

Ditsy Wife 321

Chapter 321

321 Something must have gone wrong with your experiments

Gu Lei looked at his watch and went to interrogate Sheng Zhongtian and his wife again. He did not find anything, and according to the rules, he could only let them go home.

...

They walked out of the interrogation room and met each other in the office. They exchanged a look, and then Mrs. Sheng turned to Gu Lei. "Where's my son?"

he's a suspect. He still needs to be investigated.

"A suspect?" Mrs. Sheng frowned. how's that possible?!

all the evidence points to him. Of course it's possible.

"What evidence?"

"I'm sorry, no comment."

you ... Mrs. Sheng was taken aback. She lowered her head and thought for two seconds before looking up. I want to see him!

"Only the lawyer can see him now."

Mrs. Sheng glared at him, gritted her teeth, and left the office a moment later.

"Xue LAN!" Sheng Zhongtian frowned and followed after her.

Liu Xuelan walked faster and faster. She went out to hail a taxi and got in.

Sheng Zhongtian followed him in and rubbed his forehead tiredly.

The two of them did not speak until they reached home. Liu Xuelan then exploded, "It's all your fault! That good son he had raised! He must be involved in this!"

"You can blame me? Didn't you say you wanted to give birth to him?"

Liu Xuelan was stunned, she glared at him with her eyes wide open, "But I didn't say that I would let him live! On the day of the explosion, were you the one who let him out?"

"What nonsense are you talking about? I thought you were soft-hearted!"

"Hmph!" Liu Xuelan clenched her fists. If anything happens to Dong Yi, I won't let him off!

Sheng Zhongtian opened his mouth and whispered, "Don't worry about him for now. I think he's very strange. Just thinking about it makes me panic. There must be a problem with your experiments."

Liu Xuelan's entire body trembled, and she said with a straight face, "Don't talk nonsense! If there's any problem, we'll both be in serious trouble!"

Alright, alright. It's all in the past. Let's think of a way to save Dongyi first. How did Yingluo become a suspect?"

.....

Sheng Dongyi had slept in the detention room for a night and was brought to the interrogation room early in the morning.

Gu Lei placed a stack of materials in front of him and said with confidence, "Let's see your crime."

what do you mean?" Sheng Dongyi frowned.

"Su mo and his daughter have both been fired by Qing Yu media, and they will no longer be of any help to your career. At this time, when you found out that su mo was the one who had killed your fiancée, you might not love this fiancée very much, but your fiancée's death would make it impossible for you to attach yourself to the powerful Ding family. You might even become a stranger to the Ding family! Your anger towards su mo has accumulated to a certain point, so you killed her."

"I didn't!" Sheng Dongyi shouted, "you're making this up!"

"Are you making it up? after you saw the photo, su mo came back. While you were arguing, someone knocked on the door, and you got the CD. Perhaps su mo was still trying to defend herself, but the contents of the CD made it impossible for her to defend herself. Qianqian, you killed her ... No! You think of a way to put her under house arrest! Torture wasn't enough to dispel your hatred, so you wanted to kill her. But how do you kill them? You came up with all sorts of ideas, but none of them were perfect until you read 'corpse language' at the swimming pool. With the help of the methods described in the novel-"

"Nonsense!" Sheng Dongyi didn't know whether to laugh or cry. do you police use your imagination to handle cases? "

"Then explain to me how I'm talking nonsense."

"I did not kill her! I admit that I really wanted to kill her when I saw the photos and the CD! But she hasn't returned home. Where am I supposed to go to kill her?"

"She's back. Someone saw her."

Chapter 322

322 Only Gambino can explain all of this

"What?"

...

she's back," Gu Lei repeated. someone saw her.

"Who is it?"

"Song zijie."

"Who is it?" Sheng Dongyi was shocked and couldn't help but ask again.

"The person who sent the photo and CD to your house."

Sheng Dongyi's body went limp. He leaned back in his chair and suddenly stopped talking. No one knew what he was thinking.

"What, you have nothing to say?" Gu Lei asked.

"I got it!" Sheng Dongyi suddenly looked at him. it's Sheng nanxuan! He was the one who did it! This was all part of his plan! He set me up so that he could go back to the Sheng family and take my place!"

Gu Lei packed his things and left the interrogation room. "Let's wait for the judge's judgment. According to the procedure, we are about to file a lawsuit against you."

.....

The court hearing of the case would take at least one to two months.

In the meantime, the police would gather more evidence to accuse Sheng Dongyi, or Qianqian would find other evidence to clear his name.

