Chapter 1761: I suddenly thought of a detail

Gu Yunhao recalled that he did not sleep well last night because of her. He said resentfully, "Follow me to the scene!"

Sheng shuangxue's eyes lit up. She saluted excitedly. "YesSir!"

Everyone was shocked. They all felt that shuangxue was not an ordinary person. How could a girl be so happy at the scene of a murder?

There were no surveillance cameras in He Li t s neighborhood, and no one had seen any suspicious people coming in or out before and after the incident.

Sheng shuangxue squatted on the ground to look at the bloodstains. She asked

Gu Yunhao, "What are your thoughts?"

Gu Yunhao said,"there are no signs of fighting. It's unlikely that the murderer entered from the main entrance." Judging from the location of the victim's death, he had completely entered the house. Moreover, the fruit knife should have been on the coffee table at the beginning. There are no traces on the window or balcony. If the murderer entered from here, his skills are close to that of a professional killer, aww!"

Gu Yunhao furrowed his brows as he spoke. He felt that something was wrong and he was flustered.

"I suddenly thought of a detail and a bold guess," Sheng shuangxue suddenly said. However, this guess needs to be verified with the help of equipment. We don't have it here.'

then let's go back first. Don't forget the details. We'll apply for the equipment from the city Bureau later.

The two of them returned to the police station and saw Gao Sen and his wife quarreling by the road.

The two of them got out of the car in confusion and heard Gao Sen's wife ask, "Tell me, what's going on between you and He Li? Why did she ask you again and again after she died? She had so many classmates, why didn't she ask others! Say it!"

"What's with the noise?" Gu Yunhao asked.

Gao Sen's wife sniffled and looked at him with tears in her eyes. officer Gu, tell me, did Gao Sen have an affair with He Li? "

Gu Yunhao glanced at Gao Sen, who looked back at him nervously.

we're only in charge of the murder case," he said coldly. you two can terminate your contract on your own. Don't mess around in front of the police Gao Sen's wife sobbed, covered her face, and ran away. Gao Sen hurriedly chased after her.

poor thing," Sheng shuangxue said. your makeup is all ruined from crying.

Gu Yunhao looked at her, speechless.

"Your lip makeup is not bad, as expected of a cosmetics sales assistant," she said.

Gu Yunhao took a deep breath. let's discuss the details!

In the meeting room, Sheng shuangxue pasted the data of the depth and angle of the wounds on the necks of the three deceased.

Based on this discussion, judging from the depth and angle of the wound, the murderer was slightly taller than the male victim. The male victim couldn't resist at all, which meant that the murderer was very strong and was a young man.

Sheng shuangxue posted He Li e s photo.

"It can't be considered high." Everyone said, " 1.68 meters.

"The male victim is 1.78 meters tall." Sheng shuangxue chuckled and showed them a few photos of the scene. They were the shoes on the shoe cabinet at the entrance. look, everyone. The female shoes here don't have high heels, but there's a pair of 15-centimeter high waterproof high heels. If he Li were to wear this pair of shoes and stand next to her husband, she would be taller than him. An ordinary woman with her height would not deliberately pursue height. Gao Sen was only two centimeters taller than her husband, so it didn't make sense for her to cooperate with him. And her other shoes don't have this style, so she probably doesn't like this kind of shoes. She obviously likes

Kasaya with thin heels and pointed tips."

Gu Yunhao supported his chin,"you mean Yingluo?"

"Is it possible that the shoes were left behind by the murderer?" Sheng shuangxue zoomed in on the photo of the waterproof high heels. the shoes are new. They must have been bought not long ago. You can check their origin..

Chapter 1762: Leaving without a trace

Gu Yunhao nodded, and everyone became excited-clues, clues, new clues! if the shoes were the Kasaya left behind by the murderer, " someone said, gesturing. wearing this pair of shoes to kill a murderer, Kasaya, that's not right! Aren't high heels for women? The murderer is a woman?"

“Where does a woman get so much strength? He Li’s husband works in the construction material market and he’s very strong. Do you think a woman can control him?”

“Men wearing high heels can confuse us.”

she killed someone so cleanly,” Sheng shuangxue said. even if she’s a woman, she’s not an ordinary one.

Everyone agreed and nodded.

Gu Yunhao rubbed his forehead and start with this breakthrough. We’ve deduced that the murderer’s height is the height of a man with shoes. If he were to wear such a tall pair of shoes, we’ll be in a lot of trouble.”

