Chapter 1661: Tian Yuan, you're so cruel

"It was right to ignore her." Lin weiqin had always felt that there was something wrong with Lin Jings head. Even if she was his own aunt, she didn't like her at all. As for yang danqi, he disliked her even more.

He furrowed his brows and suddenly felt a headache.

Could it be that yang danqi harmed Tian Yuan because of Wanwan?

but danqi isn't her biological child anyway. She didn't get any results after begging twice, so she didn't plan to care anymore.

Lin weiqin sneered and left with his coat.

the plane has already taken off! Lin weiran shouted. don't go to the airport! Lin weiqin closed the door with a bang and took out his phone to call Tian

Yuan.

Tian Yuan was already on the plane.

Tian Cheng and CEng Shuai had wanted to accompany her, but she had refused, so she was the only one there. Someone would pick her up when she reached country Y.

The air stewardess gently reminded everyone to fasten their seat belts and turn off their phones. At this moment, her phone rang.

The air stewardess looked over. She apologized and took out her phone. She was stunned.

The bell continued to ring, and the air stewardess walked over. "Miss?" Tian Yuan looked at her.

"There's still two minutes, you can hurry up," she said with a smile.

"Thank you," he said. Tian Yuan smiled in embarrassment and picked up the phone decisively.

Lin weiqin actually didn't have much hope, but when he heard the call go through, he couldn't believe it, "Yuanyuan?"

"Does danqi like you?" Tian Yuan asked.

Yang danqi's reaction was very strange when they were eating barbecued meat that day. Later, at the police station, this speculation became more and more intense.

Although yang danqi and Lin weiqin were cousins, she wasn't Lin Jings biological daughter, so there was nothing wrong with them getting married.

Lin weiqin stopped in his tracks and didn't say anything. His hand that was holding the phone trembled.

It looked like he was the one who had harmed her, Hanhan.

Yang danqi ridiculed this crazy woman!

"I'm leaving," Tian Yuan sighed.

"I'm sorry," she said. Lin weiqin blurted out and hung up the next second.

He closed his eyes, and the corners of his eyes were slightly moist.

When she was young, she had said that she would be brother weiqin's bride when she grew up, Hanhan.

And now, Xuanji

Yet, she had left him behind and left.

Tian Yuan, you're so cruel.

Three years later.

Country Y.

In the hot June, Tian Yuan was wearing a cotton dress and walking gracefully under the tree-lined road.

She was followed by a young man with glasses. The man had a scholarly aura and looked like a weak teenager.

He stared at her affectionately and spoke to her nervously and gently, afraid of scaring her.

Tian Yuan responded lightly, polite and distant.

There were trees all along the way, and she was in the shadows. Although the air was hot, it was cool and there was no sweat.

She stopped in front of a small red brick house and said to the man indifferently, "Then, goodbye."

"You're not coming back?" the man looked at her, reluctant to leave.

“Yes, I should go home.”

He frowned slightly, full of disappointment, “you said before that you wanted to stay and study Yingluo.”

I’ve thought about it. It’s better for me to go back to China. I’ll be working in China in the future, so I should get to know more about the country.

“Alright,” the man sighed and smiled optimistically. I’m going back to China to develop my career anyway, so we’ll be able to meet again.”

“I’m looking forward to it,” Tian Yuan said with a smile.

With that, she opened the door and entered the house, ruthlessly shutting him out.

The man was stunned for a moment. He took a deep breath and left, looking back every three steps.

Tulle-like curtains hung in front of the floor-to-ceiling windows of the small house. He couldn’t see what was inside from the outside, but he could roughly see him from inside..

Chapter 1662: Going back to attend the wedding

Tian Cheng was packing her luggage in the living room. She craned her neck and looked at him for a long time before she said to Tian Yuan, ‘t “I think he’s been chasing you for a long time. Why didn’t you agree?”

“I don’t like it.” Tian Yuan checked her unpacked luggage and smiled playfully. you like it? ‘

Tian Cheng glared at her and said, ‘stop talking nonsense! It’ll be troublesome if your dad hears you!’

Tian Yuan chuckled.

She had been here for almost three years and had never returned to the country.

When she first came here, she was alone. Less than three months later, Tian Cheng rushed over and said that she would stay to accompany her. Commander Zeng also came for the new year. After the new year, Tian Cheng said, "It's not long until your birthday. I'll go back after your birthday.

Otherwise, it'll be troublesome if I have to come back again."

It was still a long time before Tian Yuan's birthday. Feeling bored, Tian Cheng strolled around her school. Suddenly, she remembered that she had only gone to University and not to graduate school. So, she applied to study abroad, and she even succeeded!

