Chapter 1841: Some kind of secret code?

After some thought, she drew a heart on the side and wrote "love."

The handwriting on He Li and Gao Sen's palms and the shape of their hands meant "I love you."

But what about 3 and 6?

Could it be the date?

Suddenly, someone knocked on the door. Sheng shuangxue walked over and opened the door. She looked at Gu Yunhao who was standing outside.

"I'll go back and change my clothes," Gu Yunhao said. "There shouldn't be any danger. But you still have to be careful."

As he spoke, he suddenly looked at the water on the mirror.

Sheng shuangxue's electric toothbrush stopped at that moment. She reached out and pulled him, signaling him not to leave. Then she turned around, spat out the toothpaste foam in her mouth, and wiped her mouth with a towel. "3 and 6 should be a combination of dates, right?" She asked.

"We've already started investigating in this direction." He said, "but these are just ordinary days for He Li and Gao Sen. There's nothing special about them. Usually, there were only three or four people living in the GAO family-Gao

Sen, his wife, and his child. Occasionally, his mother would go, but his father rarely went. However, on the day of the incident, his parents and sister were all there. If the murderer wanted the number six,

would he have to wait for his family to gather six people? Or did he just cut each of the dead bodies a few times after he killed them?"

Sheng shuangxue turned around to look at the mirror. The water had disappeared, leaving only a dot and a vertical line of the word "high ", which looked like another slanted'! I '

Gu Yunhao went back to change his clothes and took her to the noodle restaurant downstairs for breakfast.

Sheng shuangxue took out her phone, opened the nine- grid keyboard, and said, " "Look, there's a number and three letters in each grid. Could the murderer have left some kind of secret code? For example, 3 corresponds to def, and 6 corresponds to Mino? Or perhaps I corresponds to-"

"Don't think about this for now. Eat quickly and go to work after eating. Do you still remember the pair of shoes at the scene of He Li's case? This time, there was also a pair of shoes on Gao Sen t s sister's feet. They were almost brand new. Your fingerprints are on it, you can go and take a look later."

"Younger sister?" Sheng shuangxue thought for a while. is it the female victim in the middle of the living room? " I think I've seen her shoes Yingluo before."

"I remember you took a second look at the scene."

"You noticed?" she looked at him.

"What did you find?" he asked.

I was too busy at the time, so I don't really remember. We'll know when we go down and see.

At the police station ...

Gu Yunhao, old Yang, and the others accompanied Sheng shuangxue into the evidence room.

A police officer picked up a pair of black high heels sealed in an evidence bag.

this is it.

Sheng shuangxue took a closer look and said in surprise, "Are these new shoes?"

"Right!" Gu Yunhao looked at her. We checked the store that sold this pair of shoes. Through the surveillance camera, we found that on the afternoon of the incident, you went to the shopping mall in the county Center and tried this pair of shoes on the counter in the lobby on the first floor.

"But I didn't buy it!" She raised her head and asked, "the murderer?"

"I'm not sure about that."

She stretched out her hand and stared at her fingertips. "I left my fingerprints on my shoes, and the murderer stole them?"

"It's possible."

"The surveillance camera should be able to see the person who touched the shoes, right?"

"The surveillance camera behind us is broken."

Sheng shuangxue frowned.

"Let's see if you've met the murderer." Gu Yunhao said.

"If you're not the murderer, and this speculation is true," someone behind her suddenly said.

Sheng shuangxue turned around and glanced at him. She put down the evidence and suddenly froze..  
how tall is the murderer? ‘

Chapter 1842: Hey, Gu

“You found something?” Gu Yunhao asked.

She nodded and said, “I suddenly remembered that when I came out of the mall, I met someone who was doing a survey!” She used a transparent plastic folder and a smooth ballpoint pen, both of which could easily leave fingerprints.”

“You suspect that she’s the murderer?”

“This is just a possibility.” She said seriously, “the murderer wanted to follow me and obtain my fingerprints by buying the goods I touched. It’s a bit of luck. In order to ensure that nothing goes wrong, he’s likely to come into direct contact with me. There was another possibility. That person was really doing a survey. If that’s the case, she must have stayed there for quite a long time, and most likely investigated the murderer Yingluo.”

“Then let’s make a puzzle first!”

“I still need to do a puzzle?” Sheng shuangxue shouted, “you can just draw it!”

She rushed out of the evidence room, found a pen and paper in the office of the criminal Police unit, and began to draw the portrait of the man.

Gu Yunhao stood behind her, one hand on the table, and looked down at her.

