

Ditsy Wife 401

Chapter 401

401 He would definitely tell the others

“Do you want me to be bad?” Sheng Dongyi looked at them coldly. I’m fine. Are you disappointed? ”

...

“What are you saying?” Liu Xuelan asked in shock.

“Words of doubt.” He looked at her and smiled. of course I believe mom, but some people are afraid.

He looked at Sheng Zhongtian, his eyes filled with coldness, ” “I only have that illegitimate son in my heart!”

“Alright, I’m done!” Sheng Zhongtian stood up. I know you’re feeling terrible, but in this world, you’re not the only one who’s facing adversity!

Liu Xuelan took a deep breath and said to Sheng Dongyi, ” “Dongyi, sit down. I have something to tell you.”

Sheng Dongyi walked to the sofa and sat down. He crossed his legs and looked like a cold statue.

“I’m afraid there’s no place for us in the capital.” Liu Xuelan said, ” nanxuan Yunyun is the night God.

“What?” Sheng Dongyi frowned. he’s the night God? ”

yes, Zhenzhen. Liu Xuelan nodded. in the capital, the rich and even the powerful all follow his lead! Everyone knows that he’s not on good terms with us, and we can’t do anything in the capital.”

Sheng Dongyi clenched his fists and said indignantly, ” Are we going back to Nanjiang?!

"I'm afraid we can't stay in Nanjiang anymore, even if it's Xuanji." Liu Xuelan said.

"What?" Sheng Dongyi asked in disbelief, "his hand is that long?!"

"This Yingluo has nothing to do with him." Liu Xuelan sighed. She paused and said, "it's not that it has nothing to do with him, but it's not because he's the night God."

"What's going on?" Sheng Dongyi asked.

Sheng Zhongtian suddenly sighed and said, "It's time to let you know some things, Yingluo."

Sheng Dongyi looked at him in confusion.

you should know," said Liu Xuelan. the reason why glory world pharmaceuticals is so influential in the medical world, and why the Sheng family is where they are today, is because they've developed several kinds of medicine with remarkable effects.

Sheng Dongyi nodded.

Liu Xuelan laughed bitterly. drug research is a long-term process. It's impossible to get any results without ten to twenty years. However, our family only used a few years to make sure that outsiders didn't know about it. They thought that we had been studying it for a long time. In fact, it didn't take long. Other people use animals for research, but we use humans."

Sheng Dongyi took a deep breath and looked at her in horror. He felt cold all over.

Even though he hated Sheng nanxuan to the core and his heart had become sinister and vicious, he was still frightened by this.

Using the human body for drug research? Was it what he was thinking?

The effects of the medicine depended on its use, and it had to be used on a living person. Was Yingying a living person? Where could he find living people who were willing to be his test subjects?

Nanxuan knows about this. Liu Xuelan looked at him. he'll definitely spread it out. By then, the entire Sheng family will be finished! We're all finished! So, rather than saying that we're retreating, it's better to say that we're running for our lives!"

"Escape? How do we escape?"

"Leave Nanjiang, and even leave China." Liu Xuelan said, " actually, how can the Sheng family afford to do research like this? Even if he had the money, he wouldn't have the technical support. Someone invested in our lab and provided us with everything. We just need to do research on people according to the requirements and hand in the data we get. "As for the potions synthesized during the research process, they will be the prizes we receive. However, this kind of research is prohibited by the United Nations. Once it is exposed, the higher-ups will definitely not help us in order to protect themselves! However, we can contact them and ask for their help if we're in trouble. After all, Yingluo "

Chapter 402

402 An email from Sheng Dongyi

Two test subjects had escaped. Those people must want to know the current situation of these two test subjects, right?

...

"Then, let's go back to Nanjiang first, and then move?" Sheng Dongyi asked.

The Sheng family's assets were all in Nanjiang, and they had to be dealt with.

Sheng Zhongtian and Liu Xuelan nodded, then continued to talk about many things from the past, including Sheng nanxuan's background.

After that, the three of them discussed their future plans.

Sheng Dongyi was still unwilling to give up. are we just going to let him go like this? ”

Liu Xuelan thought for a while and suddenly laughed, ” “I can’t touch him, but can’t I touch others?”

.....

Ding! The phone beeped.

Gong mo picked up his phone. The QQ notification showed that she had received an email from Sheng Dongyi.

She could not help but frown.

After she got together with Sheng nanxuan, she had blocked Sheng Dongyi’s contact information. However, this did not stop him from sending her an email.

Moreover, this was the only way he could contact her.

