

Ditsy Wife 1861

Chapter 1861: Do you still want to divide it now?

When Gu Yunhao heard this, he felt as if he had been stabbed in the heart. He turned around and pressed Liu Qian down. He gave her two punches and then cuffed her.

Leaving Liu Qian behind, he hugged Sheng shuangxue and kissed her.

don't you remember me?" Sheng shuangxue pushed him away. didn't you forget me? '

"How can I forget you?" Gu Yunhao looked at her without blinking. I'll remember you in my next life!

Hearing this, Liu gritted her teeth in anger and got up to push the two away with her shoulder.

ah ... Sheng shuangxue almost rolled off the bed.

Gu Yunhao grabbed her and threw a punch at Liu Qian's face. Liu Qian screamed and fainted.

He snorted, cupped Sheng shuangxue's face, and kissed her.

Suddenly, there was a "Biu" sound as a bullet was shot into the sand beside

him.

The two of them were shocked. They looked up and saw Sheng nanxuan sitting in the helicopter, aiming at them.

Sheng shuangxue swallowed her saliva and pushed Gu Yunhao away hurriedly. "Quickly let me go!"

Gu Yunhao weighed the situation and felt that Sheng nanxuan would really shoot him. He could only stop kissing and pull Sheng shuangxue up.

Guo Xiang and the others ran over and took Liu Qian away.

Gu Yunhao helped Sheng shuangxue up the sand dune and saw that Gu Lei had also arrived.

He was stunned. Gu Lei had already rushed over and was about to slap him.

ah ... Sheng shuangxue hurriedly shielded him behind her.

At this moment, another person rushed out from behind Gu Lei and punched

Gu Yunhao in the face.

"What are you doing!" Sheng shuangxue shouted.

The man ignored her and gave Gu Yunhao another punch. Then, he stood up straight and tugged at his military uniform. "This is your second brother's punch!"

Sheng shuangxue, "Yingluo. "

She didn't say anything and silently retreated.

The Father wanted to teach his son a lesson, and the elder brother wanted to teach his younger brother a lesson. What right did she have to interfere?

She glanced at Gu Yunhao's eldest brother and realized that he was really handsome. He was not any less handsome than Gu Yunhao, and he looked much more mature than him!

Tsk why did I meet Gu Yunhao first? Otherwise, she would definitely not be interested in Gu Yunhao! Hmph, he's lucky!

At this moment, Gu Lei heard his eldest son's words and gave Gu Yunhao another punch. "This punch is your mother's!" Sheng shuangxue couldn't take it anymore!

One hit was enough, how could he keep hitting?

She hurriedly stood in front of Gu Yunhao and said anxiously, "He's still injured! Can't you guys wait until he's better before you fight?"

Gu Yunhao smiled and pulled her away. He said to Gu Lei and big brother Gu, '

"I'll definitely be obedient in the future, definitely!"

Sheng shuangxue shook him off. you became obedient after I hit you. Why didn't you listen to me earlier? you're making me worry!

"Alright, alright, I was wrong." He hurriedly admitted his mistake and said in

a low voice, "I'll listen to you in the future."

Sheng shuangxue's face turned red. She turned her head and suddenly remembered, "I remember we've already broken up!"

"Yingluo, hehe." Gu Yunhao sneered. Was there still a need to divide it now?

"Hehe!" A sneer came from behind him.

Gu Yunhao jumped in shock. He turned around and saw Sheng nanxuan's dark face.

"Shuangxue, come over here!" Sheng nanxuan said with a straight face. Sheng shuangxue immediately left Gu Yunhao behind and ran over. "Dad!" "Let's go!" Sheng nanxuan turned around.

Sheng shuangxue glanced at Gu Yunhao. Gu Yunhao made a gesture to make his head dizzy.

She was worried and immediately said to Sheng nanxuan, "No, no way! He's in the same car as his ex-girlfriend, I have to go and take a look!"

When Sheng nanxuan turned around, she was already running toward Gu Yunhao.

He gritted his teeth in hatred, turned around, and shouted, "Where's my gun?"

Everyone looked at each other, then at Gu Lei and Sheng shuangxue.. How could they dare to give him a gun?

Chapter 1862: I'll take care of myself for you in the future

"Please calm down, Mr. Sheng," Gu Lei smiled as he walked over. Don't worry, if Yun Hao dares to mistreat shuangxue, I'll be the first to punish him!"

"Bah!" Sheng nanxuan scolded his face. who are you to not let him off? " I haven't agreed to it yet!"

Big brother Gu turned his head to look at Gu Yunhao. Seeing that he had already helped Sheng shuangxue into the car, he couldn't help but say in his heart, "Gu Yunhao, good job! He dared to choose night God as his father-in-law!

As the car wobbled through the desert, Gu Yunhao looked at Sheng shuangxue beside him and couldn't help but feel a little nervous.

