

## **Ditsy Wife 1901**

Chapter 1901: I'll be good to you

Huo die held her breath, her face filled with anxiety.

He lowered his head and kissed her. Her mind went blank, and she felt like she was wandering in the sea, the sun was warm, and it was like heaven.

He pried open her lips and called out as he kissed her, "My heart is filled with sorrow."

Huo die's entire body trembled. She reached out to push him away, but a moment later, tears fell and she slowly lowered her hand.

When Gong Bai opened his eyes, the sun had already shone on the bed.

He covered his eyes with his hands, feeling a splitting headache.

Another year had passed, so he had to muddle along.

He sat up, and something gently stroked his shoulder. He froze and looked over. He saw a few strands of hair falling from his shoulders and onto a perfect face.

Gong Bai took a deep breath and looked around. Seeing the clothes of men and women scattered all over the ground, it wasn't hard for him to imagine what had happened last night.

He closed his eyes and pressed his forehead.

After a while, he opened his eyes again and turned to look at the person beside him.

She was lying on her side, so he could only see half of her face, which was covered by her hair.

He reached out and brushed the hair on her face away. Her eyelashes fluttered. He knew that she was awake.

He froze and retracted his hand.

As expected, it was the fire butterfly.

Huo die sat up abruptly. Without looking at him, she covered her chest with the blanket and bent down to pick up some clothes to wear.

Gong Bai was also putting on his clothes in silence, his hands trembling.

Huo die put on half of it, picked up the rest of the coat and scarf, and said incoherently, "I ... I'm fine. I'll take my leave first. Actually, I'm just passing by."

She turned around and ran away, but Gong Bai rushed over, hugged her, and pressed her against the door.

Huo die leaned against the door, raised her head, and asked in displeasure, "What are you doing?"

"I'll take responsibility, ran ran," he said.

"No need to force yourself." Huodie said, "we're all adults, Yingluo."

Gong Bai hugged her tightly and said fiercely, "I was wrong in the past. I know you're angry." I'll be good to you in the future, trust me.

Huo die gritted her teeth and didn't speak.

He turned her around and looked at her. "After you left, I realized that Yingluo's heart only has you. Xiao die encourages us to live a good life in the future, okay?"

"How can I live well?" She asked, her heart throbbing in pain.

He was clearly drunk and shouting 'Xinran', but now he said that he only had her in his heart. Were all men so good at lying? She thought he was different.

After hearing her words, Gong Bai asked in a daze, "You want to get married?" Huo die stared at her, and after a moment, she began to cry.

"Little butterfly!" Gong Bai panicked.

The fire butterfly burst into tears, lying on his shoulder and tightly holding him.

"What's wrong with you?" Gong Bai asked, "Zhenzhen, if you don't agree. Huo die hurriedly shook her head, "I didn't disagree with Qianqian."

The fire butterfly returned again. This time, her relationship with Gong Bai was different.

He would not hide from her anymore, she could act coquettishly to him; She treated him as her boyfriend, so there was nothing wrong with him doting on Yingying.

On Valentine's Day, Gong Bai made a reservation at a Western restaurant and proposed to her. There were roses and a violin. It was romantic and beautiful.

She agreed with tears in her eyes.

"When do you think we should get married?" Gong Bai asked.

Huo die: " Qianqian, you're not in a hurry, are you? I haven't had enough of being a Princess yet. Don't be a yellow-faced woman so soon!

Gong Bai smiled and said affectionately, "alright, whatever you say." But we can take our time to prepare. I'm just one person, so the wedding doesn't have to be Grand. We just need to make your wedding dress and decorate our room. Of course, I'll satisfy whatever you want.."

Chapter 1902: Who's Xinran?

"Yingluo, yes." The fire butterfly absent-mindedly agreed.

When he said he would treat her well, he really did. If she had been a fool, everything would have been perfect and she would have been happy.

But she was not a fool!

She knew that her perfection and happiness were all stolen. The one he really liked and missed was a person called Xinran, not her.

They took their time to prepare. There were no guests, so they didn't need to prepare anything, but it took them two years.

Two years later, Gong Bai bought the rented house and the wedding dress he designed for her. They began to discuss the details of the wedding.

Gong Bai couldn't help but think of Yu Xinran. He suppressed his emotions and told himself, " You can't let Huo die down, you can't! Xinran is already in the past. You should forget about it and start over.

“Do you want to stay in your room or mine?” he asked the fire butterfly.

The fire butterfly was startled.

