

Ditsy Wife 331

Chapter 331

331 I've been looking forward to it, and you gave it to me?

"This Wufu, this Wufu ..." He was completely dumbfounded.

...

Happiness came too suddenly, and he didn't know what to do!

Gong mo glared at him with hidden bitterness.

Sheng nanxuan laughed and wrapped the scarf around his neck. "For me?"

"For the ghost!"

hahaha Yingluo. Sheng nanxuan was beyond happy. He touched it excitedly and asked, "you knitted this for me?"

Gong mo pursed his lips and said, "he's not skilled enough and he's ugly. If you don't want him, then forget it, Zhenzhen."

"How could this be?"

Sheng nanxuan hurriedly turned on all the lights and looked at it carefully. The more he looked, the more perfect it was!

Gong mo thought he was picking on him, so he hugged his knees and looked at him silently.

However, after a long time, there was still no movement from this person.

“Are you alright?” she could not help but ask.

“I’m fine, Yingluo,” Sheng nanxuan said in a hoarse voice. He turned around and hugged her. “I’m happy, Yingluo.”

this Pixiu! Gong mo felt a little embarrassed when he saw him like this. it’s just a test subject. What are you so happy about? ”

“I’ll be happy if you give it to me.” Sheng nanxuan hugged her tightly. “I thought you wouldn’t knit for me.”

“Haven’t you always been looking forward to it?”

“I’ve been looking forward to it, and you’ve given it to me?” He looked at her.

Gong mo didn’t dare to face his passionate eyes. He looked away and said, “I, Yingluo, think that I should return the favor since you’re so good to me.”

Sheng nanxuan was stunned. “Just returning the favor?” he asked.

“It wasn’t because Yingluo liked her?”

“Didn’t you say so? You have to return the favor.”

“I told Yingluo.” He couldn’t help but laugh.

No rush!

One day, she would return the favor emotionally.

Gong mo pushed him and he let go of her. She got up and untied the scarf around his neck.

“What?” he quickly stopped her. Don’t snatch mine!”

“Who’s robbing you? this doesn’t look good, Zhenzhen, ” Gong mo tidied his clothes and said awkwardly, ” I didn’t do it well the first time. I’ll make you a prettier one next time.

“No need. One time is enough, it’s not like you can’t afford it, there’s no need to make you so tired.”

“Then don’t get jealous when I knit for little tiger, okay?”

Sheng nanxuan was stunned. He pulled his scarf. “He can afford it too. You don’t have to tire yourself out.”

Gong mo couldn’t help but laugh. then I’ll knit it for you without tiring myself out. Do you want it? ”

Sheng nanxuan was silent for a while before he nodded seriously. “Yes, I do.”

Hearing this, Gong mo couldn’t help but push him, ” “Alright, time to sleep!”

“Yes.” Sheng nanxuan touched his scarf and lay down.

“You’re not taking off your scarf?” Gong mo asked in surprise.

“I can’t bear to.” Sheng nanxuan said confidently.

“Yingluo, don’t give me that!” Gong mo blushed. I don’t care if it’s hot.

“I like this kind of warmth! You gave it to me!”

Gong mo couldn't be bothered with him anymore. This man didn't even prepare a draft when he spoke sweet words.

She turned around and lay down. Sheng nanxuan touched his scarf and laid down beside her happily. He pulled her into his arms and fell asleep happily.

In the end, he really felt hot in the middle of the night!

It was also uncomfortable to have the scarf stuck behind his neck, so he had to get up and take it off.

Since he was already awake, he went to the baby's room to take a look at the baby. He said to the sleeping baby smugly, "In your mother's heart, even if you're more important, there will always be a time when I'll be the first. Don't worry, I'll fight to be the first at all times. You can just stand aside ~"

The baby thought,"

Chapter 332

showing off

Sheng nanxuan was wearing a scarf and could not help but want to show off.

...

He went to the kitchen first thing in the morning.

The nanny greeted him. Good Morning, Mr. Sheng. Breakfast will be ready soon.

ahem, ahem, ahem, ahem. Sheng nanxuan coughed lightly. I'll make breakfast for Gong mo. You can do something else.

The nanny looked at the scarf around his neck and instantly understood what was going on.

She had seen Gong mo knitting this scarf for the past ten days. Gong mo had also told her not to reveal anything.

“Madam’s scarf looks really nice,” she could not help but smile.

of course! Sheng nanxuan’s face was full of pride. That was his wife!

