

Ditsy Wife 1731

Chapter 1731: Unless Tian Yuan dies

Lin Lei was a man of action. When it was time to eat, he started to put food into mother Lin's bowl. Mother Lin was overwhelmed by the favor.

Wu Yan was also taking food for Lin weiran, while Lin weiqin was taking care of Tian Yuan wholeheartedly. The four of them didn't notice anything unusual.

Mother Lin thought, could it be that loving one's wife is contagious?

Lin Lei reflected on how much he owed his wife over the years and neglected the fact that Lin weiqin didn't cook him Dongpo meat.

When Lin weiqin left with Tian Yuan, mother Lin said enthusiastically, "Come and play more often in the future!"

Tian Qi blushed and nodded. She was a little embarrassed.

Lin weiqin held her hand and got into the car. He smiled and asked, "My mom likes you a lot. Are you relieved now?"

Tian Qi thought, how could future daughter-in-law and future daughter-in-law be the same? Perhaps her mother-in-law would despise her after they got married!

However, she believed that Lin weiqin would not let this happen.

She smiled and nodded.

Lin weiqin kissed her and really wanted to ask, " Since you're relieved, when Will you marry me?

However ,

It seemed to be too early. At least, commander Zeng would not agree.

When it was Mother Lin's birthday, Lin weiqin brought Tian Yuan home again.

Mother Lin hadn't held a big birthday party for a few years. It was always her own family that celebrated it. This year, it was a little organized. They invited their in-laws (Wu Di and Tang Xinxin) and future in-laws (Zeng Shuai and Tian Cheng), as well as Lin Jings family of three. It was quite lively.

Tian Yuan didn't expect yang danqi to come and felt a little uncomfortable. However, Lin Jing was Lin Lei's younger sister, so she naturally wouldn't show it.

Lin Jing and yang danqi were even more upset than her!

Lin Jing didn't have much opinion about Tian Yuan, but she had a long-standing hatred for Tang Xinxin and Tian Cheng. It was possible that she no longer had any feelings for Sheng nanxuan, but she was used to hating these two.

When yang danqi saw Tian Yuan and Lin weiqin standing together, she was so jealous that she went crazy! She knew that she probably wouldn't have much of a chance, unless Tian Yuan died!

Zhenzhen died?

She glanced at Tian Yuan, gritted her teeth, and drank the wine in her glass.

Half a year later, Tian Yuan went to attend an award ceremony.

She was nominated for the best scriptwriter and walked the red carpet with the crew. She went to the lounge to touch up her makeup.

Although she was a newcomer in the industry, she had a good father and the organizer had arranged a separate lounge for her.

After touching up her makeup, she went to the bathroom.

When she was washing her hands, someone suddenly came in. She looked in the mirror and saw that it was yang danqi. She couldn't help but be stunned.

When yang danqi saw her, she was also stunned for a moment.

Ever since yang danqi made a comeback, she had been looking for Tian Yuan all the time. She had always hoped to meet her at work and teach her a lesson.

However, Tian Yuan firmly believed that yang danqi was a lunatic and would never have the opportunity to cooperate with her. There was no way he could not make the other party come to the award ceremony. Whoever knew that enemies were bound to meet on such a narrow road, they would easily bump into each other.

Tian Yuan shook off the water on her hands and walked to the dryer.

Yang danqi suddenly walked over and stood in front of her.

"What do you want?" she frowned.

Yang danqi looked at her face and gritted her teeth. She said in a low voice, "I can't wait to disfigure you!"

Tian Yuan shuddered and took a step back.

Yang danqi sneered and suddenly reached under the tap. The automatic tap immediately came out, and she poured water on Tian Yuan.

Tian Yuan, who was wearing a white dress, was immediately drenched. She shouted angrily, "What are you doing?"

"What am I doing!" Yang danqi pounced over agitatedly, twisted her arm, and pressed her head under the tap. you caused me to be in prison for three years.. I really want you to die!

Chapter 1732: no one else can get it

Tian Yuan struggled to push her away and shouted, "If you didn't harm me, why would you go to jail?" you ... yang danqi panicked when she heard her scream so loudly.

If anyone heard it and spread it, his life would be over!

If the public found out that she had been in prison, she would have to leave the entertainment industry.

However, she had been in this circle since she was young and didn't know anything. What else could she do after leaving this place?

She pushed Tian Yuan away in a hurry, and Tian Yuan fell to the ground, her head hitting the wall.

Yang danqi jumped in shock and hurriedly looked at the door. Seeing that no one came in, she heaved a sigh of relief and looked at Tian Yuan coldly.

Tian Qi held onto the sink and got up, her head buzzing.

She looked at yang danqi. why is ran ran against me? why? ” she asked.

