Chapter 1711: I can't wait to worship you

"Where? I clearly like to eat more!" Tian Yuan said stubbornly.

Lin weiqin hugged her and placed her on the counter.

Tian Yuan knew that he was going to kiss her again, so she called out, "If you mess up my makeup again, I ... I'll be angry!

Lin weiqin paused and said in disappointment, "Then we'll talk after you're done.'

Tian Yuan glared at him, jumped off the bed, and ran out.

Tian Yuan and Lin weiqin were together every day and didn't even pay attention to the exact time.

One day, she received a call from Tian Cheng. Tian Cheng said to her, "come back earlier tonight. Don't wait until tomorrow. Otherwise, your dad will gossip again.

Tian Qi was stunned for a while before she remembered that it was the Lantern Festival tomorrow. She quickly agreed.

"What's the matter?" Lin weiqin asked after hanging up the phone.

"Tomorrow is the Lantern Festival.'

Lin weiqin,"ran ran."

“My mom’s calling me home.”

“Oh, I have to go home too.” They were going to be separated when they got home. Lin weiqin was very resistant. then our ran ran ‘ see you in two days Q’Tian Yuan said helplessly.

“In two days?” Lin weiqin was depressed.

“Yes, my mom asked me to go back today.”

Lin weiqin hugged her tightly. don’t tell me you won’t show up again after you go back? ‘

“Nonsense! I’m still thinking about your cooking!’

“Is that all you care about?”

“What else?” Tian Yuan asked in amusement, “ what other use do you have? ‘ Lin weiqin thought about it and asked seriously, “Don’t you use it every

Tian Yuan was speechless. She bent her elbow and hit him hard on the chest.

When he returned home in the evening, Zeng Shuai made a table full of

delicious food.

“How is it? Did dad’s cooking improve?” CEng Shuai asked eagerly when he saw Tian Yuan pick up a piece of pork rib.

dad’s cooking skills have long reached the peak, ” Tian Yuan said. I’m just an ordinary person who only knows how to taste it. I can’t tell the difference! Tian Cheng rapped her head with her chopsticks.

“When did you learn how to sweet talk?”

“Why did you hit me?” Tian Yuan felt aggrieved.

“Because you’re not honest!” Zeng Shuai said with a straight face. Dad knows his own limits, how can it be that delicious?”

Tian Yuan thought, “it’s indeed not as good as Lin weiqin’s, but I’m afraid that telling you the truth will hurt your heart.”

I’m just a little bit away from reaching the peak hahahaha-“Zeng Shuai started to feel proud.

Tian Yuan and Tian Cheng were both speechless.

Tian Cheng put some food into Tian Yuan’s bowl. ignore him. He’s crazy!

“I cook for you every day. How can you say that about me?” Zeng Shuai protested.

“If I had known that you were flirting at home, I wouldn’t have come back!” Tian Yuan said weakly.

After dinner, she went to wash the dishes and sent a text message to Lin weiqin: [I’m washing the dishes, Yingying] Lin weiqin replied: [my house was washed by Wu Yan.] Tian Yuan: [how can you guys do this to him!!!]

[this is the use of a live-in son-in-law]

Tian Yuan snorted and thought, “when you come to my house, you’ll only have the life of washing dishes!”

Wait, what if she went to his house?

“Do I have to wash the dishes when I go to your house in the future?” she asked in a trembling voice.

[if you're willing to come, my parents would be more than happy to worship

A few years ago, his mother had arranged a blind date for him. Ever since she found out that he had an affair with Tian Yuan, she had no longer cared about his love life,

If he wanted to be single for the rest of his life, there was nothing she could do.

Under such circumstances, if he were to bring his beloved girl back, he would be so happy that he would go crazy!

Tian Yuan stayed at home for two days and didn't look any different from before, but commander Zeng and Tian Cheng still noticed her change.

Yuanyuan seems to be in a good mood, ” Tian Cheng said to CEng Shuai while they were sleeping. she wasn't in a good mood during the new year..

Chapter 1712: You're not allowed to be so nice to others

“He's definitely in love!” Zeng Shuai was on guard. I see that she often sends text messages on her phone! I wonder which bastard is so bold! The person you mentioned came to the company last time was her classmate from country Y. Don't tell me it was him?”

“Why do you care? She's already so big, it's time for her to be in a relationship, don't mess things up!”

Zeng Shuai, “Yingluo, is he such a person?”

The next day, Tian Yuan went back to her place.

She gave Lin weiqin a call, and Lin weiqin rushed over very quickly. He even brought her a gift, a diamond brooch.

