Chapter 1831: It should be a murder case

After work, Sheng shuangxue strolled around the streets alone.

The county was too small. After walking around, she found that ... All the places she had been to with Gu Yunhao.

She didn't expect that the two of them would have so many memories even though they had only been dating for three months. People in love are so boring, always sticking together! Wouldn't it be better to use this time to contribute to society?

Sheng shuangxue was full of resentment. She felt that all couples in the world should be burned to death!

She strolled around the mall and tried many things, but she didn't buy anything.

As they walked out of the main door, a young woman with a ponytail walked up to them and said with a smile, "Hello, can you help me with a questionnaire?"

Sheng shuangxue was stunned for a moment. She thought that she was bored anyway, so she reached out her hand.

The woman immediately opened the transparent folder and handed it to her together with the ballpoint pen.

When she saw the questions on the questionnaire, she was instantly depressed.

It said-

Have you been dating recently?

How many times have they been in love?

Are you satisfied with your current boyfriend?

ah! Sheng shuangxue raised her head and roared.

The woman in front of her was shocked. miss, you- ”

“I haven’t been in a relationship recently!” Sheng shuangxue returned the document to her and turned to leave.

How annoying! How annoying! The whole world was going against her! Did single dogs have no human rights?

Sheng shuangxue went back to her dormitory to make dinner.

However, her skills were limited. She wanted to eat porridge, but she overcooked it.

There was no air conditioning on the balcony, and the air was filled with the

steam from the porridge, like a sauna.

Sheng shuangxue’s hair was tied up with a hairband, and her face and neck were covered in sweat.

She gloomily scooped a bowl of porridge and brought it into the house before sitting down.

There was air-conditioning in the room, so it was much more comfortable.

She stared at the bowl of congee that was white and slightly yellow-the White was the rice grains, and the yellow was the overcooked rice grains.

She scooped up a spoonful, blew on it to cool it down, and put it into her mouth.

“PAH

She spat it back.

Plain porridge was already bad to begin with, and now there was a bitter taste. She didn't want to live anymore!

She pulled away from her daze, picked up her bag, and went out.

As soon as they opened the door, they happened to see Gu Yunhao opening the door next door. The two of them were stunned.

Sheng shuangxue turned around, closed the door, and left quickly.

She found a place to have barbeque and asked for two cans of beer.

It was already nine O'clock when they returned from the barbecue.

She held onto the railing and climbed up step by step. Suddenly, the sound of footsteps came from upstairs.

She stopped and gave way. She leaned against the railing and looked up, only to see Gu Yunhao running down.

Her face turned cold and she turned her head away. Just as she was about to turn around and leave, Gu Yunhao suddenly shouted, "Sheng shuangxue! Why didn't you answer the phone?"

Sheng shuangxue turned her head. She was furious. who wants to answer your call?!

As soon as he finished speaking, the other members of the criminal Police unit ran down.

Everyone paused and looked at Gu Yunhao.

Gu Yunhao felt awkward and said helplessly, "there's a case."

Sheng shuangxue was stunned. don't you know how to text?" she shouted.

After saying that, he turned around and went downstairs.

The group quickly rushed to the police station, picked up their things, and drove to the crime scene in the police car.

In the car, Sheng shuangxue rubbed her forehead and asked, "what case?"

"It should be a murder case." Someone said.

Gu Yunhao asked her, "you're drunk?"

The remaining people did not dare to speak and held their breaths.

Sheng shuangxue glanced at him. don't worry. I'll drink three more bottles and still work!

Yingluo. Gu Yunhao really did not want to believe her and turned his head away.

Sheng shuangxue felt a little guilty.

If he had known that there would be a murder, he would not have drunk. Going to the crime scene reeking of alcohol would Sully the reputation of his colleagues in the police force.

A moment later, the police car stopped.

When Sheng shuangxue got out of the car with her toolbox, the entrance of the neighborhood where the crime happened was already crowded with people..

Chapter 1832: The two cases are related

Gu Yunhao arranged for two people to stay behind, while the rest rushed in under the lead of the security guards.

When they reached the bottom of a building, the security guard pointed at the sky. there it is!

Everyone looked up and saw a man lying on the window on the fourth floor. The man's arm was stretched out of the guardrails and hung down powerlessly. A trace of blood slowly dripped down his finger, forming a pool of sticky blood on the ground.

Sheng shuangxue's eyes were wide open as she looked at the blood dripping down. She rushed to the place where the blood was dripping and touched the blood."Still hot! There might be someone alive!"

When everyone heard this, they quickly rushed upstairs.

They rushed to the door, but it was locked. Everyone hit the door hard and broke it open in a few seconds.

