### Chapter 271

#### 271 Taking revenge on su mo (1)

She wiped her hands on her body and wrote her name on the recipient list.

...

After the delivery man left, she turned around and closed the door, placing the delivery on the table.

.....

Su mo stood by the road and looked around, not knowing where to eat. After some thought, she took out her phone and dialed Sheng Dongyi's number.

The phone rang a few times before Sheng Dongyi picked it up. He sounded a little annoyed. "What are you doing?"

"Let's have lunch together. I have something important to tell you." Su mo smiled easily.

Sheng Dongyi was silent for a moment.

Su mo gave him the name of a Western restaurant.

After hanging up the phone, she stretched out her hand to hail a taxi. Suddenly, a van drove over from the side of the road. From afar, she saw that the van's door was not closed.

She felt strange. When the van approached, she had a bad feeling and subconsciously stepped back.

Just then, the van passed by her. A pair of hands reached out from inside and grabbed her into the van.

ah! su mo screamed.

A hand covered her mouth, and the car door was closed with a bang.

Her eyes were wide open, filled with fear. She couldn't see the person behind her, and the hand covering her mouth suddenly loosened. She was about to catch her breath when a handkerchief covered her, and she quickly lost consciousness.

It's ether.

She thought in her last moments.

But she didn't understand who was doing this to her.

She had done too many bad things, and she couldn't think of who it was.

She trembled unconsciously, afraid that everyone would come to her for revenge.

Could it be Sheng nanxuan? Could it be that something had happened to Gong mo and his child?

With a splash, cold water was poured on her head. She opened her eyes while trembling. An ancient incandescent lamp was lit above her head.

The light was swaying and seemed to be very far away from her.

She shivered and felt her lower body stiffen. There was a moldy smell and dust smell. Cold liquid seeped from her neck to her collar.

With a clang, she was shocked to see a bucket rolling in front of her.

She understood now. She was lying on the ground and someone had poured a bucket of water on her.

She twisted her neck and looked around.

There were a few men standing in front of her. They were not ordinary hooligans, but were wearing suits and leather shoes.

She trembled as she got up, not daring to look at their faces. She subconsciously shrank back and then looked around.

It seemed to be an old warehouse. The air was filled with a moldy smell, and nothing else could be seen.

Da! Da!

She heard footsteps in front of her. She looked over and saw a pair of shiny leather shoes.

She raised her head and gradually, Sheng nanxuan's cold face came into view.

"What are you doing?!" She screamed.

"You don't understand?" Sheng nanxuan knelt down in front of her and pinched her chin so that she would look at him. you killed Ding Xiang and pushed the blame on me. You even caused my wife to give birth to Qianqian prematurely. Don't you think you deserve to die? "

what? "su mo trembled. you know?"

It wasn't surprising that he knew that she had harmed Gong mo, but how did he know that she had killed Ding Xiang?

No!

She didn't kill Ding Xiang!

"Ding Xiang committed suicide!" She cried out.

"What's the Difference? If it wasn't for you, would she have committed suicide?"

"I'm Yingluo, I didn't!" Su mo subconsciously looked around, afraid that Sheng Dongyi would jump out from some corner.

If Sheng Dongyi knew that she was the one who killed Ding Xiang, he would hate her to death!

Sheng nanxuan threw her away. do you remember what you did to Ding Xiang? " he asked. Do you want to have a taste of her pain?"

"You dare?!" Su mo was shocked and shouted.

Chapter 272

272 Taking revenge on su mo (2)

Sheng nanxuan did not say a word and slowly walked to the door. When he reached the door, he stopped and turned around to look at su mo. "You won't be in more pain than Ding Xiang. How painful must the lilac be when she's still young? Yingluo will only feel happy, right?"

...

Su mo trembled as she watched the others follow him out.

After they had all left, footsteps suddenly came from the door.

Su mo got up and wanted to run.

A few figures came into her sight, and she saw the people coming in from outside the door.

His clothes were ragged, his beard was unkempt, and he was carrying a worn-out snakeskin bag.

It was a tramp!

Su mo shrieked, 'Sheng nanxuan! Don't you dare!'

tsk, tsk, tsk, tsk. the homeless man's eyes lit up, and he looked at her drooling and swallowed his saliva.

"Bah!" One of them spat on the ground and walked towards her, rubbing his hands.