“What are you doing?” Tian Yuan asked in surprise.

“I saw that it looked good, so I bought it for you.” Lin weiqin said with a smile.

Tian Yuan looked at the brooch and was silent for a while before asking, “It’s very expensive, right?”

“It’s nothing compared to my savings.” Lin weiqin kissed her, “I have nowhere to spend my money anyway, so I can only spend it on you. Besides, I should have dated you three years ago. In that case, I should have given you presents for Valentine’s Day, anniversary, and Christmas. I have to make up for it slowly.”

Tian Yuan smiled and accepted the gift graciously. then don’t give me any gifts during the Qingming Festival! she said.

“What nonsense are you saying!” Lin weiqin reached out and pinched her nose, “but I hope that you can accompany me to visit the grave by next year at the latest.

Tian Qi snorted and said, “then you’ll have to work hard on your own once you get past my dad, everything will be fine.”

Lin weiqin felt pain in his shoulder as soon as he heard it, and he could hear the faint sound of gunfire.

After a while, Tian Yuan went to the filming location.

The night before she left, Lin weiqin made a sumptuous dinner for her and rewarded her stomach.

When he went to bed, he rewarded her ... Well, he might also reward himself.

In the morning, the two of them were in bed for a while. Lin Yuqin was afraid that she would miss her flight. so he didn't dare to continue making a fuss. He got up and prepared to put on his clothes."Get up," no! Tian Yuan pulled him back. how can you throw it away after you've used it?" Heartless man ...

Lin weiqin smiled helplessly and said, "I'll go make you some delicious food ..."

Tian Yuan pounced over and pressed herself on him, saying," actually, you're very delicious

"Qianqian demon!" Lin weiqin turned over and pressed her down,"you lit the fire yourself. I don't care if you missed the flight!

When Tian Yuan heard this, she immediately pushed him away and said,"yeah!" We can't miss the flight!"

Lin weiqin looked at her in a daze, but she had already sat up and put on her clothes.

"You did it on purpose!" Lin weiqin said through gritted teeth. "I didn't! You were the one who said we can't miss the flight!"

Lin weiqin facepalmed.

Tian Yuan kicked him and asked innocently, " Aren't you going to make me breakfast?"

Lin weiqin sighed and went to cook for her.

Tian Yuan washed up and went over to hug him from behind.

"I'll be done in a minute." Lin weiqin said gently.

Tian Yuan craned her neck to look at him, and he asked in confusion, ""What's wrong? Be careful, don't get scalded!" when I leave, you have to be good Q'Tian Yuan said. you're not allowed to be so good to others.

"I'm just this good to you!" Lin weiqin said,"I came over when you didn't want me. Can't I wait now?"

"Who doesn't want you?" Tian Yuan said in a low voice.

Lin weiqin looked at her. so, ran ran, you never meant it that way?

Tian Qi stuck out her tongue, turned around, and left.

After a while, he brought the breakfast to the table. eat slowly. I'll send you off after you're done.

"I'll go by myself, I'll get there quickly by taxi. It's already very late, you should go to the company and take a look. Don't neglect your work.."

Chapter 1713: It was indeed because of me

Lin weiqin supported her chin and looked at her: " my main profession is to treat you well.

Tian Yuan smiled, picked up the yam Roll, and stuffed it into his mouth.

After the meal, Tian Yuan left with her suitcase.

Lin weiqin suddenly pulled her into his arms and kissed her fiercely. After a few minutes, he let go and pressed her into his arms, unwilling to let go.

Tian Yuan said helplessly, "it's not like I'm not coming back. Don't make it sound like we're going to part ways. It's so inauspicious."

Lin weiqin let go of her and took a deep breath, " "Then come back quickly."

I'll send you the hotel address and room number when I get there. If you really miss me so much, you can come and find me.

Lin weiqin's eyes lit up and he kissed her on the lips, " "I'll do as I say!"

Tian Yuan got off the plane and walked out of the VIP passage when she suddenly heard someone calling her name.

She turned around and saw le Yi walking over quickly.

Tian Yuan frowned slightly and clenched her suitcase. She didn't escape and waited for her calmly.

Le Yi didn't expect her to be so calm. She couldn't help but look up to her and walked to her.

"Miss le," Tian Yuan took the lead in greeting him with a flat tone.

"What a coincidence, why are you alone?" Le Yi smiled and asked, "I gave weiqin a call, but he didn't call me. We're old friends, after all. How can he be so heartless?" Are you two together now? Can you help me persuade him?"