Sheng shuangxue went to the laboratory to test the condition of the high heels and got her fingerprints on them.

However, the shoes were really new, and there was almost no dust or mud on them.

She pushed He Li’s body out and tried the shoes on her feet. They were a little tight.

At this moment, Gu Yunhao came in.

She took off her shoes and pointed at the corpse.

Gu Yunhao was stunned. He took a mask from the experiment table, put it on, and pushed the body back into the freezer.

“Any progress?” he asked as he removed his mask.

Sheng shuangxue picked up a pen and pointed at the form on the folder. this pair of shoes is the same size as He Li's, but He Li looks tight in this pair of shoes. It's another piece of evidence to prove that the shoes aren't hers.

"You're so sure?"

"There's one more piece of evidence." Sheng shuangxue took off her mask and said confidently, "although he Li e s shoes aren't from big brands, they're small brands that have been advertised on TV. [this 'hate the heavens' is a random brand. I just checked it online, and it doesn't even have an official website.] A woman wouldn't demean herself like this tsk -o "Gu Yunhao crossed his arms. you women, Yingluo.

"What's wrong with women?" Sheng shuangxue narrowed her eyes. She looked as if a storm was coming.

"Very good," he said. Gu Yunhao immediately changed his words. A wise man submits to circumstances. you can use a different way of thinking to solve the case. You're simply a great hero to the police and the people!

Sheng shuangxue rolled her eyes at him, picked up a document, and smacked it on him. "Stop flattering me. If you have time, go to the fingerprint database and check these fingerprints."

Gu Yunhao opened the document and glanced at it. He asked, " "Are there any dead people?"

"Not at all! This means that the shoes aren't he Li's!"

Gu Yunhao nodded and left with the fingerprint.

Unfortunately, not every citizen had left their fingerprints in the database. Gu Yunhao checked once, but there was not a single match!

In the afternoon, the police team found information on high heels.

This pair of shoes was produced by a factory in another province. The earliest batch was in March this year, and the output was not high. There were two shops in Nanjiang city that sold it. Coincidentally, there was no one in Nanshan, so there were more online shops.

They checked the two shops in Nanjiang city and only two pairs of shoes of the same color and size were sold. The owners of both pairs had been found, so the possibility of them being the murderer was ruled out.

In the afternoon, the city sent some equipment over. Gu Yunhao brought some people to the scene to check for traces, while the others went through the trouble to check the online orders for this pair of shoes.

Although there were many shoes of the same style, there were not many that were the same color and size. Moreover, this pair of shoes was not the latest fashion, which saved him a lot of trouble.

They checked the footprints on the spot, as well as the traces on the balcony and window sills. It was obvious that the murderer had entered through the window. There were no traces of him leaving, so he didn't know if he had used the main entrance..

Chapter 1763: Could she have returned?

He asked the neighbors and the people in the neighborhood again, but the results were the same as before. There was no useful information.

But the murderer had left his shoes behind.

That pair of shoes looked tight on He Li's feet. he " would probably fit well in them, which meant that " his " feet were smaller than He Li e s.

It was rare for a man's feet to be that small, so the murderer of Jian Jia should be a woman.

Combined with the data from the previous speculation, her height could be preliminarily determined.

Gu Yunhao's heart skipped a beat. The information about his height and shoe size quickly flashed through his mind. It actually matched that person's. Could it be her?

And the night before the incident, there was some movement at grandma Liu's place. Could she have returned?

The more he thought about it, the more suspicious he became. Gu Yunhao's entire aura became gloomy.

Sheng shuangxue, who was collecting evidence, suddenly shivered. She turned around and saw that he was covered in cold air. She thought that he was dissatisfied with the people from the municipal Bureau pointing fingers at her.

She stood up, walked to his side, and said in a low voice, "We can go now."

Gu Yunhao returned to his senses and looked at her fixedly.

"Why are you in a daze?" she asked, baffled.

"Let's go!" Gu Yunhao wiped his face.

Back at the criminal Police unit, everyone had a meeting with the people from the city Bureau.

The people from the city Bureau were very dissatisfied with them and doubted their ability to handle cases.

Old Yang was a magical man.

Since you're suspecting me, then go ahead!

He invited the people from the city Bureau to help him on the spot and humbly asked for their guidance.

The members of the criminal Police team secretly gritted their teeth, but those few people nodded arrogantly and began to guide him.

