

Ditsy Wife 1801

Chapter 1801: forced kiss

Sheng shuangxue was depressed, 'what does it have to do with me? If you want to confess, then confess properly. Why do you need to leave a note?'

Handsome Bai and Xiao Mianmian lowered their heads, their faces so red that they looked like they were about to bleed.

Gu Yunhao waved his hand and said, 'alright, all of you go back!' Sheng shuangxue, you stay here!'

Sheng shuangxue looked away angrily. The others had left. She looked at them worriedly before they left.

After everyone had left, Gu Yunhao took the note and asked, 'I say, you've never been in love, have you? How can this be a challenge?'

Sheng shuangxue was not happy that he looked down on her.

He actually said that she had never been in love! So what if they didn't? He was self-taught in minutes!

She glared at him angrily.

He said, 'you're still staring! Don't you know you were wrong?'

Sheng shuangxue smacked the table and suddenly rushed over to grab his collar and lift him up.

'What are you doing? You still want to fight me, don't you-'

The next second, Sheng shuangxue kissed him.

Gu Yunhao was stunned. This f * cking happiness came too suddenly for Yingying, and she was completely stunned.

After a few seconds, Sheng shuangxue pushed him away and wiped her mouth. "Why haven't I ever been in love? I don't think you've talked about it! There was no reaction at all! Is this your first time?"

Yingluo! f * ck! Wait for him to slow down! He had been forced to kiss by a woman! And it was the woman he liked!

Sheng shuangxue shook her head, turned around, and walked out of the office.

Gu Yunhao returned to his senses and said, "wait-"

Hearing that, Sheng shuangxue ran away immediately.

Gu Yunhao chased after him, but how could he catch up?

Looking at her rabbit-like back, he couldn't help but smile. "Now you know how to run? How could you be so bold just now?"

Sheng shuangxue ran back to the dormitory, closed the door, and pounced on the bed. She covered herself with a pillow.

It's finished! She had actually kissed her idol!

It was a pity that he didn't carefully experience the taste and didn't know what it tasted like!

Sheng shuangxue felt so regretful. She wanted to go back and kiss him again, but she no longer had the courage.

Suddenly, the doorbell rang. She quivered and got up with a pillow.

After a while, she tiptoed over and looked through the peephole, only to see Xiao Mianmian standing sneakily outside.

She was immediately filled with anger. She opened the door and pulled Xiao Mianmian in. "You still have the nerve to come and find me!"

Xiao Mianmian, "ran ran," she didn't do anything, did she?

Sheng shuangxue suddenly remembered that she seemed to have ruined Xiao Mianmian's good plan. "How's it going with you and handsome white?" she coughed and asked guiltily.

Xiao Mianmian puffed up her cheeks and looked at her, complaining, "Isn't it you? I don't know either!" you guys just came back. Didn't you do anything?

"What can I do? I ran straight back." Xiao Mianmian blushed and said, they're all laughing at me!

uh, don't worry, " Sheng shuangxue said. If handsome Bai was a man, he would definitely confess to you! What did he just do? Leaving a note and telling you to go under a small tree, this is a space glove White Wolf! Shouldn't you at least bring some flowers, book a romantic western restaurant, and give me a small gift?"

"I don't care about that."

Sheng shuangxue's eyes widened. it's your business if you don't care. It's his business if he's sincere or not!

Hearing this, Xiao Mianmian stopped talking and looked conflicted.

Just then, the doorbell rang again.

Sheng shuangxue walked over impatiently. She leaned against the door and saw Gu Yunhao outside. She was so scared that she gasped.

She hurriedly ran back and covered Xiao Mianmian's mouth.. "Don't speak! Pretend there's no one!"

Chapter 1802: dreaming of him

Xiao Mianmian's eyes widened and she shook her head. Sheng shuangxue quickly let her go.

"Why?" Xiao Mianmian asked in a low voice.

"But I'm going back to sleep, Yingluo."

"Sleep here! "

Bang! Bang!

Suddenly, a loud noise startled the two of them. "Is the captain closing the door?" Xiao Mianmian asked.

"It seems to be Yingluo,"

"It was him just now? Did he punish you?"

How was she supposed to respond to this?

Sheng shuangxue tucked her hair behind her ears and pursed her lips, not saying a word.

Speaking of which, she was the one who acted like a hooligan. Gu Yunhao wouldn't take revenge on her, right?

"Can I go back now? I haven't put on my face mask yet." Xiao Mianmian said. let's go back, let's go back
GI Sheng shuangxue waved her hand and ran to the balcony to take a look. The light in Gu Yunhao's room next door was indeed on.

She shivered and quickly went back to sleep.

