

Ditsy Wife 1821

Chapter 1821: She's my ex-girlfriend

It was the weekend. Gu Yunhao was about to knock on Sheng shuangxue's door with the breakfast he had prepared.

The door suddenly opened by itself.

He saw Sheng shuangxue walking out with her suitcase and was shocked. "What are you doing?"

Sheng shuangxue was also shocked. She looked at him and saw him holding the delicious food. Her expression softened a little.

But she was still very angry!

"Let's go home!" She said with a straight face.

Gu Yunhao was stunned. you didn't hand in your resignation letter, did you? he asked nervously.

Sheng shuangxue glanced at him and closed the door. it's my dad's birthday.

"Tomorrow?"

"Today,"

Oh, Yingluo," Gu Yunhao said in a daze. help me say happy birthday.

“Are you sure?”

Whoosh! Whoosh! Whoosh! That was Sheng nanxuan! Forget it, Yingluo.

He didn't even have a girlfriend, and he was going to woo his father-in-law now. He would definitely die without a corpse.

“Why didn't you tell me in advance?” He asked.

“Hmph!” Sheng shuangxue dragged her suitcase and walked forward.

“Wait a minute!” Gu Yunhao shouted. I'll send you to the airport!

He turned around and went back to his room to put down the food. He took his keys and chased after her. I'll send you to the airport.

“It's quite convenient to take a taxi.”

Gu Yunhao was stunned. He suddenly overtook her and ran downstairs.

Sheng shuangxue was furious when she saw him. You say nice things, but you don't even know how to help carry the luggage, what's the use of having you? Such a boyfriend should be allowed to grow grass on his grave!

Sheng shuangxue stumbled down the stairs with her suitcase and saw Gu Yunhao's car.

Gu Yunhao, who was in the car, reacted and immediately got out of the car. He rushed over and said guiltily, “I'll do it!”

“I only have a few steps left, Yingluo.”

I’m sorry, I’m sorry, Yingluo. Gu Yunhao snatched the box from her and held her hand as they walked down the stairs. I was careless. I’ve been so distracted by you recently.”

“It’s still my fault!” Sheng shuangxue called out.

Gu Yunhao stopped and pulled her into his arms. it’s my fault. When are you coming back?”

Sheng shuangxue pushed him away. I can’t catch my plane!

Gu Yunhao hurriedly placed the suitcase in the trunk and opened the door for her to get in.

“What time is the flight?” he asked after getting on the car.

Sheng shuangxue didn’t want to answer him. After a moment of silence, she said, ” “Ten O ‘clock.”

“Oh, Yueyue, it’s already noon by the time we reach Beijing.” Gu Yunhao said.

“As long as my dad is happy.”

“Yingluo, yes.” Gu Yunhao squeezed the steering wheel and drove silently.

“Do you want me to go back with you?” he asked when they arrived at the airport.

“I just want to calm down.”

Gu Yunhao, “why?” have they been in a Cold War for so long? Not enough? His cooking skills had soared!

He said helplessly, 't actually, grandma Liu has a granddaughter.

"I know," Sheng shuangxue was checking her check-in procedures with a straight face.

Gu Yunhao looked at her guiltily. that ran ran is called Liu Xi. She's my ex-girlfriend.

Sheng shuangxue was stunned. She raised her head and looked at him in disbelief.

Gu Yunhao still wanted to say something, but she raised the branded bag in her hand, which was worth hundreds of thousands of Yuan, and smashed it on his head. She roared, " "Gu Yunhao!"

"Shuangxue-"

"Don't touch me!" Sheng shuangxue picked up the suitcase and quickly walked to the security check.

Gu Yunhao chased after her. Sheng shuangxue hurriedly hid behind the security officer, pointed at him, and said, " "He has a weapon!"

Gu Yunhao,"what?"

The security staff immediately became alert and walked towards him. "Please come with us!" she's my girlfriend, " Gu Yunhao explained.

Sheng shuangxue sneered and turned around to go through the security check..

Chapter 1822: Are you home yet?

Gu Yunhao wanted to go over, but he was stopped by the police who had rushed over.

Gu Yunhao helplessly took out his police badge. "It's a fellow peer!"

"We need to verify its authenticity."

Gu Yunhao looked at Sheng shuangxue and sighed in pain. "My girlfriend has already left, Yingluo."

"I'll have to trouble you to come with us." Who cares if your girlfriend has left or not? the investigation still needs to be carried out.

The plane was delayed. It was already three o'clock in the afternoon when

Sheng shuangxue got home,

There was no one in the house when she entered. Only the nanny was cleaning.

The nanny was surprised to see her. I didn't hear that the young miss was coming back. Why did it come so suddenly?

