Chapter 361

361 There will definitely be a good ending

Lin Lei, Zeng Shuai, and fan Yiwen were all in charge of big companies. The city held a General Meeting every year to commend outstanding enterprises, and these people had all attended the meeting. Deputy Mayor ding had seen them before.

...

After greeting each other, Deputy Mayor ding's eyes fell on Sheng nanxuan.

"Uncle ding," Sheng nanxuan called out.

Deputy Mayor ding nodded. so it's nanxuan. I haven't seen you in years.

When Ding Xiang had just died, he had heard that Sheng nanxuan was the mastermind behind the scenes. He had secretly investigated and found that it was not the case, so he had not done anything to Sheng nanxuan. However, because song zijie and Sheng nanxuan knew each other, he also had some resentment in his heart. If they had met before, he would not have been so polite to Sheng nanxuan.

However, su Mo's recent case had revealed the truth to him. He hated Sheng Dongyi to the core, and Sheng nanxuan was abandoned by the Sheng family. He had a subtle feeling that the enemy of his enemy was his friend, and he acknowledged Sheng nanxuan.

The two of them exchanged conventional greetings for a while before Yu Zhengming said, "Since we all know each other, why don't we play basketball together? It's just nice to be lively!"

"Since elder Yu has said so, then I'll do as you say!" Deputy Mayor ding laughed.

Sheng nanxuan and the rest naturally agreed.

Sheng nanxuan had come to the basketball court to get close to Yu Zhengming. He had thought that he would have to play a few rounds of basketball to get familiar with it. He didn't expect to meet Wu Di and Deputy Mayor Ding today, and he got it right away!

Ding dang! Wu Di whispered to Ding dang, " shall I help you carry your things? "

"Get lost!" Ding dang took a step back.

"Ahem!" Deputy Mayor Ding glared at her. how could you be so rude? "

Ding dang pouted,"he-

"Did you greet your elders?" Deputy Mayor Ding asked seriously.

Ding dang felt wronged. It wasn't that she didn't want to greet them, but they kept talking just now, so she didn't have a chance to speak!

She immediately greeted the two elders, " Grandpa Wu, Grandpa Yu!"

"Good! Good!" Old master Wu couldn't stop smiling. When other people saw him standing with Yu Zhengming, they would definitely greet Yu Zhengming first. This girl was good, she called him first. As expected of the granddaughter-in-law he had his eyes on~

Ding dang girl, long time no see~" Yu Zhengming said as he walked. I heard you became a police officer?
"

"Yup!" At the mention of being a police officer, Ding dang was extremely excited. I even caught a robber this morning!

"Cough cough!" Deputy Mayor Ding coughed immediately. we're here to play basketball. Who wants to hear you say that? "

Ding dang pouted in dissatisfaction, lowered her head, and didn't say anything.

Deputy Mayor ding was helpless. He only had one daughter left, and he couldn't hit or scold her. It was really a headache!

When they got to the court, everyone went to play. Ding dang didn't want to talk to them and played by herself at the side. Wu Di followed her.

Old master Wu and Deputy Mayor ding were both very satisfied.

They had arranged for the two to meet, but they didn't contact each other after that. They thought that the blind date had failed.

Looking at it now, Wu Di was very enthusiastic.

As the saying goes, "women are afraid of men who pester them." There would definitely be a good result!

.....

Sheng nanxuan learned about the recent movements of Sheng Zhongtian and his wife from Deputy Mayor ding.

in order to save Sheng Dongyi, the two of them went around trying to pull strings. They even threatened me.

"Threaten you?"

Deputy Mayor ding sneered, "they said that I was an official in Nanjiang for a few years. They have evidence that I did something bad! Hmph ~ so what if I did? Do you think they have the ability to pull me down?"

Sheng nanxuan could not help but laugh.

No one in the officialdom was innocent, but with Deputy Mayor ding's current position, his network of connections was deeply rooted. How could he be threatened by a businessman?

Chapter 362

think of a way

"By the way, don't you want to go back to the Sheng family?" Deputy Mayor ding suddenly asked.

...

Sheng nanxuan understood what he meant. If she wanted to, he would help her. However, such help must be repaid. The other party probably wanted to train him to be a Lackey.

It had always been others who were Sheng nanxuan's minions. When had he ever been someone else's minion? Sheng nanxuan naturally refused.

"Why would I go back to the Sheng family? Save the Sheng family from the abyss of suffering? My ability isn't something to be wasted." He said, "I can create my own 'Golden Age'. Why should I go back?"

hahaha ... Deputy Mayor ding laughed and patted his shoulder heavily, "young man, you have ambition!