In the end, she didn't sleep well that night.

Probably because she had kissed Gu Yunhao forcefully, she had dreamed of him while she was sleeping. Furthermore, the two of them were doing something embarrassing.

Gu Yunhao was the same. He had "sweet dreams" the entire night.

In the morning, Sheng shuangxue went out carefully, for fear of bumping into

Gu Yunhao.

After opening the door, she saw that there was no movement next door, so she quickly sneaked away. She bought breakfast on the way to the police station and deliberately took a detour to the office on the other end of the stairs, so that she would not pass by the office of the criminal Police. As soon as she got to her seat, she found a breakfast set on it.

She looked at Zhao Si Yan,"this is ran ran.'

"Captain put it there," Four-Eyes Zhao said.

Sheng shuangxue shivered and asked, "have you eaten?" I, I can't finish it. '

"I've already eaten."

"Oh, Yingluo,"

Sheng shuangxue picked up her breakfast and went out to find Xiao

Mianmian. She still took the long way and didn't pass by the next door.

When he arrived outside Xiao Mianmian's office, he saw that the door was left ajar.

She sneaked a glance and saw handsome Bai standing inside. Xiao Mianmian had her head lowered, looking shy. There were roses and an exquisite breakfast on the table.

Sheng shuangxue looked at the breakfast in her hands. She wanted to give some to Xiao Mianmian, but how could such simple buns and deep-fried dough sticks be compared to the exquisitely packaged cakes?

Tsk seriously, what did Gu Yunhao mean? If he wanted to pursue her, he should learn from Bai Shuai. What kind of pursuit was giving her xiaolongbao? Although this restaurant's xiaolongbao was indeed delicious, it was not as high-end as the cake!

Sheng shuangxue didn't disturb the two inside. Last night, he had almost destroyed someone's marriage, so he had to be tactful now.

She walked back with her head drooped. When she passed the stairs, a voice came from above, "Shuangxue,"

Sheng shuangxue's body stiffened. She turned her head stiffly and saw Gu Yunhao walking down slowly.

Gu Yunhao stared at the breakfast in her hands and smiled in satisfaction. "Let's have a chat after work?" uh ... Sheng shuangxue blushed. there's ... Nothing to talk about, Yingluo.

"What do you mean?" Gu Yunhao's face darkened. You want to be irresponsible?

"I'll return your breakfast!" Sheng shuangxue stuffed the breakfast into his hands and ran away quickly.

Gu Yunhao looked down and could not help but laugh.

Looking up at her running figure, he took out his phone to send a text message, then took a bite of the bun in his hand.

Sheng shuangxue's cell phone kept ringing. She took it out when she returned to her office. It was a message from Gu Yunhao. [can I assume that you have feelings for me?]

Favorable impression my ass!

Sheng shuangxue threw her phone aside and was about to eat her breakfast when she realized that the breakfast in her hands was not the one she had bought herself, but the one Gu Yunhao had given her!

Chapter 1803: I've kissed Yingluo

ah Yingluo. she sighed gloomily, took out her phone, and replied to him in a bad mood: [I hate you to death now!]

[Oh, I'm honored.]

She felt that he was in a good mood when she saw the two wavy lines.

She pushed the breakfast aside, took out the documents from the drawer, and started to work.

Knock Knock-

There was a knock on the door.

“Captain?” Zhao looked up.

Sheng shuangxue froze and couldn't move.

“Morning.” Gu Yunhao smiled and slowly walked to Sheng shuangxue's side. He put down her breakfast. yours.

Sheng shuangxue grabbed the bag, opened it, and started to gnaw on it.

He reached out and pressed her head, then turned around and left.

Sheng shuangxue touched her hair in dissatisfaction. She turned around and glared at him. Then, she turned her grief and anger into appetite and ate her bun with all her might.

As she was eating, she suddenly froze and looked down at the buns in the bag-why did she feel like one was missing?

She remembered that she had bought four and had just finished one. She was eating one now, so there should be two complete ones left. Why was there only one left?

F * ck! Could it be Gu Yunhao? He couldn't have spat on her bun, right?

Sheng shuangxue was dumbfounded. She didn't know whether to spit out or swallow the bun in her mouth.

She put down the bun and sent a message to Gu Yunhao, [did you eat my bun?

[it smells so good. I can't help but eat one.] You don't have enough? [it should be enough with the one I bought, right?] [you didn't spit on my bun, did you!!!]

[you vomited????] Sheng shuangxue was shocked.

[I've already kissed Yingluo]

Sheng shuangxue didn't reply.

Gu Yunhao put down his phone and rubbed his forehead weakly.

