

Ditsy Wife 19

Chapter 19

Are You Pregnant?

Sheng Nanxuan held her waist tightly, pressing her against his body. He only released her after she started having difficulty breathing.

Sheng Nanxuan wiped the corner of his mouth and laughed with an evil charm. "Doesn't taste bad... It's a little sweet."

...

Gong Mo glared at him while panting.

I'm not Nongfu Spring water!

Sheng Nanxuan grabbed her hand and pulled her into the hotel. Gong Mo noticed Fang Yang standing to the side and at that moment, she felt like burrowing into a hole. Did he see everything?

Upon entering Nanxuan's presidential suite, Fang Yang said, "You guys get settled first. I'll find some saline for Nanxuan to clean his wound."

Fang Yang shivered upon saying this. Mother of God! He just said Boss's name for the first time! It was a very weird feeling. It felt like he would never live to see another day.

"I'll just rinse my mouth with normal water." Sheng Nanxuan walked towards the bathroom. "It's already noon. Tell him what you wanna eat and he'll prepare it for you."

Gong Mo was taken aback. She looked at Fang Yang and Fang Yang looked back at her with full attention. She was Boss's lady; he ought to serve her well and curry favor with her. Maybe if Boss were ever upset with him in the future, he could ask for her help.

Gong Mo felt embarrassed by Fang Yang staring at her. "Anything's fine."

“How can I just give you anything randomly!”

Fang Yang really wanted to impress her. Boss values you so much, protects you in the dark, and even fetches you personally. You might just be Boss’s future wife! Boss’s wife, let me do your bidding and leave a good impression on you!

“I don’t know what to eat either.” Gong Mo honestly did not wish to stay for too long. Sheng Nanxuan was still a stranger to her, after all. “I don’t have much of an appetite right now. Why don’t you ask him what he’d like to eat?”

“Well...” Fang Yang felt awkward.

Sheng Nanxuan returned from rinsing his mouth and swept a harsh glance at him. “Why are you still here?”

“Err... I’ll go now!” Fang Yang went out instantly. If Boss’s wife had no appetite, he’d just get her something light!

Sheng Nanxuan walked to Gong Mo’s side. “Aren’t you treating your classmate too harshly?” she asked, looking puzzled.

Sheng Nanxuan was stunned for a moment. He had forgotten that Fang Yang was now masquerading as his classmate. “It’s fine. We’re on good terms and we’ve always been like this,” he said apathetically.

“Oh...” Gong Mo opened her bag and took out her phone with the intention of showing him the video she took.

He reached into her bag all of a sudden and pulled out the pregnancy test that she had bought earlier in the morning.

He looked at the words on the packaging and asked, enunciating each word, “Pregnancy... test... kit?”

Gong Mo was shocked and snatched it back hurriedly.

Sheng Nanxuan narrowed his eyes. "Are you pregnant?" he asked calmly with crossed arms.

"No!" Gong Mo quickly said.

"Oh..." Sheng Nanxuan looked like he suddenly saw the light as he stared at the unbroken seal on the pregnancy test. "You haven't taken the test yet?"

"..."

"The toilet's over at the side." Sheng Nanxuan pointed towards the restroom.

"I..." Gong Mo did not feel like verifying right now. Would she really let him take responsibility if she was indeed pregnant? She didn't know him, much less want a relationship with him!

She thought of buying some time. "I didn't buy this, actually. I..."

"Do you want me to take your pants off for you?"

This took Gong Mo by surprise and she immediately ran to the restroom. She locked the restroom door and hesitated for a very long time before walking towards the toilet. She slowly opened the pregnancy test kit and followed the instruction manual.

After several minutes, she stared at the line in the middle of the pregnancy stick and let out a blood-curdling scream.

Sheng Nanxuan knocked on the door angrily. "What's wrong?!"