When Gong mo woke up, Sheng nanxuan had already gone to work.

The nanny brought out the breakfast he had made and said with a smile, “Sir always wears a scarf when he’s cooking, and it was almost dirtied. I didn’t even dare to remind him, afraid that he would be unhappy.

“He’s always crazy!” Gong mo said awkwardly.

you look pretty happy ~” mother Yan said.

Gong Mo’s face turned red and he lowered his head in silence.

On the other side-

When Sheng nanxuan arrived at the company, all the employees were shocked.

The CEO was acting weird today, but she couldn’t tell what was wrong! After that, everyone finally knew what was wrong!

He went to the cubicles four to five times in the morning!

In the past, he was too lazy to show up all day and would just stay in his office!

What was going on today? Supervise their work? There's no such supervision, right?

Finally-

Some people discovered the truth and started discussing it in the company's chat group-

"The president is dressed differently today."

yeah! I used to wear business suits, but I look so casual today.

"He's even wearing a scarf!"

"That scarf is so ugly!"

"I don't think it's ugly."

"Where isn't it? The president usually wears branded clothes. I'm sure some of them are haute couture. Maybe they are handmade! This scarf isn't ugly on us, but it doesn't match the president's usual style!"

"Yes, that's why it looks so ugly!"

but I feel like President Yingluo is very happy today.

"Could it be that the CEO's dream is to wear a scarf? You're only so happy because your dream came true?"

"Why don't we ask chief editor Fang to go and find out?"

don't, don't, don't, don't, chief editor Fang is BOSS's man. What if he tells BOSS and says that we've been talking bad about him in private? ”

Sheng nanxuan and Fang Yang were not in the group, so they did not know what the employees were talking about!

At noon, Sheng nanxuan left the office with his hands behind his back. He was ready to look for food.

The scarf flaunted its presence in front of his chest!

The employees were discussing in the group again-

“The president is like a Peacock in heat today!”

“Hahaha, Yingluo is right!”

“And what he really wanted to show off was that scarf.”

“What's there to show off about a scarf that doesn't match his status at all?”

could it be that the president's wife knitted this Hanhan?!!!

“Uh, Yingluo's seems to be really hand-knitted. I've knitted scarves before, so I can tell.”

“Hahaha, Yingluo is actually pretty good looking!”

“Yes, yes, yes, it's really good!”

Everyone finally realized that they had actually said that the CEO's scarf was ugly in the group chat, and they had said it so many times! If the president knew about this, they would definitely be fired!

Even if the scarf wasn't knitted by Mrs. President, the president was wearing it so happily, so no one could say it was ugly! If it was knitted by the president's wife, then it couldn't be said to be ugly! The president was so happy, so he obviously loved Madam very much. How could they say that Madam was not good?

Chapter 333

333 Tang Xinxin is back

Sheng nanxuan ordered a set of rice in the restaurant below the office building. While waiting for the meal to be served, he called Gong mo and asked, "How was your day?"

...

it's pretty good ~"Gong mo said with a smile. I don't have to knit a scarf today. It's so relaxing.

Sheng nanxuan was silent for a moment before he whispered, "You've worked hard."

No. Gong mo had only said that as a joke. However, he felt embarrassed when he saw how serious mo Yichen was. have you had lunch?"

"I was just about to eat. And you?"

"I just finished eating."

"What did you eat?"

Gong mo began to list the dishes. After that, he asked, "What did you eat?"

it's not as sumptuous as yours. I'll take a photo for you later.

"Alright ~"

Sheng nanxuan continued to ask about the child's condition. He hung up the phone after the meal arrived, took a picture of the food, and sent it over. What do you want to eat tonight? I'll make it for you when I come back.

Gong mo replied, "work hard!"

Sheng nanxuan smiled helplessly. He put away his phone and sat down alone opposite him.

He raised his eyes and saw Fang Yang smiling at him. "BOSS~"

"Yes." Sheng nanxuan responded and started to eat.

Fang Yang had just ordered his food and would have to wait for a while, so he could only look at him. As he looked, Fang Yang also noticed the scarf around his neck.

The scarf was quite big. To be honest, it was not convenient to eat with it on.

"Boss, this is the first time I've seen you wear a scarf," Fang Yang could not help but say.

"Is that so?"

"There's air-conditioning here, don't you feel hot?"

"Hehe ~"

Seeing his attitude, Fang Yang could not help but be curious. Why was BOSS wearing a scarf? Was he trying to hide something?