“Why?” Yang danqi smiled sadly, leaned closer to her and said, ” because I like Lin weiqin!

Tian Yuan already knew about this, so she wasn’t surprised. She looked at her as if she was looking at a lunatic. “He’s your cousin!”

“It’s not like he’s my real cousin!” Yang danqi shouted.

She always remembered when Lin weiqin rejected her, he said, ” “I already have someone I like in my heart.”

From then on, she had been secretly observing Lin weiqin, but Lin weiqin had concealed his feelings for Tian Yuan very well. Moreover, Tian Yuan was ten years younger than him, so she didn’t suspect Tian Qi at all and only treated Yu Xinya, Fang yuezhu, and the others as her imaginary enemies.

However, there was one time when Lin weiqin was drunk and shouted Tian Yuan’s name, and she finally discovered this big secret.

However, she didn’t say anything and pretended not to know.

At that time, Tian Qi had just entered high school, and she had asked the school hunk, Chen jiahan, to pursue Tian Yuan. She thought that since Tian Yuan was with someone else, Lin weiqin naturally had no hope,

Sure enough, after Lin weiqin saw Tian Yuan with someone else, he could only bury his feelings in his heart.

Later, she wanted to completely destroy Tian Yuan. In this way, Tian Yuan would become a pair of broken shoes and would no longer be worthy of Lin weiqin.

Hence, she incited Chen jiahan to sleep with Tian Yuan. Chen jiahan failed and wanted to drug Tian Yuan!

But all of this had actually helped Lin weiqin.

The more yang danqi thought about it, the angrier she got. She had already lost her mind.

If she couldn't get it, then no one else could!

She walked towards Tian Yuan. Tian Yuan wanted to hide, but she had just sprained her ankle, and her ankle was in excruciating pain, so she could not move.

She hurriedly opened her bag and took out her phone. Yang danqi rushed over and threw her phone to the side.

The phone fell to the ground with a bang.

Tian Yuan's leg swayed and she shouted, "help!"

Bang! Bang!

The door was suddenly knocked open, and Tian Yuan's assistant rushed in, asking anxiously, "Miss Tian, what's wrong?"

Seeing yang danqi, she was puzzled and hurriedly walked to Tian Yuan's side.

"Miss Tian, it's time to go to the scene."

I twisted my foot. Tian Yuan gasped. take me to get it corrected first.

“Ah!” The assistant shrieked and looked at yang danqi warily before helping

Tian Yuan out.

Tian Yuan pointed at the phone on the ground and said, “my phone-”

The assistant went to pick up the phone. Tian Yuan looked at yang danqi and said, “There are surveillance cameras outside. If anything happens to me here, you won’t be able to escape punishment!”

Yang danqi raised her hand to hit her, but her assistant rushed back and blocked Tian Yuan’s way, shouting, “What are you doing?”

The sound attracted the attention of other people, including the staff and two artistes.

“What’s the matter?” everyone was puzzled.

Tian Yuan didn’t say anything, and the assistant helped her out angrily.

She asked the other party to send her to the lounge and instructed, “Tell the organizers that I won’t be attending the awards ceremony.”

Anyway, they were already walking the red carpet, so it was not like they were not giving the organizer face..

Chapter 1733: It’s all your fault

After her assistant left, she called Lin weiqin. “I’m injured, Yingluo.” “What’s going on!” Lin weiqin was shocked.

Tian Yuan sniffled and said, "I want to go home and take a walk."

"I'll be right there!"

After hanging up the phone, the assistant came back. "Should I call the doctor?" she asked Tian Yuan worriedly.

Tian Qi furrowed her eyebrows and touched her injured area. It was so painful that she immediately shrank back.

She leaned back on the sofa. I have a headache. Go outside and keep watch.

When Mr. Lin comes, let him in. No one else is allowed in!

okay, Qianqian. the assistant turned around and walked back after taking two steps. when I went over just now, I think I saw a person who looked like a reporter leave.

Tian Qi suddenly opened her eyes and looked at her.

She was shocked and held her breath.

it's fine, ran ran. Tian Yuan closed her eyes again. it won't affect me.

If she didn't want to get into trouble, her name wouldn't appear on the news anyway.

The assistant understood what she meant, nodded and went out, thinking that yang danqi deserved it.

After a while, Lin weiqin arrived. When Tian Yuan walked the red carpet, he was the one who sent her there, so he was waiting for her nearby.

He walked into the lounge and found Tian Qi sleeping on the sofa. He was very worried.

“Yuanyuan?” he hurriedly walked over and called out softly.

Tian Qi opened her eyes and looked at him aggrievedly. She reached out and asked for a hug.