How could this woman be like this? Did he look like someone who would sneakily spit on her bun? It was disgusting to even think about it!

Old Yang already knew about the police arrest last night. Old Yang had just called him over to give him a good scolding and asked him to control the people of the criminal Police force!

"Where's handsome white?" he asked.

Fatty immediately said,"Captain, didn't you see?" Little Bai is dressed so well today. He went to look for Mianmian early in the morning with flowers!"

Gu Yunhao stretched out his hand and pointed at the watch. "It's working hours now! Tell him to get the hell back here! Come and see me immediately!" After saying that, he walked into his office and slammed the door.

After a while, handsome Bai came. As expected, he was in high spirits, and he even had hair gel on his hair.

“So coquettish, are you going to step out of the way?” Gu Yunhao asked in a bad mood.

“Captain, didn’t you say before that you have to hurry up and solve your marriage?” handsome white said innocently.

“But we can’t make a big deal out of this!”

Gu Yunhao picked up today’s Nanjiang daily and threw it on the table.

A townsfolk had called the newspaper last night, and the news had already published the farce.

Bai Shuai pursed his lips. it’s all the forensic doctor Sheng’s fault. Qianqian knew it wasn’t a letter of challenge. I don’t know what she’s thinking.

Gu Yunhao scolded him, you still have the nerve to say that! That’s the girls

‘changing room, how did you put the note in? Ah?’

“I saw everyone go in the first day. They didn’t do anything immoral!” Handsome Bai said immediately.

“It’s all your fault anyway! Write me a 10000-word reflection! Stay on duty tonight!” Gu Yunhao shouted.

Handsome Bai was dumbfounded. He had just made an appointment with his new girlfriend to eat Western food and watch a movie together. How could she do this?

Captain, ” he said gloomily, ” you were scolding Dr. Sheng last night.. Why are you blaming me now? ‘

Chapter 1804: You have to take responsibility

“Ha!” Gu Yunhao sneered. How could it be the same before and after the kiss?

He glared at handsome white and said, “you’re not convinced?” I’ll call Xiao

Mianmian over to be punished together with you. How about he accompany

“No, no, no! I’ll be alone!” Handsome Bai still felt bad for his girlfriend.

After work, commander Bai bitterly stayed on duty. Xiao Mianmian bought a lunchbox and came over to accompany him sweetly.

The first day of their relationship, their first date, just slipped away like this.

Sheng shuangxue left after working overtime for a while. When she passed by the office of the criminal Police unit, she saw the two of them having dinner together.

“Why aren’t you leaving yet?” she asked, puzzled.

Xiao Mianmian looked up and said to handsome white with a straight face, ‘ “Wait for me!” He said. Then, she angrily walked toward Sheng shuangxue.

Sheng shuangxue was startled and was about to leave when Xiao Mianmian rushed over and pulled her aside. “The captain is too much! Commander Bai should not be on duty today! He must be jealous of us now that we’re dating, so he’s targeting handsome Bai!”

“Uh, hehe.”

“I believe that Captain likes you. You can’t take a fancy to this kind of person who uses public office to take personal revenge!”

Sheng shuangxue rolled her eyes. that's enough. Go back and keep handsome Bai company!

Xiao Mianmian looked displeased, "we were supposed to eat Western food and watch a movie tonight, ran ran."

"You have to be careful in the middle of the night," Sheng shuangxue whispered. We've just started dating, so don't develop too quickly."

ah- I' Xiao Mianmian screamed and hit her in shame. what nonsense are you talking about!

Mianmian ... white commander rushed out. what's wrong with you? ' Xiao Mianmian's face was as red as blood.

Sheng shuangxue sneaked a smile. you two take your time to chat. I'm leaving.

When she returned to the dormitory, she realized that Gu Yunhao, who was next door, had not closed the door. The sound of cooking and the fragrance of food came from inside.

She was shocked and immediately took out her keys to open the door.

Perhaps because she was too nervous, she couldn't insert the key into the keyhole.

"Come and eat." A sexy voice suddenly sounded in her ear.

Sheng shuangxue was so shocked that she dropped her key on the ground.

When she turned around, she realized that Gu Yunhao had come out and was looking at her calmly.

She stared at him, and he winked at her.

“No need!” She picked up the key and inserted it into the lock.

Gu Yunhao suddenly turned her shoulder around and pressed her against the door-he lowered his head and kissed her!

ah! Sheng shuangxue screamed and pushed him away.

Gu Yunhao furrowed his brows. you can kiss me. Why can't I kiss you?

Sheng shuangxue blushed. that's because I'm stupid. My brain short-circuited! Is your brain short-circuited?”