She glanced at his hand, looked up at him, and then lowered her head to continue drawing.

When the portrait was gradually completed, Gu Yunhao narrowed his eyes.

His fingers on the table unconsciously clenched and he held his breath.

Liu Qian:

No, don't let it be her.

A few minutes later, Sheng shuangxue put down her pen and heaved a sigh of relief. I'm done!

Old Yang took the portrait and said to everyone, " most of them are locals. Let's go to the household registration system to compare,

Gu Yunhao stood up calmly. The words Sheng shuangxue had written on the paper last night and the words she had written in the mirror this morning flashed through his mind. She had also mentioned

He Li, Gao Sen, Jue Jue heli, gaosen.....

He seemed to understand.

"Stay at the police station and don't run around." He said to Sheng shuangxue, ' I'm going to deal with some things first.

After that, he hurried back to his office.

"Captain?" Everyone was filled with doubt.

"Don't mind him, you guys go back to work!" Old Yang said.

In the office, Gu Yunhao took out a pen and paper and quickly wrote on the paper-

He Li, 1, 3

gaosen, u, 6

iloveyou

Then, he circled the first letter of the first two lines.

Hi, Gu.

If it was really Liu, then she was greeting him and letting him know that she was here to find him.

As for that 'I love you', he didn't think it was a confession. It could only be ... To strengthen her presence. Because they used to be lovers, so he was more certain that it was her!

Gu Lei put down his pen and took out his phone, hoping that he had guessed wrong!

6th of March. He didn't remember having such an anniversary with Liu Xi.

However ,

He opened the calendar and flipped to the year he met her.

He still remembered that day and clicked on it-it happened to be March 6th of the lunar calendar.

Bang! Bang!

Gu Yunhao slammed his fist on the table in anger.

In order to deal with him, she had taken the lives of nine innocent people. She had even directed her anger at Sheng shuangxue!

“Gu Yunhao!” Sheng shuangxue suddenly shouted from outside.

He turned around and she pushed the door open, looking at him with worry. “Are you alright? Did you find something?”

“No, I didn’t!” With a stern face, he quickly folded the crucial piece of paper and put it in his pocket.

Sheng shuangxue’s face darkened and she said unhappily, “ you obviously did.

Why didn’t you tell me? ‘

“Because you’re a suspect now!” handsome white! he shouted to the outside.

“Commander Bai went out!” The person outside answered..

Chapter 1843: What’s the use of telling you?

then you ... Gu Yunhao pointed at Sheng shuangxue and said, “ take the suspect away!

Everyone was dumbfounded. They looked at him and then at Sheng shuangxue, but didn’t move.

“What are you guys doing?” He shouted, “ just because she is the president’s sister, she can not follow the rules? ‘

uh, Zhenzhen. a colleague walked up to Sheng shuangxue and said apologetically, “ shuangxue, Zhenzhen, how about we follow the rules first? ‘ “Gu Yunhao!” Sheng shuangxue shouted at Gu Yunhao, “ what do you mean?!

Gu Yunhao ignored her. He reached out and pointed at a few people. you, you, you, Zhenzhen, come with me!

“What’s wrong with you, Yun Hao?” old Yang asked angrily.

“I’ve found something. Take some people to take a look. Oh right, all of you should be equipped with guns and be on high alert.”

Hearing that, Sheng shuangxue rushed to him. “Why do you need a gun? Is it very dangerous?”

“According to the rules, the criminal Police should be equipped with a gun.” He said calmly.

“But you said to be more vigilant!”

Gu Yunhao glanced at her with a frown and shouted, “ “Why is the suspect still here?”

“Gu Yunhao!” Sheng shuangxue also shouted.

The others were having a headache. Old Yang muttered, “ “Are we still investigating the case?”

The people from the city Bureau nodded silently, “that’s right, are we still investigating?” The people from the county Bureau were so annoying. They only cared about dating. This was discrimination against single dogs!

Gu Yunhao turned to leave, but Sheng shuangxue rushed forward to hold him back.

“What are you doing?” He asked impatiently. “If Yingluo is in danger, you must tell me.”

“What’s the point of telling you?”

“I can look for my brother! This murderer is so cruel, who knew that he ...”

“Are you concerned about your colleague or your ex-boyfriend?” He looked at her.

I thought you didn’t want to be my ex-boyfriend?” she asked, stunned.

“I do now!” He pushed her away, pulled out his gun to check the bullets, and walked out.

