Chapter 1671: chatting to comfort

When he woke up, the sun was setting. He got up and walked to the window. From here, he could see the gate of the film Academy, where Tian Yuan used to study.

Lin weiqin took a deep breath, his heart aching badly.

If he wasn't such a jerk, she wouldn't have left.

He turned around and left the house with his keys. After entering the elevator, he opened the map and looked at the surrounding districts.

Where does she live?

He closed his eyes, put away his phone, and took out a cigarette and a lighter.

Walking out of the elevator, he impatiently lit the cigarette and held it in his mouth, his eyes full of pain.

So what if he knew where she lived? Now, Yueyue could only stay away from her and couldn't go to her.

As he walked, he took out his phone and flipped through his contacts. He found her number and dialed it. He heard the mechanical girl repeat over and over again, "The number you have dialed is not in service.

Now, he didn't even know her number, so he could only call her number from three years ago to comfort her.

Tian Yuan hadn't gone to the night market for many years.

The night market was packed with people. She bought a cup of milk tea and drank it as she walked, looking at the little things on the roadside stalls.

Many of the items looked good. Although they were crude, they were also cheap. There were all kinds of small accessories, as well as teacups, bowls, and chopsticks. It was a pity that the ones she used were much better than these, and they were more exquisitely designed. She couldn't use these even if she bought them, and could only look at them.

Tian Yuan walked forward in disappointment. After a while, she saw a row of small goldfish.

There were many young couples and children shopping there. Not only were there small goldfish, but there were also small turtles and hamsters.

Tian Yuan squatted down and looked at the swimming fish, the clumsily crawling turtle, and the hamster that was moving and not moving.

Is it okay to have a pet? However, she would have to leave the country with the crew soon. She would starve to death, right?

Uh, Yingluo can be taken care of by mom and dad!

Tian Yuan smiled and immediately picked up a cage with a hamster. The hamster jumped up excitedly and was very lively, as if it was saying to her, Choose me, choose me Yingluo

Tian Yuan chuckled and put it aside. She took out a fishing net and caught two goldfish and a little turtle.

She bought a fish tank from the owner and put the fish and turtles in it. She also asked for some seaweed and cobblestone.

The boss promoted fish food to her, and she naturally bought it.

She didn't want her little pet to starve!

On the first day of filming, Tian Yuan didn't attend the ceremony. She didn't want to attend this kind of event, afraid that someone would pay attention to her movements.

Although he was a little narcissistic, he was indeed afraid that such a thing would happen.

She was writing a script at her residence, so her thoughts were not smooth and she was a little distracted.

Her phone rang. She glanced at it and saw that it was Lin weiran. Her forehead twitched.

She nervously picked up the phone and Lin weiran smiled, "Yuanyuan, do you have time? Let's eat together? 1 1 m back from my honeymoon, and I brought you a gift."

"Uh, Yingluo, I'm not free recently." "Then I'll send you home later."

"Yingluo, alright."

After hanging up the phone, Tian Yuan packed her things and went home.

Lin weiran and Wu Yan came over in the afternoon and brought gifts for her, Tian Cheng, and Zeng Shuai.

Zeng Shuai had gone to the company, so only she and Tian Cheng were there.

Because of Lin weiqin, Tian Cheng didn't really want to see Lin weiran. However, she could only welcome him warmly.

“You’re too kind,” she said with a smile after receiving the gift.

“Auntie is an elder, so it’s only right.” Lin weiran felt a little guilty-it was all Lin weiqin’s fault!

She said to Tian Yuan, “ we haven’t seen each other in many years. I was so busy at ran ran’s wedding that I didn’t even get to see you.. Let’s catch up some other day? ‘

Chapter 1672: who is coming?

Tian Yuan was always afraid that Lin weiqin would be there when they reminisced, so she didn’t dare to agree.

Lin weiran knew what she was worried about, but she couldn’t just say that Lin weiqin wouldn’t come, so she felt helpless.

“It’s Princess Xia’s birthday next week. I’ll see you then,” Wu Yan said.

Tian Yuan was stunned and nodded hurriedly. After they left, she immediately asked Tian Yuan, “What should I give you for your birthday?”

“Don’t worry, I also want to send him off.”

“It’s over. What doesn’t she have, Yingluo?”

“We’re not sending her off just because she has it? It’s always our heart.”

Tian Qi nodded and thought about it for a long time, trying to come up with something new.

