

Ditsy Wife 301

Chapter 301

301 The truth investigation (2)

“Is this her boyfriend?” Gu Lei took out a sheet of customer information.

...

yes, yes, yes, Yingluo. everyone hurriedly nodded.

“Captain, you’re amazing!” A female police officer exclaimed.

Gu Lei rolled his eyes at her. the documents are placed right next to su Mo’s. He’s handsome. It’s only logical. Okay?”

Okay, okay! the police officers nodded.

contact this Sheng Dongyi! Gu Lei passed the page with Sheng Dongyi’s information to the police officer and continued to question the staff. tell me about these two people!

“Miss su doesn’t come here often, but Mr. Sheng does. He came the day before the closing because miss su hadn’t been here for a month. I even asked him about it.”

“What did he say?”

The employee thought for a moment. I forgot. It doesn’t seem to be anything important. I was just making small talk, but he asked when the museum will open.

he was resting in the rest area. I brought him coffee. He was reading a book. I think it was a detective novel, “another female employee said. I haven’t seen him since.

how's his relationship with su mo? ”

“It should be good, right? A perfect match.”

actually, miss su is quite arrogant, “another person said. she doesn't think much of us employees. From afar, Mr. Sheng looked very cold, and he would respond to anyone who greeted him. It's like he's an enigma, and I can't guess what he's thinking.”

“Right! I just can't figure it out!” Once they started gossiping, these women forgot what fear was. miss su can tell at a glance that she looks down on us, but Mr. Sheng is different. He might look down on us, but he can't tell at all.

.....

The police found the property manager and asked about Sheng Dongyi's residence. They immediately went to him.

Sheng Zhongtian and his wife had not returned to Nanjiang yet because they had to attend a banquet that night. Sheng Dongyi was home too, and the three of them were getting ready to leave.

After the doorbell rang, the servant went to open the door and was frightened when she saw the person in uniform. “Officer Wanwan.”

“Is Sheng Dongyi here?” Gu Leiwen showed his id.

“Yes,” The servant turned around and walked in. Sheng Dongyi happened to come out of the bedroom.

“Who's here?” Sheng Dongyi frowned.

“Two police officers are looking for you,” the maid said.

As he spoke, Gu Lei appeared in front of him with his men.

“What’s the matter?” Sheng Dongyi was puzzled. As he spoke, he fixed his cufflinks.

“Su mo is your girlfriend?” Gu Lei asked.

Sheng Dongyi paused.

“Counted?”

she hasn’t appeared for a long time. I think this relationship has ended? ”

“What’s wrong?” Sheng Zhongtian and Mrs. Sheng walked out.

it’s nothing, ” Sheng Dongyi said. I’m just here to ask su mo.

“We found su Mo’s body.” Gu Lei said.

Sheng Dongyi was taken aback, and so were Sheng Zhongtian and his wife.

how could that be?! Sheng Dongyi asked incredulously.

I’m still investigating. That’s why I’m here to get some information from you, Mr. Sheng.

Sheng Dongyi dropped his hands, looking a little confused. After a moment, he said, ” “Do you want to go to the police station?”

“Oh, you don’t have to use Qingqing.” Gu Lei sat down, took the pen and paper from his subordinate, and gave him a look.

The subordinate stepped back and went to find a servant to understand the situation.

Sheng Dongyi's eyes flashed, and he said to Sheng Zhongtian and his wife, "You guys go back to your rooms first, I'll handle this quickly."

Gu Lei said, "It's okay if you don't want to go. I can also ask uncle and Auntie a few questions." Because of Miss Su's condition, the initial conclusion is that it was a homicide, so we hope to understand her situation as much as possible to help solve the case."

Mrs. Sheng's eyes were deep as she nodded.

Chapter 302

302 The truth investigation (3)

Gu Lei glanced at the three of them and sighed in his heart. The three of them were experts in keeping their composure. Other than being stunned when they first learned of the situation, they were extremely calm after that. It was unknown if they would be able to get any useful information from him.

...

"I'll ask uncle and Auntie first." He said.

Sheng Dongyi and the other two were speechless—who are your uncle and aunt? Was it appropriate to get close to him right from the start?

"Right, I haven't introduced myself." Gu Lei reached out his hand. I'm Gu Lei, the captain of the criminal Police.

"Hello," he said. Sheng Dongyi shook his hand.

