

## **Ditsy Wife 1741**

Chapter 1741: You must not have a girlfriend

The man's expression changed immediately. He walked over with a straight face and lectured, "You're the People's Police, how can you yell at the people?"

Where's your attitude in serving the people?"

"Who are you?" Sheng shuangxue was stunned.

The man took something out of his pocket. Sheng shuangxue gasped. She thought he would take out his penis, but he took out his id. People's Police!

That wasn't what he wanted to say. Gu Yunhao of the Nanshan police station, Captain of the criminal Police force, you will be working under me soon. The Bureau chief asked me to pick you up.

Sheng shuangxue remembered that she had indeed received a call from bureau chief yang when she was in the car, asking where she was.

"Let's go," he said. Gu Yunhao kept his documents and walked forward.

Sheng shuangxue followed him with her suitcase. After two steps, she stopped and said, "Hey-"

"What?" Gu Yunhao turned around.

"You're not helping me!" She pointed at her box.

“You’re a police officer, can’t you do this by yourself?” How could he expect her to work in the future? Hmph, the only daughter of the Sheng family was indeed useless!

Sheng shuangxue looked at his handsome face and thought, “ You really can’t judge a person by his appearance! Who knew that he was a beast in human skin!

“Captain, you don’t have a girlfriend, do you?” she asked with a cold smile.

“How did you know?”

“Of course I know!” Sheng shuangxue pointed at herself. look at me-I’m not only a police officer, but also a woman! As a man, if you don’t have the basic compassion for women, it would be strange if you have a girlfriend!” “Oh, I see. Like this?” Gu Yunhao glanced at her nonchalantly. I thought you wanted to be my girlfriend.

you ... Sheng shuangxue felt like vomiting blood- Captain, I’m not blind!

“So, the others are blind? People used to ask me if I had a girlfriend because they wanted to be my girlfriend.”

“So, whether I have tender and protective feelings for women or not, it doesn’t affect me.’

“Yingluo and the others might just have Stockholm Syndrome.”

Gu Yunhao turned around and left.

Sheng shuangxue thought, “this guy is definitely not my Captain!”

She didn’t even see his id clearly just now. He might be a liar! She would not be fooled.

She carried her suitcase and climbed up the ladder. Gu Yunhao was leaning against a Hummer and waiting for her by the side of the road.

She snorted, turned her head, and walked to the bus stop.

The bus stop was only 20 meters away from Gu Yunhao's car. Sheng shuangxue ignored him and walked forward valiantly.

The bus happened to drive over, so she followed the crowd and squeezed up.

hey-" Gu Yunhao wanted to stop her.

She went up, flicked her hair, and looked at him proudly.

The door slowly closed. Gu Yunhao retracted his hand, got into the car helplessly, and slowly followed her.

The bus stopped at the next stop. Gu Yunhao also stopped. Then, he saw Sheng shuangxue carrying a suitcase and getting off the bus with her head lowered.

Gu Yunhao leaned on the steering wheel and laughed until he was out of breath.

Sheng shuangxue had gotten into the wrong car!

Hahahahahahaha

Sheng shuangxue walked over angrily and hit the car window hard.

Gu Yunhao rolled down the window and asked with a smile, " "Why?"

I suspect you're pretending to be a police officer. I want to check your id! she reached out her hand.

"What right do you have to inspect it?"

"You're not employed yet, you don't even have a police ID!"

Chapter 1742: Captain Gu has a girlfriend?

ah! Sheng shuangue screamed and kicked his car door. do you have any sympathy? " I came all the way from the capital, took a plane, a taxi, and a car. There was no air conditioning in the car, so I was sweating all the time. The uncle next to me took off his shoes, and I was covered in smoke the whole way! Yet, here you are, making me climb such a long ladder. Forget it if you have no sympathy, you even laughed at me! I haven't eaten yet! The sun is so bright, I feel like I'm going to get a heat stroke!"

Gu Yunhao felt that it was indeed tragic. If he wanted the cow to plow the land, he couldn't tire it to death, right? If he showed her kindness appropriately, she would listen to him and work hard in the future! (Don't think of getting any preferential treatment with your status!)

He pushed the door open and got out of the car. Sheng shuangxue was startled. She stepped back and looked at him warily.

However, her eyes were not as bright as before.

Gu Yunhao was shocked, did he really get a heat stroke?

"Get in the car first!" He said hurriedly. She went to get her suitcase.

"What are you doing?" Sheng shuangxue screamed. I'll put it in the trunk for you, " Gu Yunhao said helplessly.

“Yingluo, are you really a police officer?”

