Chapter 421

421 Gong Mo's past (12)

Sheng nanxuan caught the shoe.

...

Tang Xinxin quickly stood in front of Gong mo and pointed at him. "Don't bully my Momo!"

Sheng nanxuan was speechless. He handed the shoes over."When did Gong mo become your family's?"

Tang Xinxin was stunned for a moment before she snatched the shoe back and returned it to Gong mo.

Gong mo lowered his head and put on his shoes. Then, he turned around and returned to his seat.

The rest of the students walked into the classroom in confusion. Tang Xinxin hurried back to her seat, which was right next to Gong mo.

"What happened between you and Sheng nanxuan?" she asked.

"Yingluo is fine." Gong mo lowered his head and started to wipe his tears.

What a bully, Yingluo.

Tang Xinxin opened her mouth, but didn't ask further since she had already said so. She turned her head and saw the test paper on the table. She took it and Gong mo hurriedly snatched it away.

"What's wrong?" she asked, stunned.

“Yingluo is fine.” Gong mo said in a low voice as he took Sheng nanxuan’S pen and notebook.

Tang Xinxin said,“you don’t seem to have this pen, Huahua.”

“Don’t bother me,” Gong mo pushed her away.

After that, he lowered his head, folded the paper together, and put it in his draft book.

She opened the notebook and saw the words written inside. Her eyes widened in surprise.

On it were neat rows of Chinese characters. The font was strong and powerful, and it was floating. It could win a big prize in the calligraphy and painting competition!

And the sentence formed by those words made her feel even more incredible!

if I came to this world

Just to be with you once

All for that moment in a billion lightyears.

All the sweetness and sorrow in that moment

Then let everything that should happen

They all appeared in an instant.

Let me bow my head and thank all the planets for their help.

Let us meet and part

Completed a poem by God

And then slowly grow old.”

This was written by Sheng nanxuan?

Was his handwriting that good?

And this poem, it's so beautiful, could it be his work?

She closed the book and found that there was no name written on it. She opened the paper and saw the name and student number written in the sealed line. It was the same handwriting as the poem.

She looked at them for a while, then angrily rubbed them together. She grabbed the pen and walked towards Sheng nanxuan.

Sheng nanxuan looked at her in a daze. The whole class also secretly looked at them.

Gong mo walked to Sheng nanxuan's table and threw the things in his hands into the trash can.

Sheng nanxuan was sitting in the last row of the classroom, in the innermost corner. Behind him was the trash can.

Gong mo turned around and left.

Sheng nanxuan looked at the things in the trash can and did not touch them. It wasn't until after class that he picked it up when no one was paying attention.

After school, Gong mo waited for Tang Xinxin at the school gate. Tang Xinxin went to the bicycle shed to get her bicycle.

Sheng nanxuan walked out of the school gate. When he saw her, he immediately walked over and called out carefully, "Gong mo, Qian Qian."

Gong mo turned around and glared at him when he heard his voice.

He pursed his lips and knew that he had gone too far today. He said in a low voice, "I'm sorry, Yingluo."

Gong Mo's tears fell from his eyes.

He was angry at him for bullying her, and he was going to let it go with just an "I'm sorry"?

Sheng nanxuan suddenly opened his bag, took out a book, and stuffed it into her hands. Then, he turned and ran into the crowd.

Gong mo was stunned. He lowered his head and looked at the book in his hand-"Xi Murong's poetry collection".

Momo-"Tang Xinxin called her.

She quickly wiped her tears, put the book in her bag, and turned to look at her.

Tang Xinxin pushed her bicycle and rode on it. "Come on up ~"

Gong mo sat in the back seat and held her waist.

Chapter 422

422 Gong Mo's past (13)

“If only I was a man, then we’d be a couple!” Tang Xinxin giggled.

...

Gong mo suddenly thought of Sheng nanxuan and didn’t say anything.

“Eh?” what’s wrong with you? ” Tang Xinxin asked. Was she still angry with Sheng nanxuan? How did he bully you?”

“No, I didn’t.”

“He won’t hit you, right?” Tang Xinxin was shocked.

“No, I didn’t,”

“That’s good then. If ran ran hits a girl, she’s too much of a jerk!”

The bicycle turned out of the boulevard outside the school. There were fewer students on the road. Tang Xinxin sped up, and the wind blew past her ears.

Gong mo reached out and tidied his hair. He was stunned when he saw Sheng nanxuan standing under a sycamore tree by the roadside.

He looked at her, his eyes following her.

Her heart skipped a beat. She put her hand down and pressed it on her bag. Thinking of the book she had stuffed into her bag, her cheeks began to heat up.

