

Ditsy Wife 1701

Chapter 1701: A little hard to raise

He had been starving for many years, and he still wanted some small benefits.

Besides, she didn't push him away, which meant she didn't object to it.

After the long kiss, Tian Yuan was already lying on the sofa.

Lin weiqin was on top of her, and the two of them were panting.

He held her in his arms, as if he was afraid of losing her.

After she had calmed down, Tian Yuan pushed him.

He raised his head and looked at her with deep eyes, as if he wanted to eat her.

"What are you doing?" Tian Yuan shuddered.

Lin weiqin lowered his eyes for two seconds, and when he looked up again, his eyes were clear.

Tian Yuan thought, "ran ran, it must have been my illusion just now!"

Lin weiqin smiled, sat up, and pulled her into his arms, 't "I can't believe my dream has finally come true."

"My dream hasn't come true yet!" Tian Yuan pouted in dissatisfaction.

“What’s your dream?”

Tian Yuan looked at him accusatorily and said, “a lot. Of. Good. Food.” Where was he? I’m hungry!

“Didn’t ... Didn’t you just have two bowls of porridge?” Lin weiqin felt that the girlfriend he had just gotten was a little difficult to support. “Didn’t you exercise?” Tian Yuan said matter-of-factly.

So, Huahua wasn’t difficult to raise, it was dirty!

He stood up with a strange expression, “what kind of exercise is kissing, Yingluo?”

“Dirty dirty dirty!” Tian Yuan shouted, “do you believe that I’ll stuff you with a bag of anti-dirt powder?!”

Lin weiqin looked at her with a meaningful look and went to the kitchen with the bowl.

Tian Yuan quivered and picked up a scallion pancake from the plate to eat a piece.

It was actually cold. This kiss was long enough. Tsk, this little exercise is already so long, then if

Pei Pei Pei! How could she be so dirty-minded?

After breakfast, Lin weiqin excitedly helped Tian Yuan clean up.

Tian Yuan sat on the sofa and ate fruit like a queen.

She suddenly felt that it was great to have a boyfriend! Most importantly, her boyfriend was extremely handsome. Just looking at him was pleasing to the eye! I’m simply a winner in life

Lin weiqin finished cleaning and saw her smiling at him. He couldn't help but ask, "What are you doing?"

I admire handsome men! Tian Yuan said with a smile.

Lin weiqin walked in front of her and bent down to kiss her, "It's almost noon, do you want to go grocery shopping together?"

Tian Yuan thought for a moment, then frowned and shook her head.

Those who go grocery shopping together are husband and wife, and they've only just started dating.

Lin weiqin sighed and reached out to pinch her nose, "Then wait for me at home."

He walked to the door, changed his shoes, opened the door, and went out.

Then he came back to look at her.

Tian Yuan blinked, feeling baffled.

Lin weiqin walked in, closed the door, and walked towards her. Tian Qi shouted, "shoes!" You didn't change your shoes!"

"I will."

Alright, he was the one who dragged her.

He walked in front of her and reached out to hold her in his arms.

"What's the matter?" Tian Yuan was stunned. He hugged her tightly, "I'm so afraid this is all a dream."

“Then should I go with you?” Tian Yuan asked.

He let go of her and shook his head. it’s nothing. I’m just teasing you. Just don’t change your mind.

Tian Yuan thought for a moment, then got up to find the access card and the key, and handed it to him.
“You can open the door yourself.”

Lin weiqin’s heart was struggling violently.

Of course, he wanted to take it so that he could find her at any time.. However, wasn’t his possessiveness a little too strong?

Chapter 1702: How can I not cherish it?

He didn’t want her to feel pressured when they were together.

He shook his head and reached out to stroke her hair. “It’s fine. It feels good when you open the door for me.”

“You’re so troublesome.” Tian Qi furrowed her eyebrows. He smiled, “I’ll make you lots and lots of delicious food when I come back later~”

Tian Yuan immediately smiled and said.”I’ll be waiting then

In order to trap his girlfriend, Lin weiqin did everything he could to make a lot of delicious food for Tian Yuan.

Tian Yuan had never eaten so happily before, mainly because the person in front of her was different.

Even though they had a meal together like this four years ago, she only treated him as brother Wei Qin at that time.

After the meal, Tian Yuan was finally too embarrassed to enjoy it and took the initiative to clean up the dishes.

"I'll do it, you go and rest." Lin weiqin pulled her.

"But ..."

Lin weiqin kissed her and said, "since you're my girlfriend, you should let me treat you well." If you have to do such a small thing yourself, then what use am I to you?"

