Chapter 381

381 This is a monster

“Don’t think too much! The eight words haven’t even taken shape yet!” Gong mo said.

...

“It’s true.” Her mother said, “ your cousin might not even get a single one!

” it wasn’t good to say it like that, right? It sounded like a curse.

.....

Gong mo, Sheng nanxuan, and mother Zhai took the child to the hospital for a vaccination and a full-body examination.

The child was very healthy now, so there was nothing to worry about.

Sheng nanxuan saw Gong mo, Mother Gong, and the pediatrician chatting and said, “ I’ll go find the director.”

Gong mo nodded.

Sheng nanxuan patted her head and turned to Yu Qingliu.

At this time, Yu Qingliu was discussing academic problems with professor Shen.

Both of them were very interested in Gong Mo’s situation.

Professor Shen marveled at the genius hypnotist's ability, while Yu Qingliu was thinking about how the hypnosis could be so accurate on the brain.

The two of them were chatting happily when Sheng nanxuan knocked on the door and entered.

When Yu Qingliu saw this, she was shocked.

Gong mo had just come to find them a few days ago, and now he was here to settle the score with them?

Professor Shen did not know Sheng nanxuan and was not afraid at all. He just looked at them in confusion. Seeing Yu Qingliu's unnatural expression, he asked, "Director, is he looking for you? Then I'll go back first."

"Don't!" Yu Qingliu pulled him back. they're looking for us!

"Ah?"

Sheng nanxuan smiled and walked towards him. nice to meet you. I am Gong Mo's husband.

"Ah!" Professor Shen was shocked.

looks like you're the psychologist, and you ... Sheng nanxuan turned to look at Yu Qingliu. the brain expert.

"What's wrong?" Yu Qingliu laughed dryly.

"Nothing much. I just came to thank you. although Gong mo was very angry, she expressed her understanding after I had a detailed discussion with her. Our relationship has also become much better than before. Sheng nanxuan sighed. this is all to your credit!

hehe, Yingluo. Yu Qingliu laughed bitterly. you promised me that you wouldn't do anything to the Yu family.

"What are you guys talking about?" Professor Shen asked.

Sheng nanxuan looked at him and approached him with an oppressive aura.

Professor Shen looked into his eyes, getting closer and closer until his own reflection appeared in those eyes.

Professor Shen suddenly felt that something was wrong. Just as he was about to react, Sheng nanxuan suddenly snapped his fingers by his ear. He froze in an instant.

Sheng nanxuan said in a low voice, "you haven't seen Gong mo Feifei."

Yu Qingliu was dumbfounded, "Oh my God, this is hypnosis!" He, he, he, he, he was the genius hypnotist. He even hypnotized a doctor in psychology. He was a monster!

People who understood psychology were usually very difficult to hypnotize, let alone a distinguished figure like professor Shen.

In the end, he still fell for it easily.

Sheng nanxuan suddenly looked at Yu Qingliu. Yu Qingliu reached out to stop him and stammered, "Don't mess with me!"

Sheng nanxuan smiled contemptuously as if he did not care to deal with him. He snapped his fingers in professor Shen's ear and stepped back.

Professor Shen shook his head and woke up. He looked at them in confusion.

Strange, why didn't this young man say anything after he entered?

Sheng nanxuan pulled up his clothes, took out an invitation, and handed it to Yu Qingliu. "Welcome to my son's 100-day celebration, Dean Yu."

oh, oh, oh, Yingluo. Yu Qingliu happily took it. time really flies. It's almost the 100th day. I'll definitely go and join in the fun then ~"

Knock, knock, knock!

Someone knocked on the door.

"Come in," Yu Qingliu heaved a sigh of relief.

Chapter 382

stunned

The door was pushed open and Gong mo walked in. Seeing that Yu Qingliu and professor Shen were both there, she was slightly shocked. She quickly walked to Sheng nanxuan's side. "Is your Qianqian alright?"

...

In fact, what she wanted to ask was, "did you do anything?"

"It's nothing, I'm here to give Dean Yu the invitation."

Oh! Gong mo glanced at the invitation. Dean Yu, you must come.

"Don't worry, I'll definitely go."

Gong mo greeted professor Shen with a smile.

“How may I address you?” professor Shen asked.

Gong mo was shocked. Professor Shen didn’t remember her?

She suddenly glared at Sheng nanxuan, who looked guilty.

She pinched his hand and said to Yu Qingliu, ” “Goodbye, Dean Yu!”

With that, she ran off with Sheng nanxuan.