When Ding Dang returned to the criminal Police force, she could participate in everything except for Sheng Dongyi's case.

She had asked Deputy Mayor Ding about what had happened back then. Deputy Mayor Ding had gone to the police station to find out from the chief. He suddenly realized that Sheng Dongyi was probably the real cause of Ding Xiang's death. Suddenly, he hated Sheng Dongyi so much that he ordered seriously, "No matter what, he couldn't let Sheng Dongyi get away with it!

This was equivalent to pinning a crime on Sheng Dongyi and sending him to jail!

"We'll do our best to solve the case!" Gu Lei was there too.

However, he did not know if the truth of the case would be the same as the current investigation.

If they found other evidence to prove that Sheng Dongyi was not the murderer, as a police officer, he would never wrong the innocent.

No matter how the police investigated, Sheng Nanxuan received all the information a few days later and finally understood the twists and turns in between.

However, what was going on with Song Zijie? What's with the photos and CD? How did all the evidence point to Sheng Dongyi?

"Help me make an appointment with Gambino," he said to Fang Yang.

Now, only Gambino could explain everything.

That was because he had handed Su Mo over to Gambino. With Gambino's abilities, Su Mo would not be able to escape.

Gambino was definitely the cause of her death.

However, Gambino had used her death to frame Sheng Dongyi. This was something Sheng nanxuan had not expected.

.....

Taoran teahouse-the largest teahouse in the capital. It was a Business Club for tea friends and was a membership-based establishment.

The teahouse had a small bridge with flowing water and green trees, and many pavilions were built there.

The guests could drink tea and play chess in the room. They could also enjoy tea in the pavilion and enjoy the relaxing and beautiful scenery.

Sheng nanxuan and Gambino were sitting in the gazebo. There was running water under the gazebo, and bright koi fish would pop up from time to time.

In the pavilion, the two of them sat facing each other. The service staff dressed as a court lady knelt beside them and made tea.

The green smoke rose in spirals, giving off a different artistic mood.

“Please, Sir.” The court lady poured the tea and elegantly raised it in front of the two.

Sheng nanxuan glanced at her. you may leave.

“Yes.” The woman stood up and bowed. please enjoy your meal. After he finished speaking, he slowly retreated out of the pavilion and turned to walk away.

Fang Yang and Gambino’s men also turned around and walked away. They stood about ten meters away, paying attention to their surroundings to prevent anyone from disturbing them while waiting for their orders.

Sheng nanxuan picked up his tea and took a sip. He asked directly, " did you arrange the evidence of Sheng Dongyi's crime? "

Chapter 323

323 The truth

"How is it? brilliant, right?" Gambino asked smugly.

...

"That's not for sure. Although all the evidence pointed to him, there was no hair or skin on su Mo's body, so his DNA could not be found. Even at the crime scene, only the book had his fingerprints. There were no traces of him at the swimming pool. From the looks of it, you've failed. The judge asked for sufficient evidence, so he will be acquitted because of insufficient evidence."

"Of course I know. But it's enough for now to draw the evidence to him and make the Sheng family suffer." Gambino looked at him and said with a half-smile, "after all, the Sheng family is a centipede with hundreds of feet. It will not fall apart even if it dies. How can it be so easy to destroy it in one go?"

you really hate the Sheng family. Sheng nanxuan said with a faint smile. He was not angry at him for targeting the Sheng family.

"It's normal. I might not be as good as you."

haha ... Sheng nanxuan laughed and clinked his teacup with his. why did you think of looking for song zijie? "

"Because I can use what happened back then. If Deputy Mayor ding knew about it, he would definitely step on it. "

"Not bad." Sheng nanxuan nodded. so you're saying that you taught song zijie what he said to the police? "

“No, not really. I only asked him to deliver a letter and to remind him of some things, but I definitely won’t tell him about su Mo’s death. Otherwise, how could he have such a real reaction? The police have been handling too many cases, they can see through the truth with one look.”

Sheng nanxuan nodded again. then how can you be sure that Sheng Dongyi will read that book? ” he asked.

ah! Gambino let out a low cry of surprise. I didn’t expect this. It was just a book, and this book could be found on the internet. I’ve already arranged for someone to tamper with his mobile phone and computer, leaving traces that he has read ‘corpse language’. I just didn’t expect that he would touch the physical book in the swimming pool and let someone see it. The heavens are really on my side.”

“So, if the police check his computer and mobile phone and find evidence that he has read the book many times, it will prove that he is the murderer?”