"I'll do the small things, but you can do the big things."

"If you don't even do the small things, how can you expect big things? The ancient people said, "if you don't sweep a house, how can you sweep the world?" It's the same logic."

"I hope you'll keep doing and thinking this way, instead of saying sweet words when you first started dating," Tian Yuan said as she scrutinized him.

"Don't worry," She was the one he had hoped for the most in his life. As long as he could be with her, he was willing to do anything. How could he not cherish her?

Tian Qi pouted and left him with his bowl and chopsticks to watch TV.

As she watched, she tried to call Sheng shuangxue, but the call didn't go through.

Sheng shuangxue was already at work in a very remote place. No one knew what was wrong with her, but she insisted on going there. No one could stop her.

Tian Qi guessed that she was busy, so she had to send a text message. "All men change, right? When they first started dating, he made it sound like he was going to wash the clothes, cook the rice, and even give birth to the children! After a while, he won't do anything."

Sheng shuangxue replied, [are you in love?]

Tian Yuan was furious, "you didn't answer my call just now!"

Sheng shuangxue: "I was at the scene just now. I replied to you as soon as the body was loaded into the car. See how good I am to you!"

Tian Yuan:

Sheng shuangxue said, "men only know how to say sweet words." He would make you happy today and in the future, but that would be because he had someone else!

When Tian Yuan thought of Lin weiqin's hesitation, she suddenly quivered and asked, "What have you experienced?"

Sheng shuangxue: "don't think too much. The murder case on my side might be a love-kill!"

Tian Qi was sweating. Why did you study forensic science? She had given up hope on men before even being in love.

"Who are you chatting with so happily?" Lin weiqin walked over.

"Shuangxue!" Tian Yuan sat up straight. she said that all men will have an affair in the future!

Lin weiqin held her forehead, "what's wrong with her?" Tell the president and uncle Sheng about this and see how they'll deal with her!"

Tian Yuan chuckled.

Well, at least Sheng Yiting and Sheng nanxuan did not cheat on each other. Both of them were one in a million talents, and they had supreme power. Such an outstanding person was still loyal to her husband. What positive energy!

She looked at Lin Yuqin and nodded in satisfaction.

He wasn't bad either, so he definitely wouldn't mess around.

"You're done?" she asked with a smile.

"Yes." Lin weiqin looked at her, "I have to go home and send an email to the company. Do you want to come over to my place?"

Sure~u "Tian Yuan agreed.

Lin weiqin's eyes flickered and she held her hand gently. [first step: abduct the little white rabbit home-achieved!]

Chapter 1703: I like you like this

As they walked into the community where Lin weiqin lived, Tian Yuan asked, ‘

"When did you move here?"

“The second year after you left.”

Tian Yuan glanced at him, then lowered her head and grabbed his hand.

He held her hand in return, and neither of them spoke.

When she arrived at his house, she did not find the slippers she had changed into.

Lin weiqin handed her a pair of slippers, “Wear mine,”

Tian Yuan felt embarrassed, so she slowly changed into it and said, “It’s so big!”

“We’ll buy it tomorrow.”

Tian Yuan blushed and turned her head away, “I won’t come here every day, and I won’t stay here, ran ran.”

“I need to come here occasionally.” Lin weiqin said with a smile.

Tian Yuan felt that he was laughing at her, so she shook him off and walked in, looking around at the decorations.

Suddenly, she saw the jewelry box on the dining table-it was the one he had forced to give her yesterday.

Lin weiqin also saw it and walked over to pick up the box. you won’t return it to me now, right?”

“That’s not for sure. What if I don’t like him?”

Lin weiqin opened the box and fiddled with the things inside, then turned to show her.

She raised her chin and said not bad

“Stubborn duck!” Lin weiqin said.

Tian Yuan jumped up and looked at him in dissatisfaction.

He immediately hugged her and said gently, “I like this side of you.”

“Hmph!”

Lin weiqin put down the box, picked up the ear studs inside and put them on for her.

He couldn’t wear the necklace now, so he stuffed the box into her hands.

She lowered her head and put it in her bag with a smile.

Lin weiqin finally heaved a sigh of relief and hugged her with joy.

The two of them hugged like this and didn’t speak. After a moment, they felt that the air was ambiguous.

Tian Qi blushed and pushed him away. didn’t you say that ran ran wanted to send an email?

well, have a seat first. I’ll go to the study.

Tian Qi nodded and walked to the living room. “Do you want to eat something?” Lin weiqin asked.

“I’ve just eaten, so I’m still full.”

