

Ditsy Wife 1851

Chapter 1851: Shot

Tong silu frowned and argued in a low voice, "he's not that kind of person,

Zhenzhen.'

"Look, you're still protecting him. It's not like you don't like him anymore, so why are you making a scene? I hate couples like you the most, breaking up for no reason!"

"You're the one asking for a breakup!"

"I really wanted to break up with you!" Sheng shuangxue choked and said in a low voice.

"What about now?"

She pursed her lips and said in a serious tone, "I think I might have misunderstood something, Wanwan. If there's no misunderstanding, we'll still break up!"

Gu Yunhao, who was outside the door, really wanted to drag her to the bed and have sex with her!

After breakfast, Sheng shuangxue urged Tong silu to go see Guo Xiang.

She had already forgotten about Gu Yunhao. When she opened the door, she was dumbfounded to see Gu Yunhao standing outside like a door God. Gu Yunhao looked at his watch and said, "we're 22 minutes late." &Nbsp;

"Are you really going to lock me up?" Sheng shuangxue called out.

Gu Yunhao grabbed her wrist and touched her head with his other hand. He said gently, "Good girl."

Tong silu: "Yingluo! this man is ten thousand times better than her Guo Xiang!

She looked at Sheng shuangxue and suddenly felt relieved.

Suddenly, he staggered.

Gu Yunhao looked over.

She felt an inexplicable chill and took a step back.

"Who is this?" He asked.

"None of your business!" Sheng shuangxue stared at him.

I'm afraid that your relationship will be too good and you'll turn gay!

Tong silu asked, "who's Wanwan?" He was the same as Guo Xiang. She must be blind to think that he was good! It was really not worth it for Shuang Xue to follow him!

Sheng shuangxue stepped on his foot, and he dragged her forward.

Tong silu hurriedly followed him.

The three of them went downstairs and saw Guo Xiang.

When Guo Xiang saw Gu Yunhao, he subconsciously straightened his body.

Gu Yunhao glared at him, afraid that he would salute him again.

He was stunned for a moment before he came back to his senses. He hurriedly ran to Tong silu's side and asked pitifully, "Have you eaten? Did you have a good night's sleep?"

Gu Yunhao pulled Sheng shuangxue and walked forward. Sheng shuangxue struggled and said, "Let me go, I can walk!"

He hugged her to his chest. can't you be a little more obedient? '

"I'll be obedient! Be obedient! Are you obedient now?" Sheng shuangxue said helplessly, "I still want to know the progress of the case. I'll definitely go to the police station. Can you let me go? "I can't leave like this!"

Gu Yunhao suddenly stopped in his tracks.

He suddenly turned around and looked ahead, his eyes quickly sweeping past the rooms of the nearby buildings.

Sheng shuangxue stretched her neck out from behind him. "What are you looking at ..."

"Let's go!" Gu Yunhao shouted and pushed her towards the neighborhood.

With a bang, a bullet flew past his ear.

Sheng shuangxue shrieked and ran quickly into the neighborhood. The bullets were chasing after her.

"Oh my God!" Uncle Wang, who was in the supermarket, was so scared that he crawled under the table. little rat ...

“Get down!” Gu Yunhao shouted at him and pushed Sheng shuangxue into the gate of the community.

Tong silu and Guo Xiang heard the gunshot and ran out, just in time to catch her.

Gu Yunhao ... Sheng shuangxue turned around.

“Come in first!” Guo Xiang roared and pulled her and Tong silu to hide at the foot of the wall.

The gunshots did not stop. Gu Yunhao rolled through the door and dragged a trail of blood on the ground.

Yun Hao! Sheng shuangxue roared.

Gu Yunhao looked at her and covered the gunshot wound on his arm. “I’m

fine, Yingluo.”

He was lying on the open ground by the door, looking rather dangerous.

Sheng shuangxue was extremely worried.. Guo Xiang said, ” “Don’t be afraid, he’s in a dead end! The bullets can’t find him!”

Chapter 1852: I’ll let him die with a household register

As expected, the gunshots stopped and the alarm sounded. The police had obviously heard the commotion.

Gu Yunhao couldn't help but smile. it's so nice to be in front of the police station.

"Can I come out now?" Sheng shuangxue asked anxiously.

wait a moment, Yingluo. Gu Yunhao got up from the ground and pressed on the gunshot wound on his shoulder.

A black car drove past on the road, and a bullet whizzed through the window.

The gun was equipped with a silencer, so there was no sound. However, he heard the change in the wind and tried his best to Dodge. The bullet flew past the back of his head, and he fell heavily to the ground, staggering.

Yun Hao! Sheng shuangxue pushed away Tong silu and Guo Xiangs grip and rushed over.