Looking at his back, Sheng shuangxue couldn’t help but burst into tears. Everyone was so scared that they didn’t dare to let her go to the detention room.

Gu Yunhao led his men to grandma Liu’s house.

The car stopped on the road and he ordered, “Load the bullets and wait for orders in the car!”

When everyone heard this, they followed suit.

The next second, he jumped out of the car and ran to grandma Liu’s house alone.

boss! someone shouted into the walkie-talkie.

“All of you, shut up!” He shouted.

When she ran to the bungalow, grandma Liu happened to come out with a dustpan.

He suddenly raised his gun, and grandma Liu screamed in fear. The dustpan fell to the ground, and the vegetables inside rolled all over the ground.

“Where’s Liu Qian?” Gu Yunhao stared at her like an eagle.

“What did you just say?” Grandma Liu’s heart was beating fast. Xiao Gu-”

Gu Yunhao left her behind and rushed into the room. He raised his gun and checked several rooms, but he did not find Liu Qian.

He put away his gun and informed his teammates through the walkie-talkie, ” “All of you, come here.”

Grandma Liu walked in, trembling, and asked nervously and fearfully, ” “Xiao Gu, you’re Yingluo!”

Gu Yunhao stared at her. when was the last time you contacted Liu Qian?

my ran ran. grandma Liu felt a little guilty and her eyes darted around.

Gu Yunhao’s face darkened. Just then, his teammates ran over. He pointed at the telephone in the room. check the call records of that phone first!

Someone immediately contacted the Bureau. After a while, Gu Yunhao’s phone received the investigation results.

The phone had not been used much in recent years. Although he had received a few calls, they were all from scamming companies..

## Chapter 1844: caught red-handed

Gu Yunhao put away his phone and ordered, "check if there are any other communication devices in the room!" &Nbsp;

Everyone contacted the police station again and asked them to send the equipment over.

Grandma Liu didn't understand and asked Gu Yunhao, "Officer Gu, what's wrong? What do you want to investigate? I'm an honest man! What do you think my Qianqian did? She hasn't come back for many years!" "Did he really not come back?" Gu Yunhao looked at her suspiciously.

"No, I didn't!" She opened her mouth and said.

Seeing that he did not seem to be lying, Gu Yunhao dragged a stool over and sat down. He smiled at him. grandma Liu, you sit too.

Grandma Liu looked at the others and sat down in fear.

Gu Yunhao grabbed her dry hand and patted it gently, making her look at him.

Liu Qian will call you when she doesn't come back to see you, right? '

Grandma Liu looked away guiltily and retracted her hand. "I ran ran, you ran ran, didn't you find out? I haven't even used my phone."

"Where's my phone? Did she leave you her phone? Just hand it over."

"What are you saying? I don't understand!" Grandma Liu said in a panic, "I'm already so old. How would I know how to use that kind of thing? What are you doing? Did my Qianqian break the law?"

Gu Yunhao stood up and did not answer.

A few minutes later, the equipment from the Bureau arrived and began to test the electronic equipment in the room.

Grandma Liu's eyes widened and she looked at the thing in fear.

He walked to Liu's room. When the instrument was close to the closet, there was a beeping sound.

Grandma Liu trembled. Gu Yunhao strode over and reached out to open the door, but he suddenly stopped.

"Do you want to take it, or should I?" he turned around and asked grandma Liu.

"I don't understand what you're talking about!" The old man had never seen such a high-tech thing and did not know how powerful it was. He still wanted to put up a last-ditch struggle. hey, you guys, you broke into my house and searched my things without permission. Is that against the law? '

Everyone was stunned and looked at Gu Yunhao.

Speaking of which, they did not have a search warrant, so it was indeed illegal.

Gu Yunhao was invincible when he was a hooligan, so how could he be afraid of not being able to scare an old lady?

"I'm a police officer," he said.

Grandma Liu didn't know that the police needed approval documents to search other people's homes, so she immediately fell silent.

Gu Yunhao opened the closet and took out his phone. He could not help but sneer.

“Caught red-handed, let’s call it a day!”

Grandma Liu and her phone were brought back to the police station.

Gu Yunhao walked into the office and said, “meeting!” What about Sheng shuangxue? Is he locked up?”

Everyone looked at each other in dismay.

“What’s the matter?” he turned around and asked.

ahem, ahem, ahem, “white commander said. Captain, shuangxue is your girlfriend. You don’t have to be so fierce. You didn’t see how sad she was

crying, Yingying.”

“I’m asking her where she is!” Gu Yunhao asked angrily.

