### Chapter 411

#### 411 Gong Mo's past (2)

After passing a fork in the road, Gong mo pointed to the brighter right side and said, " "This way!"

...

"This way!" Sheng nanxuan ran to the left.

As they ran, the two of them ran into a dark dead end.

Seeing that there was no way out, Sheng nanxuan stopped and leaned against the wall, panting.

Gong mo fell to the ground, gasping for breath and crying.

"Why are you crying?" Sheng nanxuan asked.

there's no way out, Zhenzhen! Gong mo cried as he pressed his left ankle. my foot hurts, Zhenzhen!

Just as she finished speaking, song zijie chased after her with his men.

Gong mo quickly got up from the ground and limped to hide behind Sheng nanxuan.

Song zijie and the others were also tired from running. They placed their hands on their knees and panted. Then, they pointed at them and said, " "Run, Yingluo, you guys run! Hehe, Yingluo, isn't this second young master Sheng? You want to snatch my woman?"

"I don't dare to." Sheng nanxuan said.

“That’s right!” Song zijie laughed.

Since he had many people on his side, he wasn’t afraid. He walked directly to Sheng nanxuan’s side and glanced at Gong mo, who was hiding behind him.

Gong mo was 16 years old that year, which was the age where flowers bloomed. She was young and beautiful, and many boys were attracted to her, including Sheng nanxuan!

A Wolf like song zijie would drool at her even more.

He reached out and patted Sheng nanxuan’s shoulder. brother, ” he said, ” I’ll let you play with me when I’m done!

Sheng nanxuan suddenly grabbed his wrist and twisted it-

With a Kacha sound, song zijie’s pig-like sound rang out.

Gong mo was stunned and stared at him with wide eyes.

Sheng nanxuan kicked song zijie away. Song zijie’s underlings were stunned. They only reacted after a few seconds and all rushed towards Sheng nanxuan.

Sheng nanxuan went up and fought with them.

Gong mo was scared out of his wits. She didn’t have a phone and couldn’t call the police. She didn’t know what to do.

There was only one Sheng nanxuan, while the other side had a large group of people!

She thought that he would lose and they would both fall into the hands of the devil.

He was a boy, and at most, he would be beaten up. However, he would be in trouble, he would definitely be defiled by those people.

Gong mo started to wipe his tears as he thought of the misfortune that he was about to encounter.

In the end, the truth was beyond her expectations.

Sheng nanxuan was seen falling one after another.

The large group of people on the other side fell apart like dominoes, but he was still standing in front of them, unscathed.

Gong mo looked at his back and suddenly felt that he was very handsome!

“Get lost!” stay away from her in the future! he shouted.

Gong mo felt that he had become even more handsome, Yingluo.

Song zijie got up and ran away with his underlings.

Sheng nanxuan turned around and looked at Gong mo, who was leaning against the wall. Then, he slowly walked toward her.

Although Gong mo felt that he was very handsome just now, he was still a little scared and couldn't help but step back.

ah ... she cried out in pain and fell to the ground.

“What's wrong?” Sheng nanxuan hurried to her side.

She touched her ankle and felt a sharp pain. She immediately retracted her hand.

"I think I sprained it," she cried in pain.

Sheng nanxuan examined her and said, "It didn't hurt the bone."

but it hurts, Yingluo! Gong mo cried.

"Of course it hurts. I say, can you stop crying?"

"I'm in pain!" Gong mo roared. She was in so much pain, but she was not allowed to cry?

Sheng nanxuan choked. He suddenly felt that she was right. He reached out to help her up and squatted in front of her. "Get on."

"What for?" Gong mo was taken aback.

"I'll carry you!"

"No, no need!" Gong mo hurriedly shook his head.

She had never had such intimate contact with a boy before. No way!

"Then I'm leaving, you can stay here by yourself!" Sheng nanxuan got up and left.

Chapter 412

412 Gong Mo's past (3)

Gong mo was dumbfounded. He only reacted after a long while and shouted, "Come back here!"

...

Sheng nanxuan continued walking.

“Sheng nanxuan!” Gong mo shouted.

Sheng nanxuan stopped in his tracks and turned around to walk back. His heart throbbed when he saw her beautiful face with tears.

“You know my name?” He asked.

Gong Mo’s expression changed and he said, “I’m your classmate.”

This person skipped class every day and didn’t even know who his classmates were? Their first year of high school was about to end, and they had almost finished two semesters. Wasn’t his life a little too muddled?

“Of course I know you’re my classmate!” class monitor! Sheng nanxuan said.

Gong Mo’s face turned red. So he knew her!