From then on, Tian Cheng stayed in country Y and went to school together.

Zeng Shuai was simply convinced! As expected of the woman he loved, she never forgot to improve herself. He suddenly had a feeling that he loved Tian Cheng more and more.

But Yingluo, why did you leave me behind and not go home?

Zeng Shuai also left the company and came over to manage it remotely. If there was really something that needed to be resolved personally, he would return once every few months and deal with it collectively.

At the Academy of traditional Chinese opera where Tian Cheng and Tian Yuan were, everyone from the professors to the students were crazy. Those in the art world would be too embarrassed to say hello to others if they weren't crazy. As a result, a group of lunatics crazily pursued the two of them, and even more of them pursued Tian Cheng!

They liked Tian Cheng's mature and mysterious temperament. Tian Yuan looked innocent and lost a little of her charm. Only the one who had just sent her back was still chasing after her.

At first, Zeng Shuai thought that the men loitering around the residence were all pursuing Tian Yuan. He even observed them secretly for a while, judged them in secret, and discussed with Tian Cheng to find a reliable boyfriend for Tian Yuan so that she could forget all those unhappy things!

Then, one day, someone sent roses to her door, and it was actually for Tian Cheng!

The family of three was dumbfounded!

At this point, commander Zeng couldn't bear to see these men. Now that Tian Cheng and Tian Yuan had both obtained their degrees, he tried his best to urge them to go home. He didn't want to lose his wife instead of getting a son-in-law!

Tian Yuan didn't want to reply.

Lin weiqin's shadow had been in her heart for three years, and she deliberately didn't think about it, so that the other party's face was blurred.

But once he returned, he would have to face it. But she didn't want to face it, so she could only escape.

She wanted to continue her studies or work here. At this time, there was news from China that Lin weiran was going to marry Wu Yan.

Although she didn't know how the two of them got together, Tian Yuan didn't intend to go back and join in the fun.

A few days ago, Lin weiran had gotten Sheng shuangxue's phone number and called her personally to invite her to the wedding. Later, Wu Yan also called, so she had to agree, so she packed her luggage here.

After returning to the country, Tian Yuan rested for two days to adjust to her jet lag before she was dragged out of the house by Tian Cheng to visit her relatives at the Sheng family.

“Is my skin very bad?” Tian Yuan asked worriedly after they got into the car.

“A little.” Tian Cheng looked at her and said, “it’s fine. I’m going to see your Auntie today. There aren’t any handsome guys around.

“Yingluo” was her aunt’s elder, shouldn’t she be in the best state of mind?

Chapter 1663: Sheng Yiting’s youngest daughter

“We’ll go for the spa tomorrow.”

“Zhenzhen has already seen aunty, so there’s no need.” Tian Yuan mumbled in a low voice.

Lin weiran’s wedding was the day after tomorrow, and she was already prepared to meet Lin weiqin. She didn’t want to dress up too exquisitely to avoid unnecessary misunderstandings.

However, this was not up to her to decide.

He couldn’t attend a wedding in a sloppy state. With the styling and makeup done, no matter how bad her face and spirit were, one could not tell anything.

Tian Yuan randomly chose a small dress and didn’t put much effort into dressing up.

She didn’t need to show off at other people’s weddings. It should be as ordinary as possible.

She walked into the wedding venue with Tian Yuan and Zeng Shuai. When she saw the bride in the wedding dress, she was scared for no reason. At this moment, the newbie's relatives should be near the newbie, right?

"I'll go and sit down first," she whispered to Tian Cheng.

Tian Cheng understood what she was thinking and nodded helplessly.

She immediately walked to the corner seat, not daring to look around.

Halfway there, a heavy object suddenly pounced on her legs and tripped her.

She was shocked and lowered her head. A pink little girl was holding her calf and looking up at her.

The little girl was about two years old. Her eyes were sparkling, and the hair beside her forehead was naturally curled, making her look like a doll.

Tian Yuan's heart couldn't help but soften. She squatted down with a smile, held her, and asked, "You're xiaxia?"

She seemed to be Sheng Yitings younger daughter.

Sheng Yiting and Tong Siyao had given birth to their second child two years ago, and she was named shengxia. Tian Yuan had never seen him in person before. She went to the Sheng family's house the day before yesterday to look at his photo, and he looked exactly like the child.

The little girl turned around, and Tian Yuan looked over. A boy around ten years old was walking over.

