### Chapter 291

#### 291 Playing

Sheng nanxuan started the car. I don't think there's a place that sells breakfast today. Let's go home and eat. he said.

...

"Alright," he said.

When they got home, Gong mo and mother Zhai went to take care of the children, while Sheng nanxuan went to cook dumplings.

After eating the dumplings, the three of them went back to sleep and went out for a walk in the afternoon.

The amusement park they went to was open on the first day of the new year, and there were many children. Unfortunately, Hu Zi was too young to play with. The three of them hugged Hu Zi and watched him. They bought him a pinwheel and candied gourd, but they were the ones playing with the pinwheel and the candied gourd was eaten by Gong mo.

"I have a glutton!" Sheng nanxuan could not help but say.

Gong mo, who was chewing on his candied gourd, was stunned when he heard this.

pfft ... her mother laughed at the side.

Gong mo had originally wanted to buy it for mother Zhai as well. Mother Zhai said that she was old and had bad teeth, so she didn't want any. In the end, Gong mo was the only foodie left.

Gong mo gloomily glared at Sheng nanxuan.

Sheng nanxuan said, "it's fine. I can afford it."

Hearing this, Gong mo immediately put the candied gourd in front of him.

He was stunned for a moment, then lowered his head and took a bite.

"Foodie!" Gong mo laughed.

Sheng nanxuan looked at her lovingly and did not refute her.

Her mother sighed, "what a childish guy!"

She looked at the people playing around her and asked, "Do you guys want to go play?"

"I'm afraid!" Gong mo shook his head.

"What's there to be afraid of? You didn't like to play when you were young, and now you don't have the guts to play?"

what else can we do? " Gong mo asked in a low voice.

Roller coasters, pirate ships, and so on ... Just the thought of it made her feel like dying, okay?

Other people's fathers brought them around to play, but she didn't have a father. Of course, she would be afraid.

Her mother didn't know what she was thinking. She didn't say that she didn't want her mother to feel bad.

Sheng nanxuan seemed to have seen through her thoughts. He asked, "I'll Take You There?"

"Ah?" Gong mo looked at him in a daze.

She wouldn't be afraid if he brought her along, right?

"Hu's mom is watching over him, let's go play for a while." He held her hand. when Hu 'Zi grows up, we'll play with him. How can you not have experience?"

"Yingluo, alright." Gong mo had never played it before, so he was looking forward to it.

"You've never played this before?" Sheng nanxuan asked.

"No, I didn't,"

"Then let's try it first. If you feel uncomfortable, we can come down."

"Alright," he said. Gong mo said to his mother, "I'll go then?"

go, go, Yingluo. her mother waved her hand and looked down at the baby in the pram.

Gong moxing followed Sheng nanxuan in a hurry. After playing for a while, he realized that he did not feel uncomfortable. Instead, he felt very excited, as if he had discovered a new world. He let Sheng nanxuan bring her to play as much as she could.

Seeing that she was so happy, Sheng nanxuan naturally let her be.

Diana's mother couldn't help but be influenced by them. On the way back, she said happily, "It's been a long time since I've had such a Happy New Year!"

Sheng nanxuan smiled but did not say anything.

To him, this was the first time he had celebrated the new year so happily.

“When Hu ‘Zi grows up, he’ll be even happier!” Gong mo said.

“Right!” Mother Yan and Sheng nanxuan said in unison.

The three of them were stunned for a moment, then they all laughed.

The next day, the nanny and nanny returned. With someone to cook and clean, the three of them felt more relaxed when they went out.

They went to watch a show, listen to a crosstalk, and watch a movie.

Her mother didn’t really like to watch movies. She felt that she would get dizzy if she stayed in the cinema for too long, so she didn’t go after watching one. She had nothing to do during the new year, so she took the nanny and nanny to listen to a crosstalk. She treated them to a meal as an employee benefit.

Chapter 292

292 Walnut

Gong mo and Sheng nanxuan, on the other hand, went to watch movies, listen to operas, and attend concerts. The child had been taken away by mother Zhai. The two of them were also relaxed, and it felt like a date.

...

On the fifth day of the Lunar New Year, Gong Bai came from Nanjiang and brought them gifts.

Seeing that he was alone, his mother asked in confusion, “Flare didn’t come?”

“She still has classes to attend, so she won’t be coming over for the time being.”

Her mother nodded and did not say anything. She asked, “How’s the family?”

“Just like in previous years.”

“How’s Tian Cheng?” Gong mo asked.