“Alright then, you can watch TV for a while.” Lin weiqin turned on the TV for her and went to the study room.

He came out a few minutes later.

Tian Yuan looked up and saw that he had changed his clothes and was only wearing a simple sweater.

His sweater was fluffy, and he looked gentle and elegant, different from his usual elite style.

He had another kind of handsomeness that made people unable to look away. Tian Yuan hurriedly turned her head, and Lin weiqin walked over and sat beside her.

“Are you done?” she asked, puzzled.

“Yes, I’m done.” Lin weiqin reached out to hug her and picked up the remote control next to her. how do we watch the advertisement?

I haven’t seen an advertisement in a long time. It’s quite interesting. Tian Yuan said with a smile.

Lin weiqin couldn’t help but kiss her on the forehead. As she changed the channel, she asked, “Do you want to go out for a walk?”

“It’s so cold,” Tian Yuan shook her head.

“Then, stay at home.” Lin weiqin picked a movie and asked, “is this okay?”

“Let me see!” Tian Yuan took the remote control.

She picked a new movie and Lin weiqin stood up, “Let me see if there’s anything to eat.”

“Alright!” Tian Yuan immediately pressed the pause button.

Lin weiqin went to the kitchen to make two cups of macchiato and found an unopened bag of almonds to make biscuits. Speaking of biscuits, he took out all the ones that he had baked a few days ago from the refrigerator. “I’m sorry, there aren’t many snacks at home. I’ll prepare more next time.”

“Alright,” he said. Tian Yuan happily agreed and continued to play the movie.

After two minutes, Lin weiqin closed the curtains.

The room immediately darkened, but the lighting effect was much better..

Chapter 1704: I bought it while I was shopping

Tian Yuan glanced at him, feeling strange and a little uncomfortable for some reason.

It’s so dark, it feels like it’s going to develop in a dirty direction, Yingluo.

Pei Pei Pei!

She must be too dirty-minded! He wasn’t that kind of person!

Wuwuwu, no way!

The film that Tian Qi had chosen was the same as most other films. There were some intimate scenes with passion as gimmicks in the middle.

The scale of this film was quite big.

When the intimate scene appeared, Tian Yuan felt uncomfortable. Lin weiqin was also very concerned and sat up straight. Those who didn't know would think that he was watching some scientific documentary!

Tian Yuan didn't dare to look at him or at the TV, so she could only lower her eyes.

Her senses became particularly clear, and Lin weiqin's breathing became louder in her ears.

It must be an illusion!

Watch the movie properly. This is art, don't think too much!

The next second, Lin weiqin suddenly leaned over, lifted her chin, and lowered his head to kiss her!

Tian Yuan's eyelashes trembled and slowly fluttered down like a fan, feeling his kiss nervously and attentively.

The main character in the movie was getting more and more popular, and Lin weiqin also hugged her tighter and tighter.

Finally, like the male lead, he put her down on the sofa, and his large palm went under her sweater to tease her.

hmm," Tian Yuan mumbled and opened her eyes to look at her nervously.

He lowered his head and kissed her, "don't be afraid, Yingluo."

“W-what are you doing?” Tian Yuan called out.

Lin weiqin’s eyes were staring at her, and his breathing was irregular.

Tian Qi swallowed her saliva and said, “N-no!” We need to take precautions!”

Lin weiqin chuckled and suddenly carried her to the bedroom.

“Eh?” Tian Yuan was shocked. put it down! Did you hear what I said?” Lin weiqin kissed her and swallowed her voice.

The curtains in the bedroom were not drawn, and Tian Yuan, who had just gotten used to the darkness, suddenly felt that it was a little dazzling.

She closed her eyes and Lin weiqin placed her on the bed. He picked up the remote control to close the curtains and turned on the lights.

The coat he had worn when he went to her house was on the bed. He picked up the coat, took out a box from his pocket, and then threw the coat on the ground.

Tian Yuan looked over and saw that he was holding a box of condoms!

“Why do you have this in your house?!” She shouted angrily.

He didn’t have a girlfriend before, so why did he prepare this? Could it be for a date? Hmph! Bad guy! Scumbag!

Lin weiqin looked at her innocently. I bought it while I was shopping.

Tian Yuan chimed in, “ Whoosh! Whoosh! Whoosh! if she had known, she would have gone with him to buy groceries. She didn’t believe that he would dare to buy them!

The curtains had been completely closed. Lin weiqin smiled triumphantly and gently kissed her.

Abduct the little white rabbit home and eat it-achieved!

This time, it was different from the previous two.

The first time, she was drunk. The second time, he was drunk.