Could it be ...

The BOSS was injured?

No, no! If she was injured, BOSS would definitely send someone to take revenge. But now, he had to hide Yingying.

Did Madam plant a Hickey on his neck?

“Boss, I think your scarf is a little ugly,” Fang Yang said after some thought.

Sheng nanxuan stopped eating and looked up at him. A sharp glint flashed in his eyes. “What did you just say?”

“Uh, hehe.”

“Is the scarf ugly?”

“Actually, Yingluo isn’t that ugly.” Fang Yang felt that he had said something wrong.

“Gong mo knitted it for me.” Sheng nanxuan said lightly.

Fang Yang gasped and said immediately, “So cool!”

hehe, hehe. Sheng nanxuan’s eyes had already turned cold.

Fang Yang trembled as he said, “really!” This is the most handsome scarf I’ve ever seen in my life!”

“Can a scarf be described as handsome?”

“Uh, hehe.”

“I bought a mine in South Africa. It just so happens that there’s no one managing it. You can help me mine.”

Hmph! He dared to say that his wife’s scarf was ugly. He was going to be punished!

“Mine?” Fang Yang shouted, “boss, I’m your most capable assistant. Isn’t this overkill?”

“When the heavens are about to give a man a great task, he must first suffer his mind, work his muscles and bones, starve his skin, and empty his body! I’m just training you in case I entrust you with important tasks in the future!”

Fang Yang’s mind was spinning as he tried to find a way to change the focus.

Suddenly-

“Boss, Tang Xinxin is back!” He suddenly had an idea.

“Who is it?” Sheng nanxuan asked.

“It’s that high school classmate of yours. Previously, you told me to send her to a foreign place, the kind that’s best not to have any contact with the outside world.”

“I know,” Of course, Sheng nanxuan remembered who Tang Xinxin was. However, she did not expect su mo to come back before the matter with her was over.

Once she returned, she would definitely look for Gong mo. Some things could no longer be hidden.

Chapter 334

334 Tang Xinxin was dumbfounded

“Should we continue to take her away?” Fang Yang asked carefully.

...

“No need,” Sheng nanxuan thought about it for a while and suddenly ordered something completely unrelated. investigate the daily schedule of the two elders of the Yu family.

Fang Yang immediately agreed and secretly heaved a sigh of relief at the same time-it seemed that he did not have to go to South Africa to mine.

.....

Gong mo woke up from his afternoon nap and received a call from an unknown number.

After the call was connected, a familiar voice came from the other side.

“Guess who I am?”

“Sugar?” Gong mo was overjoyed.

hahaha! Tang Xinxin laughed happily. I finally fulfilled my promise and came back in February! Are you alright now?”

“Uh, hehe.”

Gong mo recalled that Tang Xinxin had asked him about his expected date of delivery before she left and said that she would be back before her expected date.

Now, she was indeed in time for her due date, but not before the birth of the child.

“When did you come back?” Gong mo asked anxiously.

“Yesterday,” Tang Xinxin sighed. I’ve just packed my luggage. I’ll contact you right away. I wanted to call you when I was working, but there’s no signal in that lousy mountain area!”

“Mountainous area?” where did you go? “Gong mo was puzzled.

“Ah, it’s a long story. Are you free? Let’s meet and chat when we’re free. I’ll also visit you.”

“Alright.” give me a call when you arrive. I’ll go downstairs to pick you up, ” Gong mo said as he passed her his address.

“No, no, no, Yingluo, it’s not convenient for you to be pregnant. I can go up myself.” Tang Xinxin said immediately.

Gong mo glanced at the baby in the crib and said, ” “Alright, then slow down.”

After hanging up, she went to tell her mother. He was a guest, so he had to make some preparations.

“Will you eat at home or out tonight?” asked her mother.

“Let’s eat at home. Candy used to come to our house often, so she won’t mind. Anyway, we’ll be meeting her for a long time in the future, and there will be plenty of opportunities to go out and eat.”

“Then I’ll get sister Zhang to buy some more groceries.”

Gong mo nodded and went downstairs to wait for Tang Xinxin.

When Tang Xinxin arrived, she was carrying many bags of gifts. She didn’t notice that a beautiful woman with a perfect figure was standing at the gate.

She looked at the gate and thought to herself that this community was quite high-end. Even if she rented it, it would cost a few thousand a month, let alone buying it!

In this way, Gong Mo's material life was at least guaranteed and he had the foundation of happiness.

