Chapter 1651: Because I like you

Lin weiran agreed and quickly pulled her away.

“Cousin!” Tian Yuan was dumbfounded.

“Alright, brother weiqin isn’t a bad person!” Sheng shuangxue said.

Tian Qi suddenly looked at Lin weiqin. Lin weiqin looked at her with a burning gaze and said softly, “Let’s go,” he said.

“I don’t need you to send me off!” Tian Yuan took a step back in excitement, turned around, and ran.

Lin weiqin caught up with her and grabbed her, “Yuanyuan! Let’s have a good chat!”

“I don’t want to talk to you!” Tian Yuan screamed.

“I won’t do anything to you!” Lin weiqin shouted.

Tian Yuan’s eyes widened as she looked at him, her body trembling.

He had already ridiculed him, so what was the use of saying this now?

Lin weiqin pulled him out, and Tian Yuan followed him stiffly.

After entering the parking lot, Lin weiqin opened the car door for her to get in. She pulled her wrist out of his hand and said, "I can go back on my own."

Lin weiqin suddenly flew into a rage. He grabbed her shoulder and pressed her down on the car, then lowered his head and kissed her.

Tian Qi's eyes suddenly widened and she started struggling with all her might.

Tian Yuan took the opportunity to bite him, and he backed away in pain. Tian

Yuan slapped him in the face and shouted in grief and indignation, '

"Bastard!"

She pushed him away and tried to run.

Lin weiqin pressed her down and stared at her, saying firmly, "Right! I'm a bastard! I've already done more than that, I don't care if I continue!"

"You ..." Tian Qi looked at him in disbelief.

He hugged her tightly and said in pain, "Yuanyuan, I'll be good to you and take responsibility for you. Why are you avoiding me? Why don't you give me a chance?"

Tian Yuan struggled and shouted, "let go of me!" I've said it before, I don't want you to take responsibility!"

I'm not in charge of Yingluo. he held her face and forced her to look at him. I like you. Don't you understand? " I only did that to you because I like you! Tian Qi was shocked, 'what nonsense are you talking about? I've always treated you like a big brother!"

“But I’ve never treated you as a sister!”

Tian Qi’s eyes suddenly widened. you, ran ran! You’re lying!

How could it have never happened? He was ten years old when she was born. Didn’t he treat her as his sister at that time?

Lin weiqin sighed. even if there is, it’s a long, long time ago.

Tian Yuan was stunned, not knowing how things had turned out this way.

She remembered that when they were eating barbecued meat, Sheng shuangxue said, “ brother weiqin only cares about Yuanyuan. Sheng shuangxue wanted to eat a piece of meat, but he glared at her!

It seemed to have been like this since a long time ago. He was especially nice to her, but he would be rude to other people, even if they were Sheng shuangxue, the precious daughter of his father and superior!

Lin weiqin saw that she was in a daze, so she quickly opened the car door, pushed her in, and fastened her seat belt for her.

After the car hit the road, Tian Yuan finally came back to her senses. She rolled down the window and leaned against it tiredly.

Lin weiqin glanced at her and drove very slowly, hoping that the journey would last longer.

Tian Yuan closed her eyes, and tears fell from the corners of her eyes. The wind blew on her face, and it hurt a little.

Suddenly, the car stopped. She opened her eyes and was shocked!

This wasn't her house. This was where he lived. What was he trying to do?

She was about to turn back when he suddenly hugged her.

Her scalp went numb as she recalled the scene from that night. She cried out, "What are you doing? Let me go!"

Lin weiqin hugged her even tighter and kissed the back of her neck. He said in a hoarse voice, "Let's date, Yingluo.."

Chapter 1652:

"You wish!" Tian Yuan turned around and Dushed him away. Lin weiqin! It's not like you can write off everything you've done just because you like it! I don't even like you!"

Lin weiqin's breathing was heavy as he suppressed his turbulent emotions and said, "Are you going to blame me? Did you forget that you were the one who started it? If you didn't get drunk and get drugged, would I have touched you so early? I've waited for you for four years, why would I care about a few more years? I'll endure it when you have a boyfriend, but I'll only be good to you without restraint when you've broken up!"

Tian Yuan's expression changed, and she suddenly remembered that they had not been in contact for a long time before they met at the airport during the summer vacation.