In the past two years, the two of them often spent the night together, and they were basically in his room. If she didn't take the initiative to disturb him, he would never ask her for anything.

Huo die suddenly felt that she was so cheap!

He did not need it at all! She was the one who took the initiative to send it up!

What was the point of this wedding?

“Can you stay in my Yingying?” she asked with her head lowered and tears in her eyes.

“Of course you can.” He laughed and said, “ you have the final say. You're the most important person in the family.

Huo die suddenly raised her head to look at him. He saw the tears in her eyes and jumped in fright.

“What's wrong with you?”

“I don't think we should get married.” Huo die stood up and angrily shouted, no meaning! How boring! You don't even care about me! You don't like me! Since that's the case, why should you take responsibility? I don't want you to take responsibility, I don't care! I just want you to like me!”

Gong Bai was stunned for a moment. He stood up and pressed her down. “What's wrong with you? Did she have pre-marriage phobia? I like you ...”

“Enough!” Huo die shook him off. you're getting better at lying. Do you really like me? Then let me ask you, who is Xinran?”

Gong Bai looked at her in shock.

She sobbed with tears in her eyes. you often wake her up when you're drunk or asleep. I don't even dare to ask you about it, Yingluo. I'm afraid that if I ask, I won't be able to stay by your side anymore.

Xiaodie ... Gong Bai panicked. She had a feeling that she could no longer stay by his side after saying such words.

"I should go now." She cried, " I don't want to be mean to you anymore!

"Little butterfly!" Gong Bai pounced on her and tried to hold her.

She pushed him away and pushed him to the ground. Then, she turned around and walked out of the villa.

Gong Bai got up and chased after him.

The fire butterfly suddenly stopped after running two steps.

Gong Bai rushed forward and shouted,"Xiaodie-"

Huo die turned around, reached out her hand, and heavily chopped at his shoulder. He immediately fainted.

Before he lost consciousness, he cursed in his heart.

Last time, he didn't manage to catch up to her, but this time, he was knocked out by her. If he had known earlier, he would have become old K's disciple and perhaps he would have been able to handle this move.

When he woke up, he was lying on the bed, covered with a blanket.

His neck hurt a little. He sat up with his hand on his neck and saw a note on the bed.

He picked it up and read it. It said, " I know I'm annoying, but I won't come back again. Don't worry.

There wasn't even a signature.

Gong Bai dropped his hand, and the note fell to the ground.

He didn't believe that she would leave! After a while, he got up and went out to look for her.

He could not find her anywhere. When he went to her room, he found that she had taken her clothes away, but the wedding dress was left behind..

Chapter 1903: Which Little Vixen are you sweet talking to?

After Huo die left, she had always been a different person in Gong Bai's heart, regardless of whether he loved her or not. In fact, it might even surpass Yu Xinran's.

Gong Bai was very clear-headed, and he knew that his relationship with Yu

Xinran had ended a long time ago. Even if he couldn't let go of her, he wouldn't go to her, because it would only cause her harm. She already had a new life and he should not ruin it.

The fire butterfly had disappeared for 20 years. He had panicked at first, but later, he gradually buried everything in his heart. If he didn't think about it, it was as if he had forgotten it.

This time, she returned to the country and said goodbye to Yu Xinran completely. She had finally put an end to her past with Yu Xinran. At this moment, he saw the fire Phoenix that looked exactly like the fire butterfly, bi an.

Gong Bai knew that he was finished. He would never be able to escape the curse of the fiery butterfly.

After the meal, Phoenix pulled out a skateboard from somewhere and started to skateboard on the road in front of the villa.

Gong Bai tidied up the kitchen and looked at her while standing in front of the French window.

She was very happy when the neighbor's high school student came over to chat her up.

Phoenix stopped and rubbed the skateboard with one foot as she spoke to the other party with a smile.

Gong Bai didn't know what they were talking about, but he was inexplicably displeased!

All fathers probably had this mentality. They didn't like any man getting close to their baby.

He was about to go out when his phone rang.

He picked it up and saw that it was Gong mo.

Before he came back, he had promised Gong mo that he would call her when he arrived. However, he had forgotten about the Phoenix's sudden appearance. Gong mo was probably worried.

He picked up the phone and explained to Gong mo, " someone suddenly came to my house and I was delayed. I was just about to call you.

"It's good that you're fine." let's keep in touch more often in the future, " Gong mo said.

"Yes."

Gong Bai ... the Phoenix suddenly roared in his ear.