When she got home and saw the hamster jumping up and down in the cage, she couldn't help but smile.

The hamster was frightened by her. It shrank to a corner of the cage and shivered, thinking that she was smiling with bad intentions.

Tian Yuan asked Sheng shuangxue about shengxia's preferences and learned that she liked furry little animals. Relieved, she found a high-end pet shop and bought a guinea pig. She also spent a lot of money to order a pure gold and diamond-enshrouded cage.

He wiped his sweat! She was thoughtful and didn't seem stingy. Although it was a little exaggerated, children would probably like it, and adults wouldn't think that she was perfunctory.

The cage was so beautiful that it could be used as another container. In case the guinea pig unfortunately passed away, the cage would still be useful.

Tian Yuan wiped her sweat again. It wasn't good to think of such a thing before giving the gift. However, a guinea pig would not live for a long time. She was just stating the facts.

The day before shengxia's birthday, she had already sent the gift over so that everyone would not see it on the same day.

She discreetly asked Tong Siyao, "Who else is coming?"

Tong Siyao smiled and told him who had come.

When Tian Yuan didn't hear Lin weiqin's name, she secretly heaved a sigh of relief.

The Lin family would not come, except for Lin weiran. Lin weiran didn't come in the past years, but now that she was married to Wu Yan, she naturally had to come.

“I’ll take my leave first. I’ll come back tomorrow,” Tian Yuan said with a smile. Tong Siyao still had things to do, so she didn’t ask her to stay. She carried shengxia to see her off.

Shengxia was shocked. She turned around and looked at the cage that contained the guinea pig and shouted in dissatisfaction.

“I’ll come back to play later,” Tong Siyao said. “I’ll see you off first.”

Shengxia pouted and became obedient.

After Tian Yuan left, she immediately ran back to her room and walked around the cage. She preferred the White guinea pig to the delicate cage.

Sheng annian gritted his teeth and thought to himself, ‘this aunt of mine is too evil. She gave me the present I wanted and even made such a beautiful cage for me. She’s cheating me!’ What if my sister doesn’t like me in the future?

Not long after, Tian Yuan went overseas with the production team and handed over the goldfish, turtles, and hamsters to Tian Cheng.

Tian Chengs eyes widened. you’re abandoning your son and daughter! she exclaimed.

“Is it that serious?” Tian Yuan was stunned.

“I haven’t had a pet in many years,” Tian Cheng said bluntly. don’t blame me if anything happens to it.

“Don’t let anything happen to the tortoise. It can be used to make soup when it grows up.” Tian Yuan said seriously.

After going through A, F, and Y countries, the crew’s final stop was Italy.

After the last scene was shot, everyone was happy but also reluctant to leave. This meant that their travel-like shooting schedule was over.

In the evening, everyone celebrated in a bar by the sea. There was the smell of alcohol in the air, as well as the salty smell of seawater. It was refreshing and intoxicating.

“Tian Yuan, aren’t you going to drink?” The female lead asked.

“I don’t drink,” Tian Qi smiled and shook her head.

When everyone heard this, they did not insist. Along the way, everyone had dinner parties countless times, but Tian Yuan didn’t drink a single drop of alcohol, so everyone was used to it. Besides, what was her identity? Since she said she didn’t want to drink, no one dared to force her..

Chapter 1673: You won’t treat me better even in my dreams

Tian Yuan sat quietly on the sofa, drinking fruit juice.

The people around her were getting drunk and shouting, so she decided to leave the bar.

The coastline was brightly lit, like a burning belt of fire.

She walked forward and leaned on the railing. Below her was the sea, its waves sparkling.

She closed her eyes and took a deep breath. The sea breeze blew past her temples, intoxicating her.

Suddenly, a hand pressed on her shoulder.

She was shocked and opened her eyes. She smelled alcohol.

Yuanyuan ... a hoarse voice murmured in his ear.

She suddenly turned her head and saw Lin weiqin looking at her with red eyes.

He reeked of alcohol and was clearly drunk.

She heaved a sigh of relief. It's good that you're not a stranger.

Lin weiqin cupped her face and smiled gently, then gently pulled her into his arms.

Tian Yuan leaned on his shoulder and looked at the lights in the distance, thinking in a daze, " Isn't this Sicili Island? Why was he here?"

He hugged her in satisfaction, gently kissing her ear, and then hugged her tightly.

"You're so well-behaved this time." He said happily.