Once they entered, everyone was dumbfounded.

There were a few people lying on the ground, blood everywhere.

Everyone took a deep breath and felt cold all over. They couldn't understand how such a tragedy could have happened.

Gu Yunhao took out a pair of gloves and put them on. He ordered, " first, confirm that there are no survivors. Pay attention to protecting the scene.

Sheng shuangxue couldn't help but frown. She went forward to check the pulse of the 'injured'.

The person closest to the door was a young woman. Sheng shuangxue found her familiar, but she couldn't remember where she had seen her before. After checking her pulse, she realized that there was no longer a heartbeat. She then went to look at the others.

There were two elderly people in the living room, a man and a woman. They should be an old couple. One was a child who looked to be about five years old. It was a young woman who looked to be in her late twenties.

The five of them had no heartbeat or breathing. Sheng shuangxue went to the window and checked the man who was leaning on the window.

He was the man she had seen downstairs. At the time of the incident, the man should have wanted to call for help from here.

However, it was too late.

Sheng shuangxue checked his pulse and said, " "Not a single one survived."

Gu Yunhao walked over, squatted down, looked at the man's face, and said, "Gao Sen,"

“What?” Sheng shuangxue asked.

He stood up and said sternly, “in the murder case last year, the man who the female victim had an affair with.”

Sheng shuangxue shivered and turned to look at the remaining five dead men. Could the two cases be related?

But wasn’t the previous one taken over by the city?

“Captain, do you mean it’s a serial murder case?” asked handsome Bai.

Gu Yunhao glared at him. “I’m just stating the facts. Where did you get all these connections from? ” “Why aren’t you working?”

Handsome white pursed his lips, turned around, and started to work.

Sheng shuangxue first checked Gao Sen’s condition. She initially determined that he had five wounds on his body, and the fatal one was a throat-cutting centipede.

Wait a minute! Five?

Sheng shuangxue thought of something and pried open Gao Sen’s right hand. There was blood on his palm, but there was no wound.

She heaved a sigh of relief, but at the same time, she was a little disappointed.

She put down Gao Sen’s right hand and then picked up his left hand.

Gao Sen's left palm had a U-shaped wound.

Sheng shuangxue slowly let out a breath. She was not disappointed this time, but she could not help but feel a chill down her spine.

She turned her head and called out to Gu Yunhao, "Yunhao--"

Gu Yunhao's body trembled and he quickly raised his head to look at her.

The two of them were currently breaking up ... Yes, they were just quarreling. In his eyes, he felt that they had not broken up yet. At least, he did not agree to it. If they really wanted to split, they would have to wait for the results of the next negotiation.

But Sheng shuangxue didn't want to talk to him. He was so scared that he thought he would never hear her call his name again.

He stared at her in a daze. The smell of blood around him reminded him that it was time to work.

"Come and take a look, it should be related to the previous case," she said..

Chapter 1833: Her fingerprints were on it

Gu Yunhao immediately became serious. The others also walked over and were stunned when they saw Gao Sen's left hand.

It was obvious that the two cases were related.

Old Yang had just arrived, so Gu Yunhao immediately asked him to come over and take a look.

When old Yang saw this, he said to everyone, " I'll report this to the city Bureau. Everyone, continue with your work.

After that, the six bodies were transported back to the police station.

The city Bureau had also responded-six lives were a major case and they would send people to assist.

Everyone stayed up late to start the investigation. Sheng shuangxue and Zhao Siyan carried out the autopsy without stopping. The people from the city Bureau arrived soon after.

In the autopsy room, Sheng shuangxue said while examining the corpse, everyone has six wounds. Last time, everyone had three wounds and three people died. This time, there are six. Do you think it's a coincidence or a deliberate arrangement? '

"I don't know." Zhao Si Yan said honestly.

"I feel like the murderer was trying to emphasize the numbers 3 and 6, like a password."

At this moment, the door was suddenly pushed open. Gu Yunhao strode in and stopped in front of Sheng shuangxue.

Sheng shuangxue tilted her head and looked at him.

"Come out with me!" He said sternly.

Sheng shuangxue paused for a moment. She didn't want to make a scene with him because this case was so serious.

She put down the scalpel and walked out. He glanced at her hand and said, "Gloves!"

"I still have to ...

“I’ll take it!” Gu Yunhao’s face darkened. you might not come back to do the autopsy.

what do you mean? ” Sheng shuangxue was startled. She asked in dissatisfaction.

“Hurry up,” he said irritatedly.

Sheng shuangxue unhappily took off her gloves and white coat before following him out.

“Come with me!” He continued walking.

On the way, they ran into two strange men. They glanced at Sheng shuangxue and walked away subconsciously.