Sheng shuangxue's face was filled with despair. where are my parents? 'uh, I'm not too sure about Yingluo either. I haven't seen her for a few days.

Then he most likely went to Happy Garden.

Sheng shuangxue sat down and called Gong mo.

Gong mo picked up the call and complained, "you finally know to call me?" Your dad has been waiting for your call this morning. I thought you had forgotten!"

"I'm at home," Sheng shuangxue said.

“What did you just say?” Gong mo was stunned.

Yingluo wanted to give dad a surprise. Sheng shuangxue was depressed.

“Why didn’t you say so earlier?” Gong mo chuckled.

“Would it still be a surprise if I told you?”

“You tell me!” Gong mo asked, “ what are you going to do now? We’re in

Liangxi County.”

Sheng shuangxue was shocked, ‘what are you going there for? I’m sick! ”

Liangxi County was a famous recuperation Center. It was hard for Sheng shuangxue not to think in that direction.

“I’m just trying to avoid the heat,” Gong mo replied.

Sheng shuangxue was even more speechless. it’s only may and you’re already avoiding the summer. Your summer is really long! Then what should I do? I can’t make it!”

“Ask your brother to arrange a helicopter for you. You can still make it for the dinner.’

“Don’t tell dad, I want to give him a surprise.” then give him a call first. Otherwise, he’ll definitely guess it.

“Yingluo having a smart father is really not a good thing! Where was he? You should just give him the phone!”

Gong mo agreed with a smile. As he walked, he asked, "Who are you and Yingluo? How's the development going?"

"Yingluo, you're so gossipy."

"It looks like something good has happened." Gong mo said with a smile.

Sheng shuangxue snorted and didn't answer.

Gong mo didn't ask any further questions. After a while, he transferred the phone to Sheng nanxuan. Sheng shuangxue immediately acted coquettishly and wished him a Happy Birthday. I didn't know you went to Liangxi. I've sent the gift back home.

"It's fine, as long as you remember me." Sheng nanxuan said, "I haven't seen you in a long time. Your mother and I will go to Nanshan to see you in a while.

"Ah?" Sheng shuangxue was stunned. Then, she said in surprise, "sure! I miss mom and dad too!"

Sheng nanxuan grunted in satisfaction and hung up after chatting for a few

minutes.

Sheng shuangxue looked at her phone and saw a message from Gu Yunhao. [are you home yet?]

Sheng shuangxue replied, [he's dead. I'll burn some paper if I have something to ask.]

[don't say such inauspicious words!]

Sheng shuangxue was furious. The grass on his grave had already started to sprout, and he still had the time to care about her?

She put away her phone and ignored him. She immediately went to take the helicopter.

At this moment, she was already famished!

Two hours later

In the Nanxi summer resort, Sheng nanxuan was changing his clothes in preparation for the banquet that night.

Gong mo, who was wearing a cheongsam, stood in front of him and helped him button his collar.

He reached out to hold her waist and stared at her face with a smile.. “Why is my wife getting more and more beautiful?”

Chapter 1823: I’ll give you your daughter

“You’re still flirting with girls at your age?” Gong mojiao glared at him.

I’m teasing you Q!he laughed.

Gong mo grabbed his neck on purpose. When his young assistant walked in, she released her hand immediately.

The assistant was used to it and nodded at the two of them. the president is here. The helicopter will be here soon.

Sheng nanxuan furrowed his brows. he's not busy with national affairs.

What's he doing here?"

"Who told you to bring xiaxia here?" Gong mo burst into laughter.

When the two of them came over, they brought shengxia along. Sheng Yiting was also a daughter fanatic. Now that they had not seen each other for so many days, how could he not miss her?

"Isn't it good for me to take care of his child?" Sheng nanxuan snorted and glanced at her. you're speaking as if you're not carrying me.

Gong mo ignored him and said to his assistant, " go and bring xiaxia here. Get annian to pick up her father.

Sheng annian had arrived yesterday to celebrate Sheng nanxuan's birthday. Now, he was playing with Sheng Xia.

After the assistant left, Sheng annian personally brought Sheng Xia over. Then, he went to pick up Sheng Yiting.

Sheng nanxuan carried shengxia and asked as they walked,"Do you miss daddy?"

yes ~'xiaxia put her arms around his neck and answered pitifully.

"Do you want to be with Grandpa or dad?"

uh, hehe. little shengxia knew that this was a serious question and he couldn't answer it casually. He turned to look at Gong mo.

don't tease a child, " Gong mo said to Sheng nanxuan. don't tease a child.

Sheng nanxuan sighed and said to shengxia,"what a smart little fellow, Yingluo."

The two of them walked into the living room with the child and gave xiaxia some candy, which she ate happily.

