

Ditsy Wife 221

Chapter 221

221 It's not as simple as it looks

"Who can be stronger than the Yu family?" Sheng Dongyi asked.

...

"Why is there no more? No matter how strong the Yu family was, they couldn't do it alone. Could they win against the Joint Forces of others? Besides, there's an Italy on the invitation list, Lorenzo Gambino. He's the richest man in Europe, and I heard he's the boss of the Mafia. He's also the legendary night God."

night God?! Sheng Dongyi was shocked.

He had been in Beijing for a long time and had vaguely heard of the "night God." In the legends, this person was simply a heaven-defying existence. Even if it was exaggerated, it should still be very powerful, right?

After a moment of silence, he said, "let's go back to the hall."

Su mo heaved a sigh of relief and immediately held his arm.

"You're not allowed to do such a thing again!" He coldly glanced at her.

"I know." Su mo frowned.

But she didn't know if he didn't allow her to do such embarrassing things again or if he didn't allow her to do such things behind his back.

.....

Sheng nanxuan's car stopped. His car was unremarkable among the other luxury cars.

He was wearing a white shirt, a black suit, and a bow tie. He picked up his coat and got out of the car. After closing the door, he put on his coat and walked to the other side of the car. He opened the door to help Gong mo.

Gong Mo's hair was tied up, and he had on exquisite nude makeup. Two diamond earrings dangled from his ears. He was wearing a thick down jacket and a pair of three-centimeter high heels. This pair of shoes was very comfortable, and she walked as if she was walking on flat ground, not tired at all.

When she saw Sheng nanxuan open the door, she was about to take off her down jacket.

Sheng nanxuan hurriedly stopped her. go in first. It's cold outside.

Gong mo hesitated for a moment, but for the sake of his child, he still answered, "Alright," he said.

Sheng nanxuan helped her down, one hand around her waist and the other helping her pull up her collar. "It won't be cold when you go in."

"I'm not cold now." Gong mo was holding a fur shawl in his hand.

"Then we should still walk faster."

Even though he said that, he didn't dare to walk too fast. What if he tripped Gong mo?

When the two of them reached the door, Yu xinzhuo immediately came over, "The two of you have worked hard, follow me."

Yu xinzhuo led them around the reporters and entered the hall from behind the signature board on the red carpet.

At this moment, many people were already seated in the hall.

The crystal chandeliers on the ceiling glowed and the hall was as bright as day.

Crystal cups, silver knives, and forks were placed on a dozen round tables. They were dazzling, and from a distance, they looked like flower wreaths scattered on the ground.

The guests were all dressed in bright and beautiful clothes, making for a scene of competition.

Gong mo stood at the door and took off his down jacket. Sheng nanxuan handed the clothes to the waiter next to him and put a shawl on her.

“Director Zeng and the others are over there.” Yu xinzhuo said.

Sheng nanxuan nodded. He supported Gong mo and said, “We’ll go over on our own.”

“Then I won’t disturb you any longer.” Yu xinzhuo smiled and turned to look for Yu Xinran.

From a distance, Yu Qingliu saw that the person he picked up was Sheng nanxuan and could not help but sneer. “I thought it was some Big Shot! An abandoned young master from Nanjiang is worthy of such courteous treatment?”

“He’s not as simple as he looks,” Yu Xinran said softly.

“Oh?” Yu Qingliu was filled with curiosity. She reached out and hooked her arms around her neck. eldest niece, tell me the truth. What happened? ”

“Aiya!” Yu Xinran pushed him. little uncle, let go of me. You need to maintain your image!

“I won’t!” Yu Qingliu threatened, “ if you don’t tell me today, I’ll destroy your image!

Chapter 222

222 That person is not ordinary

“Little uncle, are you being reasonable?” Yu Xinran mumbled, “ Alright, alright. My brother and I are also worried about this matter. The more people know about it, the more ideas we have.

...

Yu Qingliu immediately let go of her.

After all this, he had to come up with an idea?

He hated ideas the most!

Yu Qingliu wanted to run, but Yu Xinran pulled him back and whispered in his ear, “ We suspect that he’s the night God!”

What? Yu Qingliu was shocked and turned to look at her.

Yu Xinran nodded, “it’s just a suspicion. I’m not sure yet.” However, at least he has a close relationship with that person.”

ye ... Yu Qingliu looked around and whispered, “that person is not ordinary.

brother went to look for him when the company’s stock had some problems. You can ask brother. Seeing Yu xinzhuo walk over, Yu Xinran turned around and left.

