

Ditsy Wife 281

Chapter 281

281 Your feelings for Gong mo are not pure?

Gambino walked into the study, raised his eyebrows, and looked around. He smiled and said, "Your place is not bad."

...

This study was not as simple as a study. Although he couldn't see the details, his own study room was also full of mechanisms, so he could easily sense it.

"Thank you for the compliment." Sheng nanxuan said disapprovingly. He moved the chair to the front. please sit.

Gambino did not stand on ceremony. He bent over and sat down on the chair, even crossing his legs.

Sheng nanxuan sneered in his heart, 'this person is really impressive! He hasn't even wooed mother Zhai and he's already putting on the airs of a father-in-law?

He couldn't be bothered to argue, he just wanted to finish his business quickly!

He sat down opposite Gambino and crossed his legs. Mr. Gambino is a busy man after all. I'm sure there's something you need from me since you're here today? "

"We're here for a Full Moon Party."

hehe. Sheng nanxuan did not believe her.

Although Gambino had wooed Diana's mother a few times, none of them had lasted so long! If he didn't have any ulterior motives, he would have left after his mother chased him away.

“I’m being sincere!” Gambino emphasized, “ don’t tell me that your feelings for Gong mo are not pure? ”

“We’re different.” Sheng nanxuan said coldly.

“Aiyo Aiyo.” Gambino sighed helplessly and did not explain further.

He really wanted to pursue Shan Rong, but he was afraid that Shan Rong would be disgusted and didn’t dare to force her too much. He had already wasted a few months. If he didn’t press on, he wouldn’t gain anything.

Moreover, Shan Rong was still single. What if she was taken a fancy to by some blind man and was chased away first?

Gambino would never allow such a thing to happen!

However, he did have something to do today.

“That su guy is with you?” Gambino asked.

Sheng nanxuan paused and looked at him. “You should know where it is, right?”

Although Sheng nanxuan did these things to hide his whereabouts, that was only for ordinary people. However, Gambino had said long ago that he wanted to deal with su mo as well, so he naturally did not guard against him. Otherwise, wouldn’t that be an unnecessary move? Guard against it today, and hand it over tomorrow?

Gambino naturally knew that and chuckled. However, he did not follow Sheng nanxuan’s information. Instead, he had sent people to monitor su mo. Naturally, he was the first to know that su mo had been taken away by Sheng nanxuan.

He felt that Sheng nanxuan did not have any murderous intent and would probably spare su Mo's life. Once again, he suspected that Sheng nanxuan was secretly in contact with the Sheng family to protect the pawns of the Sheng family.

Naturally, he would not let these things happen. He had arranged everything. Once Sheng nanxuan was done with his mess, it would be his turn.

"How do you plan to deal with her?" Sheng nanxuan asked.

"Do I need to explain this to you?" Gambino asked in amusement.

"Of course. It doesn't seem like you have the right to stand up for my wife. What reason do you have to deal with su mo? If it's because he likes my mother-in-law and wants to seek justice for Gong mo, then I must know."

let's just say that I have a grudge against the Sheng family! she's Sheng Dongyi's woman," Gambino said. she's got guts. I naturally don't want to keep such a time bomb."

Sheng nanxuan paused. You don't want to keep it? Was he trying to kill su mo?

For a moment, Sheng nanxuan was in a dilemma.

He should be the one to take su Mo's life. If someone else did it, he would feel sorry for Gong mo, as if he hadn't done anything for Gong mo.

But if he were to kill someone when his child was just one month old, he would really feel a bit of psychological pressure.

Chapter 282

282 Helping second aunt to send miss Yu off

what were your original plans, Mr. Sheng? " Gambino suddenly said.

...

“Plan?” Sheng nanxuan sighed. Buddhism emphasizes karma and retribution. Yiting is still young. I don’t want to kill.

Gambino was shocked. He had forgotten.

There was no such thing as karma in the world, no one could say for sure. However, if they did evil today and encountered any mishaps in the future, it was inevitable that they would guess whether it was the fruit of their labor.

A person who dared to act recklessly was truly cold-hearted and didn’t take the people around him seriously. He didn’t even take himself seriously.

If it weren’t for Gong mo and the child, Sheng nanxuan would definitely not think this way. He was young and impetuous, and had not experienced many setbacks. He would not believe in those things.

However, now that he had a wife and a child, he still considered it. This showed that he really cared about Gong mo and his child.

“Then you don’t mind leaving it to me, right?” Gambino sighed.

