Chapter 1781: An unexpected kiss

In the morning, Sheng shuangxue ran into Gu Yunhao when she went out.

The two of them opened and locked the door at the same time. She lowered her head and pretended not to know him. Gu Yunhao greeted her. "Morning."

"Morning, Zhenzhen." Sheng shuangxue pulled out her key and walked forward. Her high heels clattered loudly in the corridor.

Gu Yunhao tossed the key in his hand and followed behind her.

She was wearing a light windbreaker that outlined her slender waist.

Gu Yunhao swallowed his saliva and looked away. He saw the earrings on her earlobe again. There was a touch of sexiness in her delicate appearance, which made him take a light breath.

He was a normal man, but he was unlucky and had yet to have the chance to lose his virginity.

Now, with such a peerless beauty in front of him, he would have many dreams at night.

Walking behind her was really torturous!

He strode forward, wanting to overtake her.

Sheng shuangxue was shocked and started running.

Gu Yunhao was speechless. He deliberately stuck behind her but did not overtake her.

When they were going downstairs, Sheng shuangxue saw him from the corner of her eyes. She didn't want to be so close to him. Suddenly, she had a stroke and took two steps as one. As a result, she missed a step and fell down. "Be careful!" Gu Yunhao was shocked. He jumped down and grabbed her hand.

Sheng shuangxue shrieked in fear and grabbed the handrail of the stairs in a hurry.

Gu Yunhao took her other hand. Her back was against the railing and she leaned back because of the inertia.

Gu Yunhao also fell down due to inertia and landed on her body, accurately pressing his lips on hers.

The two of them were dumbfounded.

Gu Yunhao's mind went blank. He only had one thought: Her lips were so soft that he couldn't bear to leave.

He was conflicted. What should he do now? Do you want to continue taking advantage of me?

Sheng shuangxue suddenly pushed him away, raised her hand, and slapped him in the face.

He woke up and felt that he should not continue, so he silently let go of her.

ah! Sheng shuangxue screamed.

She was leaning against the armrest, and the moment he let go, she lost her support and rolled down the armrest.

ow ... Sheng shuangxue lay on the ground, sprawled out. She was in so much pain that she burst into tears.

Gu Yunhao hurriedly rushed over and said anxiously, " "You ..." "Is the ground dirty?" Sheng shuangxue looked at him.

"Are there any hooks on the stairs? Did you tear my clothes?"

Gu Yunhao's face darkened and he said angrily, 'how can you be such a shallow woman! Is it a matter of clothes now?"

"Don't you think this dress is beautiful?" Sheng shuangxue cried.

Yingying was indeed very beautiful. But no matter how pretty she was, she was not as important as her!

He squatted down helplessly and tried to pick her up. "I'll give you one, okay? Can you not care about your clothes, and care about whether you are injured or not!"

waa ... Sheng shuangxue cried. it hurts!"

You know it hurts now?" Gu Yunhao picked her up, speechless. I'll take you to the hospital.

Sheng shuangxue looked at his cold face and thought of the unexpected kiss just now. Her face blushed inexplicably.

She whispered, "my clothes are limited edition Yingluo."

Gu Yunhao glanced at her, and she pursed her lips gloomily.

After they went downstairs, Gu Yunhao carried her to his car and placed her in the front passenger seat.

As soon as her butt touched the seat, she shouted, "Ah, it hurts!"

Gu Yunhao was shocked and hurriedly stopped his movements. He asked in horror, "Where does it hurt?"

Sheng shuangxue bit her lip when she heard that.

It was the butt. How did he explain this?

She thought for a moment and said, "tailbone."

"Look at your side first. Wait for me to put down the seat. You can lie down.."

Chapter 1782: I'll take responsibility if you're paralyzed

Sheng shuangxue nodded. She realized that her hands and knees were also in pain. She could only bite her lips and keep quiet.

After Gu Yunhao got into the car, she asked in fear, "Did I break my spine? Will you be paralyzed?"

Gu Yunhao started the car. After a moment of silence, he said, "I'll take responsibility if you're paralyzed."

Qianqian didn't want to be paralyzed at all! No, don't be paralyzed!

There were almost no external injuries on her body, except for two abrasions on her palms. Once they arrived at the hospital, Gu Yunhao sent her for an X-ray.

During the X-ray, she was in so much pain that she could neither lie down nor get up. She gritted her teeth and struggled for a long time.

She felt that she might really have broken her spine. Suddenly, she had nothing to live for, and tears fell down.

Seeing her like this, Gu Yunhao blamed himself and asked gently, " 'What's' wrong?"

