

Ditsy Wife 1791

Chapter 1791: My relative is here

“No, there’s the dishwasher.’

“You’re really enjoying it!” Sheng shuangxue said, speechless.

“How did you enjoy it? It’s just an ordinary electrical appliance.”

Sheng shuangxue turned around and looked at the entrance. ‘You even have a wine cabinet, and you still don’t enjoy it? We’re just short of hiring a servant!’

“I want to hire a servant too, but I have a gun in my room. How dangerous would that be?” Gu Yunhao’s face was serious.

“Don’t you bring it with you when you go out?” Sheng shuangxue was stunned. Gu Yunhao put down his chopsticks and stood up. He walked to the cabinet and opened two doors.

Sheng shuangxue immediately saw the clothes hanging inside—a short leather jacket and a long trench coat, most of which were dark in color. Suddenly, a masculine aura hit her in the face.

She looked at him and blushed.

What’s wrong with this person? why did he invite people to look at his wardrobe? Shameless!

Gu Yunhao took out the clothes he was hanging, opened another cabinet door, and stuffed them in. Then, he took down the horizontal bar that had just hung the clothes, reached up, and directly took the top of the cabinet down.

The top of the cabinet was still connected to the wardrobe, but when it fell down, Sheng shuangxue found several guns tied to it with belts!

According to the rules, a Criminal Police officer should only be equipped with one pistol at most. However, there were two pistols here, one submachine gun, and countless bullets!

She rushed over and asked, "why do you have this?" Can you carry so many guns?"

Gu Yunhao lowered his head and said in a low voice, " actually, I'm a special person who's on a secret mission. The captain of the criminal Police is just my identity to the public.

Sheng shuangxue looked at him in disbelief.

"If you don't believe me, you can ask your brother," he said as he put the cabinet back.

"Who wants to care about you!" Sheng shuangxue pulled a long face and

stared at the top of the cabinet. can I have a look? "

Gu Yunhao was stunned. He reached out and took out a gun.

Sheng shuangxue shook her head.

He could only lower the cabinet. Sheng shuangxue took out the submachine gun excitedly and pointed it at him."Don't move!"

Gu Yunhao was shocked. Then, he remembered that there were no bullets in it and heaved a sigh of relief. He said helplessly, " "Don't make a scene." Sheng shuangxue pouted and returned the gun.

Gu Yunhao closed the wardrobe in silence and asked, "Do you still want to eat?"

"I'm full," Sheng shuangxue looked at the leftovers. I'll help you clean up? "No, you should rest for a while, Do you want to watch TV?"

"No, I don't think so." Sheng shuangxue hurriedly shook her head. Thank you for your hospitality, I'll go back first."

Gu Yunhao was stunned for a moment. He nodded and watched her leave.

After the door was closed, he knocked on his head. "Why didn't they ask anyone to stay?"

After putting the dishes into the dishwasher, he sat there for a while, bored. He remembered that he had to go to the gym and left immediately.

When he passed by Sheng shuangxue's door, he paused for a moment. He guessed that she must have gone there too, and then he left quickly.

When he arrived at the gym, he searched every corner but couldn't find her. He couldn't help but send her a text message: "Why didn't you come to the gym?"

"My relative is here!" Sheng shuangxue answered angrily.

Gu Yunhao,"Yingluo."

The situation didn't look good.

It won't be menstrual cramps, right? It was said that girls were particularly hot-tempered when they were in period pain.

Gu Yunhao went to the changing room to change his clothes. The fatty from the criminal Police unit asked, "Captain? You're not going to practice anymore?" "There's something!"

"A case?"

can't you guys hope for something good?! Gu Yunhao glared at them and quickly went downstairs.

When they arrived downstairs, uncle Wang was also curious. "Comrade little

Gu, didn't you just arrive?"

"I have something to do."

Gu Yunhao rushed out of the supermarket. Uncle Wang watched him enter the neighborhood and shook his head. "Young people nowadays, Yingluo.."

Chapter 1792: It's time for you to fall in love

Gu Yunhao rang the doorbell and waited anxiously for a while. Sheng shuangxue opened the door.

She was wearing a set of fluffy pajamas with a hood and two ears on it.

Gu Yunhao's eyes flickered and he reached out to rub her head.

Yes, it felt really good.

Sheng shuangxue looked depressed. She opened his phone unhappily. "What are you doing?"

Updated on BOXNOVEL.COM

“Cough! I’m here to see you, I’m afraid you’re not feeling well.”

you’re being ridiculous! Sheng shuangxue was speechless. Her relatives were here, and he came to see her? Who did he think he was!

Gu Yunhao reproached, “why didn’t you say so earlier?” Wasn’t that grilled fish a little spicy? You even ate so much!”

His face turned dark red as he spoke.