This time, she must have been worried to death. She would definitely blame him, and he didn't know if she would forgive him easily.

Sheng shuangxue bit her lip, feeling a little regretful.

They had already broken up, but he said he didn't want to get back together. He even locked her up and forgot about her. Although it was all for her own good, how could she give in so quickly? He even took the initiative to approach her!

Wouldn't he be able to overturn the heavens in the future?

Gu Yunhao pinched the hand on his knee and suddenly reached out to hold hers.

Sheng shuangxue held her breath and pulled her hand back, causing the gunshot wound on her arm to hurt.

She hissed, and Gu Yunhao immediately seized the opportunity to ask, '

"What's wrong? Is the wound here? let me see!"

"What are you looking at!" Sheng shuangxue pushed him away. this car is not stable. Don't hurt me.

"Then I'll watch it when Yingluo stops the car." After Gu Yunhao finished speaking, he shouted at the driver, " don't you know to drive on a flat ground?! The driver felt that he had been wronged. It's already flat enough, alright?"

Sheng shuangxue reached out and hit Gu Yunhao. "Why are you blaming others?"

Gu Yunhao held his arm and groaned in pain.

“Are you alright?” Sheng shuangxue was startled.

His head and arms were still wrapped in bandages, and he was seriously ill.

“Oh, I’m fine, just a little painful.”

Sheng shuangxue glared at him, “who told you to mess around!” You just woke up from the intensive care unit and you’re already running around. Do you think you’re Superman?”

“I won’t do it again.”

“I really won’t. This time, I’m prepared to bid you farewell, but I’ll take care of myself for you in the future.”

Sheng shuangxue’s heart skipped a beat. She looked at him sadly. “Gu Yunhao, Qianqian.”

“Will you forgive me?” He reached out to hold her.

“I, Yingluo, won’t forgive you so easily.” Sheng shuangxue sniffled. but you should know that whether I forgive you or not, I still care about you. We’ll slowly settle this score!”

alright, Yingluo. this girlfriend of his was really difficult to deal with. He couldn’t escape this no matter what. But as long as his girlfriend was still his girlfriend, it was fine!

He had exhausted all his energy and was covered in wounds. He fell asleep soon. His head slowly slid onto Sheng shuangxue’s shoulder.

Sheng shuangxue felt a weight on her shoulder. She looked over. She knew he was tired, so she didn’t wake him up.

By the time the car left the desert, the sky had already turned dark. Everyone stopped to rest. Sheng shuangxue nudged Gu Yunhao and realized that his body was burning hot.

He had a fever!

“Gu Yunhao!” Sheng shuangxue shouted.

Gu Yunhao opened his eyes. After seeing her clearly, he reached out to hug her and said vaguely, “Let me lean on you for a while, Yingluo. I love you.”

He was afraid that she didn’t understand his feelings for her. He was afraid that if he didn’t confess now, he wouldn’t have the chance anymore, so he fainted after saying this.

When Gu Yunhao woke up, he saw mother Gu sitting by the bed, wiping her tears. Her two sisters-in-law were passing tissues to her.

“I’m back in the capital?” he asked, stunned..

Chapter 1863: Who would be at ease to marry you?

If he was in another province, his two sisters-in-law would not have come to see him. They would definitely be closer to home. Otherwise, he was in a critical condition and was about to die. That was why everyone had rushed over.

But they haven’t all arrived yet. If he really died, his father and brother would definitely be there, and Sheng shuangxue would be there too, right?

He hurriedly looked around, but didn't see Sheng shuangxue. He didn't know if he was dreaming or just teasing her.

"You're awake?" mother Gu asked anxiously.

"Yes." Gu Yunhao looked around again. It was a high-class Ward. I'm still

alive? "

"You still know how to talk!" Mother Gu cursed, you really don't want to live anymore! If you mess around again in the future, I won't acknowledge you anymore! "

"Mom, please calm down." The two sisters-in-law hurriedly advised.

don't worry, " Gu Yunhao said. I'll definitely be obedient in the future. I'll be more obedient than anyone else!

When mother Gu heard this, she wiped her tears and said, " I don't believe you! What do you want to eat? Are you hungry?"

"I'm so hungry that I can eat an entire cow!"

Mrs. Gu pinched his uninjured arm. there's no chicken, duck, or fish, let alone beef. You'll have to feed me porridge for a month!

"You're trying to kill me!"

"This is punishment! Who told you to mess around!"

The two sisters-in-law laughed. then I'll go to the canteen to buy some porridge, " said the eldest sister-in-law.

“I’ll give dad and the rest a call,” said the second sister-in-law.

Mother Gu nodded. After they left, she touched Gu Yunhao’s head with a pained expression. does it still hurt? ‘

“It doesn’t hurt anymore.”

“Liar! ”

“I can take this. If I’m complaining that it hurts, dad will say that I’m useless again. ”

When he was young, he had trained his body. Gu Lei would use the Army’s methods on him. Whenever he said that he was tired or in pain, Gu Lei would tell him off.

