### Chapter 231

#### 231 Birth of the baby (3)

If he didn't follow her, she would be in trouble! First, she was tricked by Sheng Dongxi. Fortunately, this mistake had been corrected. But now, his life was in danger!

...

Sheng nanxuan wondered if he was her jinx. Otherwise, why did she have to be involved in her misfortunes every time?

Nanxuan! Wu Di shouted as he ran over.

Sheng nanxuan lowered his head and did not move.

Yu Qingliu had returned at some point in time. She looked up and saw Wu Di running over with a large group of people.

Fang Yang, Lin Lei, Lin Jing, Zeng Shuai, Gambino, Yu Xinran, and Yu xinzhuo were all handsome men and beautiful women. They were all wearing formal dresses and looked like they were in a movie.

"How is it?" Wu Di asked.

Yu Qingliu shrugged, unable to answer.

Everyone was worried. Seeing that Sheng nanxuan was even more worried than them, they did not know how to comfort him. The only thing they could do was wait! The moment Gong mo was safe!

As time passed, everyone stood in the middle of the corridor or leaned against the wall. Gradually, they all quieted down.

Sheng nanxuan clenched his fists and remained silent.

Yu xinzhuo walked to the side and made a phone call to get someone to check the hotel's surveillance cameras.

From Gong Mo's appearance, it was obvious that he didn't fall on his own. It was impossible for him to fall on his own until his blood flowed like a river and he was unconscious.

Fang Yang also made a call to arrange for someone to investigate the truth.

it's really not you?" Lin Lei asked Lin Jing in a low voice.

"No!" Lin Jing stomped her feet anxiously. do I dare? "

"Did you see anyone suspicious?"

Lin Jing shook her head. I don't remember Yingluo. But I heard someone call her. She should be the one calling Yingluo.

"Should we inform dan Rong?" Gambino walked up to Sheng nanxuan.

Sheng nanxuan only reacted after a few seconds. "Who is it?" Why does this name sound so familiar?

"Her mother," Gambino said, pausing.

"Oh." Sheng nanxuan remembered that Zhen's mother was called dan Rong. He had met her before when he was handling the plane ticket.

don't worry, " he said, rubbing his forehead. she'll be worried.

Gambino glanced at his watch and said, "it's already very late." Giving birth takes a long time and Gong mo won't be out for a while. She'll definitely call you."

Sheng nanxuan took a deep breath and turned to Fang Yang. go and fetch old lady. Don't tell her what happened.

"Alright," he said. Fang Yang left immediately.

Zeng Shuai thought about it and went with him.

The others were still waiting outside the operating room, and no one was willing to leave.

After half an hour, the door of the operating room opened. Sheng nanxuan rushed in. The others also looked nervously at the person who came out.

It was a nurse.

The nurse jumped in shock and dodged Sheng nanxuan. She said to Yu Qingliu, " "Director ran ran, the bleeding has stopped, but the baby must be taken out!"

"The child is still alive?" Yu Qingliu's face turned serious.

If he died, he could just take it out without asking him. Now that he said this, it meant that the child could still be saved, but it would require a powerful medical skill. He couldn't handle that group of useless people, so he needed his help!

The nurse nodded,"but the director and the others aren't confident in the surgery, aww."

"Oh." Yu Qingliu nodded and looked at Sheng nanxuan.

Sheng nanxuan glared at him and asked,'what do you mean? Hurry up and save him!"

come, come, come, come, come, come. Yu Qingliu hooked his arm around his neck and walked to the side. He didn't look anxious at all. let me tell you the situation.

Sheng nanxuan pushed him away angrily and pressed him against the wall. He said furiously, "Don't play tricks with me! If anything happens to her, the Yu family won't be able to get any benefits!"

Chapter 232

232 Birth of the baby (4)

aiyaya! Young people shouldn't be so impulsive! Yu Qingliu wanted to push him away, but he couldn't move him. He leaned against the wall. Sheng nanxuan, let me tell you. I'm the second best surgeon in the world. No one dares to be the first! Although Gynecology isn't my specialty, I'm not bad compared to the group of people inside. Your wife's surgery this time, I'm the only one who can do it!"

...

Sheng nanxuan slowly let go of him.

Yu Qingliu panted and pulled at her clothes. She hooked her arms around his neck and whispered, "here's the situation-your wife can be saved, and I can also save your child!"

"Hurry up!" Sheng nanxuan roared.

"You're letting me perform the surgery?" Yu Qingliu looked at him and smiled smugly. then you should have a better attitude.