Yu xinzhuo walked to Yu Qingliu’s side and asked, “ What’s wrong with ran ran?”

Yu Qingliu looked at him with a complicated expression and hooked her finger at him. “Come with me, I have something to ask you.”

.....

The hostess led Sheng nanxuan and Gong mo to their seats. Gong mo was very nervous at first, but when he saw a few familiar faces at the table, he relaxed.

The people present were Zeng Shuai, Lin Lei, and Lin Jing.

Zeng Shuai was sitting next to a big star. She was actually the newly crowned Best Actress. Gong mo was speechless. She had never thought that she would meet the movie queen face to face.

Gong mo had seen the other man at Happy Garden before. He was also one of Sheng nanxuan's men, and his public identity was fan Yiwen, the president of Huarong real estate.

Fan Yiwen was also a handsome man. He looked a little older than Zeng Shuai and Lin Lei, probably in his thirties. He looked reserved and did not like to talk. He exuded the aura of an elite in power. The movie queen next to Zeng Shuai kept glancing at him. She probably liked this type more than Zeng Shuai, who was a Playboy.

"You're here?" Lin Lei said to Sheng nanxuan. Because the movie queen wasn't in their circle, he didn't call her "BOSS" and could only greet her vaguely.

Sheng nanxuan nodded and helped Gong mo sit down.

"Fang Yang didn't come?" Zeng Shuai turned his head and asked.

Lin Jing glared at him when she heard that.

He shrugged innocently, 'I'm asking Fang Yang, why are you glaring at me?' Even if you don't like Fang Yang, you can't stop him from appearing here, right?

"He'll probably be here in a while." Sheng nanxuan said.

Hearing this, Lin Jing pursed her lips and looked a little annoyed.

She had not seen Fang Yang for a long time. She was not used to having one less person following her around. Sometimes, she would actually miss him! Now that she was going to see him, she had no idea what to do later!

People came in one after another. As long as they passed by their table, they would stop to greet everyone. However, no one paid attention to Sheng nanxuan, because these people came from all over the country. Some of them did not know Sheng nanxuan.

Sheng nanxuan was indifferent. He lowered his head and asked Gong mo, "Are you hungry? Have something to eat."

Gong mo hurriedly shook his head. No one had eaten, and it would be rude of her to eat alone. "I'm not hungry now, I'll eat later," she said.

Sheng nanxuan nodded.

Suddenly, a frivolous voice was heard-

aiyaya ~ so you arranged for me to sit at the same table as you!

Gong mo looked over and saw Wu Di. Accompanying Wu Di were a few men she did not recognize.

Wu Di punched Sheng nanxuan's shoulder, and Sheng nanxuan returned the punch. To the others, they seemed to be on good terms.

Chapter 223

jealous husband mode

Of course, they had a good relationship.

...

Gong mo thought that Sheng nanxuan must have sincerely treated Wu Di as a friend. That was because Wu Di really treated him as a friend, and did not alienate him or look down on him just because he was abandoned by the Sheng family.

Moreover, Sheng nanxuan's mother was related to the Wu family. This meant that Sheng nanxuan was destined to see Wu Di in a different light, right?

Wu Di looked at Gong mo and smiled. sister-in-law, you're so beautiful tonight. You're a goddess!

"Be careful or Nan Xuan will dig your eyes out," CEng Shuai said.

Lin Lei chuckled, obviously agreeing with CEng Shuai's words.

"What's wrong with me admiring beautiful women?" Wu Di shouted. By complimenting sister-in-law's beauty, I'm also praising nanxuan's good taste!"

"Thank you, you're also very handsome," Gong mo said with a smile.

"Al! Beauty, what about me?" Someone asked.

Gong mo turned around. It was the group of people who came with Wu Di.

Sheng nanxuan pulled a long face and looked at Gong mo. "More handsome than me?"

Gong mo lowered his head and didn't dare to speak.

"I'll go!" Wu Di shouted and punched Sheng nanxuan's shoulder. you're a jealous husband! Sister-in-law can't look at handsome guys?"

"I don't even look at beautiful women, so of course she can't look at handsome men." Sheng nanxuan said with a straight face.

Gong mo lowered his head and his face was as red as blood. He was too embarrassed to speak.

Their table was so lively that even the people around them were attracted.

Not far away, su mo tugged at Sheng Dongyi, who was talking to someone. Sheng Dongyi turned around and saw Sheng nanxuan surrounded by people. His face immediately turned ugly.

"Isn't that Mr. Sheng's younger brother?" someone at the table asked.