“Is your brain short-circuited?” Gu Yunhao's right arm was completely pressed against the door, and his whole body was pressed against her. I don't care. You have to take responsibility.

“What did you say?” Sheng shuangxue was dumbfounded.

“I'll take responsibility.”

Sheng shuangxue was speechless,”Captain, you've never been in a relationship, have you?” Do you have to be so pure? I only kissed you and you're already clinging to me?”

Gu Yunhao wrinkled his face in displeasure. He lifted her chin with his left hand and kissed her forcefully.

This time, no matter how she resisted, she could not push him away.

The two of them were engrossed in kissing until they heard a scream from the side.

“F * ck! Captain-”

The two of them were shocked and quickly stopped.

Gu Yunhao's body swayed and he fell onto Sheng shuangxue. The two of them were even closer..

Chapter 1805 -want to cling onto you

The two of them looked in the direction of the voice and saw two colleagues from the criminal Police unit.

The colleague looked at them in confusion. 'Can your Yueyue come in?'

Gu Yunhao turned around with Sheng shuangxue in his arms. He reached out to pull out the key on her door and brought her into his room.

After closing the door, Sheng shuangxue reacted. "What are you doing?"

"Still making trouble!" Gu Yunhao pressed her against the door. haven't you kissed enough? '

Sheng shuangxue's face turned red and she shouted in exasperation, " 'Gu

Yunhao!"

Gu Yunhao smiled and reached out to hug her. "Girl, I like you." uh, hehe. Sheng shuangxue immediately lost her momentum.

Gu Yunhao let go of her and held her face in his hands. He said seriously, "

“Let’s date?”

Sheng shuangxue’s expression changed, and the corners of her mouth curved up. Obviously, she was very willing.

However, she suddenly changed her expression and said, “I’ll have to consider this!”

“How long will you take to consider?” Gu Yunhao asked affectionately.

“I don’t.”

“Then I’ll continue kissing. I’ll stop once you’ve made up your mind!” ah! Sheng shuangxue screamed. I’ve thought about it!

Gu Yunhao’s face was full of satisfaction. Just as he was about to say, “in that case, let’s give her a kiss to celebrate Q’, he heard her say “I don’t agree!”

“What? !” He looked at her in disbelief.

She pushed him away with a straight face and raised her head arrogantly. “Am I that easy to woo? Hmph!”

She turned around, opened the door, and went out.

A few seconds later, he heard the sound of the door closing next door and immediately went to knock on it.

Sheng shuangxue didn’t respond, so he kept knocking on the door.

A few minutes later, Sheng shuangxue finally opened the door. She asked angrily, "Don't you know how to ring the doorbell? This is very disturbing, do you know that?" Her colleagues next door had sent her messages.

Gu Yunhao glanced at her and asked, 'aren't you going to eat? I'm done.' Sheng shuangxue's taste buds twitched, and she said, "I can make it myself."

Gu Yunhao bent down and looked into her eyes pitifully. "Are you really not going to give me a chance?"

Of course, Sheng shuangxue wanted to give it to him!

She bit her lip and hesitated for a moment. Suddenly, she could not bring herself to nod in agreement.

She had just rejected him.

Suddenly, Gu Yunhao lowered his head and rested it on her shoulder.

"What are you doing?!" She was shocked.

"I want to rely on you."

I don't even know how long I've liked you, Hanhan," he said in a low voice. at first, you didn't like me, then I felt that you liked me too, but I was afraid that I would cause you trouble, Hanhan.

He raised his head and turned around in disappointment. Let's just take it that our Yingluo isn't fated. I also know that I'm not worthy of you."

Seeing his lonely back, Sheng shuangxue's heart ached. She rushed up and hugged him.

Gu Yunhao stopped in his tracks. The corners of his mouth curled up, but his voice was still low. "What are you doing?"

you! Sheng shuangxue pushed him away unhappily. will you die if you chase me for a few days?

“Then should I start chasing her now?” Gu Yunhao turned around.

Sheng shuangxue thought for a while and said irritably, “Forget it! Let’s just eat!”

Gu Yunhao was stunned and looked at her blankly. “What do you mean by that?”

I mean ... Sheng shuangxue said gloomily, “we don’t need to chase them anymore!

“You caught up?” He stared at her, determined to get to the bottom of this.

Sheng shuangxue lowered her head and turned her body to the side, not saying a word.

He smiled and immediately held her in his arms.

“I’m hungry!” Sheng shuangxue said angrily.

“Let’s eat!” He said excitedly, holding her hand and turning around. As soon as they went out, they saw a few colleagues sneakily sticking their heads out in the corridor.