He only gave her two candies in total. After she finished them, she hugged

Sheng nanxuan!s thigh and acted coquettishly. I Want Candy too.

"No, your dad and grandma will be angry!"

They were all bad people, and they didn't let her eat candy!

After a while, she heard a group of people's footsteps outside. Sheng Yiting had arrived.

Sheng nanxuan refused to let go of Sheng Xia. He looked up through the hollowed-out window and saw a group of people moving.

dad-" Sheng Xia shouted when she heard Sheng Yitings voice. At the same time, a voice called out from outside,"dad ...

Sheng nanxuan was overjoyed. shuangxue?

He stood up with shengxia in his arms and walked out.

As soon as she reached the door, she saw Sheng Yiting, Tong Siyao, and Sheng shuangxue walking toward her.

He stuffed Shengxia into Sheng Yiting's arms and said, "I'll give you your daughter!"

He had his own daughter now. Of course, he didn't care about other people's daughters. He reached out and pulled Sheng Shuangxue into his arms. You've learned to trick me. You didn't say you were coming just now!

Sheng Shuangxue stuck out her tongue. I wanted to give you a surprise. Here, a gift for you. Happy Birthday, Dad. You're getting younger and younger as you live

She handed him a beautifully wrapped little box.

Sheng Nanxuan took it and laughed. You're already calling me dad. You still say you're getting younger?"

"Do I have to call him little dad?" Sheng Shuangxue asked in a mischievous tone,

Sheng Nanxuan flicked her on the head and asked, "When did you come back?"

"Oh, the flight was supposed to be at noon, but the flight was delayed." Sheng Shuangxue said pitifully, "the in-flight meal was so bad that I barely had a bite. I'm so hungry now.

"How could you starve my daughter? Men! Let's eat!"

Sheng Shuangxue didn't ask for leave. She accompanied Sheng Nanxuan and Gong Mo for a day and took a flight back to Nanjiang the next night.

It was already ten o'clock at night when they arrived at the dormitory.

She was about to open the door when Gu Yunhao, who was next door, opened the door and came out..

Chapter 1824: You are the only one

Sheng shuangxue glanced at him. He asked with concern, "You're back? It's so late, why didn't you ask me to pick you up?"

"Why do you care?" Sheng shuangxue said coldly, "go and take care of your ex-girlfriend's grandmother!"

Gu Yunhao's face darkened. He had really shot himself in the foot on this matter.

He didn't say what he should have said earlier.

He wanted to be honest with her, but the more he tried to explain, the more he wanted to make things worse.

He couldn't tell her the important things. First, it was confidential, and second, he was afraid that she would be worried.

What should he do?

Gu Yunhao's heart ached. He hugged her. I was wrong, okay?

Sheng shuangxue held the key and didn't move.

She was on the same plane as Sheng Yiting when she went to Liangxi yesterday. At that time, she really wanted to ask Sheng Yiting to help her look up Gu Yunhao's information, but she felt that since Gu Yunhao refused to tell her, it would be an invasion of his privacy.

Of course, she chose to believe in Gu Yunhao.

She believed that he was talking about the case.

He also believed that grandma Liu's granddaughter was his ex-girlfriend.

So, the problem was that his ex-girlfriend was involved in a certain case.

Thinking of what grandma Liu had said-that her granddaughter had not been home for many years-Sheng shuangxue had a guess-was that person dead?

That was why Gu Yunhao was so good to grandma Liu. That was why he stayed in this small place to investigate the case.

If that was the case, what was the point of arguing with a dead person?

After all, the living could never compete with the dead. If the dead were more important than herself in Gu Yunhao's heart, she would not care about this relationship!

Could Sheng shuangxue not find a two-legged man?

She pushed Gu Yunhao away and said indifferently, "You did nothing wrong.

It's getting late, I want to go back and rest."

Gu Yunhao looked at her anxiously. are you still angry? Yingluo, I'll tell you! I'll tell you the truth! As long as you

"No!" Sheng shuangxue stopped him. She looked at him and said, " I'm just too tired. I want to rest. It's fine if you don't want to talk about the past. Since you said it's for the case, I believe you. If you don't tell me now, you'll tell me when the truth of the case is revealed, right?"

"Of course." Gu Yunhao said without thinking.

Sheng shuangxue heaved a sigh of relief. then, do you like me, ran ran? " she smiled.

"Of course, I like you!" He blurted out and suddenly reacted. He grabbed her shoulders and said seriously, " don't tell me you thought I was Yingluo.

He sighed and said,"shuangxue, you have to believe that I only have you in my heart." I've never liked someone so much before, you're the only one."

then, Qianqian, " Sheng shuangxue asked sourly. how about your ex-girlfriend? '

"I hate her." Gu Yunhao furrowed his eyebrows.