Gu Lei stretched out his arm, held the pen, and asked the Sheng Zhongtian couple, "Do you two know Su Mo?"

“Yes, I do.”

“When did you get to know each other?”

“It’s been about ten years,” the two families have been friends for generations,” Mrs. Sheng said.

“Like this? Then give me her family’s contact information, so we can contact them to handle the funeral.”

After the conversation with Sheng Zhongtian and his wife ended, the two did not leave.

Gu Lei didn’t chase them away. He asked Sheng Dongyi directly, “When was the last time you saw su mo?”

Sheng Dongyi thought for a moment. I can’t remember the details. Maybe mid-January.

it’s already February 14th, which means we haven’t seen each other for about a month. You didn’t call the police?”

“She’s an adult. And we weren’t on good terms at the time, so I thought she was angry and didn’t show up on purpose.”

“Not happy?”

she lost her job and didn’t find a new one smoothly. It’s inevitable that she’s in a bad mood.

At this time, the young police officer came back after asking the nanny. He whispered a few words in Gu Lei’s ear and handed him the record.

Gu Lei nodded and continued to ask Sheng Dongyi, “ you didn’t see her after that. Are there any traces of her coming back to the house? ”

“It doesn’t feel like there’s any Kasaya.”

Sheng Dongyi thought of the express delivery and the CD, and felt a little annoyed. He wondered if su Mo’s death had something to do with song zijie.

‘I’m not home often,’ he said. I don’t usually pay attention to so many things, so I’m really not sure.

Gu Lei nodded and looked at the housekeeper’s statement. “Can we go to su Mo’s room to take a look?”

Sheng Dongyi was taken aback. He stood up. she’s in the same room as me.

Gu Lei followed him in and asked, “I just asked the nanny. Su mo was no longer here when she started work. Did you have a nanny here before?”

Sheng Dongyi was silent for a moment. He wanted to say no. However, if the police wanted to investigate this kind of thing, it would be easy for them to find out.

“There’s one,” he said helplessly.

“Can you give me her contact information?”

I don’t have any, but the housekeeping company should be able to find her.

.....

Gu Lei found the previous nanny at the housekeeping company. He did not tell the housekeeper about su Mo’s death. He only said that he had something to know about su mo.

“When did you start being their nanny?” Gu Lei asked.

last July.

“Why did you resign?”

The nanny hesitated for a moment. She really didn't want to badmouth her former employer. However, after thinking about it, it should be fine to confess the truth to the police, right?

She said, “Miss Su has a bad temper sometimes. She looks down on us workers and scolds us when she's in a bad mood.” Besides, she's quite bold. Sometimes, when I'm around, she'll be cuddling with Mr. Sheng in the living room and dining room, Hanhan!”

The housekeeper's expression changed as she said this, and she continued-

“It's actually nothing much to hug and hug. I've worked for so many people and I've seen the world. It's not like I haven't seen a couple with a good relationship. But they're too much. They're doing what they should be doing in the house outside.”

Chapter 303

303 The truth investigation (4)

ahem, ahem, ahem. Gu Lei coughed lightly, feeling a little embarrassed.

...

The nanny sighed, “I'm already so old, and I still care about my face. How can I like that?” Before she left her job, Miss Su was looking for a job and was often in a bad mood. That day, she was unhappy again, and I was afraid that she would vent her anger on me. With all the new and old grudges, I want to resign! I talked to Mr. Sheng and he agreed. I left in a few days.”

“Is this the date of your resignation?” Gu Lei had gotten her information from the housekeeping company, and it was written clearly on it.

“Yes,” she nodded.

“When was the last time you saw su mo?”

“The day before I leave is the day after I plan to leave. I was making breakfast for her in the kitchen when she got into a fight with Mr. Sheng! I was so scared when I saw it that I wanted to resign!”

“Fight?” Gu Lei sharply caught the main point. can you tell me the details? ”

“I was in the kitchen at that time. I don’t know what happened either. Anyway, I heard miss su scolding Mr. Sheng all of a sudden. I went out and saw them fighting, and then Mr. Sheng pushed miss su to the ground. After that, miss su left and I quickly ran away. At noon, I received a call from miss su. She asked me to go and clean up. She probably came home at that time and saw the situation in the house. The room was left behind by her fight with Mr. Sheng. The food was all on the floor, and it was very dirty! But when I went over, miss su wasn’t there again, ran ran! I even helped her receive a delivery! After that, I’ve never seen miss su again, nor have I talked to her on the phone.”