The shooter in the car raised his gun again, and the person next to him said anxiously, " "You can't!"

He had already pulled the trigger, and there was no time to regret it. He could only shake his hand as hard as he could.

The bullet hit Sheng shuangxue's arm, and she fell to the ground.

"We're finished!" The person in the car said, " that's the Daughter of the Night

God!

"But Liu Qian kept hitting her just now!

"Then let her die! Let's go!"

The car drove away at its fastest speed. Two police cars chased after it, while the remaining police cars slammed on the brakes. The people in the cars all got out of their cars and ran towards Gu Yunhao and Sheng shuangxue.

The scene was in chaos. Old Yang shouted, " the entire city is under martial law! No cars or people are allowed to leave the city!

Guo Xiang took out his military officer id. I'm a member of the Special Forces, sharp sword. I can roughly determine the location of the previous killer. Send two people to follow me!

Old Yang took a look at the ID. He wasn't sure if it was real or not, but he had no choice. At least, this person had gone to pick Sheng shuangxue up with

Tong silu yesterday. The possibility of something going wrong was very low.

He immediately pointed at two people to Guo Xiang. Guo Xiang turned around and looked at Tong silu.

Holding the injured Sheng shuangxue in her arms, Tong silu looked at him with teary eyes."Be careful!"

"I know," Guo Xiang sighed. Although he was a little jealous of Sheng shuangxue, he knew that her injury was serious.

Gu Yunhao had already passed out. When the ambulance arrived, Sheng shuangxue had also passed out.

A group of people rushed them to the hospital, and after emergency treatment, they were sent to Nanjiang.

After all, Nanshan was a small place, and the medical conditions were definitely not as good as those in Nanjiang.

Fortunately, Nanjiangs medical industry had been developing well, and he did not have to take the risk to send her to Beijing.

Sheng shuangxue woke up a few hours later. Her arm had been operated on, and the anesthetic had worn off. She was in great pain.

She opened her eyes in cold sweat and coughed twice, which affected the wound on her arm and made her cry in pain.

“He’s awake!” A voice came from the side.

Sheng shuangxue looked over and burst into tears when she saw Gong mo.

“Mom, I’m in so much pain, Yingluo.”

“Do you know the pain now?” Sheng nanxuan’s voice came.

Sheng shuangxue looked at him. His face was full of heartache and he shouted at her in exasperation, “Do you still dare to mess around? Do you still dare to disobey me!” wuwuwuwu! Sheng shuangxue cried. dad, someone is bullying me.

Sheng nanxuan was stunned. He reached out and hugged her. He swore, ‘

“Don’t worry, I’ll kill anyone who dares to bully my baby!’

Sheng shuangxue choked and said hurriedly, “Don’t ... Don’t be so brutal!” Sheng nanxuan pushed her away in anger. you actually think I’m cruel? ‘

“I mean Yingluo doesn’t need to hurt the innocent.” She suddenly thought of

Gu Yunhao and asked anxiously, “where’s Yunhao? How is he?”

Chapter 1853: First time meeting the parents

She had seen him get shot in the head. Could she have already retreated?

She was so frightened that she broke down and cried, "Mom ..."

"Alright, alright, he's fine." Gong mo consoled.

Sheng nanxuan gritted his teeth and said, 'why are you so concerned about him? Are you dating him? You didn't even tell me!'

"Alright! Don't worry about this first!" Gong mo stopped him. "I want to see him!" Sheng shuangxue said anxiously.

"No! You're injured!"

"My hand is injured, but I can walk!"

"But Yingluo hasn't woken up yet!"

"Is He Dead?" Sheng shuangxue was stunned. You're lying to me, right? he's already dead, Yingluo, No... I don't want to be like this ..."

Sheng nanxuan was helpless. Alright, alright. Go, go, go!

Sheng shuangxue immediately stopped crying and got off the bed.

The two of them helped her out of the ward and saw a group of people standing at the end of the corridor.

Sheng shuangxue recognized Sheng Yiting at a glance. She mumbled, " "Big brother? He's here too?"

"Yes, slow down." Gong mo said.

When she walked over, she realized that Sheng Yiting was not the only one there. Tong Siyao and Yu Qingliu were there too.

The remaining people were Tong silu, Guo Xiang, old Yang, and some others. Sheng shuangxue didn't know who they were, but she didn't care. She only cared about Gu Yunhao.

The room next door was Gu Yunhao's ward. Through the glass wall, she saw him lying on the bed with all kinds of tubes inserted into his body and connected to all kinds of instruments.

"How is he?" She asked anxiously, her tears falling uncontrollably.

"Don't worry, he's fine. He's just not awake yet."

Sheng shuangxue was not willing to do that!

If he didn't wake up, how could he be fine? She had seen the bullet fly towards his head, how could he be fine?

