Chapter 201

201 Envy is not a good thing

After Tian Cheng left, Gong mo returned to his room to take an afternoon nap.

...

Sheng nanxuan picked up his laptop. He still had some work to deal with and was afraid of disturbing her in the room.

“Wait a minute,” Gong mo called out.

“What’s wrong?” Sheng nanxuan stopped.

“Why are you so fierce to Tian Cheng?” Gong mo asked in confusion.

Sheng nanxuan was silent for a moment before he sat down beside her. “Envy is not a good thing.”

“Ah?” What did he mean?

she’s envious of how well I treat you. What if she has bad thoughts? ”

uh, hehe. Gong mo understood what he meant and scolded, “you really think too highly of yourself!

She understood what he meant. There were indeed people in the world who envied others for having good things and would try to snatch them away. Tian Cheng and Qianqian shouldn’t be like that, right?

“One must always be on guard against others.” Sheng nanxuan ruffled her hair and left.

Gong mo woke up after two hours of sleep. He smelled the aroma of food in the air and couldn't help but walk into the kitchen.

"Mom?" why did you cook? "Gong mo asked in surprise.

Before mother Luo went to Beijing, she had given the oil and rice to the former employees of the store and thrown away the salt and vinegar. After all, he didn't know when he would be back. He couldn't leave it in the kitchen to expire and attract bugs!

If they wanted to cook, they would have to buy everything from scratch. It was too troublesome, so they had been eating out these days. When he turned on the stove, he would heat up the milk and cook two eggs.

"I'm afraid it's not good to eat outside every day." Her mother said, " I just went downstairs to buy some rice. It's just enough to make a pot of porridge. There are also steamed buns and buns from the bun shop, and braised meat and cold vegetables from the vegetable shop."

"Other than rice, everything else is bought from outside, right?" Gong mo couldn't help but laugh.

"At least I'm the one who cooked!"

alright, I think this is not bad. I want to have some porridge.

"I'm not done yet, don't block me, go play by yourself!"

Gong mo pouted and walked into the living room.

Sheng nanxuan was looking at the stock market on his computer. When she walked over, he closed the stock market and asked,""Do you want to watch a movie?"

"I don't want to see it." Gong mo shook his head.

then let's watch a cartoon ~"

Sheng nanxuan found an animated film that was suitable for both young and old. Gong mo had always liked this genre. Although he had watched it before, he still enjoyed it.

Before she could finish reading, she received a call from Tian Cheng.

Tian Cheng sobbed and said, "cousin, ran ran, I just asked mom, ran ran."

"What did she say?"

"She looks like ran ran doesn't want to get a divorce."

then, Zhenzhen, " Gong mo sighed, " you should study hard.

I don't understand, " Tian Cheng said. if you're so unhappy, why do you still want to be together? "

"My Lord, you have your own considerations." When Gong mo was in college, he had heard many interview cases from his teachers in class. Many of them were about marriage problems between men and women. Many situations could not be explained in a single sentence. Moreover, outsiders had no say in the problems between the husband and wife.

"I'm sorry, Yueyue, for making you and second aunt worry." Tian Cheng said.

"It doesn't matter. If you need anything in the future, you can still call us." Gong mo paused for a moment. you can also call your cousin! You should study hard and go to the capital for college. Your eldest cousin and I can take care of you."

"Yes, Yueyue, I know." then I won't disturb you, cousin, " Tian Cheng said.

"I'm fine. It's important to study, you know?"

Chapter 202

202 Gambino is here again

“Yingluo, thank you, cousin. By the way, cousin, when are you going back to the capital?”

...

Oh, I’m not too sure either. I’ll tell you when the time comes.

After she hung up, she said to Sheng nanxuan, “ Tian Cheng’s mother doesn’t want a divorce.

then we don’t need to worry about it. Let’s go back to the capital as planned.

The original plan was to leave the day after tomorrow. If Tian Cheng’s parents were really going to get a divorce, they would have to stay for a while to help.

After dinner, mother Yan and Sheng nanxuan accompanied Qimo out for a walk.

On the way, Gong mo received a call from Gong Bai.

“When are you going back to the capital?” Gong Bai asked.

“In two days, do you have anything to do?” Gong mo asked.

Gong Bai sighed. I was going to leave tomorrow, but Fei Yan insisted on going to the capital with me. She can’t buy a ticket for tomorrow, so I had to change my date and leave with her. It’ll probably be two days later.