“Do you have any impression of express delivery?”

there’s only the name of the sender. There’s no phone number or address. It’s weird. I can’t remember anything else.

“What’s the sender’s name?”

“Ah, Yingluo, I didn’t notice this.”

“It’s fine.” Gu Lei smiled gently. did you see Sheng Dongyi that day other than in the morning? ”

“We met when I was making dinner this afternoon, but Mr. Sheng didn’t ask me to make dinner, so I went home. I’ve also told him about the express delivery.”

alright, if there’s anything else we need, we’ll contact you again. Gu Lei said with a smile.

.....

When Gu Lei returned to the police station, the forensic doctor had the preliminary results.

“His body has been washed, as if he was a specimen. Private. There were slight traces of sexual violation, which might be normal sex, or it might have been a long time since the violent violation. There were some imprints on the skin, which were initially determined to be caused by sexual exercise. His intestines had been cleaned, so there was very little food left in his stomach. The nails and other parts of the body have also been cleaned. In short, there are no mediums or traces of other people on the body.”

“What about the source of the formalin?” Gu Lei asked.

“I’m checking. But formalin is commonly used in factories, so it might not be easy to get results.”

“Then try to find out who saw her after she disappeared. Find out about her work, where she worked before, why she quit, and where she applied for a job. She must have submitted her resume on the recruitment website, and it should be recorded on the internet. Also, look into Sheng Dongyi. We can’t rule out the possibility that he’s a suspect!”

.....

Gu Lei didn’t sleep well the entire night. It was too strange to soak corpses in formalin. The next morning, he went to the swimming pool.

The swimming pool complex had just been discovered, so it was naturally impossible to open for business. Now, it was sealed off by the police. Other than the police, no one was allowed to take a step inside!

Chapter 304

crime imitation

Gu Lei walked in from the main entrance, his gaze sweeping across the reception counter, the resting Hall, and The Walking aisle.

...

He mimicked the guests here and slowly walked in.

First, a woman walked into the women's changing room and then to the swimming pool.

He walked around the swimming pool twice and came back. He looked around along the way and sat down in the rest area.

After thinking for a while, he got up and walked to another seat. It was said that this was the seat Sheng Dongyi had sat on the last day he came.

Right, he was reading a detective novel that day.

Gu Lei walked to the bookshelf and reached out to touch the book, but he stopped.

He took out a pair of rubber gloves from his pocket and put them on before taking out a book from the detective section.

Which book was Sheng Dongyi reading?

If Sheng Dongyi was the murderer, he should have been about to die, or already dead. After all, the swimming pool would be closed the next day. He should have already planned all the details of the body disposal.

If he was the murderer, what kind of mood would he be sitting here in? And what kind of mood would he be in when he flipped through the books?

He was reading detective novels. Would he be thinking, "can my case be solved?"

Of course, those were just Gu Lei's thoughts. There was no evidence that Sheng Dongyi was the murderer.

His phone rang. Gu Lei put the book back, took off his rubber gloves, and took out his phone.

When he saw the caller ID, he couldn't help but have a headache!

The caller was a young lady who had just joined the criminal Police last year!

This little girl was as strong as an ox and hated evil as if it was her enemy. Whenever there was a case, she would be excited as if she had been injected with chicken blood. When she went out to catch criminals, she would destroy n streets. Everyone wanted her to stay at home and not come to work!

Hence, when su Mo's case happened, everyone had the same goal of not informing her! Since she was still on holiday, he would not let her participate in such a terrifying case!

Who knew that she would call him again? could she have already gone to the police station?

Gu Lei took a deep breath and picked up the phone. "Bell-"

"I'm not called Lingdang!" The person on the other end called out.

Gu Lei was silent. Wait, I don't think her name is Lingdang Yingluo.

I just looked through su Mo's case file ...

"Uh, let's talk when I'm back. I'm busy!"

"Can you just listen to me?"

Gu Lei paused and said as he walked out, " "Alright, go ahead."

"Captain, you know I like to read detective novels ..."

"I told you, don't read those detective novels! It's all bullshit! It won't help in solving the case!"

The person on the other end stopped for a moment and said faintly, " "Why is it not helpful? Su Mo's death is exactly the same as what's written in a detective novel!"

"What did you say?" Gu Lei stopped.

"Hehehe, I'll tell you when you come back!"

