

Ditsy Wife 1641

Chapter 1641: It's none of his business, let him go

I know, ran ran," Lin weiqin said in a low voice. I'll solve this myself.

Hmph—" Lin Lei sneered. settle it yourself? " I'd like to see how capable you are! Go back and kneel!"

Lin weiqin turned around, walked back to the Tian familys house, and continued to kneel.

Zeng Shuai had a headache when he saw him, so he got up and went back to the room to see Tian Yuan.

Tian Qi woke up, and her mouth was full of chocolate. She licked her lips and said to Tian Cheng, "I'm so hungry, Yingluo."

"Daddy will get you something to eat," Zeng Shuai said hurriedly. Tian Cheng caressed Tian Yuan's face and said with heartache, " "In the future, don't run around.' mm! Tian Yuan clutched the blanket in front of her chest, her heart in a panic.

Mom and dad know? Or not?

She didn't dare to ask, so she could only worry in her heart. Tian Yuan asked,"are you thirsty? Do you want some water?" "I'll go brush my teeth first." Tian Yuan said in a low voice.

"Alright!" Tian Yuan hurriedly got up and helped her out of bed.

From her room to the bathroom, she didn't pass by the living room or the door, so she didn't know that Lin weiqin was kneeling outside.

Lin weiqin first saw Zeng Shuai go into the kitchen, then heard footsteps. Knowing that she was coming out, she became nervous.

He looked up, but she was nowhere to be seen.

Tian Qi brushed her teeth and washed her face. She reached out to stroke her hair and found that it was as smooth as silk, and there was a fresh fragrance on it.

It was Lin weiqin who had washed her last night.

She stared at herself in the mirror. The Hickey on her neck had faded a little, but it was still clear.

She looked at Tian Cheng, who was at the door. Tian Cheng smiled. "Are you done? Let's eat when you're done."

Tian Yuan lowered her head and walked out to the living room.

"Let's eat inside!" Tian Cheng said hurriedly.

It was too late. Tian Yuan had already seen Lin weiqin and stopped in her tracks.

Lin weiqin looked at her and held her breath.

Lin Lei stood up, and CEng Shuai walked over with a bowl of porridge.

They all know about Yingluo.

Tian Yuan's body swayed, and Tian Cheng hurriedly supported her and brought her back to her room.

Tian Yuan clutched her collar and cried again.

don't cry," Tian Cheng consoled. it's no big deal.

"Eat first, Don't Starve." Zeng Shuai walked in with a bowl of porridge.

Tian Yuan sobbed and said,"let him go, ran ran."

"What?" The two of them looked at her in surprise. it's my fault, ran ran," Tian Yuan sobbed. it's not his fault, ran ran. I don't want to have anything to do with him. Let him go.

"Alright," he said. Zeng Shuai put down the porridge and went out to say to

Lin Lei, "Take him away."

Lin Lei heaved a sigh of relief. Lin weiqin quickly asked, "Yuanyuan, she ..."

"It's none of your business." Zeng Shuai's voice turned cold. leave immediately.

I'm sorry, ran ran," Lin weiqin lowered his head and said in a low voice. He stood up shakily while holding the door frame.

After kneeling on the hard floor for a few hours, her knees were already numb.

He took a step outside and turned back to Zeng Shuai, saying, "Please believe me, great uncle. I'm serious about Yuanyuan."

"I'm serious When I Hit You.'

Lin Lei wiped his sweat and quickly pulled Lin weiqin away.

Tian Yuan was so hungry that she ate a lot of food in one go. After he was full, he felt his strength rising and his body feeling clearer.

A certain part of her body felt a little uncomfortable.

“What time is it?” she asked Tian Cheng.

“It’s still early, five o’clock.” Tian Cheng said, “ you should rest first. We’ll have dinner when it gets dark.

Tian Yuan nodded. I’m fine, ” she said after a moment. mom, you don’t have to accompany me.

A trace of heartache flashed across Tian Chengs eyes. She reached out and touched her face.”Then I won’t disturb you. Call me if you need anything.”

Tian Yuan nodded..

Chapter 1642: Decided to get married

Tian Cheng retracted her hand and paused before saying, ” “Your father,

Wanwan, and I have decided to get married,”

Tian Yuan looked at her in surprise and hurriedly said, ” “What I said was just an impulse. Mom, if you don’t want to, you don’t have to do this.”

“I’m not unwilling. It was just that she was used to it in the past and felt that it was fine not to get married. Now that I think about it, I was too selfish.”

what do you think? ” Tian Cheng stroked her hair. do you think we should register our marriage directly or hold a wedding?

“That will depend on Daddy and Mommys own wishes. I’m fine with anything.”

“Alright, then.” Tian Cheng stood up. let’s find a good day and get our marriage certificate.

Tian Yuan felt that it was good to only get the marriage certificate. If they were to hold a wedding now, it would instead confirm the speculations of outsiders.