“Why is she going to Beijing?” doesn’t she have classes? ” Gong mo asked.

If she didn’t remember wrongly, Gong Jie was in his third year.

“They can leave the school to film.”

Gong mo was speechless. Gong Fei studied acting. Many people in this major would go to work when they were still studying. After all, it was better to be famous early. Many people were still in school when they started to practice.

“There’s also a show to shoot in Nanjiang, right?” don’t you have to take care of her when she’s in the capital? “Gong mo asked.

“I have a headache.” dad and mom agreed to let her go, “Gong Bai said irritably. I can’t do anything about it.

“I’ll board the plane at 3 p.m. The day after tomorrow,” Gong mo sighed.

“Then I’ll avoid this one. My parents will send me off.”

Gong mo knew that if they were to bump into each other at the airport, they would definitely be unhappy. “Chengcheng came to my place yesterday. She said that her father had an affair and that Yingluo’s aunt was unwilling to get a divorce,” she said.

After a moment of silence, Gong Bai said, I’ll care about her when I have time.

“Yes.” Gong mo hung up the phone and told his mother that Gong Gong was going to the capital.

Mother Yan frowned and said, “he’s a shit stirrer!” When she goes to the capital, she will definitely ask Gong Bai to take care of her. She might even wear famous brands. I hope she doesn’t harm Gong Bai!”

.....

Three days later, Sheng nanxuan walked into the office of Aimo books.

“Gambino has come to China again,” Fang Yang came in to report.

“When did you arrive?” Sheng nanxuan was slightly startled.

“Yesterday afternoon. Since you’re coming back in the afternoon, I didn’t want to disturb you. I’ve already asked someone to keep an eye on him.”

“Yes.” Sheng nanxuan frowned. the people around him have good anti-reconnaissance skills. They will definitely be discovered.

“Uh, Yingluo can’t possibly not keep an eye on him, right?”

“Keep staring!” Sheng nanxuan was helpless. Anyway, if Gambino did not want to be stared at, he would definitely clear the place.

Sheng nanxuan sat in his chair and turned a few times. He was puzzled. What was Gambino doing in China?

At the same time,

Gong mo and his mother were pushing a shopping cart at the supermarket.

“I haven’t cooked for a few days. I’ll cook more today to nourish myself.” what do you want to eat? “her mother asked.

steamed pork ribs~” Gong mo said, “and braised meatballs~”

“Alright, I’ll do it for you!” Her mother said with a smile.

Walking to the fresh meat area, mother Yan picked two good ribs and asked the staff to stamp them into small pieces.

Gong mo felt that someone was looking at him. He turned around and saw Gambino standing beside a shelf in the distance. He was shocked.

She hurriedly turned back to look at mother Zi. Mother Zi had her head lowered, and her body exuded a gentle temperament. Gong mo went to look at Gambino, but he realized that there was no one there.

Was she seeing things?

Chapter 203

203 Where's your father?

After Mother Gong bought the spare ribs, she asked Gong mo in confusion, "What's wrong with you? Are you feeling uncomfortable? why do you look so pale?"

...

"I'm fine." Gong mo touched his cheek. I was just shocked when I saw a familiar-looking person.

"Who is it?" Her mother's eyes widened, wondering if she had seen something dirty. Otherwise, why would he be scared?

"I think it's Gambino," Gong mo said.

Hearing this, her mother hissed in shock.

pfft, pfft, pfft, pfft, pfft, " she said hurriedly. don't say such inauspicious words!

tsk tsk. how was Gambino unlucky? "Didn't he pursue you before? look at how you're treating him like a ghost!" Gong mo said.

“They’re all called foreigners, why aren’t they ghosts?” Her mother said with confidence.

“Don’t worry, let’s hurry up and buy something. My leg hurts.”

“You deserve it!” Her mother shouted, “ I told you not to follow me, but you just had to!

Although mother Yan said that, she did her shopping much faster.

After picking the items quickly, the two of them pushed the shopping cart to the cashier.

There was a long line in front of the cashier. Mother Yan said, “Wait for me outside, I’ll go find you later.”

“Then I’ll give you my wallet.”

“Didn’t you give me money? Aren’t you going out to buy anything to drink?”