Gong mo didn’t want to talk to him, but he wanted to know what he had to say.

She could just watch and then ignore him~

That was what she thought, but after reading the email, she regretted it.

Sheng Dongyi said in the email-

“Long time no see, how about catching up? If I don’t see you within two hours, I’ll release these photos to the public.”

An address was written below.

A photo appeared at the bottom.

Gong Mo's expression changed drastically.

In the photo, it was actually her ***!

Behind it, there were even nude photos of her with different men!

Of course, Gong mo had never taken these photos!

That's not right.

Gong mo was shocked! Could it be that she had forgotten something like this?

She shook her head violently. It was impossible. The first time she was with Sheng nanxuan, she was in so much pain. She could not have any experience.

Holding her phone, she quickly walked into the study and turned on the computer. She then uploaded the photo to the computer and began to use the software to verify the authenticity of the photo.

She studied journalism, and identifying photos was a basic skill. Unless it was a very advanced counterfeit, a professional hacker would be needed to verify it.

Gong mo quickly identified that more than half of the photos were fake, but two of them were very real.

Sheng Dongyi was telling her that the photos were fake! But I can pass off the fake as the real one, so don't take it lightly!

Gong mo gritted his teeth and opened his email. He looked at Sheng nanxuan's letter and replied after some thought, " Do you think you can threaten me with such a fake photo?"

Sheng Dongyi replied quickly. What he wanted was her response.

She was not stupid! He had dated her before and understood this. It would be too naive to expect her to go to see him in a panic like this.

However, that was all she could do.

She couldn't help but reply to him, and then Yingying would be hooked by him.

He replied,"even if it's fake, everyone will still be very interested." You're a news student, don't you know? If these photos were made public, everyone would see that night God had been cuckolded. What would they say about him? So what if it was proven to be fake in the end? Many people had seen the photo. They didn't care if it was real or fake, as long as the face was good. Those men would take the photos and commit suicide in the dark, imagining how it would feel to sleep with the wife of the night God. How would this affect Sheng nanxuan? Do you think Sheng nanxuan will believe you or hate you?

Gong Mo closed his laptop in anger after reading his words.

After a while, her phone rang again.

She picked it up and saw that it was another message from Sheng Dongyi.

Chapter 403

403 It'll be easier for him to find her as soon as possible

She didn't want to see it anymore!

...

But when she thought of his words, she was very worried. What if he really released the photos to the public?

Even if it was fake, even if Sheng nanxuan could deal with it in time, someone would see it. He couldn't possibly kill those people, right?

As long as someone saw it, they would laugh at him, regardless of whether it was true or false. Those people would say that there's no smoke without fire, and then they would make all sorts of remarks behind his back.

Gong mo held back his anger and hatred and opened the email.

Sheng Dongyi: " you have an hour and a half. I won't wait for you if you're late. Please don't tell Sheng nanxuan. The mouse is in my hand, and I've already edited the content. I just need to click Send and these photos will appear on the internet. If you dare to tell him, you'll have to bear the consequences of the photos flying all over the place.

Gong mo gritted his teeth. She didn't believe that he could do anything to her!

Even if he dared, nanxuan would definitely save her!

She had to retrieve the photo first. Otherwise, if such a thing really appeared on the internet, it would definitely have a huge impact on Nan Xuan!

Gong mo turned off his computer and left the house with his coat and bag.

Dan Rong and the nanny had just returned from buying groceries and asked in confusion, " "You're going out?"

"Yes." Gong mo lowered his head and changed his shoes. I'll be back in a while.

"It's raining outside. Take an umbrella."

"Alright," he said. Gong mo turned around and took an umbrella.

After she got into the taxi, she took out her phone and told the driver the address written in the email.

She thought for a while and decided to call Sheng nanxuan.

It was fine as long as she didn't tell him what was going on or who she was meeting. At least, she should tell him where she was going, right? If anything happened, it would be easier for him to find her as soon as possible.

At the thought of this, Gong mo immediately called Sheng nanxuan and told him that he had to go somewhere.

"What are you going there for?" Sheng nanxuan asked, puzzled.

"Uh, Yingluo is meeting a friend. Anyway, I'll be back soon."

Friend?

Sheng nanxuan frowned. How many friends did she have in the capital? Didn't he know all of them?

She said that because she didn't know him, or because she had some other reason. For example, the friend was Sheng Dongyi.

Sheng nanxuan had been brooding over the fact that she had once dated Sheng Dongyi. After a few seconds of silence, he said, "OK?"