Tian Yuan couldn't help but laugh. miss le, you're his ex-girlfriend. Where do you get the confidence that I, his current girlfriend, will support you two reminiscing? '

"So, you're the one who stopped him from contacting me?" le Yi looked at her.

“Probably. Although I didn’t do anything or say anything, he loves me and is willing to be self-aware. What can I do? In this aspect, it was indeed me who was making things difficult. Although I was forced to do so, it was indeed because of me.

Le Yi’s face stiffened. She didn’t like her arrogant attitude. “Do you know why we broke up?” she asked through gritted teeth.

Tian Yuan was stunned and looked at him fixedly.

“Because he has someone else in his heart.’

Tian Qi heaved a sigh of relief. She thought there was another reason and was shocked! Wasn’t the person in Lin weiqin’s heart her?

Seeing her reaction, le Yi laughed in anger, ” “Do you really think that person would be you? Think about how old you were at that time, your chest was flat, how could he like you?”

Tian Yuan originally felt a little guilty that Lin weiqin had lied to her. But Tian Yuan was not happy when she said that!

She glanced at le Yi and said confidently, ” “First, he likes me! Second, my chest was already uneven at that time!”

Le Yi choked and then said in surprise, ” “What did you just say? The person he likes is you?”

“What’s the problem?”

Le Yi was stunned for a long time before she spat out two words, “Abnormal!”

“You ...” Tian Qi was furious.”Say that again!’

Le Yi was startled and a little scared.

After all, she couldn't afford to offend Tian Yuan given her status.

She rolled her eyes and smiled, "so what if he likes you?" So what if you two are together now? His first time is mine!"

Tian Yuan's eyes widened as she retorted agitatedly, " "You're talking nonsense! "

It was impossible!

Lin weiqin had clearly said that she was the only woman in his life!

However, Yingluo

Tian Yuan thought of the night when they were entangled together. His technique was so good that he made her *****.. Did he really have no other experience?

Chapter 1714: You can 't trust me completely

"I have evidence." Le Yi said.

Tian Qi looked at her in a daze, and a voice in her heart said, Don't believe her! She just wants to ruin you and Lin weiqin!

"What evidence?" she couldn't help asking.

Le Yi took out her phone and found a picture.

Tian Yuan took a look and saw that it was the hospital's abortion sheet, and the patient's name on it was "le Yi.

Her body shook and she stared at le Yi, " "You're lying!"

"This is the second week since I broke up with him." Le Yi enlarged the date and laughed at herself. he didn't want me anymore, so I had to abort it myself.

Tian Yuan didn't know how she got back to the hotel. The production team had arranged a temporary assistant for her. From the moment they left the airport, this assistant had been busy taking care of her, but she didn't feel it at all!

When she entered the hotel room, she was left alone. She didn't know that an assistant had been here.

She thought about everything that had happened between her and Lin weiqin. She would definitely break up tomorrow. Then, she would find out that she was pregnant and could only learn from le Yi to have an abortion.

No! She didn't want an abortion!

If she gave birth, Lin weiqin would definitely look for her all over the world. When he found out that she had given birth alone, she didn't know how sad he would be.

What if he didn't look for her? It might have been a mistake for a lifetime, waiting for him to turn white and for her to lose all her teeth before the two of them finally reunited, but they were only left with their last breath.

Tian Yuan cried so hard that she couldn't catch her breath. When she pulled out a tissue, she found that her phone was ringing, and she didn't know how long it had been ringing.

She picked it up and saw that it was Lin weiqin.

She wiped her tears and was about to answer the call when the call was hung up.

A total of eight missed calls were from Lin weiqin!

Tian Qi thought angrily, 'now you know how to be anxious? When you lied to me-

Wait a minute!

She couldn't just listen to le Yi's side of the story!

She Dressed the redial button, and as soon as the call connected, Lin weiQin picked up the phone, her voice full of anxiety, "Yuan Yuan-

Hearing his voice, Tian Yuan couldn't help but cry.

"What's wrong with you?" Lin weiqin was shocked.

"I ran into le Yi." Tian Yuan said while crying.

Lin weiqin was stunned and asked, "what did she do?" Don't believe her!"

Tian Qi was stunned and asked, "I didn't say what she did, so why did you tell me not to believe it?" Yingluo, are you feeling guilty?"

"She must have been talking nonsense in front of you!" Lin weiqin shouted, ' why didn't you answer my call just now? If you have any questions, you can ask me! If you believe her and not me, I'll do it, I'll do it!"

Tian Qi heard his trembling voice and knew that he must be anxious. The doorbell rang and she go open the door.”