Mother Gu scolded,“your dad just doesn’t know how to feel sorry for others!” It’s so serious, isn’t it normal to hurt?” uh-huh, uh-huh, uh-huh? ” Gu Yunhao looked elsewhere absent-mindedly.

“What are you looking for?” mother Gu asked.

“Where’s my phone?”

“Are you waiting for a call?”

Qianqian really knew her son best.

“How would I know where your phone is?” mother Gu asked. Don’t worry, those bad guys have been locked up and will be judged. You don’t have to worry about it and have a good rest!”

well, I have to let the director of Nanshan Hill know that I’m safe.

“I think you’re just thinking about that girlfriend!” Mother Gu gave him a sidelong glance.

she’s the president’s sister, ” Gu Yunhao said hurriedly. don’t you like her?

He actually used ‘that girlfriend’ to address her as if he despised her.

“Who would dare to look down on her? I don’t like you! Look at how good she is, she can have anything she wants, why would she like you! Who would dare to marry you without worry?”

“How many days have I been back?” Gu Yunhao smiled.

“It’s been two days. Look at what you’ve done! The young and strong could be unconscious for two days and two nights! Do you still dare to be so reckless in the future?”

I know, I know, I know, I know! Gu Yunhao’s ears were about to turn into calluses, and he hurriedly surrendered.

He had been back for two days. Did Sheng shuangxue come to see him?

He suddenly asked worriedly, ” how’s shuangxue? She’s also injured, is she alright?”

Mother Gu looked at him resentfully, you’ve forgotten your mother after getting a wife! If you don’t ask me, you’ll know who she is!”

“Didn’t I just see you? Aren’t you fine? I love you so much that it’s hard to say!

I remember seeing shuangxue before I fainted. I don’t know if I’m dreaming.”

Mother Gu choked. you only know how to sweet talk! Don't worry, she's been here to see you before, and she's always here for a long time. It's Yingluo..”

Chapter 1864: Change them to my photos in the future

it's her father who doesn't want her to keep it,” mother Gu said softly. Oh, Yingluo. he understood when he thought of Sheng nanxuan's expression.

At the thought of meeting Sheng nanxuan again in the future, he was a little afraid.

The sound of people talking came from outside the door. Eldest sister-in-law and second sister-in-law had returned.

Gu Yunhao sat up with the support of the bed. Mother Gu hurriedly said, “Slow down!”

Yun Hao... a voice came from the door.

Gu Yunhao recognized that it was Sheng shuangxue. He quickly looked over and smiled in surprise.

“Auntie.” Sheng shuangxue smiled shyly at mother Gu and quickly walked to the bed.

The two sisters-in-law put down the porridge they had bought and said to mother Gu, “Since shuangxue is here, let her watch Yun Hao eat. We'll accompany you to rest.”

Mother Gu nodded and said to Sheng shuangxue, “Then I'll have to trouble you. If he doesn't listen to you, tell me and I'll teach him a lesson!”

Sheng shuangxue blushed and nodded.

After the three of them had left, she opened the bowl of porridge with her uninjured hand and asked Gu Yunhao, "Do you need me to feed you?"

"You have an injury on your hand, so I'll do it myself." Gu Yunhao looked at her with tender eyes. "Have you eaten? Do you want to use some?"

"Who's like you, only waking up now? It's not mealtime now!"

oh, oh, oh. Gu Yunhao looked around and finally saw the clock on the wall. It was three in the afternoon.

"Then you can have afternoon tea," he said, smiling.

"I don't want to." Sheng shuangxue pouted. "I'm injured. I shouldn't eat it. You have to be wary too!"

"My mom told me to have congee for a month."

"That's fine too," She nodded her head.

His face fell, "you actually don't feel sorry for me?" "I'm injured now, so it's not nutritious to eat porridge."

"Why would I? It'll be more nutritious if you put more things in the porridge"

"That's not enough to withstand hunger!"

Hmph! If you don't eat, you won't be able to withstand hunger.

"Eat, eat, eat, eat immediately!" He lowered his head and started to wolf down his food.

Sheng shuangxue smiled. She unlocked her phone and showed it to him. "I'll show you the news!"

"You know me too well!" Gu Yunhao immediately picked it up.

He had been unconscious for two whole days, which was enough for a number of headlines to happen.

He opened the news page and suddenly asked, "Can I see your photo album?"

"Don't you dare!" Sheng shuangxue cried out in shock.

"What's the hurry? You're so pretty, are you still afraid that I'll see your selfie?"

Sheng shuangxue covered her face shyly. I don't want you to see my selfies. I'm afraid you'll see my idol's nude photos.

Gu Yunhao's hand froze and he stared at her with wide eyes. "What did you just say? You still have an idol? Who is your idol? There were also nude photos! Is he as handsome as I am? Is her figure as good as mine?"