Gu Lei thought of something and turned back to the bookshelf. He took a pair of rubber gloves and said, " "Hurry up and tell me! Which novel?"

"'Corpse language', a foreign detective novel. There's a story in it called 'mermaid'. The victims were soaked in formalin, just like su mo. I saw the details in the case file, and it's almost the same as in the novel. The murderer is very likely a reader of 'corpse language', and he's imitating the crime!"

Gu Lei quickly scanned through the books on the shelf and saw the words "corpse Language " .

He put on his gloves and took out the book. He used two fingers to gently flip the cover open.

"Hello? Hello? Captain?"

"Bring some people to the swimming pool to collect evidence."

Gu Lei looked at the publication information of the book. It was published last year.

traced to Sheng nanxuan

Several police officers gathered in the swimming pool to collect the fingerprints on the books. The most important one was, of course, "corpse language."

...

However, in order to not let go of any possible clues, Gu Lei ordered the fingerprints of every book to be collected.

This was a huge project. After collecting the fingerprints, they had to distinguish and compare them.

After the fingerprints were collected, everyone returned to the police station.

Ling dang, who was left behind to look after the office, ran over. "Captain! Have you caught the murderer?"

"No, we're going to do a fingerprint analysis now." Gu Lei said with a headache, "ran ran, you ran ran, check the information related to that book!"

"Received!" 'Ling dang' happily returned to her seat and took out 'corpse language' from her drawer. This was the book that she had bought herself.

Then, she turned on her computer and searched for news related to 'corpse language' on the internet.

Ling dang took the notes and wrote down the author, translation, publisher, word count, page number, and other information.

She had read a lot of detective novels, and the clues in the cases in them were always hidden in inconspicuous places, so she had to record them down in great detail!

Gu Lei thought for a while and said to another police officer, "Go and ask Sheng Dongyi to come over and cooperate with the investigation. He had an argument with su mo, and he has read this book, so he's already a suspect!"

Ling dang opened the internal system of the police station and entered "Aimo books" to check the registration information of Aimo books.

"Eh?" Seeing the results, Ling dang was a little confused. She copied a few words, pasted them on a different page, and searched.

ah! Ling dang suddenly screamed.

Gu Lei was shocked and asked in a bad mood, "What's wrong with you now?"

Ling dang pointed at the computer and said,"Captain!" There's a clue!"

"How do you have more clues?" Gu Lei was speechless and quickly ran over to take a look-

It really was a clue!

The legal representative of Aimo books was 'Sheng nanxuan', and Sheng nanxuan's personal information showed that he was from Nanjiang and was Sheng Dongyi's brother!

Gu Lei slammed the table and shouted,"guards!" Go to Aimo library!"

At this moment, another police officer raised his head. "Captain, I haven't reported to you yet. How did you know that there's a problem with Aimo books?"

"What's the problem?" Gu Lei frowned.

“Didn’t you ask me to check su Mo’s whereabouts? Before she went missing, she submitted her resume to Aimo books. I just contacted the staff at Aimo books, and they said that su mo did go for the interview, but she didn’t pass.”

Gu Lei narrowed his eyes. Sheng nanxuan is Sheng Dongyi’s brother. Su mo is Sheng Dongyi’s girlfriend. They must know each other. ‘Corpse language’ was also published by Aimo books. This case is getting more and more complicated. I’ll go to Sheng nanxuan to understand the situation now!”

ah ... Bell jumped up. can I go? ”

Gu Lei looked at her and frowned. He waved his hand. “Alright, I’ll let you go this time! You’re our hero!”

Ling dang excitedly rubbed her hands together and took a look at the information on the computer. She found that Sheng nanxuan’s wife was called ” Gong mo ” and his company was called ” Aimo Books ”

Should he also find Gong mo to understand the situation?

.....

In the office, Sheng nanxuan was in a daze out of boredom.

There was a knock on the door, and he said, come in.

The HR manager walked in and smiled. “President Qian Qian”

“What’s wrong?” Sheng nanxuan asked in confusion.

“The police just called and asked if su mo had applied for a job here. Oh, it’s a woman who came for the job last month. The president saw her and said-”

“I remember.” Sheng nanxuan said.

Chapter 306

306 The person who was on a date with Wu Di last night

That day happened to be the day su mo went missing. Su mo had come here for a job interview, so the police might have found out about it.

...