Gu Yunhao was furious, “What are you looking at? I’ve never seen anyone fall in love before! ”

Sheng shuangxue was so embarrassed that she poked him on the waist. Everyone quickly said, “congratulations! It’s a surprise, congratulations!”

Chapter 1806: Girlfriends are meant to be doted on

“What do you like to eat?” Gu Yunhao asked while they were eating.

“Why?” Sheng shuangxue bit her chicken wing and looked at him. He looked at her affectionately. I’ll make it for you in the future. Sheng shuangxue said sweetly, “I like everything you make.”

“Is there anything you don’t like to eat?” Gu Yunhao smiled.

Sheng shuangxue’s eyes widened. why do you ask? ” Do you want to punish me by making me something I don’t like to eat when we quarrel?” Gu Yunhao’s face darkened. why can’t you think of the good side? ‘

“Humph! Humph!’

He reached out and touched her cheek, saying helplessly, ” “It’s so difficult to be good to you.”

“If you’re really doing this for my own good, why don’t you slowly observe for yourself? I’ve already told you, what else do you want? Hmph, you’re too insincere! ”

“Alright, alright, you’re right!’

Sheng shuangxue smiled with satisfaction.

After eating, she felt that since she was already his girlfriend, she should show him some proper behavior. Otherwise, what if she was rejected or rejected?

“I’ll do the dishes!” She said.

"I told you there's a dishwasher." Gu Yunhao said, " don't move. I'll do it. Who would let their girlfriend do it? Girlfriends are meant to be pampered."

Aiya ... Sheng shuangxue covered her face shyly and stopped moving.

Gu Yunhao could not help but pull her into his arms and kiss her. She pushed him away shyly.

He took a few minutes to clean up the dishes and the kitchen before asking, "It's so early, do you want to go out for a walk?" sure! Sheng shuangxue agreed shyly.

The two of them went down the stairs side by side. Gu Yunhao looked at her hand and grabbed it.

Sheng shuangxue wanted to take it back, but he wouldn't let go. "It's very cold," she said anxiously.

He took her hand and put it into his pocket. He smiled and said, " "It won't be cold like this.'

Sheng shuangxue lowered her head and followed him like a little bird.

The two of them slowly walked out of the neighborhood and strolled along the road.

Uncle Wang, who was in the supermarket, saw this and sighed, " "Spring is here, there are indeed more couples dating, Yingluo."

Gu Yunhao and Sheng shuangxue had been strolling on the road for an hour before they returned to the gym.

On the first day of their relationship, they were still a little distant and barely talked. However, just being together with him was enough to satisfy him.

Moreover, the two of them were constantly exchanging looks of love, constantly feeling each other's position in their hearts.

It was just that the onlookers couldn't stand it-dog abuse! This was dog abuse!

After torturing the dog, the two of them left as if there was no one else around.

"Are you going back to rest now?" Gu Yunhao asked. "Yeah, I still have work tomorrow."

"Aiyingluo can't bear to let you leave my sight."

Sheng shuangxue's face turned red. I have to be willing. It's not like I won't be able to see you tomorrow.

"I feel like I'm dreaming." He said, "I'm a little afraid that I'll wake up from this dream tomorrow."

"Just don't lose your memory," Sheng shuangxue rolled her eyes at him.

"Don't worry, I will forget anyone but you." Gu Yunhao held her hand tightly.

When they reached the dormitory door, he was reluctant to let her go and asked, "What time do you usually sleep?"

"Ten O'clock."

"It's only nine O'clock."

"But I need to wash my face. Skincare takes time." Sheng shuangxue said innocently.

"Yingluo, alright." Gu Yunhao reached out and hugged her. good night.

“Good night,” she said. She whispered.

He let go of her and kissed her on the forehead. “Have a good dream.”

Sheng shuangxue’s face turned red. She remembered that she had dreamt of him and was still murmuring in her dream.

She pushed him away, opened the door, quickly got in, and slammed the door.

“How heartless,” Gu Yunhao said resentfully..

Chapter 1807: Don’t you have flowers and chocolate?

Sheng shuangxue leaned against the door and touched her face. It was a little hot.

She thought, “it’s still early, should I invite him in for a seat?”

But this wouldn’t cause him to misunderstand, right?

What if he misunderstood her and teased her?

No! Absolutely not!

This was only the first day of their relationship. They couldn’t progress so quickly!

However ,

He shouldn't be the kind of person who was thirsty, right?

If he wanted to do that on the first day of their relationship, it meant that he didn't really like her!

Sheng shuangxue felt that she could take the opportunity to test him. Cough, I just don't know if I can control myself!

Suddenly, the doorbell rang. She was shocked, but then she got excited and opened the door immediately.