"What do you want?" Sheng nanxuan's face turned green. I'll agree to everything!"

"If I want it, you can give it to me?"

"I can afford it!" Sheng nanxuan nodded firmly. if I can't afford it, then no one in this world can.

“Yo, such big words.”

Sheng nanxuan glanced at the door of the operating room and was a little anxious. “Don’t talk nonsense! If you save my wife and child, you’ll get your share!”

“What benefits?” Yu Qingliu muttered.

“I’ll agree to anything!” Sheng nanxuan said anxiously, “ I’ll agree to anything! Can’t you go and save her first? Believe it or not, if you can’t keep the child today, I’ll tear down your hospital and make the entire Yu family go bankrupt!”

Yu Qingliu’s expression darkened. “Sheng nanxuan, you are the night God?”

Sheng nanxuan was stunned. Then, he nodded and said frankly, “ I am.”

“That’s true,” Yu Qingliu muttered.

Before the banquet, he had asked Yu xinzhuo. Yu xinzhuo was not 100% sure, but he was 70% sure that Sheng nanxuan was the night God.

However, the percentage was really a torturous thing. As long as Sheng nanxuan did not personally admit it, even 99% would not be accurate. After all, there was still a 1% error, right?

Now that Sheng nanxuan had admitted it, she was relieved.

He patted Sheng nanxuan’s shoulder. since you’re such a big God, I have to get something in return. Otherwise, it’ll seem like your wife is worthless. Don’t you think? ”

“Speak!” Sheng nanxuan gritted his teeth.

Yu Qingliu smiled mysteriously. how about this? promise me. No matter what happens in the future, you are not allowed to lay a hand on the Yu family!

“No problem,” he said.

“You’re not allowed to lay your hands on anyone ~”

“You think I want to attack you?” Sheng nanxuan was furious. He pointed at the operating room. hurry up and go in! If there’s anything wrong with my wife after the deed is done, or if my son is born with any defects, this promise will not count!”

“I’ll go! This isn’t something I can decide!” Yu Qingliu was so scared that she quickly ran to the operating room. If he had been a second too late, wouldn’t he be the one to blame for whatever problems the little brat had in his mother’s womb?

Sheng nanxuan heaved a sigh of relief. He could only hope that Gong mo and the child would be fine.

don’t worry, ” Wu Di consoled him. my little uncle is very powerful. He’ll definitely be fine! I’m still waiting to be your son’s Godfather!”

Sheng nanxuan squatted on the ground and buried his face in his hands. He was anxious when he thought of Gong Mo’s pale face.

Gong mo, please don’t let anything happen to you.

If something happens to you, what’s the point of me living?

Wu Di saw that he was like a trapped beast and was too embarrassed to persuade him. He sighed and stood to the side, continuing to look at the light of the operating room.

The door suddenly opened, and a nurse walked out.

Chapter 233

## 233 Birth of the baby (5)

what's wrong? " Wu Di hurriedly ran over. what's wrong? "

...

Sheng nanxuan immediately jumped up from the ground and rushed to the nurse. "What are you doing out here? Has Yu Qingliu started the surgery?"

The nurse was so shocked that she almost cried."The, the director has just finished disinfecting and is already on the operating table. He, he asked me to come out and prepare the safety responsibility letter for you to sign, ran ran."

When Sheng nanxuan heard this, he turned around angrily and punched the wall.

The nurse ran away as if she was running for her life. After a while, she returned with a large pile of documents."Mr. Sheng, this is Yingluo."

Shua!

Sheng nanxuan snatched it over. Without even looking at the contents, he flipped to the signature page and signed his name.

After a long time, Fang Yang and Zeng Shuai came with mother Hao.

The two of them kept it a secret from mother Zhai the entire time. No matter how mother Zhai asked, they didn't say what had happened.

However, after being admitted to the hospital, mother Zhai immediately thought of the worst and became extremely worried. When they reached the operating room, she ran over, grabbed Sheng nanxuan, and asked, " "What's wrong? Where's Momo? Why are there so many of you? What happened to Momo?"

Momo, she's stunned. Sheng nanxuan looked at her, speechless.

He wanted to comfort her and tell her that Gong mo would be fine. But he couldn't even comfort himself, how could he comfort others?

Gong mo was still in the operating room, so he believed that she would be fine! 99% will be fine! However, as long as she didn't come out, as long as the doctor didn't announce that he was safe, there would still be 1% of the accident hanging over his head. He couldn't make the decision!

He was afraid that if he comforted her now, the doctor would come out and shake his head at him. He didn't know what to say.