Tian Yuan wanted to Dush him away. but he said nervously. ' alright. alright.

alright, I won't say anymore, Yingluo. Let me hug you.

Tian Yuan still pushed him away and looked at him angrily.

His eyes were filled with pain, and he raised his hand to touch her face.

She jerked back and looked at him unhappily. She didn't like crazy alcoholic!

His hand stiffened and drooped down in disappointment. He turned his head to look at the sea. "You hate me that much? You don't even treat me better in my dreams, Yingluo."

Tian Yuan was stunned, thinking that he was dreaming?

it's my fault, Yingluo," he said. how can I expect you to be good to me?

He turned around to look at her, reached out to hold her face, and lowered his head to kiss her.

Tian Yuan didn't move. After a while, he raised his head and looked at her happily and affectionately. "Today's dream is so good, Yingluo."

With that, he lowered his head again and carefully tested her reaction. When he felt that she didn't push him away, he was so excited that he couldn't control himself and picked her up in his arms.

Tian Yuan looked at her, raised her hands, and wrapped them around his neck, observing his expression without blinking. Was he really drunk?

He held her tight and turned to walk forward..

Chapter 1674: He couldn't stand betraying her

He kept kissing her ear, wishing he could swallow her.

Tian Yuan panted, suddenly feeling disgusted with herself.

He was drunk, but she wasn't. Why did she make such a mistake?

She knew that she was a little unwilling to accept this. She only had broken memories of what had happened last time. She wanted to retrieve her memory.

On the other hand, she didn't know what feelings she had for him. Every time she thought of him, her mind would be in a mess. She was afraid of his crazy look, but she also felt that he was very sweet when he was gentle.

She refused to admit that she liked him. She didn't even want to think about

the word "like"!

Lin weiqin's even breathing could be heard, and Tian Yuan pushed him away and sat up.

Looking at the clothes all over the floor, she began to regret.

It shouldn't be, Yingluo,

It shouldn't be like this. Was she crazy or stupid?

She immediately got out of bed and picked up the clothes on the ground. With a bang, a mobile phone fell from the top.

That was his phone. She paused, picked it up, and pressed the start button. She saw herself on the screen.

Her pupils slowly enlarged. It was the scene when she had just moved to the night market to buy pets. In the photo, she was fishing.

He was following her? Or was it a coincidence?

She turned to look at him, got up, and walked over. She took his hand and pressed her fingerprint on the phone.

The phone was unlocked, and she saw that she was also on the wallpaper. She was suddenly stunned. It shouldn't be unlocked like this, Yingluo.

She opened the photo album and saw that one of the photos was named 'Yuan There were more than 500 photos in it.

Tian Yuan pursed her lips, her hands trembling slightly. She didn't open it. Instead, she put her phone down and turned around to put on her clothes.

After putting it on, she picked up her phone, swiped the screen, entered her birthday, and successfully unlocked Yingying.

She took a deep breath, put her phone back, picked up her bag, and quickly left the room.

When Lin weiqin woke up, she was shocked to see clothes all over the floor.

He lifted the blanket to take a look, then closed his eyes in pain.

How could this happen?

He got out of bed and put on his clothes, feeling guilty for betraying Tian Yuan.

He recalled what had happened last night. When he was drunk, he seemed to have seen Tian Yuan and Yuanyuan.

But she couldn't be here, so he thought she was the one?

Lin weiqin was in so much pain that he squatted on the ground for a long time before standing up.

He was here on a business trip and was returning home today.

He looked at the time and quickly packed his luggage and left.

As he stood in the elevator, he suddenly thought ...

In the past three years, he had been drunk frequently. It was not that there were no women who wanted to take the opportunity to do something. But those people were not Tian Yuan, and he would not touch them even if he was drunk. Could it have been Tian Yuan last night?

Although this guess was almost wishful thinking, he could not bear to betray her!

"I lost something. Can I take a look at the surveillance footage from last night?" he asked when they were checking out of the room.

The receptionist agreed.

After pulling up the surveillance footage, he saw himself carrying a woman back to his room. He couldn't see the woman's face on the surveillance camera, but his heart was beating with excitement.

That was Tian Yuan!

He couldn't be wrong!

Two hours later, Tian Yuan came out of the room. Her head was lowered, and he still couldn't see her face clearly, but her figure and the way she walked exposed her..