Tang Xinxin walked to the door and was about to put down her things to call Gong mo when the beautiful woman beside her walked over. "Sugar heart."

Tang Xinxin's eyes widened in surprise. "Gong mo!"

"You seem to have lost weight since the last time-" Gong mo laughed.

"I'm not as skinny as you!" where's your child? " Tang Xinxin asked.

"Uh, Yingluo has already given birth."

what?! Tang Xinxin was dumbfounded.

Wasn't the expected date of delivery on March 5th? It's only the end of February and she's already giving birth? Forget it if she gave birth, but she's actually still alive and kicking outside!

Gong mo led her into the community and she didn't react until they entered the elevator. "You gave birth? When was it born? Oh my God, you didn't even tell me!???.....?????????????!"

"Uh, Yingluo is fine." Gong mo said.

"What do you mean by fine?" you're still in confinement! Tang Xinxin yelled.

"I've already finished my confinement."

Chapter 335

catching up

Tang Xinxin was struck dumb for a second. She put the things in her hands on the ground and began to count with her fingers. "Let me read Yingluo's fortune."

...

Gong mo didn't dare to disturb her. When the elevator arrived, she was still calculating. Gong mo had no choice but to help her carry her things and pull her out of the elevator.

"Aren't you supposed to give birth in March?" Tang Xinxin asked worriedly. Now that you've even finished your confinement, aren't you Yingluo?"

"Yes, she was two months premature."

Oh my God! Tang Xinxin gasped. how did this happen? " Then are you okay? Is the child alright?"

"I'm fine." Gong mo rang the doorbell and mother Zi came to open the door.

Tang Xinxin immediately greeted her. "Hello, Auntie, sorry for the disturbance!"

"Quickly come in, it's cold outside." Her mother said with a smile.

Tang Xinxin walked in and found that Gong mo was the one carrying her things. She felt a little embarrassed and said with a smile, "I don't know if Momo has given birth, and I don't know if I bought the right thing, Yingluo."

"I've seen them, they're all usable." thank you for your concern, "Gong mo said with a smile.

"It's what I should do!" Tang Xinxin said with a smile.

“I’ll take you to see the child first.” Gong mo said.

Tang Xinxin nodded and followed her into the nursery.

The nanny was still in the room. After Gong mo introduced her to them, the nanny left.

Tang Xinxin took a look and saw that there was a single bed in the baby’s room, which should be for the nanny. The rest of the room was for the baby. It seemed to be a real baby’s room!

This was not simple in the capital. Just being able to empty such a room was already the behavior of a local tyrant.

Tang Xinxin had seen the general situation of the living room and knew that Gong Mo’s house was extraordinary. If he wasn’t rich, he wouldn’t have been able to renovate it like this.

She didn’t have the intention to ask about it, but she was relieved to see that a poor couple had a sad life and Gong Mo’s situation was the opposite.

“How could she be premature?” Tang Xinxin asked.

“I fell.”

“Then be careful in the future. Are you hurt?”

I’m fine. It’s not a big deal. I’ll be fine after some recuperation.

“That’s good. Where’s the child? He looks quite healthy.”

“Yup. We’ve been living in the thermal box in the beginning, but we’ll be fine after that period.”

“Let him exercise more in the future.”

“Right!” Gong mo chuckled.

After Tang Xinxin showed her concern for her and her child, she also showed her concern for Tang Xinxin. where do you work? why did you go to the mountains? ”

“I’ll be a celebrity’s assistant.” Tang Xinxin said, ‘didn’t I want to be a star? I don’t have that intention anymore, but I’m still interested in the entertainment industry. I want to be a paparazzi or a celebrity’s assistant or something. After Yingluo returned to the country, I submitted my resume to both sides, but the magazines and newspapers didn’t respond. However, the entertainment companies responded very quickly.”

“Then who are you working as an assistant for now?”

“No celebrity is hiring me now, so I’ll follow the company’s arrangements. I’ll serve whoever the company asks me to serve! Last year, there was a movie to be shot in the mountains and many people were unwilling to go, so the company sent me!”

After chatting for a long time, Tang Xinxin was about to leave.

“Since you’re already here, of course you should have dinner before you leave!” Gong mo pulled her back.

“That’s not very good, is it?”

“What’s wrong with that? I think it’s almost done. We won’t be able to finish it if you leave.”

“Alright then, I’ll catch up with you more!” Tang Xinxin said with a smile.