Sheng nanxuan hesitated for a while and sighed. What else could he do? He didn’t have a thorough plan, so he could only torture su mo to vent his anger. If someone wanted to do it for him, he didn’t seem to have any reason to refuse.

Forget it!

Anyway, su mo was just a small character, and he did not have to do it himself. The Sheng family was what he had to face.

“I’ll have to trouble you then,” he said, closing his eyes.

.....

Gambino and Sheng nanxuan left after their discussion, and gloomily took the opportunity to leave.

Her mother didn't ask her to stay. Today was not only Sheng Yiting's one-month celebration, but also the Lunar New Year's Eve. The Yu family might be celebrating the New Year's Eve.

"Help your second aunt send miss Yu Home. Come back for dinner after that," she said to Gong Bai.

"I'm not coming back," Gong Bai said. I'm afraid flare will come back at night, so it's better to go back."

Mother Yan hesitated for two seconds and said,"then come back when you're free." Don't be so cold and cheerless on such a big occasion. By the way, are you going home for the new year?"

"Let's see flare. If she goes back, I'll go back with her. Otherwise, we'll both stay here."

"Then if you don't go back, come to auntie's place." Her mother nodded.

"Alright," he said. Gong Bai agreed with a smile.

After he left, he walked into the elevator with Yu Xinran. The two of them did not speak, and the atmosphere was a little stiff.

Yu Xinran watched as the floors went down one by one, feeling anxious. If he didn't say anything, he wouldn't have another chance!

"Who is Fei Yan that you mentioned just now?" she turned to look at Gong Bai.

"She's my younger sister," Gong Bai looked at her and answered gently.

Oh, Yingluo. Yu Xinran smiled and lowered her head. At this time, the elevator had already arrived.

Gong Bai blocked the door frame with his hand and asked her to leave first.

Yu Xinran's heart warmed at her considerate actions. She asked as she walked, " "Is she your biological sister?"

"Yes."

"It's very beautiful, right? Just by looking at you and Gong mo, I can tell that your family's genes are very good."

"How can they be as good as your genes?" Gong Bai said with a smile.

Yu Xinran pursed her lips and blushed.

"My sister is pretty, but she has a bad temper." Gong Bai was depressed, thinking, "why isn't Gong Mao as good as Gong mo?" It was embarrassing to even discuss it with others!

Yu Xinran laughed, "wouldn't it be a little willful in front of you?" This is her trust in you. I don't seem to have a good temper in front of my brother either."

Gong Bai smiled bitterly. This was definitely different! He would thank the heavens if Gong Gong knew some manners.

The two of them walked out of the community and Yu Xinran's car was parked on the road.

As the new year approached, many foreigners working in Beijing had returned home. The parking spaces on the road were not as crowded as usual, and there were not as many cars on the road as usual.

Chapter 283

283 I'm afraid you'll be in pain

In a few days, the road conditions would become deserted.

...

The people of Beijing didn't like foreigners as they felt that they had taken away the resources they deserved. At this time, they would find that the city was built by foreigners.

Yu Xinran took out her car keys and said to Gong Bai, "Where do you live? I'll give you a ride."

"No need," Gong Bai said hurriedly.

Yu Xinran smiled and said, "why are you being so polite?" Didn't you give it to me before?"

"Yingluo is different." Gong Bai said in a low voice. He had taken a taxi to send her, but she had driven him. They were on completely different levels.

Yu Xinran pouted, "how is it different?" I wasn't polite to you when you paid the taxi fare, but now you're being polite to me?"

Gong Bai felt that he couldn't win her argument with reason, as her words were all crooked. He had no choice but to agree, " "Alright then, you can send him off."

Yu Xinran laughed and immediately walked towards the car.

Gong Bai followed her into the passenger's seat and buckled his seat belt.

Yu Xinran drove the car out and saw Gambino standing on the road after turning a corner.

"Eh?" Yu Xinran slowed down her speed. isn't that Gambino? "

“What is he looking at?” Gong Bai was puzzled.

Yu Xinran looked directly in front of Gambino. It was a shop with red lanterns hanging at the entrance. The shop’s glass windows were pasted with the word “ Fortune ” and hung with auspicious knots. The entire shop was red and fiery. It was obviously a shop that sold New Year’s goods.

he’s from abroad. He probably hasn’t seen her before and is just curious. Yu Xinran drove the car out.

Gambino stood by the roadside and watched for a long time. He only left with a sigh when it started snowing.

He had wasted many, many years.

There was no new Year.

.....

When it was time to sleep, Sheng nanxuan asked Gong mo, “ Should we go to Happy Garden for the new year? Tell mom it’s a resort.”