Professor Shen shook his head and said to Yu Qingliu, ” “I think something’s wrong, Yingluo.”

Yu Qingliu thought, of course it’s wrong! You’ve been hypnotized! You’re a psychologist! He had been hypnotized! He hadn’t realized it yet! You won’t believe me even if I tell you! Then I won’t say it!

.....

Sheng Yiting’s 100-day party was held in joy garden.

Sheng nanxuan invited his usual friends and University classmates he had a good time with, such as Wu Di.

The address was written on the invitation, and those who received it-except for a few insiders of the Yu family-were all shocked!

Happy Garden? Wasn’t that the territory of the legendary night God?

In other words, Chi Chi

Sheng nanxuan was the night God?

How was that possible?

Everyone couldn't help but ask around! If he really was the night God, how could he be? He had to go! He couldn't be careless!

One spread to ten, ten spread to a hundred, and the matter was accidentally spread.

Suddenly, all the rich and famous people in the capital couldn't hold it in anymore!

If this was really the night God's 100-day celebration for his son, they had to go! If you don't have an invitation, go buy it! If you can't buy it, go and Rob it!

Wu Di could be considered as Sheng nanxuan's best friend. Everyone went to him to ask for information, and his family kept asking.

He had no choice but to call Sheng nanxuan. "I say, brother Yingluo, you're holding a 100-day banquet in Happy Garden? You didn't write it wrong?"

Sheng nanxuan raised his eyebrows. With Wu Di's reaction, he could roughly guess what the others were like.

"That's right," he said calmly.

"You hid it really well!" Wu Di cried.

ha! Sheng nanxuan chuckled. come earlier when you arrive. Oh, I have a stable there, but there aren't enough horses. I'll ask Fang Yang to borrow a few from the equestrian Club. We can have a good time.

Wu Di broke down. You are indeed the God of Fortune! Compared to you, we big and small rich families are all trash!”

“Why don’t you bring your ding dang along?”

I can’t get her on a date ~”Wu Di was depressed.

“She should like to ride a horse, right? I’ll have someone send you an invitation later, and you can pass it to Deputy Mayor ding for me.”

“Alright!” Wu Di was overjoyed.

Even Deputy Mayor ding would want to get close to the night God. Originally, he and Sheng nanxuan knew each other as an elder and a junior. Now that Sheng nanxuan had suddenly become the night God, he would definitely be embarrassed to take the initiative to ask for an invitation.

If Sheng nanxuan sent his men to deliver the invitation, he would inevitably not treat him as an elder. Of course, Sheng nanxuan did not care about this. He really did not treat her as an elder.

However, if he asked Wu Di for help, Deputy Mayor ding would at least have a good impression of Wu Di. If Wu Di wanted to pursue ding dang, Deputy Mayor ding would definitely help him.

Sheng nanxuan truly treated Wu Di as a friend. Moreover, Qianqian might be related to the Wu family by blood, so she was naturally willing to help him.

Chapter 383

383 No one dares to mess with me

“Thank you, brother!” Wu Di said gratefully, “er, can ran ran still be your brother?”

...

“Haven’t we always been brothers?” Sheng nanxuan asked in amusement.

“Right!” Wu Di heaved a sigh of relief.

Although Sheng nanxuan’s status was high, he still hoped that the two of them could be the same as before. With Sheng nanxuan’s words, he was relieved.

.....

Soon, Fang Yang asked Sheng nanxuan, “many people are asking about the invitation. Should we send more?”

Sheng nanxuan thought about it. Since everyone knew about it, he might as well take the opportunity to give everyone some face and make his identity completely public.

Hence, many more invitations were sent out.

Almost every business and wealthy family would receive one. Those who were friends with Sheng nanxuan, such as the Yu family and the Wu family, would receive more.

Apart from Gong Bai and Tang Xinxin, there were no other close friends of Gong mo. Given the relationship between Gong mo and them, Sheng nanxuan did not send an invitation. Instead, he asked someone to pick them up.

As for the others, they were not allowed to enter without an invitation.

Gong mo and the others arrived two days in advance. Mother Zi was amazed by the size of Happy Garden!

Previously, when Gong mo said that Sheng nanxuan’s Villa was bigger than anyone else’s, she had thought that he was joking and exaggerating!

Looking at it now, it wasn’t even big enough to say a hundred! This was a little too big!

No wonder it was called “Huan Yuan”! It was indeed a Manor!

The night before the 100-day celebration, during dinner, mother Yan asked Sheng nanxuan worriedly, “The guests coming tomorrow are all very distinguished, right? How should I greet Momo? We’re from small families and have no experience.”