This is the first time I’m concerned about a girl’s period, Yingluo.

“How can we talk about this!” Sheng shuangxue shouted, “ Who needs you to care?”

Gu Yunhao’s face was filled with embarrassment. He also felt that he had been a little impulsive. However, he felt a little aggrieved. He was just concerned about her, okay?

“Then don’t tell me,” he said after a moment of silence.

Sheng shuangxue choked. She gritted her teeth and said, “ I want to eat bean paste buns tomorrow morning!”

“Do you want red beans or something?”

“Of course it’s good to have red bean soup,”

“Alright, then. Have a good rest.” Gu Yunhao turned around and left.

Sheng shuangxue was stunned. She stuck her head out and looked at him. She felt that he looked a little lonely.

She bit her lip and closed the door. She felt a little cold and quickly got into bed.

She had just been chatting with Tian Yuan, so she immediately picked up her phone and called back. "Oh my, there's a man here to support me!"

"Retreat!" Tian Yuan said in a bad mood.

I've already slipped away, but I think he's starting to pursue me. Could it be that I'm overthinking it?

"How did you do it?" Tian Yuan immediately asked.

Sheng shuangxue paused. I told him that I had a period. He came back to see me immediately. He said that he would give me red bean paste buns and red bean soup tomorrow.

Tian Yuan hesitated for a moment before she Back?!" You guys can live together! "

"He's my colleague. He lives next door," Sheng shuangxue replied.

"Oh, then do as you see fit! It's time for you to be in love!"

Hearing this, Sheng shuangxue suddenly remembered that Gu Yunhao knew about her identity. She said irritatedly, "Forget it, we'll see how it goes!"

"What do you mean? As expected, when your period comes, your mood is unpredictable. "

"You're the one who's so fickle in emotions! I feel like you're on your period every day!"

Tian Qi snorted and hung up the phone.

Sheng shuangxue thought, "a certain someone is so fickle in his emotions, the most pitiful one should be Lin weiqin."

Gu Yunhao didn't know how to make red bean soup or bean paste buns, and he didn't want to let Sheng shuangxue be his lab rat.

Hence, he went to the bun shop downstairs and bought a red bean bun. He didn't know where to find red bean soup, but he had to travel half the city to get it.

He went straight to Sheng shuangxue when he arrived at the police station.

When he passed by the office of the criminal Police unit, the people inside saw that he didn't enter and were immediately excited-Captain, there was a situation!

A group of people immediately ran to the door quietly and saw Gu Yunhao enter the forensic room.

Tsk, the captain is really going after the young forensic doctor! The little forensic doctor was so cute. How could the captain be so impure? It was really beautifully done!

Sheng shuangxue was reading some documents when she heard footsteps and looked up. She was surprised to see Gu Yunhao walking over.

Gu Yunhao was displeased when he saw her expression. Did she forget to ask him to buy breakfast?

He walked over with a straight face and placed the things on her table.. "Here's your breakfast,"

Chapter 1793: This is also good

Sheng shuangxue said, [my Yingying has already eaten.]

Gu Yunhao glared at her, his eyes filled with killing intent.

“Didn’t we agree on this?” He asked, suppressing his anger.

“I think it’s too much trouble for you.” Sheng shuangxue said in a low voice. Gu Yunhao sneered, picked up his things, and left. “Young miss is so willful!”

Sheng shuangxue was stunned and glared at him.

When he walked out of the office, the criminal Police unit next door immediately hid in fear.

He turned around and said to Sheng shuangxue, “ I told you yesterday. It’s only one chance. I won’t let you go back on your word.

Sheng shuangxue looked at him and frowned. She suddenly felt a little flustered.

The two of them were shocked. They looked over and saw Zhao Si Yan drop a skull on the ground.

“F * ck!” Sheng shuangxue jumped up in excitement. did you break it? ” Do you know how important this is?”

Oh my God! Zhao Si looked at Gu Yunhao nervously.

Gu Yunhao took a deep breath and walked away angrily. He couldn’t even compare to a bone!

Zhao Siyan squatted down and said to Sheng shuangxue, who was picking bones, “ “This is just a model, don’t worry.”

“The model is also a skull!”

Four-Eyes Zhao, “Yingluo.”

Sheng shuangxue carefully put the skull back.

Zhao Si Yan pushed up his glasses and asked, “you and Captain ran ran?”

“Work hard!” Sheng shuangxue glared at him and looked at the door. Gu Yunhao was no longer there.

She touched her stomach and suddenly felt a little hungry.

Zhao Si looked at her. The captain’s words just now contained a lot of information! Could it be that something had happened between them? He wanted to tell everyone after work so that they could discuss and brainstorm together.