Gu Yunhao sighed, took out his phone, made a call, and handed it to her after the call connected.

She picked it up in confusion and heard old Yang's voice “Yunhao, have you picked up miss Sheng?” eh? ” Sheng shuangxue asked, embarrassed. chief yang? ” Are you chief yang?”

“Eh? Shuangxue?” Old Yang heaved a sigh of relief. Yun Hao picked you up? That's good, that's good. The weather is hot, so you should rest well. Your dormitory has been arranged, and Yun Hao will take you there.”

“Alright, thank you, chief yang.”

Sheng shuangxue hung up the phone and returned it to Gu Yunhao.

Gu Yunhao had already put her luggage away and said, ” “Alright, get in the car and go eat first. What do you want to eat?”

Sheng shuangxue had no appetite now. She said weakly, ” “I don't want to eat anything, Yingluo.”

Gu Yunhao opened the car's storage compartment and took out a bottle of cold water for her. “Drink some water first, you'll want to eat later.”

Sheng shuangxue glanced at her. She was still upset about what had happened just now, so she turned her head away and ignored him.

Gu Yunhao gritted his teeth. He really wanted to turn off the air conditioner in the car!

He put down the water and started the car.

The county wasn't big, so the car stopped outside the police station in less than ten minutes.

Sheng shuangxue's body heat had not subsided yet. She stretched her head and took a look. "This is the place, Yingying" "Did you bring your id? Do you want to go through the formalities first?" "Sure!" Sheng shuangxue was stunned.

Her identification documents were all in her bag, so she didn't get out of the car with a suitcase.

Everyone in the police station had finished their lunch break and started working. When they saw Gu Yunhao-who usually had the worst temper-come in with a beautiful woman, they were all shocked-Oh my God! Captain Gu has a girlfriend?

How many men were indignant-how could a person like Captain Gu have a girlfriend? Wasn't he just a little more handsome? Women were all superficial creatures!

Many women were heartbroken,"Captain Gu actually has a girlfriend, but I'm not the one who ran ran.'

Gu Yunhao brought Sheng shuangxue to old Yang first. Old Yang was overwhelmed by the favor."Why are you here as soon as you got off the car? It won't be too late to come back tomorrow!"

uh, if you have the time, then get it done first. Otherwise, we'll be delayed for half a day tomorrow. Sheng shuangxue said. She really wanted to get back to work and didn't want to delay it at all.

hahaha Yingluo! old Yang happily patted Gu Yunhao's shoulder.. look, you'll definitely like such a dedicated subordinate!

Chapter 1743: Don't you think he's very handsome?

Sheng shuangxue glanced at Gu Yunhao. The word "like" made her blush inexplicably.

Bah!

How could she be blushing?

It was definitely too hot!

Yes, it was too hot. Although there was central air-conditioning here, it would still take a while for her to relieve the heat poison in her body. She almost had a heat stroke just now. Awoooo! So hungry! Why didn't director yang ask if she had eaten? She was still hungry!

Gu Yunhao was really a bastard. He didn't even take her to dinner!

Old Yang told her some things and then passed her to Gu Yunhao like a boss who did nothing. "If there's anything you need, you can look for him directly!"

Sheng shuangxue glanced at Gu Yunhao and thought, "Me? looking for him? Even in the middle of winter, he would get a heat stroke!"

After leaving old Yang's office, Gu Yunhao took her to the archives room.

There was only one person in charge of the archive room, and she was a young girl.

Sheng shuangxue pondered. He should have a baby face. He couldn't be younger than her. However, it wasn't a good idea to ask about his youth.

Gu Yunhao introduced her. her name is Xiao Mianmian. In the future, if you have any past cases to investigate, you can look for her!

He then introduced Sheng shuangxue to Xiao Mianmian. Xiao Mianmian's eyes widened, and there was a little anxiety in her eyes.

Sheng shuangxue had seen all kinds of women since she was a child. She could guess what was going on with her. In fact, along the way, he had already felt many such gazes.

It seemed that what Gu Yunhao said was true. There were many women who were blind and liked him!

Did Xiao Mianmian see her as a love rival? Did he think that she would have something going on with Gu Yunhao?

Tsk girl, you're really blind. Gu Yunhao is a bastard!

Gu Yunhao glanced at his watch and said to Xiao Mianmian, " I have something to do. Take shuangxue to go through the procedures and familiarize herself with the environment.

"Alright!" Xiao Mianmian straightened her back and nervously agreed.

Gu Yunhao left without looking back.

Xiao Mianmian looked at Sheng shuangxue, feeling a little shy and helpless.

Sheng shuangxue coughed and smiled at her.