"I didn't

Gu Yunhao choked and said speechlessly, "then you still-

but it's still very pleasing to the eye. It's not illegal to look at it. She said with a smile.

Gu Yunhao said gloomily, "in the future, change it to my photos. Look at me!"

&Nbsp;

After saying that, he didn't look at her photo album or invade her privacy. Instead, he read the news from the past two days.

Two months later, Gu Yunhao and Sheng shuangxue's injuries were almost healed.

At this time, Liu Qian's criminal gangs trial had also come down. All of them were sentenced to death!

Before the execution, the police asked Liu Qian to inform her relatives and friends to come and deal with her funeral.

She said, "no need, you guys can deal with it however you want." I want to call my grandmother. I don't want her to know that I'm dead. I just want her to think that I'm going to be in prison for the rest of my life."

She made the call under surveillance.

This time, she finally dialed the landline in grandma Liu's room..

Chapter 1865: No driving without a license

Grandma Liu knew that she had broken the law and had been crying her eyes out these days.

The call was connected, and grandma Liu's cries immediately came through.

'Qianqian, where did you go? Go and turn yourself in!'

"I've already turned myself in." Tears welled up in Liu Qian's eyes. I'm going to be in jail for a long time, I'll try my best to perform well and come out to see you as soon as possible.

Grandma Liu was stunned and didn't say anything.

Going to jail

This was something unimaginable to her, who had been honest her entire life.

"Grandma, I'm sorry." Liu Qian cried, " I sent you money. Don't be reluctant to spend it, Qianqian!

"For the country! Return it to the country!" Grandma Liu said anxiously.

"No need," Liu Qian said, " don't worry. The money is clean. I don't dare to give you dirty money to spend. I'm sorry, Yingluo." The next day, Liu was executed.

Gu Yunhao personally went to see her die.

After she fell, he turned around and walked out of the execution ground. Sheng shuangxue was waiting for him outside.

"Let's go." He walked over and held her hand.

Sheng shuangxue looked back. She had just heard the gunshot, and she was still scared.

"Is there really no one here to settle her funeral matters?" she asked.

"Don't meddle in other people's business."

Sheng shuangxue opened her mouth, sighed, and didn't say anything.

He had wanted to joke that she was his ex-girlfriend and that he didn't have to be so heartless. However, when she thought about how his ex-girlfriend had caused him to lose dozens of brothers, she did not dare to say anything.

Sheng shuangxue and Gu Yunhao were going back to Nanshan Hill to work.

Before she left, Sheng shuangxue asked Gong mo and Sheng nanxuan, "Can I ask Yun Hao to come back for dinner?"

Gong mo looked at Sheng nanxuan.

Sheng nanxuan coldly glanced at Sheng shuangxue. "What do you think?"

Sheng shuangxue nodded seriously, "I think so!" He's my boyfriend, it'll happen sooner or later!"

Sheng nanxuan sneered. but I'm not willing to do it so soon! If you want to come to my door, tell him to wait!"

Sheng shuangxue pouted her lips in dissatisfaction and looked at Gong mo.

Gong mo was helpless.

Sheng shuangxue could only sigh. alright then. Don't say that he's impolite. "You tell him! If he dares to drive without a license, I'll make sure he'll never get a license in his life!" pfft! Sheng shuangxue choked. what are you talking about?

"I'm not joking with you!" Sheng nanxuan said seriously.

Sheng shuangxue blushed and said, "Okay, okay!" I know!"

“Don’t think about going against my words, or you’ll be crying.”

Sheng shuangxue wanted to cry now. She looked at Gong mo pitifully.

Gong mo glared at Sheng nanxuan. “Only the state officials are allowed to set fires, the commoners are not allowed to light up the lamps.”

Sheng nanxuan, “Yingluo.”

Wuwuwuwu, my wife actually exposed me, she must not love me anymore!

Nanshan police station.

Ever since Gao Sen’s case was solved, everyone had some free time.

Without Gu Yunhao and Sheng shuangxue, everyone’s spare time was very boring.

In the morning, everyone was busy with work, and no one seemed to be in high spirits.

Gu Yunhao walked into the office, looked around, and asked angrily, “What are you guys doing? Do you still have the face of a police officer?”

Everyone quivered and raised their heads. They said happily, “Captain!”

“Captain, you’re back!”

“Are you here for a vacation?”

“I’ve had enough holidays, what more?” Gu Yunhao pulled a long face.. it’s only been two months and you’re already dispirited! If I don’t care about you for one day, you’ll have to give up your life!”

Chapter 1866: She can't leave me

"Captain, are you coming back to work?" Handsome white asked in a daze.

Gu Yunhao smiled. I don't think I'll come back. I'll let you be the captain. Commander Bai hurriedly waved his hand and said, "I dare not!" I'm so happy that Captain is back! I thought Captain wouldn't come to this small place anymore!"