Now that both of them were awake, they felt a little more nervous and embarrassed.

After it ended, both of them secretly heaved a sigh of relief and felt a great sense of satisfaction in their hearts.

Lin weiqin hugged Tian Yuan and asked softly, "Does it hurt?"

Tian Yuan buried her head and said shyly,"it's not like it's the first time, ran ran."

"Ahem!" Lin weiqin was embarrassed. I'm just afraid that ran ran didn't do a good job and would hurt you.

Tian Qi got into bed with a red face.

"Shua shua shua" dirty!

Chapter 1705: It's worth it no matter how much pain you suffer

Tian Yuan pushed him away, turned over, and lay on his body. She reached out and touched a round scar on his shoulder. "What is this?"

Lin weiqin took a look and was silent for a moment before saying, "Your father shot him with a gun."

"When?!" Tian Yuan looked at him in surprise.

"Before you left."

"I don't know." Tian Yuan said guiltily and painfully.

"It's fine." Lin weiqin hugged her. to be able to have this day, it's worth it no matter how much pain I've suffered.

Tian Yuan cried and threw herself into his arms. he hit you. Why didn't you Dodge? " she asked.

"I've hurt you, so I want to hit myself too. Why should I dodge?" you ... Tian Yuan looked up at him.

"I won't hurt you again," he said as he reached out to caress her face. Tian Yuan pursed her lips and cried sadly, "I've hurt you too, Yingluo has hurt your heart."

"It's good that you know." Lin weiqin snorted. you have to love me properly in the future, okay? '

Tian Yuan was stunned. She bent her elbow and hit him hard in the chest.

He gasped in pain and turned over to press her down. it seems like you have a lot of energy. I'll let you consume it!

"Ah!" Tian Qi shouted,"no!" Lin weiqin ..."

Lin weiqin kissed her and swallowed her cries.

By the time this was over, the sky was already dark.

Tian Yuan said weakly, "I'm hungry."

"I'll go make it for you now!" Lin weiqin hurriedly got up.

He had indeed gone too far just now!

Even if the two of them had been entangled for a few years, this was still the first day of their official relationship. Would she be scared away by his hunger?

He nervously put on his clothes and decided to make more delicious food to atone for his sins!

He walked into the kitchen and looked at the ingredients in the refrigerator. They were all bought two days ago. They were not fresh enough, and there was not a lot of variety.

Although he could make a few dishes, he didn't want to make his new girlfriend suffer.

However, he couldn't bear to leave her alone at home if he went to buy groceries now.

He had treated her like that just now, and now he was leaving her alone. He was a bit of a scumbag.

The scariest thing was, what would he do if he came back after buying the ingredients and found that she was not at home?

At the thought of this, he pinched himself hard and only heaved a sigh of relief when he realized that it was not a dream.

The thought that everything that was going to happen today could be a dream made him go crazy!

He took a deep breath and stopped thinking about random things. He began to organize the ingredients.

Half an hour later, he heated up some oil and fried some scallions and ginger.

A pair of hands suddenly reached out from behind her and wrapped around her waist.

“Let go!” He immediately said.

Tian Yuan was stunned, and her eyes were full of hurt.

Lin weiqin also realized that something was wrong and hurriedly grabbed her hand, “I’ll hug you later, don’t get splashed by the oil.”

When Tian Yuan heard this, she was instantly happy and pounced on him. “I’m not afraid!”

Lin weiqin helplessly rolled up her apron and covered her hands before starting to cook.

Tian Yuan hugged him tightly with a smile and asked after a while, “Hey, what should I call you? It feels weird to call him brother Wei Qin.”

“Then call me hubby!”

Tian Yuan took a step back and punched him in the back.

He kept laughing.

She walked to the side gloomily and watched him cook. "What did your dad call you?"

"Lin weiqin," he said after a pause.

Tian Yuan was silent for a moment before she said, "I feel like uncle really dislikes you."

"Hmph!" Lin weiqin glanced at her.

Tian Yuan giggled.

After a while, he finished cooking and said to her, "Give me a plate,"

Chapter 1706: Who asked you to say I can't do it?

Tian Yuan glanced at him and turned to leave.

Lin weiqin sighed helplessly. Just as he was about to do it himself, she ran back, took out a plate from the shelf, and handed it to him.

"My wife is so capable!" He laughed.

"Who's your wife?" Tian Yuan's eyes widened.

He paused and explained, "in the future!" It will definitely be in the future!" Tian Qi snorted and did not refute. Lin weiqin was very happy.

After dinner, Lin Wei washed the dishes diligently while Tian Yuan helped her.