“Oh, I’ll go out first then.” Gong mo took his wallet and walked out of the supermarket.

The supermarket was located in a shopping mall, so there were many other shops as soon as they left. There was a beverage store at the entrance. Gong mo ordered two cups of hot drinks, one for himself and one for his mother. He found a seat and sat down.

A figure appeared in front of him. Gong mo raised his head and shouted in surprise, “ “Gaden!”

“You don’t mind, do you?” Gambino sat down.

Yingluo, you’ve already sat down, so why would I mind?

I thought I was mistaken, ” Gong mo laughed awkwardly. what business do you have in China? ”

“Is this your mother’s favorite?” Gambino did not answer. Instead, he looked at the hot cocoa in front of him.

“Yes.” Gong mo looked at the hot cocoa, afraid that it would fall into his hands. what would you like to drink, Mr. Gordon? I’ll help you order.”

“No, I’ll go by myself.” Gambino stood up and went to the counter.

Gong mo heaved a sigh of relief and took a sip of his milk.

After two minutes, Gambino walked over with a cup of hot cocoa and sat opposite him. “Your mother is still buying things?”

“She’s paying the bill. She asked me to come out first.”

your mother is really the most beautiful woman I’ve ever seen, Yingluo. Gambino turned sideways and looked at the supermarket’s exit.

Gong mo was speechless. He took a sip of milk and took out his phone.

“Actually, the main reason I’m here this time is because of your mother.” Gambino smiled.

Gong mo raised his head and said awkwardly, “I can’t make the decision on this matter.” If you’re sincere, I won’t object, but I hope you won’t cause trouble for my mother.”

Gambino was silent for a moment. pardon me for asking. Where’s your father? ” he asked.

“Didn’t you know that my mother is single?” Gong mo asked.

“She’s not wearing a ring.”

“That’s true,” Gong mo nodded after a short pause.

She looked at the supermarket’s door and pursed her lips.

Gambino knew that she did not want to talk about it anymore, so he did not ask further. He lowered his eyes calmly.

Seeing mother Zhai coming out with things, Gong mo hurriedly stood up and said, “Mom!”

Seeing that she was sitting with a man, mother Hao was puzzled.

Chapter 204

204 What kind of expression was that?

Gambino stood up at this moment and turned around.

...

Mother Luo was shocked. She loosened her hand and one of the bags fell to the ground. The potatoes, oranges, and other things inside rolled out happily.

“Mom!” Gong mo was shocked and hurried over.

Gambino, on the other hand, bent down to pick up the potatoes.

Gong mo also wanted to pick them up, but it wasn’t convenient for her to pick them up with her big belly. Mother Gong gave her a light bag and said, “You can sit down first.”

Oh! Gong mo glanced at Gambino and placed the bag back on his seat.

After Gambino finished picking up the potatoes and oranges, he handed them to Diana's mother.

Her mother opened the bag and asked him to put the things in. 'I'll help you carry it,' he said, reaching out his hand. It looks heavy.

Zhen's mother really wanted to ignore him, but there were so many people coming and going, so she didn't want to pester him. She accepted his good intentions with a straight face.

The two of them walked to the seats and sat down. It was a four-seater seat, and one of the seats happened to be for storing things.

Gong mo lowered his head guiltily. He was afraid that mother Zhai would think that she was a traitor.

Her mother didn't think so. After all, he had said that he had seen Gambino in the supermarket. She thought that this foreigner must be too scheming to actually follow them!

Oh my, this is a psychopath!

Diana's mother looked at the hot cocoa in front of her and thought that Gambino had bought it. She was unwilling to drink it. "Momo, buy me a glass of orange juice."

"I bought this cup," Gong mo said.

Oh ~"her mother nodded and happily drank.

When Gambino saw this, he smiled bitterly and helplessly.

Gong mo couldn't help but smile as well. He took out an orange from the shopping bag and was about to peel it when she looked at Gambino. "Do you want some?"

Gambino stretched out his hand, and she gave him the orange, then took another one for herself. Just as he picked it up, he saw that Gambino had already split the orange into two, then two into four, and then peeled the skin off very easily.

Hehe, what's the big deal about having great hand strength?

Gong mo lowered his head gloomily and started peeling the orange. Actually, when she was at home, her husband was also a Wanwan who peeled oranges with her bare hands.

The next second, a quarter of an orange was placed in front of her.