“You can say that. But the police probably won’t think of this, and we can’t warn them.”

“Yes,”

If he reminded them, wouldn’t that be telling the police that this was their arrangement?

Oh right, “Gambino asked,” how’s your wife and child? ”

Sheng nanxuan lifted his teacup and looked at him. He slowly drank his tea and said, ” “You want to ask about my mother-in-law, don’t you?”

hehe, hehe. Gambino chuckled. my feelings for Ms. Dan are real. Mr. Sheng, why don’t you help me sound her out? ”

“That definitely won’t work.” Sheng nanxuan refused without thinking. how can I help an outsider deal with my own family? If my wife is angry, you won’t be the one being left alone in bed.”

“Yingluo, I’m all alone in bed now!”

“Goodbye, Yueyue!”

Sheng nanxuan did not want to discuss this with him at all!

How could a mafia boss not have a few women to warm his bed? He would lose if he was serious!

.....

When Sheng nanxuan returned home, he saw Gong mo sitting on the sofa and learning to knit from his mother.

“Why are you learning this?” he walked over, amused.

Gong mo laughed and said, “I’ve been wearing the sweaters my mom knitted for me since I was young. This is love!” He’s my son, so of course he’ll feel the love I’m giving him!”

Sheng nanxuan paused and reached out to rub her head. “You only know about sons!”

Chapter 324

324 I won’t knit you a scarf if you don’t tell me the truth

“Should I knit one for you too?” Gong mo asked with a smile.

...

Sheng nanxuan had been walking towards the study, but he stopped when he heard her words. He could not help but smile.

However, the words he said were very cold, as if he did not care. “As you wish!”

“Then I won’t knit for you!” Gong mo said in a low voice.

Sheng nanxuan choked. He turned to look at her and went back to his room in a Huff.

Gong mo laughed and said to his mother, “He’s just being stubborn!”

Her mother pointed at the sweater needle in her hand helplessly. “Wrong, wrong, there’s a needle missing here!”

ah ah ah-” Gong mo screamed, “ what should we do? ”

“Go back and slowly pick them up for a spin.”

Gong mo did as he was told and heaved a sigh of relief.

this needle is too thin. It’s not easy to knit. You can knit the scarf with a thick wood first. That’s simple. Said her mother.

Gong mo nodded and said, “I’ll learn the acupuncture first.” The winter is almost over, and the scarf can only be used in the second half of the year after it’s knitted. There’s no need to rush, Yingluo. Wait for me to master this and I’ll knit a scarf for nanxuan in case he gets Jealous Again.”

“You only have him in your heart!” Mother Yan snorted.

“Alright, alright, I’ll knit for you too!”

“Forget it.” Her mother politely declined. my skills are much better than yours. If I want it, can’t I knit it myself? ” Leave that skill of yours to harm nanxuan!”

Gong mo pursed his lips and didn’t speak.

Although the technique was not good, this was the thought! If she really didn't knit, her mother would feel uncomfortable, right? Hmph, I'll secretly knit it for her!

.....

Sheng nanxuan took off his business suit and changed into the sweater that Gong mo had bought for her.

He looked at himself in the mirror and suddenly looked forward to wearing the sweater she had knitted herself.

He couldn't help but laugh as he thought about it.

He believed that there would definitely be such a day!

He walked into the nursery and saw Hu Zi sleeping. He reached out and poked Hu Zi's face. Hu Zi opened his eyes and suddenly started crying.

Sheng nanxuan was shocked. He hurriedly said, "don't cry, don't cry. It's daddy's Qianqian."

"Waa waa waa!" Hu Zi howled loudly.

Sheng nanxuan was so anxious that he was sweating. Don't cry!"

If Gong mo knew about this, he would definitely say that he was in the wrong!

Speak of the Devil, the devil has arrived!

"What's wrong?" Gong mo, Mother Gong, and nanny Yue ran in together.

“Maybe I’m hungry.” Sheng nanxuan laughed drily.

“Didn’t you just feed me?” Gong mo asked.

“Then I’ll pull it!” He would never admit that he was the one who caused the trouble.

Gong mo picked up the child and patted him twice. The child’s cries gradually died down.

She couldn’t help but heave a sigh of relief and comforted him in a low voice, “Good baby, don’t cry. Mommy’s here, daddy’s here, and grandma’s here too, Yingluo.”

wuwuwuwu! the baby sniffled and closed his eyes in her arms.

Seeing that everything was fine, mother Yan asked the nanny to go out with her.

