Chapter 351

playing chess

“pfft-” Yu Xinran laughed and said enviously, “he likes you~you guys are so lucky.

...

“You’ll also meet the person who will make you happy.”

She thought of Gong Bai, the only man who had moved her heart, but she didn’t make any progress. As for those sons of aristocratic families, she had never taken a liking to them. She didn’t dare to imagine what her future marriage partner would look like.

Gong mo estimated that Gong Bai should be here soon, so he put away his knitting needles and said, “Let’s go out, it’s time for dinner.”

Yu Xinran also put down the needle and thread. I’ll buy them and learn them when I get back. If I don’t understand them, I’ll come to you again!

“Alright! If I can’t teach her well, I’ll look for my mother. She’s an expert.”

Yu Xinran nodded.

The two of them walked into the living room and found the ‘master’ and Sheng nanxuan sitting on the sofa. They seemed to be playing Chinese Checkers.

“Eh? Where did you get this?” Gong mo asked curiously.

“I went to the supermarket with sister Zhang today and saw a special offer on a float. I was suddenly interested and bought it,” mother Yan said. I haven’t played for a long time, so I’m using it to use my brain, in case I get dementia~”

Gong mo stood behind her and leaned on her shoulder, " "You're still young. How is that dementia?"

"Why are there three parties?" Yu Xinran asked, " who else is there? "

mom was alone just now, " Sheng nanxuan said. so I'm here to help her play two games.

"Mom, you're so boring!" Gong mo said.

"Why are you bored?" mother Ling asked seriously. This was interest! Originally, I wanted to go to the six directions alone, but it's too complicated and I'm afraid it'll be messy!"

"Then Xinran and I will take the remaining side!"

"The two of you are bullying one of us. Is that fair?"

Gong mo blinked and pointed at Sheng nanxuan. let's join forces and stop him! He's a top student in the mathematics Department. We can't beat him in this kind of calculation alone!"

"Don't worry, I don't dare to beat you." Sheng nanxuan said, " I will lose seriously.

Gong mo was furious,"what are you so smug about?!" You think you can win and lose whenever you want?"

"Well, I'm smart, I can't help it."

"Humph! Humph!" Gong mo picked up a small stool and sat opposite the coffee table in a Huff.

Sheng nanxuan stood up. you come and sit on the sofa. I'll sit on the bench.

Yu Xinran smiled and said to Gong mo, "look at how much she cares about you." I think this Go game is for you to win and lose as you wish!"

Gong mo sat down on the sofa with a red face, " "Don't say anymore. Let's go together. After this game is over, the four of us will each take a side!"

"After this game is over, let's eat first, then we'll each take a side!" Sheng nanxuan said.

Gong mo glared at him angrily.

He took a sip of tea and asked while playing chess, " "Mom, do you know how to play other go?"

"I know how to play Chinese Chess, and I've also learned how to play Go before, but I only learned it on the computer. I've never played against anyone before." Her mother said, " by the way, I saw that there's a go class for the elderly in the neighborhood. Do you think I should try it out? "

"Alright!" come back and teach me once you've mastered it! Gong mo said.

"Go to school on your own computer!"

The doorbell rang before they could finish the game.

"Who's here?" her mother was puzzled.

Gong mo knew that Gong Bai had arrived. He handed the marble that he had prepared to Yu Xinran and said, "I'll leave it to you, I'll open the door."

When he opened the door, he found that it was indeed Gong Bai.

cousin! Gong mo called out with a smile.

Chapter 352

getting shot while lying down

“For you and second aunt,” Gong Bai said while holding a box of desserts in his hand.

...

“Thank you!” come in quickly. Gong mo hurriedly took it from her.

Yu Xinran walked into the living room and saw Gong Bai. She was so excited that she pressed her palm on the chessboard.

Crackling

The glass marbles flew into the air and bounced to the ground.

Everyone looked at her in shock, and she was also shocked. She reacted after a while and hurriedly squatted down to pick up the beads. “I’m sorry, I’m sorry, Yingluo”

Gong mo, Sheng nanxuan, and mother Zhai all knew that there was something going on between her and Gong Bai, so they didn’t tease her.

it’s okay, it’s okay, ” her mother comforted. don’t worry, don’t fall.

When Gong Bai saw her, he remembered that Gong mo had asked him to come here on purpose. He knew that she had done it on purpose, so he couldn’t help patting her back.

Gong mo smiled.

He sighed helplessly and thought, ” You’re such a good little sister!

One of the marbles rolled to his feet. He squatted down and picked it up.

He walked to the coffee table and put the marbles into the chessboard.