She thought it was Gu Yunhao, but when she saw that it was Xiao Mianmian, she immediately stopped smiling and her face fell.

Xiao Mianmian felt that she wasn't welcome and said awkwardly, "

"Shuangxue, you're still awake?"

"Oh, you just came back?" Sheng shuangxue asked.

"Yingluo, I have something to tell you."

"Yes, come in." Sheng shuangxue smiled.

After entering, the two of them sat side by side on the sofa.

Xiao Mianmian said, "well, I'm sorry about something. I hope you don't blame me, Yingluo."

“What is it?” Sheng shuangxue was curious.

How could he blame her? Now that she had started dating handsome Bai, it was impossible for her to have anything with Gu Yunhao. She had no reason to blame her!

Xiao Mianmian said with self-blame, “I may not be able to eat with you in the future. I, I’ll have fun with handsome Bai.”

“I thought something was wrong!” Sheng shuangxue heaved a sigh of relief.

you scared me. Yingluo is fine! You should go and date! I have someone to take care of my meals in the future, so don’t worry!”

“Who cares?” Xiao Mianmian was stunned.

Sheng shuangxue blushed and said with a little pride, “my newly appointed boyfriend

“Is it the captain?” Xiao Mianmian’s eyes widened.

okay. Sheng shuangxue lowered her head shyly.

“It’s so sudden!” Xiao Mianmian said, “but I could tell that you two would definitely be together.

thank ~I also know that you and handsome white will have a happy ending!

“Thank you~”

The two of them immediately leaned against each other and whispered to each other, exchanging their experiences ...

“How did the captain chase you?” Xiao Mianmian asked.

Sheng shuangxue said, “he suddenly made a table full of dishes and asked me to go over to eat.”

“Making tadpole dishes?” Xiao Mianmian was dumbfounded. are there no flowers and chocolate?

“No!” Sheng shuangxue’s face darkened. She suddenly realized that Gu Yunhao was catching a white blade with his bare hands. No, he was catching a White Wolf with his bare hands!

Xiao Mianmian looked at her with sympathy. I have both. If it wasn’t for the captain, I would have gone to eat Western food and watch a movie with handsome white tonight. Isn’t the captain too unromantic?”

Sheng shuangxue felt like she had been stabbed in the chest!

However, she still pretended to be strong and not care. our Yun Hao is an honest person. He doesn’t play with those superficial things! He cooked for me from the start because he wanted to support me for the rest of his life and live a steady life with me. How is he like your handsome white? What romance? he’s obviously not an honest person! He’s obviously very experienced since he’s so good at this. You have to be careful, he might just give the flowers to someone else tomorrow! ”

“Hehe, you should also be careful that Captain Cooks for others!”

“I’m just dating. Of course, the more romantic, the better. I didn’t think that much.. Wasn’t it too eager to get married now? How afraid are you of not being able to get married?”

Chapter 1808: Is that how you describe a man?

Sheng shuangxue pouted and looked at her with dissatisfaction.

Xiao Mianmian turned her head away and huffed angrily.

After a while, Sheng shuangxue said helplessly, "How can the Wheel of Friendship be overturned so easily?"

Xiao Mianmian said angrily, "it's all the men's fault!"

"Right!"

As soon as he finished speaking, the two of them suddenly hugged each other.

"Let's go shopping in the city this weekend," Sheng shuangxue said. He ignored them! The boat of our friendship shall continue to sail

Xiao Mianmian felt wronged. you just said that it was a big ship, but now it's a small boat. As expected, when you have a man, your best friend is not worth mentioning."

"If you keep talking, this little boat will capsize."

"Yueyue, let's talk about the lipstick you bought last week."

In the morning, Sheng shuangue opened the door and found Gu Yunhao leaning against the wall outside. She asked, "What are you doing here?"

Gu Yunhao looked at her gently and said, "I'll wait for you. I've made breakfast, and I'll go to work after eating."

Hearing this, Sheng shuangxue recalled the argument she had with Xiao Mianmian last night and felt depressed.

Although he was fine like this, she still wanted to be more romantic. She only knew how to eat, eat, and eat, making her look like a foodie.

She nodded, closed the door, and followed him gloomily.

As soon as they entered, Gu Yunhao pulled her into his arms and kissed her. Then, he realized that something was wrong with her and asked, "What's wrong with you? He doesn't seem happy."

"No, I didn't," Sheng shuangxue said, " what did you do? Is it good?"

"The toast isn't too good, but it's not bad either." Gu Yunhao pulled her to the table. I fried two eggs. I was afraid that you wouldn't be used to them, so I went downstairs to buy soy milk and steamed buns. What do you want to eat?