When she was young, she was indeed very clingy to him, and he was very good to her. But suddenly, one day, he began to hate her and avoid her. At that time, she was still very sad. After that, he had a girlfriend, so she was naturally too embarrassed to go with him.

Four years ago, his girlfriend had abandoned him and left the country. He had been alone since then.

He was clearly doing it for his girlfriend. When did he wait for her?

Tian Yuan was furious.

Lin weiqin said, " I thought that I could slowly pursue you, Wanwan. Now, you want me to be without a wife? "

you ... Tian Yuan's eyes widened. What did he mean? did he blame her because he didn't have a wife?

Lin weiqin grabbed her and said fiercely, " "I might have given up on you, but you're my woman now. You can't avoid me! You're the one who provoked me, so don't you dare think of not taking responsibility! you-" Tian Yuan was furious. you want me to take responsibility?!

"Right! You were the one who kissed me first!"

f * ck! Tian Yuan shook him off. I didn't do it on purpose! Didn't you say that I, I was drunk? And you were drugged?"

"Who drugged me?" she cried out in despair. Who is it!" Who would harm her like this!

Lin weiqin held the steering wheel and said,"if you go to a bar to drink alone, you have to be prepared to lose your virginity." Last time, you were lucky to have met Wu Yan and me. Otherwise, you would have been in trouble! If I had been a minute late, you would have been taken away!

"Who told you to go!" Tian Yuan shouted, " you're letting me be taken away!

Lin weiqin grabbed her chin and said through gritted teeth, " "Are you too well-protected that you don't know how dangerous the world is? Did you think that you would be treated gently after being taken away? When I went there, I heard that man calling his brother and saying that he wanted to call more people to play with you. Are you willing to do so?"

Tian Yuan trembled and looked at him in horror, unwilling to believe it.

Lin weiqin shook her off, started the car, and drove forward at lightning speed. Soon, they arrived at her house.

He took out the pair of ear studs that he had bought in the morning and stuffed them into her hands.

Tian Qi's hands trembled, and she wanted to refuse.

He held her hand and said, "since you don't like me, I'll slowly make you like me." But I'll say this first, I won't give up. Furthermore, you can only be mine." Tian Yuan pushed him away and threw the box with the ear studs at him.

Lin weiqin caught it and stuffed it into her hand.

"No!" She shouted. I don't want to!"

Lin weiqin was furious.

"What are you doing?" Tian Yuan screamed, " let me go! What do you want to

you ... Tian Yuan's eyes widened in disbelief and disappointment. She didn't expect him to say such a vulgar thing..

Chapter 1653: I want to go abroad

Lin weiqin placed the box of earrings in her hand and said in a low voice, "If you don't accept it, I'll have you right here! I don't mind if you hate me a little more!"

Tian Yuan was trembling.

He lowered his eyes, which were full of pain and haze, and kissed her on the cheek. "Hatred is also a kind of feeling, and it's even stronger than love. If I can't get your love, I'll get your hate, It's better than nothing."

Tian Yuan pushed her away in fright, pushed the car door open, and rolled out.

The box with the ear studs fell out. She looked up at the box and then at him.

He was still in the same position, half-kneeling in the passenger seat.

Tian Yuan had no doubt that if she dared to throw the box down, he would definitely rush down, press her on the road, kiss her, and carry her back to the car.

She closed her eyes, reached out to pick up the box, and ran into the community unsteadily.

She had barely run two steps when she heard her phone ring. She took it out and saw that he had sent her a text message with only three words-remember to wear it.

Tian Yuan started crying and ran home like crazy.

Crazy!

Lin weiqin was a lunatic! He was crazy!

She almost collapsed when she ran home,

Tian Yuan and Zeng Shuai were not there, so she collapsed on the sofa and cried.

After crying for an unknown period of time, she was exhausted, her limbs were numb, and her head was buzzing.

“Yuanyuan!” Zeng Shuai and Tian Cheng’s voices were heard. what’s wrong with you?!

Tian Yuan lay on the sofa and continued to cry.

The two of them hurriedly closed the door and rushed over to help her up. They asked worriedly, “What’s wrong with you? Didn’t he go shopping with shuangxue? What’s going on?” mom! Tian Yuan looked at her in despair and threw herself on her, wailing.

Zeng Shuai heard her phone ring and saw that it was on the sofa. He picked it up and saw that it was a text message from Lin Yuqin.