He did not expect the police to find out that he was the culprit the moment Fang Yang told him that su mo was dead. It seemed that the police were quite efficient.

“What do you say?” he asked.

“Uh, ran ran, I told you she did come, but she wasn’t hired.” The HR manager said.

Sheng nanxuan nodded. alright. You may leave.

Sheng nanxuan estimated that the police would not only find out that su mo had come here for a job, but would also find out that he was the owner of Aimo books, and then find out that he had a bad relationship with Sheng Dongyi. If that was the case, the police would come to him very soon.

As expected, half an hour later, Fang Yang came in and said, ” “The police are here.”

Sheng nanxuan nodded and sat behind his desk without moving.

Then, ‘Ling dang’ and a male police officer walked in. Fang Yang stepped aside and closed the door after they entered, so that the people outside would not hear their conversation.

“Ling dang” and the male police officer showed their IDs and said clearly, ” Hello, Mr. Sheng. I have a murder case that I need your cooperation with.

Sheng nanxuan looked at her and immediately recognized her as the person who had a date with Wu Di last night. He nodded. "Nice to meet you, miss ding."

ding? "" Ling dang "was stunned. how did you know my surname is ding?"

Her real name was ding dang, and her colleagues in the team always called her Lingdang!

"I have good eyesight," Sheng nanxuan said indifferently.

Ding dang thought he had seen the name on the ID, so he flipped it over and took a look. His eyes were too good! Such small words.

She put away her police ID and said in a serious tone, "it's a complicated case. If it's convenient for you, Mr. Sheng, I hope you can come with us to the police station.

"It's not convenient." Sheng nanxuan said.

Ding dang choked.

Fang Yang could not help but laugh. "Our President is very busy. If it's convenient for you two, why don't you investigate here? It's not good for the president to follow you guys, Yingluo."

this Yingluo ... ding dang was the daughter of the Deputy Mayor after all. She knew that the big shots wanted to save face, so she had to agree.

"Please sit here." Fang Yang invited her and the male police officer to sit on the sofa in the reception area.

Sheng nanxuan slowly got up from behind his desk and walked over.

Fang Yang went out and brought in three cups of coffee. Then, he crossed his hands in front of him and stood upright behind Sheng nanxuan like a bodyguard.

The male police officer took a pen and paper to record. Ding dang asked, "Do you know su mo?"

"Yes, I do."

"When did you get to know each other?"

"A few years ago, I think? He couldn't remember the details. The Sheng family and the SU family are on good terms, and they would attend each other's parties occasionally."

"Are you close to her?"

"I'm not."

"You spoke?"

"Naturally, I did."

"Do you know that she's dead?"

"I'll know if you tell me now."

"Did you see her on January 23rd?"

Sheng nanxuan was stunned. then what day is it? "

"She's here to apply for a job at Aimo books."

“Oh, I’ve seen you before. However, she failed the interview and left.”

“Did you see him after that?”

“No, I didn’t,”

“Can we talk about the first book that your company planned to publish, ‘corpse language’?”

“Is this related to the case?” Sheng nanxuan asked, puzzled.

“Of course. The scene of su Mo’s death is exactly the same as the description in the novel.”

Sheng nanxuan was slightly surprised. He knew that it was Gambino who had killed su mo, but he had not expected Gambino to do this!

Wasn’t Gambino afraid that the police would investigate him?

Chapter 307

307 So what if he killed her?

Wuwuwu

...

He might not be afraid.

Even though Gambino had written the book himself, he was not the one who had signed the contract.

What a joke, how could a mafia boss do such a thing?

Back then, he had arranged for others to meet with the interpreter. If the interpreter hadn't happened to be Gong mo, he definitely wouldn't have shown up. Sheng nanxuan and Gong mo wouldn't have known that he was the real writer.

Therefore, he didn't have to be afraid of being investigated. Even if they were investigated, they wouldn't be able to trace it back to him.

"Since you have a close relationship with the deceased and you are the publisher of this book, we need you to fully cooperate with our investigation." Ding dang said.

"Are you guys suspecting me of being the murderer?" Sheng nanxuan narrowed his eyes.

"You don't have a motive now, so we won't suspect you. But if we investigate further, you'll have enough motive to commit the crime, and we'll have to be suspicious."

Sheng nanxuan did not speak. He naturally had a motive, but he didn't know if the police could find it.