She walked to the door with her phone and opened the door. There was a plainly dressed young lady standing outside. She seemed to have seen her somewhere before.

The little girl saw her tear-streaked face and was shocked. “Miss Tian, are you alright?”

“What’s up?” Tian Yuan reached out to wipe her tears and asked.

“The crew wants to have dinner together. Yueyue, do you want to go?” The assistant asked nervously.

Tian Yuan guessed her identity and nodded.

“I’m going to change my clothes.” She closed the door and said to Lin weiqin, “ I’m going to eat, ran ran.

“Send me the hotel and room number.’

Tian Qi paused and agreed. She then said,“I don’t want to believe her, it’s just

Yingluo.”

“You can’t trust me completely.”

“It’s fine, it’s not your fault.” Lin weiqin said sadly. Wei Qin ... Tian Yuan also felt uncomfortable..

Chapter 1715: Nonsense

“If you abandon me again, I’ll be like this for the rest of my life, I won’t be able to live!” Lin weiqin hung up the phone.

Tian Yuan was shocked. She held her phone in a daze for a while, then opened the door and said to her assistant outside, “Please tell everyone that I’m not feeling well and won’t be going.”

“Miss Tian, do you need to see a doctor?” the assistant asked worriedly.

“I’ll be fine after a short rest,” Tian Yuan shook her head. “Then, does Ran Ran want to prepare dinner for you?” “I can do it myself.”

“Alright, I’ll be leaving then.” The assistant left tactfully.

Tian Qi closed the door and had a headache.

She washed her face and lay in bed for a while, feeling much better.

She picked up her phone and called Lin weiqin again, but he didn’t pick up.

Was he angry?

Annoyed, Tian Yuan sat for a while, picked up her coat and bag, and left the room.

She wanted to eat something. When she passed by high-end restaurants, food stalls, and roadside stalls, there was always something she wanted to eat. When she thought of Lin weiqin’s excellent cooking, she felt that the whole world couldn’t compare to him, and she suddenly didn’t want to eat.

In the end, she dragged her tired body back to the hotel with an empty stomach.

After entering, the lobby manager came over. “Miss Tian, right?”

“What’s the matter?” Tian Qi glanced at him lazily.

“There’s a gentleman over there looking for you. He’s been waiting for a while.” The lobby manager pointed to the sofa.

Tian Yuan looked over and saw Lin weiqin sitting there reading the newspaper.

She was shocked and quickly ran over.

Lin weiqin raised his head and paused. He gently put down the newspaper and stood up.

Tian Yuan rushed in front of him and asked breathlessly, “Why is Yingluo here?”

“You’re crying,” Lin weiqin said matter-of-factly.

Tian Qi looked at him and wanted to cry again.

He walked over and put his hand on her shoulder. “Let’s talk in another place.”

Tian Yuan hurriedly turned around and led him into the elevator. She asked, “When did you arrive? Why didn’t you call me?”

“I just arrived. There was no one in your room, so I guessed that you went out, so I didn’t disturb you.”

I ran ran,” Tian Yuan said aggrievedly, “I wanted to go for dinner, but I didn’t eat anything after walking around.

Lin weiqin looked at her in surprise, reproaching her and feeling sorry for her,

“Why don’t you take care of yourself?”

Tian Qi held his hand, looked at him, and asked, “How did you get here so quickly?”

“I was already at the airport when I received your call.”

In other words, he didn’t manage to get through to her phone and was prepared to come over?

Tian Yuan threw herself into his arms and burst into tears.

Lin weiqin felt a little better when she saw that she was willing to get closer to her. But seeing her sad, he felt extremely uncomfortable.

The elevator stopped and he walked out with her in his arms. When they arrived outside Tian Yuan’s room, Tian Yuan opened the door with her room card.

After she went in, Tian Qi wiped her tears and looked at Lin weiqin awkwardly. “Take a seat. Do you want some water?”

Lin weiqin sat on the sofa and reached out to her.

She was stunned for a moment. She walked over and put her hand in his palm. The next second, he pulled her into his arms.

Lin weiqin hugged her and didn’t speak.

Tian Yuan’s tears flowed out. She raised her hand to wipe it and suddenly bit his shoulder.

Lin weiqin hugged her tightly in pain and only let go after she let go. Then he asked, “Tell me, what happened?”

Tian Yuan sniffled. le Yi said that ran ran was pregnant with your child. You didn't want her, so she had an abortion! she said.

"Nonsense!" Lin weiqin shouted in anger.

Tian Yuan asked while wiping her tears, "didn't you say that you never had sex with her?" Then, is there one or not?"