Sheng Dongyi turned around and said with a stiff smile, "Yes, Yingluo."

Is he really not coming back to the Sheng family? " The person opposite him asked.

Sheng Dongyi was taken aback. He smiled. it's nothing. It was just a misunderstanding. My parents and I are looking forward to his return.

.....

After all the guests had arrived, the lights in the hall were turned off. Other than the candles on each table, the entire Hall was dark.

However, the big screen on the stage lit up very quickly. The auction for the night had begun.

The promotional video was playing on the big screen. Sheng nanxuan was helping Gong mo cut the food on his plate. you should eat a little now. When the auction starts later, the photographer will be scanning the food here and there. I'm afraid you won't dare to eat it.

Hearing this, Gong mo turned around and looked behind him. The entire back of the banquet hall was packed with reporters and cameras.

This Kasaya

How could there be anything to eat?

No wonder the others didn't even touch their knives and forks, and rarely drank the champagne in their glasses.

Sheng nanxuan asked someone to change their champagne to cool Apple and clean water, both for Gong mo. When Gong mo drank cool Apple, he would drink water. When Gong mo drank water, he would drink cool Apple-that was how much he loved his wife!

After the promotional video ended, Yu Xinran slowly walked out from behind the screen and said into the microphone, " "Good evening, everyone. Welcome to the annual charity auction of Qing Yu media. This year, the Qingyu charity banquet had just entered its tenth year. In the past ten years, our charity gala has continued to grow, and the number of people participating in charity has continued to increase."

Yu Xinran gave a simple speech and then entered the auction.

Gong mo wasn't used to it. From a young age, school meetings and speeches from the principal and teachers would take at least ten minutes to half an hour, but Yu Xinran only spoke for two minutes. This was too unexpected!

The first item up for auction was a lady's leather bag custom-made in Italy. It was a top international brand and had a starting price of 200000!

Chapter 224

224 I'll take it down

A lady in a black suit walked up to the stage and showed everyone her handbag.

...

“Do you want it?” Sheng nanxuan lowered his head and asked.

Gong mo hurriedly shook his head. Sheng nanxuan had bought her a lot of bags, and they were all in the cloakroom in Happy Garden. When she arrived, there were also more than a dozen branded bags, but she usually didn't have the chance to carry them, for fear that if she carried too many, she would be discovered by her mother.

then don't, ” said Sheng nanxuan. it's not good anyway. I'll make you something better.

The movie queen at the side raised her card, but she wasn't the first. The price had already risen to 400000.

“You want this?” Zeng Shuai asked.

The movie queen smiled and whispered, ” it's good to buy one. This one isn't expensive at first. What if I can't afford the later ones? ”

She had just won the Best Actress award and was the center of attention. If she didn't spend some money, the media would probably say that she was heartless.

Zeng Shuai smiled and took a sip of the champagne. This was an artiste from his company. He was very satisfied that she was so understanding.

Lin Jing, who was beside him, also raised her card.

what are you doing?! Lin Lei immediately rebuked her.

In this case, only one person would raise his sign for an item or a table. Otherwise, if he raised the other party's price, he would offend more people.

These things were not new. They were all donated by everyone. Who would rush to buy second-hand goods? Other things were still fine. Art pieces and antiques were more valuable the longer they were used, but no one was willing to use a luxury item like a bag that had been used by others, especially for girls. If it wasn't for charity, none of the women present would be interested.

Lin Jing snorted, put the sign on the table, and didn't say anything.

Fang Yang was sitting diagonally across from her, playing with his phone with his head lowered. Lin Jing glanced at him, but he didn't seem to notice. He only sat down before the lights went out. After that, he didn't say a word and kept playing with his phone.

The auction price continued to rise. A 200000 Yuan bag had already reached 800000 Yuan.

Seeing that no one was calling, CEng Shuai asked the movie queen, "You don't want it anymore?"

The movie queen glanced at Lin Jing, held the number plate, and hesitated for a moment. Finally, she gave up.

Lin Jing had just raised her sign. If he bid for it, it would inevitably be a slap in the face. It was better not to offend this lady.

After bidding for a few more items, the movie queen took the opportunity to bid for a watch. She spent 500000 Yuan and was relieved.

The last item to appear was a jade necklace. It was 380mm long and 5mm in diameter. It was completely green and was obviously not an ordinary item.

the starting price of this necklace is 9 million! The auctioneer on the stage said.

"This is worth at least 15 million, right?" Zeng Shuai immediately said.