“I just didn’t expect you to know me.” Sheng nanxuan picked her up horizontally, a standard Princess carry.

Gong mo was stunned. He only reacted after Gu Yu had taken a few steps, “Let me down, let me down, Yueyue!”

“Are you sure?” Sheng nanxuan raised his eyebrows. can you walk? You won’t let me carry you, you want to be disabled?”

I’m sorry! Gong mo was embarrassed and anxious. you should carry me.

“Didn’t you refuse to let me in just now?” Sheng nanxuan put her down helplessly.

Gong mo pursed his lips and didn’t say anything.

Didn’t she think that men and women shouldn’t touch each other?

In the end, this person didn’t let him carry her, so he directly hugged her!

Sheng nanxuan squatted in front of her and she lay on him helplessly.

He carried her on his back and walked forward slowly, passing through a nearby internet cafe Street that was dirty and messy, and passing through a night market with many delicious food.

Gong mo found it very comfortable to be carried on someone’s back. The man’s back was so broad and broad.

If her father was here, he would definitely carry her, right? He would definitely be more powerful than him!

When they reached a pharmacy, Sheng nanxuan put her down and let her sit by the roadside. “Wait for me.”

Gong mo looked at him and saw him entering the pharmacy.

After a while, he came out with a bag of medicine and threw several of them to her. anti-inflammatory, painkiller, and blood circulation are all taken orally. You can read the instructions on how much you should take.

Finally, he picked up a bottle. this is for external use. Spray it on and rub it!

After saying that, he opened the bottle and sprayed it on her feet. He then hugged her feet and started to rub them.

si ... Gong mo bit his lower lip in pain.

“Bear with it.” He glanced at her and his actions became gentler.

Gradually, Gong mo felt his wound start to heat up and it didn’t hurt as much.

She looked at her feet and saw his hands rubbing them. Her face turned red and she felt uncomfortable.

No boy had ever touched her before!

She was really unlucky tonight. This person held her hand, kissed her, hugged her, and carried her on his back. In the end, he even grabbed her foot and refused to let go!

If this were in ancient times, she would have to marry him. If she didn’t, she would have to hang herself or be drowned in a pig cage.

“It’s done,” Gong mo said in a low voice.

“Rub for a while more and it will stop hurting immediately.” Sheng nanxuan massaged her for another two minutes before letting go.

She immediately retracted her foot and put on her shoes, only to find ...

“Eh? It really doesn’t hurt anymore?”

“Nonsense.” Sheng nanxuan threw the medicine to her. it’s a glorious hangover cure. It won the first prize in the country. It’s very effective!

Gong mo took a look and asked, "glory world?" Your family's?"

"Yeah," Sheng nanxuan glanced at her.

Under the streetlight, she looked especially beautiful.

Gong mo blushed and put the medicine into his bag. "Thank you, Yingluo."

"You're welcome," Sheng nanxuan turned to look at the busy road and felt that it was fine like this.

"How much is it?" A woman who didn't know how to flirt asked, " I'll return it to you tomorrow.

Chapter 413

413 Gong Mo's past (4)

I'm the second young master of the Sheng family. Do I need your money?" Sheng nanxuan helped her up. alright, I'll Carry You Home!

...

"No need!" it doesn't hurt anymore," Gong mo said hurriedly.

"If you take a few steps now, it'll hurt immediately, and it'll be even more serious."

"This bi an ..."

"Come on up." Sheng nanxuan knelt down in front of her.

I'm sorry to trouble you, "she said uncomfortably. I can just take the car back.

Sheng nanxuan turned his head. do you have money? "he asked.

"Uh, Yingluo." She didn't bring any money.

Gong mo was embarrassed.

After a moment, her eyes lit up and she looked at him. "Can you ..."

"I just finished spending it." Sheng nanxuan immediately shattered her fantasy.

Gong mo was stunned. He bit his lip and felt that Jiang Chen was lying to him.

"I didn't have enough medicine, but he gave me a discount of two Yuan because I was handsome."

She had no choice but to believe him.

Sheng nanxuan stood up and put his hands in his pockets. "Why don't I sing a song here and perform on the spot to help you get the fare?"

Gong mo looked at him in shock.

He cleared his throat and was ready to sing.

"No, no!" Gong mo hurriedly said. I-I think you should carry me, Yingluo."

you ~ in the end, I'm the one carrying you. Why are you so scared?" Sheng nanxuan knelt down in front of her.

She carefully laid on his back and thought pitifully,"Didn't I want to try more possibilities?"