Gong mo thought for a moment and frowned, “ do you think my mother is so easy to fool?” The entire resort, just one villa? You’re going to bring the nanny and nanny along, aren’t you?”

“I just feel that this place is too small. It’s more spacious over there. We can go horse riding.”

“Let’s do it here. The child was still so young and could not withstand the torment of going back and forth. If he fell sick, it would take a long time to get to the hospital. Besides, it’s not that lively there. It’s the new year, so there should be some lively places in the city.”

Sheng nanxuan thought about it and agreed. then we’ll go there in the summer. We’ll go there to avoid the heat.

“This is not bad.” I’ll have explained everything to mom in the summer,” Gong mo said with a smile.

“Mom seems to be a little suspicious now.”

“She knows that you’re not simple.”

“Okay, then we’ll take it slow.” Sheng nanxuan hugged her. His hand glided over her stomach and touched the scar left by the C-section.

Gong mo was shocked and thought that he was going to do that. He hurriedly said, “the doctor said that he needs to rest for at least three months!

“I know,” Sheng nanxuan rolled his eyes at her. I’m just afraid that you’ll be in pain.

“It doesn’t hurt anymore,” Gong mo replied in a low voice.

Sheng nanxuan smiled and kissed her cheek. “It’s been hard on you this time.”

“Don’t tell me you think it won’t be hard next time? There’s no such thing as the most bitter when it comes to giving birth.” Gong mo complained in a soft voice.

“Alright, alright, alright, ran ran, I was wrong.” Sheng nanxuan chuckled. then let’s not have a second child. Yiting is enough.

“We’ll talk about this later,” Gong mo said after a moment of silence.

Oh? ” Sheng nanxuan was overjoyed. you still want to have another child? ”

“The child is too lonely. However, I’ve suffered a great loss this time, so I’ll definitely need a few years to recover.”

Chapter 284

284 I like you

“Yes.”

...

and ran ran, “Gong mo looked at him nervously,” I want ran ran to go out and work in the future. When Xiaohu is better, I want to work for two years first before thinking about having a second child.”

“If you want to work, then go ahead. I won’t stop you.” Sheng nanxuan said helplessly, “but you have to know that this family doesn’t need you to earn money. As long as you’re happy, don’t suffer.”

Gong mo was very touched. He raised his head to look at Gu Yu and suddenly lowered his head to kiss Gu Yu on the lips.

Sheng nanxuan was stunned, “you-”

Gong mo immediately turned around and lay down with his back facing Gu Yu.

Sheng nanxuan smiled and hugged her from behind. “You’re shy?”

“I’m sleeping!” Gong Mo closed his eyes and was a little angry.

“Ink ink, ink, ink.”

“Aiya!” Gong mo pulled the quilt. it’s almost time to sleep. We still have to get some new year goods tomorrow.

Sheng nanxuan pondered for a moment and sat up. “I suddenly can’t sleep. I’m going to see Xiaohu.”

Gong mo felt Gu Yusheng getting off the bed and turned around carefully. Gu Yusheng suddenly leaned back and kissed her face.

ah ... Gong mo was shocked. He hurriedly lay down and covered his face with the blanket. Zhenzhen, why are you so shameless? ” Didn’t you say you were going to see Xiaohu?”

“I think he’s probably asleep, so I don’t want to disturb him.” Sheng nanxuan ruffled her hair, his eyes filled with gentleness.

Gong mo couldn’t stand such a gaze and lowered his head to avoid it. His heart was pounding.

Sheng nanxuan planted another kiss on her head and said in a low voice, ” “Mo Mo Xuanji, I love Xuanji.”

Gong mo trembled and every cell in his body tensed up. His heart was about to jump out of his throat.

She didn’t know why, but she felt a little dizzy, as if she had fallen into the clouds, comfortable and floating.

He was startled.

What did he want to say? He loved her?

In the end, Sheng nanxuan paused and said-

“I like you.”

Gong mo sobered up immediately and couldn’t help but feel a little disappointed.

She pursed her lips and pulled the blanket tightly, not saying another word.

Sheng nanxuan thought she had fallen asleep. He gently stroked her hair, kissed her cheek, and fell asleep with her in his arms.

Chapter 285

285 Don't tell me it's related to Gong mo and Sheng nanxuan

Sheng Dongyi walked into the swimming pool and swiped his card at the front desk.

...

The staff member took the card and swiped it. He said, Mr. Sheng, you've been coming here alone. I don't see you, miss su.

She's not feeling well. Sheng Dongyi smiled faintly.

The staff member expressed his understanding.