Yu Xinran lowered her head in shame. She saw his slender fingers and continued to look for other beads on the ground.

Mother Yan pulled her up. Alright, alright. Stop looking. Let's eat first!

I'm sorry, ran ran,"Yu Xinran said, embarrassed. I didn't mean it.

"I know you didn't do it on purpose!" Her mother laughed and said,"you're about to win. You won't use this method to be shameless ~"

Yu Xinran's face turned even redder. She raised her head and said to Gong mo,""I'm sorry, Yingluo, you're about to win."

it's fine. Someone gave in to me anyway. It's boring. Gong mo said as he glanced at Sheng nanxuan.

Sheng nanxuan touched his nose helplessly. I'll let you win. Isn't that good?"

"Hmph ~"

"Alright, stop flirting!" Her mother shouted,"hurry up and wash your hands to eat!

The two flirtatious people (Gong mo and Sheng nanxuan) looked at each other and listened quietly. The two people who weren't flirting (Yu Xinran and Gong Bai) secretly looked at each other and felt a little embarrassed.

.....

Yu Xinran washed her hands and walked to the table. She saw Sheng nanxuan filling up the rice and wanted to help.

sit down," said her mother. it's all the men in our family who do things. The women just wait to eat.

As soon as he finished speaking, Gong Bai handed the chopsticks to Yu Xinran.

Yu Xinran saw that Gong mo and mother Zhai were indeed sitting at the side waiting to eat. She could only take it with a red face.

As Gong mo and mother Zhai had already taken up the seats, qianbai had no choice but to sit beside Yu Xinran after finishing his chopsticks.

Yu Xinran saw his figure from the corner of her eye and nervously lowered her head. She didn't dare to move and only dared to pick up the food beside her.

The dining table was a little quiet.

Gong mo looked at the two of them and wanted to break the silence, but he didn't know what to say.

Her mother couldn't take it anymore and asked,"Why doesn't Xinran eat fish? Isn't it too far? Gong Bai, help me move the fish to Xinran's side."

Gong Bai glanced at Yu Xinran, put down his chopsticks, and was about to take action.

Yu Xinran hurriedly shouted,"no, no, no, no, no!" I'm afraid of fish bones!"

At that moment, Sheng nanxuan was putting a piece of fish that had its bones removed into Gong Mo's bowl.

Her mother couldn't help but look at them and nodded with a heavy heart. We don't have anyone to help us pick out the fish bones. We do have to be careful. After saying that, she cast a glance at Gong Bai.

Gong Bai felt that he had been shot even though he was lying down.

However, no matter how hard mother Zhai stared at him, he didn't dare to take any action. This was because he and Yu Xinran weren't even considered friends.

Chapter 353

353 I know your husband is smart

Gong mo looked at the fish in his bowl and didn't know whether to eat or not. She was the one who was shot while lying down, alright ~

...

"Do you want to eat?" she asked after some thought.

go, go, go, ran ran. her mother waved her hand. your husband gave it to you. Don't waste his good intentions.

"Oh, I just ate a lot."

"Do you think I'm a trash can?"

Hearing this, Gong mo didn't dare to ask her to eat anymore because she didn't dare to treat her mother like a trash can.

Sheng nanxuan silently extended the bowl in front of her. She was stunned."Why?"

"If you can't finish it, leave it to me."

“.....”

“Hey!” Her mother was furious. you guys are showing off your love for a meal. Do you think we don’t exist?”

Gong Bai and Yu Xinran nodded silently. This display of affection was too much! Have you ever thought about the feelings of a single dog?

“I can eat by myself,” Gong mo whispered to Sheng nanxuan.

Sheng nanxuan had no choice but to keep the bowl and stroke her ‘dog head’ lovingly.

Gong mo, “Wanwan, mom is already protesting, so stop touching her!”

“I ...” Mother Zhen took a deep breath. “Forget it!” Since you’re my daughter, I’ll endure it!”

Sheng nanxuan chuckled. I’m good to Momo. I don’t know how happy mom is.

“Hmph!” Mother Gong rolled her eyes at him. you’re so nice to Momo in front of me. Who knows if you’re pretending?” You have to be this good to her in private!”

“I’m better to her in private. Ask her if you don’t believe me.”

“Oh, I don’t know anything.” Gong mo continued to eat his fish.

Gong Bai and Yu Xinran didn’t even dare to breathe loudly. This whole family was too much!

They were a little envious.

Gong Bai thought, ‘it would be great if I could meet such an affable mother-in-law in the future.’

I wish I had such a good husband too, Yingluo.