Su mo stumbled backward. More and more homeless people came into her sight. One, two, three ... She could not even count how many there were.

She turned around and ran, trying to escape from this place.

If she didn't escape now, this place would become her hell!

ah! a few minutes later, a scream was heard. what are you doing?! What are you guys doing! Let me go! Help!"

.....

Sheng Dongyi waited for two hours at the Western restaurant, but su mo was still nowhere to be seen. He was furious.

Su mo was playing with him on purpose, right?

He left the Western restaurant and returned to the company to continue his work.

At five o'clock in the afternoon, he entered the house. The servant had just bought the ingredients and was preparing to make dinner.

"Is miss su back?" He asked.

No. the maid shook her head. miss su asked me to come over to clean this afternoon. I don't think she came back after that.

"How did you know?"

The servant pointed to the table. there's a delivery for miss su. I left a message for her when I left this afternoon. It was the same when I came back just now.

Sheng Dongyi walked over and picked up the package. There was only the name of the sender and no address or phone number.

Sheng Dongyi saw the name-song zijie!

He clenched his fist, and the letter immediately changed shape in his hand.

This person ...

He would recognize it even if it turned to ash!

But why would song zijie contact Su mo?

Sheng Dongyi remembered su Mo's jealousy and suddenly had a bad feeling. He quickly opened the package.

There was the sound of water from the kitchen. He stopped taking something out of the envelope and walked over to the servant. "You don't have to cook dinner today. You can go back."

"Oh, okay." The servant wiped the water off her hands, put the vegetables in the refrigerator, took her things, and left.

Sheng Dongyi sat on the sofa and took out the package.

Huala-

There were too many!

A stack of photos slid out from inside.

Sheng Dongyi picked up the photo and his body stiffened.

One of the men was a friend of Sheng nanxuan-song zijie!

That was why Sheng Dongyi had always thought that Sheng nanxuan was behind this.

Chapter 273

273 She was the one who harmed Ding Xiang!

Because of that incident, the Ding family no longer had any contact with the Sheng family. Heartbroken, Mr. Ding lost interest in politics and climbed higher and higher, until he was transferred to the capital and became the Vice-Mayor.

...

That was why Sheng Dongyi hated Sheng nanxuan!

If nothing had happened to Ding Xiang, he would have been married to her. With Mr. Ding's current position, he would be of great help to his career!

But all of this was because of Sheng nanxuan. He had lost his lilac and the support of his career.

After that incident, song zijie was arrested and sent to jail. The other men who had committed the crime were also in prison, but they had all lost their lives in prison for various reasons.

Sheng Dongyi and ding's father were responsible for this.

However, the song family had some connections, and song zijie managed to keep his life.

Sheng Dongyi was taken aback, but he continued to open the envelope.

From the looks of it, song zijie had been released from prison. But why did he send these things? It was still for su mo!

Sheng Dongyi tore the envelope in half. There was nothing but a photo inside.

He was puzzled. Suddenly, he saw that there were words behind the photo on the sofa. He picked it up and read it.

"Miss su, I'm free now. Let's meet. Otherwise, I'll go to Sheng Dongyi and tell him the truth."

The truth? What truth?

Sheng Dongyi had almost guessed it, but he refused to believe it!

How could it be su mo? It was obviously Sheng nanxuan's doing!

At this moment, there were two clangs. Someone was knocking on the door.

Sheng Dongyi immediately stood up and rushed over. Through the peephole, he saw a man's back leaving.

He immediately opened the door and chased after him, but the man had already entered the elevator.

He hesitated for a moment and didn't continue chasing. He turned back and saw a CD on the ground at the door.

He picked it up, thought for a moment, then went back to the study, turned on the computer, and put the CD in.

There was a video on the CD. He remembered those photos and his hand holding the mouse trembled. After a long time, he made up his mind and opened the video.

The video was dark, and after a few minutes, a voice came out-

"Su mo, what do you mean?"

"Don't you understand? Miss ding is a Virgin. You have someone to sleep with and money to take, isn't this killing two birds with one stone? I'll give you 100000 Yuan after it's done!"

"Miss su! You want us to do illegal things with just a hundred thousand Yuan?"

"Then how much do you want?"

I'll analyze it for you, Yingluo. the man's voice was carefree, just like the song zijie in her impression. she's a Virgin, so it's fine if I sleep with her alone. But what if something happens if you call so many people? You women can't stand being tormented! It's better for me to commit rape than murder, right?"