Seeing that they had left, Gong mo gently shook the child and asked Sheng nanxuan, “Did you make him cry?”

“Why would I? I’m his father!”

“You’re obviously feeling guilty when you say that!”

“Does Yingluo have one?”

“If you don’t tell me the truth, I won’t knit you a scarf~”

How could this be?

Sheng nanxuan was now hoping that she would knit something for him. Even if she was angry, he would confess ...

“Alright, I poked his face with my finger Yingying.”

“What?” Shocked, Gong mo hurriedly lowered his head to check on the child.

Chapter 325

325 You're a man-eater?

Sheng nanxuan wiped his sweat. it's very light. Maybe he just happened to be dreaming. I jabbed him and woke him up. He cried.

...

“You're not allowed to do so in the future!” Gong mo glared at him.

“Of course, of course!” Sheng nanxuan hurriedly nodded and reached out his hand. let me hug you.

Gong mo passed the child to him and he held the child carefully. The child smacked his lips and seemed to be sleeping happily.

Gong mo smiled and touched his face gently.

The child pursed his lips and seemed to be smiling.

Sheng nanxuan whispered, “I touched him like this just now, and he despised me!” He doesn't cry when you touch him, and he's even laughing like this!”

Hearing this, Gong mo raised his head and looked at him. He moved his index finger that was touching the child's face to the side of his face and poked it gently.

Sheng nanxuan was stunned.

“Was that what you did just now?” Gong mo asked.

Sheng nanxuan did not answer. He was stunned. Her poke just now was so comfortable, and it made his heart flutter. It was an especially cute feeling.

He really wanted to say, again!

However, he couldn't bring himself to make such a shameful request.

However, Gong mo couldn't help but feel strange when he saw him in a daze. He pretended to poke him again, “What's wrong with you?”

Sheng nanxuan looked at her with anticipation.

Gong mo pursed his lips and really poked Yingluo.

Sheng nanxuan's face followed her movements and he opened his mouth, wanting to bite her.

ah! Gong mo was shocked and quickly retracted his hand.

“What's wrong?” The voice of her mother came from outside.

“I'm fine!” Gong mo replied quickly. Then, she hit Sheng nanxuan hard and said in a low voice, “You're a man-eater?”

Sheng nanxuan rolled his eyes helplessly. “You're the man-eater!”

Hmph ~”Gong mo turned his head away. the child is asleep. Put him on the bed.

Sheng nanxuan obediently put the child down and covered him with the blanket. Then, he looked at her.

Gong mo was confused by his gaze, " "Why?"

Sheng nanxuan touched his nose and asked awkwardly, " "When are you going to knit me the scarf?"

"Let's wait until next year!" Gong mo said angrily.

Sheng nanxuan's face was full of resentment.

Seeing him like this, Gong mo couldn't bear to see him like this and said, " "I haven't learned it yet, Yingluo."

"Now."

Gong mo nodded helplessly. alright, I'll ask my mother to teach me tomorrow. I'll knit it for you this winter!

"Winter?" Sheng nanxuan furrowed his brows. Winter was still so long.

"What else?" Gong mo narrowed his eyes and looked at him.

it's pretty cold now, Yingluo, "Sheng nanxuan said seriously.

Gong mo glared at him, speechless.

He felt guilty under her gaze and touched his nose. "Then let's do it in winter."

Although he really wanted to wear the scarf she knitted, he did not want to tire her out.

Gong mo, on the other hand, started to think seriously.

She remembered that when she was in college, her roommates would knit scarves for their boyfriends. But she didn't knit for Sheng Dongchen because he was the eldest young master of the Sheng family. She was afraid that he wouldn't like such handmade products, so she didn't learn.

There was a needle technique called the guinea pig needle. Even if it was two meters long, the girls could finish it in a weekend!

If it was a little more detailed, it would take about a week to weave a Kasaya.

Gong mo thought that since Sheng nanxuan was looking forward to it so much, he would just knit it for him. The weather was still cold, so he could probably wear it for a while.

The next day, she asked her mother to take her to pick wool.

She didn't know what to knit, but her mother was experienced and recommended two kinds. She chose one that was beautiful and easy to knit. She estimated that it would take about a week, and if she rushed it, it should be done in four or five days.

Sigh, a certain someone was so good to him. She had to work hard and give her a surprise!

Chapter 326

326 She liked it when he was awkward and jealous

"I'm knitting a scarf for him now. Let's see if I can make him a sweater in the second half of the year," said Gong mo.

...

"You're not knitting for the child anymore?" Her mother called out.