She was stunned and looked up.

Gambino smiled stiffly and said in a fawning manner, "Eat this. I can help you peel that too."

After saying that, he pushed another piece over and gave the other two pieces to her mother.

Gong mo hesitated for a moment before putting down the orange in his hand. He picked up the peeled orange and said, "Thank you," he said.

Diana's mother glanced at Gambino and also picked up an orange to eat.

Gambino smiled and revealed a happy expression. He peeled the remaining orange as well. Then, Gong mo and mother Gong took half each.

"I'm not eating anymore!" Gong mo shook his head hurriedly. What if he wanted to go to the toilet again?

"I'm not eating either." Said her mother.

"Then, can I eat Yingluo?" Gambino asked.

of course! Gong mo smiled. thank you for your help.

Seeing her smile, Gambino's expression froze for a moment, and he lowered his head to eat an orange.

Gong mo was stunned, what kind of expression was that just now? Didn't he like her mother? why was he in a daze again?

"Let's go," Her mother stood up.

Gambino hurriedly stuffed the remaining half of the orange into his mouth and stood up. He then swallowed the orange with all his might and said, "I'll send you! You have so many things, they are very heavy."

"No, it's not far." Said her mother.

"But it's still very heavy."

"It's not heavy, I have plenty of strength!"

Chapter 205

205 What kind of taste does the BOSS have?

well, Qianqian. Gambino thought for a while and pointed at Gong mo. your daughter is pregnant. You can hold her hand. It's safer that way. I'll help you carry your things. Otherwise, if anything happens to her, you won't be able to help her with your things."

...

Hearing this, mother Yan's eyes widened."What are you saying, you foreigner? You're the one who's surprised! Your whole family is surprised! How can you curse someone?"

"I didn't mean it that way!" Gambino was dumbfounded and hurriedly explained.

“Mom, don’t be like this. They don’t care about this overseas.” He’s just telling the truth. He really isn’t the one who cursed Qingqing. Gordon, please send us back.”

“Who wants him to send me off!” Her mother shouted, “ you’re inviting a Wolf into your house, do you know that? ”

mom ... Gong mo whispered, “ everyone’s looking at you.

Mother Yan was shocked. Seeing that there were indeed people around giving her advice, she could only forget about it.

She stomped her foot angrily, picked up her things with one hand, and pulled Gong mo up with the other. don’t worry, I’ll protect you. I don’t need this Caucasian’s help!

I’m sorry, I’m sorry, Zhenzhen. Gong mo hurriedly apologized to Gambino and followed after his mother. mother, I’ll help you carry it.

Her mother gave her the lighter one and said unhappily,“This foreigner is so annoying! Don’t you understand the meaning of the eye?”

Gong mo pursed his lips and didn’t speak. Pestering her was indeed a little annoying, but Gambino should really like his mother, right?

After they had walked far away, two young Italy Men in Black suits walked to Gambino’s side and shouted, “ BOSS!”

Gambino picked up the hot cocoa that mother Diana had drunk and shook the liquid.”She’s cute, isn’t she?”

The subordinate didn’t feel good. Who was BOSS talking about? That middle-aged woman? What kind of eyes did the BOSS have!

Their BOSS was in his forties. When he was young, he was quite a Playboy and had played with many beautiful women from all over the world. However, ever since he was injured in China 20 years ago, he had never touched a woman again!

In the beginning, when the elders in the gang asked him to get married, he refused. Now that he had complete control of the gang, no one could hold him back. No one dared to make arrangements for him, not even mention it.

The result:

Now, he had actually taken a fancy to an old woman who had been married and had a child!

Oh my God, BOSS could have any woman he wanted. Why would he fall for such a useless woman?

The subordinate who had been following Gambino could not help but think-could it be that the BOSS had seen that woman before? After all, when BOSS came to China 20 years ago, he had stayed in Nanjiang for quite a while. That woman had also been in Nanjiang before this.

Some time ago, when BOSS went to Nanjiang, he even went to the place where that woman used to live.

They must have met before! Boss had liked her since then! This was the only explanation! Otherwise, his underlings would not be able to accept that their cool and overbearing boss had fallen in love with a middle-aged woman at first sight! Even if this woman looked young, she was not a beauty in her twenties!

.....