She looked at the person who spoke and wanted to give him a scolding!

It was a graceful middle-aged woman who was wiping her tears.

Sheng shuangxue's alarm went off!

Next to the middle-aged woman was a middle-aged man in military uniform who looked a little like Gu Yunhao.

Sheng shuangxue was shocked. She looked at the woman again and found that she looked somewhat similar to Gu Yunhao.

She subconsciously straightened her back and hid behind Gong mo.

They couldn't possibly be the parents of Qin Zhuan's Gu Yunhao, right?

How could this be the first time meeting his parents?

"These are Yun Hao's parents." Gong mo said.

"Hello, uncle and Auntie," Sheng shuangxue greeted them hurriedly.

Gu Lei's mouth twitched, but Gu Yunhao's life and death was uncertain, so he really could not laugh.

"Why aren't you resting?" he asked.

"I want to see Yun Hao." After Sheng shuangxue finished speaking in a low voice, she suddenly raised her head and looked at Yu Qingliu. granduncle, do you know how Yun Hao is? '

"Don't worry, it's not a big deal." Yu Qingliu said.

"You're lying!!

“Why Would I Lie to You? He was lucky. The bullet grazed his hair and did not enter his head, so it was not life-threatening. However, the bullet’s explosive force was too strong, so his head was more or less shaken. We need to observe further to find out how it is.’

Hearing this, Sheng shuangxue turned her head and leaned against the glass, looking at Gu Yunhao.

“You’re still injured, go back and rest,” Gong mo said.

“Can I stay in the same Ward as him?”

“What are you saying?” Gong mo reproached.

Sheng shuangxue pouted and walked back to her Ward with her head lowered. After a few steps, she turned back and said,“if he wakes up, remember to let me know.” &Nbsp;

“Don’t worry, I’ll definitely inform you.”

Sheng nanxuan glared at Gu Lei, who had an innocent look on his face.. He

was not the one who asked Gu Yunhao to go after Sheng shuangxue!

Chapter 1854: awakening

At night, Gu Yunhao woke up.

He opened his eyes and looked at the ceiling. His eyes moved and he slowly sat up.

Mother Gu was waiting outside the door. She pushed the door open excitedly and said, "Yunhao, you're finally awake! Do you feel uncomfortable anywhere? Don't sit, lie down, I'll call the doctor over."

Gu Yunhao sat there without moving. A moment later, a large group of doctors arrived. When the doctor was examining him, Gu Lei, old Yang, and the others had arrived.

After the doctor finished his examination, he said, "the external injuries are not serious. You just need to rest for a while." As for the brain . . . "

"I want to be discharged!" Gu Yunhao suddenly said.

"What?" The doctor was dumbfounded.

"You're crazy!" Gu Lei was furious.

Gu Yunhao reached out to pull out the tubes from his body and struggled to get out of bed.

"What are you doing?" you're injured! mother Gu yelled and pounced over to hug him. can't you be more obedient? "

"I'm fine!" Gu Yunhao supported her. I still have important things to do. After I'm done, I'll definitely rest well.

Gu Yunhao ignored her. He raised his head to look at the others and asked old Yang, "Where's Liu Qian?"

Old Yang said, " they escaped from Nanjiang. The president has already given the order to pursue them. You don't have to worry about this. Just rest well.

"I must care!" Gu Yunhao said.

“You’re injured now!” Gu Lei roared.

Gu Yunhao said agitatedly, “this is a score between me and her. I want to settle it myself! If I don’t catch her with my own hands, I’ll be letting down my dead brothers!”

Gu Lei and old Yang immediately fell silent. Gu Yunhao pushed the crowd aside and walked out.

“Gu Yunhao!” Mother Gu shouted.

“I have to go,” he said in a low voice. Then, he walked out without looking back.

“Go and get Sheng shuangxue!” Gu Lei said to old Yang.

Old Yang came to himself and hurried to Sheng shuangxue’s ward.

Sheng shuangxue was drinking fish soup. Gong mo, Sheng nanxuan, and Tong silu were accompanying her in the ward.

The sound insulation of this Ward was pretty good, so they didn’t hear Gu Yunhao’s shouts.

Of course, Sheng nanxuan was an exception.

However, Sheng nanxuan did not want his precious daughter to care about another man, so he pretended not to hear her.

A moment later, someone knocked on the door.

Sheng nanxuan got up and opened the door. When he saw old Yang, he immediately scolded, “What are you doing?”

uh, hehe. old Yang was completely suppressed in terms of aura. He suddenly forgot what he was here for.

“Is it you, chief yang?” Sheng shuangxue asked anxiously.

yes, yes, yes, Zhenzhen, ” old Yang hurriedly replied.

