

## **Ditsy Wife 371**

Chapter 371

371 I mean if

Gong mo was stunned. He put down his hand and looked at him with fear in his eyes.

...

Was he really going to continue to hypnotize her?

But she really didn't want to forget anything!

No matter how unbearable and painful it was, it was a part of her life. Why should she forget it?

She felt as if something was missing from her life, and it was no longer complete.

Sheng nanxuan looked at her eyes and felt terrible. He wondered if he had done something wrong.

Would it have been better if he hadn't hypnotized her back then?

"Pa!"

He suddenly snapped his fingers by her ear, and she was stunned.

To her, it was just a second of blankness in her mind. She had no idea what Sheng nanxuan had done.

When she came back to her senses, all the memories of last night had appeared in her mind.

She finally realized that Sheng nanxuan had taken the opportunity to remove the hypnosis he had cast on her last night!

But he didn't tell her, and he suddenly attacked her!

Gong mo pounded on his body angrily. "Bastard! Bastard! Bastard!"

Sheng nanxuan bore with it passively. He did not say a word, but his eyes looked at her gently.

After hitting him for a long time, she met his eyes and awkwardly retracted her hand. "You're too much, you know that?"

"I know." Sheng nanxuan replied softly. He lowered his head and leaned on her shoulder. I won't dare to do it again," he said with puppy eyes. I really won't.

"Who's going to believe you? Anyway, if you don't want to admit it, you can make me forget!"

"How can it be that easy? Let's not talk about the technical difficulties, I don't want to do that to you unless it's the last resort." Sheng nanxuan said, "I've already regretted making you forget me the last time. I can't bear to let you forget me again. I won't treat you like this again. It's true."

Gong mo rolled his eyes and looked at him slyly, "You can't bear to?"

"En!" Sheng nanxuan nodded heavily. He grabbed her hand and kissed the back of it. don't be angry, wifey.

"Then give me back my old memories!" Gong mo pulled back his hand and said sternly.

Sheng nanxuan was stunned and fell silent.

Seeing this, Gong mo slowly puffed up his face and said angrily, "I knew you were a liar!"

it's not Zhenzhen, " Sheng nanxuan said awkwardly. it's just that I don't think it's the right time.

"Then when will it be?"

"Not now, anyway!"

Gong mo was furious and pushed him outside, " "Get out! I don't want to talk to you anymore! Tonight, you'd better move into the study room and sleep there. I don't want to see you!"

Gong mo ... Sheng nanxuan turned around and pulled her into his arms.

"Let me go!"

Sheng nanxuan let go of her and grabbed her shoulders with both hands. He stared into her eyes. "You really want to know?"

Gong mo was startled by his sharp gaze and forgot to speak.

After two seconds, she came back to her senses and immediately turned to look elsewhere, afraid that she would be hypnotized by him again.

She thought about it carefully and realized that Yingying hadn't forgotten anything. What happened just now was still fresh in his mind. He shouldn't have been hypnotized, right?

"Of course I have to know!" She took a deep breath.

"Even if my life is in danger and I will die, you still want to know?"

Gong mo was shocked and asked in disbelief, " "What are you talking about? I just remembered something from the past. How could it endanger your life?"

"I'm saying if."

Gong mo thought for a while and replied,"if's only an if!" It won't really happen!"

"What if there's a 50% chance of it happening?"

Chapter 372

372 You're showing off

Gong mo was stunned and didn't know what to say.

...

"It doesn't matter, does it?" Sheng nanxuan said bitterly, "alright, I'll make you remember.

don't-" Gong mo shouted.

"Are you sure?" Sheng nanxuan looked at her.

I don't want to kill anyone, "Gong mo said in a low voice.

Sheng nanxuan hugged her and kissed her excitedly. "Gong mo, thank you."

"What for?" Gong mo panicked and looked at him. what happened? " How could your life be in danger?  
Is it fine if I don't remember?"

"I'm fine." He shook his head.

Gong mo didn't believe him and panicked,"you're in danger too, aren't you?" You're bearing it alone? If I  
remember, I will also lose my life?"

“No!” Sheng nanxuan said hurriedly.

He just didn’t want her to remember, so he said that on purpose. He also wanted to test his position in her heart.

She couldn’t bear to see him die. This was the result he had been looking forward to, but he didn’t want to scare her.

“Don’t let your imagination run wild.” He said.