Su mo was silent for a moment. take it easy. I'm here. How about another hundred thousand?"

"I'll give the brothers a hundred thousand Yuan. As for me, how about I ask miss su to accompany me?"

"You wish!"

"That's off the table ~"

"I can find someone else!"

"Hey, hey, hey-come back! Alright, I've wanted to f \* ck that chick for a long time anyway. But I, song zijie, don't care about money, don't you think so?"

"Then what do you want?"

"Take a look at this!"

"You recorded it!" Su mo was shocked.

hahaha, Yingluo, be good ~ since there's time now, let's get a room over there. Once you serve me well, I'll help you settle this matter.

Sheng Dongyi clenched his fists. He didn't expect this! It was actually su mo! She was the one who harmed Ding Xiang!

Chapter 274

274 The child's name (1)

Following that, images appeared in the video. Ding Xiang's appearance appeared, and the scene of Qianqian being violated appeared!

...

Sheng Dongyi shut his computer abruptly, and Ding Xiang's screams disappeared.

He gritted his teeth and said with hatred, "Su, mo!"

At that moment, su mo was screaming in the abandoned warehouse. However, her cries were different from Ding Xiang's. Ding Xiang's cries were of pain, while hers were of pain and a little joy.

.....

Sheng nanxuan walked to the door. Because there were servants at home, he was too lazy to open the door himself, so he rang the doorbell.

"Mr. Sheng," greeted the housekeeper as she opened the door.

"Where's Madam?" Sheng nanxuan asked.

"He's in the nursery, Hu's drinking milk."

Her mother had promised the doctor not to use traditional and unscientific methods on the child, but those were only on the child's body. As for the child's name, she strongly advocated using the traditional method!

In the past, the survival rate of babies was low, and "cheap names are easy to raise" was popular. Therefore, a bunch of people were called "dog leftovers" and "dog eggs. it would be considered elegant if they could be called" iron pillar.

They could also give it a name when they grew up, so that they wouldn't be recorded in the book of life and death of the king of Hell, and their souls would be seduced by the black and white impermanences even if they were just a little sick.

Naturally, they were not so superstitious now. Moreover, the child had to be registered after birth. It was impossible to wait until a few years old to name it.

After the child was born, Sheng nanxuan asked someone to tell Master Tang the time of birth and let Master Tang name the child.

The name Master Tang had given him was very Grand-Sheng Yiting.

When her mother saw this, she shouted, "you're so evil!" The name was so complicated that it would take a child a long time to write it when he went to school! When the exam comes around, he's still writing his name when the others have already answered two questions."

Gong mo and Sheng nanxuan: " Yingluo. mother, you have a strange point of focus!

Mother Gong glanced at Gong mo and said, "don't look at me like that!" When you first started school, you cried to me and said that your name was hard to write!"

Gong mo thought of his name and replied, "it's a little difficult."

"Your dad gave it to you. What can you do? If he was alive, I would definitely ask him to change it for you. But he wasn't here, so she had to respect him. Your father named you "mo" in the past and said that he was a literary person and that it was meaningful. If it were me, I'd name you 'Hong'. It'll be much easier to write!"

Gong mo thought for a moment. Gong Hong hesitated.

So tacky!

"I'll call myself Gong mo!" She said decisively.

"You're despising me!" Her mother was dissatisfied.

no, no! Gong mo hurriedly shook his head.

After that, mother Zhen strongly advocated for Sheng Yiting to be given a pet name. She said that she had a nephew who was born as a mouse, so he was given the pet name 'Tiger'. When he grew up, he became strong and strong. He was simply the king of all beasts, the strongest among all his nephews!

Mother Zhen thought that 'Tiger' was a good name and wanted Sheng Yiting to call her that too.

Gong mo couldn't take it anymore! She was afraid that the child would cut off all ties with her when he grew up!

Gong mo felt that Sheng Yiting was a very good person. He had an imposing aura.

Mother Yan said, "don't tell me it should be called Thunder?!" This name isn't cheap at all, it's not easy to raise!"

"Must I have a nickname?"

"Of course!"

"I don't have a nickname, but I've grown up, haven't I?"

"You have a nickname! Your nickname is 'black girl'."

Black girl was silent.

"Doesn't ink mean black?" Her mother continued.

"I've never heard you call me that," Gong mo said.