“Mom, don’t worry.” Sheng nanxuan said, “ I’ve arranged for someone to help you.

He Yue, who had been assigned to Gong mo, had only worked for a few days before taking a break. She would officially start work tomorrow!

“And you guys don’t have to worry about anything.” Sheng nanxuan smiled. you must remember that everyone has to give me face when they come. To exaggerate a little, among the people who will come tomorrow, no one will dare to provoke me! Everyone is trying to please you, so we definitely won’t make things difficult for you. With the assistant helping you, you can rest assured that nothing will go wrong.”

Her mother smiled in embarrassment, but she was still very worried.

She had originally wanted Gong mo to marry a simple man and live a peaceful life. Sheng nanxuan had suddenly become so powerful that they were not compatible. If Gong mo couldn’t keep up with him, he would definitely suffer.

Sheng nanxuan seemed to understand his concern and said, “ “In the past, I was afraid that you wouldn’t be able to accept it, so I didn’t tell you my identity. But now that Yingluo knows, I’ll arrange a few more assistants for you in the future. Just ask them if you don’t know anything. They’ve been paid, so they’ll definitely work hard.”

Mother Gong glanced at Gong mo and saw that his expression was calm. It was as if she had already known about this. She smiled and said, “ “This is good! If there’s anything you don’t understand, we’ll learn from you. We definitely won’t embarrass you.”

“Don’t worry, no one would dare to make you lose face!”

The next morning, Gong mo and his mother woke up early. Everything was prepared by the servants, so they didn't have to worry about anything. All they had to do was wait for the guests to come.

Fang Yang, Zeng Shuai, and a few others were the first to arrive. They all carried gifts and respectfully greeted mother Zhai, calling her "old lady," which startled her.

Mother Yan knew that they were Sheng nanxuan's men. She was calm and nodded with a smile.

Chapter 384

mysterious trust

Sheng nanxuan stood up. let's go outside. The guests should be here soon.

...

"Yes." They followed Sheng nanxuan out.

The garden here was large, and it was a good place to entertain guests.

Seeing that there was a girl outside who seemed to have come with them, mother Yan couldn't help but wonder,"Who is that? Should I invite her in?"

Gong mo took a look and saw that it was Lin Jing. It had been a long time since they last met.

Back then, Lin Jing had threatened to snatch Sheng nanxuan from her, but nothing had happened after that. Thinking of Sheng nanxuan's usual behavior, Gong mo guessed that he had been taught a lesson by Sheng nanxuan.

Lin Jing's brother was Sheng nanxuan's right-hand man, so Gong mo wasn't worried that Sheng nanxuan would do anything illegal to her. He probably just wanted to intimidate her a little.

“She’s Lin Lei’s sister. If she doesn’t want to come in, then forget it. Anyway, she’s close to Fang Yang and the others, so it’s easier to talk to her.”

Her mother was stunned and nodded, “that works too, ran ran.”

Then, she whispered, you have to be careful with nanxuan like this ~”

“Be careful of what?” Gong mo didn’t understand.

Her mother rolled her eyes and looked at Lin Jing outside. “Look at the girl beside him, she’s so beautiful! He was so rich, even if he didn’t go out and mess around, others would still send gifts to him in order to curry favor! Aren’t you worried?”

uh ... Gong mo didn’t know how to explain. She trusted Sheng nanxuan more on this point.

“You’ve been in labor for more than three months. Do you have any Hanhan with him? do you have Hanhan?”

“Mom, what are you talking about?” Gong mo blushed.

“I’m just worried about you. You have to handle this well, otherwise he’ll mess around.”

“Oh, I don’t think he will.”

“It’s a good thing that I believe you.” Her mother nodded in appreciation.

Gong mo bit his lip. She didn’t even know why she trusted Sheng nanxuan.

What an enigmatic trust!

It was probably because he was too powerful.

He was so arrogant, and his strength was overwhelming. If he wanted to do something, he could just do it directly. There was no need to lie to him.

Therefore, it was useless to worry about those things. It was better to trust him directly.

“Someone’s here again.” Said her mother.

Gong mo raised his head and saw a car stopping in the garden. Gong Bai and Tang Xinxin got out of the car.

The two of them immediately stood up and walked out.

Tang Xinxin looked around in surprise. When she saw Gong mo and mother Zhai, she quickly ran over.
“Auntie! Momo!”

Gong Bai walked over calmly with the gifts in his hands. Sheng nanxuan also walked over from the side. The others naturally came over to greet him, and even Lin Jing followed behind Lin Lei in silence.