Everyone was very touched and hurriedly asked, "Captain, how long can you stay here? You have to teach us more! You're from the Special Forces!" "Didn't you take it seriously when I taught you?" Gu Yunhao asked.

he's serious, he's serious, Yingying, but Captain definitely still hasn't revealed his skills!

"Oh right, you're back. Where's Shuangxue?"

"Shuangxue definitely won't come back, Yingluo." cough β'Gu Yunhao smiled proudly. don't worry, she can't leave me.

Everyone: "Yingluo, are you sure you won't be retaliated against for saying this?"

Shuangxue would definitely be the first to be unconvinced!

Shuangxue's father and brother will definitely line up to teach you a lesson!

"Eh? What are you guys doing?" Sheng Shuangxue's voice was heard.

Everyone looked over.

long time no see, ” Sheng shuangxue said with a smile. how about we let the captain treat us tonight? ‘

“It’s a must!” Everyone said.

“We thought you weren’t coming back to work,” said handsome Bai with a smile. The captain said you can’t leave her, I didn’t expect it to be true!” “What?” Sheng shuangxue’s face changed as she looked at Gu Yunhao.

“You’ll remember this!” Gu Yunhao pointed at Marshal Bai. After he finished speaking, he hid in his office and locked the door.

Sheng shuangxue rushed over and knocked on the door twice, but it didn’t open. She said angrily, ” “Don’t think you can hide forever!”

Dad was right, we can’t let this man off too easily!

On the weekend, Gu Yunhao took Sheng shuangxue out for a spin. Sheng shuangxue sighed, “I wonder how grandma Liu is doing, Yingluo.” “Let’s go take a look.” Gu Yunhao said.

Sheng shuangxue looked at him in confusion, but he had already driven in that direction.

Although he hated Liu Qian, he couldn’t bring himself to hate the old man.

The old man was innocent. Moreover, he had been in contact with her for the past few years. Naturally, he was not stone-hearted and had no feelings for her.

After Liu Qian’s incident, the old man had no hope for the rest of his life. He didn’t know if she would hate him.

He would also be relieved to see her hatred for him. It was better than not asking.

Soon, the two arrived at grandma Liu's house. The door was locked, and there was nothing in the yard. It seemed that no one had lived there for a while.

"Did he go out?" Sheng shuangxue asked.

he should have moved away, Yingluo. Gu Yunhao took her to the nearest building and asked the family.

It was said that grandma Liu had moved to her brother's place in the countryside. Her brother saw that she was all alone and had asked her to stay with him.

The neighbor asked Gu Yunhao again, "what happened to aunt Liu's family?" The police are here, aww!"

Gu Yunhao pursed his lips. He didn't know what to say, so he held Sheng shuangxue's hand and left.

Two years later, Gu Yunhao was finally allowed to visit his future in-laws.

In the living room of the Sheng family, Sheng shuangxue was sitting side by side with him on the sofa. She was smiling at Gong mo and Sheng nanxuan.

Gong mo smiled and was very satisfied with Gu Yunhao.

With a cigar in his mouth, Sheng nanxuan sized up Gu Yunhao from head to toe, but he was very picky.

Gu Yunhao straightened his back and sat properly and steadily.

Sheng nanxuan put down his cigar and said, "he looks fit." &Nbsp;

“Cough, as a soldier, this is what I should do.” Gu Yunhao said nervously.

Sheng shuangxue lowered her head and took a glance. It was indeed not bad, but it was a pity that he could not eat it..

Chapter 1867: I don 't know this family well enough

With Sheng nanxuan's warning, she really did not dare to take the last step with Gu Yunhao. Every time Gu Yunhao was burning with passion, she would stop him in time because she didn't want to hurt him.

What if Sheng nanxuan was really so perverted that he wanted to make a fuss about it?

Speaking of which, her father not allowing them to drive without a license was actually damaging her interests! She couldn't even check the car's ' performance " in advance.

“Let's have a fight,” Sheng nanxuan suddenly said.

Sheng shuangxue was shocked. She looked up at him.

Gu Yunhao was stunned. how can Yingluo do this? ” This junior doesn't dare to offend you.”

Dancing grass! Uncle, you're already so old. If you twist your waist or break your leg in one move, I can forget about getting a wife in this life.

Ha! Young man, you're too naive!

Boss Shengs mother is still young and pretty. Do you think he's old?

Sheng shuangxue knew how perverted her father was! Sheng Yiting was no match for him at his age!

How could she let her boyfriend fight with him like this? Her boyfriend had to kneel!

“No!” She slammed the table.

“Why can’t I?” Sheng nanxuan’s eyes narrowed in dissatisfaction. Really, a grown girl can’t be kept at home, her heart only has her boyfriend! “It just won’t work! Whoever wants to beat him up is going Against Me!”

Gu Yunhao, “Yingluo,” something seems wrong.