This was the swimming pool in the neighborhood. People like Sheng Dongyi who came four or five times a week were still relatively rare. Most of them came two or three times. Su mo didn't come with Sheng Dongyi every time, but she would come once or twice a week.

However, this time, it seemed like he had not seen su mo for almost a month. Her period would not have taken so long. It seemed like she was seriously ill.

by the way, Mr. Sheng, we'll be closing for the new year. We'll be off from tomorrow onwards. The staff member reminded.

when do we start? Sheng Dongyi was taken aback.

He paid a lot of attention to fitness, but he didn't like anything else except swimming.

He felt that if he got out of the water, he could wash off all the stains on his body, so that he could do bad things the next day with peace of mind.

It's the eighth day of the new year, the staff said with a smile.

Sheng Dongyi couldn't help but laugh. you guys have had a long vacation.

haha, I hope you understand, Mr. Sheng. We'll do a bit of renovation during the holidays. You'll look as good as new after the new year.

Sheng Dongyi nodded and went to the changing room with his bag.

Su mo had disappeared for more than a week. He could not contact her at all, and there was no trace of her at home.

He was thinking, did she elope with song zijie?

However, song zijie's express delivery didn't have any contact information, so he didn't know where to start.

After the anger he had felt a few days ago, he had calmed down these two days.

He had told su mo that he would return to Nanjiang city next year. Su mo couldn't be planning to secretly come back after he left, right?

Ha, he just didn't want to go back and stayed here to wait for them!

Sheng Dongyi got out of the water and went to the rest area to rest. He ordered a cup of coffee from the waiter.

There was a newspaper rack in the rest area. He looked at the newspapers. He had read all that he needed to read. He was not interested in the rest, so he went to the shelf to look for books.

There weren't many books on the bookshelves, but they were divided into different categories. Sheng Dongyi couldn't help but stop when he saw the detective reasoning column.

Having been in a relationship with Gong mo for so long, he knew that she loved to read such books.

Sometimes, he couldn't understand why a girl would like to watch such bloody conspiracies. He thought that it would be more suitable for her to read romance novels.

However, this might have also laid the groundwork for what happened later, right?

He did not expect that after being tricked by su mo and him, she did not cry and cry. Instead, she married Sheng nanxuan!

Even when he said he wanted to turn back, she was unmoved. She was so heartless that she didn't seem like a woman!

It seemed like he had never understood her well enough.

He had thought that she was a gentle and indecisive woman. Who knew that she would be so tough under her gentle skin?

Suddenly, Sheng Dongyi saw two familiar words-mo Xuan!

He quickly pulled out the book and looked at it. Book title: corpse Language , by Gordon Easter, translated by mo Xuan, published by Aimo books, Ying Ying

Mo Xuan, love mo Xuanji

Could it be related to Gong mo and Sheng nanxuan?

Mr. Sheng, your coffee is here. The waiter said.

Sheng Dongyi nodded and walked over with a book in his hand.

The waiter glanced at the book in his hand and said, Mr. Sheng, you like detective novels too?

Oh, I'm just looking around. He didn't like to read. Reading this kind of book was a waste of his time.

The waiter left with a smile. Sheng Dongyi flipped open his book, but his mind was elsewhere.

He closed the book again and stared at the cover for a long time before taking out his phone to search for news about Aimo books.

Very quickly, he found out that Aimo books had just been established, and 'corpse language' was the first novel they published. As for the translator, Mo Xuan, he had never translated anything before, and it was his first time.

Sheng Dongyi knocked on the table, trying to find the founder's information of Aimo books.

This kind of thing was easy to investigate. For publicity, companies would have their own websites, and most of them had information about their leaders. It was even easier for larger companies. Their leaders might be interviewed, so it was easy to investigate these things.

However, Aimo books had just been established and did not have a corporate culture. Their official website had not been set up either, so they could not be found at all.

Sheng Dongyi sighed. He tapped the cover and opened the book.

...

Sheng Nanxuan said that he wouldn't be going home for the new year, so Sheng Zhongtian and Mrs. Sheng came to the capital.

Anyway, there was nothing much to do during the new year, and it was lonely for them to be alone at home. If he came to the capital, there would be all kinds of banquets between the rich and powerful families during the new year. He might be able to attend a few of them.

They thought that was Sheng Dongyi's plan and couldn't help but praise him for his intelligence.

Sheng Dongyi had no choice but to keep quiet about su mo.

After father su was fired, he went to Sheng Zhongtian for help. However, Sheng Zhongtian found out from Sheng Dongyi that su mo had offended the Yu family. He felt that the SU family was useless in the future, so he ignored him.