After dinner, the few of them played Chinese Checkers.

Gong mo, Mother Gong, Gong Bai, and Yu Xinran each took one side, while Sheng nanxuan took two sides.

Gong mo said, "he's going to crush Yingluo with his intelligence again."

"You don't need to show off!" Her mother shouted, "I know your husband is smart!

actually, Chinese Checkers doesn't show my intelligence at all~" Sheng nanxuan said.

"You don't need to show off!" I know you're smart, "Gong mo said.

Gong Bai and Yu Xinran both smiled. When they heard the other's voice on the same frequency as theirs, they were stunned and looked up at each other secretly. When they saw that the other was also looking at them, they immediately turned their heads away.

Seeing this, her mother snickered in her heart and began to play seriously.

Halfway through, Gong Mo's phone rang.

She picked it up and saw that it was a WeChat message from Tang Xinxin.

Tang Xinxin, 'I'm so bored. What are you doing?'

Gong mo replied, "I'm playing Chinese Checkers with my mom."

Tang Xinxin, Chinese Checkers? The one who threw the dice?

Gong mo, "wuwuwuwu, that's aeroplane chess, right?"

Tang Xinxin, 'Oh, yeah! I remember now, Chinese Checkers is a marble!

Gong mo replied in a cold sweat, "yeah, ran ran, didn't you go on a date?" I'm bored

Tang Xinxin, 'no partner! Doesn't Auntie know how to use the computer? Give me her QQ and I'll play chess with her online in the future.

Gong mo agreed. When you're bored, just come and find me ~

Tang Xinxin said, 'I'm so embarrassed to go to your house every day for free meals.'

Gong mo teased her a little more before giving her mother's QQ number.

Putting down her phone, mother Yan looked at her. "Who was he talking to so seriously?"

"Brother-in-law has been looking at you. I guess he thinks you're dating someone online," Gong Bai said with a smile.

He had a deep understanding of a certain someone's nature of being jealous of her husband!

Chapter 354

the night God will teach you how to be human

"What online dating? she's my old classmate. You know her too." Gong mo said.

...

“Oh?” Gong Bai was puzzled.

high school classmate. I call her sugar heart. I think you’ve met before.

Sheng nanxuan was stunned and looked at her.

Tang Xinxin had been back for many days, but she didn’t mention it. He thought that she would keep it a secret forever.

Gong mo had wanted to hide it from him, but it had been so long since candy heart had returned. He might have already received news of it. If I’m too deliberate, I’ll only arouse his suspicion. I might as well be more natural. Anyway, it was not wise to lie at this time. Who else could she contact besides candy? Instead of making up a reason, it was better to tell the truth.

Oh? ” Gong Bai thought for a moment and asked, ” is she the one who often goes to your house? ” The decibel level is especially high?”

Yu Xinran perked up her ears when she heard this.

Gong mo chuckled, ”you still remember?” You were the one who scared her that time!”

“How did I scare her? She just started screaming for no reason.”

When Sheng nanxuan saw that Yu Xinran had forgotten to play chess, he hurriedly asked Gong mo, ”
“What are you two talking about?”

“Oh, on my birthday, Tang Xin came to find me and met my cousin. That was the first time she saw my cousin. She thought I was in love, so she screamed.”

Sheng nanxuan, ”Yingluo, I’m the one who’s going to be in a relationship with you too, okay?”

“So, that’s why she called me that?” Gong Bai was speechless.

“Xinran, it’s your turn,” mother Diana suddenly whispered.

ah!!!! she snapped back to her senses and almost flipped the chessboard again. She said embarrassedly, “I was just thinking about where to go.”

After saying that, she picked up the chess piece and hesitated for a moment between the two places she could place it. Then, she randomly chose one.

Gong Bai glanced at her and saw that her face was slightly red. For some reason, his heart started beating faster.

Gong mo looked at them and rolled his eyes. He smiled at Gong Bai and said, “Speaking of which, candy used to praise you for being handsome ~”

Gong Bai blushed inexplicably. He glanced at Yu Xinran in panic and then glared at Gong mo.

Gong mo stuck out his tongue and started playing seriously.

Sheng nanxuan looked at her and thought, ‘Oh, you dare to glare at my wife? Okay ~ I’ll teach you how to behave in minutes!

Therefore, Sheng nanxuan took advantage of his advantage of controlling two sides and blocked Yu Xinran and Gong Bai’s way.

When mother Diana and Gong mo arrived at the base camp one after another, he began to kill and finally made Gong Bai the second last.

And Yu Xinran was so miserable that he didn’t even finish the last step.