"Then let's go," she said with a smile.

On the whole, Xiao Mianmian was a soft-hearted and kind girl, who was especially considerate to Sheng shuangxue.

Sheng shuangxue thought, such a good girl actually fell in love with Gu Yunhao. She must be confused!

After handling the procedures and returning to the criminal Police unit, Xiao Mianmian timidly asked, "Shuangxue, what do you think of Captain Gu?"

"Him?" Sheng shuangxue furrowed her brows. She looked down on Gu Yunhao.

However, since Xiao Mianmian liked it, wouldn't it be bad to say bad things about someone else's sweetheart to his face?

But if he complimented her, would Xiao Mianmian think that she liked Gu Yunhao?

Sheng shuangxue immediately realized that Xiao Mianmian was trying to test her!

"I think it's quite annoying!" She immediately said.

"Don't you think he's very handsome?" Xiao Mianmian's eyes widened. "Yingluo has a bad personality, so what's the use of being handsome?"

Xiao Mianmian was deeply worried.

When she walked into the office of the criminal Police unit, a handsome young man with a particularly gentle and fair face ran over. Hi, Mianmian. Is this the new forensic doctor, Sheng shuangxue? '

Xiao Mianmian blushed and nodded, secretly observing Sheng shuangxue's expression.

Sheng shuangxue saw a takeaway on the desk in front of her and swallowed her saliva with her eyes wide open. She didn't see Xiao Mianmian's reaction.

by the way, " the little handsome boy quickly said, " Captain Gu asked me to order this takeaway. He said that you haven't eaten yet and told you to remember to eat!

"He ordered it?" Sheng shuangxue was stunned.

“Yes.” The man scratched his head. hurry up and eat. It’s already quite late..

Chapter 1744: He’s an old, dried-up piece of cured meat

Sheng shuangxue didn’t want to accept Gu Yunhao’s good intentions, but there were so many people in the office. She didn’t want to be the subject of gossip.

She picked up the takeaway and said, “thank you!” Thank you, Captain Gu, and thank you all! By the way, my name is Sheng shuangxue. I don’t know what you guys are doing.”

Everyone hurriedly introduced themselves. The handsome boy said, ‘ everyone calls me little white. You’re new here, and I’m your senior brother. You can’t call me that!

“Then why don’t we call him handsome!” Someone jeered.

“Yes, yes, yes, call him handsome!”

The little handsome boy scratched his head, “I’m white handsome Yingluo.” pfff ... Sheng shuangxue laughed. is he really handsome?

Handsome White’s face turned red.

shuangxue, there aren’t many people at my place, ” Xiao Mianmian hurriedly said. why don’t you come to my place for dinner? ‘

“Alright.” Sheng shuangxue was famished, but she was too embarrassed to eat in front of so many people, so she immediately followed her.

After entering the archive room, Xiao Mianmian cleared out a space for her, and she laid on the table and started eating.

Xiao Mianmian sat next to him with a worried expression. “Yingluo, what do you think of the handsome white man? Is he handsome?”

“Handsome! He’s already called handsome!”

“Yingluo, how does she compare to Captain Gu?”

“He must be much more handsome! He’s a standard young fresh meat. Captain Gu, he’s a dried old cured meat, the kind that’s been roasted in the sun and is dripping with oil.”

Xiao Mianmian frowned and became even more worried.

At this moment, the door of the archive room was suddenly pushed open. Sheng shuangxue looked over and saw Gu Yunhao. She spat out the rice in her mouth.

Gu Yunhao said, ‘so it’s my fault that my body has turned bronze? Still dripping with oil?’ cough-” he heard her.

Gu Yunhao’s face turned cold. come out if you’re done eating!

Sheng shuangxue looked up. He had already left.

Xiao Mianmian patted her back gently. She coughed and looked at the rice that had spurted out on the table, embarrassed. “I’m sorry, Yingluo, for dirtying your place.”

She helped to clean up the table and went to look for Gu Yunhao.

Captain Gu is a good person, ” Xiao Mianmian said sympathetically. don’t be afraid.

“Yingluo, yes.” It’s fine if you don’t say it, but I’m starting to get scared.

When Sheng shuangue went out, Gu Yunhao was standing in the corridor on the phone.

He turned his head and glanced at her, as if to say “keep up.” Then he turned around and walked forward, saying, ” let me know if you have any news. I’m hanging up.

Sheng shuangxue followed him slowly. He said, ” your office is just next door to the criminal Police unit

...

Sheng shuangxue’s eyes brightened, and she immediately rushed to his side. Her true love was the office!

She actually had her own office?