"When are you coming back? Will you be back for lunch?" Gong mo asked in a gentle voice.

"If you ask, I'll definitely go back." He said with a smile.

“Have a good meeting,” Gong mo chuckled.

“You know I’m in a meeting and you still called?” Sheng nanxuan pretended to reprimand her.

“I’m sorry, Zhenzhen, I forgot about it,” Gong mo said in a low voice.

“It’s fine. I like to hear your voice.”

Gong mo blushed at the thought of him saying the same thing every time they were in bed. “I can’t talk to you anymore, I’m hanging up.”

When Sheng nanxuan heard the call end, he turned and walked into the meeting room.

Fang Yang, Lin Lei, Zeng Shuai, fan Yiwen, and a few of their capable subordinates were sitting inside.

Today’s meeting was to discuss the establishment of the group.

Sheng nanxuan’s identity as the night God had already been made public, so he naturally did not need to stay behind the scenes. Therefore, he was prepared to combine fan Yiwen’s Huarong real estate, Lin Lei’s night glory electronics, CEng Shuai’s star Entertainment, and Aimo books to form a large group.

.....

When the car stopped, Gong mo realized that the rain outside was even heavier than when she had just left.

She paid the fare and got out of the car with an umbrella. A little rain fell on her body and wet her hair.

She walked into a Business Club by the road, put away her umbrella, and walked to the front desk. “I’m looking for Sheng Dongyi.”

Chapter 404

404 The only woman who appeared

The front desk checked the customer's message and asked, "Miss Ling, right? Mr. Sheng is in Room 202. This way please."

...

"Thank you," he said. Gong mo walked towards Room 202 with a dripping umbrella.

Walking to the door, she knocked on it gently and heard Sheng Dongyi's voice. "Please come in."

Gong mo hesitated for a moment, then turned the doorknob and pushed the door open. Sheng Dongyi was sitting alone on the sofa, staring at her from a distance.

She slowly walked in, and after a few steps, she suddenly felt that something was wrong.

He didn't have a mouse in his hand, and there was no computer in front of him! The threats in his email were really just threats!

Gong mo turned around abruptly and saw two people standing behind him.

It was Sheng Zhongtian and Liu Xuelan!

Liu Xuelan slammed the door shut.

Sheng Zhongtian pounced on her and covered her mouth with a handkerchief.

Gong mo struggled to get up and fell to the ground. The handkerchief on his face was covered even more tightly.

She looked at the crystal lamp on the roof, and her consciousness gradually blurred. Fortunately, she had just called nanxuan. She just didn't know why Sheng Dongyi and the others were doing this.

Then, she completely lost consciousness.

Seeing that Gong mo had fainted, Sheng Zhongtian threw away his handkerchief and got up.

Sheng Dongyi and Liu Xuelan walked to his side and looked down at Gong mo.

I didn't expect her to come here alone, "said Sheng Dongyi. she's really stupid!

"What do we do now?" Sheng Zhongtian asked, "give nanxuan a call?"

"Don't!" Liu Xuelan said, " he's the night God. Who knows how many people he has in his hands? who knows where his hands have reached. If we inform him now, he'll definitely send people to find us soon, and we might not even be able to leave the capital!"

"Right!" Sheng Dongyi said, " even if we don't inform him, he will probably find out about us. We can use this time to return to Nanjiang. He'll definitely come anyway, Yingluo."

He squatted on the ground and touched Gong Mo's face, " since high school, she has been the only woman who has appeared by his side. She must be his weakness.

.....

When Sheng nanxuan got home, he asked the servant who opened the door for him, " "Is Madam back?"

"Not yet,"

Sheng nanxuan looked at his watch. It was 11:30. It should be soon.

He heard the child's cries and quickly walked into the nursery.

Shan Rong carried the child and comforted him while complaining, "Where did Qimo go? You didn't even feed the child before you left. What if the child cries now?"

"Mom!" Sheng nanxuan stretched out his hand. let me try.

Dan Rong turned around and hurriedly passed the child to him. She couldn't help but speak up for Gong mo. Gong mo went out to settle some matters. He should be back soon.

"I know, she called me."

"That's good." Shan Rong heaved a sigh of relief. She was really afraid that he would blame Gong mo for not being responsible. However, since Gong mo had told him about it, it was a problem between the two of them.

Sheng nanxuan yelled at the child for a while. The child could barely recognize him. Although he didn't smell as good as Gong mo, he carried the child every day and the child was very close to him. Soon, the crying stopped.

Sheng nanxuan asked the nanny to bring a milk bottle, which was filled with freshly-made milk powder.

