ditsy Wife 1631

Chapter 1631: I hate her, okay?

Tian Yuan sneered, "as expected, you don't like it anymore. Your heart is already out of the Milky Way." She's pitiful, but I'm hateful? I didn't want to be an illegitimate daughter! "

She stood up and said, "but you're right, I shouldn't have criticized her!"

Goodbye!

Chen jiahan's lips moved, but he watched her leave with the box and did not say anything.

After a while, the curtain was lifted and yang danqi walked in.

She had been eavesdropping on the conversation between the two of them.

Chen jiahan stood up with a guilty conscience.

"You can't remember what I taught you?" yang danqi glared at him.

"Oh my God." Chen jiahan lowered his head timidly.

Yang danqi was the one who taught him to say those words. Otherwise, how could he bear to say those words?

Yang danqi tried to guess Tian Yuan's various answers, and Tian Yuan's " I'm not an illegitimate daughter " was one of them.

Yang danqi said that if Tian Yuan said that, he would have to answer, " If you don't want to be an illegitimate daughter, then ask your parents to get married! They love you, how could you not agree? So you're still cheap and want to be an illegitimate daughter!

He couldn't bear to hurt Tian Yuan with such heart-wrenching words.

Yang danqi glared at him and picked up the teacup on the table. She gritted her teeth and asked, " "Did you drug him?"

Chen jiahan's eyes flashed and he hurriedly said, " "If the drug takes effect when she comes to see me, wouldn't it be easy to suspect us? It's fine to suspect me, but it's not good to cause you trouble."

Yang danqi was stunned. What was she afraid of? She was planning to push all the blame to Chen jiahan once this matter was settled! As for his motive, he was unwilling to break up with Tian Yuan because he didn't get her! When the time came, he would be able to pick it clearly and it wouldn't be a problem.

She glanced at Chen jiahan. She didn't believe that he would think for her. He was most likely feeling sorry for Tian Yuan! No matter what, the two of them had been together for two years. How could they not have feelings for each other?

"Heartache?" she sneered.

"What are you talking about?" Chen jiahan hurriedly said, " even if my heart really aches for her, she can't compare to you. How can I not listen to you? " "What do we do now?" Yang danqi was unhappy.

"Why did you do that to her?" Chen jiahan was puzzled. She's a girl after all, and her life is ruined like this ...

"I hate her, okay!" Yang danqi glared at him. The more she thought about it, the angrier she got.

It wasn't easy for her to find an opportunity to drug Tian Yuan. This bastard only knew how to ruin her plans!

He had been with Tian Yuan for two years before, but he couldn't defile her.

She pushed him away, put on her sunglasses, and left angrily.

Tian Yuan walked out of the dessert shop and stuffed the things Chen jiahan returned to her into the trash can by the roadside!

When she got home, she rushed into her room and lay on the bed sadly.

After a while, Tian Cheng walked in and asked with concern, " "You're back?

Are you okay now?"

Tian Yuan covered her head with a pillow.

Tian Cheng pulled the pillow away and said, 'still not happy? When I called you this morning, didn't you say that you're feeling much better? this again ..."

Tian Yuan suddenly rolled over and got up. She stared at her and asked,

"Why don't you marry dad?"

Tian Cheng was stunned, 'didn't ran ran say this before? As long as two people are together, it doesn't have to be a marriage contract."

"But have you ever thought of me?" Tian Qi shouted, "I'm an illegitimate daughter!"

Tian Chengs eyes widened, and she felt as if someone had stabbed her in the heart.

Illegitimate daughter illegitimate daughter

She stared at Tian Yuan, unable to react.

That's right, Tian Yuan was an illegitimate daughter.

She seemed to have suddenly thought of this question and was dumbfounded..

Chapter 1632: It was all my fault

In the past, no one had told her that Tian Yuan had never come back to complain about yang danqi's anger. She had never thought that she would push Tian Yuan to the position of an illegitimate daughter because of her own insistence.

Tian Yuan cried out, " you're free now! Have you ever thought about how others will look at you and me?! They would only think that you want to marry, but dad doesn't want to! They'll guess that he has another family and you're a mistress! What about me? What am I? I'm dad's only daughter, but

I'm like a bug that can't be exposed!"

"I'm sorry!" Tian Cheng hugged her and started crying.

Tian Yuan was stunned, suddenly realizing what she had done!

How could she yell at her mother?

I'm sorry, ran ran! Tian Yuan cried. I'm sorry, ran ran's mother. I'm sorry. I didn't mean to blame you.