It must be a dissection room. Wouldn’t there be a lot of human specimens? There must be a lot of bones and eyeballs.

Sheng shuangxue walked in with great expectation and found a man in a white coat and glasses.

The man’s hair was a little long, covering half of his eyes. There was a beard on his chin, and a crumpled t-shirt under his white coat. He looked dirty, a little like the perverted killer in horror movies, Chi Chi.

Sheng shuangxue hid behind Gu Yunhao.

Gu Yunhao said, ”this is your colleague, Zhao Qianqian.” Zhao what?

The man pushed up his glasses and smiled nervously. ‘Zhao Xiaobing, everyone calls me Zhao Siyan.’”

Of course, Gu Yunhao knew that everyone called him Zhao Si Yan, but as the brigade leader, how could he randomly call someone by their nickname?

He coughed and asked, "how is it?" Will you be able to handle it?"

Chapter 1745: Why do you keep targeting her?

Zhao Siyan pushed his glasses again and smiled. "It's alright."

Gu Yunhao said to Sheng shuangxue, " the forensic science room has always been managed by little Zhao. Do you remember what I just told you?

Sheng shuangxue blinked. Did he just say something?

Gu Yunhao's face darkened and he said sternly, " "Pay attention to your work attitude!"

"She's a newcomer, Sheng shuangxue. She'll be your assistant!" He said to Zhao Siyan.

"Hello," he said. Zhao Si Yan nodded to Shuang Xue, a little shy.

Sheng shuangxue thought, "looks like he's a shut-in who's not good with words.'

Gu Yunhao's face darkened. the forensic laboratory used to have very few tests. Sometimes, we had to go to the city's test center. So now, we're preparing to expand on the original foundation.

“Ah?” Sheng shuangxue looked around. It was a little messy. It did look like construction was going on. There were very few instruments, no human specimens, and no mortuary.

“Are there no corpses?” she asked in disappointment.

Gu Yunhao’s eyes twitched. He thought she would scream when she saw the corpse, but she was actually looking forward to it! “Why? do you like corpses?” he asked in a strange tone.

“I’m a forensic doctor!” Sheng shuangxue said seriously.

“Miss Sheng!” Gu Yunhao raised his voice. allow me to remind you that murder cases don’t happen every day in this city. Even if you like to dissect corpses, you only have two or three chances a year. Also, as a police officer, you’d better not have too greedy of a dream in this area. Our responsibility is to protect the safety of every citizen, and you are no exception!”

Zhao Si’s eyes shifted to the side, thinking, “why did Captain suddenly lose his temper?”

The captain continued to lose his temper-

“You might have watched too many TV shows. Please remember, even if you’re a forensic doctor, you’ll have to deal with living people more often in your job.”

“I understand!” Sheng shuangxue was not convinced. I don’t need you to lecture me! I graduated with the highest score in my major!

“Oh? Professional? Which major? Do you want to dissect?”

Sheng shuangxue looked at him with dissatisfaction. Captain, I have to work. Can you please leave?

Gu Yunhao sneered, ‘you’re really dedicated to your work. You came to work as soon as you got off the plane. Let me remind you that you can only start work tomorrow. It’s not your working hours right now.

If you stay here without permission, I have reason to suspect that you have some ulterior motive!" ah!  
Sheng shuangxue screamed. you're crazy!

Why was this person always targeting her?

Zhao Si Yan was quarreling at the side,"why did they start quarreling?"

I'm sick in the head if I tell the truth. You women are so narrow-minded! Gu

Yunhao gritted his teeth and laughed.

Sheng shuangxue was not convinced. She puffed out her chest and patted her chest."I'm narrow-minded? I have a C!"

Gu Yunhao,"Yingluo."

Four-Eyes Zhao,"shua shua shua shua."

Sheng shuangxue paused, then slowly bent down and turned her head away.

Walking to the corridor, she covered her face with her hands. Wuwuwuwu why did I say that?

"There's a surveillance camera in the corridor," a voice suddenly came from behind him.

ah! Sheng shuangxue screamed. She covered her chest and turned around.

Gu Yunhao stood at the door of the forensic room and smiled at her.

Her face was red, but she couldn't help but look up at the ceiling. There really was a surveillance camera! Wuwuwu, don't want to live!

Sheng shuangxue covered her face helplessly, turned around, and ran downstairs..

Chapter 1746: It's useless to act cute

When she ran out of the gate, she saw Gu Yunhao's Hummer parked in the field and remembered that her luggage was still there.

She walked towards the car, wanting to take out her suitcase.

As soon as his hand touched the back of the car, the alarm immediately sounded!