“How can I not overthink?” Gong mo felt like his brain was about to explode. you really can’t tell me? ”

“In the future,” He said, ” I’ll definitely tell you when the time is right.

Gong mo looked at him and thought for a moment before asking, ” “Can I ask you a few questions?”

“Sure.” Sheng nanxuan answered without thinking.

“Will you answer me?”

“Of course I will.”

“Did anything unpleasant happen between us in the past?”

yes. Sheng nanxuan thought for a moment. you’re angry because I don’t attend class. Does that count? ”

Gong mo glared at him angrily, ” “Don’t talk about this kind of thing, okay? I don’t remember! You’re just showing off!”

Okay, okay, okay, Yingluo. Sheng nanxuan surrendered in a hurry. I was wrong.

After he finished speaking, he reminisced about the good times of high school and suddenly agreed with her.

He was indeed showing off!

Although nothing major had happened in the three years of high school, all she had were all kinds of trivial memories, which seemed to be engraved in her life.

They had never been together, but every time they were in the classroom, corridor, field, or cafeteria, Yingying couldn't help but look at each other.

He remembered her beautiful appearance, as if he had just seen her yesterday.

However, she had forgotten about him.

No wonder she was angry. If someone removed her from his mind, he would be angry too!

"Why should I be angry if you don't want to go to class?" Gong mo asked.

Sheng nanxuan asked carefully, "do you really want to tell me?" Didn't you just say that I was showing off?"

Gong mo pinched him and said fiercely, "Speak!"

"Oh!" Sheng nanxuan immediately replied, "you're the outstanding student in our class, Yingluo.

"I know!" Gong mo interrupted him, "I just forgot about you. I remember everything else. I have never fallen out of the top ten, okay?"

Okay, okay, okay, Yingluo. Sheng nanxuan nodded. but I've never been able to get into the last ten in my exams!

"What?" Gong mo was shocked.

one day, I asked you to help me with a question ... Ahem, I started to like you at that time, so I got close to you on purpose.

Gong mo rolled his eyes and looked at him angrily. He pinched his hand a few times and said, "When can I remember?"

"Uh, Yingluo will be very fast." Sheng nanxuan reached out to hold her. let's talk about why you're angry first.

yes, "Gong mo replied, feeling aggrieved. He really wanted to know what he had been like in high school.

He would definitely look the same as he did now, only younger, but what about the others?

What did he say? How could he laugh? What should he do?

Chapter 373

373 Often crushed by my intelligence

"You were a little reluctant when you explained the questions to me, and after you finished, you tactfully lectured me, saying, ""I've talked about this in class, did you listen?" I just said, 'no, I'm so smart, how could I not know !""

...

"You actually bullied me?" Gong mo was speechless.

“Ahem, ahem, Yingluo, I like you, okay?”

“What happened after that?”

“Later in class, I was absent-minded and suddenly found you staring at me. I wrote a note and threw it to you. Can you guess what I wrote?”

Hearing this, Gong mo stretched out his hands angrily, “do you believe I’ll scratch you?!”

He clearly knew that she didn’t have this memory, yet he still dared to ask!

cough, cough, cough, cough. Sheng nanxuan did not dare to ask any more questions. He hurriedly said, “I wrote: Don’t be distracted in class!”

Gong mo: “wuwuwuwu! You are shameless!”

“Oh, a little. How can I get you if I have no face?”

“What?” Gong mo was shocked. you managed to catch me? ”

“Of course!” Sheng nanxuan said smugly, “I’m so handsome. How can you run away from me? ”

Gong mo reached out his hand and silently scratched the back of his hand.

ah! Sheng nanxuan cried out in pain. I went to ask you questions again after class.

“Why didn’t I hit you back then?” Gong mo shouted. I really want to kill such an annoying person!

“Because you’re gentle, but you glared at me.”

“I’m sure I still explained the questions to you, right?”

that’s right, ” Sheng nanxuan said proudly. in the monthly test, I managed to answer both of the questions I asked you. Of course, I answered them seriously and finally did not get into the last ten! The teacher praised me in front of the whole class and asked me how I improved so quickly, so I said it was all your credit.”

“.....”

“Then, the teacher arranged for you to tutor me one-on-one! From now on, you’ll be my housekeeper! I don’t dare to skip class to play basketball or drink with others anymore, because whenever I skip class, you ignore me and throw a bunch of papers at me. I don’t even have time to talk to you.”