Sheng shuangxue looked at everyone. They all looked unhappy. They must be dissatisfied. Of course, it was also because there was no substantial progress in the case.

They were busy until midnight, but the people from the city Bureau did not leave. Everyone's prejudice against them lessened.

The case was getting more and more confusing.

The shoes were not bought from the local mall, nor were they ordered through the internet. They appeared out of thin air!

In other words, the murderer was not in the city-at least in another province. He bought a pair of shoes, but she did not wear them. She only changed into them when she arrived at He Li's house. Then, she climbed over the wall and entered. The hard soles of the shoes left some marks on the wall and floor.

After she killed him, she left her shoes on He Li's shoe cabinet. Did that mean that she had left barefooted?

Sheng shuangxue said,"he must have worn one of He Li e s shoes." At that time, there was no space on the shoe cabinet, including this pair of high heels. He Li's shoes should have been placed in this position."

"Why the hell!" The fat Criminal Police officer shouted, " why did the murderer do that?!"

“In order not to leave her own footprints.” Gu Yunhao said, “ although the shoes came from somewhere, we don’t know where they went. They broke at the door and we couldn’t find out. And if we didn’t notice this detail, we wouldn’t even have noticed the shoes.’

The police all looked at Sheng shuangxue with gratitude.

Sheng shuangxue blushed and said in embarrassment, “ “I’m thinking about the fingerprints on the shoes. If they weren’t left by the murderer, they must have been left behind before the murderer got them.”

“You mean the seller? Or other customers who have tried this pair of shoes?” Someone asked. yes. Sheng shuangxue nodded. unfortunately, we don’t have any fingerprints in the database.

Mr. President, can’t you order all the citizens to collect fingerprints and DNA?

” Gu Yunhao said in frustration. uh, ” Sheng shuangxue said weakly. I hope so too. But if the child is the neighbor’s, we’ll be discovered.” pfft! everyone choked..

Chapter 1764: A little ambiguous

Sheng shuangxue went back to her office to sort out the evidence after work.

Zhao Si Yan had some family matters to attend to, so he left first.

After she was done, she passed by the office of the criminal Police unit. The lights were still on.

She looked around and saw no one. She knocked on the door.”Who’s still here?”

There was no response.

She mumbled, "did I forget to turn off the lights?" He didn't even lock the door, " and turned off the light.

"Didn't I say I'll turn it off?!" A roar suddenly came from the darkness.

Sheng shuangxue was shocked. She opened the door hurriedly and saw Gu Yunhao coming out of the small meeting room next door.

She asked, "why haven't you left yet?" I was so scared!"

"I'm leaving." Gu Yunhao said tiredly. He came over to turn off the lights and close the door. When he realized that she was still standing, he turned to look at her.

Sheng shuangxue felt that she was being a busybody. She snorted and strode away.

Gu Yunhao lit a cigarette and followed her. Suddenly, he remembered that she didn't like the smell of cigarettes, so he put it out and chased after her. "Are you hungry?"

"How come you're not hungry?" Sheng shuangxue glanced at him. what's wrong? You want to treat me to supper again?"

"You're not embarrassed?" He raised his eyebrows. I treated you last time.

Shouldn't you be treating me this time? '

Sheng shuangxue was speechless. other people can't wait to invite me, but you don't even want to do it. You're going to be alone!

"So are you going to treat or not?"

Sheng shuangxue choked. She shouted helplessly, "Alright, alright, alright!

Please, please, please!"

So, the two of them went to have barbecue together. Sheng shuangxue said worriedly, "I'm getting fat, Yingluo."

"Exercise more."

"I also want to." She cupped her face and said, "I was planning to go to uncle Wangs to get a fitness card, but then there was a case, ran ran."

"Let's talk about it after it breaks." He consoled.

"I hope the case can be solved soon and justice can be served to the deceased."

After eating, the two of them went back together. He drove here. Sheng shuangxue sat in the passenger's seat, and soon fell asleep.

Fortunately, the county was not big, and the roads were limited no matter

how far they were, so they arrived very quickly.

When the car stopped, Sheng shuangxue opened her eyes and asked while yawning, "Are you still going to the garage? Do you want me to wait for you and go up together?"

"No need, I still have things to do."

Sheng shuangxue was about to get out of the car. She turned around and said, "It's so late, where are you going?" "I'm here to see grandma Liu."

"Yingluo slept so late."

She had thought that only young people would sleep late. Didn't the elderly go to bed at eight or nine O'clock?