Seeing that he didn't say a word, his mother became even more worried and was on the verge of a breakdown.

"What's going on?" Her mother shouted.

Gambino suddenly hugged her from behind and said in a low voice, "I'm fine. She'll be fine!"

Mother Ling looked at the light in the operating room and began to cry.

Gambino hugged her tightly, his heart aching. He kissed the top of her head and took out a handkerchief to wipe her tears.

Mother Yan took the handkerchief and wiped it a few times. Suddenly, she realized something and pushed him away, "Damn foreigner, you ..."

She pointed at him and suddenly saw the handkerchief in her hand. When she realized it was his, she threw the handkerchief on his face and turned to continue looking at the door of the operating room.

Gambino caught the handkerchief and sighed, looking at the door of the operating room as well.

After waiting for a while, no one came out. Mother Zhai had a bad feeling and couldn't help but cry again.

Yu Xinran walked to her side and reached out to hold her shoulder. "Gong MO will be fine, Auntie."

Mother Yan sniffed and looked up at her. "Who are you, Yueyue?"

"I'm Yingying!"

Yu Xinran paused. Although she had met Gong mo a few times, they weren't familiar with each other. If she claimed to be his friend, would it be suspicious of her?

She was the daughter of the richest family, and there had always been others who clung to her. But when she met night God's Wife, it became her clinging to someone else.

No one spoke and mother Zhai did not have the mood to think too much. She asked, "What's your name?"

"Yu Xinran, you can call me Ranran. My third uncle is performing the surgery for Gong mo. He will definitely do his best."

Her mother's eyes lit up and she quickly held her hand. "Really? Thank you! How long has Gong mo been in there?"

"It's been a while. It'll take a long time to have a child."

"Live?" Mother Yan was shocked. She turned to look at Sheng nanxuan. Momo is only seven months old!

Chapter 234

234 Birth of the baby (6)

“Mom, I’m sorry,” Sheng nanxuan said with self-blame. I didn’t take good care of Momo and let her fall. I can only give birth to the child early.”

...

Mother Ling’s body swayed and she almost fell.

Gambino rushed in front of her and hugged her!

Her mother was furious. She raised her hand and slapped him.

Everyone was shocked by the sound. It was so quiet that they could even hear a pin drop.

Those who didn’t understand were all stunned, that Yingluo was Gambino! She was someone who was on par with the Yu family, but her mother actually dared to slap him?

Everyone looked at Gambino, only to see him slowly let go of Diana’s mother without any reaction.

This Kasaya was too strange!

Diana’s mother glared at Gambino and asked the others in confusion, “What is this foreigner doing here?”

uh, Zhenzhen,” Fang Yang said, “because when my husband and Qianmo got into an accident, everyone was present, so we came together.

Mother Yan looked at everyone and nodded gratefully. Then, she continued to look at the door of the operating room. She closed her eyes, put her hands together, and began to pray for the blessings of the gods.

After about forty minutes, the light of the operating room finally went out.

Everyone recovered from their exhaustion and stared at the screen intently.

When the door opened, Sheng nanxuan and mother Yan rushed up and grabbed Yu Qingliu, who was walking in front.

Yu Qingliu took off her mask and sighed, "He's fine for now. He still needs to be observed for a few hours."

"Can I go in?" Sheng nanxuan asked.

"Go on."

"And me!" Her mother hurriedly said, "I'm her mother!"

"The two of you can go in. The others can stay here. Don't disturb her, she'll only wake up tomorrow."

"Alright!" Her mother ran in hurriedly, but Sheng nanxuan had already disappeared.

Gong mo was still lying on the operating table with his eyes closed and his chest rising and falling slowly.

Several nurses were packing up the surgical supplies. When Sheng nanxuan saw the blood-stained gauze and cotton, he lost half of his strength and staggered to Gong Mo's side.

Gong mo was in a deep sleep and his face was pale.

He trembled as he held her hand. Her hand was a little cold, and it almost made him collapse.

He hurriedly looked at her chest and saw that she was breathing. Only then did he believe that she was still alive.

He lowered his head and kissed her on the face. "Mo Mo Qian Qian Qian, mo Qian Qian, I'm sorry, Qian Qian, you'll be fine, you'll be fine, Qian Qian"

"Momo!" Mother Gong ran over and held Gong Mo's other hand. She was also shocked by the cold feeling.

She paused for a moment and slid her hand onto Gong Mo's wrist. Feeling his pulse, she was so excited that she cried.