“Uh, Mianmian went back with her to rest.”

“Motherf \* cker!” Gu Yunhao cursed, turned around, and walked out. He rushed to the dormitory like a gust of wind.

He ran to the door of Sheng shuangxue’s house and panted heavily-he had definitely broken his record today!

When he heard the sound of crying from inside, he felt at ease and reached out to knock on the door.

A moment later, the door was opened, and it was Xiao Mianmian.

Xiao Mianmian hurriedly stepped aside. He walked in and saw Sheng shuangxue crying on the bed.

When she saw him, she grabbed the tissue box beside her and threw it at him.

Gu Yunhao reached out and caught it. come back with me!

“You bastard!” I’m going to tell my brother! Sheng shuangxue yelled.

“Go ahead!” He pulled a long face..

Chapter 1845: Saw it open for me

Sheng shuangxue couldn’t take it anymore and screamed. Then she stood up and said, “If you want to go back, then go back. I won’t forgive you again! I won’t do it again! I don’t want a boyfriend like you!”

Gu Yunhao’s body stiffened. Then, he reached out and grabbed her wrist, dragging her outside.

Xiao Mianmian was so scared that she didn’t dare to say a word. She hid behind them and only helped close the door after they left.

When they returned to the police station, Gu Yunhao locked Sheng shuangxue in the detention room and kept the key with him. No one else could let her out!

Sheng shuangxue was banging her head against the wall inside, shouting, “Dad ... Mom ... Brother ... Sister-in-law ... I’m actually in jail! I’ve tarnished your reputation! I’ve embarrassed you ...” save your energy, ” Gu Yunhao said. I’ll let you out after I catch the murderer.

“Are you afraid that I’ll be hunted down by the murderer while I’m outside?” Sheng shuangxue asked, stunned. That’s why you locked me up, to protect me?”

Gu Yunhao’s eyes flickered and he turned his face away.

Sheng shuangxue shouted, “do you think I’ll forgive you?!” Let me tell you ...

No, I won’t! I want to get out! Let me out!”

“You’re shooting a TV show? Stay here!” He said with a straight face and left.

Sheng shuangxue couldn’t eat or sleep well in the detention room until Friday night. She felt like a month had passed and she had aged a few years.

Just after dinner, old Yang suddenly rushed over.

“Open the door,” Sheng shuangxue said.

Old Yang wiped his sweat and said awkwardly, “I don’t have the key, Yingluo,”

After saying that, he turned around.

A beautiful figure came in from the door, followed by a rough figure.

Sheng shuangxue was stunned.

Tong silu frowned and said to old Yang, “How dare you lock her up! Do you know who she is?”

“T-T-this is an accident! It’s an extraordinary opportunity!”

“But you can’t lock her up!’ si Lu, ” Sheng shuangxue said through the iron bars, ” don’t say anything. Get me out first.

Tong silu was furious. She wanted to catch up with Sheng shuangxue, but she couldn’t get rid of the follower behind her. How could she encounter such a thing here?

“Give me the key!” She said to old Yang.

“I didn’t,” old Yang said bitterly.

“Go and get an electric welder.” Sheng shuangxue said, ” saw it open.

Hearing that, Tong silu glanced at director yang coldly.

“I’ll do it!” Guo Xiang said from behind.

“What can you do?” Tong silu was surprised.

“Unlock the door!” Guo Xiang grabbed the lock and took a look. He asked old Yang for two tools and opened it in a short while.

Sheng shuangxue was very surprised. She came out and grabbed Tong silu.

Your boyfriend is quite useful

Guo Xiang scratched his head and looked at Tong silu eagerly, hoping for praise.

Tong silu ignored him and hugged Sheng shuangxue. “Shuangxue- ”

“Why are you crying? I’m not really going to jail.” Sheng shuangxue couldn’t help but smile. let’s go out first. When did you arrive? Have you eaten? Have you booked a hotel?”

I’ve booked the hotel, but I haven’t eaten yet. I wanted to eat with you.

“Then let’s go! I’ve been locked up for two days and two nights, and I want to destroy the world! ”

“Why?” why would they lock you up? ” Tong silu asked with concern.

sigh, it’s a long story. Let’s go eat first.

The two of them walked out hand in hand, with Guo Xiang silently following behind.

The three of them walked out of the police station.. Tong silu suddenly turned around and said to Guo Xiang, ” “I want to reminisce with shuangxue, can you stop following me?”

Chapter 1846: Did you guys fight?