Sheng Zhongtian and Mrs. Sheng arrived in the capital on the 25th of December. As soon as they arrived at Sheng Dongyi's residence, Sheng Dongyi received a call from father su before he could even sit down on the sofa.

Father su asked, 'Dongyi, why haven't I been able to get through to Momo recently? Is she home?'

Chapter 286

286 New Year's (1)

"I haven't been able to contact her recently." Sheng Dongyi couldn't help gritting his teeth at the thought that su mo was the one who had harmed Ding Xiang.

...

He guessed that father su had something to do with this, so he naturally didn't give him a good look.

"Why would I?" isn't she living with you?" Mr. Su asked.

"She hasn't come back for a long time." I thought she went home," Sheng Dongyi said. However, one of her old friends contacted her before. Maybe she went to find that person."

“This bi an ...”

“If you see her, please contact me. I have something to tell her.” Sheng Dongyi hung up.

“What’s the matter?” Sheng Zhongtian asked.

“I’m fine,” Sheng Dongyi shook his head. Su mo hasn’t been back for half a month!”

“Why? Did you guys have a fight?” Mrs. Sheng asked.

“We did have a fight. You all know me, how would I have the time to argue with others? It’s her. ”

“Then, if she doesn’t come back, don’t bother about her. After all, Nanjiang’s situation was too small. At first, they thought that their family was not bad, but they were nothing in Beijing. Besides, both father and daughter have offended the Yu family. They won’t be of any help to you.”

Sheng Dongyi remained silent. Although he thought the same, he didn’t want to say it out loud to make himself seem cold-blooded.

alright, it’s rare for us to come to Beijing. We have to go and make a few more friends. Mrs. Sheng said.

I’ll arrange it, ” Sheng Dongyi smiled. I’ll do it.

Although he hadn’t entered the upper-class circle in the capital, he still knew some people. He would introduce these people to his parents first.

.....

Sheng Dongyi was too busy socializing to even buy New Year’s goods. The family of three went out in a glamorous manner every day, but returned home empty.

It wasn't until New Year's Eve that Madam Sheng realized that something was wrong and quickly called the servants to make the purchases.

This servant was no longer the previous one. The previous one had resigned a week ago, and this one had only been on duty for a few days.

How could a servant's dressing be better than a person's own dressing?

Sheng Dongyi and the other two didn't seem to be bothered at all. Instead, they felt embarrassed.

It felt like they were three Wanderers in a foreign land. Although they looked good on the surface, they were not accepted by the city. Everything seemed to be self-deception.

But Sheng nanxuan was different.

They had to handle everything at home by themselves.

Mother Yan was especially enthusiastic about these things. Sheng nanxuan had never objected to it from the beginning to the end, because this was definitely the first happy year in his life!

Ever since he went to college, he had not returned home for the new year. The past few years had been cold and quiet. Although he would attend some banquets with Wu Di and the others during the new year, he would always be alone on New Year's Eve.

Before he went to college, he had always been with the Sheng family, but he had been invisible at home since he was a child, and everyone ignored him.

Moreover, Sheng Zhongtian and Mrs. Sheng were too busy with their careers to celebrate the new year.

Every time there was a Festival, everything at home would be prepared by the servants, and there was no sense of liveliness or happiness. The fiery atmosphere was just a facade.

Unlike here, the liveliness and happiness were truly exuding from the bones.

Almost every day, they would go to the mall to shop for all kinds of things.

It was her mother's habit to buy new clothes before the new year. No matter how frugal she usually was, she would not be thrifty at this time. In her own words, she had been saving money so that she could be happy at times like this!

Chapter 287

287 New Year's (2)

Mother Zhai suggested that they go shopping for clothes, and Gong mo agreed. He whispered to Sheng nanxuan, "Buy two to make mom happy."

...

She knew that he usually wore custom-made clothes. Mother Zi didn't know much about men's clothes, and his suits were usually sent to the laundromat, so mother Zi didn't notice anything wrong.

"Ten is fine." Sheng nanxuan said.

"Then I'll be heartbroken," Gong mo couldn't help but laugh.

They walked into the clothing store. It was the first time that Gong mo personally picked out clothes for Sheng nanxuan.

In the past, no one had ever picked clothes for him. When he was young, he would wear whatever the adults gave him, and when he was older, he would buy them himself. No one had ever put so much effort into picking clothes for him.

Mo Mo Xuanji! Sheng nanxuan suddenly hugged her.

“What’s wrong?” Gong mo was shocked.