"If the hype is right, even 20 million is fine." Fan Yiwen said.

“It’s different tonight,” Wu Di said, “I think it can be sold for 30 million.

Lin Lei looked at him and said, “I heard that the old lady of the Yu family is a Jade collector?” Could it be that she donated it?”

she does have a lot of Jade in her collection, but I don’t know if she donated them. Wu Di shrugged. He looked at the necklace on the screen and thought for a while. I don’t remember seeing her wearing it in the past few years.

“The old lady has a lot of necklaces. She doesn’t have to wear this one.”

Everyone present should know about old Madam Yu’s hobby. She was most likely the one who donated such a top-grade Jade. If they won, it would be considered giving face to the Yu family. Many people would probably raise their boards.

“I’ll take a picture of it.” Sheng nanxuan’s sudden words stunned everyone.

Fang Yang and the others thought, ‘only a rich boss would dare to spend like this!’

But Wu Di thought, is he crazy? He had that much money?

Chapter 225

225 The battle for the Jade (1)

Gong mo looked at Sheng nanxuan. She wanted to say no, but when she saw his serious face, she suddenly remembered. He didn’t lack money to spend. He had a huge fortune in Happy Garden and could control the stock market at will. Even if this necklace was really sold for 30 million Yuan, it would be a drop in the bucket for him, right?

...

Besides, he said that he was here for his mother, so maybe it had something to do with his desire to bid for the necklace.

“Alright,” she nodded.

Lin Jing glared at her angrily.

Hmph! What a prodigal!

If it were her, she would not be such a prodigal!

Sheng nanxuan immediately raised his hand, and the price rose to 12 million.

The host on the stage didn't recognize him and reported his table number and number. The surrounding people looked over. Some of them knew him, while some didn't.

Sheng Dongyi frowned and tapped his fingers thoughtfully.

Su mo looked at him and sighed. She did not say anything.

She knew what he was thinking. This necklace was most likely donated by old Madam Yu. If she were to bid for it, she would be able to leave a good impression on the Yu family. Even if it wasn't old Madam Yu who donated it, it must have been an impressive figure.

Unfortunately, Sheng Dongyi didn't have that much cash on him. Even if there was, it was not his personal property. If they were to be used, it might affect the company.

However, she did not expect Sheng nanxuan to dare to bid.

He should be joining in the fun, Yingluo.

Su Mo's eyes lit up. She whispered into Sheng Dongyi's ear, "Let's film it too?"

Sheng Dongyi glared at her sharply, as if he wanted to eat her up.

Her heart skipped a beat. She knew that he was unhappy with today's arrangement, but she still said, "Let's call out a price and let the Yu family have an impression. We'll stop at the last moment."

Sheng Dongyi thought it was a good idea. He saw that there were still two or three people in the hall who were still competing, and none of them seemed to have given up. He probably wouldn't be the one to buy in the end, so he simply raised his card.

"Thank you, sir!" When the host saw him, he hurriedly pointed in his direction and everyone looked over.

Sheng Dongyi smiled.

"The bid is 16 million!" The host said.

"What is he doing?" CEng Shuai narrowed his eyes.

When Gong mo looked over, Sheng Dongyi happened to turn his head around. He was slightly stunned when he saw her.

She immediately turned to look at Sheng nanxuan.

Sheng nanxuan raised his hand again.

The crowd began to buzz with conversation. Everyone was curious about what the two brothers were doing. Why would they fight over something that was their own? wouldn't they be at a disadvantage if they raised the price? Did Sheng nanxuan really break off relations with the Sheng family?

When Sheng Dongyi saw Sheng nanxuan bid again, he hesitated. As there were other bids, if he continued, the price would reach 20 million. This was the estimated transaction price. It was very likely that no one else would bid after him. Wouldn't that mean that he had to buy it?

"20 million!" Sheng nanxuan raised his sign.

"Thank you, Mr. Sheng!" The host already knew Sheng nanxuan's name. He said loudly, "Mr. Sheng's current bid is 20 million! Is there anyone else who wants to continue?"

The eyes of the people around them fell on Sheng Dongyi.

Suddenly, Sheng Dongyi felt as if there were thorns in his back. He felt that it would be a joke if he stopped just like that! This was because the previous bidders had continuously made their bids several times. If he did not continue to bid, everyone would know that he was just joining in the fun. His thoughts would be completely seen through, and that would be too embarrassing!

Moreover, how could he lose to Sheng nanxuan?

He braced himself and raised his sign again.