He sent her to the entrance of the neighborhood. Gong mo said, "Thank you. I'm going in."

walk slowly, don't use too much strength. Rub it before you go to bed. It shouldn't hurt tomorrow. He instructed.

"Okay, thank you." Gong Mo's face was red.

"Remember to take the internal Medicine." Sheng nanxuan's face was stern and he looked cold.

"Yes." Gong mo turned around and limped for a few steps. He turned back and said, "be careful on the road."

"Whoever has no eyes should be careful when they touch me."

Gong mo was speechless. He turned around and went back in.

When Sheng nanxuan saw her figure disappear, he turned and ran a few steps forward. Then, he did a somersault.

After he stood up, he put his hands in his pockets and hummed a song as he walked forward.

As he walked, he withdrew his hand, looked at his palm, and mumbled, "Why is a girl's body so soft? You still love to cry, Yingluo."

.....

When Gong mo returned home, dan Rong was worried about her. She hurriedly asked, "Where did you go?"

Gong Mo's leg was limping. I twisted my foot on the way back. My classmate sent me to the doctor, so I was a little late.

"Why weren't you careful?" Shan Rong did not suspect him and hurriedly helped her back to her room.

Gong mo heaved a sigh of relief. Fortunately, he had bought the medicine. Otherwise, he would not know how to explain it. She didn't want her mother to worry about Yingluo.

.....

Ever since that day, Qimo had been paying more attention to Sheng nanxuan.

She couldn't help but look at him after class.

During the morning reading, she could not help but observe if he was late again.

However, he was still the same as before. It was just that sometimes, when he accidentally found her around, he would grin at her.

Gong Mo's face turned red and he didn't dare to look at him again.

To be honest, he looked very handsome when he smiled.

Everyone wanted him to be the school hunk, but his grades were too bad.

There was a handsome boy in the third year of high school who had good grades and was recognized as the school hunk. So, although Sheng nanxuan was more handsome than that guy, he didn't take his place.

When that senior graduated, if he could not find another person with both talent and looks, Sheng nanxuan would probably be the school hunk.

Sometimes, Gong mo was a little disappointed!

Although his results were very bad, he shouldn't give up on himself! If he studied hard and did his homework, he might improve.

Chapter 414

414 Gong Mo's past (5)

Not long after, it was time for the final exams.

...

Their school's monthly, mid-term, and final exams were all conducted in the same year, and the results would be ranked for the whole year. The seating arrangement for each exam was arranged according to the results of the previous exam.

Ever since Gong mo entered the school, he had never fallen out of the top 100. He was always in the first or second exam hall.

Sheng nanxuan was the exact opposite. He had never made it out of the bottom one hundred of the entire grade. He was either in the last exam hall or the second from the bottom.

Therefore, on the two days of the exam, if they didn't make a special appointment, it was impossible for the two of them to meet.

Since he had saved Gong Mo's life before, Gong mo hoped that his results would be better this time and that he wouldn't be at the bottom again.

However, her hope might not be of much use.

During the mid-term exam, he took a look at the paper, wrote his name, and went to sleep on the table.

Gong mo was afraid that he would do the same this time. If he did, he would be at the bottom.

Shouldn't he at least do two questions? You have to add a few options to the multiple-choice questions, fill in the blank questions with a few numbers, and write the formula you remembered for the solution questions.

After filling up the paper, the grading teacher could also find a reason to give marks. If he didn't write anything, he would be letting down his arrogant attitude if he didn't give zero points!

After the exams, Gong mo went to the school gate to wait for Tang Xinxin. They had agreed to meet here and then go to the movies together!

Gong mo had already made an agreement with dan Rong. Dan Rong had also agreed for her to relax after the exam and had given her a few hundred Yuan.

After the movie, she went shopping with Tang Xinxin.

She bought a set of clothes for Shan Rong, a discounted dress for herself, and a pair of sunglasses for Tang Xinxin. In return, Tang Xinxin gave her a hat.

Because of what had happened that night, she didn't dare to stay out too late. When it was almost seven o'clock, she broke up with Tang Xinxin. "You should go home early too. It's not safe outside at night."

"Alright, I'll look for you in two days." Tang Xinxin broke up with her reluctantly.

She carried her things and walked home.

When she passed by a barbecue shop, she saw Sheng nanxuan, song zijie, and the others eating inside. She stopped in surprise, her eyes full of disbelief.

Song zijie put food in Sheng nanxuan's bowl with a fawning look. "Come, second master, have some meat ~"

Sheng nanxuan frowned impatiently. He picked up his beer and took a sip. He accidentally saw Gong mo on the road and spat the beer out, directly on song zijie's face.