"What?" Sheng shuangxue had never expected such an answer. She was

stunned.

"I haven't completely fallen for her, but I'm already hating her. She can't be compared to you." Gu Yunhao hugged her tightly and said painfully, " I don't want to talk about that. Yingluo is very upset. Don't say anymore, alright? I'll tell you another day, Yingluo."

Sheng shuangxue was shocked. She didn't dare to imagine what had happened to make a man like him show such a fragile side. Did that woman have such a great influence on him?

She could not help but feel jealous.

But he showed such a fragile expression, and she really couldn't argue with him anymore.

"Alright," she said gloomily.

Gu Yunhao suddenly hugged her tightly and released her after a while. He lowered his head and kissed her on the lips..

Chapter 1825: This has nothing to do with being petty

In Xiao Mianmian's room opposite, handsome white looked at Xiao Mianmian innocently and mouthed, "I can't get out, Wuwu." "Wait a little longer!" Xiao Mianmian stared at him.

"Why don't I sleep here?" handsome white said with a smile.

"No!" Xiao Mianmian lowered her voice and refused righteously.

White commander could only look through the peephole again and spread his hands helplessly. nyou're still kissing Yingluo, why don't we ..."

Bang! Bang!

Xiao Mianmian threw a punch.

ah! Marshal Bai exclaimed. Gu Yunhao and Sheng shuangxue were startled. The two of them looked at Xiao Mianmian's door-there was no movement. But there was clearly someone inside.

Sheng shuangxue pushed Gu Yunhao away with a red face. I'll go in first. I'm really sleepy.

"Then you should sleep early." Gu Yunhao took a step back. Seeing her enter the door, he asked, " what do you want to eat tomorrow, ran ran? "

Sheng shuangxue turned on the light and thought for a while as she held the doorknob. Then, she smiled and said, " "As long as you don't poison it, I'll eat it all."

Gu Yunhao smiled and walked over to hold her face. He kissed her and said in a low voice, 't "Good night," she said.

The next morning, Sheng shuangxue received a message from Gu Yunhao while she was putting on her makeup. He said, [you can come over now.]

Sheng shuangxue continued to put on her eyeliner. She finished her simple makeup in five minutes and walked over with her handbag.

Gu Yunhao had already opened the door and was waiting for her, but he was on the balcony.

As she walked in, he came over with a salad. He smiled and said, " "You can see what you like to eat."

Sheng shuangxue looked at the table full of breakfast. She estimated that there were more than ten kinds.

"Are you trying to stuff me to death?" she asked.

Gu Yunhao was a little embarrassed. I ... I don't know what you want to eat. I'll just make more. You can eat whatever you want. If you can't finish it, you can just feed it to the wild cats."

Sheng shuangxue glanced at him, and he paused. He was annoyed that he didn't know how to speak. It seemed that he had annoyed him again.

Sheng shuangxue threw her bag aside, sat down, and said, " "Are you still feeling guilty, so you're apologizing?"

hehe, hehe, hehe. Gu Yunhao felt guilty and said fawningly, "it's good that you know. I'm just afraid that you'll be angry with me, Yingluo."

"Do I look like such a petty person?"

"This has nothing to do with being stingy." He said softly, "if you had an ex-boyfriend, I would be sad too."

Sheng shuangxue was taken aback. Suddenly, she pulled his ear and shouted,

"It's good you know! Gu Yunhao, you're so annoying!"

"Okay, okay, okay, Yingluo, I was wrong, I was wrong." Gu Yunhao said hurriedly. His ears hurt so much that he didn't dare to make a sound. He could only hug her and say, "baby, don't be angry anymore. Hurry up and eat."

"Who's your baby!" Sheng shuangxue pushed him away.

"You . . ."

"You call other people" baby "too?"

Why was this the woman's focus? He said helplessly, "no! I'm calling you!"

Actually, Yingluo, I think it's weird to call you that."

Sheng shuangxue couldn't help but laugh. Then she said with a straight face, "Good that you know! I'm also uncomfortable! You're not allowed to call me that, or else how would I know if you're calling me?"

"If I don't call you, who else should I call?"

“What if you have too many babies and they all call you that?”

“Definitely not! You know me, I’m not good at winning girls’ favor. I’ve wasted my looks and almost couldn’t get you.”

heh. Sheng shuangxue rolled her eyes and started to eat. After eating for a while, she suddenly said, ‘t why do I feel like you’re scolding me?’

“Do I dare?” Gu Yunhao looked like he had been wronged. He wished he could kneel down now, yet he still dared to scold her? Unless he was tired of living.

no one else likes you, but I do. Aren’t you saying that I’m blind?’