"You child, Yingluo!" Her mother sobbed, "when I don't see you, you get into trouble, Yingluo!"

Her mother looked down from her face, her eyes swept past her chest, and then to her abdomen. Seeing her flat stomach, she was stunned and quickly looked up to ask, "Where Are the Children?"

Sheng nanxuan also reacted and looked up to search.

The nurse pointed to the thermal container beside her and said, "Over there. The child was born prematurely and had to live in a thermal box. Without our orders, you are not to touch him. He is very weak now."

Sheng nanxuan walked over and leaned on the thermal container. He saw a very small baby lying inside, sleeping quietly.

why are you so small, ran ran? " mother ran said from the side, covering her mouth and crying.

"Mom, what's wrong?" Sheng nanxuan asked hurriedly.

"You're so small." Her mother was sad. It was not easy to raise such a young child in her time.

Chapter 235

235 Found a person on the surveillance

Sheng nanxuan seemed to understand her concerns and hurriedly said, "It'll be fine! He's fine now, and he'll be fine in the future!"

...

wuwuwu " her mother turned around and wiped her tears. what kind of sin has she committed "

Sheng nanxuan was stunned.

Did he commit a sin?

What sin had he committed? Why did he have to torture his woman and child like this?

He turned around and walked to Gong Mo's side. A nurse came over with a glass of water. She dipped a cotton swab in the water and applied it to Gong Mo's lips.

"Give it to me," he said as he reached out.

The nurse passed the bottle to him and he carefully moistened Gong Mo's lips.

He and his mother stayed close to her, while the others waited outside for a while before leaving one after another.

Gambino stayed at the back. After everyone left, he walked into the operating room.

Sheng nanxuan raised his head and looked at him.

He stopped and looked at Gong mo from a distance. After a while, he turned around and left.

It was snowing outside the hospital. He stood in the snow, and his subordinates hurriedly helped him hold an umbrella.

He took out his hands from his coat, took off his gloves, and caught the snowflakes.

“Find out how she got into this accident.”

“Yes!”

.....

Yu Xinran returned to her room. She had just removed her makeup when she heard a knock on the door.

He opened the door and saw Yu xinzhuo standing outside.

“I found a person on the surveillance camera,” Yu xinzhuo said.

“I know him?”

Yu xinzhuo didn't say anything, which was a silent agreement. He took out his phone and played a video.

In the video, a woman was running out of the toilet. In the lower right corner of the video, Sheng nanxuan, Yu xinzhuo, and Yu Xinran happened to appear. They were going to pick up Gong mo.

Yu Xinran's heart skipped a beat.

As soon as they appeared, someone came out and said that a pregnant woman had an accident.

In other words, the person who had run out was most likely the murderer who had caused Qimo's accident!

Yu Xinran was shocked and felt that the person looked familiar. She hurriedly said, "Let me see again!"

Yu xinzhuo opened the video again, and Yu Xinran stared at the woman without blinking-

Hairstyle, clothes, figure

She recalled the moment she saw su mo. Su mo had dressed like this, and her figure and movements were very similar to su Mo's.

Yu Xinran's body swayed, and her face turned pale. "It's Yingluo, it's my person Yingluo."

Yu xinzhuo kept his phone. what's wrong with her? " he asked.

she is. she thought for a while and held her forehead in pain. Sheng Dongyi is her boyfriend.

"What?"

"Let's tell Sheng nanxuan."

he doesn't have the time to care about this now. I told Fang Yang, but he has already found out.

it's over, ran ran," she said dejectedly. we're finished!

Yu xinzhuo frowned and patted her shoulder. "Don't worry. Even if we are to blame, it was little uncle who saved Gong mo and the child just now. This debt can be considered offset. Sheng nanxuan should not do anything."

"I hope he's not the night God!" Yu Xinran said.

Yu xinzhuo paused and sighed. my uncle just told me that he asked Sheng nanxuan. Sheng nanxuan admitted it.

“What? Admit it? Admit that he’s Yingluo.”

Yu xinzhuo nodded and sighed. don’t think about it. Have a good sleep.

.....

Sheng nanxuan guarded Gong mo for a while before Yu Qingliu chased him out.

she’s currently under post-surgery observation, “Yu Qingliu said. you can’t stay there all the time. You might get an infection.

“When will she be out?”

“We’ll have to observe her for a longer time, about four hours. I suggest you stay in ICU for half a day after four hours, just in case. Then you can be transferred to the general ward.”

alright, Yingluo. Sheng nanxuan was so upset that he could only listen to the doctor. “Mom, you can go back first. I’ll stay here,” he said to his mother.

