Chapter 1771: I have no boyfriend

“I’m talking about the hair clip on your head.” He smiled.

Sheng shuangxue was stunned. She touched the hair clip and blushed.

She turned around and walked away, but suddenly lost her voice.

After taking two steps, she touched the hair clip again, turned her head and said, “My friend gave it to me.”

“Your boyfriend?”

Yingluo doesn’t have a boyfriend.

“Yingluo.”

What was Yueyue saying? Sheng shuangxue turned her head and continued to walk forward. She was a little angry.

It was as if she was deliberately informing him: I don’t have a boyfriend, come quickly-

Sheng shuangxue scratched her forehead. Her hands slid down to cover her face. She didn’t feel any heat. She was really thick-skinned.

She suddenly felt relieved. She lowered her hands and continued to look at the vegetable field on both sides. She saw an eggplant hanging on a branch.

The eggplant was so purple that it was almost black, and its skin was shining!

She hurriedly called out to Gu Yunhao, "quick, come and see!" It's my favorite eggplant with garlic sauce!"

there are still a few steps to go before I can produce eggplant with garlic sauce, " Gu Yunhao said, speechless.

Sheng shuangxue paused and said in a weird tone, "Then we'll steal two back-"

As soon as she finished speaking, a stream of water was sprayed on her.

ah! she screamed and jumped away.

Gu Yunhao protected her by her side. He turned his head and saw a farmer watering the plants.

The farmer took the water pipe, closed the valve on it, and stared at them.

Gu Yunhao understood that the eggplant must belong to the other party!

He pushed Sheng shuangxue forward and said to the farmer, " "Don't worry!

We won't steal it!"

Sheng shuangxue looked at the farmer and then at the eggplant.

The vegetable farmer became alert. Gu Yunhao quickly pulled Sheng shuangxue and ran up the mountain. After running for a long time, they turned around and saw that the farmer was still staring at them.

"I didn't steal it!" Sheng shuangxue wanted to cry.

"If there's no one, then I can't be sure." Gu Yunhao released her. Sheng shuangxue was stunned. She looked at her hand.

Did he just grab me?

She touched her wrist and followed after him as if nothing had happened. "How can you think of me like that?"

"I'm sorry, I don't know you well enough."

Sheng shuangxue was rendered speechless. But there were no more vegetables. They were just ordinary crops.

The mountain here was not high. Soon, they reached the top of the mountain and saw the setting sun approaching the horizon.

The setting sun in this place was naturally not as beautiful as the famous mountains and rivers, but the magnificent colors unique to the setting sun were not lacking at all.

Sheng shuangxue couldn't help but sigh, "the only difference is the things on the ground. The sun has never been different."

Seeing that half of the sun had already fallen into the ground, Sheng shuangxue turned around and said, "Let's go back. Otherwise, it'll be dark."

Gu Yunhao had no objections. He turned around and walked in front, saying, "Be careful,"

Sheng shuangxue nodded and asked, "shall I treat you to a meal?" Thank you for taking me out for a ride."

“The wind hasn’t settled yet.” Gu Yunhao smiled.

After getting into the car, he rolled down the window and drove back. This time, he really was going for a ride.

Sheng shuangxue opened the refrigerator and took out an ice cream. “The other one is yours. Remember to eat it.”

Gu Yunhao glanced at it and turned on the music.

Sheng shuangxue shook her head to the rhythm of the music. “This is an old song. You like it too?”

“Do you know who sang it?”

of course I do. My aunt-” Sheng shuangxue paused. she said that it was sung by the mother of the Queen of Emilyya. Oh my, I almost let it slip!

The Queen of Emilyya was her aunt!

Gu Yunhao laughed in his heart but did not expose her.

When they were about to enter the city, he stopped the car..

Chapter 1772: 1/11 treat you to a month-long meal

Sheng shuangxue hadn’t dug out half of the ice cream when she looked out of the car in confusion. “What’s wrong?”

“That’s grandma Liu. I’ll go and take a look.”

Sheng shuangxue looked over and saw a hunched old lady packing clothes outside a small house.

Sheng shuangxue quickly put the ice cream back into the refrigerator and got

out of the car. “I’ll go with you!”

B0xno**ve**l.com

Gu Yunhao did not object and locked the car door.

Sheng shuangxue followed behind him. grandma Liu’s ‘Liu’? is it the Liu who drank durian milk?” she asked.

Gu Yunhao suddenly stopped and turned around to look at her.

She paused and blinked, “what?” Yingluo, are you from the South? I heard that

Southerners would bite their tongues when they say this

“What’s so difficult about grandma Liu drinking durian milk?” Gu Yunhao spoke very smoothly. if you’re so capable, then think of grandmother Niu drinking durian milk. If you’re not wrong, I’ll treat you to a month’s meal!

Sheng shuangxue paused. She muttered in her heart and called out, “ “What’s a nanny Liu? How can you drink it?””