Uncle is already so old, it’s unlikely that he can hit me, right? Could it be that I don’t know enough about this family?

“Then let your brother do it!” Sheng nanxuan said.

“That won’t do either!” Sheng shuangxue said.

“Let your grandma do it!” Sheng nanxuan was furious.

Sheng shuangxue paused and asked in confusion, “Have you been in contact with grandma recently?”

Gu Yunhao: “Zhenzhen ” and “ grandma ” are the names of a person, right?

you only have him in your heart, but I’m gone, right?! Sheng nanxuan yelled at Sheng shuangxue.

“Alright, alright, stop it,” Gong mo hurriedly said. Shuangxue, don’t go against your dad!”

“Then let’s have a match,” Gu Yunhao immediately said.

Hearing this, Sheng shuangxue hugged him. “You take care!”

Gu Yunhao: “ Yingluo. it seems like I really don’t know much about this family.

Sheng nanxuan stood up and brought Gu Yunhao to the gym.

Sheng shuangxue dragged Gong mo in and stood outside to watch.

As soon as Sheng nanxuan took off his clothes, Gu Yunhao was dumbfounded by the muscles he saw.

Shouldn’t a man with such a figure be in his thirties? The old men these days really didn’t give the young people a way out!

Half an hour later, Gu Yunhao knelt down.

Sheng nanxuan snorted in disdain. He put on his clothes and left with Gong mo.

Sheng shuangxue rushed to Gu Yunhao’s side and asked worriedly, “Are you alright?”

Gu Yunhao got up and hugged her. “Your dad is really strong even though he is old! I will train hard in the future!”

With his physical fitness, he couldn’t even beat the old man. He was too embarrassed to say that he was giving his wife sex happiness!

The Gu family had been very satisfied with Sheng shuangxue for a long time. After this battle, Gu Yunhao was finally settled by the Sheng family.

In fact, both Sheng nanxuan and Sheng Yiting had already done their research. It was really hard to find a man better than Gu Yunhao, so they did not object to Sheng shuangxue dating him.

However, neither of them wanted to leave Sheng shuangxue. Therefore, Gu Yunhao would have to work hard for at least another five years to get married.

He would definitely be bored to death if he wasted five years.

Gu Yunhao sighed. It wasn't good to protest against this kind of thing, so he had to endure it.

One night, Gong mo asked Sheng nanxuan, " if Gu Yunhao really had sex with shuangxue before marriage, are you really going to break his legs?"

Chapter 1868: Don't worry, you have me!

"Breaking his legs is a light punishment." Sheng nanxuan said lightly.

"But I don't think this is good for shuangxue." Gong mo said, " Gu Yunhao is so old after all. Why don't you think about how you're at this age, but you're always doing that?"

Sheng nanxuan smiled. what did I do? " he asked. what did I do? '

Gong mo rolled his eyes at him and said,"you know it yourself!" Don't you men-as normal adult men-have needs? You're someone who's been through this, don't you know? You're also quite satisfied with Gu Yunhao. If he makes a mistake because of this, who's going to be the scapegoat? At that time, shuangxue will be so sad!"

"If he can make a mistake, then he's not the son-in-law I've set my eyes on!"

“But what if someone is framing us? He wasn’t familiar with shuangxue at all, so it was easy for him to fall for her tricks. Besides, if she held it in too much, it would be shuangxue who would suffer in the future. That’s why I think you shouldn’t be too strict with them. Just let them go with the flow.”

Sheng nanxuan said helplessly, “ actually, after you said ‘only the state officials are allowed to set fires, not the commoners.’ I didn’t insist on it anymore. After all, I can’t stop my daughter from enjoying her life, can I? As long as she was happy, she could sleep with a hundred men! As long as these hundred men were outstanding enough! But I didn’t expect that Gu Yunhao would really have self-control! I didn’t do anything wrong, look at him!” Gong mo was speechless. So this was what he meant!

“If you can’t control yourself in the future, you won’t beat her up until she can’t take care of herself, right?” she asked.

“That will depend on whether shuangxue likes him or not. If shuangxue doesn’t like it, then kill it!”

wuwuwuwu! such a cruel father-in-law. Gu Yunhao, you must have done something bad in your past life!

The next day, Gong mo called Sheng shuangxue and asked, “ How have you been with Yun Hao recently? Are you alright?” it’s great! Sheng shuangxue said sweetly.

“Did anything happen?” Gong mo asked.

Sheng shuangxue was displeased , ‘what can happen? Dad is so fierce, but I’m very honest! ”

cough •Gong mo chuckled. actually, it doesn’t matter what happens. You have to check him thoroughly. If there’s anything wrong with him, you can treat him earlier.’

Sheng shuangxue was stunned for a while. Then, she asked, “ How is it not related? I’m afraid that dad will beat him up until he has to receive treatment for the rest of his life!”

“Don’t worry! I’m here!” Gong mo promised.