Startled, Gong Bai turned around and saw her standing beside him with the skateboard in her arms. The boy who talked to her had disappeared.

Phoenix angrily threw the skateboard to the ground and asked, " who were you talking to on the phone?!

"That's it, we'll talk another day," Gong Bai said to Gong mo.

"Who is it?" Gong mo asked hurriedly. I think I heard a woman's voice!" Could she be his cousin-in-law?

"I'll explain it to you another day," Gong Bai said helplessly after a pause. He hung up the phone and Phoenix pounced over to snatch his phone.

He dodged in a hurry. what are you doing? '

"You're still asking me? Which Little Vixen are you sweet-talking to? are you letting my mother down like this?"

"Don't talk nonsense!" Gong Bai shouted, " what little demon? She's your aunt!"

uh, uh, uh, uh. Phoenix was stunned and felt a little embarrassed, but she refused to admit her mistake. She said fiercely, " it's your fault for not explaining clearly!

"Did you give me a chance to explain?"

I ... Phoenix was startled and suddenly cried out, " why would I have an aunt? Mom clearly said you don't have any relatives! If it wasn't like this, she wouldn't have forced me to come and find you. She's afraid that you'll be lonely and no one will take care of Yingluo."

Gong Bai's heart skipped a beat, and his longing for the fire butterfly gushed out like spring water.

He regretted, his heart ached, and he blamed himself.

But now that the fire butterfly was gone, there was no turning back. |

He asked, "where is your mother buried?" Can you take me to see her?"

"You wish!" Phoenix turned around and said, " I've said it before. Before I acknowledge you, I will never bring you to see her!

"Then what do I have to do to make you acknowledge me?"

Phoenix turned her head and laughed mischievously, "Of course, it depends on your performance!"

Gong Bai was dazed for a moment.

Her expression and tone were similar to Huo die's..

Chapter 1904: You look exactly like your mother

He had just returned to get rid of jet lag, so Gong Bai slept until late in the morning and was still asleep.

Phoenix poured a basin of water on his bed, and Gong Bai woke up immediately.

He sat up and saw the terrible state on the bed. He glared at Phoenix and wanted to flare up, but when he saw the face that was exactly the same as the fire butterfly's, his anger was immediately reduced by half.

"What are you doing?" he asked, wiping his face.

Huo die threw the basin away and shouted at her, "It's fine if you don't make breakfast, but you don't even make lunch. You're going to starve me to death!"

"You said you wanted to see mom, but I don't think you meant it!"

I'm sorry, Zhenzhen. Gong Bai lifted the quilt and was about to get out of bed when he suddenly remembered that she was not Huo die, so he covered her with the quilt again.

The blanket was wet, and it was uncomfortable to stick to her body.

"You go out, I'll put on my clothes," he said.

"You're not wearing any clothes!" Phoenix asked with her eyes wide open.

"Why don't you go out?" Gong Bai looked at her speechlessly.

Phoenix was startled. She snorted and turned around, "What's the big deal!"

This wasn't the problem at all! They were father and daughter, so they should avoid it!

Gong Bai felt a headache coming on. He had no idea how Huo die had taught her to be so good.

No! This was what the fire butterfly had taught him! The fire butterfly was just so “unruly”!

He put on his clothes, pulled off the blanket and sheets, and threw them into the washing machine. He left the blanket and pillow covers on the balcony to dry.

After going downstairs, he saw Phoenix sitting on the sofa in an unsightly manner, eating ice cream while watching television. He said helplessly, “I’ll go cook. It’ll be done soon.”

Phoenix ignored him. He shook his head and walked into the kitchen.

After a while, the doorbell rang.

He was puzzled for a moment and guessed that they were looking for him. He walked out and found that they were delivery men.

Phoenix was taking the takeaway from the other party. When she saw him coming out, she called out, “You came just in time! Hurry up and pay!”

Gong Bai, “hehe.”

He helplessly took out his wallet and paid.

Phoenix was already seated on the sofa and eating. He walked over and she raised her head to look at him. I’m sorry, there’s no share for you

“I’m fine.” Gong Bai sat down and said, “I want to talk to you about something else.

“Pay respects to my mother? No way!”

“No, I’m not. It’s about what happened just now. You’re not allowed to splash water on someone else’s bed in the future, okay? I’m your father, I won’t do anything to you, but others will.”

Phoenix swept a glance at him and threw the food in her hand onto the coffee table in dissatisfaction, “What? Don’t you think it’s annoying to teach them every day?”