Tian Yuan had only seen the notification of the previous text message and had not opened it, so Zeng Shuai had also seen it!

Now, he sent another message, and it was still three words-sorry.

Remember to wear it? Sorry? What the hell was this?

“Lin weiqin, that bastard! What did he do to you again?” Zeng Shuai was furious.

Tian Yuan raised her head and called out to Tian Cheng, “Mom! I want to go abroad! I want to go abroad! I don’t want to see him! Wuwuwuwu!”

“Okay, okay, okay. Let’s go abroad.” Tian Cheng hurriedly patted her back.

Zeng Shuai turned around and walked out. Tian Cheng was shocked. "Where are you going?"

Tian Yuan looked up and continued to cry on Tian Cheng's shoulder. "Mother!"

"Mommy's here." Tian Cheng hurriedly said, "don't cry. We'll do whatever you say. Let's go abroad! Don't be sad, Yingluo."

Lin Weiqin sat on the sofa, holding her forehead in pain.

He must be crazy. Otherwise, why would he scare Tian Yuan again?

He was almost driven crazy by her!

He was afraid of hurting her, but he was also afraid of losing her. He didn't even know what he was doing.

The doorbell suddenly rang. He jolted and slowly stood up.

The doorbell kept ringing, and he suddenly had a bad feeling. He walked to the door and looked through the peephole—Ceng Shuai was standing outside angrily.

Lin Weiqin took a deep breath and rubbed his cheek—it hurt the most when he was hit by Ceng Shuai last time.

He opened the door, and Ceng Shuai threw a punch at the place he had just massaged.

He fell to the ground. Zeng Shuai pounced on him and grabbed his tie.

He thought he was going to be beaten up again, but a gun suddenly appeared in front of him.

He quivered, and the hair on his body stood on end as he looked at CEng Shuai warily..

Chapter 1654: What did dad do to Lin weiqin again?

CEng Shuai's eyes were filled with anger. He lowered the gun and fired a shot at his shoulder.

Lin weiqin's body trembled and he fell heavily to the ground, fresh blood flowing out.

Zeng Shuai stood up and threw the gun at him."Stop challenging my rage points!"

When Lin weiqin heard him leave, she blinked. At this moment, he felt that he was about to lose Tian Yuan.

He covered his wound and got up. He walked to the coffee table and picked up the phone on it.

He wanted to say something to Tian Yuan, but she didn't respond to the two messages he had just sent.

I'm sorry, Zhenzhen, " he said in a low voice. He knelt on the ground and broke down crying.

He had wanted to call for an ambulance, but he gave up at this moment. He let go of the phone and fell to the ground.

His mind went blank and he suddenly screamed. He looked over and saw Lin weiran running over in a panic.

Tian Yuan was lying on the bed with her eyes closed. Tian Cheng accompanied her for a while before leaving. The moment the door closed, Tian Qi opened her eyes and hurriedly got up. She rushed to the dressing table and picked up the ear studs that Lin weiqin had given her.

Tian Cheng did not know the origin of this thing, so she put it away for her.

She opened the box and took a look. The earrings were originally her favorite style, but at this moment, she hated them very much!

She opened the window and was about to throw the box out when she suddenly heard the doorbell ring.

She was shocked, and then she heard Zeng Shuai's voice, "What are you doing here?"

Tian Yuan's heart tensed up. Thinking of Lin weiqin's actions in the car, she was afraid that he had come. What if he knew that she had thrown away her ear studs and went crazy again?

She hurriedly closed the window, put the ear studs back on the dressing table, and then rushed to the door to lock it from the inside. She then stuck her ear to the door to listen for any movements outside.

"Wei Qin made a mistake, it's my fault for not disciplining him well!" It was Lin Lei's voice. let him live. I'll send him overseas immediately and never let him come back. He'll never come and disturb Tian Yuan again! Brother, I only have one son, Yingluo."

"You don't have to send him overseas!" Zeng Shuai said coldly, "in the future, you'd better keep him in the country and don't let him step out of the country! Because I'm about to send Tian Yuan overseas, and I don't want my only daughter to be hurt again!"

"Yueyue, I know." Lin Lei said, "I'm sorry, ran ran."

Tian Yuan was full of doubts, what did her father do to Lin weiqin again?

She furrowed her brows and thought ruthlessly, 'I can't possibly take his life, can I? No matter what he did, he deserved it!