“It’s good,” Gong Bai nodded. She moved to live in school, so she’s not bothered by her family’s Affairs. Her grades have improved instead.”

Mother Yan sighed, “she just wants to leave as soon as possible, right?” If she had lived up to her expectations, her mother wouldn’t have to be like this.”

Gong Bai nodded his head and started to peel the walnut he had brought. I got this from the countryside. You all said it was good, so I bought a few cattles for you.

“It’s good!” Mother Yan smiled. The fragrance of these walnuts is different. It’s good for Momo’s body.”

Sheng nanxuan burst out laughing.

“What are you laughing at?” Gong mo asked.

“Walnuts are for the brain,” Sheng nanxuan said.

you think I’m stupid?! Gong mo was stunned and furious.

no, no, no, ran ran, “he hurriedly explained. it’s only right to fill in the blanks in my brain. It’s really tiring for you to take care of the child.”

“Hmph! “It’s good that you know~” Gong mo rolled his eyes at him.

Gong Bai looked at them with both amusement and envy.

When would he be able to find someone to flirt with like this?

Mother Gong picked up the crushed walnut that Gong Bai had picked up and picked out the walnut meat, then gave it to Gong mo.

“Eat it yourself!” Gong mo hurriedly said. If I want to eat, I’ll eat it myself!”

“I’ll do it.” Sheng nanxuan bent over and took two complete walnuts from the bag. He pinched them in his hand and-

Kachaa!

It shattered!

The clip in Gong Bai’s hand suddenly made a sound and he looked at him in a daze.

Both Gong mo and mother Zhai were embarrassed.

It’s embarrassing that you’re not as strong as someone else’s bare hands when holding a clamp.

“Don’t do it anymore, let him do it!” Gong mo hurriedly said. Then, he took the walnut Clip from Gong Bai’s hand and glared at Sheng nanxuan. “You’re the only one who has the strength, right?”

Sheng nanxuan passed her the walnut in his hand. It was intact and not damaged at all.

Gong mo was stunned. He broke half of the fruit and put it into his mouth before returning the other half to Gu Yu.

He smiled and put it in his mouth as well.

Mother Gong was almost blinded by the two of them. She immediately chatted with Gong Bai, Momo and I want to go back too, but we feel that it'll be troublesome if we go back. The child is still so young, so we plan to go back to visit his father's grave during the Qingming Festival.

"We visited second uncle's grave on our way here," Gong Bai said after a pause.

When her mother heard this, she looked at him, touched."You're so thoughtful."

"I should. I'm not the only one here, everyone's here."

"I understand." Her mother sighed and nodded.

To Big Uncle Gong and little uncle Gong, Gong hang was their blood brother. What's there to fuss about when they're buried in the ground? He didn't even go to the grave and instead became a target of criticism.

This was how the world was. The dead should be respected, and there was nothing to fuss about after death. On the contrary, when he was alive, he couldn't let go of anyone, and he refused to give in to anyone.

.....

On the seventh day of the new year, mother Yan said during breakfast, nanxuan will start work tomorrow. Don't fool around today. Prepare well. Don't get scolded by your superiors when you reach the company.

who dares to scold him? "Gong mo said in a low voice as he ate his porridge.

“What?” Her mother did not hear her clearly.

Chapter 293

293 Valentine’s Day (1)

Gong mo pursed his lips and shook his head. She couldn’t say that someone was the company’s Big Boss at once, for fear of scaring her mother.

...

As Sheng nanxuan ate, he lowered his head and read the newspaper. There was a faint smile on his lips.

“Mom, are you going out today?” He suddenly raised his head.

“I’ll go grocery shopping with sister Zhang later. We’ll go out for a walk after dinner.”

“Don’t buy too much.” He said, “ I’ll take Momo out to eat later.

“Is there a social event?” her mother was stunned.

oh, oh, ” Sheng nanxuan mumbled. I might have been out for a long time. I’ll leave the child to you.

“Where are we going?” Gong mo was puzzled.

Sheng nanxuan rolled his eyes at her helplessly.

Gong mo was stunned. He felt that his gaze was filled with resentment. She was so scared that she didn’t dare to speak.

She finished her breakfast quietly and was clearing the table when the doorbell rang.

The nanny and nanny were both busy. Sheng nanxuan called Gong mo. "Momo, open the door."

Gong mo was a little dissatisfied, thinking, "he's actually giving me orders!"

However, she gave him face and went to open the door.

When she opened the door, she was shocked to see a huge bouquet of roses.

"Hello, is this Mrs. Sheng? Your flowers." The young man holding the flowers outside said.