She couldn’t help but turn back to look at him. He smiled bitterly and lowered his head in desolation.

Gong mo turned around in a panic. His heart and mind were in a mess.

She took Tang Xinxin home for dinner, then they went back to school for self-study.

As usual, Sheng nanxuan still did not come to the evening self-study.

Gong mo was a little disappointed when he saw his empty seat.

When she went home that night, she and Tang Xinxin went their separate ways at the school gate and went home in opposite directions.

When she reached a section of the road with fewer people, she was a little scared and walked forward quickly.

As she walked, she felt that someone was following her. She turned around and saw a person stopping a few meters away.

She was shocked and turned to run. After two steps, she turned back and saw the man walking slowly towards her. She stopped.

She looked at him and saw that it was Sheng nanxuan.

Sheng nanxuan took a step back.

Gong Mo's body trembled. He turned around and ran away quickly, not knowing if it was out of anger or fear.

She only dared to stop when she reached the entrance of the community. She turned around and saw Sheng nanxuan standing at the intersection in front of her. He was about twenty meters away.

She turned around and went into the neighborhood. When she got home, she took out the poetry book from her room and opened it. On the title page, she saw-

“To Gong mo”

Happy Birthday

14th of June ”

Gong Mo closed his book.

Her birthday was the 16th of June.

But now, it was already the 16th of August.

This was the birthday present he had prepared for her two months ago?

At that time, they hadn't met yet, right?

The day she met song zijie was a week later.

However, on her birthday, many of her classmates had given her gifts. He had also prepared for it? Why didn't he give it to her back then?

Gong mo was in a daze for a long time before he finally opened the poem collection.

She had read many of Xi Murong's poems.

Xi Murong's poems were beautiful and lively, and many of his famous love poems made people sigh with emotion.

For example, "a blooming tree" and "Lotus" worries."

A lot of people had used it, and a lot of people had re-composed it. Gong mo had also seen someone quote a poem when he was reading a novel, but she hadn't had the time to find Xi Murong's poetry collection to read.

And now, someone had given it to her.

It had to be said that this gift had reached the bottom of her heart.

It was because Wanwan really liked Xi Murong's poems.

She opened the poem collection and slowly read it.

Until she read the song Sheng nanxuan had written in his draft book.

So, that was Xi Murong's, Yingluo.

The name of this poem was-"choice."

If I had come to this world

Just to be with you once

All for that moment in a billion lightyears.

All the sweetness and sorrow in that moment

Then let everything that should happen

They all appeared in an instant.

Let me bow my head and thank all the planets for their help.

Chapter 423

423 Gong Mo's past (14)

The next day, Gong mo met Sheng nanxuan on his way to school.

...

She frowned and immediately went to the other side of the road, as if she had a grudge against him.

Sheng nanxuan sighed in regret.

The kiss from before had been written off, so that Hanhan from yesterday probably wouldn't be written off.

In the future, she might not care about me anymore, Yingluo.

Sheng nanxuan suddenly felt terrible. He didn't want this to happen, he wanted her! In the future, she would definitely be his! Now, he didn't want to distance himself from her.

It would be great if she could forget about that kiss for a while. That way, they could still be friends.

Forget?

Sheng nanxuan's eyes suddenly lit up.

He had been studying hypnosis recently. If he could hypnotize her and make her forget, it should work, right?

"Gong mo!" He ran towards her.

Gong mo frowned and walked forward quickly, ignoring him.

"Gong mo!" Sheng nanxuan shouted, and the people on the road looked over.

When Gong mo saw this, he stopped in a Huff and turned to look at him.

He ran in front of her and stared into her eyes, panting.

"What are you doing?" Gong mo was displeased.

"Look into my eyes." He said.

Gong mo was stunned. He raised his eyebrows and became even angrier, "What do you want Yingluo to do, Yingluo?"

She met his eyes and suddenly felt a little dizzy.

He reached out his hand and slowly separated and closed his fingers in front of her eyes. Seeing that her consciousness was gradually fading, he said in a bewitching tone, "Forget that I kissed you, Yingluo."

A few seconds later, Gong mo woke up with a loud bang. However, he didn't feel anything wrong.

Sheng nanxuan looked at her nervously. It was his first time performing hypnosis, so he didn't know if it would work.

She looked at him and did not get angry. Instead, she taunted, "yo~truant King, you're finally willing to come to the morning self-study?"