"What the f \* ck are you doing!" Song zijie's underling exploded. you're not giving face to my big brother!

"Shut up!" Song zijie called out. He reached out to wipe his face and chided, " this is second young master thinking highly of me!

When Gong mo saw that Sheng nanxuan had seen him, he turned around and left. He was burning with anger.

Sheng nanxuan put down his beer and quickly followed.

hey-" song zijie was dumbfounded. what's going on? "

He turned around and saw Gong Mo's back. He couldn't help but laugh, " "So you're going after a woman!"

"Boss, should we find another chance to get that girl for you?" one of the lackeys with dyed red hair said.

Song zijie slapped him. have you forgotten how painful it is when Sheng nanxuan hits you? " he said. We might not be able to beat him even if we called a few more people! And a few days ago, he went to my family's banquet and actually told my dad. My dad almost beat me up!"

Song zijie gritted his teeth hatefully. let's be polite first. We'll let him think that we want to be friends with him. When he lets his guard down, we'll take him down in one fell swoop! Don't worry, I'll take back my face and woman!"

Chapter 415

415 Gong Mo's past (6)

Sheng nanxuan caught up with Gong mo and walked side by side with her.

...

Gong mo quickly took a few steps forward to avoid him. His legs were long, so he quickly caught up with her.

why are you following me?! Gong mo was enraged.

Sheng nanxuan said innocently, "the road doesn't belong to you." You can walk, but I can't?"

you ... Gong mo was stunned. He turned around and crossed the road.

This was not a pedestrian lane at all. A car drove over quickly. Sheng nanxuan quickly pulled her into his arms and shouted, "You don't want to live anymore!"

"None of your business!" Gong mo pushed him away. you liar! To think that I treated you as my Savior, but it turns out that you're in cahoots with them!"

Sheng nanxuan's eyes widened. He knew that she would misunderstand and immediately denied it.  
"No!"

"I saw everything!"

"That's because they're afraid I'll continue to beat them up, so they came to visit me."

Gong mo hesitated for two seconds before saying, "I don't believe you!"

"Then what do I have to do to make you believe me?"

Gong mo bit his lip. How would she know?

She turned around and left, not speaking to him.

Sheng nanxuan followed her and pestered her. "Hey, Yingluo, say something? No matter what, I'm still your Savior!"

"I don't talk to liars!"

"You finally spoke to me," Sheng nanxuan said, relieved.

Gong mo choked and ignored him. He walked faster and faster.

Sheng nanxuan continued to follow her. As they walked, he said, "You've seen me outside the school before. When did you see me with them?"

Gong mo was stunned. She took a few steps and pondered as she walked. Then, she stopped and asked, "You're really not lying to me?"

"Why Would I Lie to You?" Sheng nanxuan said disdainfully. He paused for a moment and looked at her suggestively. are you trying to cheat me of my money or my body? "

you ... Gong mo blushed and turned to leave.

"We've already kissed," he whispered in her ear,"why would I need to lie?"

Gong mo hit him with the thing in his hand anxiously, "Don't talk nonsense!"

"I'm not talking nonsense. He's clearly telling the truth!"

that's obviously you-" Gong mo roared. When he noticed that people were looking at him, he lowered his voice and was so anxious that he was about to cry. you're too much!

Hey, hey, hey-" Sheng nanxuan shouted. don't cry!

Gong mo bit his lip and looked at him with hatred. He really didn't cry. However, she was very angry. since you saved me, I've already written off that matter with you. Why did you bring it up? "

"Alright, alright, alright, let's not talk about it!" Sheng nanxuan was afraid that she would cry and immediately compromised.

Gong mo turned around and walked forward quickly.

Sheng nanxuan continued to follow her. After a few steps, she suddenly turned around and hit him with the thing in her hand.

"I didn't mention it," he said gloomily.

"You're not allowed to follow!" "I'm almost home," Gong mo exclaimed. My mom will misunderstand if she sees me with a boy."

Oh, Yingluo. Sheng nanxuan stopped reluctantly. be careful on the road.

"You're not lying to me?" Gong mo raised his head and asked.

"No, I didn't,"

Gong mo nodded his head. alright, Qianqian. I'll believe you one more time. I believe that you're a good person.

Sheng nanxuan was speechless. are you giving me a nice guy card? ”

A good person card?

Wasn't that something that people refused to pursue? She and he weren't ...

“What nonsense are you spouting?!” Gong mo blushed.

Sheng nanxuan shut his mouth and made a zipping motion.

“Hmph!” Gong mo turned around and left in a Huff.