Chapter 236

236 I’ll deal with them when I’m free

“I’ll wait for her.” Her mother hurriedly shook her head.

...

“How can we do that? You can go home and take a nap. You can come over tomorrow morning.”

Her mother still shook her head.

then let's go to the ward. I'll arrange a vvvip Ward for you! Yu Qingliu said helplessly.

Sheng nanxuan glared at him. What time was it now, and he still had something on his mind to joke about? What vvvip!

"Cough, alright, you keep watch. Mrs. Jin, I'll take you to the ward."

Mother Ling was still unwilling to leave,

your daughter will be staying in the ward tomorrow, "Yu Qingliu said. go and see if there's anything you need.

"You're right." Said her mother hurriedly as she followed him to the ward.

When she walked into the ward, mother Yan was dumbfounded."This bi an ..."

"This is our VIP Ward! The best one!"

"Yueyue, this is a Ward?" Her mother was shocked.

The sofa, TV, and crystal chandeliers did not look like a Ward at all. The hotel was about the same!

"We're not staying here!" She turned around.

"Why?"

"I don't have money!" Her mother shouted, "you're a private hospital, and a normal Ward is already very expensive. This VVV is trying to kill us!"

“You don’t have money, but your son-in-law does!”

he didn’t ... mother Yan was stunned. Did he really have one?

“Alright, you can stay here for now. I think your daughter will be here by tomorrow afternoon.”

Mother Yan stood at the door in a daze for a while. Then, she turned around and went to find Sheng nanxuan.

When she walked to the corridor outside the operating room, she saw Sheng nanxuan sitting at the door of the operating room from a distance. Fang Yang was standing beside him, waiting for his orders.

She was silent for a while, then turned around and walked back.

The people outside the operating room were all dressed like celebrities, and they didn’t look like they were from her world. Nan Xuan was not Yingluo to begin with.

Perhaps, he was still the young master of a rich family.

.....

Outside the operating room.

Fang Yang glanced at her back and turned to Sheng nanxuan. su mo and Sheng Dongyi went back to their residence together. They don’t seem to be running away. Should we take them down? ”

Sheng nanxuan was silent for a while. I don’t have time to care about them now. Ask someone to keep an eye on them. Don’t let them escape. When I’m free, I’ll go and take care of them!”

“Yes. That Yu family’s WAN Wan ”

“Don’t make things difficult for them. They will know what to do.”

“Yes!”

.....

Gong mo opened his eyes and felt that the light was a little glaring. There was a dull pain in her abdomen, and she had no strength in her body.

Sheng nanxuan suddenly appeared in her line of sight and said happily, “You’re awake?”

Gong mo looked at him and saw that his eyes were bloodshot. “Yingluo, you look so pale.”

“Oh, really? It’ll be better tomorrow.”

Gong mo laughed as he recalled the excruciating pain in the toilet. He said in a hoarse voice, nanxuan yunyuan, my stomach hurts.

the anesthetic is gone. It’ll definitely hurt. Don’t move.

“Where Are the Children?” Gong Mo’s eyes were empty. She felt that her child was gone.

“He’s here. He’s already born.”

“What?”

“It’s not one month old. It’s a little small, and it’s in the thermal box. The doctor said that he needs to stay in the thermal box until he’s a month old.”

Gong mo listened in a daze and tears filled his eyes. He was both sad and happy. "You're saying Yingluo, he's fine?"

"Yes."

"How does he look? Like me?"

"Yes,"

"Is that like you?" Gong mo cried.

"It also looks like it." Sheng nanxuan said in a hoarse voice.

it's my fault, waah! Gong mo cried.

"Don't cry," Sheng nanxuan lowered his head and kissed her on the forehead. don't cry. He's fine.

"I want to see him."

Chapter 237

237 Nanxuan is worried, right?

"Not now. You can't move." Sheng nanxuan said.

...

Hearing this, Gong mo was sure that the child was gone! He was just finding excuses to delay the truth and hide it from her!

"Let me see!" Gong mo shouted and tried to sit up.

Sheng nanxuan held her down. don't move! he said.

"What's wrong?" Her mother ran in from outside the ward.

She had just gone to see her child and heard Gong Mo's voice as soon as she came back. Seeing that Gong mo had woken up, she rushed to the bed and said, "Thank the heavens, you're finally awake!"

Gong mo grabbed her and said,"mom-"

"Don't cry, Mommy's here." Seeing her teary eyes, her mother's heart ached. She comforted her and helped her wipe her tears.