He said he liked her, but what was the result? The only person who truly loved her in this world was Zeng Shuai, her biological father. Only he would protect her. Other people would hurt her no matter how much they liked her.

On Monday, Tian Qi went back to school and started to go through the overseas procedures.

Her roommates and classmates were puzzled by her sudden decision to go abroad. However, she did not explain anything and only said that it was arranged by her family.

On Tong Siyao's birthday, she remembered that Lin weiqin was going too, so she took a sick leave and asked Sheng shuangxue to bring her gift over. Then, she invited her roommates to dinner.

As for the President's House, Lin weiqin didn't go as he was still in the hospital.

Sheng shuangxue asked Lin weiran what was going on. Lin weiran was a little guilty and tried to avoid the question.

Sheng shuangxue thought of the time when they went shopping and had dinner together last week. She couldn't help but let her imagination run wild.

After returning home, she immediately complained to Gong mo, " "Mom! I have a major discovery!

"Your sister-in-law is pregnant with her second child?" Gong mo asked anxiously.

Sheng shuangxue was stunned. She was speechless. it's fine that big brother wants a second child.. Why are you also looking forward to it? '

Chapter 1655: Old husband and young wife are the most loving

“Didn’t I see this when an Nian was born? It’s such a pity.”

Sheng shuangxue sighed. an Nian is such a ghost. How can we have another child? ‘

“Give birth to another girl like you. How cute would that be?”

Sheng shuangxue’s eyes brightened. She felt that it made sense. She paused for a moment and said, “If he looks like her, he would look like sister-in-law. Why would he look like me?”

“Nephew is like uncle so it is not strange for niece to be like aunt. By the way, what’s your major discovery?”

Sheng shuangxue had almost forgotten. She said hurriedly, “I think there’s something going on between Yuanyuan and brother weiqin! They might have an affair!”

“Ah?” isn’t the difference too big? ” Gong mo was surprised. Yuanyuan is still in school, and Wei has been working hard for so many years. Yuanyuan is ten years older than him, right?”

“That’s good!” Sheng shuangxue said excitedly, “ old couples love each other the most! Brother weiqin has been very good to Yuanyuan since she was a child. He’s obviously trying to raise her!”

Gong mo knocked her head and nonsense are you talking about?”

Where did you learn it from?”

Sheng shuangxue covered her head and said angrily, “It’s all because of those books on your shelf!”

“That’s a romance novel from so many years ago. When did you start reading it?” Gong mo was stunned.

“I’ve forgotten!” She had been looking forward to it for many years, and she was not interested in those things now.

Gong mo thought that she was already 20 years old and hadn’t been in a relationship yet, so he couldn’t blame her too much. He couldn’t help but ask, ‘ “Do you like older girls?”

There was nothing he could do even if he really liked her. This child had been weird since he was young and liked to dissect people. He was not gentle at all. It was already good enough that he could get married!

It doesn’t matter if you’re old, you know how to dote on people, as long as you don’t have a messy past love history, it’s fine.

Just as Gong mo was lost in his thoughts, Sheng shuangxue shouted, ” “I don’t like anyone! I’m talking about Tian Yuan and Lin Wu! The two of them didn’t come today, I don’t know if they went on a date!”

Gong mo said try to find a partner, it’s impossible!” Your aunt told me that Yuanyuan is going abroad.”

“Ah?” how could this be? ” Sheng shuangxue exclaimed.

Gong mo shrugged,”I didn’t manage to find out either.” Why don’t you ask

Yuanyuan? It’s already the start of school, and it’s obviously not normal to do it abroad.’

“Alright!” Sheng shuangxue immediately agreed and rushed to Tian Yuan’s school..

Chapter 1656: Do you want to Rob me of my money or my body?

Yang danqi wrapped herself in the blanket and walked to the place where her phone was. When she saw the caller ID, her eyes narrowed. She picked up the phone and asked in a low voice, "How's the progress?" the target is out there, so it's easy to get her, but she's with her classmates.

"Who are these people?"

"Three women.'

Yang danqi poured a glass of red wine and sneered, "Then let's go together. Isn't it more fun with more people?"

After hanging up the phone, she finished the red wine in one gulp, her face full of viciousness.

Tian Yuan, I'm going to ruin you and see how you're going to be with Lin Yuqin! I'll also destroy your classmates and let you live in guilt for the rest of your life!