When she turned the corner, she couldn't help but look back.

She thought he had left, but he was still standing there, staring at her.

Chapter 416

416 Gong Mo's past (7)

When Sheng nanxuan saw her turn around, he suddenly smiled and blew her a kiss.

...

Gong mo was both embarrassed and angry. His face turned red and he turned around to run away, bumping into the pedestrians walking towards him.

ah ... I'm sorry, I'm sorry, Zhenzhen, ” Gong mo hurriedly apologized and ran away with his things.

Sheng nanxuan looked at her back, which was as small as a rabbit, and smiled happily.

He turned around and jumped two steps forward. Then he stopped and touched his lips uncomfortably.

The kiss from that night came and left quickly. It was also the first time he had been so close to a girl. To be honest, he was a little confused about the feeling. He only remembered that it was very soft and there was a lingering fragrance.

Oh, I really want to kiss you again.

No! Many kisses!

ahem. Sheng nanxuan coughed drily. He felt his face burning.

On the way back, he didn't pay attention to which road he took, but it happened to be the road he had come from and he passed by the barbecue shop.

Song zijie and the others were eating until they were high. When they saw him return, they immediately called him over.

Sheng nanxuan paused and walked over.

Song zijie said with a cheeky smile, "why did brother Xuan come back alone?" Aren't you going to ask sister-in-law to come along?"

Sheng nanxuan glared at him coldly.

He was shocked and laughed dryly, "that day was a misunderstanding!" If I had known that she was your woman, I wouldn't have dared to have any ideas about her even if I had a hundred guts!"

Sheng nanxuan took out a pair of chopsticks, twirled them around his fingertips, and suddenly stabbed them into the table!

Pa! Song zijie and the others were shocked.

Sheng nanxuan retracted his hand. Everyone saw that the chopsticks had pierced through the table.

Song zijie took a deep breath and swallowed his saliva in fear.

Sheng nanxuan picked up his newly opened beer and clinked it with his. "Stay away from him, we're friends. OK?"

"OK!" Song zijie hurriedly nodded and clinked his glass with his. whatever brother Xuan says, we will do it! From now on, not just me, no one in Nanjiang should even think about being disrespectful to sister-in-law!"

that's good ~"Sheng nanxuan smiled and patted his shoulder like a brother. your fighting techniques are not good. They're all blind! I'll teach you two combat skills some other day, so that you won't be beaten up again when you meet an expert!"

"Yes, yes, yes, Zhenzhen, write more about brother Xuan's guidance!"

From then on, song zijie no longer dared to have any ideas about Gong mo.

Even when Sheng nanxuan was no longer in Nanjiang, he did not have any thoughts about it.

.....

In the middle of August, the school began to make up lessons.

Everyone was very concerned about the final exam results from last time. In fact, they already knew the results. During the summer break, the school had sent the report card directly to their house. When dan Rong saw that Gong mo had done well in his exams, she had even brought Gong mo to have a good meal!

However, there were only scores on the report card and no ranking.

After the morning self-study session, the study Committee member brought the results sheet with the ranking into the classroom.

It was an A3 paper, and the results were printed from the highest to the lowest. At the very front was the class ranking, followed by the name, total score, subject results, and finally the grade ranking.

Gong mo was very concerned about his ranking.

The number of people in the school who went to the key points every year was about the same. One could determine their position through this.

She had always been in the top 100, and the number of people in the school who had been attending key universities in the past few years had fluctuated between 110-130. The school's goal for their batch was 150 students.

Gong mo felt that he had to at least stay in the top 100 to have a chance.

The commissary in charge of studies came in from the back door of the classroom with her grade report, and a group of people surrounded her.

A hand suddenly reached out from behind and snatched the report card away.

"Sheng nanxuan! What are you doing?" Someone shouted.

Chapter 417

417 Gong Mo's past (8)

Gong mo looked over and saw Sheng nanxuan carrying a school bag on his back. He had clearly just entered the classroom.

...

can't I be concerned about the results?" he glanced at everyone and wanted to take the report card back to his seat. Suddenly, he saw Gong mo looking at him. He changed his mind and walked towards her. He sat down directly opposite her. alright, since the class monitor is here, I won't cause trouble ~"

Gong mo frowned and glared at him in dissatisfaction.

He lowered his head and started to look at the results, his fingers sliding across everyone's names.

When it reached Gong mo, he raised his head and sneered, "Class monitor, sixth place seems to have slipped ~"

Gong Mobai glanced at him and lowered his head to look at the ranking behind him. He heaved a sigh of relief when he saw that the sixth place was 88th.