"It hurts, Yingluo."

"Then I'll carry you to the doctor."

Sheng shuangxue didn't stand on ceremony with him and nodded.

In the end, when Gu Yunhao picked her up, she screamed in pain, and the people around her looked over.

Gu Yunhao froze. Seeing that she was still crying in his arms and did not notice the movements around her, he shook his head helplessly.

When she arrived at the doctor's place, she didn't dare to sit or lie down. Her knees still hurt when she lay on her stomach. She cried sadly, " "Gu Yunhao,

I'm going to die ..."

"Don't talk nonsense." Gu Yunhao shouted.

The doctor not that serious. You could stand and walk just now, so it's not a big deal." Even if his bones are injured, it won't be too serious."

“But I’m in so much pain!” Sheng shuangxue called out.

“It will definitely hurt.” The doctor said.

don’t you study medicine? “Gu Yunhao asked. you don’t know this?”

“I’m a forensic doctor, okay?” Sheng shuangxue looked at him with dissatisfaction. After saying that, he lay down and stopped talking.

After receiving the X-ray, she found that her bones were not injured, fractured, or dislocated.

The doctor prescribed a few plasters and a bottle of medicinal wine for her. Gu Yunhao went to the pharmacy to get them and massaged her hands and legs.

He was strong. At first, she was in so much pain that she cried, but when her wound heated up, she felt very comfortable. In particular, there were two places where it almost stopped hurting immediately.

However, her butt hurt the most, so Gu Yunhao couldn’t rub it for her. He handed it over to the nurse.

While Gu Yunhao was waiting outside, he heard her squeal like a pig being slaughtered. He asked her, “It’s so painful. Do you want to take some painkillers?”

“Don’t! I can endure it!” Baby snow said stubbornly.

“Yingluo, but you’re disturbing the residents!”

There was no need to be hospitalized for such a small injury. Gu Yunhao carried her out of the hospital and said after getting into the car, “I think you shouldn’t go to work today. It hurts standing and sitting. Why don’t you go home and lie down?”

“Then I’ll take a leave first.”

“I’ll help you.”

Sheng shuangxue hesitated for a while and nodded. She said embarrassedly, ”

“You’re late too, Yingluo.”

“It’s fine.’

Sheng shuangxue immediately remembered that he had kissed her. She was obviously the one at a disadvantage, okay? Why did he have to apologize?

She snorted and looked out of the window angrily.

Gu Yunhao was baffled,“why are you suddenly angry again?”

Gu Yunhao went to help Sheng shuangxue apply for leave. Old Yang was shocked. “How did she get injured? Is it serious? What do we do now?”

“Ran ran, why are you in such a hurry?” Gu Yunhao asked.

“Why don’t you take a look at who she is!” Old Yang was furious.

Only then did Gu Yunhao remember that she was the president’s younger sister!

“I’m done for. Should I report it? But if that’s the case, Won’t You Be in serious trouble?” Old Yang was going crazy.. If he had known earlier, he wouldn’t have accepted this hot potato!

Chapter 1783: Addicted to hugging

“Then I won’t take revenge!” Gu Yunhao said.

“But ...”

“Why don’t you ask the person involved? Maybe the person involved didn’t want to show off.’

this is really not serious. old Yang felt that it was feasible and confirmed again. is it really not serious? ‘

“It’s not serious,”

then you can go and test it out. It’s good if you don’t tell the Sheng family. Otherwise, Zhenzhen ...

Gu Yunhao nodded seriously.

He did not dare to let the Sheng family know.

Sheng nanxuan only had one daughter, and she was more than ten years younger than Sheng Yiting. How much he doted on her? He would probably kill his entire family if he lost even a single strand of hair.

Now that he was the culprit, he could only hide.

Gu Yunhao left old Yangs office and sent a text message to Sheng shuangxue. [how do you want to settle your lunch?]

Sheng shuangxue replied, [I’m starving!]

Gu Yunhao looked at these angry words and said helplessly, " [I'll prepare it for you. It's my responsibility, after all.]

[can we not talk about this anymore?]

Gu Yunhao recalled that kiss and his face heated up. He suddenly didn't know what to say.

At noon, he ordered a few takeaway dishes.

The takeaway was delivered to the police station in several boxes. Everyone thought that he was going to treat them to a meal and was extremely excited.

Gu Yunhao glared at everyone, then left with the takeaway.

At this time, Xiao Mianmian wanted to ask Sheng shuangxue to have lunch with her, but she didn't come to work. She called her and found out that she was injured.