“He deserves it!”

Sheng nanxuan smiled and lowered his head to kiss her.

Gong mo pushed him away and suddenly asked,“that’s not right!” Didn’t you get into capital University? That’s the best university in our country! If your grades are bad, you won’t be able to catch up even if you study hard, right?”

Capital University was a school that only top students could attend!

What was the definition of a top student? She had always been the top student in her class! Even if he couldn’t get first place, he couldn’t fall out of the top three. Otherwise, he wouldn’t even have the upper limit of his extraordinary performance!

What did he do to turn from the last to a top student?

“You didn’t cheat in the college entrance examination, right?” She asked in shock, ” could it be that your life is in danger because of this? I participated in the cheating and was hypnotized by you?”

Sheng nanxuan broke out in a cold sweat. Yingluo, I realized that you and mom have the same hole in their brains. You're both so imaginative! They are indeed mother and daughter!"

Gong mo kicked him.

"My IQ is 180. Do you think I need to cheat?" he laughed and dodged.

Gong Mo's eyes widened,"really?" Then why are you at the bottom?"

"Those questions were too easy, I couldn't be bothered to do them!"

"....."

Sheng nanxuan thought that she did not believe him and continued, " You'll know when you regain your memory! When you were tutoring me, you were always crushed by my IQ! However, you've never admitted that I'm smarter than you. You thought that I was a blind cat that found a dead mouse."

so you're pretending to be stupid to hit on me?!

"Oh, I think so."

Chapter 374

374 Don't be so mushy

"I'm going to hit you!" Gong mo was furious.

...

Sheng nanxuan opened his arms and embraced her. "Come on!"

Gong mo choked. Did he want her to hit him or throw herself into his arms?

Gong mo grabbed the book on the table angrily and threw it at him.

In the end, she somehow tripped and fell forward ...

“Be careful!” Sheng nanxuan shrieked and hugged her.

This Kasaya

It really became throwing herself into his arms ~

Gong mo blushed and tried to push him away in a hurry.

Sheng nanxuan hugged her tightly. you’re already here. Don’t leave. Let’s give you a kiss first.

“You shut up!” don’t forget that I’m angry! Gong mo covered his mouth with his hand.

“.....”

“Can’t we have a proper fight?” Gong mo backed away and said gloomily.

“Didn’t Yingluo finish quarreling?” Sheng nanxuan asked carefully.

“But I’m not satisfied with the result!”

“Then, Yingluo, can you hit me twice?”

Gong mo glared at him and felt that he had suffered a great loss!

After a long time, he avoided the important points and went through the details, but he still didn't know what had happened in the past.

He was too devious. He made her promise to remove the hypnosis at a suitable time. He must have done it on purpose!

His IQ was 180. He was crushing her IQ!

"I suddenly feel like I'm at a disadvantage marrying you!" Gong mo cried.

Sheng nanxuan was shocked. did I not treat you well?" he asked nervously.

Gong mo was silent for a moment before he cried even harder, " "It's good! I don't feel good to blame you!"

Sheng nanxuan heaved a sigh of relief. you can blame me if you're fine. As long as you're happy.

Gong mo was stunned and glared at him. "You're smarter than me. I always feel like I'm being bullied by you."

"That Yingluo must be your illusion!"

you swear you didn't crush my intelligence?!

Sheng nanxuan was silent for a moment. Then, he sighed. oh my, it's a problem with my intelligence. There's no helping it. It's the most direct reaction of the brain.

"Wuwuwuwu"

at least your children will be smarter than other families 'children after inheriting my genes.

“I’m even sadder now that you’ve said that! In the future, the children will be smarter than me. I’ll be the dumbest in the family!”

“Don’t worry, Zhenzhen. I’ll always be on your side.”

Gong mo pushed him away and turned around to open the safe.

Sheng nanxuan wiped his cold sweat. He did not know if this quarrel would continue.

However,

At this point, it seemed like there was nothing worth arguing about.

They were already very lucky that things had turned out this way! Even if Gong mo really wanted to chase him away to sleep in the study for a few days, he would accept it!

He looked at her back, and his eyes suddenly became very gentle.

As long as she was willing to think for him, listen to his explanation, and not leave him, it didn’t matter even if she was angry occasionally.