When Sheng nanxuan returned home, he could smell the rich aroma of food. Gong mo walked over and took his briefcase. He asked with a smile, "What good food is mom making this time?"

there's a few sumptuous meals~" Gong mo said with a smile. there's fish and meat.

“Then I’ll go help.”

“No need. I’m almost done, you should go and change your clothes.”

“That’s good.” Sheng nanxuan turned around and went back to his bedroom.

Gong mo followed him. When he was changing, he stood at the door of the cloakroom and said, “I ran into Gambino when I was shopping at the supermarket with mom.”

Chapter 206

206 Ignore him

“Gambino?”

...

“It’s gaden.” he’s here again. Is it because of the book? ” Gong mo asked, thinking that he had forgotten about it.

I’m not sure. He didn’t contact the company, so I don’t think so. But I know he’s here.

“Ah?” how did you know? “Gong mo was shocked.

I have someone with me~” he said helplessly. he was so active before, I’ll definitely get someone to keep an eye on him.

“Then what is he doing here? Could it be for mom?”

who knows? ” Sheng nanxuan laughed jokingly. haven’t you always hoped that mom would find her happiness? ”

but Zhenzhen, ” Gong mo said hesitantly, ” I should be happy and relieved if mom has the chance to find a partner! But Gambino was different. I didn’t even know what kind of person he was. Come to think of it, the novels he wrote were bloody and dark, and the layout in them was closely linked. It’s enough to prove how deep his mind was.”

Sheng nanxuan frowned. He also found it strange. Why would Gambino write novels? And it was written very seriously! The beginning of ‘corpse language’ even hinted at the incident in Nanjiang. Could it be that the encounter back then had left a psychological shadow on him?

Nanxuan. Gong mo suddenly looked at him with pleading eyes.

When Sheng nanxuan saw her, he knew that she had something to ask of him. He asked helplessly, ” “Why? If you have something to say, say it. ”

“Since you’re so powerful, can you help me investigate this Gambino?”

oh, oh, oh. Sheng nanxuan sighed and rubbed her head. this Gambino is also very capable. He doesn’t mainly write novels. He has another career.

“What?”

“Look at him, does he look like he’s a composer?”

Gong mo hurriedly shook his head. He didn’t look like a composer at all. He looked like he was giving orders! Could it be that he was like Sheng nanxuan, and had a powerful identity in the dark?

“Then who is he?” She asked nervously.

Sheng nanxuan paused. He was afraid of scaring her, so he avoided the main point and said, ” “No matter how powerful I am, I can’t extend my reach overseas.”

uh, hehe. Gong mo was stunned and said awkwardly, "I was too anxious. It's fine, I just know that he's not a simple person."

It seemed that it made sense for his mother to dislike him. After all, her mother had lived for more than forty years and had a lot of life experience. Her judgment of people was definitely better than hers!

"I also think that he's a little weird. Since you don't like him, you should avoid him in the future," Gong mo sighed.

She recalled Gambino's gaze when he looked at her. If he was trying to please Yingluo's daughter, wasn't that too much?

This person was full of mystery and danger, it was better to ignore him!

.....

aiyoyo! after breakfast and cleaning up, her mother sat on the sofa and sighed. I don't want to go out to buy groceries at the thought of running into that Caucasian!

Gong mo was stunned and closed the book in his hand, "mom, you only do two things every day when you're out. Buying groceries and dancing. Don't you feel bored?"

"Then what can I do?"

Gong mo thought for a moment and replied, "a lot!" He could apply for interest classes to learn, make friends, or travel. There were many things he could do! To be honest, we feel bad that you cook and clean for us every day. By the way, I've discussed it with nanxuan. We'll hire a confinement nanny after the child is born or she won't be able to take care of the child. We can't possibly trouble you with everything, right?"

Her mother thought for a while and nodded. She had been afraid that they would have no money and live a hard life, but after living here for a while, she realized that they did not seem to be short of money!

Chapter 207 haunting

She was afraid that they were short of money. Seeing that they had never been frugal, sometimes she couldn't help but ask about their financial situation, but she held back. Thinking of Sheng nanxuan's background, even if he was not a rich young master now, he must have saved up a lot in the past, right? She really didn't need to worry.

...

"Alright then!" Her mother decided, "I won't go to any interest classes now. Sometimes I even have to accompany you to class!