Halfway through the game, Deputy Mayor ding received a phone call and had to leave for an emergency.

When ding dang saw this, she also wanted to leave. She didn't want to talk to Wu Di!

Deputy Mayor ding pulled her aside. I was forced to leave. You can help me take care of everyone! he said.

you obviously want to push me and Wu Di together. I don't like him!

you ... Deputy Mayor Ding choked. He looked at the young people in the distance and whispered, "if you don't like Wu Di, you can develop your career with the rest of them. They are all young talents.

hey-" Ding Dang protested. Did he think she was picking cabbages?

also, Yu Xinzhuo from the Yu family isn't bad either. You should try to get into old master Yu's good books first ...

"It's not like I can't get married!"

"I'm just afraid that you won't be able to get married! Tell me, which part of you looks like a girl?" Deputy Mayor Ding said worriedly.

"Wuwuwu," Ding Dang wanted to cry.

Alright, alright. I'll be leaving first. Be gentle and don't scare the boy.

Seeing that he had left, Ding Dang could only return to the others gloomily.

"Wan na have dinner together tonight?" Wu Di asked.

"I'm not going!" Ding Dang stared at him.

Wu Di thought for a moment, then turned to old master Wu and said, "Grandpa, let me treat everyone to dinner tonight!"

you youngsters can go," elder Wu said. I'm an old bag of bones, so I won't be joining you.

"No, no, Yingluo must come together!" If he didn't go, how was he going to get Ding Dang to come?

Although ding dang was very fierce, he was still very respectful to the old man. She rejected him without any hesitation, but if the old man asked to have a meal together, she would definitely be embarrassed to refuse!

Ding dang saw through his thoughts and immediately ran over, saying, "Grandpa Wu and Grandpa Yu are old and their teeth are not good. They can't eat what we're eating, so let's not make things difficult for the elderly! We'll have some barbeque and wine after this. Grandpa Wu and Grandpa Yu must have their own plans!"

yeah," old master Wu said with a smile. we have plans. You young people can go by yourselves!

but ... Wu Di still wanted to object.

Old master Wu dragged him to the side and chided him in a low voice, "What's wrong with you? The girl said she wanted to eat with you alone, why don't you open your mind?"

"When did she say that she wanted to have a meal alone?"

"Are you stupid? It's easy to talk things out between you young people. When the time comes, you can just say that you want to go alone with her. Do you think everyone will stop you?"

wuwuwuwu! Wu Di burst into tears! That was not the case at all!

Without the old man here, ding dang would definitely run away without a care. Why would she eat with him?

Old master Wu scolded him for being a blockhead and went to look for Yu Zhengming in disappointment.

Wu Di looked at ding dang, who stuck out her tongue at him smugly.

He turned to look for Sheng nanxuan and said ,'brother! Help me think of a way, my happiness in this lifetime depends on you ~"

Chapter 363

yay, the scheme succeeded!

Sheng nanxuan glanced at ding dang and asked in a low voice, " "You don't mind having a third wheel, do you?"

...

"Ah?"

"When you invite her to the car in front of the two elders, she definitely won't refuse. Then, you can send me home on the way. After you reach my place, bring her to my house! I have old people and children at home, how can she make a scene? This way, you can spend a few hours together, even though it'll be a little too much of a third wheel."

"What if she doesn't agree to go to your house?" Wu Di thought for a moment.

okay. Sheng nanxuan muttered. let her drink more water. Ask her to go to the toilet at my house when we arrive!

F * ck! This was a good plan!

Wu Di said gratefully,"it's a deal!" It's better to have a third wheel than to be alone!"

"Yingluo, why did you fall for her?"

"Don't you think she's cute?"

hehe, hehe, " Sheng nanxuan sneered. you can't even compare to my Gong Mo's finger.

“F * ck!” Wu Di exploded. you dare to say she’s not good? Do you believe I’ll kill you?”

Sheng nanxuan pointed the cue in front of him. “Come!”

Wu Di,”shua shua shua”

I can’t live like this anymore!

Are we still friends? Are we brothers?

It was a profound interpretation of the saying,”women are like winter clothes.” Brothers-the limbs of a centipede!

.....

After the game, Wu Di followed Sheng nanxuan’s instructions and invited ding dang into the car in front of the two elders. Ding dang was very cooperative.

When the car arrived at the entrance, Wu Di saw Sheng nanxuan standing alone by the roadside and stopped the car.

Ding dang wanted to get out of the car immediately.

At this moment, old master Wu and Yu Zhengming’s car passed by, and they looked at her with a smile.