Yu Xinran looked at the go board in disbelief and was about to cry from her own stupidity!

She was a graduate of a famous school, so she couldn't be so stupid!

It was wrong! Gong Bai and Sheng nanxuan weren't bad either. She indeed didn't have any advantage.

However, when the five of them played chess together and she was the last girl, it was really too heartbreaking!

Gong mo was also stunned. He quietly tugged at Sheng nanxuan's sleeve and looked at him reproachfully.

How could he do this? Yu Xinran was a guest, how could she win like this? It wasn't like he couldn't control himself.

Sheng nanxuan snorted in his heart, because he did not want to control it!

Seeing that Yu Xinran was unhappy, Gong Bai raised his hand to look at his watch and said to his mother, second aunt, it's getting late. I'll go back first.

"Yingluo, alright." Her mother was also quite embarrassed. Although she didn't lose any money, it wasn't good to let Yu Xinran lose so much face in the end.

Yu Xinran only struggled for a while before she realized that she might have offended Sheng nanxuan in some way. Was Sheng nanxuan not welcoming her?

She couldn't figure it out. When she heard them speak, she stood up. "I'll also take my leave."

"Alright then!" Her mother hurriedly said. It's late, let Gong Bai send you back!"

Chapter 355

355 Yes, I'm sick ~

Yu Xinran looked at Gong Bai. Gong Bai's eyes flickered and he said, "Alright," he said.

...

Yu Xinran pursed her lips and revealed a trace of joy. Looks like it's a blessing in disguise ~ but it's useless if Yingluo doesn't make any progress.

She felt sad again. She controlled her complicated feelings and said goodbye to Gong mo and the others.

Gong mo sent them into the elevator. He turned around and poked Sheng nanxuan. "What are you doing? Xinran is a guest, why don't you let her win?"

"Who asked Gong Bai to glare at you?" Sheng nanxuan said confidently.

"What does this have to do with my cousin?" Gong mo was stunned.

"He glared at my wife, so I'm going to torture his sweetheart!"

you ... Gong mo was speechless. He turned around and walked back home. you're crazy!

Sheng nanxuan followed her with a smile and took her hand. yes, I'm sick! I can't bear to see my wife suffer even a little!

Hearing this, Gong mo turned around and tried to scratch him.

He immediately pulled her into his arms. Thinking that they were still at the door of the house, Gong mo wanted to push him away.

At that moment, mother Ling walked out and said angrily, "You guys are making trouble again! Hu 'Zi is crying, go and feed him!"

“Oh!” Gong mo pushed Sheng nanxuan away, turned around, and ran to the nursery.

Sheng nanxuan coughed. I’m going to change the baby’s diaper.

Her mother was stunned. She waved for the nanny and nanny. “Leave the house to them. Let’s go for a walk!”

Her daughter and son-in-law who abused dogs were too brutal. She, who had been single for decades, could not afford to offend them, but could she not hide from them?

Sheng nanxuan walked into the nursery and happened to see Gong mo checking the baby’s diapers. He ran over immediately. “I’ll do it!”

“What are you doing here?” Gong mo couldn’t help but laugh. he didn’t pee. I was just checking.

Sheng nanxuan rubbed his nose and sat beside her. are you full? ” So fast?”

“I didn’t feed him. He’s not hungry.”

“Then why was he crying just now?” Sheng nanxuan looked at the child in confusion. The child had stopped crying, but his eyelashes were still wet.

he must be missing us ~”Gong mo couldn’t help but laugh. crying children are always hot. I just howled and mom and dad are here.”

Sheng nanxuan could not help but laugh. He lowered his head and poked the baby. “Come, let daddy ask you. Do you like mommy more or daddy more?”

“How old is he? why are you bothering him with this question?” Gong Mobai rolled his eyes at him.

“Then I won’t bother him. I’ll bother you!” Sheng nanxuan looked at her. how do you want him to answer?” Do you like me more or update you?”

“I’m not you, so I don’t care how he answers me ~”

.....

Gong Bai said that he would send Yu Xinran, but Yu Xinran had to send him because she drove here.

He suddenly thought that maybe he should buy a car first.

However, this was not in his current budget. To him, buying a car at this stage was just a way to show off. Although it’s more convenient to chase girls this way, Yingluo is too vain.

When Yu Xinran offered to send him off, he asked, ” “Why don’t you let me drive? It’s bad enough that I need you to drive me every time, but I also need you to drive.”

Yu Xinran immediately handed him the car keys, afraid that he would go back on his word and the two of them would not be able to continue on the same road.