Xiao Mianmian asked anxiously, "is it serious?" Why are you at home instead of going to the hospital?"

"It's not serious. The doctor told me not to sit for too long, so I'm going to rest

today and go back to work tomorrow."

"Have you had lunch?"

f * Ck. Sheng shuangxue recalled that Gu Yunhao had told her that he was going to prepare some food. I'll order a takeaway for myself.

Xiao Mianmian thought that takeaway was quite convenient, so she heaved a sigh of relief. "Then I'll go see you later."

Sheng shuangxue hung up the phone and waited for her lunch angrily.

Did he remember Gu Yunhao? Would he forget? He wouldn't starve her to death, would he?

Sheng shuangxue looked at the time and decided to wait for twenty minutes. In less than twenty minutes, she would book herself and then break off relations with him!

In less than two minutes, the doorbell rang.

She was lying on the bed and immediately got up, but she fell back down again when she felt a pain in her waist.

The doorbell rang two more times, and she shouted, "Who is it?" The doorbell stopped, followed by Gu Yunhao's voice. "Me!"

"Wait!"

Sheng shuangxue said unhappily. She got up with difficulty. The journey that usually took only a few seconds took her nearly a minute. After opening the door, she leaned against the wall weakly.

"Don't move!" Gu Yunhao said.

He quickly carried the takeaway into the house and came over to hug her without even saying a word!

Sheng shuangxue was caught off guard and was furious. "You're addicted to hugging, right?"

Gu Yunhao paused and looked at her.

She suddenly recalled what had happened in the morning. He had suddenly let go of her just because she had slapped him.

He wouldn't throw her away now, would he?

Sheng shuangxue was so scared that she hugged him. Gu Yunhao laughed. I think you're addicted to hugging.

ah! Sheng shuangxue was furious.

"Alright, stop it." Gu Yunhao placed her on the sofa. His voice had a hint of adoration that he didn't even notice.

Sheng shuangxue was so angry that she hit him with a pillow and shouted, "You're especially infuriating!"

When Gu Yunhao heard this, he reflected on himself and realized that he had indeed gone too far by always teasing her.

He looked at her and thought, "she's too cute, I can't stop her, Yingluo.."

Chapter 1784: Do you know who my family members are?

"I ordered a few light dishes." He opened the takeaway.

you made me like this?" Sheng shuangxue was displeased. you're going to use this kind of dish to deal with me? '

"How about I make it myself tonight?"

“Will you?” Sheng shuangxue asked suspiciously.

“Order whatever you want.”

Sheng shuangxue thought for a while and snorted.

Who wanted to eat his cooking? They weren't even that close!

She picked up the rice and chopsticks and buried her head in the food.

After eating half of it, she remembered to ask Gu Yunhao, “Why are you eating here?”

Gu Yunhao, who was picking up the potato shreds, paused. “Yingying,” he was almost finished. Young lady, how slow are your reactions?

“Can't you go to your place?”

oh, oh, oh. Gu Yunhao pointed at the food. I've already eaten half of it.

“Forget it!” Sheng shuangxue said angrily.

After eating, Gu Yunhao threw away the trash and prepared to go to work.

Before he left, he asked, “Do you still feel pain? Do you want to hire a nurse? Or Yingluo can ask your family to come and take care of you.”

Hearing that, Sheng shuangxue suddenly shouted, “no!” Please don't!”

What would happen if his family found out? Her father would become a bossy President and force her to listen to him!

Oh right, " she asked Gu Yunhao nervously, " what did chief yang say when you went to ask for leave?

Gu Yunhao lowered his head. he said that he wanted to tell your family, so I asked for your opinion first.

Hearing this, Sheng shuangxue heaved a sigh of relief. Then, she felt something was wrong. "Yingluo, do you know who my family is?"

"Nonsense." Gu Yunhao said helplessly.

"How did you know?" Sheng shuangxue became alert.

Since she was young, many people had been in front of her. When she was in primary school and kindergarten, she was trying to please her and be friends with him. She had been wooed since middle school, but it was mostly because of her status.

It would be even worse when she went to college! Her brother had become the president, and countless people wanted to take this shortcut!

However, when she wanted to give someone a chance, that person would not choose her.

Thinking of that mistake, she felt like she had been F * cked!

She had come here with the intention of abandoning her identity and becoming an ordinary person.

She looked at Gu Yunhao and could not help but think, " He knows my identity but still bullies me. Is he trying to attract my attention?

#Very good! Man, you've successfully attracted my attention! #

Gu Yunhao's ability and temperament were not bad. He was exactly the same as the elites in Beijing. However, in such a small place, without any help, it would be very difficult to get up, right?