Tian Cheng cupped her face and said, you didn't do anything wrong! You're right, you should've said this earlier. Yingluo, I gave birth to you, but I made you suffer like this. Did someone say something about you? Why didn't you tell me earlier!"

Tian Cheng believed that this was not the first time she had been slandered.

Tian Yuan shook her head and suddenly felt very disgusted with herself.

What kind of ability was this? She was bullied outside, but she yelled at her mother.

Well, she did resent Tian Cheng a little. If Tian Cheng was willing to get married, yang danqi would have no reason to attack her.

She pushed Tian Cheng away and ran out of the room in frustration.

“Yuanyuan!” Tian Cheng shouted and chased after him, just in time to see the door close.

She continued to chase after her and saw Tian Yuan enter the elevator. When he ran to the elevator, the door had already closed and it was going down. The other elevator was still on the ground floor, and she could not catch up with it no matter what.

Tian Cheng was extremely worried. She turned around to go home and picked up her phone to call Zeng Shuai.

“Come here quickly!” She said.

“He’s already on the way.” Zeng Shuai laughed. you missed me so much today?

“Hurry up!” Tian Chengs voice deepened.

“What’s wrong?” Zeng Shuai was stunned.

Tian Cheng couldn't be bothered to talk to him. She hung up and called Tian Yuan. Tian Yuan didn't take it, and she was very anxious.

After a while, commander Zeng arrived and asked anxiously, "What's wrong? What happened?"

Tian Cheng looked at him and could not help but throw herself into his arms and cry.

Zeng Shuai was so anxious that he wiped her tears and asked, "What's wrong? Don't cry, I'm here now, aren't I?"

Tian Cheng knew that this was not the time to cry, so she hurriedly explained what had just happened.

CEng Shuai's eyes widened, and he cursed after a pause, who's bullying our Yuanyuan like this?!

Tian Cheng lowered her head and continued to call Tian Yuan, tears streaming down her face.

This time, Tian Yuan hung up directly.

Tian Cheng cried, "it's all my fault, ran ran!"

Zeng Shuai glanced at her, but he didn't know how to persuade her. Of course, he wanted to get married, but he didn't know which side to stand on when faced with such a situation. He held her in his arms and also took out his phone to call Tian Yuan.

Tian Yuan still hung up.

Zeng Shuai's head ached, "my daughter is blaming me too?"

He didn't know that Tian Yuan had already entered the bar and was drinking. When the phone rang, she hung it up without even looking at it. Who cared if it was her mother or her father, or who was the enemy?

she was in a bad mood last time, ” Tian Cheng suddenly said. she went to Wei Ran’s place. I’ll give her a call and ask!

Zeng Shuai was puzzled, ”why is she in a bad mood?” When was it?”

A few days ago, when Tian Yuan wasn’t around, Tian Cheng had lied to him that Tian Yuan had gone to her classmate’s place, and he had been completely

kept in the dark..

Chapter 1633: old cow eating young grass

“Uh, Yingluo, don’t ask!” Tian Cheng picked up her phone and called Lin weiran, asking, ” ran ran, did our Yuanyuan go to look for you?

no, ran ran. Lin weiran was dumbfounded.

“Then thank you! If she’s looking for you, give me a call!” Tian Cheng called Sheng shuangxue after giving her instructions.

Tian Yuan and Sheng shuangxue were the closest in age and were cousins, so they had the best relationship.

But Sheng shuangxue was also alone.

Sheng shuangxue was having dinner at home. She hung up the phone and told Gong mo. Gong mo was also worried and called Tian Cheng. Tian Cheng had no choice but to tell him everything.

“She must be in a bad mood if she goes out like this,” Gong mo said anxiously, “I hope nothing happens to her.” Arrange for people to look for it!” “Okay, I’ll tell CEng Shuai immediately!!

In another part of the city, Lin weiqin was feeding her goldfish at home when her phone rang.

He took a look and frowned slightly.

It was Lin weiran. Did her mother ask her to persuade her to go home? He was going to introduce girls to him again when he got home!

Lin weiqin picked up the phone in frustration and didn’t even bother to say anything.

Lin weiran asked, “did Tian Yuan go to find you?” she asked.

Lin weiqin was shocked, and the can of fish food in her hand fell into the fish tank.

He didn’t have time to care, so what if he was stuffed to death!

“She didn’t come. What’s wrong?” He asked anxiously.