"As you wish." Sheng shuangxue couldn't help but laugh. you're so virtuous.

Hearing this, Gu Yunhao reached out and pinched her nose. is that how you describe a man? '

"What, you're not convinced?"

"I'm convinced!" He hurriedly nodded. I'm the only one who can be virtuous when we're together.

Sheng shuangxue was stunned. what do you mean?!

"I'll eat." Gu Yunhao picked up the jam-covered toast and brought it to her mouth.

She was stunned and took a bite in anger.

"See, facts speak louder than words," he said with a smile.

Sheng shuangxue reached out and scratched him, her face full of anger.

Gu Yunhao grabbed her hand, his face full of love.

He picked up some food to feed her, and she called out, "I'll do it myself."

Gu Yunhao retracted his hand and lectured her, "Eat well, or don't blame me if you're late."

Sheng shuangxue realized that she still had to go to work!

It was a good thing that the police station was close. However, because it was too close, they were often fearless and did not know how to cherish their time, which made it easy for them to be late.

She quickly gobbled it up, scaring Gu Yunhao so much that he said, "Slow down, no one's snatching it from you."

"Time, time!" Sheng shuangxue called out.

"It's enough. I've calculated it."

Sheng shuangxue looked at her watch, nodded, and finally slowed down.

let's go out this weekend," Gu Yunhao said. where do you want to go?

Oh, Yingluo, Mianmian and I have an appointment to go shopping in the city.

Gu Yunhao's face darkened. isn't she dating handsome Bai? "Not dating? You're here to steal my girlfriend!"

Sheng shuangxue choked and said, "then you're the one who brought this on yourself." I heard that you made handsome Bai stay on duty last night, so they didn't have a date. I guess they want to take revenge."

"Then why did you still cooperate?" Gu Yunhao looked at her in dissatisfaction.

Sheng shuangxue lowered her head and drank her soy milk, ignoring him. Hmph, you're getting something for nothing.. Mianmian laughed at you, so you should be left hanging!

Chapter 1809: flowers and food

"Is soybean milk good?" he asked helplessly.

"It's good, it's good." Sheng shuangxue nodded repeatedly.

"Do you like it?"

"I like it."

"Then I'll go buy a soybean milk machine after work. I'll call them myself." "You're so virtuous!" Sheng shuangxue looked up and said with emotion.

Gu Yunhao smiled and reached out to rub her head.

This was not being virtuous, he just wanted to do his best to treat her well.

After dinner, the two of them went to work.

For the first time, Gu Yunhao felt that his place was too close to the police station. In this way, the distance between him and Sheng shuangxue was shortened.

After arriving at the police station, Sheng shuangxue immediately got back to work.

After a while, he received a call from an unknown number. "Is it miss Sheng shuangxue?" the other party asked. There's an express delivery for you."

"Where are you?" Sheng shuangxue was stunned.

"At the entrance of the police station."

"I'm coming," Sheng shuangxue put down her work and ran out. When she passed by the entrance of the criminal Police unit, she took a look inside-only half of the people were there. The others were probably out on duty.

She had strange thoughts when she didn't see Gu Yunhao.

When he walked out of the police station, he saw a young man wearing a hat standing by the road with a big gift box in his arms.

"Are you a delivery boy?" she asked as she walked over.

"Yes!" are you Sheng shuangxue? " the other party replied immediately.

"Yes.

"Please sign here."

Sheng shuangxue smelled a strong rose fragrance. She looked at the gift box in his hand, which was tied with a big bow.

Could it be Yingluo?

The delivery boy had already handed her the receipt card. She took a look and saw that it was indeed a florist.

She smiled and signed her name. She took the box and opened it. There was a bouquet of fresh red roses inside.

She picked up one of the cards and saw Gu Yunhao's name on it. She turned around and ran back happily.

As soon as she ran back, everyone in the police station saw her and began to discuss-

"Someone's after the police beauty!"

"Something's wrong! So happy, they must be in love, most likely in love, Yingluo."

"Didn't you guys see? She came here with Captain Gu hand in hand this morning, so it must be Captain Gu who sent her!"

"Captain Gu, you're a real man!"

Sheng shuangxue ran to the door of the criminal Police unit with the flowers in her arms. "Where's your Captain?"

"He, he went out." Everyone looked at her and the flower and said in a daze.

Oh, Yingluo. she turned around in disappointment and returned to her office.

“C-Captain gave it to you?” four-eyed Zhao asked.

okay. Sheng shuangxue put down the flowers with a smile, took out her phone, took a picture of the flowers, and sent it to Xiao Mianmian.”Yun Hao gave it to me.”