So he had chosen her?

Sheng shuangxue didn't know what to feel. She was so annoyed.

Gu Yunhao could tell what she was thinking, but he was not angry.

He had experienced something similar before. When one's background was good, there would always be people who would come up to curry favor. And she was simply a hot cake.

However, he was still a little depressed.

Could it be that ... She couldn't see the pure heart under his handsome appearance? How could he be that kind of person!

She really didn't understand herself!

It's really infuriating that he didn't come to understand me!

Gu Yunhao walked to the door and said, "dinner ... "I'll handle it myself." Sheng shuangxue said coldly.

"Call me if you need anything," he nodded.

After he left, Sheng shuangxue's heart was also heavy. She opened a certain treasure and started to buy.

The feeling of spending money was still the best!

After work, Xiao Mianmian immediately rushed back to the dormitory to see Sheng shuangxue.

Seeing that Sheng shuangxue was fine, she heaved a sigh of relief. "I'll go get some groceries now. I'll give you some nourishment tonight." Sheng shuangxue hugged her, touched.. You're the best!"

Chapter 1785:

Aiya, Yingluo! Xiao Mianmian blushed. you're injured, don't hug me.

"It won't affect Yingluo if you hug her."

"Do you still want to have dinner?" Xiao Mianmian asked with a straight face.

"Yes!" Sheng shuangxue hurriedly said.

Xiao Mianmian went out with the shopping bags.

Not long after, someone knocked on the door.

Sheng shuangxue felt that her life was very hard at this moment. She walked slowly with the wall as support. Her tailbone hurt with every step she took.

She opened the door and saw Gu Yunhao.

"What are you doing?" she asked, annoyed. Don't you know that it's very painful for me to walk?"

"I'm sorry, Yueyue." Gu Yunhao touched his nose. 'I wanted to ask if you really don't need my help with dinner?'

"Mianmian has already gone to buy groceries."

Hearing this, Gu Yunhao said sternly, "I must remind you about this."

Mianmian has her own life. You shouldn't always trouble her. '

Sheng shuangxue was taken aback. She thought about it carefully and realized that it made sense. Mianmian had only known her for a short time. Although they had become friends very quickly, they were not close friends. Besides, friends shouldn't be so one-sided, but she didn't seem to have done anything for Mianmian.

She knew that it was one thing, but when Gu Yunhao said it out loud, she was a little angry. "If I don't trouble her, do I have to trouble you? Mianmian and I share the same bed!"

"Yingluo, do you think this is good?" Gu Yunhao's face darkened.

"We're just friends, what's wrong with that?"

Gu Yunhao took a deep breath and said, "alright then." Call me if you need anything." After saying that, he took out his key, opened the door next door, and went in.

Sheng shuangxue slammed the door shut and leaned against it, panting.

A moment later, the doorbell rang again. She opened the door angrily. you ... Ah! Little white!

Handsome white didn't want to be called that.

“What are you doing?” Sheng shuangxue asked.

“I heard that you were injured, so my team sent me to visit you as the representative.”

“Does your Captain know about this?” Sheng shuangxue paused.

“Him?” Handsome Bai was stunned. didn’t he see you alone? Therefore, this

Yingluo has no share in it. ‘

Sheng shuangxue thought, it’s good that he’s not here!

“Come in and sit,” she beckoned.

When handsome white heard this, he went in with the fruit basket, but did not close the door.

A man and a woman alone, only by opening the door could they avoid suspicion. Besides, most of the people on this floor were police officers, so they were not afraid of anyone breaking in and robbing them.

Commander Bai had been here the last time he cleaned, but it had changed a lot. There were many more small decorations and it was more popular than before.

There was a huge photo frame hanging on the head of Sheng shuangxue’s bed, in which two beautiful women were standing with their heads touching.

“Is that Yingluo Mianmian?” handsome white asked in a daze.

“Yup!” Sheng shuangxue said, “ we took a bestie photo last month. How was it?

"It's good!" Said commander Bai.

Sheng shuangxue suddenly said,"by the way, I haven't invited you to tea." If you want to drink it, pour it yourself. I fell and it still hurts when I walk." "It's fine, I'll just sit for a while."

"Then you peel the fruit yourself." Sheng shuangxue handed him the knife.

Handsome Bai took it and looked at the door opposite while peeling the Apple.

Mianmian is not back yet? '

"I went to buy some groceries."

alright. he nodded. then, you'll have someone to take care of you at night. Everyone can rest assured.