He immediately hugged her and asked, “what’s wrong?” “Where are you hurt?” “Head and feet.” Tian Yuan leaned her head into his arms.

Lin weiqin carried her and left, thinking to himself, ‘t He was injured from head to toe, what could he do?

She went to the hospital for a checkup. Fortunately, she didn’t have a concussion and her ankle was sprained.

Even so, Lin weiqin’s heart ached for her and he was even angrier at yang danqi.

When he brought Tian Yuan home, he said, “ a reporter recorded your conversation. Your father and I feel that it should be released. We’ll let yang danqi know what’s good for her!

“A conversation?” Tian Yuan was stunned. is that clear? How much did you record?”

“Do you still feel sorry for her?” Lin weiqin looked at her.

“No, I didn’t. I’m just afraid it’s not enough to uproot her. ‘

“I’m sorry, ran ran, it’s all my fault.” Lin weiqin sighed and blamed himself.

“It’s good that you know!” Tian Yuan said angrily, “ it’s all your fault, but you got me hurt! It’s very painful, you know?”

“Yes, yes, yes, Yingluo won’t dare to do it again!” Lin weiqin said hurriedly.

The next day, all the major entertainment headlines were not about who won the Best Actor and Best Actress award, nor was it about who revealed her thighs and chest on the red carpet. It was about yang danqi!

shocking revelation: yang danqi retired for three years, but ended up in jail!

The report said, “last night, at the backstage of an award ceremony, yang danqi beat up an artist in the women’s washroom. She personally revealed that she had disappeared from the public a few years ago because she was in jail. The report caused an uproar.

Yang danqi had disappeared for three years. No matter what she said, most people did not believe her. However, he didn’t expect that the truth would be far more terrifying than speculation!

Fans loved the new and hated the old. Yang danqi had disappeared for a few years, and only a few of her original fans had left. Even if there were some loyal fans who stayed behind and had maintained their exposure in the past year, the contrast of the truth disappointed the only fans.

All of a sudden, she was hated by everyone.

Yang Jian had always been impatient with her and Lin Jing. He had been thinking about Tang Xinxin for decades. It was a pity that Tang Xinxin married a good husband and had a good friend with a strong background. She was doing very well in her career, and he didn’t even have the right to look at her from afar..

Chapter 1734: The first anniversary

He could only try his best to develop his career so that he could at least have a chance to be on the same stage as Tang Xinxin.

Therefore, if adopting yang danqi could bring him benefits, he would do it. Yang danqi was in trouble. In order to prevent his reputation from being affected, he would help cover it up.

But this time, it was obvious that the star Corporation did not intend to let things go easily. They had even released the surveillance and recording, so he could not be bothered to care.

Lin Jing didn't really want to care about it. Yang danqi wasn't her biological daughter, and her life was affected by the ruckus.

At this moment, Lin Lei called her and scolded, "I already know about danqi's matter! Don't expect me to help you this time! Send her abroad and treat her illness. If she's not, then learn to be a good person!"

Although Lin Jing didn't want to care, she was also dissatisfied with him helping an outsider without distinguishing right from wrong. She shouted, '

"Big brother, why don't you ask about the truth!"

"Do I still need to ask for the truth? CEng Shuai even dared to shoot my son, why don't you take your daughter and leave?"

Lin Jing was stunned and hung up the phone.

Anyway, she didn't have any feelings for Yang Jian in the past few years. The two of them had been playing on their own, so she simply took yang danqi abroad.

As soon as the two of them left, the media quickly removed the news. Yang danqi's name didn't even spread for long.

For the forgetful public, the days were no different from the past.

For Tian Yuan and Lin weiqin, without yang danqi, this ticking time bomb, their days were much lighter.

In the blink of an eye, it was Valentine's Day. Lin Wei diligently ordered flowers to be sent to Tian Yuan's residence, home, and company. Anyway, she could receive flowers no matter where she was!

Tian Yuan received the flowers at her own place and another one when she arrived at the company. Then, Zeng Shuai called her and scolded her, "Lin weiqin, don't you know how to be sensible? you're sending roses everywhere!"

I think he's very sensible, ran ran," Tian Yuan mumbled in a low voice, smiling.

"You better remember this!" Zeng Shuai hung up the phone.

Tian Yuan happily called Lin weiqin, "Why did you send so many flowers?"

"I don't know where you are, so it's safer to give you both." Lin weiqin said with a smile.

"Why don't you just call and ask?" Tian Yuan said in a low voice.

"How insincere would that be?"

Tian Yuan smiled. I won't say anything more. I'll go and do my work.

"I'll pick you up later."

"Alright

In the evening, Lin weiqin took her to a Western restaurant for dinner.

This time, they finally enjoyed a romantic dinner in peace, with no one to disturb them.