Gu Yunhao explained, ” they are forensic doctors from the city Bureau.

Sheng shuangxue frowned. This was Nanshan County. She should be the forensic doctor here! She hated it when people came to her territory to cause trouble!

He took her to old Yang’s office. The door was open, and they heard old Yang’s voice when they walked out of the door. this person has a special identity. She’s the president’s younger sister, so I have to take a look at this.

“Chief!” Sheng shuangxue strode in, dissatisfied with his identity.

There were many people in the office, some from the Bureau and some from the city Bureau.

Everyone looked at her without blinking.

Old Yang sighed and picked up a document on the table.

From the corner of her eye, Sheng shuangxue saw a colleague from the municipal Bureau secretly touching a gun.

She turned her head and looked over. Gu Yunhao suddenly rushed over and stood between the two of them, knocking the man back.

Sheng shuangxue's mind turned. She felt that this situation was somewhat familiar. It seemed to be the scene of the final case in a criminal investigation film.

She picked up the information in old Yang's hand. It was the result of the fingerprint comparison at the scene—a knife and a pair of shoes were found at the scene, and her fingerprints were on them.

She put down the documents and said in disbelief, "How is that possible?" "Your fingerprints might be wrong." Gu Yunhao said.

It was reasonable to say that with Sheng shuangxue's identity, her privacy was particularly confidential. However, as a member of the police force, she naturally had to follow the rules of the police. All police officers would enter their DNA and fingerprint information into the police system, and she was no exception.

But her identity was special. Could it be that she had recorded someone else's fingerprints when she was recording? She was the young lady of the Sheng family anyway, and no one would pursue the matter..

Chapter 1834: I'm watching her

Sheng shuangxue fell silent after hearing Gu Yunhao's words. She pursed her lips. I don't know. Do you want to take my fingerprints again? '

“Alright,” he said. No one had any objections, and they also wanted to clear her name as soon as possible. Of course, she couldn’t rule out the possibility that someone had identified her and wanted her to be unable to explain herself.

Sheng shuangxue pressed her fingerprints and compared them with the ones she got from the crime scene—they were a complete match.

Everyone fell silent and looked at her.

She shook her head and said excitedly, “that’s impossible!” I’ve never been there!”

“No matter what, you’re a suspect now. According to the rules-”

Gu Yunhao rushed out and stood in front of her. “You guys want to detain her?”

“The rules are like this. Just because she’s the president’s sister, you can’t-” I think you and the president don’t get along.

The other side frowned and said angrily, “Gu Yunhao!! Don’t be unreasonable!”

“Cough cough!” Old Yang said anxiously, “let’s talk this out. That The people from the city Bureau:

Wasn’t gu Lei the leader of the criminal Police force in the country?

Who could tell them why a small Nanshan County had two powerful people? Gu Yunhao’s face darkened as he said to old Yang, “let’s do business!” &Nbsp;

“Then send your girlfriend to the detention center!” Old Yang yelled at him.

The others, "Wan Wan's" female, friend? So, there was such a thing.

"We've already broken up," Gu Yunhao said in a muffled voice.

Sheng shuangxue: " Yingluo, you really don't love me at all. We just broke up yesterday, and you're falling out with me today. You don't even want to miss me! It looks like breaking up with you was the right decision!

Everyone, "Yingluo," didn't want to know about this private matter at all.

The leader of the city Bureau had gone crazy.

He was the leader, but he was only here to assist in the investigation of the leader of the team. If he was really the chief of the city Bureau, it was impossible that he didn't know Sheng shuangxue and Gu Yunhao's identities!

He said irritatedly, "then what do we do now?" No matter who she was, she was still a suspect! If we don't follow the rules and word gets out, the president will be the one affected!"

"I'll look after her." Gu Yunhao said.

"What?" Everyone was stunned.

"I'll look after her." He repeated, "t she's our colleague at the police station, our comrade. We should believe her first! Whether it's detaining her or letting her go home, I'll look after her personally. I won't fail my mission and live up to the people's trust in the police!"

Tears welled up in Sheng shuangxue's eyes. She looked at him and said, " "I'm fine, ran ran. Just follow the rules."

“Aren’t you on your period now?” Gu Yunhao shouted at her, “ why aren’t you going home to rest? are you going to sit on the hard bench in the servant’s room and stay up late? ‘

Everyone: ” wawawawawawawawawa ” didn’t you guys break up? Why did he have to talk about such privacy in front of everyone? He didn’t even think about knowing the Dao!