Gong mo turned around and met his eyes. He was shocked!

you ... Gong mo clutched his chest. why are you looking at me with such a disgusting expression? ”

“Is it disgusting?” Sheng nanxuan smiled.

“Disgusting!” Gong mo cursed with a red face.

Sheng nanxuan walked up to her and hugged her. I'm going to disgust you for the rest of my life! he said.

Aiya-" Gong mo pushed him away. don't be so mushy. I'm not that close to you!

Hey! Sheng nanxuan was not convinced. we've known each other since high school!

"Last year!"

Sheng nanxuan was stunned.

"Do you have any objections?" Gong mo looked at him.

Sheng nanxuan was silent for a long time before he said gloomily, " I don't dare to."

Gong mo put the things in his hands on the table. Sheng nanxuan looked at them and found them familiar. They were her high school classmates.

Chapter 375

375 Did you look like this in high school?

Gong mo opened the student register and saw a photo.

...

She picked up the photo and showed it to him. "What's going on?"

Sheng nanxuan took the photo. There was a ball of ink on the photo, blocking two or three people's faces.

"There's also this," Gong mo flipped to the last page of the class record and pointed at the torn pages.

"I did it." Sheng nanxuan didn't hide anything. you don't want to leave any evidence of my existence.

All of a sudden, Gong mo reached out his hand to him with his palm facing up, as if he was asking for something.

"What?" Sheng nanxuan was puzzled.

"Again!" Gong mo shouted, "since you said that it's not the right time to remove the hypnosis, I'll believe you this once! However, return these two items to me!"

"In my study."

"You go get it yourself!" Gong mo turned around and sat on a stool.

Sheng nanxuan lowered his head and kissed her on the cheek. "Don't be angry."

"It depends on your performance," Gong mo pushed him away.

Sheng nanxuan was overjoyed. He kissed her hard on the cheek and turned to leave.

Gong mo looked at his back and touched his face in a daze. He touched the place where he had just been kissed.

He seemed to be afraid that she would be angry. Did he like her that much?

Gong mo looked at the ink on the photo and wondered if the person who was completely covered was him.

After a while, Sheng nanxuan returned with a piece of paper and a photo in his hands.

Gong mo looked at him nervously. He walked over and handed the things to her.

She took it and looked at it. It was almost exactly the same as her photo, except for the absence of the ink.

And in that seat was Sheng nanxuan, who was smiling brightly.

He really looked like he was carved out of the same mold as he did now!

Hehe, Yingluo, isn't this nonsense? That was him!

He was a little different then and now.

He was much more mature now and wouldn't smile like that. In the photo, he looked like a big boy, young and handsome, like a popular figure on campus.

Gong mo touched it with his trembling fingers and suddenly remembered that he was beside him. He was a little embarrassed and immediately retracted his hand.

"Did you look like this in high school?" She asked softly.

"Yes." Sheng nanxuan replied softly.

"He's quite handsome," Gong mo laughed. I don't remember any of my classmates being as handsome as you. Many girls liked you back then, right? "

"Yup, I know. There was one time when I gave you a love letter I received and asked you to help me pick a girl with good literary skills to be my girlfriend--"

Gong Mo's eyes widened.

“Ahem, I’m teasing you on purpose. I wanted to see you get jealous.”

Gong mo blushed, “why should I be jealous?” Did I like you back then?”

“Of course you like it!” Sheng nanxuan laughed. you just threw those love letters in my face!

“That doesn’t prove that I like you!” Gong mo tried to defend himself.

although we didn’t say it out loud at that time, we were definitely in love with each other. You like me a lot, okay?”

“I’m sorry, I don’t remember.” Gong mo said with a straight face, “ to me, I’ve only known you for less than a year! Don’t blame me for what happened in the past!”

Sheng nanxuan was stunned. He suddenly felt that he had shot himself in the foot!

Gong mo looked at him and fell silent.

“I’m sorry,” he sighed.

“Why are you saying this?” Gong mo raised his eyebrows.

“I shouldn’t have hypnotized you.”

She was right, that was a part of her life, why should he take her life?

“Do you want to remove it now?” Gong mo asked.

Sheng nanxuan was stunned. He looked at her and said, " can you wait a little longer? " You believe me?"

Chapter 376

376 The last stage of narcissism

Gong mo couldn't help but feel a little disappointed. However, since she had already promised him, she didn't want to continue making things difficult for him, so she nodded her head.

...