“Just now, Auntie Tian called to look for her. I don’t know what happened.” “I know.” Lin weiqin hurriedly hung up the phone and called Tian Yuan.

No one picked up.

He picked up his car keys and quickly left the house.

After he got in the car, he called Lin weiran, “ Help me ask what happened to the Tian family.”

“Why don’t you ask him yourself?” Lin Wei Ran shouted.

“How can I ask? go quickly!”

“You’re already thinking of eating young grass, why can’t you ask?”

Lin weiqin hung up the phone and felt indignant, “ How am I old? Wasn’t she just ten years older than Tian Yuan?”

Tian Cheng saw Lin weiran’s caller ID and hurriedly picked up the phone. ran ran, do you have any news about Yuanyuan?

“No, I haven’t.” Lin weiran said, “ I just answered auntie’s call and I’ve been thinking about it, so I called to ask. She hasn’t returned home yet?”

there’s no ran ran. Tian Cheng sighed in disappointment. She was very worried. ran ran, why don’t you help me make a call?

“Uh, I called ran ran, but she didn’t pick up.” Lin weiran wiped her sweat away. did something happen to that Wanwan? ” she asked.

Tian Cheng paused for a moment before she replied, ‘it’s nothing. I scolded her and she ran out.’

Then how could he meddle in other people’s family affairs? Lin weiran said awkwardly, “ she should be back soon. Auntie, don’t worry. I’ll call her again.

After hanging up, she quickly called Lin weiqin to report the situation.

Lin weiqin felt that Tian Cheng was definitely lying! How could she bear to scold Tian Yuan? Tian Yuan didn’t seem like she would anger Tian Cheng.

He thought about it and called Tian Cheng. "Auntie Tian, I heard that Tian

Yuan has gone missing? What's going on?"

weiqin, ran ran. Tian Cheng guessed that Lin weiran had told him, so she didn't suspect him. Yuanyuan is in a bad mood, can you call her for me? " Let's see if she'll take it. I'm afraid something might happen to her. '

"Alright," he said. As Lin weiqin drove, he looked at both sides of the road to see if Tian Yuan could be seen. why is she in a bad mood? " Can you tell me? If

I manage to contact her, I'll be able to find the right solution."

Tian Cheng paused for a moment before continuing,'someone said that she's an illegitimate daughter. She came back and had a fight with me. Then, she ran out of the house.' She might just want to take a break.."

Chapter 1634: Asking the president for help

"Alright, I got it." Lin weiqin hung up the phone, took a deep breath, and went to the dark night bar.

He thought that Tian Yuan had gotten drunk here last time, but he didn't see her. When he asked the bartender, he found out that Tian Yuan hadn't been here for several months.

Lin weiqin took a deep breath and couldn't help but blame himself.

How could he be so stupid?

If Tian Yuan was really drunk here, the bartender would have reported it to commander CEng long ago. How could he let Wu Yan take her away?

He called Wu Yan. When Wu Yan saw the caller ID, he was scared out of reflex and hung up directly. Then, he heaved a sigh of relief.

Lin weiqin was furious, could it be that Tian Yuan is in this guys hands? He wanted to lay his hands on Tian Yuan?

He called again, and Wu Yan didn't dare to hang up. He picked up the call in fear.

"Did you see Tian Yuan?" Lin weiqin asked.

"Ah? I didn't!"

"Which bar did you see her at last time?"

After getting the address, Lin weiqin rushed over but couldn't find her. He pulled out Tian Yuan's photo from his mobile phone and asked the bartender, "Has she been here?"

The bartender looked at him and immediately said, "two hours ago!" He's young master Wu r s friend. You know young master Wu, right?"

"I know!"

"Oh." The bartender was a little disappointed. He had wanted to explain young master Wu r s identity to the other party. From the looks of it, this person was also young master Wu r s friend. "I greeted her and she turned around to leave," he said immediately.

When Tian Qi saw that he knew her, she was afraid that he would inform Wu Yan halfway through the drink. How could she not leave?

Lin weiqin put away her phone in disappointment and left.

When he got back into the car, he called Tian Yuan again.

Tian Yuan was already drunk at this time, and the bar was very noisy, so how could she hear?

Lin weiqin hung up the phone and his fingers quickly tapped on the steering wheel. Then he suddenly paused and picked up his phone to make another President's House

In the Rose Garden, the flowers were in full bloom. Sheng Yiting and Tong Siyao had just finished dinner and were taking a walk among the flowers. When he saw Tong Siyao's face, which was full of flowers, an idea came to him. He turned his head and gave the staff at the door a look.