He was wearing a suit and a bow tie, looking like a little gentleman. He walked up to Tian Yuan, but he fiercely pulled the little girl behind him and shouted at her, "Don't act stupid!" wuu ... the little girl pushed him away and ran away in tears.

Tian Yuan's eyes widened in surprise, and she was a little worried. She was about to chase after her when she saw that she had pounced on someone.

Tian Yuan looked up and saw Sheng shuangxue. She heaved a sigh of relief.

Sheng shuangxue picked up the little girl and walked over. Tian Yuan glanced at the boy in front of her. She didn't expect Sheng annian to be so old.

Thinking of his cute appearance when he was young, she felt that he was so pretentious now and couldn't help but reach out to touch his head.

Sheng annian's face darkened, and he resisted the urge to push her away.

Sheng shuangxue walked up to her. The little girl in her arms glared at Sheng annian, then turned and leaned on Sheng shuangxue's shoulder. "Big brother is bad!"

"Did you call me aunt?" Sheng shuangxue asked.

The little girl looked at Tian Yuan, her face slightly red, and she was a little shy.

"This is cousin's little princess?" Tian Qj asked, " I finally saw him in person.

"For you to hug!" Sheng shuangxue said.

Tian Yuan immediately put down her bag and reached out to take it. She said in surprise, " "It's so heavy!"

Little shengxia was stunned,"you actually think I'm heavy?" "Who told you to eat so much!" Sheng annian gloated.

"Wuwuwu," little shengxia wanted to cry.

“No, no!” Tian Yuan hurriedly said, “aunt has never held a baby before. Her hands are empty. It’s my first time hugging him, so of course I’d feel heavy.”

Little shengxia couldn’t understand her logic, but one thing did make sense: Her cousin had never hugged anyone else, only herself

She happily wrapped her arms around Tian Yuan’s neck and rubbed her head against it. Tian Yuan put her down on the chair, opened her bag, and took out the wedding candy she had just received.. do you want it?”

Chapter 1664: I don’t know how he got through it

Little shengxia took it happily and said sweetly, “Thank you, aunt

“Good girl!” Tian Yuan hugged her and kissed her. you’re so cute. Your parents ‘hearts will melt when they see you!

With that, she gave Sheng annian the remaining candy. “Do you want it?” Sheng annian turned and left.

“You were so cute when you were young,” Tian Yuan said to Sheng shuangxue disappointedly.

“It’s just that it’s getting more and more awkward.” Sheng shuangxue snorted.

it’s a good thing we have xiaxia!

Little shengxia could tell that they were complimenting her, and she giggled. “Where are my cousin and sister-in-law?” Tian Yuan asked Sheng shuangxue,

“They’re busy, so they didn’t come.”

Sheng Yiting was re-elected as the president, and Tong Siyao became the spokesperson of the presidential palace. Not only did they have a distinguished status, but they were also very capable. Capable people naturally had to work harder.

However, Tian Yuan felt that Wu Yan and Lin weiran couldn’t bear their personal visit.

She glanced in the direction of the newbies and suddenly thought of someone who might appear. She immediately retracted her gaze and asked, ‘t “Why is sister Wei Ran with Wu Yan? I remember Wu Yan is younger than her. ‘

“Who knows? However, age is not a problem.” Sheng shuangxue grinned and love in a relationship between an older and younger brother! Moreover, Wu Yan has never been afraid of anyone but sister Wei Ran. This is called what love is in the world, and there is always one thing that has its weakness!”

Huahua! sister Wei Ran was simply too fierce, okay?

aunt Qt little shengxia suddenly pulled Tian Yuan.

Tian Yuan hurriedly looked at her and asked with a gentle wrong with xiaxia?”

Little shengxia jumped down from the chair and ran forward holding her hand. She and Sheng shuangxue hurried to follow.

After running for a short while, little shengxia stopped and pointed at the bubbles dancing in the air. She said coquettishly, “I’m playing this.”

Tian Yuan took a look and saw that the bubbles were made by a bubble maker. At this moment, the wedding hadn’t officially started yet, so there weren’t many bubbles.

Naturally, children could not play with the cell phone.

“Is there anything she can do?” Tian Yuan asked Sheng shuangxue.

“Help me look after her first, I’ll get someone to buy it.”

Tian Qi nodded and carried shengxia to the bubble maker to let her see the bubbles flying out of the machine.

Shengxia was so excited that he stretched his neck without blinking.

Tian Yuan said, “you can’t touch it”

Shengxia nodded obediently. She looked up at the bubbles dancing in the air and reached out her little hand to catch them.