"Who asked you to give it to me?" Gong mo asked in a daze.

"Your husband!" The young man said.

Hearing this, Gong mo immediately turned around, but Sheng nanxuan was no longer in the living room.

She took the bouquet and signed for it. She picked up the card inside and saw that it said, " Happy Valentine's Day.

Gong mo laughed. She had actually forgotten about it. No wonder he looked at her with resentment just now. Was he blaming her for not remembering?

As she walked in with the flowers in her arms, her mother came over and called out, " "Where did you get such a big bouquet of flowers?"

"Ah? Oh, Nan Xuan bought it. " Gong mo went back to his room with a red face.

"Don't let the child smell it!" Mother Diana shouted. This smell is too strong!"

Wait a minute! Her mother suddenly remembered. What was the date today?

She suddenly felt depressed. Thinking back to a few years ago, there were people who occasionally gave her flowers, but she had thrown them away. Now that he was old, no one was chasing him anymore. Instead, he wanted him.

.....

Gong mo held the flowers in his arms and gently pushed open the door of the study. He found that Sheng nanxuan was not there.

She was puzzled for a moment before carefully returning to the bedroom and opening the door.

Still no one.

Gong mo frowned. Where did she go?

She bit her lip, looked at the roses in her arms, and walked in with them.

Just as she closed the door, a pair of hands hugged her from behind.

ah! Gong mo was shocked.

shush-" Sheng nanxuan stretched his head from behind and covered her mouth with his hand.

Gong mo heaved a sigh of relief and pulled his hand down. He whispered, " "What are you doing? It's scary!"

"Do you like it?" Sheng nanxuan asked dotingly.

“So-so,” Gong mo blushed and felt that he was being too ungrateful, so he added, “ I like it! Of course I like it if it’s from you! But I forgot about Yingluo. I didn’t prepare a gift for you.”

“I’ll remember next year.” Sheng nanxuan flicked her head.

The two of them walked out of the room. Mother Zhai had already gone to buy groceries with the nanny, and the confinement lady was taking care of the child in the nursery.

“When are we leaving?” Sheng nanxuan asked.

“Why are you going out?”

“What do you think?” Sheng nanxuan looked at her meaningfully. it’s Valentine’s Day. Of course, we have to go on a date.

“The child will cry.”

“Mom’s here.”

“Then we’ll talk about it when mom comes back.” Gong mo turned around. I’m going to check on Xiaohu!

Sheng nanxuan followed her into the baby’s room. Aunt Yue saw that there was nothing wrong and found an excuse to leave so as not to disturb the family of three.

Chapter 294

294 Valentine’s Day (2)

Gong mo picked up the child while Sheng nanxuan stood behind her. He felt bored after watching her for a while.

...

This kid had only been here for a month, and he couldn't even chat or make him laugh. How boring!

"Where do you want to go later?" he asked Gong mo.

Gong mo was stunned. He placed the child back on the bed and said with a red face, "How would I know? You can't leave the child alone for too long ~"

"Then we'll go out in the afternoon."

Gong mo hesitated for a while and said, "alright."

Valentine's Day was a must. He was so good to her, and she didn't want to dampen his spirits.

Sheng nanxuan laughed happily when he heard that.

When her mother came back, she brought a few chocolates for the nanny and the nanny. She said that they would also be spending Valentine's Day.

Gong mo couldn't help but laugh.

Mother Yan glared at her and said, "you have someone to give you!" Are you not allowing us to entertain ourselves?"

Gong mo immediately hid behind Sheng nanxuan. Sheng nanxuan said, "It's my fault. I'll buy it for you guys later."

forget it, forget it, Yingluo. mother Zhai hurriedly waved her hand. you can buy it for Momo alone. We'll just entertain ourselves! Just entertain yourself!"

Sheng nanxuan and Gong mo only left in the afternoon. Before they left, Qian mo said to her, "If the child is throwing a tantrum, give me a call."

“He can’t see you clearly now. He’s fine as long as he has food and sleep. Why would he look for you? Don’t you worry! Have fun, don’t worry!”

Gong mo was a little depressed. She was his mother, alright? Her son was actually dispensable to her. It was simply too sad!

“Now that we can play, you guys should have fun!” How could her mother not see through her thoughts? ” in two months, you won’t be able to throw him away. He’ll cry when he doesn’t see you.

“That’s good!” Gong mo laughed happily.

She was wearing a red coat and a red scarf. When she went out, her heel rubbed against the threshold and she fell forward.