Sheng shuangxue quickly retracted her hand and looked around. She happened to see countless heads sticking out of the office window.

"Who stole a car and came to the police station?" someone shouted.

"Yingluo!" That brother, don't you slander me! It was an accident!

Everyone looked at her as if they were watching a good show. At this moment, Gu Yunhao came out and the alarm stopped.

Everyone continued to watch the two of them as if they were watching a good show.

Gu Yunhao raised his head and roared. are you all not working?!

Everyone shrank back.

Gu Yunhao strode to Sheng shuangxue's side. "What are you doing?"

"I want to take my own luggage!" Sheng shuangxue tried her best to speak as if she was in the right, but she still couldn't help feeling guilty.

Gu Yunhao looked at her impatiently, opened the trunk, and took out the box. Then, he returned to the office building.

Standing under the sun, Sheng shuangxue bit her lip and went to her dormitory.

When she had just gone through the procedures, she had already learned that the dormitory was diagonally across the street, less than 200 meters from here.

The dormitory was an old building with only six floors and was built behind the street. There was a courtyard and a basketball court inside. The police and their families all lived here. There were no security guards, but there was a small supermarket at the entrance. There was a window on the side, and an old man sat inside. He could see people going in and out of the main door. When Sheng shuangxue entered, she was stopped by the old man.

"Who are you looking for?" the old man asked her.

"I'm not looking for anyone. I'm new here and I live here." Sheng shuangxue said crisply.

"Are you new?" Sir system's eyes lit up.

"I'm the new forensic doctor in the criminal Police unit, you're Yingluo, Sir!" "Ah, I'm a retired police officer. I live here."

"That's great. We'll be neighbors from now on." Sheng shuangxue smiled and said, "I'll go in first. I still have to clean the room."

“No!” Sir system said. How do I know if you’re real or fake?”

“Uh, hehe.”

“If you don’t have a guilty conscience, you can wait here for everyone to come back from work.’

Sheng shuangxue pouted. The old man turned his head away.”It’s useless to act cute!”

Pfft- --

Sheng shuangxue was internally hurt, ‘who’s acting cute to you? My Lord, you’re thinking too much!

Sheng shuangxue didn’t want to argue with the old man, so she put the box on the side of the road and sat on it to wait.

Anyway, it was almost five o’clock. He believed that everyone would be off work soon.

The old man looked at her and then at the sun in the sky. He could not bear to ask, ” “Little girl, do you want to come in and sit? There’s an electric fan here.”

“No need,”

“Do you want some water?”

Sheng shuangxue was stunned. She looked up at him and took out her

wallet.”I’ll have a bottle,”

“Alright!” Sir system ran out quickly and handed her a bottle of mineral water.

Sheng shuangxue deeply suspected that he had kept her here to do business with this bottle of water!

“It’s not good for you to wait here. Why don’t you go up first?” Sir system said after a while.

can I?” Sheng shuangxue looked at him anxiously.

“Cough cough!” Sir system said in an especially upright manner, “do you have any identification? Let me see.”

Sheng shuangxue took out the warm identification documents and a bunch of keys. “This was also given by the team.”

“I’ll make a call to confirm.” After looking at the documents, the old man turned around and picked up the phone in the supermarket.

After a while, Sheng shuangxue heard him say, “Little rat, there’s a pretty girl here.. She said she’s the new forensic doctor in your team?”

Chapter 1747: I shouldn’t have been so willful

Sheng shuangxue’s face darkened.

After a few seconds, the old man hung up the phone and said to her with a smile, “Alright, alright, you can go up.”

Sheng shuangxue walked into the yard with her suitcase.

Her dormitory was on the second floor. She didn't need to go up or down, so she wouldn't be tired from climbing.

When he went upstairs, he didn't meet anyone. After going up, he found that there were so many rooms in the building that the criminal Police unit couldn't fill up all the rooms on the first floor. The rest must have been rented out to outsiders.

Sheng shuangxue found her room number, opened the door, and went in.

It was a small room of about 20 square meters. There was a bed, a wardrobe, a small wooden table, a small stool, and a small LED TV on the wall.

The bed and the Wardrobe were empty. There was no mattress on the bed. Sheng shuangxue felt pain in her back before she even slept.

She looked around again. There was air conditioning, and the lights were ceiling lights. She turned on the light and heaved a sigh of relief.

The air conditioner was also on. She immediately turned it on and let the air in before checking the room.

Even though it was small, it was still equipped with a toilet. The toilet was also simple, but at least it had a toilet bowl and a sink.

There was a balcony outside the room and a gas stove. With the gas turned on, he could cook.