The employee stepped back expressionlessly and complained in his heart, 'The president is going to tease Madam again, sob sob.

Sheng Yiting moved closer to Tong Siyao and was about to say something when his phone rang.

He gritted his teeth in anger and turned around. The employee from earlier came in with his phone.

"Who is it?!" He asked in a bad mood.

Tong Siyao looked at him in surprise and whispered, "Why are you so angry?"

Sheng Yiting choked and looked at her helplessly. How could he not be angry? He wanted to bite her but didn't manage to!

"It's Mr. Lin weiqin." The staff member handed over the phone with both hands.

the one from the Lin family is an understanding person. He has never bothered you. It must be something urgent. Quickly answer it. Tong Siyao said.

Sheng Yiting picked up the call helplessly.

Lin weiqin heaved a sigh of relief when he heard him answer, " Mr. President, there's something I need your help with.

"Alright, you don't have to be so polite,"

Lin weiqin didn't hold back and went straight to the point, " Tian Yuan ran away from home, and everyone was looking for her, but she refused to pick up the phone. I'm 80% sure that she went for a drink. It's dangerous if she gets drunk ...

"Can you track the location of her phone with the GPS?"

Sheng Yiting, "Whoosh! "

"The president?"

Sheng Yiting took a deep breath. do you need to call me personally for such a small matter?

"I'll find you the fastest," Lin weiqin said calmly.

"Other methods are illegal." And it wasn't as fast as finding him..

Chapter 1635: I want you to hug me

“Alright, I know.” Sheng Yiting handed his phone to the employee. go and help Mr. Lin solve the problem!

“What is it?” asked Tong Siyao.

“No need to worry. I was thinking of having a daughter, but I suddenly realized that having a daughter is really a torture.”

Tong Siyao’s eyes widened. She threw the Rose in her hand at his face and turned to leave.

He was shocked. He picked up the Rose and followed after her. “Al, I’m fine. Are you going to give birth?”

“Didn’t you say it was a torture?” Tong Siyao turned her head, her expression very charming.

Sheng Yiting grabbed her hand and bit the Flower in His Mouth. He leaned closer to her and said, “I want to be ground by someone, Yingluo.”

Tong Siyao couldn’t help but laugh, “ Why did the president have to pretend to be a gigolo?”

“Do you like it?”

“I like it! I like it the most, okay?”

Sheng Yiting picked her up, and she exclaimed, “ Why? The sky isn’t dark

“It’s almost dark!”

Tian Yuan put down her wine glass and drunkenly squeezed into the dance floor, twisting her body to the beat of the music.

A man walked over and wrapped his arm around her waist. He asked in a low voice, "Beauty, are you in a bad mood? Shall we have a drink together?"

Tian Yuan dodged to the side, turned to look at him, and suddenly laughed foolishly. "Alright

If you're happy in life, you must be happy. If you're not, you must indulge!

She had decided to indulge herself today!

The man's face lit up with joy as he held her to the bar counter and said to the bartender, "Make two cups of wine." As he spoke, he gave the bartender a look.

The bartender glanced at Tian Yuan and secretly put a pill into one of the glasses while mixing the drinks.

This medicine was to increase sexual interest, and women who took it would become very active.

The bartender often helped the men in the bar to hunt for women, and he would get a good reward after the deed was done.

The bartender pushed the wine to Tian Yuan and said, "for the most beautiful girl."

Tian Yuan held her head and blinked lazily.

"Here, cheers." The man beside her passed the wine to her.

Tian Yuan straightened her back, raised her glass, and clinked it with his, spilling a little of the wine.

The man was shocked, afraid that it would all be poured out. This medicine was not cheap!

Tian Qi picked up the wine and drank it.

The man heaved a sigh of relief and finished the wine in his glass. Then, he took out a few bills and put them on the bar counter. He reached out and pulled Tian Yuan over. "Baby, are you okay? Do you want me to piggyback you?"

Tian Yuan looked at him, smiled gently, and reached out to hold his arm. "I want you to hug me

The man's heart itched and he immediately carried her up and left the bar quickly.

He walked into the parking lot and carried Tian Qi to the side of a car. He opened the door and put her in the back seat. Then, he sat in the car and slammed the door.

"Where's the wine?" Tian Qi pursed her lips and asked vaguely.

wine, you'll have it in a while. I'll give you the best wine to drink Q'the man reached out and stroked her face, his heart beating excitedly.