Xiao Mianmian, “Yingluo. ” there’s flowers and food Q’Sheng shuangxue said smugly.

“I won’t go shopping with you this weekend! I want to go on a date with handsome Bai!”

“Amazing? I don’t want to go, I want to go on a date with Yun Hao!”

The Great Wheel of Friendship fell silent once again.

When it was almost noon, Gu Yunhao returned from outside.

He was about to have lunch with Sheng shuangxue when old Yang called him up.

Old Yang walked into the office and pointed at the chair. sit down.

“What is it?” Gu Yunhao asked.

Old Yang smoked his cigarette in frustration. He stared at him and asked, “You’re with miss Sheng?”

Gu Yunhao’s face stiffened when he heard how Sheng shuangxue was addressed. Then, he grunted in agreement.

Old Yang couldn’t help but sigh, “ what are you doing? Aren’t you just looking for trouble? Who was she? She was the young lady of the Sheng family, and you dared to lay your hands on her! What if her father and brother come over?” they’re here for me.. What are you worried about?

Chapter 1810: It must be because he didn't like her enough

"How can I not be worried? I was ordered to take care of her, but you're the one who ran away. old Yang sighed. I'm suspected of not being able to supervise her well!

"Can't you just let me fall in love?" Gu Yunhao was dissatisfied. if anything happens, I'll take it!

"Alright, alright, alright! You carry it!" Old Yang was actually quite optimistic about the two of them. He went with the flow and said, 't since you did it, you have to stand up when the Sheng family blames me.

don't worry, she's my woman. I won't let anyone else take credit or work hard for her. Gu Yunhao stood up. it's almost time to get off work. I have to go find her for lunch.

Old Yang glared at him. can't you keep a low profile? Don't send the flowers to the office. It won't be good for you."

"Yingluo knows!" Gu Yunhao said helplessly.

He just remembered that he didn't send flowers yesterday, so he had to make up for it today. Of course, the more high-profile the better!

He wanted the whole world to know that he had taken her in!

On the weekend, Sheng shuangxue went to Nanjiang city as planned, but the person accompanying her had changed from Xiao Mianmian to Gu Yunhao.

The ship of friendship had sunk, but the ship of love had to move forward bravely!

Gu Yunhao drove himself, while Sheng shuangxue sat in the front passenger seat.

“Actually, you’re the only woman who’s ever sat in the front passenger seat of this car,” Gu Yunhao said.

Hearing this, Sheng shuangxue was happy at first, but then she snorted coldly. you don’t know many women here, do you?

“You’re wrong. There are many people who want to know me. Also, during the first two years, there were quite a lot of female colleagues, but many of them were transferred away.” The rest of the people who hadn’t been transferred were also unwilling to hang on his Crooked Tree.

“Are you trying to say that you’re very popular?” Sheng shuangxue was displeased.

Gu Yunhao glanced at her. look at my appearance. Are you going to lie and say that I’m not popular?

Wuwu ” made so much sense that it was impossible to refute!

Sheng shuangxue suddenly realized that the road leading out of the city was the same one that led to grandma Liu’s house.

“Do you still visit grandma Liu often?” she asked.

Gu Yunhao was stunned. He tightened his grip on the steering wheel. you still remember her?

“Of course I remember.” Sheng shuangxue mumbled.

That was their first date, right? Although it wasn’t a formal event, they were already watching the sunset together.

Gu Yunhao didn't say anything. The car didn't take the road to grandma Liu's house. Instead, it turned a corner and drove to Nanjiang from another road.

Sheng shuangxue had thought that she would have to take the same road as last time. In that case, she could go down and see grandma Liu if she passed by her house.

"If you want to visit grandma Liu again, let's go together," she said. Gu Yunhao was silent for a while before he nodded. "Yes."

Sheng shuangxue looked at him and felt that he was acting weird.

It was obvious that it was all because of that Granny Liu.

She had always thought that there was something fishy about how well he treated grandma Liu. Now, she wanted to find out what was going on.

However, he didn't seem to want to tell her.

She was a little depressed.

She was already his girlfriend, but he was still hiding things from her. It must be because he didn't like her enough!

The two of them had fun in the city for most of the day, eating, drinking, playing, having fun, shopping, and it was already dark when they returned.

"Why don't we visit grandma Liu while we're at it?" Sheng shuangxue suggested as the car entered the city.

"It's already so late, aren't you tired? Didn't you just say that your legs were sore and you wanted me to carry you?"

“We’re in the car now. Aren’t you tired?”

Gu Yunhao coaxed her helplessly, “ go back and rest early. I’ll visit her another day..