Gong Bai was silent for a while. Then he sighed and got up to cook.

Phoenix continued to eat her takeaway with a furious look on her face.

Gong Bai made a plate of Italy for himself and brought it to the living room to eat with her.

Phoenix glanced at him and circled her takeaway so that he would not snatch it.

However, Gong Bai didn’t even look at it. After eating for a while, she found his portion was delicious, so she couldn’t help but take a few more glances at it.

“There’s more in the kitchen,” Gong Bai said.

“I didn’t say I wanted to eat it!” Phoenix immediately called out.

Gong Bai looked at her and suddenly sighed. you look exactly like your mother when you’re angry, guilty, and unreasonable. he said.

“You’re the one who’s unreasonable!”

“You’re still focusing on the main point,” Gong Bai said with a smile.

“By the way, are you still studying?” Gong Bai felt that she should be thrown to school for proper education with her personality!

Phoenix was stunned and said with a straight face, "who wants to study?" I'm not interested! "

"Then what did you read before? Are you in college?"

"None of your business! What, you don't think of me just because I'm not going to university?"

Chapter 1905: Phoenix is fire butterfly?

After hearing that, Gong Bai said earnestly, "I've explained this matter clearly."

Between the two of us, it's you who doesn't want to acknowledge me, not me ..."

"So What if I don't acknowledge you!" Phoenix cried out, " who told you to let my mother down!

Gong mo was silent for a moment before he nodded his head, " "I've let Yingluo down."

Seeing his face filled with self-blame, Phoenix bit her lips and asked, "Do you regret it?"

Gong Bai raised his head and looked into her eyes. She fixed her gaze on him with stubbornness and expectation in her eyes, just like a fiery butterfly.

Gong Bai remembered that after he had sex with Huo die, the two of them naturally became lovers. From that moment on, Huo die had become very emotional and worried about personal gains and losses. She would always ask him, "Do you like me? How much do you like it?"

Sometimes he asked jokingly, sometimes he asked willfully, and sometimes he asked Wanwan pitifully. The only difference was the careful and serious look in his eyes, waiting for an answer.

At that time, he had never thought about the reason. He thought that it was because they hadn't seen each other for too long. He had rejected her before, and she really liked him, so it was natural for her to feel insecure.

He didn't know that it was because she heard him calling someone else's name that she wanted to know.

Phoenix's eyes were exactly the same as huodie's back then.

Gong Bai was dazed for a moment, and then he became excited.

When Phoenix saw this, she immediately looked away and said, "mother said that you've never liked her. M/hy would I ask this?" You definitely won't regret it! Maybe he's even rejoicing that she's finally gone!"

of course ... Gong Bai was eager to refute, but he was suddenly struck by an idea and was stunned.

Phoenix immediately looked at him and asked with her eyes wide open, "Of course what! "

"How can I tell you this?" Gong Bai's eyes flickered and he lowered his eyes. I'll tell your mother myself.

"She's dead!"

"Then take me to pay my respects to her!"

"Hehe!" Phoenix turned her head away. in your dreams!

Gong Bai glanced at her in confusion, and suspicion grew in his heart.

Fire butterfly fire butterfly

Was the fire butterfly really dead?

Even if they were mother and daughter, it was impossible for them to look so alike, right?

Could it be that the Luan Luan Phoenix was the fire butterfly?

Although Phoenix was more youthful and lively than Huo die, he had not forgotten Yu qinghuan, the monster who was Forever Young.

It was said that the fire butterfly wanted to kill Yu qinghuan, but Yu qinghuan said she didn't know why. He had asked her about the origin of the fire butterfly, and Yu qinghuan had coldly replied, "I don't know!"

Was it possible that Huo die had experienced the same thing as Yu qinghuan?

If that was the case, she would not be old like Yu qinghuan. Then, Qianqian might not be a Phoenix, but a fire butterfly.

Gong Bai took a deep look at Phoenix and felt that he was possessed again.

How could he think like this?

If she was really his daughter, could he treat her as his own woman? Even the fire butterfly wouldn't do such a thing!

Gong Bai and Feng Huang lived under the same roof, and there had been constant friction between them. However, she was his daughter, so what could he do? Endure!

Phoenix was a willful and rebellious young lady. She would dance in the courtyard every day in her hot pants. The neighbors around her, regardless of whether they were white or black, would all come to hit on her and were extremely attentive to her.

After she became familiar with them, she would go car racing and bar-hopping with them.