Gong mo shook his head and cried,"where's the child?" Where's my child?"

"The child is in the greenhouse."

"He's still here?" Gong mo was stunned.

"Yes, I am." Her mother laughed. aren't you careful? you suffered and so did your child. You even caused nanxuan to not sleep the entire night, Qianqian.

I want to see him! Gong mo wanted to get up.

"Don't worry, you can't move now." Sheng nanxuan said. However, Gong mo insisted on getting up. He suddenly got angry and shouted, " you just came out of the intensive care unit. Why are you moving?!"

Gong mo was shocked. He stared at him and didn't dare to breathe.

"Don't be angry, son-in-law. She's just worried about the child," mother Luo hurriedly advised. All mothers are like this. The world is big, but the child is the biggest."

Sheng nanxuan took a deep breath and pulled the blanket over Gong mo. mom, you look after her. I'll call the doctor to push the child out.

"Don't mess around with her!" Her mother hurriedly stopped her. the child is so weak now. How can he move? "

Sheng nanxuan looked at Gong mo without saying a word.

The world is big, but children are the most important? She didn't care about him now that she had a child?

Perhaps, in her heart, she had never cared about him.

What was he? If he had not forced her, she would not have married him! Now that he had a child, he was even more useless.

He had stayed by her side the entire night, not even daring to blink! Yet, she only cared about the child and did not care about him at all!

"You haven't eaten yet, have you?" Her mother said, " I didn't rest either. Momo is awake, I'll take care of her. You go eat something and then take a nap."

"Yes." Sheng nanxuan turned around and left.

Seeing his expression, Gong mo realized what he had done and felt a little guilty. However, she was more worried about the child. She hurriedly pulled on her mother."Mom, is the child really fine?"

"She was born two months prematurely. However, it's a great fortune that we managed to keep it. "

Hearing this, Gong mo covered his mouth and started crying. His stomach started to hurt as he cried.

“Don’t cry. You can’t eat anything now, so I’ll feed you some water.”

nanxuan, ” Gong mo wiped his tears and asked, ” is nanxuan worried? ”

“Isn’t it? He didn’t sleep the whole night, look at his red eyes.”

Gong mo turned around and looked at the door of the ward, feeling even more guilty.

“Come.” Her mother came over with a bowl of water and fed her with a small spoon. you can have porridge tonight. What kind of porridge do you want? ”

anything is fine, “Gong mo said absentmindedly. I don’t know what to drink.

“Then I’ll cook fish porridge for you. It’ll help with the recovery of your wound.”

“Yes.”

After drinking half a glass of water, her mother’s phone rang. She put down the cup and took out her phone. It’s nanxuan.

It was a video call from Sheng nanxuan. Mother Zheng picked it up and her face lit up. She hurriedly passed the phone to Gong mo.”Look!”

Chapter 238

238 Nanxuan is very concerned about you

Gong mo saw a baby on the screen. The baby was lying down in the thermal box.

...

“This Yingluo is a child?” Gong mo was overjoyed.

"Yup." Said her mother.

Gong mo covered his mouth in excitement and almost cried. She looked at it greedily for a while, and her eyes became wet. "He's so small, Yingluo."

"You're two months short." Said her mother.

"Then what should we do?" Gong mo asked worriedly. Will there be any problems?"

"Of course I'll be fine," mother Yan said after a pause.

Gong mo frowned and said, "mom, you lied to me!" How can you compare this to a normal child?"

this Yingluo. her mother hesitated for a moment and said helplessly, "I'm just afraid that you'll worry. Of course, this can't be compared with normal children, but you have to think about it. If it was in the past, the living conditions were not good, and the children would grow up to be weak and sickly. If they were unlucky, they would not even grow up. But we're different now! Now that the medical facilities are so good, if he can be treated, he can be treated now. In the future, let him exercise more and strengthen his body. He may not be worse than others."

Gong mo felt that it made sense. There was nothing wrong with the child during the prenatal examination. The only bad thing was that she was born early. But Sheng nanxuan was so rich that he had enough ability to make up for it.

She heaved a sigh of relief and reached out to touch the screen. "It's good that he's fine, Yingluo."

Taking ten thousand steps back, as long as he was still alive, it was already a great gift.

Suddenly, the child's leg moved.

"He's moving!" Gong mo shouted in excitement.

“Let me see!” Mother Zhai hurriedly came over, but the child did not move. He seemed to be sleeping very soundly.

“He just kicked his leg,” Gong mo said awkwardly.

“He’s dreaming,” said her mother with a smile.