Sheng nanxuan knew that he couldn’t stop her, so he turned around and sat down.

“Is Yun Hao awake?” Sheng shuangxue asked old Yang.

Old Yang nodded vigorously, “yeah!” But if he wants to catch Liu Qian, we can’t stop him. Can you go and persuade him?” “Liu Qian?” Sheng shuangxue was stunned.

“It’s, it’s that murderer.” isn’t that his ex- girlfriend?” Sheng shuangxue blurted out.

Hearing this, Sheng nanxuan crossed his arms and said coldly, “Your relationship is so complicated! Since he’s doing it for his ex- girlfriend, you don’t have to care about it. Let him die!”

“That’s not what happened!” Sheng shuangxue glared at him and said, ” I want to go.

Sheng nanxuan choked. look at her, ” he said to Gong mo. she disobeys me!

“You’re done!” I’ll be jealous later! Gong mo said with a headache.

Sheng nanxuan felt extremely aggrieved.

Sheng shuangxue got out of bed and hurried out.

Gong mo and Tong silu followed him. Sheng nanxuan also followed behind angrily..

Chapter 1855: He lost his memory

Gu Yunhao left the hospital and hailed a taxi to leave. No one could stop him.

“How are you going?” Gu Lei was furious. You didn’t receive any orders! Do you know where they escaped to? Do you have any equipment?”

“I have one life, is that enough?” Gu Yunhao asked.

Mother Gu burst into tears. he’s crazy! This is crazy! it’s been five years, ” Gu Yunhao said painfully with his back facing everyone.

I’ve already lived in an ignoble manner for five years! My brothers are all dead, I should have died long ago!’

Yun Hao! Sheng shuangxue arrived.

Gu Yunhao’s back stiffened. He turned around and looked at her indifferently. Mother Gu came back to her senses and grabbed Sheng shuangxue. “Quickly persuade him! Persuade him! He was going to die! He’s covered in injuries now, how can he act recklessly?”

“Alright!” Sheng shuangxue agreed and ran to Gu Yunhao. what do you want?

I’ll go with you!’

Everyone was stunned!

Sheng nanxuan almost exploded in anger!

Wasn't it f*cking enough for one to die? why did he have to sacrifice another?

Gu Yunhao stared at Sheng shuangxue and asked in confusion, "Who are you?"

Sheng shuangxue was stunned and looked at him in disbelief.

The others were also stunned. They didn't have time to care about anything else. There was only one thought in their minds: He didn't know Sheng shuangxue anymore! He had lost his memory!

"I'll be back." He looked up and said to Gu Lei and his mother. He turned around and got into the taxi. He said to the driver, "Nanshan police station."

Sheng shuangxue's body swayed as she watched the car drive away.

shuangxue! Tong silu rushed over to support her. shuangxue!

Sheng shuangxue turned around and asked, "where's granduncle?" Where's the

doctor? What was wrong with him? How come he doesn't know me!"

"He's injured his head," Old Yang said, " maybe her memory nerve was damaged and she lost her memory.

"Does he remember you?" She asked and looked at Gu Lei and mother Gu. do you remember the two of you? '

Yu Qingliu had only been here for a while, so he didn't know much about the details. He adjusted his glasses and said, "It might be selective amnesia."

"Then why did he choose to forget me!" Sheng shuangxue couldn't help but cry. does he hate me that much? '

"I won't." Tong silu said, " maybe ran ran saw that you were injured and didn't want to accept the truth. Well, he's already gone, what should we do now? Do you really want him to die?"

"Where's the car?" Gu Lei shouted and turned to his mother. don't worry, I'll go and take a look. I'll definitely bring him back!

"Don't tell me you're going to take the risk too!" Mother Gu shouted.

"Don't worry, I won't."

Sheng nanxuan took a deep breath. He felt that everyone had gone crazy!

"Why are you still standing there?" he yelled at Sheng shuangxue. Why aren't you going back to rest!" wuwuwuwu. Sheng shuangxue burst into tears.

"Alright, alright, don't cry." Sheng nanxuan's heart ached at the sight of her crying. He took out his phone and said, I'll call your brother now and ask him to make arrangements. I'll definitely keep your boyfriend alive, okay?

Sheng shuangxue choked and stopped crying. She looked at him and said,"Thank you, dad!"

"Yingluo, I owe you in my past life!"

When they arrived at the Nanshan police station, Gu Yunhao said, "Move forward a little more.'

The driver drove a little further and stopped in front of uncle Wangs supermarket.

The supermarket was not open. Uncle Wang had been frightened by the gunfight early in the morning and had gone to rest.

Gu Yunhao didn't have any money on him, so he called commander Bai to send it over.