“Don’t pick on the sentence, just read it.”

Sheng shuangxue paused for a moment, and then slowly read, “ “Grandma Niu drinks, durian-Liu, milk!”

After she finished, she let out a breath and called out, "Oh right! I read it correctly! You said it yourself, you'll treat me to a month's meal."

"Don't worry, I won't go back on my word!"

"Can I order?" Sheng shuangxue asked, shaking her head.

Gu Yunhao pushed her head away, turned around, and said, "You wish!" Sheng shuangxue stuck out her tongue at his back.

Grandma Liu kept her clothes and turned around. She saw them and said, "Eh? Officer Gu?"

She was old and hard of hearing, so she didn't hear what they had just said.

Sheng shuangxue didn't know, and she felt a little embarrassed. "Grandma Liu," she called out as she walked over.

Grandma Liu's eyes lit up and she asked Gu Yunhao excitedly, "Officer Gu, is this your girlfriend? It's so beautiful!"

"No!" Gu Yunhao glanced at Sheng shuangxue awkwardly. she's my colleague.

"Ah?" Grandma Liu looked disappointed. She looked at the two of them and said, "Are you sure? "

it's not Yingluo," Gu Yunhao said helplessly. look at how beautiful she is. Do I deserve her?

Sheng shuangxue blinked and thought, "I was shot without being noticed."

"I think they're a good match!" Grandma Liu laughed.

Sheng shuangxue also felt embarrassed and blushed.

Gu Yunhao coughed and asked grandma Liu, "Have you had dinner yet?"

"I'm eating!" Grandma Liu laughed.

The old man was reluctant to light up the lamp to cook as he felt it was a waste of electricity, so he ate early.

"You guys haven't eaten yet? "Hurry ..." She wanted to call the two of them into the house to cook for them.

Gu Yunhao hurriedly stopped her. no, no, no. We've already eaten. We came out to do something, so we came to see you on the way. We were afraid that you haven't eaten yet. How's your foot?"

I've recovered a long time ago, thanks to the medicine you gave me. It's very effective.

that's good. Walk slowly. Don't fall again.

Okay, okay, okay, Yingluo. grandma Liu nodded. since you're here, come in and have a seat and drink some water.

Gu Yunhao looked at Sheng shuangxue, who nodded.

Gu Yunhao smiled and led her in.

It was Sheng shuangxue's first time seeing such a crowded place. It was a little messy, and she didn't dare to step. Fortunately, the floor was not dirty. She pursed her lips and went in as if nothing had happened.

Gu Yunhao had a whole new level of respect for her.

Grandma Liu was about to pour some water when Gu Yunhao hurriedly said, ‘ ‘I’ll do it! Grandma Liu, please take a seat. I won’t dare to come again if you’re so busy.’

Grandma Liu sat down with a smile and asked Sheng shuangxue in a low voice, ‘ ‘You think officer Gu is good?’

Chapter 1773: You definitely like her, right?

Sheng shuangxue was embarrassed. Old lady, you’re too loud! Gu Yunhao was a Criminal Police officer, after all. He could even determine the location by listening to the sound. He must have heard what she said!

She took a look and saw that Gu Yunhao’s ears had indeed moved.

She wiped her sweat and said to grandma Liu, ‘ ‘Captain has always been a good person.’

Grandma Liu didn’t hear him clearly! Her voice was too soft! However. Gu Yunhao heard it clearly and his heart moved.

‘ ‘What kind of boy do you like?’’ grandma Liu asked again. What about Xiao Gu?’

B0xno**ovel**.com

hehehe, hehe, hehe. Sheng shuangxue laughed dryly and quickly gave Gu Yunhao a look.

Gu Yunhao came over with a glass of water and said with a smile, ‘ ‘Grandma Liu, have some water.’

‘ ‘You can give it to her.’’ Grandma Liu looked at Sheng shuangxue and asked, ‘ ‘by the way, what’s your name?’

“Shuangxue,”

“Shuangxue!” Sheng shuangxue shouted. I’m the second in my family, so I named it like this!”

Oh, ” grandma Liu nodded. I’ll call you Xiaoxue then.

“Alright!” Sheng shuangxue agreed loudly. She took the glass of cold water from Gu Yunhao and took a sip.

Grandma Liu looked at the two of them and nodded with a smile.

Gu Yunhao broke out in a cold sweat and asked, “grandma Liu, do you still have your medicine?” Do you want me to rub your feet?”

“No, it’s fine.’

“I’m fine. You can also get a massage on a regular basis. I’ll give you a massage.”

“I haven’t washed my feet yet.” Grandma Liu looked embarrassed.

“Then go and take a shower now. I’ll help you over.”

Grandma Liu agreed after hesitating for a while. Gu Yunhao helped her into the toilet, and she sat on a small stool to wash her feet.