Sheng nanxuan secretly heaved a sigh of relief and smiled. "Didn't I already tell you? I have to do better next time. Of course, I have to start working hard from every place~"

"Then why didn't you come to the evening self-study session last night?"

oh, oh, oh. Sheng nanxuan was stunned. Wasn't he afraid that she would be angry when she saw him last night? "Do you need night self-study to make up for the lessons?" he asked.

Gong mo rolled his eyes at him and turned around to walk back to school.

When she reached the school gate, she saw a stall selling breakfast. She ran over and bought a cup of soy milk and a cornmeal.

"You didn't have breakfast?" Sheng nanxuan asked.

"I overslept this morning." Gong mo said that she had read the poetry book last night.

Thinking of this, she frowned and felt that something was wrong.

She took the soy milk and corncake from the vendor and said to Sheng nanxuan, "Thank you for your poetry."

“You’re welcome,” Sheng nanxuan said to the peddler, “ I haven’t had breakfast either. Give me one too!

What he bought was the same as what Gong mo had. Gong mo asked curiously, “ Are you full?”

“Are you full?” He asked in return.

“I’m a girl, of course I’m full. But you guys have big appetites. Don’t you all eat a lot?”

“Don’t worry, I’m the kind with a smaller appetite.”

Gong mo hurriedly handed over the change in his hand, “ I’ll treat you! I didn’t even give you money when you bought me medicine last time.”

Sheng nanxuan was stunned. He took back his money.”Alright then. Speaking of which, the medicine money is enough to buy dozens of soy milk and corncake. Why don’t you buy breakfast for me in the future?”

Gong mo was dumbfounded and looked at him in a daze.

“Not always,” he said. The medicine is 30 yuan, do as you see fit.”

“Uh, aww, okay.” Gong mo didn’t want to owe him anything.

Sheng nanxuan smiled and entered the school with her, carrying soy milk and cornbread.

“Why did I hit you yesterday?” Gong mo suddenly asked.

Chapter 424

424 Gong Mo’s past (15)

oh, oh, oh. Sheng nanxuan was stunned. He only asked her to forget that he had kissed her, but he did not ask her to forget the cause and effect. What should he do?

...

“Forget it,” he said. anyway, I feel like getting angry whenever I see you, ” Gong mo suddenly said.

“Wuwuwuwuwu.” This wasn’t good, was it? How could he chase after her?

“Mo Mo, wait for me!” Tang Xinxin’s voice came.

Gong mo turned around and saw her running towards him from the bicycle shed.

Tang Xinxin ran to her side and saw Sheng nanxuan standing beside her with the same breakfast in his hands. She was stunned. “Is Yingluo alright?”

“I’m fine,”

Gong mo walked forward with Tang Xinxin by his side.

Sheng nanxuan did not join in on the fun. He walked slowly and ate his food, keeping a distance from them.

Tang Xinxin turned around and asked Gong mo in a low voice, ” it’d be weird if you didn’t. You fought yesterday and quarreled today. Were you guys actually flirting? ”

Gong mo was shocked and pinched her. His face turned red.

“It’s Red! It’s Red!” Tang Xinxin shouted, ”ran ran, your face is red!” I was right!”

“Shut up!” Gong mo turned around and glanced at Sheng nanxuan. Then, he pulled her and ran away in a hurry.

Tang Xinxin was still screaming, “f * ck!” The two of you are a perfect match! But he’s too unmotivated, so don’t drag down your grades!”

“What nonsense are you spouting?”

“I’m not talking nonsense. I could tell that he liked you, but I didn’t think that he would really win you over!”

“Who’s been caught by him?” Gong mo cried out, “ no! When did he like me?”

“You don’t know? He often looks at you in a daze. Didn’t you wear a new dress on your birthday? He’s been staring at you without blinking ever since you entered the house!”

“Nonsense!” Gong mo was stunned.

you know whether I’m talking nonsense or not. Tang Xinxin blinked her eyes. you two look like a perfect match. If he can study hard for you, you’ll be perfect for each other.

“Yingluo, don’t talk nonsense.” Gong Mo’s voice became even softer.

When they walked into the classroom, Tang Xinxin stopped talking nonsense.

The morning self-study session was about to begin. Gong mo put his breakfast into the drawer and prepared to eat it after class.

Suddenly, a surprised voice came from behind him, and then the classroom fell silent.

Gong mo looked over and saw Sheng nanxuan walking in. The bell rang.

Everyone was surprised that he was not late.

Sheng nanxuan raised his eyebrows and asked , 'what? The referee is here, are you guys scared?'

tsk ~"someone waved his hand, and the classroom was filled with the sound of morning reading.

.....

During the evening self-study session, Sheng nanxuan still came to the classroom, which surprised everyone again.