Hearing her say “reminisce,” Gong mo suddenly remembered the stain on his graduation photo and wanted to ask her for help.

Chapter 336

336 Could it be that Sheng nanxuan had secretly arranged this?

Gong mo hesitated but didn't mention it.

...

Some things were just too complicated for the parties involved, and the truth might not be that important.

“Why did you go abroad all of a sudden?” she asked Tang Xinxin after a while.

“It's my dad. The stocks he bought suddenly made a lot of money and he was ecstatic. He took mom and I on a trip abroad. In the end, when he was about to come back, he got into a car accident while drunk. His condition was quite serious at the time, so he could only stay abroad for treatment. I wanted to come back to study, but I was worried that he would be alone with my mom, so I tried to apply for a school abroad. I didn't expect it to work!”

“Is your father's condition very serious?” Gong mo asked.

“The doctor said it was very serious at first, as if he would have to lie in bed for several years. In the end, I just went to college for less than a week and he was fine. My dad thought that although he had a car accident, his financial path was smooth, so he tried to do business abroad. He didn't expect it to be so smooth!”

“That's amazing!” Gong mo exclaimed.

“Yingluo, it feels like a dream! He was clearly duped into buying a stock. My mom thought that he was going to lose money and argued with him for a long time. Who knew that he would make so much money? After that, I only went on a trip abroad, but who knew that I would end up settling down here? I didn't even believe it myself, but it really happened in my house!”

Gong mo was stunned. Stock?

She suddenly remembered that Sheng nanxuan was an expert in the stock market.

Could it be that

No way?

Tang Xinxin went abroad after she graduated from high school. Sheng nanxuan couldn't have done anything at that time, could he?

However, Gong mo recalled those strange dreams and Sheng Dongyi's words. What if she really knew Sheng nanxuan from a long time ago?

What if Tang Xinxin happened to know about it?

Could Sheng nanxuan have used his abilities to plot all this in order to send Tang Xinxin away?

That's right! When she reunited with Tang Xinxin last year, she told Sheng nanxuan about it. Then, Tang Xinxin went out of town for work!

Gong Mo's body trembled. Could it be that Sheng nanxuan had secretly arranged this?

Was she overthinking it? Perhaps all of this was just a coincidence!

What did she have that was worth Sheng nanxuan's scheming?

Gong Mo's heart was in a dilemma. But she subconsciously thought, 'don't tell Sheng nanxuan this time!'

If he had really done something in secret, he wouldn't have made any more arrangements if she didn't tell him. She would find out the truth sooner or later!

However,

When Sheng nanxuan returned and saw Tang Xinxin, he would know.

Gong mo bit his lip and looked troubled.

"What are you thinking about?" Tang Xinxin suddenly pushed her.

Oh, Yingluo. Gong mo came back to his senses and said awkwardly, "I was thinking that my husband should be off work by now. Why isn't he back yet, Yingluo?"

“pfft-” Tang Xinxin burst into laughter. are you thinking about your husband? ” Really, isn't showing off your love too much? I know you're happy to have a husband and children, but don't torture a single dog like this!”

"You don't have a boyfriend?" Gong mo couldn't help but laugh.

Tang Xinxin paused for a second and sighed. "I'm not interested in the one chasing me, but the one I'm interested in hasn't appeared yet!"

“.....”

I'm still young anyway. I'll work hard first, "Tang Xinxin said.

"Work is good too." I'm taking care of my child now. I can't even work if I want to, "Gong mo replied.

"You have someone to support you, why do you still need to work?"

Chapter 337

doubts come true

“You can’t say that. It’s better to earn money on your own. Otherwise, one day, you might get a divorce and be out of touch with society. How miserable would that be?” Gong mo said worriedly.

...

that’s true. Tang Xinxin nodded in agreement. what are you talking about? ” You’re so happy now, don’t curse yourself! Are you having postpartum depression?”

“No, I’m just planning ahead.” Gong mo chuckled.

tsk! You should just be happy. Don’t plan ahead!

As the two of them were joking around, mother Zhai came over and asked, Is nanxuan not coming back today? ”

Gong mo took a look at the time. It was indeed much later than usual. “I’ll give him a call,” she said.

Tang Xinxin was stunned. Nanxuan? Sheng nanxuan?

“Give me a moment,” Gong mo patted her shoulder.

Tang Xinxin looked at her in surprise and held her breath on the sofa with a pillow in her arms.