Gong mo had to attend the mother-to-be classes regularly. Mother Zhai would accompany her every time. Sheng nanxuan had also been there a few times.

alright then ... Gong mo hugged her and said coquettishly, "if you don't want to go to the market, why don't we hire a part-time helper?" He asked her to help him buy groceries and clean the house. If you don't want to cook one day, you can ask her to cook."

"You have a lot of money!" Her mother shouted, "how much money do you have? He's living like a millionaire!"

Gong mo combed his hair and took the opportunity to cover his eyes. He said guiltily, "This is what nanxuan wants. He thought that he called you over to let you enjoy life, and it's not good to keep you busy."

"That's because I'm happy to!"

up to you ~"Gong mo put down his hand and said with a smile, "I don't know how much money he has anyway. The portion he gave me is enough for us to squander."

Mother Yan opened her mouth and said helplessly, "I was afraid that you'd suffer with him, Yingluo."

Gong mo couldn't help but laugh,"before he had a conflict with his family, he studied here for a few years as a young master. Those years were enough for him to make a few friends with powerful backgrounds." With those connections, my career is going smoothly, so how could my life be difficult?"

"You're right." Her mother couldn't help but laugh. connections are the most important thing in society!

alright, " she said with a sigh of relief, " I'll go buy some groceries first. You can stay at home!

"I'll go with you and exercise a little."

"Isn't there a treadmill there?" Her mother said, " if you want to exercise, there are so many things you can exercise in the gym!

"What if we run into Gambino?"

"Run when you see me!" Her mother said, " I don't dare to run away with you around. I have to take care of you.

"Yingluo," so she's a burden?

Alright, alright. I'll be back in a while. I didn't buy too many ingredients today, so it's not heavy. Her mother picked up her wallet and went out.

As expected, he ran into Gambino again today.

Mother Zhai sighed. She pushed her shopping cart and turned around. She decided to go to the market to buy a live chicken and make soup for Gong mo.

Gambino followed her slowly. When he saw her walking out of the supermarket, he quickened his pace.

When she passed by the door, she handed the shopping cart to the staff and rushed out. After running for a while, he was only relieved when he saw that Gambino had not caught up to him.

After arriving at the market, she went straight to the place that sold live chickens. When she saw pigeons, she decided not to buy chickens but squab.

After shopping at the market for half a day, she had bought everything she needed to buy. She carried her things and walked back. She had not taken two steps when she saw Gambino again!

Zhen's mother was angry! Why is this person so persistent!

The people around them could not help but observe Gambino. Although there were many foreign friends in the capital, it was still rare to see someone so tall, handsome, and elegant. Moreover, most of the things foreigners bought were in the supermarket, and it was even rarer to see them in the wet market.

Her mother sighed in frustration and walked forward quickly.

She realized that Gambino had been following them.

Chapter 208

208 How do you know my name?

When they were about to reach the neighborhood, they had to pass by a quiet Boulevard. This road was rarely passed by, but there were many people taking a walk here in the evening. However, it was daytime and there was almost no one around.

...

Diana's mother entered the small road and realized that there was no one around. Gambino was still behind her, and she was scared.

She broke into a run, but after a few steps, she turned around and saw that Gambino had also started running.

ah ... mother min was even more afraid. She felt that she must have encountered a psychopath!

There were so many young and beautiful women in the world, but he didn't chase after them. Instead, he followed an old lady every day. Wasn't he crazy?

As mother Ling ran, she twisted her high heels and screamed, "Ah!"

Seeing that she was about to fall flat on her face, there was only one thought in her mind-how terrible it would be if she broke her leg! Not only was she unable to do anything, but she also wanted Gong mo to take care of her. Wasn't this just causing trouble for the child?

"Dan Rong!" A magnetic voice came, but the pain she expected did not appear. Instead, she fell into a warm and thick embrace.

"Are you alright?" Gambino asked nervously.

"What did you call me?" her mother looked at him in a daze.

Gambino was stunned, and he shouted, "Shan Rong Qianqian."

"How do you know my name?" Her mother asked in surprise.

f * ck! Gambino did not know how to explain.

When her mother realized that she was in his arms, she pushed him away. She stumbled and fell against the wall behind her.

"Don't misunderstand." Gambino hurriedly explained, "I have no ill intentions. It's just that Yingluo just wants to get to know you, pursue you, and date you."