Gu Yunhao did not reply. do you want me to go with you?" she asked.

it's so late, Yingluo. he was a little troubled. In fact, he didn't want to put innocent people in danger.

Sheng shuangxue was taken aback. She felt that it was a little ambiguous for them to stay together so late at night. She got out of the car quickly.

She waved her hand. drive carefully then. Come back early. We still have to solve the case tomorrow!

Gu Yunhao could not help but laugh. If she didn't say the last sentence, she would have thought that she was a wife who was sending her husband off!

Ten minutes later, Gu Yunhao drove to grandma Liu's residence.

He did not drive to the bungalow but stopped on the road.

There was no light in the house, and the old man was obviously asleep.

He rolled down the window and smoked one cigarette after another. After four or five, he started the car and drove back.

Liu Qian:

She shouldn't have any reason to kill him, unless she was deliberately causing him trouble.

But even a child wouldn't let Yingluo go.

Gu Yunhao shook his head. He didn't want the woman he had once liked to be so vicious.

But,

With her status, how could she not be vicious?

She had never been gentle, which was why she had been deceived by her so miserably back then..

Chapter 1765: Suspected to be related to that

Sheng shuangxue dreamed of the murderer again. Unlike the last time, the murderer was a woman this time. She was wearing waterproof high heels and wide-legged pants, looking very fashionable.

Just like the last time, the murderer was still calm and vicious, and his knife was fast, ruthless, and accurate!

Perhaps when he Li's husband saw her, he would be stunned for a moment. She must be a very beautiful woman, just like in the movies.

When Sheng shuangxue woke up, she was in a daze for a while, holding her face. She felt that her imagination was a little unreasonable.

If the murderer wanted to climb the wall, how could he be wearing wide-legged pants? She should be wearing a pair of elastic tights and the same clothes, like a professional killer. In order to not attract attention on the road, she must have worn a dress.

After they arrived at the police station, they continued to solve the case.

The people from the city Police station stayed here for a week and assisted them for a week, but they still couldn't find the murderer.

The victim's parents had come to make a scene, so everyone was under great pressure. Gu Yunhao smoked all day long.

Everyone had reached a consensus-the murderer was not an ordinary person.

But why? After checking the résumés and interpersonal relationships of the deceased, it was impossible for them to have offended any big shots. There was nothing else, so why would they make a big fuss and kill them?

Gu Yunhao felt more and more that it was Liu Qian, and his heart was filled with guilt.

If it was Liu, it must be because of him.

Liu Qian's target was definitely him, but by killing the others, he would be able to escape.

He stared at the clues-was there any special meaning to the three victims being stabbed three times each? Also, the "l" in He Li's palm seemed to be some kind of hint.

The phone on the table suddenly rang, and he immediately picked it up.

"Come to my office for a moment." It was old Yang.

Gu Yunhao took a deep breath, put out the cigarette, and walked over. The people from the city Bureau were all present. Gu Yunhao nodded silently and furrowed his eyebrows.

The case hasn't been solved, and it seems to have been reported to the provincial Office.

Old Yang said, "I called you here mainly to inform you of something." This case is too strange, so the higher-ups decided to hand it over to the city Bureau." Gu Yunhao was stunned and looked at him fiercely.

Old Yang knew that he didn't like others to steal his case. First, it was because his territory was violated, and second, it showed that others didn't believe in his ability.

He was about to comfort her when the leader of the municipal Bureau said, this case doesn't look like an ordinary one. It's possible that even our city

Bureau can't investigate it. We have to report it to a higher level.

"You guys made progress?" Gu Yunhao asked.

"No, I'm just guessing. You guys should know that something big happened in

Nanjiang before, and it even got to the United Nations. They even held a special meeting after that."

Gu Yunhao was stunned. you mean Double S?

The other party nodded and said, "we suspect that it's related to that." So, you don't have to worry about this case. We'll send someone to follow up on it. ' Gu Yunhao secretly heaved a sigh of relief when he heard this.

It was good that it wasn't Liu. At least the three people didn't die because of her.

After being tormented by this case for more than a week, they suddenly didn't have to care about it anymore. Everyone was relieved-but they were also-little unaccustomed to it. They felt very uncomfortable in their hearts-after investigating for so long, of course they wanted to know what exactly was going on!

He asked Gu Yunhao and old Yang, but neither of them said anything. Old Yang only said that it was an order from above.

Everyone understood that it might be confidential and did not ask further.