Roar! She was a little angry! Gong mo was so mean. He didn’t even tell her that he was with Sheng nanxuan!

Gong mo took his phone to the balcony and dialed Sheng nanxuan’s number.

“What’s the matter?” Sheng nanxuan asked.

“If you don’t have Yueyue, are you still at work?” Gong mo asked in a low voice.

“I’m still in a meeting. I might be back late, so you guys eat first.”

In fact, he was in his office alone. He didn’t have any meetings at all.

But he knew that Tang Xinxin had gone to her home, so he didn’t dare to go back and face her. Tang Xinxin didn’t lose her memory, so she would definitely recognize him. How was he going to explain it to Gong mo then?

He only hoped that he could drag on for a while.

Hearing his words, Gong mo suddenly felt a little disappointed. She looked back at Tang Xinxin in the room and hoped that Sheng nanxuan would come back.

Maybe Tang Xinxin would recognize him at first glance. Then, she would know that Sheng nanxuan was really hiding something from her!

“When will you be back?” she asked.

“It might be very late, you should sleep first.”

“That’s good.” She understood that he would only come back when it was time to sleep.

Sheng nanxuan suddenly smiled. don’t worry. I won’t go out and mess around.

Gong mo blushed, “who told you that?” I’m just worried that you’ll forget to eat dinner!”

“You care about me?” Sheng nanxuan laughed.

Gong mo was stunned, “who, who cares about you?” I’m afraid that if you’re sick, no one will make money for me to spend!”

“Oh, oh, is that so? Don’t worry, even if I die, my inheritance will be enough for you to spend.”

“What nonsense are you spouting?” don’t say anything inauspicious! Gong mo shouted.

Sheng nanxuan laughed in a low voice. He liked her tough mouth but soft heart.

Gong Mo’s face turned redder and redder as he heard his laughter.”I, Yingluo, am not concerned about you. It’s just that ... The child can’t live without a father.”

okay, I understand.

“Yingluo,” what does he know? Gong mo hung up the phone in a Huff.

When she returned to the living room, her face was still a little red. She raised her voice and said to her mother, who was in the dining room, he’s not coming back. He has something to do tonight.

“Like this? Then you guys get ready, we’ll eat.” Her mother went to the kitchen to serve the dishes.

“Let’s go and eat!” Gong mo pulled Tang Xinxin up.

Tang Xinxin looked at her suggestively. you’re not being honest! You didn’t even tell me that you’re with Sheng nanxuan!

Gong mo was stunned. He blinked and looked at her.

“What’s wrong?” she asked, puzzled. Are you afraid that I’ll snatch yours? I’ve never had that kind of feeling for him!”

Chapter 338

338 I want to delay it for a few more days

“I-I didn’t mean it that way.” Gong mo felt that something was missing in his memory. He wanted to ask, but he didn’t know where to start.

...

She had just had sex with Sheng nanxuan, and Sheng Dongyi said that she had known Sheng nanxuan for many years. Was it true?

“What’s wrong with you?” why do you look so weird? did you have a fight? “Tang Xinxin asked.

“No, I didn’t!” Gong mo hurriedly said, “don’t mention my relationship with nanxuan in front of my mother. She doesn’t know that we were in a relationship in the past.

Fine, actually, she didn’t even know!

“Alright, I won’t mention it.” Tang Xinxin snorted. Seriously, you’ve already given birth to the child, and you’re still afraid that Auntie will blame you for being in a relationship at such a young age?”

“.....”

“No, weren’t you two ambiguous back then? You’re really dating?”

“No, there’s no Yingluo, right?” How would she know!

“But I could tell from the start that you two would definitely be together!” Tang Xinxin said proudly.

“Is that so?” Gong mo stammered.

What was her relationship with Sheng nanxuan in the past?

“He’s so good to you, how can you escape from his palm?”

Did “ Yingluo ” treat her well? But why couldn’t she remember anything?

.....

It was already ten O ‘clock at night when Sheng nanxuan got home.

Gong mo hadn’t gone to sleep yet. He was lying on the bed in a daze. Hearing the noise outside, she knew that he was back. She immediately turned off the lights and pretended to be asleep.

Sheng nanxuan pushed the door open and saw that the room was dark. He walked in carefully.

Gong Mo’s breathing was a little irregular. He had always had good hearing, so he could tell that she wasn’t sleeping.

He turned on the night light, slowly undid his scarf, and took off his coat. Hearing that she didn’t say anything, he pretended that he didn’t know she was awake and went straight to the bathroom to take a shower.