Gong Bai could tolerate everything else, but he couldn't bear this. He said to her 't "If you don't want to study, go to work! You're not allowed to mix around like this!"

"How am I unemployed? I'm a treasure for the racing team!"

Chapter 1906: You look exactly like your mother

"You call that work?" Gong Bai roared.

What was a racing treasure? How could he tolerate his daughter doing that? she was a beautiful girl who wore little clothes and exposed a lot of her body on the racing track!

"Why isn't it called work?" Phoenix said, " are you discriminating against racing babies? This is a proper job, okay!" you ... Gong Bai t s eyes turned red with anxiety. if you're so disobedient, then ...

"What?" Phoenix raised her head and looked at him willfully.

He took a deep breath. He could not do anything to her.

If she didn't look exactly like Huo die, he wouldn't be so nervous. He would not allow her to do such a thing with the face of the fire butterfly! But he had already hurt Huo die. Could he hurt her again?

Of course not.

It didn't matter if she was the Phoenix or the fire butterfly. He could only make up for what he owed them.

Phoenix snorted and said, "me?" Then what about you? I've been here for so long, but I've never seen you go to work!"

"I don't have a job." Gong Bai said.

Phoenix's eyes widened in actually unemployed?!" Then how are you going to support me!"

"You don't want me to support you, do you?" Phoenix cried out, " let me tell you, you've never fulfilled your duties as a father. Don't even think about enjoying the rights of a father! There's no way I'll be filial to you!"

"Don't worry, we don't lack money."

Phoenix was stunned. how could that be? I thought you didn't have a job?

You're not going to steal or Rob, are you?"

After a moment of silence, Gong Bai said in a bad mood, " "It's almost the same."

Back then, when the fire butterfly had knocked him out and left without saying goodbye, he couldn't help but think: If he had been able to withstand that blow, would he not have lost her?

Thus, he took the initiative to find old K to be his teacher and quit his job. He would occasionally carry out the missions assigned by old K and find the fire butterfly.

Old K did not lack ways to make money, and neither did he.

Now, he could also take on business himself. However, he was lazy. He didn't get involved in the grey or even The Dark World's matters as much as possible. He almost didn't do anything.

Hence, old K was the one giving him orders most of the time.

Old K treated him very well.

When old K was in the dark shadow, everyone was his subordinate. Those people would want to kill him and replace him. However, Gong Bai was different. Gong Bai was his disciple in the truest sense of the word, so he was naturally extraordinary.

Two months later, the weather was getting colder.

Phoenix kept pestering Gong Bai to buy her new clothes. Gong Bai agreed without hesitation and took her to the shopping mall, letting her choose whatever she wanted.

Phoenix cast a sidelong glance at him. you're so casual. You're very rich, aren't you~"

Gong Bai t s eyes flickered as he looked at her and saying exactly the same thing as your mother,"

Hmph! Phoenix was stunned for a moment before she snorted. don't think that I'll take you to pay your respects to her just because you said that!

She took the clothes into the fitting room, and when she came out, she spun three rounds in front of him and asked,""Is it good?"

"Yingluo is good looking."

“It’s definitely not good to be so hesitant! Don’t think that I’ll take you to your mother’s grave just because you’re trying to please me!”

“No, I didn’t,” Gong Bai said helplessly, “ I just suddenly remembered that your mother used to do the same thing. After changing into new clothes, she would spin three times in front of me and be as happy as a little bird. Then, she would ask, ‘do I look good?’ ‘

“Is it really that good?” Phoenix asked after a moment of silence.

“My daughter looks good in anything!” Gong Bai laughed.

Phoenix was stunned. She rolled her eyes and looked at him.. She gritted her teeth and said, “Since that’s the case, Yingluo”

Chapter 1907: I want to take you on a trip

She turned around and looked at all the clothes in the store. She pointed at a few pieces and said, “This, this, this Yingluo”

The shop assistant hurriedly went to get them and held them all in front of her. She asked in a flattering manner, “Do I have to try all of them?”

I look good in anything. What’s the point of trying it on?” Phoenix cried out in dissatisfaction.

“Then I’ll wrap it up for you!”

She sneered and crossed her arms. “Who told you to wrap it up?”

The shop assistant looked at Gong Bai and thought to himself, "then, what about Gong Bai? Don't play with me when you're having a conflict. I still have to do business!"

"Other than these, pack up the rest!" Phoenix waved her hand.

The shop assistant's eyes widened in disbelief, and then she cried with joy and said loudly, "Alright!"