Chapter 1675: She actually refused to admit it

Lin weiqin couldn't help but be overjoyed and excitedly said to the staff,

"Thank you!"

He quickly walked out and called Lin weiran after he got in the car, " "Did Tian Yuan come to Italy?"

"How would I know?" Lin Wei Ran shouted.

"Help me ask around."

"You met her?" Lin weiran asked in surprise. She naturally knew that Lin weiqin was on a business trip to Italy.

Lin weiqin paused for a moment. I think I saw her last night. But I was drunk. I can't remember.

"You must be dreaming, right?" Lin weiran mumbled, " I'll go and find out.

After hanging up the phone, he looked at the scenery outside the window and smiled in a relaxed and happy manner.

After a moment, he was suddenly shocked!

He wouldn't force Tian Yuan, would he?

Lin weiqin didn't feel good, and his heart started to jump uneasily.

When he arrived at the airport, he received a call from Lin weiran.

Lin weiran said, "she went to film with the crew. The crew is going abroad. But I don't know if she will go to Italy.

"Good Yingluo.!"

Lin weiqin was already certain that it was her, but he just wanted to get more evidence so that she couldn't deny it.

In the VIP lounge, he slowly stirred his coffee.

Suddenly, a group of yellow-skinned and black-haired men and women walked in.

Lin weiqin paused and looked up. A few of them looked familiar. They were artistes from the entertainment industry.

Could it be such a coincidence?

He looked back and saw that Tian Qi had fallen behind the others, so he quietly moved his feet.

She was wearing a colorful short dress with a pearl-white coat on her shoulders. She looked elegant and didn't stand out in the crowd. As if she felt his gaze, she looked over and her expression changed.

Lin weiqin lowered his eyes and took a sip of coffee.

Tian Yuan was standing outside the door. She only came back to her senses when an actor called her. She walked in slowly with her head lowered.

After she sat down, she ordered a glass of water. Lin weiqin walked over and the others looked at him in confusion.

He stood in front of her and called out in a low voice, Yuanyuan.

“Are you miss Tian’s friend?” Someone asked Tian Yuan.

Tian Yuan didn’t say anything, and everyone left in embarrassment.

Lin weiqin looked down at her. She was wearing a very thick decorative necklace around her neck. He looked over and saw a faint mark that he had probably made last night.

She had used Foundation to cover it up, so it would not be seen if one did not look carefully.

Lin weiqin’s fingers moved and felt that they were a little hot. He immediately sat opposite her, “Last night ...”

Tian Qi suddenly raised her head and glared at him.

His voice was stuck in his throat. After a pause, he asked softly, “Is that you?” “I don’t understand what you’re talking about.” Tian Yuan said coldly.

Lin weiqin felt a stab in his heart. He was satisfied and in disbelief. He looked at her with hurt and anger.

She turned her head, picked up the glass of water, and drank it all in one gulp. Then, she got up and left the waiting room.

After he got on the plane, he didn’t see her in the first class cabin. When the plane began to taxied on the runway, he couldn’t help but ask the air stewardess, “Where’s miss Tian?”

Tian Yuan must have bought a first-class ticket, otherwise she wouldn’t have gone to the VIP lounge just now! The stewardesses would remember the names of the first-class passengers.

“Miss Tian has changed to business class,” the stewardess said.

Most of the crew members sat in business class, and only the director, the lead actor, and Tian Qi sat in first-class. The rest of the staff sat in economy.

Tian Qi had been replaced, but the director and the lead actor were still there, sizing up Lin weiqin.

Lin weiqin put on the blindfold and felt an unbearable pain in his heart.

She actually refused to admit it!

Wait, Yingluo, did he hurt her last night?

Lin weiqin was even more frustrated.. What should he do?

Chapter 1676: You come here every day?

When they got off the plane, Lin weiqin blocked Tian Yuan, " "I've checked the surveillance, it's you!"

"My dad is waiting for me outside," Tian Yuan said.

Lin weiqin,"ran ran."

After Tian Yuan left, Lin weiqin didn't dare to follow.

If CEng Shuai saw him, he might lose his life.

After returning home, he opened the electronic map, analyzed the possible locations where Tian Yuan might be staying, and then went to block her.

A few days later, he finally saw Tian Yuan, who had gone out to buy vegetables, in front of the gate of a community.

He got out of the car and walked straight to her.

Tian Yuan felt that someone was staring at her. When she turned around and saw him, she was so scared that she started running. Lin weiqin rushed over and grabbed her shoulder, "Let's have a chat!"