When they were eating, Lin weiqin gave her an expensive diamond bracelet. Tian Qi's heart ached, and she said, "don't waste money in the future, ran ran."

She didn't think so before, but recently, she felt more and more that she was wasting her money.

Lin weiqin kissed her. don't worry. I'll make a profit.

Then, Lin weiqin took her to his place.

As soon as she entered the room, she smelled a fragrance. When she fixed her eyes on it, she found that the entire room had become a sea of roses.

Tian Qi turned her head in a daze and asked, "what are you doing?" Achoo-" "What's wrong?" allergic? " Lin weiqin asked anxiously.

Tian Yuan shook her head and rubbed her nose. "It's fine. The fragrance of the Kasaya is too strong,"

"Uh, I'll open the window and take a walk." Lin weiqin hurriedly opened the window.

Tian Yuan looked at the flowers around her-there were red, pink, white, and perfumed lilies.

She picked up a pink rose and sniffed it. She heard Lin Yuqin ask, " hey, do you think today is our one-year anniversary or tomorrow? "

Tian Yuan was stunned.. She turned around and saw him standing in front with his hands in his pockets, looking inexplicably handsome!

Chapter 1735: Proposal

“Tomorrow!” She said, her heart throbbing.

“You’re right. We only officially started dating on February 15th.”

“I just feel that I can accept another gift tomorrow!” Tian Yuan said with a playful smile.

Lin weiqin: “ran ran, so you’re no different from other women.

Tian Qi laughed out loud and said, “do you dislike it?”

He hurriedly shook his head and slowly walked over. “I don’t mind! Even if it’s Memorial Day today, I won’t be short of a gift for you. I can prepare two.” “Is that so?”

“Of course!” Lin weiqin nodded and slowly took out a small jewelry box from her purse.

When Tian Qi saw this, she held her breath.

This, this, this Kasaya isn’t another earring, right?

Lin weiqin took a step back, knelt down on one knee, and opened the jewelry box. There was an exquisitely shaped diamond ring inside!

Tian Yuan was almost blinded!

She raised her hand to cover her eyes, and he looked at her. "Do you want to marry me?"

Tian Qi said in a daze, "we've only ... We've only been dating for a year, and you're already proposing, ran ran." She didn't really want to agree.

"I've been waiting for you for many, many years." Lin weiqin said seriously.

"But Yingluo, I'm so afraid of having children."

"Then we don't want children."

"I can't either!" Tian Yuan said, "I think kids are cute too. Look at how cute xiaxia is!"

"Then let's give birth!"

Tian Yuan's face turned red. who am I to you? do you think I can have a baby whenever I want? '

"Then you can be who I am!"

"That won't do! My parents haven't agreed to it yet!" "Then if you agree, I'll go to your house and propose marriage." Tian Yuan thought for a few seconds and nodded lightly.

Lin weiqin was overjoyed and grabbed her hand to put the ring on!

The next day

Tian Yuan happily brought Lin weiqin home. Seeing the two of them so proud of themselves, Zeng Shuai was very dissatisfied.

Lin weiqin brought a lot of gifts. CEng Shuai frowned and asked in a rough voice, "What are you doing?"

The Lantern Festival was over, did he still have to pay a New Year's visit?

Tian Yuan lowered her head sweetly and moved her hands around her knees.

Tian Cheng felt something flash in her eyes. She looked over and saw the ring on her finger.

"Do I look good?" Tian Yuan smiled and stretched out her hand.

Tian Cheng glared at her and leaned back. Zeng Shuai saw the ring.

Zeng Shuai's expression changed drastically, and he looked like he was about to explode.

Tian Yuan was so scared that she retracted her hand.

"Stick your hand out!" Zeng Shuai roared.

Tian Qi pouted and weakly reached out her hand.

Zeng Shuai gritted his teeth and asked Lin weiqin angrily, "You did this?"

Lin weiqin nodded, lowered his head and earnestly pleaded, "Uncle, aunty, please let me marry Yuanyuan!"

"You wish!" Zeng Shuai flipped the table.

The first marriage proposal was completely non-negotiable and failed!

Lin weiqin had already expected that things wouldn't go very smoothly, but when faced with such a situation, he also felt very uncomfortable.

He took a deep breath and continued to work hard.

However, commander Zeng had ignored Tian Yuan for half a month, so he couldn't find a way in.

Tian Yuan comforted her. don't worry, don't worry. My dad won't keep me forever. I've already promised you. It'll happen sooner or later.

"Of course I know." Lin weiqin hugged not in a hurry, but I still have to let father-in-law know my heart

Unfortunately, CEng Shuai called Tian Yuan home later and specifically forbade him from going!