Sheng shuangxue looked at them, deep in thought.

Wasn’t gu Yunhao too good to this grandma Liu? The only thing missing was to squat on the ground and wash it with his own hands.

Just as she was thinking about it, she saw him squatting down, not to wash his feet, but because grandma Liu wanted to talk to him.

Sheng shuangxue felt that they were probably talking about her again. She couldn't help but feel embarrassed and angry.

In the toilet, grandma Liu asked Gu Yunhao with a smile, "It's your first time bringing a girl here. You must like her, right?"

No. Gu Yunhao felt helpless. He looked up at the central room and saw Sheng shuangxue sitting quietly on the old sofa with a paper cup in her hand. She didn't show any dissatisfaction or dislike. His heart softened.

look at you ... grandma Liu said, " you're staring at her without even turning your eyes, and you're lying!

1 ... Gu Yunhao was helpless. alright, whatever you say!

"You!" Grandma Liu pointed at him. you still haven't gotten her? '

"Ahem!" Gu Yunhao felt even more embarrassed, afraid that Sheng shuangxue would hear him.

"Alright, alright, alright. I won't cause any trouble. You have to work hard!"

Okay, okay, okay, Zhenzhen, " Gu Yunhao agreed in a low voice, afraid that the old man would pester him.

It was already dark when they left.

Grandma Liu sent the two of them out and only closed the door when she saw that they were about to get into the car.

Sheng shuangxue looked down at the road and said in a low voice, "You're quite familiar with grandma Liu's house."

"Yes, I visit her often and help her with her work." Gu Yunhao said.

"Why?" Sheng shuangxue was confused.

"What do you mean why?"

"I don't think you're the kind of person who likes to help others," she mumbled as she looked away.

"How am I not willing to help others?" Gu Yunhao was dissatisfied. I helped grandma Liu. This is the evidence!

"But when we first met, you didn't even help me carry my suitcase.. How is that helpful? I'm also a great beauty! So, there must be something fishy about you helping Granny Liu! "

Chapter 1774: I'm a man

Gu Yunhao paused. Sheng shuangxue waited nervously for his answer. Could there really be something fishy going on? Would he say it?

"Aren't you ashamed to call yourself a beauty?" he suddenly raised his head and taunted.

I ... Sheng shuangxue turned her head and said, " I'm just stating facts. What are you embarrassed about? "

"Let's go. Aren't you hungry?" he asked. Gu Yunhao strode to the car. I'm so hungry!

“I’ll treat you!”

B0xno**ve**l.com

Gu Yunhao didn’t say anything. Sheng shuangxue snorted in her heart. It’s your own fault that you’re starving! Who told you to go to grandma Liu’s house? not only did you have to sit there for a while, but you also had to massage your feet for half an hour. Do you think you’re a door-to-door service at a foot spa?

“What do you want to eat?” Gu Yunhao asked after they got into the car.

“What do you want to eat?” Since she was treating, of course, the host would do as the guest did.

“You choose,”

“Do you have a choice problem? you won’t be able to find a girlfriend like this!” Sheng shuangxue put on her seat belt and said seriously.

“Why?” He was puzzled.

“Because it’s more difficult for girls to make a choice. If I’m with you, I’ll have to worry about what to eat for three meals a day. I’d rather spend the day alone. If you can’t even solve such a small matter, how can you be her boyfriend? how can she trust you with her life?”

Gu Yunhao nodded in realization, ‘I see! Then let’s have hotpot!’

Sheng shuangxue was stunned. it’s so hot. It’s so uncomfortable to eat hotpot. And it’s easy to gain weight, okay?” see, you girls are like this. You make the decision and then oppose it.

Sheng shuangxue blinked. say one more thing and I won’t object.

Gu Yunhao raised his eyebrows and deliberately said, "Then let's roast meat!"

Was there a big difference between the two? It was just a hotpot with soup and a hotpot without soup, but the meat would still grow, okay?

She pursed her lips and nodded pitifully.

Gu Yunhao chuckled and said, 'alright, I was just teasing you. It's so hot, let's go have some porridge! "

"Yay!" Sheng shuangxue was afraid that he would go back on his word, so she agreed immediately.

Seeing her like this, Gu Yunhao's mood brightened.

Naturally, the porridge was not a simple bowl. Gu Yunhao went to the best Porridge Restaurant in the city and ordered a few light-flavored dishes, two baskets of snacks, and two bottles of beer. Porridge was only secondary.

After they finished eating, Sheng shuangxue called for the bill. When the waiter came over, Gu Yunhao said, "Take mine.'

"Didn't we agree that it's my treat?" Sheng shuangxue was stunned. He then said to the waiter, " take mine!

"We'll take men's," the waiter said with a smile. "CAW CAW!" This was gender discrimination!

Gu Yunhao chuckled and looked at her.

"I said I'd pay," she said with a pout.

"I'm a man."