Tian Yuan and her roommate finished their meal and walked out of the restaurant. She saw a taxi by the side of the road and asked, "Let's take a taxi?"

The few of them drank a little wine, but they were not drunk. They pretended to be crazy and laughed, sure, sure! The rich will pay.

"Fine, I'll buy it." Tian Yuan reached out to call for a taxi. it's just this one time anyway.

aiyaya! one of her roommates hung on her shoulder. I didn't expect our fate to only last for one year, Yingluo.

"We'll contact each other when I get there." Tian Yuan said.

The taxi had already stopped. Everyone asked, "Who's sitting in front?"

"I'll sit in front." Tian Qi was tired and wanted to be alone.

After getting into the car, she closed her eyes.

The three people behind her laughed and chatted. They called out to her twice, but she didn't answer. The three people looked at each other and stopped, sighing worriedly.

It seemed that something had indeed happened to Tian Yuan, and it was probably related to her going abroad.

The three of them didn't want to make a scene anymore, so they just went to sleep and played with their phones.

The driver took a look and sneered in his heart. The heavens are really helping me, who asked you to be so unguarded!

After a while, the girl who was sleeping in the back row suddenly opened her eyes. "Why haven't they arrived yet?"

This sentence made Tian Yuan and the two people playing with their mobile phones react. Yeah, it seemed like a long time.

The four of them looked out of the car at the same time and were shocked. This wasn't the way to her school at all! Where was he?

"What are you doing?" The girl in the back row screamed at the driver.

"Call the police!" Tian Yuan said to them.

The driver made a sharp turn, and the person in the back was thrown all over the place. He almost couldn't hold his phone, so how could he call the police?

shut up! Tian Yuan glared at the driver. send us back now, and we won't pursue your actions!

"You girls say one thing but do another. I don't believe you!' do you want to Rob me of my money or my body?!"

"What do you think?" the driver glanced at her and smiled evilly. Tian Yuan gasped and reached out to grab the steering wheel.

ah-" her roommate in the back seat screamed, " Tian Yuan!

"Call the police, you guys!" Tian Yuan roared.

At this moment, the driver suddenly stepped on the brakes, and the few of them were thrown forward.

When the car stopped, the student by the window rolled down the window and shouted at the passing car, " "Help! Please save us!" A few cars drove over and surrounded their car. The few of them were stunned,"isn't this too smooth?"

Tian Yuan looked at the cars and frowned slightly.

Then, a group of roguish men got out of the cars and even greeted their taxi drivers.

Everyone immediately understood that they were in cahoots with the taxi driver.

The timid roommate immediately cried,"Tian Yuan!" What do we do now?"

Tian Yuan's phone rang at this time, and the driver next to her looked over at her with a dark expression..

Chapter 1657: Who sent you here?

It was Sheng shuangxue's personal ringtone. Tian Yuan thought for a few seconds and handed her bag to the driver with a scared expression.

The driver laughed out loud, and the three students in the back row started crying.

He opened Tian Yuan's bag and took out his phone. When he saw the photo of a very beautiful girl on the caller ID, his eyes lit up and he handed the phone to her. "Your classmate again? Call her over, we'll play together."

Tian Qi burst into tears, and the driver slapped her. "Why are you crying? Answer the phone! "

The person outside the car said,"what do you mean?" Wouldn't she be exposed if she accepted the call now?"

Tian Yuan cried and said,"ran ran, why don't you let my classmate go?" I'll call my friend over. She pointed at the photo on the phone. as you can see, she's more beautiful.

The three roommates behind him were speechless.

hahaha-" the driver laughed. one to save three, you're really good at accounting!

The man outside the car laughed and said,"this isn't your friend, is it?" Why did you harm her like this?"

"I don't care if she's a friend or an enemy. As long as she's pretty," Tian Yuan said, wiping her tears.

The driver looked at the man outside. The man gritted his teeth and thought about it. He felt that it was not easy to make things too complicated. If this matter were to blow up, he would not be able to bear the consequences! There wouldn't be such a big risk if he only got two.

"Alright!" The person outside nodded, took out his phone, pressed a few buttons, and placed it in front of Tian Yuan. tell her to come here,

Tian Yuan took a look and saw that it was a KTV seat.

At this moment, the phone stopped ringing. "I'll send her a text!" She said immediately.