Handsome Bai was on duty and came over quickly. He gave him money and helped him out of the car. He said worriedly, "Director yang called me. He said you're going after Liu Xi.. You're covered in injuries!"

Chapter 1856: He doesn't even remember me

Gu Yunhao's hands and head were wrapped in bandages. He did not look very good.

But he didn't think it was a big deal. Qianqian had suffered many injuries during training, exercises, and arrests. She didn't even have time to treat her injuries, but she still survived.

Especially last time, when he escaped with half his life, it was much more serious than this.

This time, at least he had been treated in the hospital, so there was no need to be afraid.

He reached out and patted handsome White's shoulder, saying, "Work hard in the future, treat Mianmian well, and get married early if you feel right. I, Yingluo, might not be your Captain in the future, and I might not return to

Nanshan Hill anymore, Yingluo."

He looked around and sighed. "This place is quite good, Yingluo, very good."

"Captain- "

"Hurry up and go on your shift." Gu Yunhao pushed him away and walked into the dormitory.

He didn't have the key with him, but he had hidden a spare key under the door mat in front of Sheng shuangxue's door.

Even if a thief saw the key, he would only think that it belonged to Sheng shuangxue's room. He would never think that it was his.

He smiled and picked up the key to open the door.

After entering the house, he began to change his clothes and shoes. He took out all the guns and ammunition hidden in the closet. He carried the pistols with him and the submachine gun in a Black Travel bag.

He took a glance at Sheng shuangxue's door when he was about to leave. He paused for a moment, then turned back to his room and tore a piece of paper. He wrote a few words on it with a pen, then took a small magnet from the refrigerator and stuck the paper on her door.

He took a step back and looked at the words on the note. His eyes grew hot, and he leaned his forehead against the door, saying hoarsely, "I'm sorry,

Yingluo."

Then, he gently planted a kiss on the paper.

In the middle of the night, Sheng nanxuan and Gong mo returned to the hotel, while Tong silu stayed in the ward to accompany Sheng shuangxue.

Sheng shuangxue tossed and turned, unable to fall asleep. Tong silu got up and turned on the light. She walked to Sheng shuangxue's bed and advised her, "Hurry up and sleep."

"Where's Guo Xiang?" Sheng shuangxue looked at her. "He's out on a mission," she said as she lowered her eyes.

"What mission? Is it related to this matter?"

"I'm not too sure either. Ran ran left in a hurry."

"He'll definitely be fine," Sheng shuangxue sighed. He's always thinking about you, so he'll keep himself alive no matter how dangerous it is. But Yun Hao is different. He doesn't even remember me, Yingluo."

"That's not necessarily the case," Tong silu said in a low voice after some thought.

"What?" Sheng shuangxue didn't hear him clearly.

Tong silu reached out and touched her face. She smiled and said, "don't worry. Go to sleep first."

Sheng shuangxue nodded and closed her eyes.

In her dream, she dreamed that her injuries had recovered and she could work again.

A corpse was pushed in front of her for her to dissect.

She put on her clothes, a mask, and gloves, removed the White cloth, and saw Gu Yunhao's lifeless face.

His head was still wrapped in white gauze.

Sheng shuangxue woke up in shock. When she opened her eyes and saw the room full of sunlight, she burst into tears.

“What’s wrong?” Gong mo said anxiously.

Sheng shuangxue got up and saw that she and Sheng nanxuan were here, but Tong silu was not.

She leaned against them and cried. I dreamed of Yun Hao. Yingluo dreamed that he died!

Sheng nanxuan was furious. he doesn’t even remember you. Why are you still dreaming about him?

“Mom!” Sheng shuangxue shouted. She grabbed Gong mo and said, “ I want to change my father!

She was already so upset, and not only did he not comfort her, but he also teased her.

I ... Sheng nanxuan smacked her on the head in anger. I raised you for nothing!

“You two, stop fooling around!” Gong mo said in frustration, “ shuangxue, eat first. Don’t let your thoughts run wild. You’ve always had messy dreams since you were young. Who knows? ‘

“But I’m so scared of Yingluo..”

Chapter 1857: I’ll never forget you

Sheng nanxuan sighed. don’t worry. Many people are with him. He will be fine, fine.

Sheng shuangxue suddenly looked at him and asked, “what’s going on?” Why

is the person he’s after his ex-girlfriend?”

“How would I know?”

“You definitely know!”

Yingluo was really his good daughter. She knew her father so well!

“You know the sharp swords special operation Commando unit, right?” Sheng nanxuan said helplessly.

“I know!” Sheng shuangxue was surprised. Guo Xiang had been selected to join that team, which was part of the Special Forces.