After Tian Cheng left, she sighed heavily and turned to look at the sunlight outside the window.

After being in a daze for a while, she got out of bed and walked to the mirror. She reached out and touched the marks on her collarbone.

The memory of last night flashed through her mind. She shuddered and retracted her hand. She turned on the computer and went online.

Half an hour later, Tian Cheng knocked on the door and entered with a bottle of medicine in her hand.

Tian Yuan turned to look at her, and with an awkward expression, she handed her the medicine. “If you apply this on your body, the marks will disappear quickly.”

Tian Yuan’s face turned red and white. She reached out to take the medicine, lowered her head, and didnt speak.

Tian Cheng sat down at the end of the bed and sighed. “It’s already happened, don’t waste your time on a dead end. Don’t feel embarrassed when I tell you

Tian Qi stroked the medicine bottle and did not speak.

he's coughing," Tian Cheng whispered to her. are you in a lot of pain? '

Tian Yuan clutched the medicine bottle tightly and lowered her head even more.

"Mommy's afraid you'll get hurt." Tian Cheng clenched her fists, feeling very uncomfortable. did he do too much? " Did ... Did you take any safety measures?"

Tian Yuan was silent for a while, then raised her head and said, " "It's still a little uncomfortable, but it doesn't hurt very much."

Objectively speaking, based on her understanding of Lin weiqin, he couldn't be rough with her. Last night's memory was a mess. It had hurt, but it didn't seem to have hurt. After that, he had washed her so that she would wake up without any other discomfort except for soreness.

"I don't know if Yingluo is wearing that." She said.

I don't think so. Tian Cheng thought for a moment and replied irritably. I don't think so.

Lin weiqin kept saying that he liked Tian Yuan, but he didn't know how long he had been harboring evil intentions. He had not had a girlfriend in the past few years. If he really liked Tian Yuan, he probably would not have a secret bed partner.

If he didn't have such needs, it was impossible for him to have such things with him.

"If he's wearing it, it means that it was premeditated!" Tian Cheng said.

Tian Yuan's face flushed red, and she asked worriedly, 't "If I wasn't wearing the Kasaya, would I have gotten pregnant?"

it's not good to take birth control pills after the event, " Tian Cheng sighed.

but there's no other way. "I'm sorry, Yueyue."

"It's not your fault."

Tian Qi suddenly my fault, ran ran. I went to drink by myself, brother weiqin ..."

"If I didn't provoke him, he wouldn't have done this," she added.

"You're still speaking up for him?" you like him? " Tian Cheng asked in surprise.

"No, I didn't!" it doesn't matter whether or not it happened, " Tian Cheng sighed. anyway, this matter is over.

"Yes.

Tian Yuan didn't go out for the entire summer vacation. When Lin weiqin's mother and Lin weiran came to visit Tian Yuan, Tian Cheng didn't let Tian Qi see them. She didn't even let Tian Yuan know.

Only Tian Yuan and Lin weiqin's families knew about this. No one else knew about it, not even Gong mo, Sheng Yiting, and the others..

Chapter 1643: Could it be related to Lin weiqin?

Lin weiqin had come to see Tian Yuan, but Tian Cheng and CEng Shuai didn't even let him in. He made some desserts and soup for Tian Yuan, but the two of them didn't accept them. There was once when commander Zeng told him not to pester him and not to think about taking advantage of him a second time, and he stopped coming.

This summer vacation was especially long for Tian Yuan.

At first, she was in a daze for a few days, and then she was worried that she would get pregnant. She had been waiting for her period, but it didn't come on the day. She was so scared that she was out of her wits. It was because her period had been affected by the morning after pill.

It wasn't easy for her to make it to the start of school, and she suddenly felt like she had just survived a disaster.

She didn't have to think about anything else when she went to class.

On the day of school, Tian Cheng asked her, "now that you're a second-year, you don't have to stay on campus anymore. Do you want to go home?"

"I'm staying on campus," Tian Yuan shook her head.

Tian Cheng furrowed her brows and was a little worried.

It was because of her that Tian Yuan had to live on campus. For the past two months, she and CEng Shuai had been very careful, afraid that they would poke a landmine in Tian Yuan's heart. Tian Yuan was also very annoyed by

She wasn't that weak.

She remembered that she had planned to indulge herself that day.

If it was a stranger, she would take it as an adult's 419. She would take responsibility for her own choice and bear all the consequences.

But because that person had become Lin weiqin, someone she had known since she was a child, and she had always treated him as a brother in her heart, she suddenly couldn't accept it.

She also knew that if the two of them slept together, the relationship between the two families would be affected, and the two of them could not be siblings like before.

Moreover, with this kind of thing happening, she couldn't help but think about the reason for Lin weiqin's actions. She was drunk. Was he drunk too?