"Hurry up!" The driver roared.

The man outside stared at her movements. She typed a text message with trembling hands: I was singing outside

After typing these few words, she looked up at the man. The man took out his phone and asked her to key in the address.

After the text message was sent, the driver started the car and drove back.

The people outside also got into their own cars and sandwiched the car in the middle.

"Tian Yuan, Yuan Yuan," the roommates behind her were frightened.

Tian Qi said without turning her sorry for today." If I didn't treat you guys to a meal, this wouldn't have happened."

"Tian Yuan-"

“If they go back on their word and something happens to us, I can only die to atone for my sins.”

The driver trembled and thought, f * ck! He took someone’s money to get rid of a disaster. He only wanted to rape her. If someone died, the matter would definitely be blown up. At that time, there would be no way to resolve it and he would definitely go to jail.

So, when the car arrived at the entrance of the KTV, he asked the four of them to get out. After discussing with his companions, he turned around and pointed at Tian Yuan’s three roommates. “Alright, you guys stay here. I’ll let you go later!” After he finished speaking, he pushed Tian Qi into the KTV. The three of them looked at Tian Yuan anxiously and said, “Yuanyuan-”

“I’m fine, don’t worry.” Tian Yuan said calmly.

As she walked into the room, a few of the men immediately began to undress. The others looked at her with a smile, as if they wanted to see her beg for mercy in fear.

Tian Yuan’s body trembled slightly. She looked at them and saw one of the men with a cigarette in his mouth take out a DV camera.

She closed her eyes and forced herself to calm down. Then, she suddenly opened her eyes and asked, “Who sent you?”

“What?” The taxi driver was stunned.

“I’m your target, so you let my classmate go.. Tell me, who sent you here, and how much money did you get? I’ll give you double the amount! Ten times!”

Chapter 1658: The mastermind behind the scenes is yang

The men looked at each other, unable to make up their minds.

That's ten times the amount, Yingluo.

At this moment, hurried footsteps came from outside.

They were startled. Then, the door was kicked open. Sheng shuangxue rushed in. "Who the f * ck dares to touch my cousin!"

"Tian Yuan!" Tian Yuan's three roommates also rushed in.

After Tian Qi entered the KTV, they were guarded at the door. They couldn't run away, nor could they call the police. Fortunately, Sheng shuangxue arrived at that time. After explaining the situation, the three of them ran in with Sheng shuangxue.

When the man in the room saw the four women, he spat on the ground. "Motherf * cker! Just in time! If you don't want to leave, then we'll play together!"

Tian Yuan chuckled. Sheng shuangxue sneered with her hands on her waist. Tian Yuan's roommate also laughed.

what are you guys laughing at?! The taxi driver was furious.

Tian Yuan's roommates blocked the door and hurriedly made way. A group of men in suits and leather shoes walked in, took out guns from their bodies, and pointed them at the group of men.

The group of men were dumbfounded, wondering what had happened. What kind of development was this?

Tian Yuan stood up and walked to Sheng shuangxue. She pointed at her and introduced her to everyone, "My cousin, the president's sister, has seven or eight bodyguards with her whenever she's out. It's night time right now, so I think there'll be 20."

The group of men were speechless. The president's sister? You called her cousin? F * ck, Yingying wouldn't have done this business if she had known!

The two luxury cars sped to the entrance of the police station and came to a sudden stop.

The police officers at the door rushed to open the door. Gong mo and Sheng nanxuan got out of the first car, while Tian Cheng and Zeng Shuai got out of the second.

"Cousin!" Tian Cheng hurriedly walked toward Gong mo.

I wonder who is so bold! Let's go in and take a look! Gong mo was furious.

The four of them walked into the police station. Tian Yuan and Sheng shuangxue were having tea in the chief's office.

When Tian Yuan's classmates saw the four of them, they immediately stood up, too nervous to speak. 'F * ck, f * ck, f * ck, four Buddhas. I never dared to think that I would have the chance to see these four people!'

Gong mo quickly walked to Sheng shuangxue's side. "Are you alright?"

"Father and brother sent so many people to follow me, what could happen to me? but Yuanyuan is in trouble. I'll have to go and pick her up later. Sheng shuangxue paused and frowned. those people are so bad!