Sheng nanxuan held her face and kissed her gratefully. He said excitedly, "Gong mo, thank you!"

"I don't need you to thank me. I didn't say that I'll let you go, it's just that I'll come later. But you have to promise me that you won't lie to me. When you think it's right, you have to tell me!"

okay, Yingluo. Sheng nanxuan nodded in a hoarse voice. I will definitely tell you. You've liked me for so many years, I have to make you admit it yourself."

Gong mo blushed and pushed him away. He stuttered, "Who, who likes you? Don't think too much!"

Sheng nanxuan smiled. I'm not. You'll know in the future.

"If you have the ability, then let me know now!"

"Wuwuwuwu." A certain someone turned to look at the scenery.

"Hmph!" Gong mo turned around and picked up another piece of paper.

Seeing the pattern and color of the paper, she knew that it was torn from her classmate record.

She opened it and saw that the first line had one word written in a black pen: Ink.

She glanced at the rest of the words and found that the handwriting was particularly beautiful. It was a fluent and handsome semi-cursive writing, and the words were full of elegance and grace.

She glanced at him sideways and said, "your handwriting is pretty good ~"

Sheng nanxuan smiled. you used to say that my handwriting is so beautiful. Whoever receives a love letter from me will be so happy.

Gong Mo's face turned red. She actually said that?

For a girl to say such words to a boy, wasn't she hinting for him to write her a love letter? She was actually so impure at that time!

She turned around and continued to read what he had written.

When she saw the first sentence, she almost flipped the table.

It read, "you'll be the last one to record your classmates for me. Do you not want other students to see what I've written?"

He was thinking too much! Fall!

I've looked through everyone's comments for you. Not a single guy took the opportunity to confess to you. Your youth is such a failure!

It's none of your f \* cking business! You're the one who failed! Your entire family has failed!

"However, I am very satisfied."

I? He actually referred to himself as Zhen? Did he think he was the Emperor?

Gong mo felt like he was going to explode. He kept taking deep breaths to control his temper.

“Ha, I can imagine your expression when you see these words. You’ll definitely want to tear up the student record, right?”

Yingluo, you’re right! Not only do I want to tear up my classmate list, but I also want to tear you up!

“But I’m sure you won’t be able to bear it, because I wrote it.”

Your narcissism has already evolved into cancer, and it’s in the final stage, right?

“Alright, don’t be angry. I was just joking. I know you’re a nostalgic person. Even if we become strangers in the future, we’ve been classmates for three years. You’ll definitely treasure this memory.”

Seeing this, Gong Mo’s anger disappeared.

It turned out that he understood her so well.

“I know you very well, don’t I?” He wrote.

Gong mo was infuriated again!

This narcissist! He really wanted to give him a good beating!

“Actually, I really hope to understand you better. I don’t know if I’ll have the chance to.”

“I was very surprised to meet you in high school, and my ordinary days were filled with color. They were right, I like you. I think you like me a little too, right? Isn’t it? It definitely was! Out of all the boys in the

class, you treat me the most special! I want to give you flowers, chocolate, ride a bike with you, watch the sunset, catch fireflies by the river, and do so many things!"

Chapter 377

377 The first date

"I'll be waiting for you at the school gate in the afternoon. If you're here, this message will be the witness of our first date. If you don't come, many years later, when you flip to this page, you'll smile because a boy once liked you."

...

Tears welled up in Gong Mo's eyes.

She believed that they had once been in love with each other.

He would only have the courage to write such words if both of them were in love, right?

He was such a narcissistic and conceited person. How could he allow her to smile after so many years? He was definitely asking her to go on a date!

"Did I go?" she asked.

"Yes," Sheng nanxuan nodded.

Gong mo looked at the message and saw that there was no date on it. He asked, "Which day is it?"

"On the day of the voluntary application. You gave me the note book before the college entrance examination, but I was afraid that it would affect your mood, so I didn't give it to you. on the day you filled in the form, you glared at me, thinking that I wasn't going to give it to you. Sheng nanxuan laughed. you only looked better after I got it.

"I saw it back then?"

“No, I didn’t,”

“You just stuffed it into your bag.” Sheng nanxuan recalled. although I know you’ll most likely agree, I’m still a little worried and scared. So, I invited you to drink milk tea, treated you to a meal, and sent you home. If you don’t go after reading the message, at least Yingluo, I’ve had a date with you once.”