"He doesn't drink this," Shan Rong said.

He had been breastfed ever since he was born. Recently, he had been fed milk powder for fear that there wouldn't be enough milk. However, he refused to eat it and Gong mo didn't force him to. As a result, he couldn't do anything when he was not around.

Sheng nanxuan tried the milk powder, but he really didn't want it. He couldn't help but say, "Why are you even more picky about food than me?"

405 Locate Gong Mo's mobile phone

Sheng nanxuan took a sip of the milk and looked at the crying child. "What's the Difference?"

...

"Aiya!" There was too much information in his words. Shan Rong couldn't take it anymore and turned to leave. I'm going to call Gong mo. You go and coax him first.

"Get some water," Sheng nanxuan said to nanny Yue.

It's fine if you don't drink milk, but drink water!

He stuffed the milk bottle filled with water into the child's mouth. The child was stunned for a moment, then turned his head away and continued to cry.

Sheng nanxuan chased after him and fed him. When he was tired from crying, he smacked him again.

Sheng nanxuan thought it was fun and teased him. After a while, he suddenly changed the water to milk powder.

The child didn't know. He took a sip and realized that it tasted much better than water. He couldn't help but take two more sips.

Sheng nanxuan said, 'didn't I still eat it? Wait a minute-'

He suddenly remembered that he had just taken a bite and immediately took the bottle away.

waa ... the child cried.

Sheng nanxuan fed the child some water. The child did not fall for the trick and turned away to continue crying.

“Make another bottle of milk powder,” he said to the nanny, feeling a headache coming on.

The confinement lady hurriedly went to the kitchen. When she passed by the living room, she saw dan Rong put down the phone.

Shan Rong frowned and mumbled, “why didn’t you pick up the phone, Yingluo?”

After finally coaxing the child, Sheng nanxuan heaved a sigh of relief. His forehead was covered in sweat.

It was really tiring to raise a child! He had to treat his wife better in the future because his wife would spend more time taking care of the child than he did.

When he entered the living room, he couldn’t help but frown when he saw that Gong mo hadn’t returned yet.

The nanny had already placed the food on the table. Dan Rong said, “I couldn’t get through just now, call me again.”

Sheng nanxuan took out his cell phone and dialed Gong Mo’s number. It rang for a long time, but no one picked up.

“I’ll go downstairs and wait for her.” He turned around and left.

sigh ... Shan Rong was stunned. there’s no need, right? ”

Sheng nanxuan did not answer and left.

Shan Rong sat on the stool and sighed, “what the hell are these two doing?”

Suddenly, Sheng nanxuan opened the door and came back. He said to her, "Mom, you eat first. Don't wait for us."

"Ai ..."

Bang! Bang! Sheng nanxuan closed the door and left.

"Aiyoyo." Shan Rong sighed even more heavily.

"Should we start eating now?" the nanny asked.

"Let's wait a little longer, it should be soon."

.....

Sheng nanxuan entered the elevator and called Lin Lei. help me locate Gong Mo's phone.

Then, he went to the garage and drove to the clubhouse that Gong mo had told him about.

On the way, Lin Lei returned the call. Gong Mo's phone was in that clubhouse!

Sheng nanxuan sped up. It was the peak hour in the afternoon, and the road was full of cars. He almost ran into people several times.

When he arrived at the club, he threw the car down and rushed in.

The front desk was a little scared when she saw how aggressive he was.

He walked up to her, took out his phone and searched for Gong Mo's photo. "Have you seen her?"

The receptionist took a look and said, "I think I've seen Yingluo before."

"Where is she?"

"Uh, Room 202." The people who entered the private room were different in both appearance and temperament, and she had a deep impression of them.

Sheng nanxuan turned around and walked towards Room 202.

"Sir!" The receptionist called out. You can't go in!"

Sheng nanxuan strode to the door of Room 202 and kicked it open.

The manager of the club was notified and rushed over, shouting, "What are you doing? Who allowed you to cause trouble here?"

Sheng nanxuan ignored him and walked straight into the private room. He saw a mobile phone in the fish tank at the door.

He fished it out and recognized that it was Gong Mo's phone.

He frowned and grabbed the manager's tie. "Where are the people in this room?"

Chapter 406

406 Immediately find someone

The manager was frightened by his aura and hurriedly called the waiter. where is he? where is he? "I'm asking you!"

...

The waiter was also puzzled. didn't you see this Yueyue go out?" he asked.

"Is there another exit here?" Sheng nanxuan asked the manager.