Gong mo nodded and continued to look at the child. He fondled the phone screen lovingly.

“Nanxuan?” mother Yan suddenly asked.

“Yes, I’m here.” Sheng nanxuan’s voice came from the other side.

Gong mo was stunned for a moment. He hurriedly retracted his hand and looked a little guilty.

“Didn’t I ask you to go eat?” Her mother asked.

“I’m here to see the child,” Sheng nanxuan said in a hoarse voice, “didn’t Momo want to see the child?”

Mother Gong was stunned and looked at Gong mo.

“I saw it,” Gong mo replied awkwardly. Quickly go eat and go to sleep after eating!”

“.....”

“Oh right? Where are you sleeping?” Gong mo raised his head and looked around the ward.

The ward was very wide. In addition to the bed she was sleeping on, there was also a bed for accompanying nurses and a set of sofa for resting.

“If you don’t mind the noise, why don’t you sleep in the ward?”

“Alright,” he said.

Sheng nanxuan could tell that she was trying to be friendly. She must have realized that she had neglected him just now.

He wasn’t a petty person. Since she still remembered him, he naturally wouldn’t hold it against her.

Cough, how could he not care? He was even a little happy.

“I’m hanging up,”

Sheng nanxuan ended the video call and looked at the little thing in the incubation room. He poked his face a few times through the glass. I knew it. My status will plummet the moment you come! You have a grudge against me in your past life, right?”

In the ward, mother Zhai put down the phone and said to Gong mo, “ nanxuan is very concerned about you. You should show him more concern too. Don’t forget your husband after you have a child.

“Aren’t I concerned about him?” Gong Mo’s face turned red.

Her mother smiled and tucked her in.”It’s good that you know. I’m old, I don’t know about love, but you two just have to live in harmony, Yingluo.”

Chapter 239

239 How else should I address you?

Knock, knock, knock.

...

Someone was knocking on the door.

"Please come in," said her mother.

"Mrs. Jin, Mrs. Sheng." A nurse walked in and glanced outside. someone's here to visit you. Do you want to receive them? "

"Who is it?" Her mother stretched her neck.

The nurse made way, and a long leg appeared-it was a pair of suit pants and leather shoes. It was a man's outfit.

Then, that person appeared in his line of sight. It was Gambino.

Her mother's expression changed and she frowned in displeasure.

Gong mo looked at her and said in a low voice,"what love?"

Her mother blinked, not understanding what she was saying.

"You don't understand?" Gong mo finished his last few words.

Diana's mother understood and glared at her. Her resentment towards Gambino grew, so she turned her head and glared at Gambino again.

Gambino smiled apologetically, turned around, and took a fruit basket and a few boxes of tonics from his subordinate.

Gong mo tried to sit up, but he didn't have the strength to do so. He could only continue lying down.

I'm sorry," she said to Gambino apologetically. I can't get up. I can't greet you.

"It doesn't matter! You lie down!" Gambino said hurriedly.

Her mother stood up. Although she was unhappy, she couldn't drive him away since he was here to visit.

"These are for Gong mo to nourish his body."

Gambino passed the item to her. He was full of anticipation and a little nervous, afraid that she would not accept it.

Mother Juan didn't make things difficult for him at this time. She reached out and took the things. At a glance, they were all ginseng and deer antlers. These few big boxes probably cost tens of thousands of Yuan.

"You're too kind," she suddenly hesitated.

"I should." Gambino looked at Gong mo, who was lying on the bed, and said bitterly.

Her mother was speechless. What did he mean by he should? It had nothing to do with him!

"You can sit." Mother Zhai turned around and put down her things, then went to get some water.

"Do you feel uncomfortable anywhere?" Gambino looked at Gong mo.

I'm fine," Gong mo replied with a faint smile. it's a little painful, but it's inevitable.

"Have a good rest, then." Gambino said, " if you need any help, you can tell me.

“Alright. Then I’ll thank you in advance.”

um, ran ran. her mother walked over with a glass of water. there’s no tea or coffee here. You don’t mind drinking water, do you? ”

“I don’t mind,” Gambino hurriedly took it and immediately took a sip. Oh, the water Rongrong poured had a refreshing sweetness to it.

“Sit here.” Her mother pointed at the sofa.

Gambino nodded and sat down on the sofa. He was still looking at Gong mo, who was on the bed.

Her mother sat down opposite him and pushed the fruit platter in front of him.”Have some fruit.”

These fruits were sent by Yu Qingliu in the morning, but Gong mo couldn’t eat them now. However, since she was staying in the hospital, there would definitely be people coming to visit her. It would be good to serve the guests with fruits.