Gong mo looked at him with tears in his eyes. It was as if he could feel his uneasiness and anticipation. He seemed to have seen himself at that time-walking side by side with him on campus, drinking milk tea and eating with him shyly.

She couldn’t remember what had happened, but she remembered that feeling.

“I’ll send you to somewhere near your house. You’re afraid that your mom will think you’re in a relationship and won’t allow boys to send you to your house. However, I’m the only one who’s ever given it to you.” Sheng nanxuan smiled. of course, it’s not that you’re not popular. Many boys in high school like you. You should remember that. But you must be feeling strange, right? Why didn’t anyone pursue you? That’s because I’ve already dealt with them.”

Gong mo looked at him, speechless.

He continued, “after I sent you home, I went back to school and waited for you there.” Can you guess how long I’ll wait?”

“When?” Gong Mo’s heart skipped a beat.

Did she not go?

“At night, around ten.”

Gong mo gasped and blurted out, “I’m sorry! I must have been very conflicted back then.”

"No, I didn't," Sheng nanxuan looked at her tenderly. you only opened the student register when it was time to sleep and immediately ran to me.

"You're still here?"

"Of course I'm here. How else would I know when you went?"

"You've been waiting there all this time? Aren't you afraid that I won't go?"

"I'm not afraid. I'm afraid that if you go and I'm not there, we'll miss each other. Fortunately, I waited. But you were really too rash back then. How could a girl go out in the middle of the night?"

"Yingluo, you still have the mood to care about this?"

"It's very dangerous, do you know that?"

"Yingluo, didn't you wait there because you wanted me to go? Why are you scolding me again?"

"I'm worried about you. What if something happens to you?"

"Were you happy then?" Gong mo glared at him.

Sheng nanxuan was silent for a moment.

Hmph ~"Gong mo snorted coldly. isn't that enough?" You're taking advantage of me, and yet you're still acting innocent, I'm talking about you!"

Sheng nanxuan nodded. I'll forget about that. Nothing happened anyway. If you do this again in the future, don't worry about me and let me wait! Anyway, I'm willing to do this, so you don't have to worry about me. You can go when it's safe."

## Chapter 378

378 I'll believe you one more time

Tears welled up in Gong Mo's eyes and he suddenly threw himself into his arms.

...

He was shocked, Gong mo?

"Thank you for being so good to me!" Gong mo sobbed. although I don't remember, I'm very envious of my past self.

Sheng nanxuan was stunned. He kissed her on the cheek."No need to be envious. The you of the past and the you of the present, the only you!"

"You should let me remember this earlier," Gong mo sniffled.

She only had later memories of him, which made her feel strange.

She was very touched to hear him say so much, but the only thing she liked about Yingying was the love she had developed after marriage.

Sheng nanxuan paused and nodded. "Alright," he said.

Gong mo wiped his tears and said,"I won't talk about it anymore, Yingluo. I don't want to talk to you anymore." You say it's boring, as if it's someone else's business. Let's reminisce together when I remember, okay?"

"Alright," he said.

.....

After this conversation, Gong mo temporarily gave up the plan to find out the truth. His relationship with Sheng nanxuan had also improved.

Seeing that he liked her so much, although she didn't remember, she didn't want to be too harsh on Yingluo.

Gong mo was very depressed about this situation.

He was the one who hypnotized her and made her forget about those things, but in the end, she had to pay for it. What kind of logic was this?

Was he bullying her for not being as smart as him?

The more Gong mo thought about it, the more depressed he became. He decided to settle the score with him after the hypnosis was lifted!

When it was time to sleep at night, Gong mo said, "let's treat candy heart to a meal some other day." We're all classmates, after all."

"Alright," he said. This time, Sheng nanxuan had no objection.

by the way, were you the one who caused candy heart to suddenly go abroad? " Gong mo asked.

Sheng nanxuan was stunned. It was indeed his doing, including a few of her close classmates such as Yanzi. He was afraid that she would contact them after graduation and hear his name from them, so he came up with various ways to make them leave Nanjiang. Then, he lost their mobile phones so that they couldn't contact Gong mo.

However, how could he be honest at this moment?

He had lied to her so many times, so it was better not to admit to such insignificant things.

He said calmly, "do you really think I'm a genius?" You can even extend your hands overseas?"