“It’s good to have you.” Sheng nanxuan took a deep breath and restrained his emotions. He was afraid that he would not be able to control himself and cry.

“Try this on,” Gong mo smiled shyly.

“There’s definitely no problem with the one you chose.”

“Try it!” Gong mo glared at him.

He lowered his head and kissed her on the cheek. Gong mo blushed and jumped away. He turned around and saw mother Zhai snickering at the side.

Gong mo hurried over and looked at the baby in the pram.

Today was the child’s first day out, but he had been sleeping.

“I’m sleeping soundly.” Her mother said, “let him sleep. Otherwise, he’ll cry and make a fuss if he wakes up.

“Alright,” he said. Gong mo smiled and touched the child’s nose.

Sheng nanxuan changed his clothes and came out. Mother Yan smiled. “Aiyō! A fine-looking man!”

Gong mo blushed and walked over, “Is the size suitable?”

“Of course you’re the one who picked it.” Sheng nanxuan said.

“I don’t think there’s any suitable custom made ones?” Gong mo asked in a low voice.

“The one you picked is the best.”

“Then I’ll just randomly pick one for you?” Gong mo said in a bad mood, but his face was red. The sweet nothings that came out of Yingluo’s mouth made people feel shy.

“You’re not being honest if you just take it casually.” Sheng nanxuan said, “ don’t you know my figure? ”

Gong mo was stunned. What did he mean?

“You’ve touched it so many times,” Sheng nanxuan said softly.

Gong mo was furious and pinched his arm.

Sheng nanxuan hissed in pain and Gong mo quickly let go.

Sheng nanxuan looked at her lovingly and said, “ I’ll take this one. It’s time to buy it for you.” Naturally, they had bought mother Zhen’s from the very beginning.

“Then you go and change.” Gong mo touched the place where he had twisted just now and found a small wrinkle.

After returning home, mother Zhai started decorating the house.

Red lanterns, auspicious knots, window decorations, and couplets were all hung up.

In addition to the things she bought, mother Zhai also made them herself.

She had nothing to do all these years and had learned a lot of skills!

He knew how to tie auspicious knots, but he couldn't tie the big ones like the ones in the store. The small ones weren't that nice either. However, the ones he made were different. This was a token of his sincerity.

Her mother also knew how to cut the window flower and the Fortune Gu, and she did it well.

With her mother around, this New Year was considered to be in full swing.

On New Year's Eve and the first day of the Lunar New Year, they gave the maternity matron and nanny a holiday. They didn't want outsiders to be around on New Year's Eve. It was only a reunion when family members were together.

When the nanny and nanny left, they gave them gifts. Naturally, the two were very grateful and came back with New Year's gifts. Mother Yan gave them a New Year's Red packet. The red packet was prepared by Sheng nanxuan. It was very big and the two of them worked even harder. Of course, this was a story for later.

Chapter 288

288 New Year's (3)

On New Year's Day, Gong Bai went back to his hometown and didn't come over. Mother Luo secretly heaved a sigh of relief. After all, this was Sheng nanxuan's house. It was already very difficult for her to stay here. It was not appropriate to call Gong Bai over.

...

Mother Yan and Sheng nanxuan had prepared the New Year's Eve dinner together. Although it was only the three of them, they had prepared a lot. While eating, they turned on the TV and watched the New Year's party. It was very lively.

Dinner lasted until nine o'clock, and the food was cold.

Sheng nanxuan went to wash the dishes. Mother Gong and Gong mo wanted to help. He said, "Don't move! Go to the sofa and look after my son. Leave this to me!"

Okay, okay, okay, Yingluo! mother Zhen laughed and went to rest with Gong mo.

Gong mo laid on the sofa and said in pain, "I'm full, Yingluo."

"Who told you to eat so much!" Her mother patted her body and said, "it's noisy tonight. There's a lot of firecrackers. Don't even think about sleeping before 12 o'clock. By then, I'll have digested most of it."

mm, hehe. Gong mo turned his head and looked at the lively atmosphere in the room. where are we going to play tomorrow?"

Mother Yan held Hu in her arms and said,"With this little ancestor here, we can't just randomly squeeze."

Oh, then let's go out and play while nanxuan takes care of the child at home?"

nanxuan doesn't have milk. What if the child is hungry?"

"There's a breast pump."

The two of them chatted for a long time before Sheng nanxuan finished washing the dishes and came out. He picked up an Apple from the fruit plate and peeled it.

"You didn't eat too much?" Gong mo asked.

"I'm just too full. Eating an Apple will help with digestion."

"Then give me a piece too."

"How can you be missing?"