She also smiled and stopped opening the door.

After old master Wu’s car drove away, Wu Di started the car.

“Just put me down in front!” Ding dang said.

“How can we do that? I promised Grandpa!”

Ding dang was furious. She turned her head and ignored him. She decided to wait for Sheng nanxuan to get out of the car and run!

here. Wu Di handed her a bottle of mineral water. water? ”

Ding dang grabbed the bottle of water and started drinking.

The car drove into Sheng nanxuan’s neighborhood and the engine died.

Ding dang saw Wu Di get out of the car and asked in confusion, ” “Wu Di! What are you doing?”

I’m going to nanxuan’s house to use the toilet.

“.....”

“You’re waiting for me here?”

“I’ll go up with you.” She also wanted to go to the toilet.

Yay! The scheme was a success!

.....

Sheng nanxuan opened the door and led the two of them into the living room.

Gong mo was sitting on the sofa with a book in his hands. He was reading quietly and exuded a cold aura.

Sheng nanxuan panicked. He felt that she was different today. He hurriedly shouted, "Momo!"

Gong mo didn't want to talk to him, so he turned his head around after he finished reading the page.

Seeing that there were guests, she couldn't help but smile. "Wu Di is here?"

"Hi, sister-in-law." Wu Di also felt that she was a little different today, as if she had quarreled with Sheng nanxuan.

Gong mo put down his book and stood up. He looked at ding dang and asked, "This is Yingluo."

her name is ding dang. She's Wu Di's girlfriend-" Sheng nanxuan said.

"I'm not his girlfriend!" Ding dang shouted.

uh, hehe. Wu Di laughed awkwardly. I'm still chasing him. I will be in the future.

"I won't be in the future! You're not my type!"

"Then what type do you like?" Wu Di's heart was stifled.

"I'm an uncle fanatic!"

"What is it?" Wu Di didn't understand.

Gong mo snickered. She knew what an uncle complex was. She also recognized that ding dang was the one who flipped the table on Valentine's Day. She couldn't help but sympathize with Wu Di.

Chapter 364

364 Did I do something wrong?

"I just like men who are older than me!" Ding dang said.

...

Wu Di said in a daze, "I'm older than you, Yingluo."

"You're only a few days older? I like a much bigger one! I'll start at seven or eight years old, barely twelve or thirteen years old, fourteen or fifteen years old would be the best, and twenty years old would be acceptable!"

twenty years old?! Wu Di cried out in shock, "are you looking for a man or a father?!"

you ... ding dang wanted to kick him, but he hurriedly dodged.

"Come over and have a seat," Gong mo invited with a smile.

no,"ding dang retracted her foot. I should go.

"Aren't you going to stay for dinner?" Gong mo was puzzled.

I ... ding dang wanted to refuse again.

Mother Yan came out of the room when she heard the conversation. She smiled and said, "Oh, Wu Di is here? I haven't seen you in a long time ~ who is this little beauty?"

"He's my friend." Wu Di did not dare to say that she was his girlfriend. her name is ding dang.

“Aiya, he’s good-looking, and his name is nice too!” Her mother walked over. what are you standing there for? Sit down! I’ll get sister Zhang to add more food!” She then walked towards the kitchen.

Seeing this, ding dang was too embarrassed to leave, so she sat down awkwardly.

Wu Di grinned as he moved closer to her. She glared at him. “Didn’t you say you were going to the toilet?”

Wu Di was stunned. He nodded and turned to go to the bathroom.

Sheng nanxuan lowered his head and looked at Gong mo. He reached out and tidied the hair by her ear. Gong mo reached out and pushed him away.

He was stunned. She was indeed different today. What happened?

Ding dang rubbed her stomach. Suddenly, she saw the book that Gong mo had put on the coffee table and asked, “ you like Gordon’s novel too? ”

Gong Mo’s eyes lit up as he looked at her, “ “Yeah? You’re watching too?”

“Yeah!” Ding dang nodded. I love detective and reasoning the most!”

“Me too!” Gong mo became interested.

When Sheng nanxuan saw them chatting, he sighed and walked away. He decided to ask her what happened when he was sleeping.

Seeing that he had left, ding dang immediately said to Gong mo, “ “Yueyue, is there a toilet? I also want to go to the toilet.”

Hearing this, Gong mo smiled, “ “Follow me.”

Ding dang entered the toilet. As she sat on the toilet, she suddenly thought, "Aimo books had published 'corpse Language'. Gong mo liked to read detective novels. Could it be that Sheng nanxuan and Gong mo had also read the story of 'mermaid'? If they were to look for su Mo's murderer from this direction, they would also be suspicious.