After saying their goodbyes, Gong Bai stayed in the garden with Sheng nanxuan and the others to greet the guests.

Tang Xinxin, Gong Bai, and mother Zhai entered the house together and went upstairs to see their child.

After staying in the nursery for a while, Tang Xinxin said to Gong mo, “Let’s go down first. We still have to greet the guests. Leave this to Auntie.”

Mother Ling was afraid that they wouldn’t be able to handle it, so she said, “I’ll go with you.”

Gong mo could tell that Tang Xinxin had something to say to him, so he said to her, "I'm fine. Mom, you stay here first. If someone comes to see the child, it's better for you to guard him."

"Right!" Her mother hurriedly agreed.

There were so many people coming and going today, how could Hu Zi not have a family to guard him? What if someone rashly touched it? He didn't feel at ease leaving it to the nanny.

"When Hu wakes up, you can carry him down." Gong mo said.

"You think I don't know?" mother Luo waved her hand. Why don't you go greet the guests first?"

Gong mo nodded and went downstairs with Tang Xinxin.

There were a few more guests in the garden. Seeing that they were all men, Gong mo didn't go out to greet them. Instead, he said to He Yue, "Go outside and keep watch. If there's anything, inform me."

Chapter 385

385 So it's not to comfort

He Yue agreed and left.

...

Tang Xinxin looked outside and asked Gong mo, "How did Sheng nanxuan suddenly become the night God? I was so scared!"

"What's the night God?" Gong mo didn't understand.

"You don't know?" Tang Xinxin was surprised.

Of course, Gong mo didn't know. The night God was a legend among the rich and powerful, especially in Beijing!

To put it bluntly, there was no chance for them to know about it in Nanjiang! Therefore, although she had been dating Sheng Dongyi, she knew very little about the affairs of the rich and powerful. She had never heard of the word 'night God'.

After coming to the capital, no one had told her about it. She only knew that Sheng nanxuan was powerful, but she did not know his exact identity!

Tang Xinxin explained to her, " I don't know the details. He sounds like a big Shot who hides his name. He's very powerful and has a lot of power. No one dares to mess with him!

Gong mo recalled what Sheng nanxuan had said last night. No one dares to mess with me Yingluo.

So he wasn't comforting her or being arrogant? Was this the truth?

there are many big shots in the capital, but when they heard that the night God had sent an invitation, they were so excited that they took pride in receiving the invitation!

"Where did you hear that from?" Gong mo still didn't believe him.

; It's all over the internet;; Tang Xinxin said helplessly."I only heard it from my company's artistes.; They had the opportunity to come into contact with those big shots and accidentally heard it. You stay at home every day, so of course you don't know! When I heard the word 'Happy Garden', I didn't pay much attention to it. It's just that the date is the same as Hu Zi's 100-day banquet, so I took note of it. When I came in, I saw the two words 'Happy Garden' carved on the stone, and I knew it was him!"

"He's that powerful?"

"He's your husband. Don't you know how powerful he is?"

“I know, but I don’t have a concept.”

Tang Xinxin rolled her eyes. you’re so lucky! You don’t have to worry about anything!

Gong mo couldn’t help but laugh.

“I was going to ask you for some inside information, but you don’t know anything. How boring!” Tang Xinxin turned her head to look outside. There were many more guests.

She looked for Gong Bai in the crowd subconsciously, but she couldn’t find him. She couldn’t help but look around.

“What are you looking at?” Gong mo asked.

“It’s nice here!” Tang Xinxin looked away. when we came in, the car drove for a long time. I heard that the area around here belongs to Sheng nanxuan?”

“Oh, it seems so.” Gong mo looked at her with a smile. come here often in the future ~”

sure! I’ll come if you invite me!

“Madam.” He Yue walked in. miss Yu, you’re here.

“Oh.” let’s go out together. Gong mo stood up and said to Tang Xinxin.

“Is she the daughter of the richest family in the country, the Yu family?”

“Yes.” Thinking of Gong Bai, Gong mo felt a little embarrassed. I went to the hospital where I gave birth to the child. Her uncle is the director of the hospital.

Tang Xinxin nodded.

The two of them walked outside and happened to see Yu Xinran walking over with a smile.

Gong mo greeted her and introduced Tang Xinxin to her. Tang Xinxin is my high school classmate. You can call her sugar heart.

Yu Xinran reached out her hand to Tang Xinxin with a smile. Hello, candy heart. My name is Yu Xinran. You can call me Xinran.