Old Yang saw that everyone's eyes were dark, probably because they had been working too hard recently. He said, " alright, I'll treat everyone to dinner tonight. Go back and have a good rest after you're done.

Everyone looked at him and wanted to cheer, but when they thought of the victim's corpse, they could only sigh and nod..

Chapter 1766: What a good figure

On the weekend, Sheng shuangxue finally had the time to go to uncle Wangs gym.

After Xiao Mianmian heard about it, she went with her excitedly.

"Why didn't you go before?" she asked, puzzled.

Xiao Mianmian said shyly,"it's embarrassing to whine alone."

The two of them signed up and passed by a fitness area on their way to the locker room. Eight out of ten people were men. Half of the weightlifting, strength, and sandbag-hitting men were wearing sweaty

singlets, while the other half were not even wearing singlets. Their muscles were bursting with hormones, and it was indeed embarrassing.

Sheng shuangxue watched with great interest. Although it's not as good as my dad's and brother's figure, it's still not bad, Yingluo.

When everyone saw the sudden appearance of two beautiful women, they exercised even more vigorously. They kept shouting " Hey, hey, hey, " for fear of not attracting the attention of the beautiful women.

Sheng shuangxue saw that several members of the criminal Police team were present and couldn't greet them at this time. She lowered her head and snickered, saying to Xiao Mianmian, " I didn't expect everyone to have such a good figure. It's really a loss for you not to come earlier!

"Aiya!" Xiao Mianmian blushed and pulled her away. what nonsense are you talking about!

"I'm not talking nonsense. Don't you see how good their figures are look at handsome white, he's a little fresh meat in clothes, and even chubbier without his clothes.'

Xiao Mianmian's face turned even redder, and she left her behind and ran off.

"Eh?" Sheng shuangxue was stunned. She glanced at the men around her reluctantly and then chased after him. After entering the changing room, she couldn't help but lecture Xiao Mianmian, " "Mianmian, you're too thin-skinned! Men are so handsome, they're just for us to see, Yingluo ' pfft-" the others around them laughed when they heard that.

"Don't you think so?" Sheng shuangxue raised her eyebrows and asked.

Everyone laughed and one of them said, " "That's right, if there weren't so many handsome guys here, who would come here?"

"It's a pity that Captain Gu from the criminal Police squad isn't here today," said another.

They didn't have Taekwondo today, so they went for an hour of jogging after riding.

When she was leaving, she saw that Gu Yunhao had also come. He was wearing a black t-shirt and was hitting a sandbag.

His vest was already half-soaked, and his forehead was also sweating like rain. He had probably been here for a long time.

His figure was comparable to Sheng Yiting and Sheng nanxuan. Sheng shuangxue looked at him and secretly swallowed..

Chapter 1767: I'll leave sister shuangxue to you

He seemed to sense something and looked over. He didn't expect her to be here at all and was stunned.

The sandbag swung back and hit him hard in the face, almost knocking him down.

Sheng shuangxue snorted, turned around, and left with Xiao Mianmian.

The others looked at Gu Yunhao and started to make a fuss. "Aiyo, Captain Gu, what are you daydreaming about? He couldn't move when he saw a beauty! Tsk, tsk I thought you were a decent guy, but you're just so-so! Hypocritical! You're such a hypocrite!"

Gu Yunhao kicked the sandbag, and the person standing opposite him hurriedly dodged. He then hugged the sandbag and asked, "hey, seriously, Captain Gu, what do you think of sister shuangxue?"

"Give it to me!"

"It's not mine, how can I give it to you? If you want it, then go after it!" "Give me the sandbag!" Gu Yunhao's face darkened.

The other party paused, pushed the sandbag out, and asked with a smile, "Seriously, isn't sister shuangxue pretty?"

Gu Yunhao laughed, if you want to chase, then go! But don't say I didn't warn you, she has two big bosses in her house, and ordinary people can't take them down."

"That's why we still have to rely on Captain Gu! I'll leave sister shuangxue to you!"

They all knew that Sheng shuangxue's appearance and temperament were not something that they could deal with. In the entire police station, only Gu

Yunhao was a good match for her. After all, Captain Gu came from a family of policemen in the capital. He was capable and had a high status. No matter how influential Sheng shuangxue's family was, Captain Gu would definitely be able to take her down!

Seeing everyone's gossipy and excited eyes, Gu Yunhao felt that this group of people were all sick!