Chapter 275

## 275 The child's name (2)

it's so unpleasant. You're not even five years old yet, and you get angry with me whenever I call you that. I stopped calling you that after you started school. You must have forgotten.

...

"So you know how unpleasant it sounds!" Gong mo had just given birth to the baby two days ago and was still lying on the hospital bed. He almost jumped up and fought with her!

The two of them could not argue. In the end, Sheng nanxuan said, "it's indeed too casual to call me Tiger. Besides, someone in my mother's family already has this name. It's not good to have the same name.

"Then should I call it a Lion?"

"You're not even as good as a Tiger!" Gong mo shouted.

ahem! Ahem! Sheng nanxuan hurriedly tried to stop the fight. you can't use the word 'Tiger', but you can still use the word 'Tiger'. Why don't you call it 'little tiger'?"

little tiger Pixiu," Gong mo mumbled. He felt that it was alright.

"He's already so small, how can he be any smaller?" mother Juan felt that it was not good. Hmm, let's call Qianqian Huzi!"

Gong mo and Sheng nanxuan felt that "Huzi" didn't sound as good as "Xiaohu.

Hu 'Zi "sounded like a big and strong person. He felt like a fat man was rushing over from the horizon.

Although "little tiger" was also so-so, he didn't give off such a crude feeling.

However, they didn't dare to object anymore. Otherwise, if mother Zhai got angry, she would call the child "goudan"!

Moreover, the two of them were afraid that their premature son would not be successful, so it was not bad to have a strong-sounding nickname.

However, the two of them were still not used to it. When they called him "Hu Zi," it always sounded like he was talking about Yellow Earth. When mother Ling was around, the two of them would call each other "Huzi" and "Xiaohu" in private.

As for the nanny and nanny, they called him by his pet name instead of 'young master'. Gong mo and Sheng nanxuan did not have any objections. They were not in a feudal society, so it was weird to call him "young master."

Mother Zhai's reason was still very strong-in 'Dream of the Red Chamber', the servants of the Jia family all called Jia Baoyu's name, so that he could be raised well.

Therefore, Sheng nanxuan would not blame the servant for calling the child by his name. However, the name "Hu Zi" was too powerful. When he heard it, his body trembled and he felt a cold sweat flowing down his head.

He really did not dare to imagine what the child's reaction would be when he grew up-such as when he was his age-and called him "Hu Zi."

He was probably like Gong mo, wanting to jump up and fight with His Excellency.

However, Hu Zi sounded better than hei ya.

Ehh!

In fact, they didn't have the same imposing manner.

Sheng nanxuan was glad that no one had given him such a cheap nickname. But at the same time, he felt a little regretful that no one had ever cared about him like this.

It's so painful yet happy, Yingying.

Sheng nanxuan walked into the nursery. Gong mo was feeding the baby now. She had enough milk, so the child could drink enough. This was also good. Otherwise, if she was born prematurely and didn't have enough breast milk, it wouldn't be easy to raise her by calling her "\*\*\*\*."

When Sheng nanxuan entered the room, Gong mo had just finished feeding the child and was putting on his clothes. When he saw Sheng nanxuan, he blushed and turned his back to him.

When mother Ling saw this, she wanted to let the two of them get intimate with each other, so she asked, "Nanxuan, have you had dinner?"

"No, I didn't," He had been in a hurry to come back to see his wife and child after he had finished cleaning up su mo. He had no time to think about this.

"Then I'll get sister Zhang to heat up the food for you."

Sister Zhang was the nanny, in charge of cleaning and cooking.

The confinement lady saw that mother Yan had gone out and said, "I'm going to wash Hu's clothes."

Gong mo agreed. After she left, he asked Sheng nanxuan, "Where did you go? you're only back now and didn't even eat dinner, Yingluo."

Halfway through her sentence, she realized that she had the intention to check on him, so she could not help but lower her voice.

She was afraid that he would be angry. After all, men didn't like to be controlled by women.

276 Continue to torture su mo (1)

Sheng nanxuan didn't feel like he was being controlled. Instead, he was happy and thought that she was concerned about him.

...

"There's something I need to deal with," He replied. Of course, he would not mention how he had dealt with su mo.

Even though su mo had harmed her and her child, and she definitely hated su mo, they were both women. He was afraid that she would not be able to accept what he had done to su mo. He was afraid that she would think that he was too cruel.