Oh, Yingluo. Gong mo reacted. that's right. Yingluo has a child. Oh, I'll knit this scarf for him. After I'm done, I'll knit a child's scarf."

you ... mother Zhai pouted sourly. you really only have him in your heart. The child is nothing!

"Where did I find that?" Gong mo blushed. he's too shameless! I don't want to knit. He's begging me, so it's not good if I don't agree. I actually wanted to knit it for you and the child."

"Don't drag me into this!" Her mother hurriedly said, " you two can settle your own matters. Don't drag me into this.

Gong mo stuck out his tongue. Anyway, he had decided to secretly knit one for his mother. He didn't want to disclose the news Now. He wanted to give his mother a surprise when the time came!

.....

After lunch, Gong mo stayed by the baby's bed and knitted a scarf while accompanying the baby.

When she heard that Sheng nanxuan was back, she immediately put away her things and sat at the side to look at the child.

Sheng nanxuan did not see her outside and guessed that she was here. He rushed over without changing his clothes.

"You're quite early today?" Gong mo said with a smile.

"If I miss you, then come back early." Sheng nanxuan kissed her. He looked at the child and asked, " did you cry a lot today? "

"He didn't. He's very obedient."

“Good.” Sheng nanxuan reached out and touched the tip of the baby’s nose. don’t worry about me, or I’ll hit him in the future.

Gong mo grabbed his hand and asked, “what are you doing?” He’s so young and you want to hit him?”

As she spoke, she grabbed his hand and hit it. “Don’t touch him, he’ll cry again.”

Okay, okay, okay. Sheng nanxuan shook his hand and walked out sourly. you only know that he’s a coward.

“I gave birth to him!” Gong mo glared at him.

Sheng nanxuan paused for a moment. am I just a tool to give birth? ” he asked in return.

Gong mo glared at her and walked out dejectedly. He was really afraid that she would reply with a ” yes “!

Then who should he cry to?

Gong mo sat down and shook the crib, feeling that he was being unreasonable. Who would be jealous of a child like this?

She got up and opened the cabinet. Looking at the yarn and knitting needles, she hesitated for a moment before closing the door.

She’d better wait until he wasn’t home before knitting, in case he saw it and his tail rose to the sky!

She guessed that if he didn’t see her in action these few days, he would definitely be Jealous Again.

Gong mo covered his mouth and laughed secretly. In fact, she liked to see him being jealous. It made her feel like he cared about her.

Gong mo sighed. She actually needed his love and protection, right?

It was a very happy thing to have someone who cared about her and thought for her.

Then, she would return the favor.

However, she wanted to see how far he could go!

The door was suddenly pushed open. Gong mo was shocked. He looked over and saw Sheng nanxuan standing at the door. He had changed his clothes.

She raised her eyebrows and asked, "what are you doing?" I was scared."

Fortunately, she was already sitting beside the child. Otherwise, he would definitely guess something when he saw him standing by the cabinet.

"Yingluo is fine." Sheng nanxuan closed the door and went to the kitchen gloomily.

He had thought that she would hide and knit him a scarf. Was she really not going to knit anymore?

Chapter 327

327 I'm still not honest?

When she entered the kitchen, the housekeeper greeted her. "Mr. Sheng."

...

"I'll cook tonight." Sheng nanxuan rolled up his sleeves.

“Ah, Yingluo.” The nanny was stunned, “but Yingluo.”

Sheng nanxuan took a look. The ingredients prepared were quite abundant. If he were to cook all of them, it would probably take a long time.

“I’ll make one,” he said.

“Alright, then which one will you be? There’s pork ribs, fish, and chicken.”

“I’ll cook the fish.” Sheng nanxuan said.

The fish didn’t take long to cook, so they were usually left for last. Sheng nanxuan marinated the fish and asked the nanny to prepare the ingredients. “Call me when you’re done.”

He walked out of the kitchen, cut a plate of fruit on the cooking table outside, and brought it to Gong mo.

Gong mo was reading a story to his child.

“He’s so young, how can he understand?” he said helplessly.

“I want to see it myself,” Gong mo stuck out his tongue.

Seeing how cute she was, Sheng nanxuan could not help but lower his head and kiss her.

ah! Gong mo let out a low cry and pushed him away. don’t touch me. The child will see you!

“He doesn’t know anything!”

but he’s a human. He’ll understand sooner or later. You have to be careful.

Sheng nanxuan picked up a piece of fruit with a toothpick and threw it into his mouth. "Do you mean that Yingluo doesn't need to be careful when there's only the two of us around?"