“Hello,” he said. Tang Xinxin shook her hand with a smile.

As more and more guests arrived, Gong mo didn't enter the house again.

He looked over at Sheng nanxuan and saw that Yu xinzhuo and Yu Qingliu were both there.

She decided to go over and greet the guests with him. After taking two steps, she saw Fang Yang whispering something in his ear.

His expression suddenly became very serious as he turned around and left the crowd.

Chapter 386

386 What's happening outside?

Gong mo was stunned. He saw Gu Yusheng walk a few steps away and a car drove over and stopped in front of him.

...

The guest's car didn't even enter the garden. This was the family's car.

Sheng nanxuan and Fang Yang got into the car and drove away.

Gong Mo's heart was filled with doubts.

The others were also very confused, but they didn't dare to ask. After all, it was night God's business, who dared to inquire blindly?

Lin Lei, Zeng Shuai, and the others were still present. No one dared to mess around when Sheng nanxuan was not around, so the atmosphere was as calm as before.

Gong mo was greeting the female guests. He Yue whispered a reminder to her as she didn't know many of them.

"Ding dang is here." Yu Xinran laughed.

Gong mo raised his head and couldn't help but smile. She knew this person.

Gong mo, sister Xinran ~"ding dang greeted them with a smile.

She and Yu Xinran had known each other for many years. The two families had social interactions and would occasionally meet at other people's banquets.

Gong mo introduced her to Tang Xinxin and asked,""You just came here. Did you see what happened outside?"

Based on her understanding of Sheng nanxuan, no matter what happened, he would not leave at the child's 100-day celebration.

Unless, this happened at his doorstep.

Sheng nanxuan would definitely be furious at this kind of provocation. Even if it was a small fry, he might personally go and vent his anger!

However, Fang Yang would not have informed him if it was a small fry.

So, it was something very important?

Seeing that there were no outsiders around, ding dang said in a low voice, " there are two people causing trouble at the entrance. I don't know who they are, but they were stopped. They definitely don't have an invitation.

Gong mo furrowed his brows. Sheng nanxuan did not have to deal with this matter personally, did he?

"Do you know those two people?" she asked.

Ding dang hesitated for a moment, then whispered in her ear, " I think they are Sheng Dongyi's parents.

Ding dang did not know Sheng Zhongtian and Liu Xuelan at first, but after avoiding su Mo's case, she always sneaked into the office of the criminal Police team. She happened to see them once, so she had some impression of them.

She had also heard that Sheng nanxuan was at odds with his family, so she didn't mention that they were Sheng nanxuan's parents. She only said that they were Sheng Dongyi's parents.

Hearing this, Gong Mo's face turned serious.

She looked outside and really wanted to go and take a look, but the male host had already left. As the female host, she had to stay and entertain the guests, right?

However, Yingluo

She was really worried about him.

She could tell that he did not have any feelings for Sheng Zhongtian and Liu Xuelan. Sheng Zhongtian and Liu Xuelan had probably come to see him not to see their grandson, but for Sheng Dongyi.

What if both sides met and quarreled?

If something unpleasant happened, he would probably not be willing to tell him.

There were some things that she wanted to share with him and did not want him to bear it alone.

Gong mo said to Tang Xinxin, "I'm going out to take a look. Help me call mom down and help me greet the guests with her. Xinran, ding dang, I'll leave it to you guys."

Yu Xinran said, "you don't have to go, right?" Nanxuan will be fine."

That was the night God, what could be difficult for him?

but, " Gong mo said helplessly, " you don't understand.

Ding dang guessed that it was because the people who came were Sheng Zhongtian and his wife, so she insisted on going over. She said, "Alright, you can go. Leave this to us!"

Gong mo thanked him gratefully, so he Yue could only arrange for a car to pick her up.

After getting into the car, she said to he Yue, " I'm just going to take a look at the entrance. I'll come back if Sir is not here. You take care of things here.

"Yes, Madam,"

Chapter 387

387 Greater fear of Sheng nanxuan

The crowd was even more confused when they saw Gong mo leave.

...

She had thought that something bad had happened, and that was why Sheng nanxuan had to deal with it personally.

At this moment, even Gong mo had left. Could it be that some Big Shot had come and needed the night God couple to personally welcome him?

This Big Shot is a little too big ...

Eh?

Someone had a flash of inspiration, could it be the president?

This Kasaya made sense.

However, if Sheng nanxuan and the president were friends, that would be too scary! Could it be? If the president succeeded in the election, he would still have a hand?