Why did he touch her? Did he not treat her as his sister?

What annoyed her even more was that he didn't explain after the incident.

She had stayed at home for two months. Although she did not go out, her phone was not turned off. He didn't even greet her, and he even said that he was responsible for her.

Tian Yuan sneered in her heart. If she had any thoughts in the beginning, they would be extinguished by this.

Tian Yuan was tidying up the bed in the dormitory. In a dormitory with four people, two of them had not come yet, and the last one was washing clothes. Tian Yuan washed the grapes, fed the other party a few, and hid in the room.

There was no air conditioning on the balcony and it was so hot!

She sighed comfortably in her chair and watched TV while eating grapes.

She had just finished reading the introduction when someone knocked on the door.

Tian Yuan pressed the pause button and went to open the door. Her eyes widened in surprise when she saw the person outside.

It was a beautiful white-collar woman-Lin weiqin's sister, Lin weiran.

Lin weiran was wearing an OL suit and looked very capable. "Don't you recognize me?" she smiled at Tian Yuan.

sister Wei Ran, " Tian Yuan said as she subconsciously looked behind Wei Ran. She was only relieved when she saw no one else.

Lin weiran pretended not to see it and raised the palm-sized Square Gift in her hand, " "Are you going to invite me in?"

"Please come in." Tian Yuan said hurriedly, so nervous that she couldn't even walk properly. Why would sister Wei Ran be here? Could it be related to Lin weiqin?

She dragged her roommate's chair to her seat. Lin weiran smiled and said, "You're watching TV?"

"Yes." Tian Yuan sat down beside him. have some grapes.

"Alright," he said. Lin weiran put down the gift in her hand, picked up a grape, and ate it, " it tastes really good.

The corners of Tian Yuan's mouth twitched, and she asked uneasily, " "Why is sister Wei Ran here?"

"I'm here to see you!" Lin weiran sighed and reached out to hold her hand, ' mom and I went to see you before, but Auntie stopped us from seeing you, so we didn't disturb you. However, if I don't see it with my own eyes, I won't be at ease.."

Chapter 1644: My brother will be sad

Tian Qi lowered her head and did not speak.

Lin weiran gently patted her hand and saw her roommate coming in from the balcony. She smiled and said, "I have something to tell you. Let's go outside." Tian Yuan nodded and stood up.

Lin weiran carried the gift box out again. Outside, she gave Tian Yuan the gift. "I've specially brought it for you."

Tian Yuan took it, and Lin weiran heaved a sigh of relief. She whispered, "My brother made it."

"He asked you to come?" Tian Yuan froze and suddenly looked at her.

"That's right, why else would I come today? He hasn't had a good life for the past two months. He's going crazy. He's so worried about you, but he doesn't dare to call you for fear that you'll be unhappy. He went to your house a few times, but great-uncle didn't like him. He made you a lot of delicious food, but he didn't give any to you."

Tian Qi's fingers trembled. She remembered that before that incident, she had been freeloading at Lin Yuqin's place for a few days. The food he made was delicious. Besides the main course, there were all kinds of desserts.

Tian Yuan didn't know what he had thought of her at that time. Was she his younger sister?

But now? His woman?

Tian Qi was very upset. She really did not want to meet this person again and think about anything related to him. She just wanted to forget it as soon as possible and pretend that nothing had happened!

She stuffed the things into Lin weiran's hands and said firmly, "I don't want to! Tell him that I have nothing to do with him anymore, and don't want him to take responsibility!"

Lin weiran's eyes widened and she exclaimed, "My brother will be sad!"

Tian Yuan froze. tell him that I'm in the wrong. I don't want him to take responsibility. He doesn't need to take it to heart.

Tian Yuan opened the door and entered the dormitory.

Lin weiran sighed deeply and stared at the beautifully wrapped box in her hand, " "This cake is delicious, Yingluo."

She turned around and walked out of the school gate. She saw Lin weiqin's car in the distance,

Lin weiqin saw her figure in the car and saw the originally sealed box in her hand. She closed her eyes in pain.

Lin weiran got into the car and he held the steering wheel without moving.

Lin weiran said apologetically, "she ran ran"

"I know."

ahem ... She wanted me to tell you that she was in the wrong. She doesn't want you to take responsibility, so don't take it to heart.

Lin weiqin covered her face in pain and only sat up straight after a long time to start the car.

Lin weiran sighed softly and put the cake in front of her, " "It's such a pity."

"You eat."

Lin weiran paused. She was indeed very envious. However, she didn't dare to provoke a certain someone now, so she could only say in a serious tone, on a diet.'

Only five minutes into the first class of the new semester, Tian Yuan received a text message. Please collect your express delivery at XXXX.

Tian Yuan furrowed her eyebrows. She didn't have online shopping, so who would send her things?

Thinking of what happened yesterday, she was very nervous-could it be Lin weiqin again?