Gong Bai took the car keys, and his fingers trembled when they accidentally touched her fingertips.

Yu Xinran retracted her hand. She felt that her fingertips were a little hot, and so was her face.

She clenched her fists and pressed her fingertips against her palm. Her palm was starting to feel numb from the heat.

After getting into the car, Gong Bai started the engine. After driving for a while, Yu Xinran turned to look at him and asked, ” “We haven’t seen each other for a long time. How have you been?”

Chapter 356

356 If he cowered again, what kind of man was he?

“Just like that. It’s boring to stay at home and not work.” Gong Bai said with a smile.

...

One person?

Yu Xinran’s heart was filled with joy. She understood that this was a hint and said, “The same as me. I’m just staying at home when I have nothing to do.”

No way!

She was the editor-in-chief of a fashion magazine and often went to fashion shows to watch shows. She was invited to various activities in the entertainment industry and interviewed supermodels and big shots, even on holidays!

However, she was also the only daughter of the Yu family. Not only was she the editor-in-chief of the magazine, but she was also the boss. If she didn’t want to work, no one would dare to say anything.

“Oh, is it like this?” Gong Bai muttered as he held the steering wheel nervously.

Since the girl had already said so, he should boldly invite her to a date!

However-

What should he ask her out for?

Ordinary girls could go to the movies, climb mountains, and see what rich young ladies did.

Yu Xinran clenched her sleeve nervously, waiting for his invitation.

Why isn't he saying anything?

Did he want her to take the initiative?

"Um, Yingluo, then what are you doing at home?" Gong Bai asked.

Yu Xinran quickly thought about it. What could they do at home, but also when they were out together?

"Let's watch a movie!" She said, "it's because I'm usually alone at the cinema. I feel embarrassed, so I can only watch the movie Online after it's taken down. When I'm free, I'll sit in front of the computer and watch a few movies."

"I see, Yingluo, I'm about the same." Gong Bai said with a smile.

"Yingluo." Yu Xinran was secretly delighted.

"Why don't we go together sometime?" Gong Bai suggested after a few minutes.

"Alright!" Yu Xinran hurriedly agreed, her eyes filled with surprise.

Seeing this, Gong Bai didn't want to retreat anymore.

Since she could be happy, he would be braver and make her happier. Even if Yingluo didn't have any results in the future, she didn't want to disappoint her now.

The girl had already given him such an obvious hint. If he were to back down, what kind of man would he be?

He took a deep breath. there's a very good movie recently. I saw people discussing it online. Why don't we go and watch it now? " Do you have anything to do next?"

Yu Xinran shook her head and said, "I'm fine." When I get home, I can only watch a movie and sleep. If you go now, it'll be just right for you to go home after you're done."

"Alright," he said.

Gong Bai was both happy and nervous. He drove the car to the nearest movie theater to take a look.

.....

When Sheng nanxuan went back to his room to sleep, Gong mo was leaning on the bed with his phone in his hand. He was probably looking at Weibo or something.

"Your classmate is back?" he asked as he undressed.

Gong mo stopped sliding his finger across the screen and looked up at him, "Yeah, Yingluo has been here for many days and has come to our house a few times. But they're all in the day, you're not at work. Oh right, she had dinner when she first came back. She wanted to introduce you two to each other that day, but you had a meeting that day, so she came back very late."

"Yes." Sheng nanxuan lifted the blanket and sat beside her. What are you looking at every day? "

"A novel." Gong mo smiled and showed him his phone. there are some interesting novels on the internet these days. You can also find some for your company to publish.

"What do you mean by my company? It's our company!"

alright, Yingluo. It's our company. Gong mo put down his phone, turned off the bedside lamp, and lay down. good night.

"Good night," she said. Sheng nanxuan smiled and hugged her in the dark.

“Are you free tomorrow?” she asked in a low voice as she rolled into his arms.

“What’s wrong?”

“Tang Xin was my best friend in high school, and she kept blaming me for not treating her to our wedding. Although I’ve explained that we didn’t treat anyone, I should at least treat her to a meal. I’ll invite her over when you’re free.”

Chapter 357

357 Didn’t this mean that she was mentally ill?

uh, hehe. Sheng nanxuan paused. I’m not free recently. I want to collaborate on a project with the Yu family, so I’m going to play golf with old master Yu.”

...

“Ah?” Gong mo was stunned. y-Yu family? ”

“Yes, I am. It wasn’t easy for me to get old master Yu’s schedule, so I’ll run into him at the golf course tomorrow!”

ppft-“Gong mo burst out laughing. what are you doing?” Chance encounter? You can tell Xinran or her brother directly ~”

“It’s better not to talk about human feelings when it comes to business. If the conversation doesn’t go well, it will hurt our relationship.”

wuwuwuu. Gong mo realized that he had said something silly. He leaned into his arms and said, “do whatever you want then. Xinran and I can just be ordinary friends.