Sheng shuangxue’s eyes widened and she glared at Gu Yunhao angrily. Gu

Yunhao also glared at her. She pounced on him, hugged his shoulder, and bit

him hard ...

ah! Gu Yunhao screamed. His screams resounded through the night sky. In the end, Sheng shuangxue went back to the dormitory to rest. Gu Yunhao was with her.

According to the rules, she was not allowed to participate in the investigation.

“How are you going to look after me?” she asked when she reached the door. “According to the rules.” Gu Yunhao’s face was stern. even if you were me-”

He paused for a moment. actually, I don’t really want to admit that you’re my ex-girlfriend..

Chapter 1835:

Sheng shuangxue,“Yingluo, what’s with this sudden confession?”

Gu Yunhao coughed. In short, even if you're my girlfriend, you still have to follow the rules. I can only follow you step by step and watch you.

Sheng Shuangxue frowned and was a little dissatisfied. You also suspect that

I'm the murderer? Even if it's just a little?"

"I didn't. My mind is in a mess right now. I don't know why you're involved. I even suspect Yingluo," he said.

suspect what?" Sheng Shuangxue was puzzled. suspect what? '

"It's nothing. In short, I'm not only going to look after you, I'm also going to protect you. Since your fingerprints appeared at the scene, it means that the murderer is targeting you. If you're not careful, you may be in danger."

Sheng Shuangxue took a deep breath. I'm not afraid.

He looked at her and hummed after a long time.

Of course she didn't need to be afraid. Even without him and her colleagues at the police station, her family would still protect her. Furthermore, her family was the most capable of protecting her.

However, he hoped that he would be the one to prove her innocence this time.

He did not want to be useless to her.

Sheng Shuangxue opened the door and looked at him hesitantly.

He pushed the door open and walked in. Sheng Shuangxue wanted to stop him, but he said seriously, "I've said it before, I want to watch over you and protect you."

“But you still can’t come in!” Sheng shuangxue said, “ I’m going to sleep! Can’t you just stand guard outside the door?”

“You’re sleeping, and I’m keeping watch?” He stared at her. she’s not yours anymore, but you’re so cruel when you use her!

you ... Sheng shuangxue was stunned. What did he mean by that? He was never hers, okay!

“In any case, you can’t come in!” She called out.

“What if you jump out of the window?”

She pointed out of the window. the guardrails are dead. How am I supposed to jump?!

Speaking of which, Takamori’s house also has guardrails, and it’s so high up. Where did the murderer escape from? ” He said seriously, “ if you’re really the murderer, this guardrail won’t be able to stop you.

“It wasn’t me!” Sheng shuangxue roared, I’m going to eat barbecue! He has an alibi!”

“Don’t mess around,” Gu Yunhao said, “ your current alibi can’t be compared to the fingerprints at the scene. Even if I don’t look after you, I still have to protect you. I’m outside. If the murderer climbed in through the window, wouldn’t you be in danger?” “It’s not a ghost, how can I crawl?”

“In short, it’s best to be careful!”

Sheng shuangxue took a deep breath. She didn’t want to argue with him anymore. She took off her shoes and walked into the house.

Gu Yunhao walked in slowly. She turned around and looked at him. “I’m going to change into my pajamas.”

Gu Yunhao paused and pointed to the toilet.

Sheng shuangxue was so angry that she held her breath. She picked up her pajamas and walked in.

Gu Yunhao sat down and picked up a fashion magazine on the coffee table to flip through.

Sheng shuangxue only came out after about half an hour. She removed her makeup, washed her face, took a shower, and changed into her pajamas.

He put down the magazine and looked over. He was stunned. Gu Yunhao secretly took a breath and immediately lowered his head.

“I’m going to sleep,” Sheng shuangxue said.

Gu Yunhao said, “I’ll sleep on the floor.

“You’re a hooligan!” Gu shuangue wanted to flip the table.

“I haven’t even said I’m going to sleep on the bed, how am I being a hooligan?”

“You . . .”

Gu Yunhao suddenly stood up. Sheng shuangxue was so scared that she stepped back.

“I’ll go back and take a shower first,” he said.

“Let’s go, let’s go

“Come with me!”

“Why should I?” Sheng shuangxue was dumbfounded.

for safety, and ... he looked at her. to prevent you from locking me out..

Chapter 1836: It doesn't seem like something a person who has broken up should do

Sheng shuangxue couldn't help but swallow her saliva secretly. She said with a serious face, &quot;Did you bring your change of clothes? Don't come out naked later! &quot;

&quot;Don't worry, I have a bath towel. You can't see it even if you want to!&quot;

&quot;Gu Yunhao!&quot; Sheng shuangxue roared, &quot; get me my clothes!