Phoenix looked at Gong Bai smugly, waiting to see if he would regret his decision.

Gong Bai took out his bank card silently.

Phoenix stared at his card and said, "You're going to give me one?" Other people's fathers will give their daughters a supplementary card or something, Yingluo."

Upon hearing that, Gong Bai took out one of them and handed it to her. "Take it, just brush it."

Phoenix was stunned and looked at him suspiciously. "You're so generous? Don't tell me there's no money inside?"

"If you don't have money, won't you flip the sky?"

"Don't worry, my money is only for you to spend."

Phoenix felt extremely comfortable hearing those words and reached out to take the card.

Gong Bai smiled. Suddenly, his phone rang, and his expression changed.

It was a special email notification from old K.

He took out his phone and saw that it was a photo with the words: The total price is 6 million, and 3 million has been deposited into your card. The buyer requests to see the results within a week.

Gong Bai frowned.

He was an incompetent killer, and he always had concerns in his heart.

In the past, he didn't care about life and death. Although he would eventually come back with his life, that was because he had someone in his heart.

He was afraid that Huo die would come back to find him. In order not to make her sad, he could not disappear from this world.

However, he was only doing his best. If he really died, it didn't matter.

However, things were different now.

Now that he had Phoenix, she was a living person. He must not abandon her!

Therefore, he did not want to take any more risks.

However, he couldn't return the mission that he had already accepted.

He replied to old K, "master, I want to wash my hands of this business."

This news was probably too shocking, so old K quickly replied with a question mark.

Gong Bai didn't know how to explain. While he was hesitating, Phoenix secretly craned her neck from behind him.

He put away his phone in time and looked at her.

Phoenix's face was filled with anger, "what are you sneakily doing?" Are you going to find me a stepmother? I'm telling you, I won't agree! If there's me, there's no her. If there's her, there's no me!"

"No, I didn't," Gong Bai's mind was spinning quickly as he came up with an idea.

"I want to take you on a trip," he told her frankly.

Phoenix was stunned, "travel?" Why?"

"I'm bored, so I want to go out for a walk."

"Where are we going?" Phoenix's eyes darted around.

"The Aegean Sea or Crete island will do."

"Alright!" Phoenix agreed.

then give me your passport. I'll go book a plane ticket.

"What does going on a trip have to do with what you did just now?" Phoenix suddenly asked, puzzled.

that was the travel company. I've consulted them about it before.

Oh, Yingluo. Phoenix was no longer interested in this. I don't have a passport. I'll give you my identification card. You can help me get it done!

good •Gong Bai's eyes flickered.

After getting her identification, he immediately studied her birthday, and it really matched the day Huo die left him!

Chapter 1908: If I don't come back, Yingluo

He frowned. If it wasn't the fire butterfly, then so be it.

However, the documents might be fake, but there's another thing.

He cast a glance at Phoenix's left shoulder.

Huodie's left shoulder had a butterfly tattoo and her own name, but he had never seen Phoenix's shoulder.

When the weather was hot, Phoenix liked to wear t-shirts and shorts. The shorts were so short that they could not be any shorter, but the t-shirts all had sleeves. Even the tights she wore when she was racing had covered her shoulders.

Wasn't this too much of a coincidence?

"I'll get your passport ready as soon as possible. You can pack your luggage first." Gong Bai put away her ID card and said. Oh right, prepare a swimsuit or something, we can go to the beach to play."

"I don't know how to swim," Phoenix stared at him and said.

“You can play with the sand or have fun in shallow water.”

A few days later, the two of them carried their luggage and set off for Crete island. It was the last day of the week mentioned in old KS email.

Phoenix was very tired after the long-distance flight. Seeing that she was drowsy, Gong Bai said to her, “When we reach the hotel, you should eat something and then have a good sleep. We have a lot of time, so you can get over your jet lag first and enjoy the scenery when you’re better.”

Phoenix nodded her head. She appeared to be extremely obedient, like a fire butterfly in a daze.

Gong Bai sighed in his heart and turned to look outside the window.

The suite they were staying in had two bedrooms, one for each of them.

Phoenix ate something and went to sleep. Gong Bai went back to his room and opened his suitcase. He took out the gun parts at the bottom of his suitcase and sat on the carpet to assemble them slowly.

After he was done packing, he got up and walked out of the room. He first went to Phoenix’s room to take a look.

He gently pushed the door open and saw her lying on the bed, breathing evenly. She seemed to have fallen asleep.

He closed the door, took a deep breath, and muttered, “I’m really sorry if I don’t come back, Yingluo.”