At night, Sheng shuangxue tossed and turned in bed, unable to fall asleep. She kept feeling that she had missed something.

Next door, Gu Yunhao took out his gun from the closet and slowly wiped it.

He picked up the submachine gun and took aim. He remembered how Sheng shuangxue had pointed it at him yesterday.

His pupils shrank as he thought of something else ...

In an abandoned bungalow in a factory, the air was filled with the smell of gunpowder, but it was very quiet.

Gu Yunhao called his comrades through his headset, but only one person answered him.

Out of the 30 people, only two were left!

Suddenly, there was a loud bang. Gu Yunhao's eyes widened as he heard the comrade who had just answered him groan.

He quickly ran over, rushed into the house, and saw that his teammate had been shot in the middle of his eyebrows, dead with his eyes wide open.

A woman in tight-fitting clothes with a gun on her back was facing the door. From her posture, she was holding a gun.

Gu Yunhao's sudden appearance made her turn around warily.

Gu Yunhao's reaction was extremely fast. He was about to Dodge, but when he saw the woman's face, he stopped.

The woman was about to shoot, but when she saw that he had also stopped, panic and guilt flashed across her face.

"Liu Qian!" He roared.

Liu Qian immediately fired at him, holding the gun in the same position as Sheng shuangxue did yesterday.

Gu Yunhao quickly hid behind a wall. She chased after him and kept firing her bullets.

The gunshots chased after him mercilessly. If it wasn't for the guilt that flashed across her face when he first saw her, he would have suspected that she wasn't Liu Qian, but someone who looked exactly like her.

Gu Yunhao took a deep breath, stopped reminiscing, and put the gun back.

This was good too. Sheng shuangxue's status was special, and it was good that she didn't have any interactions with him.

Otherwise, who could afford to pay for any accidents?

He still had to deal with Liu Qian's matter, so he shouldn't have provoked her.

From then on, he treated Sheng shuangxue like an ordinary colleague.

Sheng shuangxue felt a little guilty at first, but she got used to it after a few days..

Chapter 1794: You're going to the capital too?

Soon, it was time for the new year.

Old Yang thought that Sheng shuangxue's family background was so powerful. He wanted to make it convenient for her to go home earlier, so he wanted her to take a leave two days earlier than the others.

"Don't the others only release it on New Year's Eve?" Sheng shuangxue was confused.

uh, hehe. old Yang looked embarrassed.

Sheng shuangxue finally understood what was going on. She smiled and said, "Chief yang, I'll just be like everyone else."

"That's not a good idea, is it?" Old Yang was nervous.

"It's okay, I've already booked the plane tickets."

“Then, then alright.” Old Yang agreed helplessly, thinking, “this is what the young miss requested, the president can’t blame me!”

The day before Chinese New Year’s Eve, Sheng shuangxue went back to the dormitory to get her luggage as soon as she got off work.

She didn’t have much luggage. She had everything at home, so she didn’t bring much back.

After entering, she turned off the water and electricity valve, picked up the suitcase, and left.

Xiao Mianmian was waiting for her with the door open. When she saw her coming out, she immediately grabbed her and asked, “Shuangxue, when are you coming?”

“Don’t worry, it’ll be working hours soon.” Sheng shuangxue gave her a hug. Happy New Year do you want any specialties from the capital?” I’ll bring it to you!”

“No need, be careful on the road.’

“Then I’ll just bring some.” Sheng shuangxue said, “I still have to catch a plane. I’m done.

“Eh?” Xiao Mianmian was stunned and suddenly remembered something, but she had already left.

Xiao Mianmian sighed and was about to return to the house when Gu Yunhao came out again with a box diagonally opposite her.

Xiao Mianmian immediately said, “Captain!” Shuangxue has already left!”

Gu Yunhao was stunned. As he locked the door, he asked, “What does this have to do with me?”

uh, ran ran," Xiao Mianmian said awkwardly. I was thinking that since you're both from Beijing, you can take care of each other. Shuangxue is a girl, so she's in danger." she's a forensic doctor. It's dangerous for others to touch her.

"Yingluo." Alright, that was indeed the case.

After Gu Yunhao arrived at the airport, he walked into the VIP lounge and saw Sheng shuangxue.

She sat against the wall with a cup of coffee and a magazine in front of her. She lowered her head and stared at the magazine. She was making a call with one hand and stirring the coffee with the other.

Gu Yunhao retracted his gaze, casually found a place to sit down, and covered his face with the newspaper.

Before he got on the plane, he left the waiting room in advance.

When Sheng shuangxue looked up, she didn't see him. It wasn't until she got on the plane that she realized he was also sitting in the first-class cabin, next to her.

This was a flight to Beijing!

"Captain?" Sheng shuangxue greeted him in surprise.

Gu Yunhao looked at her and made a sound of agreement. He did not seem surprised at all.