Gu Yunhao suddenly felt like a scholar meeting a soldier, and he couldn’t explain himself.

Sheng shuangxue turned her head and snorted in dissatisfaction..

Chapter 1826:

“I’d be blind if I didn’t like it. Look at me, how handsome do I look?” Gu Yunhao said shamelessly, “however, you’re the only one who has seen my handsomeness and recognized my good qualities. It means that our hearts are connected and we understand each other

“Stop saying such sweet words, you’re not suitable!”

'Huahua' was despised! He was actually rejected for saying sweet words!

"I'm going to be late!" Sheng shuangxue suddenly called out. She looked at her watch and hurried to eat her breakfast.

Gu Yunhao was also shocked and didn't dare to speak any more nonsense.

After that, he put the dishes into the dishwasher and ran to the police station with Sheng shuangxue.

I was almost late!

When she went for lunch at noon, she heard that Xiao Mianmian and handsome Bai were late, ran ran.

The two were a couple, so it was inevitable that everyone would make fun of them.

Handsome Bai was on cloud nine today, and everyone thought that his relationship with Xiao Mianmian had made a qualitative leap.

Everyone laughed at Xiao Mianmian, so she went back to the office with the lunch box.

Commander Bai wanted to chase after them but was caught by everyone.

Sheng shuangxue took the food and went to find Xiao Mianmian.

Xiao Mianmian was sitting alone at her desk. She hadn't touched her chopsticks and reached out to poke the roly-poly toy on the table.

Sheng shuangxue walked in and asked with a smile, "What happened to you?"

Xiao Mianmian was shocked. She looked up at her and continued to eat with a red face. I'm fine.

“You don’t mind if I stay?”

“Please take a seat.’

Sheng shuangxue nodded and sat opposite her.

Xiao Mianmian asked with concern, “how are you and the captain?” Are we still in the Cold War?”

“Oh, there’s no more for now.”

“That’s good. Don’t use this good time to quarrel!”

Sheng shuangxue smiled. I didn’t expect you to be so reasonable. By the way, in the two days that I wasn’t around, your relationship with handsome Bai seems to have gotten better?”

Xiao Mianmian’s eating action froze. She buried her head deeply and silently ate.

“Your face is almost stained with rice!” Sheng shuangxue said.

Xiao Mianmian immediately straightened her neck when she heard that.

Sheng shuangxue was surprised. She seemed to have seen the Hickey on her neck.

She fixed her eyes on Xiao Mianmian and saw that she was wearing a collared shirt. In this weather, it was fine to wear a collar in an air-conditioned office. It was quite delicate. However, what if there was a problem?

She looked at her curiously. Xiao Mianmian reacted and hurriedly reached out to grab her collar.

Tsk

This was simply three hundred taels of silver without any evidence!

Sheng shuangxue was 100% sure that there was a Hickey on her neck. She slammed the table and said excitedly, "This is commander Bai's? He's too

ruthless!"

"Aiya!" Xiao Mianmian shouted, " don't talk nonsense!

Sheng shuangxue smiled and asked, "what's wrong?" Eaten clean? No wonder handsome white looked like a thief!"

What kind of metaphor is this?! Her boyfriend is a police officer! The police!

hehe, Qianqian, " Sheng shuangxue said naughtily. I remember hearing him in your room when I went back to my room last night. Didn't Qianqian leave after that? '

Xiao Mianmian looked at her with a grumble. it's all because of you and Captain. You've been flirting with each other outside. In the end, you're wasting your time.

Sheng shuangxue burst into laughter. what does this have to do with us? We didn't even kiss for the entire night. It's all your own fault!"

"Hmph!' congratulations! Sheng shuangxue cupped her hands.

"I didn't want it to be so fast." Xiao Mianmian mumbled in an awkward voice.

Turning from a girl to a woman overnight, it made people more or less helpless.

sigh, it'll happen sooner or later you X's life is very good. Sheng shuangxue said, "at most, you can hold on from now on. Don't be an old hag for him too early.

Hearing this, Xiao Mianmian looked up at her.. then when are you and Captain Yingluo going to start this life?"

Chapter 1827: I can't wait to be good to you forever

Hearing that, Sheng shuangxue blushed and was speechless. Then, she thought carefully and said seriously, " Speaking of which, Gu Yunhao's figure is so good. His ability in that area must be great too!

Xiao Mianmian's mouth was wide open.

"Look, we've only been dating for less than three months and we're already arguing so badly. If I don't sleep with him while we're dating, won't I be at a disadvantage in the future?"

Xiao Mianmian slammed the table and said angrily, "Sheng shuangxue!" I don't want to be friends with a shameless woman like you!