Gong mo heard him enter the bathroom. He opened his eyes and sighed.

She still couldn’t fall asleep, so she tossed and turned a few times before getting up.

When Sheng nanxuan came out and saw her sitting on the bed, he was slightly surprised. “You’re still awake?”

yes, “Gong mo replied vaguely. you just came back?” Have you had dinner?”

“I’ve eaten.” Sheng nanxuan walked over, lowered his head, and kissed her on the cheek. He said apologetically, “I was going to cook for you tonight. I’m sorry.

“It’s okay.” Gong mo smiled stiffly. your work is more important. You don’t have to cook for me every day.

“I didn’t do it every day. I only do it occasionally.” Sheng nanxuan laughed as he said that. Suddenly, he was stunned. why? do you want me to do it every day? ”

“No!” “Who wants you to do this?” Gong mo shouted. A capable person like you can earn tens of millions every minute. Isn’t it a waste to use it to cook? I don’t dare to ask you for anything!”

“Then you’re going to stop me if I want to do it?”

“Did I stop you?” Gong mo didn’t want to talk about this with him. go to bed, it’s late.

When Sheng nanxuan heard this, he paused and reached out to rub her head. “Good Yingluo.”

He had thought that she would mention Tang Xinxin’s visit to him.

Why didn’t he mention it? This was not her style of doing things.

Unfortunately, he wasn’t a clairvoyant, and he didn’t install surveillance cameras in his house. So, he naturally didn’t know that she had already found out from Tang Xinxin that they had known each other since high school.

He had thought that if she knew, she would ask him directly.

Since she didn't ask, it meant that she didn't know. Naturally, he didn't want to bring it up. He knew that some things could not be hidden forever, but he still wanted to delay it for a few more days.

.....

Tang Xinxin had been away from work for a long time, so she didn't even take a break for the new year.

With so much free time, she naturally went to play with Gong mo every day.

Chapter 339

339 She had to avoid suspicion

Of course, "every day" was just an exaggeration.

...

Tang Xinxin had a lot of free time, so she could play every day. However, Gong mo was different. He had to take care of his children and didn't have that much time. Tang Xinxin didn't want to disturb her.

Therefore, Tang Xinxin only called her every day and asked her out every three or five days.

Gong mo rarely went out before because he didn't have any friends to accompany him. He didn't know what to do outside. Now that Tang Xinxin was here, there was a little entertainment. She just needed to leave the child to dan Rong and the nanny.

"Oh right? When will Sheng nanxuan be free? I haven't attended your wedding yet!"

Gong mo laughed, "we didn't even hold a wedding banquet!"

"You didn't get married and you married him?"

er, er, er. Gong mo didn't know how to explain, so he made up a story. we got married because we had a child. It happened too suddenly and we weren't prepared for it.

Tang Xinxin looked at her with admiration and said, "you're really good."

Gong Mo's face turned red. He was afraid that she would make fun of him and hurriedly said, "I'll treat you in the future! Even if we don't hold a wedding banquet, when the child is a hundred days old, they will still make wine for you. You can drink it."

Tang Xinxin smiled and said, "I'll be waiting then ~"

In fact, she was very curious about what Sheng nanxuan had become. However, it would feel weird if he specifically asked to meet her.

She was not very close to Sheng nanxuan when she was studying. In the past, Sheng nanxuan didn't like to talk to anyone except Gong mo. If she wasn't Gong Mo's friend, she wouldn't have had the chance to talk to Sheng nanxuan.

So, although they were old classmates, she and Sheng nanxuan were not close enough to care for each other.

Even if they were close, Gong mo was his wife now. She had to avoid arousing suspicion. Otherwise, what if Gong mo suspected that she had improper thoughts about Sheng nanxuan?

Tang Xinxin thought of what had happened in the past and suddenly said with emotion, "I wonder how Yanzi and the rest are doing, Yingluo."

Yanzi was a good friend of theirs in high school and they had a good time together.

"Did you contact her after that?" Gong mo asked.

"I'm going overseas, how am I supposed to contact them?"

"I don't keep in contact with them either. You know my personality. I'm not someone who can get along with just anyone. I'm a passive person. If they don't contact me, I don't want to disturb them. Also, my QQ was hacked after graduation, and I haven't been online for a long time."

At that time, she didn't use her phone and could only contact everyone on QQ.

when we contacted each other again, we all had new classmates and friends. We couldn't find the feeling we had in high school.

alas! Tang Xinxin sighed. life is like this. With so many people coming and going, will the friends today always be friends?"