"This Kasaya has it." The manager said.

Sheng nanxuan pushed him away and walked out. "Give me the customer's registration information."

The manager was puzzled. Who was this person? he really didn't think of himself as an outsider! However, he still followed. He could not help but follow Sheng nanxuan's orders.

He pulled up the information on the computer at the front desk. The registered customer's name was "Liu Xuelan".

there's a young man called Sheng Dongyi," the receptionist said. he left a message here. He said that when a lady with the surname of Zhen comes, he'll ask her to go to him.

Sheng nanxuan slammed his fist on the counter, and a hole appeared on the wooden counter.

Everyone was shocked and took a step back collectively, looking at him without even daring to breathe.

There was a moment of silence in the air. No one knew what had happened.

The staff here were very depressed! They were just a small club. Don't test their hearts like this!

At that moment, Fang Yang's voice was heard.

"BOSS!"

Sheng nanxuan looked over and saw Fang Yang and Lin Lei running over.

When Lin Lei received his call, he did not know what had happened. Naturally, he called Fang Yang to ask.

Fang Yang was not with Sheng nanxuan, so he did not know. The two of them rushed over, afraid that Sheng nanxuan might need them.

Sheng nanxuan retracted his fist, which was stained with blood by the wood chips.

Sheng Dongyi took Gong mo away. Find him immediately! he said, as if he didn't notice anything.

As soon as he finished speaking, his phone rang.

It was a call from dan Rong.

He put his index finger to his lips and gestured for everyone to keep quiet. No one dared to speak.

He picked up the phone and heard Shan Rong ask, "Nanxuan, where did you go? Have you picked up Gong mo?"

"We've received it. We'll be back soon. Mom, you eat first. Momo is hungry, I'll take her out to eat."

sigh ... Shan Rong still wanted to say something, but Sheng nanxuan had already hung up.

She put down her phone gloomily and asked, "what's going on?" Another date! The child is still hungry!"

.....

On the highway from Beijing to Nanjiang, an off-road vehicle was running at full speed.

In the car, Sheng Zhongtian was in charge of driving, while Sheng Dongyi and Liu Xuelan sat in the back. Gong mo was between Sheng Dongyi and Liu Xuelan. His eyes were closed and he was still unconscious.

Liu Xuelan took out a first aid kit from beside her feet and opened the lid. There were some injections and some simple medical equipment in it.

She picked up a bottle of medicine, then a syringe, and sucked out the medicine inside.

“What is this?” Sheng Dongyi asked.

“Anesthetic.”

Liu Xuelan sucked the agent into the syringe and exhaled the air at the tip. She reached out to brush aside the hair on Gong Mo’s neck and prepared to inject it.

Suddenly, the car slanted and Liu Xuelan fell to the side. Her head hit the car window and the syringe in her hand almost stabbed into her own hand.

She got up and was about to scold Sheng Zhongtian when the car swerved in the other direction and she hit Gong mo.

“What’s wrong with you!” Liu Xuelan cursed.

“Something’s wrong!” Sheng Zhongtian said anxiously.

Sheng Dongyi hurriedly rolled down the window and looked out. He saw many cars in front and behind them, as if they were blocking their way.

He rolled up the window. it must be Sheng nanxuan. He’s here!

Chapter 407

407 Don't be afraid, I won't hurt you

"So fast?" Liu Xuelan frowned.

...

The car was forced to make turns on the road. Liu Xuelan was afraid that the needle would stab her, so she simply opened the first aid kit and threw the needle in.

there are so many cars. What should we do now?" Sheng Zhongtian roared. He was panicking.

"What's there to be afraid of?" Liu Xuelan shouted, "we have a hostage!

She looked at Gong mo and said to Sheng Dongyi, "Wake her up!"

After saying that, she took out a rubber tube from the medical kit and tied Gong Mo's hands behind his back.

Sheng Dongyi pinched Gong Mo's jaw and slapped her face a few times.

Gong mo woke up in pain. He gasped when he saw Gu Yu. what are you doing?!

She moved around and found that her hands were tied behind her back, and they were tied very tightly. He turned around and saw Liu Xuelan beside him.

Then, she realized her situation and calmed down. She looked at Sheng Dongyi and said, "What do you want to do? Where are you taking me?"

Sheng Dongyi didn't answer, because he noticed that the car had slowed down. It was the car in front of them that had slowed down.

Gradually, it became slower and slower, slower and slower.

Gong mo realized that Sheng nanxuan might have come to save him. He could not help but look happy.