Lin weiqin, who was dressed in a suit, arrived late.

When he heard that Tian Yuan would come, he was looking forward to it, but he was also very afraid.

He didn’t know what it would be like when the two of them met, and he was even more afraid that he would come full of anticipation, only to not see her.

It had been almost three years, thousands of f \* cking nights. He didn’t know how he had endured it.

Last night, she couldn’t sleep at all. She wanted to come over early in the morning, but she stopped because she was worried and scared. However, he couldn’t be absent from his sister’s wedding, so he only came when it was about to start.

As soon as he entered, he couldn’t help but look for Tian Yuan.

He didn't find Tian Yuan, but he saw CEng Shuai and Tian Cheng first.

The two of them were talking to Lin Lei and his wife. Lin Lei and his wife blamed themselves for what Lin weiqin had done in the past. Even if Lin weiqin had delayed their marriage, the two could only be anxious and didn't dare to blame Tian Yuan.

For Lin weiqin's sake, the two of them even wanted to win Tian Yuan over to be their daughter-in-law. Now that he had met Tian Cheng and CEng Shuai, he naturally had to get to know them better.

Lin weiqin saw the four of them together and immediately went over to greet them.

Zeng Shuai's face fell as soon as he saw him.

Tian Cheng was shocked. She was afraid that Tian Yuan would be affected, so she quickly looked in other directions..

Chapter 1665: impossible

She had been paying attention to Tian Yuan's movements and saw her at a glance.

Lin weiqin followed her gaze and saw Tian Yuan carrying the child with her back to him, but he recognized her at a glance!

However-

A child?

His pupils shrank as he looked at her and the child in a daze, his heart almost

stopping.

She's married? And even had a child?

Did she hate him so much that she refused to give him a chance?

He dragged his heavy feet over, and everything around him became blurry. His heart was so heavy that he couldn't breathe, and he felt his life force flowing away bit by bit.

But she was still so beautiful, smiling sweetly, and looking at the child with such a gentle and loving gaze.

She was a good mother, but she was not the mother of his child.

Lin weiqin's legs seemed to be filled with lead, and the closer he got, the more he couldn't move.

Suddenly, she handed the child to someone else.

Lin weiqin immediately looked over-it was Sheng annian! Only then did he realize that the child was shengxia.

He knew shengxia and understood that he had misunderstood. He couldn't help but heave a sigh of relief. He no longer ignored the surrounding scene and his heartbeat slowly returned to normal.

At this moment, Tian Yuan was only three meters away from him. Both Zeng Shuai and Tian Cheng became nervous and wanted to rush over to protect

Tian Yuan.

Lin weiqin stopped two steps, and the two of them were also stopped by Lin Lei, temporarily watching.

Tian Yuan stared at Sheng annian and Sheng Xia and thought gloomily, " He really had a sister complex! I didn't do anything to xiaxia. Why can't I just take it back?

Suddenly, she felt that someone was watching her. She turned her head and was caught off guard when she saw Lin weiqin. Her pupils shrank and she took a step back in fear.

Lin weiqin felt a stab in his heart and didn't dare to approach her again. He slowly took a step back and looked at her in a daze.

She held her breath and looked at him warily. After a while, seeing that he did not come close to her, she turned around and ran to the door with messy steps.

Sheng shuangxue came in with a glass of water and passed by her. She said in surprise, 't "Where are you going? The wedding is about to begin!' Lin weiqin's body swayed, and he almost lost his balance.

Did she really hate him that much? Or was she afraid of him?

It's impossible, Yingluo.

At this moment, he understood that his many years of anticipation were all guile.

Tian Yuan walked on the street, feeling dizzy from the sun.

She retreated into the shadow of a building and watched the passing vehicles and pedestrians.

The phone in her bag rang. She picked it up and realized that it was already past midnight. The wedding had already started.

It was Tian Cheng. She picked up the phone and hoarsely called, " "Mom," she said.

"Where did you go?"

"My ran ran." Tian Qi was upset and sighed.

"Let's find a place to eat." go home if you're tired," Tian Cheng said gently. It's hot outside, don't get a heat stroke."

"I know," Tian Yuan agreed softly. After hanging up the phone, she began to look around, trying to find a restaurant.

Coincidentally, there was a fast food restaurant across the street.

Was she going to eat fast food?

Forget it, fast food is fine. The important thing is to find a place with air conditioning and food.

She walked towards the sidewalk and suddenly realized that someone was following her.

She paused and turned around vigilantly. A young man behind her suddenly turned his head and turned his back to her.