Hearing that, Guo Xiang shot a resentful look at Sheng shuangxue.

Sheng shuangxue was confused, “aren’t they dating?” Quarreling? And what’s with that look in Guo Xiang’s eyes? Was it her fault that they quarreled?

Guo Xiang lowered his eyes, clenched his fists, and raised his head to look at Tong silu.

Tong silu turned to the side and didn't look at him. He angrily rushed across the road, hailed a taxi, and left.

"Did you guys fight?" Sheng shuangxue asked Tong silu. Tong silu paused. "You didn't go to eat, did you?"

"Alright!

Although she had already eaten, she could still eat ten more meals to celebrate her " release "!

She took Tong silu to eat barbecued meat. It didn't taste as good as the ones in the capital, but it was the best thing she could find!

Tong silu didn't have much of an appetite. She had just eaten, so she didn't eat much.

"Where do you live?" Tong silu asked as they were leaving the restaurant.

it's right next to the police station. I'll Take You There.

"Alright!" yes! Tong silu agreed hurriedly.

Sheng shuangxue held her arm and smiled. "Why don't we sleep together tonight?"

"I can't ask for more!" yes! Tong silu agreed quickly.

Sheng shuangxue took her back immediately. They passed by uncle Wangs supermarket to buy her a new towel and toothbrush.

When they were paying the bill, uncle Wang said, " I haven't seen you for a long time. Little rat hasn't come recently. Did you have a fight?

Hearing that, Tong silu looked at Sheng shuangxue immediately. Who was little rat?

“Uncle Wang, you’re so free!” Sheng shuangxue said.

“You think I’m a busybody, right?” Uncle Wang snorted and asked in a low voice, “then let me ask you, has the case been solved? I heard that it was the same person who did the case last year? This was a serial killer. It was too cruel. What if he continued to kill people everywhere? I’m scared even when I sleep now!”

“Who are you listening to?” Sheng shuangxue took the things. don’t worry and go to sleep. You’ll be fine!

She turned around and left the supermarket with a heavy heart.

He didn’t know how the case was going and if the murderer had been identified. If Huahua was really like what uncle Wang was worried about, and a few more lives were lost, it would be the police’s fault.

“Is there a big case?” asked Tong silu.

six lives. Sheng shuangxue sighed. nine.

Tong silu thought for a while and asked doubtfully, “Is your being locked up in this case related to this?”

“We’ll talk when we get back.” yes. Tong silu nodded and asked, “who is little rat?”

“Uh, Yingluo’s a colleague. She’s usually closer.”

Tong silu looked at her suspiciously, and she said helplessly, “Alright, I won’t hide it from you. We’ll talk about it when we get back!”

Walking to the door, Sheng shuangxue took out her key and opened the door. Xiao Mianmian came out from the opposite side.

Xiao Mianmian looked at her and Tong silu in confusion. She hurriedly introduced them.

Tong silu smiled and greeted Xiao Mianmian, but she couldn't help feeling sour in her heart. Shuangxue would make new friends in a new place. It didn't matter whether she had him or not, right?

Xiao Mianmian said to Sheng shuangxue, "the captain is out of town, so he doesn't know you're out." But if he knew, he would definitely be angry."

"What's he doing out of town?" Sheng shuangxue didn't answer his question.

I'm not sure either. Commander White probably knows, but he didn't tell me.

"Have you locked down the murderer?"

it's grandma Liu's granddaughter," Xiao Mianmian said in a low voice. she's the woman you drew.

Sheng shuangxue gasped and couldn't help but shiver.

How could it be her?

Wasn't she Gu Yunhao's ex-girlfriend?

Chapter 1847: Too possessive

Gu Yunhao had said that he hated her. Was it not because of a conflict in their relationship?

Sheng shuangxue thought of the woman she saw at the entrance of the mall-she was quite pretty, but she was dressed very ordinarily and didn't attract much attention.

She thought that she was just an ordinary girl, but who knew that Huahua would be like this?

"Shuangxue?" Tong silu held her hand.

"Let's go in and rest, you must be tired," she said after she came back to her senses.

She opened the door and called Tong silu into the house.

Tong silu looked around the room and said with a frown, "So narrow? How are you going to live there?"

"It's even bigger than the school dormitory. Why can't I stay there?" Sheng shuangxue smiled. there are quite a few people living in the school dormitory,

but I'm the only one here.

"But you don't have to suffer this kind of pain." "It's not bitter," Sheng shuangxue said.

Tong silu pursed her lips, full of self-blame.