"What's there to talk about?!" Tian Yuan struggled.

"What do you think?" Lin weiqin shouted.

Tian Yuan broke free from him. you slept with me once. I'll sleep with you once too. We'll forget about this!

Lin weiqin glared at her and said, "this kind of thing can't be written off!" I was drunk that day, were you drunk too? I don't think so! Yuanyuan . . . "

I don't want to have anything to do with you! Tian Yuan cried out in despair.

do you understand?!

"But we already have a relationship." Lin weiqin looked at her. After two seconds, he said, I didn't wear a condom that day.

Tian Yuan was stunned. She glanced at him and said, "I took morning-after pills."

She turned around and wanted to leave, but Lin weiqin grabbed her, " "Why?" "Why? Of course, it's because I don't want to get pregnant!"

I mean ... he grabbed her tightly. why do you want to have sex with me? " Don't you fear me and hate me?"

"I'm crazy, okay?" Tian Yuan pushed him away and ran away, stumbling.

She took a taxi to another place and spent the whole day outside. On the way back, she rushed into the pharmacy to buy a pregnancy test. She heaved a sigh of relief when she went home for a test and found out that she was not pregnant.

A few days later, she went to the hospital for a check-up, but she still wasn't pregnant.

However, she was still worried. She waited until her period came before she could completely put down the heavy stone in her heart.

During this period of time, Lin weiqin would appear outside the community every day.

He sat in the car and watched her go in and out, not bothering her.

Then, Tian Yuan followed the crew to another place and only returned after all her scenes were done.

After she got off the plane, she took a taxi to her residence. When the car stopped, she looked outside.

Would he come again?

She had been away for more than a month. He must have thought that she had moved, right?

Tian Yuan paid the taxi fare calmly and got out of the car. The weather had turned cold, so she gathered up her windbreaker and went to the trunk to get her luggage.

After the car left, she saw a silver-gray car in the distance.

It was Lin weiqin's car.

A hand stretched out from the driver's seat. He was wearing a suit, and a diamond watch could be seen under his sleeve. He tapped his finger twice and retracted it.

Tian Yuan could clearly see that he was shaking off the ashes.

She dragged her suitcase over, and Lin weiqin sat up straight in the car, looking at her with a cigarette in his mouth.

When she walked to the door, he quickly put out the cigarette in the ashtray and looked at her fixedly.

She opened the car door, left her suitcase outside, and got in.

Lin weiqin became nervous and waved the smoke away from the car. After waving it a few times, he opened the top of the car and said nervously, "the air here isn't good. Let's go to a cafe or some place to sit.

Tian Yuan glanced at the ashtray full of cigarette butts and then looked at him. "You come here every day?" hmm ... his throat rolled with difficulty.

"Why?"

Lin weiqin paused and looked at her nervously, "Because I like you, Yingluo.."

Chapter 1677: Can I slowly chase you?

“Didn’t you want to take responsibility?” she asked, puzzled.

“Of course I want to, but you don’t seem to care about this.” He laughed at himself. I would like you to be responsible for me, ran ran. Tian Yuan lowered her eyes. then why do you like me? ‘

Lin weiqin was stunned.

If you like someone, you like them. Why do you need a ‘why’? He liked her as if it was an innate instinct, and he had never thought of the reason.

you clearly had a girlfriend in the past, ran ran, ” Tian Yuan said.

“I broke up with her a long time ago!’

but after you broke up, you whined. Tian Qi paused. you’ve been thinking about her, haven’t you? ” I’ve been waiting for her, until the accident happened between us ...”

“No, I didn’t!” Lin weiqin said sternly, ” I’ve always liked you!

“Don’t mess around, alright!” Tian Yuan shouted, ” if you’ve always liked me, why would you date her?!

Lin weiqin’s eyes flashed and his lips moved, but he didn’t say anything.

Tian Yuan thought that she had hit the nail on the head and sneered, ” “I don’t like it when you lie. If you can lie to me just by saying that you like me, how can I believe anything else?”

He closed his eyes and said heavily, ”in any case, Yingluo is my fault.”

It was his fault for dating someone else when he liked her. It was also his fault that he had lied to her instead of loving her.

No matter what, it was all his fault. He deserved it!

Tian Yuan glanced at him, opened the door, and wanted to get out of the car.