Sheng shuangxue's eyes widened in confusion. how did the boat of friendship capsize again? " What did I do wrong? I didn't say anything bad about your handsome white!

you-" Xiao Mianmian was stunned. if you want to sleep with Captain, then go to sleep! You don't have to tell me!"

oh, oh, oh. Sheng shuangxue sighed and lectured him. you're already a married woman. Why are you so thin-skinned? " I'm better! We're the women of the new era, don't change your color just because of that!"

Xiao Mianmian covered her face and said weakly, " "Someone, kick this woman out!"

Sheng shuangxue smiled and pried her hand away. She asked in a low, serious, and concerned voice, " "I'm not joking. Did you take any protection last night?"

Xiao Mianmian blushed and asked awkwardly, " "Why are you asking this?"

"I care about you!" Sheng shuangxue let go of her hand. look it up on the internet. I don't have any experience, so I won't talk nonsense."

Xiao Mianmian rolled her eyes at her and continued to eat with a red face.

After work, Sheng shuangxue asked Gu Yunhao to accompany her to buy rice. His main purpose was to carry the rice home.

"You're going to cook?" Gu Yunhao asked, puzzled.

Didn't she usually eat at his place? What's the point of buying rice?

Sheng shuangxue said awkwardly, " I'm afraid that we won't have food if we fight next time.

Gu Yunhao looked at her helplessly and reached out to hug her. He said in a low voice, " "I was wrong, okay? Even if we did quarrel, I wouldn't let you starve. The noisier you are, the better I'll treat you."

Sheng shuangxue glared at him. you're not good to me if I don't? '

"Where?" Gu Yunhao shouted, " I wish I could treat you well for the rest of my life!

"Stop your sweet talk! Carry the rice!"

“Are you really going to buy it?”

“Of course I’m buying! Even if we don’t quarrel, what if you don’t have time to do it one day?”

“You can come over to my place, Yingluo.”

“What about my kitchenware? Do you want to leave it to rust?”

Gu Yunhao was helpless. In the end, he helped her carry a five-kilogram bag of rice back. He also bought some ingredients to prepare dinner.

When he walked to the door of the dormitory, he saw Xiao Mianmian’s door open opposite him, and the sound of Xiao Mianmian quarreling with handsome white came from inside.

“I don’t need your concern!” Xiao Mianmian said.

“What’s wrong with me washing you?” asked handsome Bai.

“You’re so annoying

“Can’t I be good to you?”

The two of them walked out of the room while quarreling. They stopped when they saw Gu Yunhao and Sheng shuangxue in the corridor.

Handsome white was carrying a large pile of clothes and looked like he was going to wash them.

“What are you guys doing?” Gu Yunhao asked with a frown.

He was extremely unhappy when he saw handsome white today!

Speaking of which, he and handsome white had gotten their girlfriend on the same day. But so far, the progress was in the opposite direction. On his side, Sheng shuangxue actually wanted to break up!

As for commander Bai, he had already slept with her!

Handsome white knew that he was not in a good mood today and was a little scared. He stammered, "I'm washing Mianmian's clothes."

"I said I don't need you to wash." Xiao Mianmian lowered her head and complained in a low voice..

Chapter 1828: Let's just break up

Just as Gu Yunhao was about to say something, Sheng shuangxue suddenly glared at him and complained, "Look at him!"

The other three didn't say anything.

Sheng shuangxue turned around, opened the door, and entered her room.

Gu Yunhao hurriedly carried the rice and vegetables in and said, "Do you have any clothes to wash? I'll wash it for you immediately!"

Sheng shuangxue glared at him. put down the rice. You can leave now.

Gu Yunhao looked aggrieved. He put down the rice and said, " why don't we do it here tonight? "

Sheng shuangxue wanted to refuse, but he immediately said, "In case your pot gets rusty!"

Sheng shuangxue glared at him. then you should hurry up and do it!

"Alright!" Gu Yunhao immediately went to the kitchen.

From then on, Marshal Bai and Xiao Mianmian stuck together like glue, while Gu Yunhao and Sheng shuangxue were awkwardly standing there.

Gu Yunhao tried his best to change his mood. After work on Friday, he took Sheng shuangxue out for Western food.

"Shall we go hiking tomorrow?" he suggested.

Sheng shuangxue was uninterested. it's so hot. "Then, Yingluo, how do you want to live?"

"Let's just get by."

Yingluo's current girlfriend was very difficult to deal with.

Sheng shuangxue suddenly smiled. why don't we go and see grandma Liu?

Gu Yunhao's head hurt. please spare me! Yingluo, what else do you think I should do? Just do what you like."

"What did you do when you dated your girlfriend in the past?"