“It’s just an extra d \* ck!” Sheng shuangxue exploded.

Gu Yunhao,”Yingluo.”

The waiter,”whoosh, whoosh, whoosh.’

Sheng shuangxue covered her face. waah ... fortunately, this was a small private room. There was no one else.

After paying the bill, she quickly rushed out.

“Where are you running to?” Gu Yunhao followed.

“I’m going home! You don’t need to send me off!” Sheng shuangxue called out.

Gu Yunhao stopped. They were in the county and not far from their residence, so he did not chase after them.

Looking at her back, he laughed and thought, ” Now she knew how to be shy.

A little later, he drove to the garage of the neighborhood and remembered the ice cream she had left in the refrigerator.

He opened the refrigerator and saw that one of the cans was half-eaten, while the other one was still unopened.

He took the two boxes into the car, went upstairs, and knocked on Sheng shuangxue’s door. No one answered, so he took them back to his room and put them in the refrigerator..

Chapter 1775: Are you with team leader Gu?

As soon as Sheng shuangxue arrived at the police station, she was pulled into the archive room by Xiao Mianmian.

“Why?” Sheng shuangxue was baffled.

“You’re with Captain Gu?” Xiao Mianmian asked.

Sheng shuangxue was shocked, ‘who started this rumor? Mianmian, don’t worry, I don’t like him. I will never be with him!”

She had always known that Xiao Mianmian liked Gu Yunhao, so why would she do such a thing?

B0xt*ovel*.com

She suddenly thought of yesterday and realized that she should have avoided suspicion! Wouldn’t it cause misunderstandings if they went to see the sunset and the old together?

“Don’t worry!” She promised Xiao Mianmian, “I’ll never meet him alone again!

Tsk-yesterday, she had even extorted a month’s worth of food from Gu Yunhao, but now it was all gone! Fortunately, he didn’t lack money for that meal!

Xiao Mianmian said in a daze, “why?” Aren’t you two together? Why didn’t I see him again? Quarreling?”

Sheng shuangxue paused and smacked her forehead. “You don’t have to worry about that. I don’t like him anyway. Just remember this! No matter how handsome a man is, he can’t be more important than our friendship!” aiyoyo! something seemed wrong!

“Tell me first, who said we’re together?”

“Uh, Zhenzhen is uncle Wang.” Xiao Mianmian said, “I’m talking about you guys-”

“He?” Sheng shuangxue was shocked. how could he make up such a rumor? ‘

he said that he saw the two of you going out together. You bought ice cream and you took a bite of it with team leader Gu. As they ate, they kissed. The scene was so hot!

Sheng shuangxue was speechless, ‘he has such a rich imagination! There’s no such thing!’

“You don’t have any?” Xiao Mianmian couldn’t help but be disappointed. I thought ran ran.

“Don’t worry! There will never be!”

aiyoyo, he thought that someone had finally taken in the monstrous Captain. What a pity!

“Uncle Wang is too much!” Sheng shuangxue said angrily, “I’ve told him to be more sincere and less scheming, but he’s still so insincere!

“Uh, hehe.”

“I’ll go back to work first.” She said.

Xiao Mianmian pulled her back. but the entire team knows.

“What?”

“Uncle Wang told the whole team.”

Sheng shuangxue covered her face with her hands. what a sin!

At this moment, in the office of the criminal Police unit, Gu Yunhao entered the door with breakfast. Everyone looked at him and smiled maliciously.

Gu Yunhao was puzzled, you guys won the lottery? Why aren't you working!

“Yes!” The crowd roared and then laughed. It seemed that sister shuangxue hadn't arrived yet. Captain must be lovesick, so he was so fierce! When shuangxue came, she would definitely become a sheep.

Just as he was thinking, Sheng shuangxue hurriedly walked in and stopped at the door.

She looked at everyone's strange eyes and frowned.

Gu Yunhao raised his hand and glanced at his watch. He said leisurely, ‘ ‘ “Miss Sheng, you're late.”

Everyone thought, f\* ck! They were actually flirting in public!

Sheng shuangxue beckoned him over. He looked puzzled and forgot to move.

“You!” Sheng shuangxue said anxiously. I have something to tell you!’ Gu Yunhao walked over obediently.

Everyone thought, “I've really become a small sheep!” As expected, Captain would only be so gentle and obedient to the person he loved.

Gu Yunhao walked in front of Sheng shuangxue. Sheng shuangxue grabbed him and dragged him outside.

“What are you doing?”

Sheng shuangxue ignored him and dragged him into the forensic room next door. Zhao Si Yan was startled.

The forensic room was divided into several rooms. Sheng shuangxue dragged

Gu Yunhao into one of the rooms.

Zhao Siyan pushed up his glasses and thought, “people in love are really annoying.. They actually hide in a small black room together during work hours!”

Chapter 1776: She actually doesn't like him!