Sheng Dongyi and Liu Xuelan were not in a hurry. They held her tightly.

Suddenly, Liu Xuelan opened her first aid kit and took out a scalpel.

Gong mo immediately became alert when he saw the cold light.

“Don’t worry,” Liu Xuelan said, “as long as you don’t move, we won’t hurt you.

After that, she handed the scalpel to Sheng Dongyi. “I’ll leave it to you!”

Sheng Dongyi held the scalpel and gestured in front of Gong mo. Gong mo leaned back warily, held his breath, and watched his movements nervously.

“Don’t be afraid, I won’t hurt you.” Sheng Dongyi used the back of the knife to cut her face twice.

The cold feeling made her afraid and she didn’t dare to move.

A rumbling sound came from the sky. Sheng Dongyi and Liu Xuelan looked over in confusion and saw a helicopter hovering in the sky.

Sheng Dongyi’s hand, which was holding the scalpel, twitched nervously. His other hand pulled Gong Mo’s hair and pulled her head back, revealing the trembling blood vessels on her neck.

He placed the scalpel on her neck and Gong mo cried out in horror, “Don’t mess around!”

“Don’t worry,” Sheng Dongyi leaned over and stuck out his tongue, trying to lick her.

Gong mo saw through his intention and wanted to avoid him, but he couldn't move. In a moment of desperation, he spat on his face.

you-" Sheng Dongyi was furious.

"Stop it!" Liu Xuelan shouted.

Sheng Dongyi looked over and saw that their car had stopped.

There were dozens of cars parked in front and behind them, blocking their way.

There were no other vehicles in the area far away from the cars, because a few other cars had blocked the road.

In the middle of this was the territory cleared out for them to solve their problems.

The helicopter hovered in front of them and wobbled as it approached the ground. The sound of the engine was getting louder and louder. The dust on the road was swept up, and the plants on both sides of the road were also flying.

Slowly, the helicopter stopped on the highway.

The people in the cars got out one after another, as if waiting for someone to arrive.

The cabin door opened and Sheng nanxuan walked out.

Gong mo burst into tears of joy and looked at him with excitement.

"Tell him to leave the plane to us!" Liu Xuelan said to Sheng Dongyi.

“What do you want?” Gong mo asked.

“Take care of your own life first!” Liu Xuelan laughed coldly. I wonder if Chengcheng is willing to exchange his life for yours? ”

Chapter 408

408 Come over and Exchange for her

Sheng nanxuan walked over, and his subordinates also came over.

...

Sheng Dongyi kicked the car door open and dragged Gong mo out of the car. He placed the scalpel on her neck and shouted at Sheng nanxuan, ” “Don’t come over!”

Sheng nanxuan was shocked and immediately stopped in his tracks. He raised his hand to signal for the others to stop too.

I’m sorry, nanxuan Yuanyuan. Gong mo looked at him and said guiltily.

He looked at her gently and sized her up. After confirming that she was not injured, he said, ” “It’s fine.”

Hearing this, Gong mo burst into tears.

“Shut up!” Sheng Dongyi growled and said to Sheng nanxuan, ” get your men away! Otherwise, my hands might shake!”

As he spoke, he pushed the scalpel closer to Gong mo.

Gong mo gasped and didn’t dare to move.

Sheng nanxuan was afraid that the scalpel would cut her skin, so he hurriedly said, "Alright! I promise you! But you'd better be careful, if she's injured, you'll be buried here today!"

Sheng Dongyi couldn't help but move the scalpel further away from Gong Mo's throat.

Even if he was not afraid of his brother, he was afraid of the night God. Naturally, he would not doubt Sheng nanxuan's words.

When Sheng nanxuan saw that the scalpel was a little further away, he heaved a sigh of relief. He raised his hand and waved it behind him.

When the people around saw this, they all retreated back into the car, leaving only Fang Yang and Lin Lei standing behind Sheng nanxuan.

Sheng nanxuan said to Gong mo, "don't be afraid!" I won't let anything happen to you."

"I'm not afraid!" Gong mo looked at him with tears in his eyes. I knew you would come to save me Yingluo, I'm sorry, I shouldn't have fallen into his trap and caused you trouble Yingluo."

"They're too bad, it has nothing to do with you!"

"Alright! Shut up!" Sheng Dongyi interrupted them and said to Sheng nanxuan, " move! I want to board the plane!"

"What do you want?" Sheng nanxuan frowned.

don't worry, I will return Gong mo to you. I have no interest in her!