Marshal Bai peeled the Apple, cut the flesh into small pieces, and placed them on a plate. He said to Sheng shuangxue, "Come, you eat too." After he finished speaking, he picked up a piece and ate it.

At this moment, Xiao Mianmian came back..

Chapter 1786: Do you like handsome Bai?

"Why did you buy so many?" Sheng shuangxue was shocked.

Xiao Mianmian's eyes widened as she looked at handsome white, unable to speak.

“I’ll help you,” said handsome white as he strode over.

“No, no, no, Zhenzhen, no need!” Xiao Mianmian’s face flushed red.

“Give it to me. Look at how tired you are.” Without a word, handsome white picked up his things and went to the balcony.

thank you! Xiao Mianmian quickly followed. thank you.

Handsome Bai smiled brightly and said, “it’s alright. I’ll be leaving first.” I’ll leave shuangxue in your care.”

uh, Yingluo. Xiao Mianmian frowned and pursed her lips as she watched him leave.

After the door closed, she pouted and bit her lower lip sadly.

Sheng shuangxue held the Apple and waved at her. “Come, come, come,

Yingluo, this is the Apple that handsome white peeled.”

Xiao Mianmian stared at the Apple in her hand, gritted her teeth, and walked over to sit opposite her.

She took a small piece of the Apple and asked, “W-why would commander

Bai be here? He’s here to see you?”

“I’m here on behalf of the criminal Police unit.” Sheng shuangxue looked at her with a smile. Mianmian, I found it.

“What?” Xiao Mianmian panicked.

Sheng shuangxue reached out and lifted her chin. She narrowed her eyes like a bossy President. “Speak! Do you like handsome Bai?” “No, I didn’t!” Xiao Mianmian stood up in excitement.

there’s no silver here - “Sheng shuangxue said slowly.

Xiao Mianmian blushed and walked to the balcony in a Huff. “I won’t talk to you anymore, I’m going to cook!”

Sheng shuangxue endured the discomfort and followed him. “Say it, say it, isn’t it?”

“Lower your voice!” Xiao Mianmian hurriedly covered her mouth. The balcony wasn’t as soundproof as the room.

Wu Wu Wu Wu! Sheng shuangxue struggled to break free. tell me, is it true or not? ‘ sigh! Xiao Mianmian sighed and said faintly, “ doesn’t he like you?

“No!” Sheng shuangxue was shocked.

Xiao Mianmian looked at her sourly. he’s peeling an Apple for you. He even told me to take care of you. Ran ran, see how well he’s treating you? ‘

“Are you jealous?”

Xiao Mianmian slapped the counter. “I don’t want to do it anymore!”

“Alright, alright, alright, I won’t say anymore, Yingluo!” Sheng shuangxue said hurriedly.

Xiao Mianmian snorted and began to cook.

Sheng shuangxue was touched. She hugged her from behind."Mianmian!

You're the best!"

He already treated her as a love rival, yet he was still willing to cook for her? No, she didn't put poison in the food, did she?

"Alright, don't block me!" Xiao Mianmian pushed her away. if you have time, peel the green onion for me!

"Good, good, good, good, good, good, good, good!" Sheng shuangxue hurried to help.

Because of her injury, she couldn't go to the gym at night, and Xiao Mianmian didn't go either.

Xiao Mianmian went back to her room to wash her clothes, then came over to apply medicinal wine and plaster on Sheng shuangxue.

Sheng shuangxue had just taken a shower. She had applied medicine on her hands and feet, but not on her butt.

It wasn't there when the nurse sprayed it on her in the hospital this morning. However, she tried it with her backhand and hehe, she wanted to die.

So she could only let Xiao Mianmian do it.

It's very itchy, okay?"

Chapter 1787: Gu Yunhao is going crazy

“If you touch me again, bengong will sleep with you!” Sheng shuangxue was furious.

Xiao Mianmian shivered in fear and didn’t dare to act rashly. She obediently applied the medicine for her.

Gu Yunhao was about to go crazy. He put down the book in his hand and started to do push-ups on the ground.

However, he could still clearly hear the voice from next door.

shuangxue whoever marries you will be so happy. Look at these breasts, look at these buttocks, I want to bend them, Yingluo.

“Are you willing to?”

“What’s there to be reluctant about?”

“Oh, oh, oh, oh, really? Then let bengong check~”

Gu Yunhao’s push-ups were getting more and more violent. His hearing wasn’t usually this good. What was wrong with him today?

He put on his headphones and turned the music to the maximum. Finally, he could no longer hear the “obscenity” on the other end.