After the police left, he gave Yu xinzhuo a call, "su mo is dead. She just came to my company for an investigation. She might go to Qing Yu media next.

"I know." Yu xinzhuo was stunned.

He thought for a while and told Yu Xinran, "Arrange for the hotel to delete all the videos before the new year, especially the ones before and after Gong Mo's accident. If you find out about Gong Mo's premature birth, just say that she fell by accident."

"Why? Are you suspecting that Sheng nanxuan was behind Qianqian and su Mo's death?" Yu Xinran's eyes widened in surprise.

"Regardless, we can't let the police suspect him, right?"

"You're right." Yu Xinran replied worriedly.

That was the night God, so what if he killed him?

After that, the police came to look for them. However, they only received the reason for su Mo's resignation, which was not very useful.

At the same time, Gu Lei had also brought his men to Sheng Dongyi's residence.

Sheng Dongyi and Sheng Zhongtian had gone to the office, leaving only Mrs. Sheng at home.

Dongyi isn't here, " said Mrs. Sheng. can you come another day? "

"What time is he coming home?"

"He might have a business dinner tonight, I'm not sure."

"We have some things to ask him. If he's free, it's best to ask him to come back."

"Can't you guys go to the company to look for him?"

"Mrs. Sheng, you don't mind the police going to the office? Would this damage your company's image? Cause fear in the employees?"

After a pause, Mrs. Sheng turned around, picked up her phone, and called Sheng Dongyi.

Sheng Dongyi's company was not far from here. He came back in about ten minutes, with Sheng Zhongtian.

Sheng Dongyi was a little displeased and asked irritably, "What is it now?"

there's been some progress in the case. We'll need Mr. Sheng's cooperation in the investigation.

okay. Sheng Dongyi sat down on the sofa. I only have half an hour.

"That's enough." Gu Lei said, "it's like this. We found out from your ex-nanny that Miss Su had an express delivery on the day she went missing. Miss Su didn't receive this express delivery, so you must have helped her open it."

Sheng Dongyi put his hands on his knees and slowly pulled on his pants.

Then, he remembered that the person in front of him was a police officer, and his observation skills were different from ordinary people. He was afraid that he would notice something strange, so he immediately let go.

"Yes, I'll help her keep it."

"Can we take a look?" Gu Lei saw his reaction and asked calmly.

Sheng Dongyi was silent for a moment. I'm sorry. I'm afraid I can't. he said.

Chapter 308

308 Shifting the police's suspicion to Sheng nanxuan

"Why?"

...

"I've already thrown it away."

"What is it?"

“It’s just an Ordinary Express delivery. It’s a magazine. She didn’t come back after a few days, so I threw it away with the garbage.”

“A magazine? Did the magazine post that?”

“Yes.”

“Mr. Sheng, you’d better tell me the truth.” Gu Lei said coldly, giving him some pressure.

what do you mean? ” Sheng Dongyi was confused.

“This Express Mail is very special. The sender only has the name, but no address or phone number. The nanny remembers that. Do you need me to tell you the name of the sender?”

Sheng Dongyi held his breath.

Gu Lei knew that there was definitely something wrong with this express delivery!

The express delivery arrived after su mo left the house. It was almost noon then, so she might have gone out for lunch. Logically speaking, she would be back.

But the express delivery was in Sheng Dongyi’s hands. Sheng Dongyi might have discovered something and changed su Mo’s fate.

Gu Lei realized that he was also overthinking like ding dang, who loved to read detective novels! Solving a case required sufficient evidence for reasoning, not blind guessing!

Mr. Sheng, ” he asked, ” do you like detective novels? ”

“I don’t like it.”

“Oh?” Gu Lei raised his eyebrows.

Sheng Dongyi suddenly remembered that he had read a detective novel when he went swimming before the new year. The police must have found out about this from the staff at the swimming complex. There was no good in denying it.

Wait a minute! Could it be that the police suspected him of being a murderer?

Ha, what a joke!

Although he really wanted to kill su mo, he did not have the chance!

my ex-girlfriend likes to read, “he said. so she can’t help but flip through detective novels when she occasionally reads them.

“Ex-girlfriend?” Gu Lei frowned. Why did he suddenly have an ex-girlfriend? Was the case going to get more complicated?

Mrs. Sheng suddenly asked, “Have you investigated Sheng nanxuan?”

“Who is it?” Gu Lei looked at her.