Sheng shuangxue sat down and asked, "You're also going to the capital?"

"I live in Beijing."

"What a coincidence!"

“It’s not a coincidence. I’ve always known that you’re from Beijing,”

Sheng shuangxue was stunned. She felt that he was blaming her. Hmph, even I know that you’re from the capital, but you don’t know that I am! You don’t care about me at all!

Sheng shuangxue hurriedly shook her head. This feeling was too strange. Gu Yunhao would never have such a thought!

After the plane took off, Gu Yunhao put on an eye mask and went to sleep.

Sheng shuangxue’s heart was in a mess.

Could it be that he knew her identity because he lived in the capital? Could they be in the same circle? But he had never seen him before.

Who in the same circle has the surname Gu? Her mind was in a mess, and she couldn’t remember for a while.

“Do you need me to help you carry your luggage?” Gu Yunhao asked her after they got off the plane.

Sheng shuangxue really wanted to nod, but someone was coming to pick her up!

Chapter 1795: Did someone bully you?

If someone saw this, they would definitely report it to Sheng nanxuan. Wouldn’t that cause him trouble?

“No need, I have someone to pick me up,” she said.

He nodded and left first.

Sheng shuangxue dragged her suitcase and walked out, feeling wronged.

When she got out of the airport, she saw the car at home.

When she got into the car, she was shocked to find Sheng nanxuan inside. She blinked for a long time before she finally reacted. “Dad! Why did you come here personally?”

“I missed you.” Sheng nanxuan said with a straight face.

Sheng shuangxue was touched. She threw herself into his arms. “Dad . . . ”

Sheng nanxuan’s face was frosty. He reached out and patted her back. you don’t look too happy. Did someone bully you?

“I didn’t!” Sheng shuangxue said hurriedly.

“Don’t lie to me,” Sheng nanxuan said coldly. You’re not in a good mood when you’re home. Something must have happened.”

Sheng shuangxue, “Yingluo. ”

“What?”

it’s not that. Sheng shuangxue turned her head away guiltily and sniffled. I just feel too cold.

ha! Ha! Ha! Sheng nanxuan did not believe her. you’re lying.

“You’re not allowed to care about me!” Sheng shuangxue hugged his arm.

Sheng nanxuan was instantly furious. if I don’t care about you, would you have grown so big? ‘

yes, yes, yes, ” Sheng shuangxue said coquettishly. you know what I mean. I’ll get angry if you go against my words!

Sheng nanxuan sighed helplessly. I’m not even this powerless when I met your mother! hahaha ... Sheng shuangxue was very proud of herself. She leaned her head on his shoulder.

The car sped forward and they soon arrived at home.

As soon as she entered, Gong mo came up to her and hugged her. “How did you lose weight?”

“Don’t lie with your eyes open, okay?” Sheng shuangxue shouted, ” I’ve obviously gained weight!

aunt ... little xi Xia ran over and hugged her legs. aunt told xi Xia to miss you so much.

“I also miss you.” Sheng shuangxue’s heart softened. She picked her up and kissed her hard.

She walked into the living room and saw Sheng annian sitting quietly on the sofa. She grinned and asked, ” “Niannian, did you miss me?”

Sheng annian glanced at her and nodded reluctantly.

“Not as cute as when I was young,” Sheng shuangxue said unhappily. When I was young, you would always hug my leg and say, “Auntie, I miss you so much!””

Sheng annian: ” Yingluo. he’s already a man, alright? Who would want to do such a childish thing!

Sheng Yiting and Tong Siyao weren't around, so they were the only ones having dinner.

The next day, Sheng shuangxue met her brother and sister-in-law at the New Year's Eve dinner at the presidential palace.

He also saw Tong silu.

Before the banquet started, a group of people gathered in the lounge.

Tong silu walked up to her, her eyes full of guilt. "Shuangxue, how have you been recently?"

Sheng shuangxue nodded and said, "Why do you look so worried? Did Guo Xiang not treat you well?"

When Tong silu heard this name, she felt a stab in her heart. She stared at her without blinking.

"Double snow," she said sadly, "you," she said.

Sheng shuangxue sighed, "why do you look like that?" From the beginning to the end, he only liked you, not me. You didn't snatch anything from me, so you don't have to be like this, okay?"

"But . . ."

"What's there to but?" Sheng shuangxue said angrily, "I'm going to be angry if you say this! Don't make it seem like I like him! Do I, Sheng shuangxue, look like someone who would die for a man?"

"I'm sorry," Tong silu said in a low voice after a pause..

Chapter 1796: This is Gu Lei's child

Sheng shuangxue walked to the side irritatedly.

She was not in a good mood at the dinner.

“What’s wrong?” Gong mo asked curiously. Why are you frowning?”