Chapter 226

226 The battle for the Jade (2)

"This gentleman has made another bid." The host pointed at him and asked Sheng nanxuan, "Mr. Sheng, do you still want to join?"

...

Sheng Dongyi almost vomited blood! Why was Sheng nanxuan called "Mr. Sheng", but he was only called "this Sir"? He was Mr. Sheng, too!

Sheng nanxuan glanced at him with deep disdain in his eyes. He raised his sign again. "22 million!"

The default increase for each raise was 500000. Of course, the auctioneer could also decide on his own, as long as the increase was higher than 500000.

Sheng nanxuan had just bid 20 million, and Sheng Dongyi only raised his hand to 20.5 million, but he jumped three times in one breath!

Sheng Dongyi almost vomited blood.

At this moment, the other competitors were hesitating.

Their original plan was to get it for 20 million at most. Now that they had an extra 2 million, it wasn't a lot. However, if they continued bidding, it would probably be a transaction price of 25 million.

It was a quarter more than the price they had in mind, and everyone was a little hesitant.

The competitors gave up one after another. Only a fat middle-aged man raised his card again, intending to take a last gamble.

The price had reached 22.5 million.

Sheng Dongyi looked at Sheng nanxuan.

Because the camera was focused on him, Sheng nanxuan smiled. He picked up his number plate and was about to raise it when Sheng Dongyi said, "25 million!"

Sheng nanxuan was stunned. His hand that was holding the number plate paused. The number plate had just left the table a little and had not yet stood up.

"Mr. Sheng, do you want to continue?" the host asked.

Sheng nanxuan looked at Sheng Dongyi. Sheng Dongyi lowered his eyes and sneered.

Sheng nanxuan knew that he was certain that he wanted the necklace and was deliberately raising the price.

Sheng nanxuan sneered in his heart. He just didn't want it today! He was well aware of the Sheng family's capabilities. He would let Sheng Dongyi bleed the twenty-five million!

He threw away his number plate and was not prepared to bid.

Sheng Dongyi's eyebrows twitched and his jaw tightened.

"Is there anyone else?" The host kept asking.

No one moved.

Sheng Dongyi's face was so dark that ink could drip out of it! He didn't even prepare that much money!

Su mo looked at him nervously. She did not dare to speak or move because of the gazes around them and the camera pointing at them.

25 million going once! The host shouted, " 25 million going twice!

Sheng Dongyi nervously pulled on his pants, but he did not dare to show any expression on his face. He didn't want to lose face at this time and let everyone look down on him.

There were some benefits to winning the bid for the necklace. At least, he could show off here and let everyone remember him and shengshi medicine. Although he did not prepare 25 million, he would just give shengzhongtian a call later.

"25000,000-ah! Someone else made a bid! How much are you offering, Sir?"

Sheng Dongyi immediately heaved a sigh of relief.

pfft! someone laughed. Obviously, she had seen his reaction and knew that he did not want to bid for the necklace.

Sheng Dongyi was immediately embarrassed, but he didn't pursue who laughed at him. Instead, he looked at the person who made the latest bid.

"The latest bidder is Mr. Lorenzo Gambino from Italy," the host said with a smile. How much is Mr. Gambino offering?"

Gambino raised three fingers.

"30 million?" the host's eyes widened.

Gambino nodded his head subtly, his chin slightly raised, exuding the aura of a King.

"Mr. Gambino bid 30 million!" The host said excitedly.

young master Sheng, are you not going to continue?" asked Sheng Dongyi's deskmate suddenly.

Chapter 227

227 The battle for the Jade (3)

Sheng Dongyi's expression froze for a moment before he smiled calmly. he suddenly increased the bid by 5 million at the last moment. He must love this necklace very much. I won't take it away from him.

...

Everyone laughed and said, "young master is right." This person was determined to win. No matter how much you offered, he would definitely pass. It's better to stop now, so as not to raise the price and cause the other party to bear a grudge."

Sheng Dongyi smiled and didn't say anything. Just now, he had wanted to raise Sheng nanxuan's price, but Sheng nanxuan had stopped and almost made him bleed. He would not take the risk again.

Mr. Gambino has bid 30 million. Is there anyone else who wants to continue? "

Sheng nanxuan calmly raised his board.

The host was stunned for a moment, obviously not expecting him to make a comeback after giving up just now.

Sheng Dongyi's face turned green when he saw it.

When the people around saw this, they didn't know what kind of expression they should have. So these two brothers were really digging a hole for each other just now? One was deliberately raising the other party's price, while the other was waiting for the price to go too high to stop. It seemed that these two brothers were really enemies with each other.