Sheng shuangxue glanced at her and smiled. She filled two glasses with water and passed one to her. sit down. Let's talk.

The two of them sat side by side on the sofa. Sheng shuangxue charged her phone and turned it on.

She was a little worried about Gu Yunhao. She held her phone and thought for a while. She was afraid that he was on a mission, so she didn't call him.

He had already decided to be her ex-boyfriend anyway, so she didn't need to care about him!

Sheng shuangxue threw her phone down angrily. Tong silu asked in confusion, "What's wrong with you?"

It's fine, Yingluo. she sighed. I wanted to play with you, but the case hasn't been solved yet, so I'm afraid I can't.

"It's fine." Tong silu smiled. I'm happy to see you.

Sheng shuangxue chuckled and cupped her face. I thought you've fallen in love with me when you said that!

As soon as she finished speaking, she heard a ding-dong sound. Tong silu's phone rang.

Sheng shuangxue backed away. Tong silu took out her phone and was stunned.

"What's wrong?" Sheng shuangxue asked in confusion.

Tong silu showed her the phone, and she spat out a mouthful of saliva!

Because the screen showed-

[ Guo Xiang: do you like me or her? ]

"Don't tell me this 'she' is referring to me?" she asked hurriedly.

“He’s sick!” Tong silu put down her phone in a Huff.

Sheng shuangxue retreated with a pillow in her arms. She asked warily, “t” You can’t really be in love with me, right?”

Tong silu rolled her eyes and said in a bad mood, “Who’s in the mood to joke with you? If I had fallen in love with you, I would have confessed to you a long time ago, okay?”

Sheng shuangxue put down the pillow and said disappointedly, “ I’m not in love with you. I’m afraid of Qingqing for nothing.” you ... Tong silu was so angry that she was speechless.

Sheng shuangxue smiled and then asked seriously, “ “You and instructor Guo fought because of me? You guys are sick!”

“He’s the one who’s sick!” Tong silu said excitedly, “ I came to find you, but he insisted on following me! Do I still have my freedom?”

“This Tao Wu is too possessive. It’s indeed wrong.”

Tong silu opened her mouth when she heard that. She wanted to say that Guo Xiang wasn’t that possessive, but she was too lazy to explain.

“But I think it’s excusable.” Sheng shuangxue said, “ he’s always in the military camp and doesn’t see you often. Of course, he will follow you wherever you go. Tsk, tsk, Speaking of which, he’s following the man he married!”

“What nonsense is this!” Tong silu shouted.

“Alright, alright, let’s not talk about him.” Sheng shuangxue frowned and waved her hand. let’s talk about you, then your sister, my brother, an Nian, and xiaxia.

“Shouldn’t I be talking about you?”

“Oh, then we’ll take turns!”

Chapter 1848: I won’t let you off

When Sheng shuangxue got up, Tong silu was still asleep. She was probably tired from the long journey yesterday.

She did not disturb her and went to wash up first. By the time she was done, Tong silu had woken up.

“You go wash up first, I’ll go downstairs to buy breakfast!” She said with a smile.

“How can we do that!” let’s go together later, ” Tong silu said.

“There won’t be any if it’s too late.”

“But Yingluo”

“Why don’t you ask Guo Xiang to send it over?” Sheng shuangxue rolled her eyes.

Tong silu’s face turned serious. You should go!” tsk tsk! You’re so inhumane!

“Yingluo, does she have a friend but not a boyfriend?”

Last night, when Sheng shuangxue went to wash up, Guo Xiang called her. The second it rang, she hung up and blocked his number.

So how could she take the initiative to look for him now?

Sheng shuangxue took her wallet and went downstairs. When she walked out of the gate of the community, she saw Guo Xiang.

She was stunned. She bit her lip and walked towards him.

Just as he was about to speak, Guo Xiang spoke first and questioned, "Si Lu is with you?"

"Yes, I am." Sheng shuangxue's brain was working quickly. She didn't understand why the two of them were arguing. She asked, "are you still worried about her following me?"

Guo Xiang turned his face away and asked in a muffled voice, "Did you really like me in the past?"

"Ah?" Sheng shuangxue was stunned. After a while, her face turned red and she said angrily, "Guo Xiang! I've never liked you, okay? You're the one who's being too roundabout, causing me to misunderstand! How big of a face do you have? I want to like you!"

Guo Xiang turned around and looked at her, "then can you explain it clearly to Si Lu?" She always thought that you came here because of her, because of me, and always wanted to break up with me, Yingluo!