Even the teacher who stayed up for the evening self-study was shocked by him when he entered the classroom.

Gong mo saw him sitting in his seat and doing something. Was he doing his homework?

If that was the case, it would be great!

She hoped that he could change and make others look at him in a different light! In her eyes, he was not as bad as everyone thought.

After the first evening self-study period, Sheng nanxuan came to her with a notebook to ask her for some difficult questions.

Tang Xinxin winked at Gong mo.

Gong mo was very depressed. He pinched her secretly and said to Sheng nanxuan, " "Why didn't you ask the teacher when he was here?"

Sheng nanxuan looked at her. I'm a bad student. Do you think the teacher will patiently teach me? "

Gong mo choked and mumbled,"why wouldn't I?" As long as you have a proper attitude, I will treat everyone the same."

"Then we'll talk about it after I improve. I'm too embarrassed to ask him now."

Chapter 425

425 Gong Mo's past (16)

Gong mo was stunned. He took the notebook and explained the questions to him. Then you'll have the face to ask me!

...

After the evening self-study session, Gong mo returned home. After she broke up with Tang Xinxin at the school gate, she heard Sheng nanxuan calling her.

She turned around. Sheng nanxuan walked over. I'll send you.

Gong mo thought of Tang Xinxin's words. Does he really like me?

"N-no need," she stammered, her face red.

It's very dangerous for you to be alone. You don't want to meet people like song zijie again, do you? "

uh, hehe. Gong mo hesitated for a moment before turning around and walking away.

He smiled and followed her.

"Why did you follow me last night?" Gong mo asked.

“I’m afraid something will happen to you.”

Gong Mo’s heart skipped a beat and his face turned red again.

What did he mean? How could he say it so naturally?

The two of them walked forward in silence. After a while, Sheng nanxuan asked, “By the way, I still don’t quite understand today’s chemistry question, ran ran.”

“What don’t you understand?”

The two of them began to discuss academic problems as they walked.

When they arrived at the road outside Gong mo District, she stopped and said, “This place is fine, you don’t have to send me off.”

What if the neighbors saw her and thought that she was in a relationship?

Sheng nanxuan stopped. then I’ll watch you enter. he said.

“Yingluo, thank you.” Gong mo raised his head and looked at him.

“You’re welcome,” He smiled.

“Actually, Qianqian, you’re a really good person,” Gong mo turned around and said after taking two steps.

wuwuwuwuwu “he didn’t want the good guy card,

“It’s even better to study seriously.”

“Aren’t I studying seriously now?” He asked gloomily.

“It’s only been a day.” Gong mo chuckled. There are still two years before the college entrance examination. Can you hold on?”

“You just have to explain the questions to me!”

“See you tomorrow!” Gong mo blushed and turned around.

“Don’t forget my breakfast!”

“What do you want to eat?” Gong mo stopped.

“The same as you.”

Gong mo turned around and left. This time, he really left without looking back.

When Sheng nanxuan saw her enter the neighborhood, he turned around and went home happily.

.....

When Gong mo returned home, he said to Shan Rong, “Mom, can you make more breakfast tomorrow?”

“Why?” Shan Rong looked at her. your appetite has grown? ”

it’s not Zhenzhen,”Gong mo said with a smile. the classmate who bought medicine for me last semester when I sprained my ankle. I noticed that he didn’t eat breakfast, so I wanted to buy some for him.

“It’s not candy that helped you?”

“No, it’s another classmate you haven’t met. I gave him the money for the medicine, but he didn’t want it, so I thought I’d just give him something to eat ~”

“Alright then!” Shan Rong agreed immediately, “how can you skip breakfast at such a young age? Don’t you have money?”

“It seems like I’m used to it. I also said that he would have stomach problems if he didn’t eat breakfast, but he didn’t listen~I’ll bring it to him tomorrow and see if he’ll eat it. It’s usually embarrassing to refuse something given by others.”

“Yes, yes.” Shan Rong nodded. then I’ll make one more.

“En, it’ll be fine if it’s the same as mine.”

“It’s not easy to bring congee. Bring her something else.” Shan Rong thought that the classmate was a girl.

The breakfast that Shan Rong made every day was different. Sometimes it was porridge and steamed buns, sometimes it was noodles, sometimes it was dumplings, and sometimes it was bread and cake bought outside. In addition to these, she also forced Gong mo to drink a box of pure milk and eat an egg every day.

If she wanted to bring it to her classmates, it would not be a soup. She decided not to make noodles in the future.