Lin weiqin held her hand and begged, "Then let's not talk about the past. Can we start now?"

As long as he could have a future with her, what did it matter if he abandoned his past unrequited love? It was all because of her anyway. Having her was better than dreaming.

Tian Qi paused, lowered her head, and said in a low voice, "I think Yingluo is too sudden."

She couldn't imagine that people who hadn't contacted each other for several years would suddenly become a couple.

So what if they had slept together twice? She was still a stranger to him.

Speaking of which, they had never really understood it.

Her memories of her childhood were already very vague.

She had a clearer memory of the fifth and sixth grade of elementary school, and in her memory, he had already ignored her. When she entered junior high, he had a girlfriend. At that grade, she also knew how to avoid suspicion and naturally would not pester him anymore. After that, the two of them only met during festivals and did not talk much. They were in a relationship that was both familiar and strange.

After that, they met at the airport and became slightly more familiar with each other. Not long after that, something like that happened again.

Lin weiqin's eyes lit up and asked excitedly, " then I'll slowly chase you, okay?!"

What she meant was that she could start with him, but it was just because it was too sudden?

Lin weiqin was ecstatic and couldn't wait to pull her into his arms!

"Can you give me some time to calm down?" Tian Yuan retracted her hand and said irritably.

"You've been quiet for three years!" Lin weiqin called out in panic.

It had already been three years. She had not " gone missing " in these three years, but it did not mean that she would not continue. He didn't want to take any risks!

"But I've never thought about what happened between us!"

Lin weiqin paused for a moment, then nodded, " "Good Yingluo."

Tian Qi heaved a sigh of relief, turned around, and got out of the car.

Lin weiqin got out of the car and wanted to help her carry her luggage. "I'll help you!"

"No need," Tian Yuan avoided his hand. I'm going home later.

"Then I'll send you off!"

"I'll drive." She looked at him and said, " if my father sees you sending me home, I'm afraid I can't save you..

Chapter 1678: You still have to rely on men at times like this

Lin weiqin retracted his hand in disappointment and looked at her back as she walked away.

After she disappeared at the turn, he panicked, and he only heaved a sigh of relief when Tian Yuan drove out.

Tian Yuan glanced at him from the car and left without stopping.

Lin weiqin thought in a daze, "is this progress?"

At night, Tian Yuan slept at home. After a busy day the next day, it was already dark when they returned to their residence.

But she still saw Lin weiqin's car.

She couldn't help but wonder if he had moved here. Or did he not go home?

She got out of the car and walked over. The door opened and Lin weiqin got out of the car, looking at her with a slightly nervous expression.

She stopped in her tracks and walked over to him.

"You're back?" He said.

"What are you doing here again?" Tian Yuan asked.

I'm ran ran. Lin weiqin thought that she didn't like him being here, so he pursed his lips and didn't say anything.

"Don't come again." Tian Yuan asked, " do you usually have nothing to do? "

Lin weiqin lowered his head and clenched his hands.

"I'll call you if I need anything."

Lin weiqin raised her head and looked at her in disbelief. After a moment, he reacted and hurriedly said, " "Good! I didn't change my phone!"

Tian Yuan was silent for a few seconds. I don't have your contact information anymore.

Lin weiqin,"ran ran."

Tian Yuan turned around and suddenly reported a string of numbers, then walked toward her car.

After getting in the car, she saw Lin weiqin standing in the same place in a daze and slowly driving the car into the community.

Just as he entered the house, his phone rang. She picked it up and saw that it was an unfamiliar number, but it looked familiar.

She picked up the phone.

"Yingluo, are you home yet?" Lin weiqin asked.

"We're here." Tian Yuan put down her keys and changed into her slippers.

“Goodnight, Yueyue.”

“Good night,” she said.

After giving him a call, Lin weiqin finally stopped waiting downstairs.

Although Tian Yuan had said that she would call him if anything happened, he had waited for a week, but she had not called him.

Perhaps, she just didn’t want him to bother her.

Lin weiqin thought for a while. She said that she wanted to be alone and gave him her phone number. He really didn’t bother her anymore. Even if he was anxious, he wouldn’t look for her again.

Could it be that this was her true motive?

Lin weiqin’s eyes darkened, but he didn’t dare to call her. He was afraid that she would be unhappy, so he would occasionally send her a text message ...

“It’s very cold today. Remember to put on more clothes.”

“I’ll be Xue Mei e s mom, do you want it?”