In the ‘little dark room’, Gu Yunhao asked, “What are you doing?”

“Didn't you hear the rumors?” Sheng shuangxue said anxiously.

Gu Yunhao lifted the breakfast in his hands.

“Yingluo, who's talking to you about this?”

“I lost a bet yesterday, so I said I'd treat you to a month's worth of meals.”

B0xno***ve***.com

Sheng shuangxue stared at the breakfast and swallowed her saliva. Then she looked up and said, “I've already eaten.”

“OKO “Gu Yunhao put the things on the box at the side, feeling a little depressed for some reason.

Sheng shuangxue felt embarrassed. She walked to the window and opened it.

Then she turned around and said, “I just heard Mianmian say that the Qin

Zhuan police team is spreading rumors that Qin Zhuan and I are together.”

“What?” Her voice was too soft, so he didn’t hear her clearly. Or rather, the content was so unbelievable that he couldn’t believe it.

Sheng shuangxue took a deep breath. I know you must have heard it! she said.

Gu Yunhao paused. He walked over and asked, “who spread this? ‘

“Who else could it be? Uncle Wang who had too many tricks! He could think of so much just by buying ice cream and taking a car together! Why didn’t he go to heaven? Do we look like we’re together?”

Gu Yunhao was silent for a moment before he looked at her. the man is handsome, and the woman is beautiful. They can barely be considered a perfect couple. Why don’t they look alike?

“F \* ck! I don’t even look at you, who would want to be with you?”

“Am I not good?” Gu Yunhao’s face darkened. She actually didn’t like him!

“But Mianmian likes you!” Sheng shuangxue called out.

Zhao Siyan, who was outside the door, thought, “it’s actually a love triangle!’ Gu Yunhao’s heart fluttered,”if Mianmian doesn’t like me, will you like me?”

Wait a minute!

Who likes me?

He looked at Sheng shuangxue. Xiao Mianmian likes me? ” he asked. do you like me? ‘

“You don’t know?” Sheng shuangxue’s eyes widened. She suddenly realized what a stupid thing she had done. She stammered, “then, Yueyue, just pretend you don’t know. How can I say this? The party involved didn’t say anything! You, you, you, you must pretend that you didn’t hear anything!”

Gu Yunhao turned around and strode to the door.

As soon as he opened the door, Zhao Si Yan fell in.

Gu Yunhao took a deep breath and shouted angrily, ” each and every one of you, don’t you act like a police officer?!

Zhao Si Yan stood up with his glasses and silently shrank to the corner of the wall.

Gu Yunhao strode out. Sheng shuangxue walked over and glared at Zhao Si. “You also know about it?”

Zhao Si Yan nodded.

Sheng shuangxue was depressed, ’will you die if you don’t spread the rumors? As a police officer, don’t you know how terrifying rumors are?”

Zhao looked up. shuangxue, ” he said. what you’re saying sounds like what Captain said.

“Yingluo!” I won’t say anymore! She didn’t want to be bundled with that kind of man at all!

Gu Yunhao pushed open the door of the archive room. Xiao Mianmian looked up from behind the computer and was shocked. "Captain!"

Gu Yunhao slammed the door and rushed up. He put his hands on the desk and looked down at her.

Xiao Mianmian was so scared that she leaned back and her chair tilted.

She looked at him nervously. "Captain Yingluo, do you want any files? " I, I'll find one for you immediately."

"I heard you like me?"

Xiao Mianmian was stunned. After a moment, she suddenly sat up straight and hit his chin with her forehead.

Gu Yunhao bit his tongue, covered his mouth, and stepped back. "You ... n

Xiao Mianmian covered her head and cried-it hurt so much! Was the captain made of iron?

At this moment, the door suddenly opened. Handsome white held the doorknob and looked at the two of them. He said worriedly, " "Captain

Yingluo, you-"

waa-" Xiao Mianmian cried and shouted at Gu Yunhao, " who likes you! You lunatic! You're so fierce and perverted, I wouldn't like you even if I was blind!"

Chapter 1777: Shuangxue seems to have misunderstood something

Gu Yunhao pursed his tongue and said angrily, "It's good that you didn't!"

He thought gloomily, "who did I offend? I'm handsome and bold. I can fight eight of them alone without a problem, but I don't like one or two of them!"

"You're too much!" Sheng shuangxue's voice came.

The three of them looked over and saw her running in angrily.

She looked at Gu Yunhao and said, "even if you don't like it, you shouldn't say it out loud! Don't you know how to be tender to a woman?"

[B0xnovel.com](http://B0xnovel.com)

Gu Yunhao was so angry that he gritted his teeth. He pointed at her and turned to leave.

Sheng shuangxue looked at Xiao Mianmian and said with self-blame,

"Mianmian, I'm sorry, Yingluo."

wuwuwuwu " Xiao Mianmian lay on the table and cried sadly. She had nothing to live for.