She didn't pay attention to what the teacher was saying during the entire class and went to pick up the delivery as soon as the class ended.

The courier found a tightly sealed box. She took it and looked at it. Lin weiqin's name was written in the sender's column.

Tian Yuan stared at the name for a few seconds, then turned around and walked out of the shop, throwing the whole box into the trash can by the roadside.

The students passing by looked at her in surprise.

After a few seconds of silence, she picked up the box again, took out a pen from her bag, and crossed out her name and phone number.

After she finished, she looked at Lin weiqin's phone number and thought fiercely in her heart: I'm not going to help you! Let the bad guys use your number to do bad things!

Chapter 1645: I suddenly don't like it today

The noon sun was a little hot, and Tian Yuan's head was dizzy from the heat. She removed the cap of the pen, scribbled Lin weiqin's phone number and name on it, and then threw the whole box away.

She didn't want to know what he had sent her.

After that, she would receive things from Lin Wei every day.

At first, he was angry and threw away his phone number.

After that, she calmed down and got ready to receive a delivery every day after she woke up. Then, she calmly completed the process of reading text messages, receiving the delivery, and throwing the delivery, just like a routine.

One day, one of her roommates accompanied her to pick up a delivery and asked curiously, "What is this? I seem to see you receiving packages every day, but you don't take anything back."

Tian Yuan didn't know what it was either, but with someone she knew next to her, she couldn't just throw it away. Otherwise, she would be annoyed to death if she was asked what was going on!

She bit her lip and opened the package. There was a box of matcha rolls inside.

His roommate's eyes widened. no wonder he didn't bring anything back. He ate everything!

He threw away the 'Chenchen'.

Tian Yuan remembered that he had always made all kinds of desserts for her at Lin weiqin's place the past few days. They were delicious. Did he make these himself?

Also, the things that Lin weiran sent over the other day and the things that he had sent before, could they also be food?

She immediately regretted it! His cooking skills were not bad, so he should

not throw it away even if he were to feed it to the dogs!

Her roommate pulled her aside and asked, "who sent it?" Could it be Chen jiahan?"

Tian Yuan was stunned and suddenly realized that she had not thought of Chen jiahan for a long time. Ever since that incident, Lin weiqin was the only person she could think of.

She frowned and hated Chen jiahan to the core! If it wasn't for him, she wouldn't have had that kind of thing with Lin weiqin!

She stuffed the matcha into her roommate's hands and said, " "You can have it, I don't like matcha flavor.'

"Didn't you have a great time at the dinner party last time?" his roommate asked in surprise.

"You suddenly don't like it today," Tian Yuan said, stunned.

Her roommate looked at her in confusion. She took a bite of the matcha roll and shouted, " "So delicious! You really don't want it?"

Tian Yuan ignored her and lowered her head to scribble her name and phone number on the courier slip.

When she drew Lin weiqin's name, she paused, frowned, and looked elsewhere, randomly a few words.

It was the same every time. She didn't even want to see his name.

“Lin weiqin?” His roommate’s voice suddenly rang out.

Tian Yuan turned around and saw that she was craning her neck to peek.

His roommate stuck out his tongue and retreated to the side to eat his matcha rolls. He said disappointedly, “So you’re not Chen jiahan, Yingluo. But this name is quite nice. Is he someone who’s pursuing you? You’re not from our school, are you?”

“I’ve broken up with Chen jiahan!” Tian Yuan suddenly said. She didn’t want to hear this person’s name again!

“Ah?” The roommate was shocked and could not move the matcha in his hand.

Tian Yuan quickly walked to the trash can and threw the box in.

After returning to the dormitory, she sent a text message to Lin weiqin: Don’t send any more things!

After she sent the message, she threw her phone aside and went to wash her hair.

His phone rang just as his hair was wet.

She was shocked and looked into the room.

Her roommate, who had just eaten a matcha roll, jumped over to take a look and said, “Lin weiqin!”

“Don’t bother about him!” Tian Yuan continued to wash her hair.

His roommate walked over in confusion, “what’s wrong?” Why did you break up with Chen jiahan?”

“He cheated!” Tian Qi said angrily.

“Ah!” Her roommate was shocked and sighed. there are so many temptations in that circle. It’s not strange. Don’t be sad..

Chapter 1646: I don’t want to talk about him anymore

Tian Yuan nodded, and Lin weiqin’s call stopped at that moment.

The next day, he did not send anything again.

Tian Qi heaved a sigh of relief, but she was also a little disappointed for some reason.

During the class, she looked out of the window with her hand supporting her head, not knowing what the professor was talking about.

The trees outside the window fluttered in the wind. She suddenly remembered a saying: The tree wanted to be quiet, but the wind would not stop.

Her roommate looked at her worriedly. She had been in this state recently. She didn’t know why before, but now she understood. It must be because he had fallen out of love!