She sighed, "maybe I'm thinking too much!" After all, she didn't participate in the investigation of the case and didn't know many clues. She couldn't make wild guesses.

.....

Gong mo called out to Wu Di and ding dang happily. Every time Sheng nanxuan wanted to talk to her or touch her, she would avoid him. No one noticed anything strange!

After the meal, the two of them sent Wu Di and ding dang off.

When the elevator door closed, Sheng nanxuan lowered his head and wanted to speak to her. Before he could open his mouth, she had already turned around and returned to her room.

He hurriedly pulled her back, but she shook him off with great force and ran away quickly.

Sheng nanxuan knew that he had really provoked her!

However, he was still fine when he left in the morning. What exactly happened?

When he returned to the bedroom, he found that she was taking a shower in the bathroom. He waited for a while, and when she finally came out, he immediately went up to her. "Momo!"

Gong mo dodged to the side, but he grabbed her. "What's wrong with you?"

Gong mo frowned and tried to push him away. She hadn't thought of how to face him yet, so she didn't want to talk to him!

“What happened? Did I do something wrong? If I’m wrong, just tell me. I’ll change, don’t ignore me!” Sheng nanxuan said anxiously, “ I’m uncomfortable with you teasing me like this.

“Uncomfortable?” don’t I feel uncomfortable? ” Gong mo asked.

“You?” Sheng nanxuan was stunned. what happened? ”

Gong mo looked straight into his eyes as if he was trying to see through his thoughts.

I heard something from candy heart. So, Yingluo and I were high school classmates? ”

Chapter 365

365 You can’t get a divorce when you’re still breastfeeding

Sheng nanxuan’s body trembled, and his pupils shrank. He looked at her, unable to speak.

...

Although he was already prepared for this, when things really came, he still wanted to escape! He still hoped that this would not happen!

He didn’t know how to answer her. He moved his lips but couldn’t say anything.

“Sugar heart said that we were close when we were still studying. She knew that we would be together,” Gong mo said.

“.....”

“But I don’t remember anything.” Gong mo was a little sad.

Those memories should be beautiful, right? Everyone else knew about it, but she didn't. How could she not be sad? That feeling was as if a piece of her heart had been hollowed out.

"Your brother also said that we knew each other long ago. I thought he was slandering me. So, it's all true?" She looked at him, her eyes full of accusation and disappointment. but why don't I remember? You tell me!"

ink ink, ink, ink. Sheng nanxuan said with difficulty.

"You've never shown that we knew each other before. Have you been pretending?" Her eyes were filled with tears.

"Why did you say I was pretending?" Sheng nanxuan finally finished his sentence. why can't they lie to you? You trust the people outside and not the people sleeping beside you?"

Gong mo smiled bitterly, "I knew you would say that about Yingluo."

"Momo!" Sheng nanxuan's heart skipped a beat. He suddenly had a bad feeling.

Did Yingluo know something else?

I went to see a doctor today, a neurologist and a psychologist. They said that I was hypnotized, and the hypnotist erased all my memories related to you! Gong mo looked at him sternly and asked, " you did this, didn't you? Why are you doing this?"

"I didn't!" He denied it! He couldn't tell the truth! In any case, if she remembered and knew everything, she would not blame him.

However, at this moment, Gong mo wanted to blame him!

“You didn’t? Why don’t you admit it?” She asked, “ do you know how important memories are to a person? That is a part of my life! What right do you have to take my life? I’m like a lunatic now. You’ll be happy if I’m completely driven crazy?”

“Gong mo!” Sheng nanxuan hugged her. I admit that I hid it from you! We did know each other since a long time ago. We were high school classmates for three years and liked each other, but there was a reason for that! I didn’t hide it on purpose! I will tell you one day, but not now!”

“What should I do if I want to know now?”

Sheng nanxuan was silent for a moment before he said firmly, “Impossible!”

you ... Gong mo was so angry that he couldn’t help but let his imagination run wild. what are you hiding from me? ” We’re enemies, aren’t we? You’ve harmed me? Or have I harmed you before?”

“Can you stop overthinking!” Sheng nanxuan called out.

“Then tell me!” Gong mo screamed.

The air became extremely quiet.

Seeing that she was too agitated, Sheng nanxuan reached out to hold her back and comforted her softly. “Lower your voice, Yingluo.”

ah! Gong mo screamed like a madman.

“Gong mo!” Sheng nanxuan hugged her tightly.

She struggled and tried to push him away. Sheng nanxuan! Let me go!”

Sheng nanxuan hugged her tighter and tighter.