“Did I?” Sheng shuangxue looked at her.

“My eyelids are drooping.” be careful, the camera might catch you, ” Gong mo said softly.

Sheng shuangxue immediately smiled like a flower.

Gong mo was startled,”the change in attitude is too fast!”

“Did you encounter something unpleasant?” Gong mo asked her when they were on their way home.

Sheng shuangxue turned her head and looked at the snowflakes outside the window.

Gong mo glanced at Sheng nanxuan in front of him and said with a smile, ” “If you don’t tell your mother, your father will have to investigate it himself?”

“Aren’t you guys annoying?” Sheng shuangxue shouted, ” do I have any privacy? How annoying!!

“Alright, alright!” Gong mo hurriedly replied, ” no, no. Don’t mess around and be happy. It’s the new year.”

Sheng shuangxue couldn't help but laugh. "Then I want a big red packet!"

"When have I ever missed you?" Gong mo rebuked.

Sheng nanxuan's fingers twitched. He really wanted to check on his daughter's life for the past six months.

Something must have happened for him to be unhappy during the new year.

When he was sleeping, he told Gong mo. "Maybe it's about his feelings," Gong mo replied.

"What?" Sheng nanxuan was shocked. how could this be? " You must ... n

Gong mo glared at him and said, "don't mess around!" She's an adult and should be in a relationship. Don't interfere."

"What if the child is at a disadvantage?"

Gong mo thought for a moment and said, "didn't she say she was going to stay at home for a week?" When she returns to Nanjiang, if she's still like this, we'll see how it goes."

Sheng nanxuan thought for a while and nodded.

The next day, Gong mo took Sheng shuangxue to pay a New Year visit.

When they arrived at Yu Qingliu's house, there was someone else there.

Sheng shuangxue walked in and saw the person sitting on the sofa. Her eyes widened in surprise.

Gu Yunhao? Why was he here?

Gu Yunhao stood up and nodded at the two of them.

“This is Gu Lei’s child.” Ding dang said to Gong mo, “ he hasn’t been here for many years. I’m sure you don’t recognize him.

Gong mo indeed didn’t have any impression of her. He nodded with a smile.

Sheng shuangxue was dumbfounded.

She knew about Gu Lei. He was the head of the capital’s police Department. Gu Yunhao was his son?

In that case, Gu Yunhao could also be considered to be from a prestigious family. As expected, he was from her circle!

So, there was no possibility of him relying on Yingluo to climb up the ladder

Gu Yunhao acted as if he didn’t know her and said to ding dang and Yu

Qingliu,“”Auntie ding, uncle Yu, I’ll take my leave now.”

“Alright, come and play often when you’re free!” Ding dang said with a smile.

Sheng shuangxue, who had ulterior motives, glanced at Gu Yunhao.

After he left, Qimo said to ding dang,“”This person is not bad, he’s quite spirited.”

“Isn’t it? I heard that he doesn’t have a girlfriend yet!” Ding dang said, “ he has been in the Special Forces. He is very outstanding.

Special Forces?

Sheng shuangxue was full of doubts, "why did the Special Forces go to the small police station in Nanshan County?"

Suddenly, Yu Qingliu asked her, "I remember shuangxue's dream was to find a soldier from the Special Forces as her boyfriend. What do you think of Yun Hao? ,

Sheng shuangxue's eyes widened. Seeing that everyone was looking at her, she said with a straight face, "Not much!" what do I think, Yingluo?" Yu Qingliu mumbled in disappointment.

Sheng shuangxue's face turned red.

Gong mo glanced at her and couldn't help but smile. It looked like there was a chance!

The Gu family was not bad. They knew each other well and it was quite reassuring. It would be great if the two children had a call..

Chapter 1797: Valentine's

On the way home, Sheng shuangxue's mood was already soaring.

why?" Gong mo asked. have you taken a fancy to Gu Yunhao?

"No!" She quickly denied.

"You've known each other for a long time, right?"

“No, I didn’t!” He continued to deny it.

“Don’t lie to Mom, I gave birth to you. I was in such a bad mood yesterday, but it’s all over the place now, Yingluo!”

Sheng shuangxue thought for a while, then hugged her and blinked her eyes. “Mom

“If you have something to say, say it! Don’t act like a spoiled child!” Gong mo felt goosebumps all over his body.

Sheng shuangxue stuck out her tongue and laughed. don’t tell daddy! You know him, he’s always like that!

“Then you have to tell me, right?”

ahem, ahem, ahem. Sheng shuangxue also wanted to share her thoughts. She said in a low voice, “ he’s the captain of the criminal Police in my unit.

“Aren’t you in the Special Forces?” Gong mo was puzzled.