After Tian Yuan returned home, Zeng Shuai scolded her,""How old are you? What are you trying to achieve by getting married and becoming an old hag? You're Daddy's Princess!"

I know, ran ran, "Tian Yuan said. then we'll talk about it in two years.. Don't be angry

Chapter 1736: We've only had each other

how can we wait two years?! Zeng Shuai slammed the table. how old are you?

Your mom and I just got married a few years ago!

Tian Yuan glanced at Tian Cheng and thought to herself, "What you're doing is a crime!

Tian Cheng pinched Zeng Shuai, and he looked at her in pain. "I can't bear to part with my daughter."

Tian Cheng glared at him, and he didn't dare to make a sound.

Tian Cheng said to Tian Yuan, "call Wei Qin over when you're free. Your dad and I will observe him." If there's no problem, I'll call your Uncle Lin and aunt Lin for a meal ...

wifey! Zeng Shuai shouted from the side.

"Then I'll call him now!" Tian Yuan jumped up in joy.

"Go on." Tian Cheng said with a smile.

Tian Yuan immediately went back to her room with her phone.

Zeng Shuai's heart was bleeding as he looked at her back view.

Wuwuwuwu

His daughter was getting married, Yingluo.

No, no, no! No!

He grabbed Tian Cheng. didn't you say that you'll let Lin weiqin wait until he's seventy or eighty?" he asked.

Tian Cheng rolled her eyes at him. she's your own daughter. Are you really willing to let her wait until she's seventy or eighty?

Zeng Shuai choked and muttered aggrievedly, "but I haven't seen Yingluo in ten years."

"What kind of mentality are you having?" Tian Cheng said helplessly.

"Humph! Humph!" He had waited for so many years. Of course, he was dissatisfied with other people's path being too easy, not to mention that it was so easy under his hands!

Tian Cheng smiled and put her hand on his shoulder. "Why don't you let Mr. Yuanyuan have a child? When her child is in a relationship, then let her marry weiqin. "

Zeng Shuai thought for a while and shook his head decisively. "Forget it. If Yuanyuan wants to get married, then let her get married, just like Wanwan." He looked at Tian Cheng with a gentle gaze.

Tears welled up in Tian Cheng's eyes and she reached out to hug him. "I'm sorry, Yingluo."

"I'm fine now!" Zeng Shuai laughed and said, "I actually don't care. I'm just worried that you won't want me anymore one day because we're not married. But in fact, we're better than those married couples! Those people were cunning and could even have a change of heart. If they didn't have a marriage certificate, they would have changed partners many times. But we're different, we've always only had each other."

"That's because I'm lazy," Tian Cheng rolled her eyes at him.

"You don't love me?" Zeng Shuai's face fell.

"I love you." Tian Cheng mumbled and lowered her head to lean on his shoulder. actually, I've always wanted to get married, but I'm afraid of Yingluo. I'm afraid of being like my parents. What's the point of that? I'm sorry, Zhenzhen."

"I'm fine, I'm fine!" Zeng Shuai said hurriedly, a little flustered. don't cry! You didn't cry when I wanted to, so why are you crying now?"

When Tian Cheng heard this, she cried even louder.

Just then, Tian Yuan came back from her phone call and saw them like this.

She asked worriedly, "Mom, dad, what's wrong?"

Tian Cheng sat up, wiped her tears, and said, "It's okay, I can't bear to leave you."

When Tian Yuan heard this, she pounced over and hugged them, crying as well.

When Lin weiqin arrived with great ambition, he saw a family of three with tear-stained faces.

From the looks of it, things wouldn't go too smoothly today.

A year later, on a romantic lawn, Roly Poly, the robot who was selling tickets at the entrance of the Science and Technology Museum, stood in front of a couple and asked in its cute mechanical voice, "master, you're about to marry the yuan Yuan you've been dreaming of. Are you happy?"

"The program is wrong!" Lin weiqin frowned, "you're a priest now!"

Roly Poly's Blue eyes flickered as he accepted the voice's command. His tone changed slightly as he asked in a serious tone, "Mr. Lin weiqin, are you willing to marry Ms. Tian Yuan as your wife, love her, comfort her, respect her, and protect her, ran ran?"

"I'm willing to." He looked at the bride.

The bride also looked at him, and after the robot's inquiry, she made a sweet promise, "I'm willing to."

He lifted her veil and gave her a light kiss on the forehead.

Was he happy that he had finally married the bride of his dreams?

Of course, he was happy..

Chapter 1737: Sheng shuangxue's side Story-beginning

The year Tian Yuan graduated and returned to China, Sheng shuangxue and Tong silu had also graduated from college.

They had originally gone to University a year earlier than Tian Yuan, but they had studied medicine for one more year than other majors, so they had graduated in the same year.