Marshal Bai scratched his head and said to Sheng shuangxue, "You, Zhenzhen, try to persuade her."

"What are you doing here?" Sheng shuangxue asked.

"I saw Captain coming over in a Huff, so I was afraid something would happen." Handsome white glanced at Xiao Mianmian, turned around, and ran away.

Sheng shuangxue walked towards Xiao Mianmian, "Mianmian--"

Xiao Mianmian suddenly looked up and wiped her tears. "It's time to go to work."

Sheng shuangxue was startled and hurriedly said, "then let's talk after work!"

"Don't cry, it's not worth it for a man like this!"

Xiao Mianmian suddenly realized that shuangxue seemed to have misunderstood something!

After work, Sheng shuangxue invited Xiao Mianmian out for a meal. The two of them confided in each other and finally understood what had happened!

Xiao Mianmian said angrily, "I don't like Captain!" "Who would like him? Why do you think so?"

She felt that her sense of aesthetics had been questioned and was very unhappy.

Sheng shuangxue felt very wronged. "When I first came here, didn't you ask me how my Captain was? I thought you liked him."

At this moment, Xiao Mianmian still remembered uncle Wang's words and thought that she had an affair with Gu Yunhao. She patted her hand and said,

"Don't worry, I won't like Captain if he's not a good person."

"That's good." Sheng shuangxue was speechless.

"Are you really not with him?" Xiao Mianmian asked hurriedly.

Sheng shuangxue was speechless. you've already said that he's not a good person. I won't like him either!

"Uh, hehe," he couldn't find any words to refute.

After dinner, the two of them went shopping and went to the gym for Taekwondo class.

When they passed the supermarket, Sheng shuangxue glared at uncle Wang. Uncle Wang said very sincerely, "haozi is already here

Zhenzhen, forget it. she did not want to argue with a self-centered old man! If you're so good at matching couples, why don't you pair up with grandma Liu!

After going upstairs, the two of them changed their clothes and went to the Taekwondo classroom.

There were already a lot of people inside, including several members of the criminal Police. The first to be seen were Gu Yunhao and handsome Bai, who were simply good-looking.

There were more than a dozen unfamiliar people left, half male and half female.

Sheng shuangxue could tell that most of the girls were not here to practice Taekwondo. They were definitely here for the handsome guy!

However, the members of the criminal Police unit were very good at Taekwondo. They almost didn't practice with the teachers and would practice by themselves.

Sheng shuangxue practiced with the teacher for a while, but she was not satisfied. The teacher asked, "Do you want to practice with them?"

Sheng shuangxue looked over, and Gu Yunhao happened to look over as well.

Everyone immediately looked as if they were waiting for a good show, full of expectations.

Gu Yunhao walked over. Sheng shuangxue gritted her teeth, tightened her belt, and walked towards him.

Everyone held their breath, thinking that the two were about to fight. They couldn't help but break out in cold sweat.

The two of them walked to the middle of the room. When they were about to get close, they suddenly stopped at the same time and bowed.. They had really

started fighting!

Chapter 1778:

After two hits, everyone's attention was attracted.

The Taekwondo teacher saw that the two of them were fighting well and began to explain to the students.

In fact, the teacher was not as good as Gu Yunhao. However, Gu Yunhao was a police officer. According to the rules, he could not and did not have the time to be a teacher and do part-time work.

After exchanging a few moves, Gu Yunhao looked at Sheng shuangxue, his eyes full of admiration."Not bad!"

"Don't be so smug!" Sheng shuangxue sneered.

B0xtnovel.com

Her technique was indeed not as good as his and she was at a disadvantage, but that did not mean that she had no chance of winning!

Sheng shuangxue rushed towards him, but Gu Yunhao dodged. After a few more moves, Gu Yunhao suddenly kicked with both legs. Sheng shuangxue couldn't Dodge in time and fell to the ground.

However, Gu Yunhao's action was too perfect. Everyone around him cheered in unison.

Sheng shuangxue propped her upper body up and looked at Gu Yunhao in anger.

Gu Yunhao walked over and extended his hand to her.

Sheng shuangxue suddenly grabbed his collar and wanted to throw him back.

In the end, he couldn't pull it at all. She looked at him and saw that he was really too steady.

She gave up, retracted her hand, and lay flat on the ground.

Gu Yunhao laughed. you've eaten so much. Why are you still so weak?

"You're the one who eats a lot!"

The crowd burst into laughter, and the group of men from the criminal Police unit began to make a fuss.

Sheng shuangxue's face turned red. She kicked Gu Yunhao, who took a few steps back. She jumped up abruptly, turned around, and left the classroom.

After they arrived at the changing room, Xiao Mianmian followed them. "Shuangxue, what's wrong?"

"I'm fine." Sheng shuangxue was stunned. Why did you come down?"

"I'm ran ran, I'm here to see you."