“Friend? “She might be your sister-in-law in the future.” Sheng nanxuan couldn’t help but laugh.

I hope so ~ I hope that cousin will be a little stronger. Gong mo couldn't help but sigh. but the Yu family is so rich. I'm afraid they look down on my cousin.

"You don't have to worry." Sheng nanxuan said, "your cousin is a good, motivated young man. Perhaps the Yu family has taken a fancy to him?"

well, I hope so ... Gong mo leaned into his arms and yawned.

.....

Gong mo thought that it would take Yu Qingliu a few days to analyze her situation, but the next afternoon, he called her and told her to come over whenever she had time.

Gong mo couldn't wait any longer and left in the afternoon.

It just so happened that Sheng nanxuan was going to play golf. He would definitely not come back suddenly. Although he usually didn't come back suddenly, he was always in the company and had nothing to do. The company was close to home, so it was really hard to say.

Gong mo told mother Zi, who was puzzled. "Why have you been going out every day recently?"

"I don't know why Xinran is looking for me. I naturally have to go and take a look!"

Her mother paused and waved her hand. Alright, alright. Ran ran, don't take too long!

"I know."

After Gong mo left the house, he took a taxi to the hospital. As it wasn't rush hour, it arrived very quickly.

Walking into Yu Qingliu's office, he found that other than Yu Qingliu, there was also a middle-aged man with half-white hair.

The man was wearing a white coat and looked very dignified. He was probably an expert.

"Dean Yu." Gong mo greeted him nervously.

"Come, let me introduce you." Yu Qingliu pointed at the middle-aged man. this is an expert in the field of Psychiatry in our hospital. He is an internationally renowned psychologist, Dr. Shen.

professor Shen! Gong mo was even more nervous.

"You can sit." Yu Qingliu pointed at the chair in front of her.

Gong mo nodded and sat down gently. He looked at professor Shen and asked, "Is there a problem with my condition? I'm really overthinking it?"

She had even invited a psychologist, not to mention a psychiatrist. Didn't this mean that she was mentally ill?

"Don't be in a hurry." Yu Qingliu said, "I've looked up the various methods of causing memory loss and analyzed your situation. It's possible that you really lost your memory for some reason, but it's also possible that you're just letting your imagination run wild. Since you've just given birth, you're at the peak of postpartum depression, so I consulted professor Shen."

"But I don't think Wanwan is suffering from depression," Gong mo said with a frown.

"If you think so, I suggest you talk to professor Shen about Yingluo."

Gong mo frowned. She didn't want to be treated as a lunatic.

“Don’t be disgusted! I also want to make a definite diagnosis of your illness! Do you know how difficult your current situation is? If it wasn’t for your privacy, I would have shared your case with all the experts! Let’s hold a world-class brain seminar to discuss you, what do you think?”

“Ran ran, I think I’ll talk to professor Shen first.” Gong mo turned around and looked at professor Shen.

Chapter 358

358 It should be hypnosis

that’s a good girl ~”Yu Qingliu said proudly.

...

Professor Shen adjusted his glasses and began to ask Gong mo about his condition.

This situation was exactly the same as what she had told Yu Qingliu yesterday.

Professor Shen had already heard Yu Qingliu’s explanation, but a psychiatrist’s treatment required repeated questioning, so he patiently asked again. He even knew more details than Yu Qingliu did yesterday.

In the end, Gong mo did an electrocardiography on her.

After understanding the situation, professor Shen said, “your condition does seem like you’ve lost your memory.” However, the cause of amnesia was not an external injury, but rather a selective memory loss after being stimulated. However, selective amnesia wouldn’t have allowed him to forget everything so thoroughly. What you have forgotten is your husband. If you are stimulated, this stimulation must be related to him. Even if you have forgotten, the shadow will still be there. When you see him again, your brain will react and use superstitious words to describe it. It will give you a feeling of destiny. But you don’t have any feelings for him.”

Gong mo nodded.

Yes, when she first met Sheng nanxuan, they were complete strangers. If she had not had those dreams and no one else had mentioned it, she would not have suspected that she knew Sheng nanxuan before.

“Then what’s the reason?” She asked.

“It should be hypnosis.” Professor Shen concluded.

hypnosis?! Yu Qingliu was shocked. How could he have forgotten about this!