The next day, Sheng shuangxue went to work. When she saw handsome Bai, she sneaked a smile, which made him confused.

Sheng shuangxue immediately pulled a long face, in case he misunderstood.

He was Mianmian's sweetheart, so he must not make any mistakes!

She did not go to the gym again because of her injury. The injury was not serious, but it was painful every day and he could not withstand intense exercise.

Xiao Mianmian still went to practice Taekwondo every day. Sheng shuangxue thought it must be because of handsome Bai, but Xiao Mianmian refused to admit it.

Sheng shuangxue thought of an idea and said to Xiao Mianmian before Christmas, "Christmas is coming. It's a date for couples.

Xiao Mianmian ignored her. She had been teasing her about handsome white recently.

"You don't like handsome Bai, do you?" Sheng shuangxue looked at her. Xiao Mianmian was stunned. She glanced at her and snorted, "I don't like it!" "Then I'll go after him!" Sheng shuangxue slapped her thigh.

"Ah?" Xiao Mianmian was shocked and jumped up in a hurry. shuangxue-

"Still not going to admit it?"

Xiao Mianmian pursed her lips and asked while pointing at her fingers, "You really like him?"

Sheng shuangxue rolled her eyes. "You people, why are you so annoying? If you don't admit that you like someone, if you don't pursue someone openly, who's to blame if you make a mistake? Can you not beat around the bush?"

uh, uh, uh, "Xiao Mianmian was startled. Why did shuangxue suddenly lose her temper?"

Sheng shuangxue pressed her against the wall with a kabedon. Xiao Mianmian screamed and was dumbfounded. Whoosh! Whoosh! Whoosh! Shuangxue's boyfriend is so strong, if handsome Bai kabedonned me like this, I'd be speechless.

Sheng shuangxue lifted her chin and asked domineeringly, "Still not admitting it? You really want me to take action?"

Wu, Wu, Wu. Xiao Mianmian threw herself into her arms and hugged her as she mumbled, "but he doesn't like me, Wu, Wu.."

Chapter 1788: No matter how good she is, she can't be better than Gu Yunhao

"Then why don't you have a crush?" Sheng shuangxue pushed her away in a Huff.

Xiao Mianmian pitifully went up to him. "Then I've told you everything. Do you want to help me?"

"Help?" Sheng shuangxue raised her eyebrows. I can't do anything about that. And I don't understand why you would like handsome white! He looks like a white-cut chicken! "

"It only looks like it, it's not like it! Look at how good his muscles are!" Xiao Mianmian said in dissatisfaction.

Sheng shuangxue blurted out. no matter how good he is, he's not as good as

Gu Yunhao!

“So, ran ran, you like Gu Yunhao?” Xiao Mianmian was stunned.

“No, I didn’t!” Sheng shuangxue quickly denied it. I just don’t like the handsome and fair type. He’s a young hunk who doesn’t feel safe at all! I like mature ones!”

“So it’s Gu Yunhao.’

“Who said it was him?” I don’t like him, okay? ” Sheng shuangxue screamed.

“Then what kind of girl do you like?”

Hearing that, Sheng shuangxue hugged the pillow and giggled. She said as if she was in a dream, ” “He’s handsome, tall, knows how to cook, coax his wife, and give orders. He’s so sweet when he’s gentle, and he’s so scary when he’s fierce ... Of course, he’s not scaring me, he’s scaring the people who bully me!

Give me money to spend, give me meat to eat, and give me crickets.”

Xiao Mianmian was dumbfounded, ‘is there such a person? You’re simply dreaming!

“Why isn’t there any more?” Sheng shuangxue was displeased. my dad and my brother are like that!

“I understand.” Xiao Mianmian said seriously, “you’re a dad-con and brother-con!

tsk! Sheng shuangxue threw the pillow away.

Sheng shuangxue urged Xiao Mianmian to confess, but Xiao Mianmian was unwilling.

Seeing that she was timid, Sheng shuangxue didn’t force her. Instead, she lectured her, ” since you like him, don’t hide it. Otherwise, if he’s with someone else, how sad will you be?

“Then what do we do?” Xiao Mianmian was slightly shocked. It was really uncomfortable to think of that scene.

“Strike him!”

“Let yourself shine and attract his attention!”

“Uh, Yingluo, I don’t understand.” Xiao Mianmian said.

Sheng shuangxue sighed, “when you see him, are you very afraid that he will know that you like him?” And then try to hide himself? This was not right! You have to release your inner confidence and talent, like a little sun illuminating his life-

“You’re making it too complicated!”