Of course, he knew who Sheng nanxuan was. However, Madam Sheng was Sheng nanxuan’s mother. He found it strange that she had suddenly mentioned Sheng nanxuan.

“My second son.” Mrs. Sheng lowered her eyes and looked at Sheng Zhongtian.

She was Sheng nanxuan’s mother. Although she was not his biological daughter, outsiders did not know about it. Even Sheng nanxuan himself did not know about it (Qianqian thought so).

A biological mother would never hit her own son when he was down. Therefore, Sheng Zhongtian was the only one who could say the rest.

Sheng Zhongtian quickly reacted!

Did the police suspect Sheng Dongyi?

Although he was a little reluctant to part with Sheng Nanxuan, Sheng Dongyi was still more important than his two sons!

He sighed, "that unfilial son!" I've already kicked him out of the family because of some things. He might still hate us."

"For what?" Gu Lei asked.

my ex-girlfriend. She's his wife now. Sheng Dongyi said.

Gu Lei was shocked. He hurriedly took the document from his subordinate and flipped through the information recorded inside. Sheng Nanxuan's wife is your ex-girlfriend? "

"Yes!"

"What's her name?"

"Gong mo,"

"What's going on?"

Sheng Dongyi rubbed his forehead. last year, I had a birthday party at home. Gong mo was still my girlfriend at the time. No one else knew about Nan Xuan's sudden return that day and the fact that he had had sex with her, except for the person involved.

However, at this moment, he had no choice but to say something.

Because of that incident, Sheng nanxuan and Gong mo had enough reason to hate him and su mo!

If the police's suspicion was directed to Sheng nanxuan and Sheng nanxuan became the murderer, he would be able to rest easy!

Chapter 309

309 Are you saying that Gong mo killed su mo?

Gu Lei and his subordinates thought, "what the f * ck!" We're here to investigate a case, why are we listening to the grudges of the rich?

...

I thought nanxuan did it on purpose. Sheng Zhongtian said, " he killed Dongyi's ex-fiancée! I saw that he didn't change his ways, so I cut off all ties with him!"

"Dad!" Sheng Dongyi suddenly called out.

Ding Xiang's death had nothing to do with Sheng nanxuan. He didn't want the police to find out about this.

Sheng Zhongtian looked at him in confusion and sighed, " Xiangxiang has been dead for so long, let's not disturb her peace. Let her rest in peace."

Sheng Zhongtian felt that he must have a reason for saying this, so he could only nod.

"Who is Xiang Xiang?" Gu Lei was confused.

"My ex-fiancée Yingluo"

Sheng Dongyi was irritated. He didn't know if it was a good idea to get involved like this. But even if he didn't take the initiative to explain, Gu Lei would still find out.

her name is Ding Xiang, "he said. her father is the Deputy Mayor of the capital city.

ah, ran ran. Gu Lei was slightly stunned. The case was indeed getting more and more complicated.

Mrs. Sheng took out a tissue and wiped the corner of her eyes.

Sheng Zhongtian looked at her and knew that she was deliberately making a move to remind him to continue the previous topic. He said, " Could it be that nanxuan has a grudge? Did he kill su mo to vent his anger? Aiyaya, I'm getting more and more disappointed in him! I was thinking of letting him go home in two years. Can't he just be honest?"

Mrs. Sheng took his hand. how could you say that about him? " she asked. how could you? " He might not have been the one behind the incident with Ding Xiang. Although his friends were involved, he wasn't around after all! You can't just say it's him because of this! This matter is even more ridiculous!"

"If it's gong mo, it's still a valid reason." Sheng Dongyi also said, " Gong mo must hate su mo very much, Yingluo.

"Why?" Gu Lei asked. What do you know? can you just tell me?"

Sheng Dongyi was stunned. su mo was the one who caused nanxuan to have sex with Gong mo. She got Gong mo drunk and said that she would help Gong mo to her room but sent her to Nan Xuan's room instead. After that, Gong mo became pregnant. Fortunately, Nan Xuan was responsible and married her. Otherwise, how pitiful would she be? Gong mo used to be with me because he truly liked me. Besides, I'm the young master of the Sheng family while Nan Xuan has become an abandoned young master! Not only did su mo break up her love, but she also made her life worse than it used to be. It's only natural that she would hate su mo!"

you're saying that she killed su mo? "

“I’m just making a logical deduction. But it’s definitely not her.”

“Why?”