Just as everyone was thinking, Gambino raised his card again. "35 million."

The entire Hall was in an uproar. This Gambino was indeed worthy of being the richest man in Europe. He raised the price by 5 million!

Sheng nanxuan smiled and raised his sign again. He did not make a sound, so it was 35.5 million.

Gong mo tugged at Sheng nanxuan's sleeve. he must be doing this on purpose. He's deliberately raising your price.

"I don't think so," Sheng nanxuan tilted his head and said to her, " I think he really wants it.

"Hey! Nanxuan!" Wu Di shouted, " what are you doing? Do you have that much money? It's fine that you just messed with your brother, but if it wasn't for this foreigner, you would have succeeded! If this foreigner doesn't fall for it, won't you have to fork out tens of millions?"

he ruined my original plan. I didn't manage to get Sheng Dongyi, so I can only take revenge on him. Sheng nanxuan smiled faintly.

Just then, Gambino raised his hand again. This time, he did not state the price. He probably wanted to play with Sheng nanxuan slowly.

When Sheng nanxuan saw this, he also raised his card.

Just like that, the two of them exchanged blows, and soon, the price rose to 40 million!

Everyone was no longer calm!

The necklace was originally expected to be sold for 20 million, but it unexpectedly doubled! The value of the necklace itself, according to the current Jade Market, was at most 15 million Yuan!

Gambino looked at Gong mo and Sheng nanxuan. Gong mo pulled on Sheng nanxuan's sleeve and said in a low voice, "It seems like he really wants Yingluo."

"Baby, I'm telling you, young people don't look imposing when they wear Jade."

Gong mo nodded his head.

"Young people are more suited for diamonds." Sheng nanxuan put his hand on the back of her chair. so I'm planning to buy this necklace for our mother.

"Ah?" Gong mo was shocked and looked at him in a daze.

"We haven't given her anything good yet," he said with a smile.

“But this is too expensive.” Gong mo said in a low voice.

“Just say that I got it from the company’s lucky draw at the annual meeting today. As for the price, please save the word “ten thousand”!”

“.....”

Save 10,000 words?

Didn’t that mean that he bought it for 40 million Yuan?

Oh my God, this is too crazy!

“Mr. Sheng, do you still want to bid?” The host asked.

“45 million!” Sheng nanxuan looked up and smiled.

Pa!

The fork in Wu Di’s hand fell on the table. He felt like he didn’t know his classmate anymore. How much money was this guy actually worth?

Chapter 228

228 The battle for the Jade (4)

Sheng nanxuan saw his reaction and leaned over. “If I don’t have enough money later, I’ll borrow it from you!”

...

f * ck-” Wu Di almost cursed. Afraid that everyone would hear him, he lowered his voice and said, “ if you don’t have enough money, why are you joining in the fun? ”

Gong mo burst into laughter.

Sheng nanxuan patted him on the back, sat up straight, and whispered in Gong Mo's ear, "I'm guessing that Gambino bought this necklace to give it to our mother."

Gong mo was shocked and looked up at him.

as far as I know, he's all alone," he said. he doesn't have any female relatives or close girlfriends. The only person he cares about is your mother.

no way, Zhenzhen! Gong mo muttered. If that was the case, it was too generous.

"50 million!" The host's voice exploded with excitement. Mr. Gambino has bid 50 million!

"Do you still want to add?" Sheng nanxuan asked Gong mo.

Gong mo frowned.

don't add anymore, don't add anymore," Wu Di said. I don't think this foreigner will give up. If you continue to add, you'll only be raising his price. What if he remembers you? " If he doesn't want it when the price rises to a few hundred million, you'll be the one paying for it!"

Sheng nanxuan smiled. It was not like he could not afford a few hundred million. He took a look at Gambino, put down his number plate, and extended his hand to make an inviting gesture. He had given up.

Gambino nodded his head in thanks, and this scene fell into everyone's eyes.

The host on stage did not waste any time."50 million going once, 50 million going twice, 50 million going thrice-deal! Thank you, Mr. Gambino!"

Gambino took a group photo on stage to give a speech, which took a few minutes.

After he got off the stage, Yu Xinran went on stage to conclude and announce the end of the party.

The lights in the hall lit up one after another. Although not all the lights were turned on, it was not as dark as before.

Everyone stood up and prepared to leave.

"I want to go to the bathroom," Gong mo whispered to Sheng nanxuan.

"I'll go with you." Sheng nanxuan fastened her shawl and helped her out.