"Is it easy for me to get a girlfriend?" he felt wronged.

Sheng shuangxue, "shua shua shua shua."

She really couldn't bear to see a rough man who was nearly 1.9 meters tall being so aggrieved, so she subconsciously took a step back.

“I’m almost suspecting that the person she really likes is you, Yingluo. You two used to be inseparable!”

Guo Xiang looked at her suspiciously, as if he wanted to see her personality!

Sheng shuangxue felt as if she had been cursed. I’m straight, okay?! If you had told me that you were pursuing me, I would have definitely agreed, but now you’re doubting me?”

When Guo Xiang heard this, he also felt like he had been killed.

“Didn’t you say you didn’t like it, Yingluo?” he said with a constipated expression.

yeah! Is there any conflict? ‘

Guo Xiang wiped his face. He simply couldn’t reason with her, so he could only stop talking!

He took a deep breath. then help me- I’

“I still have to help you?” Sheng shuangxue jumped back. you made me your cannon fodder when you were chasing her. Now you want my help? ” Aren’t you afraid that si Lu will misunderstand?”

“I hope that you and Si Lu can open your hearts and have a talk. Don’t let her have a psychological burden.” Guo Xiang looked at her resentfully. if I lose her, I won’t let you go!

I ... Sheng shuangxue was so angry that she almost fell over. how could si Lu fall for a donkey like you!

He even dared to threaten her? Why didn’t she think about who she was!

Sheng shuangxue pushed him away and walked quickly to the breakfast shop.

Guo Xiang looked at the buildings in the community and wanted to rush in to find Tong silu.

But how was he going to find it? There are so many rooms inside.

He sighed and decided to wait here.

Suddenly, he felt a pair of eyes looking at him indifferently. He looked over and saw a pair of cold black eyes.

The owner of the black eyes was leaning against the counter of the supermarket. He had a cigarette between his fingers and was slowly smoking.

He looked a little tired..

Chapter 1849: You don't care about me either

But even so, the pair of eyes revealed a powerful threat, and he was like a resting beast.

Guo Xiang could smell that they were evenly matched, so he clenched his fist and walked over.

When uncle Wang, who was behind the counter, saw this, he hurriedly picked up the newspaper to cover his face. He said to Gu Yunhao, "Little rat, you have to take it easy. You can't fight in my shop! Otherwise, I'll make you pay double!"

Gu Yunhao put out his cigarette, walked out of the supermarket tiredly, turned around, and walked into the community.

Guo Xiang stopped in his tracks and looked at him doubtfully. Then, he pounced over like a cheetah, wanting to test how much this man was worth.

Gu Yunhao heard the sound of the wind behind him. He quickly turned around

and kicked.

Guo Xiang was almost unrivaled in the Special Forces. He had never doubted his own abilities and did not put Gu Yunhao in his eyes at all.

The result was:

He was caught off guard and rolled on the ground.

He quickly got up and looked at Gu Yunhao warily.

Gu Yunhao glanced at him indifferently and said in a hoarse voice, "Where did you get it?"

Guo Xiang clenched his fists and didn't answer. He was ready to attack again at any time.

"You're not my match." Gu Yunhao said indifferently, "I don't have time to fight with you now. You can find me at the criminal Police unit.

"Criminal Police unit?" When Guo Xiang heard this, he let down his guard. No wonder he felt that the other party was powerful but did not feel any danger. He was not a bad person.

Gu Yunhao took out his identification and flashed it before turning around to leave.

Guo Xiang's eyes flashed as he excitedly shouted, "Wait! "

"What are you doing?" Gu Yunhao asked lazily.

Guo Xiang stood up straight and saluted him, " "Are you Gu Yunhao from the sharp sword?"

Gu Yunhao clenched his hands into fists and laughed. the first batch of the sharp swords 'soldiers have all died.

Guo Xiangs body stiffened, and he raised his hand again to salute, not putting it down for a long time. "I'm Guo Xiang, a warrior of the third batch of the sharp swords. I greet you, senior brother!"

Gu Yunhao turned around and left. Guo Xiang looked at his back and slowly put down his hand.

After a while, Sheng shuangxue's voice came from behind, " "What are you doing here?"

Guo Xiang turned around.

Sheng shuangxue glared at him, then walked around him and went upstairs.

wait outside. I'll bring si Lu down later. You can talk to him yourself!

She quickly went upstairs. When she reached the second floor, she suddenly saw Gu Yunhao leaning against the wall and was shocked.