Sheng nanxuan immediately hugged her and asked, still in shock, ” “Who are you paying your New Year’s greetings to?”

Gong mo hit him and turned to his mother, ” “We’re leaving.”

“Be careful when you walk!”

“I know.” Gong Mo closed the door and adjusted his scarf. let’s go, “he said to Sheng nanxuan.

Sheng nanxuan frowned and poked her forehead. “Be careful when you walk, don’t break my wife.”

Gong Mo’s face turned red and he pushed him towards the elevator. “Let’s go ~”

The sun came out as soon as the two of them left.

In the car, Gong mo was pleasantly surprised. "The weather is so good ~"

yes, Yingluo. Sheng nanxuan looked at the bright sun and asked, "shall we go to the amusement park?"

He had originally wanted to take her to the movies. However, they had seen most of the recent movies. It was such a special day today that it would probably be difficult to buy tickets. It would be better to change the location.

sure! You arrange it. Gong mo said with a smile.

"Do you dare to take a roller coaster?"

"I'm someone who loves to read detective novels!"

"Yingluo, what does that have to do with anything?"

Wu, Wu, Wu. Gong mo thought for a moment and realized that there didn't seem to be any logical relationship.

However, how could she admit defeat?

She said, "I might be imagining a roller coaster murder case or something, aww."

Sheng nanxuan rolled his eyes at her.

At the same time, seeing that the sun was good, mother Zi and the nanny pushed the child out for a walk. When she entered the living room, she saw Gambino smoking outside with a bouquet of roses.

She was stunned for a moment and whispered to the nanny, "I seem to have left something behind. Let's go up first."

## Chapter 295

### 295 Valentine's Day (3)

The housekeeper was stunned. She couldn't remember what she had left behind, but it wasn't appropriate for her to ask about the master's family matters.

...

Just as the two of them were about to turn around, Gambino had already noticed their movements. He threw away his cigarette butt and ran over. "Dan Rong!"

Her mother froze and said to the nanny helplessly, "Wait for me!" He said.

She tied her scarf tightly and rushed toward Gambino angrily. "What are you doing?"

Gambino handed the flowers to her. it's Valentine's Day today. It's for you.

"I'm not your lover!"

Gambino was stunned and said, "that's not what Valentine's Day means, it's-

"You don't need to say anything! "I understand, I understand," her mother said hurriedly. "But I don't need it!" Can you not disturb me?"

Gambino's hand froze in mid-air, and after a while, he sighed faintly. "Shan rongxuanji's Festival is to allow people to express their feelings to the person they like."

"Isn't that April Fool's Day?" her mother asked, puzzled.

"....."

“Something’s wrong! Didn’t you already express it before?”

“Yeah!” Gambino hurriedly nodded. So she remembered.

“But I refused!”

Gambino felt as if he had been stabbed in the heart.

“Alright, you can go.” Her mother said, “if you don’t leave, I’ll call the police.

“You really can’t accept it?” Gambino looked at her. this, Yingluo, is my thought. I’m sure you haven’t received a rose in many years, Yingluo.”

“You pity me!” Her mother shouted, “I’m a middle-aged woman and as beautiful as a flower. If you like me, naturally, others will like me too! I’m telling you, don’t look down on me. I’ve received a lot of flowers over the years, but I don’t care for them! That’s why I don’t care about your bouquet!”

“Yingluo.” Gambino was extremely disappointed.

Seeing him so depressed, mother Ling suddenly felt a little bad.

She remembered the first day of the new year, when he stood under the national flag and looked at Yingying in a daze.

Why would a foreigner look at her flag? Could it be that he couldn’t catch up to me and wanted to ask the flag for help?

Mother Yan felt that her imagination was running wild. However, since he respected his country, he would give him some face!

She reached out to take the flowers. Gambino was stunned and looked at her in surprise. “Rongrong ...”

“What Rong?” Her mother called out, “ Rongrong? I’m just giving you face so that you won’t lose face! I didn’t mean anything by it, so hurry up and leave!”

“Alright,” he said. Gambino smiled and took two steps back. Happy Holidays.

Yingluo was not happy to see him at all.

.....

Sheng nanxuan and Gong mo played in the amusement park for two hours and then drove to an Old Street.

Everything on this Street was antique, and there were many small things for sale. It was quite interesting.

The two of them strolled all the way into the night, and the entire Street was already brightly lit.

The lights here were retro Palace lamps. Under the lights at night, only the silhouettes of the pavilions could be seen. No fashionably dressed people could be seen, giving people a feeling of traveling through time.