Tsk, tsk) her skin is so good. Looking at her, she might still be a Virgin.

The man licked his lips, lifted Tian Yuan's chin with his hand, and kissed her

sh * t ... 'I'ian Yuan suddenly vomited, and all the filth was vomited on him.

The man was dumbfounded and only reacted after a long time. "My car!"

The main point was not the car!

The man covered his nose and got out of the car.

Lin weiqin parked the car outside the bar and walked into the bar with her phone in hand. She walked towards the location marked on the screen.

He looked up and saw the bartender fiddling with a phone.

He tidied up his phone and walked over to snatch it from the bartender's hand..

Chapter 1636: What do you want?

The bartender was shocked. He looked up and asked unhappily, "

"What are you doing?"

"Where's the owner of this phone?" Lin weiqin asked, holding up the phone.

"The customer left this here, how would I know?" the bartender's eyes flashed.

Lin weiqin grabbed her collar and asked sternly, " where. Is. It?!

Two minutes later, Lin weiqin walked into the parking lot and saw a man taking off his clothes in front of a car from a distance. A woman was lying on the car door and vomiting non-stop.

"Spit, spit!" The man roared, " the dirtier you vomited on my car now, the dirtier I'll do you later! Motherf * cker! F * ck!"

He threw his clothes on the ground and picked up his phone to make a call. "Hello? Where are you? Many people? Just nice! There's a girl, let's do it together!"

After he hung up, he cursed, "f * ck!" "How dare you dirty my car! I'll get a few more people to deal with you!"

Bang! Bang!

After a while, she started to again and shouted, "Yingluo is so uncomfortable, Yingluo." "do you want?" Lin weiqin asked, trembling.

Tian Yuan panted and shook her head after a while. "I don't know I don't know I'm so uncomfortable"

Lin weiqin took a deep breath, jumped into the car, and drove off at lightning speed.

Tian Yuan kept moving beside him. She unbuckled her seat belt halfway and crawled toward him like a cat.

"Sit tight!" Lin weiqin said.

"I'm uncomfortable!" Tian Yuan said, feeling wronged.

When Lin weiqin woke up, the sun had just risen.

The sun was shining through the curtains, and the warm red light at this moment made people want to get close to it. It was much more dazzling and amiable than it had been a few years ago.

Lin weiqin stared at the ceiling, feeling the unusual sweetness in the air, the breathing from the pillow, and the warmth of his body.

He knew that last night was not a dream.

But he couldn't believe that he had really done it!

What should he do?

He turned his head and saw Tian Yuan lying beside him, her messy hair covering half of her face. Her breathing was long and even, and she was obviously in a deep sleep.

Was she tired from last night?

Lin weiqin's heart tightened, and he sat up gently. His heart was filled with mixed feelings.

Are you happy?

Of course, he was happy. This was the girl he had liked for many years. Now that he had finally gotten her, even if it was just his body, it was a big step forward. How could he not be happy?

But more than that, he felt fear and apprehension..

Chapter 1637: I'll take responsibility

He casually wiped his hair with a towel and walked into the room. Tian Yuan was still sleeping in the same position as before.

Seeing her on his bed, he smiled in satisfaction and walked over to give her a light kiss.

He didn't know how to face her when she woke up. He didn't even dare to tell anyone that he had found her.

But no matter what, she was already his, and he would never let her go in this life.

He gently caressed her face, got up, put on his clothes, and walked out of the room.

Looking at the time, he did not know when she would wake up, so he went to the kitchen to cook.

First, he slowly made red bean and purple potato porridge, steamed xiaolongbao, and then made sandwiches for fear that she would not like it. After thinking for a while, she made dumplings and even prepared noodles and vermicelli. After he was done, she still hadn't woken up, so he decided to bake egg tarts and bread.

In any case, he did whatever he thought of. In the end, he had done about 20 things, and it was already close to noon.

It should be lunch time, right?

Lin weiqin scratched his head and guessed that she was about to wake up. He couldn't help but feel nervous. He found a cigarette that he hadn't smoked in a long time and smoked it one by one.

After smoking more than half of the pack of cigarettes, he stood up and went to the kitchen to have a meal. He then used the clay pot to stew a pot of chicken soup. Feeling that there wasn't enough food, he opened the refrigerator, but there were no more ingredients.

He didn't dare to go out to buy groceries, afraid that she would wake up before he left. Therefore, he chose some ingredients from the online supermarket and they arrived shortly after.

He killed the fish and washed it, waiting for her to wake up.