She could not help but roar, "Sheng nanxuan!" I want to divorce you!"

"Calm down!" Sheng nanxuan called out in a low voice, " you can't get a divorce when you're breastfeeding!

you ... Gong mo was so angry that he almost went crazy. His entire body started trembling.

Momo, nanxuan?" Her mother's voice came from outside. what's wrong with you guys?!

Chapter 366

366 Completely forgot about the quarrel

Gong mo was shocked.

...

Sheng nanxuan hurriedly said, "I'm fine!" We're just joking!"

Mother Yan was stunned and said gloomily, "it's late at night, you guys better behave!" Are you kidding me?"

"It's Yingluo, I know." Sheng nanxuan whispered.

Her mother snorted and went back to her room.

Gong mo tried to break free from Sheng nanxuan's embrace, but Sheng nanxuan held her tightly.

Gong mo was so angry that blood rushed to his head, "are you going to let-"

"Momo!" Sheng nanxuan suddenly looked at her and called out in a low voice.

Gong mo raised her head. She was a little dizzy after shouting and yelling.

Sheng nanxuan saw that her eyes were a little empty and knew that her brain was deprived of oxygen. This would last for a few seconds, and it was his chance.

He suddenly raised his hand and snapped his fingers by her ear.

Gong Mo's body trembled, and his eyes were dazed. He slowly loosened his grip on Gu Yu's hand and let it hang by his side.

He leaned over and kissed her on the lips, but she did not move, as if she had turned into stone.

Momo, we didn't quarrel. You went to bed directly after you went back to your room. His voice was low and bewitching.

"Yes." Gong mo replied softly.

"Go to sleep." He said.

Gong Mo closed his eyes and fell to the ground.

He picked her up and gently placed her on the bed, covering her with the blanket.

"Gong mo, I love you." He gave her a light kiss on the lips. also, I'm sorry.

Now, let her have a good sleep.

He didn't know how much she had learned today, who she had met, or what she had done. He couldn't erase that part of her memory, so he could only erase the quarrel from her mind.

In other words, when she woke up tomorrow, she might continue to ask him about the memory loss and then continue to quarrel with him!

Sheng nanxuan rubbed his forehead. The moment they reunited, he knew that she would find out about that matter sooner or later. He could not hypnotize her forever.

However, he had not thought of how to explain it to her. What if he scared her?

.....

Gong mo woke up and completely forgot about his argument with Sheng nanxuan.

She rubbed her forehead and couldn't help but feel a little strange. She had wanted to lay all her cards on the table with Sheng nanxuan last night. Why did she fall asleep immediately after returning to her room?

There was an ancient saying, "after a spurt of energy, it will weaken again, and after the third, it will be exhausted."

This was the logic in everything!

Yesterday, when she was in the hospital and found out that she had been hypnotized, she wanted to rush home and reason with Sheng nanxuan!

When she returned home, she found that he was still at work, so she could only wait! While she was waiting, she thought that she couldn't quarrel with him as soon as he came back. If her mother heard it, she would be worried. She had to wait until night.

At night, she thought even more-he might have his own difficulties. She couldn't just blame him, but should be reasonable and emotional.

Therefore, by night time, she no longer had any aura.

In the end, she even fell asleep!

What should he do now? He had even less combat power now!

“Momo!” Sheng nanxuan opened the door and entered.

He had just run five kilometers in the gym and was covered in sweat.

Gong mo was still thinking about laying all the cards on the table with him. Even though he looked very sexy now, she wasn't in the mood to admire him.

Sheng nanxuan walked over, cupped her face, and kissed her hard.

Gong mo was slightly shocked and was dazed by his kiss. He pushed him away in a hurry, “I, I didn't brush my teeth.”

Sheng nanxuan couldn't help but laugh. He pecked her on the lips again and turned to take a shower.

Gong mo smacked his pillow in anger.

She should have quarreled with him! Why are you kissing me?

She decided that she would lay all her cards on the table with him tonight!

While they were having breakfast, mother Yan sized them up and suddenly asked, “Did you guys fight last night?”

Chapter 367

367 Is he the hypnotist?

pfft-” Sheng nanxuan choked.

...

He had calculated so much, but he had missed this! How could he just hypnotize Gong mo to keep him from knowing what happened last night? He had to hypnotize everyone who heard their argument!

Sheng nanxuan pondered. Should he take action now?

Gong mo looked at him in shock.

Quarreling? She had no memory of it at all! Could it be that Yingluo was hypnotized again? He was the hypnotist?