Outside the window was a place to hang clothes. Sheng shuangxue said gloomily, "The clean clothes were hanging outside, and the dishes were being cooked. Wouldn't it be full of oil and smoke?"

That's right, she didn't know how to cook!

Sheng shuangxue leaned against the window, raised her head, and hit it hard!

She wanted to cry.

It was really blood and tears!

If she had known earlier, she wouldn't have been so willful. How would she eat in the future?

She was an optimistic person. After being sad for a few seconds, she came back to life and immediately went back to her room to open her luggage. There were only clothes and makeup in it. She didn't even bring enough clothes, so she asked Gong mo to send the rest to her.

At the thought of Gong mo, she immediately called home.

Gong mo heaved a sigh of relief, "I've been worried for the whole day. It's good that you're here." How's the environment?"

it's a little messy. Sheng shuangxue looked at the empty room. there's nothing here. I have to go to the shopping mall. I wonder if there's a shopping mall here.

"There must be some in the county. Are your colleagues friendly? Ask them to accompany you! Remember, I want a girl."

"Yingluo knows!" your clothes are ready. What else do you want? I'll send it to you.

"Uh, Yingluo, you don't have to mail too many clothes. This wardrobe is very small! We'll talk about the rest later. I'll know what I'm missing after a few

days. You don't have to mail anything you can buy here."

“Alright, it’s late, You should go and eat first. Right, you don’t know how to cook. There should be a canteen in the police station, but it definitely won’t be good, Yingying.”

“I’m fine! I’ll just learn. You and dad cook so well, there’s no reason I can’t learn!”

“That’s fine,” Gong mo smiled. you’re already so old. It’s good to exercise.

After hanging up the phone, Sheng shuangxue started to write down the shopping list.

The mattress and blanket were the first to bear the brunt of the impact, or else he wouldn’t be able to sleep.

As for the rest ... She looked around the room. She could buy another wardrobe, or she would not be able to store all her clothes. She also needed a dressing table. Otherwise, where would she put her cosmetics? Oh right, there were still pots, bowls, ladles, and bowls. There was no need to rush.

After all, she had lived in a dormitory before, so she wasn’t blind. She had experience in what she needed in life, and it didn’t take long for her to make a full list.

Then, she sorted out which ones she had to buy tonight and which ones she could buy online another day.

She didn’t want to go to the furniture market personally for such a large piece of furniture. She had to go online to Qin Zhuan studio in the hope that it could be delivered to her doorstep.

Just as she was thinking, she heard someone knocking on the door..

Chapter 1748: He lives next to her

She put down her things and rushed to the peephole to take a look. It was Xiao Mianmian!

She hurriedly opened the door and shouted excitedly, "Mianmian ..."

"You live here?" countless voices were heard.

Sheng shuangxue looked over and found that most of the criminal Police were there. They were standing in front of several different doors.

This Kasaya

Everyone's back?

Sheng shuangxue smiled. Hi! You're all off work? '

At this moment, Gu Yunhao walked past her and stopped next door.

She took a look-he was actually using the key to open the door next door!

F \* ck! Is there a mistake? Who would want to live next to him?

And it was in the direction of the toilet! In this kind of house, there was still a toilet next to the toilet, which meant that they would have to poop and bathe on the other side of the wall? (Young lady, your imagination is too wild.)

"Shuangxue-"

Xiao Mianmian's voice pulled her back from her thoughts. She looked at Xiao Mianmian and felt that she was really cute!

Xiao Mianmian pointed across the street. I live opposite you. You can find me if you need anything.

sure! Sheng shuangxue smiled. Seeing that she was about to open the door, she suddenly called out, "wait a minute. I need to talk to you right now!"

Bang! Bang!

The door next door slammed shut, and everyone was shocked.

Sheng shuangxue immediately pulled Xiao Mianmian into her room and closed the door. Then, he felt that something was wrong, so he opened the door and said to the men outside, "See you guys tomorrow"

She closed the door again and asked Xiao Mianmian, "Are you free tonight?"

"Uh, Yingluo usually doesn't have much to do."

"Then can you accompany me to the mall? I want to buy something."

"Of course it's good!" Xiao Mianmian laughed. I was just worried that it wouldn't be easy to walk around alone. I can go with you in the future.

alright, alright, alright. We'll go now!

"But Yingluo, I still want to go back and cook ..."

"I'll treat you! Let's go buy some things first, we'll eat outside!" alright! Xiao Mianmian nodded. then I'll go change my clothes first.

Xiao Mianmian walked out, thought about it, and turned back to ask, "Do you want to come over to my place?"