“Bloclåead!” Sheng shuangxue was so angry that she knocked her on the head.

Xiao Mianmian touched her head and said aggrievedly, “I understand what you said earlier. You’re right. I tried my best to hide myself when I saw him.

But later on, I don’t know how to release it. Yingluo, why don’t you give me a demonstration?”

“Aren’t you afraid that I’ll flirt with him?”

Xiao Mianmian’s eyes rolled, “then why don’t you change your partner? How’s the captain?”

Yingluo wasn’t much at all!

Now, her relationship with Gu Yunhao was just that of ordinary colleagues. They were neither too close nor too far apart.

However, when she thought of that kiss, her face couldn't help but heat up.

She coughed twice and patted Xiao Mianmian's shoulder. "Don't worry. I think he has a good impression of you, so don't be afraid when you see him in the future. Talk to him more often, and one day he will take the initiative to confess!" really? " Xiao Mianmian blushed. really? '

"Really, really!" Sheng shuangxue hurriedly nodded.

She didn't want to be an example for Xiao Mianmian. She didn't want to flirt with Gu Yunhao at all, okay?

What if he was backstabbed? Gu Yunhao's figure was really good. She felt a sense of security when she leaned against his chest. It was very easy to sink into his deep and charming chest.

Sheng shuangxue felt that she could still flirt with him. She didn't lose anything..

Chapter 1789: Go to Gu Yunhao's room

After work, Sheng shuangxue and Xiao Mianmian went back to the dormitory together. They changed their clothes and went to buy groceries.

As soon as she left the house, she ran into Gu Yunhao, who was returning with a large bag of vegetables.

Gu Yunhao glanced at them and said, "You want to go out?"

yeah Q'Xiao Mianmian said, " Captain, do you want to cook by yourself?" "Yes." Gu Yunhao took out his keys and opened the door.

“Captain, didn’t you say that you would treat me to a month’s meal?” Sheng shuangxue asked.

“Didn’t you say you don’t want it anymore?”

“Don’t you know that women are fickle?”

Gu Yunhao glanced at her and smiled. “This is your only chance. If you change again, I won’t give you the chance to regret it!”

“So, Yingluo”

“Come over yourself!” Gu Yunhao opened the door and went in, but did not close it.

“Can I take Mianmian with me?” Sheng shuangxue asked loudly.

“As you wish!”

Xiao Mianmian looked at all of this in a daze, not knowing how it had become like this. Weren’t they going out to buy groceries? How did it become going to the Captain’s House for a meal?

“We don’t have to go to the market anymore!” Sheng shuangxue smiled at her.

“I don’t have to go if I clean up, right?” Xiao Mianmian asked.

“You’re not giving the captain any face!” Sheng shuangxue turned around and opened the door. I’m putting my bag away. You should do the same.

Oh Yingluo. Xiao Mianmian went back to her room in a daze.

Sheng shuangxue dropped her bag, took out her scarf, and changed into a thin coat. It was already very cold, so she wore thick clothes when she went out. But Gu Yunhao must have air conditioning, so she didn't need to wear too much.

After she was done, she saw that Xiao Mianmian's door was still open, so she went to her side.

Xiao Mianmian was in a daze. When she saw her, she asked in confusion, "Didn't you say you don't like Captain? Why did you ask him to treat you to a meal?"

"Lower your voice!" Sheng shuangxue was so scared that she closed the door.

Xiao Mianmian asked with a smile, "I know you don't mean what you say. Actually, to Captain--"

"Don't talk nonsense!" Sheng shuangxue interrupted her. "I don't like him, but a man must be a coward. You should learn from him! When will you be able to get the person you like?"

Xiao Mianmian blushed and asked shyly, "Didn't you say that Yingluo was waiting for him to confess?"

"If you don't show off your good feelings, how would he dare to confess?" uh, Yingluo. Xiao Mianmian nodded seriously, looking like she was being taught.

"Let's go!" Sheng shuangxue pulled her. "The captain didn't lock the door, he's waiting for us!"

"I'm not going, okay?" She didn't want to be a third wheel.

"Go!" Sheng shuangxue glared at her.

Oh? "Xiao Mianmian suddenly realized," you want to flirt with him and let me learn? "

Yingluo, who said that? "I've never been there," Sheng shuangxue said helplessly, "so I'm a little scared. What if the captain is a bad person?"

my kung fu isn't as good as yours," Xiao Mianmian mumbled. but the captain is a good person.

"Then why don't you like him?"

"This is the will of the heavens." Xiao Mianmian's face was serious.