His words were directed at Phoenix, and even more so at Huo die.

He had yet to pay his respects to the fire butterfly. If he were to die on this expedition and meet her again in another world, he didn’t know how she would treat him.

The target this time was Crete island, a mafia boss. He was a big Shot and naturally had many bodyguards at home.

Gong Bai knew it was very dangerous.

It was naturally not easy to earn 6 million.

Gong Bai's way of doing things had always been to sneak in perfectly, kill the target, and escape secretly.

He would not kill everyone, and it was impossible. Killers rarely traveled in groups. They were all alone and did not even have enough ammunition. How could they deal with everyone? He would only expose himself if he was planning on doing one last job.

With a gun and a whip tied to his waist, Gong Bai entered his target's bedroom quietly.

Seeing a person lying on the bed, he raised his gun and pulled the trigger. He fired three shots in a row before walking over and lifting the blanket.

After succeeding, he naturally had to confirm if he had killed the target to prevent any accidents.

After he lifted the blanket, he smelled blood, but something was wrong with Yingying.

There was no temperature in the taste of blood.

Gong Bai was alarmed. He turned on the light in a hurry and found that it was a dummy covering the bed!

The fake person had a blood bag tied to its body. After being shot by him three times, it was covered in blood!

He turned around, thinking that he had fallen into an ambush, but he didn't hear any movement.

At this moment, a gunshot was heard from outside. Gong Bai immediately rushed out with his gun raised.

They were on the second floor of the villa. When they reached the end of the corridor, they could see the living room downstairs.

He looked down and saw a few people lying on the ground. They were the bodyguards of the villa..

Chapter 1909: Did you kill all those people?

There were still a few people left, most of whom were the bodyguards of the villa.

The bodyguards gathered around and looked at a woman on the ground. A man in pajamas was standing opposite them, pointing a gun at the woman.

Gong Bai's sudden appearance naturally attracted their attention.

Everyone raised their heads, and he saw at a glance that the man in pajamas was his target tonight.

And that woman, Yingluo,

"Fire butterfly!" Gong Bai blurted out.

you ... the target gritted his teeth. you actually have an accomplice!

As soon as he finished speaking, a group of people pulled out their guns and shot at him.

He hurriedly dodged, the muscles all over his body trembling.

That was not a fire butterfly, but a Phoenix! The clothes she was wearing were the ones he bought for her last week!

But why was Phoenix here?

The people below caught up with him, and Gong Bai rushed out to face the difficulties.

With Phoenix below, even if there was a hail of bullets in front of him, he would not be able to Dodge!

However, the current situation was no different from a storm of bullets.

Gong Bai raised his gun and shot the two people beside Phoenix. He then jumped down from the building and dodged the bullets.

The moment the “target” saw Phoenix, he raised the gun in his hand and aimed it at her.

Phoenix crossed her arms and blood seeped out from between her fingers.

Seeing this, Gong Bai was infuriated. He took the whip from his waist and swung it at his “target.”

The gun in the other party’s hand fell to the ground. Phoenix suddenly jumped up from the ground and pounced at the other party.

Seeing a cold light flash in her hand, Gong Bai took a closer look, but he found nothing.

She grabbed the man’s shoulder and flipped over to hide behind him. Then, she put her hand around the man’s neck and finally let Gong Bai see clearly that she was holding a metal wire.

Gong Bai took a look at the dead people on the ground and found that all of them had a small wound on their neck. It seemed that they were all killed by her in this way.

However, the person she was dealing with now was not a small fry, but a boss.

The “target” raised his hand to block Phoenix’s movement. The two of them were in a deadlock.

Gong Bai shot his subordinate who was about to snipe at him. Then, he wrapped his whip around his “target” and said to Phoenix, “You’ve retreated!

Give it to me!”

Phoenix glared at him and released the metal wire, pushing him over.

Gong Bai pulled the trigger and delivered the last bullet to his opponent. When he saw the other party lying on the ground, he immediately turned to look at Phoenix.

Phoenix’s arm was hit and his lips trembled. He then carried her up.

Phoenix was shocked, “you-”

At this moment, a group of men in Black rushed in. They were all stunned when they saw their boss dead on the ground.

The boss was dead, and he should take revenge.

However, their boss was dead, so it was time to choose a new boss.

Which was more important, this was a question.

While they were hesitating, Phoenix suddenly raised her hand and threw a ball. A cloud of smoke rose.