The snowy maiden was a kind of snack. When she lived with him that year, he made it for her, and she liked it very much.

However, Tian Yuan did not reply to him.

On the weekend, he had gone to the supermarket to buy groceries when he had suddenly received a text message from her.

“Are you working today?” she asked.

“No, I’m a little bored.” He replied hurriedly.

She didn’t respond for a long time. Lin weiqin was not in the mood to buy vegetables, so he returned the cart and quickly left the supermarket.

After he left, he took out his phone and looked at it, but she still didn’t reply. He hurriedly sent her a message, [what’s the matter?]

Two minutes later, Tian Yuan replied: “ the light in the study is broken. The tap in the bathroom is broken. There’s no rice at home.

For some reason, Gong Jie felt that it was a tragedy.

Lin weiqin seemed to be able to see her frustration and despair through the screen and couldn’t help but think: She still had to rely on men at this time!

“I’ll be right there!” He replied immediately.

He turned around and went back to the supermarket to buy a bag of rice, a light bulb, and a faucet. Then, he took a taxi to her place.

When he reached the door, he gave her a call. “I’m here.”

Tian Yuan told him her room number, and he pressed on the access control system, and she opened the door for him..

Chapter 1679: He was glad that she thought of him

After going upstairs, he rang the doorbell. Tian Yuan opened the door and saw the things he was holding. She said embarrassedly, "I'll have to trouble you."

"It's fine." Lin weiqin was a little nervous and couldn't help but feel sorry for her when he saw her worried face.

After entering the house, Tian Yuan opened the shoe cabinet and took out a pair of men's slippers.

Lin weiqin's mind suddenly went blank-a man was here?

Tian Yuan said, "I'm the only Wanwan here. This is what my dad used to wear. You can make do with it."

"Alright," he said. Lin weiqin secretly heaved a sigh of relief and looked at her in a daze.

"Where should I put the rice?" he asked after changing into the slippers.

"The kitchen." Tian Yuan led him to the kitchen.

He sneakily looked around the room. When he entered the kitchen, he saw a

bag of vegetables on the counter. It was obvious that he had just bought them.

"Where are you buying groceries now?" he asked, putting down the rice.

"There's a small supermarket d0"vnstairs," Tian Yuan said in a low voice after a pause.

Lin weiqin nodded and looked at the dishes, " "The vegetables in the small supermarket aren't fresh enough, Yingying"

Tian Yuan was a little embarrassed and turned to leave. "How much is the rice?"

"It's not much money, you don't have to give it to me." Lin weiqin followed him out, holding the light bulb and faucet he just bought. "I'll change the light bulb and fix the faucet for you first. I don't know what's wrong with your faucet, so I just bought one."

Tian Yuan turned around and said in embarrassment, " "I've already bought a light bulb."

"When did it break?" he asked, puzzled.

"Last night," Tian Yuan sighed and was a little annoyed. "I went to buy groceries early in the morning and came back to find that I didn't buy rice. In the end, the tap broke again! I want to change the light bulb, but without a ladder at home, it's really a bad year for me!"

Last night, she wanted to write in her notebook, but the light bulb suddenly broke. She was very depressed at that time, but at least she suppressed her temper and took the computer to the living room to write all night.

When she woke up in the morning, she broke a bowl and went to buy groceries. She found that she couldn't change the light bulb, the faucet was broken, and she forgot to buy rice. Suddenly, she felt that everything was not going well, and her entire mood was not good.

Lin weiqin knew that these small things put together were indeed life-threatening, and there were few people who wouldn't be angry.

It was a relief that she thought of herself.

A warm current flowed through his heart, and he comforted her gently, " "It's fine, I don't need a ladder. A stool should be enough. I'll change it for you immediately."

Tian Qi nodded and moved the chair from the dining room into the study.

Lin weiqin stepped on it and easily reached the light bulb.

“Wait a minute!” Tian Yuan said anxiously. I’ll turn off the power!”

“It’s okay, this won’t be electrocuted.”

“It’s better to be careful.” After Tian Yuan said that, she went outside to turn off the power.

“It’s done!” She ran back after closing it. After saying that, she held onto the chair for him.

She raised her head and looked down from his waist. For some reason, she was reminded of that night. She blushed and lowered her head.

“Alright, let’s see if it’s bright or not,” Lin weiqin said.

“Be careful, don’t fall.” Tian Qj let go of the chair and turned on the power switch.