Gu Yunhao said helplessly, 'can you not mention this? I told you, I hate her!"

Sheng shuangxue could tell that he was impatient. She was furious. can't you even mention it? " How important is she in your heart? Forget it, let's not meet on the weekend. Let's calm down!"

Gu Yunhao was silent for a moment before he nodded. yes, you need to calm down.

"You . . ."

"You women are really fickle."

"Then let's break up!" Sheng shuangxue shouted, 't I don't want to be with someone like you! He's still so nice to his ex-girlfriend's grandma even after breaking up! You're a husband-gazing rock!"

Gu Yunhao looked around, afraid of attracting other people's attention.

Fortunately, there weren't many people in the small County's restaurant. He said anxiously, "shuangxue-"

"Don't mind me!"

Sheng shuangxue stood up, picked up her bag, and left the restaurant.

After she left, she took a taxi and left. As soon as the car left, she saw Gu Yunhao chasing after her.

She snorted coldly, threw her bag to the side, and rubbed her forehead tiredly.

She hated herself for being like this.

To be so unreasonable for a man, she had no manners or upbringing at all.

She didn't like to risk her life for a man. The best way was to break up!

If he wanted to protect his ex-girlfriend, then let him do it!

Sheng shuangxue gritted her teeth, grabbed her bag, and tugged at it. Then, she started to cry.

“MA ‘am, where are you going?” the driver asked.

“Can we go to Nanjiang?” Sheng shuangxue asked, her eyes teary.

“Yes, I can.”

“Then let’s go to Nanjiang.”

It was less than a two-hour drive to Nanjiang, and she chose the best hotel in the city to stay. The sky had just turned dark when they arrived.

She went to book a room first, then went to the mall to buy a change of clothes.

Along the way, her phone rang countless times with incoming calls and messages, but she didn’t care.

There was no one else other than Gu Yunhao.

Back at the hotel, she took a bath and climbed into bed to pick up her phone.

All the messages and notifications on the screen were from Gu Yunhao. She didn’t read them carefully and deleted them before calling Gong mo. I want to go to Nanjiang tomorrow to play. I want to go to the place where you and dad used to live to see ran ran.

“What’s there to see?” Gong mo asked..

Chapter 1829: See you next week

I'm just watching. Sheng shuangxue said coquettishly.

"But the house has already been sold to someone else, and you can't get in." then I'll take a look on the road. I'll look at the street you used to live on.

but I don't know if those streets have changed their names, 't Gong mo said helplessly.

"I don't think so? Why don't you take a look at the map, mark it and send it to "You really know how to think of a way!" I'll tell you about it first. If you can't find it, you can call me again, " Gong mo said.

"Alright!

Sheng shuangxue carefully wrote down the names of the streets and places. She put down her phone and found that she had received a few more messages.

She opened her messages and saw that Gu Yunhao had sent her several messages-

[where have you been?]

[go home early.]

[if you don't pick up my calls, can you at least reply?]

[I'm worried about you. I'm afraid that something will happen to you.]

[come back early and rest. I won't disturb you.]

Sheng shuangxue closed the message and looked at the call.

He made more than a dozen phone calls, but in his record, there was also a ridiculing message from Tong silu.

Sheng shuangxue looked at the time. It had been three hours since she was on her way to Nanjiang.

Tong silu had only called one person, but she thought that it was Gu Yunhao, so she didn't pay much attention to him. Now that it had been so long, Tong silu wouldn't think that she was deliberately not picking up the phone, would she?

Sheng shuangxue had a headache.

It was all Gu Yunhao's fault!

She called Tong silu back, and the call was picked up very quickly.

She heaved a sigh of relief and said apologetically, "I'm sorry. Something came up and I didn't know you were calling." &Nbsp;

"It's fine." how have you been? " Tong silu asked.

"Yingluo is fine." Not good at all! Work was boring, and their relationship was not going well!

I heard you came back last week, ran ran, " Tong silu said. I didn't know. Otherwise, I would have gone to see you. Speaking of which, we haven't seen each other for a long time."

"Yes, Yingluo."

Yueyue, I'm on leave next week. Can I come and find you?" Tong silu was a little nervous.

sure! Sheng shuangxue thought for a while and smiled. I've been bored recently!

If Xiao Mianmian fell in love and broke up with Gu Yunhao, she would instantly be left all alone.

Sheng shuangxue suddenly realized how sad she was.

So what if he had such a good background? He didn't have many friends, and he would be lonely if he wasn't careful.

"I want to go back." She suddenly said, " it's quite sad to be here alone. "Then come back!" Tong silu said excitedly, her voice a little choked. I'm also alone, Hanhan.