Sheng nanxuan took out his camera and took many photos of Gong mo. It was only when Gong mo was no longer willing to be in the frame that he said, “Then let’s go have dinner.”

“Okay, let’s go home after eating. What if Xiaohu is hungry?”

Sheng nanxuan looked at her in a daze. you only have him in your heart? ”

“Oh, don’t you have him in your heart? He’s your son!”

Hmph! This son of mine is just trying to snatch you away from me.

Gong mo blushed and didn't dare to argue with him.

Chapter 296

296 Valentine's Day (4)

Sheng nanxuan caressed her hair lovingly. "Let's go," he said.

...

He made a reservation at the best Western restaurant in the capital.

As today was a special day, there were not many empty seats in the restaurant when the two arrived. There were only a few empty seats, and there were also reservation signs.

The two of them sat down and ordered their meal.

Although there were people all around, the seats in the restaurant were not crowded, and there was enough private space. The two of them spoke softly so that no one else could hear them.

After sitting for a while, fireworks bloomed outside the window, forming a huge heart.

"It seems like someone is proposing," Sheng nanxuan said with a half-smile.

"Many people are doing this today, right?" Gong mo nodded.

"That's not wise."

"Why?"

there are couples everywhere. Maybe all the girls will think that it was their boyfriends who did it.

“Pfft-”

“Wouldn’t it be more surprising to choose a normal day?”

Gong mo nodded, “that’s true.” On this day, the girls were full of anticipation as soon as they woke up. No matter how surprising it was, it was all within their expectations, right? It’ll be a real surprise if you choose a normal day.”

“That might not be the case.” Sheng nanxuan looked at her. someone has already forgotten what day it is early in the morning.

ah! Gong mo was stunned. Wasn’t he talking about her? She raised her hand coyly, as if she was going to hit him.

He reached out and grabbed her, both hands landing on the table.

Gong mo blushed and looked down at the red wine in his glass when he saw Jiang Chen staring at him.

“That Yingluo,” she suddenly remembered, “the Yingluo that I can’t drink.”

If she drank, the alcohol would enter her milk.

Just then, she felt a cold sensation on her finger. She looked up and saw Sheng nanxuan holding a ring and slowly putting it on her ring finger.

“What-what are you doing?” she asked in surprise.

“We’ve been married for so long, but I still haven’t given you a wedding ring.” He slid the ring to the bottom, held her hand, and looked at her intently. if I don’t put it on for you, people will think that you’re single. What if someone comes after you? ”

this bi an! Gong mo was so stunned that he couldn’t speak.

It was too sudden!

She didn’t expect him to do this!

Sheng nanxuan laughed at himself. I said that others shouldn’t have chosen this day. But I can’t avoid it.

Gong Mo’s fingers twitched. He looked at the ring on his ring finger. There was a large diamond on it. It was dazzling.

There were even people nearby who were caught by the flash and looked over at them.

because the wedding was too sudden, I had someone design it at the last minute. It hasn’t been done yet, so I only gave it to you now. Sheng nanxuan said.

“Where’s the one that you’re looking for?” Gong mo nodded.

Sheng nanxuan smiled and stared at her hand.

She panicked and hurriedly searched for it.

She had picked up the knife, fork, plate, and everything to check, but there was none.

He shook the wine glass, but there was no response.

Suddenly, she saw a rose beside her. She looked carefully and found it in the pistil of a White Rose.

She heaved a sigh of relief and took out the ring. "Why do you put it here? What if I drop it?"

shush, shush, shush. Sheng nanxuan looked at her and reached out his hand.

She was stunned. She pursed her lips, grabbed his hand, and passed the ring to him.

The moment the ring touched his finger, she suddenly stopped.

Gong mo?! Sheng nanxuan was nervous.

She wouldn't regret it, right?

Sheng nanxuan was panicking!

He knew that she had forgotten the past him and her feelings for him were too weak. She might still remember Sheng dongqian.

Chapter 297

297 Valentine's Day (5)

He had chosen today to let her sink into this atmosphere and not think about anything else. Then, she would naturally put on the ring, and the whole process would be warm and sweet.

...

But he didn't expect her to still be so rational and not be bewitched.

Gong mo glanced at him, smiled, and put the ring on. Then, she immediately retracted her hand and took a small sip of red wine.

She thought of their wedding. If it was at that time, how would she put the ring on him?

Perhaps he would be indifferent and go through a formality without any feelings?

She might be thinking, why isn't it Sheng Dongyi?

However, at this moment, she really treated him as her beloved husband. At that moment, she felt so happy! But she suddenly remembered that they were different from other couples!