With night God's ability, it was not impossible, but very possible!

If he continued to develop his abilities, he would really have the final say in who became the president!

When everyone thought of this, their fear of Sheng nanxuan grew.

However, as more and more guests arrived, and everyone heard that the Sheng Zhongtian couple was outside, they finally understood what was going on.

However, her fear of Sheng nanxuan did not disappear.

Because their previous guess was very likely!

.....

Tang Xinxin went upstairs to call her mother. Momo and nanxuan have something to do and have to leave at the last minute. Only brother Bai can entertain the guests downstairs.

Hearing this, her mother hurriedly called for someone to look after the child and followed her downstairs. "What's the matter, why aren't you greeting the guests?"

I'm not sure either, but there's no problem down there. There are brother Bai and nanxuan's friends.

"There has to be a proper host."

that's why I'm here to invite you, "Tang Xinxin said with a smile.

In the garden, Yu Xinran walked up to Gong Bai with a glass of champagne in her hand.

He was talking to someone. After those people left, she leaned over from behind him and clinked the champagne with his hand.

With a "ding," Gong Bai was startled. When he saw her, he revealed a smile. "When did you arrive?"

"It's been a while. Didn't you see me?" Yu Xinran's smile was like a flower.

"Yes, I did, Zhenzhen." Gong Bai was a little embarrassed.

"Then why are you still asking?"

ahem, ahem, ahem. Gong Bai glanced at her uneasily and said, " you're so beautiful today.

"Heaven isn't pretty?" Yu Xinran teased him on purpose.

He was embarrassed and said helplessly, "beautiful!" Please spare me, I know I'm not good with words."

I like it when you're dumb ~"Yu Xinran mumbled in a low voice and looked to the side.

Gong Bai didn't hear her clearly, so he asked in confusion, ""What did you just say?"

Yu Xinran shook her head and smiled as she toasted him.

Tang Xinxin and her mother came out of the house and saw the scene. The smile on their faces froze.

A leaf fell on Yu Xinran's head, and Gong Bai reached out to brush it off for her. She smiled shyly and pulled his sleeve gently, pointing to the guest next to her.

Gong Bai immediately went over to greet her and asked her to come with him.

Tang Xinxin bit her lip, then walked to the table and took a sip of champagne.

It turned out that not everyone would just stand there and wait for someone to knock on their door.

She should have seized the opportunity back then, instead of watching Yingluo helplessly as he got together with someone else.

.....

The gate of pleasure garden was built like a Castle, with high stone walls on both sides and an iron fence in the middle. Outside the fence, there was a hundred-meter-long path of pine and Cypress.

Outside cypress pine Road, there was a winding road. The guest's car turned in from the road, passed through the lush pine and Cypress Road, and stopped at the entrance of Happy Garden for the security guard and the greeters to check the invitation.

At this moment, Sheng Zhongtian and Liu Xuelan were standing at the door, their faces filled with anger.

They had come as Sheng nanxuan's parents, but the security guard acted as if he did not understand them and insisted that they hand out the invitation!

Chapter 388

388 No matter how powerful he was, he was still their son

Of course they didn't!

...

They had been looking for Sheng nanxuan for the past two months. They believed that Sheng nanxuan must have been behind Sheng Dongyi's arrest!

Otherwise, where did the evidence and The Witness Song zijie come from?

It must have been Sheng nanxuan's arrangement!

They wanted to find Sheng nanxuan and clear Sheng Dongyi's name, but they could not find him!

Until a few days ago, they heard the whole of Beijing's upper class discussing: The night God wanted to hold a 100-day celebration for his son! The night God was Sheng nanxuan, the one who had been expelled from the Sheng family!

The two of them were extremely shocked!

They had been in Beijing for some time and naturally knew who the night God was!

They had been afraid of that legendary figure, but when they heard that he was Sheng nanxuan, they were not afraid anymore.

No matter how powerful he was, he was still their son, and an unfilial one at that. What did they have to be afraid of?

Although they didn't get an invitation, they had found out the location of Happy Garden, so they deliberately came to find him today.

Unfortunately, they couldn't get in at all, so they wanted to block the car at the entrance so that other guests couldn't get in!

As a result, more than ten big Men in Black rushed out from all directions, surrounded their car, and lifted it to the side!

The two of them were dumbfounded!

The surrounding people were also dumbfounded!

The two of them had no choice but to get out of the car. They wanted to make a scene at the entrance and make a fool of Sheng nanxuan!

In the end, those men rushed over again, lifted them to the side, and then surrounded them so that they couldn't go anywhere.