"Alright!" Sheng shuangxue quickly agreed. She didn't have anything on her side, so it would be good to go over and sit.

When she walked into Xiao Mianmian's house, she found that it was especially warm inside, and there was even a wallpaper!

Sheng shuangxue's eyes widened, "how could I forget? I can just renovate the room a little!"

"You can sit." Xiao Mianmian pointed to the small sofa and went to pour her a glass of water.

Sheng shuangxue looked around the house and added a few more items to her shopping list.

there's so much furniture here," she asked Xiao Mianmian. did you buy it yourself? '

"I bought a refrigerator and a washing machine. The rest were left behind by the previous owner. The house given by the team came with a bed, a cabinet, an air conditioner, and a TV. By the way, I bought this small sofa myself." "Then I can buy more things. There shouldn't be anything wrong, right?"

"Of course I won't," Xiao Mianmian lowered her voice. I heard that the captain renovated his room when he came!

Sheng shuangxue was surprised. he's so particular about it?!

Xiao Mianmian nodded. everyone went to his birthday party. There wasn't even a bed. It was only later that we found out that he kept the wall bed he made after he got up.

"This is good!" Sheng shuangxue said, " but I don't know how to make this. I'm too lazy to accept it.

pfft-” Xiao Mianmian covered her mouth and laughed. She suddenly remembered, ” Aiya! I should change my clothes!”

She hurriedly found her clothes and went to the bathroom. A few minutes later, she came out and turned into a cute girl.

Sheng shuangxue held her face and sighed, ”Mianmian, how old are you?” He looks like eighteen..”

Chapter 1749: Where are you going, Captain?

Xiao Mianmian blushed. I’ve been working for two years. You have to call me

‘sister’! she said. that’s not for sure. I’ve only been in University for five years. I might not be younger than you.

Xiao Mianmian was stunned and exchanged ages with Sheng shuangxue in a low voice. Sheng shuangxue was really a year younger.

Xiao Mianmian was immediately proud.

“Tsk you don’t look like it!”

The two of them walked out of the room laughing and laughing. the mall is a little far from here. If you’re not in a hurry, we can walk there. I can tell you about the surroundings on the way and you can take the bus there in the future.

Just as they were talking, Gu Yunhao opened the door diagonally opposite them and came out.

When Sheng shuangxue saw him, she immediately felt that there was something wrong with him!

Everyone else wore their uniforms to work and changed into casual clothes after work. He, on the other hand, wore casual clothes to work, but now he had changed into his uniform.

“Captain!” Xiao Mianmian shouted.

Gu Yunhao nodded slightly, spun the hat in his hand twice in the air, and put it on with a snap.

Sheng shuangxue also shouted, but she complained in her heart, “Acting cool!”

The three of them went downstairs together. Sheng shuangxue asked in confusion, “Captain, you’re going on a mission?”

Gu Yunhao responded vaguely, sounding like he didn’t want to talk to her. She snorted in her heart and ignored him!

Xiao Mianmian was timid and didn’t speak until they went downstairs. When she saw Gu Yunhao walking towards the car, she suddenly shouted, “Captain!”

Gu Yunhao turned around.

Xiao Mianmian pulled Sheng shuangxue and ran over. “Captain, where are you going?”

“Where are you going?” Gu Yunhao asked.

“We’re going to Baisheng square. Is it on the way?” Xiao Mianmian asked with bright eyes.

“Get in the car.” Gu Yunhao opened the car door and got in.

Mianmian! Sheng shuangxue hurriedly pulled Xiao Mianmian. didn't you say we're walking? '

"I can also tell you about the situation on the road in the car," Xiao Mianmian said.

Sheng shuangxue was stunned. She looked at Gu Yunhao inside and thought, ' Mianmian must have wanted to be alone with him for a while. Forget it, I'll just create a little opportunity for them.

She and Xiao Mianmian got into the car together. She was sitting in the front

passenger seat before, but now she was sitting in the back seat. She glared at Gu Yunhao's back.

Gu Yunhao suddenly reached out and pulled the rearview mirror. She was shocked and quickly lowered her head.

After the car drove out of the small courtyard, Xiao Mianmian pointed at the shops on both sides of the road and introduced them to Sheng shuangxue in a low voice, this rice noodle roll is very delicious. This Street is very lively. People usually go shopping here. This Street sells construction materials and doesn't usually come here. This is a cinema. There's only one cinema in our County, but the environment is not bad. It's lively here. It's in the center of the county and there are many things to eat and play. The shopping mall is just ahead.

As soon as she finished speaking, Sheng shuangxue saw the words "Baisheng square" written outside a ten-story building.