Sheng shuangxue received several packages in the morning. Two of the deliverymen did not come to the door, so she could only run downstairs to get them.

Uncle Wang leaned on the window and asked with a smile, "You bought so many things?" yes! Sheng shuangxue laughed heartily.

“There’s ice cream that just arrived, do you want it?”

Sheng shuangxue held the microwave and said with difficulty, “I can’t hold it anymore, I’ll come back later

She had bought several kitchen appliances, pots, bowls, ladles and basins.

However, she was not good at cooking. She made a salad at noon, but she was not full, so she ordered another takeaway.

After finishing the takeaway, she looked at the kitchen utensils worriedly.

Since he had already bought it, he still had to make use of it.

She downloaded an APP and lay in bed to study the steps to make various dishes. Some of them looked simple, and she planned in her heart: Following this, three meals a day should not be a problem

She threw down her phone, put on her blindfold, and began to take an afternoon nap.

In her daze, she heard a thud. She was so scared that she turned over and sat up, only to see a dark shadow loitering outside the window.

She was shocked and rushed over. She saw a person hanging on the railing of the balcony.

Sheng shuangxue ran out and heard the scolding from above. “You little thief! You dare to steal into your Grandpa Wang’s house, don’t you know who I am?” So it was uncle Wang!

Sheng shuangxue stuck her head out of the window and saw a young man in a hoodie grabbing the top of her guardrail. His two feet kept trying to step on things. Uncle Wang was hitting his head with a broom upstairs.

At this moment, a head popped out from the next room. It was Gu Yunhao.

“I-I-I’m going to jump!” The man outside the guardrails shouted, his voice trembling. He was obviously scared.

Gu Yunhao retracted his head. Seeing this, Sheng shuangxue also returned to

her room, took her keys, and went out.

Gu Yunhao, who was next door, also came out. He didn’t say anything and directly ran upstairs.

Sheng shuangxue followed him. Some people came out of the other rooms.

When he went upstairs, no one opened the door for uncle Wang. He was probably still fighting. Gu Yunhao entered the house next door, climbed out of the window, and carried the person outside up..

Chapter 1768: You don ‘t even know how to comfort me

At this time, uncle Wang opened the door and said righteously, ” “You dare to steal from your uncle Wang!’

“I’m not a thief!” The man in the hoodie called out.

Gu Yunhao pushed him against the wall. When he saw that two of his team members were there, he said to them, ” “Take him to the police station.”

“What can I do?” uncle Wang asked.

Gu Yunhao smiled. Sir, please help me record my statement.

Uncle Wang patted his chest and said, "don't worry!" It's my duty to cooperate with the police!" Then, he walked away with his head held high.

"Don't we need to go?" Sheng shuangxue asked Gu Yunhao.

the police station is my territory anyway. We'll talk about it tomorrow if there's a problem.

Sheng shuangxue nodded. That's right, it's the holidays now, you should rest well.

The two of them went downstairs together, and she couldn't help but say, "uncle Wang is really amazing. As expected of a retired police officer!

Gu Yunhao stopped in his tracks and looked at her with a strange expression. "A retired police officer?"

"You don't know?" Sheng shuangxue looked at him in surprise. uncle Wang, he

She paused for a moment and remembered that it was the person who had told her that uncle Wang was a retired police officer. She had not asked a third party to verify it, so she could not be sure. She said with an innocent face, '

he said he's a retired police officer!

"Forget it!" Gu Yunhao rolled his eyes. he used to be a thief.

Wuwu! Sheng shuangxue felt as if her world view had been shattered.

The police and the thief? Wasn't this too far off?

“Then why is he so close to the police?” she asked in disbelief.

“He’s doing business now and he’s afraid of being stolen,”

“Wuwuwuwu, how can you do this?” Sheng shuangxue’s three views had suffered a devastating blow.

“You’re the one who’s too stupid.” Gu Yunhao went downstairs.

Sheng shuangxue reached out and punched him on the shoulder. He suddenly stopped.

Sheng shuangxue was startled. She didn’t hit him too hard, so did he hurt?

“Why are your fists like cotton?” he turned around and asked.

Sheng shuangxue was furious. She raised her fist, and he leaned back.

Sheng shuangxue flung her hand away. She didn’t want to hit him.

“I was lied to and you’re still criticizing me? you don’t even know how to comfort me!” She said gloomily.

Gu Yunhao felt that the place she had hit was itchy. Seeing that she was so aggrieved, he couldn’t bear to see her. “How do I comfort you? Treat you to a meal?”