"What are you thinking about?" Sheng nanxuan suddenly asked.

Gong mo shook his head and forced a smile.

Sheng nanxuan seemed to have seen through her thoughts. He was not in a good mood.

He touched the ring on his finger and decided to take it slow.

Gong mo smiled and touched the ring on his finger. "This diamond is very expensive, right?"

"For you, it's worth it no matter how expensive it is." He looked at her.

She was a little embarrassed by his gaze and lowered her head to pick up her fork. "I'm a little hungry, Yingluo."

When Sheng nanxuan heard this, he also picked up a knife and fork and slowly cut the beef into small pieces. Then, he took her plate and exchanged it with his.

Gong mo was stunned.

"I'm done, eat slowly," he said.

Gong mo slowly lowered his hand and said in a low voice, " "You don't have to be so good to me, Yingluo."

"If I'm not good to you, who should I be good to?" Sheng nanxuan asked, slightly angry.

Gong Mo's heart trembled. He was a little scared and said carefully, " "Don't be angry,"

"Who told you to provoke me?"

Gong mo felt wronged and said in a fit of pique, " "Today is Valentine's Day!"

In other words, why don't you give in to me?

Sheng nanxuan pursed his lips, cut a piece of beef, and put it in his mouth. "Who asked you to be so ungrateful?"

Gong mo pouted and put a piece of beef into his mouth.

Sheng nanxuan looked at her, then at the ring on his finger, and then at the ring on her finger. He couldn't help but sigh.

He put down the knife and fork and reached out to touch her face.

Gong mo raised his head and looked at him timidly.

you, Yingluo. Sheng nanxuan sighed. I really don't know what to do with you.

Gong mo thought for a moment and felt that he had gone too far.

He had said that he liked her.

When they had just gotten married, she had thought that he was doing it for the sake of the child and had never expected any relationship. Now that he had feelings for her, she had nothing to fear.

it's my fault, Yingying. Gong mo lowered his head.

"I'm fine." Sheng nanxuan moved his hand away from her face and held her hand that was on the table. it's my fault for liking you.

"Actually, Zhenzhen, I also ..." Gong mo was stunned.

Huala-

A loud noise was heard.

Gong mo was startled. He turned around and couldn't help but get a little angry. What was he doing? Don't you know that someone is going to confess here?

She was starting to like Sheng nanxuan a little, okay? He had just mustered up the courage to say it, but who the hell was causing trouble here?

All the customers in the restaurant were alarmed, and the waiter rushed to the scene.

From Gong mo and Sheng nanxuan's position, they saw a man lying on the ground. The dining table in front of the man had been overturned.

The man was wearing a suit and was obviously a guest on a date. The one who flipped the table was probably the person on the date.

Sure enough, a little woman in a pink dress walked up to the man with a pink coat on her slender arm. She looked down at the man and scolded, "you're touching me the first time we meet. Are you brainwashed by sperm?!"

Chapter 298

298 Valentine's Day (6)

"Miss ding, please calm down!" The restaurant manager hurriedly advised.

...

"Hooligan!" The woman kicked the man's crotch.

Gong mo was shocked and covered his mouth.

The man quickly rolled on the ground and dodged the kick.

The woman didn't argue with him. She put down her foot, patted her skirt, and turned to walk out. "What Valentine's Day! You're wasting my time!"

When she left, she happened to pass by Gong Mo's table.

Gong mo could tell that she wasn't any older than him, as her face looked too young. But his style was much more domineering than his own.

Gong mo sighed and looked at Sheng nanxuan.

Sheng nanxuan did not seem to be affected. He asked her, "What did you want to say?"

"Ah?" Gong mo had completely forgotten about it. She turned back to look at the place where the incident had happened. The waiter and the restaurant manager were helping the "brainwashed" man up.

She suddenly felt that the person looked familiar. She asked Sheng nanxuan, "Isn't that Wu Di?"

Sheng nanxuan took a look. It was Wu Di.

He couldn't help but hold his forehead.

What was this Wu Di doing? He ruined her date! Gong mo must have said something important just now!

Wu Di took the tissue from the manager and wiped the dirt off her body. She turned around and limped out.

He stopped at Gong Mo's table and said, "Nanxuan, sister-in-law, are you on a date?"