She broke out in a cold sweat, thinking that she was being followed by bad people, so she ran away in a hurry.

After crossing the road, she saw that the man was still standing in the same place, looking at her with a wronged and unwilling expression.

The man looked very young, probably still a college student.

She suddenly realized that he wasn't trying to hit on her, was he?

Chapter 1666: Lin weiqin gets drunk at the wedding

Tian Qi immediately felt embarrassed. She turned around and entered the fast food restaurant.

While they were eating, a few men around her looked at her, somewhat eager to try.

She couldn't help but sigh. She put her hand on her forehead and lowered her head to surf the internet on her phone.

When she was in country Y, although there were many people who pursued her in school, none of them would go shopping. Most of the people on the streets were from country Y, and few of them fell in love with her at first sight. In three years, she only had one or two chances to hit on them.

However, things were different after returning to China. She was beautiful, well m dressed, educated by Tian Cheng, and had experienced what happened three years ago. Her temperament was different from others. There was an inexplicable melancholy in her silence, making people want to get close to her, protect her, and explore her.

Just a side profile was enough to make people's hearts beat faster.

Lin weiqin was dead drunk at his sister's wedding, even drunker than the groom.

Tian Cheng and CEng Shuai had left early, so they didn't see him drinking to drown his sorrows. The other guests were quite surprised, which made the atmosphere of the wedding banquet a little strange.

Wu Yan felt very aggrieved-today is my good day, what's with brother-in-law?

However, Lin weiran was angrier than him, so he could only comfort her.

Lin weiran was so angry that her lungs almost exploded. She entered the bridal chamber and began to shout, "I only get married once in my life. Is he still my brother?" big brother probably has something on his mind. Wu Yan was extremely afraid of his wife. He just accidentally bit her when he was a child, and he had to pay for it for his entire life. Fortunately, his wife had fair skin and was beautiful. She had long breasts and legs. He was very blessed with sex! She just had a bad temper, but it was also very cute.

The more Wu Yan thought about it, the more beautiful he felt. He licked his lips and wanted to go to bed.

Cough, cough, cough, this was the nuptial chamber, a once-in-a-lifetime affair.

"If it wasn't for the fact that he's my brother, I would have killed him!" Lin weiran took off her wedding dress angrily and tore off her bra.

Wu Yan's eyes bulged, and he immediately stood up. big brother is just drunk. He's not crazy. It doesn't affect him much. Don't be angry ...

He stared at Lin weiran's chest and wanted to touch it, but Lin weiran suddenly entered the toilet and slammed him outside.

don't you know?" a furious voice was heard. drinking so much-won't it make people worry?!

Wu Yan: " Oh, so you're worried about big brother!

Wu Yan was also depressed. It was a good wedding night, but his wife was thinking about someone else. Brother-in-law, did you have a grudge against me in your past life?

When Lin weiran came out of the shower, she saw Wu Yanyi sitting on the bed with his head down, full of resentment.

“Go and take a shower!” She reached out and covered her nose.

Although Wu Yan was not drunk, the smell of alcohol on his body was very strong.

Wu Yan looked at her resentfully, “she’s not even gentle to me when we’re married.”

He went into the bathroom and took off his clothes. When he saw his perfect body and thought of what was going to happen next, the resentment in his heart was swept away. He quickly took a combat bath and came out naked.

In the end, his wife did not lie in bed waiting for him. Instead, she stood by the window with her back to him and made a phone call. She asked worriedly, “Big brother, are you alright? Don’t ruin your stomach again!”

Wu Yan opened the quilt gloomily and lay down. He pulled up the quilt to cover his head.

After a while, Lin weiran finished her call and turned around. She was slightly stunned.

She put down her phone and pulled the blanket away.

Wu Yan turned around and looked at her with a wronged expression.

Lin weiran got into bed and saw that he was naked.. She shouted, “Why aren’t you wearing any clothes?”

Chapter 1667: I want to move out

Wu Yan suddenly sat up. I want to sleep with you. Why would I need to wear clothes? ‘

Lin weiran blushed. She felt bad for neglecting him just now, so she leaned over and gave him a kiss.

Wu Yan was immediately happy. He turned over and pressed her down.

The two of them had a great battle, but Wu Yan still wanted to come. Lin weiran was really exhausted. It was already tiring to get married, and he had been tormenting her for so long, ran ran. “Sleep first,” she said talk tomorrow morning.”

Wu Yan’s eyes lit up and he immediately agreed.

Lin weiran sighed. my brother slept with Tian Yuan three years ago. she said.

“What?” Wu Yan was shocked. He did not know about the two of them before.