On the way, a few business bosses stopped him. "Hello, Mr. Sheng. I'm Yingluo."

Seeing that he couldn't get away, Gong mo said in a low voice, "I'll go by myself."

Sheng nanxuan hesitated. be careful. I'll come to you soon.

Gong mo nodded and walked out of the hall to the bathroom.

There was a long corridor outside the bathroom. Gong mo was shocked when he saw a man coming out. Could she have walked into the men's room?

However, there was only a sign of the bathroom outside. It didn't say whether it was a men's or women's bathroom.

She walked in uneasily, turned a corner, and saw the man and woman symbol. She heaved a sigh of relief-it was good that she didn't go the wrong way!

She went to the women's washroom and spent a few minutes settling her physiological needs. When she walked out of the cubicle, she saw Lin Jing coming in.

Sheng nanxuan was worried about Gong mo, so he asked Lin Jing to come in and take a look. Lin Jing glared at Gong mo and said, "Nanxuan is waiting for you at the door! Hmph!"

She opened the door of the cubicle, walked in, and slammed it.

Gong mo stuck out his tongue, thinking, "Ms. Lin is so hot-tempered." However, she was quite pitiful for not being able to get what she loved, so he would just forgive her.

Gong mo opened the door of the toilet and went out. The door of another cubicle opened slowly, revealing su Mo's face.

Gong mo washed his hands and dried them under the hand dryer. Then, he moved closer to the mirror and observed his makeup.

Oh, Yingying seemed a little fat.

Gong Mo made a funny face in front of the mirror and smiled again. He felt that he was still quite beautiful and left with relief.

She had just walked a short distance when su mo came out of the toilet without a sound.

Chapter 229

229 Birth of the baby (1)

Gong mo took a few steps and heard the sound of high heels behind him.

...

She thought it was Lin Jing, but then she realized that Lin Jing probably wouldn't come out so soon, so it must be someone else.

She walked slowly with her big belly and wanted to make way for him. Just as she turned, the person behind her suddenly pushed her.

ah! Gong mo shrieked and fell to the ground before he could react.

She thought of the child in her stomach and reacted quickly. She reached out and held onto the wall. However, her entire body was already on the ground and she couldn't stand still at all.

Her nails slid across the wall with a sharp sound, and she felt a sharp pain in her fingertips.

Bang! Bang!

She fell to the ground, and the pain in her stomach immediately intensified.

help! Gong mo was in so much pain that he couldn't make a sound. He trembled and called for help.

A hand suddenly reached out from behind her, and she saw pink nails. Then, the hand covered her mouth, and she couldn't speak.

An intense pain came from his waist. Once, twice, three times.

Gong mo could tell that it was high heels that were stepping on her.

wuwuwuwu, " Gong mo almost fainted from the pain. However, for the sake of the child in his stomach, he still struggled with his last bit of strength.

The man stepped on her five times, then retracted his foot and slowly put her down. He slowly released the hand covering her mouth.

Gong mo was on the verge of death. She moaned intermittently, but her voice was so low that she couldn't even hear herself.

"Where are we going later?" The man's voice was heard.

The person standing was shocked and immediately left her behind and ran out of the toilet.

Gong mo blinked his eyes and saw a pair of purple high heels.

Purple-red mist

She seemed to have seen Yingluo somewhere before.

She recalled that at the banquet hall, there seemed to be someone wearing a dress of a similar color. Who is it?

"What's going on?" The two men who had just come out of the toilet were shocked.

"She looks like a pregnant woman. Is she about to give birth?"

"Hello?" One of the men ran to Gong mo. Seeing her pale face, he asked anxiously, "are you okay? Are you okay?"

"Yingluo, I think I'd better go get people. Look after her and call the ambulance." The other man walked out in a panic.

The man saw Gong mo lying on the ground. He hesitated for a moment before he turned her over with all his might.

As a result, he saw a large pool of blood on the ground. He was so frightened that he fell to the ground!

Oh my God, seeing red on the first day of the new year, how unlucky can I be? Besides, what if her family came and said that he was the one who harmed her?

At this moment, Lin Jing came out and was shocked to see Gong mo on the ground.

She didn't recognize Gong mo at first glance, but judging from his familiar clothes and his bulging belly, who else could he be but Gong mo?

Lin Jing hurriedly ran over and fell to the ground in fear. "Hey! Are you alright? What are you doing? Quickly get up!"

She was so scared that her face turned pale and her bones were cold.

What to do?

Would her brother and Sheng nanxuan think that she was the one who did it?