The next morning, after Gong mo had breakfast, he packed Sheng nanxuan’s portion into a lunchbox and took two boxes of milk from the milk box.

Chapter 426

426 The past of Gong mo (17)

To be honest, she didn't like the taste of pure milk. She decided to give both to Sheng nanxuan.

...

He was a big boy, and if he really had the same amount of food as her, he probably wouldn't be full!

Sheng nanxuan actually had breakfast at home every day. He had said that on purpose yesterday, so he had bought the same food as her. Because he wouldn't be full even if he added that little bit of stuff.

Today, he had left without breakfast. Liu Xuelan pretended to be concerned and asked, but he said he would buy some on the way, so she didn't bother.

When Gong mo was about to reach school with his lunchbox, he saw Sheng nanxuan again at the place where he had met him yesterday.

He smiled at her, and she walked over with a straight face and handed him the lunchbox. "There!"

Sheng nanxuan took it and opened the bag. There was a pink lunchbox inside.

"Are there no other colors?" He asked.

Gong mo raised his eyebrows and said, "you're still picking?" I only have this at home, do you want me to buy a new one for you?"

"Then this is the one you've used before?"

"Give it back to me!" Gong Mo's face turned red as he tried to snatch it back.

"I won't!" Sheng nanxuan turned and ran.

Gong mo was so angry that he kicked the ground twice and slowly walked forward.

It was good that he had left, so as to avoid unnecessary speculation when the two of them entered the classroom at the same time.

After a few steps, she saw him standing by the side of the road and opening his lunchbox. He picked up a fork and started eating the steamed dumplings inside.

Gong mo turned his head away and ignored him. He continued walking forward.

He closed the lunchbox and stuffed it into the bag, then ran over and stuffed a box of milk into her hands.

“Eh?”

“This box is yours, right? I only need one box!” He carried the bag and ran into the school.

Gong mo looked at the glass of milk in his hand and started drinking it with a straw.

.....

After school officially started at the beginning of September, the atmosphere between the two of them had become much more harmonious.

They met at the same old place. Gong mo took out his milk from the bag and gave the rest to him.
“You’ve been waiting for a long time?”

“No, I didn’t,” Sheng nanxuan took out the lunchbox and looked at it. Today was a sandwich with cut fruit. There were eggs every day.

“The food in your house is too good!” He said.

“It’s probably not as good as yours, right?”

“Indeed,” Sheng nanxuan said after some thought.

Gong mo frowned and looked at him with dissatisfaction.

He smiled and said, “you’ve been bringing me breakfast for half a month. It’s already more than 30 yuan.” I’ll bring some for you next week as a return gift~”

“No, no need.”

“It’s settled then! It’s impolite not to return the favor, and only by returning the favor can we be friends!”

“There’s really no need to!” it’s hard to explain to my mother, “Gong mo replied.

“Then, Yingluo, I’ll give you some snacks. You can have an extra meal during the exercise break. My housekeeper should know how to make desserts. What do you like to eat?”

Gong Mo’s face turned red and he quickly walked forward. “As you wish!”

Sheng nanxuan smiled and followed her slowly with his breakfast.

They met here every day, but they would not enter the classroom together. Although no one suggested this, the two of them tacitly avoided each other.

If they entered the classroom together, it would be easy for people to misunderstand Yingluo.

.....

At night, Gong mo told dan Rong that his classmate was finally too embarrassed to accept his kindness and had started to eat his own breakfast. She didn't need to bring him any more food in the future.

The next day, Sheng nanxuan really brought some snacks for Gong mo. They were baked Blueberry Cookies.

Gong mo was too embarrassed to eat at school, so he brought it back to dan Rong at night and said, "that classmate said that I brought him so much breakfast. He's sorry, so he only gave this to me. He said that his mother made it.

Chapter 427

427 Gong Mo's past (18)

When Shan Rong heard this, she immediately took a piece and ate it, saying, "You made it yourself? It's so delicious? It looks like I'm going to buy an oven and make you desserts in the future!"

...

you're so busy. I think you should forget about it. Gong mo laughed.

A few days later, because of the rain, they did not go to the field to do broadcast exercises during the exercise time. Instead, they did eye exercises in the classroom.

After they were done, many students went to the cafeteria with umbrellas to buy snacks and food.

"Let's go, let's go, let's go, I'm starving!" Tang Xinxin pulled Gong mo.

"I have something to eat," Gong mo said in a low voice.

Tang Xinxin couldn't help but whisper, "Then take it out!"