"Your IQ is 180, how is that not a genius?" Gong mo rolled his eyes. besides, the trigger for Candy's family's overseas trip was stocks. Isn't that your strong suit? "

"I had just graduated from high school at that time. How could I have this ability? I only started doing this when I arrived in the capital, okay?"

"Is that so?" Gong mo frowned. I don't know if you'll only start doing it after you arrive in the capital.

"I said I wouldn't lie to you." He looked at her.

"Alright, I'll trust you one more time!" Gong mo chuckled.

Sheng nanxuan kissed her and secretly heaved a sigh of relief.

.....

They invited Tang Xinxin to their house on the weekend.

Since Tang Xinxin knew Gong Bai and they could be considered old friends, Gong mo also called Gong Bai over to gather.

Tang Xinxin arrived first, and Sheng nanxuan went to open the door.

Tang Xinxin shouted, " wow, old classmate, you're so handsome now that you're beyond my imagination!

Sheng nanxuan was speechless. He knew Tang Xinxin's character well. She had been a big-shot since high school and had helped him and Gong mo a lot, so he was still grateful to her.

He smiled and said, "you're still as beautiful as before." Come in ~"

Chapter 379

379 I've been killed by you guys

thank you! Tang Xinxin ran into the room happily and threw herself on Gong mo. your husband is complimenting another woman now! Oh my, when we were in high school, he looked at everyone else like they were sh \* t other than you!"

...

Gong mo, "what kind of metaphor is this?"

Sheng nanxuan stood at the side with a smile and said, " "You've wrongly accused me. I see others as sh \* t, but Gong Mo's friends are barely considered grass."

Gong mo and Tang Xinxin, "hehe hehe."

"My wife is the most beautiful flower in the world, how could she have that kind of thing around her? There must be a lot of grass around the flowers ~"

"Get lost!" Tang Xinxin said indignantly. I don't want to talk to you! I can't believe that's what you think of me after being my classmate for three years!"

alright, you're Gong Mo's best friend. You can barely be considered a flower in the grass.

"Did you call me here just to show off your love in front of me?" Tang Xinxin pounced on Gong mo.

"I ... I didn't say anything," Gong mo replied.

“What else do you want to say?” isn’t it enough for him? ” Tang Xinxin exclaimed. He alone has already dealt 100000 damage to me. Are you trying to insta-kill me with your help?”

100000 damage wasn’t enough to instakill you? ” Gong mo was stunned. you have quite a lot of health.

Tang Xinxin was dumbfounded!

This couple is too much!

Aoaoaoaoao ... They were bullying her for not having a boyfriend!

She rolled her eyes and fell onto the sofa.

Gong mo was startled,“sugar heart!” What’s wrong with you?”

Tang Xinxin said weakly,“I. Was. Killed. By. You. Within. A. Second. By. You.”

Gong mo was stunned for a moment before patting her back with a smile. “What are you doing? I was so scared!”

pf-ft-” Tang Xinxin got up from the bed. alright, I’m just joking. I’m relieved to see you two so happy. You’ve been a cute couple for so many years.

Gong Mo’s face turned red. In the end, this girl was still a fan of their couple? Did he have to be so crazy?

She couldn’t help but be curious,‘you’re actually cute to the couple beside you? What if we’re not together?’”

Tang Xinxin was stunned. She hadn’t even considered this problem! Why would a cute couple think that they wouldn’t be together? Of course, it was because he firmly believed that they would succeed!

Before she could answer, Sheng nanxuan, who was beside her, said darkly, "What did you just say?"

Tang Xinxin was surprised, but she heaved a sigh of relief when she realized that he wasn't asking her. She then looked at Gong mo with sympathy.

Gong mo was also a little scared at first. What was she afraid of? She was still under hypnosis!

She glared at him and said, "why do you care what I say?" Go and change the baby's diaper!"

"Yingluo." Sheng nanxuan went to the baby's room dejectedly.

Tang Xinxin gave Gong mo a thumbs up. "Sisters! You're awesome! When are you going to teach me this husband-controlling technique?"

"You have a boyfriend?"

"There's no harm in being prepared!"

Gong mo thought for a while and said hesitantly, "actually, I don't know how I did it either."

Tang Xinxin was speechless.

"Are you trying to show off?" She complained.

"Then let's change the topic," Gong mo shook his head.

Tang Xinxin chimed in, "wuwuwuwu, you win! Critical hit!"