"It's better than me, right?" Sheng shuangxue laughed at herself.

Tong silu paused for a moment and said, " let's not talk about this. Shall we meet next week? "

"Alright, see you next week."

After hanging up the phone, Sheng shuangxue took the hotel computer and went online for a while. When she was sleeping, she received another text message from Gu Yunhao.

Gu Yunhao asked,'where did you go? [why aren't you home yet?]

Sheng shuangxue replied furiously, [what right do you have to control me?!]

[I'm just worried about you. [it's good that you're fine.]

Sheng shuangxue dropped her phone and went to sleep!

However, she couldn't fall asleep at all. She tossed and turned for two hours, got up, and watched TV for a while before going back to sleep. It was already noon when she woke up the next day.

At this moment, she no longer wanted to visit the place where Gong mo and Sheng nanxuan used to live.

She sighed, rubbed her dark circles, and went out with sunglasses on. In the elevator, she saw her haggardness reflected on the wall. She was shocked and rushed to the SPA.

After the SPA session, she was suddenly interested in shopping again..

Chapter 1830: Am I that kind of person in your eyes?

Sheng shuangxue went back to her room, changed her clothes, put on light makeup, and went out in high spirits.

As they walked out of the hotel, a Hummer parked by the side of the road suddenly opened its door.

She felt a sense of familiarity. She looked over and saw the license plate number of Gu Yunhao's car. She also saw Gu Yunhao getting out of the driver's seat.

She stopped in her tracks and looked at him in disbelief.

He walked towards her, his every move exuding a wild aura.

Sheng shuangxue trembled with anger. When he came up to her, she asked loudly, "You knew I was here?"

"Yes." Gu Yunhao pursed his lips. I'm worried about you.

"How did you know I was here?" Sheng shuangxue roared, "you investigated

"I've found the chauffeur who sent you here yesterday, ran ran."

Sheng shuangxue took a deep breath and smashed her bag on her shoulder.

you bastard!

Gu Yunhao grabbed her, lifted her face, and kissed her.

She pushed him with all her might, but she couldn't push him away, so she bit his lips.

Gu Yunhao retreated in pain, but he was still unwilling to let go. He held her in his arms tightly.

Sheng shuangxue struggled and kicked him, but he didn't show any mercy.

"What are you trying to do?" she finally got tired and stopped to ask.

I love you, Yingluo," Gu Yunhao said. I don't want to be separated from you.

Sheng shuangxue didn't want to believe him.

She cared! He just cared! She cared about what he did to his ex-girlfriend!

if Sheng Yiting wasn't my brother, 't she sneered, " would you still be so clingy to me? '

Gu Yunhao's body trembled and he slowly let go of her. His face was cold. in your eyes, am I that kind of person? '

"Who knows?" She turned her head away.

I thought you wouldn't suspect this, " he laughed at himself. I thought you would agree to date me.

"I don't want to date you anymore."

Gu Yunhao was stunned. After a moment, he nodded. I understand.

When she liked someone, that person was good in her eyes.

When she didn't like him, that person was nothing.

But now, she continued to like him without interrupting him.

Gu Yunhao took a deep breath. I won't disturb you in the future. You should go back early. No matter what, don't make life difficult for yourself." "You don't need to care!" Sheng shuangxue shouted.

Gu Yunhao glanced at her, turned around, and strode toward the car.

After he got in the car, he slammed the door shut and drove away.

Sheng shuangxue turned around and went back to the hotel. She checked out and took a taxi back to Nanshan.

It was Monday at work, and the atmosphere in the entire Criminal Police unit was tense.

At lunch, Sheng shuangxue sat next to Xiao Mianmian with her meal.

The handsome white man opposite her was stunned. He looked at her and then at Xiao Mianmian. Xiao Mianmian waved at him, signaling him to get lost.

He pouted his lips gloomily and took the food to another table.

Xiao Mianmian took a sip of Coke and looked around. Seeing that Gu Yunhao was not around, she asked Sheng shuangxue in a low voice, "Didn't you and Captain Yingluo make up?"

"We've split!!

"Ah?" Xiao Mianmian was shocked.

Sheng shuangxue frowned, 'my head hurts! Can we play together after work?"

"Uh, hehe." She and handsome white already had a plan.

"Forget it," he said. Sheng shuangxue sighed. I'm busy. You can play by yourself.

"Oh, alright." Xiao Mianmian hurriedly agreed and asked after a pause, " really broke up? Don't be impulsive, Yingluo."

Sheng shuangxue looked at her. do you know that grandma Liu? " She's his ex- girlfriend's grandmother.
"

whoosh, whoosh, whoosh, whoosh. Xiao Nianmian stopped talking. She did not want a man like him..