After class, the four of them returned to the dormitory together. “Are you going home tomorrow or the day after?” everyone asked Tian Yuan.

It was the weekend tomorrow and the day after tomorrow. Everyone knew that Tian Yuan was a local, so they asked her. If they weren’t going home, they could go out together.

Tian Yuan smiled faintly. I'm not going home. But I have a relative's birthday next week, and someone's getting married the week after. I'm going to pick out a gift.

Next weekend was Tong Siyao's birthday. They were going to have a barbecue party in the back garden of the President's House. Tian Cheng and CEng Shuai had already registered their marriage and would treat everyone to a meal the week after.

"Oh." Everyone said disappointedly, " then we'll have to wait until next month.

Everyone knew that she came from a well-to-do family, so they could still hang out with her when they went shopping, but not when it came to picking out gifts. When buying gifts for others, she would definitely buy famous brands. Any small thing she bought would be equivalent to their entire College's living expenses and tuition fees. It was a torture to look at.

Tian Yuan and Sheng shuangxue had made an appointment to go shopping together. The next morning, Sheng shuangxue drove to pick her up.

After they got into the car, Sheng shuangxue asked in dissatisfaction, " "What did you do during the summer break? I've asked you out so many times, but you didn't come out!"

"I broke up with Chen jiahan."

Tian Yuan and Chen jiahan had been dating for two years, so she naturally could not hide it from her acquaintances. She suddenly realized that breaking up was the best reason.

"Why do you want to break up?" Sheng shuangxue widened her eyes.

"Aiyingluo, I don't want to talk about him anymore." Tian Yuan sighed.

"Did he do something to let you down?" Sheng shuangxue asked angrily, " why didn't you tell me? I'm going to dissect him with a scalpel!"

“Wouldn’t that dirty your scalpel?”

Sheng shuangxue was stunned. that’s true. But I can ask someone to beat him

Chen jiahan had been beaten up recently, and more than once. During the crew’s dinner, he went to the toilet in the middle. As soon as he entered the toilet, he was beaten up by someone with a gunny sack over his head. When he got up, he naturally couldn’t find the person who did it. Later on, he was beaten up on the way home, but he still didn’t know who did it.

He was probably one of Tian Yuan’s people, so he didn’t dare to make a big deal out of it.

He had thought that after breaking up with Tian Yuan, yang danqi would make it public with him, but yang danqi obviously didn’t care about him. It was completely useless for him to have this backing, so how could he dare to challenge Tian Yuan? Thus, he could only suffer in silence.

Sheng shuangxue parked the car and walked into the shopping mall with Tian Yuan. “Let’s go have a good meal after we’re done and celebrate your return to being single!”

Tian Yuan agreed helplessly.

In fact, she had already prepared gifts for Tian Cheng and CEng Shuai. They were clay puppets that she had made herself. They were made according to their photos and looked exactly like them. However, she had used a coincidence and used photos of them when they were young to style the wedding dress. It could be considered as making up for their regret of not taking wedding photos when they were young.

She came today mainly to choose a gift for Tong Siyao.

Sheng shuangxue, on the other hand, had already prepared gifts for Tong Siyao. Today, she was here to pick out gifts for Tian Cheng and commander Zeng.

She laughed. your parents are so smart. They delayed the wedding so late and received so many gifts. They can even accept gifts from their own children.. Yingying, I want to do the same in the future!

Chapter 1647: Meeting Lin weiqin again

Tian Qi said speechlessly, "this isn't a good thing, ran ran."

The two of them walked into the jewelry store. Tian Yuan looked at many accessories and finally bought a brooch.

While waiting for the salesgirl to pack the food, Sheng shuangxue picked up a pair of ear studs and pointed them at her ears. "Try it. I think it suits you."

Tian Yuan glanced at the mirror and thought it looked good, so she put it on her ear and looked at it carefully.

At this moment, a surprised voice came from behind him, "Yuanyuan!" Tian Yuan quivered and jumped in shock-it was Lin weiran's voice.

"Brother Wei Qin, sister Wei Ran!" Sheng shuangxue turned around and smiled.

Tian Yuan's body stiffened, and she couldn't move.

Lin weiqin quickly walked over, and Lin weiran was shocked. She hurriedly caught up with him and pulled him back.

He suddenly came back to his senses and found Sheng shuangxue there. He didn't dare to mess around. He slowed down his pace calmly. "Yingluo, what a coincidence. Yingluo, your Yingluo is here too." He looked at Tian Yuan.

Sheng shuangxue moved to the side. She felt that he was acting weird.

what are you guys buying?" Lin weiran asked.

"I'm picking out a present for my sister-in-law." Sheng shuangxue said with a smile.

"What a coincidence, we're also here to pick out a gift for Madam." Lin weiran said as she secretly poked Lin weiqin.