Sheng Dongyi wrapped his left arm around Gong Mo's neck and held her tightly to his chest. His right hand was still holding the scalpel next to her carotid artery.

He turned around and saw Liu Xuelan carrying the first aid kit and Sheng Zhongtian getting out of the SUV.

“Let us board the plane!” He said to Sheng nanxuan.

“Release Gong mo!” Sheng nanxuan looked at him maliciously.

“When we can arrange for her to leave, we’ll definitely let her go!” He said with a cold smile.

Sheng nanxuan gritted his teeth and retreated to the side.

“Boss! -Fang Yang shouted-

“Wait until Gong mo is out of danger,”

Fang Yang nodded and looked at Sheng Dongyi.

Sheng Dongyi held onto Gong mo and slowly walked toward the helicopter. Liu Xuelan and Sheng Zhongtian followed beside him, vigilantly observing their surroundings, afraid that someone would suddenly rush out.

Gong mo looked at Sheng nanxuan and walked forward, trembling.

Sheng nanxuan silently mouthed to her, “Don’t be afraid.”

Gong mo nodded his head slightly. He wasn’t so afraid anymore.

They walked to the helicopter and Liu Xuelan said, “Don’t play any tricks!”

After that, she got on the helicopter and checked it. When she found that only the pilot was left inside, she turned and nodded at Sheng Dongyi.

Sheng Dongyi gently let go of Gong mo, but he didn't let her go. Instead, he called Sheng nanxuan, "Come and Exchange for her. When we're safe, we'll naturally let you go."

Sheng nanxuan walked towards him without thinking.

"Boss!" Fang Yang and Lin Lei shouted.

Nanxuan! Gong mo also tried to stop him.

Sheng nanxuan waved at Fang Yang and Lin Lei. I'm fine. You guys protect Gong mo.

Gong mo shook his head and cried, "no!" Nanxuan! They will harm you!"

Chapter 409

409 I love you

what a loving couple! Sheng Dongyi sneered. why don't you two get on the plane together? "

...

"I'll be fine." Sheng nanxuan looked at Gong mo. be good and don't make me worry.

Gong mo started crying, "I'm sorry, Zhenzhen!"

"I'm the one who should be sorry." Sheng nanxuan said, "their initial target must have been me. But I'm not easy to catch, so I can only use you as a hostage."

Wu Wu Wu. Gong mo looked at him and said, "I was afraid something might have happened to you. Wu Wu.

“Don’t be afraid. Your husband is so powerful, you have to believe him.” Sheng nanxuan chuckled.

Gong mo cried even harder.

“Alright! Don’t cry!” Sheng Dongyi pushed her and said to Sheng nanxuan, “ you get on the plane first. I’ll let her go once you get on the plane.”

Sheng nanxuan nodded and said to Gong mo, “I’ll be down soon.”

After that, he turned around and boarded the plane.

He wasn’t afraid of Sheng Dongyi and the others at all. To him, they were all old, weak, sick, and disabled!

As long as Gong mo was fine, he could go all out. At that time, he would only need a few moves to take them all down.

He entered the cabin and saw Liu Xuelan squatting on the ground, holding a syringe filled with medicinal liquid.

He was shocked and knew it was not good!

He was so focused on Gong mo just now that he didn’t think about why Liu Xuelan was carrying the first aid kit. It turned out that he wanted to use the medicine on him!

Sheng nanxuan guessed that there was a strong anesthetic in the syringe. Ordinary people only needed a small dose to be instantly anesthetized.

And he-

Liu Xuelan had prepared a full syringe for him! He would only last five seconds at most after taking the medicine!

He wanted to leave the cabin, but he suddenly heard Gong Mo's scream from behind.

He jerked his head back and saw Sheng Dongyi tugging at Gong Mo's hair, the scalpel waving in front of her face.

tell me," Sheng Dongyi asked coldly. should I disfigure her face or cut her artery first? "

"You said I'll let her go once I get on the plane!" Sheng nanxuan's voice sank and was filled with anger.

Sheng Dongyi looked at him and saw Liu Xuelan appear behind him. He smiled. "Don't move, and I'll let her go."

Sheng nanxuan frowned. Suddenly, he felt a sharp pain on his neck.

He knew that Liu Xuelan had put the needle into his neck.

Feeling the medicine slowly being pushed into his body, he looked at Gong mo and clenched his fists without moving.

Gong Mo's eyes widened when he saw Liu Xuelan, " nanxuan-

Gong mo, Qianqian. Sheng nanxuan looked into her eyes and muttered, " I love you, Qianqian.