“It’s not dinner time yet, Yingluo.”

“Then what do you want to do?” Gu Yunhao thought for a moment. do you want me to take you for a ride? ‘

Sheng shuangxue's eyes lit up.

Gu Yunhao's eyes also lit up and he could not help but smile. how about this? I'll bring you there when the sun sets. Let's go watch the sunset.

Sheng shuangxue made an "OK" gesture and skipped downstairs.

When she reached the door, she said goodbye to Gu Yunhao.

When she got home, she saw a new message on her phone From Tong silu, [ how have you been? ]

Sheng shuangxue was stunned. She slowly sat down on the sofa and opened the reply box. After thinking for a long time, she replied, [ not bad. What about you? ]

[ it's okay! ] Tong silu replied instantly. [ are you used to it there? ]

Sheng shuangxue replied, [ it's good. The people here are very interesting and fun. ]

[ it's a little complicated on my side. I'm already overwhelmed just dealing with interpersonal relationships. ]

Sheng shuangxue replied, [ it's a big place. It's inevitable. ] [ but I don't think anyone would dare to make things difficult for you, right? ] After all, she was Madam president's younger sister! [ I can't stand the cold words. ]

Sheng shuangxue replied, [ Oh. ]

[ are you coming back for my sister's birthday? ]

Sheng shuangxue replied, [ probably not free. ] [ it's not a weekend, so it's not convenient.. ]

Chapter 1769: People will misunderstand that we're dating

[ I'll visit you when I'm free, then? ]

Sheng shuangxue thought for a while and replied, [ it's not like I'm not going back. ]

[ I didn't mean it that way. ]

Sheng shuangxue put down her phone and fell on the sofa. After a while, she pulled out the pillow behind her back and hugged it. Her cell phone rang again. She turned to look-

[ are you still angry with me? ] Tong silu asked.

Sheng shuangxue picked up her phone and replied, never! [ I'm angry with him! ]

This time, Tong silu did not reply. Instead, she sent a text message to her boyfriend. [ let's just break up! ]

After a while, the man called her back and asked, " what the hell are you doing?!

Tong silu was about to speak when a scolding voice mixed with the sound of electric current came from the other side. 'Guo Xiang! What the hell are you doing! Who allowed you to answer the phone during practice?! Motherf \* cker!'

Tong silu was shocked. After a while, there was no more sound from the other side. She shouted, " "Guo Xiang?"

"I'm dead," Guo Xiang said calmly.

Tong silu heaved a sigh of relief but started to worry again. He was a Special Forces soldier. He did not know what kind of punishment he would receive for making such a mistake during a drill.

"Can't you just ... Forget it, stop talking! Don't break the rules, call me when you're done."

"Don't break up." Guo Xiang said softly.

At six O'clock, Sheng shuangxue heard a knock on the door.

She opened the door and saw Gu Yunhao standing outside.

Gu Yunhao raised his eyebrows when he saw her dress.

She didn't deliberately dress up. Instead, she was very casual-a t-shirt, a denim skirt, a pair of canvas shoes, and her hair was tied up into a bun, looking cute and playful.

Usually, she would dress up seriously at work, but at this moment, she looked much more lively and lively, which made Gu Yunhao feel a sense of novelty.

He looked away and thought to himself, 'as expected of a family like that, she looks so beautiful just by tidying up.'

"Are you really going to take me for a ride?" Sheng shuangxue asked, embarrassed. I thought you were joking."

"So you're backing out?" Gu Yunhao looked at her, feeling a little depressed.

To think that he had even shaved his beard so seriously. Was she trying to stand him up?

Sheng shuangxue hurriedly shook her head. I'm afraid you'll back out!"

"Then let's go!" Gu Yunhao turned his head and took the lead to walk forward.

Sheng shuangxue stuck out her tongue and followed him.

She was just thinking that if they went for a ride like this, people would misunderstand that Yueyue was dating.

Cough, cough, it was love for colleagues! She wouldn't fall in love with someone who didn't have any compassion for women!

After going downstairs, Gu Yunhao went to get the car and told her to wait there.

Sheng shuangxue heard the noise from uncle Wang's supermarket. She walked over and saw uncle Wang watching TV with a fan.

"My Lord!" Sheng shuangxue shouted.

Uncle Wang was shocked and almost flipped the chair.