“Really?” Sheng shuangxue’s eyes lit up. mom, you want to protect me? ‘

“Don’t kill anyone! Otherwise, I won’t be able to save you!”

ahem, ahem, ahem, ” Sheng shuangxue said seriously. I’m just asking. I won’t do anything. I’m very reserved!”

“I’ve never felt that you’re reserved.”

Was this Yingluo’ her real mother? Sheng shuangxue said angrily, ” that’s definitely hereditary!

“Yes, daughters usually inherit their father’s personality.”

So that’s how it is!

She knew that when she was young, her mother would blush no matter what her father said. How could she have such a dirty daughter like her!

She used to suspect that she wasn’t her biological daughter!

With the thunderstorm, Sheng shuangxue was too lazy to go downstairs to work out, so she practiced yoga in her room.

Gu Yunhao was cooking on the balcony. He stood at the door, stirring the egg liquid while watching her.

Sheng shuangxue laughed. What are you looking at?

“You’re good-looking,” He smiled.

She straightened her legs and waved at him. "Come here and help me press my legs. I'll do sit-ups."

"If you do it now, will you still have the energy to eat later?"

Chapter 1869: We'll get engaged in two years if we don't break up

"He definitely has the strength to eat!" Sheng shuangxue said matter of factly.

"Exercise after dinner. Otherwise, if I gain weight, you'll blame me again." Gu Yunhao said.

"Your cooking is good."

"I'm more delicious. Do you want some?"

"Anem!" Gu yunhao not expect rurnsell to De such a noongan. He turnea around and left.

Sheng shuangxue bit her lip and thought, 'it's embarrassing to take the initiative to eat.'

After dinner, the two of them watched a movie on TV, and Sheng shuangxue started to chase Gu Yunhao away.

"You're not doing sit-ups anymore?" Gu Yunhao asked.

"Oh, then do it.'

Sheng shuangxue spread out the yoga mat and lay on it.

Gu Yunhao counted seriously for her, but when he reached twenty, he could not continue. When she sat up, he lowered his head and kissed her.

She was stunned for a moment before she smiled and lay down. When she got up again, she took the initiative to kiss him.

The next time she woke up, Gu Yunhao kissed her fiercely and hugged her tightly, not letting go.

This kiss was like a bolt of lightning striking the earth, and he almost couldn't stop.

In the past, the two of them had often done this. Gu Yunhao was already used to it, so when he was almost used to it, he would bear with it. "Do you have that?" Sheng shuangxue asked in a low voice.

Gu Yunhao's eyes lit up. so it's fine if I have it?

Sheng shuangxue blushed. why are you asking me? " Aren't you afraid of getting beaten up by my dad?"

"He can't beat me to death, right?"

Sheng shuangxue was speechless. you men are willing to throw away your lives just to do this! she said.

"You are my life, how can I not want you?"

Sheng shuangxue moaned and hugged him. how can I reject you when you say that? '

"I can't refuse you because you're like this."

Sheng shuangxue clenched her fist and hit him.

He picked her up and put her on the bed. Then, he took out his wallet and took out two condoms from between the layers.

Sheng shuangxue was dumbfounded. how did you get this?!

Gu Yunhao said matter-of-factly, 'I'm always so inseparable from you, so of course I have to be prepared. I have to protect you in case I miss the brakes.'

He looked at her, lowered his head, and kissed her gently. don't be afraid.

We'll take it slow. If it doesn't work today. there's still tomorrow."

"Is there anything that can't be done?" She was shocked.

"I'm mainly afraid that you'll be too nervous."

Sheng shuangxue's face reddened. She became reserved because of the fear and nervousness of the unknown.

The wind and rain continued outside the window, and the people in the house began to rub their heads against each other.

When Sheng shuangxue brought Gu Yunhao home during the new year, she couldn't help but feel guilty.

Dad wouldn't really hit someone, right? Wuwuwuwu, don't!

Both Sheng Yiting and Sheng nanxuan could see the change in her temperament. Girls and women were very different.

The two of them glanced at Gu Yunhao and didn't say anything. After that, they asked Gu Yunhao out to play basketball and boxing every day for the next few days, tormenting Gu Yunhao to the point where he wanted to cry but had no tears.

However, he could still bear the pain of stealing someone else's treasure.

He proposed to Sheng shuangxue on Valentine's Day.

Sheng shuangxue agreed after being reserved for a while.

The next day, her family found the ring on her finger.

Sheng nanxuan gritted his teeth and said with a fake smile, "If that's the case, we'll get engaged if we don't break up in two years."

Sheng shuangxue opened her mouth wide.

What did that mean?

They're only getting engaged after two years if they don't break up?

Then wouldn't the marriage be in two years!

"Aren't we engaged now?" she stammered.

"This is something for you kids. I'm talking about the official engagement. The two families will hold the engagement ceremony together." Sheng nanxuan said..