Gong mo took out a lunchbox from under the table and opened it. There were two layers of desserts in the lunchbox, half of which were egg tarts and the other half were steamed buns.

damn! Tang Xinxin widened her eyes and said excitedly, "that's too ...

shush-" Gong mo gestured for her to keep her voice down.

The surrounding students were having a good time. If they were seen by others, they would not be able to split it.

Tang Xinxin immediately suppressed her voice, grabbed a steamed bun and stuffed it into her mouth. "The color, smell, and taste are all here, Yingluo."

Gong mo also started to eat slowly.

Tang Xinxin stopped eating and asked, " "Where did you get it from?"

Gong mo thought for a while, looked around and said in a low voice, " "Sheng nanxuan gave it to me."

ppft! Tang Xinxin choked and grabbed her. what did you say? " You two are indeed having an affair!"

"Aiya!" Gong mo smacked her hand away. I explained the questions to him. What's wrong with him thanking me? "

um, well, well. Tang Xinxin couldn't help but reflect on herself when she saw how she spoke so openly as if there was really no affair. Isn't his thinking too rotten!

After finishing the snacks, Gong mo put away the lunchbox and the two of them went to the bathroom to wash their hands.

"Can you order?" Tang Xinxin asked in a low voice.

“Ah?” Gong mo didn’t understand.

if you can order from him, I’ll order from you! Tang Xinxin said with a smile. I want to eat sushi!

“.....”

At night, Sheng nanxuan was on the way home with Gong mo.

did you give the food to Tang Xinxin? ” Sheng nanxuan asked.

“She’s my friend.” Gong mo said matter of factly.

Sheng nanxuan only felt that his intentions were a little ruined. However, he didn’t make those desserts, so he didn’t have to be too calculative.

He said,“alright. I’ve given it to you, so it’s yours. You can do whatever you want with it. ”

“You’re not happy?” Gong mo asked timidly.

“No, I haven’t. Did you eat it?”

“I ate it. There’s too much, I can’t finish all of it. ”

“Then you can eat slowly!” He still hoped that she would eat it alone and not share it with others.

“You’ll get fat if you eat so much every day.” Gong mo said in distress.

oh, oh, oh. Sheng nanxuan was dumbfounded. Why did they focus on different things?

“Don’t you know that girls are afraid of being fat?” Gong mo asked in surprise.

all right, Yingluo. he admitted defeat. you can make Tang Xinxin fat, but you’ll lose weight!

“pfft-” Gong mo covered his mouth and laughed. Oh right, Tang Xinxin said that she wants to eat sushi.

“What about you?” He looked at her with a little dissatisfaction.

“Me? I want to eat it too ~”

“That’s fine,” Sheng nanxuan was happy. don’t bother about her in the future. Just tell me what you want to eat.

Gong Mo’s face turned red and he lowered his head in silence. When they reached the position where they should break up, she stopped, and he also stopped.

“Goodbye.” She said in a low voice.

goodbye, Yingluo, ” he said in a low voice.

Gong mo lowered his head and walked away quickly.

Sheng nanxuan looked at her back and laughed silently. He looked especially sweet.

Chapter 428

428 Gong Mo’s past (19)

Tang Xinxin grabbed Gong Mo’s arm excitedly as she ate the sushi. “I’ll go! There’s really sushi! He must like you and will satisfy all your requests!”

...

don't talk nonsense, Zhenzhen. although Gong mo said that, he didn't reject the idea as much.

He turned around and glanced at Sheng nanxuan. Seeing that he was sitting in his seat and doing his homework seriously, he heaved a sigh of relief.

He finally knew how to work hard. He shouldn't be at the bottom of this monthly test, right?

.....

Before the monthly test, the form teacher said,"after the monthly test, we'll rearrange the seats according to the results." "In the past, we've always let everyone choose according to the order of results. This time, we'll change it. Using the last year's final exam's ranking as a benchmark, whoever's ranking improved the fastest will get to choose their seats first!"

When they returned home that night, Sheng nanxuan asked Gong mo, " "Did you hear what the teacher said about changing seats today?"

"Of course I did."

He glanced at her and said,"I was last in the last exam last time. I must have improved this time." I'm not so sure about you. The competition for your position is too intense."

"....."

"I'll definitely choose my seat before you." He said, " you'll probably be at the bottom.

"What are you trying to say?"

"You can choose the one beside me." He said.

Gong mo stopped and looked at him.

“I’ll choose a good seat first and leave the one next to it for you.”

you! Gong mo felt a little uncomfortable. His face was burning and his heart was beating wildly. what if the person in front of me chooses the seat next to you? ”

“Who dares to choose?”

“.....”

“Do you agree?” He asked, his voice revealing a trace of nervousness.