He stood up and smiled at Sheng shuangxue. Oh, it's snowy. Would you like some ice cream? '

Sheng shuangxue said, "Yingluo, you only think about doing business every day. You really don't look like a police officer."

However, he had already turned over a new leaf. Now that he was earning money through legal business, she couldn't have any objections.

“One serving-no, two servings of ice cream.” She took out the money.

Uncle Wang opened the refrigerator and took out two barrels of the most expensive ice cream. that’s thirty-six Yuan in total!

“Wuwu” profiteers! Did she say she wanted this? Couldn’t he have given her a popsicle that cost two Yuan each?

A horn sounded behind her. Sheng shuangxue looked over and saw Gu Yunhao driving out..

Chapter 1770: So it’s for your boyfriend

She took back the change from uncle Wang and said to him, “My Lord, as a human, the most important thing is ...”

“Happy?” Uncle Wang received it smoothly.

Sheng shuangxue choked. Her eyes were wide open.”Be more sincere, less scheming!’

Uncle Wang was puzzled,”how am I not sincere?” Other people sell it for 18 Yuan, so I’m also selling it for 18 Yuan. I’m not charging you more.”

“I’m not talking about that.”

“Then what did you say?”

Yingluo,"could she say that it was because he had never been a police officer?

Sheng shuangxue turned around gloomily and climbed into Gu Yunhao's car.

Uncle Wang's eyes lit up. oh my I was wondering why a good girl would buy two barrels of ice cream that were so big. She wasn't afraid of getting fat (he was the one who gave it to her). So it was for her boyfriend! Tsk, tsk. This development is so fast. I must quickly tell the children in the criminal Police team!

"What did you say to uncle Wang?" Gu Yunhao asked in the car.

"I told him to be less sincere and more scheming."

"His sincerity is already lacking," Gu Yun said after a pause.

"Wuwuwuwu, I was wrong, okay? A slip of the tongue! It's a slip of the tongue, do you understand?"

I understand •t Gu Yunhao couldn't help but laugh. then did you make a mistake in front of me, or did you make a mistake in front of uncle Wang?"

He was so annoying!

Sheng shuangxue rolled her eyes at him. do you want ice cream?"

"I don't want to.'

"Is there a refrigerator?"

Gu Yunhao opened the refrigerator between the seats. Sheng shuangxue took a look and saw that there was nothing inside except for a few cans of beer.

She put the ice cream in and asked, "Where are we going?"

"A place where you can see the setting sun."

Ten minutes later, the car left the city. Sheng shuangxue saw the Green Mountains outside the window.

There were people working in the mountains, and the setting sun dyed the sky bright red.

Gu Yunhao's car sped along the road. There were crops on both sides of the road, and they gradually left the hustle and bustle of the city.

Sheng shuangxue straightened her back. She was suddenly scared.

F \* ck! Where was he taking her? He wouldn't bring her into the deep mountains and wild forests to rape her and then kill her, right?

Al! How could she be so stupid? Even if he was the captain of the criminal Police team, they had only known each other for a short time. How could he be trusted so easily?

Just as she was lost in her thoughts, the car stopped.

Sheng shuangxue looked out and saw a few tall stone blocks on the green ground not far away. There were stones connected to each other in a line on the stone blocks, which looked like a bridge. However, it was smaller than a bridge.

"What is that?" she asked.

"The canal."

“In the sky?” Sheng shuangxue cried out in surprise,

Gu Yunhao looked at her, slightly puzzled.

“I’ve never seen him before,” she said awkwardly. I thought it was on the ground.

Gu Yunhao smiled. follow me.

Sheng shuangxue Quickly followed him. Seeing him climb up the mountain, she was glad that she was wearing canvas shoes.

The mountain here was not high. When the two of them climbed up, they passed by a field full of vegetables.

Sheng shuangxue lowered her head and looked at a dish. “Aren’t these water spinach? He’s so “When you’re old, you’ll bloom.”

“It’s blooming?” it’s shaped like a horn, and it’s white in color. It’s so big, and it’s so pretty!

“You’ve seen it?”

“It’s written in the book.”

“Whoosh, whoosh, Whoosh!” Sheng shuangxue turned her head away in disappointment.

Gu Yunhao couldn’t help but laugh. He raised his head to look at the setting sun. That round celestial body was now emitting a golden light.

He looked at Sheng shuangxue and felt something above her head. On closer look, it was a hair clip.

“Your clip is very nice.” He said.

“What?” Sheng shuangxue turned around.. what did you say?