Sheng nanxuan knew what she was thinking just by looking at her expression. He immediately begged for mercy, begging her not to say it in front of mother Zhai. Otherwise, it was already very difficult for him to deal with her alone. If he had to deal with “mom” and “mommy,” he would really have to make a big move!

In an instant, Gong mo trembled with anger. However, in order not to worry her mother, she restrained her emotions and said to her, “No, we didn’t quarrel. Did you hear wrong?”

“You were so loud, how could I have heard you wrong?” Her mother frowned. if you don’t believe me, you can ask sister Zhang and the others. They heard it too.

“What did I say?” Gong mo was stunned.

Yingluo. her mother glanced at Sheng nanxuan and said with a straight face, “you said you wanted to divorce nanxuan.

Gong mo glared at Sheng nanxuan, his face full of anger. It looked like they had laid all their cards on the table last night and had a huge argument, but he had made her forget again!

Sheng nanxuan choked again and said weakly, " "I'm just joking."

Gong mo gritted his teeth. He didn't want his mother to worry, so he said, " "Yeah, we were just joking."

Her mother glared at her and said sternly, "Can you make such a joke so casually? It would hurt the relationship between husband and wife! Even if you're just trying to scare him, you can't say this! Unless you really want a divorce, you can't say such things! Because once you say it, he'll be hurt and think that you don't take marriage seriously! If you say it a few more times and he takes it seriously, who will you go to to cry to then?"

Gong mo bit his lip and lowered his head in grievance. Tears started to fall.

How did it become her fault?

It was obviously Sheng nanxuan teasing her.

He had lied to her! Hypnotize her!

Why did they quarrel last night? What did they argue about? She couldn't even remember! However, she believed that since she said she wanted a divorce, she was definitely not threatening him. She really wanted a divorce!

Ehh!

Wait a minute!

She didn't want to get a divorce!

Gong mo didn't want a divorce at all, at least that was what she thought now!

Therefore, what her mother said made a lot of sense.

But why did she say that last night? What was happening? Did she and Sheng nanxuan have a big fight?

Gong mo sniffled and wiped the tears from the corner of his eyes.

Sheng nanxuan felt terrible. He picked up a tissue and helped her wipe.

She felt anger rising in her heart!

It was all because of him! He had lied to her and made her so upset. Why was he pretending to be a good person?

She pushed him away. I'm sorry! he suddenly said.

Gong mo was stunned. He gently wiped her tears and said in a hoarse voice, "It's my fault, Yingluo."

Her mother looked at them and asked in confusion, "What's wrong with your Wanwan?"

Sheng nanxuan watched Gong Mo's expression intently. Seeing that she did not get angrier, he slowly let go of her and said to mother Zhai, "it's my fault. I did something wrong and made Momo angry.

Mother Zhai was stunned. She looked at the crying Gong mo and suddenly remembered, "Momo was taught by her and would definitely not be unreasonable! Her daughter was very reasonable! However, since Momo wanted a divorce, Sheng nanxuan must have made an unforgivable mistake!

Her mother slammed the table and stood up. you cheated on me?!

Chapter 368

368 I can't continue living like this

Sheng nanxuan was dumbfounded and subconsciously retorted, "No, I didn't!"

...

Gong mo was also stunned. He wanted to explain, but Mother Gong felt that his guess was very reasonable. "Then we must leave! The child is only two months old, and you can't take it anymore. There are still decades to go, and my Momo will have to suffer!"

I'm sorry! Sheng nanxuan looked at Gong mo for help.

"No!" Gong mo replied. He didn't cheat on me!"

"You're divorcing him if he didn't cheat on you?" her mother asked in disbelief. Did he hit you?"

Without waiting for Gong Mo's reply, she added, "this is even more important!" You've been married for less than a year, and you've just given birth to a child, yet he dares to hit you. You'll die an unnatural death in less than five years! I must leave!"

If there was a first, there would be a second, and if there was a second, there would be a third! He could tolerate other things, but cheating and domestic violence were absolutely intolerable!

Otherwise, he would kick Gong mo out of the house sooner or later. Therefore, he might as well get a divorce now and find another spring! As for domestic violence, if he endured it, he would be beaten to death. He couldn't tolerate it!

"No, I didn't!" mother, don't let your thoughts run wild! Gong mo exclaimed. Why did he hit me?"

that's right, Yingluo, "Sheng nanxuan mumbled. she almost hit me.

"You shut up!" Gong mo roared.

Sheng nanxuan was shocked. He immediately lowered his head and did not dare to make a sound.

From the way mother Zhai looked at him, it was true that Gong mo was the only one who had abused him, not him.

Since it was not an affair or domestic violence, it was not a big deal.