Chapter 1716: I'll give you an explanation

"Of course not!" Lin weiqin's face darkened, don't have to lie to you about this! I was thirty years old when I gave it to you, so it's normal for me to have experience. Why Would I Lie to You?"

Tian Yuan pursed her lips. She wasn't a child, so of course she knew he was telling the truth.

"Then why did she tell such a lie? And she has a surgery form. Could it be fake?" She asked in confusion.

"It might be someone else's." Lin weiqin said lightly. "When did you guys break up?" Tian Yuan widened her eyes.

"Why would I remember this!" Lin weiqin shouted angrily.

Tian Yuan was also furious, "she said that the surgery was done the week after you broke up!" There's a date on the operation sheet, so it'll be easy to find out the truth!"

"No matter when it was done! If she's really pregnant, she's someone else's!" Lin weiqin shouted, "when I was dating her, she did make me a cuckold!"

Tian Yuan stared at him with wide eyes.

Lin weiqin rubbed her forehead. when I broke up with her, she agreed very quickly. It doesn't fit her personality at all. However, I didn't think too much about it. After all, he wasn't someone I cared about. I finally understand now. She was pregnant at that time, so she might have thought that I had already found out, or she didn't want to make a big deal out of it, so she agreed to break up. After they broke up, she immediately left and had an abortion."

Tian Yuan pursed her lips and lowered her head in silence.

"You don't believe me?" Lin weiqin asked.

"I don't believe it, and I don't doubt it either." Tian Yuan said, " even if I believe you, if you can't produce any evidence, I won't be able to refute her, and she'll still come and bother me!

"Can't you just ignore her?" Lin weiqin couldn't understand.

Tian Yuan was stunned and shouted, "I'll feel bad!" Don't you understand? Even if there's nothing between the two of you, I don't want to hear her say those things!

Lin weiqin was stunned for a moment, but he suddenly understood her feelings and hugged her in his arms.

Tian Yuan shook him off and said,"you're the one who started this, so you should solve it yourself!" Don't come looking for me before it's resolved!"

"Yuan Yuan- "

"Then what do you want me to do?" Tian Qi shouted, "you don't want to take the blame for yourself, but you expect me to? I can't even eat now!" "I'm sorry!" Lin weiqin hurriedly said, "it's my fault. I'll settle it.

Tian Yuan sniffled and turned her head to the side.

Lin weiqin held her hand and said, "I know that you don't believe that I'm innocent." However, I have a witness. Someone saw her with someone else.'

"Who is it?" uh, hehe. Lin weiqin was stunned and suddenly stopped talking.

Tian Qi was immediately angry. She withdrew her hand and said, "I'm hungry,

I'm going to eat!"

"Yuan- "

"Stop! "Tian Yuan shouted, " I don't want to talk about this now. If you don't want to leave, then don't mention this anymore."

Lin weiqin looked at her and reached out to hold her in his arms. He promised in a low voice, " I will give you an explanation." He did have a witness, but that person was yang danqi.

She would definitely not testify for him.

Besides, he only knew the truth based on her one-sided statement. If she wanted to deny it now, he could not find any other witnesses.

Therefore, the only way to dispel Tian Yuan's doubts was for le Yi to admit it herself.

Thinking of yang danqi, Lin weiqin's eyes narrowed.

Could it be that le Yi's appearance was related to yang danqi?

Otherwise, why would she appear now out of all the times they had broken up eight years ago?

Chapter 1717: Yang danqi's confession

Lin weiqin remembered the day he broke up with le Yi. Le Yi had asked him why in a panic, and he had calmly said, "I'm in love with someone else."

Le Yi looked at him, her eyes flickered, as if she didn't want to believe it. Then, she cried and accused him of wasting her youth.

He knew what she wanted, so he wrote her a check and didn't ask for the gifts she had given him in the past.

Le Yi held the check and hesitated for a moment. Lin weiqin could tell that she wanted more, so he wrote another one.

She heaved a sigh of relief and finally left.

He could be considered to have redeemed his freedom, but when he thought of Tian Yuan's young age, he felt very depressed.

He had drunk a lot that day. When he returned home, Lin Jing and yang danqi were also there.

He did not know who had spread the news of his breakup, but when everyone saw him drunk, they thought that he was drowning his sorrows in alcohol. They did not dare to say a word for fear of bringing up his sad memories.

He had a terrible headache and was too lazy to deal with everyone, so he went back to his room after saying hello.

Falling on the bed, he took out his phone and looked at Tian Yuan's photo. He smiled and pressed her into his arms.