The three of them sat on the sofa and chatted, teasing Hu Zi from time to time. Hu Zi pouted and laughed, making the three of them extremely happy.

However, not long after, Hu Zi was sent back to the nursery to sleep.

The three of them continued to watch the TV and discuss the arrangements for the next day.

Sheng nanxuan said, "it's the new year. I must go out for a walk." We'll keep Hu Zi warm, as long as we don't go to crowded places."

"Why don't we go and watch the flag-raising ceremony?" mother Juan asked.

"That's too early!" Sheng nanxuan said, " it's not even dawn yet. There will be a lot of people tomorrow. Mom, if you really want to go, I'll call you when the time comes."

"I also want to go!" how can I not see the flag-raising ceremony when I'm in the capital? " Gong mo asked.

"You haven't seen it before!"

"Oh, that's why I have to go on the first day of the new year."

"Alright, we'll drive by ourselves. The road conditions are good now, so we'll get there soon. He woke up at about six and set off at half past six. But by the time we get there, it'll probably be a sea of people."

"Then what if we wake up at five?"

Sheng nanxuan was silent for a moment. I woke up at five. There'll probably be a sea of people there.

"Then let's go to sleep now! Wake up at five!" Her mother said, " I'll go back to sleep after the flag-raising ceremony. I'll go out to play in the afternoon.

okay," Gong mo replied happily. After a while, he suddenly asked, " what about the child? "

"Don't worry, I'll stay in the car to take care of him." Sheng nanxuan said.

"You don't watch the flag-raising?"

after I came to the capital, I went to see it every year. I've seen enough.

Gong mo and mother Gong were both stunned. They looked at each other and nodded.

From Sheng nanxuan's words, they could hear his loneliness and desolation.

In the past few years, he didn't go home on New Year's Eve. He went to watch the flag-raising early in the morning. The thought of it made her heart ache.

Before they went to bed, Gong mo and Sheng nanxuan pushed the crib into their room so that they could take care of it at night.

Chapter 289

289 New Year's (4)

Just as she was about to sleep, mother Zhai knocked on the door.

...

Gong mo went to open the door and saw mother Zhai standing outside with three red packets in her hands. "Come, come, come, New Year's money."

hahaha! Yingluo! Gong mo hurriedly received the gift. Thank you, Mom!

Sheng nanxuan also walked over. Mother Yan handed him another one. "Here, put it under the pillow. This is Hu 'Zi's."

Gong mo stepped aside and asked her to put it down personally.

After putting away the red packet, mother Zhai touched Hu Zi's face and said to Gong mo, "I don't have much money, so I'm just following a custom."

okay ~"Gong mo smiled and walked her to the door. He closed the door after she entered the house.

Back on the bed, she opened it and said, "A hundred!" After saying that, he placed it under his pillow.

Sheng nanxuan held the red packet in a daze. Gong mo asked in confusion, "What are you doing? Do you think it's too little?"

Sheng nanxuan shook his head and pressed the red packet under his pillow. Then, he lay down and held her in his arms. He said in a low voice, "This is the first time I've received New Year's money,"

Gong mo was stunned for a moment. He looked up at Gu Yu and his heart ached for him.

"In the future, niannian will ask mom to send it to you," she said as she hugged him tightly.

"Alright," he said. Sheng nanxuan smiled. I've never celebrated New Year's like this before. Now, I feel that I really have a family.

Gong Mo's heart ached and he nodded in his arms, "En!"

"So, Yingluo, can you not leave me?" Sheng nanxuan cupped her face.

"I'm not leaving," she said, puzzled.

“I’m talking about the future. I’ll treat you and our child well. It’s fine if you don’t like me, but I hope you’ll stay by my side forever.”

I’ll do it. Gong mo opened his mouth. I’ll do it.

It wasn’t that she didn’t like him. It was just that they weren’t familiar with each other in the past, and there was always a process to building a relationship.

But now, he was stunned.

He should like it a little, right?

Gong mo leaned into his arms and said in a low voice, “Let’s go to sleep,”

“Put on your earplugs.” Sheng nanxuan suddenly said, “it’s too noisy outside.

Their house was quite soundproof, but the sound of gun salutes could still be heard from outside. In the early hours of the morning, these sounds would be even louder and would definitely wake them up.

Gong mo took the earplugs with a smile and kissed him. “The Last kiss of the year.”

what you’re saying makes me want to wake you up in the early morning, and then we’ll kiss from this year until next year.

“Don’t give me that,” Gong mo put on his earplugs and prepared to sleep.

Sheng nanxuan suddenly covered her body and kissed her hard.