"Why are you sighing?" Gong mo couldn't help but laugh.

"I'm comprehending!" Tang Xinxin said, "when I was in high school, I kept in touch with my middle school classmates. They were friends at that time, and the new high school classmates were all strangers. After I got together with you, Yanzi, and the others, I forgot about my middle school friends, Yingluo."

Gong mo nodded in agreement.

The stages of life were like this. The people they met on each journey were only the scenery of that section. Very few people would continue on.

"But we're different now!" Tang Xinxin held her hand. we haven't seen each other for a long time. I'm sure we'll be best friends in the future.

"It's so good to have you around!" Gong mo smiled and nodded.

He had at least eight or ten good friends from junior high school to college, but they had changed one after another. Now, Tang Xinxin was the only one left, which made him feel emotional and precious.

Chapter 340

340 Going crazy

Gong mo returned home and went to the study room to look through his classmates 'records.

...

She had seen it many times, including the graduation photo.

After thinking for a while, she called Tang Xinxin. "Candy, do you still have your high school graduation photo? I lost mine, so I want to borrow yours to flip a card."

ah! Tang Xinxin was stunned. I left mine abroad. That's not right. Aren't you with Sheng nanxuan? Wouldn't it be better if he had it?"

"Uh, he also lost his. Men don't know how to pack, and they're not as emotional as us. They don't care about this at all." Gong mo said with a smile.

Oh, I see. Tang Xinxin thought for a while. I'll ask my mom to look for it and send her a scan.

this ... Gong mo rejected after hesitating for a moment. it's not that urgent. You can talk about it when you're free. There's no need to trouble yourself.

She already knew that Sheng nanxuan was her high school classmate. She only wanted the photo to confirm the situation.

However, Yingluo

She was a little scared and didn't want to confirm it.

She would rather Tang Xinxin lie to her than Sheng nanxuan.

Could it be that he was overthinking? Could it be that all of this was just his own delusion?

For example, she had never seen Tang Xinxin before.

Gong mo hurriedly shook his head and put away the student record.

He was going crazy!

She would go crazy if she continued to think like this!

But what could he do? Should she have asked Sheng nanxuan directly?

Since he had kept it a secret for so long, he would definitely not admit it easily.

He's so powerful, who knows what tricks he has up his sleeve. If he knew that it was Tang Xinxin who made her suspect him, would he hurt her?

Tang Xinxin was her only friend, and she didn't want her to be hurt.

Momo—" mother Zhen suddenly called her from outside.

Gong mo came back to his senses, collected his emotions and walked out. "What's wrong?"

"Your cousin, have a chat with him," said her mother, holding her phone.

"Oh." Gong mo took over the phone and started to chat with Gong Bai.

Gong Bai had been concerned about them, but he didn't call them every day for fear of disturbing them.

Gong mo did a rough calculation. The last time he had a meal with Gong Bai was about ten days ago, so he asked Gong Bai if he would like to come.

Gong Bai had not seen Xiaohu for a long time, so he naturally agreed.

An idea flashed across Gong Mo's mind and he suddenly asked, "Cousin, have you been in contact with miss Yu recently?"

Stunned, Gong Bai stuttered, "W-who would contact her? She's miss Yu, I, I'm not even close to her. "

Gong mo thought,"his tone is very suspicious!"

She couldn't help but laugh. it's fine if we're not close. Why are you stuttering? "

"....."

pfft-" Gong mo snorted. I haven't seen miss Yu for-long time. I miss her-lot- But I've never kept in touch with her, so I'm embarrassed to look for her. You should be quite familiar with her, right? I remember when I was in the hospital, you guys always left Yingying together."

ahem, ahem, ahem, ahem. Gong Bai coughed and said, " I only know that ahem.

"Oh."

"You're looking for her? I'll give you her number."

"You have her number?" Gong mo asked in surprise.

"Ran ran exchanged numbers, but she never called."

“I’m afraid you’ll be disappointed, miss Yu.” Gong mo sighed. He felt that his cousin was too ignorant.

“Gong mo!” Gong Bai cried out in embarrassment.

“What’s wrong?” alright, I have her number. I’ll call her later. Hurry over, ” Gong mo said.

Gong Bai hung up the phone angrily. He hesitated for a moment and searched for Yu Xinran’s phone number. After looking at it for a while, he threw the phone aside.