Mother Yan heaved a sigh of relief and sat back on the stool.

Gong mo also heaved a sigh of relief. Otherwise, she would have lost her mind if she had to comfort dan Rong before she had even explained the situation to Sheng nanxuan.

In the end, her mother suddenly jumped up again!

Gong mo and Sheng nanxuan both took a deep breath and looked at her nervously. "Mom?"

What did she do? What's the fuss about? they can't even fight anymore!

Mother Yan pointed at Sheng nanxuan in horror. Her fingers trembled and her voice changed."Could it be ..."

"Could it be what?" mother, what are you thinking about now? " Gong mo asked.

could he actually be gay?! Diana's mother shouted. If that was the case-

"Then we must leave!" She said in a serious tone.

In her era, only cheating and beating people up often led to divorce. However, after she read the newspapers online, she found that times had changed. Men could also fall in love with each other! Some men didn't like women, but they wanted to have children, so they tricked women into marriage. It was so hateful!

Aiya ... Gong mo cried out miserably, " I can't live like this anymore!

could it be that he really is ... mother Yan gasped and almost fainted.

Sheng nanxuan couldn't help it!

Whether it was cheating or domestic violence, they could still explain it slowly, but this could not be delayed!

He stood up and said,"I'm straight!" If you don't believe me, you can ask Gong mo! I've already had a child, how am I gay?"

"Gong mo said that we can't live anymore!" Her mother cried out, " I knew there was a problem with you! Those friends of yours, each one more handsome than the next, what Fang Yang, Wu Di, wuwuwuwuwu?"

I'll go!

I really can't live like this!

He even dragged Fang Yang and Wu Di into this!

Sheng nanxuan went berserk.

Gong mo laid on the table weakly and wanted to cry.

"Don't worry, I'm here!" Her mother comforted her. Mom will help you!"

"What are you going to help with?" he's not gay! Gong mo cried.

then ... her mother was stunned. then what are you two fighting about? ”

Chapter 369

369 My wife is so smart~

I ... of course, Gong mo couldn't tell her the truth. She guessed that her mother didn't know that she and Sheng nanxuan were high school classmates.

...

She glared at Sheng nanxuan and said, ” I only found out last night that he's a big liar!

Sheng nanxuan was shocked. He thought that she was going to tell him the truth and said anxiously, ”
“Gong mo!”

“Let her speak!” Mother Gong slammed the table and pointed at Gong mo. tell me! How did he lie to you?”

“Didn't we all think that he had been chased out and had no money? He started a company here a few years ago, and Fang Yang and Zeng Shuai are his men!” Gong mo said with hatred.

Sheng nanxuan secretly heaved a sigh of relief. They had been thinking about how to let mother Zhai know about his assets and career. They had never expected her to solve it like this!

It had to be said that under such circumstances, mother Zhai's degree of acceptance would be very high!

In an instant, Sheng nanxuan looked at Gong mo with gratitude and gentleness in his eyes. There was even admiration!

My wife is so smart ~

To think that he could think of such a method!

And they had already quarreled, yet she was still so considerate of him and was so good to him. He had to love her more in the future!

Gong mo continued, "the company that published dad's book is also his new company!" And those cars you've been in, this house, he bought them all in full! He has a lot of savings and doesn't have a single cent on a loan. He even has a big villa in the suburbs, which is bigger than anyone else's."

After saying that, Gong mo stopped to catch his breath.

Mother Yan swallowed and looked at Sheng nanxuan. "Is what Mo Mo said true?"

Sheng nanxuan nodded.

"I've long felt that something was wrong. You're not poor." Mother Juan heaved a sigh of relief. No one else could afford to stay in the ward where Momo's child was born, and the director was personally in charge of it. I just didn't expect you to start your own company. Fang Yang looks so powerful, but he's only your subordinate. This is really beyond my expectations."

"I didn't lie to you on purpose." Sheng nanxuan said.

Hearing this, Gong mo glared at him.

He held her hand in an attempt to please her, his eyes begging for mercy.

"You're arguing about getting a divorce just because of this?" mother Juan glared at them. I don't want to say this, but Momo, you're too willful! Didn't you just say that we can't live like this? What's wrong with this? He'll have a better life now that he's rich!"

"I'm not talking about him!" I was talking about you! Gong mo shouted.

"Me?" Mother Yan recalled. Wasn't she just defending her? She actually dared to say that she couldn't live anymore, this unfilial daughter!