Hypnosis was something in the field of psychology. Naturally, he had never studied it before, but he had heard of it.

A powerful hypnotist could indeed erase a person’s memory through hypnosis, and he could choose at will. The human brain was like a hard disk in their hands. They could add non-existent memories to people, and they could also selectively erase certain memories.

“Hypnosis?” Gong mo was puzzled. like the ones in the TV series? ” Just by shaking a pocket watch, you can make people fall asleep?”

Professor Shen nodded. if you were hypnotized, then a part of the memory center in your brain is still asleep. This part of the memory center is managing the memories related to your husband.

“Can I still remember?”

“Hypnosis can be removed. Of course, it can be removed.” Professor Shen was silent for a moment.

“Can you help me?”

“I’m afraid not. Hypnosis required instructions, and no one knew what the person who hypnotized you had given. The order is also needed to remove the hypnosis.”

“I’m afraid you’ll have to ask Sheng nanxuan,” Yu Qingliu said.

Gong mo nodded and looked at professor Shen, " "Then let's do it now."

"I don't have any other way now." Professor Shen said, "if you remember anything, you can come and ask me again. However, you don't have to think about it because you can't remove the hypnosis yourself. You need the hypnotist to give the order!"

"In other words, you better find the hypnotist," Yu Qingliu added.

"I know." Gong mo decided to ask Sheng nanxuan. He would definitely know!

After she left, Yu Qingliu asked professor Shen, " "This kind of hypnosis is very difficult, right?"

"Indeed. But it was not absolute! If the time, place, and people are right, and the conditions of the hypnosis are not high, no matter how difficult the hypnosis is, it can be easily done."

this must have been orchestrated by her husband. He should know the instructions.

"However, she has lost her memory for so many years and has heard countless words. She might have heard that command long ago. I'm afraid that the person who hypnotized her has to tell her to get rid of it."

Yu Qingliu sighed. that's why other than the hypnotist, no one knows what it means.

Professor Shen nodded.

Chapter 359

359 The hypnotist is a genius

but her brain is so active. It should be very difficult to hypnotize her, right? "

...

“That’s why I said, the time, place, and people are right. She must have been under a deep hypnosis, which was the most difficult to wake up from. To be able to do this, the hypnotist is not only powerful, he is also a genius!”

I’m very interested in geniuses~” Yu Qingliu said.

you’d better stay away from this kind of person, “professor Shen said, speechless. he might hypnotize you with just one look!

Yu Qingliu trembled.

Professor Shen touched his chin and said thoughtfully, ” “She said that she dreamed of some things that might have happened in the past. Logically speaking, the hypnotized person wouldn’t remember and wouldn’t have the chance to dream of Yingluo.”

“But her brain is more active than ordinary people!” Yu Qingliu cried out, “and she really wants to think about those things right now! Under the dual effects, these memories were restored, even though it was only in the form of a dream! Doesn’t this mean that the hypnosis is failing?”

“Ineffective?”

“Will she remember everything in the end?” Yu Qingliu nodded.

Professor Shen shook his head, “that’s impossible. That’s all she can do. After all, the hypnotist was a genius. If it wasn’t for her active brain waves, she wouldn’t have had the chance to dream at all. If you want to recover your memory, you still need to cancel the command.”

.....

Sheng nanxuan brought Fang Yang, Lin Lei, Zeng Shuai, and fan Yiwen to play golf.

As they walked into the reception hall at the entrance of the stadium, the five of them immediately attracted the attention of the staff and other guests. After all, it was rare to see such neat and handsome men, and all five of them exuded the aura of a superior.

There were only a few customers in the lounge area, and Sheng nanxuan easily spotted Yu Zhengming.

Yu Zhengming sat in front of the floor-to-ceiling window, and opposite him was an old man. He was the Wu family's old master, the older brother of Yu Zhengming's wife, and also Wu Di's grandfather.

A black-haired man sat between the two elders. Because his back was facing the door, Sheng nanxuan could not see his face and did not know who he was. However, the people with these two old men were probably the younger generation of the Yu family or the Wu family.

Sheng nanxuan glanced at him and quickly looked away. He said to the others, " "Let's go," he said.

The five of them walked through the middle of the hall. Yu Zhengming and old master Wu noticed their movements and raised their heads.

Yu Zhengming couldn't help but sigh in admiration. these people aren't simple. In the future, they'll probably have the final say in the capital.

Old master Wu sighed. your xinzhuo isn't any worse than them. No matter how powerful they are, they can't surpass the Yu family. But the Wu family is in trouble, they don't have a single useful member!"