Even if she didn't think so, he didn't want to affect her mood with those dirty things.

He could bear the bad things alone. She and her child should stay in the garden that he had built with peace of mind and not come into contact with the haze and stains outside.

.....

Sheng Dongyi was filled with anger as he waited for su mo to come home.

He did not know what he would do the moment su mo appeared. But he knew that he would never let her go!

He would probably strangle her to death. Or press her to the ground and break her neck!

In the end, he waited until midnight, but su mo still had not returned.

At this time, his impulsive thoughts of killing people were gone, but his anger still existed!

He wanted to confront her, but she actually ran away!

Thinking of the words song zijie had written on the back of the photo, he suddenly thought: Could she have hooked up with song zijie and gone far away?

As for the photos and CD, they were sent to him on purpose to show him how stupid he had once been!

Sheng Dongyi gritted his teeth and took out his phone to call su mo.

The phone rang for a long time, but no one picked up. He continued to call, but the call was hung up this time.

Sheng Dongyi was so angry that he smashed his phone against the wall and said viciously, "Su mo!"

He did not know that su mo was lying in the warehouse, naked.

The cold winter air made her shiver, and her body was covered in the bruises made by the homeless and the filth they left behind.

They had all left.

The remaining few handsome men who were dressed like humans were guarding her. They looked at her naked body but did not have any lewd thoughts.

Su mo knew that these men did not like her.

Before today, she was a proud Princess. Even if she wasn't a real rich young lady, she still had her pride. Even if these men looked like elites, she would not be interested in them!

But now, everything was different.

In their eyes, she was just a wizened flower, a piece of trash. How could they have any feelings for her?

ahem, ahem, Momo. su mo curled up into a ball and said hoarsely, " Leng Qianqian, I'm so cold.

It would be the Lunar New Year in half a month. It was the real winter now, and the temperature was -10 degrees Celsius. There was no air conditioning or central heating here.

The men also felt cold, so they took an iron bucket and burned wood at the door to keep warm. One of them even laughed and said, " "Let's go buy some chicken wings to roast?"

Su mo could not help but gulp when she heard that.

She was cold and hungry, and with the soreness in her body, she didn't even have the strength to move.

She could only look at the ball of fire, but she could not feel its temperature.

They really bought chicken wings to grill, and the rich fragrance wafted into her nose.

His phone rang. The man who was munching on the chicken wing looked up and saw the clothes on the side-su Mo's clothes and her bag.

Su mo could tell that it was her phone ringing. She lifted her upper body and wanted to crawl over to answer the call and call for help.

But it was too far, and she was completely helpless.

The men didn't move. They were slowly gnawing on the chicken legs. The phone rang for a while before it stopped.

Chapter 277

277 Continue to torture su mo (2)

After a while, the phone rang again. A man walked over, took out his phone, and hung up. Then, he turned it off.

...

He glanced at su mo, sneered, and threw his phone on his clothes. He went to his friends and continued to barbecue.

Su mo lay on the ground in despair. Who would save her? Who's going to run?

give her some clothes, "another man said. how are we going to explain it to her if she freezes to death?"

"Then give her the clothes." The others said.

They stood up together and each took a piece of her clothes. They walked over and threw it on her head.

Su mo hurriedly hugged her clothes, feeling that the cold in her body had been driven away a little.

They looked at her lazily, then turned around and left.

When su mo saw them, she wrapped the clothes around her body with trembling hands, afraid that they would come back and take them away.

What to do? How was she going to escape?

Su mo thought about it in a daze and passed out. She did not know if it was because she was hungry, cold, or tired.

When she woke up again, she didn't know how much time had passed, but from the window at the top of the warehouse, it was already daytime.

Around noon, the man who was guarding her finally rewarded her with a lunch box. They didn't even give her a pair of chopsticks. She was stunned for a moment, but her hunger drove her, and she immediately used her hands to eat.

This was something she would never have done in the past! Just thinking about it would make him lose face!

But at this moment, she had no other choice. She couldn't care less about her dignity.

She knew that even if she managed to escape this, she had no future. She might as well die!

But she didn't want to die!

Sheng nanxuan and Gong mo! If she managed to escape this, she would definitely make them wish they were dead!

At this thought, su mo had a firm belief and ate even harder.

.....

In the afternoon, the air turned cold. Su mo sat leaning against a pillar in the middle of the warehouse. She looked out of the window. It seemed like snowflakes were falling.