Now, everyone was watching them make a fool of themselves!

Almost every time a car passed by, the people in the car would look at them curiously, making them feel extremely embarrassed!

However, every time this happened, Liu Xuelan would shout in exasperation, " "Where's Sheng nanxuan? Call him out! I'm his mother, does he not even want his mother anymore?"

The people surrounding them remained unmoved.

Sheng Zhongtian was furious, " what are you doing?! This is illegal!"

"The person who just went in is the best lawyer in the capital. Why don't we ask him to tell us if it's illegal for you to break into private property or for us to defend ourselves?" One of the bodyguards surrounding them said.

Sheng Zhongtian and Liu Xuelan both vomited blood.

Self-defense? Was there any self-defense like them?

More than a dozen tall and muscular men surrounded the elderly men!

However, the two of them naturally didn't dare to really go to the lawyer and the police.

Today, all the famous people in Beijing had come to curry favor with Sheng nanxuan. Who would stand on their side?

At this moment, Liu Xuelan was suddenly worried.

With Sheng nanxuan acting like this, did he really not care about them at all? They were his parents, at least to him. How could he not be filial at all?

Suddenly, the people surrounding them dispersed, and the car that was driving towards the gate stopped in the middle.

Sheng Zhongtian and Liu Xuelan looked over in confusion and found that the cause of all this was a flashing Rolls-Royce driving out of Happy Garden.

The car slowly stopped in front of the two, and they immediately became nervous. They could almost guess who was in the car.

Fang Yang got down from the front passenger seat, walked to the back seat-and opened the door-

A pair of shiny leather shoes landed on the ground. The owner of the shoes was Sheng nanxuan, who was dressed in a suit and leather shoes and wearing a branded watch.

As soon as Sheng Zhongtian saw him, he immediately raised his fist and rushed over, " "You unfilial son ..."

"What are you doing?" Fang Yang quickly stood in front of Sheng nanxuan and grabbed Sheng Zhongtian's hand.

Chapter 389

389 What's your purpose?

Sheng nanxuan's eyebrows did not even twitch. He only glanced at Sheng Zhongtian and Liu Xuelan indifferently."What are you two doing here? If I remember correctly, you've already disowned me in the newspaper, so the child is naturally not your grandson. There's no need to come and celebrate."

...

Liu Xuelan was stunned and cursed in her heart, who would miss your child?

She saw that Fang Yang was still holding on to Sheng Zhongtian and shouted, " "Why aren't you letting go! Don't you know who you are? how dare you touch us?"

Fang Yang was stunned. They were Sheng nanxuan's parents after all. Even Sheng nanxuan should respect them, not to mention himself.

He had no choice but to let go of Sheng Zhongtian and stand beside Sheng nanxuan.

“Are you alright?” Liu Xuelan quickly went to support Sheng Zhongtian. Then, she took the opportunity to secretly pinch him.

Before they came, they had already agreed to play a double act in front of Sheng nanxuan. He would continue to play the role of a strict father while he would continue to play the role of a loving mother.

Sheng Zhongtian got the hint and immediately asked Sheng nanxuan angrily, “I’m asking you! Are you the one who harmed your big brother?”

“Who’s trying to harm who?” Sheng nanxuan frowned and looked at him resentfully. you are my father. Why do you only have him in your heart and not me? Whatever he does is right, and whatever I do is wrong!”

“If you didn’t do anything wrong, would I have said anything? Why don’t I have you in my heart? If I don’t care about you, I won’t be angry no matter what you do!”

Sheng nanxuan sneered. so, you’re saying that you’re feeling guilty because you love her? ”

what kind of attitude is this?!

“Alright, stop quarreling the moment you see each other!” Liu Xuelan interrupted them and looked at Sheng nanxuan with heartache. nanxuan, are you alright? Mom ...”

“Alright, I’m done!” Sheng nanxuan said impatiently, “ don’t put on an act in front of me. You’ve been playing the good cop and the bad cop for so many years, isn’t that enough?”

Liu Xuelan’s face stiffened, and she said with heartache, “You’re blaming me?”

Sheng nanxuan glanced at his watch. I don’t have that much time for you. There are still a lot of guests waiting for me. Tell me, what’s your purpose in coming here?”

The two of them were stunned. Liu Xuelan tilted her head and looked at Sheng Zhongtian. Sheng Zhongtian swallowed his saliva and said uneasily, "I can't believe you're so capable that you've become the night God Qianqian."

Sheng nanxuan looked at him coldly.