The building was getting closer and closer. Sheng shuangxue saw the hotel and brand sign on the outer wall. Then the car stopped.

Xiao Mianmian happily said to Gu Yunhao, " "Thank you, Captain Gu! I'll treat you to a meal next time!"

Gu Yunhao gave Sheng shuangxue a deep look.

Sheng shuangxue finally reacted. Did he want her to treat him to a meal?

Tsk!

Sheng shuangxue got out of the car with a straight face. Gu Yunhao put his hand on the window and looked at her. "I don't think you said thank you."

Sheng shuangxue, "Yingluo. "

Xiao Mianmian was shocked and looked at Sheng shuangxue nervously.

"Thank you!" Sheng shuangxue said dejectedly.

"You don't sound sincere." Gu Yunhao laughed and drove away.

Sheng shuangxue was so angry that she kicked him.

shuangxue, " Xiao Mianmian asked, " is there any misunderstanding between you and Captain Gu? "

Chapter 1750: Isn't your granddaughter coming back to see you?

"He doesn't have any manners, he's always targeting me!" Sheng shuangxue called out, " he didn't even help me carry my suitcase when he went to pick me up. Do you know how heavy my suitcase is? "

"Well, Captain Gu is indeed a little insensitive. He has always been like this.

But he's a good person. Didn't he just send us off?"

Actually, she didn't want him to send her home at all, okay? Sheng shuangxue said helplessly, forget it! Let's go in first, I have a lot of things to buy."

Gu Yunhao drove to the suburbs and stopped outside a row of bungalows.

In the open space in front of the bungalow, there was an old drying rack with a few clothes hanging on it. The clothes had already been dried, and from the style, they seemed to belong to an old lady.

Gu Yunhao got out of the car and put his hat in it.

A hunchbacked old woman came out of the bungalow, a kind smile on her wrinkled face. "Oh, it's officer Gu,"

Gu Yunhao walked over and helped her into the house. "Grandma Liu, have you finished your meal?" it's still early. Officer Gu, please stay and eat with us.

"Alright!" Gu Yunhao said, " I told you not to call me officer Gu. Just call me little Gu.

Grandma Liu smiled and ignored him. "I'll get you some water."

"No! I'll do it myself, you sit!" Gu Yunhao said hurriedly. He rushed to the table to take a bottle of water and looked at the situation in the room.

There was a row of three houses, and in the middle was the central room. The tables, chairs, sofa, refrigerator, air conditioner, and TV were all there, and there were also some old things that the elderly had picked up.

Gu Yunhao felt the temperature in the room and guessed that she had not turned on the air conditioner the entire day. He said, " "Grandma Liu, if the weather is hot, you should turn on the air conditioner."

"Aiya, I told you not to use that. It's a waste of electricity. I'm afraid of the cold, so I'll just blow the fan."

Grandma Liu stood in the room, wanting to help. She was the host, and he was the guest. How could she let him move?

Gu Yunhao turned around after pouring some water and helped her to sit on the sofa. "If it's too hot, you should use it. Don't get a heat stroke."

Grandma Liu could only nod.

"Have a seat, I'll go cook for you," Gu Yunhao said.

"How can I trouble you?"

"It's fine. I want to eat it, so I can't let you do it." Gu Yunhao said as he went to the kitchen on the right.

The kitchen wasn't a single room. It was divided into three rooms. The bathroom was very small at the innermost part, and the kitchen was also very small at the outermost part. There was a room in the middle, just big enough to put a single bed in it. Grandma Liu lived there.

On the left side of the central room, there was a large room. No one lived there. Grandma Liu said that it was her granddaughter's house. Her granddaughter had gone far away, but she would come back sooner or later, so she kept it for her.

Gu Yunhao persuaded grandma Liu to move over to sleep there, but she refused and insisted on staying in that small room. He had no choice.

Walking into the kitchen, he looked at the oil, salt, and rice. He felt that he could bring a bag of rice the next time he came.

After the meal, Gu Yunhao helped tidy up the room. Seeing that grandma Liu was living alone pitifully, he asked with concern, " isn't your granddaughter coming back to see you? "

"She's busy," Grandma Liu smiled and said, " young people need to make money. Let her be busy. I can still move her anyway.

“How long has it been since she last came back to see you?” Gu Yunhao was a little angry. you’re too unfilial! You raised her, but she left you behind and left! I’ve been here for three years, but I’ve never seen her. ‘

“Aiyingluo, just let her be.” Grandma Liu sighed and smiled at him. thank God I have you. Officer Gu is such a good person..