"It's fine," Sheng shuangxue smiled. Hurry up and go to class, don't delay it. '

Xiao Mianmian suddenly thought of something and blushed. what about you?

"I'm going for a run. I'll practice with you another day."

"That's fine. You're so good at it, you don't even need to learn." After Xiao Mianmian finished speaking, she quickly ran away.

Sheng shuangxue put on her shoes and went for a run. After running for nearly an hour, she went downstairs to buy water, drenched in sweat.

She took the water and walked to the cashier. She saw Gu Yunhao standing there, but she did not know where uncle Wang was.

A few beautiful girls were standing around to settle the bill, and Gu Yunhao was the cashier.

Sheng shuangxue snorted, "she's really a jinx!"

She put down the bottle of water, took a bottle of Coke, and shook it a few times before walking over.

The other customers had just left, so Gu Yunhao took a newspaper and placed it on the counter to read.

Sheng shuangxue raised the can of Coke with a sinister smile and pulled the can ring at him.

With a pfft, Gu Yunhao raised the newspaper and blocked the coke that he had spat out, which all landed on her face.

ah! Sheng shuangxue screamed.

Gu Yunhao slowly put down the newspaper and said with a smile, "Human, please don't do bad things."

Sheng shuangxue's face was covered in sweat. She felt like she was going crazy!

She slammed her palm on the table in anger and glared at him.

He took a packet of handkerchiefs from the shelf next to the cashier and handed them to her. "One Yuan!"

She continued to glare at him.

He had no choice but to walk out of the cash register, go to the place where the tissues were placed, and take a pack of tissues."Five Yuan."

Sheng shuangxue, "Yingluo. "

Seeing that she still didn't want it, he changed to another roll of paper. "Don't tell me you want the one that's 35? How much traffic do you have?"

argh! Sheng shuangxue was so angry that she threw the opened Coke at him while screaming!

There was still more than half a bottle of Coke inside. Gu Yunhao tilted his head to avoid it, and the coke fell on the shelf behind him, where there were sanitary pads.

This was great, uncle Wang was going to get angry. "Do you want to pay?" he asked Sheng shuangxue..

Chapter 1779: You want to hit on me?

“You wish! Why don’t you buy it yourself?”

“I didn’t use Yingluo.”

“You’ll be useful if I spray Coke all over you,” Sheng shuangxue said through gritted teeth.

“Yingluo, it’s not good to use that, right?”

Sheng shuangxue didn’t bother to answer him. She wiped her face and went upstairs.

After she washed her face and hair, she came down with Xiao Mianmian.

Gu Yunhao was no longer there. Uncle Wang was sitting on the chair listening to music, looking quite happy.

Sheng shuangxue suddenly felt guilty. Speaking of which, she was being unreasonable just now.

She glanced at the shelf where the sanitary pads were placed. Nothing seemed to be out of the ordinary. Gu Yunhao must have cleaned it.

“You want to buy it?” Xiao Mianmian asked.

“No, no, no!” Sheng shuangxue walked out of the supermarket with her head lowered.

“Don’t you want to buy something?” uncle Wang asked enthusiastically.

Sheng shuangxue ignored him. Xiao Mianmian said, ” “I’ll come tomorrow!”

Sheng shuangxue decided to ignore Gu Yunhao. She had already found him annoying, and now she hated him even more! It was easy to be angered to death by coming into contact with him!

She didn’t want to practice Taekwondo in the gym, so Xiao Mianmian had to go alone.

“Why don’t you not go too? I thought you didn’t like it?”

No... Xiao Mianmian’s eyes darted around guiltily. actually, I wanted to go very much before, but I was too embarrassed to go alone.

“Then now . . .

you’re at the gym, after all. We can come and go back together.

“Alright, then.” Sheng shuangxue didn’t want to interfere with her decision, so she could only agree.

While they were running, Gu Yunhao suddenly walked over.

Sheng shuangxue hurriedly looked around. Many people had suddenly turned around. They were obviously paying attention to them.

“What are you doing?” she asked, gritting her teeth.

Gu Yunhao took a sip of mineral water and asked, "I owe you a month's worth of food. I'll bring you breakfast tomorrow. What do you want to eat?"

"That's just a joke, no need."

Gu Yunhao paused and tightened the bottle of mineral water. "But I'm not joking. I'm a man of my word."

Sheng shuangxue glanced at him and suddenly turned off the treadmill. She stopped and looked at him. "You want to hit on me?"

Gu Yunhao choked and stomped his feet, "nonsense!" This is the basic principle of being a human!"

"Oh, I see. Then you don't have to keep your promise. Otherwise, it won't be good if you eat for a month and end up with something."

Sheng shuangxue turned around and walked toward the fatty from the criminal Police unit.

The fatty ran slowly and almost fell when he saw her. He hurriedly started to run, staring at her as he ran.

"The captain is looking for you, why don't we switch?" she said.