Her mother was speechless. Were all foreigners so straightforward? She would be embarrassed, alright?

I know this might be too sudden, but I really like you. The first time I saw you, I wanted to be with you, to be with you forever, Yingluo. Gambino looked at her and expressed his feelings anxiously and nervously. His deep eyes were like a mysterious ocean, attracting people to come closer.

"Can you stop chasing me every day? you're making me feel very troubled! If you keep doing this, I'm going to call the police!"

"Shan Rong Qianqian."

"Don't call me!" Her mother screamed, "you stand there and don't move! You're not allowed to call my name!"

Her mother avoided him and took two steps back. Seeing that he really didn't move, she immediately turned around and ran away.

When they got home, Gong mo walked over to them worriedly. "Mom, why did you take so long? You went to the market?"

okay, Yingluo. mother Luo wiped her sweat and handed the things in her hands to her.

Gong mo saw her strange expression and asked worriedly, "Don't tell me you've met Gambino again?"

"Who said it wasn't?" Her mother took off her scarf. you're all sweating! He, he, he, Zhenzhen, he actually knows my name! Did you tell him?"

"I didn't!" why would I mention your name to someone out of the blue? " Gong mo asked.

"How did he know?"

Gong mo recalled the conversation he had with Sheng nanxuan the day before. It seemed that Gambino indeed had an unknown identity.

If he was as powerful as Sheng nanxuan, he could easily find out that they had 18 generations of ancestors. It was not a big deal to know their names.

maybe he asked someone to find out about it, Zhenzhen. Gong mo didn't want to scare his mother, so he gave an ambiguous answer.

However, her mother refused to be fooled easily."Who is he going to ask? I don't even know anyone in the capital!"

Chapter 209

209 I don't have a child at home

"Didn't you buy things online before? Maybe it's a delivery form that was thrown away or something,"

...

disgusting! her mother was disgusted. he actually went to the trash can? "

Yingluo definitely wouldn't.

"It's so disgusting! Looks like I'll have to erase the phone number and the name from the delivery list in the future!"

"Oh, yeah, don't talk about him. He must be sure that you're going out to buy groceries every day, so he's waiting outside for you. Let's go at night another day."

it's not fresh at night, Yingluo. her mother sighed. forget it, forget it. Let's not talk about him. I'll make lunch first.

.....

Gambino left the alley and headed back to the hotel he was staying in.

On the way, they passed by a shop selling children's toys. The pinwheel at the door spun gently in the wind.

He stopped and stared at the pinwheel.

After standing there for almost a minute, the staff in the store noticed him and quickly ran over. Seeing that he was a foreigner, the shop assistant thought for a long time before she thought of an English sentence. "Hello, nice to meet you~"

Gambino glanced at her and turned the pinwheel in his hand. The color of the pinwheel was very bright. He gently blew on it, and the pinwheel began to spin.

The shop assistant thought about it for a long time, but she really couldn't think of any other English. If she had known earlier, she would have learned English when she was studying! But if Yingying had learned properly, she wouldn't have to stand here and sell things today, right?

"This is for children to play with," the shop assistant said in Chinese. She didn't care if he understood her or not.

"I know," Gambino said in Chinese.

The shop assistant instantly heaved a sigh of relief. It's good that he knows Chinese, or else he can't do this business!

Gambino shifted his gaze away from the pinwheel and looked at something else.

There were many toy cars and toy guns, but he wasn't interested in them. Seeing the Barbie dolls in the shop, he walked in.

“Is it for a little girl?” the shop assistant asked.

Gambino looked at all kinds of exquisite Barbie dolls and clenched the pinwheel in his hand tightly. He turned around and looked at all the toys in the shop, and a sense of sadness rose in his heart.

Suddenly, he saw a huge lollipop on the side of the cashier.

He walked over and took the biggest one. After looking at it for a while, he put it back in and took a lollipop that looked like a bear.

“BOSS?” One of his subordinates walked in and whispered in his ear in Italy, “Sheng nanxuan is treating you to lunch.

Gambino did not say anything. He looked at the item in his hands. He wanted to buy it, but who would he give it to?

“Sir, do you want me to wrap it up for you?” The shop assistant asked.

He thought for a while and placed the item on the counter. “I don’t have any children at home.” After saying that, he went out.

The shop assistant was depressed, “how can he speak Chinese? I can’t do this business.” If there aren’t any children, why are you here to see Yingluo?