"You better behave yourself!" Gong mo glared at him.

"I'm still not honest?" He smiled and scratched her neck, implying something.

The doctor said that she needed to rest for at least three months. Only half the time had passed, and he was very well-behaved! Unless she was willing, he wouldn't even let her do it manually.

Gong mo blushed and pushed him away. He turned around and walked out, "Get out! I just fell asleep, don't wake me!"

Sheng nanxuan slowly followed her and fed her a piece of pear.

She was stunned for a moment. She ate it with a red face. Sheng nanxuan smiled and kissed her on the lips.

Feeling helpless, Gong mo lowered his head and ran away.

Sheng nanxuan blinked, his eyes dark. Hmph! I'm so good to you, why don't you knit a scarf to return the favor?

"How does it taste?" he asked Gong mo after dinner.

Gong mo knew that he was the one who cooked the fish. He wiped his mouth and said, "Alright ~"

"I'll make it for you tomorrow. What do you want to eat?"

“As you wish.”

“Anything is very expensive.”

“Then I don’t want it.”

Sheng nanxuan reached out and flicked her forehead, his eyes full of love.

Mother Yan couldn’t stand it anymore and went back to her room. my eyes, seeing you two showing off your love every day ~”

Gong mo couldn’t help but say, “you can also show off! Someone is pursuing you. You’re the one who didn’t agree!

“You’d better behave yourself,” mother Yan turned her head and glared at her.

Gong mo pouted his lips. He wasn’t afraid of her at all. In this world, the one you don’t need to be afraid of the least is your mother ~

.....

In the morning, Sheng nanxuan got up early. Gong mo was still sleeping in.

She was always worried about the child in the middle of the night and would occasionally get up to check on him. It was natural for her to sleep in the next day. Besides, she had nothing to do. Why wouldn’t she sleep?

Sheng nanxuan did not disturb her. He kissed her when he got out of bed and kissed her again before he went to work. He whispered, “I’m going to work.”

okay, ” Gong mo muttered in a daze while wrapped in the quilt. be careful on the road.

“Give me a good morning kiss.” Sheng nanxuan said unhappily.

Gong mo opened his eyes and put his arms around Gu Yu’s neck. He impatiently kissed Gu Yu’s face and let go of him. Then, he went back to his bed and snorted in dissatisfaction, “Didn’t you already kiss her? Why do you still want me to kiss you?”

Chapter 328

328 I think it’s a little ugly, what should I do?

“I kissed you because I did it for you! Do you understand what it means to return a favor?” Sheng nanxuan said seriously.

...

Gong mo was stunned. When he opened his eyes, he had already left.

She thought for a while and felt that there was a hidden meaning behind his words.

After getting up, a sumptuous breakfast was laid out on the table.

“Come and eat!” Mother Ling called out to her. It was done by Nan Xuan! What was wrong with him today? He’s so proactive, he has to go to work early in the morning, and he even woke up to make breakfast for us. Yingluo, no, no, he must have made it for you. This old woman will be able to enjoy it with you.”

“He did it?” Gong mo looked at his breakfast and pondered.

He had made dinner last night and breakfast today. He even cut up some fruits to feed her personally. He was too attentive!

Just for a scarf?

Was it worth it?

Gong mo burst into laughter.

“What are you laughing at?” her mother scolded. Nan Xuan’s work is so tough, you better tell him to stop! Sister Zhang is embarrassed after getting her salary. She thought that we didn’t want her anymore.”

no, no, no, “Gong mo said with a smile. I’ll tell him tonight. Perhaps he was bored recently? You have too much energy.”

I can’t be bothered with you Yingluo, “her mother said softly.

After breakfast, the two of them sat on the balcony of the study room and knitted together.

Mother Gong knitted her child’s clothes, while Gong mo knitted Sheng nanxuan’s scarf.

don’t tell Nan Xuan, “Gong mo said. I’ll give him a surprise when I’m done.

“Who wants to be a busybody?” Her mother said in disdain, “you guys only know how to show off your love every day. I don’t care about you!

Gong mo blushed and mumbled, “who’s showing off their love, Zhenzhen?”

“Hehe!” Her mother could not be bothered with her.

Gong mo pursed his lips and didn’t speak. He suddenly stopped and looked at the scarf in his hand. “I think it’s a little ugly, what should I do?”

“It’s good that he doesn’t think so,” Her mother didn’t mind.

“What if he feels the same?”

“Then don’t send him off!”

Gong mo nodded in agreement.