It was already one o'clock in the afternoon, and his heart could no longer calm down. He walked back and forth in the house, occasionally going to the door to listen for her movements.

It should be soon. The more time passed, the more nervous he became.

He smoked a few more cigarettes and the cigarette box was empty.

Lin weiqin sighed and threw the cigarette box into the trash can. He opened the window to dispel the smell of smoke and sprayed the air with the air freshener. He then threw the cigarette butts in the ashtray into the trash can.

At this moment, he seemed to have heard a sound.

His body stiffened. He gently put down the ashtray and walked to the bedroom with light and quick steps.

The bedroom door wasn't locked. He held the doorknob nervously and gently pushed it open a crack, just in time to see her sit up with her hand on her head.

Lin weiqin's breathing stopped, and his heart started to beat faster. He immediately opened the door and rushed in.

Tian Yuan jumped in fright and turned to look at him.

He asked nervously, "y-you're awake?" How do you feel?"

Tian Yuan's eyes widened, and she didn't even notice that the blanket on her body had slipped down.

He hurriedly looked away and reached out to pull up the blanket.

Tian Qi was shocked. She looked down, grabbed the blanket, screamed, and retreated. She looked at him in horror. "You, you, you, you, you, you . . ."

Lin weiqin turned around and looked at her seriously. "I will take responsibility."

Tian Yuan's brain exploded and buzzed. "Get out!" She said after a long time.

Lin weiqin paused, and a hint of hurt flashed in his eyes.

He stood up and left the room.

Tian Yuan sat on the bed in a daze, her head aching faintly, and there was not a single part of her body that didn't hurt!

She held her head in pain and cried in a low voice.

What was she doing? How could this happen?

Tian Yuan's body trembled, and her brain couldn't think at all. She could only cry and cry until Lin weiqin's heart shattered into dust and fell into a dead silence.

He had never dared to expect her to have any romantic feelings for him. He only hoped that she would slowly accept him and give him a chance because they knew each other.

But her cries told him that there was nothing. He was only reaping what he sowed by taking advantage of others..

Chapter 1638: I don't want to see you again

Lin weiqin leaned against the wall, as if he had fallen into an ice cellar. He didn't dare to think about what would happen to the two of them in the future.

After some time, the door was gently opened, and Tian Yuan stood at the door, dressed.

He quickly came back to his senses and looked at her nervously. "Are you hungry? I've made rice, porridge, and dumplings."

Tian Yuan bit her lip, looking a little excited. But she didn't say anything and walked out with her head lowered.

"Yuanyuan!" Lin weiqin's heart ached and he quickly followed her. Seeing that she was leaving, he reached out and grabbed her wrist, "I know you blame me, but can you eat something first? "

Tian Yuan lowered her head and didn't say anything. She only pulled her hand away with all her might.

Lin weiqin's fingertips trembled. He knew that she didn't want to face him, didn't want to talk, and didn't want to get close!

He didn't know if he would be able to see her again if she left like this. But seeing her in such pain, he didn't want to make her feel even worse.

His heart ached, and he slowly let go. He suppressed his inner emotions and said, "I'm sincere, and I'll be responsible for you. In the future ... Tian Yuan suddenly ran to the door, opened it, and rushed out.

What future?

She had called him brother since they were young. How could they have a future?

Tian Yuan didn't know how to face him at all, nor did she know what to do in the future after such an incident.

She walked on the street in a daze. The sun shone on her head and it was unbearably hot.

Her entire body was in pain! Headache, pain in the limbs, stomach pain!

Even my eyes are starting to hurt.

She closed her eyes and crossed the road in a daze.

Suddenly, the brakes screeched. She was shocked and her body stiffened. Then, her body was pulled back and she fell into a warm embrace.

The sound of rapid breathing rang in her ears. She quivered and the same scene suddenly flashed into her mind.

She suddenly jumped away and turned around to see Lin weiqin.

Lin weiqin's face turned pale and he grabbed her wrist tightly, "Follow me!" "What are you doing?" Tian Qi shouted, "let me go!"

More memories poured into her mind, and she recalled the chaos last night. Although she couldn't remember clearly, there were some scenes that she could remember. In those scenes, he was the one who did whatever he wanted to her!

He was her brother weiqin. How could he do such a thing to her?

Tian Yuan suddenly remembered that ran ran seemed to be the RAN ran she

started.

She was pulled into the car by him in a daze, and Lin weiqin fastened her seat belt for her. Thinking of the scene of her standing in the middle of the road just now, he still felt a little scared.