Do you believe that I'll Sue you for \*\*\*\*!&quot;

Gu Yunhao sighed and opened the closet to get some clothes.

There was a moment of silence before the sound of water came again.

Sheng shuangxue reached out and patted on the door. &quot;Do you believe I'll rush in!&quot;

&quot;Who was the one who wanted to come in first?&quot; Gu Yunhao asked sternly, &quot; who exactly is the hooligan?!

Sheng shuangxue was furious. She suddenly grabbed the door handle and pushed the door open.

f \* Ck ... Gu Yunhao hurriedly threw down the nozzle and covered his lower body.

hahaha ... Sheng shuangxue laughed and closed the door. don't cover your face if you dare!

Gu Yunhao,"Yingluo."

Sheng shuangxue dusted her hands and went back to her room to sit down. She couldn't help but blush.

She just felt that when a normal person was barged into while taking a bath, their normal reaction would be to cover their vital parts, and he would definitely be no exception.

But she still couldn't help but be afraid-what if he didn't cover it? Wouldn't she become a female hooligan?

It was a pity that the water vapor was too strong and the time it stayed in the room was too short, so she didn't get a clear look at Huahua.

Very quickly, Gu Yunhao finished his bath.

When Sheng shuangxue heard the sound of water stop, she couldn't help but feel scared.

In less than a minute, Gu Yunhao came out in a pair of shorts and slippers.

Water was dripping from his hair, and his body was covered in moisture.

He rushed in front of her and wrapped his arms around her.

Sheng shuangxue leaned back in fear.

He lowered his head. you're already a suspect, yet you're still not honest!

"You still won't allow me to have my last party?" Sheng shuangxue said with confidence.

Gu Yunhao was stunned. He looked at her with a pained expression.

He reached out to stroke her hair and said gently, " "Don't be afraid, I'll find evidence to prove your innocence."

Sheng shuangxue's heart skipped a beat. She didn't expect him to care about her.

She pursed her lips and glanced at him, then pushed him away. I'm going back to rest!

After saying that, she suddenly got up and looked at her hands.

"How did it become again?" Gu Yunhao retorted, " do I not wear clothes every day? "

Sheng shuangxue took a deep breath and walked out. I can't be bothered with

Gu Yunhao rushed forward and pulled her back. He lifted her waist and pressed her against the wall, kissing her forcefully.

Wu Wu Wu Wu. Sheng shuangxue wanted to resist.

"Gu Yunhao!" Sheng shuangxue said angrily, " we've already broken up!

When Gu Yunhao heard this, he slowly released his hand but did not move it away. Instead, he leaned closer to her and kissed her ear. He said in a rough voice, " you dare to barge in when I'm taking a shower. This isn't what a person who has broken up should do.

Sheng shuangxue's body trembled slightly. She said stubbornly, " "I'm not taking the normal path, right? "

Gu Yunhao glanced at her lazily, and a hint of ruthlessness slowly gathered in his eyes. I really want to do you!

ah ... Sheng shuangxue pushed him away agitatedly and slapped him.

Gu Yunhao turned his head to the side. She was stunned for a moment, then guiltily retracted her hand and hugged her chest.

He didn't have any reaction. After two seconds, she turned around and walked out.

She walked to the door of her room and took out her key to open the door.

He followed her out, still not wearing his clothes.

She glared at him. don't come in!

"Yes." Unexpectedly, he agreed immediately.

Sheng shuangxue couldn't believe it. She looked at him in a daze.

I'll stand guard outside the door, " he said. if there's anything unusual, you must call me.

Sheng shuangxue couldn't bear it. Her expression changed, but she didn't soften. She opened the door and went in.

Gu Yunhao sighed. He turned around and went back to his room to get some clothes to put on. Then, he came out with a stool and sat in the corridor to keep watch.

Sheng shuangxue was tossing and turning in the room, unable to fall asleep.

Was he really outside?

She opened her eyes and looked at the light outside the window. She pulled up the blanket and wrapped herself tightly.

The death of Gao Sen's family of six appeared in her mind. There was blood everywhere, and the murderer was so cruel..

Chapter 1837: We have not broken up

And her fingerprints were there.

The murderer had his eyes on her and stole her fingerprints.

Sheng shuangxue couldn't help but feel a little scared. She was afraid that the murderer would suddenly appear in front of her.

She raised her hand and stroked her shoulder, feeling the movement of every finger.

She had been to too many places and touched too many things. She didn't know when and where the murderer had targeted Hanhan, or she might have met the murderer before.

She closed her eyes and slowly fell into a deep sleep in fear and chaos.

The alarm clock rang. Sheng shuangxue turned it off in a daze and went back to sleep.

A few minutes later, she suddenly sat up.