.....

Gong mo secretly knitted half of the scarf. Because she had to be on guard against Sheng nanxuan, she could not knit as long as he was at home!

And he was a little too idle at home.

He would definitely come back before six in the afternoon every day! She couldn’t move for a long time in the evening, so she could only read a book and learn how to knit with another knitted sweater.

When Sheng nanxuan saw that it was a child’s clothes, he was extremely displeased!

After a few days, he was not willing to cook anymore.

Hmph, after doing so many days, he still doesn’t know how to return the favor!

Gong mo was still angry at him! He couldn’t even let her knit a little longer since Tian Tian came back so early. He wanted to finish it in five days, but she was only halfway done!

Seeing that the two of them were at loggerheads, mother Yan didn’t want to say anything and let them do it themselves!

At night, Gong mo came back from the nursery and climbed into bed.

Sheng nanxuan was lying on the bed and looking at his phone. When he saw her coming up, he put down his phone and asked, "there's a new movie that's pretty good. Do you want to go and watch it?"

"Then, when will you be free?" Gong mo asked.

"You know my time. I've prepared it for you."

Gong mo blushed. let's do it on the weekend. Otherwise, how am I going to explain it to mom?"

"Whatever you say." Sheng nanxuan reached out and touched her face. your skin isn't as good as before.

ah! Gong mo screamed in pain.

"Don't spend 24 hours a day on the child. You should also pay attention to rest. You're not the only one with the child. There's still me and mom, Yingluo."

Gong mo rolled his eyes and turned his back to him.

Chapter 329

date

It's about the scarf again!

...

Beating around the bush like this was too Black-bellied!

He hugged her from behind and kissed her neck. "Ink ink, ink, ink."

"I'm sleeping." Gong mo said impatiently.

This person was so annoying!

First, he was trying to please her, and now he was trying to do this! The scarf will be done in a few days!

you're actually despising me, Yingluo. Sheng nanxuan let go of her, hurt. He turned his back to her.

"Aren't you childish?" Gong mo was stunned.

"Humph! Humph!" So what if he was childish?

He wanted a scarf! I want a scarf! I want a scarf!

Important things must be repeated three times!

He suddenly hated the little thing in the nursery! He didn't know how much attention he would attract in the future!

However,

What could he do about his own flesh and blood?

His sweetheart was also on his side, so he could only endure it!

A second child? Sheng nanxuan did not even dare to think about what his status would be if he had another child!

However, Gong Mo's premature labor this time had hurt his vitality. He wouldn't dare to let her get pregnant again for at least three years. He planned to consider having a second child in five years. Perhaps Gong mo would be tired of Hu Zi's torture and wouldn't want to have a second child himself.

Sheng nanxuan turned around and pulled her into his arms again. He began to dream.

Gong mo didn't push her away and fell asleep while leaning against her.

In the dream, they were sitting under the starry night sky, and fireflies were dancing on the grass. She turned her head and gently kissed him.

At that moment, there would only be the two of them in the world. How great would that be?

.....

If Sheng nanxuan went to work during the weekend, Gong Mo's scarf project could take a big step forward!

The result:

He didn't work!

She couldn't knit a scarf during the day and night, so she had to go to the movies according to his arrangement.

It didn't matter if the child was left alone for two hours. He wanted to sleep anyway. Gong mo took some milk with a breast pump. If he woke up before she came back, he wouldn't make a fuss if he drank it.

In order to save time, the movie tickets that they had bought online this time passed on time.

There was a movie theater in the shopping mall downstairs, so they could just walk there.

She had even specially chosen a movie that was only 90 minutes long, and the round trip would only take two hours. The child should not wake up and cry.

After everything was arranged, the two of them went out together.

“After raising the child, you won’t have any time for yourself.” Sheng nanxuan couldn’t help but say, “ if he doesn’t treat you well in the future, I’ll teach him a lesson!

“It’s still too early to wait for him to be filial to me.” Gong mo snorted. since you know that I don’t have time for myself for the sake of the child, you should treat me better, right? ”

“I’m not good to you?”

Gong mo was stunned. He lowered his head and blushed.“You’re indeed good enough to me.”

Sheng nanxuan glanced at her and reached out to hold her hand. However, a person walked towards him and made him feel embarrassed.

When they walked out of the movie theater, the movie they had bought happened to enter, and there was still time to buy drinks and popcorn.

After buying the tickets, the two of them groped around in the dark and walked into the screening Hall. Gong mo almost fell.