Gong mo wanted to cry, "what's wrong with her now?"

sigh ... Tang Xinxin sighed. single dogs don't have human rights!

"I didn't do anything good?" are you the one who's paranoid? " Gong mo asked.

"You still dare to say that?"

"Why can't I say it? This is my home!" Gong mo said matter-of-factly.

Tang Xinxin choked and covered her face with a pillow. women with husbands are so arrogant~!, this little flower, can only listen to your orders.

Gong mo chuckled and scratched her head, " nanxuan has many young geniuses by his side. Do you want me to introduce one to you? "

Chapter 380

380 It developed into a love triangle in the blink of an eye

Tang Xinxin wanted to refuse, but it wasn't her style to refuse."How can one be enough? A dozen of them must come!"

...

Gong mo didn't dare to mention it again.

When Gong Bai arrived later, Tang Xinxin immediately recognized him and ran over to him excitedly.  
"Big brother Bai!"

"Tang Qianqian and Tang Xin?" Gong Bai was stunned for a moment before he responded.

ah! Tang Xinxin tripped on the blanket and fell forward.

Gong Bai hurriedly reached out to support her.

Her face turned red and she quickly backed away. I'm sorry. Ran ran didn't stand properly.

"It's fine." Gong Bai smiled. you're Momo's classmate, right? I heard her mention you two days ago."

"Yes, my name is Tang Xinxin."

Oh, Yingluo. she was called Tang Xinxin. He thought she was Tang Xin.

Seeing her staring at him with sparkling eyes, Gong Bai felt a little uncomfortable and said to Gong mo, "You guys continue chatting, I'll go look for second aunt."

"She went out and hasn't come back yet." Gong mo said.

then I'll go find nanxuan. Is he looking after the child? "

"Yes." Gong mo nodded.

Gong Bai walked over with a smile.

Gong mo turned his head and looked at Tang Xinxin. Seeing that her eyes were following Gong Bai, an idea suddenly flashed in his mind.

Could it be that candy heart had feelings for her cousin Yingluo?

But her cousin and Yu Xinran liked each other. What should she do?

Tang Xinxin didn't look away until Gong Bai's figure disappeared from her sight. She sighed in disappointment.

Suddenly, she realized that Gong mo was looking at her. A trace of uneasiness flashed across her face, but she forced herself to remain calm and asked, "What are you looking at? Have you never seen anyone wrestle before?"

I'm fine," Gong mo stammered. I was afraid you'd hurt yourself. Are you okay? "

no! I'm still strong!

Gong mo smiled and didn't say anything.

If Gong Bai hadn't called Yu Xinran, she might have made a joke about the candy.

One of them was her good friend, and the other was her brother. They had known each other for a few years, so they were quite suitable.

However, Gong Bai and Yu Xinran had already fallen in love with each other. Although she didn't know how things were going, she definitely couldn't help Gong Bai find another partner.

They could only rely on themselves to see what would happen in the end.

.....

When Gong Bai left, Tang Xinxin also said goodbye to him. "I'm leaving too! Brother Bai, let's go together?"

Gong Bai was stunned. He couldn't refuse, so he could only agree tacitly.

In the past, when she came here, mother Zhai always asked Gong Bai to send her home in order to match her with Gong Bai. Today, he felt that something was not right, so he naturally did not say that. He only instructed, "Be careful on the road."

After the two of them left, she asked Gong mo, "Does darling like our Bai?"

"Uh, maybe."

"Why didn't you say so earlier? If I had said so earlier, I wouldn't have tried to matchmake him and Xinran! Sugar heart is your friend, what if she finds out?"

"I didn't know at first!" Gong mo said, "don't be fooled by sugar heart's usual carefreeness. She's not careless at all during critical moments. I only realized it today."

"I remember that she used to like to go to your house to look for you," mother Diana said after thinking for a while. "I think it was after she met ah Bai?"

uh, hehe. Gong mo thought for a while and realized that it was indeed true. He suddenly felt depressed. "Who would have thought of this in the first place?"

That's true. It developed into a love triangle in the blink of an eye. I'm so worried!

Gong mo didn't know what to say. In fact, Gong mo, Yu Xinran, and sugar heart were all related to them, but Gong Bai, who was the closest to them, was not his own child. What was there to worry about?

How could her mother not be worried? "What if they develop into a resentful couple and start resenting us?" she said.