Gambino nodded and continued to drink the water.

The two of them looked at each other speechlessly. Feeling a little embarrassed, mother Juan picked up the Apple and started peeling it.

Gambino put down his cup. you’re taking care of Gong mo by yourself. It must be tough on you, right? ” he asked.

“I’m used to it. I don’t think it’s hard.”

Gambino was stunned, and the fingers on his knee moved.”Dan Rong ...”

Her mother suddenly raised her head and looked at him unhappily, obviously dissatisfied with him calling her that.

“How else should I address you?” he paused.

“You can call me Mrs. Jin.”

“Yueyue, I’ll just call you Ms. Dan.”

Mother Yan glared at him angrily, quickly peeled the Apple, put the knife into the fruit plate, and began to bite.

Chapter 240

240 What happened last night?

Gambino was stunned. He thought that she was cutting it for him.

...

Gong mo saw this from the bed and sighed softly. She didn’t have the energy to greet anyone, so she was too lazy to talk. She missed Sheng nanxuan a little.

Just as she was thinking about it, the door opened. She looked over and saw Sheng nanxuan.

She was overjoyed and felt that her unstable heart had someone to rely on.

When Sheng nanxuan saw Gambino, he was slightly stunned. “Mr. Gambino.”

“I’m here to visit Gong mo,” Gambino said as he stood.

“You’ve put in a lot of effort.” Sheng nanxuan nodded and walked over to Gong mo.

Gong mo stretched out his hand from under the quilt and he hurriedly held her hand.

“Have you finished eating?” she asked softly.

“Yes.” Sheng nanxuan pulled the blanket over her.

“Are you angry?” Gong mo asked again.

Sheng nanxuan was stunned. why should I be angry? ” he asked.

“I thought you were angry with me.” Gong mo said in a low voice.

He would suffer if he got angry with her! Sheng nanxuan knew what she was talking about. Wasn't it because she had just given him the cold shoulder?

However, he was already thankful that she could remember him now.

“I'm angry at myself.” He said, ” if I had gone with you, you would have been fine.

Hearing this, Gong mo recalled the scene and hurriedly glanced at his mother.

Sheng nanxuan knew that he could not let mother Yan know. What had happened had already happened, so there was no need for her to worry about some overly negative things.

He saw the gifts and fruit basket on the cabinet and guessed that they were from Gambino. He suddenly thought of something and said to Diana's mother, “Mom, have you informed Gong Bai?”

“Ah?” Her mother was stunned. no! Look at me, I've forgotten!”

Mother Diana stood up in a hurry. She glanced at Gambino and said to Sheng nanxuan, " take care of things here. I'm going to call Gong Bai.

Sheng nanxuan nodded. After she left, he did not hide from Gambino anymore. He asked Gong mo directly, " "What happened last night?"

"Someone pushed me." she pressed me to the ground and stepped on my back a few times, " Gong mo said. It's a woman, wearing a pair of purple high heels."

Sheng nanxuan nodded. I will.

In fact, he had already found out. But he didn't want to talk about the details now and make her think too much. She should rest well now.

Gambino walked over and was a little confused when he heard his words.

The person who had injured Gong mo was su mo. If he had already found out, Sheng nanxuan would definitely have found out before him.

Why did she hide it from Gong mo?

Gambino had found out that su mo was living with Sheng Dongyi. Was Sheng nanxuan planning to protect su mo?

He was suspicious because he did not take Sheng Zhongtian's decision to kick Sheng nanxuan out of the family seriously. Perhaps, it was just a show put on by the Sheng family.

If what the Sheng family had done was exposed, the entire Sheng family could go to jail for life. However, Sheng nanxuan had been driven out. These things had nothing to do with him, so he could escape.

From the looks of it, it was very likely that Sheng Zhongtian had deliberately driven Sheng nanxuan out just in case. His purpose was to preserve the power and bloodline of the Sheng family.

If that was the case, it was reasonable that Sheng nanxuan wanted to protect su mo.

“Mr. Sheng, I’ll be leaving now.” Gambino said.

“Goodbye,” Sheng nanxuan nodded.

“Aren’t you going to send me off?”

Sheng nanxuan raised his eyebrows. Gong mo also looked at him. They all knew that he had something to say to Sheng nanxuan in private.

“I’ll send him off,” Sheng nanxuan said helplessly to Gong mo.

When she reached the door of the room, she happened to run into her mother.

“You’re leaving?” mother Yi asked.