"What are you doing?" Sheng nanxuan was speechless. If you know we're on a date, why don't you get lost?

what the hell?! Wu Di was furious. When she heard his question, she naturally poured out her grievances. my mother arranged a blind date for me! I've long heard that this girl is extremely fierce, and I originally didn't agree! But her father is the Deputy Mayor, so I have to give him some face, right? After I came, I found that this girl was dressed in pink. She was so beautiful and looked so soft and weak. How cute! At that time, I was tempted and thought that I would have a serious girlfriend in the future. This girl is not bad. I talked to her the whole night, but she just nodded and shook her head. Her voice was so gentle, but I just grabbed her hand and wanted to get closer to her, and she f \* cking flipped the table!"

One could imagine how big the shadow in Wu Di's heart was.

Gong Mo's jaw almost dropped to the ground. She slowly closed her mouth and took a sip of water without saying anything.

Sheng nanxuan waved his hand at him. Alright, alright. I understand. Don't disturb me.

“F \* ck!”

Wu Di felt that he had no brotherly love at all! However, after taking a look at them, he was too embarrassed to stay and be a third wheel on this day, so he could only limp away.

Sheng nanxuan’s fingers tapped on the table twice, and he looked thoughtful. Wasn’t Deputy-Mayor Qian Qian Ding’s father? Was that Ding Xiang’s sister?

The Ding family used to live in Nanjiang, so they naturally had dealings with the Sheng family. Sheng nanxuan had seen Ding Xiang from afar twice. She was a gentle lady. As for this, it was said that she had been weak and sickly since she was young and had been living with her grandmother in Beijing.

Hehe, Yingluo, he had just seen her. How did she look weak and sickly?

“What did you want to say?” he looked at Gong mo.

“Ah?”

“Before the accident happened over there.” Sheng nanxuan still remembered.

Oh, Zhenzhen. Gong mo blushed. I mean, Zhenzhen, I can’t drink.

Sheng nanxuan paused. He was sure that this was not what she was going to say.

“Then drink some water!” He said, a little depressed.

Gong mo looked at him and took a sip of water before spitting it back.

Sheng nanxuan raised his eyebrows.

She smiled awkwardly and picked up another cup. "Wrong, that's a wine Pixiu."

Why did he order white wine? she couldn't even tell the difference!

Chapter 299

su mo is dead

In the morning, Gong mo, Mother Gong, and Sheng nanxuan were having breakfast in the dining room.

...

Sheng nanxuan was wearing a v-neck sweater and tie. He had to go to work after dinner.

Sigh, he still didn't want to go to work. It's the new year, isn't it great to date your wife every day? However, her mother didn't know that he was the company's boss and only thought that he was a small employee. If he didn't go, wouldn't he be exposed?

The sweater that he was wearing was picked out by Gong mo for her before the new year. This was the first time she was wearing it. Gong mo couldn't help but take a few more glances at her and said, "You have good taste."

Gong mo lowered his head awkwardly, "this is the first time I've seen you in a Kasaya."

"Oh, really? Is he handsome?"

Gong mo pouted and didn't say anything.

Her mother rolled her eyes and thought, can you consider the feelings of a single dog?

The morning news was on the TV in the living room, and the announcer's clear voice could be heard. "Yesterday afternoon, a female body was found in a swimming pool in a community. It was said that the swimming pool would be closed for about half a month during the new year. Yesterday afternoon, the staff entered the swimming pool and found that the supposedly dry pool was filled with water, and a Kasaya was soaking in the water."

“Sister Zhang!” Her mother shouted, “change the channel! Channel change! I’m having breakfast!”

“Turn it off!” Sheng nanxuan said, “I’m reading the newspaper.

“Can’t you just eat properly?” Gong mo asked.

“Isn’t this to save time?”

“Why do I feel like it’s even slower?”

Qianqian was indeed the one. A breakfast that could be finished in ten minutes would take half an hour or more if he were to read the newspaper while eating.

“I’ll see when I get to the company!” Gong mo ordered.

“Alright,” he said. Sheng nanxuan obediently put down the newspaper. The feeling of being controlled by someone was so good!

Mother Gong glared at Gong mo. nanxuan still has to go to work. What if he gets caught by the boss? ”

“It’s fine, I can look at it during my lunch break.” Sheng nanxuan said.

Gong mo rolled his eyes at him. You’re acting! Who would dare to capture you?

.....

When Sheng nanxuan arrived at the company, the finance department was giving out red packets for the new year.

“President! Happy New Year!” When everyone saw him, they started shouting in a spirited manner.

Sheng nanxuan was almost frightened. He waved his hand. “Happy New Year. It’s a New Year, so everyone must work hard. We’ll treat last year as a preparation. This year, we’ll cheer you up. The year-end bonus and red packets for the new year are waving to you!”