“Who cares! I guess he’s out and is training at the basic level!” Sheng shuangxue said nonchalantly, “ with his family’s situation, he will definitely have a bright future. How can he stay there forever? ‘

“That’s true.” you like him? “Gong mo chuckled.

Sheng shuangxue blushed. it’s not that serious. I just have a good impression of him.

alright4’ll slowly cultivate my feelings.

“Then . . .

“I won’t tell your dad!” Gong mo said helplessly, “ but if you get bullied, don’t hold back. Your father will be heartbroken.

Alright, alright, Yingluo. Sheng shuangxue agreed immediately, blushing.

When she got home, she sent a message to Gu Yunhao. [Happy New Year.]

Gu Yunhao replied, [yes.]

Sheng shuangxue, “Yingluo. ”

He only had one ‘huh’?

What did that mean? How impolite! Other people would at least reply with a Happy New Year n !

He really didn’t like her. He was just making things up in the past!

Sheng shuangxue angrily put down her phone.

During the new year, she had attended a few banquets and gatherings, but she did not run into Gu Yunhao. She became depressed.

On the day she returned to Nanjiang, she was still depressed.

Sheng nanxuan wanted to send someone to investigate, but Gong mo stopped him.

It happened to be Valentine’s Day. Sheng shuangxue traveled all the way from Beijing to Nanshan Hill. She felt that she was the only single person in the world.

After returning to the dormitory and sitting for a while, she suddenly looked up and shouted, "Ah!"

Someone knocked on the door.

She was shocked and walked over to take a look. It was Gu Yunhao.

When she opened the door, Gu Yunhao, who was wearing a gray sweater, looked at her with a deep gaze. "What are you howling about?"

"You're the one who's howling!" Sheng shuangxue slammed the door open and leaned against the wall with her arms crossed.

Gu Yunhao paused. "I made soup. Do you want some?" he asked.

"Can I?" Sheng shuangxue's eyes lit up.

"They've all come to invite you." Gu Yunhao said helplessly.

Sheng shuangxue immediately took the key and followed him. Seeing that his room was the same as the last time she came, she asked in confusion, "When did you come back?"

"Yesterday,"

"Oh, Yingluo."

Sheng shuangxue sat down and suddenly saw a bouquet of roses next to the TV. Her whole body froze.

Gu Yunhao walked over with a claypot and asked doubtfully, "Why aren't you sitting?"

Sheng shuangxue hurriedly sat down. He scooped a bowl of soup for her. "Let's try."

Sheng shuangxue absentmindedly took a sip and sneaked a glance at the bouquet of flowers.

Gu Yunhao saw her actions and blushed slightly. He asked, "How's the soup?"

"It's pretty good." She laughed and teased, "someone actually gave you flowers?"

Today's Valentine's Day, it's very special

Gu Yunhao lowered his head and drank his soup..

Chapter 1798: progress

Sheng shuangxue bit her lip and suppressed the bitterness in her heart. "Who's that Yingluo? Do I know him?"

"Yueyue probably." He said.

Oh! Sheng shuangxue said, embarrassed. no one gave me flowers!

"Why don't you carry her back?"

"It's a gift from someone else, don't waste it," she shook her head hurriedly.

He chuckled and got up to go to the balcony. He brought two more dishes and a pot of fragrant rice.

Sheng shuangxue took a look and saw that it seemed to be for two people. "Is there someone coming?"

"No, you."

"Then how are you going to cook for two?"

"Don't I have you?"

"You prepared this especially for me?" Sheng shuangxue was stunned.

"No, I'm not. Someone was coming earlier, but he suddenly stood me up."

Sheng shuangxue was very depressed after hearing that. But she still turned her grief into appetite and finished the rice with him.

After the meal, she stood up and left. thank you for your hospitality. I'll treat you to a meal another day.

Gu Yunhao opened his mouth and only said when she reached the door, "Happy New Year."

Sheng shuangxue was speechless.

"I don't think he did that with you." He smiled.

Sheng shuangxue smiled stiffly and walked back with her head down.

Gu Yunhao took a deep breath, looked at the bouquet of roses, and slammed the wardrobe against it twice.

“Why didn’t you give it to me!”

His depressed voice came from the room.

The next day, when Sheng shuangxue went to work, she was greeting her colleagues whom she had not seen for a few days. She happened to hear handsome Bai and the others gossiping. there’s a situation with the captain. He actually bought flowers from a flower shop yesterday!

“How do you know? You went to buy flowers too?”

“I’m just passing by, okay?” Handsome white shouted, “ I want to buy it too, but there’s no place to give it to me!

“Captain, did you buy flowers?” Sheng shuangxue asked hurriedly.

When everyone saw her, they were collectively stunned.

“What?” she asked, straightening her chest. I’m asking you guys a question!” “You didn’t receive it?” everyone looked at her.