Lin weiqin stared at Tian Yuan and felt that she had lost a lot of weight. He was extremely sad.

Lin weiran was afraid that Sheng shuangxue would see through her, so she stood in front of her and said, "Since we've met, let's have lunch together! By the way, what did you buy? My brother and I haven't bought any yet, don't overthink it.

Sheng shuangxue glanced at Lin weiqin, "I bought a scarf, and Yuanyuan bought a brooch."

Lin weiran patted her chest. it's a good thing I asked you. I wanted to buy a scarf.

Over there, the salesperson had already packed the brooch and handed it to

Tian Yuan.

Tian Yuan took the bag and turned around, not even looking at Lin weiqin.

She was about to ask Sheng shuangxue to leave when the salesgirl said in a low voice, "Miss, please wait a moment. Your earrings ..."

Tian Yuan was stunned and blushed, feeling extremely embarrassed. She fiercely glared at Lin weiqin-it was all his fault! Otherwise, how could she have forgotten that she was still wearing her earrings?

“How much is it?” Lin weiqin hurriedly asked. As he spoke, he took out his wallet.

“I don’t want to!” Tian Yuan called out and reached out to remove the ear studs.

“What’s wrong?” Sheng shuangxue asked in surprise. Why didn’t you want it?

Doesn’t it look good?”

Tian Yuan lowered her head, bit her lip, and didn’t say anything.

Lin weiqin reached out and gently pushed the ear studs in front of the shop assistant, “ Help me wrap it up.”

Sheng shuangxue looked at them in confusion and walked to Tian Yuan’s side.

“What’s going on?”

Tian Yuan didn’t speak.

“Did you bully my cousin?” Sheng shuangxue glared at Lin weiqin.

Lin weiqin looked at Tian Yuan, her eyes full of guilt.

“I’m fine!” Tian Yuan said to Sheng shuangxue.

Sheng shuangxue heaved a sigh of relief and laughed, “I knew it. Why would brother weiqin bully you?” He is the best to you! Look at now, I’m buying you an earring the moment I come, and I didn’t get a single cent!”

Tian Yuan pursed her lips tightly and looked down at her toes, not saying a word.

Lin weiqin continued to stare at her without saying a word.

tsk. Sheng shuangxue shrugged helplessly. See, she was right, Lin weiqin only had Tian Yuan in his heart! She had already made it so clear, but he did not say that he would buy her another pair!

Al, that's not right! Why did these words sound so ambiguous? It was as if Lin weiqin was pursuing Tian Yuan!

She glanced at the two of them and suddenly widened her eyes.. No, no way? Could it be that Lin weiqin really liked Tian Yuan?

Chapter 1648: Met yang danqi

The shop assistant returned Lin weiqin's card to him, and he signed on the credit card and took the box with the ear studs.

He glanced at Tian Yuan and knew that she would definitely not accept the ear studs if he handed them to her, so his heart ached and ached.

Lin weiran hurriedly tried to smooth things over. I think it's quite late. Let's go eat first. We can go shopping together after eating! There's a good barbecue place here, why don't we go there?"

"Alright!" Sheng shuangxue agreed. She glanced at Lin weiqin and Tian Yuan, but neither of them spoke. "I'll just eat that!" She said gloomily.

I told you not to give me any suggestions!

The four of them walked out of the jewelry store and met yang danqi head-on.

Yang danqi was carrying several bags in her hands, and the results were quite fruitful.

When she saw the four of them, she stopped and ran over with bright eyes. "Cousin, cousin!" She paused. miss Sheng, miss Tian, you're here too.

Tian Yuan looked at her coldly, and her smile was extremely bright. The other three people stood in a row with Tian Yuan. No one would notice Tian Yuan's expression and naturally would not know that she had a grudge with Tian

Yuan.

Lin weiqin glanced at her and then turned to look at Tian Yuan. Lin weiran and Sheng shuangxue were between him and Tian Yuan, so he couldn't see Tian Yuan's expression. But he just wanted to see her.

Yang danqi saw his reaction and gritted her teeth. She smiled at Lin weiran and said, "Cousin, are you guys shopping together? It's almost noon. You haven't eaten yet, right? Why don't I treat you all!"

"How can I let you treat me?" Lin weiran smiled, "my brother is here, so of course he's treating!

okay •yang danqi immediately said," then I'll come and freeload a meal!

She was used to acting cute in front of Lin weiran, so Lin weiran had a good impression of her. She was also her cousin, so she naturally wouldn't reject her and agreed.

The five of them walked into the barbecue shop and sat at a small round table in the private room. Lin weiqin sat next to Tian Yuan.

Tian Qi frowned and turned her head to talk to Sheng shuangxue.

Lin weiran asked Sheng shuangxue to order, but Sheng shuangxue waved her hand, "Anything is fine. You guys order."