“Yes!” Everyone laughed.

“Do you have mine?” Sheng nanxuan asked the finance department.

“There is.” The finance department handed over a red packet.

Sheng nanxuan took it and touched it. It was quite thick. Such a generous boss, it was him!

He took the red packet and entered the office. Fang Yang rushed in. “Su mo is dead.”

Sheng nanxuan was stunned. when? “he asked.

I don’t know. I found her yesterday in the swimming pool in the community where she and Sheng Dongyi live.

“The swimming pool?” Sheng nanxuan recalled the news he had heard at home. what exactly happened? ”

“The police are still investigating.”

Sheng nanxuan leaned back in his chair, deep in thought. “Then tell me when you have any results.”

“Yes.” Fang Yang left.

Sheng nanxuan touched his chin and thought.

In the end, he handed su mo over to Gambino. However, judging from the location of the corpse, Gambino did not just kill people. He had a plan and arrangement.

.....

In the afternoon the day before.

In the community where Sheng Dongyi lived, several staff members of the swimming Center walked into the swimming Center. As they were going to open for business next year, they had to disinfect and fill the swimming pool with water today.

it's Valentine's Day today, " the young men complained. can't you wait until tomorrow? "

He pushed open the door to the swimming pool and a pungent smell came.

Chapter 300

300 The truth investigation (1)

Everyone covered their noses and asked in a muffled voice, "What's that smell?"

...

ah! the person in front jumped in shock. why is there water? "

Before the holidays, they had cleaned the swimming pool and drained it of all water.

The smell in the water was very pungent. Everyone covered their noses and slowly approached. They saw a mass of seaweed-like hair floating on the water. Under the hair, a human body could be vaguely seen.

ah! everyone screamed and peed their pants in fear.

W-there's a person in the water!

"Call, call the police!" A girl grabbed her colleague in front of her tightly.

The colleague in front of her closed his eyes and fainted.

Ten minutes later, a group of uniformed police officers rushed into the swimming pool.

The workers who found the bodies had all gathered in the hall. The unconscious ones had not woken up, and the female employees who were awake were crying. Although the male employees did not cry, their faces were pale.

"Where's the corpse?" The police officer in charge asked.

"That way." A male employee pointed inside, his voice as soft as a mosquito.

The police quickly divided into three groups. One group went inside, one group stayed behind for questioning, and the last group investigated and collected evidence around the swimming pool.

Most of the police who walked into the pool were forensic doctors. As soon as they entered, everyone frowned."It's formalin,"

The group observed the environment of the entire space, then slowly walked to the swimming pool.

this is troublesome," the head forensic doctor sighed. it's hard for Qingqing to determine the time of death!

The formalin solution could preserve and disinfect dead bodies, so it could also destroy the body tissue and wash away the traces left on the body.

No matter what, everyone still got to work and began to collect the autopsy evidence.

The body was pulled up and the forensic doctor kept taking photos of the body.

The captain of the criminal Police team, Gu Lei, took a photo of the corpse's face and turned to go outside.

The police outside had already understood the situation.

boss! everyone greeted him.

Gu Lei took the photo and asked the staff who found the body, "Have you seen her?"

ah ... everyone covered their eyes in fear and did not dare to look.

what?" Gu Lei was speechless. give me the employee and customer information!

The people who died in the swimming pool were most likely the employees and customers here. Naturally, they had to investigate these two groups first.

A female employee cried as she walked to the counter. She opened the drawer and took out piles of information.

A young police officer took a photo of the body's face and began to look through the information.

Gu Lei was at the side trying to understand the situation.

“The swimming pool has been closed for half a month during the new year, and it just opened today. I heard that the water in the pond was drained before it was closed. It was prepared to store water today, and no one came here during the process.”

“The door lock doesn’t show any signs of being pried open.”

“I’ve collected some fingerprints. I’m going to take them back for comparison.”

Suddenly, the person who was flipping through the information shouted, “found it!” Boss, do you think this is it?”

Gu Lei took it and looked at it. It was a client’s information, which meant that the dead person was a customer of the swimming pool.

He shook the document and placed it in front of the employees. “Who is she? Who has seen her recently?”

ah-” the employee who had just opened the drawer shouted. it’s ran ran-it’s miss su.

“I know her surname is su.” It was all written in the information.

The employee shook her head, “I haven’t seen her in a long time, Yingluo.”

“But you remember her.”

“Because she’s very pretty and her boyfriend is very handsome! She doesn’t come here often, only occasionally accompanying her boyfriend.”