Sheng shuangxue rolled her eyes and said,“you guys didn’t think that he gave it to me, did you?” I already said that I have nothing to do with him!”

“Oh, Yingluo, then I don’t know who to give it to.” Commander Bai sighed. I didn’t think that Captain, this thousand-year-old tree of steel, would also blossom. It seems that I have a chance to get rid of being single this year. “I’m so curious about the person who moved the captain, Yingluo.”

“Did the captain give himself away?” Sheng shuangxue asked, biting her lip.

Everyone looked at her again, shook their heads, and continued to ask, “ “Did he really not give it to you? You’re the biggest mistake!”

Sheng shuangxue was so angry that she turned around and went back to her office.

After work, Xiao Mianmian came to find her and asked her to have dinner and go to the gym.

These days were no different from the days before the new year.

However, she focused on observing Gu Yunhao's "situation". There did not seem to be anything wrong!

He was no different from last year. He didn't look like he was in a relationship.

"Why don't I see your girlfriend?" she asked him.

"What?"

"The one who gave you the flowers."

Gu Yunhao smiled and said, "that Hua Piao Miao is not what you think." No, I don't have a girlfriend."

Oh! Sheng shuangxue was happy.

Gu Yunhao scratched his head and suddenly asked, "You said you'd treat me to a meal?"

"Who would take the initiative to ask for a meal?" Sheng shuangxue rolled her eyes at him.

"Isn't that you?"

"Ahem!" Gu Yunhao felt that he had offended her again and turned his head away.

"Sure, you can order!" Sheng shuangxue said.

“You’ll do it?”

“I won’t!”

Gu Yunhao sighed, “he’s actually acting so righteous and confident..”

Chapter 1799: Don ‘t bother with him anymore

“None of your business!” Sheng shuangxue turned her head and mumbled in her heart, “ Can’t you just do it?”

“Fortunately, I know how to.” He nodded his head.

“What?” Sheng shuangxue widened her eyes and looked at him, thinking, you f * cking tricked me again! Do you dare to confess?

“Is there a problem?” he asked.

“No!” Sheng shuangxue said angrily, “I’ll treat you tonight!”

okay •r the corners of Gu Yunhao’s mouth curled up.

After work, the two of them went to a nearby restaurant for dinner.

The two of them couldn’t help but be sneaky, afraid that the other people in the police station would find out. It felt a little like a secret meeting.

Speaking of which,"Sheng shuangxue said while they were eating," I've seen your father before. I just haven't seen you.

"I was in the Army. Besides, your family is very strict with you, so it'll be very difficult for you to meet boys of the same age as us." Gu Yunhao said with a smile.

Sheng shuangxue blushed. I heard that you were in the Special Forces. Why are you here? " she asked.

Gu Yunhao was stunned. He suddenly thought of Liu Qian and his mood sank.

Didn't we agree not to provoke Liu Qian before the matter with her was resolved? Why did he tease her again?

He sighed and stopped talking.

Sheng shuangxue could clearly feel the change in his mood. She was a little confused, so she didn't say anything more.

After the meal, he still rushed to pay the bill.

"Didn't I tell you that it's on me?" Sheng shuangxue mumbled. He didn't say anything and passed the money to the waiter.

Sheng shuangxue was a little upset.

you can go back by yourself, " Gu Yunhao said after they left the restaurant. I'll go and see grandma Liu.

Sheng shuangxue was stunned, "I'll go with you-"

“No need!” With a cold face, he got into the car and left Sheng shuangxue at the entrance of the restaurant.

Sheng shuangxue was so angry that her chest hurt as she watched his car drive away.

What did he mean by that?

Revenge?

She urged her to ignore him!

The two of them stayed together in strange ways for more than half a month. One day, in the changing room of the gym, Xiao Mianmian found a note when she opened the box.

When he opened it, the words were written in square letters: ten o'clock in the evening, under the willow tree on Binjiang road. Please meet me.

Xiao Mianmian was shocked and immediately told Sheng shuangxue, “What do you think is going on?”

“A love letter?” Sheng shuangxue was stunned.

“It can't be?” Xiao Mianmian thought of handsome Bai and whispered, “this isn't his handwriting, ran. I remember his handwriting was very fluent. It's semi-cursive.

Sheng shuangxue thought for a while. it's so square. It should be written by a girl. Didn't you say that there were a few girls in the Taekwondo class who were against you? ‘

The women in the Taekwondo class were all there to see the handsome guys from the criminal Police.

In the end, the handsome guys from the criminal Police team took good care of Xiao Mianmian, so everyone was not used to her.

Sheng shuangxue said seriously, "I know!" This was definitely a letter of challenge! You were just praised by the coach yesterday and you received this today. Someone must want to challenge you! It must be because your results are so good that someone wants to have a one-on-one fight with you!