“Gu Yunhao was one of the first Warriors of the ‘sharp sword’. Before he entered the sharp sword, he had a girlfriend, Liu Xi. Liu was a chemistry student who worked in a pharmaceutical company. Five years ago, Gu Yunhao, as the captain of sharp swords, led a team to attack an overseas drug-making base, but was ambushed instead.’

“Because of Liu Qian?”

Sheng nanxuan nodded and said, “Liu Xi is the poisoner of that drug manufacturing company.” Gu Yunhao had only said that he was going somewhere on a mission, but she was already on guard and the entire drug manufacturing Group was on guard. Gu Yunhao brought all 24 of the first batch of Warriors from sharp sword into the forest, and he was the only one who came out alive.’

Sheng shuangxue gasped. She could not imagine how much pain Gu Yunhao would be in when he encountered such a thing.

No wonder he said he hated Liu.

No wonder he said that he didn't want to mention that matter. It was very uncomfortable.

How could he not feel uncomfortable?

Comrades who had fought together were brothers and close friends, but he had watched them die.

In fact, she had even died because of him.

One could only imagine how much he had suffered all these years.

Sheng nanxuan continued. after the death of his comrade, the higher-ups wanted to use him as the foundation to rebuild 'sharp sword'. However, he did not accept it and became dispirited for a long time. Four years ago, he came to Nanshan Hill and secretly investigated Liu Qian's clue.

Nanshan police station.

Old Yang walked into the office of the criminal Police unit and a group of people immediately surrounded him."How are Yun Hao and shuangxue?"

"I don't know what to say," old Yang sighed. Shuangxue should be fine now, but Yun Hao urged him to go and catch Liu Qian. He's still injured, he's really messing around! "

"Shuangxue didn't even stop him?" Xiao Mianmian asked. If it was

Commander White who was messing around, she would definitely try her best to stop him.

Old Yang sighed again. he has selective amnesia. He doesn't remember shuangxue at all. How can we stop him? '

Xiao Mianmian was stunned,'did he forget about shuangxue? How can you do this!"

Forget anyone, but not shuangxue!

Xiao Mianmian was furious. She felt that Gu Yunhao had betrayed Sheng shuangxue.

After work, she went back to the dormitory and saw a note on Sheng shuangxue's door.

She took a closer look at the words on it and her eyes widened.

Didn't the captain forget about shuangxue? how could he be sad?

She immediately took out her phone, took a picture of the note, and sent it to

Sheng shuangxue.

Sheng shuangxue was Wangling with Sheng nanxuan in the ward.

"Can I go look for Yun Hao?" she asked.

Sheng nanxuan naturally disagreed. he's facing drug dealers. Those people are crazy. Gu Yunhao can protect himself, but what about you?"

"But I'm worried about him." Sheng shuangxue said, feeling wronged.

Sheng nanxuan sneered, "the more you worry about him, the more I hate him!" When he comes back, I will never let you marry him!"

Sheng shuangxue pouted and said gloomily, " don't worry. He doesn't know your daughter anymore. He won't come here!

As he said that, his cell phone rang.

Sheng shuangxue picked it up and saw that it was a text message from Xiao

Mianmian-[I saw this [picture] on your door.]

She was full of doubts. She opened the message and saw the picture-

There was a note on the door of her dormitory: I love you, and I will never forget you-Gu Yunhao

There was also yesterday's date at the bottom..

Chapter 1858: pursuit

Sheng shuangxue's body trembled, and her phone slipped from her hand. She burst into tears."He lied to me ...

Gong mo picked up the phone and handed it to Sheng nanxuan.

Sheng nanxuan glanced at it and put it down in silence.

"I'm going to find her!" Sheng shuangxue said anxiously.

"Are you crazy?" Sheng nanxuan said, " he pretended to not remember you yesterday because he didn't want you to follow him!

I don't want to! Sheng shuangxue cried. I want to see him!

She was afraid that if she didn't find him, she would never see him alive again!

In the endless desert, there were sand dunes, and several off-road vehicles were desperately chasing each other.

The yellow sand danced in the air, blurring his vision.

Gu Yunhao was sitting in the passenger's seat with a sniper rifle in his hand. He had a headset on his head, and the static sound of electricity came from the headset, as well as Gu Lei's voice. "You guys retreat! They have no place to hide in the desert. We'll chase them with the helicopter!"

Guo Xiang, who was driving, glanced at Gu Yunhao. He was also wearing earphones and heard Gu Lei's words.

He felt that Gu Lei's words made sense and asked Gu Yunhao, "Why don't we..."

Gu Yunhao took off his headset and said, "continue to chase!" &Nbsp;

"But it's very dangerous up ahead." The person in the back seat said, "they'll easily run into quicksand if they drive like this. And looking at the weather, I'm afraid there will be a tornado. We have to get out before dark."