He felt an inexplicable chill run down his back, and he said his purpose in one breath, "Since everyone is giving you face, you should tell the relevant Department to let your brother go! Are you really going to send your brother to jail?"

"You're wrong. If he didn't commit any crime, he naturally wouldn't have to go to jail. And I don't have the ability to obstruct official duties! Only the president can let him go after informing the relevant Department, not me!"

"You ..."

Nanxuan. Liu Xuelan shouted, "do you hate your brother that much? Mom is begging you, okay?"

"What right do you have to beg me?" Sheng nanxuan sneered and suddenly gave Fang Yang a look.

Fang Yang was stunned for a moment before he understood. He asked the bodyguards around him to leave, then got into the car and asked the driver to drive away.

Only Sheng nanxuan and Sheng Zhongtian were left.

Sheng nanxuan approached them and was about to speak when he suddenly saw a car drive out of Happy Garden. It was his family's car.

He raised his eyebrows and looked at the car. It stopped at the door, and Gong mo got out of the car and ran towards him.

“Don’t come over!” He shouted.

Gong mo widened his eyes and looked at him worriedly, thinking that he was in danger.

He smiled and pointed at her. over there. Wait for me. I’ll be there soon.

...

Gong mo hesitated for a moment and stopped reluctantly. He looked at him worriedly.

Sheng nanxuan turned around and said to Liu Xuelan, “ you’re not my biological mother at all. You hate me to the core, so don’t make it difficult for yourself to act.

“You ...” Liu Xuelan was shocked. She looked at him in disbelief and blurted out, “ “How did you know?”

Although she hated Sheng nanxuan, and even deliberately worked overtime and did not come home when he was young, she did not want to face him. But every time she faced him, she still put in enough patience and did not treat him shabbily in terms of material goods. How did he know that she was not his biological mother?

“What age do you think a person’s memory can stop at?”

Liu Xuelan’s heart skipped a beat. She suddenly had a bad feeling. She felt as if the blood in her body had frozen, and she was starting to feel cold.

Sheng Zhongtian had not reacted yet. He looked at him in confusion, not understanding why he asked such a question.

Sheng nanxuan said in a low voice, “the average person’s earliest memory is about five or six years old.” However, if your brain is stimulated for some reason, you may not remember.”

Liu Xuelan secretly heaved a sigh of relief-how could he possibly remember Yingluo?

did you think that when I was five years old and you brought me home, you could hypnotize me and make me forget about what happened? ” Sheng nanxuan asked.

Liu Xuelan gasped, and even Sheng Zhongtian was shocked. He asked in horror, ” “How did you know?”

“For normal people, using this method to stimulate the brain can indeed cause amnesia.” Sheng nanxuan looked at Liu Xuelan. but Dr. Liu, as an expert in human surgery, do you think that if a baby were to undergo all kinds of experiments from birth, or even before he was born, his brain would be developed too early and he would remember what happened earlier? For example, one year old, or even a few months old?”

you ... Liu Xuelan shrieked and hid in Sheng Zhongtian’s arms in horror. She pointed at him with a trembling finger. you, Yueyue, do you remember? ”

“If you don’t want me to expose your crimes, then get lost!” Sheng nanxuan shouted in a low voice.

Liu Xuelan trembled and turned around to pull Sheng Zhongtian, ” “Let’s go!”

Sheng Zhongtian was also trembling in fear, and the two of them rolled and crawled into the car.

When the car drove away, the two of them looked at Sheng nanxuan outside the window.

Sheng nanxuan waved at Gong mo gently. Gong mo ran to his side and asked worriedly, ” “Are you alright?”

Sheng nanxuan shook his head and reached out to caress her face. He was overjoyed.

I didn’t expect her to come out for me. She must be very worried, right?

Liu Xuelan closed her eyes and leaned back in her seat when she saw how loving they were.

Shengzhongtian was at a loss, 'how could he remember? He was so young back then!"

Liu Xuelan ignored him.

"Wait!" He suddenly shouted.

The driver stopped the car when he heard that.

"You see." He tugged at Liu Xuelan.

Liu Xuelan opened her eyes impatiently.

Because Sheng nanxuan's car was parked in the middle of the road, the guests who came later did not enter. All of them parked their cars on the road.

At this moment, everyone saw that night God was outside and naturally got out of the car to greet him.

Sheng Zhongtian pointed at one of the Westerners and said, " "Don't you think Yingluo looks a little familiar?"

Liu Xuelan's eyes were wide open as she stared at the other party.

Gambino felt her gaze and turned around, his eyes narrowing.