.....

At an Italy restaurant.

In the huge private room, Sheng nanxuan and Gambino sat at two ends of the long dining table.

The two of them slowly cut the steak, and the aura on their bodies was equally cold.

Gambino had a lot on his mind and did not speak.

Sheng nanxuan was almost full. He put down his fork and knife, wiped the corner of his mouth with a napkin, and gently shook the wine glass.

“I heard that Mr. Gambino went to look for my mother-in-law again today?”

Gambino raised his head. young people have the freedom to love and marry. We don't have to be controlled, do we? ”

“I don't care about her.” Sheng nanxuan chuckled. but I don't care. Your actions have caused a lot of trouble for my mother-in-law. My wife is also unhappy, so I can only be unhappy.”

Gambino raised his eyebrows and looked at him with an unfathomable expression.

Chapter 210

210 I said I'll play you to death, so I'll play you to death!

“Gambino, don't forget your identity.” Sheng nanxuan lowered his voice and said with unquestionable oppression, “my mother-in-law is just an ordinary person. You and she are in different worlds.

...

Gambino laughed coldly and slowly cut the steak. The steak was slightly bloodshot, but to him, it was the best delicacy.

night God Qianqian. he bit off a small piece of steak and looked at Sheng nanxuan. I didn't call you the wrong person, did I? You and Gong mo are not from the same world.”

Sheng nanxuan narrowed his eyes. she has already entered my world. Instead of pushing her away, I might as well keep her in front of me. But you're different! Don't forget, you're not Chinese! If my mother-in-law were to be with you, she would have to leave her hometown! If you were an ordinary foreigner, you could come to China and settle down, but you are not. Would the head of the Gambino

family abandon Italy and take root elsewhere? I don't want my wife to spend the rest of her life in worry!"

Gambino was unperturbed and was not affected by his words. He continued to eat his food.

"Besides, Yingluo, why are you chasing my mother-in-law? Like? Don't lie to me!" Sheng nanxuan laughed. there is no love without reason in this world. There are actions full of purpose.

"You think it's because of you?" Gambino was slightly angry. He threw away his knife and fork and picked up a napkin to wipe the corner of his mouth. you really think too highly of yourself!

hehe, hehe. Sheng nanxuan shook his head and sneered. I'd rather overestimate myself. Since I'm the night God, it's normal for someone to want to deal with me. But no matter what, I saved your life back then, haha!"

Gambino furrowed his eyebrows.

"Even if you don't mention this, you can't change the fact." Sheng nanxuan stood up. don't disturb my family again. Otherwise, I'll make you go back to where you came from!

"Your tone is too big!" Gambino laughed coldly, suppressing his anger.

if you're taking revenge on me because you have a grudge against the Sheng family, then come at me. Sheng nanxuan picked up his coat from the coat rack and put it on. but don't touch Gong mo and his mother. I'll say the ugly words first, I don't care how much power you have, if I say I'll play you to death, I'll play you to death!"

Sheng nanxuan kicked the chair away and left the private room coldly.

Gambino placed his hands on the table and clenched them into fists.

His subordinate walked in and asked,"BOSS?" Do you want to run?"

“No need,” Gambino said indifferently, “no matter what, he’s my benefactor.

After this meeting, Gambino really did not harass Diana’s mother anymore. He didn’t know if it was because he was intimidated by Sheng nanxuan or because mother Yan’s words that day had made him lose his mobility.

However, Gong mo and mother Gong heaved a sigh of relief.

On this day, the two of them went to the mall to look at the children’s clothes.

Gong mo wanted to buy a girl’s one, while mother Zhai wanted to buy a boy’s one. The two of them argued and didn’t buy anything in the end.

When they got home, Gong mo ‘complained’ to Sheng nanxuan. Sheng nanxuan smiled helplessly and said, “Why don’t we check the gender?”

“How can that be?” Her mother shouted, “this is against the rules.

In the past, there were always people who would abort if they found out that it was a female fetus. Now, the country had explicitly prohibited the investigation of the fetus’s gender. However, Yingluo would also use various connections to investigate.

Mother Zhen hoped that Gong mo would give birth to a boy because she was afraid that Sheng nanxuan would favor boys over girls. What if they found out that it was a girl and Sheng nanxuan was unhappy?