Sheng shuangxue had submitted her resume to a police station in the capital, saying that she wanted to be a forensic doctor.

Gong mo really didn't want her to do this. When she came back with her graduation certificate, he asked worriedly, "You really want to be a forensic doctor? A girl doing this Kasaya?" aunt Xinya has been doing it, alright? '

Gong mo choked. then, she will be the only doctor in our family. Can't you just focus on being a doctor?

"Living people are too troublesome!

whoosh, whoosh. it wouldn't be troublesome if someone died!

Sheng shuangxue glanced at her and lowered her head, hesitating to say something. Then, she smiled coquettishly. alright, stop being so annoyed. Sister Wei Ran is getting married in a few days. Let's go for a spa session in case we're not in good shape!

After Lin weiran's wedding, it was time for her to report to the police station.

This morning, she walked into the dining room in her pajamas.

"Why didn't you change your clothes?" Gong mo asked. Are you sick?"

if you want to do it, then do it well, " Sheng nanxuan said. it's not good to be sick and take leave on the first day of work, right?

Sheng shuangxue sat down and said,"well, I have something to tell you guys."

Sheng nanxuan's phone suddenly rang. He picked it up and glanced at it. Then, he was stunned and looked at her.

"Can you stop monitoring me?!" Sheng shuangxue was furious.

"What's wrong?" Gong mo hurriedly asked Sheng nanxuan.

Sheng nanxuan showed her his phone. It turned out that Sheng shuangxue had bought a plane ticket to Nanjiang and was leaving tomorrow.

"Why are you going to Nanjiang?" she asked, puzzled. Don't you need to work?"

Sheng shuangxue bit her lip and said with a puffed-up face, " I've also submitted my resume to a police station in Nanjiang. I want to work there.

"Why?" why didn't you tell us in advance? " Gong mo asked.

"I'm afraid you'll object! I've been protected too well by all of you since I was young. I don't want to be like this for the rest of my life!" Sheng shuangxue shouted, " that's why I want to leave and take charge of things by myself! Nanshan County is a small place, so there won't be any danger. You don't have to worry about me at all."

Gong mo looked at Sheng nanxuan. Sheng nanxuan frowned and looked sharply at Sheng shuangxue. "Did something happen?"

"Can't I choose my own life?" Sheng shuangxue asked impatiently.

Sheng nanxuan rubbed his forehead. you've always been the one who chose your own life. You wanted to learn forensic science, and we let you. Now you want to go to a broken place like Nanjiang!"

He had bad memories in Nanjiang. When Sheng Yiting went there to train for a few years, it was fine. After all, he was a man, and it was good for him to train. Why would a girl like her go there? Wouldn't he be scared to death if he dug out another laboratory?

"Isn't your hometown there? I want to go and see. Besides, big brother used to work there, how did it become a broken place?"

Gong mo and Sheng nanxuan looked at each other. Sheng nanxuan asked, " "If

I don't let you go, are you going to be angry with me?"

Sheng shuangxue looked at him pitifully. "I'm not angry, but I'll cry."

"Alright, alright, don't cry!" Sheng nanxuan said anxiously, " you can go if you want to ...

Nanxuan! Gong mo was anxious.

Sheng nanxuan waved his hand to calm her down and continued to say to Sheng shuangxue, " "If you go, you'll stay there for at least five years. You're not allowed to be transferred, or else

Chapter 1738: She's leaving because of us

"Alright!" Sheng shuangxue agreed. but you have to promise me one thing. You can't send anyone to follow me or get any information about me!

this Yingluo ... Sheng nanxuan hesitated. I'm worried about your safety.

Sheng shuangxue turned her head away in dissatisfaction.

Sheng nanxuan said helplessly, " how about this? I'll talk to the chief and ask him to pay attention to your safety. However, he doesn't have to report your daily life. Is that okay?

"You're not allowed to report to big brother either!"

"He doesn't have the time to care about you!" Sheng nanxuan rolled his eyes.

Sheng shuangxue was depressed when she heard that. She felt like an unloved child.

Sheng nanxuan called Sheng Yiting and told him that she was leaving tomorrow.

Sheng Yiting immediately canceled his evening schedule and brought Tong Sivo and the children back for dinner to bid her farewell.

Nanshan County was a County under the jurisdiction of Nanjiang city. Nanjiang city's economy was developing well, but Nanshan County was just average. Although life was convenient, it was not as prosperous as the big cities.

In the eyes of the people in the capital, it was a poor and remote place.

Sheng Yiting and Tong Siyao couldn't understand her choice at all. After dinner, Tong Siyao gave Tong silu a call when she returned to the presidential palace.

Tong silu and Sheng shuangxue were classmates and best friends. She definitely knew the inside story!