He started the car and drove to the Tian family's house.

Tian Yuan was in a daze at first, then broke down and cried.

Lin weiqin gripped the steering wheel so tightly that the veins on the back of her hands popped.

When the car stopped, he took a deep breath and turned around to help her with her seatbelt.

She screamed, and his hand froze. He slowly took it back, turned around, and said in pain, "I'll send you up."

Tian Yuan looked at him. After a moment, she said, "you don't have to waste your time. I don't want to see you again."

Trembling, she unbuckled her seat belt and opened the door to get out of the car.

Lin weiqin watched her walk away and suddenly got out of the car.

Tian Yuan turned around when she heard his voice and glared at him with a frown. "You don't understand? Let's go!!"

If he went up and his father found out, he would definitely not let him off. Tian Yuan turned around and quickly ran into the community.

As she walked into the elevator, she stared at her own shadow on the metal wall and subconsciously grabbed her collar.

After the elevator stopped, she walked out and saw Tian Cheng and CEng

Shuai walking over..

Chapter 1639: I've liked Yuanyuan for many years

She stopped in her tracks and looked at them in horror.

"Where did you go last night?" the two asked worriedly.

"Didn't you say that Wei Qin sent you back?" "Where is he?" CEng Shuai asked.

Tian Qi immediately understood, so she arranged for someone to stand guard below. She didn't know what to do. She pushed them away in a hurry, turned around, and ran into the elevator.

I can't let them know!

She only knew one thing. She must never let them know what had happened to her.

She entered the elevator and was about to close the door when Zeng Shuai rushed in, grabbed her shoulder, and said, "It's mom and dad's fault.

Yuanyuan, don't be angry. Let's go home first, okay?"

Tian Yuan lowered her head, covered her ears, and screamed.

Yuanyuan ... Tian Cheng also rushed over and pulled her out of the elevator with Zeng Shuai.

Her breathing was rapid, and she was completely at a loss. The next second, she fainted.

Yuanyuan ... the two of them shouted and helped her up. Then, they saw that her eyes were swollen like walnuts. She was obviously crying.

However, his lips were also swollen. What was going on?

Zeng Shuai saw a bruise on her neck. He pushed aside the hair on her chest and saw that her neck was covered with hickeys.

He looked at Tian Cheng in shock Tian Cheng gasped and shouted, "Who is

"I'm fine." Zeng Shuai said with a trembling voice as he carried Tian Yuan and walked home.

Tian Cheng followed him, her head about to explode.

Zeng Shuai placed Tian Yuan on the bed and then took out his cell phone to make a call. He suppressed his anger and said coldly, "Get up here!"

Tian Cheng sat by the bed, holding Tian Yuan's hand and looking up at him.

"Lin weiqin sent her back, I'll ask him first." He was trembling with anger.

Tian Cheng quickly calmed down and nodded. She went to the bathroom to wring a towel to wipe Tian Yuan's face.

A few minutes later, the doorbell rang.

Tian Cheng reached out to caress Tian Yuan's face, then got up and walked out.

Commander Zeng opened the door to let Lin weiqin in.

Lin weiqin saw the two of them and lowered his head, "Uncle Zeng, aunt

Tian."

Zeng Shuai clenched his hands into fists and asked through gritted teeth, "Was Tian Yuan with you last night?"

Lin weiqin lowered her head and looked up at Tian Cheng a few seconds later.

"Yuanyuan hasn't eaten anything since last night, Yingying."

Bang-

Zeng Shuai punched him in the face and grabbed his collar, asking "F * cking explain clearly! What's going on?"

Lin weiqin lowered his head and looked like he was waiting to be slaughtered, "I've liked Yuanyuan for many years. I found her at a bar last night and saw that she was drunk, so I couldn't help but flirt with her."

Bang! Bang!

Zeng Shuai threw another punch, and after a few punches, he looked up at

Tian Cheng and said, "Let Yuanyuan eat something first."

Tian Cheng walked to the kitchen like a wandering spirit, scooped a bowl of soup that CEng Shuai had made in the morning, and walked to Tian Yuan's room.

Sitting on the edge of the bed, she wiped her tears and scooped up some soup to feed Tian Yuan.

Tian Qi had passed out and did not eat at all.

Tian Cheng was anxious. How could she not eat? Wouldn't that be low blood sugar?

She put down the bowl and went out. Zeng Shuai was still beating Lin weiqin, so he immediately stopped and looked at her.