“Yingluo, you should do well first!” Gong mo turned around and walked away.

“I’ll definitely do well! Last time, I got 5 points. This time, just by answering the multiple choice questions, I’ll get more than that!”

“How many points did the second-to-last score last time? He might have just gotten the multiple choice questions by luck!”

“Yingluo.” He suddenly felt as if he had been splashed with a basin of cold water. Then he would get all of them right this time and get a full score to shock her!

No, if she couldn’t get full marks, her essay score would be deducted.

He didn’t speak for a long time.

He stopped first when they reached the place where they should split up.

“I would like to sit in the fourth or fifth row,” Gong mo turned around and said.

Sheng nanxuan was stunned. He looked up at her, but she had already left in a hurry.

.....

When the monthly test results came out, Sheng nanxuan's ranking in the class had risen by almost 20. He was ranked even higher in the grade and had improved the most.

Everyone did not find it strange at all.

Because this person never answered any questions in the past.

Could this be his true ability?

Unfortunately, Gong Mo's ranking dropped a few places. Although he didn't drop the most in the class, he was at the bottom of the class when it came to choosing seats.

Everyone was standing in the corridor on the balcony. The teacher was reading the name list, and one person would go in after the name was read.

Sheng nanxuan was the first to enter and chose the middle seat in the fourth row.

"Why don't we sit together? I'll leave the seat next to us for you!" Tang Xinxin pulled Gong mo and said.

Although they were choosing their seats, they were all classmates, so they had discussed it beforehand if they wanted to sit together. Anyway, the seats would be shifted left and right every week, so there was no difference as long as they were in the same row. Therefore, if Tang Xinxin wanted to sit with Gong mo and someone wanted to sit next to her before Gong mo, she would just have to say the word.

"Then choose the one beside Sheng nanxuan," Gong mo whispered.

Tang Xinxin was shocked and pulled her back excitedly. "What did you just say? You two ..."

429 The past of Gong mo (20)

"I promised him that it would be more convenient for me to explain the questions to him in the future."

...

"This reason is too unromantic!" Tang Xinxin said with disdain.

Gong mo,""

Sheng nanxuan chose the fourth row, which was the best position from the blackboard. Many people wanted to choose it. However, every time someone wanted to sit next to him, he would glare them away.

Therefore, after a long time, he left these two seats for Gong mo to choose from.

When it was Tang Xinxin's turn, she ran to his right and sat down.

He glared at Tang Xinxin. Tang Xinxin was startled and tried to move to the right, but the new student took her seat.

She had no choice but to sit back down and point to the empty seat on his left. "You can go over there."

Sheng nanxuan glared at her.

Tang Xinxin said in a low voice,"do you still want to have two women?" This old lady won't obey!"

Sheng nanxuan looked out of the window and saw Gong mo staring at him. He turned to look at the seat next to him.

Gong mo came in and sat down on his left.

Tang Xinxin looked at it and asked, "Sheng nanxuan, can we switch? I want to sit with Gong mo."

Sheng nanxuan was unhappy. He still wanted to sit with Gong mo!

They were only choosing their seats, and the tables in front of them were not theirs. After they had chosen their seats, everyone went to move their own tables.

Sheng nanxuan moved his table and stool over and placed them in Gong Mo's position. Then, he went to help Gong mo and Tang Xinxin place Gong Mo's table and stool in the same position as before.

Therefore, Gong mo sat between him and Tang Xinxin.

Tang Xinxin couldn't help but smile and said to Sheng nanxuan in admiration, "You're so smart~"

Sheng nanxuan rolled his eyes and lay on the table to sleep. He took out a transparent sealed can from under the table and stuffed it into Gong Mo's hands.

The sealed container was filled with chocolate biscuits. Gong Mo's face turned red as he turned around and gave it to Tang Xinxin.

Tang Xinxin was overjoyed. She put the jar on the table and called the students around her. "Do you guys want to eat?"

"Where did you get it?" Everyone asked curiously.

"Gong mo brought them."

thank you, Gong mo, " everyone said.

Gong mo blushed,"you're welcome, Zhenzhen."

Everyone grabbed one and I grabbed two, and soon, there was only half of the biscuit left.

Tang Xinxin returned the biscuit to Gong mo. Gong mo picked it up and ate a piece. Then, he thought of Sheng nanxuan, poked his shoulder, and pushed the biscuit to him.

He sat up, took a piece, and threw it into his mouth. He looked at her and said,"Offering Buddha with borrowed flowers ~"

Gong mo,"hehe."

"I'm talking about the one beside you."