She had forgotten to draw the curtains last night, so the room was very bright at the moment.

She squinted her eyes and thought, "I can't participate in the investigation now, do I still need to go to work?"

She sighed and got up to wash up, but she was not as busy as usual.

He slowly tidied up and opened the door, only to see Xiao Mianmian sitting at the door playing with her phone.

She was stunned.

Xiao Mianmian suddenly stood up. shuangxue, you're awake? " The captain told me to wait for you here and to ask you to go to his house for breakfast when you wake up."

"His home?" Sheng shuangxue looked at the door next door. It was open.

"The captain went to work." but the door isn't locked, " Xiao Mianmian said.

"I don't want to eat anymore." Sheng shuangxue closed the door. I'm going to be late for work, ran ran.

but ran ran, " Xiao Mianmian pointed to the next room, " the captain told you to eat. Besides, breakfast is so important. You should eat it!"

"I really don't have an appetite. Don't you know that I'm a suspect now? Who can still eat after encountering such a thing?" Sheng shuangxue sighed. don't you have to go to work? '

"Of course, I'll be waiting for you."

"Then let's go." She turned around.

"Lock the captain's door!" Xiao Mianmian shouted.

"You lock ~"

Xiao Mianmian had no choice but to throw the stool in and close the door. Then she caught up with Sheng shuangxue and handed her the key. the key to the Captain's House ...

"Why are you giving it to me?"

you're the one who's crying! You're the one who's crying! Why don't you return it to the captain!

"You return it! "

Yingying didn't want to come into contact with the fierce Captain.

The two of them rushed to the police station. Sheng shuangxue went to her office. Zhao Si Yan was not there. He might be in the autopsy room, or he might have gone home to rest after working overtime.

She sat in her seat for a while before she heard someone knocking on the door.

She turned around and saw Gu Yunhao walking in with a takeaway.

"I heard you haven't eaten?" He walked over and placed the things in front of her.

It was a bowl of rice noodles. It smelled good. Sheng shuangxue secretly swallowed her saliva.

let's eat first. he paused. go to the interrogation room. Sheng shuangxue was stunned. She looked up at him.

He reached out and patted her head.

"I understand."

Sheng shuangxue opened the bowl of rice noodles and took a bite with the chopsticks. She looked up and said, "Thank you," he said.

Gu Yunhao bent down and hugged her. we haven't broken up yet.

Sheng shuangxue was stunned.

He let go of her and pressed her shoulder with his hand. I still have something to do. You can go over by yourself after you're done eating. Don't be afraid, we're just following the proper procedure."

"I'm not afraid." She believed that no one would dare to do anything to her.

He turned around and left. Sheng shuangxue stirred the rice noodles and began to eat slowly.

After she finished eating, she went to be investigated and confessed to what she had done from seven to nine last night.

This was simple. She would cook porridge at home and the porridge would burn.

Speaking of this, Sheng shuangxue suddenly thought of something very important.. She looked at commander Bai and said. " "I forgot to throw away the pot of porridge! He didn't even wash the dishes! When we go back, it'll definitely be stinky!!

Chapter 1838: Don't I have you?

Handsome white was dumbfounded. He turned his head and looked at the white wall beside him.

There was a glass mirror behind the wall, but it was a one-way glass. One could not see the outside from here, but the outside could see inside.

Gu Yunhao, old Yang, and the others were standing outside. When they heard Sheng shuangxue's words, they were all speechless.

"What happened after that?" handsome white coughed and continued to ask. the porridge is overcooked. I have nothing to live for, Qianqian," Sheng shuangxue said. I've been here for almost a year. At first, I was supported by your girlfriend. Then, I was supported by my boyfriend, Qianqian, my ex-boyfriend, Qianqian.

She paused and recalled that Gu Yunhao had just said that they had not broken up yet. She wondered if she should fix this relationship.

The colleague from the city Police station was furious. Your relationships here are too messy! It's not suitable to handle the case at all!

Sheng shuangxue sighed. anyway, I don't know how to cook. It was really sad to waste food, so I could only eat barbecue and turn my grief into an appetite. It's the Wang Mazi barbecue restaurant by the river. I even drank two cans of beer. I remember three people came up to chat me up, but there must be more who didn't dare to come up. You can ask them, I have an alibi."

After the investigation, Sheng shuangxue had nothing to do with him for the time being.

However, she was still a suspect. Although she would not be locked up in the detention center, she was locked up in the conference room.

There was nothing in the meeting room to prevent her from causing trouble.

She couldn't do anything. Her phone wasn't taken away, but she got annoyed after playing for a while.

During lunch, Gu Yunhao came to "visit" her with food.