"Continue!" Gu Yunhao ordered with a dark expression.

The others looked at each other and sighed. They could only continue driving.

Gu Yunhao looked at the vast yellow sand and thought of what happened five years ago.

Five years ago, he had brought his brothers and comrades to their graves. Was he going to do it again?

He closed his eyes and said, "let's stop the car." &Nbsp;

Guo Xiang looked at him in confusion and slowly stopped the car.

The other cars also stopped.

you guys change cars, " Gu Yunhao said. give me this one and leave the gun behind.

"No!" Everyone reacted to what he wanted to do and rejected him without thinking.

Gu Yunhao said, 'you're right. It's dangerous to continue chasing, but I have to! But I can't take you to risk it. '

"Why are you saying such things?" Guo Xiang said, " we'll listen to your orders today. We'll do whatever you say! Just because you say so!

"I told you to go back!" Gu Yunhao looked at him.

Guo Xiang was taken aback and straightened his neck, "that won't do!" We can't leave our comrades behind!"

"Right! We can't leave our comrades behind!" The remaining two said. Gu Yunhao took a deep breath and rubbed his forehead in pain.

"Commander Gu is asking you a question," Guo Xiang said.

Gu Yunhao was stunned. He put on his ear-mic again and heard Gu Lei roaring, " "Do you listen to orders or not!"

“The general is out there, so he can’t follow military orders.” Gu Yunhao said

calmly. After a pause, he said in a low voice, “ I’m sorry, Yingluo.

“Come back here!” they can’t escape! Gu Lei shouted at the top of his lungs.

“If I didn’t keep an eye on them, they might have escaped! Even if they were buried in the sand and not caught by me, I would not be satisfied! Dad is blaming me for being unfilial.!”

“Yunhao.” Another voice was heard.

Gu Yunhao smiled and said, “big brother, it’s good that you’re here.” If I don’t come back, you and second brother must be filial to our parents.”

After saying that, he took off his ear-mic and threw it on the yellow sand.

A gust of wind blew, and half of the headset was buried in the sand.

“I’ll drive.” He said to Guo Xiang, “ you guys go to another car and follow me.

“No...” Guo Xiang refused.

“Follow me and listen to my arrangements!” Gu Yunhao said, “ I need you guys..

Chapter 1859: The pursuit (2)

When Guo Xiang and the others heard this, they guessed that he had some special plan. Moreover, he was the team leader, so they could only listen to him.

The three of them got out of the car. Gu Yunhao stepped on the accelerator and drove the car away at maximum horsepower.

Liu Qian and the others had long disappeared, but he wasn't worried.

They had been chasing in the desert for a whole day, and there was no gas station nearby. The drug dealers' cars should be out of gas!

Gu Yunhao's car was also running out of gas, but they had support from the rear, so they were not afraid.

After another two hours of chasing, he saw the car that Liu Qian and the others had left on the road.

As he drove by, countless bullets were fired at him.

He lowered his head to hide. He knew that they would not leave the car and escape on foot. They would most likely wait for the pursuers behind them. If the police caught up to them, they would naturally tight to the death. Not to mention hijacking the car to escape, even if they killed this group of police officers, they would still profit!

Gu Yunhao quickly turned the steering wheel. The car drove in circles in the desert, stirring up the yellow sand in the air.

At the same time, he rolled down the window and raised his gun with one hand to shoot.

After the car stopped, he jumped out of the car with a bag of ammunition and rolled on the sand.

Countless bullets hit the body of the car, making a Ping Ping sound.

He opened the bag, took out a grenade, bit it open, and threw it over.

With a bang, the yellow sand flew into the sky and fell like rain.

Gu Yunhao lowered his head and buried his face. He took out a grenade and threw it out. Then, he lay on the ground and looked at the situation on the other side through the bottom of the car.

The sand and dust slowly settled. No one came out from the other side, but they were still firing.

However, the density of the bullet was much lower than before. After a while, it completely stopped.

Gu Yunhao pulled the trigger, not in a hurry to go out.

The stalemate lasted for nearly 20 minutes, and there was no movement from the other side.

However, he knew that the people there were also waiting for him to leave.

The sound of a car's engine was heard. Gu Yunhao looked over and saw that his comrades had arrived in their cars and had lined up.

He furrowed his brows, afraid that they would come over.

They didn't know how much ammunition they had. What if they fell into an ambush?

However ,

It couldn't be more. Before entering the desert, the two sides had already fought once, and the other side should have already run out of ammunition and supplies.

Fortunately, his companions stopped about five hundred meters away from them.

Gu Yunhao narrowed his eyes and saw a man getting out of the car and doing some chest expansion exercises. From the looks of it, it was Guo Xiang.