Now that they were married, Lin weiran felt that if she didn’t let him know, she would be treating him as an outsider. She was afraid that he would feel aggrieved if he found out in the future.

Wu Yan calmed down. no wonder ran ran and Tian Yuan went abroad three years ago. It was because of this, right?” Tsk I’ve already realized that your brother treats her differently! She even beat me up for her in the past!’

Lin weiran reached out and pressed his sleeping!’

Wu Yan knew that she was afraid of noise, so he didn’t dare to make a sound. He reached out and held her tightly in his arms.

After Tian Cheng left the country, she had not produced any new films. During the two to three years in country Y, she had conceived a lot of new stories. One of them was an urban romance drama that she had already written and was ready to start shooting.

It had been many years since she had written a pure love story. The inspiration for this story came from going abroad. The story was about the female protagonist traveling abroad alone and meeting the male protagonist on the way. The two of them traveled to many countries together and secretly fell in love. However, they separated before confessing, causing a misunderstanding, which led to the complicated story that followed.

Tian Cheng pulled Tian Yuan along to compose the song. She felt that Tian Qi was young and had the heart of a young girl.

At the end of the story, Tian Cheng wanted the male and female protagonists to be together, having a happy ending. However, Tian Yuan said that most first-love couples in the world didn't reach the end, and it was more scientific to separate.

Tian Cheng almost vomited blood. you're a twenty-year-old young lady. Why don't you have the heart of a young lady? "she asked.

Tian Qi pursed her lips and did not say anything.

Tian Cheng did not want to criticize Lin weiqin, so she scolded her in her

heart. My good daughter, it's all your fault! Bastard!

After that, the mother and daughter each wrote an ending and decided to film it. As for which version to broadcast, it would depend on the situation!

In the past, when she was filming, Tian Cheng would find time to go to the production team. She didn't want to move anymore, so she simply handed it over to Tian Yuan.

Tian Yuan didn't have any plans in the near future, so she decided to follow the group throughout the whole process.

However, she had nothing to do during the preparation stage, so she could only stay at home all day.

One morning, when they were having breakfast, she suddenly said, "I want to move out."

"What?" Zeng Shuai and Tian Cheng raised their heads.

Tian Qi picked up her fruit juice and took a sip. She looked at them calmly. "I want to move out and live alone."

"Why?" Zeng Shuai was shocked, thinking that she had been triggered again.

"I should be independent." Tian Yuan said, "I also have a little personal space."

Besides, I don't want to disturb your romantic time!"

Zeng had enough alone time with you two!"

Tian already so old, why are you still having some alone time?" The two of them looked at each other helplessly.

Tian Yuan was young, so it was understandable that she wanted personal space, However, what had happened before made the two of them worried.

They were afraid that something would happen if she left their sight.

That matter had always been buried deep in her heart. Although she had been living peacefully for the past three years, the more peaceful she was, the more problematic it was. If he had known earlier, he would have found a psychiatrist for her.. What could he do now?

Chapter 1668: taking a long detour

When Tian Qi saw that they were not talking, she did not say anything either.

She slowly finished her meal and stood up. "I'm going to look for a house." "Wait!" Zeng Shuai shouted, "how troublesome is it for you to look for it yourself? I'll get my Secretary to help you."

"Thank you, dad!" Tian Yuan smiled happily.

A few days later, she had her eyes on a house. It was near her former University and was well-renovated. The business district was right below, making life very convenient.

When they moved, commander Zeng and Tian Cheng felt like they were marrying off their daughters, and they couldn't help but feel depressed.

After moving the things there, the two of them wanted to help tidy up, but Tian Yuan smiled and said, "I'll do it myself, let's go eat first! I saw a hotpot restaurant on the way. It's been open since I was a student, and it was delicious back then!"

"You won't even live for three years. Don't make it sound like you're from a previous life." Zeng Shuai said, "since it's delicious, let's go and eat it. It must taste the same as three years ago!"

Tian Yuan laughed and walked out of the door while holding their hands.

When she really ate the hotpot, she felt that it didn't taste like what she remembered.

Tian Cheng and CEng Shuai praised, 'it's really delicious! Why didn't you bring your parents here before?'"

Tian Yuan said embarrassedly, " I used to think it was ordinary, hehe. now, she also thought it was ordinary, but in her memory, it had become delicious.

It was really strange.

The two of them didn't notice her abnormality and ate happily for a long time.

remember to exercise after eating so much, " Tian Cheng said before they left.

otherwise, you're going to gain weight.

I know Q'Tian Yuan said coyly.