Wu Di, who was sitting between them, was very unconvinced when he heard this!

What did grandfather say? Was there such a thing as boosting other people's morale and destroying one's own?

He turned to look-oh my! It's Nan Xuan! He had to admit that his old classmate was indeed impressive!

Eh? Wait a minute?

Wu Di suddenly jumped up and said to the two elders, "I'll go over and say hello!"

"Don't even think about running away!" Old master Wu frowned.

Wu Di ran faster than a rabbit. In a flash, he was behind Sheng nanxuan and shouted, "Nanxuan!"

Sheng nanxuan stopped in his tracks. When he turned around and saw him, he raised his eyebrows in surprise. "I just saw your grandfather and elder Yu over there. Did you accompany them here?"

that's right, sob sob. Wu Di glanced in that direction. The two elders were looking in their direction.

Sheng nanxuan smiled. I was embarrassed to disturb you just now. Now, I have to go and say hello.

Chapter 360

360 An inexplicable sense of intimacy

"I'll Take You There." Wu Di said softly, "I'll go with you guys after I'm done. You have to agree!"

...

"Why?" Sheng nanxuan was curious. you're not going to accompany your elders?"

"I don't like this! Wasn't it my grandfather who dragged me here? I secretly heard that he's going to introduce me to girls again! I'm so young, why is he so anxious?"

didn't you use Qianqian last time? "Sheng nanxuan thought for a while. you didn't continue with the Valentine's Day one?"

"I don't want such a fierce woman!" Wu Di declined.

Actually, he wanted to! But he couldn't!

Ding dang was so engrossed in solving cases that she didn't even pick up his phone! He was too embarrassed to ask for help. If people knew that he, the handsome young master Wu, couldn't get a girl, it would be a huge joke!

The few of them walked to Yu Zhengming and old master Wu's side, and Wu Di introduced their names and identities. When it was Sheng nanxuan's turn, the two elders frowned slightly.

"You're from Nanjiang's Sheng family?" Yu Zhengming asked.

He could not help but look at Sheng nanxuan carefully. The strange thing was that even though he clearly disliked everything about the Sheng family and hated them, when he saw Sheng nanxuan, he could not feel any disgust at all. In fact, he even felt an inexplicable sense of closeness to him!

It was like seeing a ghost! Could it be that he was getting old and his mind was not clear?

His qinghuan would not have gone missing if it were not for the Sheng family! He should hate the Sheng family to the core!

Sheng nanxuan smiled and said, "yes." I didn't expect elder Yu to know about a small place like Nanjiang and a small family like the Sheng family. I really admire you."

Yu Zhengming said, "shengshi medicine isn't simple. They've developed quite a few new drugs these few years. They've all been used in clinical medicine. They've been heavily praised by the country.

I see. Sheng nanxuan smiled. I'm not sure.

hehe Yingluo. Yu Zhengming had heard of shengzhongtian's announcement and knew that he wouldn't have the chance to interfere with shengshi pharmaceuticals 'matters. He didn't say much and changed the topic. your parents have been very active in Beijing recently, Did you know? "

"Oh?" Sheng nanxuan was curious. they're in Beijing? "

Old master Wu clenched his walking stick and looked at him gloomily. your brother committed a murder and was locked up by the police. Your parents are trying to save him, don't you know? ”

He hated the Sheng family to the core.

Back then, shengshi pharmaceuticals 'development had threatened the Wu family. He had tried to find out about the quality of shengshi pharmaceuticals' medicine, but he had caused Yu qinghuan to go missing, and his sister had ignored him for more than 20 years!

After that, shengshi medical company developed new drugs frequently, and Wu pharmaceutical company's situation became worse and worse.

He didn't even care about the company now. He didn't care if it fell or not. He only hoped that his sister would forgive him before she died!

However, there was no news of Yu qinghuan, and matriarch Yu had been brooding over it! Even if Yu Zhengming had already gotten over it and no longer blamed him, even helping to mediate, there was still no progress.

“Is it about su Mo's case?” Sheng nanxuan asked, ” the police came to me to understand the situation, but there was no more news after that. I don't know either. The murderer is my brother? My parents are here too?”

At this moment, a voice came from behind. elder Yu, elder Wu? ”

Everyone looked over and saw Deputy Mayor ding walking over with ding dang.

ding dang?! Wu Di was instantly excited. ding dang?!

Ding dang frowned. Her father had asked her to play golf, but it turned out that he was asking her to come on a blind date? She had already said that this Wu Di was a lecher. He had touched her the first time they met.

Deputy Mayor ding looked at the young people and was slightly stunned.