She turned around and was about to leave when she suddenly thought of something. She turned around and pulled the report card to the end, pointing to the last place. "It's you again!"

Then, she looked at the ranking of the year and her face froze.

There were 1345 people in the entire grade, and he just happened to be ranked 1345!

She couldn't help but look at the total score and shouted, "You only scored 5 points! Don't you know how to do multiple choice questions? If you don't want to study, then don't drag down the class average!"

Sheng nanxuan was expressionless as he looked at her coldly.

Everyone felt that the atmosphere was not right and hurriedly said, "Gong mo, don't be like this."

Tang Xinxin shielded Gong mo behind her like an old hen and shouted at Sheng nanxuan, "Don't mess around! Gong mo wasn't wrong, you only got 5 points for physics. You won't get this many points even if you blindly guessed for the multiple choice questions!"

Sheng nanxuan stood up, threw the report card to everyone, and returned to his seat.

In the first class, the form teacher was in charge of dividing the students into different classes.

She was going to be in her second year of high school soon and would be divided into the arts and Science subjects.

Their class had been classified as a science class, and the students who studied liberal arts had to move their tables and stools away. Of course, there were also students from the liberal arts class who were assigned to their class.

The classroom was in a mess. The students who were going to the liberal arts class bid farewell to everyone and naturally greeted Gong mo, "class monitor, I'm leaving ~"" I'll call you class monitor for the last time ~"

"I'm not going to be the class monitor this semester, and it's about the last time I'll be called that." Gong mo said.

The class teacher looked at everyone and suddenly walked up to Sheng nanxuan. Sheng nanxuan, are you studying liberal Arts or Science? "

In fact, he hoped that Sheng nanxuan would go to liberal arts and leave quickly so that he would not drag down the average score of the class!

Sheng nanxuan glanced at him and said lazily, "As you wish."

"Shua shua shua" there's also such a casual thing?

"To me, it's all the same."

Sheng nanxuan looked at Gong mo, and she was also looking at him. Seeing him look over, she immediately looked elsewhere.

Sheng nanxuan suddenly smiled and said to the form teacher, " I just took a look. I only got five points for physics. It seems that I'm better in science. I'll stay.

The form teacher vomited blood and said with an internal injury,"then you can stay, Yingluo."

What's there to say about your five points?

By the time the classes were divided, class had already ended. we'll leave the seating here for now, " the form teacher said. we'll adjust it again after school officially starts. For now, everyone should get to know each other.

Then, the boys in the class were called to the Academic Affairs Office to collect their books.

Gong mo was the class monitor. He went to check with the study Committee member.

After the inventory was done, she helped share some of the load by carrying a stack of books.

When she walked out of the Academic Affairs Office, she saw Sheng nanxuan leaning against the wall and playing with his mobile phone. There were dozens of English books piled at his feet.

She was a little angry, so she walked over and said, " "If you don't want to help, then don't come. No one called you."

Sheng nanxuan paused. He put down his phone and looked at her.

Chapter 418

418 Gong Mo's past (9)

Gong mo felt a little uncomfortable, knowing that he was in no position to lecture him. Besides, he had saved her, so she shouldn't be wailing like this.

...

She turned to leave. Sheng nanxuan picked up his book and followed her. He stopped her. "Give it to me!"

"I can do it myself." Gong mo avoided him.

"I'm staying to help you," He said, what kind of men are those people? I really want you to hug me! You're a girl, can't you just be empty-handed? This is a man's business!"

"Alright, alright, alright, Yingluo, you can carry me!" Gong mo placed all the books in his hands on top of the English book in his hands. don't drop it! If you dirty it, I'll give you the book!"

Sheng nanxuan smiled at her. what if you dirty them all? "

Gong mo was stunned and stared at him.

"You're giving all of them to me?"

Gong mo was so angry that he turned around and left. She should not have spoken to him!

Sheng nanxuan caught up with her. are you angry? " he asked in a low voice.

"....."

"I'll do better next time, okay? Please don't be angry."

"Do you think I'll do well just because you say so?"

work hard ~”he laughed. work hard to finish the questions and do it right.

Gong mo paused and his expression softened, ””I hope you can do it.” After she finished speaking, she reached out and took a few books.

He said, ”Didn’t I tell you? you’re a girl-”

”It’s not heavy!” hurry up! Gong mo shouted. Everyone’s waiting!”

Sheng nanxuan mumbled, ”so fierce.”

After the books were distributed, the next two classes finally began.

These two periods were physics classes. As soon as the teacher entered the classroom, he first handed out the papers for the final exam and then explained them.