Gong Bai took the opportunity to escape with her in his arms. When they reached a safe distance, he immediately asked, "Are you okay?"

Phoenix gritted her teeth. We won't die. Ran ran has to leave quickly. Those people will come and take revenge on us.

Hearing that, Gong Bai gritted his teeth, bent down, and put her on the ground. He took off his coat and covered her with it before he carried her back to the hotel.

As soon as he entered the room, he opened the box and took out the first aid supplies to treat her injuries.

"You're quite well-equipped," Phoenix said with a smile.

He looked up at her.

Her expression changed and she turned her head to look elsewhere.

Since Gong Bai was in this line of work now, he naturally had everything he needed so that he could save himself when he was injured.

As he applied the medicine for her, he asked, "You killed all those people? How do you know all these?"

Chapter 1910:

"I don't need you to care!" Said Phoenix.

Gong Bai recalled that Huo die's identity had been very strange. Perhaps the fire butterfly was a killer of one side.

Then . . .

"Did your mother teach you that?" he asked Phoenix.

"What's wrong? Did she teach me the wrong things?" Phoenix looked at him in dissatisfaction.

"No, I didn't," With a complicated expression, Gong Bai said, " she taught you well. You went there just now because you were worried about my safety, right? You say you don't acknowledge me, but in your heart, you're still jealous."

"Don't think too much!" Phoenix cried out, " I just received a mission-"

"Impossible!" the buyer knows my rules. I won't sell to two companies at the same time," Gong Bai said.

"How should I know? You must have done a bad job!"

Yingluo. he was sure that she was lying.

He said seven days, but he was stuck on the seventh day. He didn't break the contract. Furthermore, the other party was looking for old K, so he naturally knew old KS identity. How could he be so unruly? Unless he didn't want to live anymore!

He tied a bow around Phoenix's wound and turned around to pack his luggage.

"Are you a sissy?" Phoenix asked as she stared at the bow.

“Don’t girls like this kind of dreamy element?”

“Hehe, you think the person I just killed was fake?”

Gong Bai was stunned. He closed the suitcase and asked, ” “Can you walk?”

Phoenix immediately stood up and walked out. Gong Bai followed her with his suitcase.

The two checked out of the hotel that very night and left the small island. After they arrived at their new place, Gong Bai immediately sent Phoenix to the private hospital.

He had only given her emergency treatment and had not even removed the bullet. Naturally, he had to find a hospital for complete treatment.

After he was done, he left with Phoenix again, using a fake passport to take a train to another country.

The two of them traveled through more than a dozen cities and returned to their home in country M a week later.

Phoenix’s wound had almost recovered. She asked Gong Bai with great dissatisfaction, “Didn’t you say you’d take me on a trip? You’re a liar!” “Who told you to mess around? I really wanted to take you on a trip, but you ...”

“Hey! Old man, I’ve saved your life!”

Gong Bai stared at her, making her feel uncomfortable. She rolled her eyes guiltily and said, “Why?”

“You’re quite capable. What I almost couldn’t do, you almost did it.”

“That’s because you’re useless!”

“Is that so?” Gong Bai didn’t believe her. He suddenly pounced on her and pulled her t- shirt.

He pulled down the left shoulder of her t- shirt, revealing her smooth left shoulder.

Gong Bai was stunned. ‘How come there’s no tattoo?’

Phoenix pulled up his t m shirt and gave him a slap on the face. She shouted, “You beast! You won’t even let your own daughter off!”

Gong Bai, “hehe.”

“Wuwuwuwuwu!” Phoenix laid on the sofa and cried, “mother!” Why did you leave me behind and ask me to find this old man? look at Yingluo, he’s a pervert! ”

“I’m just worried about your injury,” Gong Bai stood up and said with a

straight face.

Phoenix raised her head and said, “if you’re worried about getting hurt, why are you pulling and pulling?” Don’t men and women know that they shouldn’t touch each other? I’m your daughter!”

“I’m sorry,” she said. Gong Bai turned around and went upstairs. He had never felt so disappointed before.

Not the fire butterfly Jian Jia

The fire butterfly really doesn’t have Qianqian anymore.

What should he do then?

Looking at his back, Phoenix bit her lips and massaged her shoulders.

A few days later, Phoenix was standing on the balcony watering the flowers when she saw a luxury car slowly driving over.

She put down the flower pot and looked out of the window. She saw Gong Bai walking out of the lawn.

The car stopped in front of Gong Bai, and a man and a woman got out. They were old K and Yu qinghuan..