“It’s because she just gave birth to a child, and it was premature. When su mo went missing, she was still in her confinement period. How could she have killed someone?”

Gu Lei thought about it. This case was indeed so complicated that it made him want to jump off a building!

The point was that su Mo’s death could not be handled by one person!

The whole pool was filled with formalin, and the dead bodies were cleaned up. Clearly, the mastermind had brought many helpers with him.

Therefore, if Gong mo had a motive for killing, he wouldn’t have been cleared of suspicion just because he was in confinement.

“Can I take a look in your study?” he asked.

Sheng Dongyi was taken aback. He nodded, got up, and led him to the study.

Sheng Zhongtian and Mrs. Sheng were still sitting on the sofa, and they exchanged a look.

The young police officer opposite them looked at them. They lowered their eyes, picked up their tea, and slowly drank it.

The young policeman looked at the confession that had just been recorded and suddenly asked, “ may I ask who Sheng nanxuan’s friend was involved in the incident with Ding Xiang? ”

Chapter 310

310 You can't participate in the investigation of this case

Mrs. Sheng paused. I can't remember. Who can remember the names of the murderers? "

...

"Oh, ran ran called the police?"

"I have."

The young policeman nodded and stopped talking. It was good that he had reported it to the police. They could check the case files and understand the case that year.

– In the study-

Gu Lei observed everything in the study room, especially the books on the shelves. There were no detective novels, most of them were economics books.

It seemed that Sheng Dongyi really didn't like detective novels.

"Has su mo used the study before?" Gu Lei asked.

"She rarely uses it because she rarely brings her work home. Once or twice, we'll do it in the living room or bedroom."

yes. Gu Lei nodded and looked at him. then, before we leave, let's talk about the express delivery? "

Sheng Dongyi looked at him in silence. After a moment, he said, " I've told you everything I know. If you don't believe me, you can check it yourself.

Gu Lei could not say that he did not know the name of the sender, so he could only nod. "Good, Yingluo. If there's a need, I'll come again."

Sheng Dongyi watched him leave. After thinking for a moment, he was sure that he didn't know who the sender was. If he had known, he would have found out about Ding Xiang a long time ago!

From the looks of it, he was just trying to trick her just now.

Sheng Zhongtian and Mrs. Sheng walked in. Dong Yi, " they said. are you alright? "

the police left? " Sheng Dongyi shook his head.

"Let's go," what's going on? " Mrs. Sheng asked. Why does it sound like I'm suspecting you?"

Sheng Dongyi thought for a moment. this might be nanxuan's plot.

What if those photos were not sent by song zijie, but by Sheng nanxuan?

By then, the police would find out about his house, and he would have enough motive to kill.

It looked like he had to destroy the photos and CD!

.....

Gu Lei left Sheng Dongyi's residential area and said to his subordinate behind him, " send two people to keep an eye on Sheng Dongyi.

When he returned to the police station, ding dang had already finished her investigation and was analyzing the case with others.

Gu Lei walked over and said to her with a complicated tone, "Ding dang, come to my office for a moment."

"Captain, you finally remember my real name?" ding dang looked at him in confusion.

Gu Lei sighed and went straight to his office.

Ding dang followed him happily.

She was secretly in love with the captain, and she finally had a chance to be alone. She was a little excited just thinking about it.

However,

The captain was already married!

Sigh, she could only be infatuated for a while.

Thinking of this, ding dang's happiness turned into sadness in a second. She walked into the office with her head hanging low.

"Captain Qian Qian"

"Your father is Deputy Mayor ding, isn't he?" Gu Lei looked at her with a complicated expression.

Ding dang replied, 'uh, I'm not using my power to oppress anyone! Did I not do well? I'm working very seriously! Captain, I really like being a police officer and catching bad people ..."

stop, stop, stop, stop! Gu Lei stopped her immediately. that's not what I meant. I just found out some things. I'm afraid you can't participate in the investigation of su Mo's case anymore.

“Why?” Ding dang was furious. if you don’t let me participate in the investigation, do you believe that I will tell my dad? ” Do you believe that I will use my power to suppress you?”

“It’s useless even if you tell the president!” Gu Lei shouted, ” this is the law! Someone close to you has appeared in the case, so you have to avoid the process!”

what? “ding dang was stunned. who is close to me?”

“Ding Xiang!”

Ding dang’s eyes widened,’my sister? But Yingluo has been dead for a few years.”