Chapter 1870: I'll be good to you, second only to him

Sheng shuangxue was displeased. what child's play is this? is it so troublesome to hold a ceremony? ‘

How hateful would it be to come for a Grand engagement ceremony and a wedding?

“If I wait a few more years, I won't be able to hold my wedding in the presidential palace!” She pouted.

Sheng Yitings term of office was about to end and he could no longer be the president. Naturally, she had no reason to hold a wedding at the presidential palace.

“He has the nerve to rely on your relationship?” Sheng nanxuan sneered.

Sheng shuangxue's face turned red. I don't care about that place, ” she said angrily. it's meaningless!

“Then we'll wait!”

Sheng shuangxue was furious. If he continued to drag this on, an Nian would be of marriageable age!

Sheng annian said, ‘I won't take the blame for this!’

At night, Sheng shuangxue went to look for Gu Yunhao.

It was snowing, and the two of them walked slowly along the street.

my dad doesn't agree to let me marry you so early, ” Sheng shuangxue said.

what are you going to do?

“What else can we do? we can only wait!” Gu Yunhao said in an open-minded manner, “ actually, you’re still young. You should live more free days. After marriage, many things would be different. I don’t want you to worry so much so quickly.”

I think you’ll be the one worrying. Sheng shuangxue laughed.

He thought for a moment and nodded. that’s right. You’re so good at slacking off. “You’re the one!”

“Haha!”

“Do you really want to get married?” Sheng shuangxue looked at him.

“Because you’re my partner, of course I want to,” Why didn’t she want him to propose?

“But if she’s set on you, it doesn’t matter if she gets married or not. Anyway, before I met you, I never thought about getting married.” He said.

“Really? But if you didn’t meet me, you might have gotten married long ago.”

He thought for a moment and nodded.

“Let’s put it this way. If it wasn’t for you, I would’ve definitely gotten married, but it doesn’t matter who I marry. If it were you, it doesn’t matter if you get married or not. It’s enough as long as you’re together.”

“If it were you, I t d want a baby,” Sheng shuangxue threw herself into his arms.

“You’re still a child!” Gu Yunhao said in disdain.

Sheng shuangxue pushed him away unhappily. She grabbed the snow on the ground and threw it at him.

He pointed at himself and said, "see, I'm right!" This is what a child would do!" "I'm angry!" She said angrily.

He walked over and hugged her. actually, I really want a daughter as cute as you. However, when I think of the man who will marry her in the future, I think it's better to have a son.'

"You're saying the same thing as my dad,"

"So he will definitely agree to let you marry me! Because he knows that I will treat you well, second only to him."

Sheng shuangxue's heart trembled. Thinking of all the things she had done with Sheng nanxuan, she suddenly cried.

That's right. No matter how much Gu Yunhao loved her, he would definitely love her less than Sheng nanxuan did, right? After all, he was his biological father!

I suddenly miss him so much, Yingluo, " she said.

"I'll send you back." Gu Yunhao said.

She nodded and reached out to wipe her tears.

Half an hour later, the car arrived at the gate of the Sheng family.

Gu Yunhao got out of the car first and then opened the door for her.

He draped a coat over her and wrapped a scarf around her. Suddenly, he felt a gaze on him. He looked up and saw Sheng nanxuan standing at the entrance of the community.

“Your father is there,” he said, patting Sheng shuangxue’s shoulder.

Sheng shuangxue turned around and ran away, leaving him behind.

When the security guard saw her, he opened the door and she rushed into Sheng nanxuan’s arms.

Sheng nanxuan looked at her and saw that her eyes were red. He was furious. “Why are you crying? He bullied you, didn’t he?”

As he spoke, he went to find Gu Yunhao to settle the score.

Sheng shuangxue pulled him back and shouted, “No, I didn’t! There’s no

Zhenzhen.’

She wanted to say that she missed him. She wanted to say that she couldn’t bear to part with him and didn’t want to get married, but she felt that it was too mushy and couldn’t say it.

It was not until the day of her wedding that she hugged him and cried her heart out, shouting, “I don’t want to get married! I can’t bear to part with

At that time, Sheng nanxuan no longer wanted to keep her. He called Gu

Yunhao, “What are you still standing there for? Hurry up and take him away! I’ve been annoyed by her for decades!” wuwuwu! Sheng shuangxue cried. daddy, you don’t love me anymore, Wuwu!

Sheng nanxuan was helpless. It’s not like you’re going to marry to the moon, I’m not reluctant to part with you. If you really can’t bear to part with him, you should go back home after the wedding. Don’t worry about him!”

wuwuwu. Sheng shuangxue didn't know how to continue crying. She turned her head and leaned on Gu Yunhao, wailing.

Gu Yunhao didn't know whether to laugh or cry. He quickly carried her away.

If she really came back to stay after the wedding, what would he be?

However, his father-in-law was really ruthless.. He knew how to deal with his son-in-law in the future!