Zeng Shuai looked at his watch. it's still early. Let's go and see the cars! Dad has booked a car for you. You'll be alone in the future, so you have to have a car. Do you want me to get you a chauffeur?"

"There's no need for a driver. I'll take a taxi when I don't feel like driving."

"Isn't it troublesome to take a taxi? If you need a chauffeur, just give dad's chauffeur a call.'

Tian Yuan didn't refuse and said,"I don't need to buy a new car, do I?" You have so many cars, just drive me a Kasaya."

"How can we do that? You're already so big, how can you not have your own car? If you like daddy's car, you can drive it, but you still have to buy a new car."

Tian Yuan had no choice but to accept his good intentions.

He had ordered a white sports car with an elegant and simple design, which suited Tian Yuan very much. It was just that the car logo was not as low-key as the appearance, and Tian Yuan had the urge to knock it off.

In the evening, Tian Yuan went home for dinner and then returned to her new residence.

Tian Cheng wasn't used to her absence. you haven't packed up your things. Why don't you stay at home tonight? '

"There's still a long time tonight, I can go back and pack!" Tian Yuan said coyly.

Tian Cheng sighed and had no choice but to agree.

She had to pass by Lin weiqin's apartment building to get there-she didn't know if he still lived there. Just in case, Tian Yuan deliberately took a longer route.

After entering the house, she turned on the lights and was a little unaccustomed to the unfamiliar place.

She slowly walked to the sofa and sat down. He stood there in a daze for a while, motionless. Then, his phone rang.

Tian Yuan sat up, took a deep breath, and picked up the phone.

"Are you home yet?" Tian Cheng asked.

we're here Q'Tian Yuan replied with a smile as she lay on the sofa with a pillow in her arms.

"Why didn't you give me a call when you arrived?" don't you know that I'm Cheng reproached.

alright I was wrong. I'll call you every day from now on

“Have you packed your things?”

Tian Yuan looked at the bags in the room and almost done.”

“Then you should sleep early.”

“Yes, you guys should sleep early too.”

After hanging up the phone, Tian Yuan threw away the pillow and jumped up to start packing her luggage..

Chapter 1669: Encounter at the supermarket

She didn't have much luggage, just her daily necessities and a change of clothes.

After tidying herself up, she took a bath and looked at the time. It was already ten O'clock and she was ready to sleep.

Walking to the dressing table, she picked up a bottle of makeup and sprayed it on her face. She patted it twice and then stared at a box next to the bottles in a daze.

It was a beautiful jewelry storage box. The box was inlaid with a row of pearls and two sapphires, which were very valuable.

She opened the lid and saw a bunch of shiny jewelry with a few small boxes in the middle.

She picked up a box and opened it-

It was the ear stud that Lin weiqin had forced on her three years ago.

Pa!

She closed the lid and threw the small box into the storage box.

She had brought these earrings with her when she went abroad three years ago, and he didn't know what she was thinking.

Anyway, he had never worn it before, but he had to make sure it was there when he moved it around.

In the beginning, she was so upset that she didn't know why she was doing this, or if she was crazy. But now, she was too lazy to think about it and treated it as something she was used to.

At six O'clock in the morning, Tian Yuan got up, toasted bread, and walked to the treadmill in the living room.

The sunrise rose outside the window, and she couldn't help but smile.

The plan of the day was in the morning, and waking up early was already winning the world.

After breakfast, she went out to buy some groceries.

As she walked, she felt as if she had started a new life, and her expression was one of joy.

The girl who liked to smile was the most beautiful. Everyone around her, regardless of gender or age, would look at her, and then their mood would become better.

The supermarket was a little far away, so Tian Yuan walked over. She took it as exercise, and after walking for about ten minutes, she realized that the sun was really bright!

If it was already so hot in the morning, how would it be in the afternoon?

She immediately opened her bag, took out her phone, and added three words on the memo: A parasol.

When she came back later, she could just hold the umbrella.

After entering the supermarket, she started to shop according to the list she had drawn up on the memo.

Oil, salt, sauce, vinegar, everything.

After buying half of it, she looked at the small cart and was dumbfounded. Wasn't that a little too much? If I had known, I would have driven here. It's okay, I'll take a taxi back!

She shrugged her shoulders and continued shopping, putting everything that she felt would be useful into the car.

In the end, they strolled to the fresh food area, where a large group of uncles and aunties were squeezing in. Everyone was snatching up fresh ingredients!

Tian Yuan walked forward with the flow of people. The fresh and tender vegetables made her feel relaxed and happy, and she tried her best to take them into her small cart.