"I should go back now," she said softly after she was done.

"You're not staying?" Lin weiqin asked tentatively.

Tian Yuan glanced at him and shook her head gently.

Lin weiqin looked at his watch, "it's still early.

then, ran ran, "Tian Yuan thought for a while," shall we go out for a walk? '

"Aren't you afraid of the cold?"

"I still have to shop! It's time to digest the food!"

Lin weiqin nodded. His future wife was always right!

The two of them went to a nearby shopping mall, and Tian Yuan pointed to the claw machine.

Lin weiqin exchanged coins to catch them, but he couldn't catch them for a long time.

"Why can't you?" Tian Yuan said disappointedly.

Lin weiqin was taken aback. He looked at her and asked in a low voice, "I can't?"

"Don't even think about going home tonight!" Lin weiqin threatened him and continued to play with the dolls.

Tian Yuan bit her lip and stood aside, blushing and not saying a word.

“You don’t like antenna babies, do you?” Lin weiqin asked.

“Yes, I am. I want little Huang.”

Lin weiqin pressed the button and grabbed an antenna.

Tian Yuan was speechless.

After a few seconds, the antenna monster successfully fell into the hole and rolled out.

He picked up the antenna and handed it to her.

“You did it on purpose!” Tian Yuan glared at him with hatred.

“This is revenge!” Lin weiqin stuffed the antenna into her arms. who asked you to say that I can’t do it? ‘

Wu Wu Wu Wu. Tian Yuan covered her face and cried sadly, “ I don’t want you anymore, Ran Wue It’s only our first day together and you’re already bullying me!

uh, Zhenzhen, ” Lin weiqin hurriedly said, “ I’ll catch you again! Little Huang, right? I’m coming!’

Tian Yuan sniffled and looked at him.

In the end, little Huang seemed to be against him and refused to take the bait.

Lin weiqin was so anxious that he was sweating profusely. He glanced at her.

She grabbed the antenna and pinched, pinched, pulled, and pulled it hard.

Lin weiqin wiped his sweat. continue, ran ran. Don't be in a hurry. I'll definitely catch you.

Tian Yuan waited for a while longer before she stuffed the antenna into his arms. "I'll go buy some drinks!" you ... Lin weiqin turned his head and looked at her.

She walked to the beverage store opposite and bought two cups of hot milk tea.

She turned around and saw him looking at her. She couldn't help but smile.

Lin weiqin also smiled and continued to look at her.

She knew that he was afraid that she would leave.

She sighed in her heart and couldn't help but feel heartache. Just how much trauma had he suffered in the past few years? She walked over and placed a hand on his shoulder, saying, "forget it if you can't catch it. It's quite cute to look at the antenna monster a few more times.

"Then wouldn't I be too useless?" Lin weiqin said as he continued to play with the dolls.

After another ten minutes, he finally caught the minion she wanted and heaved a sigh of relief.

"Are you tired?" Tian Yuan pinched his fingers.

"No, I didn't," Lin weiqin looked at her gently.

"Here, it's yours!" She handed him the milk tea.

Lin weiqin took a sip and reached out to pull her forward.

The spring clothes from the clothing store were served. Tian Yuan went to try on a few, but she was not satisfied with any.

"It's late, let's go back," she said.

Lin weiqin nodded and asked with concern, "are you tired?" If you're tired, take a taxi home..

Chapter 1707: I really can't bear to be separated from you

Tian Yuan shook her head. it's alright. We're almost home.

Lin weiqin listened to her and held her hand as they walked back to their house.

"I'm going back to my own home," Tian Yuan said halfway.

"I just said, don't even think about going home tonight." Lin weiqin lowered his head and said.

Tian Yuan stopped and looked at him in dissatisfaction.

He was scared when he saw her expression, so he said, " "Alright, I'll send you home.'

Tian Yuan smiled and said, "look at how scared you are!" Piggyback me, wherever you want to piggyback me! "

Lin weiqin immediately knelt down in front of her.

When they arrived at his house, Tian Yuan suddenly remembered, " "I don't even have my toothbrush and towel with Yingluo."

"I have a new one." and pajamas, Yingluo. Tian Yuan looked at him pitifully.

"Do you want me to get it for you?" he asked, stunned.

"And skincare products. Do you know them?" Tian Yuan asked after some thought.

"You tell me!"

"It's so troublesome, ran ran," Tian Qi mumbled. "Why don't I go back?" "Then can I go to your place?" Lin weiqin asked.

Tian Yuan looked at him for a while. do you need to pack your things?