Gong mo was taking notes seriously when he remembered Sheng nanxuan’s words. He turned around and saw that Sheng nanxuan was also taking notes seriously.

He suddenly looked up and was a little surprised to see her. Then he blinked at her.

Gong Mo’s face turned red and he turned around to continue listening to the teacher.

The teacher said, ” the last question is an additional question. This question is a little out of the syllabus, but it’s actually very simple. However, many people can’t grasp the main point and don’t know which formula to use. In the entire grade, only one person scored!”

Everyone heaved a sigh of relief when they heard that.

There was only one person in the entire grade who scored, so it was not a big deal for him to score zero.

“This person is in our class!” The teacher said.

Everyone, “who is it?” So powerful!

“He is Sheng nanxuan!” The Physics Teacher looked at Sheng nanxuan with admiration.

Everyone was speechless.

Sheng nanxuan raised his head and looked at Gong mo, who looked at him in surprise.

He blinked.

Gong mo didn't blush this time. He was still in shock.

The teacher said, “it's a pity that he only wrote down the first step of the formula. There are still a few steps that he didn't write.” However, the key to this question was in the first step. When the first step was out, everyone was enlightened. After that, it was simple. Out of the 10 points, I gave Yingluo 5 points!”

So this was how he got his total of 5 points!

“Why don't you write further back?” The teacher looked at Sheng nanxuan in confusion. the latter part was very simple!

Sheng nanxuan did not say anything.

It was because it was too simple!

He only knew how to write this formula because he thought it was interesting when he saw it, so he studied it carefully.

In the end, after he wrote down the formula, he knew what to do next. He suddenly lost interest and continued to sleep!

Many years later, Gong mo finally realized that this was the true genius of their high school! They were not even willing to answer questions that were so difficult!

But at that time, she didn't know. She was completely deceived!

Chapter 419

419 Gong Mo's past (10)

There was a P.E. Class that afternoon. Gong mo asked for leave to rest in the classroom because his period was coming and the sun was scorching hot.

...

Sheng nanxuan went to the field as soon as class ended. When class was about to start, he didn't see Gong mo, so he ran back to the classroom.

When he returned, he saw her sitting in her seat and reading a book.

The girls often took leave from their PE and exercise classes, and the boys didn't know much about it, but everyone had a tacit understanding. He knew that it was time for her.

Gong mo heard the sound and turned around. He was slightly startled when he saw Gu Yusheng. Didn't the school bell ring?

Sheng nanxuan scratched his head and walked back to his seat.

Gong mo turned around and continued reading his book. It's so strange that she didn't attend P.E. Class without any injuries!

Those bad students skipped all the classes, but they would never skip physical education class! Only straight-a students would want to skip P.E. Class!

Gong mo felt that Sheng nanxuan had reached a certain level by skipping physical education class!

Just as she was thinking about this, he suddenly walked over and sat down in front of her.

“What’s the matter with you?” Gong mo looked at him in a daze.

class monitor, please explain the questions to me~” he said.

“Ah?”

Didn’t I tell you to do better next time? that’s why you have to work hard from now on! If you don’t understand anything in the future, I’ll just ask you. I’m not familiar with the others.

Gong Mo closed the book in his hand and said, “ alright then!

Sheng nanxuan’s sharp eyes caught sight of the book cover and he snatched it away. “What are you looking at? It’s actually an extra-curricular book!”

“Give it back to me!” Gong mo shouted.

let me see Qianqian. Sheng nanxuan leaned back and dodged her move. He laughed when he saw the name on the cover. ‘overbearing President falls in love with me’ Qianqian, hahaha. What the hell is this?  
”

Gong mo blushed, snatched the book back and stuffed it into the drawer, “ what are you laughing at? ”

No. Sheng nanxuan stopped smiling. I'm just surprised that you're reading a novel here instead of attending classes. What if the teacher finds out? "

Gong mo bit his lips and changed the topic, " "Aren't we going to explain the questions? Where do you get all this nonsense from?"

"Oh, since you're embarrassed, let's talk about the questions."

Yingluo, who's embarrassed?

Gong Mo's face turned red and he was a little embarrassed.

Sheng nanxuan took out his paper and draft paper and pointed at the question on the paper. "Here, I don't understand what teacher said about this one."

Seeing that it was a physics paper, Gong mo couldn't help but wonder, "You even know the add-on questions, but you don't know this one?"

"That was a wild guess! That's the only formula I can remember, but who knew that I'd run into a dead rat by chance?"