Gong mo turned to Tang Xinxin and said,"I'm presenting Buddha with borrowed flowers."

"You two are bullying me, right?" Tang Xinxin rolled her eyes.

After class, Gong mo was called to the office by the form teacher.

Sheng nanxuan said that he improved so much in this exam because you helped him, " the homeroom teacher said. is that true? "

"Uh, ran ran came to ask me a question, so I told him."

"It's good to help your classmates." The form teacher smiled and said, " just don't delay your studies.

"I won't. In fact, when you're explaining the questions to others, you can also consider it as a revision."

then you'll have more time to help him if you sit together now.

"Yingluo, yes."

"But please don't let anything happen to Yingluo." The form teacher said, "you should focus on your studies now!"

"I know." Gong mo blushed. I won't do anything else."

The form teacher smiled,"actually, Yingluo, I'm mainly afraid of affecting your studies." With your grades, you'll have no problem getting into a top university, but I don't want any accidents to happen."

Chapter 430

430 Gong Mo's past (21)

Gong mo lowered his head and didn't speak.

...

The form teacher continued,"as long as it doesn't affect my studies, it doesn't matter if I make a friend or a boyfriend." The feelings between you two are pure at this age. Who knows, you might have already found a lifelong partner? In the long run, this was better than getting first place! If you don't want to continue tutoring him or be his deskmate, you can come and tell me. "

Gong mo nodded.

When they returned to the classroom, Sheng nanxuan asked in a low voice, " "What did the teacher want from you?"

"He asked me to tutor you."

He looked at her and smiled after a moment. then I'll definitely work hard. I won't embarrass you.

“Can’t you pay 50 more marks than this next time?” Gong Mo’s face reddened.

Sheng nanxuan’s eyes lit up.

It would be too easy for him to just say how many points he had! He knew how to do it anyway, so it was okay to calculate the score.

Of course, he wouldn’t really score an extra 50 points, but close. Hence, he scored 47 points more than this time.

He was a little depressed when he got the results.

“Not bad ~” Gong mo was very happy.

“You said you wanted to score 50 more points.”

“I’m very close to 47! This means that you have the ability to do so. Next time, we will reach our goal!”

“Alright ~”

Tang Xinxin felt that her friend had been fooled.

She glanced at them and felt that she was overthinking. How could he lie about exams? Unless Sheng nanxuan had cheated. However, everyone in the examination hall was a poor student, so he had no place to copy. He would probably be caught for taking a cheat sheet.

Seeing that he was so serious in doing the papers every day, he should have really improved, right?

She had never considered the fact that Sheng nanxuan was a top student!

.....

Under Gong Mo's guidance, Sheng nanxuan improved little by little.

It was an undeniable fact that they liked each other, but they had never said it out loud. Sheng nanxuan had never crossed the line.

The teacher saw that the two of them didn't affect their studies. Not only was Sheng nanxuan making rapid progress, but Gong Mo's grades were also stable and had a small improvement. The teacher didn't care if they were flirting or not.

In the mock exam before the college entrance examination, Sheng nanxuan's results were already hovering around the first-tier.

I don't know what the cut-off score will be this year," Gong mo said worriedly. don't be nervous, Yingluo. Just treat it normally. It'll be fine.

"I think you're more nervous than me," Sheng nanxuan said with a smile.

"You are my student!" Gong mo choked.

"Yes, yes, yes, teacher Wanwan has worked hard! If I get into a good school, I'll definitely thank teacher qu heavily!"

"How are you going to thank me?"

Sheng nanxuan paused for a moment and smiled slyly."You'll know when the time comes ~"

How should he thank her?

Can't I use my body?

.....

which school do you want to go to?" Sheng nanxuan asked on the day of filling in your application form.

actually, I want to go to Capital University, but I'm sure I won't have a chance with my grades ... Gong mo sighed.

It was the best university in the country. Even if she could get into a top-tier University, she would not have the chance to reach the cut-off point for this school.

When Sheng nanxuan heard this, he took a pen and filled in Capital University as his first choice.

"Then I'll help you!" He said.

"You must be joking!" if you have the chance to get one, why don't you choose properly? "Gong mo shouted.

In her opinion, he had no hope of getting into capital University with his grades. He should seriously choose a school that had just passed the admission line.

"I'd rather not have it than have it, this is it!" Sheng nanxuan lowered his head. I have to seriously think about where my second book is.

"Don't you have any pursuits?" Gong mo rolled his eyes at him. It was true that he had no problem getting into the second tier, but he still had a chance in the first tier. Why did he give up on the first tier?