"Zhenzhen wants it!" Lin weiqin immediately went to pack her things. Tian Yuan rubbed her face and thought, "isn't this too unreserved?"

After a while, Lin weiqin came out with a box.

"You're moving?" Tian Qi was shocked.

"Bring your things over tomorrow." Lin weiqin said, " you must have a lot of things.

Tian Qi thought in a daze, 'you're so thoughtful!

When Tian Qi woke up, she was shocked to find someone beside her.

"You're not used to it?" Lin weiqin asked.

“Oh, a little.” when did you wake up? ” Tian Yuan asked awkwardly.

“It’s been a while,” Lin weiqin put down his phone and lowered his head to kiss her.

“Get up,” Tian Yuan said, blushing.

Lin weiqin continued to kiss her.

Last night, he thought about how he had already had sex with her twice in the afternoon, so he didn’t do anything to her.

However, he was a man who had been starving for more than 30 years. How could he not seize the opportunity?

After it ended, Tian Yuan thought breathlessly, ” Why did he bring that over? He was really a bad person!

Lin weiqin put on her clothes and asked, ” “I’ll go cook. What do you want to eat?”

Tian Yuan looked at him without saying a word.

“Yingluo, I’ve seen what you have in your fridge,” he said guiltily.

Tian Qi pouted and asked in dissatisfaction, “Didn’t you say that I’m the only one? How come you’re so skilled?”

“Skilled?” Lin weiqin was stunned.

Tian Yuan blushed and glared at him.

He smiled and said, "of course not." If you don't believe me, you can wait a few years and see. By then, you'll know how skilled I am!"

"Yingluo" is so dirty!

She muttered softly, "I don't see you being distant, Yingluo."

"Instinct." He lowered his head and kissed her neck. I'm going out.

let's go, let's go, " Tian Yuan called out shyly. let's go!

Lin Wei ruffled her hair and happily went to make her breakfast.

After dinner, he had to go to work, so he said to her, " "Call me if there's anything,"

Tian Yuan nodded.

Lin weiqin looked at her and sighed, "I really can't bear to be separated from you."

"I'll be going out of town in a while," Tian Yuan blinked and said. At that time, we'll be separated for a long time.

Lin weiqin, "ran ran."

"I'm working," Tian Yuan said seriously.

Lin weiqin sighed and reached out to hug her. He passed her the key to his house, " "I'll leave it here as a backup." Tian Yuan, "Yingluo."

Lin weiqin smiled, kissed her, and left.

Tian Yuan stared at the slippers he had changed into in a daze.

Unexpectedly, she was finally together with him, and there were still traces of him in the house..

Chapter 1708: Do you have any good news?

Tian Yuan sat on the sofa and looked around, feeling a little unaccustomed.

After being in a daze for a long time, she started to tidy up the room. I already have a boyfriend, why should I be so tired? Leave it for him to tidy up!

She laid on the sofa and sent a text to Lin weigin: [have you reached the company yet?]

[we're here.] [what's wrong?]

[ah Yingluo doesn't want to do housework!]

[leave it to me. Have fun.]

Tian Yuan smiled and asked, [is that a good idea?]

[very good.]

Lin weiqin had just entered the company's elevator. She replied to the message while smiling.

The people around him were shocked and looked at him in horror, but he didn't feel anything. When the elevator arrived, he walked out with his head down.

When they entered the company, all the employees were stunned-the young master had run into evil today!

He usually walked with a cold gaze, looking straight ahead, like an ice block!

Yingluo must be possessed today!

After Lin weiqin entered the office, she was about to have a good chat with Tian Yuan when Tian Yuan suddenly sent a message. I'll stop chatting and focus on your work!

"Yingluo," I can slack off.

Lin weiqin sighed, put down his phone, and went to work.

The robot served him a cup of coffee. He smiled and said, "Thank you," he said.

The robot was stunned. It tilted its head and asked, "Do you have any good news?"

"Go to your post," Lin weiqin patted its head.

He was the one who designed the robot's reaction.

When it saw that he was unhappy, it would ask, "did you encounter any trouble? "

When it saw that it was in a good mood, it would ask, " what's the good news?"

It would generate " memories " of what happened every day, making its every reaction similar to that of a human.

In the past few years, Lin weiqin had never been happy. It had already " gotten used to it. That was why it was 'stunned' when it saw him suddenly happy.

After hearing his words, it walked away slowly.

After a while, Lin Lei walked in. "I heard you're in a good mood today?"

Lin weiqin raised his head and asked with a smile, " "Is there something?"

Lin Lei was so scared that he trembled. I'm in a good mood indeed. A new invention?