This kiss was strong and gentle, full of plunder and love.

A few minutes later, he let go of her lips and covered her earplugs with both hands. He kissed her between her eyebrows and said in a low voice, "Gong mo, I love you."

Gong mo pushed him away and removed his earplugs. He asked with a red face, "W-what are you doing? Did you just speak?"

"Yeah," He smiled and kissed her again, saying, "this is The Last kiss of the year."

Gong mo blushed, "you said it!" You're the last one, and you're the last one. Don't disturb my sleep!"

Okay, okay, okay, okay, Yingluo. In order for you to wake up at five tomorrow, I won't disturb you anymore.

.....

Sheng nanxuan woke Gong mo and mother Zhai up before dawn. The few of them packed up and went out with Hu Zi, who was fully armed.

Suddenly, mother Yan felt a little bad and said, "why don't we just not go?" What if Hu Zi catches a cold?"

"I won't." Sheng nanxuan said, "they're all up. We went out for a walk."

"If I get sick, it'll be my fault." Her mother sighed. if I had known earlier, I would have asked the confinement lady to stay.

"Alright, let's go." Gong mo said.

Chapter 290

290 The foreigners are here to watch us raise the national flag?

The three of them arrived at the square. Sheng nanxuan found a place to Park his car and said to Gong mo and mother Zhai, "Can you two do it? I won't get off the car if you can."

...

"Alright!" Her mother said, "just look after the child. It's so cold. Don't let him catch a cold.

then be careful. Call me if you need anything. Sheng nanxuan said, "don't worry when it's over. Wait for everyone to leave before you leave. I'll go and pick you up.

"Alright," he said. Gong mo kissed the child and walked forward while holding mother Zhai's hand.

Although the sky was still dark, the roads were full of people, all of them going to see the flag raising.

The two of them found a place to stand. It was noisy all around-adults, the elderly, children, and many more people were rushing over.

Gong mo stood there for a while and found that there was still more than an hour before the flag-raising time. He asked his mother, "Are you cold?"

"I'm wearing thick clothes. What about you?" her mother shook her head.

"I'm not cold either."

Gong mo took out his phone and read the news online. After watching for a while, she saw that her mother was also watching, so she simply pulled out a joke to watch.

Many people on the internet were ridiculing last night's New Year's party, and her mother was amused.

As the time approached, more and more people gathered around.

There were already many people when Gong mo and the others arrived. Now, they saw that the number had increased several times!

Seeing that it was about to start, Gong mo put away his phone and waited.

No one felt that an hour or two of waiting for just a few minutes was not worth it. If it wasn't worth it, everyone wouldn't have worked so hard.

When the flag guard came over, the whole place fell silent, and a sense of solemnity arose spontaneously.

After it ended, everyone heaved a sigh of relief. For a moment, they were reluctant to leave, and it took a while before they left one after another.

Gong mo and mother Zhai stood together, hand in hand. They didn't move. It was not until the crowd around them had dispersed that the two of them walked forward.

Gong mo gave Sheng nanxuan a call. we'll be right there. You don't have to come. There are a lot of people on the road. It's not convenient for a car to come.

After she hung up the phone, her mother pulled her sleeve. She raised her head in confusion and saw her mother pointing ahead. "You see."

Gong mo looked over and saw a man in a coat looking up at the flag.

It was obvious that he had just participated in the flag-raising ceremony.

But what did her mother want her to see?

"Doesn't he look like that Caucasian?" Her mother asked in a low voice, " the foreigners are also here to watch us raise the national flag? "

er, er, er," he took another two steps forward. Gong mo took a closer look and realized that it was really Gambino.

She hesitated, wondering if she should go over and say hello.

However, Diana's mother pulled her along and ran away from Gambino's back in fear. The place they passed by was several meters away from Gambino! Even if Gambino turned around, the people on the road might not even see them.

Gong mo turned around and felt that something was amiss.

The way Gambino stared at the flag was too solemn, as if he was a traveler who had just returned from overseas. But he was an Italy, how could he have a sense of belonging to China?

Back in the car, Hu Zi was awake.

Right now, Hu Zi was either eating or sleeping. He had woken up before they left the house, fed him some milk, and fell asleep again after getting into the car. Now, two hours later, he was awake again.

I fed him some milk, "Sheng nanxuan said. he didn't cry.

Gong mo took off his gloves and scarf and carried Hu Zi in his arms. Hu Zi pursed his lips and looked at her intently like an obedient baby.

good boy, baby! Gong Mo's heart softened and he couldn't help but plant a big kiss on his face.