Seeing that the coffee table was crooked, she angrily said, "go out and fight!" Don't let him in!"

Zeng Shuai picked up Lin weiqin and left the room. He threw her on the ground and took out his phone to make a call. "Tell the security to turn off the surveillance cameras on my floor!"

He wasn't afraid of being seen beating people up, but he didn't want people to guess what had happened here.

When Tian Cheng heard the clanking sounds in the room, she calmly took a piece of chocolate and went to Tian Yuan's room.

She stuffed the chocolate into Tian Yuan's mouth and sighed heavily..

Chapter 1640: Waiting for her to grow up?

Zeng Shuai beat Lin weiqin until his nose and face were swollen. He tiredly shook his hand and kicked Lin weiqin twice before taking out his phone to call

Lin Lei.

your son slept with my daughter! he yelled after the call connected. come and get her yourself!

Lin Lei's entire body was in shock!

What did he just hear? Am I dreaming? He must be dreaming!

If this was f ** king true, there was no way to resolve this peacefully!

"The president?" The Secretary reminded him.

Lin Lei came back to his senses and found more than ten pairs of eyes staring at him."Meeting adjourned! We'll open another day!"

Regardless of whether it's true or not, let's go and take a look first. Yingluo, save her son's life first!

Lin Lei rushed to the Tian family's house and saw a man kneeling at the door. His hair was in a mess, his face was swollen, and his body was covered in dust and footprints. On closer look, it was his own son.

He took a deep breath and walked over. Lin weiqin raised his head and calmly called out, "Dad," he said.

you ... Lin Lei pointed at him, gritted his teeth, and walked into the Tian family's living room.

Zeng shuaiqi sat on the sofa, panting. Tian Cheng sat beside him, her face dead.

Lin Lei's mouth twitched and he said awkwardly, "CEng Shuai Qian Qian"

Zeng Shuai raised his eyes and looked at him, full of anger. "Ask him yourself what he has done!"

"It's my fault for not disciplining him well." Lin Lei wanted to cry. Lin weiqin had always been sensible, and he had saved a lot of effort over the years. Who knew that he would suddenly play such a big game!

"How's Yuanyuan?" he asked, concerned.

"Don't call me that so affectionately!" CEng Shuai was furious.

"I'll definitely give you an explanation for this," Lin Lei said weakly. However, they were young people and childhood sweethearts. It was not certain that they had feelings for each other. If that's the case, it's enough for you to beat up Wei Qin. I understand how you feel. No matter who it is, I will beat them up for sleeping with my weiran."

"Hmph!" CEng Shuai snorted.

"If Wanwan, if Yuanyuan isn't willing in the slightest, you can send this bastard to jail. I won't say anything!"

Zeng Shuai was stunned. He looked at him unhappily and leaned back on the sofa.

Lin Lei sighed. I know that even if ran ran kills him, it won't reduce the damage to Yuanyuan.

Tian Cheng stood up and returned to her room to see Tian Yuan.

Lin weiqin, who was kneeling outside the door, looked up and then lowered his head again. He didn't care about the pain in his body. He was only worried about Tian Yuan and didn't know how she was doing.

Lin Lei took out a cigarette and handed it to CEng Shuai. CEng Shuai glared at him. "I don't smoke at home!"

Lin Lei paused and put away his cigarette and lighter. He turned to Lin Wei and shouted, "Do you know how to quit smoking?"

"What the f*ck do you mean by that?!" Zeng Shuai choked and asked angrily.

Quit smoking? Could it be that sleeping with him once wasn't enough, and he wanted to sleep with him forever?

"Ahem!" Lin Lei hurriedly said, "wait for me to ask a question!"

After saying that, he pulled Lin weiqin to the corridor outside.

CEng Shuai was not afraid of them running away, so he did not care.

Lin Lei looked at Lin weiqin's appearance and his heart ached, "Does it hurt?"

Lin weiqin lowered his head and didn't speak.

"Did I give birth to you for nothing?" Lin Lei was depressed.

Lin Lei picked up the cigarette in frustration. He held it in his hand and asked, "How could you make such a mistake?"

"I like her." Lin weiqin was finally willing to answer his father's words.

Lin Lei glanced at him and was not very surprised. "You've been planning this for many years, right?"

I was wondering why you've been so pure and desireless these past few years. So you're waiting for her to grow up?

"Yes.

Lin Lei choked and said angrily, "can't you just wait?" How can I save you now? I didn't kill you because your uncle Zeng gave me face!"