The two of them went to Gu Yunhao's dormitory together. As expected, there was no bed, so the space looked much bigger!

Sheng shuangxue looked at the row of cabinets against the wall and asked Gu Yunhao, who was on the balcony, "You don't even have a bed here. Do you sleep standing up at night?" that's right G'Gu Yunhao said. do you want to come and accompany me?"

Xiao Mianmian's mouth was wide open, thinking, "why are you being so stubborn?"

Sheng shuangxue, "Huahua, you f * cking idiot!"

She stopped talking and sat down to sulk.

Xiao Mianmian hesitated for a moment, then went out and asked Gu Yunhao, "Captain, do you need my help?"

"No, you guys can rest."

Oh, ran ran. Xiao Mianmian went in to find Sheng shuangxue. shuangxue, your ran ran just ran..

Chapter 1790: Alone

Sheng shuangxue glared at her and asked in a low voice, "Was it you who hit on him, or was it him who hit on you?"

Sheng shuangxue quickly glanced at Gu Yunhao and reached out to pinch her.

ah! Xiao Mianmian screamed in pain.

Sheng shuangxue took out her phone and typed, " [don't use your mouth to say important things!]

Xiao Mianmian was speechless. why?

Sheng shuangxue replied, [Captain, you have great hearing!]

Xiao Mianmian's face was suddenly filled with admiration,"there's actually such a thing!"

Sheng shuangxue wasn't sure, but she had to be careful! Anyway, she knew that the military elites had better hearing than ordinary people. They could hear the sound of bullets being loaded from a few meters away.

Although Gu Yunhao lived in this small county, he was still the captain of the criminal Police. They had to be careful!

Xiao Mianmian also took out her phone and typed,[I think the captain was flirting with you just now

Sheng shuangxue said angrily why you have to study! [the next time handsome white asks you this, you'll reply to him like this!]

When Xiao Mianmian heard this, she mumbled with a red tinge "I'll pass. I can't say it."

Sheng shuangxue glared at her, put away her phone, and went to the balcony. "Do you need my help?"

Hearing this, Xiao Mianmian wanted to tell the captain that he didn't need any help, but she saw the captain give a handful of celery and scallion to Sheng shuangxue.

Xiao Mianmian shut her mouth. It seemed that Captain treated Shuang Xue very differently! I'd better leave!

Her eyes lit up and she ran out immediately."Captain- "

"What?" Gu Yunhao turned around, thinking that she wanted to help. He said, it's too narrow here. You should rest. Shuangxue and I will be fine!

Xiao Mianmian's eyes sparkled as she nodded. It seemed that the captain wanted to be alone with Shuang Xue!

"I suddenly remembered that I have something to do, so I might not be able to stay for dinner," she said immediately.

"Uh, hehe."

"Thank you for your good intentions! "

"Then you can go!"

"Yay!" Xiao Mianmian clenched her fists and turned to leave.

Gu Yunhao nodded in satisfaction, thinking, Xiao Mianmian is really a sensible child!

Sheng shuangxue blinked her eyes and thought, “what just happened?” Why did Mianmian suddenly leave?

She looked at Gu Yunhao. then what about ran ran?

“What do you mean? She’s gone, but we still have to eat. What do you want to

“Let’s see if you can do it,” Sheng shuangxue said provocatively.

“Order whatever you want.”

Sheng shuangxue thought for a while and suddenly felt a little annoyed. The guest will do whatever the host wants, do whatever you want!”

Gu Yunhao glanced at her and his voice softened. “What do you like to eat?”

Sheng shuangxue’s scalp went numb. She felt as if she had encountered a Big Bad wolf.

She looked at him in horror and suddenly wanted to go home to find her mother!

“What?” Gu Yunhao’s eyes were gentle and exuded a demonic light.

“Really,” she smiled.

It’s not that easy to find out what I like!

Boohoo, he's not thinking of hitting on me, is he?

Should I make him one? This was a huge problem!

Fortunately, Gu Yunhao didn't discharge much electricity.

As for Yingyings cooking skills, other than the delicious grilled fish, the other stir-fried, stewed, and mixed dishes were all ordinary. But, he did better than her!

Gu Yunhao secretly heaved a sigh of relief when he saw her eating so happily.

He was really worried that she wouldn't like his cooking. "Have you been busy with work recently?" He asked.

"It's alright." if you need help, just tell me. The criminal Police team is idle every day.

"Is it alright for you to say that?"

"Just don't tell anyone!" Gu Yunhao smiled.

"I'll wash the dishes after dinner," Sheng shuangxue sneered..