It was the weekend, and there were many young couples in the house.

Tian Yuan was stunned and found that she was the loneliest. She snorted in her heart and went to buy fruits.

After buying a few fruits, her small cart was full. However, there were still seafood and meat areas that she hadn't gone to, so she continued to walk in that direction.

What should I have for lunch?

Steak? Grilled fish?

She didn't know how to cook in the past, but thanks to her three years in country Y, her cooking skills had improved greatly. Country Ys food was too unpalatable. If he didn't make it himself, he would starve to death.

When she saw the fresh ribs, she stopped and bent down to pick a piece from the refrigerator. She handed it to the weighing uncle opposite her. "Please slaughter it, slaughter it a little smaller."

Bang! Bang!

Someone bumped into her cart, and the cart hit her waist.

She held her waist in pain and looked over angrily, only to see Lin Yuqin.

Tian Yuan froze, gasped, and widened her eyes.

Lin weiqin stared at her and didn't move.

Tian Yuan was also stunned and completely unable to think until her weighing master said, "Your ribs are done..

Chapter 1670: Even if that person is Lin weiqin

Tian Yuan came back to her senses, took the ribs, and put them into the small cart. She could finally think.

She glanced at Lin weiqin in front of her and thought nervously, " Why was he here? He lived far from here, could he have followed her? Impossible, he couldn't have known that she had moved out!

She saw that he was also pushing a small cart with a few kinds of vegetables in it. She was shocked. He also lives nearby? He moved?

She turned around and walked away. After a few steps, she turned back and saw that he was still standing there looking at her. She was shocked and ran away in a hurry.

When it was time to pay, Tian Yuan was surrounded by the people in line behind her.

She thought angrily, What are you looking at? Can't I have a lot of family members?

It took her three large shopping bags to pack everything. She lifted it, but it was so heavy that she didn't want it anymore.

She struggled to move a few steps with the bag and stopped in front of the supermarket.

She placed the bag by her feet and almost cried as she looked at the people coming and going.

She really hoped that someone could help her, even if that person was Lin weiqin!

Huala-

The sound of plastic bags rubbing against each other could be heard.

She turned around and was shocked.

She really got what she wanted. Lin weiqin stood behind her with half a bag of things and lowered his head to pick up her three bags.

“No need!” She said hurriedly.

“I’ll walk you to the door.” He said in a low voice, not looking at her.

Tian Qi paused, turned around, and walked forward.

When she got into the hand-held elevator, she turned her head slightly to look at him. She only saw his straight suit pants and his left hand that was holding a bag-on his wrist, there was a luxurious and restrained diamond watch.

Tian Yuan looked back at the front, and her eyes followed the elevator down. Her heart gradually calmed down, so calm that it was cold.

As she walked out of the mall and faced the glaring sunlight, she covered her eyes with her hands and suddenly thought, “ I should buy a pair of sunglasses!

Although she had some at home, she had forgotten to bring them.

Lin weiqin walked in front of her, and she hurriedly followed.

He stopped at the side of the road and put her things down gently. Then, he stood there straight and motionless.

Tian Yuan became nervous and a little helpless.

He moved his head slightly and turned in her direction. From a small angle, he could only see the tip of her shoes.

She was wearing flat sandals with her toes exposed, round and cute.

He retracted his gaze, clenched his fists, and turned to leave.

Tian Qi immediately heaved a sigh of relief. She happened to see a taxi passing by in front of her and quickly stopped it.

After getting in the car, she saw Lin weiqin's back.

He was heading in the opposite direction of her, so it was definitely not the same neighborhood.

She secretly heaved a sigh of relief and decided not to come here again.

Even though this shopping mall was the largest in the area, so what? It wouldn't take much time to drive to other places.

When she got home, Tian Qi was exhausted.

Her hand was about to break as she carried the three bags of things back from the entrance of the community!

She was so tired that she didn't want to move. She had bought so much delicious food, but she only made a plate of fruit salad for lunch.

Lin weiqin was the opposite of her. She didn't buy many ingredients, but she made full use of every inch of ingredients and made several exquisite dishes.

After he was done, he let out a soft breath and looked at the vegetables without moving, his heart feeling happy and painful at the same time. He was happy to see her, but he was sad because he only saw her.

He picked up the plate and threw the food into the trash can.

After cooking for a long time without eating a single bite, he laid on the sofa with his arms as a pillow. He looked at the piercing sunlight outside the window and gradually fell asleep.

In a daze, he thought, "at least we're under the same sunlight.."