She said sadly, "we might have to meet again in prison." You feel like you're

visiting a prisoner!"

"Don't talk nonsense! Hurry up and eat!" Gu Yunhao frowned. He didn't like her words and felt uncomfortable. I'll find you a puzzle after you're done eating, so you won't be bored.

"I won't be bored if you let me participate in the investigation." She looked at him eagerly.

"I don't have that authority." He said heartlessly. After a pause, he asked, "do you want to tell your family? "

"I don't want to!" Sheng shuangxue frowned. that would make me look useless!

"Don't try to be brave."

Sheng shuangxue suddenly held her chin and smiled at him. "Don't I have

Gu Yunhao was stunned. He put down his chopsticks and looked at her.

“Double snow crickets.’

“Let’s eat!” Sheng shuangxue suddenly reacted and said fiercely.

Gu Yunhao picked up his chopsticks again. you also think that we haven’t broken up, right? ‘

no, ” she said. we’ll put aside the dispute on this issue and talk about it after the case is over.

He thought about it and nodded. This was good too.

He was afraid that the case last year was Liu’s doing. Later, when the city Bureau took over, he was really relieved.

But now, the new case had thrown the previous one back, and it even involved Sheng shuangxue. He couldn’t help but suspect Liu again.

He narrowed his eyes. It seemed like he had to go and see grandma Liu.

However ,

He glanced at Sheng shuangxue and sighed. He couldn’t let her know.

In the afternoon, Gu Yunhao went out to visit grandma Liu.

After sitting there for more than half an hour, he didn’t find anything and didn’t get any useful information, so he returned to the police station.

Sheng shuangxue was playing mobile games alone in the conference room until she got off work. Everyone was working overtime, but they didn’t let her go home.

She could only continue playing until Gu Yunhao brought her dinner.

“I’ve really become a prisoner,” she said.

“You have an alibi, so you’re basically cleared of suspicion. Don’t even think about being a criminal..”

Chapter 1839: This isn’t something you should be concerned about

Sheng shuangxue glared at him.

He laughed, “isn’t it good to loosen it a little?” Everyone’s having a headache now, but you’re not.”

I’m bigger. she leaned on the table. I’m afraid you can’t find evidence to prove my innocence. If that’s the case, how wronged would I be?” “I won’t. If I’m useless, you still have your father and brother.”

Sheng shuangxue was stunned. She looked up at him. He sighed, “maybe I’m really useless. I can’t help you at all, Hanhan.”

Her heart skipped a beat, and she felt a little heartache.

“You can help me!” She suddenly leaned closer to him and whispered, “ you asked me to secretly participate in the investigation of Hanhan.

“Let’s eat!” He glared at her.

“Hmph! Why are you so fierce?” Sheng shuangxue sat up straight in dissatisfaction. She picked up the chopsticks and gobbled up the food.

“Eat slowly, you have a lot of time.” He said.

“You don’t need to care about me!”

He sighed and finished it in a few bites. “I’ll go get busy first, you can pack up.”

“I want a pen and paper.”

“I know,” he said helplessly.

After a while, he brought the pen and paper over and saw that she had already put away the disposable tableware.

“You’re full?” He asked.

She nodded and picked up a pen and paper to draw.

At 9 p.m., He appeared again. let’s go. I’m off work.

Sheng shuangxue folded her notes and walked up to him. She asked, “How’s the progress?”

“Don’t you worry about it.”

Sheng shuangxue was stunned. She was so angry that she stepped on his foot.

Back in the dormitory, the two of them took turns to shower like last night. The difference was that there were no disharmonious accidents this time.

When Gu Yunhao was done washing up, Sheng shuangxue went back to her room with her head lowered.

Gu Yunhao sat in the corridor with a stool in his hand, ready to keep watch.

come in, " Sheng shuangxue said, standing at the door. I have something to tell you.

He glanced at her and walked in.

The two of them had just taken a shower, and they could smell the fragrance of each other's shower gel, and they couldn't help but feel excited.

Sheng shuangxue was thinking about something important and quickly came to her senses.

She picked up the notes she had just taken in the meeting room. I just analyzed it- "

Gu Yunhao took a look and saw the words " He Li 3, Gao Sen 6 " written on it. There was even a heart drawn in the middle.

Everyone remembered the previous case where he Li's hand had been deliberately twisted. At that time, Sheng shuangxue's imagination had run wild. She had drawn a heart, but no one had taken it seriously.

But this case ...

Gao Sen e s hand was also twisted, just like he Li's. However, one of them had a left hand while the other had a right hand. When they were put together, they formed a heart shape.

Gu Yunhao's face turned serious. this is not something you should meddle in!