Gong mo trembled and was suddenly pushed to the ground by Sheng Dongyi.

"Ah!"

Gong mo cried out in pain. He raised his head and saw Sheng nanxuan's huge body fall.

Sheng Dongyi rushed over and helped him up. Together with Liu Xuelan and Sheng Zhongtian, they stuffed him into the cabin and closed the door.

"Madam!" Fang Yang and Lin Lei rushed to Gong Mo's side and helped her up. They untied the rubber tube around her hand.

The people in the car got out of the car and ran over.

Gong Mo's brain felt like it was going to explode as countless memories flooded into his mind!

She cried and crawled in Sheng nanxuan's direction. nanxuan--"

The sound of the plane's engine was heard. Fang Yang and Lin Lei knew that the plane was about to take off, so they pulled her to the side.

nanxuan ... Gong mo cried and wanted to rush over.

"The BOSS will be fine!" Fang Yang said, " Madam, get in the car first. We'll go and get him immediately!

As if he didn't hear him, Gong mo pushed him away with all his might and ran towards the plane.

410 Gong Mo's past (1)

The plane took off and slowly flew into the distance.

...

Gong mo ran towards it like a mad man, " "Nanxuan, come back! Nanxuan Yingluo, don't go Yingluo!"

Gong mo chased after the plane for a few minutes, but the plane was nowhere to be seen.

She stopped and fell on the road, crying out loud.

nanxuan Yunyun. she lowered her head, large drops of tears falling to the ground. I love you too, Yunyun.

It turned out that the order to remove the hypnosis was " I love you.

No wonder he didn't mention it before. He said that he liked her, but he did not say that he loved her.

Because if he said those three words, it would release the memories that he had sealed in her mind.

She remembered everything clearly and beautifully, even better than what he had said that day.

In her memories, he was gentle, handsome, and moved her heart. He was the only man she had ever liked.

She remembered that in the first year of high school, he was always frivolous. Not only did he get last place in his exams, but he also never listened in class.

When she went to the bathroom after class, she saw him coming out of the men's bathroom with a cigarette in his mouth. Smoking was not allowed in school. She stared at him with wide eyes, and he blew smoke rings at her face like a hooligan.

During P.E. Class, he would get into a fight with the students from the class next door halfway through his game.

On the way home from school, she saw him playing games in the internet café.

The school required everyone to do self-study at night, but he never went to the cricket.

In short, she had a very bad impression of him at that time.

She was a good student, obedient, and had good grades. He was a bad student with poor grades and even worse character!

He sat in the last row of the classroom. No matter what he did in class, as long as he didn't affect others, no one would care.

She sat in the third row and was often called up by the teacher to answer questions.

They were like people from two different worlds. They should not have had any interactions, until one day, when she came home from a self-study session at night, she met a group of hooligans.

The boss of that group of hooligans was Song Zijie.

.....

"Yo, isn't this No. 1 middle school's campus Belle?" Song Zijie stretched out his hand, wanting to touch her face.

She used her school bag to block it, turned around, and ran.

"Chase! Let Master Song **** this school beauty today!" Song Zijie shouted.

Hearing his words, Gong Mo ran even faster.

However, the footsteps behind her were getting closer and closer. She shouted, "Help! Save ... Oh!"

A pair of hands suddenly reached out from the darkness, covered her mouth, and dragged her in.

Gong Mo's mind went blank.

Was this a Wolf in front and a Tiger behind?

shush, shush, shush. a low voice sounded in his ear. do you want me to save you? "

Hearing a man's voice, Gong mo trembled in fear, but he couldn't help nodding.

I'll need a reward for helping you ~"the man chuckled.

Gong mo was taken aback. He looked up and recognized his classmate, Sheng nanxuan, who was a good-for-nothing poor student.

Sheng nanxuan let go of her and lowered his head to kiss her on the lips."I'll take this!"

ah! Gong mo shrieked and raised his school bag to hit him.

"Here!"

A voice suddenly came from outside the alley.

Gong mo was startled and stopped what he was doing.

Sheng nanxuan pulled her and ran,'why are you still standing there? He caught up! I'm dead because of you! I could've saved you, but now I'm going to suffer with you!"

After hearing his words, Gong mo cried as he ran, " "It's all because of you!"

“What did I do?” Sheng nanxuan asked.

“You ...”

He stole a kiss from her and that was it?

Gong mo couldn't say a word and burst into tears.

Alright, alright, don't cry. Let's run for our lives first!

Sheng nanxuan held her hand and ran for his life. Gong mo almost couldn't keep up.