She hugged her arms tightly, curled up into a ball, and gritted her teeth.

The door of the warehouse was opened.

Su mo trembled as she looked over. A few figures walked in from outside. She couldn't see their faces clearly against the light. However, she saw their attire and guessed that they were wearing thick coats.

The man in the lead patted the snow off his shoulder, took off his coat, and handed it to the person next to him. Then he slowly walked over.

She knew it was Sheng nanxuan! It was definitely him!

When the person walked in, it was indeed Sheng nanxuan.

Sheng nanxuan was dressed in a well-cut suit and looked like a leader of a high position.

He looked down at her as if he was looking at an ant.

"How was last night?"

Su Mo's body trembled, and she looked extremely scared. She did not want to recall last night at all!

"What do you want?" she looked at him with hatred.

"What are you doing?" Sheng nanxuan opened his mouth and his breath formed a cloud of white mist in the air. I don't know what I'm going to do.

His eyes were really a little lost.

If he wanted to kill her, he should have done so without any hesitation.

However, was there retribution in the dark?

He had been hiding behind the scenes for the past few years, and his most frequent appearance was in the stock market. Sometimes, the means were indeed cruel. As soon as the stock market fluctuated, countless people jumped off buildings. Was it because of this that Gong mo was born prematurely?

Now that the child had just been born and wasn't even a month old, he naturally didn't want to kill. He didn't want to get revenge on Gong mo and the child.

Therefore, su mo was destined to be spared.

Chapter 278

278 One-month-old baby

This woman was a scourge! If she was left alive, she would probably cause more trouble!

...

Sheng nanxuan really wanted to turn her into ashes. If only he was alone, he would not have to worry about retribution. He would not believe it at all!

However, things were different with Gong mo and their child.

He would rather believe it than not. This was what he thought.

Moreover, after meeting Master Tang, he thought that since Master Tang could predict some things, it meant that some superstitious things also existed.

Therefore, he did not dare to kill su mo now. It was because he loved Gong mo. The more he loved Gong mo, the more he was afraid that she would get hurt!

Sheng nanxuan squeezed his fingers, and his knuckles cracked.

He turned around and walked out. He took the coat handed to him by his subordinate and put it on. "Look after her."

After that day, Sheng nanxuan did not appear for a few days.

The person who was looking after su mo did not call for anyone to defile her again. However, the food she was given every day was limited, and she was not given any clothes to keep out the cold. Soon, she caught a cold, and her fever became more and more serious. She spent most of her time in a coma.

The guard told Fang Yang that it was one month old today. Fang Yang did not dare to disturb Sheng nanxuan. He ordered, " call the doctor to take a look. It's fine as long as he's not dead!

.....

Hu Zi was still very weak, and it was cold in the middle of winter, so he didn't dare to carry him out. Therefore, he didn't make a Full Moon Party and planned to do it after a hundred days.

But everyone remembered the date. Fang Yang, Lin Lei, and the others sent red packets and gifts. They did not send them home, but directly sent them to Sheng nanxuan's office.

If they were to go home, Gong mo and mother Zhai would definitely greet them and might even ask them to stay for dinner. They didn't dare to disturb them!

Gong mo had filled in his home address when he was hospitalized, so the Yu family knew where he lived. However, they didn't come either. Yu Xinran called Gong mo.

my brother and uncle bought some gifts for the child, "Yu Xinran said. I'll get the express delivery to send it over later.

"Why don't you come over and have a seat?" Gong mo said with a smile.

"Can I?" Yu Xinran asked in surprise.

“Of course you can. Nanxuan was afraid of disturbing me and the child, so he didn’t hold a banquet. In the end, there’s not a single person. Isn’t it a little too cold and cheerless?”

“Then I’ll come over immediately!” Yu Xinran said excitedly.

She was excited for two reasons.

First, Gong mo had taken the initiative to invite her, which meant that their relationship was very good. If he was on good terms with Gong mo, he wouldn’t have to offend Sheng nanxuan.

On the other hand,

The others might not go to the celebration, but Gong Bai was the child’s uncle, so he would surely go, right? In this way, she would be able to see Gong Bai.

It was a Monday, and Gong Bai was on leave. He came over early in the morning with a gift.

Seeing that she was alone, her mother asked in confusion, “Flare didn’t come?”