“I’m already a suspect, why can’t I interfere?” Sheng shuangxue said angrily. “Don’t be willful! Think about the rules for handling cases!” Gu Yunhao glared at her.

She threw the paper down and lay on the bed. turn off the lights when you go out!

Gu Yunhao sighed and walked over. give me a few days. If I still can’t do it, Yingluo.

Sheng shuangxue’s eyes lit up. She immediately got up. “You’re just letting me join?”

Gu Yunhao’s face darkened. do you hope that it won’t work after a few days?

he asked.

She pouted and hit him, saying gloomily, “What do you mean by that?”

Gu Yunhao reached out to hold her and lay down. He opened his hand and pressed the light switch on the wall.

Sheng shuangxue was stunned. Gu Yunhao, what do you mean?!

“I’m sleeping.” Gu Yunhao sighed tiredly and hugged her from behind. He bent into the shape of a shrimp. I’m so tired..

Chapter 1840: Sleeping in the same room and still being disobedient

you-” Sheng shuangxue elbowed him. You Took Advantage of Me!

Gu Yunhao was taken aback. He retracted his hand and turned his back to her.

alright, I'm not taking it anymore.

Sheng shuangxue was stunned. She was so angry that she couldn't speak.

"I'm ... A personal bodyguard," Gu Yunhao said.

Sheng shuangxue was furious. She kicked him!

There was a bang and someone fell to the ground.

Sheng shuangxue sat up, turned on the light, and looked at him. "Do I still need to protect?"

Gu Yunhao sat up from the ground, leaned against the wall, and said, "That's it. You sleep, I'll protect you."

Sheng shuangxue's heart was moved when she heard that. She pursed her lips and looked at him. She couldn't help but ask, "Why are you doing this?"

I've said it before, I don't want you to be my ex-girlfriend. He looked at her.

She turned over and lay down, not saying a word. After a while, she reached out to turn off the light, and a sound came from the ground.

"Good night," she said.

Sheng shuangxue turned over and said softly, "I can't sleep."

Gu Yunhao was silent for a moment. do you want me to sing you a lullaby? " he asked.

“Let’s discuss the case!” She said, with her head on her arm.

“I already said, no!” He said, speechless.

“It’s just a discussion. After dawn, you can pretend that nothing happened. I won’t tell anyone! Besides, wasn’t there no progress in the case? Tell me about it, maybe there’ll be new discoveries

“But you’re a suspect.” He sighed. baby, go to sleep.

“Who’s your baby!” Sheng shuangxue called out, “ you don’t want to discuss the case with me, and you still want to call me baby? ‘

“You’re so annoying!” She turned her back to him and said, “ you said you don’t want me to be your girlfriend. You’re not sincere at all! If that’s the case,

I’ll have to make you my ex-boyfriend.”

“Can’t we keep our work and private life separate?” Gu Yunhao was helpless.

“Women have the right to separate private and public Affairs!”

“I think it’s the right to be unreasonable.” you ... he actually said that she was being unreasonable?! Sheng shuangxue was furious. I think you’re still my ex-boyfriend!

The next second, Gu Yunhao suddenly jumped onto the bed and pressed her down.

ah! Sheng shuangxue screamed.

“We’re sleeping in the same room and you’re still not being honest!” Gu Yunhao grabbed her shoulder.

“Gu Yunhao!” Sheng shuangxue was furious. do you believe that I’ll bring you to see the evidence tomorrow!”

Sheng shuangxue choked on her saliva. She pushed him away. get out of here.

Gu Yunhao reached out and grabbed her neck. you’re such a torturous Little

Vixen!

Sheng shuangxue kicked him down.

He got up and lay on the sofa. She looked over. did you sleep well, Yueyue?

“What’s wrong? You want to invite me to bed?”

She grabbed something from the bedside table and threw it over. A muffled sound was heard. It was pitch black, and no one knew where it had hit.

In the morning, Sheng shuangxue sat up in her sleep and looked at the blanket on her body.

Gu Yunhao walked over from the balcony. you’re up so early? ‘

Sheng shuangxue raised her head and saw him wearing her apron. She asked in confusion, “What are you doing?”

“The porridge in your pot is sour. I’ll pour it out for you and wash the pot.” Sheng shuangxue went back to bed. thank you! What time is it?”

“It’s still early,”

“Then why did you get up?”

“Your room smells too good. It’s affecting my sleep.”

Yingying felt that he was being a hooligan again.

Sheng shuangxue got up, took her clothes for today, and went to the bathroom.

While brushing her teeth, she dipped her hand in water and wrote two lines on the mirror-

He Li, 1, 3

Gao Sen, u, 6