Tong Siyao asked, "shuangxue is going to work in Nanjiang. Do you know what's going on?" I heard that she previously chose the Jingxi branch, why did she suddenly change her mind?"

"I don't know. Ran ran didn't tell me." Tong silu was stunned.

Tong Siyao was confused. she's leaving tomorrow. Didn't she tell you?

"Yingluo didn't." then have a good rest. You have to work tomorrow, right? ' okay. Tong silu hung up the phone.

After she graduated, she moved out of the school and was living alone now.

The house was quite big. He had agreed with Sheng shuangxue that they would live together after working. They could even build a laboratory in the house.

Tong silu took out her phone and dialed Sheng shuangxue's number. It rang for a long time, but Sheng shuangxue didn't pick up.

Tong silu waited patiently. Suddenly, she heard the doorbell ring. She walked over to open the door.

A tall and strong man in a Camouflage Military uniform was standing outside, grinning at her. His bronze skin exuded a sexy and wild charm.

Tong silu looked at him in a daze. He dropped the bag in his hand, cupped her face, and kissed her.

At this moment, the call was connected. Tong silu heard Sheng shuangxue's voice. "Hello?"

Wu Wu Wu Wu. Tong silu hurriedly pushed the man away and ran into the living room with her phone. shuangxue ... I heard you're going to Nanjiang?

The man licked his lips and walked in with his bag. "Shuangxue?" shush- n Tong silu hurriedly stopped him.

But it was too late. Although Sheng shuangxue didn't hear the man's voice, the shush had exposed too much.

"Your boyfriend is here?" Sheng shuangxue smiled bitterly. He's only on leave for a day or two, so you guys should go ahead and date."

Sheng shuangxue hung up the phone. Tong silu lowered her hand slowly. The man walked over and hugged her. He asked in confusion, "What's wrong?" "I think we should break up," said Tong Siyao.

The man was stunned and pushed her away, "why?" I specially came back to see you, why are you treating me like this?"

"Shuangxue is going to Nanjiang." Tong silu looked at him.

"We're breaking up after she left? Do you like her or do you like me?" The man asked irritably.

"Don't you understand?" Tong silu shouted. She left because of us!"

The man was stunned and suddenly pulled her into his arms..”I don’t care! I’m not breaking up!’

Chapter 1739: Gu Yunhao

Sheng shuangxue walked out of the airport and almost fainted from the heat outside.

She quickly hailed a taxi and got in. She said to the driver, ” the Nanshan police station!

The car was already moving forward slowly. When the driver heard her words, he suddenly stepped on the brakes and turned his head.”I won’t go outside the city.”

Sheng shuangxue was stunned and looked at him with wide eyes.

“I’m not going outside the city,” he repeated.

The chauffeur paused for a moment and said in a kind tone, ” if you want to go to Nanshan, you can take the bus.

Sheng shuangxue looked outside and seemed to see the air rising.

She didn’t want to go down, so she asked fiercely, ” “Do you believe I’ll Sue you for rejection?”

The driver was also very annoyed. No one had an easy time on such a hot day.

Even though there was air conditioning in the car, who could understand the loneliness he felt when he touched the steering wheel all day?

“You should be more understanding. Do you want me to send you to the bus station?”

Sheng shuangxue was so angry that she kept panting.

“My wife’s pregnant,” the driver replied, “I still have to go home and have lunch with her.” If I send you off, I won’t be able to make it back in the afternoon.’

Sheng shuangxue looked at him coldly. He felt that the Beauty’s temper was probably proportional to her beauty, so he had to turn his head and drive silently.

Sheng shuangxue looked at the scenery outside the window. Is this the city where my parents grew up?

He didn’t seem to feel anything.

Ten minutes later, she suddenly said, “forget it, you can send me to the bus station.”

“Alright!” The driver stepped on the accelerator and drove at a high speed.

Sheng shuangxue felt that she was being despised. She was so angry that her liver hurt!

Bengong is a great beauty, you actually can’t wait to get rid of me? It’s not like I’m going to die in your car, is there a need to?

They alighted outside the bus station. Sheng shuangxue put on her sunglasses and hung her bag around her neck. She dragged her big suitcase and walked into the bus station.

The sun was getting bigger and bigger. She took a deep breath and gritted her teeth. She would not bow down to the bad weather. No matter what difficulties she encountered, she would not regret the choice she made today. This high temperature was a piece of cake.

Nanshan police station, Criminal Police Office.

When Gu Yunhao entered, a handsome young man jumped in front of him.

“Boss, the chief wants you to go to his office!”

Gu Yunhao furrowed his eyebrows, turned around, and walked out.