Lin weiran smiled and handed the menu to Lin weiqin, "Then big brother will do it! We won't do such a tiring job!"

"Cousin, what have you been busy with recently?" yang danqi asked with a smile.

"I'm working," Lin weiqin said coldly and took a look at the menu.

"Cousin, What do you like to eat?" yang danqi asked.

Lin weiqin ignored him.

Yang danqi pouted and said aggrievedly, "I like to eat beef."

"There's a menu over there, you can order it yourself." Lin weiqin raised his head.

Yang danqi immediately felt embarrassed and turned her head away with a straight face.

Tian Yuan glanced at her and frowned slightly. Something flashed past her mind so quickly that she couldn't catch it.

Lin weiqin saw her raise her head and quickly moved the menu to her eyes. She asked softly, "What do you think of these?"

Tian Yuan had stayed at his place for a few days, and he was responsible for her meals. Coupled with his constant careful observation, he had long figured out her preferences.

When Tian Qi saw that he had chosen all her favorite food, she immediately felt annoyed and turned her head away.

Lin weiqin paused for a moment and bitterly took back the menu. He chose a

few more dishes to ensure that the meat and vegetables were a reasonable combination.

After handing the menu to the waiter, he picked up the tea and took a sip. From the corner of his eye, he saw Tian Yuan's round earlobes and white neck, and his heart throbbed.

He couldn't ask for more. Sitting so close to her was already a sign of pity

from the heavens.

He pinched the box with the ear studs in his bag, not knowing when he would be able to give them out..

Chapter 1649: tit for tat

After the dishes were served, Tian Qi saw that yang danqi did not have her favorite beef. She felt happy for some reason and looked at her provocatively.

Yang danqi lowered her head and didn't notice, but Tian Yuan still felt great!

Yang danqi seemed to have felt her gaze and raised her head. She immediately lowered her head to roast some potatoes.

Lin weiran asked yang danqi, "didn't you say you like beef?" M/hy didn't you order it?"

Yang danqi glanced at Lin weiqin, who was already roasting meat. She pouted and said to Lin weiran, “I’m afraid I’ll get fat

“Right!” Lin weiran remembered that in the entertainment industry, her face and figure were very important. She smiled and said, “you’re really dedicated!

“Then why did you ask brother weiqin to order for you?” Sheng shuangxue asked, puzzled.

Yang danqi said aggrievedly, “I was just saying. I wanted to see if cousin cared about me. In the end, he really is a coward.”

“Brother weiqin only cares about Yuanyuan. He never asked me,” Sheng shuangxue chimed in.

Lin weiran immediately replied, “No...”

Lin weiqin glared at her and she immediately shut up. I’m his biological sister, but not only did he not ask me, he even glared at me!

Yang danqi frowned at Tian Yuan and asked aggressively, “Yuanyuan, why aren’t you saying anything?”

“I have a toothache!” Tian Qi said with a straight face.

Yang danqi choked for a moment, then smiled and said, “If you have a toothache, then don’t eat the roasted meat!”

Tian Qi suddenly choked and could not say anything. She angrily put down her chopsticks.

Lin weiran smelled the smoke and hurriedly asked, “Is it very painful? It’s fine if it’s not serious. Eat slowly.”

Yang danqi and Tian Yuan had never been on good terms since they were young, so she didn't think much about it. Speaking of which, she didn't like Tian Yuan in the past either, and it was all because of Lin weiqin!

Lin weiqin was too good to Tian Yuan, so how could she not be jealous? At that time, she felt that she was his biological sister. How could he be so good to outsiders? However, after she found out what he was thinking, she wasn't jealous anymore. Instead, she liked Tian Yuan.

She gave Lin weiqin a look, and Lin weiqin asked Tian Yuan in a low voice,

"Does it hurt badly? If it's good, we can eat at another place."

"I'm fine!" Tian Qi turned her head away with a straight face.

Lin weiqin knew that she was going against yang danqi, so he didn't say anything more. Instead, he placed the roasted meat in her bowl, "Eat it. What else do you want to eat? I'll roast it for you."

"I don't need you." Tian Qi picked up her chopsticks in a huff, picked up the piece of roasted meat, and threw it back into his bowl.

The atmosphere suddenly became stiff. Sheng shuangxue hurriedly tried to smooth things over. She stretched out her bowl. "Yuanyuan doesn't want it.

Give it to me!"

However, Lin weiqin didn't appreciate it at all. He frowned and looked at her indifferently.

Sheng shuangxue was depressed. She angrily took back her bowl. "If you don't want to give it to me, then don't give it to Yingluo, stingy!"

Tian Yuan was stunned, and in a flash, she seemed to recall a similar scene.

“My cousin and I don’t even get to eat the food you roast,” yang danqi said to Sheng shuangxue with a smile.

Sheng shuangxue glanced at her. She was a little displeased, but she didn’t say anything.