Gu Yunhao glanced at her indifferently.

She thought of how she had "escaped" while he was not around and felt a wave of guilt and fear.

Of course, she knew that what she was doing was very wrong!

"What are you doing here?" she asked, pretending to be calm.

Gu Yunhao laughed at himself. aren't you concerned about where I've been these past few days? whether I'm tired or not? whether I've encountered any danger?

Sheng shuangxue's expression changed slightly. She felt guilty and uncomfortable.

However, hearing his rough voice, he must have not rested for a long time. She couldn't help but feel her heart ache.

"You locked me up, so I didn't even know what you were doing!" She said angrily. I, I, I, Yingluo, I just came out last night!" "Come out to catch up with your old lover?"

"What do you mean?"

He looked at the ceiling and said, "I saw it just now. Is that the man you used to like?" Your foresight ... Is really bad."

you ... Sheng shuangxue glared at him. my taste has never changed. Are you saying that you're bad? '

so, " he looked at her coldly, " Qianqian, the young lady of the Sheng family, is suffering here because of that man? '

Chapter 1850: You're making me look like a mistress

"How much did you hear?" Sheng shuangxue asked, " where are you hiding? Since you've heard it, don't just remember half of it! I don't believe that you can't piece together the complete truth with your intelligence!"

"Look, the chosen one has appeared. I'm standing behind you, but you won't notice me."

Sheng shuangxue looked irritated, Gu Yunhao! It's not like you to be so sarcastic! "

"Then let's talk about your escape." Gu Yunhao became righteous in a second!

Whoosh! Whoosh! Whoosh! He was too careless!

Gu Yunhao glanced at his watch. I'll give you ten minutes. After ten minutes, be a good boy and return to the detention center!

Sheng shuangxue hit him with the xiaolongbao in her hand and quickly walked to her room.

He followed.

Sheng shuangxue looked back at him, ran to the door in a panic, opened it, and quickly went in and closed the door.

Tong silu was helping her clean up. Seeing that she was in a hurry, she asked worriedly, "Are you alright? Why are you so flustered?"

"Your boyfriend is downstairs."

"My boyfriend is outside." She continued.

Tong silu's eyes widened and she said excitedly, "Really? Quickly bring me to see!"

"What are you looking at!" Sheng shuangxue stopped her. I already said that we're breaking up!

"I'll help you with your reference and see if you want to split it."

“First, use yourself as a reference!” Sheng shuangxue said, “ Guo Xiang said that you want to break up with him? ’

Tong silu’s expression changed. is he crazy? ” This kind of thing goes around spreading everywhere! ”

“Then, do you want to break up with him or not?”

Tong silu fell silent. She pursed her lips and looked at her. “Double snow crickets.’

‘stop! “Sheng shuangxue shouted, ” don’t tell me it’s because of me!

She lowered her head and said in a low voice,“I don’t want Guo Xiang to go to a friend like you.”

“When did you lose me?” Sheng shuangxue couldn’t stand it anymore.

“You’ve been ignoring me before! ”

“Yingluo, everyone is growing up! When you and I get married, we won’t be inseparable like we were in school!” “But we’re not married yet!”

“Yeah, that’s why it came so suddenly.”

“So, Yingluo is actually still because ...”

“No, it’s not!” Sheng shuangxue interrupted her. I admit that I was a little impulsive to come here, but I don’t blame you, Qianqian. I was just a little angry, probably because it was too embarrassing. I always thought that he was chasing me, but in the end, the person he was really chasing was you! So, how annoying was this kind of man? You should chase whoever you’re chasing seriously, but you have to be so roundabout.”

“But if you say you like him, you two might be together, Yingluo.”

"I don't like him!" Sheng shuangxue rejected the idea immediately. I just think that he's a good person. I'm making a rational judgment. At that time, I didn't like anyone, and I thought I would never like Ren Qianqian in my life," Tong silu pursed her lips and didn't say anything.

Sheng shuangxue sighed and held her hand. "Alright. Are you going to lose him because of me? Anyone with a discerning eye could tell that he loved you very much. If you're dating, then date properly and focus on it. Don't think about me and make me look like a mistress who seduced you!"

Tong silu burst into laughter.

"Guo Xiangs a little straightforward," Sheng shuangxue sighed. Did you know that he just threatened me that if I lost you, he wouldn't let me go! Why won't he let me go? Do you want to take my life and disfigure me? I'm telling you, if such a person is provoked, he will definitely become a perverted murderer.. You have to keep him in check!"