Lin weiqin lowered his eyes and didn't say anything. He picked up his coffee and took a sip.

"Lin weiqin!" Lin Lei said gloomily, " I'm your father. Can't you have a better attitude?"

Lin weiqin gave him a big smile, " "Is this good?" vwwuwuwu, did you see a ghost?!

Lin weiqin looked at him strangely. I'm looking at you now. Are you possessed by a ghost? '

Lin Lei choked. He growled gloomily. I'm having dinner with CEO Lu from the Liuguang group tonight. He wants to buy your program!

"I'm not free!" Lin weiqin replied without thinking. "Why are you not free? You're not in a relationship!"

"Who says I don't date?"

Whoosh! Whoosh! Whoosh! F * ck! What did he just hear?

"Y-y-you're with Tian Yuan now?" Lin Lei asked anxiously.

No one knew his son better than his father. Since he was so happy, it must mean that he had settled Tian Yuan!

Lin weiqin lowered his head and smiled, not saying a word.

Lin Lei laughed and patted his shoulder. "Not bad! Not bad! I have to tell your mother, so that she won't worry about you being lonely until you die." "Am I such a useless person?"

"Originally, it looked like it." Lin Lei turned around and walked out. After a while, he came back. did I really say that Yuanyuan and Tian Yuan are true to

"What do you mean?" Lin weiqin glared at him.

"No, I'm just worried about you. Do his parents know?" Lin weiqin paused. wait for me to Date first. There's no rush..

Chapter 1709: Spend some alone time first

"Good luck," Lin Lei smiled. If commander CEng attacks again, I won't save you."

"Yuanyuan will save me," Lin weiqin snorted and smiled.

Lin Lei had goosebumps all over his body as he turned around and left.

Lin weiqin suddenly thought of something and picked up her phone to send Tian Yuan a text message: [shall we have lunch together?]

[eat out?]

[I can also make it for you.]

[let's eat outside.]

He had to work, and Tian Yuan didn't want him to be so tired. After all, he was her boyfriend. She had to feel sorry for him so that she could have more delicious food!

Near noon, Tian Yuan changed into the clothes she had carefully selected and put on makeup in front of the mirror.

She had just melted halfway when she heard the doorbell.

She put down her eyeliner and went to open the door. When she saw Lin weiqin outside, she hurriedly opened the door and asked in surprise, "Why did you come so early? You haven't finished work yet, have you?" Lin weiqin hugged her and wanted to kiss skipped work

"Don't kiss me." Tian Yuan reached out to stop him.

Lin weiqin was stunned and looked at her carefully. He asked despite knowing the answer, "What are you doing?"

Tian Qi rolled her eyes at him and went back to her bedroom.

He walked over slowly and stood at the door to look at her.

"Don't look!" Tian Yuan stopped and turned around.

"Then I'll look at it later." Lin weiqin muttered as he went out.

A few minutes later, Tian Yuan came out.

Lin weiqin lifted her chin and looked at her carefully, saying, "The difference isn't that big."

"You're blind!"

"That's because you're a natural beauty."

Tian Yuan was stunned for a moment before she smiled coquettishly and said, "you only know how to sweet talk!"

"I'm just telling the truth."

"Let's go!" Tian Yuan shouted, "you actually skipped work? The boss won't deduct your salary?"

"I'm a board member of the company, who dares to dock my pay? What do you want to eat?"

Tian Yuan thought for a while and said, "I don't know, ran ran."

"Do you want more sumptuous or light?"

"Let's make it more sumptuous, Yingluo."

The two of them chatted as they walked and finally decided to eat seafood.

Lin weiqin was good at peeling prawns and crabs, and she couldn't stop peeling them while eating.

He remembered the last time he had dinner with Si Chen and the night before. He wanted to ask Tian Qi why Si Chen was there, but he was afraid that she would ask about his ex-girlfriend, so he held back.

Tian Yuan held her face and looked at him with a smile. He asked shyly, ”

“What are you looking at?”

In the past, she didn’t even look him in the eye, but now she was very enthusiastic!

Tian Yuan laughed and said, ”you look so handsome even when you’re peeling prawns ~”

Lin weiqin was stunned. He looked around and found that they were in a private room. He leaned over and kissed her.

Tian Qi’s face turned red. She picked up her chopsticks and continued eating the crab meat. After eating a little, she think I’ve eaten a lot. This is cold, so you can’t eat too much, right?”

“It doesn’t matter. I don’t eat it every day.”

Humph! that day, she was really targeting Si Chen on purpose!