The Bureau chief’s office was upstairs. The Bureau chief, old Yang, was 50 years old. He was an amiable and slightly chubby man, but he was always up to no good.

Gu Yunhao entered the room and sat on the chair opposite his desk. “I heard you were looking for me?”

Old Yang pushed up his glasses and asked with a smile, “Why aren’t you wearing your uniform again?”

“If there’s nothing else, I’ll be leaving.” Gu Yunhao stood up.

Hey, hey, hey- n old Yang shouted and beckoned him to sit down. you’re really boring!

Gu Yunhao sighed. He didn’t want to waste time here.

Old Yang smiled and said, “it’s like this. The higher-ups have assigned a forensic doctor to us. He’s just started working. You’ll have to take care of him. She’s a girl, we can’t let her take on those bloody missions!”

“If you’re afraid, why are you still studying forensic science?” Gu Yunhao furrowed his brows. I don’t have time to bring anyone with me. You can leave it to someone else!

“That won’t do!”

“You know what I’m here for.” Gu Yunhao looked at him.

your case has been going on for three years, ” old Yang said seriously. maybe the new member will bring you good luck.

“I only see that my men are getting more and more troublesome!”

“Cough cough!” Old Yang said awkwardly, ” young master Gu, please help me teach them a lesson..

Chapter 1740: Do you know her as well as I do?

In a small place, the professional quality of the police officers was not high, unlike Gu Yunhao, who had handled major cases. Old Yang's dream was for everyone to become a copy of Gu Yunhao or have half of Gu Yunhao's abilities.

Gu Yunhao thought that he had caused a lot of trouble for old Yang in the past three years, so it was better not to reject him.

“Alright!” He nodded. But I'm going to say this first, no matter if you're a man or a woman, you have to listen to me, or else you'll be fired!”

“This person is not ordinary!” Old Yang said anxiously, ” he has a powerful background. Don't be so stubborn!

“What kind of background does he have?”

“You don't need to know about this.” Old Yang said mysteriously. He picked up a folder on the table and handed it to him. this is her information.

Gu Yunhao flipped it open and took a look-

“Sheng?” He stared at the surname and then glanced at the ID photo beside it. the president’s family?

“Don’t talk nonsense!” Old Yangs face was fierce.

Gu Yunhao patted his shoulder. don’t be nervous. I won’t leak the news.

“It really isn’t!” Old Yang said.

The higher-ups had ordered that Sheng shuangxue’s identity could not be exposed. Therefore, even in front of Gu Yunhao, he would never give in.

“Do you know her as well as I do?” Gu Yunhao sneered.

“You know him?” old Yang asked in surprise,

However, Gu Yunhao was from the capital, so it wasn’t strange that they knew each other.

Gu Yunhao paused before he don’t know him.” But I know that she’s the president’s sister!”

Sheng shuangxue rocked in the car for more than an hour and finally arrived at Nanshan bus station.

It was already past noon, and her stomach was growling with hunger.

As she dragged her suitcase out of the station, she realized something terrifying ...

The train station was located at a very low level, and they had to climb a long flight of stairs to reach the road.

She hurriedly looked around, but there was no elevator!

‘I’m going to the county Police station. How do I get there?’ she grabbed the person beside her and asked.

‘We’re taking the bus upstairs!’ The man pointed at the stairs and walked over.

Sheng shuangxue looked over and saw the sun in the sky. She cried out, ‘I’m going to cry!’

The people around her were shocked and looked at her.

‘What are you looking at!’ She shouted angrily.

Everyone immediately turned their heads away and went their separate ways.

Sheng shuangxue took a deep breath. She picked up her suitcase and was about to climb the ladder. Suddenly, she saw a man in a black t-shirt standing next to her, looking at her with his hands crossed and a faint smile.

She looked at him with an innocent (woman looking at man) and professional (forensic doctor looking at the corpse) gaze.

Full marks for his looks! It just so happened to be the masculine type that she liked. His bronze skin exuded a strong sense of male hormones, and his deep eyes showed his inner aura.

Looking at the bulging muscles all over his body, it was definitely a result of years of training. He definitely had a six-pack!

His legs were so long, and the ordinary casual pants looked better on him than a custom-made suit!

Looking at the wrinkles in that area, his penis should be no shorter than 18 centimeters. He just didn't know how it would last.

Overall, she was not worse than Sheng nanxuan and Sheng Yiting in terms of appearance. She could give her a score of 90 or 95.

I didn't expect there to be such a good man in a small place like Nanshan, Yingluo.

Sheng shuangxue suddenly realized,"damn, we're at Nanshan!"

She suddenly felt a burning pain on her shoulder. She must have used too little sunblock!

She picked up her suitcase and saw that the man was still looking at her.. She asked angrily, " "What are you looking at now?"