"This Yingluo can't be, right?" Xiao Mianmian was very scared.

"I'll practice with you today and see how it goes."

Xiao Mianmian hurriedly nodded.

The two of them changed their clothes and went to the Taekwondo classroom. The more they looked at the female students, the more they seemed to have a grudge against them. The two of them were nervous.

it seems like they're ganging up on you, " Sheng shuangxue said after class.

they all have bad intentions!

"Then what should we do? We're not going?"

"We can't be scared!" Sheng shuangxue said seriously and touched her chin. I have an idea! They'll be scared to death!"

It was almost 9:30 am when his colleagues finished working out.

"Someone is bullying Mianmian. Can you help her?" Sheng shuangxue called out to everyone..

Chapter 1800: Are you going to confess?

Of course, everyone agreed!

There were two beauties in the police force, Sheng shuangxue and Xiao

Mianmian. How could they let them be bullied? No one is allowed to bully! Everyone rubbed their fists and wiped their palms as they followed him. When they went out, they counted the number of people, Other than the two on duty at the police station, only Gu Yunhao and handsome Bai were not there.

“Should I call for little white and the captain?” fatty asked.

“What are they doing?” Sheng shuangxue asked.

“No, I won’t.”

“Then forget it, we’ve almost had enough! Let’s go!’

The group of people set off towards Binjiang road in a grandiose manner.

That night, the moon was bright and clear.

Led by Sheng shuangxue, the female lead, Xiao Mianmian, arrived at the destination with a large group of people. The time was just right.

A floating figure stood under the tree. The person was standing in a very clever position, and no one could see his face.

“You’re the one who issued the challenge?!” Sheng shuangxue shouted.

The other party trembled. Fatty shouted angrily, "Aren't you going to get the hell out here for your fat grandpa? How dare you bully our prettiest policewoman number two!"

"Number two?" Xiao Mianmian was stunned.

"It seems that I'm number one!" Sheng shuangxue was satisfied.

"Hmph!" No matter how close Xiao Mianmian was to Sheng shuangxue, she was still dissatisfied with this.

At this moment, the person under the tree walked out and said incoherently, "That Yingluo is my Yingluo."

Everyone looked and saw that it was Commander White. They were stunned. What was going on?

Xiao Mianmian opened her mouth wide, covered her face, and burst into tears. She turned around and hit Sheng shuangxue."It's all your fault, it's all your fault, Yingluo"

Sheng shuangxue was furious, 'he didn't write it clearly! What's wrong with you, handsome white?" f * ck! handsome White's face turned red.

"So you're going to confess?" fatty laughed.

ah ... Xiao Mianmian was so embarrassed that she couldn't believe it. She clenched her fists and hit Sheng shuangxue with all her might.

Sheng shuangxue was furious. She retaliated!

After all, Xiao Mianmian had been practicing Taekwondo for a few months, so she fought with her in excitement.

The few men were stunned, "Ai Ai!" Don't fight!"

However, they didn't dare to pull him up. One was reserved by handsome white, and the other was reserved by the captain. If they touched a place they shouldn't touch, wouldn't their hands be chopped off?

He couldn't. With this shout, the passing crowd thought that a fight had really broken out.

They were all good citizens who loved peace. They picked up the phone and called the police, saying, "There's a group fight on Binjiang road!"

Soon, the police car arrived.

Gu Yunhao personally led the team and pushed the crowd aside, shouting, "What's going on? Don't make a fuss ..."

"Captain!" Everyone cried out in alarm.

Gu Yunhao's eyes widened, "what are you doing? Who's fighting?"

Everyone pointed at Sheng shuangxue and Xiao Mianmian. The two of them shivered and hurriedly hugged each other. "No, I didn't! We're fine!" no! Gu Yunhao's forehead twitched. all of you, go back to the police station!

Only then did the onlookers realize that it was the police who had arrested the police!

The police station was brightly lit in the middle of the night, and all the members of the criminal Police team were present. Those who didn't know would think that a big case had happened.

Gu Yunhao sat on a chair with a row of subordinates standing in front of him.

“Who can tell me what’s going on?” he slammed the table.

wuwuwuwuwuwu, ” Xiao Mianmian continued to cry.

When Marshal Bai saw that this matter had started because of him, he immediately stood up.”I urged me to ask Mianmian out and confess to her. She didn’t leave a clear note, so they misunderstood Yingluo and thought that someone wanted to fight her one-on-one.”

Gu Yunhao was speechless and glared at him. After hearing the others ‘words, he realized that it was all because of Sheng shuangxue’s wild imagination.. He shouted, ” “Sheng shuangxue, it’s all your fault!”