In a half-awake state, the door opened. Yang danqi carefully shouted, ' "Cousin?"

Lin weiqin's eyelids twitched, but he was too lazy to lift them.

Yang danqi closed the door and walked in. She said softly, " Auntie asked me to bring you a cup of honey water. She said it can help you sober up. Are you okay?"

Lin weiqin opened her eyes and got up, " "I'll have to trouble you."

Yang danqi passed him the water and said with heartache, " "I heard Yingluo, you broke up with sister Leyi?"

Lin weiqin was stunned and looked at her in surprise. He finally understood why everyone was like that when they entered. They thought Wanwan was the only one who could do that.

hehe, hehe. he shook his head and laughed.

He didn't like le Yi, but he just wanted to forget Tian Yuan, so he simply grabbed a girlfriend.

However, yang danqi misunderstood his reaction. She pounced over and grabbed his wrist, saying, " "Don't be sad! Since le Yi dared to have two-timing, she's not worthy of you!"

Lin weiqin shook his head. He didn't care, but he was stunned, " "What did you just say? Two-time?"

Yang danqi was stunned. you? you don't know? " she asked.

"I don't know." Lin weiqin's face was stern. what do you mean by two-timing?

I thought ran ran," yang dangi said anxiously, " I thought you knew about ran ran.

"Now that you know, you can tell me."

Lin weiqin put the cup aside, her expression was very calm, not at all angry at being betrayed.

He felt guilty for using Le Yi. If le Yi really betrayed him in the process of their relationship, then they would be even.

Yang danqi carefully observed his expression, " I was filming a movie two days ago and was staying in a hotel. I saw her getting a room with someone else.

"Why didn't you tell me?" Lin weiqin looked at her.

"I was just about to tell you when I heard that you two had broken up. I thought you already knew, so I broke up with her, Hanhan."

Lin weiqin waved his hand: " it's fine. We've already broken up.

Yang danqi bit her lip and suddenly grabbed hold of him and said boldly, " "CA-cousin, since you've broken up with her, then be with me! Do you know how much I like you? Seeing you with her, I'm going crazy!"

Lin weiqin quivered and sobered up. He pulled back his hand and said, " "What nonsense are you spouting? I'm your cousin!"

"The whole world knows it's not! We don't have any relationship!" Yang danqi said agitatedly, "I'm just an orphan. God arranged for my parents to adopt me just so I could meet you! Wei Qin"

Chapter 1718: To be honest, I'll give you a check

"Stop!" Lin weiqin jumped up from the bed and pointed to the door, " get out!

"What did you say?" yang danqi was stunned.

"Get out." Lin weiqin looked at her coldly, " I thought I heard wrong when I was drunk. I hope I won't hear it in the future. Otherwise, I won't even acknowledge you as my younger cousin! "

"Why?" Yang danqi shouted, "I- 't

"I already have someone I like in my heart." Lin weiqin interrupted her.

"Is it le Yi?!" yang danqi was stunned.

"If it's her, why should I break up with her?" Lin weiqin lowered his head, his temples throbbing. I broke up with her because there's someone I like. I'll never accept you, no matter who you are or whether you're my cousin.

Yang danqi took a deep breath and ran out of the room sadly.

Lin weiqin returned to the capital the next day and asked someone to check on le Yi p s whereabouts. He didn't call her, but directly asked someone to bring le Yi to him.

Le Yi had just shouted at Tian Yuan, and her heart was full of anxiety.

What kind of person was Tian Yuan? She could even rely on the president, so how could she afford to offend him?

When she was pulled into the car, she thought it was Tian Yuan's people. When she walked into the private room and found that it was Lin weiqin, she immediately heaved a sigh of relief.

She shook off the person behind her and walked over seductively. yo, ex-boyfriend, you're finally willing to reminisce with me? '

Lin weiqin glanced at her, slowly poured himself a cup of tea, and gave a look to the subordinate behind her.

The two of them quietly left, and le Yi immediately walked towards Lin weiqin, lifted her skirt, and sat on his lap.

Lin Wei quickly stood up and avoided her.

Le Yi was stunned and laughed, "why are you so fake?" What's our relationship? It was so good back then ..."

"That's enough!" Lin weiqin shouted, "we'll only reach first base at most. Don't spout nonsense here! You won't get any benefits if you play the fool with me!"

Le Yi's face stiffened, and she sat down angrily.

Lin weiqin also sat back in his original position, took a sip of tea, and placed the cup on the table heavily, "Tell me, why did you say that to Tian Yuan? Is the abortion surgery slip real or fake?"