Hmph! What did yang danqi mean by this? “My cousin and I can’t even eat it,

Who Do You Think You Are?”

Sheng shuangxue gritted her teeth in her heart. She didn’t have much contact with yang danqi in the past, so she never expected her to be such a person!

She did not think that yang danqi did it on purpose! Yang danqi had been in the entertainment industry since she was a child, so how could she not know the art of speaking? Moreover, she had seen yang danqi when she was young. At that time, yang danqi’s eyes were full of naked jealousy and hatred.

She didn’t understand the reason in the past, but after seeing more of it, she finally understood. Those people hated her birth and good life, but in the end, it was because of her inferiority and lack of initiative. Yang danqi used to be an orphan, so it was not surprising that she had such a mentality..

Chapter 1650: I’m not even close to him

Lin weiran had a headache. The meal hadn’t even started, and she didn’t know how it had become like this. “Don’t mess around,” she said helplessly, “hurry up and eat.”

Yang danqi glared at Tian Yuan in dissatisfaction. cousin barbecued meat for you. Why don’t you appreciate it?

Tian Qi was so angry that she threw down her bowl and chopsticks and stood up. "I don't have an appetite, I'll be leaving first!"

"Yuanyuan!" Lin weiqin pulled her back, and Sheng shuangxue also stood up.

"You let go!" Tian Yuan yelled at Lin weiqin.

Lin weiqin pushed her back into her chair and glared at yang danqi. Yang danqi felt a stab in her heart. Her lips trembled and she couldn't say anything.

"What's wrong with you two?" Sheng shuangxue asked impatiently. You can't even eat in peace!"

Lin weiran slammed the table. eat well! she said.

Tian Yuan shook off Lin weiqin.

Lin weiran hurriedly said to Lin weiqin, Yuanyuan doesn't have a good appetite. Why don't you take her to eat something else? '

"Alright!

"No need!"

The two of them answered at the same time.

Lin weiqin looked at Tian Yuan, and Tian Yuan tiredly rubbed her forehead.

"It's fine, I'll eat here.'

Lin weiran looked at them worriedly, afraid that they would continue to make a scene.

At this moment, yang danqi stood up and said, "forget it. It seems that I've disturbed everyone's mood. I'll leave, I'm afraid of getting fat, so it's better not to eat."

She picked up her things and walked out. One step, two steps, three steps, no one stopped her.

She was so angry that she trembled and strode out of the private room.

Sheng shuangxue heaved a sigh of relief. The person in the way had finally left. She secretly squeezed Tian Yuan's hand under the table, and Tian Yuan smiled at her. 'Your meat can be eaten!'

"You're finally smiling, so it's ..." Sheng shuangxue said.

She wanted to say that Tian Yuan was unhappy because yang danqi was there. However, yang danqi was still Lin weiqin and Lin weiran's cousin, so it wasn't good to say it in front of them.

She coughed twice, picked up a piece of meat, and put it in Tian Qi's bowl."Come, let's eat together."

Lin weiqin placed the roasted meat and vegetables in front of them. Sheng shuangxue was stunned and asked in surprise, "Is there a share for me?"

Lin weiqin helplessly said,"yes!" I'll roast it, you guys take your time." "Alright!" Sheng shuangxue immediately picked up a chicken wing and put it in her bowl. She put the rest in Tian Qi's bowl.

"I'll do it myself!" Tian Qi moved her bowl away.

"Alright!" Sheng shuangxue went to eat her chicken wings.

Lin weiqin's cooking skills were not bad. The same ingredients, he roasted them to a different flavor!

Tian Yuan picked up the fat beef and put it into the pot, not taking the ones that Lin weiqin had cooked.

It suddenly dawned on Sheng shuangxue, 'so she said she'll cook it herself? She asked in confusion, "what's going on with you guys?" Quarreling?"

"No!" Tian Yuan hurriedly said. I'm not even close to him!"

Yingluo, isn't this a quarrel? Don't you know how well Lin weiqin has treated you since you were young?

Sheng shuangxue glanced at them, deep in thought. It seemed that there was indeed a problem between the two of them! She didn't say anything else and buried her head in her food!

After eating, the few of them went shopping. With Lin weiqin around, Tian Yuan didn't want to shop anymore, but she had to bear with it since Sheng shuangxue hadn't bought anything yet.

After Sheng shuangxue was done, she said in a low voice, " "Let's go back first.'

"Sister Wei Ran and the others haven't bought any yet," Sheng shuangxue said in surprise.

Lin weiran heard her voice and said, 'Yuanyuan, you're going back? Then let my brother send you."

"No, no need!" Tian Yuan said hurriedly.

Sheng shuangxue believed that there was a problem between them. Although she didn't know the details, she felt that problems should be solved. So she said, " "Then let brother Wei Qin send you. I'll walk with sister Wei Ran for a while..