She didn't!

She was done for. She couldn't explain it. Something happened to Gong mo as soon as she entered the room. There were no surveillance cameras here.

"Quickly get up!" Lin Jing roared. Seeing more and more blood on the ground, she was so scared that she started crying.

"Gong mo!" Sheng nanxuan roared.

Lin Jing raised her head and saw a large group of people rushing over. The first to bear the brunt was Sheng nanxuan.

“Gong mo!” Sheng nanxuan rushed to Gong Mo’s front and held him in his arms.

Gong mo was already unconscious and his face was lifeless.

Chapter 230

230 Birth of the baby (2)

Sheng nanxuan panicked. He held her face and shouted a few times. Seeing that she had no reaction and the big pool of blood on the ground, he anxiously shouted to the people around him, “Where are the doctors? Quickly call the doctor!”

...

“Let me see!” Yu Qingliu squeezed through the crowd.

Sheng nanxuan looked at her as if he had seen his Savior. “Hurry up! Hurry up, she’s not talking anymore, Yingluo.”

“They’re all unconscious, of course they won’t speak!” After Yu Qingliu finished speaking, she placed her hand on Gong Mo’s stomach.

Everyone stared at his movements nervously, not even daring to breathe loudly. Only Lin Jing’s cries could be heard in the air.

Lin Lei suddenly looked over, and his expression changed as he lifted her up and stared at her as if he was going to eat her up.

“It wasn’t me!” She cried.

Fang Yang also looked at her gloomily. She said in despair, “It really wasn’t me, Yingluo.”

Why did he think of her that way? Did the people closest to her, those who once loved her, all think that she was vicious?

Fang Yang's face was livid. It wasn't that he thought of her that way. She had said that she would get rid of Gong Mo's child back then!

"Shut up!" Sheng nanxuan suddenly roared.

The few of them were shocked and could not move. Lin Lei reached out to cover Lin Jing's mouth and pushed her out.

Yu Xinran said, "everyone, let's disperse. The ambulance is about to arrive." The stretcher can't get in."

Yu Qingliu lifted Gong Mo's skirt and looked at him. Then, she said to Sheng nanxuan seriously, "We can't keep the child."

what?" Sheng nanxuan was shocked. what did you say?"

"I can't." Yu Qingliu said, "there's too much blood loss. We have to take it out immediately. How long has it been?"

Sheng nanxuan was dumbfounded. He looked down at Gong mo, whose face was getting paler.

"I'm asking you how old your child is!" Yu Qingliu roared.

seven ... Seven months old. Sheng nanxuan was exhausted. He held Gong Mo's head tightly in his arms. He was so sad that his eyes turned red. A tear fell on Gong Mo's cheek.

"Seven months is considered premature labor, and the survival rate is relatively low in this case."

As Yu Qingliu spoke, the paramedics carried a stretcher in.

He helped Gong mo onto the stretcher and said, "We need to start the operation immediately! The patient's vital signs are dropping!"

A group of people carried Gong mo and walked out in a hurry.

As they walked out of the hotel, a gust of cold air blew over, and the people who were only wearing gowns couldn't help but shiver.

But Sheng nanxuan didn't feel anything. He followed Gong mo into the ambulance.

Yu Qingliu also got in, and the others drove their cars to chase after her.

Sheng nanxuan grabbed Yu Qingliu. will she be alright? " he asked.

"She will definitely be fine." Yu Qingliu pulled back her collar. the current situation is whether you want a child or not.

"A child?"

"In a word, save the big or the small? If you want the younger one, you'll definitely take up more time to save the adults. If the small one doesn't matter, we can definitely save the big one!"

"Then I'll save the big one!" Sheng nanxuan roared.

"OK! OK!" Yu Qingliu immediately nodded.

The ambulance was on a rampage on the road. It was rare for Fang Yang to give an order to the traffic police in the name of the night God. At that moment, the cars on both sides of the road gave way to the traffic police.

The clear road allowed the ambulance to travel as fast as lightning, and they arrived at the hospital in less than five minutes.

In these five minutes, the doctor had already given Gong mo an injection, a drip, and an oxygen mask.

After they got out of the car, Gong mo was immediately pushed into the operating room.

Yu Qingliu heaved a sigh of relief. Seeing the blood on her hands, she turned to wash them.

Sheng nanxuan looked at the red light of the operating room and leaned against the wall as if he had collapsed.

How did this happen?

He was just fine a few minutes ago!

It was all his fault. He shouldn't have chatted with others. He should have followed her closely!