"No matter if it's real or fake, the child isn't yours." Le Yi snorted.

"Of course, we never had sex!"

Le Yi smiled, "so what if it didn't happen?" As long as your little girlfriend believes it! "

At this time, a voice suddenly came from the room. Le Yi was startled and turned to look at the screen behind her.

She had noticed it when she came in, but she thought that the decoration was good. She didn't expect someone to be hiding behind.

A person walked out from behind the screen. It was Tian Yuan.

Le Yi was stunned for a moment, then she sneered and said to Lin weiqin, " "I didn't think that I could continue to destroy you today. Even if he's not here, I can't do anything if you secretly record the video and sound." Tian Yuan was a little speechless and glanced at Lin weiqin.

"Why did you do that?" Lin weiqin asked le Yi.

it's fun~" le Yi said, "I just want to know if she was the one you liked back then!

Lin weiqin knocked on the table and said, "tell me the truth. Here's a check."

Le Yi was overjoyed, while Tian Yuan shouted, "why?" Isn't your money for me to spend?"

Lin weiqin was stunned. He looked at her and helplessly held his forehead.

"Then I won't say anymore!" Le Yi said angrily.

"If you don't want to say, then forget it!" Tian Yuan said, " you don't speak the truth at all. Even if you did, I wouldn't believe you!

maybe your boyfriend wants to know!

Tian Yuan was stunned and looked at Lin weiqin..

Chapter 1719: losing money to avoid disaster

“It’s fine if you don’t tell me, I can guess it anyway,” Lin weiqin said.

When Tian Qi heard what he said, she understood that there was more to this matter. She looked at le Yi and said, “I’ll Sue you for extortion if you don’t tell me the truth!”

“This is a good idea.” Lin weiqin said, “she was overseas before. Just say that she sold state secrets. That’s better than anything else!

Le Yi was shocked.

She would have thought that others were joking, but these two people were different. They were the president’s relatives!

“Alright, alright!” She said angrily. You guys are so annoying, bullying me, I’m just-”

She paused for a moment, unable to find a suitable identity to describe herself. She gritted her teeth and said, ” ‘Don’t think that I have the time to come and destroy you. Someone just gave me two million and told me to come back and destroy you!’

you were bought over by two million?! Lin weiqin shouted. The check he had written back then was a whole six million Yuan!

“Who is it?” Tian Yuan asked.

Le Yi crossed her arms and said, "I've been paid, how can I sell- n

"I'll call the police." Tian Yuan took out her phone.

"Then I don't need to write a check." Lin weiqin said.

Tian Yuan glared at him, and he immediately said, "We'll lose money to avoid disaster! To save money and avoid disaster!"

"I'll tell you, I'll tell you!" Le Yi said with a fawning smile. Give me the check and put down the phone!"

Tian Yuan looked at her in dissatisfaction and put down her phone.

Lin weiqin took out a checkbook, wrote a check, and handed it over.

Le Yi reached out to take it, but Lin weiqin immediately took it away.

Le Yi snatched it over, looked at the number on it, and said with dissatisfaction, " "Only a hundred thousand?"

"You actually wrote 100000!" Tian Yuan shouted at Lin weiqin.

Lin weiqin said,"ran ran, you can't let her know that the break-up fee is six million Yuan.'

Le Yi put away the check and snorted at Tian Yuan, " "You're also a rich young lady, right? You're not even willing to part with 100000?"

"Nonsense! My bag is only 400000 Yuan!"

“Lin weiqin!” Le Yi raged. Your girlfriend is too hurtful, I don’t want to talk about it anymore!”

“Give me back my money!” Lin weiqin rapped the table in anger.

As the saying goes, “three women make a show,” but there were only two of them and they were already quarreling! Le Yi wasn’t even a proper ex-girlfriend yet. If she had really been in a relationship, wouldn’t it trigger the Third World War?

“It’s your cousin, yang danqi!” Le Yi choked and said with a cold face.

Tian Qi was shocked and looked at Lin weiqin in disbelief.

Lin weiqin’s face was expressionless, as if she had expected this.

Le Yi stood up and walked out. She stopped at the door and said with a smile, ‘ “She is not your blood related younger Biao sister at all and can not see you doing well. Could it be that she would be angry?”

“Return the money!” Lin weiqin said.

Le Yi slammed the door and disappeared.

Tian Yuan and Lin weiqin didn’t speak. After a long time, Tian Yuan asked, ‘ “She really likes you?”

“I’m talking about yang danqi.” She had already guessed it four years ago.

“Yes.” Lin weiqin nodded.