After dinner, Lin weiqin wanted to go back to the company, so Tian Yuan went with him. Anyway, their companies were both in Huan mo building.

After the car entered the parking lot, Tian Yuan said, ” “Let’s split up, Yingluo.”

“Why?” Lin weiqin looked at her.

“I’m afraid my dad will see it.” Tian Yuan said weakly, ” I think Wanwan should take it slow. And if he knows, he’ll definitely do something.”

That’s true.

Lin weiqin didn't want to be an underground boyfriend, but when she thought of CEng Shuai, she could only agree.

No matter what, shouldn't they have some alone time first?

When Tian Qi saw that he was a little sad, she went up to kiss him. He grabbed her, put her on his lap, and kissed her hard.

After the kiss, Tian Qi got out of the car with a red face. "I'll go up first."

Lin weiqin nodded and watched her from the car. He only got out of the car after she turned and disappeared.

When he walked out of the elevator, Tian Yuan was already gone..

Chapter 1710: He knew she did it for him

Tian Yuan stood in the elevator alone. The elevator stopped halfway and Si Chen walked in.

When she saw it, she was a little embarrassed and greeted it with a smile.

"Are you okay?" Si Chen asked.

Tian Yuan shook her head.

Si Chen sighed and didn't say anything.

Both of them knew that even if they continued to be friends, it would not be the same as before.

This was good too. Tian Qi thought that since she had a boyfriend, she should naturally avoid suspicion.

Si Chen's floor arrived first. After the elevator stopped, he glanced at Tian Yuan and walked out.

After he left, Tian Yuan reached out to close the door. He suddenly turned around and said, "Your makeup is smudged."

Tian Yuan was stunned and released her hand. The door was already closed.

She quickly took out a mirror and was speechless when she saw her own appearance.

It was all Lin weiqin's fault for biting her lip gloss!

At this moment, the elevator stopped. She kept her mirror and looked outside vigilantly.

After the door opened, she saw that there was no one outside and heaved a sigh of relief. She hurriedly pressed the close button, chose the first floor, and then began to touch up her makeup.

After touching up her makeup, the elevator reached the first floor. She didn't want to go to the company anymore. If Tian Cheng or Zeng Shuai were around and saw her, they would definitely guess that she had a man!

If the man was someone else, it would be fine, but Lin weiqin, she couldn't help feeling guilty.

After all, she had caused such a big scene previously and had been hiding from her for a few years. Tian Cheng and Zeng Shuai were very careful in front of her and didn't dare to mention Lin weiqin.

Tian Yuan suddenly felt that she was simply courting death.

When they found out that she was dating Lin weiqin, Tian Cheng probably wouldn't do anything.

Tian Yuan shuddered and sent a text message to Lin weiqin to go home.

Lin weiqin went to look for her after work and also bought the ingredients for the evening.

Tian Yuan followed him into the kitchen and said while shaking her head, "You're too virtuous!"

Lin weiqin turned around and pinched her nose, asking, "Why did you come back so soon? Are you alright?"

Tian Yuan shook her head and gave him a reproachful look. "It's all because of you!"

"What did I do?"

Tian Qi blushed and did not say anything.

Lin weiqin lowered his head and looked at her, "what's wrong?" You say it, I'll change!

Tian Yuan was stunned and complained, "you ruined my makeup!" I'm afraid that my parents might find out."

Lin weiqin paused. He knew that she didn't want Tian Cheng and CEng Shuai to know for the time being for his sake.

If CEng Shuai found out about this, he would definitely beat him up again, and he would probably separate him from Tian Yuan-how could he date then? As a father, even if he was willing to accept him, he was more willing to torment him. When Wu Yan wanted to marry Lin weiran, he had suffered a lot.

However, knowing was one thing, and doing it was another!

Seeing Tian Yuan like this, Lin weiqin felt a little disappointed, afraid that she had no intention of "supporting" her.

He knew that he was wrong and couldn't help but feel a little annoyed.

Tian Qi saw that he did not look good and asked uneasily, "What's wrong with you? You're not happy?"

"What if I don't want to change it?" he asked with a smile.

"I knew you couldn't be trusted!" Tian Yuan glared at him.

I really don't want to change this, ran ran, " Lin weiqin said innocently, " then should I make you more delicious food? "

"Am I a foodie in your eyes?"

"Yingluo," she was the one who took the initiative to ask for a lot of delicious food. Why didn't it work after only one day?

you don't even know the routine, " Tian Yuan said disappointedly. how boring!

Lin weiqin laughed happily, "a trick?" So, you actually like me more than food?"