Sheng nanxuan hurriedly supported her with one hand. She said sadly, “ “The popcorn is spilled, Yingluo.”

Sheng nanxuan was stunned and wanted to pinch her.

His wife had almost lost it! She only remembered the popcorn!

“Watch my wife!” He said viciously.

Gong Mo’s body trembled and he hurried to his seat.

After sitting down, Gong mo felt a little guilty. He didn’t even dare to eat the popcorn.

Sheng nanxuan passed her the coke, and she immediately took a sip.

Before the movie started, Sheng nanxuan whispered in her ear, ” “Don’t fall asleep today.”

Chapter 330

330 Success

Gong mo was stunned. He still remembered something that happened so long ago?

...

She whispered,“last time, it was because Yingluo had a child.” He’s a burden to me. ”

“Okay, then you should be more alert this time.”

wuwuwuwuwu “who are you looking down on?

“Oh right, was that film good?” she asked after a pause.

“It’s on the internet. I’ll take a look at it when I get home.”

Gong mo nodded and didn’t say anything else when the movie started.

Sheng nanxuan wiped his sweat-he didn’t notice it either. After she fell asleep, he only cared about her, Yingluo.

Today's movie was very good. Gong mo watched it with great interest and didn't fall asleep the entire time.

As she watched, she ate the popcorn. Several times, she reached into the popcorn bucket and touched Sheng nanxuan's hand.

She didn't know why, but she felt a little uncomfortable.

However, the child was already born, so there was no need to care about this, right?

She continued to eat calmly and touched his hand.

Halfway through the movie, they finished the popcorn.

She lowered her head to find a tissue to wipe her hands, but Sheng nanxuan grabbed her hand.

She turned her head, and he glanced at her in the dark. He lowered his head and slowly wiped her fingers. He was already holding a piece of tissue in his hand.

After he was done, he threw the tissue into the popcorn bucket but did not let go of her. Instead, he took her hand and pulled it to his leg. He interlocked their fingers and looked up at the big screen.

Gong mo also continued to watch the movie, but he was a little distracted.

Yingluo must quickly knit the scarf and give it to him!

She didn't let him down for treating her so well.

.....

After Sheng nanxuan went to work, Gong mo finally finished knitting the scarf after two more days of rushing work. Of course, it was partly because he was becoming more and more skilled.

Gong mo checked her body again and it wasn't as good as she had expected. She didn't dare to give it to him anymore.

What to do?

But Sheng nanxuan had been waiting for so long.

Oh, maybe he didn't have any expectations now?

However, she didn't want to disappoint him like this.

Gong mo sighed. He didn't care anymore!

If he didn't like it, she would never make anything for him again!

At night, Sheng nanxuan finished his work in the study and slowly returned to his bedroom.

When she opened the door, she saw Gong mo sitting on the bed and knitting a child's sweater.

He walked over unhappily, lifted the blanket, and sat beside her. He watched her for a while. "Time to sleep."

yes, "Gong mo replied as he lowered his head and continued knitting. did you go to see the child?"

Sheng nanxuan paused and said, "I've seen Yingluo."

“Alright,” he said.

“What’s this made of?” He could not help but ask.

“It’s nothing. I’ll learn the needle technique first and then knit clothes. Otherwise, it won’t be able to fit.”

oh, oh, oh. Sheng nanxuan perked up when he heard that. then, when you learn it, will I have a share too? ”

So the reason why she didn’t knit for him during this period of time wasn’t because she didn’t care about him, but because she was afraid that she wouldn’t be skilled enough to knit it and it would look too ugly?

Actually, he didn’t mind at all!

But if she thought so, of course, he would accept it! She wanted to give him something good to prove that she cared about him!

Gong mo was stunned and turned to look at him. He put away the needle and thread and said, ” “I’m afraid it won’t work, Yingluo.”

“Why?” Sheng nanxuan’s expression changed.

Gong mo pursed his lips and didn’t say anything. He was laughing in his heart. Because you’ve already finished knitting, idiot!

Sheng nanxuan’s heart skipped a beat. He turned over and lay down, turning off the light on his side.

Gong mo lifted the back corner of his shirt and looked at the scarf that was folded neatly beside his legs. He picked it up and handed it to Gu Yu.

Sheng nanxuan felt something furry scratching his face. He asked impatiently, "Why? You only know about children, don't worry about me!"

"Aren't you childish?" Gong mo threw the scarf at his face.

Sheng nanxuan was stunned. He opened his eyes and got up. Then, he held the long, furry, and soft thing in a daze.