Tian Cheng hugged Tian Yuan, her entire body trembling with fear. "Have you investigated clearly?" Sheng nanxuan asked the Bureau chief.

yes. the chief wiped his sweat. we have a rough idea.

“Then let’s get rid of those who are not involved.”

The Bureau chief was stunned and looked at Tian Yuan’s classmate. “The three of you have finished recording your statements. You can leave now.”

“Can you send them off?” Tian Yuan asked hurriedly.

“Of course!” The chief immediately asked the police officers to take the three of them out and arranged for a police car to escort them back to school.

The rest of them sat down, and the director reported to them what they had just found. according to the confessions of the criminals, someone paid them to call them Wanwan. he glanced at Tian Yuan and whispered, “ask them to call more people to bully miss Tian and record the whole thing.

Zeng Hanwei loosened his tie. If Sheng nanxuan was not in front of him, he would have lost his temper.

“Who is it?!” He asked angrily. Who did this?”

we’ve checked the communication records. The final mastermind is an artiste named yang danqi.

“She?” Tian Yuan was shocked. is she crazy? ‘

“Let’s capture the person first.” Sheng nanxuan said indifferently. He looked at Gong mo and Sheng shuangxue. it’s late. Go home and rest..

Chapter 1659: you went for wool and came home shorn

"Let's wait a little longer," Gong mo said.

Sheng nanxuan glanced at Tian Cheng, who shuddered and hurriedly advised Gong mo. cousin, you should go back first. I'll tell you about the situation here tomorrow. If you don't go back, someone is going to blame me!

Gong mo glanced at Sheng nanxuan, who smiled at her innocently. "Alright," she sighed helplessly. Why don't you all go back and rest first? we'll talk about who's going to lock her up for the night!

"You're right." Tian Yuan said, " who would want to stay up late for her? "

Everyone agreed to go home and rest immediately.

what happened between you and danqi? " Tian Cheng asked when Tian Yuan returned home. what happened between you and danqi?

"Still calling me danqi?" Zeng Shuai said angrily.

Tian Cheng paused and asked, " "Is yang danqi sick?"

"I've had a huge conflict with her." Tian Yuan said, " we've never been on good terms since we were young.

"And then?"

"She's the one who said I'm an illegitimate daughter. No one else."

"Motherf * cker!" CEng Shuai was furious.

Tian Yuan sighed. Chen jiahan is also with her. I don't know how long it has been. She's Yingluo, who I caught having an affair with.

f * Ck ... Zeng Shuai wanted to curse, but he held back because he thought it was inappropriate in front of her.

Tian Yuan had a guess in her heart, but she felt that it was a little unbelievable and didn't say it out loud.

Seeing that she was in a daze, Tian Cheng was a little worried. "Yuanyuan?" "What?" Tian Yuan came back to her senses.

"I'm fine." Tian Cheng smiled and hugged her. you must be frightened, right?

"It's alright." Tian Yuan said calmly, " I think that's the worst case scenario, ran ran.

Yuanyuan?! Tian Cheng was shocked. How could she say such a thing?

Tian Yuan lowered her eyes and didn't say anything. She only thought of Lin weiqin's words. If he hadn't appeared that day, she would have already been violated by a group of people. If something like this happened today, it could only mean that this was destined to happen in her life, and it would happen sooner or later. At that time, the only thing she was worried about was her roommates. She was afraid that she would hurt them.

Fortunately, Sheng shuangxue called her in time. Otherwise, she really didn't know what to do.

She leaned into Tian Chengs arms and mumbled, " "Niommy, I'm so tired." "Then go to sleep." Tian Cheng said gently.

Yang danqi did not expect herself to be so unlucky. Her plan to hurt Tian Yuan had failed again, and she had even been caught!

Now that the Sheng family was alerted, he would definitely go to jail. What a loss for a chicken!

However, she refused to accept her fate and pushed everything to Chen jiahan.

he told me to do it! He had been dating Tian Yuan for two years, but he couldn't accept the fact that he didn't get her body. I like him a lot, and I'll do whatever he asks me to do.'

After Chen jiahan was arrested, the police asked him if he had incited yang danqi to commit the crime. He cried out, "She was the only one who instigated me to commit the crime. What ability do I have to instigate her?" "Then how did she instigate you to do it?" The police officer asked.

At this moment, Tian Yuan, Tian Cheng, and CEng Shuai were looking at him through the one-way glass.