Gu Yunhao's mind turned. He could roughly guess what they were going to do. He slowly put away his gun and prepared to retreat.

When Gu Yunhao saw this, he threw down his ammunition bag and rolled to the side with his sniper rifle.

In this way, they were completely exposed to Gu Yunhao's sight.

Gu Yunhao raised his gun and killed them one by one.

Some of them stopped and fired at him, while others ran away without a care.

With a bang, Guo Xiang opened fire, and half of the group was instantly blown away. The remaining half didn't dare to stay and rolled down the sand dune.

When Gu Yunhao saw this, he put the sniper rifle on his back and chased after her at the speed of a 100-meter sprint.

Liu ran in front and kept rolling down the sand dune.

Gu Yunhao stood at the top of the sand dune, grabbed the gun, and aimed it at her. Just as he was about to open fire, her companion turned around and fired at him.

He dodged to the side, changed his target, and fired at the few people.

He didn't kill them directly, but hit their hands, forcing them to throw their guns. He would hit their feet so that they couldn't escape..

Chapter 1860: At critical moments, dad is still reliable

When Guo Xiang and the others caught up, he ordered, "I'll go after Liu Qian! I'll leave the rest to you!"

After Gu Yunhao finished speaking, he ran down the sand dune with his gun on his back.

Liu ran out of energy and was caught up by him in a short while.

She knew that there was no way to escape, so she grabbed a handful of sand and threw it at his face.

Gu Yunhao dodged, pounced on her, and rolled down the sand dune with her in his arms.

Liu grabbed the gun on his back and pulled the trigger.

With a bang, the bullet flew backward.

Gu Yunhao turned around and saw his men chasing after them. He was so angry that he punched Liu Qian's face.

Qian Liu groaned and fell into the sand.

Gu Yunhao took out his gun and pointed the muzzle at her neck. She turned

her head and waved it with all her might. The gun fell from Gu Yunhao's hand and landed in the sand not far away.

Gu Yunhao sneered. It was good that he did not have a gun! It would be too easy on her to end her life with one shot!

He stretched out his hand and pressed Liu Qian to the ground. Liu Qian refused to admit defeat and grabbed his head, pulling it.

The two of them were fighting in the sand and it was difficult for them to separate. Guo Xiang and the others came over and saw it, but it was not good for them to interfere. They could only watch from the side and wait for Gu Yunhao to vent enough.

Gu Yunhao wrapped his arms around Liu Qian's neck. Liu Qian struggled for a while, then raised her right leg, reached out, and pulled out a dagger from it. She turned her hand around and cut him.

He pushed her away, and Liu staggered. She turned around and sneered. "You taught me this. If it wasn't for you, I wouldn't have thought of practicing my martial arts.'

Gu Yunhao looked at her with resentment.

The sound of a helicopter approached, but neither of them cared.

Liu knew that he wouldn't kill her just like that.

He would catch her and interrogate her to get more information.

He even wanted to cut himself into a thousand pieces to avenge his brother.

But how could she let him have his way? She wanted him to feel disgusted for the rest of his life!

She gripped the dagger tightly and was about to slit her own neck when she suddenly heard a female voice. "Yun Hao

She and he were both stunned. They looked up and saw a helicopter hovering above the sand dune. The people around them reached out to block the sand.

A woman jumped down from the rope ladder and walked toward them with uneven steps.

Gu Yunhao ... she stopped and shouted. She continued walking and accidentally fell, rolling down the slope of the sand dune.

Gu Yunhao was anxious, "shuangxue-"

Liu Qian's eyes narrowed. She pounced on Sheng shuangxue, caught her, and put the dagger under her neck.

Gu Yunhao held his breath and looked at them nervously.

cough! Sheng shuangxue spat out the sand in her mouth. let go! Let me go! "Let her go!" Gu Yunhao shouted.

Liu sneered, 'you're that worried about her? Have you ever been nervous about "You're making him nervous!" Sheng shuangxue shouted.

you ... Liu's eyes turned vicious. She gritted her teeth and wanted to stab her. With a bang, a bullet flew into her wrist, and the dagger in her hand flew out.

ah ... Liu pressed her wrist and cried out in pain. She looked up and saw a man sitting in the helicopter.

The man's entire body was cold. He held the sniper rifle and looked at her coldly, as if he was looking at a dead person.

Liu Qian's body trembled. She knew that she had no way out. She looked down at Sheng shuangxue.

Sheng shuangxue kicked her away!

Gu Yunhao rushed over and picked Sheng shuangxue up. He said anxiously, " "Are you alright?"

Sheng shuangxue shook her head and looked up at the helicopter. When she saw Sheng nanxuan passing the sniper rifle to the person next to him, she couldn't help but say, " "At critical moments, dad is still the most reliable.."