Tian Yuan pursed her lips, very unhappy.

“I’ve never liked her,” Lin weiqin said as he grabbed her hand.

“But she definitely sees me as an enemy. No wonder she was so against me back then!

“I’m sorry,” she said. Lin weiqin said in a low voice.

Tian Yuan glanced at him and reached out to cover his hand. “It’s fine now. It’s good that we know he’s the one behind this.”

“Then you should be careful in the future. After all, you’re in the same circle, and it’s hard to guard against Yingluo.”

I’m not afraid of her. If I want to shut her out, she’d better not provoke me!

“Yes.” Lin weiqin kissed the back of her hand and asked with a smile, “ you’re not angry anymore, right? You really scared me to death, Yingluo..”

Chapter 1720: Are you dating?

“My eyes are swollen from all the crying!” Tian Yuan shouted, “Hmph, you had such bad taste in the past!

Lin weiqin said guiltily, “I just randomly caught them!” You’re the only one in my heart, why would I care about other people?”

Tian Yuan smiled smugly and reached out to pinch his ear. “You’re the most obedient now

Lin weiqin lowered his head and rubbed it against her forehead, saying softly, ““You’ll be this obedient in the future too.”

Tian Yuan blushed and retracted her hand.

Lin weiqin chuckled, feeling as if he had seen a rainbow after the storm.

On Father's Day, Tian Yuan had prepared a gift for CEng Shuai and sent it to his office early in the morning.

She hadn't been home much recently, and Zeng Shuai hadn't seen her for a long time. He immediately said, "Let's have lunch together!"

Okay, okay •tTian Yuan agreed. I'll go find mom. See you at noon

After Tian Cheng met her, she looked at her carefully and smiled. "I haven't seen you for a while, but you've become more and more beautiful."

Tian Yuan's face turned red, and she said silently in her heart, "It's probably because of Lin weiqin, ran ran.

She said coquettishly, "mom is getting more and more beautiful!" Where are we going for lunch?"

I've made a reservation at a hotpot restaurant. We'll cook at home tonight. Your dad won't be able to guess it!

Tian Yuan nodded hurriedly and said, "I'll be the chef then." While they were eating hotpot, CEng Shuai sized up Tian Yuan.

"Dad, What are you looking at?" Tian Yuan felt a little uncomfortable.

Zeng Shuai touched his chin and said, "you've added a lot of good things recently

Tian Yuan was stunned. Remembering that the earrings and necklace she was wearing today were all gifts from Lin Wei, she asked anxiously, "I can't?"

"Sure!" Zeng Shuai looked at her shoes again. but I don't think your royalties are that much, right?"

Tian Yuan,"ran ran, do you have to be so smart?"

"I don't think I've received your bill, Yingluo."

Tian Yuan had her own credit card, but the amount was not large, and her savings were not enough for her to squander. Zeng Shuai had made a supplementary card for her, which could be used without limit. However, whatever she bought with that card, the bill would always appear in front of CEng Shuai. Zeng Shuai did this to prevent her from spending money recklessly. But what made him depressed was that Tian Yuan had never used his card all these years!

"Are you in a relationship?" Tian Cheng asked Tian Yuan.

She was getting more and more beautiful, and her spirit and temperament were also sunny. This was obviously the rhythm of love!

"Who is it? You're so willing!" CEng Shuai asked eerily.

Tian Yuan said guiltily, "I'll show it to you guys anyway, what's the hurry, ran ran?"

"How can I not be anxious? Am I still your dad?" Zeng Shuai called out.

what are you shouting for?! Tian Cheng said hurriedly.

CEng Shuai immediately wilted.

"When the relationship is stable, I'll bring it to you, okay?" Tian Yuan asked.

“Not stable yet? Then what are you talking about!” Zeng Shuai slammed the table.

“Commander CEng!” Tian Cheng was furious. can you be more reasonable? ‘

Zeng Shuai looked depressed.

“Don’t relationships have to be stable?” Tian Cheng said helplessly.

Tian Yuan nodded vigorously.

Tian Yuan looked at her and smiled, “who is it?” Do we know each other? How is he?” he’s good. He’s young and promising. He’s also calm and treats me well.

“I can tell.” Zeng Shuai glanced at her.

How could it not be good to buy jewelry that cost hundreds of thousands?

Whether a man treated a woman well or not depended on how much he was willing to spend for her!

“You’re still not satisfied?” Tian Cheng rolled her eyes at him and said to Tian Yuan, “ then let’s invite him to our house for a meal some other day.

Tian Yuan slowly nodded, a little worried for Lin weiqin..