He lowered his head and was the one who incited me to go after Tian Yuan." I don't understand why she always has things against Tian Yuan! At that time, she gave me money and resources in the entertainment industry. Moreover, Tian Yuan was so beautiful, so I naturally agreed. After that, I really fell in love with Tian Yuan, but she seduced me again. I couldn't hold back and betrayed Tian Yuan.

She was very strange and kept urging me to sleep with Tian Yuan, but Tian Yuan was very conservative. If I didn't agree, she would scold me for being useless! After I broke up with Tian Yuan, she told me to take the opportunity to drug Tian Yuan so that she could be raped. But I really like Tian Yuan and couldn't bear to do it, so I didn't do it, ran ran..

Chapter 1660: Will she still be mine in a few years?

Zeng Shuai gritted his teeth,'this woman is crazy! Why are you always against my Yuanyuan?"

"Won't we know if we ask the police?" Tian Cheng said.

The police went to ask yang danqi. When yang danqi saw that Chen jiahan had confessed everything, she wanted to deny it. But after thinking about it carefully, her phone calls and emails with Chen jiahan in the past were all evidence. It seemed that she could not deny it.

She closed her eyes, feeling a little hopeless.

When she opened her eyes again, she was calm. "She called me an orphan,

Yingluo. I couldn't stand her, so I wanted to destroy her."

When Tian Yuan heard this, she thought doubtfully, "am I overthinking?" Not because of that?

Yang danqi was detained. Tian Yuan did not wait for the court's verdict and set off for country Y at the original time.

Lin weiqin was hospitalized for a week after his injury. He then returned home to rest for ten days and was preparing to go to work.

During breakfast, Lin Lei lectured you forget the pain after your scar has healed and go provoke Tian Yuan again!" I'm telling you, if there's a next time, your uncle Zeng won't just shoot you in the shoulder!"

Lin weiqin lowered his head and didn't speak.

"The child has suffered so much, why are you still blaming him?" mother Lin hurriedly said to Lin Lei.

"If we don't teach him a lesson, he'll lose his life! Now that the Sheng family knows about it, you'd better take care of yourself!"

"Alright, alright. Don't you have a meeting?" Mother Lin said hurriedly, "let's go. I'll go with you."

Mother Lin also had to go to work, so she took her bag and went out with Lin Lei. She said to Lin weiran, "Talk to your brother."

Lin weiran nodded. After they left, she looked at Lin weiqin and said, "GE! GE! GE!"

"If there's nothing else, I'll take my leave." Lin weiqin stood up.

"Sit down!" Lin weiran slammed the table.

Lin weiqin was still standing there, looking at her indifferently.

"A lot of things have happened recently," she said.

Lin weiqin sat down and looked like he was all ears.

"Tian Yuan went abroad." Lin weiran was the first to drop a heavy bomb.

Lin weiqin raised his head and widened his eyes, which were filled with shock and panic.

"It's today,"

Lin weiqin got up and ran outside.

Lin weiran grabbed him, "what are you doing?! To get your great uncle to beat you up again? Mom and dad didn't allow me to tell you. I told you, I'm not asking you to go over!" then why are you telling me?! Lin weiqin roared and collapsed into the chair, 'she hates me so much!

"I don't know if she hates you or not. But I think it's good for her to go out and relax. It's not that she doesn't have any feelings for you. Even if you're her brother, you're not her real brother! Who could tell what kind of feelings they had? She was still so young, so it was understandable that she couldn't accept this sudden incident. Maybe she'll be able to accept it in a few years."

“In a few years?” Lin weiqin looked at her, ‘t will she still be mine in a few years? ” The temptations outside were so great! So many people!”

“That means you two aren’t meant to be together.” Lin Wei Ran said coldly.

Lin weiqin covered her face with her hands and panted in pain. He had never felt so much pain, not even when a bullet hit him. “Danqi has been captured.” Lin weiran said.

“Why?” Lin weiqin was stunned.

Lin weiran explained the entire situation and said in disbelief, ” “I’m suspecting that she’s mentally ill. How could she harm Tian Yuan like this? If she succeeded, what would happen to Tian Yuan? Wouldn’t that be crazy? Her aunt had come to ask her father for help, so how could her father care about her? Even the president probably knew about this. The Sheng family won’t be able to do anything. I heard that uncle Sheng and the rest went to the police station that night..”