Gong mo sighed, picked up a pen and demonstrated on the draft paper, " "This Yingluo is what the teacher talked about in class. Did you hear it?"

no, " Sheng nanxuan blurted out. otherwise, how could a smart person like me not know how to do it? "

He actually shamelessly admitted it!

Gong mo glared at him angrily.

"I'll definitely listen to it in the future!" He immediately said.

Gong mo heaved a sigh of relief. He suppressed his anger and continued to explain.

Sheng nanxuan held his chin and stared at her fair cheeks. He smiled.

Gong mo explained for a long time but found that he didn't have any reaction. did you-"Yingluo, are you listening?

"Why are you looking at me instead of reading the questions?" Gong mo was stunned.

"You're pretty ~" he smiled.

Gong Mo's face reddened in anger. He pushed the paper and the draft book back to him and said, "If you don't want to learn, I won't teach anymore!"

"Why doesn't Yingluo learn? You tell me!" Sheng nanxuan said hurriedly.

...

Gong mo held back his anger, pulled back the paper, and continued.

Halfway through, she suddenly remembered what had happened just now. She raised her head and saw that he was staring at her again. She immediately slammed the table."Sheng nanxuan!"

Sheng nanxuan held his forehead helplessly and said in frustration, "You're too good looking, I can't help it!"

Gong mo flipped the table.

Sheng nanxuan stood up and pressed his hands on the table.

Gong mo couldn't lift it, so he turned around and left the classroom angrily.

She walked to the balcony and stood in front of the railing to look down.

Sheng nanxuan walked over, jumped on the railing, and sat on it.

"What are you doing?" Gong mo asked in a low voice. Come down!" He was afraid that the people in the class next door would hear him if he spoke loudly.

Sheng nanxuan looked at her, shaking his legs.

She was so nervous that she was sweating all over. This was the fourth floor!

"Quickly come down." She tugged at his t-shirt. it's very dangerous!

He looked into her eyes and she was stunned. She retracted her hand uncomfortably and lowered her head, her heart beating fast.

Seeing her blushing face, Sheng nanxuan's throat tightened and he suddenly felt his mouth go dry.

He jumped off the ground and walked into the classroom.

Gong Mo closed his eyes and heaved a sigh of relief. He continued to look downstairs and didn't care what he was doing.

He walked into the classroom, went to her seat, and picked up her glass of water.

The water in the cup was almost empty, and it was soaked with red dates, wolfberry, and rose gizzards. Was this for period conditioning?

He took the cup out of the classroom and walked to the water tank at the end of the corridor.

He took a glass of water and turned to look at her. Seeing that she wasn't paying attention to him, he carefully took a sip from the glass.

The water was sweet, and the taste of the red dates was obvious. She must have added rock sugar.

He took a big gulp and felt even more thirsty than before.

He let out a breath and continued to fill the cup with water, his fingers trembling slightly.

Wasn't it bad to do such a thing?

However, the thought of indirectly kissing her made him very excited.

He snickered and walked towards her with the cup.

He walked in front of her and handed her the water.

Gong mo was shocked and looked at him.

"Don't be angry," he said.

Gong Mo's face turned red. He took the cup, opened the lid and took a sip.

Sheng nanxuan looked at her and suddenly found it difficult to breathe. He swallowed hard and suddenly turned around to enter the classroom. Gong mo was stunned and didn't know what was happening.

She saw him walk back to his previous position, pick up a pen, and do some calculations on the draft paper. She heaved a sigh of relief, covered the cup, and walked in.

She sat down and put the cup aside to read what he had written.

He suddenly put down his pen and looked up.

"What's the matter?" Gong mo was stunned.

He stared at her intently. Gong mo was a little scared and stepped back. "You're so silly!"

He suddenly leaned over, cupped her face, and kissed her.

ah! Gong mo screamed.

Sheng nanxuan let go of her, laughed happily, and ran away.

"Sheng nanxuan!" Gong mo was furious and embarrassed. He got up and chased after him. I'm going to kill you!

Sheng nanxuan ran out of the classroom. She chased after him and saw a few of her classmates.

Class was about to end, and they had just returned from their P.E. Class.

Gong mo was shocked and stopped at the door of the classroom.

Sheng nanxuan stopped in the corridor and turned to look at her.

“What are you guys doing?”

Gong mo was so embarrassed and angry that he was on the verge of tears. He grabbed the book on his desk and was about to throw it at Sheng nanxuan when he remembered that it wasn't his book and put it back!

Then, she grabbed the stool. She felt that it was too violent, so she put it back.

What the f \* ck! You can't even play willfully when you're fighting someone!

Gong mo wanted to cry!

Finally, she took off her shoes and threw them over.