Lin weiqin got down from the chair and when she came back, he reached out and pressed the switch. it’s on.

Tian Yuan nodded, thanked him, and took him to the tap.

There were no tools to repair faucets at home, so Tian Yuan was dumbfounded.”What do we do?”

Lin weiqin paused. In fact, whether it was changing the light bulb or fixing the faucet, they just needed to find a storage pipe. However, he didn’t want to remind her of this. Otherwise, she wouldn’t look for him the next time something happened.

“I have a wrench at home. It should be usable. I’ll go get it,” he said...

Chapter 1680: Do you want to stay for dinner?

“Banshou?” Tian Yuan was stunned. I have it in my car!

“Then, Zhenzhen”

“I’ll go get it, wait here.”

“Alright,” he said.

After Tian Yuan left, Lin weiqin began to look around her house.

She kept small animals and planted flowers. There was a treadmill, a yoga mat, and a kitchen that was ready to cook at any time. It could be seen that she was living very seriously.

Such a state was very heart-wrenching.

Ordinary people were lazy and would not be so careful. Such a meticulous person was either boring or uninteresting.

Lin weiqin stood in front of the fish tank, and the little turtle in it was motionless, as if it was ready to hibernate.

He remembered that she had also bought goldfish and hamsters, but they were not at home at the moment. He didn't know where they were. She often went far away and probably couldn't take care of it, so she sent it home? Soon, Tian Yuan came back with the tools.

Lin weiqin heard the sound and turned around. He walked over to take the tools and went to fix the faucet.

Tian Yuan changed into her slippers and followed him, watching him from the side.

Lin weiqin was a little nervous. What if it can't be fixed?

Fortunately, it wasn't too difficult, and he fixed it quickly.

The two couldn't help but sigh in relief. Lin weiqin put away his tools and said, "It's done,"

"Thank you," Tian Yuan finally smiled.

Lin weiqin glanced at her and whispered, "No need,"

He washed his hands, and Tian Yuan handed him a towel.

He wiped his hands dry and said, "then I'll go back first." Call me again if you need anything."

Tian Qi nodded and sent him to the door. She suddenly asked, "Do you want Yingying to stay for dinner?"

Lin weiqin's eyes lit up and immediately said, "Alright!"

"Yingluo, aren't you answering too quickly?" He really wasn't polite!

Seeing that it was still early, Tian Yuan felt a little embarrassed. However, since she had already spoken, she could only invite him to sit in the living room.

“What do you want to drink?”

Lin weiqin looked at her.

“Why are you looking at me?!” She was a little angry.

“Ahem!” Lin weiqin turned her head away. you don’t have to do anything. I’ll do whatever I want.

He wanted to say that he would do it himself, but he didn’t seem to have the right.

Tian Yuan went to the kitchen and made him a cup of instant coffee.

“Have a seat, I’ll go cook,” she said after passing him the coffee.

A few minutes after she entered the kitchen, he followed her and asked carefully, “Do you need help?”

Tian Yuan looked at him and thought that his cooking skills were not bad.

The food she made could only be said to be “edible”, but the food he made was “delicious” and “very delicious”!

She was starting to miss his cooking, but she wasn’t that thick-skinned and didn’t have any intention of asking him for help. “I can do it myself,” she said calmly and coldly. “What do you want to eat?” “As you-”

“Don’t say anything!” She interrupted him.

ahem, ahem, ahem. Lin weiqin coughed awkwardly and walked over to look at her ingredients. He asked in confusion, " why are they all vegetarian dishes?"

"There are only vegetables downstairs."

Tian Qi thought that she had deliberately asked him to stay for dinner, but it did not seem good to only have vegetarian dishes. "But there are some spare ribs and chicken wings I bought last time," she said as she opened the fridge.

"I'll cook. What do you want to eat?" Lin weiqin rolled up his sleeves.

Tian Yuan slowly took out the ribs and chicken wings and said in a low voice, " 'Fish.'"

He looked at her and said, "you don't have fish here." I'm asking how to make the Taotie ribs and chicken wings. Stewed, braised, and sweet and sour?"

She stuck out her tongue awkwardly and said, "whatever, Yingluo, no!" I mean,

I'll do it. How do you want to eat it? Stewed, braised, and sweet and sour?"

When he saw her sticking out her tongue, his heart trembled and he asked without thinking, " "Are you going to open the door for me later?""