“We were quarreling, but you just had to make wild guesses. We couldn’t even continue quarreling!”
Gong mo said angrily.

you ... her mother was stunned. She thought about how she had guessed that she had an affair-that she had been hit by domestic violence, and that she had even guessed that she was-homosexual who had gotten into-marriage scam. She was indeed in the wrong. She whispered, “-was just concerned about you. Who asked you to be so insistent on a divorce over such a small matter? Do you really need to do this?”

Gong mo was stunned. He turned his head and stopped talking.

She wasn’t doing this because of such a small matter!

Sheng nanxuan wiped his sweat. it’s alright. It’s alright. The misunderstanding has been cleared. Momo, finish your meal first. We’ll talk about the rest slowly.”

Gong mo looked at him and he placed the food in front of her.

“I’m so angry I’m full!” She said, sulking.

“I’m sorry,” she said. Sheng nanxuan whispered.

Seeing that Gong mo was angry and Sheng nanxuan was carefully apologizing, mother Zhai felt that Gong mo had gone too far. He wanted to say something to her, but he gave up after opening his mouth.

She had just said that she was affecting their quarrel. She should just eat!

Chapter 370

370 Are you trying to hypnotize me again?

However, since Sheng nanxuan was already like this, Momo, you should at least give him some face. There are people around! A man’s face was the most important. If you were angry, you could go into the

house and live your life behind closed doors. Why did you have to embarrass Sheng nanxuan in front of others?

...

Sheng nanxuan did not care about these things. Face was earned by oneself, not given by others. If he made Gong mo angry, he would apologize to him in front of mother Zhai and the servants, even on TV and in front of the entire country's audience! If he really couldn't do it, he could still kneel. If she dared to be angry, he would dare to kneel!

Her mother looked at the two of them worriedly. Fortunately, the two of them did not quarrel again.

After the meal, Gong mo went straight back to his room. Sheng nanxuan immediately threw away his bowl and chopsticks and chased after him.

Mother Yan opened her mouth and sighed, "Why do I also feel that there's no way to continue living like this?"

She looked at the time and realized that it was already time for Sheng nanxuan to go to work. But Yingluo was the boss, so it didn't matter if he didn't go, right? He must have lied to her and Gong mo on purpose in the past.

.....

Gong mo stood in front of the safe in his study and was about to take out his high school records.

Suddenly, Sheng nanxuan pushed the door open and appeared at the door.

When she saw him, she closed the safe and looked at him coldly.

Sheng nanxuan took a deep breath, walked in, and locked the door. He walked slowly towards her, his face clearly guilty.

wife Yingluo, ” he stopped in front of her and called her in a low voice.

Gong mo was very angry at first, but after hearing his tone and seeing his attitude, he suddenly felt embarrassed to go too far.

Sheng nanxuan tried to grab her hand, but she slapped it away and asked angrily, ” “What else do you have to say? Did you hypnotize me to erase my memory from last night? Give it back to me!”

Okay, okay, okay, Yingluo, ” Sheng nanxuan immediately agreed. look at me.

Gong mo guessed that he was trying to remove the hypnosis from him last night. He guessed that he was doing the same thing as the hypnosis.

She raised her head to look at him and met his dark eyes. She was shocked and immediately turned her head to cover her face, blocking her eyes!

“I don’t want to look at you! You’re a liar!” Gong mo shouted.

“What’s wrong?” Sheng nanxuan was puzzled.

“Are you trying to hypnotize me again?” She asked angrily.

He must be trying to hypnotize her again so that she would forget what happened at breakfast, and even Tang Xinxin, and forget that she already knew the secret. Then, she would continue to live with him without any worries!

“What are you thinking?” Sheng nanxuan said in an aggrieved tone, ” you’re already angry. How would I dare? ”

“You can make me forget!” Gong mo turned around to face him but continued to cover his eyes with his hands. I won’t look at you anyway! I don’t want to be hypnotized by you!”

"I swear I won't!"

"What's the use of your oath? I won't remember it after you hypnotize me!"

Yingluo, " she made a lot of sense. He was actually speechless!

However, he had never thought of hypnotizing her again!

"Are you going to be like this for the rest of your life?" he asked. You won't look at me for the rest of your life?"

"I won't look at you anyway!" Gong mo said stubbornly after a short pause.

"Are you sure? I'm so handsome, wouldn't you be at a disadvantage if you don't look at me?"

"Do you have any shame?" Gong mo put down his hand and glared at him.

Sheng nanxuan smiled and looked into her eyes with a burning gaze.

ah! Gong mo screamed and covered his eyes with his hands.

"It's no use even if you cover it up." Sheng nanxuan said, " you can still hear me even if you don't look. The hypnosis can be done through your eyes and ears."