“She’s busy, so she hasn’t been in the capital for the past two days,” Gong Bai’s face stiffened.

As the new year approached, there were banquets and performances everywhere. Gong yang was busy trying to curry favor. Gong Bai told her that her child was one month old today, but she still sneered at him. Gong Bai felt that if she really came, she would make everyone unhappy, so he didn’t bother to care about her anymore. He was mentally tired.

Mother Zhai knew what was going on just by looking at his expression. She was relieved that Gong Ying didn’t come. She didn’t want to add to his troubles.

“Let’s go and see the child.” Her mother said, “you’ve grown up quite a bit.

“Alright,” he said. Gong Bai said happily.

A premature baby grew up quickly. After Qimo was discharged from the hospital, he was too embarrassed to disturb him, so he had not seen him for more than ten days.

Diana’s mother went to the kitchen to help the nanny cook.

If it was a normal day, there would be two more people in the afternoon, and one or two more dishes would be enough. It would not be a problem for the nanny to take one person. However, today was a big day. Even if they didn’t add people, they had to add food, and it couldn’t be simple home-cooked food. The nanny was too busy to do it alone.

Chapter 279

279 Can I see him?

Mother Ling was halfway through cooking when she heard the doorbell ring.

...

Since there were guests today, she didn’t let the servant open the door. She washed her hands, took off her apron, and went out.

It should be Yu Xinran who had come now. There were no other guests except her and Gong Bai.

When he opened the door, it was actually Gambino, that damn Caucasian!

Her mother was furious and wanted to close the door.

Gambino stopped the door and stammered, “I, I’m here to drink the full moon wine.” As he spoke, he handed over the gift he had prepared.

“There’s no Full Moon Party!” Mother Yan shouted. I say, you foreigner, you even know about a Full Moon Party, ha~”

"I really like Chinese culture," Gambino said with a smile.

hehehe, Yingluo. her mother sneered and pushed the door hard.

Gambino had great strength. He only needed one hand to push it away and she would not be able to move it.

Mother Gong tried for a long time, but there was no response. She had no choice but to call Gong Bai, "Come and help Juan Zi!"

Gong Bai ran over from the nursery, and Gong mo followed him with the baby in his arms.

It was the foreigner who had been to the hospital when Gong mo was discharged from the hospital. Although Gong Bai didn't know much about their relationship, he couldn't really drive him away.

"Second aunt, what's going on?" he asked, puzzled.

"This foreigner came uninvited! Chase him out!"

Gong mo said, "Mr. Gambino is a guest, why don't you invite him in for a seat?" When the neighbors see Yingluo,

Hearing this, her mother was a little hesitant. She didn't want the neighbors to laugh at her, but she didn't want this foreigner to come in either!

Suddenly-

Ding dong. The elevator seemed to have stopped on this floor. Mother Zhai quickly stopped.

“Mr. Gordon, please come in,” Gong mo said to Gambino.

Gambino smiled and entered with the gift, his eyes fixed on the child in her arms.

uh, hehe. Gong mo was a little embarrassed. Why was he looking at the child?

Oh?” Gambino smiled and put down the gift. can I see him?”

“You see.” Gong mo hugged her a little.

Gambino lowered his head to take a look. His fingers moved nervously, wanting to hug her. However, he guessed that Gong mo and Shan Rong wouldn’t agree to it, so he didn’t mention it.

“What’s his name?”

uh, hehe,” Gong mo said in embarrassment. Hu Zi.

Yingying was too embarrassed to say this name!

Gambino had a look of surprise on his face. After a long time, he said, ” “This is a nickname, right?”

“Yes,” Gong mo nodded with a smile. The custom here is that it’s easier to raise a pet with a nickname.”

Gambino nodded in realization. It was unknown if he really understood or if he was just pretending.

Soon, Yu Xinran arrived.

Obviously, Gong Bai didn’t expect her to come, and his eyes widened in surprise.

Yu Xinran's face turned red and she passed the gift to mother Zhai. "Sorry for the disturbance."

"I'm not disturbing you, I'm just waiting for you to join in the fun." Her mother smiled and said, "it's fine if you come. Why did you buy so much?"

uncle and brother bought it too. The other portion was made by someone else. They knew I was coming.

With the Yu family's wealth and power, it was naturally not because they had no money to give gifts. It was because they weren't familiar with Gong mo and it would be too serious for each of them to prepare a gift. However, they knew that Yu Xinran was coming and it wouldn't be right if they didn't express their gratitude. Therefore, they decided to buy a gift together.