Fatty nodded, got off the treadmill, and walked towards Gu Yunhao. "Captain, you were looking for me?"

"No!" Gu Yunhao stared at him.

"What are you two doing?" fatty was speechless.

"Yingluo," what do you mean by the two of them?

Gu Yunhao glanced at Sheng shuangxue and sighed gloomily.

He hadn't thought that far yet, this person was really difficult to deal with!

After work, Xiao Mianmian went to buy groceries with Sheng shuangxue. They went back home to practice their cooking.

Their lives were very regular. As long as they didn't work overtime, they would buy groceries and cook after work or eat out. He went to the gym at eight or nine O'clock in the evening and went home to sleep.

Gu Yunhao was also cooking.

His cooking was simple and crude. He stuffed the rice into the rice cooker and used the oven to cook

He spent half of his time eating outside, and every time he cooked, he would only roast fish and meat.

After he was done, he returned to his room to watch TV. As he looked at it, the smell of smoke drifted over.

He was shocked and turned his head to see thick smoke billowing outside the window!

When she went out, she found it was Sheng shuangxue..

Chapter 1780: Captain, quickly say sorry

He thought that there was a fire and immediately went to knock on the door. He was so anxious that he clapped very loudly.

When Sheng shuangxue opened the door, the others had come out as well. She only found out what had happened after she asked them.

Gu Yunhao looked at Sheng shuangxue. She was wearing an apron, holding a spatula, and her face was covered in sweat. She looked a little disheveled.

His heart ached a little, and he was so anxious that he spoke without thinking. "If you don't know how to do it, then don't!"

Sheng shuangxue was so angry that she smacked him on the head with a

spatula!

The surroundings suddenly became quiet. Sheng shuangxue started to cry, feeling wronged. "So What if I don't know how to cook? I'm learning! What right do you have to say that about me?"

Hey! handsome white and the others hurriedly came over to stop the fight.

don't, don't, don't. Don't mess around. Captain, quickly say sorry!

"No need to say!" Sheng shuangxue shouted.

Gu Yunhao took a deep breath and said, you haven't eaten yet, have you? Why don't you come over to my place--"

"I'm not eating!' let's go to my house, " Xiao Mianmian said anxiously. I'll eat.

Sheng shuangxue looked at her and said, touched, "Girls are still better,

Yingluo."

How cute! How kind! Unlike some men!

Everyone: "Yingluo, you can't just deny all men just because Captain is a man!

Sheng shuangxue put down the spatula, wiped her nose, and went to Xiao Mianmian's house.

Everyone looked at Gu Yunhao and said meaningfully, "Girls need to be coaxed."

Gu Yunhao took a deep breath and said, 'aren't you going to eat? What are you doing here? Whoever talks nonsense will have to sweep the streets!"

"Whoosh! Whoosh!" It's not our business to sweep the streets!

After that day, Sheng shuangxue and Xiao Mianmian became partners, and Xiao Mianmian was in charge of cooking.

One day, she suddenly had an idea, 'if we eat together, why don't we live together? Can I request to change to a bigger room?"

Xiao Mianmian's face darkened, "only husband and wife can live in the main room."

"Can't I be of the same gender?" Sheng shuangxue blinked.

"If you can't do it with the opposite sex, of course not the same sex!"

the world has really changed. Now, the same sex has become a big problem! Sheng shuangxue sighed in dissatisfaction.

After the weather turned cold, Gong mo sent Sheng shuangxue a pile of new season clothes, all of which were the latest Designs of the Year.

She picked two pieces for Xiao Mianmian, but Xiao Mianmian quickly refused, "I don't want it, I don't want it! This one looks very good!"

"You still don't want it?"

"It's just too good!"

"But I've been freeloading off you for so long!" "But you've paid!" Xiao Mianmian said.

"You've given me the technique!" you gave it to her too. The desserts you make are so delicious!

Sheng shuangxue wasn't a foodie either. First, she knew how to bake, and Xiao Mianmian happened to like it, so she often cooked it. Secondly, her kitchenware was good. Xiao Mianmian seemed to love it and often used her kitchen, even learning baking from her.

Every time the fragrance reached Gu Yunhao, he would feel very depressed. Why do girls nowadays like to play with girls?

He had little contact with Sheng shuangxue at work. There weren't many big cases in small cities. A case like the one where a family of three was killed last time wasn't something that could be done by luck for years. He didn't need to do other small tests himself, so Sheng shuangxue had more contact with the other members of the criminal Police team.

This group of people was also bored to death. They were sensitive enough to sense that she and Gu Yunhao were no longer in contact. Every time they saw her, they would ask, "What happened between you and Captain?" "Do I have anything to do with him?" Sheng shuangxue said angrily.

“If you ask again, get out!” Sheng shuangxue said.

Yingluo. everyone finally stopped asking. They felt that it was a pity, but they got used to it over time..