"Then please help me say thank you to them!" Mother Yan said with a smile.

"Then I'll help them say that they don't need to thank me." Yu Xinran laughed.

"You guys sit, I'll go get busy." Mother Zhai put down her things and went back to the kitchen.

Gong mo let Yu Xinran take a look at the child and asked the nanny to carry him into the room. Then, he and Gong Bai greeted her and Gambino.

Chapter 280

280 Call me again after you lose everything

"Your husband is not here?" Gambino asked.

...

For some reason, Gong mo felt that he wasn't happy about this.

It must be her illusion!

“He had something to do and went out.” She said.

When Gambino heard that, the corners of his mouth twitched. He did not say anything, but picked up his tea and took a sip.

The child was one month old, but Sheng nanxuan, the head of the family, was not around. He let the two women work here. How could he be Gong Mo’s husband?

Just as she was thinking about this, the door opened and Sheng nanxuan walked in with a few bottles of wine.

When he saw Gambino, he raised his eyebrows and greeted the few of them. “You guys are here.”

“So you went to buy wine.” Yu Xinran said to Gong mo with a smile.

“Yeah,” Gong mo nodded. When I was pregnant, there was no alcohol at home.”

“But you don’t have to go out of your way to buy it.” Yu Xinran knew that they must have gone to buy it because they were coming.

it’s such a big day. Even if there are no guests, he still wants to celebrate.

Sheng nanxuan put the wine on the table and turned around when he heard her. “I’ve quit drinking for a few months because of you. Can’t I have a sip today?”

“You drink!” Gong mo rolled his eyes at him with a smile. Seeing that he was a little wet, he asked, “is it snowing again?”

“Yes, I am. The weather in the North isn’t like in Nanjiang. Which day doesn’t it rain?” Sheng nanxuan mumbled as he walked into his room. I’ll go change my clothes.

Gong mo nodded.

He took off his coat and put on a sweater before coming out.

“Is mom in the kitchen?” He asked.

“Yup,” Gong mo nodded.

“Then you guys sit, I’ll go take a look.” Sheng nanxuan greeted them and went into the kitchen to get mother Yan out.

Sheng nanxuan was busy in the kitchen all the way until dinner.

Gambino was finally satisfied, ‘now this is more like it!’

After the meal, mother Zhai took out a mahjong tile to greet everyone.

“Foreigner, you don’t know how to do this, do you?” she asked Gambino proudly.

Gambino laughed helplessly. indeed, I don’t know how to. Why don’t you teach me? ”

Mother Yan didn’t expect this thing to take advantage of her and blushed. She felt like she had been teased by him!

“Who wants to teach you?” she said angrily. If you want to learn, go to the Mahjong School yourself!”

After he finished speaking, he called Gong Bai and Yu Xinran, “You two know, right? Momo, nanxuan, which one of you will come?”

“Let Momo do it,” Sheng nanxuan said. As he spoke, he pressed Gong mo onto the chair.

"I'm afraid of losing money!" Gong mo said anxiously.

Sheng nanxuan patted her head. you're afraid of losing money when you're speculating in the stock market. Are you afraid of this too? " It's just a matter of having fun, so it doesn't matter if we lose."

"Oh, alright then." Gong mo sat down. look after the child then.

"Don't worry," Sheng nanxuan took out his wallet, took out a few notes, and put them in front of her. here, call me when you lose everything.

Then, he took a few more and gave them to her mother.

His mother did not stand on ceremony with him and said with a smile, "I have one too?"

"That's for sure," Sheng nanxuan put away his wallet and said to Gong Bai and Yu Xinran, " "Both of you, please show mercy! They're as white as paper, they don't know how to count cards."

Gong mo pouted at him and started to stack the cards.

Sheng nanxuan saw that her movements were unfamiliar and nodded in relief. "Seeing you like this, I don't have to worry about you losing all your money because you're addicted to playing mahjong."

"I might get addicted to it in the future!"

"Then I'll work hard to earn money!"

Gong mo blushed and lowered his head, ignoring him.

The other three people at the table were depressed. Isn't this too much of a show of affection? This was dog abuse!

"Let's go to the study room to play chess, shall we?" Sheng nanxuan turned to Gambino.

There were some things that they should discuss.
